Times Drive Will Short

Hall County is still under the way mark in its 1950 quota for the March of Dimes. County Chairman R. C. Lemons announced this morning that the quota on funds raised is now approximately \$2,300. The quota for Hall County is \$5,000. Reports from Turkey and Lakeview are still in, however. Lemons said efforts to reach the quota will be redoubled during the last week of activity. The drive officially closes Wednesday. "We need the full cooperation of every citizen to bring us up to our quota for this worthy cause," Lemons said.

Funeral Services Held at Lakeview Monday for Nall

Funeral services were held at the Lakeview First Methodist Church for C. E. Nall, 78, Monday at 3 p. m. Nall died at the home of his daughter, Mrs. Edna of Eli, Sunday. He was a lifetime resident of Hall County. Rev. O. C. Evans, pastor of the church, conducted the services. He was assisted by Rev. Roy Shahan, pastor of the Memphis First Baptist Church.

Pallbearers were Ed Hillhouse, Jim Smith, Phaeton Alexander, Paul Smith, Hugh Lambert and Joe Miller.

Mrs. Phaeton Alexander, Grover Roden, Hugh Lambert, Joe Miller, Paul Smith and Ed Hillhouse were in charge of the flowers.

Charlie E. Nall was born November 9, 1871, at Mt. Pleasant. He moved to Hall County in 1906 and was married to Miss Agnes Glasgow on November 11, 1906 at Eli.

Nall was a member of the Lakeview First Methodist Church and a member of the IOOF lodge.

Nall preceded him in death on February 14, 1920. He is survived by three daughters. (Continued on Page 8)

Hall County Has 3087 Voters

For 1950 Election
There are approximately 3087 Hall County residents eligible to vote in the 1950 elections, according to the county tax collector-assessor J. W. Coppedge.

This figure was totaled in his office this week after poll taxes and exemptions were counted. The county has 2647 paid voters and 440 exemptions.

The figure is comparable to that of 1948 when slightly over 3000 qualified voters were registered in the county. This year's total is from 15 to 20 per cent short of the estimated potential.

Rural Road Talks Scheduled Tuesday

A county-wide meeting, looking to a better rural roads program, will be held in the county courtroom of the Hall County courthouse here Tuesday at 7:30 a. m.

Robert G. Dillard of Austin, executive director of the Texas Rural Roads Association, will speak at the meeting. He will be principal speaker at the county club luncheon Tuesday.

Dillard's visit to Memphis has been arranged through the cooperation of County Judge M. O. Bodnar and James F. Smith. Dillard will seek to enlist the aid of road-minded persons in the promotion of legislation to improve rural roads faster than present methods allow. He asserts that it will take 107 years to pave all our rural roads unless methods are speeded up.

The director of the road group will be no stranger to many Hall County residents. He holds BA, BS and A degrees from West Texas State College and is a former superintendent of the Donley County schools.

Complacency Threatens America, Wayland President Warns C-C

Complacency is a more serious threat to our American heritage than Communism, Dr. J. W. Marshall told some 250 members and guests attending the 30th annual Memphis Chamber of Commerce banquet here Friday night.

"We show too much concern over the progress of Communism and not enough over the workings of Democracy," the Wayland College president asserted to the near capacity crowd at the Memphis High School gymnasium.

Dr. Marshall said that observance of law, development of high morality and noble character constitute our best checks against the threats of Communism.

"We need men who live out the highest principles of Christianity, not merely those who talk about it," he said.

He branded our government's foreign policy in China as "perhaps the most serious blunder in the history of our state department."

Asia is Important
"General MacArthur has stated that once China is lost, the defense of Japan will be practically impossible. Dr. Marshall said, "If this be true and if India falls to Communism, half the population of the world will be under Red domination."

He asserted that most of these countries were favorably inclined toward our government but that our complacency and neglect is driving them into the enemy camp.

"Before the collapse of China I sent President Truman a telegram saying that there were only

two policies we could follow in regard to that country. One would be to give all the support possible to the Nationalist government—a government not perfect but one with which we have much influence and might reasonably hope to teach the fundamentals of democracy.

"The only alternative would be to let Communism take control of the Chinese government—a move which would not only cost us our influence but would actually make the nation hostile to us.

"I told the President that I could not understand how our conscience could permit any policy but the first."

Watch Communism
Dr. Marshall asserted that our

experiences prior to World War II evidently taught us very little. He was referring to our complacent attitude toward Japan and Germany when those nations rose to power.

"And yet Communism is a much greater threat than either of these," he said.

He pointed out that Dr. Richard Struna, former wealthy Czechoslovakian industrialist, was recently on the Wayland campus and described his experiences under both the Nazis and Communists.

Hitler's actions were only "kindergarten stuff" when compared to Stalin," Dr. Struna reported. Dr. Marshall said that "true democracy" is being lived here in the Southwest—in rural America.

He advocated the practice of drawing from this section the personnel for this nation's diplomatic corps. He revealed his theory of bringing foreign students to this country to study—not to the large cities but to the rural sections—and then sending them back to their native lands as enthusiastic and voluntary ambassadors of democracy.

Wayland College, under Dr. Marshall's administration, increased its ratio of foreign students and now ranks first in the South in this respect.

28 C-C COMMITTEES SELECTED TO CARRY OUT 1950 PROJECTS

Committees to carry out the activities of the Memphis Chamber of Commerce for 1950 were named this week by president Herschel Combs and Manager Clifford Farmer.

The list includes 28 committees, headed by the important agriculture group. This committee has been sub-divided into five groups with a chairman for each division. H. J. Howell is general chairman of the Agriculture Committee.

One new committee was created this year by the Chamber of Commerce. This is the Co-ordinating Committee, headed by President Combs. The group is responsible for holding planning clinics and will set up a calendar of future events to avoid any confusion in the organization's projects. Members of this committee are presidents of service clubs, patriotic organizations and special interest groups.

Committees are as follows:

Three Deadlines Set This Month By PMA

Three deadlines—each of them important to Hall County farmers—will be reached this month PMA Secretary Lynn McKown said Wednesday.

The three deadlines concern the cottonseed buying program, cotton acreage allotments and the chiseling program.

McKown said that applications

for cotton acreage allotments under the 1950 program will not be accepted later than February 28. "There are 100 farms in the county that have not applied for allotments," he stated. He pointed out that farmers who do not apply for and follow the quota will not be eligible for the government price support of 90 per cent of parity price.

McKown said the cottonseed buying program for 1950 goes out of effect on February 15. This program is a cooperative agreement entered into by the local gins, oil mill and the Commodity Credit Corporation.

Under this buying program, the Hall County Production and Marketing Administration supports the price of cottonseed in the county at \$48.50 a ton. McKown would not comment on his opinion of the cottonseed price after the program goes out of effect Wednesday. That will be the last day farmers can sell their cottonseed under the guarantee.

The third deadline concerns payment on chiseling, as authorized under the PMA's soil conservation program. February 15 will be the last date farmers can apply for payment.

"Unless applications are filed by that date, the farmer will not be eligible for payment," McKown said.

He pointed out that these applications must report the exact number of acres chiseled, regardless of the approvals issued by the PMA earlier.

WEATHER

Shirt sleeves and open windows were Memphians' answer to the weather this week—weather that would be more easily associated with June than with February.

Laughing at Old Man Winter, the mercury shot up to 84 degrees Tuesday for the week's high. The low of 20 degrees was on Friday and Saturday nights.

Daily temperature readings released by Weather Recorder J. J. McMickin:

Wed., Feb. 8—35 and 59
Tues., Feb. 7—40 and 84
Mon., Feb. 6—38 and 81
Sun., Feb. 5—28 and 74
Sat., Feb. 4—20 and 68
Fri., Feb. 3—20 and 52
Thurs., Feb. 2—20 and 47.

Raymond Martin Wins Awards At Fat Stock Show

County Agent W. B. Hooser and 4-H Clubbers, Raymond Martin and Winifred Russell, returned this week from Houston where they attended and participated in the annual Fat Stock Show.

Martin, showing a scramble calf he won last year, won second place in the 4-H Club Division of that event. His calf placed third in the Scramble Division. (Continued on page 8)

William Kenley Morris of Kirkland died suddenly Wednesday evening while visiting his grandmother, Mrs. Minerva Jane Sanders, at the home of Mrs. Rube Sisk. The cause of his death was ascribed to a heart attack. Morris was 52.

He was visiting Mrs. Sanders due to her serious illness. She died at the Sisk home early

Scouts Honored By Lions Club Here Wednesday

Cy Gibson and James Moss were named the two outstanding Boy Scouts of Troop 35 Wednesday by Scoutmaster Ted Myers. The selection was a part of the annual birthday dinner given the Troop by the Lions Club. The occasion marked Scouting's 40th Anniversary. Troop 35 has been organized seven years.

J. Claude Wells was principal speaker at the dinner. He was introduced by Scoutmaster Myers as "one of the Panhandle's earliest leaders in the Scouting movement." Wells was in charge of a scout troop in Hedley in 1913, believed to be one of the area's first.

Wells emphasized the training boys receive in Scouting as an essential factor in making them good citizens in later life.

"I have contacted 27 of the 28 boys who composed that Hedley (Continued on Page 8)

A Likeable Guy

Myers Leads Local Scouts

"Every community needs about four men like Ted Meyers."

This was the tribute paid to the devoted Scoutmaster of Memphis Troop 35 by a speaker at the annual Lions Club dinner honoring the troop Wednesday.

There are many people in this area who will agree with the statement—people who have seen their sons benefit from Scout training under Meyer's guidance.

Meyers has been Scoutmaster of Troop since its organization seven years ago. His has been the most important job in the organization and the troop's progress since its beginning is ample proof of his success.

Meyers lives at Brice but spends most of his time in Memphis or off on a trip in the interest of Scouting. He is well qualified to lead a troop, having taken advanced training course this past summer.

He was honored last summer by being admitted to the Order of the Arrow, a group similar to a fraternal organization within Scouting. It is one of the highest honors in the organization.

The friendly Scoutmaster works right along with the members of Troop 35 in all of their projects. He can be found hard at work with a group of Scouts anytime they are helping to complete

TED MEYERS

some endeavor for the public welfare. It is in Meyer's unselfish devotion to this work that much of the credit for Troop 35's successful record can be accounted for.

His is a year-around task. Meyers not only must be concerned with planning weekly meetings of the troop but must plan and direct all the troop's recreational

and service endeavors.

During the summer, he runs a baseball league for groups of boys from junior high through high school age, as well as directing a swimming program for the youngsters. This activity takes most of his afternoons and at least two or three evenings each week.

In addition, he must plan and attend all camping activities of the troop. Ted, as most of his many friends call him, expanded on this camping program last summer. He took small groups of scouts on weekend camping trips to better familiarize the boys with outdoor life—a vital part of scouting. And, of course he took the troop on its annual camping trip to Camp Kiawah.

Ted doesn't talk much about his own efforts. When asked, he will switch the subject to discussion on future activities of the troop. He hopes to give the boys a larger athletic and recreational program this summer.

Another pet project of Ted's is to send a representative from Troop 35 to the World Jamboree at Valley Forge, Pa., this summer. And, of course, he wants to keep the troop active and up to full membership strength.

Yes, every community could use about four men like Ted Meyers.

PERSONALS

Mr. and Mrs. A. Womack, who have lived in Memphis for the past 35 years, left today (Thursday) for Amarillo to make their home. The Womacks sold their home here to Mrs. Oscar Webb. For the present the Womacks will make their home at 1405 South Fillmore, but later plan to build a new home.

Beef Pot Pie
 Broadcasts February 11, 1950

1½ cups biscuit mix ½ cup vegetable liquid or water
 1 cup Fat Milk 1 can condensed cream of chicken soup**
 ½ cup water
 1 cup dried beef, shredded (¼ lb.)
 2 tablespoons hot shortening No. 2 can peas, drained
 4 teaspoons flour ½ cup diced cooked or canned carrots, drained
 few grains pepper

Turn on oven; set at very hot (450° F.). Put biscuit mix into bowl. Stir in mixture of ¼ cup milk and water. Turn out on floured board. Roll ½-in. thick. Cut in 8 rounds with floured 2½-in. cutter. Put on baking sheet. Bake on top shelf of oven 12 min., or until brown. While biscuits bake, cook dried beef slowly in shortening until edges curl. Sprinkle flour and pepper over beef. Stir in vegetable liquid; cook and stir 1 min. Add remaining ¼ cup milk and rest of ingredients. Heat slowly until thoroughly hot. Serve with the hot biscuits. Makes 4 servings.

Income Rise On Texas Farms Twelve Percent

Texas farm cash income for the year 1949 totaled \$1,858,952,000, the University of Texas Bureau of Business Research reported.

Cotton was the greatest source of income throughout 1949, bringing Texas farmers \$798,309,000. Income from cattle totaled \$227,204,000 wheat, \$190,843,000; milk products, \$119,547,000; and cottonseed, \$116,773,000.

In comparison with the 12-month period of 1948, farm cash income for 1949 showed increases in Southern High Plains, 41 per cent; Red Bed Plains, 36 per cent; Northern High Plains, 30 per cent; Lower Rio Grande Valley, 10 per cent; Southern Texas Prairies, 9 per cent; Coastal Prairies and Black and Grand Prairies, 5 per cent.

LETTERS FROM READERS

Dear Editor,
The Texas legislature is now engaged in one of its famous brawls, this time to provide funds to complete its bi-annual program.

It seems they have completely run out of things to tax, but they continue to overlook a source never yet touched. That is the state's most valuable natural resource, water, and in which it has its biggest investment, in sources of lakes and dams, and from which it receives no return.

In time, this state, and all others, must collect a royalty from the consumers of their water, dividends on their investment. Texas has the most urgent need, and should lead the way in collecting this royalty.

The small sum of only \$1.00 per thousand gallons produced from \$200,000,000 to \$300,000,000 annually, and not a burden to anybody. It would meet the present crisis and solve all future problems of water conservation and service, and replenish the depleted state treasury, and at the same time, relieve the great-

ly over-burdened taxpayer. I suggest to Governor Shivers, the legislature, and you who are planning to write the governor and your law makers, that the called session enact laws placing a royalty of \$1.00 per thousand gallons against consumers of water from all lakes and reservoirs, built at public expense.

The following areas turned in total declines in 1949 as compared with 1948: South Texas Plains, 23 per cent; Edwards Plateau, 19 per cent; Western Cross Timbers, 14 per cent; Trans-Pecos area, 11 per cent; and East Texas Timbered Plains, 1 per cent.

Texas farm cash income for December 1949 totaled \$166,979,000, dropping 52 per cent below November, but rising 77 per cent above December 1948.

After adjustment for seasonal variation, the Bureau's index of farm cash income stood at 598 per cent of the prewar 1935-39 base period in December as compared with 707 in November and 337 in December 1948. With the exception of a 42-per cent increase in the Lower Rio Grande Valley, all areas showed declines in farm cash income from November to December. The Trans-Pecos area fell 79 per cent; in farm cash income; Black and Grand Prairies, 77 per cent; East Texas Timbered Plains, 55 per cent; Edwards Plateau, 53 per cent; Coastal Prairies, 45 per cent; Western Cross Timbers, 44 per cent; Southern High Plains, 40 per cent; Northern High Plains, 32 per cent; and South Texas Plains, 17 per cent.

Outlined For District TFWC Convention; Date Set For April

For the twenty-ninth annual district convention, Texas Federation of Women's Clubs outlined a tentative schedule on Thursday, when district officers met in Memphis to meet with their chairmen. The convention is April 27, 28, and 29. District officers here to confer with Mrs. D. L. C. Kinard, general chairman of convention; Mrs. C. C. Hodges, co-chairman; and other committee members. Mrs. James A. Al-Chilless, district president; Mrs. Allen Hodges of Littlefield, program chairman; and Mrs. O. Stone of Littlefield, co-chairman.

The meeting was held in the home of Mrs. Kinard. Business sessions were held throughout the day, and at the noon hour luncheon was served. The convention will open with board dinner on the night of April 27. The convention program is slated to begin Friday morning, April 28.

Outstanding social events called for during the three-day convention include the board dinner, tea and two luncheons. An art exhibit, under the direction of Mrs. Boyd Rogers, is expected to be among the outstanding features of the convention.

Some of the outstanding club members of the state are scheduled to appear on the program, Mrs. Hodges stated. Mrs. J. Howard of Midland, state president, will be among the prominent leaders here for the meeting.

Places were laid at Thursday's session for Mrs. Allen, Mrs. Hodges, Mrs. Stone, Mrs. Hodges, Mrs. Haskell Howell, Earl Hill, Mrs. Tarver, Homer Tribble, Henry Hays, W. C. Dickey, Earl Pritchet, R. H. Wherry, Claud Johnson, T. J. Dunbar, Joe DeBerry, Arschel Combs, Gene Lindsey and Mrs. Kinard.

Committees Are Named at Delphian Meeting Tuesday

"Happiness Through Service" was the program theme presented to members of the Delphian Club Tuesday, Feb. 7, in the home of Mrs. Clarence Stroehle.

Mrs. Bill Kesterson was leader of the panel discussion. Mrs. R. H. Wherry discussed "Civic Improvements." Mrs. J. S. McMurry presented "Education and Americanism," and Mrs. Earl Hill concluded the program with "Mental and Spiritual Developments."

Mrs. Calvin Draper, vice president, concluded the business meeting. As president-elect, she appointed the following committees: program, Mrs. C. D. Morris, J. L. Barnes, Weldon McCreary and Gordon Gilliam; social, Misses Gloria Gosch and Maud Milam, Mesdames B. B. McMillan, Jack Boone, and W. C. Davis; decoration, Miss Zady Belle Walker, Mesdames A. Anisman and Earl Hill; civic, Mrs. Roy Shahan; finance, Mesdames C. C. Hodges, Bill Kesterson, and J. S. McMurry; education, Mrs. Henry Hays; legislative, Mrs. W. C. Dickey; courtesy, Mrs. Lynn McKown; music, Mrs. Clarence Stroehle; federation, Mrs. R. H. Wherry; telephone, Mrs. J. W. Stokes.

Mrs. W. C. Davis, civic chairman, appointed the following committee to assist in the March of Dimes campaign: Mesdames Jack Boone, Calvin Draper, Henry Hays, Earl Hill, Weldon McCreary and Roy Shahan.

Mrs. Stroehle, assisted by Mrs. J. W. Fitzjarrald and Billie Jean Stroehle, served a lovely refreshment plate to Mesdames A. Anisman, J. L. Barnes, Jack Boone, W. C. Davis, W. C. Dickey, Calvin Draper, Gordon Gilliam, Earl Hill, C. C. Hodges, Bill Kesterson, Weldon McCreary, B. B. McMillan, J. S. McMurry, Roy Shahan, J. W. Stokes, R. H. Wherry, Lynn McKown and Misses Gloria Gosch, Maud Milam and Zady Belle Walker.

Mrs. Kinard Gives Book Review At 1913 Study Club

Mrs. D. L. C. Kinard reviewed "A Guide to Confident Living," by Dr. Norman Vincent Peale before members of the 1913 Study Club on Wednesday afternoon, Feb. 1. The meeting was held in the home of Mrs. L. G. DeBerry with Mrs. Mac Tarver, president, presiding.

The review was in keeping with the year's theme "Ours is the Responsibility" and Wednesday's program featured "Ours is the Responsibility to Ourselves."

Refreshments were served during the tea hour to Mesdames Byron Baldwin, George Craft, Chas. B. Dryden, T. J. Dunbar, H. A. Finch, A. L. Gailey, T. M. Harrison, D. L. C. Kinard, Gene Lindsey, M. McNeely, Boyd Rogers, M. G. Tarver, R. C. Walker, E. M. Wilson, Brown Smith and Miss Neville Wren. Also one guest, Mrs. Jack Walker of Dallas, was present.

grand and Olla Tribble, left supporter; Lennie Kennedy, inside guardian and Clo Rogers, outside guardian.

The lodge meets each Monday night at 7:30 o'clock. The next meeting, which will be held on Feb. 13, will be a valentine social, and a special program will be presented. Members are urged to attend.

PLAINS TOWNS, RAILROAD AGREE TO TRY 90-DAY SERVICE TRIAL

A compromise has been reached in the discussions between representatives of Fort Worth and Denver City Railway and the South Plains towns served by the passenger service of that line, in which the railroad's effort to discontinue its passenger train service between Childress and Plainview and Lubbock, through the intermediate towns of Turkey, Quitaque, Lockney, and Petersburg, will be postponed pending the outcome of a 90-day trial of thru pullman and coach-cape service between Dallas and Fort Worth and Lubbock, with a highway connection at Lockney for Plainview people.

In a rush of last minute negotiations, an understanding has been reached to the effect that the railroad will establish a trial service for a period of three months, beginning on Sunday, March 5th, and provide an overnight, daily passenger train westward from Dallas at 9:15 p. m., and Fort Worth at 10:35 p. m., to arrive in Lubbock at 9:55 a. m. the following morning. This will provide an approximate arrival at Plainview at 9:00 a. m. via highway from Lockney: Eastward the thru service will leave Lubbock at 9:00 p. m. and Lockney at about 10:15 p. m. for Plainview and Lockney passengers, arriving in Fort Worth at 6:00 a. m. and Dallas at 7:15 a. m., providing connections for all territory beyond the Fort Worth and Dallas terminals.

TSCW Celebrates 47th Birthday On February 18

Texas State College for Women will celebrate its 47th birthday with a broadcast over WFAA, Feb. 18.

Scheduled from 3:30 to 4 p. m., the Founder's Day program will review some of the changes made in the college during the past twenty four years and some of the contributions made by retiring President L. H. Hubbard.

Dr. Hubbard, Mrs. Vada Francis Hale, president of the Ex-Student's Association, and Miss Jennie Krudy's president of the future, Kelley bought into the business.

College Government Association will be the principal speakers. Continuity music will be furnished by the College Band, String Ensemble, and College Chorus.

Transcription records will be made at TSCW. Miss May Burton, graduate radio-speech student from Abilene, wrote the script and will be narrator.

Sale of Interest In Food Locker Announced Tuesday

According to announcements this week, Rollie Kelley is now sole owner of the Frozen Food Lockers in Memphis, following his purchase of one-half interest in the business from Gus Rasco. The firm had been operated as a partnership since last September, when Kelley bought into the business.

In outlining his plans for the future, Kelley stated that he was entering the beef cattle and hog buying business, and would make an effort to extend the volume of processing which the plant will do.

Under his ownership, lockers will be rented to the people of this area for the storage of meats as has been done in the past.

Rasco said his plans for the future are indefinite at this time.

I'D LIKE TO BUY SOME VITAMINS, PLEASE.

CERTAINLY, MRS. JONES. WE RECOMMEND REXALL PURETEST PLENAMINS.

DO THESE PLENAMINS CONTAIN ALL THE VITAMINS MY FAMILY NEED?

THEY SURELY DO. JUST TWO CAPSULES A DAY SUPPLY ALL THE VITAMINS FOR WHICH MINIMUM DAILY REQUIREMENTS HAVE BEEN ESTABLISHED. PLUS LIVER CONCENTRATE AND IRON.

I'M SURE YOU'LL BE PLEASED WITH PLENAMINS. I'VE CERTAINLY NOTICED A DIFFERENCE IN MY OWN FAMILY SINCE WE STARTED USING THEM.

THAT'S GOOD ENOUGH FOR ME...AND THANKS FOR PUTTING ME WISE TO THEM. I'LL BE BACK FOR MORE WHEN THESE ARE GONE!

Cyclone Cagers Beat Phillips

Fred Wright's Cyclone served notice on District that they will have to contend with here Tuesday when they hustled a 32-25 over the Phillips Black-

The victory gave the Cyclone a tie in their series with Phillips. The Blackhawks beat Memphis on their home court last week, 47-40.

Minus the services of their ace center, Scotty Grundy, the Cy-

clone five nevertheless dominated the play throughout the game. Their superior ability to hit the basket allowed them to keep a healthy lead throughout the last three periods. They were never in serious difficulty after the initial stanza.

Forward Andy Gardenhire took scoring honors for his team and for the game with nine points. Tommy Messer and R. A. Wells followed closely with eight points each.

Horton paced the visiting scorers with seven points.

Memphis led 13-7 at the end of the first quarter, 22-13 at the half and 27-16 at the end of the third period.

Thirty Track Hopefuls To Open Drills Monday

Coach Charles "Chuck" York will start building his 1950 track squad Monday.

The Cyclone cinder mentor has four lettermen back from the team which copped the 2-A title last year and the calibre of these four should lay a solid foundation for Coach York's building job.

Leading the returning lettermen is Bobby Crooks, sprinter delux who holds the state record in the 440-yard dash. Crooks counted for 19 points in the district meet in 1949.

Coach York is also depending upon the performance of Bobby Young. Young has been practicing on his own since the end of football season and Coach York figures him capable of stepping off the 120-yard high hurdles in 15.8 seconds. Young will run both the high and 200-yard low hurdles.

The Cyclone mentor believes he might have one of the finest pole vaulters in this section in Warren Adams. Adams is a junior who has been known to soar to the 10-foot marker. York says that Adams form is amazing and that the youngster has great possibilities.

Miller Wayne Saunders, who is potentially the pace-setter in the district's distance competition, is the remaining returning letterman.

Kenneth McQueen, Pete Moore and Raymond Clark promise to be heartening additions to the squad this year, York said. He will probably use the three in weight performances.

Lee Bloxom is another potential star. "He has possibilities of being one of the area's best performers if he will come out," York said. Bloxom has not yet decided whether or not to try out for the squad. York gave no details on just where he planned to use the big grid star in his track set-up.

York expects about 30 boys to turn out for the high school squad. In addition, from 20 to 30 youngsters will compete for berths on the junior squad. These younger boys will compete with similar teams from other schools in the district during the season.

The Memphis thin-clands will face competition for the first time this year on March 25 at the annual panhandle Relays. Memphis won second place in this meet last year. York is tentatively planning to enter several other meets and may try to stage one here before the district competition. He said the track at the Cyclone Stadium will be reconstructed and that there is a possibility that the district meet will be held here.

FIRST-BORN... The old Mrs. Enriquez Ampare of land, Calif., who left March to marry Alfonso Ampare, gave birth to a six-pound, six-ounce daughter reported "doing well."

Between 1911 and 1935, a brief span of twenty-five years, extraordinary progress was made in public health. According to figures released by the Metropolitan Life Insurance Company, the duration of human life during this period was extended by almost fourteen years. It is all the more remarkable in the light of the history of this period, which included the World War, the worst epidemic in recent history, America's most severe depression. Many agencies have contributed to make America more healthful place in which to live. Not the least these are scientific medicine and pharmacy, which are unceasingly for better methods of prevention and treatment of disease.

Impressive Biblical Tea is Featured By WSCS of Methodist Church Monday

The Woman's Society of Christian Service of the Methodist Church met for an unusually interesting and impressive tea in the home of Mrs. Rollo Davidson on Monday afternoon, Feb. 6. The affair served as a climax to the Bible Study, "Women of the Scripture."

The home was attractive decorated with flowers and pottery.

The guests were received by costumed characters: Elizabeth, Mrs. Mac Tarver; Alma, Mrs. Frank Foxhall; Elar, Mrs. Charlie Hickman; Dorcas, Mrs. Lee Fields; Priscilla, Mrs. T. J. Way and Naaman's little maid, Marie Davidson.

In the dining room guests were served food in keeping with the theme of the tea. Dainties included tuna fish salad on crackers, olives, nuts, dates and hot grape juice, which was poured from a long-neck pottery pitcher by Mary of Jerusalem, characterized by Mrs. W. C. Dickey. The beautiful Bavarian China, a gift of Mrs. Dickey to the parsonage, was used.

Following a brief business session, the program was begun with the dramatization of the Samaritan Woman at the well. The stage was in an off-room, and represented a realistic well. Elizabeth, Mrs. Tarver, came with her water pot to draw water, singing, "I Heard the Voice of Jesus Say" as she came and went. Mrs. Foxhall, representing the woman at the well, grown old, came to reminisce. As the close of the day came, young Elar, Mrs. Hickman, came to draw water and remain to hear the wonderful story of Jesus from the lips of the woman who came to know Him those many years ago.

Following the hymn, "Come Thou Fount," little Marie Davidson told briefly the story of the little maid who told Naaman about Eliah and her God who could cure him of leprosy.

The scene of the second dramatization was in the home of Dorcas, portrayed by Mrs. Fields. She told of her work of sewing and offering assistance to the needy. Priscilla, Mrs. Way, listened, commended her, and then told of the experience of joy that she and her husband, Aquilla, had had with Paul in their tent making.

The closing prayer was offered by Mrs. Davidson.

Those serving as co-hostess were Mmes. W. F. McElreath, A. C. Hoffman, C. T. Vickers and C. R. Webster.

Others present were Mmes. C. H. Compton, C. E. Hankins, Geo. Payne, N. A. Hightower, Myrtis Phelan, Ruth Goffinet, D. A. Neeley, W. H. Monzingo, W. R. Taylor, R. T. Tiner, Viola Johnson, W. I. Glosson, Edd Crump, T. J. Hampton and C. E. Garner of Dallas.

Friendly Sewing Club Meets With Mrs. Sam Brown

The Friendly Sewing Club met Wednesday, Feb. 1, in the home of Mrs. Sam Brown with 10 members in attendance.

The group enjoyed visiting and quilting throughout the party hours.

During the late afternoon a refreshment plate was served to the following members: Mmes. A. O. Phillips, Jim Webster, Joe Nelson, Dot Webster, H. E. Childress, William Moss, A. B. Jones, Henry Newman, Larry Simpson, and hostess.

The next meeting is slated for February 15 in the home of Mrs. Eldrue Childress.

CARD OF THANKS
To all the many kind and thoughtful friends who have been so helpful to us at the tragic loss of our dear wife, mother and grandmother, we express our most sincere and heartfelt thanks. Words are not adequate to state our full appreciation. Such spontaneous acts of generous spirit can only be manifestations of God's love. May He be as kind

Methodist Guild Meets in Home of Mrs. W. P. Baten

Mrs. W. P. Baten, assisted by Mrs. Myrtle Gibson, entertained the Wesleyan Service Guild of the Methodist Church Thursday, Feb. 2.

The meeting opened with prayer by Miss Neville Wrenn. Mrs. Earl Hill, president, conducted the business session.

"Having the Bible is not Enough" was the theme of the afternoon's study. Mrs. Rollo Davidson gave the devotional. Others taking part on the program were Mrs. F. L. Hall, Mrs. C. F. Srygley, Miss Dorothy Gowan, Mrs. Perry Keyser, and Mrs. W. P. Baten.

The meeting closed with the hymn and evening prayer.

Refreshments were served to the following members: Mmes. C. F. Srygley, Earl Hill, Barney Burnett, Rollo Davidson, L. F. Hall, W. H. Monzingo, H. B. Bennett, Perry Keyser, Misses Neville Wrenn and Dorothy Gowan and two visitors, Mrs. E. E. Johnson and Joy.

The next meeting is scheduled for March 2 in the home of Mrs. Mable Lavender.

Something new and different to eat is always a welcomed change for the hungry family. This recipe for a hearty chowder stew, served with light-as-a-feather parsley dumplings will hit the spot and it is nutritious and filling, too.

The milk and Lima beans contribute the valuable protein needed to make it a substantial main dish, and with the corn and seasonings, no finer tasting food could be asked for. Here's a tempting way to include some of the milk each member of your family needs in his daily meals.

To make the parsley dumplings, use your own favorite dumpling recipe and add one-fourth cup of finely chopped parsley. Remember to have the stew simmering gently when you drop them on top and to keep the pan tightly covered while the dumplings are cooking.

Serve the chowder stew in a large bowl or soup tureen at the table. Crisp crackers, a tossed green salad and dessert plus milk will complete the menu.

Let's Put Women's Talents to Work," Mrs. Guthrie Tells B&P W Members

Let's Put Women's Talents to Work" was discussed by Mrs. Roy Guthrie before members of the Business and Professional Women's Club at the regular meeting February 2.

Circumstances are changing and modern inventions have freed womanhood to pursue other things," stated Mrs. Guthrie. "The sewing machine has made possible the family laundry done in an hour that took a full day by hand. Automobiles that women with safety have made it possible for women to take an active part in things outside the home. The radio brings news to our ears in minutes instead of days. The health of the nation is better because of hospital and scientific care. Immunization has controlled disease that families have better health and women have time for outside activities.

Because of the change of the world is open to women," continued Mrs. Guthrie. "There is no top rung to the ladder of success. The theory that

we are too old to learn has definitely been proven false. If our will in cooperation with God's will and nature's laws, our ability has no limit. The traditional occupations that women had to occupy in earlier years have lost their boundaries."

Mrs. Guthrie suggested the following as needs in Memphis that women can fulfill: adult education, lending library, chiropody, confectionary, dress designing, employment service for baby sitting, entertaining, landscape planning, leather work, ceramics, millinery, consultant, pet boarding, piano tuning, recreation, recuperation home and typing.

Mrs. Guthrie was introduced by Miss Ethel Hillhouse, chairman of Education and Vocations committee.

Members present were Aulis Ayers, Hester Bownds, Lucile Burnett, Mollie Carlos, Mary Frances Crabtree, Opal Duke, Myrtle Gibson, Gloria Gosch, Fan Kirk, Loui Mai Hightower, Marjorie Kesterson, Mable Lavender, Una Loard, Inez Mason, Betty

50 High School Grads Will Get Scholarships More than \$5,000 in Wilbur S. Davidson freshman scholarships for the 1950-51 Long Session at the University of Texas will be awarded to 50 worthy 1950 high school graduates. Each scholarship usually is for \$100. Occasionally more than that amount is granted, but in no case does it exceed \$200. Letters explaining the scholarships are being sent to nearly 1,000 Texas high school principals with the request that they pass the information along to senior students. Sample application blanks accompany the letters. Additional blanks may be obtained from the Dean of Student Life, University of Texas at Austin. To be eligible, a high school senior must be graduated in the top half of his class and furnish evidence of good character. Preference is given Texas high school graduates. Scholarship funds come as a bequest by the late Wilbur Davidson of Houston. The award was offered for the first time in 1948.

VET PROBLEMS AND ANSWERS

Q—My husband, a World War I veteran, gets a pension and does not give me enough money to pay doctor bills. Could I get a part of his pension?

A—A pension may be apportioned only where the veteran and his wife are not living together. If you are living together, you may not be granted a part of his pension.

Q—Is it important for me to show that I have had experience in the line of business in which I am an applicant for a GI business loan?

A—It is important to show such experience because the law explicitly provides that ability and experience of the veteran, and the conditions under which he proposes to pursue such business or occupation are such that there is a reasonable likelihood he will be successful.

Q—Will I have to go to VA for advisement and guidance in event I wish to change my educational course under the GI Bill?

A—To avoid possible delays, a veteran seeking to make his first change of course may go to his school for counseling service. If the school has no organized counseling service or if the student seeks to make further changes in his course after the initial change, he must go to VA for advisement and guidance.

Q—I was discharged from the Army four years ago and now wish to enter a course of embalming. What school may I attend and get the benefits provided by the GI Bill?

A—You may enroll in any school of embalming approved by the State in which the school is located, provided it is willing to accept you.

State Officer Asks For More Health Units

Public health in Texas has received another boost with the February 1 formation of the Fort Bend County Health Unit.

State Health Officer Geo. W. Cox, in announcing the commission of the Fort Bend Unit said Dr. John R. Turner, a public health man of long experience in Texas and elsewhere, had been named as director. The budget is set up to include a director, a sanitarian, a public health nurse, and a clerk. Their operations will cover Fort Bend County in its entirety.

Texas now has forty-nine units, some of them serving more than one county. Altogether, fifty-seven counties within the State have protection of full-time health units.

"We've come a long way toward our goal of raising the standard of public health in Texas to a high plane," Cox asserted. He cautioned: "But we still have a long road ahead of us."

Ideally, a local health unit is designed, according to Cox, to promote better health among Texans it serves by performing these functions:

1. By investigating cases of communicable diseases, and tracking down, if possible, the source of the germ.
2. By teaching people, through meetings and personal visits, how smallpox, diphtheria, whooping cough, and other diseases are spread, and how immunization

and sanitation will prevent their spread.

3. By making studies of venereal diseases (mainly syphilis and gonorrhea,) tuberculosis, poliomyelitis, etc., and providing for patient education concerning the illness affecting them.

4. By making home visits to expectant mothers referred by private physicians, and by holding well-child conferences which are

designed to keep children in tip-top health.

5. By making periodic inspections of food-handling businesses like dairies, slaughterhouses, grocery stores, and cafes to make sure the operators are sticking close to sanitation laws.

WHAT'S NEW IN THIS PICTURE?

Well, just look how the SPECIAL shines now! Brightwork on the fenders and around all windows. A name plate—inside, door armrests, a robe rail, an extra ash tray. See the SPECIAL in de luxe finish at your dealer's.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Here's where Thrift and Glamor meet

Recognize this sprightly traveler? Yes, it's the Buick SPECIAL 6-passenger Sedanet that has caught the public fancy not only on its sleek lines, but on its easily-reachable price.

But notice anything new on it? That's right — gleaming trim and the name plate "SPECIAL" brightening up the fenders. Brightwork around the windshield and windows, too. And when you swing the door open you'll see still other touches of added luxury—side armrests, front and rear, a robe rail, an extra ash tray.

Why not drop in and see for yourself, both how these added touches dress up this SPECIAL and how close it is in price to cars of much less room, riding comfort, standing and performance.

It's all still mighty thrifty, because this strapping straight-eight sells for less than many sixes.

Your dealer will be glad to see you — glad to show you how this traveler handles—glad to sign you up for prompt delivery.

Cyclone Cagers Begin Title Defense Against Clarendon

SHAMROCK RATED AS FAVORITE; CYCLONE MAY BE 'DARK HORSE'

Minus their three all-district performers of 1949, the Memphis Cyclone cage team begins defense of the District 2-A title Friday night at Shamrock when they tangle with the Clarendon Broncos.

The five district opponents of the state champions will not see many familiar faces in this 1950 tournament. Gone are such formidable cage stars as all-stater Leroy Green and Sammy Rasco, all-district Charlie Morrison and dependable Don Corley.

The Cyclone swings into action against Clarendon at 7:30 p.m. Other games scheduled for the first day's activity include Shamrock vs. Wellington, McLean vs. Lefors and McLean vs. Shamrock.

The Memphis quintet will have their job cut out for them in their first game since Clarendon is generally conceded a high spot in pre-tournament predictions.

Coach Fred Wright's five will play two games Saturday. They meet Lefors at 3 p. m. and face McLean in the week end's finale at 8:30.

Tournament play will continue the following week end at Shamrock. Memphis will meet Shamrock on Friday night and will play Wellington on the last night. It is a single round robin tournament, with the championship determined by percentage.

Shamrock has been picked as the tournament favorite. The Irish five holds an impressive win record for the season, losing only two tilts to date, but have not met opponents of the calibre that Memphis has faced.

Memphis will be in a natural tough spot in the tournament—defending champions always are and it is double tough when the team holds the state title. The Cyclone quintet, minus most of the material that swept them to the state championship last year, has been playing an improved brand of ball during the past few weeks and will have to be figured into any title contention.

Coach Wright said Tuesday that his team was not in top physical shape—several of the boys have been suffering from colds—but that everyone would be ready for action Friday, barring unforeseen mishaps.

Probable starting line-up for the Cyclone against Shamrock: Gardenhire and Messer, forwards, Grundy, center, Crooks and Wells, guards.

Cyclone Cagers Swamp Lakeview 46-23 Saturday

The Memphis Cyclone found the range on the net early here Saturday night and blasted the Lakeview Eagles 46-23 in a non-conference basketball game. The game was played at the Memphis High School gymnasium.

Memphis was never in danger. They slipped away to a 17-4 lead at the end of the first period and held a commanding 24-12 lead at the half.

The Cyclone hit 19 field goals and eight free throws to account for the scoring. Lakeview was successful on 11 field attempts but was able to add only one point on gratis tosses.

Center Scotty Grundy led the Cyclone quintet with 13 points. Tommy Messer and Bobby Crooks followed with 10 points each.

Gowdy led the visitors with seven points. Payne and Sams each scored six points.

Coach Fred Wright used nine men in downing the visitors.

Cyclones Edge Eagles 28-26 In "B" Clash

A final period Lakeview rally fell short here Saturday night as the Memphis Cyclone "B" team quint edged the Eagle reserves 28-26. The game was a preliminary attraction prior to the Memphis-Lakeview clash which the local quint won 46-23.

The Cyclone "B" team took a formidable 11-1 lead in the first period but the visitors had decreased the margin to 12-7 at the half. The score was 22-16 at the end of the third period.

Payne of Lakeview was high point man, collecting a total of 10. Kennedy led the winners with nine points, followed by Miller with seven.

Memphis edged the visitors in field goal ability, completing 12 to Lakeview eight. The Eagles gained their margin on free throws. Memphis was able to score only four points via this route.

Speaking of Sports

WITH THE OL' SPEKTATOR

The "three minute rule" being practiced in Texas high school basketball this year has done little but shorten the game, in the opinion of Cyclone cage tutor Fred Wright.

"I guess its O. K. when your team is on the long end of the score in the final three minutes but the rule has sure hurt us several times this season," Coach Wright observed.

"If your team is behind when the rule goes into effect during a game, that's all, brother," Wright said.

The rule was initiated this season to cut down on fouling in the waning moments of a game when

the team ahead tries "ball freezing" tactics. In the case of fouls now, the offended player not only gets his gratis throw but his team gets to bring the ball in. This move would theoretically cut down on fouling since the team behind usually wants the ball.

However, possession is still nine points of the law and the team behind will still try desperately to get it, regardless of the ruling. As a result, coaches don't have to give their player pep talks about scoring "fustest, laigest and mostest."

"Just be sure you are ahead when the three minute rule begins," is the pep talk anthem of coaches this year.

Coach Wright doesn't know whether or not the rule will sur-

vive the next meeting of the Interscholastic League rulemakers. Many coaches feel that, while the rule has a point in trying to cut down fouling, it can ruin the competitive spirit that has made high school athletics great.

College coaches have been looking down their noses at their similar "two minute rule" all season. The latest blow to the rule's prestige in that circle came this week when officials of the National Invitational Tournament, a giant among the net get-togethers, announced that it would not be used.

The Ol' Spektator—tongue only slightly in cheek—offers the following solution to this befudding situation: Foul off any player who fouls during the final three minutes; give the other team's manager two free throws from the center jump-line; find the square root of the total score and add that sum to the loser's total and let the referee toss a coin to determine the final winner. Ridiculous? So what? So's the rule being used.

District 2-B Cage Title To Be Decided Feb. 11

The District 2-B Tournament will be held at the Memphis High School gymnasium on Friday and Saturday, Feb. 17, 18, it was announced this week.

Actually, the tournament will be a play-off of four teams from the east and west divisions of the district. Lakeview and Carey will represent the eastern half while Quitaque and Silverton will play-off rights from the western section.

Quitaque's Panthers and the Lakeview Eagles rate the favorite nods in the tourney. Quitaque won the Flomot Tournament last week, blasting Silverton 31-15.

However, Silverton had taken the edge off this victory somewhat the previous week by defeating Quitaque 38-34. Silverton also holds victories over Turkey and Estelline. Lakeview's win record is not so impressive but they have been playing in Class A circles.

No details were available this week on the brackets or method

of determining the tournament winner.

Seven baseball teams were voted into the Red River League for 1950 at a meeting held at Wellington Sunday afternoon.

Teams from 1949 were Memphis, Wellington, and Altus, Oklahoma. The 1949 member, did not select.

Two new clubs to join the league were Dumas and Hobart, Okla. Elk City and Clinton, Okla. were both denied admission because suitable schedules for the two clubs could not be worked out.

final action was taken.

The Memphis Owls have still not been completely organized for the coming season. A steering committee was appointed at a meeting of interested persons last Thursday night. This committee made recommendations as to the procedure for the club to follow in its organization.

Thomas E. Noel, member of the committee, said the players would select their manager for the coming season. He said no final action on this has been taken but that the team will probably use the player-manager system.

No permanent officers for the 1950 club have yet been selected, Noel said.

Illness May Keep Junior High Quint Out of Tournament

Coach George F. Childress said this week that his junior high basketball team may be forced to cancel future tournament plans due to illness on the squad.

Coach Childress said Wednesday that the Whirlwind quintet has been invited to two tournaments, one beginning at Lakeview tonight and another at Childress on February 17.

He said it was doubtful if the team would be in condition for the Lakeview tournament but has hopes of having the squad in shape for the one at Childress.

Scouting Means Many Things

One of America's strongest youth organizations—the Boy Scouts of America—celebrates its 40th anniversary this week. Throughout the nation the organization is being recognized by outstanding personalities and celebrities. Eloquent speeches are describing Scouting as "the organization which builds for world peace and understanding" and "the mold in which the character of tomorrow's citizens of this nation is being cast."

These definitions are fine because Scouting is all that. But, to better understand the importance of the organization, let's bring personalities into our definition. Let's think what Scouting means to you . . . and to me.

If you are a boy, Scouting means comradeship, adventure and just plain fun. Chances are it has a deeper significance, too. For through Scouting you have contacted that thrill that comes of being of service to others. You have gained pride and self-respect by practicing the high moral standards Scouting advocates.

To you parents Scouting means a number of things. It means that you can be sure your sons are engaged in activities that are interesting and exciting and, at the same time, are designed to instill the highest traits of fine character. It means that your sons are spending their leisure time under the capable guidance of leaders who have a real interest in them. It means that they belong to an organization which is helping you perform the duty of making them worthwhile citizens.

Scouting, today is more than an organization. It has become an institution. Its profound importance and significance defies any single explanation. Perhaps it can best be done by simile—Scouting is as important as our youth. The two are inseparable.

Press Paragraphs— QUOTING OUR NEIGHBORS

Brannan Opposition
President Allen R. Kline, of the American Farm Bureau Federation, wisely advises members of his organization to oppose the enactment of the Brannan plan. "A government guarantee of high and profitable agricultural prices," he says, "would be the beginning of the end of personal liberty in this country."

He regards the Brannan plan a palpable attempt to bribe farmers in the pivotal States to vote the Democratic ticket—and so do we.

The Brannan promise of high prices for farmers and cheap food for consumers is on its face a political scheme to bribe large groups of voters by paying part of their grocery bills out of general taxes. They think it would be a bargain, on the theory that only the rich pay the taxes.

Mr. Kline notes that a large number of low-income farmers cannot be helped by price guarantees. What many of them need is new industries that will enable them to find more useful and profitable employment. "It is unnecessary in this country to stabilize and perpetuate poverty thus, and it is cruelly dishonest to hold our price guarantees to these farmers as an answer to their problems."—West Point (Miss.) Daily Times Leader.

LINCOLN SPEAKS AGAIN

Republican About-Face

Leaders of the Republican Party appear to have had enough of "me, too" strategy. At their recent meeting in Chicago, they decided to quit trying to outpromise the Democrats. Their policy in the 1950 Congressional campaign will be to advocate a return to political and economic soundness. They will call for economy in Washington, for a balanced budget, for halting the frenzied rush toward socialism.

That strategy will appeal to many harried taxpayers. It will appeal also to those Americans who have become concerned over the future of our nation. There is cause for worry when an administration refuses to balance the national budget even in a period of peace and prosperity. There is reason for alarm when a President urges Congress to enact in the name of welfare measures that have brought other countries to the brink of bankruptcy.

Some Americans are learning that nothing they get from Washington is free. The cost comes from their own tax pockets. Recently they have seen New Zealanders and Australians turn their backs on the parties responsible for their socialistic programs. If sound leaders can not regain control of the Democratic Party, there will at least be some satisfaction that both major parties are not following the same path. The GOP turn to the right will give an alternative to those who gag at the candid Marxian pills of the Queer Deal.—Dallas Morning News.

Texas Reports More Teachers Than in 1948

Teachers and prospective teachers have more than doubled their registration with the University of Texas Teacher Placement Service in the last two years. Director Hob Gray reports.

Job placement of registrants totaled 759 last year, 77 per cent more than in 1948.

During 1949 the 1,257 registrations brought a 62-per-cent increase over 1948 enrollment. More than 3,600 calls for teachers, administrators and university personnel were received during the one-third from outside the state. Elementary teachers drew 4 per cent of requests at the University's Placement Service. College and junior college personnel were sought by 27 per cent; high school teachers, 27 per cent and public school administrators, 5 per cent.

With an additional 3,331 vacancies reported by a survey letter, the University of Texas Teacher Placement Service listed approximately 7,000 available positions last year.

This Week in WASHINGTON

OUTSTANDING in its far-reaching consequences, a major event of the first water during the past week in Washington is the apparent collapse of the country's bi-partisan foreign policy.

For strange as it may seem, this so-called isolationist group of senators who were the loudest and most active against military aid to Europe and the tremendous appropriations for the European recovery program has been the most vocal during the past several days in demanding intervention and the sending of the United States navy to hold Formosa, a small island 100 miles off the China coast, for the disintegrating nationalist Chinese government.

This paradoxical situation in the senate has led many here to a re-appraisal of just how strong our bi-partisan support has been. And the fair and accurate Congressional Quarterly Service in Washington has recapitulated the foreign policy votes in senate and house to find that in the entire congress, the votes on measures affecting foreign policy were as a matter of fact 52.4 per cent partisan and not bi-partisan at all.

According to Congressional Quarterly, their tabulation shows that out of a total of 44 roll-call votes on foreign policy matters in the senate, exactly one-half of them showed a majority of Democrats voted one-way and a majority of Republicans the opposite. So here were 22 partisan roll calls.

The other 22 ballots had a majority of each party voting the same way, so these were bi-partisan roll calls.

In the house, however, there never was such a balance. Out of a total of 17 foreign policy roll calls, only seven had the support of a majority of Democrats and Republicans alike. The remaining 10 roll calls were partisan.

So, says Congressional Quarterly, "Combining the house and senate roll calls, which total 61, the complexion of foreign policy action in congress in 1949 was distinctly a partisan one. The total of 29 bi-partisan votes was shaded

by a total of 32 partisan votes—52.4 per cent partisan."

The recapitulation shows that on appropriations to foreign policy, this showing runs as high as 75 per cent. For instance, in the house there were three record votes on policy appropriations, all were partisan with a majority of Democrats and a majority of Republicans voting on opposite sides. These three votes were on the state department appropriations bill, on continuing "watchdog" committee providing \$150 million in authority to ECA.

In the senate there were record votes on foreign appropriation measures, all were bi-partisan. So out of a total of 16 record votes on policy appropriations, 10 were bi-partisan, or 62.5 per cent were partisan.

The four bi-partisan votes were on a money bill for the state department of America, a restriction of ERP counterparty chair decision that an amendment was out of order as legislation, a money bill and on final of the foreign aid and occupation appropriation.

Time and again, party in the senate, when foreign policy legislation, attempts were made by some senators to kill or amend measures while these measures were in the process of legislative mill. It was when these efforts had and they jumped about the bill that a cheer was heard that the measure passed bi-partisan support.

While the administration policy has managed to get through with "bi-partisan" port, it was not until repeated partisan attempts made to kill or cripple the measures. The nature of the so-called "bi-partisan" in both house and senate distinctly partisan.

Memphian Joins Touring Group Of Cattlemen

F. A. Finch was scheduled to leave Ft. Worth this morning with a group from the Texas Cattleman's Association for a tour of South America.

Layne Beaty, farm editor of radio station WBAP in Ft. Worth, arranged the trip. Cattlemen from all points in Texas will make up the party.

The group will study problems of ranching in Central and South America. They will fly to Central and South America from Ft. Worth and will visit major ranches and cities.

The cattlemen will fly from South America to Puerto Rico on the return trip and will come back to Texas via Florida.

Finch said the trip will take about three weeks.

Truck Load of Adventure To Be Shown Scouters of Area at Shamrock Feb. 16

Bob Perin, Assistant to the Director, Scouting Services, Boy Scouts of America, with his truck-load of adventure will be in Shamrock February 16, 1950, to bring to the Scouters (Scoutmasters, Troop Committeemen and Explorer Advisors) of the Southern District of the Adobe Walls Area Council, new ideas and skills in the outdoor advantages of the Scouting Program. While in Shamrock, Mr. Perin will work with the Training men of the Southern District, and with the Commissioners as well as Troop and Explorer Leaders.

The "Truck Load of Adventure" that "Bob" packs around the country with him is a result of years of outdoor experience and adventure in his own life. His early life was spent on a ranch high in the mountains of Utah near Bryce Canyon. During his high school days, he worked as a wrangler at the Grand Canyon and Zion National Parks, guiding Dudes and visitors through the many trails of these great natural wonderlands.

After leaving the University of New Mexico, Mr. Perin went to live with the Mescalero Apache Indians during which time he had opportunity to learn the ways of the Indians in Hunting and woodcraft. This interest in the Indian people later led him to do some work with the University of New Mexico at the Indian ruins at Chaco Canyon and Jemez Springs where the University has two Archeological Schools. The next few years found him in Arizona where he hunted the Lost Dutchman's Gold Mine in the Superstition Mountains, and deer, bear and mountain lions under the Tonto Rim or Zane Grey fame.

"Many times during these years of adventure and excitement, I used the skills and knowledge that I learned as a Boy Scout to make life easier and safer in the big outdoor country of the West," Perin says, "and boys all over American can get this same fun in Scouting if the men know how to give it to them." Perin started as a Scout and obtained the rank of Eagle Scout in Torquerville, Utah, and later entered professional Scouting, serving in Cincinnati, Ohio; Albuquerque, New Mexico; Phoenix, Arizona; and Aafford, Ariz.

He is well qualified in all respects to bring to the Scouters of the Southern District a "truck load of adventure" in the Scout Program of the Adobe Walls Area Council.

Scientists Are Discussed At Atalantean Meet

Mrs. Edwin Smith was hostess to members of the Atalantean Club Wednesday afternoon, Feb. 1. Mrs. H. J. Howell, president, presided during the business discussion at which time the club voted to give \$25.00 to the Polio Fund.

Mrs. T. M. Isham, program chairman, introduced the program which was a symposium on "Contribution of the 'Race of Science' and 'Outstanding Scientists of the Races'."

Mrs. C. R. Webster gave an interesting account of Washington Corner and his service to mankind in the field of science. She was ably assisted by Mrs. Howell

who reported on Dr. P. Z. King, Chinese Health administrator.

Mrs. Phelan gave the life of Dr. Hideki Yukawa. She pointed out that his brilliance is so great that the state department cut through red tape to bring him to Princeton for work with Dr. J. Robert Oppenheimer at the Institute of Advance Study.

Mrs. Pallmeyer concluded the program with an account of Irving Langmuir.

Twenty one members answered roll call with facts, inventions and discoveries of modern science.

Refreshments were served to Mmes. W. C. Dickey, H. B. Estes, Henry Foster, John Fowler, H. J. Howell, N. A. Hightower, I. M. Isham, Claud Johnson, C. W. Kinslow, Ed Monzingo, D. A. Nealey, J. A. Odom, S. B. Pallmeyer, Myrtis Phelan, Bob Roberts, Robert Sexauer, C. R. Webster, Misses Imogene King, Gertrude Rasco and hostess, Mrs. Smith.

MISS AMERICA . . . This is Miss Jacquie Mercer, Miss Arizona, who was crowned Miss America at the Atlantic City beauty pageant recently. She impressed the talent judge with her reading of Juliet's "poison scene" from Romeo and Juliet. She attributed her health to Arizona.

Mrs. J. W. Walker Is New Editor of Texas Clubwoman

Mrs. J. W. Walker of Plainview was recently named editor of The Texas Clubwoman, official publication of the Texas Federation of Women's Clubs.

Mrs. Walker is well qualified for the new position. She is past president of the Texas Federation of Women's Clubs and has served on the GFWC Board for a number of years. She was a frequent contributor to other state federation news publications during the time she served on the general board.

She has also taken an active part in other women's organizations such as the American Association of University Women, Delta Kappa Gamma, and Daughters of the American Revolution. She is something of an expert in the field of International Relations having devoted much time and study to it, and is a popular public speaker on subjects pertaining to the United Nations.

Mrs. Walker is well-known in Memphis, having lived here a number of years ago. She has been a frequent visitor here since moving away and has returned several times on speaking engagements. Mrs. Walker is a sister-in-law of Mrs. R. C. Walker of this city.

Ford's won it again!

The New York Fashion Academy
Gold Medal Award for the Fashion Car of the Year

WHAT sterling is to silver, the Fashion Academy of New York is to the world of fashion—the last word! And again for 1950, as for 1949, it has selected the Ford Car to receive its distinguished gold medal award as "Fashion Car of the Year." There is, we believe, no greater proof of the beauty of the '50 Ford. And there's no greater proof of its fine performance than a 10-minute "test drive." Your Ford Dealer will be glad to arrange it.
