Operation Urged For Anti-Polio Week Here July 4-9

FOUR CIVIC GROUPS AGREE TO HANDLE TRASH PICK-UP

"Anti-Polio Week" in Memphis will be held from Monday, July 4, through Saturday, July 9.

Mayor C. C. Hodges issued the proclamation ordering the special week today and officially set the campaign in motion. Plans for the week were mapped out at meetings held by Durwood Howell, general chairman of the drive, and heads of four local organizations who will co-sponsor the campaign with the city.

Organizations included are: The American Legion, Rotary Club, Veterans of Foreign Wars and the Lions Club. Frank Van Pelt met as representative of the American Legion, Allen Dunbar and R. C. Lemons for the Rotary Club, O. R. "Doc" Saye and Herschel Combs for the Lions Club and Bob Queener for the V.F.W.

Howell was appointed as general chairman of activities by Mayor Hodges at a city council meeting. Hodges and Howell represented the city at the meeting. These planning meetings were held Wednesday night, June 22, and last Tuesday. The group decided to stress cleaning up the city during "Anti-Polio Week" in an effort to check infantile Paralysis before it can strike here.

Memphis has been divided according to the four wards classified by the city government. Each of the four organizations will take the responsibility for hauling off all trash and rubbish from one of these wards. In addition, the city will be responsible for hauling off trash collections from Morning-

Last Rites For Prominent Man Held Here Monday

Funeral services for Oscar Lee Webb, 44, who was accidentally killed early Sunday morning when struck by a south-bound passenger train, were held at the First Baptist Church here Monday at 4 p. m.

Rev. Jeff Moore, former pastor of the First Baptist Church here, officiated at the services along with Rev. Roy Shahan.

Pallbearers were: Mack Graham, M. C. Allen, Jap Shaw, Thomas Clayton, Odis Kent and Fred Guthrie.

Flower girls were: Beverly Snell, Jo Ann Hart, Betty Bur-

Linda Sturdevant Elected 'A' Band Mascot for Year

Linda Gail Sturdevant was selected to be "A" band mascot last week, according to director Perry Keyser.

Little Linda Gail is a student in the third grade here. She is the daughter of Mr. and Mrs. O. A. Sturdevant.

Linda Gail is already an excellent twirler with some fancy tricks, according to Keyser.

During the "A" band rehearsals held on Tuesday and Friday of last week two more student officials were chosen by the "A" band members.

This completes the election of "A" band student officials for the coming school year, Keyser said.

Complete list of student officers includes: Scotty Grundy, president; Ann Spoon, secretary; Roddy Patton, librarian; Trayce Rhudy, band property officer; Beverly Snell, reporter; Patsy Jean Adeock, drum major, and Dorothy Deaver, head twirler.

Students who passed the "A" band enrollment test this past week are: Elizabeth Grundy, Ray Crawford, Jacky Gilbert, Carroll

Funeral Services For O. O. Hodges Held Here Friday

Last rites for Orville Owen Hodges, 64, were held at his home Friday at 2 p. m. with Rev. Boyd Fannin of Childress conducting.

Hodges died Thursday in Memphis. Burial was in Fairview Cemetery.

Pallbearers were: Eldrew Childress, Orvis Gilbert, J. M. Martin, T. H. Gilchrist, Joe Bradley and O. O. Hill.

Services were under the direction of Marcum-Vandeventer Funeral Directors.

Born March 19, 1885, in Erath County, Texas, Hodges had lived in Hall County for a number of years. He was a retired farmer.

He is survived by his mother, Mrs. Lydia Hodges, Memphis, and two brothers, Ike J. Hodges, Memphis, and Abel A. Hodges of Duncan, Oklahoma.

A number of nieces and nephews also survive.

NOT IN VAIN—Three years of hard work by members of the Durrett-Brown Post of the V. F. W. have paid off in the form of this fine building. They plan additional work in the future to make the building one of the finest of its kind in this section of the state.

Dollar Day Will Be Mon., July 11

Memphis' fourth Dollar Day will be held on Monday, July 11, rather than the usual first Monday in the month.

R. C. Lemons, chairman of the Chamber of Commerce retail committee, explained that this change was necessary due to the first Monday in July being Independence Day. Most stores in Memphis were expected to be closed on July 4 he said.

The past three bargain days in Memphis have been very successful, according to both merchants and shoppers. As in the past, Memphis merchants plan to offer many outstanding bargains on July 11. Many articles will be offered at less than half the regular price and some will be reduced to one-fourth the retail price.

Shoppers in the Memphis trade area should check their July 7 issue of the Democrat for the ads of Memphis merchants showing the many and unusual bargains they will be offering.

Postmaster Asks Co-operation of Rural Box Holders

Persons living on rural postal routes have been requested by Postmaster Jim Vallance to make certain that their names are plainly printed on their mail boxes.

"Postal regulations require this," Vallance pointed out, "and we are authorized to stop mail service to anyone who doesn't comply with this regulation."

The postmaster added that his office had no desire to enforce this regulation to the extent of stopping mail service although it might become necessary.

"We want the rural box holders to understand our position in this matter and not consider this just a foolish regulation with no logic behind it," Vallance stated.

He said the reason for this regulation was in case the regular rural carrier and his substitute were both unable to make the route.

"Under these circumstances the logic behind the request is obvious," he pointed out. "With both the carrier and his substitute unable to run the route how can anyone else be expected to know the names of the box holders unless they are plainly printed on the boxes?"

The postmaster said exactly such a case happened in the Memphis office not so long ago and caused the postal employees a great deal of difficulty.

Last Rites Held In Antlers for William M. Smith

Funeral services were held in Antlers, Oklahoma, Wednesday afternoon at the First Baptist Church for William "Wick" Mason Smith who died here late Sunday.

Smith had made his home with his daughter, Mrs. Roy Thompson, here since December 1948. He was a retired employee of the Oklahoma Highway department and had been in ill health for several years.

Funeral arrangements were under the direction of the Murphy-Spicer Funeral Home.

Smith is survived by six daughters, Mrs. Lorene Williams, Wichita Falls, Mrs. Roy Thompson, Memphis, Mrs. Annie Chadwick, Bluit, New Mexico, Mrs. George Henry, Purrell, Oklahoma, Mrs. Mabel Maddell, Lexington, Oklahoma, and Mrs. Sybil Hudspeh, Tulsa, Oklahoma.

Four sons also survive. They are: J. L. Smith and Garland Smith, both of Kermit, Artis Bee Smith, Antlers, Oklahoma, and Dan Smith, Oildale, California.

Five surviving brothers are: Charlie Smith, Sumner, Garland Smith, Mudsand, Oklahoma, Sam Smith, Antlers, Oklahoma, Walker Smith, Soaper, Oklahoma, and Hayes Smith, Crystal, Oklahoma.

In addition, 28 grandchildren and seven great grandchildren survive.

The Worm Turns On W. B. Wilson

W. B. Wilson, Sr., has a new version of the old fish story, but, unlike most tellers of fish tales, he doesn't particularly like to talk about it.

Mr. and Mrs. Wilson have just returned from a vacation in Colorado, and during their stay it seems they decided to do some fishing at Glenwood Springs.

Armed with a fly rod and lures in the true fashion of a veteran of the trout streams, Wilson went out to catch his weight in mountain trout.

Mrs. Wilson, however, was not enthused with the "new fangled" trout fishing equipment. She had her husband cut her a willow branch and, much to his embarrassment, proceeded to sit down and fish with worms.

Results of two days of such fishing: Mrs. Wilson snared some 27 trout. No report from Wilson on his results with his fly rod but a reliable source stated he would be exaggerating if he said anything above zero.

Many Stores Plan To Close July 4

A number of business houses in Memphis are expected to close in honor of Independence Day, July 4, Chamber of Commerce officials said this week.

A check-up indicated that drug stores and grocery stores will be open part of the day, at least, they reported. Dry goods stores are definitely on the closing list.

Other firms are also expected to close although no meeting of merchants to discuss the holiday had been held at press time. Grain dealers indicated that they would be open all day for the convenience of farmers not finished with their wheat crop.

PROCLAMATION

TO THE CITIZENS OF MEMPHIS:

Whereas certain sections of West Texas have been stricken with the dreaded disease known as infantile paralysis during the past few weeks and,

In recognition of the fact that unsanitary conditions tend to spread the germs of this disease I call upon every citizen of this city to recognize the existing dangers thereof and take all necessary preventive steps to keep our city safe from infantile paralysis.

NOW, THEREFORE, I, C. C. Hodges, Mayor of the City of Memphis do hereby proclaim July 4 to July 9 to be official ANTI-POLIO WEEK in this city and charge all citizens to co-operate to the utmost in making the campaign successful.

(signed) C. C. HODGES,
Mayor, City of Memphis

TWO NEW TENNIS COURTS WILL BE READY FOR USE IN NEAR FUTURE

Through the combined co-operation of the city, the Memphis schools and Matthew Allen, tennis enthusiasts in Memphis will soon have two new double courts for their use, it was announced this week.

The courts are being built on the Memphis High school grounds in the same spot the school's old asphalt-top courts were located. Superintendent W. C. Davis stated.

Davis said the new courts will be cement-topped and should be ready for use within the next 10 days or two weeks. Both courts will be equipped with lighting for night play, he pointed out.

"This is a project that has been needed for a long time," Davis said. "We are very grateful to Mr. Allen and to Mayor Hodges and the city government for their co-operation in sharing the expense and labor of building the courts."

He asserted that through this combined effort the courts were being built at a greatly reduced expense to Allen, the school and the city.

"It doesn't look so expensive," Davis said, "but when you start building two tennis courts you can figure your expense into the thousands of dollars."

The city is finishing two trucks

Harvest Is Completed

ACA Secretary Lynn McKnown said this morning that the wheat harvest in Hall County was completed except for possible small, scattered patches of the grain.

He reported 240 cars of wheat shipped from the county to date. The ACA office figures this to total some 384,000 bushels. With 40,000 bushels in commercial storage, the ACA estimates some 125,000 bushels are now stored on the farms.

McKnown said a great deal of the wheat was not of top quality although there was a large amount of No. 1 wheat sold. He said reports from the area around Turkey especially indicate a quantity of top wheat.

The ACA statistics have averaged the wheat throughout the county as No. 2. McKnown said. He added that farmers here have not had the combine and labor

Owls Face Childress In RRV Game Here Tonight

The Memphis Owls open their second round of play in the Red River Valley League tonight when they meet Childress at 8:30 at Estes Park.

Owl manager C. L. Pierce has indicated that he will have "Doc" Pittman on the mound against the visitors in an effort to move the local club above Childress in the league standings.

Memphis will play here again tomorrow night when they meet Paducah in a non-league affair. Pierce said Metz LaFollette, hero of Sunday's All-Sar game, will handle the pitching chores.

Mobeetie Quits Loop Paul Ord, president of the Red River Valley League, announced this week that Mobeetie had withdrawn from the league at a meeting Sunday and that the schedule was revised for the remainder of the season. Ord said each team will play 14 more league games, seven at home and seven on the road.

Pierce stated that this revised schedule will bring Wellington, loop pace-setters at the end of the first round of play, to Memphis Sunday afternoon for a

FIRST COTTON BLOOM PICKED

The first cotton bloom of the 1949 crop in Hall County was reported to the Democrat Tuesday in a letter from E. J. Galloway. At least, it is the first bloom that has been reported to this office.

Galloway said he picked the bloom from the cotton crop planted on his farm one mile west of Plaska.

He backed up his assertion in the most vivid way possible—by sending the bloom right along in the letter.

"I'll soon have a lot of them," Galloway wrote.

W. H. Sams of Lesley brought a stalk of cotton into the Democrat office this afternoon just before press time.

He said his crop, 15 acres of early cotton planted April 15, had its first blooms about June 20. The stalk Sams brought to the Democrat stood some 20 inches high, had one boll, two blooms and 10 squares.

Methodist Board Of Stewards Hold Election Meeting

The Board of Stewards of the First Methodist Church held their first meeting of their new fiscal year Sunday night at the church.

Officers re-elected were R. C. Lemons, chairman; F. N. Foxhall, vice-chairman, and G. M. Duren, secretary.

During the meeting the Stewards pledged their utmost co-operation in aiding the church in all projects throughout the year.

Members of the Board of Stewards are: W. D. Young, D. A. Neely, F. N. Foxhall, C. R. Webster, G. M. Duren, G. D. Howell, C. W. Broome, L. B. Merrell, R. S. Greene, Tommie Potts, Mac Tarver, W. H. Monzingo, W. B. Hooser, A. H. Miller, E. W. Solomon, Heydon Henaley, Clinton Srygley, R. L. Madden, R. C. Lemons, J. A. Anthony, O. M. Gunstream and Robert F. Spicer.

Plane Forced to Land Near Here Sunday Morning

A Stearman primary trainer aircraft flown by C. A. Dalley, was forced to make an emergency landing on the Charlie Gowan farm near Lakeview Sunday, June 19, about 10:45 when the fuel supply ran out. Dalley, an Oklahoma City resident, was uninjured and the plane was not damaged.

Ed Foxhall took the pilot enough gasoline to reach the Memphis airport. Dalley was en route to Albuquerque, New Mexico, from Oklahoma City, Foxhall reported.

Foxhall said he refueled at the local airport and continued to Albuquerque. He stated that the plane was an army surplus job.

METHODISTS ATTEND DISTRICT MEETING

Rev. and Mrs. Rollo Davidson and W. D. Young attended a social gathering for pastors and workers of the First Methodist Church Monday, June 20, at Lake McClellan.

Pastors and one worker from each church throughout the district were in attendance. A picnic lunch was served.

Mr. and Mrs. John T. Andrews and two daughters visited Mrs. R. R. Thompson here this week. Andrews formerly lived in Memphis and now resides with his family in Louisiana.

Memphians Attend Family Gathering In Amarillo Sunday

Mr. and Mrs. Ira McDaniel and children and Mr. and Mrs. Will Malone were in Amarillo Father's Day where they attended a family gathering given in honor of Mrs. McDaniel's and Mrs. Malone's father, Taylor Scott.

All of the Scott children were present with the exception of one son, Eugene Scott of Lamesa, who is a twin brother of Mrs. McDaniel.

The reunion was held in Elwood Park and a basket lunch was served at the noon hour.

Attending, other than the Memphis families, were Mr. and Mrs. Leo Scott and daughter of Cananda and daughter of Borner, Mr. and Mrs. M. and Mrs. Doyle Cronk Mrs. Austin Williams and children of Wellington and Mr. and Mrs. Hugh Scott and children of Amarillo.

Mrs. T. R. Harrison and Miss Laraine Cranberry of Dallas spent the weekend here in the T. M. Harrison home. They left Monday morning for Colorado Springs where they will visit Mrs. Harrison's parents, Mr. and Mrs. O. L. Jamison.

Mr. and Mrs. Paul Rogers and daughter were in Memphis Saturday. They were en route to Colorado Springs on a vacation.

Miss Barbara Terry of Wellington spent last week visiting Mary Vinson.

Poultry Award Is Offered to County 4-H'ers

Five 4-H members in Hall County are eligible to receive sterling silver medal awards for outstanding records in the 1942 National 4-H Poultry Achievement program.

Other awards provided by Dearborn Motor Corporation include an all-expense trip to the National 4-H Club Congress in Chicago next November for the state winner and \$300 college scholarships for each of 10 national champions.

The program is conducted under the direction of the Cooperative Extension Service.

In order to participate, members must care for a poultry flock. Keeping complete records, judging, demonstrations, exhibits and efficient management are all considered in determining the winners.

Morris Odum, Newlin, Tom Cope, Parnell, Jerry Byars, Raymond Martin, Joe Booth, Richard Salmon and Tommie Martin, all of Lakeview, were County winners last year. Odum won first place in the county.

There were 379 county winners in Texas last year.

Tells of Motor Trip

Memphis Couple Enjoy Vacation Eastern States And Canada

The following account of a week trip through the Eastern States and Canada, and Mrs. R. S. Greene and I left on Monday morning, May 23, for a motor trip through the eastern part of the United States and Canada. Our first day took us through Texarkana to Hot Springs, Arkansas. The Arkansas State Bankers As-

sociation was in session and most of the hotels were pretty well filled.

The bankers and their wives were no doubt getting some useful information from the convention, but they were having a good time and the city was rather "lively" to put it modestly. Having been in Hot Springs several times and having seen all the sights, I went out to the Hot Springs Country Club for my usual round of golf. This club enjoys the distinction of having three eighteen hole golf courses all starting from the same club house. All the courses are used since there are so many health seekers and visitors the years around.

Hot Springs is surrounded by mountains and the one principal business street is laid out between two mountains and extends in a semi-circle for more than two miles. It is a very pleasant place to visit during the spring and fall months.

After spending two nights and a day in Hot Springs we left on Wednesday morning for Tennessee, going via Little Rock. Had lunch at Brinkley, Arkansas, consisting of fresh caught cat fish

It is a residual spray which means that it keeps on killing insects long after the first spraying is done.

and "hush puppies"—sometimes called corn pone—all cooked in the best Arkansas style. A proper feast for an epicure.

After passing through the rice country and the very fertile part of eastern Arkansas we crossed the Mississippi River into Memphis, Tenn. Our car, in driving around the town, attracted quite a little attention since we had Monzingo Bros., Memphis, Texas, over our Texas license tag. Most of the natives didn't know there was a Memphis, Texas. Memphis is an old town but is modern, clean and attractive in appearance.

A MULE TALE

Leaving Memphis we drove through Tennessee via Jackson and spent the night at Camden, Tenn. Due to new dams on the various rivers either built or in the process of being built by the government the towns in this vicinity are showing signs of improvement and growth.

This part of the state is attracting many fishermen and hunters during the winter season for wild fowl hunting. Leaving Camden Thursday morning for Nashville we drove through the hill country of middle Tennessee where the farm homes rest on the ground in the back and stand on stilts in front and where they farm in circles around the face of the mountains.

I asked one farmer how they were able to cultivate the land since the hills were so steep. He said that they had one mule to plow on the rows going east whose left legs were longer than the right and another mule on the rows going west whose right legs were the longer. I didn't have my tape measure to measure the mules legs and I was afraid to ask how they got each mule back to the starting place when they had finished a row so I drove on.

The farmer really had two mules. But the more I think of it the more I am convinced that the farmer was "spoofing" me in the true Tennessee style.

SOUTHERN MANSIONS

We spent two days in Nashville visiting many points of interest. One of the most interesting was the Hermitage which is located some fourteen miles east of Nashville and was the home of Andrew Jackson when he was President of the United States and after he retired. It is well preserved and contains all the items that were in use during that part of the nineteenth century.

The slave quarters, the big open fire places where the cooking was done, the guest rooms, the formal parlors. It gives you a very clear picture of how reasonably wealthy southern gentlemen lived during that period.

From Nashville we drove to Knoxville and then through the Great Smoky Mountains of Eastern Tenn. Having been in all the states of the U. S. with the exception of two, I have never seen any more beautiful scenery than you will behold in going from Knoxville to Asheville, North Carolina. Beautiful streams, forests, wild flowers, mountains. Gatlinburg in extreme East Tenn. is no superior as a mountain summer resort. It is located in the heart of the Great Smokies. Asheville is located in the Blue Ridge mountains.

We spent a couple of days there visiting the famous Chimney Rock and other scenic areas but Biltmore, the wonderful home built by the Vanderbilts in Biltmore, a suburb of Asheville and now open to the public, was by far the most interesting. It looks like some of the old castles of England and at the present time would cost several million dollars to build and furnish as it now is furnished.

Vanderbilt spared no money in buying any and everything he might want in any part of the world. Included were famous paintings, tapestries, furniture, antiques from Europe, India, China. This looks like the houses you see in the movies, in fact quite a number of pictures have been shot in this house and gardens surrounding it.

It is an easy matter to spend a half day in this house and the wonderful grounds and flower gardens surrounding it. All are still beautifully kept. There are some three thousand acres in this estate and a model dairy is in operation by the heirs of the Vanderbilts and is open to the public. Several hundred of fine high-bred Jersey cows constitute the milk herd.

Asheville and vicinity is the center of many summer camps. One of the most outstanding ones is Montreat, the summer camp for the Presbyterian churches of America. The other protestant churches maintain camps there also. Many beautiful summer homes built by people of wealth from the cities of the east.

HISTORIC VIRGINIA

Leaving Asheville we drove through North Carolina having lunch at Salisbury for which the original town near Memphis was named, then to the Capitol city of Raleigh for the night. Next day we drove north through Petersburg to Richmond. The highways of Virginia are all marked with steel tablets mounted on steel rods by the side of the highway where it is easy to read—telling all about what happened at this particular place during the Revolution or the War Between the States.

If one had time to read all of

them it would have a very clear idea of both wars in so far as action in Virginia was concerned. Richmond is a very historical city and the state capitol. The guides supported by the state take great pleasure in showing you all about the capitol building and in telling you about the many historical meetings and speeches that have been made in this building.

Many of the old homes and churches are open to the public. The new Richmond has many fine hotels and wonderful business houses and ranks high among the cities of America in business and wealth.

From Richmond we took what is known as the River Road highway along the James River to Jamestown. Many fine homes were built facing the James River when about the only method of transportation was by boat. We made an inspection of the fine old home built and occupied by William Henry Harrison and Benjamin Harrison, two president of the United States. We drove on down to Jamestown, the first permanent English settlement made in America in 1607. It is a beautiful spot and it is easy to see why Capt. John Smith and his colony selected this site for a settlement.

Many of the old original landmarks are to be seen and monuments of Capt. John Smith and of Pocahontas and other monuments erected by the government but there is no town at Jamestown now. The island is completely deserted.

OLDEST CO-ED COLLEGE

Some five or six miles from Jamestown is located Williamsburg the original capitol of Virginia and the home of William and Mary college, the oldest co-educational college in America. In Williamsburg John D. Rockefeller, Jr., has spent several million dollars in restoring the old buildings just as they were before the days of the American Revolution. When you drive into town you can hardly believe that you are in present day America. The main street of the town, the business houses, the old capitol building, the governors home, the old churches, the Wil-

Mrs. Keith Wells, Recent Bride, Is Complimented with Lovely Shower

Mrs. Keith Wells, the former Miss Kathryn Ann Buchanan of Dallas whose wedding was an event of June 4 at the First Baptist Church in Abilene, was complimented with a lovely bridal shower Thursday evening, June 23, at Lakeview. The courtesy, which was extended by Mrs. Ed Hillhouse and Mrs. M. L. Smith, was held at the new home of the latter.

Guests were greeted by Mrs. Smith and presented to the receiving line which was composed of Mrs. Velma Cannon, grandmother of the groom; Mrs. Paul McCann, cousin of the groom; the groom's mother, Mrs. Del Wells, and the honoree.

Mrs. Paul Smith presided at the bride's book and Mrs. Harold Gatlin directed the guests to the dining room. Thee, the beautifully appointed, lace-laid refreshment table was a center of interest. The crystal punch service, which centered the table, was

placed on a reflector and encircled with vari-colored sweet-peas. Mrs. James Skinner laded punch and Mrs. Brown Smith served the decorated cake squares.

Other members of the house party included Mrs. Olton Pate, Mrs. C. C. Crozier, Mrs. B. E. Davenport, Mrs. O. L. Favors, Mrs. H. J. DuVall, Mrs. D. H. Davenport Jr., Mrs. D. H. Davenport Sr., Mrs. John Capps, Mrs. H. D. Payne and Mrs. Joe Durham.

In another room in the party suite gifts were displayed. Noted throughout the home was beautiful arrangements of cut flowers. Miss Iris Smith entertained throughout the party hours with piano selections.

Approximately 75 friends of the newlyweds called at the scene of the party during the evening hours.

Mr. and Mrs. Wells, who were here last week to visit with the groom's parents, Mr. and Mrs. Dell Wells, are making their home in Abilene. The groom attended A & M College and is a graduate of Texas Technological College at Lubbock. He is employed as a geologist in Abilene.

The bride attended Southern Methodist University and is now employed by Associated Aviation Underwriters.

Homemaking Girls Entertain Mothers With Tea Tuesday

Members of the Summer Homemaking Class entertained their mothers with a tea on Tuesday afternoon, June 28. The affair was held in the Homemaking department of the high school from 4:30 to 5:30 o'clock.

Guests were greeted by Shirley Hale, president, Frances Newbrough, vice president, and Joan Edwards, secretary-treasurer.

Other members of the hostess group included Patricia Alexander and Ann Young, who alternated at the punch service, Margie Young and Betty Beasley and Jeannine Miller, who presided at the register.

Mixed cut flowers were used throughout the department and in the dining room a color scheme of green and white predominated in decorative appointments on the tea table and in refreshment.

On display for the guests to inspect were articles made by the students during the summer. The collection included dresses, skirts, pot holders, blouses, bathing suits, embroidery work, children's garments, place mats, napkins, cup-towels and redecorated furniture.

Guests attending were Mrs. Ted Young, Mrs. Odell Newbrough, Mrs. Tom S. Young, Mrs. Phaeton Alexander, Nadine Padgett, Mrs. Pearl Duke, Jessie Faye Hammons, Betty Kennon, Mrs. Nona Foster, Mrs. Myrtle Hammons, Floe Hammons, Mrs. Clarence Gosch, Mrs. Clenton F. Srygley, Franklyn Lynn Srygley, and Jo Ann Hart.

Mrs. R. L. Rouse left Thursday for Dallas, Tyler and Kilgore where she will visit relatives.

Can Black-Draught Help That Dull, Dopey Feeling?

Yes, Black-Draught may help that dull, dopey feeling if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath — and if these symptoms are due only to constipation — then see what Black-Draught may do for you. Recent Bride Is Feted With Lovely Bridal Shower

A group of hostesses entertained with a lovely bridal shower on Thursday, June 23, to compliment Mrs. Betty Rogers, a recent bride. The affair was held in the Baptist Church.

Hostesses for the occasion were Mrs. Fred Nivens, Mrs. Claud Arnold, Mrs. M. L. Burnett, Mrs. Alpha Wade, Mrs. Frank Lyner, Mrs. Raleigh Adams and Mrs. Lois Crump.

Guests were entertained with an appropriate program which included the following numbers: piano selections by Mrs. Raleigh Adams, "June Bride" by Mozell Seigler, "Recipe for Making a Home" by Patricia McLean and songs by Barbara Adams and Patricia McLean accompanied by Mrs. Adams.

A toast was given to the bride by Mrs. Burnett and the gifts were presented by Nelda Joe Arnold and Patricia Nivens who pushed in a cart decorated in blue and pink. Janice Rogers and Sandra Kay Rogers assisted in presenting the gifts.

Punch and cookies were served to more than 60 guests.

Skipper Hall is Party Honoree on Fifth Birthday

"Skipper" Hall was honored Friday, June 24, on his 5th birthday with a lovely party at the City Park.

Guests enjoyed a series of party games and the play-ground equipment throughout the party hours. Other features of the party picture making and opening of the many lovely gifts presented to the honoree by his friends.

Refreshments of sandwiches, potato chips, cake and punch were served to the following: Cathy and Noel Clifton, Bill Jay and Mike Pounds, Fredna and Randy Brown, Kamey Kay Anthony, Jimmie Howell, Janice, Sue and Anne Pounds, Stevie Shelton, Donnie Spicer, Kathryn Fitzjarrald, Georgia and Lou Carol Saied, Jimmie Morris, Sam Goodnight, Shirley McGuire, Frankly Freelen.

Also Mrs. Dick Shelton, Mrs. Lewis Saied, Mrs. F. O. Pounds, Mrs. Herschel Pounds, Mrs. Lee Brown, Mrs. Otho Fitzjarrald, Mrs. F. L. Hall, Mrs. Alvis Gerlach, Mrs. Tom Way, Mrs. E. H. Stanford, Mrs. Noel Clifton, Mrs. Durwood Howell, and Mrs. Charline Carter.

Mrs. H. H. Lindsey visited in Lubbock from Friday until Sunday with her daughter, Mrs. Norman Heath and family. Mr. Lindsey went to Lubbock on Sunday and Mrs. Lindsey returned home with him.

Charles, Phoebe and Nancy Draper of Amarillo visited here the first of the week with their grandparents, Mr. and Mrs. Charlie Draper.

Liamsburg Tavern where Washington, Jefferson and other notables stopped when in the capitol looks exactly like it did in their day.

If you want to go back two hundred years in American history then visit Williamsburg. Stand in the room in the Capitol building where Patrick Henry made his famous speech "Give me liberty or give me death" and where many other speeches that played an important part in American history were made. You'll enjoy the wonderful hospitality extended by all the citizens.

We drove to Yorktown where Cornwallis surrendered to Washington ending the Revolutionary War. The old stockade and the general lay-out of the battle ground is still intact. From Yorktown we proceeded to Fredericksburg, another Virginia City, that played an important part in Revolutionary times for the night. Next morning we drove into Washington.

We spent a week in Washington in 1920 and except for the Capitol building the White House and a few other buildings you would hardly think that you were in the same town. The Pentagon Building and the miles of other government buildings that have been erected since 1920 changes the appearance of the Capital City until it is hardly recognizable.

The great number of government employees you see in the different buildings and in the restaurants makes you wonder what so many of them can possibly find to do to earn their part of the taxpayers money.

HOW TO GREASE YOUR OWN CAR

- FIRST . . .**
Put on your dirtiest clothes so you can crawl under your car.
- SECOND . . .**
Buy a supply of transmission, differential, universal joint, water pump and pressure grease, a grease gun and a spray gun. Also some penetrating oil and No. 40 oil.
- THIRD . . .**
Equip yourself with lots of strong words such as "Darn," and "Oh, Hang," and the like to use on the joints where the grease doesn't want to come through. Keep using these words until the grease comes out on the other side.
- FOURTH . . .**
Buy yourself a complete set of wrenches to use on the plugs that must be opened to inspect the lubrication supply inside. Also some new skin to graft on your knuckles when the wrench slips.
- FIFTH . . .**
Fill your spray gun with penetrating oil to spray the springs. Be sure not to breathe for about 10 minutes while spraying the springs or you may oil-plate the inside of your lungs, which is bad.
- SIXTH . . .**
Be sure not to miss any place that should be lubricated as it may cost you the price of twenty grease jobs for repairs.

Krupa Brings Famous Band To Childress

One of the outstanding drummers in the popular music field, Gene Krupa, will bring his famous band to Childress on July 6 for a dance at the Officers' Club, Childress Army Air Field.

The dance will be under the auspices of the Crippled Children's Association.

Krupa, who with Benny Goodman and Tommy Dorsey helped to educate the public to the rage of swing music back in 1934, is today one of the leading dance maestros in the country.

Since leaving Goodman's band to organize his own, Krupa has made a Paramount picture with his orchestra, has been featured on the radio networks, Columbia recordings and has played in the nation's top night spots.

Mr. and Mrs. K. H. Peresman and daughter Janet Gail of Pittsburg, Penn., visited here last week with Mrs. Peresman's sister, Mrs. A. Anisman and family.

County School Board Re-Elects Gidden As Head

Members of the Hall County School Board met in the County Superintendent's office here Saturday afternoon, June 18, to consolidate five school districts and elect a president.

Arthur Gidden was re-elected president of the county board. T. B. Rogers was appointed to the board from Commissioner's Precinct 1. He replaces Clarence Moore.

The County Board consolidated the following dormant districts within the Memphis Independent School District: Gammage, Indian Creek, Salisbury and Friendship. The Weatherly District was also consolidated with the Turkey Independent School District.

This action was made necessary by Senate Bill 116, one of the Gilmer-Aiken Bills, County Superintendent Mary Foreman pointed out.

This leaves only five school districts in Hall County, she said. They are: Memphis Independent School District, Estelline Independent School District, Turkey Independent School District, Lakeview Rural High School and Parnell Common School District.

Miss Foreman said that elections will be held at some future date within these enlarged districts to adjust valuations and tax rates.

Singing School Begins in Hedley Sunday Afternoon

Beginning July 3 there will be a singing school at the Hedley Church of Christ conducted by Bro. Ira Y. Rice, Sr., of Norman, Oklahoma.

The school will open with a group singing Sunday at 3 p. m. at the church, it was announced.

Bro. Rice has had many years experience in this type of work. It was pointed out, and conducted a similar school in Clarendon last year that was very successful. He will again hold a school in Clarendon this year immediately following the one in Hedley.

Bro. Rice stated that there will be two services daily. At 10 a. m. each morning there will be a school primarily for the young people but open to all, he said. A school will also be conducted each night at 8 p. m.

The public has been extended a cordial invitation to attend these services. The school is conducted for the benefit of the entire community and not just for the church, it was asserted.

Gregory Is New Superintendent At Estelline

The Estelline Board of Trustees has named C. O. Gregory to succeed R. L. Bates as superintendent of the Estelline city schools. Bates resigned to accept a similar position at Sunray.

Gregory will assume his duties on July 1. The new superintendent has had 14 years experience in the field of education. He has spent 12 of these years as a high school principal. Gregory was principal of Estelline High school for two years preceding his advancement to superintendent.

He holds a bachelor of science degree from Oklahoma A & M College and was principal of the Vinson, Oklahoma high school before coming to Estelline.

Mr. and Mrs. Jeff Wecher were Oklahoma City visitors Saturday and Sunday of last week.

Miss Elizabeth Benson of Hereford was a house guest in the home of Mr. and Mrs. Arlis McBee from Friday until Monday of last week. Miss Benson is a college friend of Mrs. McBee.

Bobby and Judy Lemons visited in Childress Wednesday and Thursday of last week with Linda Jane Denny.

Mr. and Mrs. Leon Piland and sons, Eddie and Gene, of Cactus spent the week with Mr. and Mrs. A. W. Piland and their daughters, Rachel and Mary Jane.

Mrs. W. C. Davis Attends School At San Marcos

Mrs. W. Carlton Davis of Memphis is among the 1,949 students who have registered for the first summer semester at Southwest Texas State Teachers College. She is the wife of W. C. Davis, superintendent of Memphis schools.

With the largest enrollment in the history of the college, administration officials are completing plans for a number of new buildings that will almost double present campus capacity. Construction on the first of these buildings is expected to begin early in the fall.

LETTER OF THANKS

Dear Friends, By means of this letter we wish to thank our many kind friends for the sweet letters, cards and flowers sent to our mother, Mrs. Electra Henderson, during her serious illness.

Your thoughtfulness brought solace and happiness to Mother during her suffering. We know you will be happy to learn that of late Mother Henderson's condition has steadily improved.

Due to other serious illnesses and also the passing away of our other beloved Mother, we find ourselves regretfully unable to thank each of you individually for your kindness.

Therefore, until time permits, please accept our humble way of saying many thanks to each of you.

Sincerely, Mr. and Mrs. Robert Henderson 302 Liscomb, Ft. Worth, Texas

more effective.
The County Agent gave these formulas: for chlordane, use one quart of 45 percent emulsion or two pounds of 50 percent wettable powder to each 50 to 100 gallons of water per acre. For toxaphene, mix one quart of 45 percent emulsion or two and one-half pounds of wettable powder in 50 to 100 gallons of water to spray one acre.
"If you are dusting these materials, do it when the grasshoppers are small," Hooser said. "Use one and one-half pounds of either toxaphene or chlordane per acre and as the hoppers grow, increase the dosage."
"When the hoppers are small, a 10 percent dust at 15 pounds per acre is recommended," he added. "Later on, make it 18 to 20 pounds per acre, or use a 20 percent dust at 10 pounds per acre."
Hooser called the farmers' attention to two precautions in using these insecticides. He warned not to feed forage treated with these insecticides to dairy cattle until at least three weeks after spraying or dusting and pointed out that it is a good idea to try and protect bees when possible by avoiding applying these chemicals to legumes in bloom.
However, the sprays are less harmful to bees than is the dust, Hooser said.
He also pointed out that early season spraying should be done where fleashoppers and other insects are sufficiently numerous to cause damage.
For effective control of these insects he gave the following formulas: 20 percent toxaphene plus 40 percent sulphur or a mixture of three percent gamma benzene hexachloride, five percent DDT and 40 percent sulphur (3-5-40 mixture).

When finished the courts will be among the finest in the Panhandle. In addition to the lighting, a drainage system is being installed on the courts that will assure tennis players of having dry courts shortly after a rain, it was pointed out.
Demand has been great for these courts by the young people of Memphis, Davis said. He added that everyone should join the school in thanking Allen and the city for their aid, without which the project would have been impossible to complete.

"While we are a new organization here, I think everyone should know that the national group has been organized in other places to all veterans ever since 1898," Queener pointed out.
Robert Bevers was post commander when the organization began planning for their new building, Queener said. He pointed out, however, that they had sought to raise funds for this building ever since the group was chartered.

"It was on February 17 that we decided to seek contributions to our building fund," Queener said. "After sending out 2,500 letters to citizens of Memphis and Hall County we raised enough funds to begin the project."

The ground was leased on March 2 and building began on May 3. The members of the local post did most of the actual labor themselves to cut down on expenses, it was stated. They worked nights and at any time it was possible for them to get away from their regular jobs.

"We would never have realized our goal had not the citizens of Hall County and Memphis co-operated with us so magnificently," Queener said.

The building, which is located on a site of land near the City Park on extreme north 6th street, is steel quonset type structure with a cement front. It is 40 feet by 80 feet with a main auditorium 40 feet by 60 feet.

Upstairs the building contains a lounge and meeting room for the Ladies Auxiliary. The inside rooms are finished with plywood and celotex. Indirect lighting is installed in the building.

When completed, the building will have a completely equipped kitchen, modern game room and the grounds will be landscaped.

All programs and dances are held in the main auditorium. It is hoped that motion pictures might be shown in the auditorium in the future.

"We don't have any special programs lined up for our building for the summer season," Queener said.

"However, we will continue to meet there every second and fourth Tuesday and will probably sponsor some dances throughout the summer months," he added.

Officers serving with Queener are: Bob Beavers, senior vice-commander; Noel Bruce, junior vice-commander; Gene Noah, quartermaster; John McCauley, adjutant; Lynn Jones, chaplain, and Durwood Howell, advocate.

WARNING—INFANTILE PARALYSIS CAN STRIKE HERE!—Simple, isn't it? Five little words that anyone can understand—Infantile paralysis can strike here!

But how many of us really understand the full meaning of "those five little words"? How many of us can see the vivid picture of tragedy and sorrow these five words portray?

San Angelo can grasp the full meaning of these words. Yes, and so can Plainview and a number of other Texas cities that have been hit by polio.

No respecter of individuals or locale, infantile paralysis is a constant threat to any community. Unsanitary conditions here in Memphis make this city an imminent potential danger area.

Take a long look at your child, your brother or sister, wife or neighbor, or even yourself. Your healthy physical condition is a blessing, not something to be taken for granted. If you have that "it can't happen to me" idea just glance at a newspaper picture of patients in polio sanitariums in Plainview, San Angelo or Dallas. They had the same idea—once.

A number of our citizens have realized the threat of polio here. They have met and worked out a plan of defense against it. Their plan is based on the only defense known—making Memphis as sanitary as possible to prevent polio ever striking.

Civic organizations have agreed to furnish manpower to help the project. But the whole campaign will be a farce unless every citizen pitches in wholeheartedly to make it successful.

What can you do? You can do plenty:

(1) Clean up your yard and alley and have the trash in piles so it can be picked up by the group responsible for your section of the city. Check in this paper for the date.

(2) Pitch in with your neighbors and clean up those vacant lots that are in such terrible shape. It won't take long or be hard if groups will work together.

(3) Once Memphis is cleaned up help keep it that way and don't let conditions get as dangerously unsanitary again as they are now.

(4) Talk up "Anti-Polio" week with your friends and neighbors. Encourage the project. It deserves every citizen's immediate attention.

There should be no necessity for the campaign officials to have to plead for your co-operation. Take another look at that healthy son, daughter, relative or neighbor and then pitch in and work! Remember, INFANTILE PARALYSIS CAN STRIKE HERE!

IS HARRY REALLY THAT BAD?—President Truman wants a 4 billion dollar tax hike. He says it is needed to keep the government from going into the red. It's high time that the law makers put their feet down on his demands for more money, every penny of which comes out of the tax payers pocket.

MEMPHIANS RETURN FROM CALIFORNIA

Mrs. Clyde Milam and her mother, Mrs. J. W. Stokes, returned to Memphis June 13 following a two month visit with Mrs. Milam's daughter and family, Mr. and Mrs. Frank B. Toner, in San Juan Bautista, California.

Motoring, Mrs. Milam and Mrs. Stokes went to California via the southern route, through El Centro and San Diego. While in Los Angeles they visited Mrs. R. E. Martin and son, Reuben.

Of special interest to the visitors, Mrs. Milam reported, was

a trip to San Francisco. They were very impressed with the famous "up and down" streets of that city.

High spots of their trip home included visits to Las Vegas, Nevada, Boulder Dam and Grand Canyon.

Mr. and Mrs. Robert W. Gilmer Jr., and son, Billy of Amarillo, Mr. and Mrs. R. C. Vinson Jr. and son, Wayne, and Mr. and Mrs. Que Meason and son, Bobby, both of Childress spent Sunday with their parents and grandparents, Mr. and Mrs. R. C. Vinson and family.

This Week in WASHINGTON

THERE IS INTENSE interest here in just what the senate will do with the huge military appropriations bill which is now in process of nearing before the senate armed services committee.

After much pruning and paring, from an original request for 23 billion dollars from the three service groups the bill went to the house asking for a military appropriation of 15.3 billion dollars. Such a large peace-time military appropriation shocked some members of congress and there was an immediate outcry from such men as Clarence Cannon, chairman of the house appropriations committee who said, "We can make sizeable and justifiable reductions."

Sen. Robert A. Taft of Ohio has said, "You can cut a billion dollars right out of the army budget. There isn't any more wasteful organization in the world than the army and navy."

So the bill goes to the senate committee with a total of 15.9 billion dollars instead of 15.3 billion and it remains to be seen just what the upper house can do in slashing the measure. This bill is the largest of all the appropriation bills and is more than a third of the total appropriations for all purposes. Senators Wherry of Nebraska, Edwin Johnson of Colorado, Alexander Wiley of Wisconsin and, of course, Harry Byrd of Virginia, all have forecast large cuts in the military budget. It must be approved and signed by the President by July 1.

According to observers here several factors stand in the way of any sizeable cuts. First, the unification of the armed services has disappointingly failed to bring about any sizeable reductions in expenses. Second, both houses voted last year almost unanimously for a 70-group air force. Truman has asked for a 59-group air force. The house upped its figure to 59 groups.

On top of this, the house has just voted through without too much opposition a service pay bill which boosts by \$300,000,000 a year the pay for all members of the armed services. And on top of this, congress is expected to receive within a short time

the President's military assistance countries of the to addition of Turkey. It is expected to ask for an \$1,450,000,000 for

When Your Back Hurts
And Your Strength and Energy is Below Par
It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

Memphians Enjoy Tour of 12 States

Mr. and Mrs. H. J. Howell and son Don and Mr. and Mrs. Bryon Baldwin returned last week from a two weeks tour of 12 states and the District of Columbia.

Their first stop was Little Rock, Ark., where they went to the airport and greeted President Truman on his arrival for the reunion of the 35th Division. Also in Little Rock they went through the state capitol, and the General MacArthur home.

In Nashville, Tenn. they visited the Hermitage, the old home of Andrew Jackson, and the Peytonon. In Louisville, Ky., they visited the famous Churchill Downs race track.

Their tour of Washington, D. C., was the main point of their trip. While there they visited the Capitol Buildings, Mt. Vernon home of George Washington, Arlington Cemetery, where there are 59,000 graves and made a

trip down the Potomac. They also visited historic land marks in Alexander, Va., and found Richmond a very interesting city. They also viewed the great steel mills in Birmingham, Ala., and the Memorial Park in Vicksburg, Tenn.

After traveling through these different states and cities they said Memphis and Hall County sure looks good.

Mr. and Mrs. M. H. McNeely of Houston are visiting his parents Dr. and Mrs. McNeely.

LaFollette Hurls All-Stars To 7-1 Win

Top stars from Red River Valley League teams dumped the loop-leading Wellington Dukes 7-1 in the annual All-Star game played at Wellington Sunday afternoon.

The superb hurling of Memphis' big right-hander, Metz LaFollette, provided the spark for the All-Star's victory.

LaFollette's offerings were just too much for the Wellington nine and they worked him for only two hits during the nine frame contest. Hendrich's double in the third and Francis' single in the ninth.

The Memphis hurler had a shut-out practically in the palm of his hand until Eldridge reached base via the gratis base route and was sent home on an All-Star error in handling Francis' single.

The All-Stars score early

The All-Stars, managed by Memphis boss, C. L. Pierce, took a first inning lead when LaFollette and Jantzen crossed the home plate.

They added two more runs in the third, two in the sixth and scored their final tally in the seventh.

Wellington used three moundsmen in a vain attempt to stop the Star's batting power. James Batchelor started for the Dukes but was relieved in the fifth after giving up five hits and four runs. He was blamed for the loss.

Moore relieved Batchelor but he was retired in the eighth after the slugging All-Stars had pounded him for four hits and three additional runs.

McDonald took over the hot-spot from Moore and gave up one hit during his brief stay on the mound.

This tilt marked the half-way point in the Red River Valley

League race with competition schedule to re-open in earnest this week.

Heavy Owl Hitting

Owls Drub Fort Sill 13-2 Here Saturday

The Memphis Owls uncorked a 14-hit batting barrage and held their opponents in check behind the four hit pitching of Leonard Ruyle and "Doc" Pittman to down a Fort Sill army team 13-2 at Estex Park Saturday night.

Ruyle worked the first five innings of the game and gave up three hits and the two Fort Sill runs. He was in complete command of the situation, holding a 5-2 lead, when Pittman relieved him. Ruyle was credited with the win.

Pittman's classy hurling kept

the army team puzzled and he galloped only one hit during his stretch on the mound. His offerings sent eight Fort Sill batters down via the strike-out route.

Ruyle struck out eight army batters during his mound duty.

Fort Sill took the lead in the top of the first when they sent two runs across the plate. It was the end of their scoring, however.

Memphis pushed over one tally in the first, another in the fourth, three in the fifth, two in the sixth, two in the seventh and four in the eighth.

The visitors used two hurlers and Delmonte, the starter, was charged with the loss.

West Texas State Grid Games Will Be Aired on KFDA

West Texas State College football fans who will be unable to attend their favorite college's games next fall will be able to hear them over Station KFDA in Amarillo.

Announcement was made this week of a contract signed between that station and the college to air Buffalo games over both AM and FM frequencies.

Four of the nine games scheduled will be played away from home. Home games include East Texas State, McMurry College, Texas Western (Mines), Houston University and Hardin-Simmons.

Ray Whitworth of the KFDA staff will do the announcing.

Lorene Lewis left Thursday of last week for a three weeks visit with her uncle, Truman Stogner and family of Long Beach, California. They will make a sight seeing trip into Old Mexico, Mollywood, and other points of interest in Southern California. Lorene and her cousin, Dian Stogner, plan to spend the 4th of July weekend in San Jose with their uncle, Hollis Stogner and wife.

Marian Buckley of Amarillo was a guest of Beverly Snell here from Saturday until Wednesday when she returned home.

Mr. and Mrs. Jeff Welcher of Parnell visited in Oklahoma City last week-end.

Mr. and Mrs. Jim Day of New Mexico visited with Mr. and Mrs. Jeff Welcher at Parnell Sunday.

Tech Halfback Is Eighth Raider to Join Pro Football

Ranks of Texas Tech football players in professional ball have moved to eight with signing of Charles Reynolds to a Los Angeles Rams contract.

Reynolds was leading Red Raider scorer the past two seasons and for three years was Border conference sprint champion in track. He is a graduate of Denver City, Texas, high school and lists Odesa as his home since his parents moved there. He graduated in mechanical engineering at Tech this spring.

Five former Tech footballers are with the Green Bay Packers. They include Walter Schlinkman, Dumas, fullback; Ralph Earhart,

Lefors, and Glenn Lewis, Quarterback; Bill Kelley, Idaho, end; and Bob Flowers, Plainview, tackle.

Tuffy Nabors, Lubbock, is a center for the New York Yankees, and Bernie Winkler, Temple, is a Los Angeles Dons tackle.

The Tech pros will report to their teams late in July or early in August. Reynolds, Schlinkman, Lewis, Kelley, Nabors and Winkler will get in shape on the field of Jones stadium on the campus.

Mr. and Mrs. Parks Mitchem have as guests this week Mr. and Mrs. C. L. Easley and children and Frankie Vawter, all of Los Angeles, Calif.

CONSTITUTIONAL AMENDMENTS

House Joint Resolution No. 19 proposing an amendment to the Constitution of the State of Texas...

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section, to be known and designated as Section 62-c, reading as follows:

"Section 62-c. The Legislature is authorized to provide for the creation of Civil Service Systems for county employees in the respective counties of this State, but any system so authorized and established shall be approved by a vote of the people in said county. Any Civil Service System established by virtue of this Section shall apply to appointive offices only, and the limitations on term of office heretofore provided by Section 30 of this Article shall not apply, but the duration of such offices shall be governed by the provisions of such Civil Service System. This Section shall not apply to counties having a population less than seventy-five thousand (75,000) people."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the fourth Saturday in September, 1949, at which election all ballots shall have printed or written thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR The Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein;" and

"AGAINST The Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Section 3. The Governor of the State of Texas will issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

same published as required by the Constitution and Laws of this State.

House Joint Resolution No. 32

proposing an Amendment to Article I of the Constitution of the State of Texas, by adding thereto another Section following Section 15, providing that the Legislature may provide for trials in lunacy cases without a jury; further providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article I of the Constitution of the State of Texas be and the same is hereby amended by adding another Section thereto following Section 15, to be designated Section 15-a, to read as follows:

"Section 15-a. The Legislature shall have the authority to enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for waiver of trial by jury in cases where the person under inquiry has not been charged with the commission of a criminal offense, and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

Section 2. That the foregoing Constitutional Amendment be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the fourth Saturday in September, A. D., 1949, at which election all ballots shall be printed thereon:

"FOR The Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases;" and

"AGAINST The Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases."

Each voter shall scratch out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Section 3. That the Governor of the State of Texas issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

House Joint Resolution No. 36

proposing an Amendment to Article III of the Constitution of the State of Texas authorizing the Legislature of the State of Texas to provide for the establishment and creation of hospital districts; providing for the Governor's proclamation and submission to the electorate.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section to be designated as Section 60, reading as follows:

"Section 60. The Legislature shall have the authority to provide by law for the establishment and creation of hospital districts in the counties of this State under such conditions as the Legislature may fix by law, and to provide for the support of said districts by a tax on the ad valorem properties situated in said counties; providing, however, that before any such district shall be created it shall be approved by a vote of the people in said district."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the fourth Saturday in September, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR The Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts;" and

"AGAINST The Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Section 3. The Governor of the State of Texas will issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

House Joint Resolution No. 38 proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be numbered 63 and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county, and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary, and shall first be authorized by vote of the qualified voters of such county. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of this State at an election to be held throughout this State on the fourth Saturday in September, 1949; and at said election the ballots shall have printed thereon the words "FOR

The Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees."

Each voter will strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed amendment.

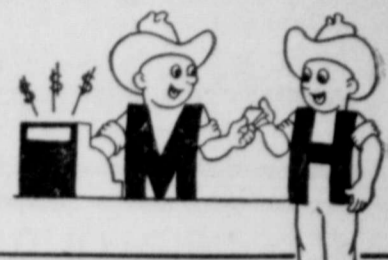

Section 4. If at said election, a State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed amendment published as required by the Constitution for proposed amendments thereto.

Sec. 4. Co-Operation
(Continued From Page 1)

Citizens Must Co-Operate
"However, these organizations will not be responsible or cleaning up the individual yards and lots," Howell pointed out.

"This is the job each citizen must take on himself," he said. "The rubbish must be collected by the people and placed in easily accessible locations in the alleys so the organizations can pick it up with a minimum of difficulty."

City Furnishes Trucks
Each of the organizations will be given a day to clean up the ward assigned them. Club presidents pointed out that it would take a maximum of speed and efficiency in order to complete the job of this time.

HAULING SCHEDULE
Tuesday, July 5, 8 a. m.—5 p. m., Ward 4.
Wednesday, July 6, 8 a. m.—5 p. m., Ward 2.
Thursday, July 7, 8 a. m.—5 p. m., Ward 1.
Friday, July 8, 8 a. m.—5 p. m., Ward 3.
Saturday, July 9, 8 a. m.—5 p. m., Morningside.

Therefore, they said, it is imperative that residents have their yards, alleys and lots cleaned up by the morning their wards are to be covered.

The city will furnish two trucks to haul off the trash and rubbish. A crew of men will be hired by the organizations to load the collected rubbish on these trucks as they pass through the alleys.

A city maintainer was busy Monday and Tuesday grading the alleys in order to make them as easy to pass through as possible for the trucks.

"We are going to haul off everything that is piled in the alleys for that purpose," Howell said. "However, it will insure more speed and efficiency if the people will burn such articles as tree limbs. If this is not possible just pile them in the alleys and they will be carried away," he added.

Hauling Schedule
There will be no hauling on Monday since it is a holiday, officials of the "Anti-Polio Week" drive stated. They pointed out that many businessmen would be at home that day and that it will be an excellent time for them to clean up around their homes and have all rubbish ready for hauling.

The American Legion will begin the hauling on Tuesday at 8 a. m. During that day they will cover Ward 4 which is bounded on

the south by Main street, on the west by 8th street and on the north and east by the city limits.

At the same time on Wednesday morning the Rotary Club will clean up Ward 2. This ward is bounded on the north by Main street, on the east by 8th and on the south and west by the city limits.

The Lions Club will work Ward 1, beginning at the same hour, on Thursday. Ward 1 is bounded on the north by Main street, on the west by 8th and by the city limits south and east.

At 8 a. m. Friday the Veterans of Foreign Wars will complete the trash hauling job in the city by working in Ward 3. This ward is bounded on the south by Main, the east by 8th and the city limits north and west.

Saturday the city will take the trucks to Morningside and complete the clean-up job.

Vacant Lot Problem
Howell and the club presidents discussed the problem of having the vacant lots cleaned up but could find no satisfactory solution unless the people living around these lots would voluntarily join forces and do the job.

It was pointed out that if such co-operative action was taken these lots could be cleaned very easily. Or, these living around such lots could share the expense of having them cleaned up at a minimum expense to each, it was added.

Project Important
"No one questions the necessity or importance of this 'Anti-Polio Week' clean-up campaign," Howell told the club prexies. "Everyone should be more than willing to devote a few hours of their time to the prevention of such a dreaded disease."

"A cleaning-up project is always worthwhile but gains much importance as a preventive of infantile paralysis," he added.

The club presidents and Howell have stated that the drive will receive all possible publicity.

Saye has agreed to let his pickup truck be used Saturday afternoon to spread the news and instructions throughout the residential sections of Memphis via a public address system.

The group plans to stress publicity even further by the distribution of over 1000 circulars Saturday. The Boy Scouts will co-operate in this job.

"Anti-Polio Week won't flop because no one knows about it," Howell pointed out. "We're going to tell the people and it is up to them to co-operate and make it successful. We are confident they will do a good job."

Former Resident Dies Wednesday

Word was received in Memphis Thursday morning of the death of Garner Kaker Wednesday at Bridgeport.

Kaker was well known in the Memphis area and had lived here from 1928 until 1944. Relatives said funeral services are incomplete but that they will be held in Memphis, probably Friday. Services will be under the direction of Murphy-Spicer Funeral Home.

Kaker is survived by his wife, two daughters, Geraldine and Juanita, and one son, T. A.

net, Gereta Graham, Frankie Strygley, Nancy Brewer, Yvonne Sturdevant, Lona Faye Collins, Barbara Myers, Rita Jo Hale and Anita Murphy.

Burial was in Fairview cemetery. Services were under the direction of the Murphy-Spicer Funeral Home.

Webb was killed when struck by the south-bound "Texas Zephyr" at approximately 1:05 a. m. Sunday, authorities reported. It was thought he was on his way home from the Memphis Compress, where he was employed as foreman, when the accident occurred.

J. S. Grimes, justice of the peace, said Thursday he had returned a coroner's verdict of accidental death.

Well-known in Memphis, Webb and his family have resided here for the past 10 years. He had been engaged in the cotton business for the past 14 years and was foreman of the Memphis Compress Company.

Born May 27, 1905, at Temple, Webb married Miss Flora Cochran on February 26, 1927, at Kemp. He was a member of the First Baptist Church and the IOOF Lodge.

Surviving are his wife and two

daughter, Mrs. Jack Monzingo and Miss Donna Webb, both of Memphis.

He is also survived by his mother, Mrs. Olive Webb, Terrel, and five sisters, Mrs. Sydney Durham, Kaufman, Mrs. Wyman Kelley, Terrell, Mrs. Leonard Benson, Kaufman, Mrs. R. A. Bridges, Ft. Worth, and Mrs. Joe Freeman, Garland.

Three brothers, Poper Webb, Earl Webb, Dallas, and J. J. Terrell.
