**Junior Heavy Champ To Wrestle Clements Night of October 4**

Wrestling fans are in for a real treat here the night of October 4, as a fitting climax to the Cotton Carnival as they witness a dynamite package of strength and meanness attempt to snatch the Southern junior light-heavyweight crown.

Ray "Big Train" Clements, Lubbock sensation who recently broke several ribs for Sailor "Tex" Watkins to place the meanie on the shelf for several weeks, has been matched against George Curtis, Southern States junior heavy champ of Vicksburg, Miss.

In a teaser to the champion-Clements main event will be Billy Hickson, Knoxville, Tenn., who is well liked by Memphis fans, testing the reputed outstanding ability of Henry "Jet" Harrel of New Orleans.

Dory Detton, Amarillo matchmaker, has notified promoter Pat Flynn that anything can happen

on these two cards and "probably will." Hickson and Harrel are fast, clever boys and Detton said he would guarantee plenty of action from both.

Clements was billed recently as a good lighthheavy who had been cleaning up on heavier opponents in the South when he invaded the Panhandle a few weeks ago to make Lubbock his home. No one thought he could beat the terrible Watkins but he did, breaking the Sailor's ribs in the process. "He's dynamite," says Detton.

George Curtis is one of the nation's outstanding grapplers. Despite his weight of only 190 pounds he has defeated all the junior heavies to claim the Southern States crown in that division.

Tickets will be on sale the first of the week at leading stores in Memphis or may be secured at the chamber of commerce offices.

The matches are sponsored by the chamber on behalf of Cotton Carnival expenses.

**Fort Worth & Denver Agricultural Agent To Aid Carnival**

A. K. Hepperly, agricultural agent of the Fort Worth and Denver City Railway Company, of Denver, has notified the chamber of commerce he will arrive in Memphis October 2 to assist in the West Texas Cotton, Chemurgic, and Ceramics Carnival program.

Hepperly will be one of the principal speakers during the celebration and will be on hand to assist in the welcome of the Fort Worth and Denver special train bearing Amarillo boosters to Memphis October 4.

**West Texas C. C. Officials Coming To Cotton Carnival**

Max Bentley, activities director of the West Texas chamber of commerce, has notified West Texas Cotton, Chemurgic, and Ceramics Carnival officials he would arrive here October 2, along with assistant manager J. A. Rix of

Fort Worth. Both of the speaking programs stand. Manager D. A. Bentley is unable to attend of illness, Bentley said. Mr. and Mrs. T. R. Sr. of Ada, Okla., are guests in the home of Mrs. M. McNeely.

### Meeting Here People Plan

ment and edification of the public. He urged all business men to decorate their places of business in order to show the visitors the proper respect and to let them know that the whole town is solidly behind the big West Texas show. Rumors were given proper consideration by Flynn. He said, "I am not resigning because of the fear that a deficit will be made. It is because I cannot find a home here for my family. No one will be asked to dig up a thin dime, if there should be a deficit. Besides, I would put on one show here that would take care of a deficit, should there be one. The concessions and other attractions pay commissions, and that will be ample." President Smith also assured the crowd that the directors of the chamber of commerce would not call on any one for donations, and that he felt sure the show would pay off, not only in finances, but in placing Memphis and Hall County in the top ranks of Panhandle towns and counties.

### High School Classes Elect New Officers

The five classes of the Memphis High School met this week to elect officers for the coming year. Officers chosen by the various classes included: Senior class: Duane Vickers, president; Sue Brewer, vice president; Gayle Stilwell, secretary and treasurer; and Jimmie Mitchell, reporter. Junior class: Don Morrison, president; Lois Wines, vice president; Scharlean Pyeatt, secretary; Anita Johnson, treasurer; and Bobby Taylor, reporter. Sophomore class: Joy Davis, president; Oleta Robertson, vice president; Joanna Davis, secretary; and Wayne Saunders, treasurer. Pre-Freshman class: Charles Messer, president; Carl Lee vice president; Barbara Whitson, secretary; and Bobby Dick Hutcherson, treasurer.

### News Items From Lakeview School

Football  
Last Friday night the Estelline Cubs surprised the Lakeview Eagles and their followers with a 52-0 win, as the Eagles were welcomed into the Class B conference. The game was not in doubt after the first quarter as the Estelline team took advantage of numerous Lakeview fumbles and run roughshod over the Lakeview team. The game which Lakeview plays Friday night, originally scheduled at Eagle Stadium, has been changed to Memphis and will begin at 8 p. m. Preceding the game, a midget game will be played for boys weighing 110 pounds and under. This game will be played at 6:15 p. m. Even though Memphis is a strong favorite to win, the Eagle-Cyclone tilt is always an interesting game for spectators.

### Dr. Trentham to Speak At Baptist Church Sunday

Dr. Charles Trentham, professor of Theology at Southwestern Baptist Theological Seminary, Fort Worth, will speak at both the morning and even services of the First Baptist Church Sunday in the absence of the pastor, Rev. C. R. Tension. Rev. Tension is preaching in a revival at the Central Baptist Church in Wichita Falls.

### Memphis High School Elects Annual Staff

MR. AND MRS. SCOTTY RAY PULLEN

### Hayes-Pullen Nuptials Solemnized At First Baptist Church in City

In a single-ring ceremony on Sunday afternoon, September 7, Miss Clara Jo Hayes, daughter of L. E. Hayes of this city, became the bride of Scotty Ray Pullen, son of Mr. and Mrs. Charlie Pullen of Memphis.

Rev. C. R. Tension, pastor, read the ceremony before an improvised altar in the prayer room of the First Baptist Church. Arrangements of peach and white gladioli formed a background for the service.

Miss Lois Wines at the piano played the traditional wedding marches and "Always" was play-

ed softly during the ceremony. The bride was attractive in a street-length dress of royal blue crepe complemented by black accessories. Her corsage was of white tuberoses.

Mrs. I. F. Hardin, cousin of the bride, was matron-of-honor. She wore a toast crepe dress with a corsage of white carnations.

Don Huggins attended the groom as best man.

Following the ceremony, a reception was held at the home of Mr. and Mrs. R. E. Siddle for members of the wedding party and guests. The bride's table, covered with a lace cloth, featured a center arrangement of carnations and asters and a tiered wedding cake topped with a miniature bride and groom.

After the reception, Mr. and Mrs. Pullen left on a short wedding trip to Carlsbad, N. M., from which they will return to Borger for establishment of residence, where Mr. Pullen is employed as assistant manager of McCarty's Super-Market.

Both are well known in Memphis and are graduates of the local high school. At the time of her marriage, the bride was employed by the Wherry Jewelry Store in this city.

Out-of-town guests attending the wedding were Mr. and Mrs. I. F. Hardin of Liberal, Kans., Mr. and Mrs. E. G. Hayes and daughter of Clarendon, L. D. Parish of the U. S. Navy, Don Huggins of Borger, and Mr. and Mrs. E. Parsons of Amarillo.

prices a thin dime,  
on your town like  
... want to see  
essing machinery,  
a lot from other  
day during the car-  
... there are a num-  
processing machines  
here fall after fall.  
up-to-the-minute  
most complete oil  
and one of the  
plants in this  
West Texas. These  
... only get the cot-  
real processing,  
that the machinery  
here for the occa-  
... if the readers  
what the word ce-  
just look in the  
of The Democrat  
carnival and you  
... For there  
display in the  
front of the of-

... will be displayed some  
"small" tires as well as others.  
The words "Chemurgic" and  
"Ceramics" have had a lot of us  
stumped. But they have been  
catchwords that attracted atten-  
tion, and attention is what the  
publicity committee has been en-  
deavoring for months to get.  
Pioneers of this section are as-  
ked by the parade committee to  
take part in the parade. This is  
as it should be. What would Hall  
County and West Texas amount  
to if there had been no hardy  
pioneers who had intestinal forti-  
tude enough to brave the dangers  
of a new country, the lonely life,  
the neighborless surroundings,  
the winter snows and the summer  
heat and sandstorms, the lack of  
comfort and school and church  
for their families? You should  
be well represented in the pa-  
rade and I hope the moving pic-  
tures will be taken of your unit  
above all others.  
The Democrat has, is, and al-  
ways will be for the progress of  
Memphis and Hall County. Thou-  
sands of inches of stories have  
been carried during the past sev-  
eral weeks boosting the coming

Cotton Carnival, and this has been  
done freely and cheerfully, for  
we at The Democrat believe in  
our town and county and want to  
see development that will count.  
Every member of the staff is on  
the publicity committee, and with  
the facile pen of Pat Flynn, who  
is a member also of the commit-  
tee, we have been able to give  
the readers an opportunity to get  
a picture of the enormous possi-  
bilities of development of the  
county's industrial and agricul-  
tural resources.  
Pat Flynn has done some great  
and outstanding work in promot-  
ing the big event as well as  
smoothing over a lot of selfish  
bickering and feelings in the area.  
No other man could have secured  
so much publicity for Memphis  
and, if he had been given the sup-  
port of all the people as some  
gave, there would have been a lot  
more good accomplished in the  
progress and betterment for all  
time to come of this area. My  
hat's off to this hard-working  
Irishman.  
Just a few more days until the  
big event. Every member of  
every committee should get busy  
now. And those who are not  
members of any committee would  
be doing their community a favor  
by volunteering their assistance.  
With all that, I wouldn't be sur-  
prised if a lot of visitors, seeing  
the need for more action, roll up  
their sleeves and help. We at  
home could do as much.  
Since this is football season, I  
would like to call attention to a  
common error made frequently  
regarding the name of the Mem-  
phis football team. Many add  
an S to the word Cyclone. This  
has repeatedly been done in spite  
of the fact that one Cyclone is  
usually sufficient to at least hold  
the opposing team to a few touch-  
downs. In speaking of a member  
of the Cyclone, one might call  
him a whirlwind, and it takes  
eleven whirlwinds to make a Cy-  
clone. The Amarillo team is  
known as the Sandstorm, and the  
members Sandies. It has been  
many years since the Cyclone and  
Sandstorm played each other.  
Leave off the S, please.  
Al Gerner of Hedley writes:  
"Last Saturday I visited a patient  
in a hospital in your city. While  
there I picked up a copy of The  
Memphis Democrat and noticed  
and read the sticker in the upper  
left hand corner. It was a well-  
worded sticker. I hadn't seen  
that done before—leaving the  
paper in the rooms of patients.  
Well, that's fine and I'm sure it  
is appreciated. The privately  
owned hospital is a credit to any  
man's town the size of Memphis."

KCTX artists, Johnny Sisson, the  
marvel of wizardry; queen candi-  
dates, Sons of the West, Pan-  
handle Cowboys and other novel-  
ty acts.  
Street dancing follows until  
dawn Friday morning. There will  
also be dances each evening be-  
fore midnight as well as from 2  
until 6 a. m.  
Friday night finds the Memphis  
Cyclone clashing with the McLenn  
Tigers in the first conference  
football game at home. The game  
will be followed by the second ro-  
deo performance, stage show and  
dances. The queens will be honor  
guests at a Presentation Ball,  
sponsored by the City Federation  
of Clubs.  
Saturday is "Mardi Gras" of  
West Texas Day. In addition to  
all of the above attractions and a  
continued program of activity on  
local streets, the "Parade of West

Texas," headed by Governor Beau-  
ford Jester and state dignitaries,  
will move at 10 o'clock and will  
include a dozen bands, floats,  
horses and riders from all over the  
Panhandle, many special units  
and the procession of queens.  
Two outstanding features of the  
day will be the Maverick Club  
tumbler and trampoliner artists,  
performing unbelievable stunts  
and acrobats.  
And, as an additional evening  
attraction, a wrestling card fea-  
turing some of the best grapplers  
in the business will follow the ro-  
deo finals.  
Coronation of "Maid of West  
Texas" will be held at 11 p. m.  
Saturday night on the court house  
square.  
The U. S. Army, Maxoil Manu-

may hear all of each program.

## You Can't Take It With You

You can take the right-of-way  
from the other fellow, but you  
can't take it to Heaven with you.  
So said Col. Homer Garrison,  
director of the Department of  
Public Safety, today in explain-  
ing provisions of the new Texas  
traffic code that went into effect  
September 5.  
"Where two roads or streets  
cross," Garrison said, "the ve-  
hicle that gets into the intersec-  
tion first has the right-of-way. If  
turned both Friday and Saturday  
afternoon and many of the ad-  
dresses will be broadcast by radio  
stations covering the Carnival pro-  
gram.  
News and magazine photograph-  
ers, reporters and newsreel cam-  
eramen will also be on hand to ex-  
ploit the Carnival highlights.

they get there at the same time,  
the vehicle on the left must yield  
to the one on the right.  
"In other words, if the other  
fellow is to your right, you must  
let him go ahead. If he is to  
your left, he is supposed to let  
you go ahead."  
How about right-of-way when  
you're trying to make a left turn  
at a busy intersection?  
"A car that is already in the  
intersection, coming to meet you,  
has the right-of-way," Garrison  
said. "So does the next car be-  
hind that one. To cut in front  
of either one of them would cre-  
ate a hazard. But when you have  
signaled and taken the proper  
position to turn, and have let these  
first couple of cars pass, then  
you are ready to turn. Others  
coming to meet you must let you  
turn."  
Garrison described the right-of-  
way rules as "just common sense  
and courtesy."

The occasion next week-end of-  
fers all an opportunity to show  
civic pride, aggressiveness, and a  
desire to make your home town  
the kind of town other people  
would like to settle in for life.  
This is one time when every man,  
woman and child should join  
hands and vie with each other to  
see who can do the most.

A few weeks ago Lewis Nor-  
dyke, columnist of the Amarillo  
Globe-News, said he would like  
to see me print the sentence,  
"West Texas Cotton, Chemurgic  
and Ceramics Carnival" in one  
headline. Well, the 1-line head-  
line is at the top of this page.

### Carnival Meeting At Quail Tonight

Pat Flynn, manager of the  
chamber of commerce, spoke to  
the general assembly of the Quail  
and Sannorwood schools today on  
the West Texas Cotton, Chem-  
urgic, and Ceramics Carnival to  
be held here next week.

Flynn is slated to meet with  
the highway delegation of Col-  
lingsworth, Wheeler, and Hall  
counties in Quail tonight.

### W. U. McCOY RESIGNS AS DEMOCRAT EDITOR

W. U. McCoy, who has served  
as news editor of The Democrat  
for nearly a year, resigned last  
week to go to Pampa where he  
will be associated with the Pampa  
News.

He and Mrs. McCoy, who was  
employed at Dunbar & Dunbar ab-  
stract and insurance office for  
several months, left Saturday for  
Pampa.

J. O. Fitzjarrald, lieutenant  
(jg) in the Naval Reserve, has re-  
turned from the Pacific Coast  
where for some three weeks an  
encampment of reserve officers  
was held.

Miss Billie Blackwell, daughter  
of Mr. and Mrs. C. C. Hodges,  
who has been employed at hos-  
pitals in New Orleans and Forj  
Worth for the past several  
months, has returned to Memphis  
and is employed at the Goodall  
Hospital. She began her duties  
there Monday.

# 'M' SYSTEM

### Memphis On Red Eclipses Memphis On the Mississippi

Mister Ripley of "Believe It Or Not" fame may be interested in knowing that no more does Memphis, Tenn., receive all correspondence addressed to "Memphis."

In fact, so well known is the West Texas Cotton, Chemurgic, and Ceramics Carnival which is to be staged here October 2-4, no city or state address was necessary this week for a Western Union telegram to be delivered here promptly.

Furthermore the address on the "Leto" Relieves "Gum" Discomfort. You can not look, nor expect to feel your best with irritated "GUMS."—Druggists refund money if "LETO'S" fails to satisfy. TARVER'S PHARMACY

message was not correct nor was the wording of the wire. Believe it or not, the message was delivered to Pat Flynn within 30 minutes of filing from Hallettsville, Texas.

The message was intended for Ford Boyd, National Cotton Council, Memphis, Tenn., and was in regard to an exhibit shipped Flynn for local showing next week. Here is an exact copy of the message now on file at the chamber of commerce:

"Ford Boyd National Cotton Court Shipped Fair display to Pay Flynn Sept. 8."

The message was signed by John V. Lindsey who is county agent in Hallettsville.

### Navy Recruiter To Visit Memphis Twice Weekly

Amarillo's navy recruiting station has had their complement enlarged to accommodate the accelerated flood of recruits enlisting in the regular navy. In true form with the navy's policy to assign the more deserving men to recruiting duty, they have made another choice by selecting Chief Machinist's Mae L. D. Burgess, it was announced this week.

Chief Burgess has served in the navy for 19 years, all of which has been at sea. A sea going sailor of the fleet, he has been a crew member of many of the larger craft of the navy. When the Japanese attacked Pearl Harbor, Chief Burgess was on his way into that port aboard the heavy cruiser USS Chester. Upon receipt of the word that we were at war, the Chester immediately started on patrol. This was the beginning of a fight that took Chief Burgess to the far corners of the earth, where he took part in six major battle engagements and numerous attacks, the announcement said.

Although attached to the Amarillo recruiting station, Chief Burgess will be stationed in Childress for the present. He will be accompanied by Mrs. Burgess, and they will have an opportunity to set up their first state-side home. Chief Burgess will be in Memphis every Tuesday and Thursday to accept recruits.

### Mobeetie Wins One, Memphis Wins One, In 2 Games Here

The two leading teams of the Upper Red River Valley baseball league—Mobeetie and Memphis—played two post-season games here Saturday night and Sunday. Mobeetie ran away with too many scores to remember at the Saturday night game, but Memphis evened up the two-game series by taking the Sunday afternoon game 11 to 10.

In the Sunday game Memphis led in runs until the first of the ninth inning when Mobeetie eased ahead by one run. Memphis came to bat in the last half and ran in two scores to win the game.

The two teams met in the league finals recently to decide the championship of the league. Mobeetie took two of the three-game series to win.

Baseball received much attention this year, and fans expect to see good teams competing next year, according to statements made by them at the end of the season.

### ESTELLINE

By MRS. FRED BERRY

Please drop your news items in the mail box at Mrs. Rigsby's ready-to-wear store.

Word was received last week of the death of Whit Blanchard of California, formerly of Estelline. He is a brother-in-law of Perry Hale.

The Rebekah women entertained their husbands with a supper last Tuesday night. They played 42 and dominoes during the social hour.

Miss Irma Dean Gardenhire returned to Denton last Sunday where she will re-enter school.

Bert McLean and Pat opened a bakery in Estelline this week.

Mr. R. Adams and Ered Meadows sold their grocery store to Mr. and Mrs. W. Smith and children of Quitaque, who have recently moved here.

Visiting in the home of Mrs. Katie Phillips last week was her granddaughter, Mr. and Mrs. Warren Landrop of Oklahoma City.

Mrs. A. F. Loftin has been visiting her daughter in Spearman for the past two weeks.

Laddie Sloan, who is attending school in Arlington, was home over the week-end visiting with his parents, Mr. and Mrs. C. L. Sloan. David Duncan accompanied him home.

Mrs. L. Pierce took her daughter to Lubbock Tuesday where she will enter Texas Tech.

Jim Hutchins left for Lubbock last week to attend school.

Hulen Clifton Jr. left for Austin last week where he will enter school.

Mrs. Beulah Travis underwent an operation in a Quannah hospital two weeks ago. She was brought home this week.

The P.-T. A. will meet every first Tuesday of each month at the school building. Let every mother that is interested in school be present next Tuesday, October 7.

There was a large crowd from Lakeview at the Estelline-Lakeview football game here last Friday night. The score was 52-0 in favor of Estelline.

Miss Venola Weinberg of Fort Worth and John Weinberg of Springer, N. M., visited last week with their mother, Mrs. J. C. Hodges.

Mr. and Mrs. Clyde Wilkerson and Mr. and Mrs. Frank Cooper of Estelline met with an automobile accident Friday night while on their way to the Amarillo-Childress football game at Amarillo. No one was hurt but the car belonging to Mr. Wilkerson, driven by Mr. Cooper, was damaged to the extent of \$300.

Dr. and Mrs. O. R. Goodall returned Monday after taking their children Betty and Sim, to school. Sim is attending the Allen Academy in Bryan and Betty is attending Mary Immaculate in Wichita Falls. While away the Goodalls visited with her brother, C. E. Weaver of San Benito.

### Officers Are Installed At TEL Class Meet

Mrs. C. R. Tension installed new officers of the T. E. L. Class of the First Baptist Church at a meeting last Thursday afternoon in the home of Mrs. R. H. Wherry. Mrs. A. Baldwin assisted Mrs. Wherry as co-hostess.

Mrs. Tension used as the theme for the installation service "Ships" and as each officer was installed she was presented with a small ship representative of her office in the class.

Mrs. T. T. Loard offered the opening prayer of the afternoon, after which Mrs. J. S. McMurry brought the devotional, using as the text the 14th chapter of John. Mrs. A. M. Wyatt led the group in prayer and those present sang "My Faith Looks Up to Thee." Mrs. R. C. Walker concluded the program with a paper on "He is Counting on You." Mrs. C. R. Tension offered the closing prayer, and the class adjourned until October 16 when it will meet in the home of Mrs. John Barber.

Enjoying the refreshment service were Mesdames C. W. Crawford, R. C. Walker, E. W. Evans, Charles Drake, Ben Smith, E. T. Prater, C. R. Tension, T. T. Loard, John Barber, W. C. Gilliam, A. M. ### Pretty Home Ceremony Unites Miss Crump and J. V. Shepherd

Miss Betty Sue Crump, daughter of Mrs. Bess Crump of this city, and James V. Shepherd, son of Mrs. W. E. Shepherd of Memphis and formerly of Brice, were married Saturday evening, September 13, at the home of the bride's mother, 608 South 8th street.

Rev. P. E. Yarborough, minister of the Methodist church, officiated at the single-ring ceremony. Basket and bouquet arrangements of perennial flowers, golden glow, dahlias, petunias, and baby's-breath formed a background for the service.

Miss Lavern Dodson, maid-of-honor, wore a blue wool jersey dress accented with brown and white accessories and a corsage of pink carnations. Scott Shepherd attended his brother as best man.

For her daughter's wedding, Mrs. Crump chose a grey wool crepe dress with a corsage of pink carnations.

The bride was a dainty picture in a suit of blue gabardine with a white blouse and black accessories. She wore a shoulder corsage of pink roses.

Mrs. Shepherd is a graduate of the Memphis High School with the class of '44 and at the present time is employed by the Southwestern Associated Telephone Co. as cashier.

The bridegroom graduated from the Lakeview High School with the class of 1941 and entered the air corps in 1942. He spent 31-2 years in the service and since his discharge has been employed by Dr. Jack Baldwin as dental laboratory technician.

After a short wedding trip to Wichita Falls, Dallas, and Fort Worth, Mr. and Mrs. Shepherd will be at home on North 12th street.

A reception was held immediately following the ceremony for members of the bridal party and guests in the home of the bride's mother. The table, laid with an ecru cloth crocheted by Mrs. Crump, was centered with an arrangement of pink gladioli, which provided a beautiful setting for the wedding cake, topped by a miniature bride and groom. Mrs. J. P. Godfrey, sister of the bride, presided at the large crystal punch bowl.

Those attending the wedding and reception were Webb Brewer of Fort Worth; uncle of the bride; Mrs. T. D. Weatherby, Mrs. T. R. Franks, Mrs. Wiley Crump, Mr. and Mrs. J. P. Godfrey and Linda, Billy Jean Beckham, Cotton Bownds, and Betty Gene Solomon.

### Victory SS Class Enjoys Lawn Party At Earl Hill Home

Members of the Victory Sunday School Class of the First Methodist Church and a group of guests were entertained last Tuesday evening with a lawn party at the home of Mr. and Mrs. Earl Hill.

Mr. and Mrs. W. P. Baten, Mr. and Mrs. H. C. McNight, Mr. and Mrs. Clyde Reed, Mr. and Mrs. Harry Boswell, Mr. and Mrs. Dink Gerlach, Mr. and Mrs. Charles Snowdon, Mr. and Mrs. O. L. Hearn, Mr. and Mrs. R. T. Tiner, and Dr. and Mrs. O. R. Goodall were co-hosts with Mr. and Mrs. Hill for the party.

Informality was the keynote for the evening and a number of well planned party games provided special entertainment for the children while the grown-ups enjoyed games of 42. In keeping with the name of the class, V-shaped table markers and table numbers marked places at 15 tables for members and guests.

At the conclusion of the games of 42, refreshments of ice cream and cake were served to approximately 88 members and guests. The guest list included Mr. and Mrs. D. W. McCollum, Mr. and Mrs. Ivan McCreath, Mr. and Mrs. Gene Chamberlain, Mr. and Mrs. Ernest Lee, Mr. and Mrs. W. H. Monzingo, Mr. and Mrs. E. L. Spradlin, Mr. and Mrs. J. J. McDaniel, Mr. and Mrs. A. O. Gidden, Mr. and Mrs. A. O. Wines, Mr. and Mrs. C. C. Armstrong, Mr. and Mrs. W. D. Young, Mr. and Mrs. Wyley Whitely, Mr. and Mrs. O. R. Saye, Mr. and Mrs. Roy L. Guthrie, Mr. and Mrs. Harrold Vandiver, Mr. and Mrs. Marion Messer, Mr. and Mrs. Barney Burnett, Mr. and Mrs. L. A. Stilwell, Mr. and Mrs. Edwin Hutcheson, Harless Robertson, Ed Dudek, Ray Baker, E. C. Lemons, Mesdames L. D. Williford, Rollie Kelley, K. Aufry, H. N. Blockmon, Maudie Billingsley, Elizabeth Williford, C. F. Srygley, Hester Bownds, and Misses Mary Beckum and Mary Foreman.

The next social planned by the class is a tacky party and will be held in the basement of the church in November.

### Needle Club of Pleasant Valley Enjoys Luncheon

The Pleasant Valley Needle Club met in the home of Mrs. Pat Lewis last Thursday for the monthly luncheon.

During the business hour, the guests exchanged gifts and names for "pollyanna" friends were drawn for the following month. The remainder of the afternoon was spent by the guests quilting.

Members attending were Mesdames E. W. Pate, Glen Verden, T. E. Lenoir, Jim Gowdy, J. W. Molloy, and new members, Mesdames O. L. Benton, C. R. Kulp, and the hostess, Mrs. Pat Lewis.

Mr. and Mrs. Jim Moore of Wellington visited Sunday with Mrs. Kenneth Neal.

MR. AND MRS. PAUL DODSON

### Miss Ruth Jones, English Girl, and Paul Dodson Wed in Memphis Rites

Miss Ruth Margaret Jones, daughter of Mr. and Mrs. W. R. Jones of Rhuddlan, N. Wales, and Paul Dodson, son of Mr. and Mrs. C. C. Dodson of this city, were united in marriage Wednesday evening, September 17, at the home of the groom's parents, Rev. George King, Baptist evangelist, read the single-ring ceremony at 6 o'clock.

Miss Lavern Dodson, sister of the groom, attended the bride as maid of honor. She was attired in a light blue crepe dress with a corsage of pink carnations.

L. F. Jones served as best man.

The bride wore a lovely street-length dress of blue crepe complemented by a corsage of red roses. She carried out the traditional custom of wearing something old, new, borrowed, and blue. The something "old and borrowed" was a necklace which belonged to the bridegroom's mother.

Mrs. Dodson, mother of the bridegroom, wore a pink dress with a corsage of pink carnations.

Immediately following the ceremony, a reception was held in the home of the groom's parents, Mr. and Mrs. Dodson. Miss Lavern Dodson served punch. The decorated wedding cake was topped with a miniature bride and groom. The bride, who arrived in Memphis last Monday, flew from London to New York by Pan-American Airways and from there to Amarillo where she was met by Mr. Dodson. She said that she enjoyed the trip over very much and especially liked the stop in Dallas.

Mr. and Mrs. Dodson met while he was serving overseas with the U. S. Army and stationed at Denbigh, N. Wales. Mrs. Dodson was born at Liverpool, England, but moved to Rhuddlan with her family during the blitz. "I like your country and city very much and especially do I like the 'free and easy' ways of Texans," Mrs. Dodson commented.

The bridegroom, who has lived in Memphis practically all of his life, is a graduate of the Memphis High School. He is a veteran of World War II with 10 months overseas service, and was awarded the American defense ribbon, good conduct medal, and EAME ribbon with two bronze stars. Since his return home, he has been employed in newspaper work and at the present time is a member of the mechanical staff of the Childress Reporter, Childress.

Following a short honeymoon trip, the couple will be at home at 809 Cleveland street, Memphis.

### Mrs. Bob Roberts Is Hostess To Atalantean Club

Mrs. Bob Roberts was hostess Wednesday afternoon of last week to the Atalantean Club.

Mrs. Odom, president, presided during the business session. At this time she discussed the newly organized City Federation of Women's Clubs and appointed a committee of three as representatives from the club to serve as members of the federation.

The subject topic for the afternoon was "Our Community." Mrs. T. M. Isham discussed the topic, "Treasure Hunt in the Community," and Miss Imogene King concluded the program with "Women's Responsibilities as Citizens."

Tasty refreshments were served to the following members: Mesdames C. W. Broome, H. B. Estes, John Fowler, T. M. Isham, H. J. Howell, C. W. Kinslow, D. J. Morgensen, D. A. Neeley, J. H. Norman, J. A. Odom, Myrtis Phelan, C. R. Tennison, C. R. Webster, J. W. Coppedge, and Miss Imogene King.

The next meeting is slated for October 1 in the home of Mrs. C. W. Broome.

### Adult Union Enjoys Watermelon Feast

The Junior Adult Training Union of the First Baptist Church met at the City Park last Friday evening for a watermelon feast.

Friendly conversation and fun provided a cheerful atmosphere as the group enjoyed eating melons. A large number of members were present.

### Garden Party and Bridal Shower Is Compliment to Miss Helen Ruth Jones

One of the loveliest socials of the early fall season was the colorful garden party and bridal shower given at the home of Mrs. Lloyd Phillips September 9 to honor Miss Helen Ruth Jones, who became the bride of Fred Crisman on September 12.

Assisting Mrs. Phillips with hostess duties were Mesdames Henderson Smith, Henry Hays, D. A. Grundy, Clifton Tennison, Nat Bradley, Carl Smith, Oscar Webb, Jack Peabody, Frank Ellis, Mack Graham, Byron Baldwin, Bud Godfrey, Ed Clark, R. E. Clark, Alvin Massey, Leon Randolph, J. S. McMurry, T. T. Loard, Charlie Pullen, and Omer Hill.

Party decorations featuring ivy covered trellises, baskets of flowers, and a bird's bath with floating birds and lilies were noted in the background and placed so as to be a center of attraction was a wishing well with an oaken bucket.

Guests were received at the garden gate by Mrs. Phillips, Mrs. Henry Hays, and Mrs. Omer Hill. Mrs. Nat Bradley secured signatures of the guests for the bride's book.

The color scheme of pink and blue, the bride's chosen colors, were noted in the corsages presented to the honoree, Miss Jones; the bride-elect's mother, Mrs. Lynn Jones; Mrs. J. E. Crisman, the mother of the groom-elect; Miss Dorothy Jones; and Mrs. Phillips.

An appropriate program was featured as entertainment of the evening. Mrs. Byron Baldwin gave "Advice to a Bride and a Recipe for a Sweet Disposition Through Marriage," and "If," a parody on Rudyard Kipling's poem, was given by Mrs. Clarence Stroehle. A quartet composed of Kathieen McMasters, Dorothy Hodges, Venice Spencer, and Lavern Dodson, concluded the program with "Till the End of Time," and "Love, Love, Love."

Immediately following the program, Mrs. R. E. Clark led the honoree to the well and asked her if she believed in the fairy; if so, to make a wish to the moon over her left shoulder. As the honoree made the wish, little Miss Ouida Pearl Massey, dressed as a fairy, drew the gifts from the well in the oaken bucket.

Placed at one end of the garden was the handsomely appointed refreshment table laid with a lace cloth over blue. Mrs. Frank Ellis presided at the crystal punch service.

Guests registering included Mesdames T. H. Gilchrest, Paul C. Pyle, Eddie Truet, Claud Johnson, John Barber, Sam Hamilton, Isabel Cypert, Claude Harris, Weldon Lewis, Jean Lamb, Emma Baskerville, Charles Drake, A. O. Bradley, Donella Duckett, N. M. ### Annual Baptist Meeting To Be At Clarendon

A world-wide program of relief and evangelism in which each Baptist church in Texas will be asked to participate will be described at the annual meeting of the Panhandle Association in the First Baptist Church of Clarendon Thursday, October 2. Representatives from 18 Baptist churches in this area will report on the progress of their various organizations and departments during the past year and make plans for the coming months. Dr. J. Howard Williams, executive secretary of the Baptist General Convention of Texas, will stress the importance of every church member's sharing in the world relief program soon to be outlined by the executive committee of the Baptist World Alliance.

### Lunch Contracts Have Been Signed By Eight Schools

Community school lunch contracts have been signed by eight Hall County schools. Every school in the county is participating in the current school lunch program, Mary Foreman, county school superintendent, announced this week. The schools are Estelline, Turkey, Lakeview, Parnell, Brice, Lesley, Plaska, and Memphis. Each of the lunch rooms in these schools is operated by local sponsoring groups.

The school lunch program in Texas is sponsored jointly by the U. S. Department of Agriculture's Production and Marketing Administration and the State Department of Education. Funds for carrying on the program are provided through USDA appropriations and by local sponsoring groups, Miss Foreman said. Texas' share of the \$65,000,000 that congress recently included in the agricultural appropriations bill for the school lunch program this year is approximately \$2,980,000. The program has a two-fold objective which affects every person in the county, Miss Foreman pointed out. She said it helps safeguard the health of growing children and provides farmers with a market for their products, especially those in seasonally abundant supply and those purchased under Department of Agriculture price support programs. So far this year, Hall County has received 86 sacks of Irish potatoes, which were purchased recently under price support programs, she explained.

## Captain E. Safford Makes Plans for Army Participation

Capt. Eugene Safford, commanding officer of the U. S. Army recruiting service for West Texas, visited in Memphis Monday night to complete plans for the Army's participation in the West Texas Cotton, Chemurgic, and Ceramics Carnival here October 2-4.

The army, Captain Safford said, will have displays situated on the high school grounds, sound truck, and other units here for the Carnival. An added attraction, always welcome where huge crowds gather, will be plenty of ice water furnished by the army unit.

A black-out tent is also one of the army attractions which should draw record attendance in Mem- phis.

pervises the growth of the seed and its cleaning prior to sale. "We are interested in producing only the finest seed possible to grow," he declares.

The farm is state registered (License 202) to produce state certified seed and is regularly inspected by the State Department of Agriculture. The farm is a member of the Texas Certified Seed Breeders Association, which is an organization only state certified seed growers may belong. The farm is also a member of the Texas Seed & Growers Association, of Lubbock, organized for sorghum seed growers for the West Texas soils and climate.

Cooper has issued an invitation to the public to visit and inspect this modern seed growing plant and wishes to visit with interest- ed farmers a the Memphis Car- nival exhibit, he said.

## Carnival Visitors Need More Room

A concerted effort to locate room accommodations for visitors to the first annual West Texas Cotton, Chemurgic, and Ceramics Carnival starting here next Thurs- day is being made by the hous- ing committee headed by Herbert Estes, chairman.

Mesdames Ray Childress, Kath- erine Milam and M. G. Tarver are co-chairmen of the drive to se- cure additional rooms. Club mem- bers and others of the city will assist in making the survey, Estes said urging everyone with a "spare bed, cot, or pallet" to register such accommodations with either of the above or to the chamber of commerce offices, telephone 444.

Only persons recommended to the chamber of commerce will be assigned accommodations in private homes, Estes announced.

Hotel rooms have been al- located to visiting queens and their chaperones, to state and federal officials, press, radio, photogra- phers, news reel cameramen, and those actually engaged in staging the Carnival. All such rooms are reserved and overflow members are now being assigned to the Childress Hotel and other nearby locations.

Mr. and Mrs. J. L. Darby of Estelline notified the committee they could accommodate four per- sons in their home throughout the Carnival.

Telephone numbers of the local committee, other than the cham- ber offices are: Mrs. Childress, 320-R; Mrs. Milam, 457-R; and Mrs. Tarver, 408.

Cooperative home owners are asked to list accommodations along with prices desired. Hotel rate minimums in this area are based upon a scale of \$2 for one person; \$3 for two. All double beds should be listed as accom- modating two persons, Estes ad- ded.

## Residents of City 35 years to Make Home in Lockney

JUDGE A. S. MOSS

Judge and Mrs. A. S. Moss this week moved to Lockney to make their home, for the present at least, in order to be near their land holdings.

They had been residents of Memphis for 35 years, and said they were burning no bridges behind them—they might return here to again make their home.

While in Memphis Judge Moss actively engaged in the practice of law, and served as district judge of the 100th judicial district for eight years. Both were active at all times in civic and church affairs.

## Two Radio Bands To Furnish Music At Carnival Here

There will be plenty of music for the Cotton Carnival in Mem- phis next Thursday, Friday, and Saturday and plenty of dancing for everyone, according to Buster Helm and R. C. Lemons, co-chair- man of the dancing committee.

Two well known bands in West Texas will furnish music on an around-the-clock basis starting Thursday evening, the committee has announced.

The Sons of the West and The Panhandle Cowboys of Childress are the music makers. Both are radio bands. The Amarillo group is heard daily over KGNC and the Childress band over KCTX every day. Both feature singers and novelty acts to keep the dances entertaining.

Both bands will launch the Carnival fiesta on the Ritz Thea- ter stage at midnight Thursday, October 2 as part of the colorful stage show.

Hollis Boren, local theater own- er, has donated the use of the Ritz facilities to assist the Car- nival program.

Dances will be held in several locations throughout Memphis Helm said, as well as the adver- tised street dances from 2 o'clock each morning until dawn, the first such morning dance to follow the Thursday night stage show prem- ier.

## Smiths To Attend Bankers Meeting At Atlantic City

Mr. and Mrs. James F. Smith left Wednesday for Atlantic City to attend a national bankers con- vention. Smith is treasurer of the State Bankers Association and will represent the Texas associa- tion at the convention. They plan to visit New York City be- fore returning to Memphis in time for the opening of the Cotton Carnival next Thursday.

## L. Carroll Smyers To Attend Carnival

Carroll Smyers, former man- ager of the Memphis chamber of commerce and now associated with the West Texas Veterans Administration, telephoned Pat Flynn this week to announce that Robert W. Sisson, manager of the Lubbock regional office of the administration whose duties in- clude service in 79 counties, had accepted the Memphis invitation to attend the Cotton Carnival here next week and will appear on the program.

Smyers also said he would at- tend the Carnival celebration and added, "It will be a pleasure to renew friendships in Memphis and Hall County."

### Ten Little Servants

Ten little servants, waiting in a line,  
Call on one to do the wash—and still you have nine!

Nine little servants, working long and late,  
Ask one to cook your meals—and still you have eight!

Eight little servants—working like eleven!  
Call on one to clean for you, and still you have seven!

Seven little servants—you don't need candlesticks  
When this one lights the house for you—and still you have six!

Six little servants, electrically alive,  
This one sews a handy seam—and still you have five!

Five little servants to help with every chore;  
One breathes a little breeze—and still you have four!

Four little servants—such activity!  
One can iron all the shirts—and still you have three!

Three little servants—if you're feeling blue,  
One will entertain you—and still you have two!

Two little servants, whose work is never done!  
One keeps the food fresh, and thinks it's rather fun—

One tells the proper time from sun to setting sun.  
(Dependable electric service makes these servants run—  
And saves you lots of elbow grease. Suppose you had none?)

Electricity is always ready to take the work out of housework. And it costs little. Matter of fact, if yours is the average family, you're getting twice as much electricity for your money as you did 20 years ago. What other item in your budget does so much for so little?

### Friday is MEMPHIS DAY At Amarillo

Tomorrow is Memphis Day at the Amarillo Tri-State Fair and a motorcade of Memphis boosters will leave the chamber of commerce offices promptly at 8 o'clock tomorrow morning with everyone urged to go on the trip.

Headed by the State Highway Police and the Memphis High School Band the delegation is expected to equal or surpass any previous caravan leaving Mem- phis.

Memphis delegates will be met at the Amarillo city limits by fair officials and be escorted to down- town Amarillo for a band concert before going to the fair grounds.

The band will be officia guest of the Tri-State Fair Association throughout the day, according to Bob Epperson and John Boyce, Amarillo representatives who vis- ited here recently to complete Memphis Day plans.

Every car owner is urged to be at the leaving site early and to take delegates not having trans- portation.

The fair will offer all the bal- loon characters featured in the Monday parade; an all-girl rodeo; free circus acts in front of the grandstand; a gigantic midway; scores of exhibits and the first television broadcasting equipment ever seen in the Panhandle.

Doc Saye will head the motor- cade with a public address system truck from which invitations will be extended everyone to attend the Cotton Carnival starting here next Thursday.

As Amarillo has made elab- orate plans to return the visit next week, it is hoped a record turn out of Memphians will make the fair trip.

### To Hold Meetings Of Farm Bureau In District 1

A series of 23 Farm Bureau district meetings will be held in Texas September 29 through Oc- tober 14, it has been announced by J. Walter Hammond, president of the state organization.

In order that more farmers will be able to attend and take part in the discussions, two meetings have been scheduled for the Dis- trict 1 area. One will be held in the Mulkey Theater at Clarendon on Wednesday, October 1; the other will be held in the Herring Hotel at Amarillo on Thursday, October 2. The meetings will start at 10 a. m. and Joe M. Hat- ton of Amarillo, state director, will preside.

The Texas Farm Bureau will attempt to get a cross-section on the thinking of farmers with refer- ence to continuation of the na- (Continued on page 8)

### WE'RE ALL IN THE SAME BOAT

Telephone companies the coun- try over share many problems—one of them is the record number of daily long distance calls now being made. Along with this is the fact that most companies are oper- ating with limited long distance facilities. This naturally slows long distance service sometimes, especially during peak hours. So, if you have a short wait occasionally, it simply means that lines are busy here, or along the route to the city you are calling.

### Habitual Carelessness Can Be Cured

Old saws and sayings to the contrary, you can teach an old dog new tricks. We admit it is more difficult than teaching him the right things when he is young. Altering the ingrained habits of a lifetime often takes little short of dynamite. That is why we have a difficult and serious problem before us in the nation's present efforts to cut down the annual slaughtering on our streets and highways. Too many drivers have become habitually poor—even dangerous—drivers. Long accustomed to ignoring the simple rules of safety and to daily taking unnecessary chances, the ordinary driver unconsciously contributes to the death and injury in traffic. If we are to save our lives and the lives of our neighbors, we must now change those habits and teach the man behind the wheel—and the unhappy pedestrian who is often under it—a new and sane regard for safety.

Though it will be hard for some individuals to break with habit, we are fortunate that older drivers are blessed with the reasoning power that comes with maturity, for this enables them to grasp the importances of safety and their individual responsibilities in securing it. Each driver and pedestrian has a responsibility to conduct himself on the streets and highways with constant regard for the rules and with constant consideration for the right of others. In the final analysis, the individual is supreme. He can, by his act, in a fraction of a second either fulfill the mandate to be a safe highway user or nullify the effort which has been expended to safeguard lives and property. There is no substitute for individual caution, and no excuse for individual carelessness.

*Where PROMPTNESS Counts*

MILKING, planting, harvesting—in fact, nearly every farm task must be done on schedule. Prompt in their own activities, farmers naturally expect promptness from other people. ### Press Paragraphs—

#### QUOTING OUR NEIGHBORS

##### Radio Advertising

We see that several small radio stations over the territory literally "hit the ceiling" because of the Roger Babson article which appeared in thousands of newspapers on advertising. Mr. Babson pointed out that newspaper advertising is far superior to radio advertising because the newspaper is in the home for several days, open for all members of the family to read. Unless you have your radio on, and you are in the mood to listen, radio advertising is lost forever. The spoken word vanishes as soon as uttered, but the printed word stays on and on. Radio is a wonderful thing, but just how are you going to listen to all of the programs, all of the time and meet the increased cost of living? There are four major networks. Two of them are now blasting away continuously in Amarillo, and stations for the other two networks are being built in Amarillo. Applications are in for two more stations in Amarillo. Just how are you going to listen to all of these six stations. Yet, the radio boys claim they have so many thousand listeners at every minute of the day. Unfortunately some advertising people are so gullible as to believe all this chatter, and to dig down in their pockets to pay for so-called advertising which goes to a limited number of people. A couple of years ago we were about sold on the idea of a radio station in Canyon. But when we stopped to figure just who would listen at a little two-bit station in comparison to the major networks, which have all the nation's talent, we washed our hands of the whole scheme. When you get a radio man to tell you the truth, he will admit deep down in his heart that newspaper advertising is far superior to that of radio.—The Canyon News.

### BOYCE HOUSE

Did you ever hear of "dropping the pigeon"? Back in Memphis, Tenn., when I was a young reporter, "dropping the pigeon" was frequently reported to the police. How the name was derived, I don't know but it was a swindle in which the sharpsters and the victims were negroes. The scheme

##### worked in this way:

A cotton picker, within his season's earnings, alighted from a train and as he entered the railroad station, a well-dressed negro perceived from the new arrival's clothes and his gawking at the sights that he was a greenhorn so he stepped forward and said, "Judge Brown, when did you get to the city?" and then he said, "Ah hegs yoah pa'don, sub, but you looks so much lak mah friend, Judge Brown, de distinguished lawyah from Grenada dat Ah mistook you."

Of course, the rustic was flattered at having been mistaken for so distinguished a personage and then his new friend said, "Ah'm goin' to walk up town; if you would care to accompany me, Ah'd be glad to point out de sights," an invitation which was accepted.

They had walked only a block or two when the city man stooped down quickly and picked up a billfold, then perked his companion into a doorway, saying, "Let's git in heah befo' somebody sees what we found." In the billfold was a fifty-dollar bill. "Huh, no name er address; we can't return it, so it's ouahs," said the finder. "You has brung me luck so we will split it." But he didn't have change. The visitor however produced \$25, so his friend pocketed this and handed him the fifty-dollar bill. A few minutes later, the finder of the billfold shook hands with him cordially and told him goodby. When the country negro made a purchase, he learned that the bill was counterfeit. The billfold had of course been

dropped by a confederate of the smooth talker.

During a trial for theft, the defendant suddenly changed his plea to guilty. The jury came back in a little while with a verdict of "Not guilty." The judge said, "But the defendant confessed." "Pshaw, judge," replied the foreman, "we all know Bill and we know what a big liar he is."

### This Week in WASHINGTON

ALMOST everyone with the exception of those with authority to call one, has demanded a special session of the 80th congress. The Republican leadership... Sen. Robert A. Taft says we don't need one; Sen. Arthur Vandenberg, president of the senate, leaves it up to the President, and Speaker Joe Martin remains silent. These three could call a special session. As this is written President Truman is en route from Brazil due to arrive in Washington about Sept. 20. Shortly before he left for Rio he asserted he saw no reason for a special session at that time. The state department may change his mind.

The proposal of Congr. Edith Nourse (R-Mass.) for a vari-colored currency instead of the standard green is meeting with some attention although generally the idea has been greeted with jokes by writers and commentators. The Massachusetts congresswoman is dead serious however and will introduce a bill to carry out her idea at the coming session.

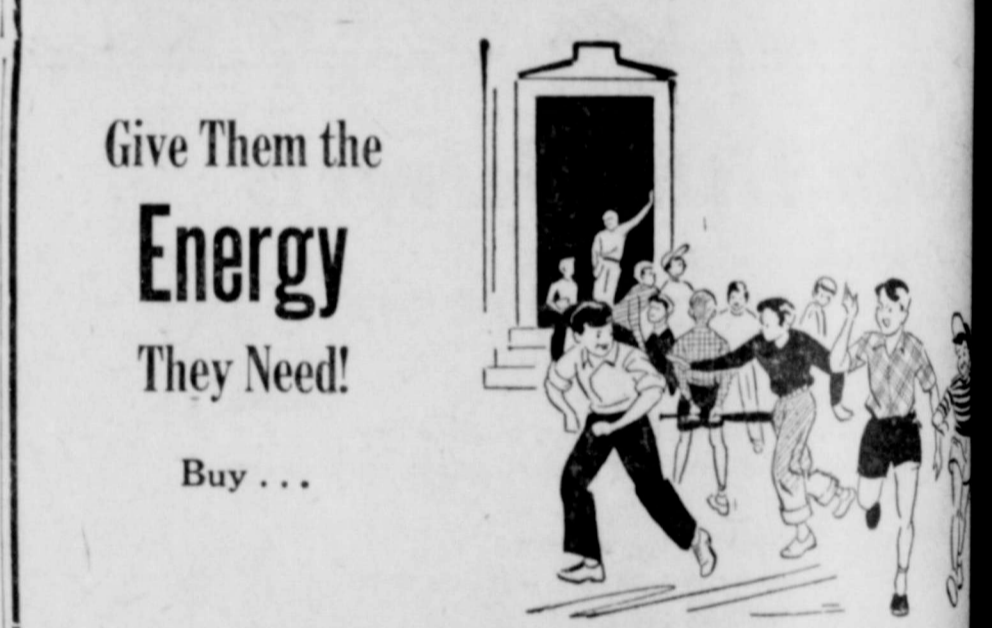

There is every indication that the second session of the congress will again attempt to change the tax structure and include in the measure permission for husbands and wives to split family incomes as is now done in community property states. It may be that the treasury department will back such a proposal which would reduce income taxes by holding many incomes out of the highest surtax brackets. With personal income soaring to the highest point in history, 197 billion dollars for July, and cost of living almost apace, a divided income would provide relief for millions of taxpayers.

Meat and grain likely will come in for some of the government's anti-trust suits in the fight against monopoly timed to break during the 1948 presidential campaign. Grain speculating and the part these speculators play in higher food prices will also undergo a thorough probing by the justice department.

Of interest to farmers is the difference in opinion as to exports on flour and wheat. War, commerce and state departments are urging the higher proportion of grain exports

### To Develop Proper Driver To Reduce Accidents

By F. MESSNER

American Association of Vehicle Administrators, Secretary of Revenue,

of Pennsylvania experts will agree that the solution of the problem rests in the hands of the proper driver. The responsibility of the official eye upon the man in our respective states that had driving has been recorded. The bottom of nearly all speedsters, poor drivers, failure to follow the law, along with one other litigant, the driver's attitude, which has made the procedure they were subjected to, in some instances, will only have been corrected when the operator to learn how to drive. However, the success of the program, like the success of any other program, would depend upon the attitude of the driver. All the training in the world will not overcome the driver's attitude. Some of the important factors affecting agriculture include . . . 20-cent corn and corn sold between . . . April 18, 1946. . . .

propaganda; through the medium of the press, the radio, the motion picture, the spoken word; by organized local campaigns and intensive cooperation by all civic organizations and civic-minded individuals can the individual at the wheel of the car today be made safety conscious. The same kind of patriotic appeal must be made to them as is made in behalf of the Red Cross, Community Chest, the Salvation Army and other worthy causes. In other words, civic consciousness must be aroused before the individual driver can fully appreciate and carry out, not only his responsibility to himself and his family, but to the other fellow and the community at large.

That phase of the driver problem is by far the most difficult because it must deal with a great number of people who today are driving motor vehicles with reckless disregard for their own lives and those of their fellow men. It will require tremendous effort and a heavy expenditure of funds if it is to be far-reaching enough to get the desired results. That results can be obtained has been definitely proved.

Where there have been intensive civic safety movements and intensive publicity, the traffic casualty list has gone down. We have had that experience in Pennsylvania since last August, when the Governor's Safety Campaign was inaugurated. There has been constant activity and organized effort in every section of our commonwealth. Fatalities have decreased along with injuries and accidents. In Pennsylvania, we have been so encouraged by the results, that we propose to add still greater impetus to the campaign in the days ahead. We believe we are giving it the leader-

A driver who was not breaking any law, and two passengers with him, burned to death in this inferno when a reckless overtaking motorist tried to pass their car where the way was too narrow. His engine rammied into the gasoline tank, setting it afire, and the car was knocked off the road, and over and into a field, where it quickly turned into a molten furnace. The lawbreaker himself was not injured—such is the irony of highway accidents. National Conservation Bureau safety specialists report that improper passing ranked fifth as a cause of motor vehicle deaths last year; most often it was combined with excessive speed which accounted for at least 8,000 fatalities.

ship that any such campaign must have.

The other phase of the driver attitude problem is safety education in the schools. There has been steadily increasing interest and considerable action in this field in recent months. Education is the real solution of the

driver attitude problem.

To develop the proper driver and pedestrian attitude there must be an intensive educational program in all of the schools of the country, starting at the very foundation with the kindergarten where the child gains its first real impressions of life and begins

forming those habits which very often cling throughout a lifetime. These little ones are the potential drivers. If they learn to drive right, they will conserve human life rather than destroy it. Teach the young generation the meaning of traffic laws, the killing potentialities of the automobile, the rules of the road, the obligation of courtesy to others and the vital necessity of making sure at all times that the cars they are driving are mechanically perfect. If you teach them all that, then you will have come as close to having developed the proper driver attitude as it is humanly possible to do.

We have a grave and dangerous problem in the millions of bad drivers we must cope with today. Only by the most stringent measures of enforcement and education can we solve it. The problem of tomorrow—that of the potential driver—can and will be solved by education.

# ONE STEP can be FATAL!

12,200 pedestrians were killed by automobiles last year—1,340 more than the year before. Two out of every three violated traffic laws or committed unsafe acts which contributed to their deaths.

And believe it or not—many of these fatal accidents actually happened less than six feet from the curb—only a step or two from safety!

Between intersection accidents accounted for more than one-third of all pedestrian fatalities last year. These victims carelessly pushed out from behind parked cars, or simply jaywalked themselves into traffic—and death. Others even ignored the safety of lights and traffic officers at intersections to save a few seconds—and lost their lives.

Never take safety for granted. Cross at intersections within the crosswalks. Wait for the light or the policeman's whistle. Be alert for the inconsiderate driver making a right turn, or the reckless one beating a light. On open highways, allow for the speed of approaching cars. Walk to the left, facing traffic.

Whenever you cross, look both ways. One step can be fatal!

## Sport-Scope

By W. U. McCOY  
Memphis has had a fine baseball club this year; they have had solid backing and have turned in a creditable record. The club's spirit and constant "try" is an asset to the community.

Also worthy of the bouquets, while they are being passed around, is the sponsoring organization: the Memphis Lions Club. It has been through the constant work of individual Lions, the baseball committee and the board of directors, that all the details, which go for the most part unnoticed by the fans, were taken care of. And there is a fine maze of detail that must be handled.

Early in the year, when the Lions began the sponsorship, the first item was installation of lights and preparation of the diamond and field. Some organization, at this stage, had to be ready to lay down the cash. Lights and equipment cost money, were had to get, and it took a maximum of work and cooperation to develop a ball park by the time the first game was scheduled here with Childress April 20. C. L. Pierce, manager of the REA, has been a mainstay of the team all season, starting of by supervising the preparation of the diamond and installation of the lights. Ed Hutcherson, who was voted manager of the team again this year, has worked constantly and impartially for the good of the team all season. Ace Gailey, secretary of the club, has given a great deal of his time over to carrying on correspondence with other clubs, with baseball officials, and to seeing that any equipment the club needed was supplied. There are any number of other odd jobs that go with baseball—ticket sales, announcing, etc.—for which many have devoted their time week after week.

All those mentioned do not consider they have made any donation—they like baseball, and they want to promote the game. But theirs is a major contribution and support, just as the fans who wouldn't think of missing a Memphis game.

Through the efforts of Harold Gatlin of Lakeview, the Memphis chamber of commerce, and the Lions Club, Memphis was chosen as the site of the Yankee try-outs in June, even though many larger cities were striving to secure the camp. The initiative of those securing the camp is a credit to the community, and the Yank officials in charge here, "Dutch" Lorbeer, Burleigh Grimes, and Watie Holm, indicated they were more than pleased with the way the camp was set up, and there is a good chance for the camp to be placed here again next year. Around 86 players from over a wide area reported here the first day of the camp—from Berger, Lubbock, Pampa, Fort Worth, and many other towns—and the recognition to Memphis that went with holding the camp was very worthwhile. Two were chosen and assigned to Yankee camps.

When the summer recreation program was set up, under direction of Ray Newton, the softball league made good use of the ball park on most nights it was not in use by the baseball club. Other organizations have also used the park to good advantage, and these, together with the sports fans of Memphis, salute the Lions Club for a worthwhile program.

## Legion Rides Again On VFW Bridle Path

The American Legion reined in a 2 to 1 victory over the VFW Thursday night in what was called a "donkey baseball game," and correctly so, for at times the VFW and Legion were merely mounted spectators.

While some VFW members charged that the Legionnaires used various types of artificial inspiration on the donkeys, and moreover that Legionnaires were

more accustomed to that type of transportation, the retort was that the VFW could not ride a "saw-horse sidesaddle."

A good turnout of (sports) fans watched the performance. No blood was shed. Most riders were.

### KGNC Develops "Panhandle Main Street" Program

One of KGNC's popular week-end programs devoted to home towns of the station's southwestern area has been enlarged and moved to a new day and time on the KGNC schedule, according to an announcement from Amarillo.

"Panhandle Main Street," which has been presented each Saturday morning at 11 o'clock will be heard, effective September 28, at 8 o'clock each Sunday morning. The program is written and presented by KGNC's news editor George Young and is made up from information gleaned from home town newspapers throughout the southwestern area.

Beginning with the program on the 28th, a guest editor of one of the area's newspapers will appear each week. On this coming Sunday's program (September 28) the guest editor will be Clyde

Warwick, publisher of the Canyon News. Mr. Warwick is an important figure in southwestern newspaperdom, being a veteran official of the Panhandle Press Association.

Looking forward to the time when KGNC will assume its new 10,000-watt power and new frequency, news editor Young is extending invitations to other editors over the wide area which will be covered by the added power and new frequency. Publishers and editors in Kansas, Colorado, Oklahoma, and New Mexico, as well as those in the Texas Panhandle and South Plains are being asked to participate in the program, now to be heard regularly each Sunday morning from 8 to 8:30 o'clock from KGNC—1440 on your dial.

### Six-Inch Sermon

**† REV. ROBERT H. HARPER †**  
Worthy Objectives for Life.  
Lesson for Sept. 28: Ecclesiastes 1:2, 17; 2:1, 11, 24; 12:1-8, 13-14.  
Memory Selection: Ecclesiastes 12:13.

Ecclesiastes was written by Solomon in his old age and the book should be enforced by the fact that the author had been able to try all the things of which he wrote and was able to assess their value. And he found that all was vanity.

He tried to gain wisdom by contrasting the right with madness and folly, and he found it was not necessary to swim in corruption to learn the stability and beauty of the good. Like the Epicureans, he sought happiness by making life one continual round of pleasure. He devoted himself to labor, erecting great buildings in his capital city, but he found that labor in itself does not bring happiness.

At last the King came to the conclusion that happiness is not to be gained by this or that, but is the gift of God to those who undertake to do his will. For in the end he wrote, "Fear God, and keep his commandments."

The address to youth is a fine piece of literature and it should be very arresting to the young—"Remember now thy Creator in the days of thy youth—" Some think the chapter presents old age under the figure of a terrible storm, but the view commonly held is that old age is set forth under several figures illustrating the infirmities and the growing weakness of age.

Let this be the worthy objective for young and old alike—to seek God while He may be found, to reverence Him, and keep His commandments. For this is the whole duty of man.

### Governor Jester Proclaims This Child Safety Week

by the Governor of the State of Texas To All to Whom These Presents Shall Come:

WHEREAS, motor vehicle accidents in Texas last year cost the lives of 273 children under the age of fifteen and 644 children died as the result of other types of accidents; and,

WHEREAS, it is imperative that our children be instilled with the necessity of being careful at home, careful at play, careful at school and on the way to and from school; and,

WHEREAS, our adult citizenship must be impressed with the need for careful driving at all times and in particular wherever there may be child traffic; and,

WHEREAS, this week offers an opportunity for particular training of children in the ways of safety to the end that they may learn the rules of safety every day and every week; parents by their own safe habits can set examples that mean much to their children in the development of their habits;

WHEREAS, the time of school re-opening is most advantageous for emphasizing these objectives:

NOW, THEREFORE, I, Beauford H. Jester, as Governor of Texas, do hereby proclaim the week of September 22, 1947, to September 29, 1947, as

Safe hands guard the future of Texas

They're kindly hands—stern when needed—but understanding always. They are hands of Texas teachers, hands in which lie the future citizenship and culture of our state. These are the hands which conserve the glorious traditions, the manners, the customs and knowledge of the past.

But knowledge is of little value unless it can be put to use for the benefit of mankind, and it is the responsibility of our teachers to give it that value. So, too, other groups in

the state give value to many of the things we hold most dear.

United Gas gives value to a natural resource that might otherwise remain worthless in the ground. By providing a market for natural gas, by constructing pipe lines between wells and consumers, United renders a great service to the state. This is practical conservation, for it gives value to this finest of fuels, stimulates industrial development, creates jobs, and benefits all the families in Texas.

# Herford Plans Outstanding And Unique Exhibit

J. B. Elliston, pioneer booster of West Texas and the Panhandle for the past 32 years, arrives in Memphis Sunday to start construction of the Herford exhibit booth for the West Texas Cotton, Chemurgic, and Ceramics Carnival. This will mark the 62nd exhibit on the area presented by Elliston, a series of presentations which have carried him into 39 of the states telling the nation about the Panhandle.

The Herford exhibit will be unique to say the least. Boasting 12-inch potatoes, gigantic onions, miller variety of wheat, truck farm produce, and other "Believe-it-or-not" varieties of crops grown in Deaf Smith County, Elliston announced it would be "three exhibits in one" shown in Memphis.

O. E. Sherman and Fred Barrett, prominent irrigation farmers near Herford, will present some of their record production on display in Memphis, Elliston said.

"We know the public will not believe mere words about Deaf Smith County," he explained. "Therefore, we are bringing the evidence with us to prove our boasts."

Coming with the Herford delegation is Miss Herford, nee Marjorie Alderson, to compete for the "Maid of West Texas" title in the queen coronation contest. Miss Alderson is a typical West Texan, gracious, beautiful, charming, and an expert rider.

Also coming with the Herford exhibit are 16 prominent growers, processors, millers, and irrigation experts to assist Elliston in the Herford booth.

Elliston, senior partner of Elliston and Posey, realtors of Herford, is bringing a motion picture in color depicting the progress of "The Town Without a Toothache." His farm has spent thousands of dollars the past season editing and filming the wonders of Deaf Smith County crops and development of the area.

The Panhandle booster is also an ardent fan of Palo Duro Park and has probably done more than any individual in its promotion. He is a member of the Panhandle Parks Commission and worked untiringly the past three years to help solve the difference between land owners, mortgage holders, and the State Park System.

Elliston has asked the assistance of Ben Wilson, Memphis realtor, in preparing the local exhibit.

"I have never seen such enthusiasm as Elliston offers about all of the Panhandle area," Wilson said. "I believe the visitors to Memphis next week will profit materially by seeing the Herford exhibit and talking with the business men and farmers coming with the display."

The Herford exhibit is but one of many excellent displays promised for the Carnival.

Mr. and Mrs. J. G. Kunkler and Mr. and Mrs. B. Wilson and son visited in Memphis Tuesday en route to their home at Riverdale, Calif., after visiting at various points in Texas for the past three weeks.

tional farm program, which is in jeopardy at this time, a farm-to-market road plan, and many other critical issues.

"Unless farmers make a determined fight for the retention of the farm program, it will be discontinued after 1948," President Hammond warns. "There was a move on the part of Congress during the past session to eliminate all price supports and AAA payments for soil conservation," he said, "and it is necessary that we rally all the support possible from our members if we are to retain our farm program."

## Boy Scouts To Have Float in Parade

The Memphis Boy Scouts, each having an achievement record to boast, will add another notch in their activities for the year next week when they will have a float in the West Texas Cotton, Chemurgic, and Ceramics Carnival parade. Arrangements are under the supervision of Scoutmaster Ted Myers.

In addition to the float for the parade the Memphis Scouts will act as host to the Amarillo Maverick Club tumblers and trapeolin artists during the occasion, the scoutmaster said.

The Maverick performers are being sent as a salute to Memphis and West Texas by the American Business Club of Amarillo.
