LVIII *** NWN SERVICE *** MEMPHIS, HALL COUNTY, TEXAS, THURSDAY AFTERNOON, MARCH 10, 1949 *** SEVEN CENTS *** NUMBER 40

FOOTBALL does this to people, said the Amarillo Daily News, in commenting on the crowd of some 4,000 fans who massed in the courthouse square last Sunday afternoon to greet the Cyclone team as it returned home from Austin after it won the state championship in the Class A division. In the center of the crowd is the hastily-gathered band directed by Perry Keyser.—Photo by Wise, cut courtesy Amarillo News.

THOUSANDS WELCOME CHAMPS Applause Runs Over At Welcome Rally On Radio Broadcast

The Memphis high school Cyclone basketball team proved that a team that "won't be beat can't be beat," declared President Ace Gailey of the Memphis Boosters club in an address at the big home-coming rally held Monday afternoon in the school auditorium.

Gailey also pointed out that the 1949 basketball team and its coach, L. E. McColloch, will be the pace-setters of the Panhandle and West Texas for many future teams and coaches.

Supt. W. C. Davis, as master of ceremonies, introduced Gailey and others on a 30-minute program that was broadcast over the Childress radio station which was sponsored by Monzingo Brothers.

Cheer leaders T. C. Blackman, Leona Robertson, Onita Ables, Charlene Pyeat and Billy Dell Martin led off the program with cheers in which the entire student body joined with lusty enthusiasm. A number of business men were in the audience while heads of eight organizations and ministers of the city were seated on the stage with members of the champion Cyclone group.

The famed Memphis band, under Director Perry Keyser, played one selection after another, beginning with the Alma Mater song.

Herschel Combs, as vice-president of the chamber of commerce, reminded the crowd that:

"Hall County has progressive business men and farmers, fertile acres, fine churches and excellent school systems and now we have the greatest Class A basketball team in the State of Texas."

Mr. Combs added that "we have the outstanding coach in Texas."

Ovation Given Coach
A big ovation, lasting several minutes, was given Coach McColloch when Supt. Davis introduced him as "the best coach in

Rousing Party Greets Returning Players On Square

The greatest spontaneous outburst of enthusiasm ever witnessed in Memphis occurred last weekend.

It all began Saturday afternoon when several hundred local persons began to listen in on their radios to the final battle at Austin in which the mighty Memphis Cyclone basketball team edged out a 27 to 25 victory over French high of Beaumont to become the first state champions from the Panhandle.

In fact, the enthusiasm here at home was set ablaze in that last two minutes of play when the Cyclones were only one point in the lead and Leroy Green and his fellows kept stalling for time, or so it seemed to folks here listening in.

"Everybody is standing up now," yelled the excited announcer over the radio. (J. Claude Wells reports he was listening in while driving home from Wellington with Mrs. Wells and that he started to turn loose his steering wheel and stand up, too, right out there on the highway while the car was making 50 mph!).

Just as soon as the broadcast was over, several carloads of high school girls drove around the square, yelling and honking car horns, as though the people around town didn't already know about it. Bill Monzingo had a loud speaker in front of his place during the broadcast, with a big crowd of fans gathered on the sidewalk.

The town managed to sleep through Saturday night although some of the school kids dreamed basketball all night, some of them evidently floating on air. They even talked basketball in their sleep!

C-C Officials Busy
Sunday morning ushered in a new day. It remained for C-C Manager Clifford Farmer and C-C President H. J. Howell to get their heads together with a dozen other leaders and organize a big

Evangelist Cole To Preach For Revival At First Baptist Ch.

Evangelist E. F. Cole will be the special speaker for the spring meeting beginning next morning at the First Baptist church in Memphis, according to an announcement by the Rev. C. R. Tennon.

The meeting will run through March 20, with services daily next week, at 10 a. m. and 7 p. m.

Mr. Cole is extended a special invitation to attend these services by Pastor Tennon. "Revival is an exceptionally important time for the Baptist church in Lamar," he said. "I have been a member of the First Baptist church in Lamar for 15 years before entering the ministry and I am a member of the First Baptist church in Memphis."

Mr. Cole is a medical missionary and has been in the field of evangelism and is a member of the First Baptist church in Memphis. He has a degree in divinity from the University of Tennessee and is a member of the First Baptist church in Memphis.

Mr. Cole is a member of the First Baptist church in Memphis and is a member of the First Baptist church in Memphis. He has a degree in divinity from the University of Tennessee and is a member of the First Baptist church in Memphis.

REV. E. F. COLE

Hall County Gets Surplus Potatoes

Four carloads of surplus Idaho potatoes have been delivered in Hall County recently for feeding purposes, reports Lynn McKown, ACA secretary.

The four carloads represent a total of 180,000 pounds of the spuds which were sold to A. A. Kinard, Charley A. Williams and J. D. Evans. They report the cattle like the potatoes and are doing fine on the new feed.

These surplus potatoes can be used for feeding purposes only.

Local Business Girls Planning Soft Ball Team

Local business girls are planning a softball team for the coming season and are now looking for a manager as well as more players.

This team "went to town" last summer so they are counting big on repeating this year.

Anyone interested in the team should contact either Billie Jo Jones at the Memphis Cleaners or Freddie Starr Johnson at the First State Bank.

THE DOCTOR AFFIRMS VERACITY OF TALL YARN OF FISH WIFE CAUGHT

When is a fish story just a fish tale?
This story is told as it came to The Democrat.

It appears that Dr. and Mrs. J. A. Odom spent all of last week on the Gulf Coast, with headquarters in Aransas Pass where they had lodging quarters.

"We spent the entire week fishing," says the good doctor. "We had no luck until we got out on the island at Port Aransas. There we fished off the pier for the pleasure of the thing, not for fish necessarily."

"We had been having rotten luck. I snagged a big stingaree and got it out of the water only to see it fall off the hook. I was rather glad that happened, though."

"Then my wife suddenly became excited because she had a big one on her hook. At least, she thought it was on her hook. After much struggling, we hauled it up on the pier. It was a big fish alright, a 10-pound carp!"

"But, believe it or not, that fish didn't have a hook in its mouth or anywhere else!"

"It had just wrapped the line around its body until it got so tangled it couldn't get loose. The line was under the fins."

Just here, Dr. Odom made that dramatic pause.

"Yes, it took me a full 20 minutes to unwrap the line from about the fish."

Yes, Mrs. Odom caught a 10-pounder without use of a hook, believe it or not!

(Incidentally, Mr. and Mrs. Jim Vallance are down there in the same spot this week, trying their hand at fishing. Just wait until they get home so we can learn what kind of a fish tale Brother Jim will bring home.)

168 Voters Sign Petitions Asking Mayor's Re-election

After three petitions had piled up 168 names of Memphis voters requesting him to make the race for re-election, Mayor C. C. Hodges this week told The Democrat to say he "certainly was not going to turn all these friends down."

Two contests have come out of the nominations for aldermen. Alderman R. C. Cummings will be opposed by F. E. Monzingo and Earl Briscoe. Two candidates will run the race for alderman in Ward 4, the place held by Walter Hightower who refused to run again. The two are E. S. Rice and J. J. Bice, both of whom are well-known citizens.

H. E. Tarver will run for re-election in Ward 1 and is unopposed. Durwood Howell's name was filed for alderman of Ward 2 and he is unopposed for the place now held by Dr. O. R. Goodall, who did not wish to run again.

All of above candidates were filed before 4:30 p. m. last Saturday, the deadline for those wishing to have their names printed on the ballots.

The election will be held Tuesday, April 5.

POSSUM KINGDOM YIELDS FISH BY BARREL FULL, MEMPHIS FOLK REPORT

It has leaked out at last! The best fish story of 1949 has just been brought to the attention of The Democrat!

It seems Mr. and Mrs. Houston Neal of Lakeview and Orville Vandeventer journeyed down to Possum Kingdom lake a few days ago for a "little fishing."

They are alleged to have hauled in 115 the first night! Mostly crappie, some bass.

"Don't ask us how we caught them, as we often had one on each hook at the same minute," Orville reports. "That trot-line got most of them, of course."

"It looked like a barrel full when they got home with them," says Mrs. Lloyd Vandeventer. "I think they gave fish to everybody they knew."

This ought to be good copy for the Palo Pinto County Star! How about it, Dal?

MRS. McNEELY'S SISTER DIES TUESDAY IN S. A.

Mrs. M. McNeely received a message Tuesday advising her of

(Continued on page 4)

TOMIE M. POTTS

Memphis Business Man Honored By Hereford Breeders

Tomie M. Potts, Memphis business man and Hereford breeder, was honored with the vice-presidency of the Panhandle Hereford Breeders association at its annual election last week in Amarillo. Mason King was made president and W. M. Gouley was re-elected as secretary-manager.

Mr. Potts has been very active in helping with the Amarillo Exposition and Fat Stock show for many years. His active support reached the top of all time when, in 1948, he paid \$4,700 for the grand champion bull calf which was only 10 months old at the time.

This year, Mr. Potts paid \$1,100 for the grand champion heifer, which, incidentally, was also grand champion of the show at Albuquerque, N. M. He then purchased a three-quarter sister of the grand champion which was the reserve champion at Albuquerque, paying \$1,100 for it. He had already purchased the grand champion heifer at the Top O' Texas Hereford Breeders show at Pampa for \$500. In the exhibition pens, Mr. Potts had a senior heifer that placed third and a junior heifer that placed fourth this time. He had two bulls in an open class of over 30 that placed 8th and 9th.

The Panhandle Hereford Breeders Association was organized in 1910. Mr. Potts, as the new vice-president, brings to the association a background of many years of experience as a breeder of fine cattle, since he has two ranches on which he raises the stock. His friends in Memphis and Hall County feel he deserves the honor.

Estelline Baptist Church Gets New Pastor And Family

Rev. W. B. Greene has accepted a call to the pastorate of the First Baptist church in Estelline and has moved his wife and two children to that city.

The new pastor has recently been with the Central Baptist church in Fort Worth. Before that, he had served as state missionary in the mountains of East Tennessee. He graduated from high school in Morristown, Tenn., then from Carson-Newman College in Jefferson City, Tenn., and later from Southwestern Baptist Theological Seminary in Fort Worth.

Rev. Greene comes to Estelline highly recommended. He is said to be highly enthusiastic over possibilities in his new location. His former athletic prowess, his ability to interest the young people and his earnest sincerity are said to augur well for his future at Estelline.

Club Boys Given Good Price Friday For Show Animals

Members of the 4-H and FFA clubs of Hall County who exhibited calves or hogs at the show in Amarillo last week sold all of their show stock Friday in the big auction sale.

County Agent W. B. Hooser reports the Jimmy Bownds champion calf brought 39 cents a pound, with a calf shown by Bobby Lee Adams of Estelline bringing 40 cents. Nolan Salmon of Lakeview sold a calf for 39 cents a pound.

John Luther Byars sold his calf for 37 cents a pound. Charles Gardenhire of Estelline sold his for 39 cents. Bobby Lee Adams sold two other calves for 37 cents a pound.

In the hog division, 13 hogs sold for 22 1/2 cents a pound. These included four by Archie Martin of Newlin, one by G. D. Hall of Lakeview, one by Jarrell Jayne of Lakeview, three by Jerry Byars of Lakeview and four by John Luther Byars of Lakeview.

Six other hogs sold for 22 cents a pound. These were: two by Raymond Martin of Lakeview, two by Archie Martin of Newlin, one by John Luther Byars of Lakeview and one by Joe Booth of Lakeview.

The market price for calves that day was 25 1/2 cents, while the market for hogs was 21.

DEAR DREW:
Aw, lay off of Harry Truman! Don't ya know he's only human? Every idol, so they say. Has his two feet made of clay. He ain't toppled off no throne 'cause he's "We, the People's" own.
We ain't put him way up high For we want him standing by. If he's prone to blow his top, Barkley's there to make him stop.
Do we love him? Yes, we do. The lesser evil of the two!
—Mrs. Bettie Deaver

HERE ARE THOSE STATE CHAMPS! They defeated French High of Beaumont, 27-25, in the finals of the state tournament last Saturday afternoon in Austin. Coached by L. E. McColloch, the squad won 27 and dropped 5 during the season.

The squad, left to right: Back row, R. A. Wells, student manager; Charles Morrison, Sammy Rasco, Scotty Grundy, Raymond Clark and Don Ray Rasco. Front row, Donald Corley, Andy Gardenhire, Leroy Green (captain), Thomas Messer, and Billy West. Jimmy Ellis is not shown in the picture.

Monaghan Points Out How Workers In U. S. Are Ahead

"In this land, a working man can buy a pair of shoes for seven hours of labor while it takes the working man in Russia 104 hours to make enough to buy the same pair of shoes over there," M. G. Monaghan, assistant general manager of the Fort Worth & Denver City railroad, told members of the Memphis Rotary club at noon Tuesday.

Mr. Monaghan was introduced by E. E. Roberts, program chairman. John J. McMickin, station agent, was among the special guests.

The speaker was talking on the subject of "Employer-Employee Relations" and dealt principally with the railroad's problems. He

pointed out that employer-management people must be good listeners on the one hand but must avoid ego at all times to effect good relations.

"I have had 30 years with this railroad, a lot of which time was on the employe level although I have also spent some years on the management side," said Monaghan. "We have a group of fine employes in our business. They are loyal and deserve the best."

"However, there is a constantly reaching out for more and better things on the part of all employes. In our case, we are now paying section hands 91 cents an hour whereas we once paid them only 29 1/2 cents an hour. The railroad people had to look for short cuts to be able to do this. We have perfected devices that enable us to surface track at one-half of the original cost, as a result. In the new Diesel motor, we can pull two trains where before we only pulled one."

Mr. Monaghan then discussed

the other side of the picture.

"We now have, in this country, politically-minded labor leaders. There is now a national movement under way to force us to put two engineers, two firemen and one brakeman on each of these new Diesel engines when one man can do the job. Operating a Diesel is very simple compared with the old steamer engine."

The speaker referred to a recent decision of one member of the National Labor Relations Board.

"We fired a man for violation of Rule G which covers drunkenness on the job," he says. "One of the members of the NRLB suggested that it appeared to him the man was only half drunk so why not put him back to work on half pay?"

Sheldon Anisman, who is a student at Peacock Military Institute at San Antonio visited last week end with his parents, Mr. and Mrs. A. Anisman.

B. & P. W. To Have Annual Banquet Here On March 24

Plans for the annual banquet were discussed by members of the Business and Professional Women's Club at a noon luncheon Thursday, March 3. Twenty-two members were in attendance. The tentative date for the banquet has been set for March 24.

Miss Mary Foreman, president, had charge of the business meeting. The committee named for the banquet are as follows: program: Miss Roselyn Williams, Mrs. Hester Bowns and Mrs. Robert Spicer; Social Mrs. O. R. Saye, Mrs. Harry Boswell, Mrs. Glen Carlos, Mrs. Bob Ayers and Miss Joyce Hoff; decorations, Miss Zady Belle Walker, Miss Ella Mae Kircheville, Miss Inez Mason, Mrs. Arlis McBee, Mrs. Angus Huckaby, Mrs. Barney Burnett and Mrs. Lloyd Vandeventer, and the greeting committee: Miss Una Loard, Miss Ethel Hillhouse, Mrs. Bill George Kesterson, Mrs. Fan Kirk, Mrs. Mable Lavender, Miss Lois McCulloch, Mrs. Grover Rhoden, Mrs. Mary Smith, Mrs. Mary Smith, Mrs. Isabelle Cyfert, Mrs. Perry Hale and Mrs. Nugent Brown. Miss Foreman will serve as toastmistress for the occasion. The club will hold their next regular meeting at noon Thursday, March 17.

Memphis C-C To Help Young Men On Draft Status

The Memphis chamber of commerce will provide facilities for future registration of all boys reaching the age of 18 who are required by the Selective Service law to register.

Manager Clifford Farmer of the C-C assured Major M. D. Lewis of the state headquarters Tuesday morning that arrangements will be made at once for taking care of these young men so they won't have to make the trip to the Childress office for that purpose.

Major Lewis pointed out that, in the past six months, many young men have gone to Childress on Saturdays to register and found the office over there closed on that day so had to make a second trip on some other day of the week.

"This causes great inconvenience to these young men and someone in Memphis should make arrangements for them to register here," he told Mr. Farmer.

The chamber of commerce manager says he has the co-operation of School Tax Collector Olin Cooper whose office is next door in case the C-C office is closed at any time. Mr. Cooper says he will help Mr. Farmer in such emergencies.

The C-C office is now short of help as Mr. Farmer does not have a secretary but one is expected to be hired any time now.

"We certainly want to help

Frisbie Reports ACA Work Going Good In King Co.

"We have over 100 contracts for the ACA program in King County," reported David Frisbie

these young men in a case like this," added the C-C manager.

who is secretary of the committee for that county.

David was visiting in Memphis over the past weekend with his parents, Mr. and Mrs. B. D. Frisbie, and friends. He went on his present job before Christmas after serving as an assistant to Lynn McKown here for some months.

King county is one of the least populated counties in Texas as four big ranches cover most of the

county's land. A corner farmer is located in the west corner of the county.

FREEDOM IS EVERYBODY'S JOB

You Are Cordially Invited To View

WASHINGTON'S FAMOUS "TO BIGOTRY NO SANCTION" LETTER

The historical document now on exhibition in our bank lobby is a photographic reproduction of a letter written by President Washington in 1790 to the Hebrew Congregation in Newport, Rhode Island. The letter is written about religious freedom, one of the basic principles of American democracy. In the letter Washington used some phrases taken from the original address but in which he added his own eloquent sentiment on the subject of freedom and toleration.

This is the tenth of a series of reproductions from the originals of important historical documents being brought to this community as part of the Public Service program of this bank. You are cordially invited to come in and see it, as well as those which will be displayed later.

Thousands Welcome

(Continued from Page 1) home-town reception for the returning heroes. Enlisting the aid of President Ace Gailey of the Boosters club, they began telephoning every citizen who was listed in the phone book. Runners were sent out to the churches to tell the folks a parade was being planned to Childress and back, to be headed by up Highway Patrolmen Noel Callaway and Herman Moore, the group to meet the boys at Hotel Childress and escort them home in style. Band Director Perry Keyser was alerted to set up the band at the courthouse promptly at 5 p. m.

The publicity committee of the C.C. was alerted to see if a news reel cameraman could be flown in from Dallas or Fort Worth. After many long-distance calls, the committee finally tumbled to the fact that news reel cameramen are not to be located on the job on Sundays! But every newspaper office from Amarillo to Dallas, including Fort Worth and Wichita Falls, wanted the story. And pictures were requested.

Procession Rolls at 3:30 The trek to Childress began at 3:30 at the courthouse when the string of 125 cars rolled out down the highway. The procession slowed down to 45 mph on the way down. It was lined up on a side street in Childress, near the main hotel. The team came in about ten minutes later, from Austin, riding in three cars. The crowd from Memphis took over the street and mobbed the players, with their girl friends giving them an open-arm reception amid the plaudits of the crowd. While photographers flashed pictures, the fans shook hands all around. Coach L. E. McColloch stood aside, watching his boys. The fans finally spotted the coach and mobbed him with greetings. Charles Morrison was handing the big State trophy around, with admiring friends taking a big interest.

Some Thought It was Funeral The procession started back home, amid the noise of many horns, with the highway patrol car in the lead. Many cars and trucks drew off the highway and stopped when they saw the patrol car, thinking it was a "funeral." It didn't take them long to find out it was anything but.

The parade of cars reached the courthouse at 5:15 where they found 3,000 people waiting with the band. The heroes were immediately unloaded and marched up the steps on the north side of the court building. There were more pictures.

Carroll and Harold Foxhall, Minister Gray Carter, and Mrs. Ed McCreary accompanied Mrs. John Deaver to Dallas Tuesday afternoon where they were called because of the critical illness of Mrs. G. J. Foxhall who underwent major surgery Saturday morning.

Mrs. E. A. Wilkins began her work this week as clerk in the office of County Agent W. B. Hooser. She is replacing Miss Jarita Pounds who resigned her position.

Mrs. Robert Lindsey and children, Robby and Kent, left Sunday for Dallas where they will make their home. Her parents, Mr. and Mrs. L. A. Stilwell, carried them in their car to Dallas and returned home Monday. Mr. Lindsey has been in Dallas about two weeks.

Gilbert Srygley, who is attending N.T.A.C. at Arlington, spent the week end with his parents, Mr. and Mrs. Clint Srygley.

Mr. and Mrs. L. L. Mitchell were hosts last Friday to her mother, Mrs. A. P. Todd of Clarendon, two brothers from Amarillo, Ed and Clifton Todd and her brother from Waterford, Calif., Rev. B. F. Todd. Clifton Todd Jr. also was with his father, Rev. B. F. Todd, on his way to Hominy, Okla. for a revival meeting.

Mr. and Mrs. K. D. ... moved the first of ... his grandfather's ... Plaska.

MRS. G. J. FOXHALL VERY ILL AT DALLAS

Last-minute reports from the bedside of Mrs. G. J. Foxhall, who is in the Baylor Hospital in Dallas, say she is "doing as well as can be expected."

Mr. and Mrs. Buck Johnson and children of Pampa spent Sunday with relatives in Memphis and Brice.

Mr. and Mrs. Foster Watkins and sons, Watty and Seth Pall, of Quannah visited over the week end with her parents, Mr. and Mrs. Seth Pallmeyer.

Mrs. Melvin Blum had as guests over the week end her father, T. D. Greenwood, her brother, Howard Greenwood and family, all of Silver City, N. Mex. This was T. D. Greenwood's first visit here since he left about twelve years ago.

Mr. and Mrs. Lynn McKown were in Wellington Tuesday on business.

Mrs. Kent Anderson of Amarillo is a house guest this week in the D. A. Neeley home.

Bill Pallmeyer was due to leave today for Wichita Falls where he will assume his duties as assistant county agent.

Clark and son, John, Memphis early Thursday having visited in Central Texas...

where they attended the New Mexico Hairdressers and Cosmetologists meeting which featured hair styling and hair cutting.

Mrs. Howard Carter and children of Holiday were Sunday guests in the home of her brother-in-law, Mr. and Mrs. Gray Carter.

Mrs. Howard Carter and children of Holiday were Sunday guests in the home of her brother-in-law, Mr. and Mrs. Gray Carter.

Gloria Howard, a student at S. M. U., Dallas, and a friend spent the week end in Memphis with Gloria's father, A. W. Howard.

Mrs. H. C. Evans, daughter, Mary Nell, Mrs. G. A. Richardson and daughter, Patricia, were Amarillo visitors Monday.

Howard Elliott of Amarillo and Austin visited Tuesday night in the home of Mr. and Mrs. T. D. Weatherby.

Doris Kesterson, a student at West Texas State, Canyon, visited last week end with her parents, Mr. and Mrs. A. G. Kesterson.

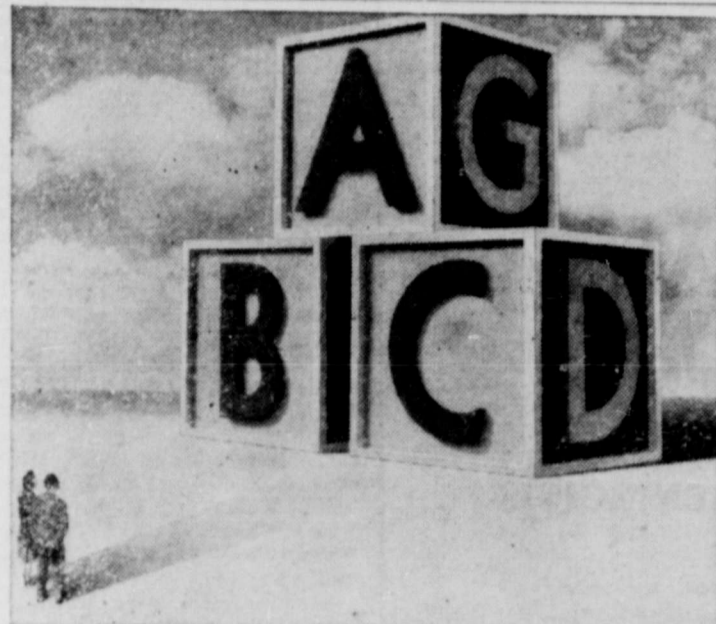

Mr. and Mrs. T. W. Harrison and daughter, Rosemary, went to Sylvester last week end where they visited with her parents, Mr. and Mrs. Ed Beck.

Second Lt. B. J. Tumlinson of Lackland Air Force Base, San Antonio, was a visitor in Memphis last weekend, to see his parents, Mr. and Mrs. W. W. Tumlinson, and to take a degree in Masonry Monday night.

Mr. and Mrs. H. B. Bennett and son, Guthrie, went to Pampa Sunday where they visited with their sister, Mr. and Mrs. Henry Ellis

Marshall Ford of Borger and a friend from Pampa were week end visitors of his parents, Mr. and Mrs. Lee Ford. Jack Youree and Joe Doyle Galbrath, also of Borger, visited with Jack's mother, Mrs. Pearl Keesee.

Doris Kesterson, a student at West Texas State, Canyon, visited last week end with her parents, Mr. and Mrs. A. G. Kesterson.

THE ABC'S THAT FEW PEOPLE KNOW

There's a new set of ABC's since you went to school. It's a shorter alphabet, but it is far more difficult to master than the one you learned in first grade.

This is the start of the Vitamin Alphabet. With it you can spell better health for yourself and your family if you know which letters to use.

Few adults know their vitamin ABC's well enough to use them properly... and so they depend upon their physician to advise and their pharmacist to supply them with exactly the product they need.

Mrs. Jack Earle Is Feted With Bridal Shower

Mrs. Jack Earle, who before her recent marriage was Miss Marjorie Hemphill, was complimented with a lovely bridal shower in the home of Mrs. D. C. Messick Friday afternoon, March 4.

Assisting Mrs. Messick with hostess duties were Mesdames D. W. Lawrence, Bedford Moore, Wyman Davis, John Powell, Ott Misenhimer, Felix Jarrell, Tracy LeCompte, W. R. Glover, and Miss Izabell Walker.

The honoree received many lovely gifts which she unwrapped and displayed for the group. Among the gifts was a chenille bedspread, the hostess group's gift for the honoree.

Refreshments were served to Mesdames Jack Nelson, W. A. Spruill, B. E. Rushing, Morris Nolan, Bert Jones, Billy Diggs, P. E. Gardenhire, Tom Sweatt, O. B. Hoover, Estal Collins, A. J. Waters, Bob Sweatt, Sam L. Smith, M. P. Moore, W. S. Smith, M. E. Ellis, J. E. Nelson, R. V. Sweatt, L. G. Welch Jr., T. K. Wilton, Misses Nan Tucker, Izabelle Walker, Belle Sweatt and the hostess group.

Sending gifts were Mesdames Frank Ellis, W. C. Jarrell, Trilton Davis, T. E. Davis, G. B. Millins, Flynn Thomas, Earl Murphy, Son Davis, G. E. Nelson, John Burnett, Merle Williams, Leonard Braidfoot, Opal Rawls, Bill Prater, Imogene Morrison, Cecil Lockhart, Henry Crow, J. N. Hoover, W. F. Harper, W. S. Admire, Ima Brumley, B. L. Gresham, A. A. Kinard, Bonnie Tuggles, A. E. Ramsey, Emmitt Solomon, Jake Crisman, A. M. Sims, J. O. Cobb, Annie Margaret Turner, W. W. Dunn, Boyd Waddill, Jim Berryman, J. O. Hemphill, Don Sweatt, Tom Collins and Mr. and Mrs. Fred Hemphill.

Miss Smith Weds Raymond Opela In Memphis Rites

Miss Elizabeth Smith, daughter of Mr. and Mrs. Willie Smith, became the bride of Pfc. Raymond A. Opela of Albuquerque, N. M., in a ceremony performed on Saturday, March 5, in the office of the justice of the peace, with J. S. Grimes officiating.

The couple's only attendants were Miss Pernie Phillips of Newlin and James Smith of Eli, a cousin of the bride.

For her wedding, the bride chose an aqua street-length dress with black accessories.

The bridegroom is the son of Mr. and Mrs. August Opela of Prague, Okla.

Junior High P-T A To Meet March 17

Parents of Junior High school students and others who are interested are invited to attend the March meeting of the Junior High Parent Teacher Association to be held Thursday afternoon, March 17.

The meeting is scheduled to begin at 3:15 o'clock and will be held in the school auditorium.

Mrs. J. A. Ballard Reviews Books For Estelline Group

At the last meeting of the 1932 Culture Club of Estelline Mrs. J. A. Ballard reviewed, in a most interesting manner, the best current novel on the Negro problem, "Intruder In The Dust" by William Faulkner.

Mrs. Jerrell Rapp, club president, was in charge of the business session. Delicious salad plates were served members and guests, as follows: Mesdames Jerrell Rapp, Frank Cooper, Dewey Britt, Bob Davidson, Sam Sloan, E. F. Kennedy, C. E. Wilkinson, Albert Bailey, J. A. Ballard, DeWitt Eddins, R. L. Bates, Don Leary, W. M. Whaley, Lester Phillips, Helen Clifton, and Dave Maldron, Mrs. L. V. Bruce was the hostess.

FELLOWSHIP MEETING NEXT MONDAY NIGHT

A fellowship meeting will be held at the Church of God in Memphis next Monday night, March 14, at 7:30, according to announcement by the pastor, Rev. R. D. King.

"Everybody is invited to come," says Pastor King.

MEMPHIS GIRL MADE MEMBER SOCIAL CLUB
FIRST WORTH—Jimmie Mitchell, daughter of Mr. and Mrs. O. S. Callahan of Memphis, was presented as a member of Deka Social Club at Texas Wesleyan College recently.

The formal presentation was held at the Colonial Country club. Miss Mitchell is a freshman at TWC.

CALL 15 FOR QUALITY JOB PRINTING

'Texas Day' Is Observed March 2 By Culture Club

Poems by Texas authors were read by Mrs. T. J. Way to introduce the "Texas Day" program given for the Women's Culture Club Wednesday afternoon, March 2. The meeting was held in the home of Mrs. Clarence Morris.

Miss Esta McElrath gave an interesting history of Texas folk songs, naming many of the factors which have influenced our present day music. Concluding the program, Mrs. L. B. Madden entertained with several selections by Texas composers, and also accompanied as the club members sang the federation song "Love and Grow."

Dainty tea plates were served to Mrs. Ward Gurley, Miss Sybil Gurley, Mrs. Earl Hill, Miss Esta McElrath, Mrs. T. J. Way, Mrs. Robert Moss, Mrs. H. A. Combs, Miss Alma Bruce, Mrs. Homer Tribble, Mrs. L. B. Madden and hostess, Mrs. Morris.

Annis Carol Eddins Of Estelline Weds Ted Bruce On Feb. 21

Mr. and Mrs. D. T. Eddins of Estelline announce the marriage of their youngest daughter, Annis Carol, to Mr. Ted Bruce, son of Mr. and Mrs. Leslie Bruce of Parnell.

The wedding was solemnized in the parlors of the St. Johns Methodist Church of Fort Worth, on February 21, 1948. Reverend Lindsey of that church officiated with the single ring ceremony. The bride was attractively dressed in navy blue with a white gardenia corsage. Acting as bridesmaid was Miss Dianne Meaham of Memphis, who was dressed in black and wore a white corsage of carnations. Best man was Morris Odom of Newlin.

Cut flowers used for decoration of the parlors were pink gladiolas. The young couple spent the

week following the wedding in Fort Worth and they are now at home on the Bruce farm. Miss Eddins is a junior in Estelline high school, and she is continuing her year's work. She was voted as the most popular girl in high school this year. She plays on the basketball team and has been cheer leader for the past two years. Miss Eddins was high school queen of 1947-48. Mr. Bruce is a graduate of Estelline high school of 1948 and has been attending N.T.A.C. during this year. In high school he was on all athletic teams and active in all school activities.

Mrs. Grace Craig and her mother, Mrs. Mollie Dunham, of Greenville visited from Wednesday until Monday with Mrs. Rube Sisk and her mother, Mrs. Jennie Sanders. Mrs. Dunham and Mrs. Sanders are sisters.

Mr. and Mrs. Carl Minor Jr. of Floydada visited Sunday with her parents, Mr. and Mrs. T. J. Way.

Jack Hightower and W. C. Rucht, students from Waco, visited from Tuesday morning until Tuesday evening at the home of Mr. and Mrs. Rucht.

Miss Imogene King will visit for several days for her sister, Mrs. C. H. King.

Lester Phillips, Dan B. Bruce, Clyde Williams, Rab Holland all of Estelline to Kemp Lake last week for some fishing. As a result of the trip, just ask them and they will be glad to tell you.

Mrs. Raymond T. Abilene and Mrs. Bill Abinger are spending with their mother, Mrs. J. B. Abinger.

Mrs. Ida Hutcherson, sister, Dorothy, were visitors in Amarillo Saturday.

Memorial Service Next Sunday For William G. Joyce

Memorial services will be held at the Baptist church in Alpine next Sunday, at 3 p. m., for Flight Officer William G. Joyce, son of Mr. and Mrs. A. J. Joyce of Alpine, who was lost at sea off Guam on June 19, 1945.

Memorial services for F/O Joyce were held Tuesday morning at the Zachary Taylor National Cemetery at Louisville, Kentucky, but the Alpine services will be next Sunday afternoon.

William was a member of the crew of a B-29 which fell somewhere at sea after taking off from the base at Guam. He was reared in Memphis where his parents formerly lived. He also attended the public school system here before attending Sul Ross Teachers College at Alpine. He was in college when he enlisted in the service.

School Land Lease Ruling Says Well Must Be Drilled

AUSTIN—Land Commissioner Bascom Giles points to a recent decision by the Texas Supreme Court as "another milestone in the development of our public school domain."

The ruling reaffirmed the constitutionality of the so-called Relinquishment Act, which stated that the State's leasing agent must begin drilling within 100 days when oil is discovered with 1,000 feet of school land.

Associate Justice W. S. John Garwood said that "if the agency of the surface that 'if the agency suit in failure to drill an important offset well' (to prevent drainage of soil), then the Commissioner of the General Land Office could take the matter 'out of the agent's hands altogether and lease the minerals directly.'"

The decision clarifies the State's authority over some 7,000,000 acres of Texas school land on which surface rights have been sold, Giles said.

"These lands may at present be leased for oil production by surface right owners who are authorized to act as agents of the state," Giles explained. "But if the surface right owner does not act in the best interests of the state, his right as an agent is forfeited."

The lease involved was for a 140-acre tract in Crane County which eventually was assigned to the Stanolind Oil & Gas Company. When drilling was not begun within 100 days after production was reported within 1,000 feet, Giles refused to accept a second lease executed by the surface owners to the Cities Service Oil Company. The bonus offered in this second lease was \$5,250.

The lease was re-sold at sealed bid auction with a bonus payment of \$101,315.

Colored Couple Wed In Big Ceremony At Morningside Church

(Contributed)
Probably one of the biggest weddings ever to occur in the Morningside addition to the city of Memphis was the ceremony which united Sybil Ruth Buckler, granddaughter of Mr. and Mrs. Edd Harris of Memphis, and Jerry Thomas Starr of Nashville, Ark., on Sunday, February 20.

The ceremony was held in the Church of God in Christ with the pastor, Rev. N. Ekkford, using the single ring ceremony.

The bride was attired in a gown of white taffeta brocade, with a long bridal train. She wore matching accessories and a corsage of pink and white carnations. Mrs. Betty Jo Phillips attended the bride as bride's maid. She wore a white silk net gown accented by blue accessories and a corsage of pink carnations. Miss Lillie Pearl Aldridge attended the bride as maid of honor. She wore a gown of blue brocade with pink accessories and a corsage of white carnations.

Sonny Jackson served as best man and Clarence Garrett served as man of honor. The bride was given in marriage by her uncle, E. L. Buckler.

The reception was held at the home of the bride's grandparents. Mrs. Ara Burise served the punch and Mrs. Ola Martindale served slices of the wedding cake. The bride attended high school in Los Angeles, Cal., in 1949. The groom also attended high school, in Clow, Arkansas. He is the son of Mr. and Mrs. James Starr of Nashville, Ark.

The couple will make their home in Morningside Addition.

A lovely pre-nuptial shower honoring the bride was given in the home of Mrs. N. Z. Gibson on Friday afternoon, February 18.

Serving as hostesses were: Mesdames Ruthie Mae Jordan, Maggie Hawkins and Gibson. The honoree was presented many lovely gifts. Dainty refreshments were served to the following guests: Mesdames Celia Gibson, Ruthie Mae Jordan, Maggie Hawkins, Dorothy Scott, Susie Garrett, Roxie Lee Johnson, Rebecca Talley, Gracie Williams, Lola Derry, Exie Polley, Marie Williams, Martha Jordan, Causie Herring, Clarice McFalls, McCamel Rice and the honoree. Those unable to attend but sent gifts included Mesdames Alberta Boyd, J. Hollenworth, Clea Anderson and many others.

Windbreak Needed To Protect Shrub And Flower Plants

COLLEGE STATION—A windbreak to protect the flowers and shrubs about the homesteads is needed in every county in the state.

That's the advice from Sadie Hatfield, extension landscape gardening specialist of Texas A. & M. College, who explains that the destructive mechanical action of the wind often mars the beauty of shrubs by spoiling their shapes and destroying the blooms.

Besides this, tender plants are hindered in growth or may be killed by the wind. Unless there's a natural windbreak to protect the farm homestead, planting one is the logical first step in landscaping a home, says Miss Hatfield. It will pay special dividends by breaking the force of the wind and modifying the temperature.

There is a combination of trees and shrubs that are well adapted for use in windbreaks, says Miss Hatfield. Among those which have been successfully planted for this purpose are desert willow, tamarix salt cedars, native pine, western willow pine, red cedar and Arizona cypress. The landscape gardening specialist points out that the plants native to the locality are good ones to use for windbreaks.

In areas free of root rot, the Chinese elm is a strong favorite because of its rapid growth. All plantings should include several varieties of trees, because it's not a good idea to depend on just one variety.

Where root rot is found black walnut, cedar elm, red cedar and Chinese pistachia are often grown for windbreaks because of their resistance to this disease.

Memphis Girl Takes Part In TSCW Stunts

DENTON — Participating in class stunts, the outstanding interclass competitive event of the year at Texas State College for Women, is Miss Wanda Reynolds, daughter of Mr. and Mrs. C. A. Reynolds, 416 South 6th Street.

Stunts will be presented two nights, March 11-12, to accommodate capacity audiences which since last year have made two performances necessary.

The 35-year-old stunts tradition began with a circus frolic by the "Middlers" class. The event became all-college in 1938 with the awarding of a silver loving cup to the prize stunt.

Each year the four classes

Monzingo Bros. To Exhibit Chrysler Here Friday Morn

One of the most completely new 1949 cars among all of the new spring models is the new Chrysler, to be seen on display Friday in the showroom of Monzingo Brothers at 707 Noel Street.

It is the Silver Anniversary model, the most beautiful Chrysler of all time, says Kermit Monzingo.

"The new four-door Windsor Sedan will be on our floor Friday morning, ready for inspection by the public," said Mr. Monzingo Wednesday. "I have never seen a line of cars that has the sales appeal these new Chryslers have. They have beauty and style. They are new and different. They have legroom, shoulder-room, head-room. They are tailored to taste, with interiors that are smart, refined, elegant. They have wonderful performance—they are built to take it!"

In the new Chrysler, there is styling that outclasses everything. A new cleanness of design in roof and body, a new sleekness in lines of hood and fender, and a new elegance in bustle-back rear give this Silver Anniversary Chrysler a distinction unsurpassed.

This new Chrysler has a four-inch longer wheelbase that cradles the passengers completely between the two axles. For safety, there is a wider, higher windshield, and rear window, improved "Safe-Guard" brakes and bonded brake linings, a new dash-panel "Safety Cushion" and new "Bulls-Eye" headlights.

For convenience there is the

new "Safety-Eye" instrument panel, new rotary switches, new ignition-key starting, new back-up light, new dimmer switch for instrument lights, etc. For driving ease, there is a completely redesigned steering system, new Presto-matic Fluid Drive transmission, new "Hydra-Lazer" shock absorbers, softer body mountings and a long list of other new mechanical and engineering developments.

Well-Known Firm

Monzingo Brothers is a firm that is well-known throughout this section for its square dealing with the customer. They are as proud of this silver anniversary Chrysler as any new owner will be proud when he gets one. Chrysler created a sensation when they brought out their first car 25 years ago as many old-timers will remember. At that time, there had never been a car that so completely won the admiration and respect of the motoring public.

"We believe history will repeat itself and that the new Silver Anniversary models will receive the most enthusiastic acceptance of any of the new cars being brought out today," adds Kermit Monzingo.

The new car will be on the floor of the showroom at Monzingo Brothers Friday morning at 8 o'clock for its first showing. You will have to see it for yourself to be convinced.

Mr. and Mrs. Lester Bowman, Ernest McMurry and Mr. and Mrs. Bobby Jack McMurry were in Amarillo Sunday where they visited with Myrtle Howard at

Northwest Texas Hospital. Mrs. she underwent major surgery March 1. Mrs. Howard is reported Ernest McMurry and Mrs. Zeta Wells of Sonora, sisters of Mrs. Howard, have been with her since improvement.

Chrysler's Great

PRESTOMATIC FLUID DRIVE* TRANSMISSION

The Beautiful Chrysler Silver Anniversary Model

NOW ON DISPLAY at Chrysler dealers all across America! The finest and the most beautiful Chrysler of all time! The superb new Silver Anniversary Chrysler! The greatest value in our history!

Completely new in its well-bred beauty! Advanced in its inspired engineering! Designed with common sense and imagination! With more than 50 of the advances you've come to count on first from Chrysler!

Come see the amazing new protection for drivers and passengers pioneered by Chrysler! The easiest,

sweetest car to handle ever built by Chrysler! The most comfortable car in Chrysler history! And the most powerful, with still more horsepower from the leader in high compression, the great high compression Chrysler Spitfire Engine.

Come see the most exciting car to drive Chrysler ever created! Tailored to taste! With that revelation in driving—Presto-matic Fluid Drive Transmission . . . with softer, safer, smoother Safety-Level-Ride . . . with amazing Safety-Rim wheels that make it almost impossible to throw a tire . . . another Chrysler first

for your protection. A more spacious, more car with plenty of headroom, shoulder room . . . designed with common sense from chair-height seats, wider doors and broader to its new radiator and grille and its flash pick-up and go.

Now—come see it today—the car you'll live with for years and years to come! The car value we've ever offered!

AGAIN YOU GET THE GOOD THINGS FROM CHRYSLER

Yes, a penny's BIG money!

When you spend it for electric service, of course! That important little penny will do any one of these things for you . . .

1¢ . . . vacuum clean & large rugs

1¢ . . . toast 3 full loaves of bread

1¢ . . . heat and mix & layer cakes

1¢ . . . wash (and dry) 6 loads of dishes

1¢ . . . bring you an evening of radio

1¢ . . . light a 100-watt lamp more than 3 hours

It's amazing what your electric penny buys in comfort and efficiency and real living values. It takes a lot of skill and experience—yes, and sound business management—to keep electric service the biggest bargain in your budget today. (And this, remember, in spite of the rising costs of making electric service available to you!) Truly, electric service does a lot for a little!

GOODBYE FRANCE, HELLO BROADWAY!

A crewman on one of the coast guard vessels which saluted the S. S. Magellan, carrying France's 49-car Gratitude Train, waves a greeting as the French line freighter moves along New York harbor. After a colorful marine and aerial welcome for the French answer to America's Friendship Train last year, the train was unloaded (see photo at right) and the New York carload of gifts from France borne on an air corps trailer down Broadway in a gala parade of welcome. The other cars are currently being delivered to state capitals throughout the nation.

RECIPROCATING for America's gift of \$40,000,000 worth of food, fuel and clothing gathered state by state via the Friendship Train last year, the 49-car Gratitude Train is now distributing its cargo of more than 1,000 gifts from the people of France, state by state, to the people of America.

All 48 states—also the District of Columbia and Hawaii—eventually will receive one of the famous little 40-and-eight boxcars of World War I—only big enough for 40 men and eight horses, but bearing instead valuable gifts of French art and crafts- manship, including lace, pottery, vases, statuary, etc.

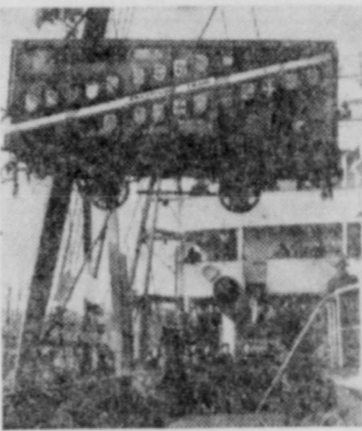

Gifts to Be Displayed. In most state capitals to be visited, the train will be met at the railroad station by the governor, various civic dignitaries and a unit of the Forty and Eight, an affiliate of the American Legion, or a unit of the National Guard—or both. The gifts will then be placed on exhibit.

The train arrived in New York harbor February 2 aboard the

French freighter Magellan, ushered in by the Statue of Liberty—another gift from France—and welcomed by booming harbor whistles, fireboat geysers, an armada of police launches and a sky blanket of roaring jet planes overhead. On the starboard side of the ship was a huge sign: "Merci America."

After being unloaded onto barges at Weehawken, N. J., the train was shipped back to New York for a gala welcome parade down Broadway, with the New York car borne on an air corps trailer, after which the car was turned over to Mayor William O'Dwyer by French Ambassador Henri Bonnet.

In Washington, D. C., the train's arrival was greeted with eight jet planes roaring overhead in aerial salute, followed by a ceremony at the grave of the Unknown Soldier in Arlington National cemetery in which the American Legion accepted from four French war veterans an eternal torch which had been lighted January 22 at the Arc de Triomphe

where France's Unknown Soldier rests.

In Baltimore, Md., Lt.-Gov. Alexis du Pont Bayard welcomed the train, after which a police band played lively airs and Legionnaires formed a guard of honor for the boxcar. Then the gifts were placed on exhibit for 10 days—February 5 to February 14.

In Trenton, N. J., Mayor Donald Connolly headed the welcoming committee for the train. The articles were displayed in the State museum there and then distributed among New Jersey public schools and colleges. The boxcar was turned over to the New Jersey society of the Forty and Eight for use in a state-wide membership campaign.

A Senior Tells About Austin Trip

Memphis Class Enjoys Austin And The Championship Games

Stars In Truck Shows

CREATED ESPECIALLY for display purposes, this strikingly beautiful vehicle is the hit of truck shows throughout the country. The unusual unit has a plexiglass body mounted on a Chevrolet Forward-Control Cutaway Chassis showing the moving parts of the engine and is pictured here with a cargo of flowers and attractive Pat Matherson and Kathleen Doran. Forward-Control model trucks are used extensively by department stores, bakeries, florists, cleaners and other establishments in the delivery of many kinds of packaged goods.

(Editor's note: Adrian Combs, editor of the school annual, and member of the senior class, has written a very readable story of the senior trip to Austin last week).

The senior class trip to Austin is now history. The 1949 Memphis Cyclone basketball team has won the state championship in Class A. All that is left is to gather in small groups and talk about it.

The trip to the state capital was the first for most of the seniors. In all, we enjoyed three full days of sightseeing, and watched our team win its championship.

The trip actually started the first Monday after the Cyclone won the regional when members of the senior class met and discussed plans to go to Austin as this year's senior trip. It was Tuesday before we decided definitely that we were going. We were to leave at 4 o'clock Thursday morning on a chartered bus. About 3 o'clock all the seniors climbed out of bed and went to the bus station where we boarded our bus. We left a little after 4, and reached Brownwood about 11, where we stopped for a short time and ate lunch.

We arrived in Austin a little after 3 o'clock in the afternoon, and immediately went to Gregory Gym and saw the Cyclone play their first game, which was against Coleman. After they won this game, we went to the State Motel where reservations had been obtained for us. After cleaning up in our rooms, we went back to town to eat. After the meal, most of the group went to a show. Back at our cabins about 11 o'clock, everyone went to bed, but I don't think any one went to sleep before 1 or 2 a. m.

Girls Sleep Late
The next morning we were scheduled to be on the bus at 8:30 to go to town and eat breakfast. One cabin of girls did not wake up until 8:25, so we had to wait on them about 30 minutes. After we had eaten, we went to the capitol building where we visited the House of Representatives and went to the top of the dome to look out over Austin, most of which could be seen from this elevation. The House was in session, and the class spent about 30 minutes sitting in the balcony listening to the clerk call the roll, and watching the legislators pass a couple of resolutions. Representative A. J. Rogers visited us here for a few minutes.

Our Boys Played at 11:30 that morning, so we had to rush to the gym, where we saw the Cyclones win against Gaston. After the game was over, everyone was so hoarse from yelling that they could hardly talk.

Paint Signs On Bus
On the way to town for lunch, someone suggested that we get someone to paint our bus with some signs so that people would know where we were from. We finally found a sign painter who did the lettering on our bus in washable paints.

After eating, we were told we had the afternoon in which to do what we wished. Harvey Jarrell and I went out to the University and watched the football players and the track team work out. They are now having spring training. Most of the class members spent the afternoon shopping or just looking over the city. That evening most of us went over and visited with the basketball boys, returning to our cabins about 10 o'clock. No one seemed to want to sleep, so everyone visited in different cabins. Again it was around 2 o'clock in the morning before we all dropped off to sleep.

All Sleep Late Saturday
The next morning, which was Saturday, we slept until about 8:30. After breakfast we took a tour all over Austin, saw the Tower building on the campus of the university, a museum, the scenic drive along Lake Austin, and drove by the state hospital for insane.

Our team was scheduled to play their last game at 3:30. We went to the gym about 1:30 so that we could sit together and cheer as a group. By this time we had obtained two cow bells to help us with our yells. The seniors stood up most of the last half of the game against French because we

(Continued on Page 8, Sec. 2)

Under-dogs All The Way, Cyclone Team Demonstrates What It Takes

The Memphis Cyclone basketball team, which wasn't even considered in pre-tourney rankings and was the underdog in every game, according to sports writers at Austin, captured the Class A championship of the 29th annual Texas high school basketball tournament at Austin last Saturday afternoon.

Coach L. E. McCollough's titlists out-battled the highly favored French Buffaloes of Beaumont 27 to 25 in the final game. It was one of the all-time thrillers as the Hall county hoopers held a slim one-point edge throughout the final two minutes of play. Scores of Memphis, folks who were listening to the game over their radios, can readily testify to that.

Leroy Green looped the 27th point after the regular playing time had run out.

Putt Powell, writing in Sunday's Globe-News, says: In becoming the first Class A state champion in history from Region One, the Cyclones certainly did it the hard way. They won their past four games by the slim two-point edge. Sudan was defeated 28-26 in the finals of the region meet at Canyon last Saturday night. Coleman was downed 25-23 in the first game here and Gaston 29-27.

Then came today's 27-25 which is considered the biggest upset of the 1949 three-ring cage circus. French looked almost unbeatable in trimming Uvalde and Lampasas in marching to the finals. But the Cyclones made the favorites play their slow type of deliberate basketball. In fact, that is the secret of Memphis' success. The new state champions made every rival play their style.

Memphis was ahead all the way jumping to a 4-0 advantage in the first two minutes, the Cyclones never were behind. French led the score deadlocked only twice at 4-4 and 6-6 in the first quarter.

The score was tied at 6-6 at the second quarter opened. The champs led 15-12 at halftime and 19-18 in the last stanza got under way.

Sammy Rasco and Charles Morrison opened the last half with quick field goals to hike the Cyclones into the largest advantage ever enjoyed, 19-12. But the Buffs made their move, scoring six straight points to cut the difference to one, 19-18, as the third session wound up.

Rasco made a follow up as the final eight minute stanza opened but Guy Broussard looped a long set shot to pull the losers within one mark again.

Green banged a long two-point-er and Crooks added an all-important free shot to send Memphis in front, 24-20, with five minutes left.

Richard Bass rocketed the Buffs hopes with a tip-in. Then Morrison came right back to drill Mem-

phis' last field goal to up the count to 26-22.
But it appeared that the Cyclones might lose that four point margin in the final three minutes. Three straight free shots—the first by Frank Harvey and other two by Bess—left French trailing only 26-25.

Bess also missed another gratis toss which would have deadlocked the count.

But the Buffaloes never collected that 26th point. The final minute and half was mostly spent with French trying desperately to gain possession of the ball. Memphis took the ball out of bounds four times instead of shooting free shots. Once the Cyclones held it too long out-of-bounds and French was awarded the ball. In fact, the Buffs worked the ball down for two close shots which might have meant the state championship.

However, the hustling Cyclones came up with the ball and French never had a chance. Green was fouled just as playing time ran out and made the shot as the Cyclone backers were waiting to rush out on the court to swarm their heroes.

Included among their supporters were the members of the senior class who decided to take this trip to the state tournament, rather than the customary one to Carlsbad Caverns.

But the Cyclones also were the favorites of most of the other 7,000 fans on hand here this afternoon. There is no doubt but they are the most popular team in this great 1949 tournament.

The Cyclones won the fans with their never-ending and superior team work which led to the state championship.

Green and Broussard divided scoring honors with seven apiece. Memphis made 11 out of 30 shots from the floor and French 9 out of 41.

The championship game ended the season for the greatest athletic team in the history of Memphis High School. Coach L. E. McCollough also should be named the 1949 Texas High School Basketball Coach of the year.

Men Students Wary Of Girls Movement

DENTON—There's an underground movement at North Texas State College.

The girls call it "Dutch Week." They boys say Dutch stands for "Dames United To Catch Husbands." And maybe they're right.

This week the girls are making all dates, paying all bills, and taking over all duties usually left up to the males. Highlighting the week is a Dutch Week dance at the college clubhouse, where girls play the 50-cent bill.

The boy's opinion about the week is summed in one male's statement. "One of 'em's bound to get you sometime anyhow."

LAKEVIEW BOXERS PROVIDE GOOD PROGRAM; DEFEAT PADUCAH, 10 TO 4

Lakeview high school's boxing team continued its winning streak last Friday night by taking 10 bouts out of 15 from Paducah's team which came to Lakeview for the program.

An enthusiastic crowd of 500 fans jammed the gym at Lakeview for the event, supervised by Coach E. J. McKnight, assisted by School Supt. Loran Denton.

The results were:
Larry Lewis of Lakeview decision over Biddy of Paducah in 135-pound class.

Russell Sams of Lakeview over J. Smith of Paducah in the 66-pound class.

J. Kirk of Paducah over Ray Whitehead of Lakeview in 70-pound class.

Sandlin of Paducah over Dale Denton in 75-pound class.

Tim Kirk of Lakeview over Black of Paducah in 75-pound class.

Charles Denton of Lakeview over Clark of Paducah in 80-pound class.

R. F. Winters of Lakeview KO over Campbell of Paducah, wgt. 98 pounds.

Galen Wiley of Lakeview given TKO decision over Armstrong of Paducah, each weighing 98 pounds.

Elmo Sams of Lakeview over Scott of Paducah in 112-pound class.

Humphries of Paducah lost in a TKO decision to Johnny Freeland of Lakeview in the 115-pound class.

The biggest upset of the evening was when Bennett of Paducah knocked out Jack Fowler of Lakeview. Fowler is considered a good boxer and made a great showing on Tuesday night of last week.

Jimmy Osborn of Lakeview decision over Slover of Paducah in 137-pound class.

Kenneth Sams TKO decision over Kramer of Paducah in 150-pound class.

T. Lindley lost decision to Brothers of Paducah in 100-pound class.

In an exhibition match, Charles Messer of Memphis won a decision over J. Brooks of Paducah in the final event.

Turkey Livestock Show To Be Held Saturday, March 17

Plan are fast shaping up for the annual Livestock show at Turkey to be held on Saturday, March 17, according to the Turkey Enterprise.

Members of the three veterans classes in agriculture will help sponsor the show along with the Lions club of that city. The three former Army barracks buildings now used by the veterans classes will be used for the show this year.

"There will be room in and around the buildings for exhibits and appliances but heavy machinery exhibits will have to be placed on the outside," says Mrs. Alga Turner, secretary-treasurer for the group. The directors of the Lions club have been put on the Livestock show committees to represent the club.

The veterans are taking a lively interest in the coming show, according to reports reaching Memphis.

A \$250 Jersey heifer, bought from the herd of Chester Eliff of Tullia, will be put up as a prize, along with a registered Duroc gilt, also to be given away.

Concessions for the show will be in charge of the P-TA and FFA.

Mr. and Mrs. E. W. Solomon, returned Friday from Wichita Falls where Mr. Newman had undergone major surgery at Bethania Hospital. Her sister, Miss Ira Hammond, had gone to Wichita Falls Friday morning, and the Newmans accompanied her home. Mr. Newman is reported to be improving rapidly.

Henry Boyd Newman, son of Mr. and Mrs. Henry Newman of Memphis, has been made manager of Cretney Drug No. 1 in Amarillo. He has been located in Tucuman, N. Mex. with Cretney.

"Mountain Justice" To Be Presented Here Friday Night

The junior class of the Memphis high school is due to present a hilarious 3-act comedy, "Mountain Justice," Friday night, March 11, in the high school auditorium.

The setting of the play is in the Ozark hills and all characters portray typical mountaineers. The play opens with the city slickers coming in and trying to beat old Ma Slocum out of her property in order to run a railroad through the hills. The hero, Johnny Matthews, comes to the rescue and saves the day, proving his love and loyalty to Clementine Slocum. The wedding of Clementine and Johnny comes at the end and there is fun galore through all three acts.

Between acts, there will be musical numbers by some of the juniors.

The proceeds of the play will go for the annual junior-senior banquet, to be presented by the juniors in the near future.

The cast includes:
Grandma Slocum, owner of the property, Billie June Sturdevant; Pa Slocum, her son, Wayne Saunders; Clementine, his eldest daughter, Roddy Patton; Clara-belle, his youngest daughter, Joanna Davis; Johnny Matthews, Clementine's suitor, Charles Akard; Uncle Elmer, one of the family; Bobby Pat Young; Aunt Betsy, his wife, Joyce McDaniel; Mrs. Cheatham, city lawyer, Barbara Bradley; Mrs. Gaither, her client, Jeanine Miller; Eberly, Mrs. Gaither's son, Tom Way, and Jonathan Hatfield, terror of the Ozarks, Bobby Crooks.

The junior class members are selling tickets for the performance. The prices are: children, 25c; adults, 50c and reserved 75c.

The directors of the play are: Mr. J. W. McCreary and Mrs. M. E. McNally, junior sponsors.

Mr. and Mrs. Clyde Collins and family, Midland, visited recently in the home of their parents, Mr. and Mrs. Andy Collins and Mr. and Mrs. M. C. Robertson, Mrs. Andy Collins accompanied them home for a few days before going on to San Angelo to visit with relatives.

Owner Clyde L. Smith of Western Auto Associate is on the east of the Memphis, laughs about a capital error in his ad in The Democrat which \$139.50 bike tire and \$2.89! The value should be it was originally selling now for one of those things in any printshop now. We hope the customers

"Mullins is my name," says the handsome owner of Side Grocery the other we walked in. And we at all the time it was Olan! However, Ollie standing nearby with a Platter order book in and Ollie had just finished one of those travel jokes to Roy. It just at the writer does know Mullins who is in business Wells, we were stagg minute or two, think the real Moon was in a visit.

found out there is one Memphis that is serving a home-made ice cream manufactured here at the Hall County Dairy. Good making ice cream ago and it can be the Pounds Cafe, says Davis. The local dairy is big vanilla, chocolate and ice cream. If there is to this chamber of compa-ganda about patron-ize industry, now is the to show the true color and Sister Dunn, funds, will give you that some smile anytime you here, wheater for a cup a steak.

Industry And The Cost Of Living

Few of us think about it, but industries, like families, have a cost of living problem to face these days. And, in both cases, it has its roots in current prices.

The oil industry is a particularly good case in point, because it has had large dollar earnings which have been the subject of criticism in some uninformed quarters. It may seem that if a company makes millions of dollars over and above the cost of carrying on its business in the course of a year, it has nothing to be concerned about. But that isn't the case.

A company can't stand still, "freeze" its plant and facilities, and expect to remain in business for long. It has to move ahead to keep up with the competition, to satisfy its customers, and to replace equipment which gradually wears out just like the family automobile. That's where the rub comes.

A new refinery costs more than twice as much to build today as it did ten years back. New pipe lines cost up to three times as much. The cost of finding new crude oil reserves to replace those which are being used up has more than doubled in the same period. So the story goes, all the way through the industry. Those profit dollars just won't do the job they once did. As a consequence, more and more of them must be used to buy plants and other physical facilities. And, in many cases, oil companies have to borrow from investors to carry out necessary programs.

So, the cost of living is just as much a problem to industry as it is to farmers, workers, retired people, government employees, or anyone else. Remember that next time you hear "high profits" denounced as an economic crime against the public.

This Week in WASHINGTON

WITH CONGRESS attempting to hammer out the third major labor policy in 14 years, the house approved the first major deficiency appropriation bill of the session calling for \$471,900,000. It slapped at the utility lobbyists by providing \$2,500,000 for a TVA steam plant at Johnsonville, Tenn., and it gave Mike Strauss his job back as commissioner of the reclamation department.

All of these actions were to undo something the 80th congress had done. The deficiency appropriation bill was to provide funds slashed from various budgets by the 80th congress—the TVA steam plant was denied the TVA in the 80th congress; the Taft-Hartley act was passed by the 80th congress; and Mike Strauss was ushered out of his job by the 80th congress with a rider on the appropriations bill.

So the congress was just taking up the slack and, as a matter of fact, has done nothing of importance so far in the way of new legislation. All the important administration measures are still bogged down in committees and likely will be for several weeks to come.

It appears that the fight to repeal the Taft-Hartley act which management wants and labor despises and to re-enact the Wagner Act which labor likes and management despises, or to replace both with something of a compromise which neither will like, will go on through the committees and on the floor of both houses at a point-by-point clip which would cover about 40 specific points in the field of labor-management relations. The final version of the labor act will be hammered out in conference committee some months hence.

Most important measure to be thrown into the hopper during the past week was the administration economic stabilization measure which would give the President stand-by authority to slap on widespread controls at about all levels of the economy with the exception of consumer rationing. Agriculture Secretary Charles F. Brannan, spokesman for the administration and evolving as the strong man of the President's cabinet, told the committee that the nation needed the law because "critical shortages of some essential materials and inadequacies of production capacities, together with pronounced and continued increases in some price levels, jeopardize employment opportunities and threaten national security and

the maintenance of economic stability."

Also, the measure to up the payroll tax and bring about 20 million more folks within the fold of the social security benefits was introduced. The prediction is being made by observers here that the measure also will be passed to bring back those ousted from provisions of the bill by the 80th congress and to add self-employed such as the professional men, state government employees, non-profit government employees, and domestics. Likely farmers will not be included, but only for the reason that some farm leaders have taken a stand against being included.

Indications are, according to these observers in the field of social welfare, that the states will be voted some 300 million dollars more for aid to children and the aged and blind on public relief rolls; that more money will be voted for school lunches; that old-age benefits will be upped about 50 per cent and that the payroll tax on both employer and employee will be at least one and one-half per cent next year instead of the present one per cent.

Still in the realm of prediction, it appears that the congress proposes to vote in favor of a bill offered in the senate by Senator Lister Hill of Alabama and in the House by Congressman W. R. Poage of Texas which would give REA-type loans for rural telephones. The administration of the Rural Electrification administration, Senator Hill said that even if his bill were made law and carried out there would still be half the farms without telephones, and that there were less rural telephones now than in 1920.

William C. Henry of the Northern Ohio Telephone company, speaking against the measure, declared the bill would "instantly threaten and ultimately completely destroy" the 6,000 members of the U. S. Independent Telephone Association. He suggested instead that congress authorize REA to make long-term-low-interest loans for the purpose.

The house armed services subcommittee has approved a bill authorizing the establishment of a 3,000-mile-long, 75 million dollar proving ground for testing guided missiles. The air force had asked for 200 million dollars for the proposal.

ANOTHER '49 GOLD RUSH

Press Paragraphs— QUOTING OUR NEIGHBORS

TELEVISION SETS FOR MOST HOMES IN THIS AREA is the forecast by Marshall Formby, Radio Station KPAN manager at Hereford, following a trip to Washington and New York a few days ago. He says that within a few years most homes in Deaf Smith County will have television sets. After seeing the enthusiasm of the people in the East about television, Formby believes that ways will be found to lower the cost of building TV stations and producing TV shows that will enable even the smaller cities to enjoy this kind of entertainment.

"Television will never replace the radio or the newspapers, however, but will take a place in our American way of life just as these two have done," Formby said. "The human eyes will not endure watching television more than an hour or so at a time, so television will be used mostly for special occasions."

Mr. Formby spent several days visiting in Washington. Mrs. Formby accompanied him as far as Alabama and Georgia where she visited relatives.

"I might as well predict what Congress is going to do as anyone else," Formby said this week. "From what one can gather in the Nation's Capital, it looks like Congress might pass a new labor bill, but it will be much like the present Taft-Hartley bill—mostly a change in name or label. It is doubtful if many of the proposed civil rights bills are passed. No new tax laws will be enacted this session."

Over the entire East and in the South Formby said he found a leveling off of prices and some unemployment. However, he found no fear of a serious depression. Most persons thought that leveling off was a good sign that the back of inflation has been broken.

"We found no place that looked as good as the plains country," Formby commented.—Hereford Brand.

SINCE THE FILM PORTRAYAL OF DICKENS' OLIVER TWIST has received so much publicity on account of the objections of European Jews to the character, Fagan, I realized that much of this story was not too clear in my mind. It had been many years since I had wept over Oliver Twist and David Copperfield. I rereviewed it in a night this week and reached this conclusion at the end.

Life in England in the period, for all except the upper crust, was filled with a squalor and suffering so common that little heed was given to the misery of a neighbor and life was so hard that little of charity could be given by few of the masses. It remained for social workers through proper organizations to remove much of the sordid mode of English life. The same type of workers and organizations have kept the people of the United States on a higher plane of life with a proper regard for the welfare of one's fellows.

Red Cross is the kind of organization which had to be promoted to accomplish such a result among people of any nation. You can see that I have reversed my recent declaration and if I am asked to solicit funds for Red Cross another year, I think now that I will do it.—Quannah Tribune-Chief.

The nearest infected foot-and-mouth disease territory is now 372 miles below the United States border. That is 124 miles further south than at the high point in the northern advance of the plague.

The average sized egg contains 79 calories, as well as iron, phosphorus and calcium minerals. They have vitamins too . . . A, B1 B2, and D.

VETERANS QUESTION BOX

Some time ago I heard that the present rate of interest on guaranteed loans would be increased to 4 1/2 percent. Has this been done?

The Administrator of Veterans Affairs announced recently that there will be no increase in the 4 percent rate of interest at this time.

I have an opportunity to go into business of raising frogs. Can I get a GI guaranteed loan for this type of business?

Veterans Administration guarantee loans on any kind of business, but it will be up to you to find the lender and make your arrangements with him.

Is it true that VA will only guarantee business loans up to \$500 or less?

VA will guarantee 50 percent of the loan up to a maximum of \$4,000.

of \$4,000 if the loan is for the purchase of business, real property, and up to \$2,000 for non-real estate business loans. The veteran may borrow whatever the lender will advance, but limits are placed only on the VA guaranty.

Q—I have heard so much about National Service Life Insurance dividends and would like to know when they will be paid.

A—Dividends on NSLI will be paid as soon as the administrative work of determining the amount due to each participant can be accomplished.

Hospitalization and outpatient treatment provided by the Veterans Administration are not available to members of veterans' families, VA said in response to a number of inquiries.

Many wives of veterans were treated by Army and Navy doctors while their husbands were in service. Some wives now erroneously believe they also are entitled to medical treatment from VA physicians.

Only ex-servicement and women, if discharged under conditions other than dishonorable, are entitled to hospital treatment under the following priority system:

First—Emergency cases.

Second—Those suffering from injuries or diseases incurred in or aggravated by military service.

Third—Those who state under oath they are unable to pay hospital charges for treatment of non-service-connected disabilities or illnesses. These veterans, if not in the emergency category, must wait until a bed becomes available.

Outpatient treatment is available only for veterans with service-connected disabilities. Each

Farm Machinery Prices Continue Upward Tendency

Farm machinery prices are still climbing. They have gone up continuously for the past eight years, and right now are at a record high.

That's the report from W. L. Ulich, extension agricultural engineer of Texas A. & M. College. He says that in last September, prices were 62 percent higher than in 1940, and 15 percent higher than in September of 1947.

As for this year, farm machinery and motor fuel prices are expected to remain high. And, as things look now, he says, farmers will have to continue to buy tractors and tractor equipment on a seller's market through this year, even though there was a record production last year. This production will probably continue in 1949.

Cement, nails and paint supplies look favorable. Reports are that the cold weather and seasonal building slump have made cement more available. This is an item short in supply. If any farmers have been looking for this material and are fixed so they can use it now, this should be a good time to check up on local stocks, suggests W. S. Allen, extension agricultural buildings engineer of Texas A. & M. College.

The nail supply is building up somewhat at this time, and paint of pre-war quality is now available. Allen warns prospective buyers to beware of low quality, as such types don't have the carrying agents and pigments that make for long-lasting coats of paint, he says.

Growing plants without soil is a method known by several names some of which are soilless gardening, hydroponics and tank culture, water culture, chemical farming.

Farmers were the only major group in the United States to close out 1948 at a lower price level.

veteran's eligibility must be determined by VA before treatment of this type can be authorized.

Veterans of World War II who were discharged on or before July 25, 1947, can apply for readjustment allowances up to July 25, 1949, under present legislation, VA reports.

Men discharged after July 25, 1947, are entitled to readjustment allowances until two years after their date of discharge. No readjustment allowances are payable after July 25, 1952.

More than 9,000,000 World War II veterans applied for education and training under the GI Bill and Public Law 16 since the two laws went into effect in June, 1944, and March, 1943, respectively.

When Your Back Hurts -

And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

Insanitary Cafes Big Health Menace, Says Dr. G. W. Cox

In a vigorous campaign to elevate the State health level by preventing the spread of communicable diseases which might be transmitted by foods, the State Department of Health is conducting training schools for food handlers in all sections of Texas, according to Dr. Geo. W. Cox, State Health Officer.

"Food handlers are being instructed in sanitary methods of preparing, handling, and serving food for public consumption," Dr. Cox said. "Actual experience has shown that an insanitary eating establishment is one of the surest sources of spreading infection. The lack of proper sanitation in

food handling is a definite menace to public health and our goal is the education of cooks, waiters, butchers, bakers, fountain men, and all other food handlers to such a level as will insure an elimination of this health hazard."

The training schools consist of elementary courses in bacteriology, communicable diseases, medical zoology, foods, disinfection, sterilization, personal hygiene, and sanitation.

Since the program was instituted about 8 years ago, more than 400 schools have been conducted, with a total of over 25,000 food handlers receiving their certificates of completion in the courses.

Arrangements for such a food school can be made through any county health unit, by requesting the service from the Division of the Health Education, State Department of Health, Austin, Texas.

To kill cut ants, coat the ground on and around the colony for five or six feet with a 10 percent chlordane dust. If possible, force the dust down into the entrance of the anthill with a hand dust gun.

More than 10,000 people are expected to attend the next session

of the Southern Baptist Convention, meeting at Oklahoma City, May 18-22, 1949.

The population of Cairo, Egypt, is made up of people following so many different religions that every day is "the Sabbath" for someone.

HERE'S AN Idea WORTH TALKING OVER

... can farming be made more profitable?

We're not promising the moon, but we'd like to see if we can help you make more money, or save work. We do know that on a good many farms we've been able to make recommendations that worked out profitably.

At least, it's an idea worth talking over. We are making farm visits all the time and hope to reach you soon. However, we invite you not to wait but drop in anytime. You'll find that we are really interested in discussing your problems and helping all we can.

We do know that the future of the farmer depends greatly on the efficiency of all farm operations. We know something about this subject. That's why we think it will pay you, as well as us, to "get better acquainted."

We are headquarters for Ford Tractors, Dearborn Farm Equipment and genuine Ford Tractor and Dearborn Implement parts. Call on us any time for prompt, efficient tractor and implement service.

LET US OVERHAUL YOUR TRACTOR

Between now and spring have us put your Ford Tractor in first class condition, while we have more time and can give it special attention.

You can depend on our Ford Tractor trained mechanics and genuine Ford Tractor parts. Avoid delays for repairs in your rush season. Phone . . . we'll pick up your tractor.

IN THE ENTIRE story of the chase—in all the annals of hunting—there is nothing to compare with the slaughter of the American buffalo. In the scope of territory involved, in the number of men engaged, in the systematic destruction of millions of great beasts, and in its economic significance, the hide hunt stands alone.

It drew its devotees from around the world, especially English sportsmen and European explorers, and artists and writers to depict and record its vivid life and wild appeal. But in its final and efficient stages, it drew its hosts of hunters from the rough and rugged, aggressive and adventurous men of the American frontier. In this period it attracted the active interest of the great fur and hide companies as big, if bloody, business—employing thousands of hunters, skinned, freighters and camp men.

Its rise was sounded by the roar of the Sharps' rifles from the Canadian border to the lower breaks of the Staked Plains. While the robe business had engaged the northwestern Indian traders for decades, the real hunt boomed and practically passed with the decade of the seventies. It was a matter of genuine historic significance. For the passing of the buffalo and the destruction of the Indians' larder meant the passing of the Indian problem on the western plains, and the opening of this vast region to ranching.

At one time this hardy animal—

this shaggy mountain of beef—ranged from the Atlantic tideland into the Rocky Mountains, and from the great Slave Lake in the Arctic clear down into Mexico. Its range had been slowly beaten back by the inroads of the settlers until, at the end of the Civil War, it was fairly restricted to the Great Plains area, reaching from just below the Conchos to well above the Canadian border.

Seasonally, it moved, in keeping with that strange but elemental urge; migrating north with the rise of grass in the spring, and back south with the subtle suggestion of approaching fall. The building of the transcontinental rail lines in the late sixties and early seventies cut the herd in two. With convenient points of supply and transportation thus provided, the business of hunting buffalo for their hides almost immediately came to life.

In 1872, the village of Dodge City, in western Kansas, became the center of this incipient trade in the Southwest. Below there, clear to the Colorado and the Conchos, grazed the greatest concentration of big game ever witnessed by the eye of man. East, among the settlements, existed a demand for fine and finished robes. Here was the supply; back there the demand. Still hostile Indians, extremely jealous of further inroads upon their wild game, made the hunt a hazardous pursuit.

It did not matter to those with the hardihood to venture! Rugged men made up their outfits along the railroads. With bar lead, kegs of powder and scant supplies—for wild meat was their fare—they headed out in every direction from Dodge City. With genuine knowledge of animal nature, they got their stands on the

individual groups that made up this vast herd, and with guns mounted on their rest-sticks, killed them off in bunches. Meanwhile, they lived high on rich roasts of buffalo hump, boiled tongue, and roasted marrow bones while their outfits skinned their kill by the thousands, pegged the green hides on the ground to dry, baled the flint hides high on their wagons, and freighted them back across the seas of buffalo grass for shipment east from Dodge City.

Thus harassed by a continual hunt, the main southern herd drifted to the south. The hunters followed in the spring of 1874, and met them on their migration north, on and below the Canadian, in the Panhandle of Texas, in the heart of the Indians' hunting range. And here the Comanches and Kiowas—supposedly held on reserves in the Territory—fell on the hunters in wrath to wreck their terrible vengeance. Many scattered hunters were killed, but the fight at the trading post of Adobe Walls, on the Canadian, taught the Indians the power of the Sharps' rifles and the accuracy of the hunters' eyes.

And so the slaughter went on with concentrated fury around Fort Griffin and the foot of the Plains down through 1878, when the bulk of the southern herd, estimated in excess of three million animals, was killed off. Then the Indians, with insufficient food to sustain them, were forced back on the paternalism of the federal government.

And thus, at last peace came to the far-flung frontier settler while the good tight turf of the buffalo grass—nature's richest cover for these wind-swept Plains—beckoned to the bow-legged men who made their livings in the dust of cattle.

What Shamrock Products Mean to the Southwest Today—

Quality Shamrock gasolines and lubricants mean dependable, economical motor performance for Southwestern farmers, ranchers, truckers and motorists.

They mean smooth, powerful operation for cars, trucks and tractors because Shamrock products are made IN the Southwest — ESPECIALLY FOR the Southwest.

Sports Afield

By TED KESTING

Within the last half century, hunting has become a mass pastime to a greater extent than ever before in this country.

Shoot only when the game is clearly visible. Observance of this rule would eliminate many of the fatal hunting accidents that occur each year.

Shoot only at individual targets. Don't shoot blindly into a flock of birds.

Take only what can be used. Too many sportsmen like to play Santa Claus by bringing home game or fish to distribute to their friends.

Practice the golden rule toward your fellow sportsmen and landowners. Land posted against hunting and fishing is the normal reaction to the ignorance, boorishness and stupidity, not to mention criminality of those who cut fences, trample crops, shoot livestock, and sprinkle farm families and homes with shot in their self-fish anxiety to get the last possible individual bird and animal.

"Texo", the grand champion steer from Pecos County, will be remembered for quite a while. Eight pairs of cowboy boots are being made from his hide for that many Pecos county 4-H Club boys.

During 1948, the Houston Bank for Cooperatives lent more than 28 million dollars to 173 farmers' cooperatives associations in Texas, serving more than 114 thousand farm and ranch families.

BOY SCOUT NEWS

By TED MYERS

Twenty Scouts of Troop 35 went to the Red River, south of Memphis, last Saturday for a weekend camping expedition. The Scouts left the Carnegie Scout Hall at 5 p. m. After arriving at the camp-site, the Scouts set up ten tents. After they finished with their tents, they cooked their supper over a camp fire. After a few games, the Scouts bivouacked for the night.

Early Sunday morning, after breakfast, the Scouts went hiking through the river hillsides. When they returned from the hike, they took down the tents and returned home.

Scouts who made this first camping trip of 1949 included: Charles Messer, Carl Lee, Johnny Pyle, Roy Don Coleman, Raymond Wilson, Bobby Erwin, Jimmy Davis, James Freeman, Max McCoy, Wayne Tiner, Monte Clark, Harold Cochran, Buzzy Patrick, Ralph Lockhart, Ernest Shaw, Carrol Gardenhire, Doyle Brannon, Jimmie Jenkins, Duanne Miller and Scoutmaster Ted Myers.

ESTELLINE

J. T. Nelson Honored On Birthday With Dinner And Reunion

A total of 18 plates were set at the dinner table in the home of Mr. and Mrs. J. T. Nelson, 1020 Robertson street, last Sunday at noon.

It was a family reunion dinner, prepared and served by Mrs. Nelson to honor her husband on his 68th birthday. She says they had roast beef and meat loaf, topped off with whipped cream over fruit salad and home-made pies.

The guests included the daughter, Mrs. J. D. Webster and her family of Amarillo, his brother, W. E. Nelson, and family of Amarillo; Mr. and Mrs. W. R. Gilbreath of Lakeview, and the three sons, Billie, Marion and Raeburn, all of Memphis.

The honoree was presented with some nice gifts, after which the grandchildren sang "Happy Birthday."

Visitors in the home during the afternoon included Mrs. Jim Webster and daughter and Mrs. Aubrey Allison and husband from Amarillo.

Mrs. Jouett Is Feted With Bridal Shower At Parnell

Mrs. James A. Jouett, the former Miss Lois Drake of Childress, was complimented with a bridal shower Wednesday afternoon, March 2, in the home of Mrs. Nell Burks of Parnell.

Co-hostesses for Wednesday's courtesy were Mesdames Dorothy Damron, Winnie Mae Burks, Jimmie Bruce, Roxie Orcutt, Mary Lou Lathram, Bessie Lathram, Louise Burks, Ruth Wyrick, Ted Hutchenson and Lucille Jordan.

Appropriate games were played during the afternoon and refreshments of spiced tea and cake were served by the hostesses.

Attending the party were Mesdames Coy Jean Orcutt, Gussie Mothershed, Del Ray House, Edgar Jonett, Billie Ruth Jackson, Ola Bruce, Earlene Trapp, Lucille Cope, Olie Wynn, Lena Hill, Zack Hood, Abe Rogers, Jake Morrison, Ben Raley, Claude Arnold, J. R. Morrison, Doris Bruce, Jack Boney; Miss Laverne Rogers, Mrs. Perry Drake of Childress, mother of the bride, and Mrs. Jim Jouett, mother of the groom.

Several friends who were unable to attend sent gifts.

Texas Day Program Is Presented At 1913 Study Club

"Texas Day" was observed at the 1913 Study Club which met in the home of Mrs. R. C. Walker Wednesday afternoon, March 2.

During the business session plans were completed for "Gentlemen's Evening" to be held in the home of Mrs. James Smith Tuesday, March 8.

In introducing the program Mrs. Mac Tarver told of Texas celebration of its 113th anniversary of its declaration of independence. She concluded her remarks with a quotation by Nance, "Other states were made or born. Texas grew from hide and horn."

Mrs. L. G. DeBerry gave an introduction of Texas literature by Hildon Greer and Mrs. O. T. Toney gave the biography of David Guion written by his sister, which includes the most interesting and intimate details of their family life. In conclusion she sang, "De Ol' ark's a-moverin'" by Guion.

Mrs. Ace Gailey gave a sketch of the life of Reuben Davies and played two of his piano numbers, "Remembrance" and "Echoes From Colorado."

The hostess served dainty refreshments to the following members: Mesdames Byron Baldwin, A. L. Burks, L. G. DeBerry, Chas. B. Dryden, T. J. Dunbar, H. A. Finch, A. L. Gailey, Gayle Greene, R. S. Greene, T. M. Harrison, D. L. C. Kinard, Mac Tarver, O. T. Toney, E. M. Wilson and Miss Mary Foreman.

BRICE

Miss Nell Osborn visited the past week at Darrouzett with her brother, Charles Osborn and family.

Mr. and Mrs. Buck Johnson and family of Pampa visited relatives here and in Memphis Sunday.

Jim Johnston, who has been in a Memphis hospital with a broken leg the past five weeks, is reported to be much improved. Mrs. Johnson has been in the hospital the past two weeks but is also improved.

Mrs. C. V. Murff, Mrs. Hilburn Gattis, Mrs. J. C. Johnson, all of Clarendon, and Mrs. W. E. Davis of Brice were Amarillo shoppers Monday.

Mrs. Z. L. Salmons visited Saturday.

Defendants in and to said property at the Court House door of said county in the city or town of Memphis between the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

FIRST TRACT: The East 45 feet of Lot 7 and the West 30 feet of Lot 8 in Block 7 of Dotson's Addition to the town of Memphis, Hall County, Texas.

And I will on the first Tuesday in the month of April, 1949, the same being the 5 day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of

Memphis between the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

DATED at Memphis, Texas this 9 day of March, 1949.

EARL E. HILL, Sheriff,
By W. P. BATEN JR., Deputy
Hall County, Texas,
40-3tc

urday night in Clarendon with her mother, Mrs. S. D. Churchman. Rev. and Mrs. W. C. Stockett were dinner guests in the C. A. Hightower home Sunday.

Zeke Sez — (Continued from Page 1, Sec. 2)

hunk of cheese, then helped themselves to the cracker barrel, added a few cucumbers and an onion, "for free", sat down on the end of small barrels and ate their lunch. "When we felt spending as much as half a dollar, we would buy a dipper full of raw oysters, grab for a catsup bottle, and have a real meal," he added, waxing enthusiastic. "Believe me, those were the days." Mr. Messer says he

once saved up enough money to go as far as Winsboro, Texas, but after a few weeks got so homesick that he worked day and night at a cotton gin to make enough money to buy a ticket "back home." "I really mean it when I say I worked day and night as I would make a dollar for my work during the day and then I packed cotton in the press at night for 25 cents a bale and made another dollar by midnight or after." Mr. Messer is now satisfied with Texas, Memphis that is, and expects to spend the rest of his life here among his friends and family.

Vernon Carter, good colored citizen of Memphis, says folks are slowly getting their early gardens ready. Vernon should know because he is always in demand at this time of the year. Although he furnishes only his labor, he spades up many garden plots each year for the people around town. He says he uses whatever tools he uses whatever the owner happens to have. Now and then he finds one of these hand-push plows which does the job much faster. Vernon advises folks to get busy with those gardens now, getting the soil ready at least. Many vegetables can be planted after Easter but onions can be set out now and potatoes can be planted now.

to our bus. As we were on the bus, we saw something white shoe polish, and the words "State Chamber of Commerce" were on the decorations on the bus. Then went to the hotel and gratulated the players, then with many thanks backs how glad we were won.

After the evening loafed around until then left for Memphis all night, we were about 8:30 Sunday morning sure looked good as tired and happy as I believe this is the trip a class has ever had a reason other to take a trip. We had our part to support

Memphis Class — (Continued from Page 1, Sec. 2)

were too excited to sit down. After the game was over we went back
