## COUNTY HARVESTING REPORTED NEAR 90 PER-CENT COMPLETE

Latest reports from areas throughout Hall County indicate that the wheat harvest is 90 percent complete here, ACA Secretary Lynn McKown said this morning.

The past week of warm weather has enabled the wheat farmers to work uninterrupted and the earlier shortage of combines didn't develop into a serious problem as crews moved into Hall County from completed areas further south.

McKown reported that 190 cars of wheat have been shipped from Hall County as of today. With the estimated average of 1600 bushels of each car, this would make a total of some 305,000 bushels of the grain shipped. Memphis has shipped 147 of these cars, Ft. Worth and Denver Agent John McMicken said. He pointed out that there has been absolutely no shortage of cars during the rush activity and that there would be plenty of cars to handle remaining shipments.

McKown stated that his office's estimated 546,000 bushel yield for the county still stood. He pointed out figures showing the 40,000 bushels that were stored early in the harvest activity in commercial storage spaces and estimated that some 145,800 bushels were now in private storage.

## Longtime Hall County Resident Buried Tuesday

Funeral services for John Walter Henson, 69, Hall County resident for over a quarter-century, were held at the First Baptist Church here Tuesday at 4 p. m. Henson died Sunday in Portales, New Mexico.

Rev. Roy Shahan, pastor of the First Baptist Church, and Rev. Rollo Davidson, First Methodist Church minister, conducted the services.

Pallbearers were: Joe Nelson, J. Hartsell, Henry Foster, A. C. Carter, M. D. Moses and M. C. Allen.

J. R. Hanby, Will Davis, J. P. Hancock, Dick Jones, Henry Newman, A. B. Hickey, T. E. Noel, M. O. Goodpasture and Joe Vandiver were honorary pallbearers.

Granddaughters of the deceased were flower girls. Burial was in Fairview Cemetery, Murphy-Spicer Funeral Home directed the services.

Henson was born May 25, 1880, in Washington County, Arkansas. He moved to Fannin County with his parents at an early age. On September 1, 1901, he was married to Miss Myrtle Martin at Bonham and the family moved to Hall County in 1929. Mrs. Henson died March 22, 1922. Three children preceded Henson in death.

He is survived by five daughters, Mrs. J. E. Willford, Memphis, Mrs. C. C. Campbell, Portales, New Mexico, Mrs. D. C. Hall and Mrs. T. C. Harris, both of Lakeview, and Mrs. Alvin Chapman, Phoenix, Arizona.

Henson is also survived by five sons, W. F. Henson, Memphis, Jim Henson, Clarendon, W. W. Henson, Borger, J. D. Henson, Amarillo, and Lloyd Henson, Lubbock. Other survivors include 37 grandchildren and four great grandchildren.

## Lions to Install New Officers at Special Meeting

Installation services for the newly elected officers of the Memphis Lions Club will be held Wednesday night at 8:30 p. m. at the City Park, it was announced this week.

Buster Helm, general chairman of the event, stated that it will be "Ladies Night" at the meeting and that guests of the members of the club will be welcome. This special ceremony will take the place of the Lions' regular Wednesday noon meeting.

Helm said the following chairmen have been named to head the various committees for the night's activities: Ace Gailey, food committee, Frank Van Pelt, cleanup committee and Herschel Combs, welcoming committee.

Program chairman Robert Spicer has announced that the guest speaker for the evening will be Ralph Randal, past district governor from Panhandle. Randal (Continued on page 12)

## Pierce Will Manage RRV All-Stars Against Dukes

Twenty three outstanding players from six Red River Valley League teams will join forces Sunday in an effort to stop the Wellington Dukes, league pacesetter, in the circuit's annual All-Star game.

The fracas will be played at Wellington and will begin at 3 p. m.

C. L. Pierce, popular manager of the Memphis Owls, has been picked to direct the fortunes of the All-Stars against the high-flying Dukes.

Four Owls have been selected to play in the All-Star ranks. Included will be Leslie Pruitt, outfield and short stop Buss Dorman, first base, Joe Hambrick, outfield, and Metz LaFollette, pitcher and outfield.

Starting line-ups were not available at press time for either of the two teams. It might be expected, however, that Wellington will start James Hatcher, high speed righthander, on the mound (Continued on page 6)

## DUKES TIGHTEN RRV LOOP LEAD; OWLS IN TIE FOR THIRD PLACE

The Memphis Owls closed out their first round of play in the Red River Valley League against Altus here Tuesday night and wound up in a four-way tie for third place in the loop.

Sharing the circuit's third slot with the Owls are Mangum, Childress and Mobeetie. However, the spot will be thinned down to one or two teams following tonight's action that sends Mobeetie to Childress, second place Altus to Wellington and cellarite Shamrock to Mangum.

The idle Owls can hope for nothing better than a share of fourth place after tonight's play. They have only one game on the week's docket, meeting an army team from Fort Sill here Saturday night in a non-league affair.

Manager C. L. Pierce has announced that he will use Leonard Ruyle and Doc Pittman on the mound against the army nine. Sunday the All-Stars play Wellington on the league leader's home field.

## Pittman Hurls Two Hitter, Drubs Oilers

The Memphis Owls ran their victory string to four straight here Tuesday night when they pounded Altus hurler McClendon for 19 hits and blasted the Oilers out of Estes Park, 13-1.

Doc Pittman's pitching left little to be desired by the Owls. He limited the Oilers to two meager hits, a single in the fifth and a triple in the eighth and held them scoreless until the top of the ninth. He struck out eight Altus batters and gave up only one grand slam.

The Owls scored in every inning but the first and sixth but had (Continued on page 7)

## Local Golfers Win Match Play From Shamrock

Taking 20 of 27 matches played, Memphis golfers slammed out an impressive victory over Shamrock in an inter-city match at the Memphis Country Club Sunday afternoon.

Outstanding linksters from Memphis and Shamrock were featured in the 18-hole match play. The tightest play of the afternoon saw V. F. Coker, Memphis, take Jerry Berten 1-up in 20 holes.

Results of the play (Memphis names listed first): Frank Foxhall over Bill Holmes, 2-1; Russell McClure over E. C. Hoffman, 4-3; Bud Posey over J. B. Brown, 2-1; Jim Smith over Jack Courley, 1 up (Continued on page 12)

## Estelline To Vote On \$90,000 Bonds

Voters within the Estelline Independent School District will go to the polls Saturday to accept or reject a \$90,000 bond issue.

The bond election will be held at the City Hall in Estelline with the following election judges: W. F. Holland, presiding, R. A. Edleman, judge, L. A. Tucker, and Mrs. Faye Davis, clerk.

Purpose of this election is to build and equip public school buildings in the Estelline School District. Superintendent C. O. Gregory said this action was made necessary due to the \$75,000 fire which destroyed the school building there last July.

"The State Board of Education has given us one year to take action on rebuilding the destroyed building," Gregory pointed out.

The election was called by the board of trustees of the school district at their meeting on Thursday, June 9. Their action is the result of a petition presented before them at the meeting by 68 qualified electors and property owners within the district.

In effect, the election will put three propositions before the voters of the Estelline Independent School District.

Th first is to give the Board of Trustees of Estelline Independent School District the power to levy and collect annually a tax upon all taxable property in the district for the maintenance of public free schools therein. The rate of this tax would not exceed \$1.50 on the \$100 valuation of all taxable property.

The second proposal calls for the district to assume and pay off

the outstanding bonds of the Estelline Independent School District, the Newlin Common School District No. 7 and the Gilpin Common School District No. 30, Childress County, issued prior to the formation of the present Estelline Independent School District.

These bonds include: \$375 Schoolhouse Bonds dated September 9, 1912; \$15,000 Refunding Bonds dated April 10, 1934; \$14,000 Refunding Bonds, dated April 10, 1938; \$700 Newlin Common School District Schoolhouse Bonds dated November 1, 1910; \$11,000 Newlin Common School District School House Bonds dated July 1, 1922; \$6,000 Newlin Common School District School House Bonds, dated July 10, 1925; and \$875 Gilpin Common School District School House Bonds, dated August 1, 1925.

The third proposal calls for the authorization of the Board of Trustees of the Estelline Independent School District to issue bonds totaling \$90,000 for the purpose of constructing necessary school buildings.

O. B. Hoover is president of the board of trustees. Members include: T. T. Davis, Tom Sweat, Pete Davis, W. B. Davidson, L. V. Bruce and Clinton Richburg.

**SISTER DIES IN TENNESSEE**  
Mrs. B. E. Campbell, sister of W. B. Stargel of Memphis, died at her home in Chattanooga, Tenn., on June 18, following a lengthy illness.

Mr. Stargel, who had been at her bedside three weeks preceding her death, returned home Tuesday.

## Eight Local Scouts Will Return Home From Camp Sat.

Eight Boy Scouts and Scoutmaster Ted Myers of Troop 35 left for a one week encampment at Camp Kiawah Sunday. The camp is located near Canadian.

Scouts now attending Camp Kiawah are: Robert Breedlove, Roy Richardson, Tom Messer, Carl Lee Jr., Roddy Bice, Ronnie Mac Smith, Johnny Pyle and immie Davis.

Mr. and Mrs. J. J. Bice accompanied the scouts, to camp Sunday and will return Saturday, June 25, to bring a group of the boys home.

While at Camp Kiawah the boys will attend the opening dedication ceremony of the Adobe Walls \$25,000 mess hall at Lake Marvin. This ceremony will be held Saturday and a barbecue dinner will honor all the scouts and guests present. The scouts will return to Memphis late Saturday afternoon.

### Veterans Free to Select Land Tract Under New Program

The recently enacted Veterans Land Program is designed to give Texans a chance to own their own farm or ranch lands in any sector of the State, according to Land Commission Bascom Giles.

One of the most attractive features of this bill is that section which permits a veteran to personally select a tract of land suitable for agriculture or grazing held under private ownership in any sector of the state. It might be owned by kinsmen or by a corporation—it matters not to the Texas Veterans Land Board.

What will matter to the Board is that the veteran feels reasonably sure that the land will serve his purpose and needs; that it must have at least half of the mineral rights unencumbered and that the land is worth the price the veteran pays for it.

A veteran may purchase a tract of land up to \$10,000 but he will be required to tender the difference above the \$7,500 state maximum.

After the veteran has made his selection his next step will be to furnish the Board with a complete abstract and description of the property so that it may be appraised. At the same time he files his application with the Board, he will pay to the Board his initial down payment of not less than five per cent of the total purchase price. In the event the application is rejected, the veteran's money will be refunded and he will be free to make another selection.

Following the approval of the Board on the application the veteran will be required to execute an on or before not for 40 years at three per cent interest for the balance. After receiving his contract of sale he will be entitled to take possession.

This bill should eliminate the necessity for migration of veterans from one part of the state to another as a majority of the purchasers will select land adjacent to their homes where they are already familiar with production conditions. This factor will serve to lessen chances of failures.

Veterans will also be permitted to purchase tracts of land owned by the State when such tracts are offered through duly advertised sales. The purchase will be made through sealed competitive bids with the award going to the highest bidder. To make the contract valid the minimum five per cent down payment must accompany the bid. Each veteran will be limited to one purchase. However, he will not be limited as to the maximum amount of land he may be able to purchase under the full loan of \$7,500.

Under the terms of this bill, veterans with combat connected disabilities will have a 90 day priority in financing, during which time non-disabled veterans applications will be held in abeyance.

### Constitutional Amendments

House Joint Resolution No. 19 proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to provide for Civil Service in certain counties upon a vote of the people therein.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article XVI of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section, to be known and designated as Section 62-c, reading as follows:

"Section 62-c. The Legislature is authorized to provide for the creation of Civil Service Systems for county employees in the respective counties of this State, but any system so authorized and established shall be approved by a vote of the people in said county. Any Civil Service System established by virtue of this Section shall apply to appointive offices only, and the limitations on term of office heretofore provided by Section 30 of this Article shall not apply, but the duration of such offices shall be governed by the provisions of such Civil Service System. This Section shall not apply to counties having a population less than seventy-five thousand (75,000) people."

Mr. and Mrs. W. T. Phillips and daughter Carmen have just returned from a business trip to Dallas.

Mr. N. W. Durham and children visited Sunday in Lakeview with Mr. Durham's parents, Mr. and Mrs. W. H. Durham.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the fourth Saturday in September, 1949, at which election all ballots shall have printed or written thereon (or in counties using voting machines the said machines shall provide for) the following: "FOR THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PROVIDE FOR CIVIL SERVICE IN COUNTIES UPON A VOTE OF THE PEOPLE THEREIN;" and "AGAINST THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PROVIDE FOR CIVIL SERVICE IN COUNTIES UPON A VOTE OF THE PEOPLE THEREIN."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas will issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

### Constitutional Amendments

House Joint Resolution No. 22 proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas to provide that the Judge of the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law; providing for election proclamation and submission to qualified electors of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 7 of Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to practice law in this State and shall have a practicing law office or a Judge of a Court in this State, or both combined, for four (4) years next preceding his election, who shall have resided in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, who shall hold his office for the period of four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms of sessions of each Court as it may deem necessary."

"The Legislature shall also provide for the holding of District Court when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding."

"The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under this present election or appointment."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on September 24, 1949, at which time all ballots shall have printed thereon: "FOR THE CONSTITUTIONAL AMENDMENT PROVIDING THAT THE DISTRICT COURT SHALL CONDUCT ITS PROCEEDINGS AT THE COUNTY SEAT OF THE COUNTY IN WHICH THE CASE IS PENDING, EXCEPT AS OTHERWISE PROVIDED BY LAW;" and "AGAINST THE CONSTITUTIONAL AMENDMENT PROVIDING THAT THE DISTRICT COURT SHALL CONDUCT ITS PROCEEDINGS AT THE COUNTY SEAT OF THE COUNTY IN WHICH THE CASE IS PENDING, EXCEPT AS OTHERWISE PROVIDED BY LAW."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment in counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

### Constitutional Amendments

House Joint Resolution No. 32 proposing an Amendment to Article I of the Constitution of the State of Texas, by adding thereto another Section following Section 15, providing that the Legislature may provide for trials in lunacy cases without a jury; further providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article I of the Constitution of the State of Texas be and the same is hereby amended by adding another Section thereto following Section 15, to be designated Section 15-a, to read as follows:

"Section 15-a. The Legislature shall have the authority to enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for waiver of trial by jury in cases where the person under inquiry has not been charged with the commission of a criminal offense, and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

Sec. 2. That the foregoing Constitutional Amendment be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the fourth Saturday in September, A. D. 1949, at which election all ballots shall be printed thereon: "FOR THE AMENDMENT TO THE CONSTITUTION OF THE STATE OF TEXAS PROVIDING THAT THE LEGISLATURE MAY PROVIDE FOR TRIALS WITHOUT A JURY IN LUNACY CASES;" and "AGAINST THE AMENDMENT TO THE CONSTITUTION OF THE STATE OF TEXAS PROVIDING THAT THE LEGISLATURE MAY PROVIDE FOR TRIALS WITHOUT A JURY IN LUNACY CASES."

Each voter shall scratch out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. That the Governor of the State of Texas issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

### Constitutional Amendments

House Joint Resolution No. 36 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing the Legislature of the State of Texas to provide for the establishment and creation of hospital districts; providing for the Governor's proclamation and submission to the electorate.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section to be designated as Section 60, reading as follows:

"Section 60. The Legislature shall have the authority to provide by law for the establishment and creation of hospital districts in the counties of this State under such conditions as the Legislature may fix by law, and to provide for the support of said district by a tax on the ad valorem properties situated in said counties; providing, however, that before any such district shall be created it shall be approved by a vote of the people in said district."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the fourth Saturday in September, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following: "FOR THE AMENDMENT TO THE CONSTITUTION OF THE STATE OF TEXAS AUTHORIZING THE LEGISLATURE TO PROVIDE FOR THE ESTABLISHMENT AND CREATION OF HOSPITAL DISTRICTS;" and "AGAINST THE AMENDMENT TO THE CONSTITUTION OF THE STATE OF TEXAS AUTHORIZING THE LEGISLATURE TO PROVIDE FOR THE ESTABLISHMENT AND CREATION OF HOSPITAL DISTRICTS."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of

the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas will issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

### Constitutional Amendments

House Joint Resolution No. 38 proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be numbered 63 and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county, and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary, and shall first be authorized by vote of the qualified voters of such county. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

If you could "x-ray" your telephone, you'd find a surprisingly complicated instrument. Yet, making a telephone call is just about the easiest thing in the world to do.

Proof of the simple convenience of telephone service is the fact that both local and distance telephone traffic are at an all time high.

This naturally means that the complicated mechanical and human operations necessary to provide telephone service are under their heaviest pressure.

Your cooperation and friendliness are helping greatly in our efforts to serve this traffic as efficiently as possible.

# New Colt Is Pride Of Arthur Howard's Stables

The 10 winners and their families will be together during the vacation. No definite plans were made by the group but they plan to spend most of their time fishing and visiting famous scenic spots and tourist resorts. Mr. and Mrs. Wilson plan to stay in Colorado 10 days, returning sometime after the first of July.

In winning a place among the 10 top salesmen for his company in Texas Wilson made an impressive record. He was picked for first place in his district and won second place in the state contest.

The big climax of A. W. Howard's long career in raising fine horses came last Thursday in the form of a thoroughbred foal. In fact, thoroughbred is hardly an ample description of this newest addition to Howard's string of fine horses.

Sired by Lawrin and from Reno Mica, the week-old colt has some of the finest blood of turfdom flowing through his veins.

As Howard pointed out, Lawrin reached the peak of three-year-old racing fame when he took the Kentucky Derby in 1938. At that time he was running under the colors of the Colonel Woolf stables and was trained by Ben Jones, the nation's outstanding trainer of thoroughbred race horses who has built Calumet Farms into the most powerful

name in the racing world.

Nor would you consider Reno Mica a slouch among thoroughbred horses. She received eight years of tutoring under the expert eye of Colonel C. A. Wilkinson, formerly in charge of the U. S. Army Remount Service. Upon leaving the military service Colonel Wilkinson took the mare, long his favorite of the many fine horses he had trained, with him and sold her to Howard in 1946.

In 1947 Howard decided to enter the then 10-year-old mare in the races at Hot Springs, Arkansas. Trained at Arlington Downs, Reno Mica clocked a furlong, 220 yards, in 11 and two-fifths seconds. Further timings at Hot Springs made trainers believe that she could average 12 seconds on each furlong on the mile and 1/16 track.

But her chance never came. While training at Hot Springs the gallant mare broke an ankle bone and had to be retired from racing.

Reno Mica contributed no little amount of her foal's racing blood. She was sired by Cerubean, son of a great Kentucky Derby winner, Broomstick.

The new colt is registered with the New York Jockey Club. Unnamed as yet, he might well be dubbed "Derby Hopeful" with his thoroughbred background.

A dozen thoroughbreds and more than 30 outstanding quarter horses fill Howard's stables with some of the best horses in this section of the country.

An outstanding three year old is Random H, whose blood line traces back to Brig-O-Doon, a winner in the classic English Steeplechase. Still another with royal racing blood flowing through her veins is Texas Annie whose grand sire was none other than Man-O-War, acclaimed to be the greatest race horse of them all. Howard said that two of his horses will run at Ruidoso, New Mexico, Friday. They are Peaches, one of his better quarter horses and Wee Wolf, a two year old filly who was sired by Chilhowee, a great thoroughbred who placed in the Kentucky Derby.

But the eyes of both Howard and his trainer, Earnest Connally, will be mainly on this new colt as they watch him develop. Watch with enthusiasm and hope that only horsemen can really understand.

Mr. and Mrs. W. J. McMaster and family of Plaska had as their guests Saturday night Mr. and Mrs. J. D. McClendon and Jimmy of Fort Worth, Mr. and Mrs. E. M. Moreman and Marian of Plainview, Mrs. J. W. Clark and children of Plainview, Mr. and Mrs. W. E. Lawrence and family of Lakeview.

Mr. and Mrs. T. R. Harrison visited with Mr. and Mrs. Tom Harrison Sunday. They were en route to Dallas, their home, after vacationing in Colorado.

C. M. Hawkins of Marionville, Mo., has arrived here to join his wife who has been visiting the Harrisons for the past two weeks. The Hawkins are former residents of Memphis.

**Former Residents Attend Insurance Meeting in Detroit**

Zeb A. Moore, Amarillo, is one of the 20 members of the O. Sam Cummings Agency, State Manager for Texas, Kansas City Life Insurance Co., who will attend the company's President's Club meeting in Detroit beginning June 24. Mrs. Moore will accompany her husband.

Mr. and Mrs. Moore formerly lived in Memphis and he is a business visitor here several days each month.

The President's Club is composed of less than 10 per cent of the company's agent's so membership is regarded as a mark of leadership and distinction.

Following the Detroit meeting the Moore's will go immediately to the Chateau Frontenac, Quebec. There they will be guests at the celebration of the completion of 25 years of service, with the company by W. E. Bixby, president.

They will be entertained with a cruise on the St. Lawrence River and will hear an address by A. Gordon Nairn, executive vice president of the Life Underwriters Association of Canada.

Mr. and Mrs. Moore left Amarillo Wednesday for Detroit. They will return home by way of New York City and Washington, D. C. for three day visits in each place.

**Grasshoppers Are Infesting Farms, County Agent Says**

Hall County is infested with many grasshoppers which are doing much damage to cotton and other field crops. County Agent W. B. Hooser warned this week.

He pointed out that the differential grasshopper can be controlled by spraying or dusting along the fence rows and ditches with 15 pounds of 10 per cent toxaphene or 15 pounds of 10 per cent chloradane per acre.

If a spray is used, Hooser said, apply one quart of 40 per cent toxaphene or chloradane per acre. After the insects move into the field, control is more difficult, he added.

Hooser said toxaphene or chloradane may be used against grasshoppers where there is enough foliage to hold the insecticide. In areas of little foliage where the hoppers work on the ground, the poison bait is necessary.

### New Scholarship Now Being Offered By Texas Tech

Applications for the new Texas Technological college Ex-Student's association scholarship will be received by Dr. Ernest Wallace, chairman of scholarship committee, until September 1, Dr. Wallace said Wednesday. The late deadline has been set in order to give all students an opportunity to apply for the scholarship which is being given for the first time the 1949-50 school year.

Students desiring to apply may obtain proper forms from Dr. Wallace in the alumni office, or from their own academic deans.

The award, made possible two years ago through the loyalty fund of the Alumni and Ex-Student association, makes the following provisions:

The son or daughter of an ex-Techman will be eligible for the scholarship provided the applicant has a 1.5, or high C, grade average for at least 30 college semester hours taken at Texas Tech. Half the \$200 scholarship will be awarded the first semester, and if the 1.5 grade average is maintained, the remaining \$100 will be awarded the second semester.

The award will be given only to an applicant and any student going to school under another scholarship will not be eligible to receive this one.

### Texas Reports Drop In Vet Enrollment For Summer Term

The ranks of that new addition of recent years to college life—the veteran student—are growing smaller, University of Texas summer enrollment figures indicate.

Although veterans are still in the majority, their number is decreasing steadily and registration officials predict that by next fall fewer than half the student body will be veterans.

First summer term enrollment totals 8,474, a decrease of 845 from the 1948 summer first-term total of 9,319. The decrease in the number of veterans is greater than the overall decline: from 6,300 last summer to 5,306 this summer, but they still represent 62.6 per cent of the summer total.

All schools and colleges, except the Graduate School and the College of Fine Arts, registered fewer students this summer than in 1948.

Men students outnumber women this summer by 6,609 to 1,865.

### COTTON CLASSING OFFICE PROJECT HERE THWARTED FOR PRESENT TIME

Information recently received by Chamber of Commerce Secretary Clifford Farmer from Representative Eugene Worley indicates that Memphis has no chance of obtaining a cotton classing office this year.

Representative Worley has forwarded to Farmer a letter from John I. Thompson, assistant administrator of the Production and Marketing Association on the subject.

Thompson, in this letter, states that although a bill as passed the House of Representatives authorizing some additional allotments of funds for the classing of cotton which is to enter the Commodity Credit Corporation loan program, the establishment of new cotton classing offices has not been contemplated.

"It appears, therefore, writes the Production and Marketing official, 'that the classing work must be handled next season with about the same field organization as that provided in 1948-49 and arrangements have not been made for additional offices.'

He points out in this letter that somewhat more adequate provision can be made for the work at the existing offices and that every possible effort will be made to furnish the best service possible under the circumstances.

"We are very disappointed that Memphis cannot obtain this cotton classing office at this time as we feel it is definitely needed," Chamber of Commerce Secretary Farmer said, speaking for the firms and individuals of Memphis who have worked to obtain the project.

"However, we will continue to work toward this goal next year," he added.

Local firms and individuals connected with the cotton industry have long left the work for such an office here, it was pointed out. The nearest classers are at Lubbock and Altus, Oklahoma. Inadequate rail, truck and bus service to these points severely handicaps the marketing and storing to the cotton crop in this area. It was asserted that from 20 to 30 days are frequently required to get class cards from these Lubbock and Altus offices.

Backers of the project to obtain a classing office here pointed out that Memphis could serve well, due to its central location, cotton producers in Hall, Collingsworth, Childress, Briscoe, Motley, Don-

(Continued from Page 1) Jackets as the name for their club.

Apparently the new name put some sting in the girls' punch for they won two games this week, sweeping McLean's International Harvester team 23-8 and beating Wellington 14-13 Wednesday night.

Weatherby said the girls will play the Berger Bees, Wellington and McLean next week but he had no definite dates for these games at press time.

The Yellow Jackets really turned on the steam against McLean Tuesday night, scoring in every inning but the fifth to amass 23 runs. McLean had their big inning in the fifth when they scored five of their eight runs.

Wednesday night's tilt with Wellington was considerably closer. The Yellow Jackets took a four run lead in the first inning but saw it fade as Wellington scored one run in the first, three in the third and two in the fourth.

The Memphis girls turned on an eight run rally in the sixth and added two more tallies in the seventh. Wellington scored one run in the sixth and six in the seventh.

Weatherby announced the Yellow Jacket tentative starting lineup for next week's games as: Nancy Jones, ss; Betty Paschall, lf; Laverne Dodson, c; Bobby Davis, 1b; Freddie Johnson, p; Oleta Hawthorne, ccf; Mozelle Shepherd, 2b; Billy Joe Jones, 3b; and Jimmy Wheeler, rf.

"We want to make it clear, however, that the co-operation of every Memphis resident is necessary to make this drive successful," Howell said.

"The clubs will carry off the accumulated rubbish but the residents must make it their duty to see that that rubbish is gathered and piled in the alleys. We expect, and must have, the utmost co-operation from everyone in this work," he stated.

The tentative plans call for one of each of these four days to be devoted to cleaning up one of the

wards. On Tuesday, July 5, the American Legion will work in Section 4. Wednesday the Rotary Club will take Section 2. Thursday the Lions Club will clean-up Section 1 and Friday the V.F.W. will take Section 3.

This group will meet again at noon Wednesday to make final arrangements, Howell said, and the exact calendar of activity will be released at that time.

(Continued from Page 1)

ed to the state as a farm-to-market project from the point it junctions north off Highway 256 to Fairview Cemetery. City and county officials fear the state would not approve the project if rubbish is continually dumped the right of way.

The proposal to sell this city land, covering three acres, to the county was discussed and approved at a City Council meeting last Thursday night.

Present at this meeting were Mayor C. C. Hodges and Councilmen Horace Tarver, Floyd Tiner, J. J. Bice and Clyde Milam. County Judge M. L. Goodpasture and Commissioners Roy Patton and H. W. Spears were also present to take part in the discussion.

### County Buys Land

At that time it was decided upon to offer the three acres for sale to the county at one-half the original purchasing price. With the land under county ownership, it was pointed out by City Attorney Otho Fitzgerald, action could be taken to stop the dumping of trash along the right-of-way. He disclosed that although the city owned the land it was out of the city limits and their jurisdiction.

The County Court Judge Goodpasture afternoon and approval, paying the title to the land. Present were: Roy P. Spears, Fred E. B. Bush.

A committee of men are now looking for the location for the grounds. Serving on the committee are Floyd Tiner, Wendell Harrison, and no suitable location day but hoped to find one in their search early.

Wednesday both pasture and Mayor Hodges with local citizens their rubbish in the grounds and not on the way of the adjoining city could find a place to dump it.

When the new dump are set up the county will prohibit dumping on the land and fine any violator. Goodpasture said.

He stated that every citizen should feel obligated to keep their right-of-way along the State Highway Engineering department decide to inspect the near future regarding to-market project.

(Continued from Page 1) students who have already passed the "A" band enrollment test. They are: Patay Sue Hays, Johnnie McDaniel, Ann Spoon and Gereta Graham.

The director listed as "A" band honor roll students for the past two weeks: Sue Miller, Billy Allen Combs, Lois Carpenter, Betty Kennon, Ann Spoon and Elizabeth Grundy.

Keyser said there is a great deal of interest in the summer "B" band with five new students enrolling this week.

Excellent interest is also being shown in the newly organized Memphis High school baton twirling club. Dorothy Deaver is in charge of this organization.

Keyser reported that several visual aid films have been shown to the band members during the past week. Included were: "The Star Spangled Banner" and "Onward Christian Soldiers."

Mrs. Jean Riley of Amarillo visited with her mother, Mrs. Norton, Sunday.

Peabody recovered several items that were stolen from "Big Boy" Byar's store Monday night. He found a radio and a suitcase that were stolen in a lot behind a house here.

**Comments**

(Continued from Page 1) their turn, and who are in much worse condition than I am. This is one time one needs a car, for there is much to be seen around Rochester: rolling hills, streams, woods, valleys, lakes, dairy herds and what not.

We left Amarillo Monday at 6 p. m., arrived at Chicago Tuesday at 4 p. m. Had a visit with our niece, Mrs. Dorothy Cowart and family between trains. Left Chicago at 9, arrived in Rochester Wednesday at 8:30 a. m., registered at clinic and was given appointment as above stated.

Notice in papers where Texas wheat harvest has been slowed up by more rains. Part of this country has been having a 26-day "drouth." We might do a little swapping to the benefit of both. Sign in restaurant: "Yes we know you had an operation, but please don't tell about it here where folks are eating."

**Seeking relief and miracles.**

The human body is like an old auto. It can be patched up, but is never as efficient as a new one, and medical science has not yet found (and never will) a way to furnish a new body.

I have never seen a place like Rochester—that it, a place where people are so considerate of others. Auto drivers will stop many feet away to let pedestrians cross streets. They do not rush right up close and scare the pedestrians, like at home.

I wonder how the clean-up campaign has progressed in Memphis. Have been informed that "our" block is one of the cleanest in town. Lets not let up until we have the cleanest town in Texas.

**Long Shot Bets**

Most people have a touch of the gambler in their make-up. But only a few go to extremes in wagering on the horses, the dice, the wheel, and other unbeatable games.

However, many millions do the most dangerous gambling in the world without knowing it. They risk their lives, their savings, their jobs, by taking unnecessary chances.

Gambling with fire is a perfect example. Do you pile up junk you don't know what to do with in closets and attics? Do you put off until tomorrow the repair of that frayed electric cord? When you lack a new fuse, do you put a penny behind a burned out one to restore the circuit? Do you luxuriate in bed with a cigarette going? Do you keep on using a heating system that doesn't seem quite as efficient as it ought to be, without calling in an expert to look it over? Do you store paint and solvents and other such flammables in any old open container that comes to hand? When you have a chance to learn about fire safety do you open your mind to it or do you figure it's a dull business and no concern of yours?

A list such as this could be extended for many pages. These are just a few of the "long shot" bets that can result in a fire—and do exactly that on thousands upon thousands of occasions in this country each year. The result is more than 10,000 horrible deaths and a property loss that exceeds \$700,000,000.

Are these gambles worth it?

Naturally we don't know whether he'll get elected or not, but say he's about 40 years old now and can stand up to campaigning until he's 70. That's 30 years of running, involving 15 separate campaigns. This may be interesting to watch.—The Granger News.

**NOAH TOOK A BEAR**—A British expedition that is to search for Noah's Ark around Mount Ararat, in the Near East, was denounced by Russia as "archaeological spies" seeking information about the Soviet Union. Ararat rises 16,216 feet on the border of Turkey and Iran and is about 25 miles from Soviet Armenia. A Turkish observer reports recently that he had seen at a distance an Ararat an unusual formation which looked like an ancient ship. A Moscow broadcast said the mountain had long ago been investigated by scientists and that "Anglo-Americans" were falling back on the Old Testament as an excuse for spying.—Southwest Magazine, June.

† **REV. ROBERT H. HARPER** †

Jesus Continuing Ministry.  
 Lesson for June 26; Matthew 28:18-20; Acts 1:4-14.  
 Memory Selection: Matthew 28:20.

Obedient to His command, the disciples met Jesus on a mountain in Galilee, and He bade them go and make disciples of all nations. His direct command should settle all questions as to the wisdom of missions. When a young man asked the Duke of Wellington if he thought it wise to try to convert the heathen, the Iron Duke replied: "What are your marching orders, Sir?"

Jesus bade the disciples to tarry in Jerusalem until they received power from on high. He discouraged them in their questions about this and that and indicated that the all-important thing was for them to do their part by being witnesses in Judea and Samaria and the uttermost regions of earth.

The Lord then ascended into heaven and a cloud received Him out of the disciples' sight. As they gazed after Him, two men in white apparel stood by them and asked: "Ye men of Galilee, why stand ye looking into heaven?" They then told the disciples that Jesus would come again. We should give more attention to the Ascension, with its promise of the second coming of Christ.

It is significant that the disciples continued in prayer unto the day of Pentecost. They made their headquarters in an upper room, perhaps the same in which they had gathered for the Last Supper. And there they received the Holy Spirit. Thus the first chapters of Acts are the prologue to their ministry.

**Space At Pantex Plant Given To Wheat Storing**

First shipments of wheat for storage in the Pantex plant near Amarillo arrived early this week, officials of Texas Technological college have announced.

Contracts have been signed with several organizations and in each instance top preference is to be given members of co-operatives, Pres. D. M. Wiggins said. Space in warehouses and igloos of Pantex will be used to store about 6,500,000 bushels of wheat.

Tech moved to aid farmers of the Panhandle several weeks ago when it became apparent that storage space was short for the crop estimated to be upwards of 60,000,000 bushels. Officials of the War Assets administration, which recently gave the 17,000-acre Pantex property to Tech, speedily approved the program.

Workmen speeded renovation of storage buildings, and the Santa Fe railroad cooperated by repairing Pantex trackage to facilitate wheat movement.

Arrangements for the wheat storage were made by a committee of the Texas Tech board of directors which included Chancellor E. Weymouth, Amarillo; O. B. Ratliff, Lubbock; and Charles C. Thompson, Colorado City, board chairman.

**This Week in WASHINGTON**

**WITH THE SENATE** in a snarl in debate over repeal of the Taft-Hartley Act and unable to agree on provisions of a new act to replace it, congress was still in a quandary over what to do about the controversial labor-management question.

In the face of this confusion, John L. Lewis has tossed his annual hand grenade by ordering his miners out of the coal pits for a week to cut down the stockpile above ground. The most serious question over which the hardest battle is being fought is one of government-seizure court injunctions in case of national emergencies.

For instance, the National Coal association is carrying full-page newspaper ads against any provision for government seizure of struck mines or struck plants should a national emergency occur. Labor leaders are equally adamant against any provision for court injunctions to halt labor strikes in a national emergency.

Meanwhile, the senate hearings over charges of Sen. Bourke B. Hickenlooper of Iowa against David E. Lillenthal, chairman of the Atomic Energy commission, continued with charges flying thick and fast from both sides.

Thus far, the consensus here in Washington seems to be that Senator Hickenlooper has not produced evidence to bolster his charges of "incredible mismanagement." Lillenthal has admitted there has been some laxity in minor employees and that the turnover among the thousands of employees in the vast AEC was large.

There is a move underway in the house to force the housing bill out of the rules committee by the end of June and the National Grange has gone on record as approving enough public housing to provide "a minimum for safety and health" but warned against destroying incentives.

With the lobbyists building a back-fire as a result of the proposed congressional probe of their activities, by charging that government officials also are daily lobbying congress, it appeared that the lobby resolution is scheduled to reach the senate floor within the next few days.

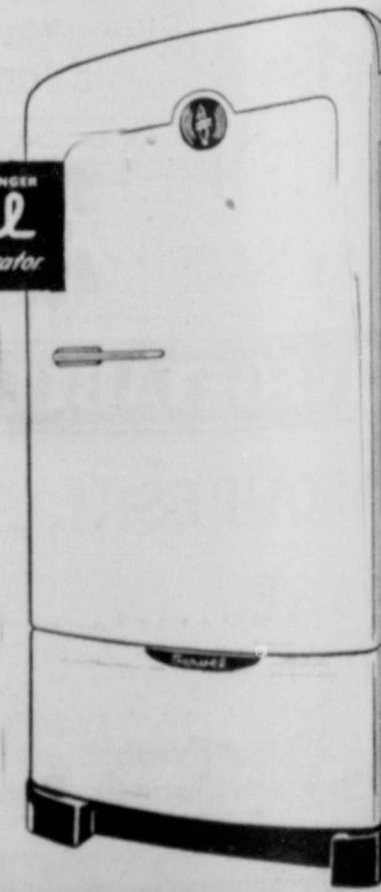

The house already has approved the resolution, but the senate judiciary committee has made two

## Hold Lead in Frames

ing but saw it fade as Duke batters found the range on Doc Pittman's offerings and gathered six runs off seven hits in the final six innings.

It was big James Batchelor's second consecutive win over the Owls. The Wellington right-hander gave up 13 hits while striking out four Owl batters and walking one.

Pittman allowed 11 hits and gave up two gratis bases. He kept Duke hitting well scattered except in the third inning when they collected three and in the fifth when four hits were made.

Memphis took a 2-0 first inning lead when Farmer and LaFollette scored. They added another tally in the third when Ford's double drove in Pittman who reached scoring position by slamming out a double. The Owls

remaining run was scored by Dennis in the seventh.

Wellington got two runs in the third frame three in the fifth and one each in the seventh and eighth.

# Ruyle Shuts Out Altus 9-0 Monday

Owl hurler Leonard Ruyle held Altus to five scattered hits to spark his teammates to a 9-0 victory at Altus Monday night. The shut out was the Owl's second consecutive loop win and raised their position in the league standings.

Altus used two pitchers in a vain attempt to halt the Memphis scoring barrage. The Owls collected 10 hits off the two moundsmen, Shaw and Preston.

The first Memphis score came in the top of the initial inning when LaFollette's single drove home Ford who had reached base on gratis throws.

From there in the Owls gathered runs in all but the third, sixth and ninth innings. They brought in one in the second, three in the fourth, one in the fifth, two in the sixth and one in the seventh frame.

## Renegades Outfit Tornados, Cards For Softball Wins

Donald Corley's Renegades opened their season with a pair of spectacular wins in the Boys Intermediate Softball League at the City Park Friday night. The Renegades bested Jimmie Morrison's Tornados, 16-2, and beat Duane Miller's Cardinals, 6-3.

Renegade hurler Bobby Crooks held the Tornados scoreless until the seventh inning when they collected their three runs. Doyle Collins and Snow Price led the losers rally.

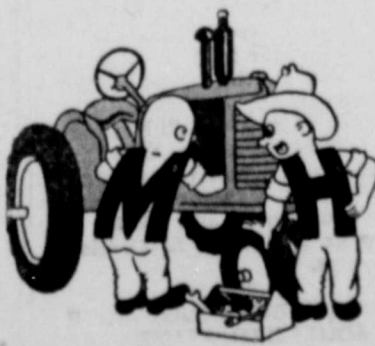

The Renegades hammered Cardinal pitcher Doyle Collins for 10 hits during the game. Jimmy Stewart led the winners attack with three hits. Jimmy Howard also collected three hits for the winners while Adrian Combs safely hit twice and Donald Corley and Bobby Crooks got one each.

Excellent pitching by Jimmy Howard enabled the Renegades to take the second contest from the Cardinals, 6-3. Howard, McQueen and Combs led the winner's scoring attack.

Chubby Cullin, Lloyd West and Duane Miller were the batting powers of the losers. West also turned in an outstanding performance in his pitching role for the Cardinals.

### Miss Pearlie Childress Becomes Bride of Jimmy Mitchell June 16

Miss Pearlie Childress, daughter of Mr. and Mrs. A. L. Childress of Memphis, and Jimmy Mitchell, son of Mrs. Eula Mitchell, also of this city, were united in marriage Thursday evening, June 16 at 7:00 o'clock in the home of the bride's parents. The Rev. Moran, pastor of the Primitive Baptist Church, read the marriage service.

Miss Ruby Childress, sister of the bride, was maid of honor. She wore a pink dress complimented by white accessories and a corsage of white carnations.

Elmer Childress, brother of the bride, served the groom as best man.

For her wedding, the bride chose a pink dress accented by white accessories, and she carried a white Bible topped with a bouquet of white carnations. She observed the traditional custom of wearing "something, old, new, borrowed and blue."

Immediately following the ceremony the wedding party was feted with a reception in the home of

### Mrs. T. J. Hampton Entertains Members Of Bucilla Club

Mrs. T. J. Hampton, 403 North Tenth, was hostess to members of the Bucilla Club for an all-day meeting on Thursday, June 16.

The group enjoyed a luncheon at the noon hour and the afternoon was devoted to quilting for the hostess. Mrs. Robert Cummings, president conducted a short business session at which time reports were given by various committee chairmen.

Enjoying this affair were three guests, Mrs. J. M. Ferrel Jr., Mrs. Gerald Knight and son Jerry and the following members; Mesdames Pearl Massey, Orela Monzingo, Ophia Webster, Clara Cummings, Buna Mayfield, Osie Scott, Clara Pritchett, Beas Crump, Mamie Smith and hostess, Mrs. Hampton.

### YWA Girls Enjoy Watermelon Feast

"Adventures in Missions" was the topic discussed by Nonna Lee Ellis when the Belle Grundy Y.W.A. Girls of the First Baptist Church met at the City Park Thursday evening, June 16.

Following the program, the group enjoyed a watermelon feast. Members attending were Jo Lamb, Lavern Rollins, Nancy Jones, Vernice Spencer, Ruth Jones, Lois Wines, Dorothy Hodges Adelle Harrell, Nonna Lee Ellis, Kathleen McMaster, and the sponsor, Mrs. J. O. Strother and Patsy and Jimmy Strother.

Both the bride and groom attended the Memphis schools. Mr. and Mrs. Mitchell will make their home in Memphis.

Wedding guests included the following: Mrs. Mitchell, Mr. and Mrs. P. M. Downey, Mr. and Mrs. J. W. Combs and baby, Mrs. R. D. King and children, Mrs. T. A. Guthrie and boys, Mr. and Mrs. A. C. Mash and daughter, Mr. and Mrs. L. E. Stephens, Mr. and Mrs. Elmer Childress, Mrs. Lorene Pickering and baby, Mrs. Opal Davis, Miss Pearl Tyler, Miss Betty Buck, Mr. Bobby Griffin, Mr. Burnine Downey and Mr. Pete Anglin.

### Mrs. Robert Scott, Jr., Recent Bride, Is Feted With Miscellaneous Shower

Mrs. Robert Scott, Jr., who before her marriage was Miss Jan Monzingo, was feted with a miscellaneous bridal shower in the home of Mrs. Clinton Srygley on Friday evening, June 10.

Guests were greeted by Mrs. Srygley who presented the bride, her mother, Mrs. Bill Monzingo; her grandmother, Mrs. C. T. Jarvis of Estelline; her aunt, Mrs. Joe Eddins of Estelline; and Mrs. Louis Said, sister of Mr. Scott.

Mrs. Roy L. Guthrie asked for signatures in a dainty, beautiful wedding record. Mrs. Anna Dickson presented each guest with a tiny apron, made of cloth and complete with pocket and ruffles.

Mrs. Hester Bownds, Mrs. Clifford Gompston, Mrs. Earl Hill, and Mrs. Clyde Reed performed the duties of the refreshment table, which was picturesque with a great bowl of blue corn flowers and white snap dragons. The bride's chosen colors, blue and white, were emphasized also in the mints and napkins. Mrs. J. J. McDaniel played appropriate recorded music throughout the entertaining hours.

Mrs. D. B. Kennedy and Mrs. Frank Ritchie ushered the visitors into a spacious living room where they viewed a thrilling display of lovely gifts, including linens, china, crystal, furniture, silver and kitchen utensils. Mesdames W. D. Young, Claude Hickey, Floyd McElreath and B. B. Smith assisted in showing the gifts. Mrs. Dan McCollum, a hostess, was unable to attend the shower.

Approximately fifty friends called during the party hours.

### Wesleyan Guild Enjoys Picnic Supper At Park

Members of the Wesleyan Service Guild of the First Methodist Church enjoyed a picnic supper at the City Park Thursday evening, June 16. Following the supper, a business session and program was featured.

During the business session, conducted by the president Mrs. Earl Hill, Mrs. W. D. Young was elected co-ordinator between the Guild and W.S.C.S. Mrs. Hill appointed the following committee chairmen for this year; spiritual life, Mrs. W. V. Coursey; missionary education and service, Mabel Lavender; Christian social relations and local church activities, Mrs. Gene Chamberlain.

For the devotional, Mrs. Hill read a scripture from the tenth chapter of Romans. She gave some of the main points of a talk given by Mrs. Bickley of New York at a recent Guild District Conference in Lubbock. The subject of the talk was "The Four Looks" and was divided into four parts as follows: one, the backward look; two, the inward look; three, the upward look and four, the look around.

Members present were Mesdames U. F. Coker, A. O. Gidden, Barney Burnett, Hester Bownds, A. Gidden, Perry Keyser, Earl Hill, Miss Dorothy Gowan, Audrey Beth Burnett, and Rev. and Mrs. Davidson and children.

The next meeting is calendared for July 7 and will be held in the Victory Sunday School class room. An invitation is extended guests to attend and the main feature of the meeting will be a candle light installation service. The meeting will begin at 8 p. m.

### VFW Auxiliary Members to Attend State Convention

Several members of the Memphis Auxiliary Post No. 7109 are planning to attend the 21st convention of the Department of Texas Auxiliary to the Veterans of Foreign Wars of the U. S. in El Paso next week.

The convention will open on Sunday, June 26, and continue through June 29. Headquarters will be in the Paso Del Norte Hotel.

Numerous events have been planned for those attending the convention including a bull fight and other interesting sights. The social calendar includes a kickoff breakfast, luncheon and banquet and dance.

Going from here will be Mrs. E. W. Godfrey Jr., president; Mrs. W. R. Scott, senior vice president; Mrs. Lloyd Vandeventer, junior vice president; and Mrs. Bill Crowder and Mrs. L. G. Rasco, delegates.

### G. M. DURENS ENJOY TOUR OF SOUTHERN STATES

Mr. and Mrs. G. M. Duren returned home Wednesday following a vacation trip which included a tour of eight of the southern states, Oklahoma, Arkansas, Tennessee, Georgia, Florida, Mississippi, Alabama and Louisiana.

While gone they visited their daughters, Mrs. Woodrow Martin in Springfield, Tenn., and Mrs. D. W. Nightingale in Jacksonville, Fla. Mrs. Martin accompanied them home for a visit here. They returned home by the southern route along the Gulf of Mexico.

McCORMICK-DEERING

**Farm Implements**

When you buy Farm Implements, you want to be sure that the machine is of standard make!

By this we mean:

Can you get repairs when the machine goes out of commission? McCormick-Deering machines, products of the International Harvester Company, come from the biggest farm machinery firm in the nation. They have stood the test of time. They have to be good, to have achieved their fine reputation.

Sure you can get repairs?

McCormick-Deering machines have been sold, repaired and guaranteed in Memphis for many, many years. Our repair shop is well equipped and manned by mechanics who know the machinery we sell and service. We carry a large stock of genuine replacement parts, and can give you expert service on repairs.

We are sorry, but there will be only a limited number of new machines available during the balance of this year. Let us know what you want in the way of tractors and equipment, and we'll do all we can to get them for you.

Meanwhile, we'll keep your old machinery running. Call on us today for the repairs that you will need later on.

### SPORTS AFIELD

By Ted Kesting

It's easy to control and use any dog's natural instinct to retrieve and it's a cinch to train a keen young dog.

James Lamb Free, authority on dog training, says that you gain nothing by starting a dog retriever—before he's 12 months old. A good young dog can be ready to hunt in one month with proper training.

Work him only 10 minutes a day—don't risk boring him. Never throw a ball or stick, but use a training dummy which is a burlap bundle tightly rolled, tied with string. In water, use a small, cork-filled boat fender.

### BLACKHAWKS DRUB EAGLES 10-5 IN JUNIOR LOOP SOFTBALL TILT

The second week of action in the Boy's Junior Softball League saw Duke Frisbie's Blackhawks and Billy Comb's Eagles their second consecutive setback, 10-5. It was a hard fought tilt with the Eagles leading 5-2 until the winners staged their impressive sixth inning hitting barrage. Frisbie scored two runs to pace his team in that department.

The Eagles' scoring was well divided among the players. Leading their attack were James Moss, Wayne Tiner, James Aduddell and Robert Breelove.

The next Junior League game will be played at the Park on Friday night, July 1, when Harold Cochran's Longhorns meet Ronnie Mac Smith's Bearcats.

Mr. and Mrs. Sam Hale of Phillips visited with Mr. and Mrs. Perry Hale and family. They were en route from Childress to their home.

Mrs. Linnie Cauthen and Mrs. Hulda Wilson spent the weekend in Clarendon with relatives.

Mr. and Mrs. G. J. Foxhall and sons, Harrol and Carrol, were in Dallas last week where Mrs. Foxhall went for a check-up following a recent operation.

watch him go. Next, stand in front of him when throwing in case he breaks. Make him sit for a bit longer now before speaking his name to send him out for retrieves. At last, stand beside him, repeating the order SIT as you throw the dummy. Make him wait a while. Then speak his name, gesturing with your hand toward the fall.

### Tech Records New High Enrollment For Summer Term

Enrollment for the first summer semester at Texas Technological college has reached an all time high of 2,832 students as compared to a 2,728 total for last year at this time.

Men students continue to outnumber women students by 2,071 to 761. Of the total enrollment, 434 are graduates, with a 167 increase over last year.

The division of arts and sciences is leading in enrollment with 915, followed by the engineering division's 678. The other divisions have enrollments of: business administration, 384; agriculture, 249, and home economics, 172.

Miss Jane Morrison visited with relatives in Lubbock last week.

Farmer said he had written let-ters to State Highway Engineer D. C. Greer and to Wright Arm-strong, general manager of the Ft. Worth and Denver Railroad. In these letters the danger now exist-ing to motorists at this crossing was pointed out, Farmer said.

"The large amount of traffic using this crossing certainly war-rants an electric warning signal in the opinion of the Chamber of Commerce," the secretary said.

One previous effort to have a signal installed at this point was made by the city. Negotiations never left the first stage, how-ever, and a compromise was reached with railroad officials to improve the 6th street crossing and drop this project.

Farmer said the Chamber of Commerce project had a good chance of being successful if the State Highway Engineer shows a favorable reaction to the proposal.
