City Council Votes On 6th St. Crossing Railroad Tracks

C. C. Hodges was notified Wednesday afternoon by Agent John J. McMickin that the two crossing petitions had been ordered by wire work on them should be completed in a few days.

Art Davis, president of the board of directors of the Fort Worth and Denver City Railroad, was in Memphis early in the morning. He had come to Memphis early in the morning to get off at Childress, Texas, where he had a business. Mr. Davis reported, "Since Mr. Davis had stayed over at the Hotel Tuesday night, he was in Memphis Wednesday morning at the depot and they were busy and sent the wire."

Mickin added that he had been to the crossing site this morning and measured the area needed for the timber.

The Memphis city council voted Tuesday night to recommend the crossing at the intersection of 6th street and Denver City as the best route to the west and for citizens of the section lying north of the crossing.

On the same motion, the railroad company was asked to improve the crossing of the switch that is used by the company. This is a crossing that has been used for many years and that area have to using back and forth to the crossing.

The city council's action follows a two-hour open hearing held Tuesday night to hear the residents of the area, Robert Duncan as chief counsel and leader, pleading for the crossing at 9th street. The railroad company, represented by General Manager M. G. Han of Amarillo and Agent J. McMickin, proposed the crossing at 6th street. Duncan pointed out that the crossing at 9th street is dangerous because of the two tracks crossing at that point. He agreed, later, that the crossing at 6th street would be a good idea.

Mr. Allen of the railroad company was also heard in respect to the crossing. He said he would see the safest crossing.

William F. Melton Dies In Hospital At Amarillo Sun.

Funeral services for William Floyd Melton, 26, were held Tuesday afternoon at the First Baptist church here following his death about 8:45 last Sunday morning in the Veterans Hospital at Amarillo where he had recently undergone a major operation.

The son of Mr. and Mrs. E. Melton, 701 North 10th St., Memphis, William graduated from high school here in 1942 and enlisted in the Navy. He trained at San Diego and saw service in the Pacific, being discharged July 2, 1945. He married Miss Velma Johnson of Quanah on May 16, 1945. They resided in Quanah until last October when they moved to Amarillo where he enrolled in a radio technician school.

Survivors include the wife, a son, William Floyd Jr., the parents and three sisters, Mrs. W. W. Henson of Borger, Mrs. O. J. Gilreath of Gila Bend, Arizona, and Mrs. Dalton Mitchell of Amarillo.

McKown Warns Rotary Members Hall County Soils Fast Wearing Away

"It is frightening to think to what extent we, in Hall County, are dependent upon the products of our soil. Every industry, every merchant and every banker in Hall County is entirely dependent upon the soil for their very existence."

Lynn L. McKown, secretary of the Hall County ACA committee, was speaking. He was the principal speaker at the regular meeting of the Memphis Rotary Club this week.

"Hall County, in the past, produced 80,000 and 90,000 bales of cotton," he pointed out. "Now, when we produce 40,000 bales crops, we consider it an excellent crop. This is on approximately the same acreage on which the large crops were produced 25 years ago. In those days, we had more land planted to grain sorghums as horses and mules were used for power and we had to raise feed for them. Today, we have less grain sorghums and a larger acreage of wheat."

McKown warned that "few people realize the extent we are mining out soil by 100 percent mechanical farming methods." "If Hall County was forced to return to the methods of cultivation used 25 years ago, we would not produce over 15,000 bales of cotton in a year," he declared. "By increasing the size of their farms and planting all to cotton, individual farmers are producing more bales of cotton but at a great cost to the future prosperity of Hall County."

The damage to Hall county soils has been done in this 25-year period by misuse and continuous cropping. The county has made wonderful progress in soil conservation as we now have over 40 percent of the farm land properly terraced but we are falling short on crop rotation and cover crops.

McKown also told the group that the cotton parity price has been dropping 30 points a month since last October because of the downward trend in prices. Mr. McKown was introduced by D. L. C. Kinard, program chairman for the day. The club voted to accept a program.

Evangelist John R. Ferguson of Atlanta is preaching every night this week at the Church of the Nazarene, 8th and Mont- gomery, streets.

Good crowds are showing a lot of interest in the meeting, reports Rev. I. T. Hoggatt, pastor.

"You are invited to come out and hear some good old-fashioned preaching that will do you good," says Pastor Hoggatt. The meeting began last Sunday and continues through to next Sunday night, March 6.

Hall County Club Boys Make Showing At Tri-State Fair

Every pig except one of 20 club pigs carried from Hall County to the Tri-State Fat Stock show at Amarillo "made the show," according to a report Wednesday from County Agent W. B. Hooser. Six of the club boys from Hall County copped prizes of some kind at the Amarillo show, with Bobby Adams, FFA member from Estelina, taking two separate prizes, one for \$15 for his group of three calves and a \$5 prize for a single calf. Jimmy Bownds placed seventh.

City Candidates Must File With Kinard Saturday

The city election, set for Tuesday, April 5, has been ordered by the Memphis city council and is being published this week in The Democrat.

At the same time, attention is called to the fact that all candidates for mayor or alderman must file their application with the city secretary, D. L. C. Kinard, by 4:30 p. m. Saturday, March 5. In any case, the candidate's application must be filed with the mayor or city secretary 30 days before April 5. The new state law governing city elections. "Independent candidates names are filed with the mayor or city secretary without the necessity of an accompanying petition containing the names of any specified number of voters."

Four aldermen also are up for re-election, including Horace Tarver, Robert Cummings, Walter Hightower and Dr. O. R. Goodall. Mr. Hightower stated Tuesday he would not be a candidate for re-election. Friends of the others are expected to file petitions for them.

Holdover aldermen are: H. J. Howell, Wendell Harrison, Floyd Liner and Clyde Milam. Election judges will be: Ward No. 1, tax collector's office in City Hall, with L. W. Stanford as judge.

Ward No. 2, municipal court room, second floor city hall, with G. H. Hattenbach as judge. Ward No. 3, office of chief of police, city hall, with J. T. Nail as judge.

Ward No. 4, city secretary's office in city hall, with J. W. Johnson as judge.

Champion Cyclone Team Plays First Game Today At 3

Members of the 1949 senior class of Memphis high school are celebrating this weekend and making their annual trip by chartering a bus and going to Austin to see the Cyclone champions play in the State finals.

The Cyclone squad left Wednesday morning with Supt. W. C. Davis and County Tax Collector J. W. Coppedge, accompanying them. Coach L. E. McColloch also carried his assistant, Coach Frank Baker, along. Fourteen of the basketball players made the trip. The seniors left Thursday morning about 4 o'clock, in a chartered bus, accompanied by Weldon McCreary, vocational agriculture teacher, and Miss Bonnie Jean Smith, Spanish teacher, their class sponsors.

The seniors will find rooms already reserved for them when they reach Austin today (Thursday). They hope to see the Cyclone team play Coleman at 3:10 this afternoon. If Memphis wins this first game, they will play the winner of the Madisonville-Gaston game tonight.

The Memphis Boosters club donated \$100 outright to the senior class for expenses, while the sophomore class and FFA boys donated \$25 of profits from the coke stand and pop-corn sales Tuesday night. In addition, a purse of \$40 was made up at the Tuesday night game. It was pointed out that each member of the class would still be out at least \$20 on the trip. They expect to return home Saturday night, after paying a visit to the Legislature in the Capitol, the University and the games.

Incidentally, Hollis high school beat Memphis high in the final game of the season here Tuesday night, 30 to 18. The champions evidently were busy practicing certain shots and did not worry about defeat in a practice game of this sort.

Talking about the Booster club, members of that organization made up a purse of \$100 which they presented to Coach L. E. McColloch for his winning record as a basketball coach. Pete Smith, treasurer of the club, added that some members of the Booster club have not yet paid their 1949 dues. They can pay him or Ace Gailey any time.

C-C Manager Joins In Urging Action On Palo Duro Park

Telegrams were sent Monday by Manager Clifford Farmer of the Memphis chamber of commerce to State Senator Grady Hazelwood and Representatives A. J. Rogers and J. Blake Timmons urging their continued vigorous fight to get funds to pay for the Palo Duro Park.

"Memphis considers Palo Duro park great tourist attraction and the Panhandle's playground. Urge you continue vigorously your efforts for passage of your Palo Duro Bill. It is the first step toward a greater attraction, a scenic highway from Memphis up the canyon to and through the State Park."

Similar telegrams were sent to all three legislators to aid them in their arguments before the committees which will consider the bill to appropriate \$300,000 to retire the Palo Duro Park bonds.

Backing Up Bill This action on the part of Memphis was considered by Mr. Farmer as a very important follow-up on the news that Governor Beauford Jester has sent a special message to both houses of the legislature urging favorable action on the bill in question. The governor's action was announced Saturday following the visit of 18 senators and representatives to Amarillo last Friday for a visit to the park. They were flown up from Austin Friday morning and back that night.

RESERVE CHAMPION in the show last Saturday was a 200-pound Duroc shown by Jerry Byars, 9, son of Mrs. J. B. Byars of Lakeview. His big brother, Arthur, 16, is shown with him. Charles Frazer, owner swine breeder of Turkey, was show judge. Photo by Wise, courtesy Amarillo Times.

GRAND CHAMPION pig at the Hall County 4-H and FFA swine show last Saturday was a 200-pound Duroc exhibited by Leon Martin, 13, son of Mr. and Mrs. A. G. Martin of Newlin. His brother, Archie, 15, was a partner in the enterprise. Twenty pigs were entered in the various events. County Agent W. B. Hooser, shown looking the champ over, says the show "had the best pigs we have ever seen here." (Photo by Wise—Cut courtesy Amarillo Times)

VFW Auxiliary Is Entertained With Tacky Party

A tacky party entertained members of the VFW Auxiliary when the group met Thursday evening, February 24, at 7:30 o'clock in the city hall. Hostesses for the social were Mesdames Ruth Noah, Maudel McCauley, Erlie Matthis and Vena Kulp.

Members arrived dressed in costumes, featuring many unique styles and creations. Mrs. Bessie Hour. Following the luncheon an awarded prizes for the most outstanding costumes. Games and contests were enjoyed throughout the party hours by those in attendance.

Pinto beans, pickles, onions, corn bread and coca cola was served to Mesdames Pinky Godfrey, Ruth Noah, Vena Kulp, Peggy Fowler, Gerrie Putts, Doris Queener, Erlie Matthis, Maudel McCauley, Lula Scott, Elizabeth Vigor, Aulis Ayers, Edna Crowder, Mattie Jones, Dorothy Spruill, Glennie Bradley and Bessie Allen.

The next meeting will be held on March 19, at 7:30 p. m. at the VFW Hall.

Needle Craft Club Meets In Home Of Mrs. Weatherby

Members of the Needle Craft Club were guests Tuesday afternoon in the home of Mrs. T. D. Weatherby, 710 North 11th street.

Mrs. Nat Bradley, president conducted a short business session after which members enjoyed doing needle work.

Tasty refreshments were served by the hostess to Mesdames Mary Lou Erwin, Cummings, Irene Bradley, Buna Mayfield, Millie Murphy, Floyd Weatherby, and one guest, Mrs. Ada Sargent.

The next meeting is slated for March 15 in the home of Mrs. Nat Bradley.

GLAMOUR SALAD

The next time you're making a cold meat salad and want a glamour touch, and crushed pineapple, pineapple chunks or Bing cherries.

BROILED BANANAS

To broil bananas as a meat garnish, rub first with lemon juice and butter.

Childress Woman Gives Book Review At Little Theatre

Mrs. T. M. Harrison, assisted by Mrs. Herschel Combs, entertained the Memphis Little Theatre Wednesday afternoon.

As the afternoon's program, Mrs. D. L. C. Kinard introduced Mrs. T. L. Lewis of Childress, guest speaker, who gave an interesting book review portraying five character dramatizations. Mrs. Lewis, who is a former Memphis resident, was accompanied to Memphis by Mrs. Alexander, Mrs. Hardin and Mrs. Boyce, all of Childress, who were also guests at the meeting.

During the tea hour, a dessert course was served to Mesdames L. G. DeBerry, R. S. Greene, D. L. C. Kinard, Robert Lindsey, Gene Lindsey, Clyde Milam, Robert Sexauer, Charles Dryden, T. J. Way, Misses Mary Foreman, Helen Boswell, Roselyn Williams, and Mrs. Lewis, Mrs. Hardin, Mrs. Alexander and Mrs. Boyce.

Miss Wanda Mayes Becomes Bride Of Sam C. Prather

Miss Wanda Louise Mayes, daughter, of Mr. and Mrs. Archie Mayes of Childress, became the bride of Sam C. Prather, son of Mr. and Mrs. Claude Prather, of this city, in an informal ceremony performed Saturday, February 26, in Albuquerque, N. M.

Rev. Everett B. King read the marriage service at 1:35 o'clock Saturday afternoon in the First Presbyterian Church.

Mrs. Tom E. Wright, the groom's sister of Albuquerque, was matron of honor, and Paul W. Robbins, also of Albuquerque, was best man.

The attractive young bride chose a lovely tailored grey, navy-trimmed suit for her wedding. Her accessories were matching navy and her hat was trimmed with a single pink feather and rose. The traditional "something old and borrowed" in her wedding attire was a handkerchief belonging to Mrs. Dale Raper and the "something blue and new" her blue blouse.

After a short stay in Albuquerque, the couple will be at home at 410 Avenue A, Northwest, Childress. Mrs. Prather is employed by the Roberson Eubank Rexall Drug Store, Childress, and the groom is a salesman with the National Life Insurance Company.

TEXTURED PIE CRUSTS

Bran crust provides a nice texture contrast for an apple or peach pie. Add 1/4 cup shredded bran to the dry ingredients before cutting in the lard.

HELTER SKELTER—This freak accident occurred in Los Angeles just a block after Dwayne Braden had picked up a truck-trailer load of shiny new cars. Swerving to avoid an automobile, Braden plowed into a traffic signal and a building. New cars went every which way, it seemed. The other driver kept going.

SACRIFICE SUBJECT—Alma Bolster, of Bremerhaven, Germany, is the reason James McAvoy, American seaman, would renounce his citizenship so he could marry her.

A WEE BIT COLD—Eighteen month old Richard Brown registers a wee bit of impatience to continue his journey as he arrives at New York's LaGuardia field via American Overseas airlines from Scotland with his mother, en route to Compton, Calif. If he had known the weather was much better in New York than it was in "sunny" California, he wouldn't have been so impatient.

Lakeview P-TA To Meet Tuesday Nite

The Lakeview P-TA will have their regular meeting Tuesday night, March 8, at 7:30 at the school auditorium.

There also will be an executive committee meeting on Monday night, March 7, at 8 o'clock, in the same place.

GARNISH FOR LAMB Spiced watermelon pickles are a good garnish for lamb chops.

Bob Maddox of Borger spent the week end with his parents, Mr. and Mrs. Leo Collins, in this place.

It Makes a BIG Difference When ... and How You Make Hay

Good Hay Can't Wait

Half the trick of high-quality hay is to cut, windrow and take it up at exactly the right time. The other half is to handle it without losing the precious, protein-rich leaves. You can do both when you have your own Case Slicer-Baler. See us now about getting one of these most popular, proved and practical balers.

Memphians Enjoy Visit To Houston

Mr. and Mrs. H. A. McCanne and Mrs. J. H. Boren returned to Memphis Friday following a two-week visit to Houston and other town in Texas.

While in Houston they visited with two of the McCanne's daughters, Mrs. Leons and Mrs. Harbaugh, who took the visitors to see the many sights to be found in Houston. Mr. McCanne, who is 81 years of age, enjoyed his first ride on an escalator in the new Sears Roebuck building, which covers a block. Another trip of interest was a visit to the Sugar Land plant, the home of Imperial sugar. They visited with Herman Durham, son of the late Dr. Durham of Memphis. Mr. Durham stated that his mother, who is 81 years of age, is now living in San Antonio and enjoys fairly good health.

They also went to Galveston where they visited the Sam Houston Battle grounds, and saw many other sights of interest including the Texas Battle ship, and many other ships.

Other cities visited included Trinity where they visited with another daughter of the McCanne's, Mrs. Dennis, and Fort Worth where they visited Mrs. McCanne's brother.

Week-Of-Prayer Is Observed By Lesley WMS

The "Annie Armstrong Week-of-Prayer" was observed this week by the Lesley Baptist Women's Missionary Society, according to an announcement made by officials of the organization.

Monday an all-day meeting was held at the church with a covered dish luncheon served at the noon hour. Following the luncheon and interesting week-of-prayer program was presented. Ten members were in attendance.

Mr. and Mrs. I. B. Bryan, son, L. B. Jr., Cora Lee all of Lubbock and Carrie Belle Lee of Amarillo were week end visitors in the home of their brother, Mr. and Mrs. Ernest Lee.

Mr. and Mrs. E. E. Evans of Memphis are the parents of a son, Kerry Don. He was born February 18 and weighed 7 pounds, 14 1/2 ounces.

Kirby Jay is the name of the son born to Mr. and Mrs. J. W. Hatley of Brice. His birthday is February 18 and he weighed 7 pounds.

On February 22 Judy Carol was born to Mr. and Mrs. C. R. Marler of Turkey. Judy weighed 7 pounds, 11 ounces.

Mr. and Mrs. J. W. Reese of Memphis announce the birth of a daughter Verna Louise, who weighed 6 pounds, 7 ounces. She was born Feb. 27.

Mr. and Mrs. David Hawthorne of Shamrock are the parents of a daughter, Ida Mae. She weighed 7 pounds, 7 ounces and was born February 21.

A daughter, Judy Gay, was born February 19 to Mr. and Mrs. Austin Williams of Wellington. Judy weighed 8 pounds 4 ounces.

On February 21 a daughter was born to Mr. and Mrs. J. O. Phillips of Estelline. She has named Judy Ann and she weighed 7 pounds, 12 ounces.

Mr. and Mrs. N. R. Hulien of Estelline are the parents of a son, Phillip Kenneth, who weighed 7 pounds and 5 ounces. Phillip was born February 24.

On March 1 a son was born to Mr. and Mrs. W. M. Ward of Memphis. He weighed 8 pounds, 12 ounces.

Mr. and Mrs. Herman Criswell

Students To Hear Ringing Bells In Program Tuesday

"Bells of St. Mary" and "Sunday Morning In London" will be heard by students at the Memphis high school at 9 a. m. next Tuesday, March 8, when the Ambassador Quartet and bell ringers present a program.

This musical organization will present a program that will thrill any audience. Negro spirituals are a part of their program. The program is one of four sponsored by the school during the year, says Principal Ray Newton, who recommends it very highly for the student body.

Memphis Juniors To Present Comedy Here On March 11th

The junior class of Memphis high school will present a comedy in three acts March 11 in the high school auditorium.

The play, "Mountain Justice", was carefully chosen after a reading of many plays and it promises to be one of the outstanding comedies ever presented here.

The proceeds from the play will go to the junior-senior banquet. It is going to be the play of the year. Further announcement will be made next week.

Pontiac To Build Three Millionth Car This Week

Pontiac Motor Division will pass an important milestone in its brief 21-year history of car building this week with the completion of its three millionth car, F. E. Monzingo, local Pontiac dealer, said this week.

It took 10 years of production to complete the first million, only five to complete the second million and, had it not been for the war, the division could have produced its third million in just a trifle over three years.

Even with postwar material shortages, Pontiac today is producing at a pace that would build a fourth million in less than four years.

of Memphis announce the birth of a son, Roger Wayne. He was born February 27 and weighed 5 pounds, 7 ounces.

I REMEMBER...

By THE OLD-TIMERS From Robert H. Sedgwick: "I remember those Sunday afternoons a third of a century ago when the sound of clashing lumber, sawing and hammering resounded across the fields—brothers and their kinfolk and neighbors helping to build a new house for someone. It was a common noise and provided homes for all. That old custom is gone with the wind now."

From R. O. (Dick) Helwig: "I remember when our fathers all wore pocket watches which had to be wound with a small square key. Later, in my time, came the stem winder. And now we have the watch that winds itself!"

From "Pops" Sebeulin: "I remember the hue and cry that was raised when automobiles were first licensed. Indignant auto owners insisted that it was as unjust as putting tags on the

backs of people. At any rate, the plates were 7 by 13 inches and the numerals were black on a grey background. There was no year on the plates. Who remembers what year that was?"

From Ernest Kartje: "I remember when we clumped wax candles all over the Christmas tree, then decorated it with strings of popcorn and various ornaments. When the tree was lit you always had to be on guard for fear it would catch on fire. Which, of course, often happened."

(Contributions to this column are invited from other old-timers. All communications should be signed with the writer's full name. Address them to The Old-Timer, Box 340, Frankfort, Ky.)

ORANGE POTATOES The next time you glaze sweet potatoes to serve with a regular or picnic ham, place cross-wise slices of orange on each potato. You'll find the bit of tartness a just-right touch.

Pallbearers For Melton Funeral Are Changed Up

Pall-bearers for the funeral of William Floyd Melton were changed at the last minute, according to information given The Democrat Wednesday afternoon. The list includes: Frank Morrison, Boyce Bruce, Arlis McBee, Gene Lindsey, A. G. Kesterson, L. F. Jones, Hubert Jones, Noel Bruce, T. O. Pounds and Jay Shepperd.

The flower bearers also were changed at the last minute, says Robert Spicer of the Murphy-Spicer Funeral Home. The list of those who served included several not named in the story already printed in this paper on the funeral, as follows: Miss Ella Mae Kercheville, Mrs. Noel Clifton and the following from Quannah, Messdames Dorothy Jackson, Billy Hays, Beatrice Sharpley, Thelma Johnston, May Dunn, Mary Yarbrough and Opal Berry.

OPERATED ON FRIDAY Mr. H. H. Newman was operated on in a Wichita Falls hospital last Friday, having gone down there Thursday. He was sitting up in a chair Saturday morning but didn't feel so well Monday. Mr. Newman closed up his barber shop when he left.

John Deere Dealer To Serve Lunch At Program March 10

Date for the annual John Deere Day was announced this week by Carl Harrison, which will be held in Memphis Thursday, March 10, beginning at 10:30 a. m.

Farmers and their families will gather at the implement building of Harrison Hardware Co., local John Deere dealer, at 10:30. At the noon hour, a free lunch will be served to all present.

In the afternoon, the group will go to the Ritz Theatre, where the movie, "The Sugar Plum Tree," will be shown. The picture will start at 2:30 p. m.

Mr. Harrison stated that "The Sugar Plum Tree" is a feature Hollywood production, starring Billie Burke and Don Wilson. It's a rollicking comedy about two young people who have never been on a farm, and what they do when they receive one as a gift.

In addition to the feature, several other new, all-talking pictures will be shown. They cover farm equipment and modern farming practices, which every farm family will find interesting and worthwhile to see, Mr. Harrison stated.

Free tickets will be available to all people who have not already received them, he added.

PATROL GETS NEW CAR THEN SPENDS 6 HOURS IN TRAFFIC SHOWDOWN

Highway Patrolmen Noel D. Callaway and Herman Moore changed cars last week!

They now have a brand-new 1949 Ford which they went to Amarillo one day last week to get. They had gotten up early for the trip.

As they had to change the radio installation and other necessary equipment, they planned to spend the whole day in the metropolis of the Panhandle.

What they didn't know was that they were scheduled to participate in a "traffic lane" for six solid hours!

"We were stationed on Highway 287 this side of Amarillo and we gave tickets to exactly 42 drivers that afternoon who had no driver's license," Moore reported late that night when he got back home.

His "dogs" were awful tired. But someone called him in a few minutes to come out and "straighten out" an argument between a couple of drivers. It was then 11 p. m. He dressed again and went out for another hour of work on his job.

"What did we do with the drivers without licenses?" he answered by saying "they will have to pay the fines and costs in justice court."

Anyway, Highway Patrolmen Callaway and Moore like that new car very much.

"We haven't really tried it out yet for speed," Moore added the next day.

Those long hours are just a part of the job.

Goodpasture Turns Defendant Loose In Accident Case

A charge of aggravated assault filed in county court against Mrs. Yvonne F. Vardy of Childress was dismissed by County Judge M. O. Goodpasture Monday morning, following a hearing, "for lack of any evidence that would tend to show defendant guilty."

Mrs. Vardy figured in an accident inside the city limits of Estelline when the car she was driving, a 1948 Mercury, allegedly struck Mrs. Joe Perez, an Estelline resident, who had just crossed the highway near a grocery store. Mrs. Perez was brought to a hospital for treatment but released when it was found she had suffered only slightly. The accident occurred about 2 p. m. last Saturday when the misty rain was falling.

"If the state fails to bring in evidence to show a defendant guilty of the charge that is filed against him or her, I must find said defendant not guilty," declared Judge Goodpasture.

County Attorney C. Land was representing the state.

Locals and Personals

Mr. and Mrs. Floyd Bartley and daughters of Dodson visited from Friday until Saturday afternoon with her mother, Mrs. T. B. Creach. One of their daughters who had been in Memphis several days for treatment returned home with her parents.

E. A. Thomas, formerly of Memphis, sold his home at Petersburg and is moving to Amarillo.

Mr. and Mrs. Herschel Combs and children visited in Wellington Sunday with relatives.

Mr. and Mrs. J. E. Norman and daughter, Lynda Jon, were Wellington visitors over the week-end.

Mr. and Mrs. T. J. Way and daughter Jeanne and son, Tom, visited in Wellington Sunday with friends.

Mr. and Mrs. A. B. Henry of Wellington visited here Tuesday with friends. Mr. and Mrs. Henry are former Memphis residents.

ACC Hosts To 2,000 For Annual Lectures

Fully 2,000 visitors, including ministers, were at the Abilene Christian College last week for the 32nd annual lectureship program, says Gray Carter, minister of the Memphis Church of Christ, who was one of the visitors.

"We heard speakers on evangelistic work," says Mr. Carter. "The principal speaker was A. C. Pullias, president of the David Lipscomb College of Nashville, Tenn., who spoke every night for four nights. Others spoke on European nations as well as on Asiatic countries."

Memphis Only Favorite Team That Emerges At Canyon By Narrow Edge

By JERRY KOLANDER

Generally speaking, the favorites took a beating in Regional cage tournaments over the week end. That is, all the favorites except one!

The Memphis Cyclones, pride and joy of District 1-A, were the only lads in the Panhandle area to uphold their prestige during the week end rash of tournaments.

Stratford, Dimmitt, Miami, Samnorwood, Vega, and Carey fell before Shallowater's terrific power in the Region 1-B tournament in Lubbock, but the Cyclones came through a strenuous two-day

campaign at Canyon to carry off the crown in Region 1-A.

The Cyclones are 'not unbeatable. Coach Hatcher Brown and his West Texas High School Calves proved that last week by dumping Memphis in two contests. Many fans believe that this pair of setbacks was just the medicine necessary to transform the Cyclones from a mediocre club into a potentially great outfit.

Coach L. S. McColloch's agents possess that indescribable "something" which enables them to come through when the chips are down.

They won the district tournament at Clarendon a few weeks ago, barely edging McLean by four points, and Wellington by one point. Phillips gave the Cyclones a rough time in the regional meet Friday, but Memphis eked out a one-point victory in an overtime period, 40-39.

Besides having an all-veteran starting line-up composed of Sammy Rasco, LeRoy Green, Charles Morrison, Andy Gardenhire and Bobby Crooks, Coach McColloch has an ample supply of talented reserves.

Leading the list of reserves is sophomore Scotty Grundy, 6 foot, 1 inch center, and senior Donald Corley, 5 foot, 8 inch utility man.

Rasco, Morrison and Green are playing their final year for Memphis. Rasco actually is a junior, but the eight-semester rule will prohibit him from competing next season.

Rasco, the 6 foot, 4 inch pivotman, is the outstanding player in Region 1-A basketball. He's a demon on defense, an aggressive rebounder, an accurate shooter, and above all, he is a steady influence on the rest of the squad.

When a game progresses beyond the Cyclone's deliberate tempo of play, Rasco falls back to

Baseball Club To Sell Stock, Then Ask For Charter

Directors of the newly formed Memphis Baseball club at a meeting Monday night at the C-C office decided to make application immediately for a state charter and to incorporate.

President J. J. McDaniel reported that, under the proposed organization, 100 shares of stock will be sold to 100 fans and members.

The proposed by-laws were read and approved.

J. O. Fitzjarrald was named as general counselor for the club.

A special committee on advertising and publicity was named, to include the following: Theodore Adams, (chairman) Allen Monzingo, Clint Syreley, W. H. Monzingo, Herschel Stewart, Gene Corley, Paul Smith, Doyle Hall, Kermit Monzingo and Paul McCann.

The next meeting of the club club will be held March 7 at the REA office.

Manager C. L. Pierce reports that the schedule of the Red River Valley League will be announced in a few days.

The first league game of the season has been tentatively set for Sunday, April 24.

The outlook is going to be good for the dairyman who does a good job.

First Showing Of New '49 DeSoto Saturday

Motor Firm Get New Car Its Showroom

Preparations for the first showing of the new DeSoto cars on Saturday, March 5, were announced today by William Moss and Ben Moss, owners of the Moss Motor Company, 404 Main Street, in Memphis.

Beautiful cars are now arriving and will be shown for the first time Saturday morning.

There are even more beautiful cars than we expected," said Robert Moss. "Many millions of dollars have been poured into the complete improvement of these DeSotos and they are worth the price. Our slogan is 'The car that gives you in mind' and we are sure you will appreciate exactly what these cars are. There is more beauty, more comfort, more convenience and more safety built into these cars than any car we've ever known. The public is going to see them Saturday."

The new cars have a longer wheelbase than the old cars, yet the length has been slightly increased. Seats are much wider, and the width of the car is increased. The headroom has been increased and the overall height has been increased. The legroom has been increased, where space is easier to park, garage in traffic because of unnecessary bulk.

The front seat legroom is increased by recessing the instrument panel and moving the heater under the seat.

Flowing Lines

DeSotos have clean, flowing lines and a long, low look, accentuated by handsome chrome trim that protects fenders from scrapes and dents. It can be quickly removed for economical repair and are designed to be changed with ease.

The "wrap-around" chrome nose gives the cars an attractive, rounded look.

The hood has been increased all around. There is 24 per cent more glass area in the windshield and improved, noise-reducing wipers sweep 44 per cent more windshield area. The windshield of uncurved design provides full vision without an added safety factor. Windshield replacement is far easier than other types. Chair-backs let the driver and passenger take full advantage of the increased visibility. The steering wheel has been placed so that drivers may see over it and long-legged drivers will keep their knees into it.

Other Safety Factors

Other safety factors include the use of all instrument panel within instant reach of driver; "black lighting" of dials to eliminate glare; hydraulic brakes; improved steering; and new type of shock absorbers for lateral control. Beautifully designed tail-lights have been obtained maximum visibility from the rear and sides. The wheels provide safety from blowouts by holding tubes in place.

The powermaster engine has compression and the horse-power has been increased. The new hydraulic shift and gyrol Drive make De Soto "the car that lets you drive without shifting."

Other notable features are an automatic back-up light on Custom models; tamper-proof locks on doors; thermostatically controlled All-Weather Comfort which uses fresh air; and position toe-rest in sedans for plenty of legroom for passengers no matter how front seat is adjusted. Springs can be inserted

IT'S A "LARK"—This is a "Lark" in flight—a secret rocket-powered guided missile unveiled recently by the United States navy at the naval air missile test center, Point Mugu, Calif. Although shown in artist's sketch, no details of performance or construction have been divulged. This and other guided missiles like it were developed for the navy by the Fairchild Engine and Airplane corporation's pilotless plant division, Farmingdale, Long Island, N. Y.

Nathan Berryman Makes Honor Frat At Okla. A. & M.

STILLWATER, Okla.—(Special)—Nathan D. Berryman, Oklahoma A. & M. College student from Estelline, Texas was included on the first semester dean's list of distinguished students in the school of engineering.

To be eligible for inclusion on the dean's list, students must have passed in all subjects, aggregating not less than 15 semester hours with an average of "B" or higher and not having received any grade below "C".

Highest-ranking students whose three-year record places them in the upper percentile are invited to membership in Phi Kappa Phi, national honorary scholarship fraternity and the highest academic honor that can come to an A. & M. student.

A total of 1,740 students were named to the lists, with 364 from commerce, 355 from arts and sciences, 364 from agriculture, 112 from engineering, 149 from some economics and 10 from veterinary science.

NOT CAMERA SHY—Posing for her Hollywood camera debut with her famous mother, actress Joan Fontaine, is Deborah Leslie Dozier, now three and a half months old. Deborah's father is William Dozier, motion picture producer.

Mr. and Mrs. Sam H. Moore left Sunday night for their home in Phoenix, Ariz., after visiting here for the past week with her parents, Mr. and Mrs. G. M. Bass and other relatives. Their daughter, Lynn, who is a student at S. M. U., left Saturday night for Dallas.

Mr. and Mrs. H. A. Dodson and sons, Mike and Jimmy, accompanied by Mr. and Mrs. Lonnie Richburg and son, Terry, all of Fort Worth arrived Thursday to visit with their parents, Mr. and Mrs. L. C. Richburg of Estelline and with their sister, Mrs. A. O. Gidden and family.

Mr. and Mrs. Roy McBride and son, Billy Roy, of Amarillo were in Memphis Sunday visiting her parents, Mr. and Mrs. B. C. Carr.

Woman's old problem relieved by 2-way help

What to do for woman's oldest problem, functional monthly pain? Many a girl and woman has found the answer in CARDUI's 2-way help. You see, CARDUI may make things lots easier for you in either of two ways: (1) started 3 days before "your time" and taken as directed on the label, it should help relieve functional periodic pain; (2) taken throughout the month like a tonic, it should improve your appetite, aid digestion, and thus help build up resistance for the trying days to come. CARDUI is scientifically prepared and scientifically tested. If you suffer "at those certain times", get CARDUI today.

Mr. and Mrs. Ted Meyer and son, Bobby, were Brice visitors Sunday.

Mr. and Mrs. James May of Newlin visited last week end with relatives in Hobbs, N. M.

West Texas State Enrollment Still Climbs, Reported

CANYON—With enrollment almost completed at West Texas State College for the spring semester, records continue to be broken. By the middle of the second week in February 1162 students had registered for on the campus study, each carrying a full course of classes.

This figure, added to the 367 already enrolled at Amarillo Center, gives an aggregate of 1529. Approximately 100 more are expected to enroll at the Center yet. Campus figures surpassed the old record set in the spring of 1947 by only 11 students.

Amarillo Center shows the largest increase for the same periods with a complete enrollment in the spring of 1947 of 252 as compared to the present incomplete figure of 367.

Plainview rolled up to number three spot in sending the most students to WT with 35 enrollees. Canyon and Amarillo have 179 and 169 students respectively. Childress has 34, Hereford 33, Pampa 32, Floydada 31, Borger 25, Perryton and Tulia 23 each and Vega 22.

in front and rear seats, tailoring the seats to any weight. The spacious luggage compartment permits the spare tire to be stowed upright to one side. The counterbalanced lid opens at floor level so that luggage can be slid in or out easily.

New Ignition System

Among the many important mechanical improvements are a new ignition system which includes a splash-proof distributor; longer front soil springs; superior waterproofing of the engine compartment; dust-proof switches; thicker, softer rubber body mountings; an armored, theft-proof ignition cable and Parko-Lubrite treated cylinder walls for longer engine life. A turn of the ignition key now starts the engine.

The De Soto Custom line includes a 4-door sedan, club coupe, convertible, Suburban, and 8-passenger sedan. The De Luxe line comprises a 4-door sedan, club coupe, station wagon, and Carry-All sedan, a brand new idea in motor cars. The rear seat can be quickly and easily folded flush with the floor, providing an amazing amount of extra luggage and utility space.

Come in and see the new DE SOTO On display beginning Saturday March 5th

Let us show you all the new features of this great car

Here is what thoughtful people everywhere have been looking for and hoping for!

Here, at last, is a car that gives you all the best features of modern design without demanding sacrifices of your family's comfort, safety or convenience. It was designed to fit YOU... instead of you having to fit into it.

You don't have to wriggle into the new De Soto. You walk in... and you keep your hat on. The steering wheel doesn't hit your knees. There's more leg room for all passengers, front and back. And not only are the windows and windshields bigger.

You can see out of them... because you're sitting on luxurious chair-high seats.

Yes, it's a thrill to look at. But you won't have to rebuild your garage to get it in. A dented fender doesn't mean an expensive body job. And you can still change a tire, if you have to.

Ride? The smoothest you ever had. Drive? De Soto lets you drive without shifting. New features? Come in and see them all. No matter what car you thought you were going to buy, compare it with this brilliant new De Soto. Then decide.

Tune in "HIT THE JACKPOT" every Tuesday night, all CBS stations

DE SOTO FEATURES THAT MEAN MORE ENJOYMENT EVERY MILE

- ★ Tip-Toe Hydraulic Shift with Fluid Drive
- ★ New Feather-Light Steering
- ★ High Compression Powermaster Engine
- ★ New All-Weather Comfort System
- ★ Faster Getaway
- ★ New Ignition System
- ★ Longer Wheelbase with full "cradled ride"
- ★ Safeguard Hydraulic Brakes with new Cycle-bonded linings

Buffalo Band Will Play In Memphis Next Wednesday

Memphis is one of the 12 towns which will be visited by the Buffalo Band of West Texas State College during the first nine days of March.

The famous band, with 45 players, will make its appearance at the Memphis high school auditorium on Wednesday night, March 9, it was announced this week by Perry Keyser, head of the music department.

A Memphis girl, Gayle Stilwell, is secretary of the Buffalo Band and plays a horn. She was in the choral club in Memphis High last year. She is a daughter of Mr. and Mrs. L. A. Stilwell.

The WTSC band plays at Wellington at 2:45 p. m. of the same day. The program here is scheduled to start at 7:30 p. m. It plays at Shamrock on the morning of the 9th.

M. J. Newman is director of the Buffalo Band.

Admission will be 50 cents for adults and 25 cents for students. The appearance here will be in the nature of a benefit for the Memphis high school band fund.

Mrs. Coy Davis visited in Dallas several days last week with her sister, Mrs. E. R. Pate Jr., Mrs. Davis returned to Memphis Saturday and was accompanied by Mrs. Pate who will visit here for two weeks with her parents, Mr. and Mrs. E. T. Prater and other relatives.

Mrs. J. H. Barbee Jr., was a business visitor in Childress Saturday.

Mrs. J. R. Harrell who has been in Dallas visiting her daughter, Mrs. Opal Jones, about two weeks, entered Baylor Hospital Monday and expected to undergo major surgery this week.

100 PERCENT PULLETS FOUND! MRS. WEATHERBY TELLS OF HER RECORD

Nine pullets should lay nine eggs a day! So reasons Mrs. T. D. Weatherby who resides on North 11th street in Memphis.

"I have nine young hens and we got nine eggs from them yesterday," telephoned Mrs. Weatherby. "They have averaged eight eggs a day for many days now."

And, she added, they are Buff Orpingtons!

The secret? "Well, it's this way," began Mrs. Weatherby. "We give them a lay mash mixture all our own every morning, then give them warm water twice a day and wheat at night before they go to bed."

Mrs. Weatherby says they got the young pullets last fall from Mrs. B. B. McMillan.

"Anyway, nine eggs from nine pullets should be 100 percent, isn't it?" asks Mrs. Weatherby.

Students Flock To Class In Marriage Know-How At NTSC

Popularity of a new course in marriage preparation being offered at North Texas State College was indicated when 350 men and women signed up for the class during the first half-day of registration this spring.

This total is the maximum capacity of the auditorium where the class is taught. Recognized specialists in the marriage field will address the class during the semester, and financial, psychological, and physiological problems often arising in marriage will be discussed.

Scouting for boys is carried on through more than 70,000 units.

69 Ladies Attend Methodist WSCS Meet At Lakeview

A total of 69 ladies attended the Woman's Society of Christian Service program of the Clarendon district, held at Lakeview Methodist church last Thursday.

Mrs. C. L. Johnson of Hedley, zone leader, had charge of the program. Mrs. W. F. McElreath was elected secretary. Seven churches were represented, including Quitaque, Pampa, Clarendon, Hedley, Memphis, Turkey and Lakeview.

Mrs. W. E. Jones brought the greetings from the hostess society, with Mrs. J. Hillis making introduction of all guests.

Mrs. Sam B. Cook led the discussions on the four points of "The Advance," with Mrs. J. Nance of Clarendon talking on "Every Methodist Woman A Member of the WSCS," Mrs. J. Trostle of Quitaque talking on "Every Methodist Woman Studying," Mrs. Bill Monzingo of Memphis on "One Thousand New Missionaries," and Mrs. J. W. Oliver of Alaska on "Increase In Giving."

Following the luncheon at the noon hour, Mrs. Sam B. Cook gave an address on promotion. The closing meditation was given by Mrs. J. Parmenter of Turkey.

Ladies attending from the First Methodist church in Memphis included: Mesdames W. F. McElreath, O. M. Gunstream, C. H. Compton, W. D. Young, C. C. Armstrong, Bill Monzingo, Henry Monzingo, Henry McCanne, Bob Cannon and George Payne.

Estelline Youth In Kyushu, Japan With U. S. Infantry

WITH THE EIGHTH ARMY IN KYOTO, JAPAN, 15 February, 1949.

Pfc. J. C. Webster of Estelline, Texas is now serving with the Kumamoto Military Government Team, located in Kumamoto, Kyushu, Japan.

The Kumamoto Military Government Team acts in an advisory and supervisory capacity to the Kumamoto Prefectural Government in such matters as public safety, sanitation, public works, personal and public health, education and the various other administrative duties.

Private First Class Webster entered the Army at Enid, Oklahoma in June 1946 and completed his infantry basic training at Fort McClellan, Oklahoma. He came to Japan in February 1947. He has been serving with his present organization since March 1948.

Private First Class Webster's father, J. C. Webster, resides at Estelline.

Mr. and Mrs. Gilbert Petty and daughter, Donna, expect to leave this week for Electra where he will be associated with his father in the jewelry business. For the past several months he has been employed by the Branigan Jewelry.

G. F. Foxhall left Monday for Dallas to be with Mrs. Foxhall who is at the Medical Arts hospital. Mrs. Foxhall expects to undergo major surgery today (Thursday). Her condition the first of the week was reported as being satisfactory.

FORWARD, MARCH!

• March is here again, the month that heralds spring—and spring housecleaning!

• In Grandma's day, housecleaning—and housekeeping, too—meant endless rounds of back-breaking drudgery. But today, thousands of wise West Texas homemakers call on their low-cost electric servant, Reddy Kilowatt, to help take the work out of housework—to cook and clean, wash and iron, sweep and sew.

• For less than you'd pay for a daily pack of cigarettes, electric service makes life easier, healthier, more comfortable. What other item in your family budget gives you such great living value—at such little cost?

FIRST IN RUBBER

To Build Communities

Mr. and Mrs. Perry Drake of Childress announce the marriage of their daughter, Lois, to James A. (Red) Jouett of Parnell. Rev. B. H. McClelland of Childress, pastor of the First Baptist Church, read the single ring ceremony Saturday evening, February 19, at 9:15 o'clock in the parsonage.

For her wedding, the bride chose a street length dress with black accessories.

The groom is the son of Mr. and Mrs. Jim Jouett of Parnell. He received his discharge from the U. S. Army on June 26, 1948, after having served four years. At the present time, he is engaged in farming near Hedley where the couple will make their home.

Attending the wedding were Mrs. B. H. McClelland and Miss Betty White of Childress and Junior Rogers of Estelline.

Mr. and Mrs. W. D. Young and Bobby were week end visitors in Hamlin with his parents, Mr. and Mrs. T. O. Young, her mother, Mrs. Pat Collins and with other relatives.

Saturday afternoon visitors of Mrs. Bob Tiner were her parents Mr. and Mrs. M. N. Orr of Plaska, her brother, Dr. J. M. Orr of Wellington, Mr. and Mrs. Leo Orr and family of Littlefield and Mrs. J. S. Spencer of Memphis.

Eight classifications in which a majority of the projects will probably fall. They include health, youth, education and culture, fine arts, conservation and beautification, safety, housing and government.

Miss Drake Weds James Jouett In Childress Rites

Lawton Pageant Movie Premiere To Net \$40,000

LAWTON—A total of 500 pigeons, cocks, fowl, horses and donkeys, cows, sheep and goats added realism to the Wichita Pageant scenes in "The Lawton Story", new Hallmark cinecolor film that world premieres here April 1.

The menagerie was borrowed from neighboring farmers and ranchers who have furnished animals to the pageant for 20 years. Farmhands drove or brought the animals by truck into Holy City—site of the pageant—near here and stayed around to handle them.

Sometimes the animals got out of hand and made rare additions to the script. The goats were the worst offenders. In one scene they got too near a microphone and baa-ed at Judas loudly every time he appeared.

The world premiere will be held at the Lawton and Ritz theatres here, and in Theatre No. 1, at nearby Ft. Sill, Okla.

Two airplanes will fly the producers, directors and members of the cast of "The Lawton Story" here for the event. Both the Hollywood and local members of the cast will appear in person during the simultaneous performances.

Admission prices to the world premiere range from \$1,000 a seat—highest in movie history—to the popular \$5 price. Tickets, which went on mail order sale here February 15, may be obtained by writing Reece L. Russell, secretary of the pageant association. Mr. Russell said a check or money order is acceptable.

Proceeds from the premiere will be donated to the Wichita Mountain Easter Sunrise Service Association, sponsor of the pageant. An estimated \$40,000 is expected to be raised.

Dorcas Society Enjoys All-Day Meeting Thursday

Members of the Dorcas Society enjoyed a covered dish luncheon and all-day meeting Thursday, February 24, in the home of Mrs. Ewin C. Rice.

Mrs. E. W. Evans opened the meeting with prayer and Mrs. J. S. Ballard brought the devotional, using as the text the 23rd Psalm. During the day, members quilted one quilt. Two new members, Mrs. John Rice and Mrs. Eldred Childress, were welcomed into the club.

Enjoying this affair were the following members: Mrs. J. S. Ballard, Mrs. Joe Nelson, Mrs. E. W. Evans, Ewin C. Rice, Mrs. Wade Patrick, Mrs. L. J. Yarbrough, Mrs. John Rice, Mrs. Eldred Childress and two guests, Mrs. Carl Willson and Mrs. Blackie Glosson.

Mrs. Lester Brecht and daughters, Patricia Ann and Mary John of Amarillo visited Friday evening in the home of her uncle and aunt, Mr. and Mrs. Sid Baker. Mrs. Brecht and daughters went on to Wellington where they visited over the week end with her parents, Mr. and Mrs. G. N. Scruggs.

Billy Hall, manager of Perry Brothers, went to Stanford over the week end and visited with relatives there.

Mr. and Mrs. Glynn Thompson visited over the week end with friends in Amarillo, Canyon and Lubbock.

Mrs. Pete Darling and her sister, Mrs. Jimmie Scott, of Childress were Sunday afternoon visitors of Mrs. Ruby Hardwick.

THE SALE HE DIDN'T MAKE

The customer asked for a laxative. But as the pharmacist was wrapping it up for her she went on to explain that she had been having severe abdominal pains . . . and the pharmacist quickly recognized the possibility of appendicitis.

He didn't sell the laxative. Instead, he sent the customer to her physician who found that her appendix was badly inflamed. Had she unwittingly taken a laxative, the appendix might have ruptured . . . with serious, if not fatal results.

This is no isolated instance, no unusual incident. It happens every day in some pharmacy. Because appendicitis often masquerades as an intestinal upset, it is only natural that many people look to laxatives for relief, and hundreds of lives are probably saved each year by the pharmacist's vigilance over the sale of these products.

Laxatives, or any other group of medicinal products, are not just so much merchandise to your pharmacist. They are drugs you take to improve or maintain your health, and he places every possible protection around each sale. If, at times, he seems over-cautious it is only because he knows drugs so well. He appreciates both their value when used properly and their dangers when used unwisely. Your well-being is the measure of his success in the practice of his profession.

Your pharmacist is responsible for your safety in the drugs you use . . . and he takes his obligation seriously. This is but one phase of your pharmacist's contribution to public health.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.

THE INNOCENT BYSTANDER

Editorial
 Common Sense

Robert Kazmayer, who is one of the most popular and stimulating lecturers on foreign and domestic affairs, recently gave this excellent advice in one of his talks:

"War talk, mounting tensions, crises, these will return. You may as well get used to them, take them in stride, they're going to be with you for a long time. Better learn to live with them. These years demand of the intelligent citizen that he do anything in his power to strengthen moral and spiritual fibre of his nation, to sustain its economy and direct its course."

"Having done that, you may as well relax, enjoy the days of your years, make life as pleasant as possible for yourself and for those around you. Take the longer look, keep the over-all picture in mind. There's no percentage in waiting for happier days. They will not come in your lifetime or mine."

"If you keep eyes glued to headlines, ears to radio, jump at every alarm, you will not successfully plan and conduct a business; you'll join the ranks of the one-in-ten who are already mental cases."

This isn't the first world crisis and it won't be the last. The "war or nerves" is producing too many victims in the United States. The best medicine for survival lies in calmness and strength, and a determination to stand by our principles.

You won't cut your finger if you pick up small bits of broken glass with a piece of crumpled, moistened tissue paper.

National 4-H Club week will be held March 5-13 this year. The theme will be "Better Living for a Better World."

Press Paragraphs—
QUOTING OUR NEIGHBORS

WHEAT CROP COMING OUT—I have been asked many times lately how I feel about my wheat crop since moisture has caused the latent grain to sprout. Truthfully, I am encouraged to see the wheat come out of the ground and surprised as well. Inquiry among wheat growers, whose experience and ability we respect, reveals that the outcome of this late crop is doubtful. My guess is as good as the best. Some of the "top waters" assure me that my worries are over and that the crop will make tons over any reasonable expectation.

My position is like the crap shooter who is away behind in the game. I am striving to get even and I have not thought of coming out ahead since last September 6th, the date we started sowing. If I come out even on the venture, I may start again but I don't expect to win this time.—Quannah Chief-Tribune.

LOSSES NOW SHOWING UP—It has now become apparent that the losses incident to the snows and sleet of January on highways and streets of the panhandle are even higher than the maintenance people themselves estimated. Millions the Highway department had hoped to spend on new construction will have to be diverted to repair of roads. Some of the very best stretches of road in all the country, some of the through arteries, are in progressively bad condition and being made worse daily by traffic, while the crews await weather in which they can apply patches and do other repair work that will alleviate the damage done. How many jobs that would have been let this year for added paving will have to be by-passed because of storm damage and the demand on the highway funds isn't for a layman to say. Doubtless hundreds of miles in West Texas alone, though.—Floyd County Hesperian.

PENSIONS FOR VETERANS WILL BRING ON HOT POLITICAL FIGHT—Congressman Rankin of Mississippi has introduced a bill in Congress to pay all war veterans \$90 per month pension when they reach 65 years of age. Rankin is mad because he was kicked off the un-American investigation committee.

It is feared that his scheme will go through the house because of political pressure from the veteran organizations.

It will be a different story in the Senate. President Truman may be politically minded enough to sign the bill, should it reach his desk.

It is purely a political move-

Six to eight weeks before the last killing frost is the time to build a tomato plant box. The seeds have to sprout and live in the box that long before they're ready to transplant in the garden.

Change to OIL-PLATING!

FRESH!
 ... Get your car out of its "heavy-underwear" winter oil and into fresh summer-grade Conoco N# Motor Oil ... and OIL-PLATE your engine.

BRISK PERFORMANCE!
 ... because husky Conoco N# stubbornly fights power-robbing sludge and carbon.

SLICKER STARTS!
 ... because an exclusive additive in Conoco N# fastens a shield of lubricant to cylinder walls. No "dry-friction" starts with an OIL-PLATED engine!

SAVES MONEY!
 ... because rugged Conoco N# is made from carefully selected paraffin-base crude oil. It stands up ... takes less oil between drains.

Sentinels of Health
 Don't Neglect Them!
 Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood streams free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

This Week in WASHINGTON

INDICATIONS NOW are that the Truman administration will attempt to (1) shave retail prices one way or another; (2) continue to support farm prices and at the same time beat down the retail food prices which show a tremendous spread between the farm and the grocery shelves; (3) boost the lower pay brackets up to 75 cents an hour; (4) extract higher taxes from corporations and, generally speaking, seek to restore a balance between prices and incomes.

Just how this will be done is not yet clear, but the President is taking the advice of his Council of Economic Advisers and the indications are that he also has held many conferences with business leaders in whom he has confidence here in Washington during the past weeks.

Although some large business firms are running full page ads in newspapers and magazines declaring that further tax or further controls would take away all incentives for further expansion, the council report to the President clearly indicated that the members believed that business profits were above the levels necessary to furnish incentives and funds for the expansion of business and to promote the sustained health of the economy.

For instance, with corporate profits before taxes rising from 30 billion dollars to about 34 billion dollars in 1948 and after taxes from 18 billion dollars in 1947 to 21 billion dollars in 1948, there was plenty of incentive here for expansion. As a matter of fact, the profits were so high, viz., five per cent on sales and 10 per cent on net worth, the administration likely figures that not only must they take some of this profit in high taxes to put it into spending channels to increase the purchasing power, but must take it also to prevent an accumulation of idle money. Whether it is actually true that profits are too high and there is danger of idle money pools, is beyond the question. The fact is that this is the way the finger points, according to observers here.

The program suits labor, it suits a majority of the farmers and if retail prices are actually shaved, it will suit a majority of the consumers in all walks of life. These observers admit it's good politics and whether or not

It's good economics to be proven. . . .

On the farm front, some 400 million dollars income is in the picture gross farm income rose high in 1948 of more than 10 billion dollars as compared with a figure of 18.1 billion dollars in 1947. In addition, the total farm income increased to about 16.8 billion dollars at the end of the year. Most of this increase, however, was due to increase of farm real estate value new peak during the year.

This decline in net power or income of the one reason why the government will continue its expansion program despite the fact some powerful sources call a "subsidy to buy."

Farm economists disagree with business economists on the farm price support. While some business declare the program a try to reduce or control prices is "ridiculous," others declare they are the big end of the business planning why they price supports, one said:

"Like other producers, I usually attempt to control lower unit prices by increasing unit produced. Thus the of lowered support price simply to reduce farm farm prices at high level the treasury more than any each farmer races to see he can produce in order his income despite the fact then the bottom may be out of farm prices. The expenditure such a costly necessitate might be fact that of an orderly present or high price support

What the government ing to do is to find a stable figure somewhere between floor farm price and the tail price at which the price of farm products

A hen that lays 20 year puts about 14 calcium into the egg her body.

Wet shoes should never be dried close to a stove. Fast drying of leather makes it shrink, harden or crack open.

Here's a Bargain!

You farm faster, easier with Massey-Harris equipment . . . save money too, because it pays its own way with more economical work.

MEMPHIS POULTRY & EGG CO.
 121 N. 6th St. EARL BRISCOE

Clarendon Wednesday, February 23.

Mrs. Henry Hays is president of the association and had charge of the afternoon session. Mrs. Frank Ellis is treasurer. Rev. C. R. Tennon was one of the speakers on the morning program.

The ladies of the First Baptist Church at Clarendon served the noon meal.

Members of the W. M. U. attending from Memphis were Mrs. Henry Hays, Frank Ellis, Sam Hamilton, H. H. Lindsey, A. M. Wyatt, D. A. Grundy, Leon Randolph, Mrs. Henderson Smith, Joe Weathersbee, Earl Pritchett, Roy Patton, Alfred Hutcherson, Claud Harris and O. T. Toney.

There are more than 1100 active farmers' cooperatives in the state, and 95 percent of these serve local groups of approximately 200 members each. Eighty-nine new cooperatives were chartered during 1948.

For Better Chicks Use Ren-O-Sal

Chicks grow faster, do better, when you give them Dr. Salsbury's REN-O-SAL in the water right from the start. Easy to use and economical. REN-O-SAL, in larger doses, prevents cecal cocciidiosis. Ask for REN-O-SAL, here.

AMAZONIAN SHUTTERBUGS—These Colorado Indians, the strangest and most colorful people in the world, are shown curiously inspecting a camera used by the Armand Denis expedition in exploring the wilds of Ecuador. The helmet-like "hats" are self-grown, the hair being stiffened into a colorful plastic-like vermilion cap with a dye called archiote, with which they also dye their entire bodies a bright vermilion, setting off their brilliant red skin, glistening red caps, striped skirts and coal black teeth and gums produced by chewing a narcotic leaf.

SPORTS AFIELD

By Ted Kestring

If you follow the field trials, one day you're bound to see a tall, tweedy man with a ruddy face, snapping blue eyes, and firm mouth. That will be Martin J. Hogan, dean of American dog men and one of the dominant and fascinating figures in the world of hunting dogs.

He's likely to pop up at trials anywhere, according to outdoor writer Gordon MacQuarrie. One week he may be handling his own spaniels in the East, and the next judging a retriever trial in Nebraska, Minnesota or Washington state.

Known affectionately and reverently as the "Old Man," Hogan has brought to the United States a vast know-how of the hunting breeds and a warm Irish heart that sends him all over the country helping inexperienced sportsmen organize clubs and hold field trials. He has traveled hundreds of miles at his own expense doing this sort of thing, and wherever he goes, judging trials, organizing trials, or just giving advice, he makes friends.

Hogan was a gamekeeper and professional trainer in England and Ireland, and came to the United States via Alberta, where he operated a wheat farm for a short while after World War I. He specializes in the training and handling of retrievers and spaniels, and from the Hogan kennels, at Barrington, Illinois, have come scores of typical working Labradors and springer spaniels to bolster and improve the strains of those breeds in this country.

Space hardly permits naming the great Labradors which he has trained—Nigger and Tyke and

IT'S "TRUE"—A Weimaraner pointer valued at more than a thousand dollars, sitting with a Royal Dutch airline passenger service girl, Mercedes Casau, at Idlewild airport after his arrival from Germany. The four-year-old German import, a rarity in this country, was flown here for breeding purposes.

Kitty of Barrington, Glenairle Rocket, Freehaven Jay were a few. A Hogan-trained springer, Dalsangan Pomme de Terre, gave the Middle West its first concept of the class a springer can attain.

The Old Man respects good working dogs. He will, if need be, sacrifice beauty in a hunting dog for utility, but he holds fast to the belief that the two can be blended. He doesn't give a whoop who wins at field trials. "They are merely schools for men and dogs."

Infant Daughter Of Mr. and Mrs. Wheeler Dies In Dallas

Alice Jane Wheeler, six week old daughter of Mr. and Mrs. Robert H. Wheeler, Abilene, died Sunday in Baylor Hospital, Dallas, where she had been a patient for about two weeks.

Funeral services were conducted Monday at Laughter North Memorial Travis Chapel, Abilene, by Rev. Frank Travis, pastor of Central Presbyterian Church.

The child's father, formerly of Memphis, is a student instructor in Hardin-Simmons University. Survivors are the parents; the grandparents, Mr. and Mrs. H. G. Bailey of Abilene and Mr. and Mrs. F. E. Wheeler of Memphis; one great-grandmother, Mrs. T. J. Brock of Memphis.

Wounds in animals cause concern to owners and often an economic loss. A high protein ration will help the wound heal sooner.
