Scenic Highway Project Viewed With New Optimism By Backers

Hall Countians who have long proposed extending Highway 256 from the west edge of the county at Mulberry Creek to Palo Duro State Park interpreted new hope for their project this week when the Texas Highway Department agreed to pave the road in Palo Duro Park.

This action shows no outward approval of the highway project but it has been pointed out that it does indicate a new interest of state officials in developing and improving Palo Duro Park to the utmost.

Hall Countians and other civic-minded Panhandle citizens have long proclaimed Palo Duro State Park to be the outstanding tourist attraction of this section of the state and one of the best in the nation.

Many Advantages

It has been pointed out that this proposed "Scenic Highway" would offer an easily accessible entrance from the southwestern part of the park, increasing the tourist value as well as serving as a "feeder" highway to Amarillo and the Great Plains.

The park paving project approved this week by the State Highway Department will provide a paved road from the park entrance to the seventh crossing—the end of the park.

Improvement of the creek crossings will probably include low water bridges—paved crossings with culverts to carry the normal flow of the creek, Amarillo Mayor Gene Klein, an active promoter of the park development, stated.

It is a \$65,000 project. Klein said the State Parks Board is ready to spend money on improvements—providing drinking water, improving cabins, new road signs and such as soon as the road is paved to make the improvements accessible.

And since officials are sure such improvements will really establish (Continued on page 12)

Councilmen Veto Meters

Members of the City Council voted unanimously Tuesday evening not to install parking meters within the business district, at a called meeting to which businessmen and other interested parties had been invited.

The meeting was called following the decision last week by the council to install the meters on a trial basis for one year as a means of raising additional revenue.

Mayor C. C. Hodges, immediately after the session was called to order, reviewed the financial situation of the city and outlined present means of raising funds for operation of the departments. He called upon the group to help city officials find ways and means of increasing revenue.

Several business men spoke briefly to the body, expressing the thought that the city should not install parking meters.

In executive session, following the public meeting, the members discussed the following means of raising revenue: increase in valuation of property, sewer service charge and charge for trash hauling. No action was taken regarding any of the above suggestions, which will be discussed further at the regular monthly meeting on Tuesday, August 2.

Lakeview Gospel Meetings Begin Friday, July 29

A 10-day series of gospel meetings will be held at the Lakeview Church of Christ, beginning Friday, July 29, and extending through Sunday, August 7, Minister A. W. Francis announced this week.

He said that Gray Carter, minister of the Memphis Church of Christ will conduct the meetings. These gospel meetings will be held twice daily. Morning services are scheduled to begin at 10:30 a.m. and evening services at 8:30.

In addition to Carter, W. H. Whitefield will be present at the meeting and will be song director, Francis stated.

It was pointed out that a similar series of meetings were conducted last year by Carter and were very successful.

The Memphis Church of Christ minister recently returned from Missoula, Montana, where he conducted a two-week revival.

Francis extended a cordial invitation to everyone in the surrounding area to attend these gospel meetings.

Revival Meetings Scheduled for Brice

A series of revival meetings will be held at the Brice School House, beginning Saturday, July 23, and lasting through Sunday, July 31, it was announced this week.

Services will be held each evening at 8 p. m. and a cordial invitation has been extended to the public to hear Marvin King deliver this series of gospel messages.

Jack is a senior in high school and 18 years of age.

Local Linksters Lose to Shamrock Men Here Sunday

Shamrock golfers invaded the Memphis Country Club Sunday afternoon and defeated the local linksters 8-6 in 18-hole match play.

Results of the afternoon as given by local pro O. B. Smith include (Memphis names listed first):

Carl Harrison over Charles Sanders, 2-1; W. C. Davis downed by J. Bechtel, 5-4; Ace Gailey beaten by Flake George, 5-4; Otis Cobb lost to George Davis, 2-1; M. Paul Smith lost to W. Fields, 3-2; Joe Durham beat John Kennedy, 9-3 and Herschel Montgomery beat R. Caperton, 3-2.

O. B. Smith lost to Bill Holmes, 2-1; Jack Boone beat J. Sanders, 3-2; R. S. Greene downed Al Ryan, 3-2; Oren Jones beat Dr. R. M. Barkley, 5-4; Louis Saled lost to Lyle Holmes, 4-3; Buster Helm lost to Murray Davis, 2-1 and Ray Childress lost to J. Byron Brown, 3-2.

Two children preceded her in death.

Mrs. Courtwright's remains were taken to Sulphur overland by Murphy-Spicer Funeral Directors. Burial was in Sulphur under the direction of Murphy-Spicer.

Rites in Oklahoma Held for Mother Of Hall Countians

Funeral services for Mrs. Mary Alice Courtwright were held in Sulphur, Oklahoma, Monday, July 11, at 2:30 p.m.

Mrs. Courtwright, died at the home of her son, Edd Courtwright near Brice Friday evening.

She was born on August 22, 1868, in Mississippi, and later moved to Oklahoma where she lived for a number of years. Her husband, L. L. Courtwright, passed away in Sulphur, Oklahoma, on April 18, 1943. Mrs. Courtwright had been living with her son since last May.

She is survived by five sons, Edd and Leonard Courtwright, both of Brice, Luther Courtwright of Norman, Oklahoma, Leon Courtwright of San Diego, California, and A. D. Courtwright of Walters, Oklahoma.

Also surviving are three daughters, Mrs. Alma Henry, Norman, Oklahoma, Mrs. Nera Collier, Brice, and Mrs. Della Fairchild, San Diego, California.

Two children preceded her in death.

Life-Saving Unit Sought By Dept.

The Memphis Volunteer Fire Department has opened a contributions drive to raise funds to enable the departments to purchase a resuscitator for use on asphyxiation victims.

"There is a definite need for this equipment in our department at this time," Fire Chief Thomas Clayton pointed out in making the announcement. "The value of the resuscitator in reviving asphyxia victims cannot be overestimated."

Clayton said the fire department is now accepting contributions from citizens to buy the equipments, regardless of amount, would certainly be appreciated by the department, and, Clayton added, the contributor might someday be in a position to also be appreciative should he ever be a victim of asphyxiation.

"These resuscitators have saved thousands of lives in cases of smoke suffocation, carbon (Continued on page 12)

Precautions For D Spraying

W. B. Hooser, county farmer this week, advised orchard and Panhandle farmers that the Panhandle is being damaged by D-4-D spray.

Extension Re- has given several check when using D-4-D and farmers should be careful to them."

Perkins, who is the proprietor of Perk's Store, was the victim of an unusual daylight robbery, last Thursday. He had come back to the store from lunch, stayed in the store a few minutes and then locked the front door and went to the bank.

When he returned the front door was still locked but the cash register and the back door were wide open and the register was some \$58 lighter.

As Perkins reconstructs it, the thief walked in while Perkins was in the store without being noticed and stayed until Perkins went to the bank. He then robbed the cash register and made a hasty exit via the rear entrance.

Perkins said the robber took only paper money and left near \$10 in silver—evidently deciding to travel light in anticipation of a chase.

NEW DEMOCRAT FEATURE BEGINS IN THIS ISSUE

Do you have fond memories of the "good old days" when buggies outnumbered automobiles, radio was as sensational as television is today and everyone thought an atom was too small to worry about? It's the days of the "Roaring 20's" when peace and prosperity was the outlook and the Republicans actually had a president in office, Calvin Coolidge.

For those who like to look back on those days and for those who can't remember but like to read about them, The Democrat has gone into a reminiscent mood. Turn to Page 10 for our newest feature—MEMORIES—taken from Democrat files of 25 years ago.

Last Rites for W. G. Graham, 73, Held Here Tuesday

Funeral services for William Granville Graham, 73, were held Tuesday afternoon at 4 p. m. at the Marcum-Vandeventer Funeral Chapel.

Graham died in a local hospital Monday.

Rev. Roy Shahan conducted the services. Arrangements were under the direction of Marcum-Vandeventer Funeral Directors.

Burial was in Fairview Cemetery.

Pallbearers were: Leonard Graham, Joe Graham, Lester Graham, Calvin Groham, Jack Needham and Jimmy Spruill.

Born January 16, 1876, Graham moved to Hall County in 1908 from Clarksville. He was born in Alabama.

Mr. and Mrs. Graham lived in Hall County until 1947 at which time they moved to Wellington. He was a retired farmer.

Graham was a member of the First Baptist Church.

He is survived by his wife and one son, Billy Joe Graham, of Wellington.

Other survivors include a sister, Mrs. Eliza Austin, of Quitaque and two brothers, Robert L. Graham, Memphis, and Thomas D. Graham of Clarksville.

Former Lakeview Youth Praised As Track Star

Featured in the sports section of Look Magazine July 18 is Jack Davis of Hoover High School, Glendale, California.

Davis is the son of Mr. and Mrs. F. E. "Took" Davis of Glendale, formerly of Lakeview. He is the grandson of Mrs. J. R. Cannon of Memphis and Mrs. H. N. Davis of Lakeview. His father is the brother of Tracy Davis of Memphis.

Look calls young Davis the best all-round track and field man in California. He was praised as a hurdler, broad-jumper and relayist.

The article was especially complimentary of his feats in the 120-yard high hurdles which he has stepped off in the sizzling time of 14.4 seconds.

Jack is a senior in high school and 18 years of age.

Second Place Owls To Battle Shamrock Here

The Memphis Owls, after a victorious week on the road against Red River Valley League opponents, pulled up into a tie with Mangum for second place in the loop.

It was the only change in the standings from last week as Childress fell to Wellington 8-2 Sunday while Altus was slipping past improved Shamrock, 9-8.

Tonight the cellarite Shamrock nine will invade Estes Park and try to improve their lowly standings at the expense of the Owls. Although Memphis is heavily favored the game should offer plenty of excitement as Shamrock has improved rapidly in the past few weeks.

Manager C. L. Pierce has indicated that he will start either Bus Dorman or Metz LaFollette pitching against the Green Sox.

Saturday night the Owls will again play before the home crowd at Estes Park when they meet an army team from Sheppard Field in an exhibition game. The fliers were victims of a 7-1 loss to Memphis here on July 4 and will be (Continued on page 6)

MEMPHIS TEAMS WIN FOUR, LOSE ONE IN WEEK'S ACTION AGAINST LESLEY

The Memphis softball teams won three straight games at Lesley Thursday night. The Memphis Junior League Junior Boy's team defeated Lesley Junior Boy's team 9-7 in the opener.

Jackie Ben Boone and Jimmy West of the Memphis Juniors led their teams with two runs each. Billy Combs, Roddy Bice, and Max McCoy also aided the Memphis attack.

Joe Booth and S. D. Gunnison were leading Lesley scorers.

In the second game Duanne Miller's Cardinals blasted Lesley by a 14-8 score. Jimmie Stewart Lloyd West and Duanne Miller paced the Cardinals with three runs each. Also scoring for the Cardinals were Carl Lee, Chubby Cullin, Rayford Hutcherson, Don (Continued on page 7)

Baptist Youths Ready for Pan-Fork Camp

The Pan-Fork Encampment for Baptist youths from the Panhandle and North Fork Associations will be held at the camping grounds near Wellington through late July and early August, according to J. O. Strother, educational director at the First Baptist Church here.

Strother said a number of young people from Memphis will attend the encampment. Both Strother and Rev. Roy Shahan also plan to attend.

The first camping session will be for boys and will be held from Monday through Friday of next week. The girls will hold their camp from August 1 through August 5, he said.

The camp is located approximately six and one-half miles (Continued on page 12)

18 Year Olds Can Register At CofC Office

Hall County youths were reminded this week by the local draft board that they still must register upon reaching their 18th birthday.

Although draft board headquarters are now in Childress, Hall Countians can register in Memphis at the Chamber of Commerce office, it was pointed out.

Since the draft board at Childress is closed on Saturday and (Continued on Page 12)

For Better Fire-Fighting LOCAL FIREMEN RETURN FROM STATE SCHOOL OF INSTRUCTION AT A. & M.

Fire Marshall Henry Stinnett and Bill Vardeman returned Saturday from the 20th annual Firemen's Training School held at Texas A. & M. College, College Station.

The school began at 9 a. m. Monday, July 10, and lasted through Friday, July 15.

This was the fifth successive year that Vardeman, who is a regular engine driver for the Memphis department, has attended the school. It was Stinnett's first trip to the state-wide training school.

The attending firemen from all over the state stayed at the Y.M.C.A. and attended classes in the college buildings. Classes were held from 9 a. m. until 12 noon and from 1:30 p. m. until 4:30 p. m. There were also night classes of instruction.

Vardeman attended classes in the advanced course section while Stinnett went to those especially designed for fire marshalls.

Included in the advanced course were instructions in combined operation and extinguishment, protective equipment, organized training, size-up practices, public relations, emergency driving, effective fire streams, pump operations, ventilation and local problems.

Fire marshalls took instructions in fire prevention education, combined operations, inspection problems, investigation of causes of fire and suspected arson, public relations, legal aspects of investigation, records and reports and local municipal problems. In addition, they heard discussions on "Where Does the Fire Marshall

Childress Scene of Legion Zone 7 Meet

The regular monthly meeting of Zone 7, 18th District of the American Legion, will be held Friday, July 22, at 8:30 p. m. at the Childress Cox-Furr Post 65, it was announced this week.

Zone Commander James E. Faulkner has requested that all members from the Posts at Childress, Matador, Memphis, Paducah and Turkey attend this meeting if possible.

It will be the second meeting since the Zone has been organized. Faulkner said meetings will rotate from town to town, with the different posts playing host each month. He said there are over 1,000 Legionnaires in Zone 7.

R. B. Tucker Is New Estelline High Principal

R. B. Tucker of Hollis, Oklahoma, has accepted the position of high school principal at Estelline, it was announced last week.

The new principal holds a BS degree from Southwestern Tech at Weatherford, Oklahoma, and an MA degree from Gunnison, Colorado.

Tucker has 13 years teaching experience.

In addition, Mrs. Tucker, who holds a BA degree, will teach the Estelline seventh grade.

TEACHERS ENROLL AT WTSC, CANYON

Among Memphis teachers who left this week for Canyon to attend the second semester of summer school at West Texas State College are Mrs. Roy Guthrie, Mrs. Clinton Srygley, Perry Keyser, Mrs. B. B. McMillan, Miss Alma Bruce and Miss Margaret McElreath.

Fit in the City Government Organization, "Co-operation Between the City Fire Marshall and the Office of the State Fire Marshall" and "Problems of Co-operation Between all City Departments."

The visiting firemen were given a slogan to memorize for each session and were called upon at random to repeat these slogans. They included such catchy phrases as "Chaperone Your Cigarettes—They Shouldn't Go Out Alone" and "The Three Most Important Causes of Home Fires Are Men, Women and Children."

Examinations were given the firemen at the conclusion of the training to qualify for key-rate credit.

Vardeman and Stinnett reported that the school was very successful and that they learned a great deal of valuable information to aid in the prevention and fighting of fires in Memphis.

Former Memphians Husband Featured In Mural Exhibit

The exhibit, "Mural in the Making", now on display at the Dallas Museum of Fine Arts is receiving much favorable attention from art circles in the Southwest.

Featured is the mural work of Sante Graziani, son-in-law of Mr. and Mrs. J. S. McMurry of Memphis.

The mural is one Graziani submitted to the international competition held by the Springfield, Mass. Museum of Art in 1943 to place the commission for its mural project.

Graziani was winner of that competition. He submitted a small-scale, full-color design of his proposed mural, plus a detail in full size as well as in full color. These two paintings are in the Dallas exhibit, along with a small-scale, full-color tempera painting of his mural as revised for execution and a full-size, full-color detail from this version.

The differences included changing the costumes of several figures, the race of one or two and such background features as the pattern for a floor or ground area.

Three panels of six sketches each show studies of details. There are a full-size line cartoon and a full-size tone cartoon to illustrate these steps in the process. These cartoons are Graziani's full size design which were transferred or copied similar to painting a fresco.

Finally, the Dallas exhibit shows a panel of three large photographs illustrating Graziani's mural being painted on the wall and a panel of three more black-and-white photographs showing details from the finished mural.

Each of the stages in Graziani's mural work has an explanatory label so that the exhibit gives a fair idea of the process of creating and executing a mural.

This "Mural in the Making" exhibited by Graziani will be on display at the Dallas Museum until July 31.

The mural was recently displayed at Texas Technological College in Lubbock.

Sentinels of Health

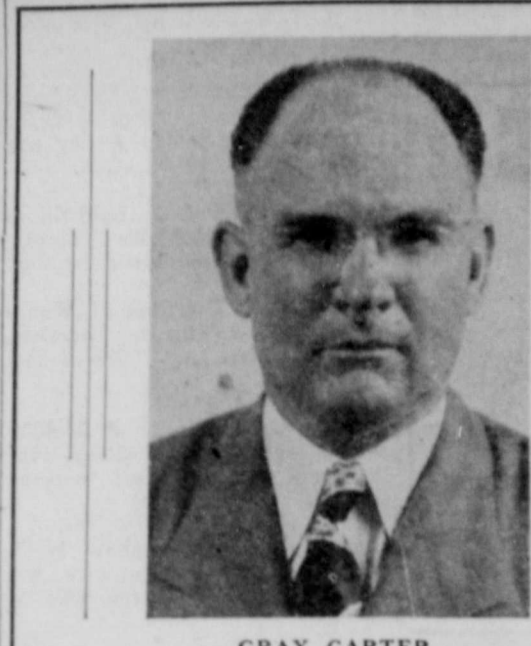

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The art of living—life matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use **Doan's Pills**. They have had more than fifty years of public approval. Are endorsed the country over. Insist on **Doan's** sold at all drug stores.

Bruce Gibson Wins Another Scholarship

Confirmation was received this week that Bruce Gibson of Turkey has won the Opportunity Award scholarship offered by Texas A. & M. College.

This award entitles Gibson to a \$250 award for four years at A. & M. The scholarship is given by the Ex-Students Association of Texas A. & M.

In addition, Gibson recently won another \$200 award given by the Anderson-Clayton Cotton Company for outstanding 4-H work.

Gibson is one of the county's outstanding 4-H workers and has won local, state and national recognition in the organization.

The latest award to Gibson was made following the announcement that he ranked highest on the competitive examination taken at College Station several weeks ago.

It raises his total in college scholarship awards to over \$1200.

LOCAL FLORISTS ATTEND CONVENTION

Mrs. W. T. Hightower and Miss Margaret Gibson were in Fort Worth from Monday, July 11, until Friday, July 15, attending the Texas Floral Convention.

The convention was held in the Texas Hotel and featured talks and demonstrations by leading florists from Texas.

Dunlop Tires are good tires—fully guaranteed—and can be bought at Reasonable Prices at Kermit Monzingo's, your Chrysler-Plymouth dealer.

Mrs. Harold Hodges, Davis Harrell and Calvin Davis of Wayland College, Plainview, visited in the home of Mr. and Mrs. Harold Hodges Sunday evening. Brother Milton Reding returned to Plainview with them.

Mrs. Bertha Gay has returned home after visiting her son of Goldthwaite.

REVIVAL MEETING BEGINS FRIDAY

Revival services will be conducted at Peden Memorial Baptist Church at Plaska beginning Friday, July 22, and extending through Sunday, July 31.

Rev. R. W. "Bobbie" Rine, pastor at Grow, will conduct the services. Davis Harrel, Wayland College student, will be in charge of the singing.

THE STATE OF TEXAS COUNTY OF HALL SHERIFF'S SALE

WHEREAS, on the 24 day of October, 1945, in Cause No. 2843 in the District Court of Hall County, Texas, wherein City of Memphis is plaintiff, and State of Texas and County of Hall, and the Memphis Independent School

Legal Notice

District are Impleaded Party Defendants, recovered judgment against Mrs. Lillian Munn, Defendant, for taxes, penalty interest, and cost against the herein-after described property;

WHEREAS, on the 8 day of June, 1949, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 9 day of June, 1949, seize and levy upon as the property of the above defendant, the following described property, situated in Hall County, Texas to-wit:

Lot 3 in Block 9 of Ansley's Addition to the town of Memphis, Hall County, Texas.

And I will on the first Tuesday in the month of August, 1949, the same being the 2 day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property county in the city or town of Memphis, between the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a part to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less division than the whole.

DATED at Memphis, Texas, this 1st day of July, 1949.

EARL E. HILL, Sheriff
Hall County, Texas 5-4c

THE STATE OF TEXAS COUNTY OF HALL SHERIFF'S SALE

WHEREAS, on the 8th day of February, 1947, in Cause No. 3039, in the District Court of Hall County, Texas, wherein The City of Memphis is plaintiff, and the State of Texas and County of Hall and the Memphis Independent School District were Impleaded Party Defendants, recovered judgment against Donna C. Lane, Defendant, for taxes, penalty, and cost against the herein-after described property;

WHEREAS, on the 5th day of May, 1947, by virtue of said judgment and the mandates thereof, the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding the sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof the sheriff of said county did on the 6 day of May, 1947, seize and levy upon as the property of the above defendant, the following described property situated in Hall County, Texas, to-wit:

Lot 7 in Block 1 of Naber's Addition to the town of Memphis, Hall County, Texas.

WHEREAS, on the 3 day of June, 1947, by virtue of said judgment and Order of Sale the sheriff of said county sold said property to City of Memphis for \$568.33 and for the use and benefit of itself and all other taxing units which are parties to said cause and which have been adjudged in said cause to have tax liens against said property; the deed evidencing said sale being dated the 3 day of June, 1947, and recorded in Volume 89, Page 321, Deed Records of Hall County, Texas.

WHEREAS, on the 8 day of June, 1949, City of Memphis, a taxing unit in the above numbered and entitled cause, requested me to sell the above described property at public outcry to the highest bidder for cash as provided by law;

WHEREAS, said property has not been redeemed in the time prescribed by law and that by virtue of the above described judgment and order of sale and the power and authority conferred on me by the laws of the State of Texas, I will on the first Tuesday in the month of August, 1949, the same being the 2 day of said month, proceed to sell all the interest of City of Memphis in and to said property acquired by virtue of the above mentioned deed at the principal entrance of the courthouse of said county in the city or town of two o'clock p. m. and four o'clock p. m. to the highest bidder for cash; provided, however, that as provided by law, I shall reject any and all bids which in my judgment are insufficient and inadequate.

seeking revenge.

Pierce said today that he will use either Dorman or LaFollette on the mound, depending on which one starts against Shamrock, Saturday night. The Owls stellar hurler, Leonard Rayle, is suffering from a sore arm but may see action in one of these games if he recovers, Pierce added.

Sunday afternoon the Owls move to Childress to try and keep the Cats on their losing streak. Childress has slipped down to fifth place in the circuit and will be trying desperately to get back among "the big four."

Doc Pittman will probably get the mound call against Childress. The Owls might move up on the pace-setting Wellington Dukes after this week's play as the leaders face a two-game stand against tough Mangum. Wellington currently holds a three game lead in the league.

How Much DOES A WATER SYSTEM COST?
It's Easy to Figure in Dollars and Cents, BUT...

The important questions to ask yourself are—How many hours of needless drudgery will it save? How much more time will I have for profitable work? How much will it actually increase my farm production?

We can answer these questions. Let us show you how a Dempster Water System pays for itself, then begins paying you. Come in today for details about a dependable Dempster system to fit your needs.

NEW MIRACLE DRUG

When you read about some new remedial agent that research scientists have discovered, do not expect to find it ready and waiting for you on the pharmacist's shelves.

The published report may precede by weeks or months the date on which the drug can be released for medicinal purposes. Research workers will continue to subject the new substance to test after test until they are entirely satisfied with its effectiveness.

Only after these hurdles are passed and the problems of mass production and shipping are solved will the drug be available for use as your physician may direct.

It takes time and labor to develop a new drug of this character. Many necessary scientific safeguards slow its progress to the pharmacy's shelves. As soon as these requirements are met, your pharmacist will have the new drug available, just as he has all the other amazing new medicines that have been developed these past few years.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit, Michigan.

Memphis Teams

(Continued from Page 1)
Stewart and Troy Taylor.
Lesley's leading hitters were Kenneth Sams, Joe Booth and Cecil Garrison.
In the final game of the evening Donald Corley's Renegades drubbed the Lesley Lobos 18-8. Gene Robertson and Donald Corley led the Renegades attack with three runs each, followed by Bobby Pat Young, Bobby Crooks, Sammy Rascoe, Adrian Combs and Wayne Saunders.
Scoring for Lesley were Kenneth Sams, Harold Kampey, Ross Dexter and Don Hillis.
Friday Night Games
Lesley came into Memphis Friday night and split a pair of games with Memphis teams at the City Park.
The Lesley "A" team beat the Cardinals by a close 5-4. The winners were paced by Nolan Garrison's home run while Carl Lee, Troy Taylor, Chubby Cullin and Charles Messer led the Cardinals.
Hanna Hurl No-Hitter
In the nightcap the Renegades shut out the Lesley Lobos 8-0 behind the no-hit pitching of Bobby Hanna. It was the outstanding hurling performance of the sea-

son. Only one Lesley player got on base and that on a walk.
Robertson, Corley, Combs, Crooks, Saunders and Wells each collected runs off Lesley pitcher Ross Dexter.
This Week's Schedule
Thursday Night:
Cardinals at Lesley, Junior League Teams at Lesley.
Friday Night (City Park)
Blackhawks vs. Wildcats; Cardinals vs. Newlin; Memphis Junior All-Stars vs. Lesley.
Last Week's Results
All three softball teams in the Intermediate League saw plenty of action during the six days from July 4 through July 10. Junior League teams were idle last week.
Duanne Miller's Cardinals won two out of four games for a .500 percent week; Jimmie Morrison's Tornados dropped two out of three games played and Donald Corley's Renegades won their single tilt.
On July 4 the Renegades slipped past the Cardinals 9-8 in a tight game at the City Park. Bobby Crooks collected three runs for the Renegades while Donald Corley and Bobby Pat Young followed with two runs each.
Lloyd West led the losers scoring with three runs and Bennie

West collected two scores. Chubby Cullin and Jimmy Gibson each made one run for the Cardinals.
Lesley's softball team took a 7-5 win from the Tornados in the nightcap on July 4. Nolan Garrison and Willis Clark led the visitors scoring with two runs each while Don Stewart, Mackie Allen, Ernest Shaw, Jimmy Morrison and Doyle Colling each gathered a run for the losers.
Thursday Night Games
The Cardinals and the Tornados traveled to Lesley Thursday night for return games and came home victorious in both tilts.
The Tornados outhit a Lesley team 8-6, in the hard fought seven inning opener. Don Stewart led the local team in scoring with two runs. Scoring for the losers were Joe Booth, Willis Slack and Kent Byars.
The Cardinals really opened up in the nightcap to blast the Lesley team 13-5. Frank Norman paced the Cardinal scoring parade with three runs.
Cards Drub Tornados
Friday night the Cardinals and Tornados met on their home grounds at the City Park with the Cardinals thrashing the Tornados 13-4.
Cardinal pitcher Lloyd West

kept the losers in trouble all night and held them scoreless in the last four innings.
The Lesley softball team came back to Memphis Sunday afternoon and downed the Cardinals 6-5 in the tightest game played in the League to date.
The Cardinals fought hard to tie up the game in the seventh frame but their rally fell short due to brilliant Lesley playing.
Carl Lee, Ronnie Smith and Duanne Miller were leading scorers for the losers while Kenneth Sams, Jo Booth Clark and Garrison paced the winners.

A Challenge To Hall County Farmers

Hall County farmers were warned last week by County Agent W. B. Hooser that their 1949 cotton crop is in immediate danger from the worst fleahopper plague in history.

It was pointed out that in some cases stalks stood from 10 to 14 inches in height but were completely stripped of squares by the tiny insects.

In view of these startling discoveries it is evident that all county farmers should take immediate and positive steps to eliminate the fleahoppers.

County Agent Hooser has presented a formula to the farmers for a spray to fight the insects. He has stated that materials in sufficient quantity are available and that effective spraying is necessary at once.

Because of the urgency of the situation here is a repetition of that formula from last week's Democrat: 20 percent toxaphene plus 40 percent sulphur or a mixture of three percent gamma benzene hexachloride, five percent DDT and 40 percent sulphur (3-4-40 mixture).

This year Hall County has the largest cotton acreage in its history. Over 160,000 acres of cotton have been planted on the regular row crop, with about 5,000 additional acres on wheat lands after the harvest.

With a continuation of favorable weather this could well be one of history's best years for cotton in Hall County. It would certainly be tragic if the fleahoppers were allowed to destroy a large portion of that crop.

County Agent Hooser wants farmers to remember that the fleahopper is just as dangerous as he is small. Almost undetectable, they are capable of stripping cotton stalks of their squares in record time. Therefore, the urgency of fighting the fleahoppers with insecticide cannot be overestimated.

We live in the area that is receiving statewide acclaim as "Cotton's Hometown". It is necessary that this most important of all Hall County row crops be protected in every possible way.

TELEPHONES and ELECTRIC RABBITS

In our efforts to provide telephone service for all who want it—we're a little like the greyhounds who chase an electric rabbit around the track. No matter how fast we move, we never quite catch up. This is because the demand for new service never slackens even slightly. We'd like to provide service for everyone immediately. Although that is impossible, we are continuing to install telephones for those on our waiting list at an increasingly rapid rate.

A DIFFICULT JOB OF OVERHAULING

Press Paragraphs—

QUOTING OUR NEIGHBORS

IT'S A LOSING FIGHT, JOE—The challenge of Moscow to the Catholic Church in Europe should be of interest to every liberty loving American. The war of the comms against religion is just another move that will extend against all churches should Stalin succeed in his plan to rule the world.

The News knows little about Catholicism. We have never had the opportunity to study this religion, or the practices of the church. Perhaps some of the impressions and information given us in earlier days are prejudiced. One thing is sure and certain, the Catholics have as much right to their form of religion as the Baptist, Methodist or any other church in existence. Stalin has no more right to war on the Catholic Church of Europe than any Protestant Church might assume that it has the right to war on the Catholic Church of America, or upon any other denomination with which it differs.

As we view it, this war of Moscow against the Catholic Church is a fight of all Christians and Catholics against all atheists.—The Canyon News

PRICE INSURANCE — Chairman of the House Committee on Agriculture, Representative Harold Cooley of N. C., has a suggestion for price insurance for farmers, that bears thought. The administration proposes a support of market price but Cooley says an insurance set-up is better than a flat government subsidy. If a crop had to be sold at less than the fixed minimum, the insurance policy would pay off the difference. Crop insurance against weather risks is no new story but this would be insurance against price loss. The trouble would be that if such insurance was financed entirely from premium payments, the premium might be too high for the nation's farmers to afford the insurance. But at least the idea to start with, has merit.—Havana (Ill.) Democrat.

POOR OLD HARRY—Up in the President's home State of Missouri, in the City of St. Louis, the mayor ordered whites and blacks to swim in all pools one night last week. Before the night was over many folks had been hurt as fights broke out all over and several men were seriously stabbed. Mr. Truman preaches social equality, but when such orders are promulgated he should be able to see what the results will be. Things were so bad that the day following the opening of the pools to negroes the order was rescinded and the three original pools for them had to be used by them. Negroes and whites can live together without conflict if both races will act like whites and negroes should.—The Kemp News.

17 MONTH NOTICE — Congressman Potter tells us that it takes 17 months to fire an incompetent stenographer out of a government job. Wonder how long it takes to hire her?

No doubt this statement is a surprise to some of us. Must be easier to get rid of a wife you don't like than to get rid of a stenographer that's no good.

We wish the government would do one of two things; either put their own house on a business basis or keep out of private business. Come to think of it, why not do both.—Onaway (Mich.) News.

This Week in WASHINGTON

ADMINISTRATION FORCES broke even in the congress this week with a victory in passage of the housing bill and a defeat in the senate over the injunction and seizure provisions of the labor bill in national emergencies.

The housing bill as passed provides for a goal of 810,000 low-rent housing units and would provide for the expenditure of \$1.5 billion in slum clearance over five years, for rural housing and for a broad housing research program. While the real estate lobby has charged that the cost of this bill will run as high as 20 billion dollars, the best estimate from observers here who are qualified is that the cost likely will be not more than 10 billion dollars spread over thirty years.

As far as the public housing feature of the bill is concerned, local officials in communities must ask for a public housing project before one can be instituted. This is another one of those measures which opponents have charged is "socialistic." However, if it is, observers point out, a majority of both the house and senate have voted for it.

In the fight over Taft-Hartley repeal and the administration's new labor law, it appears, say observers, that there likely will be no outright repeal at this session, that the amendments will largely follow those suggested by Senator Taft, and that thus the whole fight over the Taft-Hartley law will again be thrown into the 1950 elections.

Officials of the Department of Agriculture feel that farm prices have just about reached the limit of their decline and that they will level off for the next few months. Meat prices may decline further.

A judiciary subcommittee of the house is holding full-scale but closed hearings over the problem of resettling war displaced persons. One of the first witnesses was John J. McCloy, new U. S. high commissioner of Germany. Special attention is being devoted to some 14 million people who were forced from agricultural sections of Germany by war. Congressman Francis E. Walter of Pennsylvania said his committee is studying a plan which would authorize the World Bank to loan money to persons desiring to migrate.

One of the highlights of the week's news was the calling of

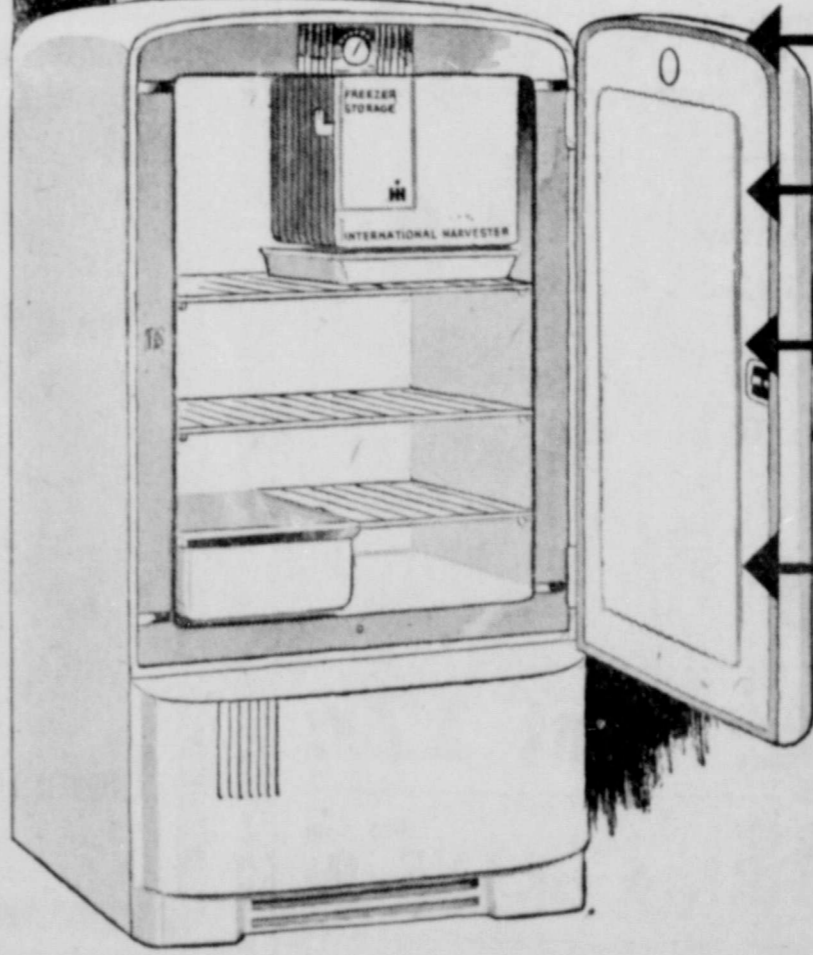

columnist Wood a witness before subcommittee. He refused to appear a subpoena by Andrew Jacobs said Foster "treasure of labor" subject of labor. The senate has new senate small tee. A former created after 80th congress congress.

The battle of the people interested in capital. The National association has "tens of millions" bills attacking the farm and other sections. Secret sessions Washington and down on NTEA and from which the "ordered NTEA to the ground they closely real dollar of the plates had been "the coop back duction." However agents confirmed the plates.

NTEA in reports that during the first year they have operations from 17 utilities are listed among the who gave them each. According to private utility companies the NTEA lobby a largest cooperative Cooperative association. The 17 utility companies are listed: Alabama Power, Arkansas Power & Light Company, Connecticut Public Service Company, Florida Power & Light Company, Louisiana Power & Light Company, Orleans Public Service, Inc., Carolina Electric & Gas Company, Texas Electric Light & Power Company, Texas Electric Light & Power Company, Virginia Electric & Power Company, Washington Electric & Light Company.

Former Resident Seriously Ill in Houston Hospital

Mrs. Jesse Jones is seriously ill in the New Hermann Hospital, according to word received here by Mrs. T. J. Dunbar.

Mrs. Jones is a former resident of Memphis and moved to Houston several years ago to reside with her daughter.

According to word received from Houston, Mrs. Jones fell on a slick floor in downtown Houston on July 1 and suffered a broken hip. It was a severe break and she underwent a two and one-half hour operation.

Following the operation Mrs. Jones developed pneumonia and is now under an oxygen tent at the hospital.

tutes throughout the United States. They are sponsored by the various State Chamber Executives' Associations and the Chamber of Commerce of the United States.

The managers spent the six days studying and attending lectures and demonstrations by outstanding Chamber of Commerce executives.

The Institute was held in the Baker Hotel and was highlighted by the annual banquet in the Baker's Crystal Ball Room. Speaker at this banquet was Charles T. Evans, vice-president of the Arkansas Power and Light Company.

Several of the topics studied and discussed were: "Promoting a Tourist Program," "Industrial Activities," "Civic Activities" and "Agricultural Activities."

This Institute is a school and not a convention, Farmer pointed out. It is a study of fundamentals and its purpose is to provide the essential "Know-how" to solve recurring problems, he said.

\$100 Take HOT CHECK ARTIST IS STILL FREE

Police from four counties are still looking for the 'hot check' artist who has been sweeping Panhandle cities and who added Memphis to his list of "takes" on Saturday, July 9.

Deputy Sheriff W. T. Baten reported that the police of Borger, Pampa, Dumas and Spearman are also seeking this man for passing bogus checks. Strangely, he has always used the name "James H. Stevens" which is actually his name, according to Borger police.

He is a resident of Borger but police there haven't been able to locate him.

Stevens gave three bad checks in Memphis on July 9 totalling near \$100. Victims of his pen were Greene's Dry Goods, The Popular and Selby's Boot Shop.

Muriel Jo Cockran, Durward Henry, John Wilker and Dorothy Wilcox went to Roaring Springs Sunday where they enjoyed a picnic and swimming party.

MEMPHIANS LEAVE FOR FISHING TRIP

Three Memphis families left this week for a fishing trip to Colorado. Included are Mr. and Mrs. E. E. Cudd, Mr. and Mrs. O. V. Alexander and Mr. and Mrs. M. C. Allen and children, Barbara and Mackie.

They plan to stay for an extended period of from a month to six weeks and will fish near Gunnison, Colorado.

J. H. Butler spent the week end in Dallas and Arlington visiting with his sons, W. H. Butler and Willard Butler.

Mr. and Mrs. Elbert Stevens of Amarillo visited in the Fred Butler home over the week end.

Contour Seeding Approved for Year

Approvals for the contour seeding of wheat will be issued again this year in Hall County, beginning August 15 through October 15, according to ACA secretary Lynn McKown.

This practice applies to the seeding of all small grains, legumes and grass seeded to the contour following terraces, he said.

The payment for this practice

for 1949 is 25 cents per acre, it was added.

This contour seeding practice was approved for 90farmers last year and the AAA paid \$2,634 for the contour seeding of 10,539 acres in Hall County, McKown stated.

Producers wishing to earn payment should get applications for approvals at the AAA office, he pointed out.

Blast Matador
Last Thursday night the Yellow Jackets traveled to Matador and blasted their girls' team 21-10. The Matador girls pulled ahead 10-4 in the second inning but weren't able to match the fast pace the Yellow Jackets featured in the last five innings.
Yellow Jacket pitcher Nellie Taylor kept the Matador team scoreless the last five innings.
Tournament Game
Manager T. D. Weatherby said the Yellow Jackets will meet Childress Saturday night to open their end of the tournament sponsored by the Childress Girls Athletic Association.
Games will be played on Wednesday and Saturday nights. Weatherby said. The tournament carries a \$100 first prize and a \$50 second prize. Games begin at 7:45 p. m. at the Childress City Park.
A complete tournament schedule wasn't available but Weatherby said a number of outstanding teams are entered including: Silvertown, Pampa, the Borger Bees and two Amarillo teams, the Generals and Blue Bonnets.
Only other game now on the Yellow Jacket schedule is a tilt with the International Harvester Girls at McLean Wednesday night, Weatherby said.

Scenic Highway
(Continued from Page 1)
the Palo Duro Park as a state park they see new hope for the extension of Highway 256 to make it an entrance.
Another Factor
Still another factor—the URRFICD dam proposal—adds to the possibility of extending this highway, Memphis Chamber of Commerce Manager Clifford Farmer pointed out.
Should this dam, which is receiving favorable attention in Washington, be built, the highway would gain more importance serving as a gateway to both Palo Duro Park and the huge lake which result.
It would then be truly one of the most scenic routes in the country, Farmer said.
This highway extension proposal has been viewed favorably by officials throughout the Panhandle as well as in Austin. No definite actions have been undertaken to date, however, since leaders of the Palo Duro Park felt the park paving project should be successfully cleared first.
This highway extension might well be the next step in building Palo Duro State Park into the leading tourist attraction of Texas.

4. Do not apply 2,4-D with ground equipment in wind velocity greater than five miles per hour when susceptible crops are within one-half mile downward or one-eighth mile upwind.
5. 2,4-D should not be released from an airplane at altitudes higher than 10 feet above the ground when wind velocity is greater than five miles per hour and susceptible crops are within one mile downwind or one-fourth mile upwind from the application area.
"Of course, it is up to the individual to take these precautions but unless he wants to find himself in serious trouble from damage to his own crops or those of his neighbors they should be followed to the letter," Hooser said.

monoxide poisoning, drowning, electric shock, heart attack and other asphyxiation emergencies," Clayton said.
He was emphatic in pointing out the need of the equipment in the Memphis department.
The resuscitator, with its automatic breathing action, is portable and can be operated flat down, upright, on either side or upside down should the occasion demand.
It can also be operated with the case closed and carried alongside a moving stretcher.
"It is actually three machines, in one," Clayton said. "It breathes for those who cannot breathe for themselves, it automatically warns of breathing passage obstructions and provides for their removal and it serves as an oxygen inhalator when only that function is required."
Clayton stated that those who wished to make contributions toward buying the resuscitator should leave their check or donation with Winifred Wise, fire department treasurer, or with some member of the department.
