REV. MARTIN TUCKER

Revival Meetings To Begin Friday At Lesley Church

Revival services begin Friday evening at the First Baptist Church at Lesley. These revival meetings will extend through April 16.

Rev. Martin Young Tucker, pastor of the Lesley First Baptist Church, will conduct the services. Rev. Tucker has been studying in a seminary at Ft. Worth but returned to Lesley in time to conduct this revival.

The meetings will be held at 7:30 p.m. nightly with additional services on the Sunday mornings of April 9 and April 16. Sunday morning services begin at 11 o'clock.

"We will emphasize 'old time gospel' and heart-felt church religion during these meetings," Rev. Tucker stated.

The public is cordially invited to attend all the revival services.

Baptist Revival At Lakeview To Begin Sunday

A week revival will begin at the Lakeview First Baptist Church Sunday morning, Rev. Guy Killian, pastor, announced this week.

The services will be held nightly with morning services Sunday and on April 16. The nightly services will begin at 7:30 o'clock. Rev. Killian will deliver the

Sunrise Easter Service Set For Sunday

A community-wide Easter Sunrise Service will be held at the City Park amphitheater Sunday at 6:15 a.m. Memphis churches are sponsoring this service and all persons in this area are invited to attend.

The invocation will be given at 6:15 a.m. by Minister Bedford Smith, First Christian Church pastor. Scripture readings by Rev. Roy Shahan, First Baptist Church pastor will follow.

Rev. Rollo Davidson, pastor of the First Methodist Church, will deliver the Easter message. C. H.

Browning will give the Benediction.

Choir members of several Memphis churches will join together for this service in order to bring an outstanding selection of appropriate Easter hymns.

J. O. Strother, educational director at the First Baptist Church is in charge of the choir. He said that the group has held special rehearsals this week and that the music for the Sunrise Service will be outstanding.

Hymns that will be sung include: "Christ Arose", "I Know My Redeemer Liveth", "He Lives On High", "Crown Him" and "All Hail", the closing hymn.

"We believe that this Sunrise Service will be one of the most outstanding that has ever been held in Memphis," a spokesman for the Minister's Association said. This group is planning the service.

"Memphis has an ideal location for this type of service in the amphitheater and we should encourage it each year to make it one of the Panhandle's best Easter attractions," it was pointed out.

The Sunrise Service will be moved to the First Christian Church in the event of bad weather, the spokesman said. But the Easter Service will definitely be held, regardless of the weather, he stated.

License Sales Increase 509 Over 1949 Total

There were 509 more automobiles and trucks registered in Hall County this year than in 1949, Tax Collector J. W. Coppedge announced this week.

Broken down, this increase includes 297 more automobiles, 53 more commercial trucks and 159 more farm trucks than in 1949.

Coppedge released the following figures on the 1950 license sales automobiles—2,470 (2,173 in 1949), commercial trucks—404 (351 in 1949) and farm trucks—421 (262 in 1949).

Coppedge said these figures include license sales through April 1 for both years.

Truck Accident Takes Life Of Parnell Child

Sharon Gail Teas, three-year-old daughter of Mr. and Mrs. J. C. Teas, was killed Wednesday afternoon when she fell under a truck at the Parnell Store.

The accident occurred at approximately 2:30 p.m. Henry Paul of Estelline was driving the truck. Observers said that Sharon was leaning against the rear wheel of the gasoline truck when Paul started to drive away from the store. She fell under the rear wheel and was killed instantly.

J. C. Teas, her father, was employed at the Parnell store, as was Paul. Teas' father-in-law, J. A. Burks, operates the store.

Funeral services were held this afternoon at 3:30 p.m. at the Parnell church. Minister Gray and three daughters: Mrs. Bertha

Funeral Services Held Sunday For Mrs. A. D. Odum

Funeral services for Mrs. A. D. Odum were held at the Lakeview First Baptist Church Sunday at 3 p.m.

Revs. O. C. Evans, I. M. Clements, Guy Killian and J. T. Hoggart conducted the services. Burial was in Lakeview Cemetery under the direction of Murphy-Spicer Funeral Directors.

Mrs. Odum died at her home in Lakeview Thursday. Pallbearers were: R. M. Holt, T. J. Brock, Clyde Davidson, G. C. Stem, F. O. Hodge and J. L. Bevers.

Mrs. Odum was born in Mississippi on Sept. 27, 1874. She moved to Oklahoma with her parents in 1894 and was married to A. D. Odum at Stonehill, Okla., on Feb. 25, 1896. The family had lived in Lakeview for over 22 years.

She was a longtime member of the First Baptist Church.

Survivors include her husband

18 Jersey Entries For Plainview Show

A group of Hall County dairymen will leave Memphis Tuesday morning to enter their stock in the 23rd annual Panhandle-Plains Dairy Show at Plainview.

County Agent W. B. Hooser said 10 dairymen from this county will have 18 entries in the Plainview show.

These entries will be in the Jersey division of the show. All of these men had entries last year and all won awards, Hooser said.

Hall Councians who will enter cattle this year include: John Luther Byars, Ed Drake, Clinton Wells, Stacey Waites, Wesley Waites, E. L. Waddell, all of Lakeview; E. E. Cudd, Memphis; Paul Buchanan, Espalino; Winfred Cooper and Algie Jan Turner, both of Turkey.

The Plainview show is offering over \$3,600 in prize money this year and entries promise to exceed last year's record of 504

Large Cast Will Participate In Senior Follies

Featuring a cast of over 35 class members, "Senior Follies 1950 Style" will be presented to night at 8 p.m. at the high school auditorium.

The play is being staged by the Senior Class of Memphis High School. Members of the Class will be featured in musical numbers, comedy skits.

The plot centers around "The Seniors of 1950 at Work and Play Within the Next 50 Years." This will be a glimpse into the future when the greatest ambitions and dreams of the class members have been fulfilled.

The latter part of the Follies will feature a talent show. Musical numbers, songs and dances and readings will be presented.

Acts of special interest will feature John Clark as a doctor

MEMPHIS COUNTRY CLUB GOLFERS BEGIN DINNER TOURNEY SUNDAY

The spring and summer golf tournament play at the Memphis Country Club will begin Sunday when play begins in the Dinner Tournament.

Carl Harrison made this announcement this week. He is committee chairman in charge of tournament arrangements. Ace Gailey and O. B. Smith are other members of this committee.

"This Dinner Tournament will match every member of the Country Club," Harrison said. "The play must be concluded April 16 and the losers will treat the winners to a dinner at the club on the night of April 17."

"Now we don't care how the members who are matched decide who is the winner," he pointed out. "They can shoot pool for it, match or roll high dice. Of course, some of them will want to play golf."

Harrison said that one of the bitterest, and probably most hilarious, matchings is that of James A. Anthony against Matthew Allen.

"These two old rivals can really

John Bradley Dies Suddenly At Shamrock

Funeral services for John F. Bradley, 63, were held Wednesday at the Church of Christ here at 2 p.m. Bradley, a longtime Hall Countian, was visiting relatives in Shamrock at the time of his unexpected death Monday.

Minister Gray Carter conducted the funeral services. Burial was in Fairview Cemetery under the direction of Murphy-Spicer Funeral Directors.

Pallbearers were: Exie Sweatt, Neal Sweatt, Thurman Ellerd, Roscoe Ellerd, Jude Gable and O. A. Srygley.

M. A. Wiley, Ben McElreath, H. M. Barton, Robert Sexauer and Scott Bolton were honorary pallbearers.

Bradley was born in Alabama on Jan. 31, 1887.

The Bradley family moved to Hall County in 1917. Mrs. Bradley preceded him in death on Dec. 25, 1937. One son, Arvel Auden Bradley, was killed in action during World War II on Jan. 22, 1945. Bradley had made his home with his daughter, Mrs. Park C. Bolton, at Turkey for the past year.

He was a member of the Church of Christ here and was a retired farmer at the time of his death. Survivors include three daughters: Mrs. Park C. Bolton, Turkey, Okla.; Mrs. Bob Wallard, Rantoul, Ill.; and Miss Bonna Wayne Bradley, Oklahoma City, Okla.

One son, M/Sgt. Joe D. Bradley of Tinker Field, Oklahoma City, Okla., also survives.

Two sisters survive: Mrs. P. H. Eubanks, Baird, and Mrs. John Fisher, Putman.

Other survivors include four grandchildren.

Owls, Dukes Will Open Baseball Season Here

The Memphis Owls will open their 1950 baseball season here Saturday night when they tangle with the Wellington Dukes at 8 p.m. The exhibition game will be played at Estes Park, C. L. Pierce, Owl general manager, said.

Pierce said the Owls will play two other games during the week. They travel to Wellington Sunday afternoon for a return game with the Dukes and then will come home Monday night to meet Berger at Estes Park.

The Berger tilt promises to be one of the top exhibition features of the year. The Gassers belong to the Class D West Texas-New Mexico League.

Memphis' two-game series with Wellington will be of special interest to local fans. The Dukes and Owls worked up a strong rivalry last season and it may be expected to continue this year. Memphis defeated Wellington in the Red River Valley League playoffs last year.

Doe Pittman, Owl player-manager, has a big replacement job this year. Only six pitchers of last season's RRV finalists team are expected to be on the roster against Wellington Saturday night.

The veteran players include Pittman and Leonard Royle, pitchers; Snooty, infielder; J. W. Coppedge, short stop; Earl Pruitt, third base-

man, and Clifford Jester, outfielder.

The Owl line-up will be filled by younger players this year in the spots vacated by such 1949 stars as Bus Dorman, Metz LaFollette and Jimmy Banks. More local talent will be used, Pittman said.

The team roster is not yet complete and bad weather handicapped workouts until this week. Some of the new performers expected to develop on the squad include Gayle West, Larry McQueen, Jimmy McElreath, Leroy Green and Don Coley.

Memphis opens its Red River Valley League schedule here on April 23 against Dumas.

Schools Close Friday For Easter Holiday

Schools in Hall County will be closed Friday in observance of the Easter holidays, County Superintendent Mary Foreman announced this week.

"All schools in the county that I have contacted plan to close Friday," she said. "However, I have not contacted Estelline officials but assume that schools there will be closed."

County Superintendent W. C. Davis said all Memphis city schools will be closed Friday.

Heavy Vote Recorded In Two City Election Wards

Heaviest vote than was anticipated was cast in the city election Tuesday as Memphians chose five city councilmen for two-year terms.

Only opposition was in Ward 2 where T. W. Harrison was elected to his city council seat. He received 43 votes to win a narrow margin over his opponent, O. R. Saye, who received

30 votes. In Ward 2, H. J. Howell was elected to his council post, receiving 13 votes to 9. He was unopposed. O. L. Helm was also elected to the council from Ward 1, receiving all 13 votes. Helm was running for the vacancy created by Durwood Howell's resignation.

Liner was re-elected from Ward 4, receiving a total of 69 votes. He was unopposed but B.

Young People Dined To Party

About 35 will enter the young people of Memphis for an Easter party Friday night at 7 p.m.

The boys who have been invited to attend are the boys and girls of the school who would like to attend the party.

An outstanding entertainment has been planned for the young people. The party will be held at the Car-

B. McMillan received 30 write-in votes and Roy Patton received one write-in. Voting was heaviest in Ward 3.

J. W. Johnson, seeking his initial term on the council, was elected from Ward 4, receiving 30 votes. He was unopposed. Clyde Milam, the retiring councilman from Ward 4, received two write-in votes.

The council met Tuesday night to canvass the returns from the

COUNTY VOTING LIGHT SATURDAY IN SCHOOL TRUSTEE ELECTIONS

Voters of Hall County elected trustees for the various independent and rural school districts in the annual election Saturday.

Little interest was shown in the Memphis Independent School District trustee election. Only 27 votes were cast. Carl Harrison and Homer Tucker were elected to the school board. Harrison was seeking re-election while this will

Former Estelline Resident Enters Race For Congress

Ronald Davie, former Hall County resident who announced his candidacy for the 18th Congressional seat this week, visited in Memphis Wednesday in the interest of his campaign.

Davie is the first candidate from Hall County to announce

(Continued on Page 8)

election. The meeting will be continued next Tuesday night when the new council will be installed and regular business will be acted upon.

The complete city council for the coming year: Horace Tarver and T. W. Harrison, Ward 1; H. J. Howell and O. L. Helm, Ward 2; Frank Monzingo and F. A. Liner, Ward 3, and J. J. Bice and J. W. Johnson, Ward 4.

be Tucker's initial term with the school governing group.

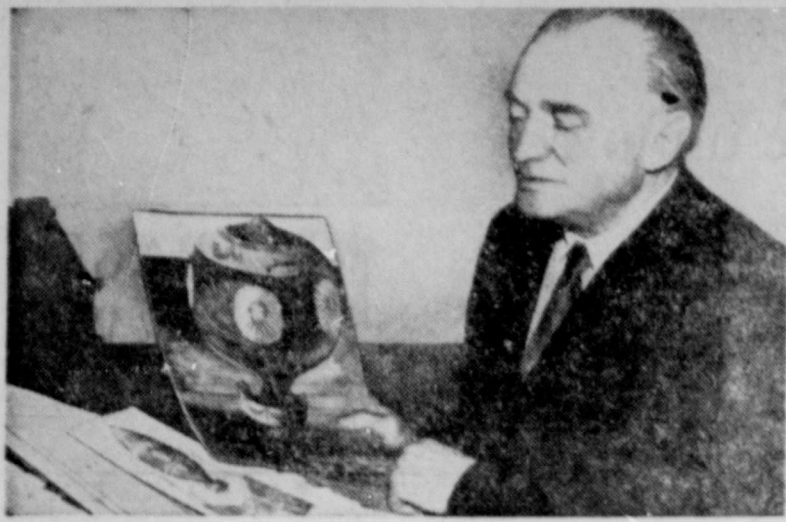

Jerrel Rapp and R. V. Wood were elected to the Estelline school board. Rapp received 48 votes and Wood 7b. Their opponents were J. D. Cox, who received 35 votes, and O. B. Hoover, 30 votes.

Hulen Clifton was elected county trustee from Precinct 3. Clifton received 95 votes in Estelline and five in Parnell.

Crump Ferrell was elected to the Parnell school board, receiving 21 votes. His opponent, Joe Lloyd Mothershead, received 16 votes.

In Precinct 4, Roy Russell was elected to a county trustee position. He was unopposed and received 45 votes. However, County Superintendent Mary Foreman said Wednesday that Russell had declined the position. She said a

PLANS CARBIDE RIDE . . . Arthur Baumgart, Frankfurt, Germany, will fly a Montgolfier balloon, which flies on carbide, during his participation in a movie documentary, "Capturing the Air," to be produced by France-German film combination. He is the only man in the world who has a license to fly this type aircraft, invented in 1782 by Joseph Montgolfier. Baumgart, 70, is looking at a picture of the ancient aircraft.

Collins Howard Announces for Congress Seat

Collins Howard, former Childress County attorney and judge has announced his candidacy for United States representative from the 18th Congressional District in the May 6 special election.

an in the recent war qualifies me to represent the people of this district in the United States Congress. "I have no promises to make," Howard said, "But I will use my training, experience and ability to the best advantage possible in representing all the people of the Panhandle district. I think preservation of the peace is the most vital question facing the world today.

RHEUMATIC FEVER, SCOURGE OF YOUTH

(This is the last of a series of three articles on the heart and its ailments, prepared in cooperation with the National Heart Institute.)

LITTLE JIMMY JONES down the street had recovered only 10 days ago from a bad "strep" throat. Yet this bright and sunny morning, Jimmy was sick in bed again, this time with a fever and aches and pains in his joints and muscles.

The doctor wasn't sure, but the specialist called in on the case confirmed his worst suspicion—Jimmy Jones had RHEUMATIC FEVER.

Jimmy's case was caught early, so the outcome is much more favorable. Nevertheless, it will require considerable medical care and treatment to pull him through safe and sound.

In rheumatic fever, not only are joints and muscles affected, but the heart itself is nearly always involved to some degree. When the inflammation has subsided, although the joints and muscles will be as well as before the infection, there is likelihood that, in two cases out of three, there will be permanent damage to the heart.

Rheumatic fever, together with rheumatic heart disease which it so often leaves behind, has been called childhood's greatest enemy.

Except for accidents, it is commonest cause of death among school children. And in nine out of 10 cases of heart conditions found in children, their cause can be traced to rheumatic fever.

This condition usually starts between the ages of five and 15. It may occur at any age, however. Unfortunately, one attack does not make the indi-

vidual immune. Instead, it lowers his immunity, and unless extreme precautions are taken, it will recur again and again. Each attack adds to the damage already present.

Other important ailments associated with heart disease—such as high blood pressure and arteriosclerosis—affect the heart only indirectly. This leaves the heart muscle intact to deal with the enemy. Rheumatic fever attacks the heart itself—inflaming the muscle, the sac it is contained in, and most importantly, the delicate valves—the "trapdoors" in the heart.

When the inflammation has subsided, there may be left behind corroded valves and a weakened, enlarged heart muscle. The damage to the valves is important enough to disturb the entire pumping function of the heart. This may not only dog the patient for the rest of his life, but may considerably shorten his life.

More than one-third of the crippled hearts in adult life can be attributed to rheumatic heart trouble.

Symptoms of rheumatic fever can be deceiving and are often hard to detect, even for the experienced doctor. Nosebleed, pains in the stomach, a loss of appetite, and a failure to gain weight, as well as Jimmy's fever and joint pains, are signs that the doctor must evaluate along with laboratory findings.

What causes rheumatic fever, medical science is hard-put to say. Doctors do know that infections such as tonsillitis, scarlet fever, and the so-called "strep" throat which Jimmy had—infections caused by a certain type "strep" germ which ruptures blood cells—

almost always precede its onset. Only a small percentage of those who get these infections, however, later come down with rheumatic fever condition.

What makes an individual susceptible seems in many cases to be an inherited tendency to rheumatic fever, although doctors are not sure. This tendency may be increased by poor diet, inadequate protection from cold, and crowded living conditions that give germs a chance to spread easily from throat to throat.

Penicillin and sulfa drugs, although of no value in treating rheumatic fever, have been useful in preventing the "strep" infections in former rheumatic fever victims.

By preventing these infections, doctors have been able to ward off subsequent attacks of rheumatic fever.

When rheumatic fever has "exploded," prompt and continuing medical care is the first and most important essential. The earlier this medical care is gotten under way, the better are the patient's chances of coming through without damage to the heart.

Aspirin and other salicylates help the fever and soreness, but it is a long rest in bed under good medical and nursing supervision which gives the heart the edge in the crucial battle it is waging.

When the acute phase is past, rheumatic fever can linger on for months in a subacute stage. Until the patient is pronounced fully well by a competent physician, the possibility of additional damage to the heart continues to exist.

It is important, therefore, that reliable medical advice is sought early and is closely followed throughout.

from Paducah and Childress, all the way to Farwell on the Texas-New Mexico border. All the farmers in that region have about the same general problems, which are different in some respects from the problems of wheat farmers and cattle ranchers."

Worley Resignation Now Official Special Election Set For May 6

One month from today—May 6—is the date Governor Allan Shivers has set for the special congressional election for the 18th district.

The vacancy was created by the resignation of Gene Worley of Shamrock. His resignation became effective Monday and Tuesday he took oath as a judge of the US Court of Customs and Patent Appeals in Washington.

This is a lifetime appointment made by President Truman. Worley first announced as a candidate for Congress in April

of 1940 while serving his third term in the Texas Legislature. He won his way into the second primary, running second to Deskin Wells of Wellington. Worley won the office in the second primary. He was the successor to Marvin Jones who had represented this Panhandle congressional district since 1917. Jones is now Chief Justice of the US Court of Claims.

The list of candidates for the congressional seat has been increasing weekly. The field now includes nine:

Altavene Clark, J. Blake Timmons, E. T. Burk, all of Amarillo; LeRoy LaMaster of Perryton; Walter Rogers of Pampa, Talma Smith of Clarendon, Ronald Davis and Collin Howard, both of Childress.

Lewis Nordyke, political editor of the Amarillo Globe-News, says that two or three more candidates might announce including Ben Guill of Pampa who might run on the Republican ticket.

Concerning the two Childress candidates, Nordyke writes:

"Davis was the first Childress candidate to announce. He is co-ordinator of the Veterans Vocational School there. He is a native of that vicinity, a Childress High School graduate. He's a former teacher of vocational agriculture. "Howard, the other Childress

Vets May Still File For Farms Under Land Bill

Although the entire \$25,000,000 principal of the Veterans' Land Program was committed by March 18, Land Commissioner Bascom Giles stated today that additional applications are still being accepted "under certain conditions."

"Where both seller and veteran understand that we cannot guarantee there will be money available to complete the purchase," said Giles, "we are putting the application on file."

The \$25,000,000 fund is a revolving one and thus additional purchases can be made from time to time as veterans make their semi-annual payments, Giles pointed out. Some veterans are also retiring their indebtedness at a faster rate than their contract demands. One tract in Dickens County has already been paid for in full.

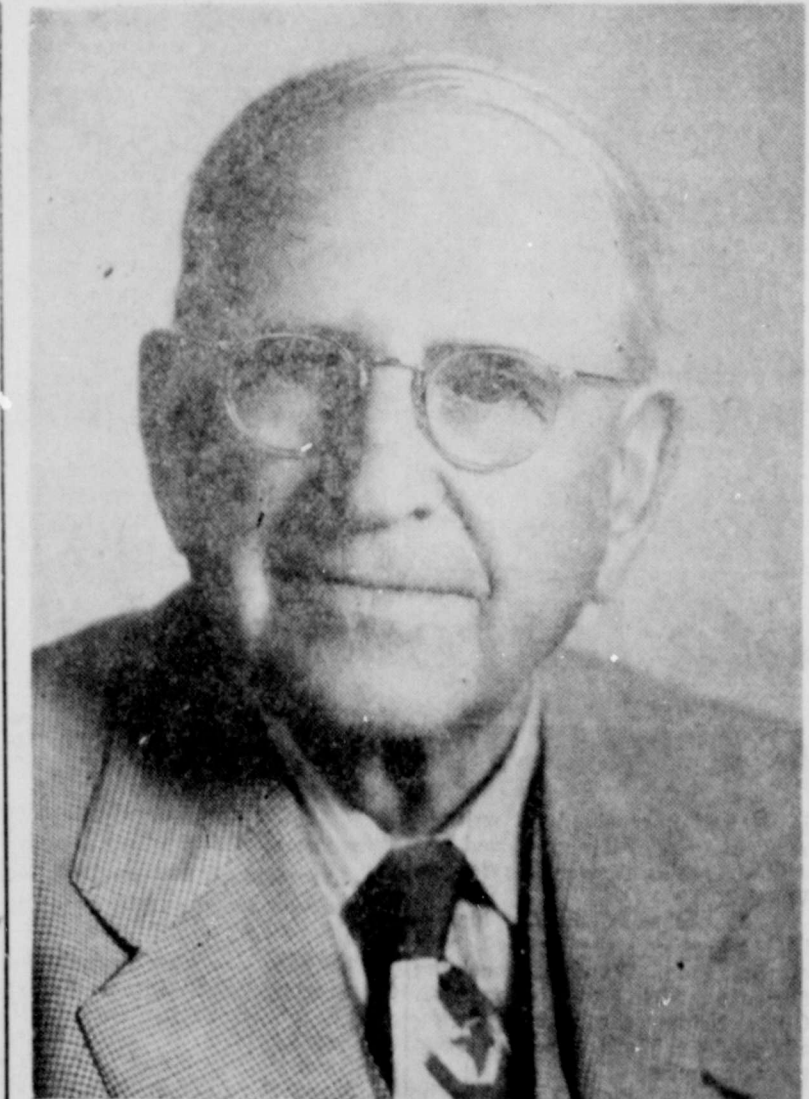

"Also," Giles explained, "every withdrawal enables us to process one of the applications accepted on this conditional basis. We will act upon these new applications, if and when money is available, in the order they were received."

The down payments accompanying a "conditional" application will be deposited in the State Treasury, Giles said, and will be returned if the transaction is not completed.

No application has been accepted since March 18 except this "conditional basis," Giles stated.

candidate is a former county attorney at Childress. He's a veteran of World War II.

As far as the other candidates are concerned? There's no specific answer, but Childress is in the so-called diversified farming belt of the region. This belt stretches

E. T. Burk for Congress

The date of the special congressional election. It is important that YOU select a man who will represent YOU. And the way to be certain is to work for and vote for E. T. Burk because . . .

- He is an ordinary citizen like you, a churchman, family man, community man.
- He has been in business in Amarillo more than 20 years, taking the ups and downs of competitive enterprise, serving customers from all walks of life. He has paid taxes to keep up schools, towns, counties, state.
- E. T. Burk believes in fairness, honesty, common sense.
- He is paying his own campaign expenses and is not tied by any individual or group. Big campaign contributions tie the hands of any person. E. T. Burk will not permit his hands to be tied by those who would try to take your rights. He doesn't seek a paycheck nor a political career.
- E. T. Burk believes in a sound farm program, in fair labor laws, and he opposes spite legislation. He believes strongly in fair, considerate treatment of our senior citizens.
- E. T. Burk is a common sense, ordinary citizen like you.
- E. T. Burk is the leading candidate in the congressional race. He CAN WIN!
- The way TO BE SURE, TO BE SAFE, TO HAVE REAL REPRESENTATION is to

THIS CITY IS ONE GREAT SCHOOL

JUST 37 MILES west of Chicago lies one of the most unique cities in the world—Mooseheart Ill.

Maintained by the Loyal Order of Moose, Mooseheart is a "child city" for sons and daughters of deceased Moose members. All children are given a high school education and taught a vocational trade. Since its founding in 1913, some 5,000 boys and girls have been cared for at Mooseheart. Present students come from 31 of the 48 states. There are now nearly a thousand young citizens in residence there.

A student studies near the statue of the late Senator James J. Davis of Pennsylvania, founder of the school. Dr. Richard Aspinall, superintendent of the child city, pauses to chat.

"Mooseheart is run by people who do not like institutions," says Malcolm R. Giles, director general of the order. "We do everything that devotion and ingenuity can suggest to make it as little like an institution and as much like home as possible."

For instance, the children do not live in great bleak dormitories nor eat in large mess halls. There are many small dwellings, each of which has a pleasant living room for games and reading, a dining room in which boys or girls of the same relative age and size eat as do normal families, and bedrooms which have space for personal belongings.

Like parents, Mooseheart is eager to develop each child's every faculty. A child may learn to play any musical instrument, or receive voice instructions. There are religious services and instruction for all denominations. Each child is reared in the faith that prevailed in his family home. A unique \$1,500,000 church, called the House of God, devoted to tolerance and to the spiritual and moral needs of children of some 25 religious denominations represented at Mooseheart will be dedicated next August 20.

they do not like to be called orphans. Many of them have at least one parent living. In many cases, the mother lives and works at Mooseheart.

This unique city has just about every after-school joy known to youth. There are movies, roller and ice skating, dances, a swimming pool, Boy Scouts and Girl Scouts, including Cubs and Brownies.

There are several bands and orchestras, the children stage many plays throughout the year, there is boating on a picturesque lake. There is a large memorial stadium. Sports range from ping-pong to hockey.

Some \$35,000,000 has been poured into Mooseheart, the only large town created for children only. Here is heart-warming proof, in our cynical world, of the inherent goodness of man.

Mooseheart is a community without voters, taxes, morticians, jails, or strikes. It has its own postoffice, heating plant, elementary school, high school, hospital, and laundry. Its 800-acre farm produces 60 per cent of its food. A modern dairy and prize herd produce a quart of milk daily for each resident. Mooseheart has an abattoir, an orchard, cannery, greenhouse, gas station, and its own fire department.

Furniture in the Pennsylvania "baby village" is dollhouse size. Boys have their own barber shops, girls their own beauty salons. They have a student bank which welcomes checks for as little as one penny.

Boys and girls each have their own department store where

Meeting.
 Friday of this week we show a 30 minute moving picture on the "Conversion of Saul" with our new machine, after the close of the evangelistic services.

"THANKS"

To the Members of the
MEMPHIS VOLUNTEER FIRE DEPARTMENT

We, the members of the Commissioners Court of Hall County, take this means of publicly thanking the members of the Memphis Volunteer Fire Department for their action in preventing the complete destruction of a bridge by fire Monday afternoon.

Three sections of the bridge, which is located near the swimming pool, were on fire at the time the firemen arrived. Their prompt action saved two of the sections. We appreciate the efforts of these men, and recognize their worth to this community.

Mrs. Frank Foxhall Is Named President Methodist WSCS

Election of officers was featured at the Monday afternoon meeting of the W. S. C. S. which was held in the Victory class room.

Mrs. Frank Foxhall was named to head the organization as president for the ensuing year. She will succeed Mrs. W. C. Dickey.

Other officers elected include Mrs. W. H. Monzingo, vice president; Mrs. J. J. McDaniel, recording secretary; Mrs. Mac Tarver, promotional secretary; Mrs. Louis Goffinet, treasurer; Mrs. W. F. McElreath, spiritual life; Mrs. R. S. Greene, Missionary Educational; Mrs. T. J. Way, Christian Social Relations; Mrs. Bess Crump, local church activities; Mrs. W. F. Ritchie, student work; Mrs. G. E. Payne, Children's work; Mrs. J. M. Baker, youth work; Mrs. O. M. Gunstream, supply work; Mrs. D. B. Kennedy, literature and publications; Mrs. C. F. Vickers, status of Women.

"Youth Participation in World Building" was the program theme for the day with Mrs. Geo. Payne serving as leader. Mrs. McElreath brought a very impressive devotional choosing First Cor. 3-11 as the scripture reading. She used the globe of the world and candles as a symbol of Christ, the light of the world.

An educational play explaining the Missionary Colleges located in Kansas City and Nashville, Tenn. was presented by Ima Joyce Evans, Joyce McDaniel and Mrs. McDaniel.

The meeting was adjourned with missionary benediction.

Mrs. Omer Hill Entertains Girl's Auxiliary Thurs.

The Intermediate Girl's Auxiliary met Thursday afternoon, March 27, at 4 o'clock in the home of Mrs. Omer Hill.

The program topic for the afternoon was "What's in Our Heart." Taking part on the program were Ann May, Betty Kennon, Juanita Bloxom, and Jo Ann Kepnon.

Frosted coca-cola were served to Ann May, Juanita Bloxom, Betty Kennon, Jo Ann Kennon, Mrs. Omer Hill and Mrs. Earl Pritchett.

A required book review will be given at the next meeting on April 13 and all members are urged to be present.

Estelline Club Meets in Home of Mrs. Louise Kinard

The Stitch and Clatter Club of Estelline met March 28 in the home of Mrs. Louise Kinard.

The afternoon was devoted to doing various types of needle work. Three quilts were given to the families who recently lost their household furnishings by fire. Louise Kinard was elected secretary-treasurer during the business session and Juanita Nelson was named assistant.

Sandwiches, cake and iced tea were served to the following members: Clorine Morrison, Flossie Dick, Ora Lee Fulton, Edna Winkler, Broxie Arrington, Beatrice Gardenhire, Myrtle Butcher, Gertrude Railey, Juanita Nelson, Ada Jones, Eula Adams, L. B. Chaudoin and Ilo Price. One guest Wilona Moorhead was also present.

Society News

Musical Program Is Presented at Estelline Club

The 1932 Culture Club of Estelline met Monday, April 3, in the home of Mrs. C. L. Sloan Jr.

After a brief business session, Mrs. Walter Whaley introduced the following program: organ duet, "The Palms" by Mrs. C. L. Sloan Jr., and Mrs. C. E. Wilkinson; piano selections, "Manhattan Serenade" and "Waltz in A Flat," Chopin, by A. D. Britt Jr., R. L. Evans sang "Prayer Perfect" and "Just For Today" accompanied by Mrs. Walter Whaley; organ and piano duet, "Liebestraum," by Mrs. C. E. Wilkinson and Mrs. C. L. Sloan Jr. Concluding the program Rev. Albert Cooper analyzed the Book of Esther.

Delicious refreshments were served to the following members and guests: Mmes. A. H. Bailey, C. O. Gregory, F. O. Cooper, W. B. Davidson, D. T. Eddins, S. T. Hutchins, B. T. Jackson, E. F. Kennedy, Don Leary, J. L. Phillips, L. E. Phillips, J. B. Rapp, D. C. Waldon, W. M. Whaley, C. E. Wilkinson, R. L. Evans, Albert Cooper, A. D. Britt Sr., Mac Tarver, Miss Mary Foreman and Messrs. C. L. Sloan Jr., C. E. Wilkinson, A. D. Britt Jr., R. L. Evans, and Rev. Albert Cooper.

SHANTUNG FOR SPRING

Notched revers, drop shoulders, and a new Oriental cuffed sleeve effect are fashion highlights of this pure silk shantung suit dress. It has a straight, slitted skirt, moonstone buttons and a Margie of A. Goodman label. The colors are shrimp, fawn, navy or black. The price—about \$40.

Mrs. A. Anisman Gives Book Review At Delphian Meet

Mrs. Lynn McKown, 409 South 7th, was hostess to the Delphian Club on Tuesday afternoon, April 4. Mrs. Henry Hays, president, presided.

"Palestine—a Factor in World Happiness" was the program theme introduced by Mrs. C. C. Hodges, program chairman, who presented Mrs. A. Anisman in a review of "Shalom Means Peace" by Robert St. John.

In a very capable and entertaining manner Mrs. Anisman reviewed the history of Palestine, discussing the present situation in government and economics and social conditions.

Members present were Mmes. A. Anisman, J. L. Barnes, Jack Boone, W. C. Davis, Calvin Draper, Gordon Gilliam, Henry Hays, Earl Hill, C. C. Hodges, Bill Kesterson, Weldon McCreary, J. S. McMurry, Roy Shahan, Clarence Stroehle, R. H. Wherry, Lynn McKown and Misses Maud Milam Gloria Gosch and Zady Belle Walker.

Mrs. Ruth Householder, of Amarillo and a former club member was a guest.

Scout Group Will Attend Lawton Easter Pageant

Scoutmaster Ted Meyers will take a group of Scouts to the Easter Pageant which will be held near Lawton, Okla., Sunday morning.

Myers said the group will leave here Saturday afternoon and will go directly to Holy City, Okla., in the Wichita Mountains near Lawton. The annual Pageant is held at Holy City.

The program begins at 12:30 a. m. Sunday and extends through Sunday morning. It is presented as a series of plays beginning with the birth of Christ and ending with the resurrection.

Every Texas farmer and rancher should completely execute the farm census questionnaire when it is received. Census figures are widely used for many purposes and they need to be accurate.

County Concert Group To Meet Monday Night

A meeting of the Board of Directors of the Hall County Concert Association will be held on Monday evening, April 10, at 7:30 o'clock in the County Commissioners Court Room, Mrs. T. M. Harrison, president, announced this week.

Monday night's meeting will launch the membership drive for next year and it is urgent that all members be present, Mrs. Harrison stated.

The drive, which begins Monday night, will be followed by the Kick-off dinner on April 17. The dinner will be held in the high school cafeteria.

Following a recent visit here by Ed Pryor, owner of the Pryor Concert Association, members are looking forward to some added attractions next season, Mrs. Harrison stated. Mr. Pryor stated that his organization had expanded during the past few months, thus enabling the company to offer a wider selection of artists and at reduced prices.

It is hoped that the local association will be able to feature at least four or perhaps five programs next season; whereas only three were scheduled for the current year, officers of the organization said. Memberships for next year will be the same as for the past year. Adult tickets will be \$4.80 and student tickets, \$2.80.

Concerts for the current season will be concluded with the appearance here of Henry Scott on April 25. Mr. Scott is considered an outstanding artist and is sometimes called "the Will Rogers of the Piano."

Easter Breakfast Is Enjoyed By Needle Craft Club

The home of Mrs. H. H. Newman, 18th and Bradford, was the scene for the annual Easter Breakfast held Tuesday morning by the Needle Craft Club.

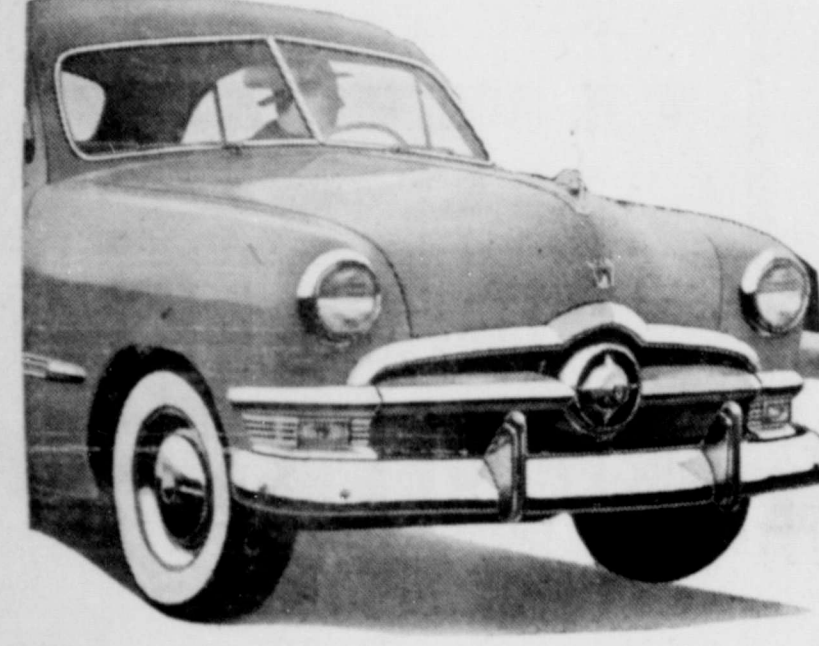

Decorations throughout the party rooms were suggestive of the Easter season. For the meal, guests were seated at foursome tables which were centered with miniature Easter Bunnies and eggs.

The menu consisted of fresh pork ham, scrambled eggs, brown gravy, hot biscuits, butter, jelly and coffee.

Mrs. Albert Gerlach was welcomed into the club as a new member.

Enjoying this affair were Mmes. Morgan Baker, T. J. Hampton, T. D. Weatherby, Nat Bradley, Bess Crump, Mary Lou Erwin, Mary Long, Robert Cummings, Albert Gerlach, and hostess, Mrs. Newman.

Edgan Allen Poe is generally regarded as the originator of the modern detective story.

Cyclone Faces Top Teams In Greenbelt Track Meet

The Memphis Cyclone track squad will get a dress rehearsal for their district competition Friday when they run in the Greenbelt Track Meet at Childress.

Over 200 athletes will be competing for individual awards in this meet. The preliminaries will begin at 1:30 p.m. Friday with the finals being staged under the lights at 7:30 p.m. The meet will be held at the Childress football stadium.

This will mark the second time this season that Coach Charles York has put his full squad into action. The Memphis speedsters won the Panhandle Invitational Track and Field Meet two weeks ago.

Friday's competition will be the last warm-up of the season for the Cyclones before defending their district crown here April 13.

Coach York said he will use practically every boy on his varsity squad in the Childress meet.

Entries for the Greenbelt session were coming in fast this week and the competition promises to be fierce.

Amarillo and Abilene—both AA powers—promise to be the class of the meet. Amarillo easily copped the Big Springs Relays last week end and Abilene finished second.

Other Class AA schools expected to be in Childress Friday include Vernon, Quanah, Graham,

the host Bobcats and Odessa. Strong Class A and B competition is expected from such powers as Phillips, Shamrock, Lefors, White Deer, Electra, Turkey, and Pecos.

Track fans of this area may be treated to some of the hottest performances of the year if several events develop as expected. Memphis' top speedster, Bobby Crooks, will face his toughest tests to date.

Crooks will meet Amarillo's favorite performer, Gaylen Fowler, in the 440-yard dash and is slated to compete against Joel Combs, Lefors ace, in the 220-yard dash.

Fowler defeated Crooks in the 440-yard event at Ft. Worth several weeks ago. The Cyclone star has not faced Combs in the 220 this season.

Another big name in the Greenbelt Meet will be Joe Sparkman, Childress miler who set a record at Odessa Saturday with his 4:47.9 run.

Some 65 high schools have been invited to the meet. Trophies will be awarded to the first, second and third place teams and a belt buckle will be presented to the high point performer. Event winners will receive medals.

Tentative Cyclone entries:
100-yard dash—Vance Adams, Tommy Messer and Frank Norman.

220-yard dash—Bobby Crooks.
440-yard dash—Bobby Crooks and Pete Moore.

880-yard dash—Charles May and R. A. Wells.

1 mile run—Wayne Saunders, Clinton Jones, Scotty Grundy and Lee Bloxom.

100-yard high hurdles—Bobby Young, Vance Adams, Tommy Messer, Don Rasco and Jack Spry.
220-yard low hurdles—Bobby Young, Don Rasco and Charles Messer.

Pole vault—Allan Pierce, Roddy Stargel and Jack Spry.

Weights—Kenneth McQueen, Pete Moore and Raymond Clark.

1 mile relay team—Pete Moore, Lee Bloxom, Charles May and Bobby Crooks.

An acorn was frequently used as a design on Colonial furniture because it was considered a symbol of hospitality.

Grasshoppers cannot jump unless the temperature is at least 62 degrees Fahrenheit.

KING AND QUEEN . . . Art Devlin, member of ski-jumping team, and Eileen Seigh, member of U. S. Olympic skating team of 1948, were selected king and queen of Lake Placid's winter sport carnival. She is also a member of a professional ice show.

Sisk Buick Co. Installs New Tire Equipment

A new tire saving service for car and truck owners of this area was installed this week by the Sisk Buick Co., according to Herbert H. Sisk, owner.

"We believe that this new Bear Tire Saving Service will enable motorists to add thousands of

miles to their car and truck tires," Mr. Sisk said.

Added to the equipment already on hand was a new pit-type machine to service trucks and a new heavy duty balancer. Sisk said this equipment represented an investment of about \$1,500 and, added to the wheel balancing and front end aligning machines already in the shop, reaches a total equipment investment of around \$4,000.

Mr. Sisk stated that the shop in a position to handle car or truck except the largest transports.

The front end equipment for trucks has been over a pit in the service ment.

The owner said everyone interested is invited to see the new equipment.

ADVICE ABOUT KEEPING WELL

★ "The man who thinks to conserve his health by uselessness and ease does not differ from him who guards his eyes by not seeing, and his voice by not speaking. . . . Least of all is it to be assumed that laziness is healthful, if it destroys what health aims at; and it is not true that inactive people are more healthy."

This excerpt from Plutarch's essay *Advice About Keeping Well*, written over 2,000 years ago, might have been written yesterday. Had medicine and pharmacy been as well developed then as they are today, we are certain he would have stressed the value of a periodic physical examination by a qualified physician. By the same reasoning, it is wise to take your prescription to a registered pharmacist for expert compounding. We are prescription specialists.

(Numbers 10:29)

ANNOUNCING OUR NEW

Bear Tire Saving Service

For CARS and TRUCKS

We Have Recently Installed a

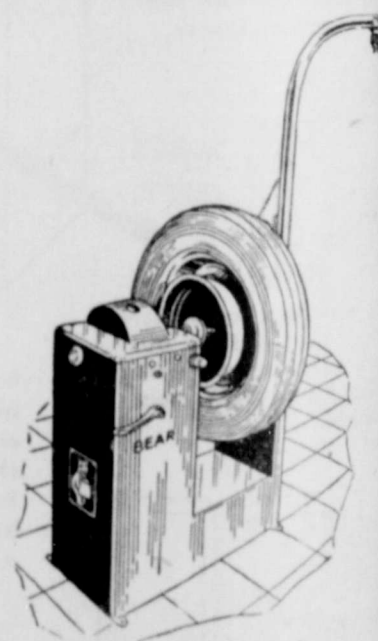

New Pit-Type Machine

TO SERVICE TRUCKS

— AND A —

New Heavy Duty Balancer

This equipment has been added to our passenger car type of BEAR Equipment which we have been using for the past three years.

You are cordially invited to visit our Service Department and see the machines that add thousands of miles to your tires and give you greater driving comfort and safety.

If the tires on your car or truck have a cupper or scrubbed look or show signs of uneven wear; if your car or truck has a tendency to wander, weave or pound as it goes down the road, TAKE HEED! These are danger warnings of conditions that may lead to ruined tires or a very costly and tragic accident. Protect your pocketbook, safeguard the lives of your passengers and yourself by stopping in soon for a wheel

alignment and wheel balance inspection in our BEAR SERVICE DEPARTMENT. Our skilled factory-trained Bear operators will check your car with our precision equipment. In case of misalignment or unbalance exists, we are completely equipped to make the proper corrections or adjustments. BEAR SAFETY SERVICE saves Tires—saves Lives!

District 2-A Track Meet Will Be Held Here Thursday

CHANGED FROM FRIDAY; MEETS TO BE RUN AT NIGHT

For District 2-A's track and field meet has been changed from Friday, April 13, Memphis Coach Charles E. ... The meet will still be held at the stadium here, as originally planned.

DRAMATIC MOMENT . . . According to the Motion Picture Photographers' association, this scene, showing Kirk Douglas in "Champion," was the most dramatic film moment of the year. Douglas is a leading contender for an academy award.

TANKS FOR CHINESE NATIONALISTS . . . One of the 75 tanks destined for Chiang Kai-Shek's forces swings aboard the Canadian freighter, "Argovan," at Terminal Island, Los Angeles harbor.

LEROY GREEN, EX-CYCLONE, PICKED AS TOP WAYLAND DEFENSIVE CAGER

both the 100 and 220-yard dashes. In addition, Crooks will defend his title in the 440-yard dash.

Coach York said complete squad entries and other details will be announced next week.

Mr. and Mrs. Howard Finch returned home Sunday after visiting for the past two weeks in Eastern Kansas with relatives.

Mr. Finch stated that the wheat in Kansas was fair to Dodd City but surely looked bad south of Dodd City and through Oklahoma.

Mrs. John Barber visited in San Antonio last week with friends.

The S. S. Savannah was the first steamship to cross the Atlantic.

For Air Conditioner Service, call 502. We have everything you might need. W. H. Mongingo Motors. 44-4c

The Wayland College Pioneers finished their first season of senior college competition with 19 wins over 16 losses according to Coach Harley Redin. The Pioneers scored 1959 points in thirty-five games for an average of 56 points per game. Redin stated that the top defensive men on the squad this season were Bill Knighton, senior student who has played his last year with the Pioneers, and Leroy Green, who was picked for the A. A. U. all-tournament team.

The cagers made .625% of their free throws and .315% of the field goal attempts. Big, husky Leon "Runt" Burch led the scoring with 466 points to rank among the college to scorers in the state.

Ed Billings, who the coach says is one of the best rebound men, averaged 380 points for the season, and was picked as Amarillo on the A. A. U. all-tournament team.

With only one squad member graduating Coach Redin states that he is looking forward to a greater season this year, as Ed Billings, "Runt" Burch, Leroy Green, Billy McClellan, and several strong freshmen such as Stanley Maness, Billy Hughes, Richard Walter, Harold Henry, Stanley Harris, Billy Meyer, and Gene Meek return to give a good starting line up for the opening whistle in next seasons games.

M-Sgt. and Mrs. Sidney Mayfield, Jr., and daughter, Karen, are visiting his parents, Mr. and Mrs. Sidney Mayfield. M-Sgt. Mayfield in on a two-week leave prior to his transfers to a European overseas base. He has been stationed at Barksdale Field, Shreveport, La. Mrs. Mayfield and Karen will join overseas later.

Mrs. Ned Pilcher and children, Ned Jr. and Kay, returned to their home in Jacksboro after spending a week with her parents, Mr. and Mrs. E. E. Walker.

The Memphis Democrat

Comments

(Continued from page 1)
over, and naturally would do the overseeing while the other fellows did the work, is the reason for missing the past three issues of the paper.

April has arrived without the April showers—that is: the wet kind. Plenty of the dry kind with some gravel along with it. Across my back yard fence, Nell and Jim Beeson have a lilac blooming, which would make one think that spring has sprung. Monday afternoon, Winter made a return call accompanied by plenty of the Panhandle dust.

Notice that the Pope of Rome has leg trouble just like the King of England and I have been having. That gives me some cause for feeling that I am not alone in the matter. If folks like the King and the Pope have leg trouble, who am I to grumble?

I never have seen so much building activity going on at one time in Memphis. Drive on any street in town and one will see either repairs being done or new houses being erected. At last Memphis has decided to do something about the housing shortage and the general appearance of

the town—something that has been needed for several years. Some real expensive and outstanding residences are under construction along with a lot of modest homes.

What this country needs now is a real season of moisture, and the weather man persists in telling us that no moisture is in sight for some time. Wheat has gone about as far as it can without rain. Greenbugs will have to let up soon for want of something green to chew on. Was told that a woman drove into town from her home in the country Monday, and when she arrived she was covered with greenbugs that were swarming along the road as she drove to town. Hope they were swarming for the purpose of taking flight to some foreign clime. They have done enough damage here.

Most of the farms are well protected by chiseling, and are not losing very much top soil in the high winds this spring, and that is something for which we may all be thankful. Would hate to see a repetition of the '30's.

Politics is warming up in the Congressional race, and there is talk of more candidates entering

the field. Already, there are seven or eight, and the voters will have an opportunity May 6 to choose the person they think will serve this district best. Governor Shivers has designated that date for the election of Congressman to fill out the unexpired term of Gene Worley. In July primaries, the voters can again express their choice of the one they want to serve the regular term of two years. Some good people are in the race, and it will be a matter of choosing between them.

Thanks, Jeff Watson of Lubbock, for the Birthday greeting you sent me a few days ago. You have always been most thoughtful and a friend who understands.

Mrs. R. R. Thompson sent me two hen eggs that were unusual in shape. One of them was shaped like a squash or gourd—crooked and tapering. The times are abnormal, even for hens.

An abnormality! Our redbud tree is showing peculiarities this spring. A few of the limbs low down are full of blooms, while few, if any, are on the rest of the limbs. It would be a sight pleasant to behold if the whole tree was blooming like the portion that has bloomed out in all its glory.

The sun and wind have chapped my hands and face; dirt and dust have tickled my palate; watching men work on our cellar has created more interest in helping to do something myself, all combined have created a better appetite and helped me to build up some strength, and really, folks, I feel a whole lot better. Nothing helps as much as nature, and I can stand the dust, the hot sun, the sand and wind as long as it builds strength. Been thinking I might try to get a job plowing behind a team of mules so I can watch the rich soil as it is turned up. The smell of moist earth is better than any medicine one can take.

When I was a youngster (several years ago) my brother, L. A., now of Amarillo, was a young and aspiring school teacher. He attended a teachers' normal in a good-sized town. When he got home he told us about seeing and hearing the grand opera "Faust" and we thought he had seen one of the seven wonders of the world—never having attended other

Political Announcements

The Memphis Democrat is authorized to announce the following as candidates for public office, subject to the action of the Democratic primary in July.

For Congress 18th District: LeROY (Pete) LaMASTER

For Commissioner, Precinct 1: ROY PATTON

For Commissioner, Precinct 2: H. W. SPEAR

For Commissioner, Precinct 3: FRED B. BERRY

PETE DAVIS

For Justice of Peace, Precinct 1: J. S. GRIMES

than a country school and Friday night literary society and Blue-back spelling bee. In the years that have gone by since then I have had the privilege of attending a few grand operas, but never "Faust." Sunday night I tuned in on the New York musical organization that presented Faust over the radio. All I could get out of it was a lot of Italian-sounding words set to music, and remembrance of a childhood event that has clung in my memory for a half century. Why grand opera has to be in spaghetti when we Americans could understand the words in English as well as the excellent singing, is more than one of my limited musical knowledge can understand.

The happenstance that brought this opera business to mind was that I had just seen Bud Norman's and Bill Monzingo's television antennas all lit up, came home and tuned in on the radio and heard Faust. Grand opera hasn't changed a tiny bit in all the years since it started, while methods of communications have made wondrous strides, even in the few short years I have lived on this earth. First, after post and personal delivery of messages, came the telegraph, next the telephone, the radio, and now television. In the '20s at Wellington, two of us made radio sets—the second and third in town. They were crude 3-tube affairs, but got the broadcasts all right. They cost us \$150 each and we assembled the parts. Look what one can get now for that amount of money. And now comes TV. Grand opera standeth still, while science in all departments continueth a steady improvement.

The first telephone I ever saw and talked over was really something out of this world. The party called, said "You ate onions for dinner; I smell them on your breath." I thought he really could. And the first telegraph line my youthful country eyes beheld was watched with interest to see a message going along the wire. All these things are taken as a matter of course by the youngsters of today.

Amendment— (Continued from page 1) we are going to notify those who will be helped by using this system," he said. He pointed out that in no event can any cotton allotment be increased to more than 4 per cent of the total cropland in the farm under the amendment. McKown said that no allotments will be reduced under the new amendment. Farmers who will benefit from the amendment by increased acreage should make written application to the Hall County PMA office before April 28, McKown said. "Only those farmers who make written requests to the PMA committee before April 28 will receive the increased allotments," he said. "However, the farmers need not worry too much about this since we will notify those who can gain by making this application." He pointed out that most county farmers actually have a larger allotment at this time than they would get under the amendment.

County Voting

(Continued from Page 1) trustee from Precinct 4 will be appointed at the regular county trustee meeting which will be held in her office here Saturday. George Blewer and Paul McCann were both re-elected to their seats on the Lakeview Rural High School Board in the election held here. Complete voting returns were not available at press time, however. In addition to these two trustees, the Lakeview voters also approved the plan to equalize the school tax rate at \$1.50 on the \$100 evaluation. This plan was approved by 154 voters while 17 were opposed.

Baptist Revival

(Continued from page 1) revival messages and Mrs. Killian will have charge of the song services. Mrs. H. W. Spear will play the piano at all the meetings.

Judge Goodpasture Will Attend Meet Of District Judges

Judge M. O. Goodpasture will attend a special meeting of the 8 county judges of the 18th congressional district in Amarillo Friday. The judges will meet to discuss procedure in holding the special congressional election set for May 6.

Governor Shivers has set May 6 as the date for the special election to name a congressman to serve out the unexpired term of Gene Worley who has accepted a federal judgeship. According to the secretary of state's office the county judges will be in charge of this election.

Funeral Service

(Continued from Page 1) Carter of Memphis conducted the services.

Burial was in Hulver Cemetery under the direction of Murphy-Spicer Funeral Directors.

Sharon Gail was born in Memphis on December 19, 1946.

She is survived by her parents of Parnell and two sisters: Carolyn Teasas and Sandra Teasas, both of Parnell. A brother, Jerry Teasas, of Parnell, also survives.

Other survivors include the grandparents, Mr. and Mrs. J. W. Teasas of Hereford, and Mr. and Mrs. J. A. Burks of Parnell.

Former Estelline

(Continued from Page 1) for the congressional post which will be the object of a special election May 6.

Although he now lives in Childress, Davis formerly taught at the vocational agriculture school at Estelline and still owns a crop and cattle farm near there. He taught at Estelline for four years, during the early '40's.

A program of church visitations will be carried out during the day while the revival is in progress, Rev. Killian said.

He pointed out that this revival is being held in connection with the Simultaneous Revivals which are being conducted throughout the Panhandle Baptist Association. He extended a cordial invitation to the public to attend all the revival meetings.

Large Cast

(Continued from page 1) doing research work and being expert Charles Akard. The Brothers will also be singing several selections be more "locally" Damon Welch, Fike and Robert Duncan.

Ray Crawford will spotlight with a number in another featured.

Members of Square Dance Club Attend Hollis Affair

Several couples from the Memphis Square Dance Club were guests of the Hollis Club on Friday evening.

Attending the Hollis affair were Mr. and Mrs. Nelson Combest, Mr. and Mrs. Billy Thompson, Mr. and Mrs. Buster Helm, Mr. and Mrs. Noel Calloway, Mr. and Mrs. Sonny Sheppard, Mr. and Mrs. Al Burks, Mr. and Mrs. Claude Ferrell, Mr. and Mrs. James Davis and Miss Billie Blackwell and Eddie Foxhall.

Miss Betty Barbee Becomes Bride of J. P. Johnson

Miss Betty Barbee, daughter of Mr. and Mrs. J. H. Barbee of Lakeview, and J. P. Johnson, son of Mr. and Mrs. Porter Johnson, also of Lakeview, were united in marriage in a double-ring ceremony Friday, March 24, in the parsonage of the First Methodist Church of Childress.

The bride was attired in a suit of navy blue complemented by burgundy accessories. She wore a corsage of white gardenias.

Immediately following the ceremony, the couple left for a honeymoon trip to Corpus Christi.

Mr. and Mrs. Johnson are now at home in Memphis, 821 Main.

The bridegroom is engaged in farming.

Harrison's parents, Mr. and Mrs. Ed Beck.

Mr. and Mrs. Byron Baldwin were visitors in Quanah Sunday with their son and family, Dr. and Mrs. James Baldwin.

Mr. and Mrs. T. E. Johnson of Amarillo visited in the B. D. Frisbie home Sunday.

Fred Butler, Billy Murdock and Butler Stewart spent the week end fishing at Lake Kemp.

Mr. and Mrs. Billy Hall visited in Childress Sunday afternoon.

Mrs. S. A. White returned to her home in Fort Worth Monday after visiting for a week with her mother, Mrs. J. A. Cassel.

Mr. and Mrs. J. G. Gardner and son, J. G. and Mrs. S. A. White visited in Paducah Sunday.

Mr. and Mrs. Herschel Montgomery of Dallas visited over the week end here with relatives and friends.

J. T. Dennis, Mr. and Mrs. J. L. Dennis of Carey and Mrs. W. J. Wilks of Floydada are visiting with their daughter and sister, Mrs. J. P. Peterson, in Devine this week.

Mr. and Mrs. E. T. Prater and Hamp Prater are visiting this week in Dallas with Mrs. Eddie Pate.

Mary Drew McCollum left Sunday for an extended visit with her grandmother, Mrs. A. B. McCollum in Shuglak, Miss.

Mrs. M. L. Edmondson and Mr. and Mrs. Raymond Edmondson and family all of Quanah visited Mr. and Mrs. H. W. Edmondson

QUEEN OF TSCW'S REDBUD FESTIVAL—Miss Evelyn Balcar, blonde Texas State College for Women, Denton, senior from Beaumont, was recently crowned Queen of the 12th annual Redbud Festival. The coronation climaxed a week of self development and special events on the campus.

and family Sunday.

Mrs. Alma Hoff and daughter, Maxine of Colorado City visited here over the week end with friends.

Some 200 entries involving 20,000 baby chicks have been received in the 1950 Texas Chicken of Tomorrow Program.

Lewis Foxhall Is Named Honor for Afternoon Tea Friday

Mrs. Lewis Foxhall, Miss Lois Sager, Mrs. Foxhall, Mrs. Lesley Foxhall, Mrs. John Deaver entered with a lovely tea Friday. The affair was held in the home of Mrs. Frank Foxhall.

Approximately 150 friends of Mrs. Foxhall called during the party between 3 and 5 o'clock. The evening line was made up of a hostess group; the honoree, Mrs. Foxhall; her mother, Mrs. Emory Sager.

Decorative appointments about the party rooms featured arrangements of gladioli, roses and jonquils in Easter colors.

A center of special interest was the tea table which was laid with a yellow organdy linen cloth and was centered with a graceful arrangement of yellow roses and white candles in crystal candelabra.

Mrs. Leo Ehrle of Childress and Mrs. Bill Kinslow presided at the silver service the first hour and Mrs. Wendell Harrison and Mrs. Buster Helm the second hour.

Mrs. C. L. Sloan played musical selections throughout the party hours.

Other members of the house

Locals and Personals

Mrs. Earl Pritchett left Tuesday for a short visit in Wichita Falls with relatives.

Mr. and Mrs. Dewey Renfrow of Bluff Dale visited this week with their aunt, Mrs. W. F. Hicks and Cousin, Mrs. Bray Cook and family.

Comments — the town — something that has the field. Already, there are seven on the right, and the voters will require that veterans in training after the entrance cut-off date will have to meet.

BY VETERANS BY JULY 25, 1951

The deadline for most veterans for starting a course of education and training under the GI Bill is 15 months away — on July 25, 1951.

A Veterans Administration regulation, issued today by the Lubbock Regional Office states that the majority of veterans will not be permitted to begin GI Bill courses after that date. An exception has been made for those discharged after July 25, 1947 and those who reenlisted under the Armed Forces Voluntary Recruitment Act, according to an announcement made by Robert W. Sisson, VA Regional Office Manager.

July 25, 1951, however, is not important to veterans who have started and actually are pursuing GI Bill training on that date, as they have the right to continue their courses.

The VA regulation explains that a veteran who has started a course and who has continued in

If You Are 85, 45 or 3, Hadacol Helps All Ages

HADACOL is good for all ages, bringing five of nature's B vitamins and important minerals to the young and old alike. Recently the HADACOL folks received the good news that among the countless thousands who had been benefited by HADACOL were a lady of 85, a man of 45 who felt like he was 18, and a beautiful little girl only three years old.

Mrs. Edmond Doucet, of Church Point, La., is 85 years old, having thousands of friends in the picturesque Evangeline section of Louisiana where she was born and has spent all of her life. These friends are happy to know that Mrs. Doucet feels better now than at any time in two years and gives the credit to HADACOL.

"I had been sick for almost two years and was suffering with gastric disturbances and bloating. I was run down, had lost weight and had to stay in bed most of the time. I lost courage and felt that there was no hope for me."

Mrs. Doucet had tried many preparations without apparent beneficial results when she heard the glorious news about HADACOL.

"After taking several bottles of HADACOL, I felt like a new person," said Mrs. Doucet. "I eat anything I want without ill effects and sleep well. I feel much stronger."

Neville Dugas, of Route 1, Box 101 B, Carencro, La., is a successful farmer who had worked early and late at all kinds of hard work and it wasn't so long ago that he wondered if he would ever be able to work that way again. He had tried many medicines, but felt no better.

"I had all kinds of stomach disturbances," said Mr. Dugas. "My stomach was so bloated that it felt like it would swell up and burst. I suffered with gastric disturbances, heartburn and was run down and nervous. I had no appetite and suffered with headaches and I couldn't sleep at night. I was so drawn and pale that my friends had difficulty in recognizing me. After the third bottle of

HADACOL I felt a real improvement and after the twelfth bottle of HADACOL I felt like I was 18 instead of 45. I am feeling perfectly well."

"My three year old daughter, Joan, had lost her appetite," said Mr. Dugas. "Her cheeks were pale and she cried often. I started giving Joan HADACOL and after three of the large economy size bottles she is now healthy, has an excellent appetite and her disposition is perfect."

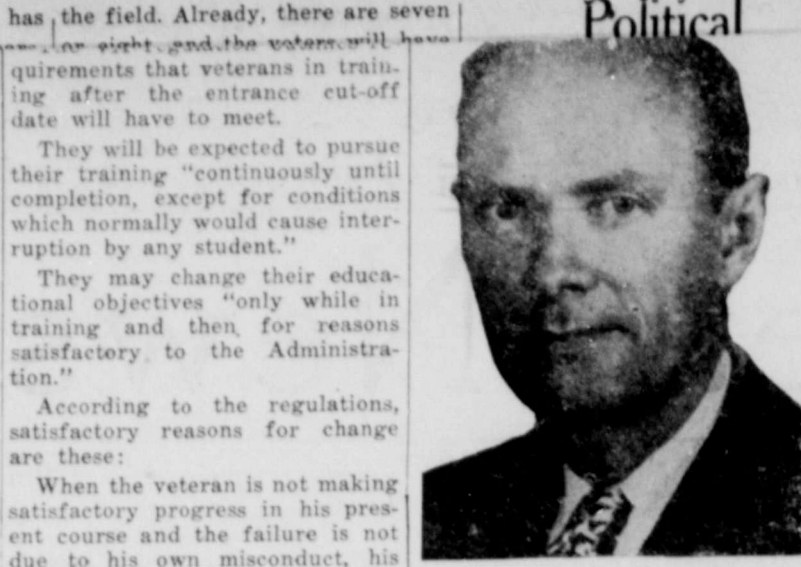

All three of these people were suffering from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away. It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic HADACOL.

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances... Your food will not agree with you... You will have an upset stomach... You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of a lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and minerals which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

So it matters not how old you are or who you are... it matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives because HADACOL supplied the vitamins and minerals which their systems needed. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial!

WALTER ROGERS

Pampa Citizens Backing Rogers In Coming Race

Pampa and Gray County were getting set this week to give their fellow townsman an "all out" push in his race for congress.

He is Walter Rogers, former city attorney, district attorney for two terms and who has been an active leader in civic and community affairs during his 15 years residence in Pampa.

First official event in the campaign is a barbecue in Pampa for Thursday afternoon at 5 o'clock with Sheriff Skinner Kyle as host and with peace officers of the district as special guests.

Pampa business men in a series of meetings have organized into a city-wide "Rogers for Congress" club, and plan a tour of the entire district on a campaign to "sell" the Pampa candidate as the best qualified entrant in the race.

In groups of four to the car, the Pampa workers plan to visit every town and community in the district and pass out literature, distribute placards and tell the voters of other counties about the Gray County candidate.

Mr. Rogers, who enjoys a large law practice, has arranged his affairs so that he can devote all of his time to the campaign. He plans a whirl-wind trip over the district

Those Dust Storms Get Pretty High, Tech Research Says

Recent dust storms in Texas have reached a height of 15,000 feet and covered an estimated 85,520 square miles during the early stages, reports on a research project at Texas Technological college indicated.

During a prolonged storm in March which lasted three days the barometric pressure reached a record low of 25.06 in Lubbock. The winds evidently started whipping up dust in southwestern New Mexico as they blew toward a large low pressure area in Nevada. As the low pressure area moved eastward the dust-laden winds invaded Texas.

Students of G. Frederick Warn, associate professor of geology, reported dust particles .25 of a millimeter were found 65 feet above the surface. Particles from New Mexico and Colorado were mixed with the local dust. About one per cent of the particles were organic matter such as leaves, straw or grass.

Remarkably low humidity has aided the dust storms, Warn said. A record low humidity was recorded in the late March storm. The last rainfall of note fell in the South Plains on Sept. 21. Recent winds have had a drying effect which is further reducing the moisture content of the soil, Warn said.

Ordinarily, a wind of 40 miles per hour will carry the dust along if the gusts are sustained. However, gusts of 20 or 25 miles per hour can start storms rolling, and velocities during some dusts have reached 70 miles per hour. Wind turbulence and air moisture, as well as the speed of the wind, help determine the amount of dust that will rise.

Four out of five recent storms have entered the South Plains from a westerly direction, and one has come directly from the south. The most intense recent storm entered Texas from the west.

Tech students Billy Cox and Dewain Cox, both of Monahans, and Jack Pales of Lawton, Okla., are working under William C. Irvin and Warn's supervision in compiling data on the dusts.

Now She Shops "Cash and Carry"

Without Painful Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slow down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

County Voting
Stressing stability for agriculture, economy in government and the need for curtailing federal encroachment in local affairs, Mr. Rogers plans to outline his views to the voters of the area. He is opposed to federal aid to education, saying if Texas retains its tide-lands it has no need for federal school aid, and is outspoken against socialized medicine. He believes that capital and labor should settle their own disputes with the government only in the role of an arbiter.

In planning the kick-off barbecue, Sheriff Kyle said this event "is to be my treat." As a peace officer when Mr. Rogers was district attorney, Sheriff Kyle is an ardent admirer of the congressional candidate.

"I've seen him on the job, and know what he can do," said the Sheriff. "Only three acquittals during two terms as district attorney is something in my books; I want the other peace officers to know Walter Rogers. That's why

Attention Mr. and Mrs. VOTER
Here's the man you've been waiting for!

Walter Rogers for Congress

Typical self-made, successful citizen.
Born in Texarkana, Ark., July 19, 1908—41 years old.
Attended elementary schools McKinney, Texas.
Worked on farm while attending Austin College, Sherman.
Worked way through University of Texas law school, employed in state comptroller's office.
Graduated with high honors, now licensed to practice before United States Supreme court and all courts of our state.
Moved to Pampa in 1935, began practice of law. Opened own law office 1937, which he has maintained since, except for 4 years when he served as District attorney.
Made outstanding record as district attorney, refers voters to any member of grand jury or law enforcement officer in district he served.
Has built large practice among his neighbors, friends and acquaintances. Represented many clients before highest courts of land, Railroad, Banking and other state commissions.
Member Gray County and State Bar Associations.
Served as first War Bond chairman Gray County.
Married Jean Daly of Pampa in November, 1936.
They have family of 6 children, ranging in age from 18 months to 11 years.
Two sons and daughter are Scouts.
Former member of Jaycees.
Past president Pampa Rotary club.
Active in all civic and community affairs.
Life-long member Protestant Episcopal Church.

HE BELIEVES

Walter Rogers believes future of our country depends upon the homes and small communities. Believes in home rule and home responsibility. Believes encroachments have been made upon individual rights which must be checked or rights will be lost to the people.

Believes a balanced economy must depend upon private competitive enterprise, free of Government control except for adjustment of wrongs brought about by bad faith. Believes capital and labor should settle own disputes with government only in role as arbiter.

Believes economy of this region based primarily on agriculture, believes farmers of this section capable, so-and-thinking Americans; favors stabilized farm economy but believes many features of farm program should be at option of the farmer and not at the whim or caprice of Bureaucrats. Problem can not be solved overnight, but is being solved and that farmer's suggestions and advice should be followed and used. Pledges full assistance to Canadian Dam and all other water conservation projects in district; sees such projects as sound investment and essential to economy of district and also vital to national defense.

Believes federal aid to education is double taxation; believes if government will attend to own affairs, leave our tidelands alone and conduct itself in accordance with Constitution, Texas won't have to worry about federal aid to our schools.

Believes Civil Rights is a mis-nomer, is purely political and will not aid any of the peoples involved; if Constitution is followed there is no necessity for a Civil Rights program by Congress. Constitution provides that program fairly and honestly.

Believes the old people are not getting their just dues, too much of

Walter Rogers has as much at stake in the future of this country as any of the rest of us. Here is the Rogers family. Standing right, are John, Walter and Tommy. Seated, left to right, are Catherine, Mrs. Jean Rogers, Robert and Susan. "We're one with never a dull moment," he tells friends.

Over 500 Persons Attend Turkey Livestock Show

MEMORY OF JIM EUDY HONORED LIVESTOCK SHOW OFFICIALS

W. House exhibited the grand champion bull and the champion female at the third annual Turkey Livestock and Dairy Show Saturday to lead the strong field of

500 persons were on hand for the exhibition and to pay tribute to the late Jim Eudy—a pioneer in the establishment of the show. Mr. Eudy, a prominent leader of that area, died in a tractor accident 1945 ago.

The 1950 show was dedicated to the memory of Jim Eudy. It is credited with having increased the present show and performance of the costs of the showbar now in

Proctor showed the reserve champion bull and H. W. House the grand champion heifer. Prizes were \$7.50 and \$5 were paid the reserve champions. All first places in the cattle division paid \$7.50 and first places in other events

offered \$5. Approximately \$375 was awarded in premiums to the entrants.

F. G. Harbaugh, animal husbandry professor at Texas Tech, and Raymond King of Dimmit, Castro County agricultural agent, judged the entries.

Lee Seymour was the big name in the Angus division. He exhibited the grand and reserve champions in both bull and female classes and won first places in all events of that division.

Individual placements in the beef cattle show and premiums for each: Grand champion bull—H. W. House, \$7.50; reserve champion—William Proctor, \$5; grand champion female—H. W. George, \$7.50; reserve champion female—H. W. House, \$5.

Hereford Division
Junior bulls (under two years)—H. W. House, first, \$7.50; Sam Eudy, second, \$5; Jerry George, third, \$3; James Foeston, fourth, \$2, and Clayton Smith, fifth, \$1. Heifers (under two years)—H. W. House, first \$7.50; Clayton Smith, second, \$5; Marvin Baker, third, \$3.

Cows (over two years)—W. W. George, first, \$7.50; James Foeston, second, \$5. Fat steers—Bennie Bigg, first, \$7.50; Rex Johnson, second, \$5; Bennie Pigg, third, \$3.

Angus Division
In order of placement with same premiums as above: Senior bulls—William Proctor, Hugh Eudy. Dual purpose cattle—Lee Seymour won both bull and female placements.

Senior yearling heifers—Lee Seymour, first and second, Elmer Richmond, third.

Cows (three years and under)—Lee Seymour, first and second. Junior bulls—Lee Seymour, Jim McKay.

Senior bulls—Lee Seymour, Ellis Currie. Placements for the horse show (in order with premiums same as above):

Horses, fillies (under two years)—Buster Campbell, Wayne McMurtry, Shive Stephens. Geldings (over two years)—Roy Edwards, Smoky Alexander, Buster Campbell.

Working class—Roy Edwards, Smoky Alexander, Buster Campbell.

Shetlands—Randell Hamilton, Gerald Carnes, Verlo Hamilton. Placements in the swine show in order:

Grand champion boar—Floyd Gafford, Duroc; reserve champion boar—Jay Eudy, Hereford; grand champion female—Sam Eudy, Hampshire; reserve champion female—Budy Colvin, Duroc.

Aged sows—Sam Eudy, Hampshire; Jay Eudy, Hereford; Joe Edd Helms, Chester White.

Bred gilts—Buddy Colvin, Duroc; Joe Edd Helms, Chester White; Buddy Colvin, Duroc; Wadie Martin, Hereford, fourth and fifth; Billy Ray Nivens, Poland.

Open gilts—Willie Gragson, Hampshire; Jay Eudy, Hereford; Willie Gragson, Hampshire; Jay Eudy, Hereford; H. A. McKay, Duroc.

Sows and litter—Jay Eudy, Hereford; pen of three—Jay Eudy, Hereford; fat barrow (over 200 pounds)—Joe Edd Helms, Chester White.

Placements in the dairy show (in order):

Jersey Division
Grand champion female—Cooper Farms, reserve champion—Tommy Russell; grand champion bull—Doc Connor; reserve champion—Otho Meacham.

Junior heifers—Weldon H. Starkey, Buddy Colvin, Grady Tyler.

Senior yearling heifers—Tommy Russell, Cooper Farms, Otho Meacham.

Cows (three years and under)—Cooper Farms, Alga Turner, Jimmy Russell.

Cows (over three years)—Jack Boney, W. O. Montgomery, Cooper Farms, W. O. Montgomery, Ronny George.

Bulls (under two years)—Otho Meacham, Buddy Colvin; bulls (over two years)—Doc Connor.

Guernsey Division
Cow (over three years)—J. E. Chandler.

Pvt. Killian Now Stationed At Lackland

Pvt. James W. Killian, 19, son of Mrs. Guy W. Killian of Lakeview, has reported to Lackland AFB, the "Gateway to the Air Force," to begin the AF basic training indoctrination course there.

Lackland, situated near San Antonio, is the world's largest air force base, center of Air Force basic training for airmen and women, indoctrination station for prior service reenlistees and home of the AF's Officer Candidate School.

His thirteen weeks of basic training will prepare him for entrance into Air Force technical training and for assignment in specialized work. The course will include a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

SPORTS AFIELD

By Ted Kestring

The chief difference between the angler who catches fish and the one who doesn't is that the former covers every bit of possibly productive water, and the latter doesn't. The skilled stream fisherman, for instance, will start practically at his feet and work out from there, handling each cast and its drift to cover every square foot of water.

And next to persistence (which implies careful, thorough fishing and patience), experience is most important in catching fish. You

can read as many articles as you wish and it won't do a bit of good unless you put the suggestions into personal experience. But you can draw upon the experience of others for some things, so here are some do's and don'ts contributed by Bill Wolf, who knows fish and fishing from coast to coast.

DON'TS—Don't fail to clean your fish soon after they are caught and pack them in damp cloth, grass or ferns. Don't expect to catch a fish every cast. Don't stand up to cast in narrow boats or canoes. Shout or swear, but don't bump the bottom of the boat. Don't have more than two people cast from a small boat at a time.

TIME OF DAY—Fish may feed at any hour, but day in and out you'll get your best fishing in the two hours before sunset and at night. The big ones feed at night. If you like night fishing, try the shallows; surface lures work well then. Try large dry flies (really huge ones); use slow-moving or noisy surface lures for bass. And at night, the darker the lure the better.

PLUG CASTING—Get the best reel you can afford, a light line and a fairly long rod. Small fine wire leaders with snaps at the end are ideal for quickly changing underwater plugs, spoons and other lures; don't use them with

floating plugs. Whether fishing a surface plug or an underwater lure, vary your retrieve. Your tackle box should contain some underwater, semi-surface and surface lures, a couple spoons and some rigs for using pork rind or chunks.

BAIT—Other than the worm, which is good anywhere, anytime, there is no "best" bait, so consult local fishermen. Only a few generalities are possible here. Minnows, crawfish, worms and hellgrammites are the big four among baits—dependable, usually plentiful. One of the four is certain to appeal to almost any kind of fish. However, don't overlook beetles, grasshoppers, crickets, grubs, caterpillars and other caterpillars or anything else small enough.

BASS-BUGS—A sturdy fly rod, a level line and a short leader work best here. The leader should be about four feet long and strong. The one absolute necessity is a well-greased line. The cork, balsa wood or deer hair lure should lift easily off the water.

The subject of flies is so big, we decided to devote all of our next column to it alone.

MEDICAL MIRACLE

Today Your Pharmacist Drops A Few Facts About...

DRUGS IN WAR

More men were lost in battle than died of disease in World War II. This is the first war in which this has been true of the United States fighting forces. Penicillin and the Sulfas drugs reduced the mortality from Pneumonia and Meningitis to 6% and 4%, while Tetanus was almost eliminated. This is a great victory for medical science in the war against disease.

Farmers Warned Not To Exceed Cotton Allotment

THOSE WHO EXCEED ALLOTMENTS IN 1950 ARE SUBJECT TO FINE

Hall County farmers were reminded by the Production Marketing Administration this week that they will pay a penalty for exceeding their 1950 cotton allotments.

PMA Secretary Lynn McKown He gave, as an example, a farm-pointed out that marketing quotas, er with a 50 acre allotment who with penalties for exceeding cot- ton acreage allotment, is a part of public law 272. This law was passed by the 81st Congress and approved by 90 per cent of the nation's cotton farmers who voted in the cotton Marketing Quota Referendum held Dec. 15, 1949. The penalty for exceeding a cotton allotment will be 50 per cent of the parity price per pound for cotton as of June 15, 1950, on all excess production, McKown said.

o a farmer who exceeds his cotton allotment."

However, McKown observed hat exceeding an allotted crop will not affect price support eligibility on another allotted crop. A producer who exceeds his wheat farmer has exceeded his allotment," McKown stated. "It will draw interest at six per cent per annum until paid."

He pointed out that all cotton produced on the farm will be subject to the penalty and a lien on the entire crop will become effective in favor of the United States until all penalties, with interest, are paid in full.

"This Marketing Quota law also provides that anyone who knowingly exceeds his 1950 cotton allotment is ineligible for any payment for soil conservation practices," McKown said. "No allotment, for example, but complies with his cotton allotment can get a price support loan on his cotton."

"Cotton can be plowed up to adjust the planted acres to apply with the allotment," McKown said. "All cotton destroyed by natural means will also be accepted as a downward adjustment in a producer's planted acres."

He said the mandatory price support for farmers who comply with their acreage allotments of cotton, wheat and peanuts in 1950 is 90 percent of parity. No support loan can be made on a crop to a man who exceeds his allotment.

"In other words," McKown said, "a farmer who exceeds his cotton allotment is not eligible for price support on any part of his cotton crop and will be penalized approximately 15 cents per pound on all cotton produced on the acreage in excess of his allotment."

The PMA secretary said that his office is now authorized to offer Hall County farmers a pre-measurement service to insure that they plant the proper cotton acreage.

Applications for this pre-measurement service must be made in writing to the PMA office here by April 30. A service fee (\$6 per farm, plus \$1.25 for each plot to be planted, plus three cents for each acre in the cotton allotment) must be paid at the time application is filed.

Hightight and Shelby went to Clarksville Monday afternoon to attend the funeral of Mrs. W. C. Hightight's sister, who passed away Sunday night.

Mr. and Mrs. Molly Shirley of Friona visited Mr. and Mrs. Collins Craghead last week.

Mr. and Mrs. John Murdock visited in Memphis Sunday with Mr. and Mrs. Earl Bloxom.

Mr. and Mrs. William Lavinder and children were Plaska visitors Sunday.

Mr. and Mrs. J. Hartswell and children visited Mr. and Mrs. K. D. Nabers Sunday.

Mrs. E. E. Foster, Mrs. W. L. Crawford and Mrs. J. H. Murdock and Patsy Lynn visited Mrs. John Murdock Tuesday afternoon.

Mr. and Mrs. Dale Swindle, Mr. and Mrs. M. L. Jnes and Mrs. Mary Hellen Kennedy were Clarendon visitors Monday.

Mr. and Mrs. M. L. Jones spent last week in Borger visiting their daughters, Mrs. Walter Swindle and Mrs. Helen Upton.

Hancock Now With Kermit Monginzo

Kermit Monginzo, Chrysler-Plymoues dealer in Memphis, this week announced that Bobby Hancock has been placed in charge of his washing and lubrication department.

Hancock is well-known to the motoring public of Memphis and Hall County, having spent several years in the service business here.

Pasture plants need a rest period to regain their vigor and to allow them to produce a seed crop. Correctly planned programs of deferred grazing will give them this needed rest period.

CARD OF THANKS

We sincerely appreciate the gifts and donations given to us

after our household furnishings and clothing were destroyed by fire. The kindness of everyone was

deeply appreciated. Mr. and Mrs. Clyde and family. Mr. and Mrs. Groves and family. Mother McLean and

West Texas State A Cappella Choir Here Wednesday

West Texas State's A Cappella Choir gave an assembly concert at Memphis High School Wednesday afternoon at 1:45 o'clock.

The concert here was one of eight stops on the choir's three-

day tour calendar. They moved on to Silverton Wednesday night.

This morning the choir sang at Floydada High and they will move on to Plainview this afternoon.

Tonight the choir will sing at Littlefield.

Friday morning and afternoon performances are scheduled for Dimmitt and Hereford.

Accompanying the choir were

several soloists, the Tremble Ensemble and the Varsity Quartet.

The choir sang at Clarendon Wednesday before their performance here.

The group is directed by Houston Bright. Miss Joyce Mullin of Turkey is a member of the choir.

A day at sea is divided into six periods of four hours each.

A NIGHT FOR THE KIDS

One of the finest activities this town has seen in a long time was the Junior Olympics held at Cyclons Stadium Friday night. Two hundred and fifty kids just can't be wrong—and that is approximately the number of Memphis youngsters who enjoyed the event. Most of them won ribbons for their participation and all of them had the thrill of knowing that they were the center of attraction, for a few minutes at least. It was one of the best rounded activities that any school could sponsor. Both the boys and girls of all grades in the local schools had a chance to participate. And most of them did. Coach Charles York—and the entire faculty of the local schools—deserves a round of congratulations for planning this event and making it successful. And the people who attended the Junior Olympics are also due congratulations for their interest in the youngsters. It is a fine thing for the citizenry of a town to take a little time off from the regular activities now and then in order to encourage the youngsters and show them that they are important to the community. Let's hope the Junior Olympics becomes an annual event.

GRASS BECOMES HUMAN FOOD

Something like one-half of the total land area of the nation—nearly one billion acres—is in range land and pasture. Most of this would be almost entirely unproductive if it were not for livestock growing. The meat animals consume the grass which the range lands produce, and so, through the alchemy of nature, this otherwise useless grass becomes steaks and chops and roasts and the rest of the meats we buy. Here is a particularly striking example of the livestock industry's contribution to the country. And, in addition, three animals consume approximately 85 per cent of all our grain crops. Millions of tons of commercial by-products, such as sugar-beet pulp and oil-seed cake, go to them.

ONCE AGAIN, THE VERNAL MESSAGE

CONFUSED.
MISLED.
HUMANITY.

The point is that livestock growing helps the whole nation by converting products, that build otherwise go to waste, into food for people, by restoration of the soil and in various other ways. Finally, when meat animals are processed in the packing houses, they provide a long list of valuable by-products, made of horns and hoofs and hair and other inedible commodities, in addition to the meat. Looking at the matter from the viewpoint of farmer and rancher, meat animals constitute agriculture's largest single source of cash income. The market is always there, day in and day out, ready to pay the going price. The livestock industry benefits everyone.

Press Paragraphs—
QUOTING OUR NEIGHBORS

Building Boom
House building is and has been the rage all over for the past few years and the rage has not quieted down. With building materials hard to come by people just naturally hanker to build. What you can't have, except dearly, you dearly hanker to have. Isn't that true? Many new ideas have been developed to make homes outstandingly pretty. Some of these ideas come a cropper and some work out mighty good. Noticeably, however, when you start a house and its final layout and the surrounding landscape begin to become apparent, the neighbors begin to drop in and tell you what they would have done and how much better it would have been had you done so and so. Advice is heaped up until your cup runneth over. One couple in a hill country community, according to the newspapers, listened to so much criticism of their plan that they finally hung out a sign for the critics to read as they came in: "We don't like yours either." —Floyd County Hesperian.

Let's Be Cool
It will take a smarter person than we are to pass accurate judgment on the present Washington squabble as to who is or is not loyal to the government. Any person who is unjustly accused of being unloyal is in a very unfortunate position so far as the public is concerned. We are reminded of the experience of one of our cousins who was tailed for months by FBI agents in Washington because someone said he was not a loyal American citizen. No one but a crazy misguided fool will bring into question the loyalty of any citizen without ample proof of unloyalty. Perhaps Senator McCarthy is fanning the breeze of prejudice

with his undercover charges. If this is the case, McCarthy is more dangerous and more of a criminal than the rankest Russian sympathizer in this nation. Whether or not the President should allow the probes to get into government files and stir up a lot of stink is also questionable. While all of us are opposed to witch burning, there is too much tendency among our people to point a finger of scorn at any person who may be charged with unloyalty—regardless of whether or not the accuser knows a single thing about the case. It is time for sober thought before starting to throw stones. —Casper News. Improved Eating
The huge meals Americans are supposed to have eaten 40 years ago or so are something of a legend. According to it, incredible quantities of steaks, roasts and everything else made the dinner table groan three times a day. The fact is, however, that this year the average American will eat about five more pounds of meat than his forebear consumed in 1910. And what makes that particularly remarkable is that our human population has increased by 63 per cent since 1910, while the meat animal population is only 27 per cent greater. What has happened is that, in 40 years, enormous progress has been made in the meat industry in all its branches. Many farmers now market two pig crops a year instead of one. Beef is fattened more quickly. Loss of animals has been reduced through better sanitation and handling methods. The packers of meat have held up their end, too. Meat is a highly perishable food, yet spoilage is virtually non-existent. All of the meat is utilized, and all of it

moves into channels of consumption in wholesome condition. And, finally, the retailer, with his dependable sources of supply, is able to keep on hand just the right kind and quantities of meat for his trade. The point is that we Americans eat better, more healthful and more nutritious meals than we ever did before. We consume more of the vital proteins—elements which have a direct bearing on stamina and physical and mental well-being. We're ahead of grandpa!—Monday Times. Eight pounds of 5 per cent wettable DDT powder and four pounds of six per cent gamma BHC in 100 gallons of water and used as a dip will control the Lone Star tick and will protect the cattle against reinfection for a period of two to four weeks.

Of course, I realize that such a program—even for Memphis—is very far from being a reality at this time.

But if a few of us who are really convinced of the value of the program will start working now and keep at it I believe we can put this thing over quicker than many can imagine.

Look at Wellington's set-up. Their town is no larger than Memphis and certainly it is not a more prosperous community. But they continue to set the pace in nearly all activities while we move along at a snail's pace.

It seems to me that its time for the people around here to become a little more—or maybe a lot more—community-minded. We owe it to our kids, if not to ourselves.

A READER.

Ed. Note: It seems that interest in this youth program is growing. Keep the ideas coming and we'll keep printing them.

VET PROBLEMS AND ANSWERS

Q—Last year I was awarded compensation from VA, but I re-nounced my payments. If I decide that I would like to receive compensation payments at some future date, will they be resumed?

A—Compensation will be resumed if the service-connected condition is shown by medical evidence to exist to a compensable degree at the time you file a new application for such benefits. Compensation, if approved, will not be made retroactive.

Q—I had a disability before I entered service during World War II, but the disability has increased considerably since then. Is compensation payable for the increase in severity occurring during enlistment?

A—Existing legislation provides compensation for disabilities aggravated during and as the result of active service.

Q—What are the compensation rates payable for World War II veterans for service-connected disabilities?

A—The rates range from \$15 a month for 10 percent disability to \$150 a month for 100 percent or total disability. Statutory awards for loss of leg, arm, eye, etc., plus additional compensation for dependents of a totally disabled veteran may run the total payment to \$451 a month.

Q—My late husband, a World War II veteran, died of a non-service-connected disability. Am I entitled to a pension?

A—As his widow, you may be entitled to a pension if your husband's service meets the requirements and your income does not exceed \$1,000 per year if without a minor child, or \$2,500 if with minor child or children.

Leonard da Vinci, the artist, invented the wheelbarrow.

According to Einstein, time is the fourth dimension.

THE DEMOCRAT FEATURE PAGE

Six Inch Sermon

† REV. ROBERT H. HARPER †

The Power of the Resurrection (Easter).

Lesson for April 9: I Corinthians 15: 1-8, 20-21, 57-58.

Memory Selections I Corinthians 15:57.

IT IS BELIEVED that Paul's account of the resurrection antedated the Gospel accounts. His record was current, perhaps, not later than 25 years after Christ arose. After the resurrection Christ was seen by more than 500 brethren at once, by Peter, James, the disciples, and Paul himself. It is significant that none of those still living, of those named, ever disputed Paul.

Life comes to men through the resurrection of the Lord. If in this life only we have hope in Christ, Paul reasons, we are of all men most miserable. But, assured that Christ has risen, we know that we shall rise and live with him the perfect life.

Christ is like the first-fruits of the field that give promise of an abundant harvest. "For since by man came death, by man came also the resurrection of the dead." The resurrection also insures the triumph of the gospel, and men are exhorted to give thanks unto God for eternal life, to stand firm and be assured that what they do will not be in vain in the Lord.

They have sure promise of living the perfect life in the endless day. For in heaven, where the redeemed shall dwell for ever with God, naught will enter in to defile and to destroy.

May the grand truth of the resurrection—the promise of resurrection from the death of sin and new life in Christ—lead you.

Crossword Puzzle

HORIZONTAL

- 1 Moccasin
- 4 Girl's name
- 8 Father of Abel
- 12 Generation
- 13 To conduct

D. 1950.

E. C. BARNETT, SR.
Executor of the Estate of Nora Barnett, deceased. 41-4p

Each U.S. Congressman represents approximately 280,674 people.

Social Security News

Q—When are social security tax returns filed with the Collector of Internal Revenue?

A—Four times a year—at the close of each calendar quarter. The employer has the full month following the close of the quarter in which to file his return. The returns covering wages paid during January, February and March must be filed on or before April 30th.

Q—What information is needed by an employer to enable him to file a complete and accurate social security tax return?

A—Only three things: (1) the worker's full name; (2) the worker's social security number; and (3) the amount of wages paid during the quarter. NOTE: The

worker's name and social security number should be copied directly from the social security card instead of relying upon the memory of the worker for this information.

Q—What is the relationship between these reports of the employers and the retirement and death benefits paid under the old-age and survivors insurance provisions of the social security act?

A—A record of each worker's wages is kept from the reports which employers send in with social security taxes four times a year. Since the benefits which a

This Week in WASHINGTON

WHAT THE PEOPLE are thinking about the charges of Sen. Joseph R. McCarthy (R., Wis.) concerning Communist infiltration in the state department—charges which thus far have not been backed up with any vestige of proof—is concerning responsible government officials here in Washington.

With the state department engaged in the most vital diplomatic battle since the end of the war in an effort to prevent a third world war, Secretary of State Dean Acheson should have the undivided support of the people of the nation. That Senator McCarthy's charges are political, intended to provide an issue for the Republicans in the congressional elections is admitted by many here. That his charges are having an unwholesome effect upon the people and, in some areas, are breaking down unity behind the state department is also admitted.

So far, McCarthy has not included any direct employees of the state department, and his tactics have had the effect of smearing those named. The Washington Post, an independent newspaper, probably sums up the thought on the subject when it says editorially:

"Our standing in the world is suffering from the tactics employed by Senator McCarthy, our diplomacy is hamstrung, and the only beneficiary is the Soviet Union, in the textbook of which the senator's tactics fall under the head of 'Technique of Creating Confusion in the United States.'"

Of high importance was the messages sent to the congress by President Truman which included 21 reorganization plans designed to write about half of the President's Hoover commission recommendations into law. Sen. John L. McClelland (D., Ark.), chairman of the senate expenditures committee, said that he believed at least 18, and possibly all 21, of the President's recommendations will be enacted into law.

Major proposals in the plans include abolishing the maritime

commission and transfer of its duties to the department of commerce; abolishing the general counsel of the national labor relations board, created under the Taft-Hartley act and transfer of his functions to the board itself; transfer to the heads of six departments jurisdiction now conferred on subordinates and creation of administrative assistant secretaries under the six plans affecting the shift; fixing administrative responsibility on the chairmen, rather than the board members collectively, of the interstate commerce commission, federal trade commission, federal power commission, securities and exchange commission, federal communications commission, national labor relations boards and the civil aeronautics board. The President hereafter would name the chairmen. Many other administrative programs in the executive branch of the government would be affected.

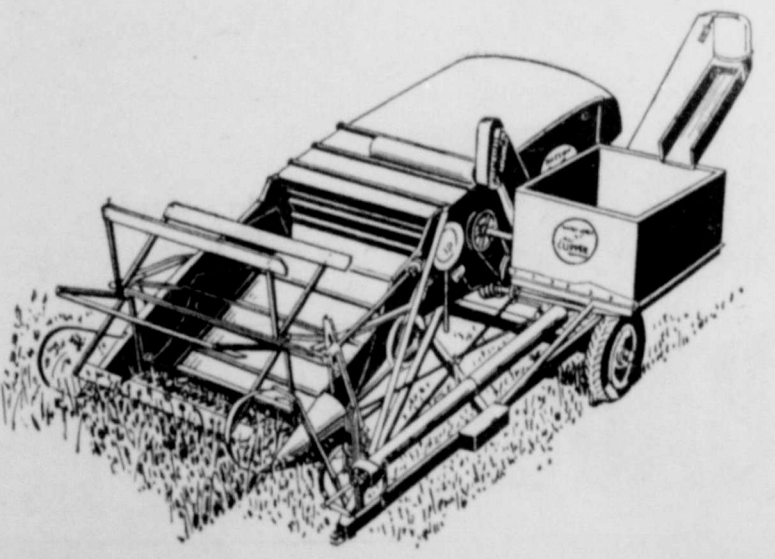

Unless vetoed by either house, the plans will take effect within 60 calendar days.

The house has approved a bill which will return to the states a trust fund amounting to about \$50,000,000 in cash and notes which has been unused for several years. It was a look-back into the depression years when the federal government appropriated money to be administered locally for rural rehabilitation in stricken states. Part of the money was later returned to the federal government to be held in trust.

It appears as though rent control will go by the boards when the present law expires June 30. The senate appropriations committee cut out of the deficiency appropriation bill about one million of \$3.6 million marked for operation of rent control. Not only was the amount cut, but stipulation was made that the approved funds be available only to pay terminal leave of the several thousand employees now handling the program, which means liquidation of the program. The department, however, can still come back in and ask for funds since the department was not officially abolished.

worker or his dependents will get based on the worker's wage record, it is essential that his wages be correctly reported. A representative from the Social Security Administration field office will be in Memphis, at the County Court House, Tuesday, April 11, at 11:00 a.m.

YOU GET MORE AND CLEANER GRAIN WITH THE MASSEY-HARRIS Clipper Combine

When it comes to saving more grain—under all conditions—the Clipper is still ahead of the field. Three point construction—full six foot cut, five foot rasp bar cylinder, straight-thru separation—gives the Clipper extra capacity, extra ability to get all of your grain.

And you can count on the Clipper to bring in your crop with less dockage. You get cleaner grain that brings a better price.

Extra capacity pays off with fast operation... lower production costs... a more profitable harvest season. The Massey-Harris Clipper has had plenty of experience too. There are successful harvests in more than 110 different crops in back of the Clipper. Everything from tiny blue grass to the largest beam tiny blue grass to the largest beam... it is all in a day's work to the Clipper.

Next time you're in town stop in for full details. Let's talk over the advantages of a Massey-Harris Clipper Combine for your farm.

Mexican jumping beans jump because of the larva of a moth which is inside.

ONCE AGAIN, THE VERNAL MESSAGE NATIONAL SUNDAY SCHOOL WEEK CITED

REAR ADMIRAL Reginald R. Belknap, U.S.N., (Ret.), chairman of the Laymen's National committee, sponsor of National Sunday School Week, has announced observance of the week will be held this year from April 10 through April 16.

In a statement, issued from the headquarters of the committee in New York City, Admiral Belknap says the American Sunday school is of tremendous importance to all parents, and National Sunday School Week should be an occasion for every American family to take a new interest in this magnificent activity.

"The Sunday school can be, and is, one of the greatest safeguards against juvenile delinquency the American nation possesses," the Admiral said. "It is an essential institution for giving a child his first knowledge of the Bible, for giving him an enduring understanding of the beautiful and inspiring Bible story.

Children who attend Sunday school regularly are assured of an atmosphere and environment in which they have the guidance of earnest and clean-minded and high-principled men and women who realize the importance of religious education and spiritual inspiration, and are willing to devote themselves to these important things. The Sunday school should be utilized to the greatest possible advantage of the nation. Every community should encourage it."

The laymen's national committee is an institution maintained and honored by all religions—a non-sectarian, non-profit one.

National Sunday school week, each year has been endorsed in a statement from the President of the United States. Governors and mayors proclaim it.

This poster is the work of artist Revere F. Wisthoff. It will have wide distribution during the sixth annual observance of national Sunday school week, April 10-16, 1950. Every American family is asked to take an active interest. Admiral Belknap, chairman of the committee sponsoring the week says, "Every mother and father should study this poster. The Sunday school is one of the greatest safeguards against juvenile delinquency the American nation possesses."

Memphians may Perform In WT Theatre

The first performance of the 1950 Summer Theatre at West Texas State College will be staged on the nights of June 20, 21 and 22, according to William A. Moore who is director of the summer drama work.

"A star-studded cast is already being assembled for the Summer Theatre," Moore said. "Many of the favorites from last year's performances have notified me of their intention to return."

Mrs. Elsie Guthrie, Memphis High School teacher, is one of the drama stars mentioned by Moore. The selection for the opening play has not been made but the choice has been narrowed down to five: "Ladies in Retirement," "Peg O' My Heart," "Meet Me In St. Louis," "One Foot In Heaven" and "Comedy of Errors."

Four of these plays will be presented this summer. The second play will run three days in July, beginning on the 11th and the third series starts on August 1 with the final production to begin August 15.

Last summer was the first year the Summer Theatre operated at West Texas State. It may become an established part of the summer work, Moore said.

OPEN LETTER FROM WORLEY

I Wish I could write each and everyone of you an individual letter but since that is impossible, I am taking this means, through the kindness of the editor of your paper, to extend to you my thanks for your excel-
