## ANDERSON CALLS FOR RECOUNT

Rich Anderson has asked for a recount of the votes cast in the November 4 election. He has mailed a petition to Austin asking for a manual recount in Reeves county where they vote by punch card ballots and are counted by computer.

Anderson was in Pecos two weeks ago to discuss the election with campaign workers and "they all advised me to ask for a recount," he said.

"They told of all kinds of allegations involving voting irregularities," Anderson said, but did not elaborate. He did add that it was enough to make him seriously consider a manual recount in that county.

A special session of the

## Man Found Dead on Ranch

The Borden County ambulance and Justice of the Peace Carolyn Stone were called Saturday morning to the scene of a fatal accident occurring on the Vealmoor road at a cattleguard going into a ranch pasture a few miles north of Big Spring.

Grady Lee Ayers, 53 of Big Spring was pronounced dead at the scene according to Buster Taylor who was called to drive the ambulance.

Ayers was found Saturday at 8:00 a.m. beneath his oil field truck.

Apparently the victim had gotten out of the truck to open a gate when the brakes failed and the truck ran over him.

The truck was seen at the gate about 6:00 p.m. on Friday. Authorities assume the accident happened shortly before that time.

grand jury was held Nov. 8 and another is slated for December 13 to hear testimony concerning the alleged election fraud. The FBI and postal inspector are also looking into it. District Attorney Jack L. McGowen's office began investigating potential fraud in early October.

Reeves County officials said the investigation mainly concerns a local Justice of the Peace race.

Anderson said he is not necessarily claiming fraud himself but he said, "If we can get their attention out there, maybe it will help everybody."

"Machine error is highly possible," Anderson said.

He cited an article in the

Nov. 26 issue of the Austin American Statesman which quotes a Pennsylvania election specialist as telling the House Committee on Elections that computerized vote counting machines such as are used here "can be wildly wrong."

In the Dallas mayoralty race of 1985, Anderson pointed out, a recount changed votes in 62.8 percent of the 250 voting precincts.

"There are dozens of ways to tamper with the computer system," Anderson quoted the article as also saying.

Having talked to our people in Reeves County, the newspaper article cinched it in my mind to request a manual recount."

## CHRISTMAS WONDERLAND

Lubbock--Hurrah!! The Christmas season is here. Once again, the Ranching Heritage Center proudly presents their living Christmas "cards" to the public. Luminarias will light the trail as visitors take a twilight walk, peering into "Christmas Past" as costumed ranch hosts prepare the scene "of times long ago."

There are new Candlelight "living Christmas scenes" appearing at the Ranching Heritage Center, 4th and Indiana, from 6-8 p.m. on Thursday, December 11, and 6-8 p.m. Friday, December 12.

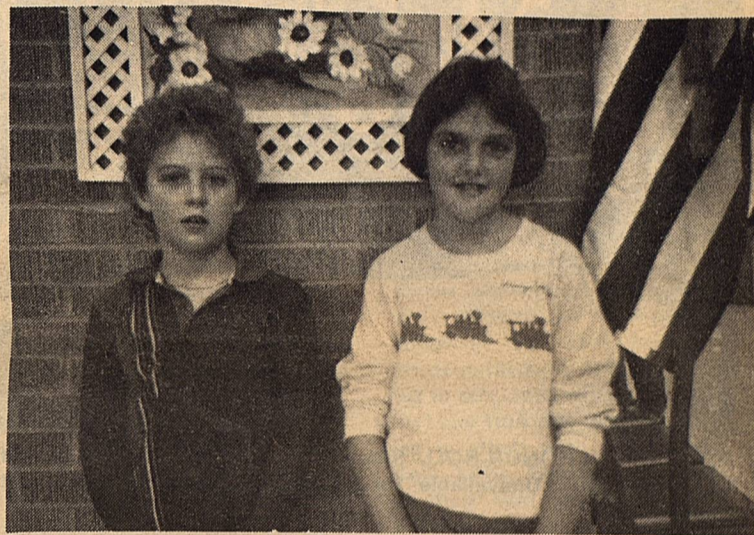

Santa spreading his cheer to young and old as he begins the tour of the Ranching Christmas Wonderland. See the Fourth Memorial Cavalry around the campfire in front of their tent and hear them

sing old army songs. The tantalizing aroma of campfire coffee and camp cooked donuts greets the visitor from a wagon camped near the Reynolds-Gentry barn. A cowboy carving children's Christmas toys is featured at the JY bunkhouse.

A small sample of returning favorites are: junior historians trimming a tree and planning a school Christmas party at the Barfield School House, junior historians dancing the two step in the 6666s Barn. The Coronado High School coral group entertaining with Christmas carols on the porch at the Las Escarbados.

PLACE IN TOP THREE AT DISTRICT FOOD SHOW

Roy Clayton and Laura Hensley

## DISTRICT 4-H FOOD SHOW

Roy Clayton and Laura Hensley, Borden County 4-H members, placed in the top three of their respective categories at the South Plains District 4-H Food Show held Saturday, December 6, 1986 at Texas Tech University.

Six other Borden County 4-H'ers competed in the district food show last Saturday.

Roy won second place in the junior 1 nutritious snacks and desserts category, and Laura won third place in the junior 1 fruits and vegetables category.

Other 4-H'ers and their categories who competed were Jamie Jensen, junior 1 main dish; Justin Cox, junior

1 breads and cereals; Mendy Hensley, junior 2 main dish; Jeremy Mize, Junior 2 fruits and vegetables; David Buchanan, junior 2 breads and cereals; and D'Lyn Lloyd, senior nutritious snacks and desserts.

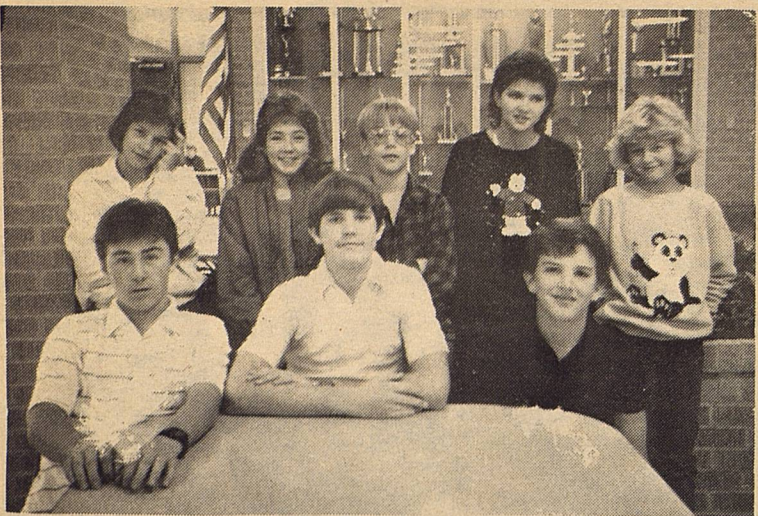

Congratulations to all these 4-H'ers on a job well done.

Accompanying these 4-H'ers to Lubbock for the district contest were Terri Buchanan; Connie Jensen; Scott and Inez Clayton; Kenny and Carla Hensley; Rex, Teresa and Corey Cox; Paul, Sue and Melissa Mize; Sue Lloyd; and Kandy K. McWhorter, County Extension Agent.

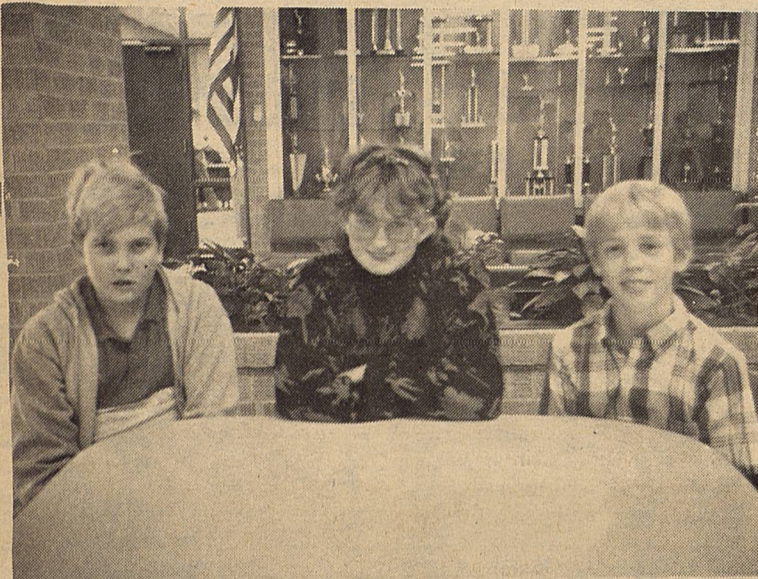

## CHRISTMAS PROGRAMS

This Sunday, December 14, at the First Baptist Church of Gail, there will be two Christmas programs. During the 11:00 a.m. worship service the children's choirs will present a program entitled, "Jesus is the Reason for the Season." There, at 6:00 p.m. there will

be a program led by the young people. The programs will help in remembering the true meaning of Christmas. So often the birth of Jesus Christ is removed from our thoughts as we rush about in a flurry of holiday activity. Come help us put "Christ" back in "Christmas".

## BORDEN CO BOYS TAKE CONSOLATION

**GARDEN CITY TOURNAMENT**  
The Borden County boys varsity team won the consolation trophy in the Garden City Tourney on Saturday evening.

The Coyotes first game resulted in a 44 to 39 Sterling City victory. A combination of factors contributed to the loss. Among these were poor shooting, turnovers, and failure to handle the Eagles' pressure.

The "fighting" Coyotes came roaring back on Saturday, picking up two victories. The first victory was a 59-22 win over Colorado City J.V. The Coyotes used a good half court defense and excellent shooting to secure the win. In the second game, the Coyotes defeated the Westbrook Wildcats, in an offensive explosion. The score was Borden 72 and Westbrook 44. Excellent pressure defense and equally excellent shooting lead to the victory.

The combined victories featured excellent team play, solid shooting from the field, and a new found confidence. All members of the squad made a positive contribution toward the wins. Shannon Bond lead the Coyotes in scoring averaging 22 points per game for the three games. Shannon's excellent play resulted in his being selected to the All-tournament team. The victories pushed the Coyotes record to 4 wins and 3 losses. Borden County now must face some tough competition at Wellman and the Sands Tourney.

## Parents Club Bake Sale

### HELP LOCAL STUDENTS

The Borden County Parents Club will be having a bake sale on December 19th and 20th. The proceeds will go to our scholarship fund. We are very proud of our scholarship and we are trying hard to keep it as an on going project. All the memorials we receive go to the scholarship fund only.

This year Cindy Balague was our recipient and we already have her second year tuition pledged and we hope to be able to honor another student with a scholarship this year at the college that they choose.

If any teachers, court house employees, or anyone else would to have something special baked or if you have a special recipe you would like for us to bake for you, contact one of the club members.

Also on December 19th at 9:00 a.m. we will meet and fix our annual Christmas stockings, so if you want to help we will appreciate it.

We would again like to say thanks to all who support and help us.

## Jr. High Girls VS O'Donnell

Borden Junior High girls held a brief opening quarter lead but couldn't hold on as they dropped a 26-19 decision to Klondike. Once again a definite height advantage made the difference as two players from Klondike, both five inches taller than Borden's tallest, scored all but two points of the Cougar's total. Kristin Monger led in scoring with 7 points followed by Amanda Anderson close behind with 6. Shara Dee Woodward hit 4 points and Shayne Hess added 2. Borden held a 7-6 first quarter lead but fell behind at half and could never make a come-back. The Missy Co. did hit 100 percent from the free throw line as Kristin hit one in Borden's only attempt.

# LADY COYOTES CAPTURE GARDEN CITY TOURNEY

This past weekend the Borden Lady Coyotes played for the first time in the Garden City Invitational Tournament and in their initial visit, came away with top honors. They played two fairly close games in the first round and semi-final against Sterling City and Water Valley before easily cruising by Loraine in the finals Saturday night.

In the first game against Sterling City, it was the defense that held tough as they held Sterling to just 8 half time piints and only 14 entering the last quarter. Borden started out cold from the floor and only held an 8-4 first stanza lead before things warmed up. In the 41-29 victory, a balanced scoring attack was more than the Lady Eagles could overcome as Borden had nine players score, none in double figures. Elana Himes led with 9 followed by Kelli Williams with 8, Tammy Johnson hit 7, Kate Phinizy had 5, Lynn Herridge made 4, and Linda Sternadel, Ralynn Key, Elvira Balague, and Lisha Sternadel each had 2. Ralynn and Tammy tied for top honors in field goal percentage as each hit 100 percent, Tammy 3 of 3 and Ralynn 1 of 1. Lynn had a respectable 2 of 3 for 67 percent. Linda and Elvira each hit 2 of 2 free throws to tie for top honors in free throws with 100 percent. Kate led in steals with 4 and Elana was second with 3. Elana was tops in rebounds with 8, Kelli was next with 5.

Friday afternoon, Borden met Water Valley, who just two weeks ago captured the state volleyball championship, and all members of its volleyball team also play basketball. Borden's biggest obstacle to overcome was the tremendous leaping ability of the Lady Cats, as they held Borden to just 13 total rebounds. Water Valley also hit 23 of 37 free throws to make

things tougher for the Lady Coyotes. Things were tied up at half 27 all and Borden's opponents held a @@@@ quarter 38-37. key steals and edged in front with three minutes to play, a lead they would not relinquish. In the 57-53 victory, Borden hit 55 percent from the floor as five of six players hit 50 percent or better. The scoring column though was the duo of Kelly Williams and Lisha Sternadel who hit 27 and 16 points respectively. Also scoring were Tammy Johnson with 7, Lynn Herridge, Ralynn Key, and Elana Himes with 2 each, and Linda Sternadel with 1. Lisha led in field goal percentage with 70 percent followed by Tammy with 60 percent and Kelli with 53 percent. Kelli led in free throw percentage hitting 9 of 11 for 82 percent. Kelli also led in steals with 6. Linda Sternadel led in rebounds with 4.

Then came the finals with the Loraine Lady Bulldogs. After what the girls felt were two lackluster performances in their two earlier games, they were ready to put it all together for the championship. Put it together they did as they jumped out to at one time a 30-7 lead, before coasting to a 52-35 win. All twelve players saw action as Borden dominated with 22 steals and 45 rebounds. Borden hit a decent 44 percent from the field. In the first half, Elana Himes intimidated and dominated as she hit 15 of her game high 17 points in the first two quarters and had 8 of her game high 11 rebounds. Lisha Sternadel nearly matched Elana's scoring output as she had 16 points but she completely took Loraine out of their offense as she came up with a game high 9 steals. A fine defensive performance was turned in by Kelli Williams as she

was assigned the duty of stopping Loraine's Beverly Griffin who was averaging nearly 30 points per game. Griffin was held to three field goals, all coming when Borden dropped into a zone. Kristi Stone added 6 points followed by Kelli with 5. Ralynn Key hit 4 points, followed by Tammy Johnson and Kate Phinizy with 2 each. Kristi led in field goal percentage with 100 percent hitting 3 of 3 followed by Elana and Lisha with a fine 62 percent. Kelli and Ralynn tied for free throw honor percentage as each hit 100 percent. Kelli also led in assists with 5 followed by Lisha with 4. Kristi, Kate, and Lisha all had 5 rebounds behind Elana's 11. Kate was also second in steals with 4. The only weak link in Borden's game was at the line where they could only manage 4 of 11 free throws compared to Loraine's 15 of 30.

Two players from Borden received special recognition at the tournament's end. A five player all tournament team was selected by the Garden City coaching staff and Kelli Williams was selected to the elite unit. Then Lisha Sternadel, only a freshman, was named the tournament's Most Valuable Player. This raised the team's season record to seven wins and zero losses. They next meet Wellman. This weekend they play in their second tournament, the Sands Mustang Invitational. On Thursday, December 11, at 10:00 a.m., they play the Forsan Buffalo Queens. Then on Friday they will meet either Stanton or Wilson. Again, congratulations to the Borden County Lady Coyotes, 1986 Garden City Invitational Tournament Champions!

## LOOP EDGES BORDEN BOYS

The Loop Longhorns defeated the Borden County Boys Varsity Team in a "wild" round-ball game on Tuesday night. The score was Loop 45 and Borden 44.

A very sub-par third quarter cost the Coyotes a big win. The third quarter featured Loop outscoring Borden 16 to 4. However, the fourth quarter belonged to the fighting Coyotes, who outscored Loop 15 to 9, only to fall short of a victory by 1 point.

Shannon Bond scored 13 points to lead the Coyotes in scoring. Mickey Burkett added 9 points, while Will Phinizy pumped in 8 points to help the Coyote cause. Scoring were Shannon Bone- 13, Mickey Burkett - 9, Will Phinizy - 8, Brian Bond - 6, Brice Key - 6, and Michael Murphy - 2.

THE DISTRICT ONE-ACT PLAY WINNER-JR. HIGH DIVISION-BORDEN COUNTY. ## LADY COYOTES WIN HOME OPENER

The Borden Lady Coyotes opened their home schedule with Loop here Tuesday night and came away with a 50-41 win. This raised their record to 4-0 on the season and dropped Loop to 2-2, with both of their losses coming at the hands of the Lady Coyotes.

After a close opening quarter, 7-5, the depth of Borden began to show as all twelve Lady Coyotes saw action in the first half. They held a 23-14 half-time lead and increased it to 37-25 entering the last stanza. The bulk of the scoring came from a senior-freshman duo as Kelli Williams led all scorers with 22 points followed by freshman Lisha Sternadel with 14. Elana

Himes had 6 followed by Tammy Johnson and Kate Phinizy with 3 each. Elvira Balague added 2 for the total. Elvira led in field goal percentage hitting her only attempt for 100 percent followed by Kelli who hit an excellent 8 of 10 from the field for 80 percent. Kate led in free throw percentage hitting her only attempt for 100 percent followed by Kelli with 67 percent, hitting 6 of 9. Kelli also led in rebounds with 6 followed by Lynn Herridge with 5. Lisha led in steals with 4 and Kate, Kelli, Lisha, Tammy, and Elana all had two assists apiece. Borden, as a team, hit 45 percent from the field and hit 53 percent from the line.

## JUNIOR HIGH GIRLS VS O'DONNELL

In Monday night's basketball action, O'Donnell Junior High came to t wn and left with a 27-20 win. It was nearly an uphill struggle all the way as O'Donnell jumped out to a 12-1 lead and Borden had to play catch-up the rest of the way. Still though they fought hard holding their opponents to just two field goals in the second half but the shot just wouldn't fall

when they needed them. Leading scorer for Borden was Shayne Hess with 6 points followed by Amanda Anderson with 5. Shara Dee Woodward and Kristin Monger each had 4 points and Leslie Fryar rounded out the scoring with 1. Next game for the Missy Coyotes will be Monday, December 15 at Grady. Game time is set for 6:00.

## USE CHRISTMAS LIGHTS SAFELY

In many families, using the same Christmas tree decorations year after year is a tradition. When it comes to Christmas tree lights, however, this could be an unsafe practice.

When you unpack stored lights, take the time to check each set. Inspect the bulbs to make sure they operate and then remove the plus from the socket and inspect the wires.

Check the string of lights from one end to the other, looking for cracked insulation or bare and broken wires, especially where the wire enters a light socket.

If you find cracked insulation, bare wires or cracked sockets, discard the lights, no matter how much you like them. They could be a fire hazard.

Also check the plug to make sure the connections are good. One way to tell without getting a shock is to plug the set into the add-on connector or a second set of lights and plug that set into the socket.

All strings of lights are not the same. Lights may be wired in a series or in parallel circuits. If a bulb goes out on a series circuit, all the lights go off. In a two wire parallel set, the remaining lights continue to burn when one burns out.

If you have miniature Christmas tree lights on a parallel circuit, replace any burned out lamps with a bulb of the proper voltage size. Although the other lamps will continue to work if you do

not replace burned out bulbs, they will be subjects to increased electrical power, shortened life and could become a fire hazard in your home.

When you decorate your tree, do not connect more than 200 miniature lights or more than 50 large lamps together through one string or cord.

Large lamp sets should not be connected through miniature lamp sets and indoor lights should not be used outdoors.

Use extension cords that are capable of transmitting the current to the lights without overloading the cord, triggering circuit breakers or blowing protective fuses.

A circuit breaker or fuse which blows when you connect the lights is signaling something is electrically wrong. Do not use that string of lights until you know the extent of the problem and can correct it. If you are in doubt, throw the set away.

If you are buying new miniature Christmas tree lights, look for certification on the package, such as an Underwriter's Laboratory or "UL" label, that shows the set meets the performance specifications of an independent testing laboratory. These sets will have passed a series of performance tests designed to eliminate hazards.

Once you put the lights on the tree, safety precautions are still necessary. Remember to always turn the lights off when you leave home or go to bed.

KRISTIN BELEW

## Belew attends 4-H Congress

Kristin Belew, daughter of Mary and Denny Belew of Tahoka, and granddaughter of Burl and Virginia Belew of Fluvanna, attended the National 4-H Congress in Chicago, earlier in December.

She was awarded the trip as a result of her state-winning record book in food preservation. Belew has been active in 4-H for six years and has carried other projects in addition to her main one. She also reported in her projects of citizenship, leadership, sheep, swine, veterinary science, food and nutrition, clothing, poultry, electricity, gardening, horticulture, and bicycle. Her nationally sponsored trip is furnished by the Kerr Glass manufacturing company to one winner in each state.

Chicago will host 1,700 students from the 50 states, Puerto Rico and Washington, D. C. The Texas delegation numbers 45, representing various project areas of 4-H.

The trip is a cultural and educational experience in which students will attend not only 4-H assemblies but also tour the Chicago Board of Trade, and Chicago Mercantile Exchange and other points of educational interest. Belew is a freshman at Tahoka High School.

## COUNTY AG-AGENT REPORT By DENNIS POOLE

### HUNTERS CAN DONATE VENISON TO SALVATION ARMY

College Station--Hunters with more venison than they can handle this fall might keep The Salvation Army in mind.

A new program has been initiated by the Salvation Army in Texas to receive donations of venison at 45 Corps Community Centers to be used in feeding indigent families and transients across the state.

"Hunters who have harvested more venison than their family needs are encouraged to donate the extra meat to the nearest Salvation Army Center," says Dr. Fred Cross, community development specialist with the Texas Agricultural Extension Service. "The centers will accept deer field dressed to fully processed, but the more fully processed carcasses would be most appreciated to reduce operating costs."

Hunting is an important tool in game management and conservation, notes Cross. But many deer hunters often are reluctant to

harvest does. Increased doe harvest is greatly needed in certain areas of the state to bring deer populations more in line with food supplies, and this venison could be donated to The Salvation Army.

Cross reminds hunters to be sure to adhere to regulations in the Texas Parks and Wildlife Department Hunting Guide concerning a legible hunter's document, tags or permits when donating a deer carcass. Guides are available from all hunting license dealers.

For more information on this new deer carcass donation program, contact the closest Salvation Army Corps Community Center.

## HOSPITAL NOTES

We were extremely sorry to hear that Sid Long of Robert Lee suffered a heart attack last Saturday. We are thankful, however, to learn that the doctors termed it mild.

He has been released from the ICU and is now in Intermediate Care in Shannon Hospital in San Angelo.

Mary Earline Cathy, Buster Taylor's mother, was taken to Malone Hogan Hospital in Big Spring Saturday P.M. with an apparent heart attack. However, the test proved negative. She will remain in the hospital for further testing.

Our prayers are with these good friends.

**NOTICE**

**Post Office to Change Hours**

For a trial period, December thru January 30, 1987, the Post Office will have different hours on **TUESDAY THRU FRIDAY**, as follows

Open --7:30 - 1:30  
 Close-- 1:30 - 2:30  
 Open 2:30 - 4:30

This half-hour later closing, is being done to see if the customers feel it is helpful to them.

**Cowbells Change Name**

Texas CowBelles are now Texas CattleWomen. The name was changed at the fourteenth annual fall convention in Houston on November 17th, 1986. CattleWomen support the cattle industry and promote beef. Although they work with many groups in the beef industry they are not an auxiliary of any group.

President of the state organization is Lucille Sterling, long time resident of Howard County. She and her husband J. M. operate a ranch in the Vincent community with their sons.

The local association, Tejas Cattlewomen was organized in 1973. "With as many people within our area who are involved in the cattle industry, we would like to see more women participate in this association", says President Lucille Sterling.

For more information contact Lucille Sterling at 965-3464, Maureen Morris at 728-5425, June Wall at 573-4449 or Lisa Buchanan at 399-4588.

### WONDERLAND

dolls become a part of Christmas past at Hedwig Hill. Rag dolls make the scene at the Box and Strip while French knitting is made in the Jowell house. At each turn of the trail a new "old" Christmas scene is presented.

We extend this Christmas greeting invitation to you:

#### CANDLELIGHT ON THE RANCH

Come one, come all to Candlelight

On the 11th and 12th of December

At the Ranching Heritage Center each night

From 6 to 8 p.m., please remember

Come to the Ranch and relive The festivities of Christmases past As the ranching families of old To their heritage were steadfast

With song and dance and food They were always filled with cheer

And managed to keep alive The customs on the old frontier

"Luminarias" will light the trails

To the scenes of yesteryear Won't you come out and see

A part of history to us so dear -s- A.G.D.
