

The Memphis Democrat 12 PAGES This Week

Hall County Herald, Established May 3, 1890, Absorbed by Purchase August, 1928

MEMPHIS, HALL COUNTY, TEXAS, THURSDAY AFTERNOON, AUGUST 10, 1950 SEVEN CENTS NUMBER 10

Direct Damage Reported Heavy

Hall County's particularly heavy damage due to the wet weather has been reported particularly heavy in the southeastern part of the county.

Despite the known damage in the county — and it is plenty — we are urging farmers not to begin buying poison just because they know the worms are here.

Cotton aphids, bollworms and fleahoppers are also threatening the cotton, he said. Hooser pointed out that the leafworm should be attacked in either the first or third stages of its life cycle.

To fight the aphids, Hooser recommends 3-5-40 BHC-DDT. (Continued on page 8)

NEW MINISTER

B. M. Litton Is New Minister At Church of Christ

Minister B. M. Litton, formerly of Gainesville, began his duties Sunday as minister of the Church of Christ here.

He replaces Minister Gray Carter who resigned on June 1 to accept the Davis St. Church of Christ of McKinney.

Mr. Litton was minister of the Broadway Church of Christ in Gainesville for one year before coming to Memphis.

He is married and has three children. They are: Ann, 8, Marilyn, 5, and Rager, who is one year old.

Minister Litton attended David Lipscomb College in Nashville, Tenn.

HALL COUNTY GETS 21 PERCENT 1951 WHEAT ACREAGE INCREASE

Hall County wheat farmers received some good news for a change this week with announcement of an almost 7,000 acre hike for the 1951 allotment by the Production and Marketing Administration.

announced that the county's acreage allotment for 1951 will be 39,154 acres as compared with 32,283 acres in 1950. This is approximately a 21 percent increase.

McKown said the short crop this year plus the grave international

situation was chiefly responsible for this increase.

At the same time, McKown pointed out that the national cotton support price for 1950 has been set at 29.45 cents per pound. This is for 15-16 cotton and compares to a support price

of 29.43 cents per pound in 1949.

McKown said that the state and county support prices have not yet been released but that they will not vary much from this national figure in this area.

Concerning the wheat acreage increase, McKown said his office is now working out the individual increases for each farmer and that they should be completed this week.

He said the increase will make it possible for farmers to plant approximately 93 percent of their four year acreage average.

All surrounding counties except Childress received increases. That county's wheat acreage was lowered from 66,991 acres in 1950 to 65,961 in 1951.

Sewer Service Charge Gets Approval Of City Council

The City Council voted to establish a sewer service charge in the residential and business sections of Memphis Monday night.

Rates for this charge are being worked out and will be approved later. It is believed that the charge will be about \$1 per month in the residential sec-

tion and \$2 per month for the business firms.

The Council voted to begin the service charge on Jan. 1 1951.

They took this action following a recommendation by City Tax Collector Glenn Carlos that the charge be established.

He pointed out that the charge

is needed as a means of obtaining additional revenue to take care of sewer repairs additional extensions and other expenses.

Carlos stated that the city is faced with the problem of installing additional manholes as well as the expense of cleaning thousands of feet of present sewer lines.

Councilman O. L. Helm also pointed out the seriousness of the present situation.

"This sewer problem is the greatest one any council ever faced," he said. "We have thousands and thousands of dollars invested in our system for which we have never received a dollar in return revenue."

Following approval of the charge by the council, Mayor C. O. Hodges appointed Helm and Wendell Harrison to a committee to work out the rate schedule and other details for later council consideration.

The councilmen stressed the facts that repairs to the present system, as well as many extensions, are needed at once at that revenue must be obtained for this work in their discussion.

In other action Monday night, the council approved the installation of two stop lights in Memphis. One will be installed at the corner of 6th and Noel Sts. The other will be flasher signal light on the Noel St. railway crossing.

3,000 ACRES ESTIMATED DAMAGED FROM HAIL STORM LATE SATURDAY

Spotted hail storms struck Hall County again late Saturday, destroying cotton and feed crops in at least three sections of the county.

The north central part of the county was particularly hard hit by this latest storm. Farmers in the Eli community reported ex-

tensive damages to their crops.

Other hail damage was reported around Plaska and on farms south-east of Memphis.

Damages Saturday were not as extensive as those from the storm on July 16 when some 20,000 acres of cotton were destroyed.

One farmer estimated that 3,000 acres of row crops were damaged and destroyed Saturday. County Agent W. B. Hooser said possibly 1,000 acres of cotton were included in this damage. There has been no accurate check made to date.

Crops on the farms struck by the storm reported from 50 to 100 percent damages.

Newlin Revival Begins Sunday

Revival services at the Newlin Missionary Baptist Church will begin August 13, Rev. W. S. Crawford, pastor, announced this week.

Rev. Crawford said Elder George B. Crawford of Henderson will be in charge of the revival services.

He said the public is cordially invited to attend these meetings.

build an offensive-minded club. The Cyclone mentor is in Childress this week and was not available for comment on the club's prospects or his plans for the coming season.

He is expected to use the straight T-formation offensive strategy that was employed last year. Sparring the backfield will be two 1949 starters, Roddy Stargel and Tommy Messer. Stargel handles the man-up-under chores while

Messer's speed will be utilized at a halfback slot. Other returning lettermen backs are halfback Carl Lee and Jimmy Morrison and full back Duane Miller. The backfield will be light, averaging about 145 pounds.

The Cyclone strength up front seems to lie principally at the tackle slots where three big veteran players return. Lee Bloxom, 180, Freddie Vinson, (Continued on page 8)

REV. W. T. STALLING

Assembly Of God Revival Services Begin On Aug. 13

An extended revival meeting at the Assembly of God Church here will begin Sunday with services scheduled nightly at 8:15 o'clock.

Rev. C. H. Browning, pastor, pointed out that the revival will last at least two weeks and possibly longer. The church is located on N. 11th St.

Rev. and Mrs. W. T. Stalling of Clifton, Calif., will conduct the revival. This is the second meeting that this prominent church couple has led at the Memphis church.

"Rev. Stalling is an outstanding evangelist and is very successful in revival work," Pastor Browning pointed out.

He said that the local church (Continued on Page 8)

Owls Meet Elk City In Tourney

The Memphis Owls move into their third game of the Oklahoma State Semi-Pro Tournament tonight against favored Elk City, defending champions of the tournament.

Memphis has won two straight in the action to date, boasting victories over Woodward and Tahlequah. Elk City had previously beaten Tahlequah.

This is a double-elimination tournament with the winner and runner-up eligible to play in the national tournament at Wichita, Kansas. The tournament is scheduled to end Sunday.

Owl Manager Burr Pruett said today that he has not been notified whether or not Memphis will have to play on Saturday or Sunday. (Continued on Page 8)

CLAUDE'S COMMENTS

By J. C. W. Another hail storm last Saturday between Memphis and Lakeview caused much damage to crops—some which had been partly destroyed by the hail that fell previously. It is surely one of the catastrophes of life. One works a whole year, puts in his spare money for fuel and seed, and in one short few minutes loses the whole year's income possibilities.

Too late for any kind of crop except wheat. This is one time the Federal agriculture requirements should be eased due to crop loss here. Controls are needed when our nation is facing its darkest future. But, it is claimed the whole world will need all the wheat it can raise.

Caught by a Democrat proof reader: "The bride wore a navy blue and white sheet." It should have been "sheer." (Continued on Page 8)

KERMIT UPSHAW

Church of Christ Summer Revival Begins Tomorrow

Minister Kermit Upshaw of Athens will return to conduct the annual summer revival at the Church of Christ here which begins tomorrow.

Minister Upshaw, is well-known in this area, led the revival last year at the local church. He is minister of the Church of Christ in Athens.

H. L. Arant of Lubbock will conduct the song services during the revival.

Services will be held at 10 a. m. and 8 p. m. during the revival which extends through August 20.

"Persons here are already familiar with Mr. Upshaw's outstanding evangelistic work," Minister B. M. Litton said. "It is a real pleasure for us to welcome him back to Memphis for the revival." Every one in this area has been invited to attend these services.

Lakeview Baptist Revival To Begin Sunday Morning

Rev. Leon M. Hill, pastor of the San Jacinto Baptist Church of Amarillo, will conduct a two-week revival service at the Lakeview Baptist Church beginning Sunday morning.

Services are scheduled twice daily: 10:30 a. m. and 8 p. m. Rev. Guy W. Killan, pastor, will conduct the song services and Mrs. H. W. Spear will be pianist for the revival.

Rev. Hill is a native of North Carolina and has been in Texas for the past 10 years. He has held his present pastorate in Amarillo for the past eight years.

He is a pastor-evangelist and has traveled extensively in his work, having held revivals in almost every state.

He attended the University of Southern California, New York Baptist Bible School, Southern Baptist Seminary at Louisville, Kentucky, and the Southwestern Seminary at Ft. Worth.

REA Officers Re-elected At Meeting Here

No change was made in the officers and directors of the Hall County Rural Electric Co-operative at the annual stockholders meeting held in the District Courtroom here Wednesday afternoon.

President Carl Hill was in charge of the meeting. H. C. Fowler, secretary-treasurer, read a report to the members and Hill read the financial statement.

Herschel Combs, co-publisher of The Memphis Democrat and president of the Chamber of Commerce spoke briefly, tracing the history of the Rural Electrification Administration and lauding the local organization for its progress.

Magician T. G. Liston of Matador highlighted the program with his performances.

Officers who will serve with President Hill during the next fiscal year are: C. L. Sloan, vice-president, H. C. Fowler, secretary-treasurer.

Directors elected for another term are: Ed Hutcherson, Joe Bloodworth, Starr Johnson and Sam Ross.

SINGER—H. L. Arant of Lubbock will conduct the song services at the Church of Christ revival which begins tomorrow. Services will be held twice daily: 10 a. m. and 8 p. m.

We don't have any beds, blankets, mosquito nets, first-aid kits, or anything else. This is mountain Guerilla fighting and our B-29 bombers knocked out all big buildings with bombs so old that half of them didn't go off. They can't chase a tank across a mountain, and troops are scattered over too much area.

We have plenty of "cats" and "Bulldozers" for the airstrip, but not diesel fuel or lubricant. I have a (grease gun) 45 with wire stock and a clip of 30 shells, but no more clips or rounds.

We check any South Koreans who come in two miles of us, as they are the same as the North and will kill you if they can, as they are North, or Comie sympathizers from the South, and they will not fight or work. They say that it is not their war but America's war. Good luck to you and may the time come again when you, our good friend Dr. Goodall and yours truly have a bull session in the drug store.

Buster Guthrie.

4-H Clubs Take The Lead in Rural Recreation

The importance of providing recreation for the leisure hours farm folks have these days has become one of the major concerns of thousands of 4-H Club leaders and members. During the past three years, a plan has been worked out whereby adults and youth interested in directing recreational activities in their clubs and communities can take a special course set up for this purpose.

This training and club participation has been brought about through the National 4-H Recreation and Rural Arts program now in full swing in Texas. Sponsor of the program, U. S. Rubber Company, is providing about \$29,000

for leader training clinics, club and individual awards.

Last year more than 10,200 young people and 6,400 adults attended these clinics. They receive instruction in group singing, dancing, games, sports, dramatics, handicrafts and many other activities.

While they are having fun, the 4-H'ers are also working hard to make a good showing for themselves and their club. To encourage these endeavors, U. S. Rubber presents merit certificates to clubs and members; \$25 cash awards to counties; and Chicago 4-H Club Congress trips to eight national champions.

The 1949 State honors went to Patsie Elizabeth Scales, of Brownfield. Cash awards were won by 23 counties. The money is used for recreational equipment. Recognition cards were given to 1565 members.

At present the program is being conducted in 47 states under the supervision of the Cooperative Extension Service.

You get only the best of service when you bring your car to Kermit Monzingo, your Chrysler Plymouth dealer. —Adv

You, too, can enjoy the comfort of COOL, COOL Electric Cooking!

Someday You will COOK Electrically WHY NOT NOW?

With my new Electric Range my Kitchen is many degrees Cooler!

There's a NEW and MODERN Electric Range for YOU!

- It's Fast! Electric "speed-units" now cook faster than any other method!
- It's Automatic! Electric cooking's automatic features save you time, labor and money!
- It's Safe! No matches, no flame, no fumes to bring hazards into your kitchen!
- It's Healthful! Foods cooked electrically retain the garden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods.
- It's Economical! Low-Cost electric rates and faster cooking bring operating costs way down.
- It's Labor Saving! Automatic features save you work, free you from much kitchen drudgery.
- It's Modern! Once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods as old-fashioned as flame lamps.
- It's Convenient! Designed for modern kitchens, the special features of Electric Ranges mean extra conveniences for you!
- It's Clean! There is no smoke, soot, or dangerous fumes to mar your kitchen.

It's the Best! See Your Electric Range Dealer now!

We will tell you more about the wonderful electric ranges... tell you of the ease, convenience, and economies that only modern electric cooking can bring. We'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier.

West Texas Utilities Company

MANGUM BESTS MEMPHIS 4-3 IN 12 INNINGS SUNDAY

Lundy came in for his Mangum team and slammed out a clean 12th frame to send the club a 4-3 win over the Red River Valley.

Owls had knotted up the bottom of the 12th frame to send the Mangum hurler to the sidelines.

Lundy then connected with another rally and won three straight in the

12th on two infield drives and a fly to right field.

Leroy Kamphouse started on the mound for the Owls. He worked for nine frames, giving up nine hits. He was retired in favor of Doc Pittman who came in to pinch-hit in the ninth. Jack Brinkley handled the mound chores during the final three frames, giving up three hits and the final Mangum tally.

The Owls scored their first run in the fourth. Edmondson reached base via a Mangum error and was pushed around on Veltman's sacrifice. Pruettt drove him home with a single.

Mathis started the ninth inning rally with a single. Additional singles by Pittman and Rigway accounted for the two Owl scores.

Mangum scored single runs in the fourth, sixth and seventh innings.

Despite Three Homers:

Riley Hurles Four-Hitter As Paducah Downs Memphis

Owl Manager Burr Pruettt almost pulled one out of the fire for his club Tuesday night by slamming out a three-run homer in the top of the ninth inning.

But it just wasn't enough as Paducah downed the Owls 8-7 in a loop game.

Once again it was the hurling of Paducah moundsman Riley that kept the Owls in trouble. He held the Memphis club to four hits, three of them homeruns, scattering them in the second, sixth, seventh and ninth innings. Riley gave up only two walks and whiffed 15 Owl batters.

Memphis started Jack Brinkley on the hill. He gave up two hits and a pair of runs during his four and one-half innings of work. Reliever Leroy Kamphouse went to the mound in the bottom of the fifth and was charged with the loss. He allowed six hits and six runs.

Pruett was the hitting star for the Owls. He whammed out two homeruns in four official trips to the plate. The Owl manager's first four-bagger came in the second inning with the bases empty to account for the first Owl score. The second Owl run came in the fifth when Veltman walked and eventually reached home thanks to a couple of Paducah errors.

Veltman's home run in the seventh with Williamson aboard brought in two runs for the Memphis club.

Paducah scored a pair of runs in the fourth, added four in the fifth and single tallies in the eighth and ninth frames.

FOOTE & FOWLER SOUTH SIDE SQUARE

MR. AND MRS. CECILE HEITH

Candlelight Service Unites in Marriage Miss LaVerne Orr and Cecil Heith

A candlelight ceremony performed Sunday, July 30, at the Peden Memorial Baptist Church of Plaska united in marriage Miss LaVerne Orr, daughter of Mr. and Mrs. M. N. Orr of Plaska, and Cecil Heith, son of Mr. and Mrs. E. W. Love of Big Spring.

Rev. Frank Story, pastor, read the double-ring ceremony before an improvised arch of fern flanked by floor baskets of gladiolus and seven-branched candelabra.

Music for the wedding was provided by Mrs. Conley Ward. She played the traditional wedding marches and accompanied Miss Cleve Mae Tiner, niece of the bride, as she sang "I Love You Truly" and "Because". "The Wedding Prayer" was sung as the couple knelt at the altar and Mrs. Ward softly played "Lubens-traum" during the ceremony.

Given in marriage by her father, the bride wore a dress of white organza over taffeta. The bodice was accented with small tucks which continued down the sleeves and ended in points over the hands. Her fingertip veil was attached to a Juliet cap of seed pearls and she carried a white Bible topped with a single white orchid.

She carried out the traditional bridal custom of wearing something old, something new, something borrowed, and something blue. For something old, she wore a ring that her Grandfather Orr made during the civil war and

the something borrowed was a strand of pearls belonging to Mrs. J. M. Orr. Mrs. J. B. Brooks Jr., sister of the bride, was matron of honor. She was attired in a gown of peach organza fashioned with a lace bolero and skirt yoke. She wore a garland of daisies and carried an arm bouquet of daisies. Miss Ollie Joyce Batchler was bridesmaid. Her gown was of blue

Mrs. Ann Poling, 609 Delaware St., Indianapolis, Indiana, who was suffering from deficiencies of Vitamins B1, B2, Iron, and Niacin, smiles as she pours herself another cup of coffee. Mrs. Poling says life lately is like it used to be years ago... "that is, of course, since I've been taking HADACOL." She can't get over what a difference HADACOL has made in her outlook on life.

Mrs. Poling says: "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I have had. Any type of food that was fried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things—I didn't feel bad. Then, when I started taking HADACOL, I felt better immediately. I've got a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

HADACOL Can Help You, Too!... as it has helped thousands of others whose systems lacked Vitamins B1, B2, Iron and Niacin. Yes, even hundreds of doctors have recommended HADACOL to their patients. The HADACOL formula is so effective for stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, and a general run-down condition caused by such deficiencies.

Make Up Your Mind... to give HADACOL a chance to help you, as it has helped countless thousands of others. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL does not help you your money will be refunded.

Foote & Fowler (City Drug Store)

organdy fashioned similar to that of the matron of honor. She also wore a garland of daisies and carried an arm bouquet of daisies.

Carolyn Sue, Jane and Ann Orr nieces of the bride were flower girls.

Neal Pariot served the groom as best man. Ushers were Ed Elliott and Charles Warren.

The bride's mother wore a light blue sheer dress accented by a corsage of white gladioli, and the groom's mother was attired in a navy blue sheer dress with white gladioli corsage.

Immediately following the ceremony, a reception was held at the home of the bride's parents.

Laid with a lace cloth, the bride table was centered with an arrangement of daisies and marigold. The tiered wedding cake was served by Mrs. R. T. Tiner, Mrs. J. M. Orr and Mrs. A. H. Orr presided at the punch bowl. Guests were registered by Mrs. Wm. N. Orr.

The bride is a graduate of Memphis High School and received her B. A. degree from Texas Technological College in May.

The groom is a student at Texas Tech. The couple will reside in Lubock.

Barbee Family Enjoys Reunion In Ashtola Sun.

The home of Mr. and Mrs. "Tick" Barbee in Ashtola was the scene for an annual family reunion on Sunday, August 6.

cotton to the acre over the ten years of the test of cotton follow- ing hairy vetch in a rotation of corn, oats and cotton, in that order.

Ginners are distributing books of safety matches to cotton pick- ers in many places now because of fires that are believed caused in cotton bales after the "kitchen" type matches drop out of hatbands into cotton sacks, and are ignited when they come in contact with gin saws.

Such fires are usually not de- tected until days afterward when they finally eat through the bale. Over 700,000 such books of safety matches have been sold to Texas ginners already. They don't strike on anything except where they're supposed to.

For generations the mule was the only hybrid most of us knew anything about. Then there was hybrid corn and now chickens. And we understand some folks who are looking for a new source of vegetable are experimenting with hybrid sunflowers, for the seed of course.

Tech Exes to Publish 25th Anniversary Paper

A 48-page souvenir magazine honoring Texas Technological College on its 25th Anniversary will be published by the Tech Ex-Student association as the September issue of the "Texas Techno- sian." D. M. McElroy, executive secretary, said the issue will feature articles and early photographs of the campus when Tech was opened in September, 1925. Other stories will tell the story of the legislative battle to create the college, review and contributions of the college to the region and state, and trace the traditions which have become a part of the college in its short existence.

Other features of the issue will be a report on the 1938 Tech foot- ball team which went through the regular season undefeated and drew an invitation to the Cotton Bowl, and photographs of other Red Raider squads. Houston Har- noted San Angelo author and former Tech Board member, and Walter White, eastern industrial- ist who graduated in 1932, also have been invited to contribute to the edition.

BRICE

A cordial invitation is extended to everyone to attend the summer revival beginning at Brice Baptist Church, Monday evening, August 14th. Rev. Clements will do the preaching, Joe Wood, music director of the church, will have charge of the singing during the revival, which will last ten days.

Mr. and Mrs. Bill Dillard of Gainsville were guests Friday in the G. D. Craft home.

Miss Virginia Lemons of Amarillo spent the weekend here with her parents Mr. and Mrs. Hope Lemons.

Mr. and Mrs. Clyde Ponder and family of Sulphur Springs, are visiting his brother L. H. Ponder and family.

Mr. and Mrs. David Hudgins and boys, Don and Davy, went to Fort Worth last Tuesday to take Mr. Hudgins' mother home. She has been visiting them for the past several weeks.

A guests in the J. C. Johnson home Sunday was her brother, Mr. and Mrs. Carl Hartzog and children of Pampa.

Mrs. Roy Allred and Mrs. G. D. Salmon were Memphis shoppers Friday.

Those who attended the wedding of Nell Rita Cheek and Benjy Godfrey at Memphis Saturday evening were Mr. and Mrs. C. V. Murff and Mr. and Mrs. Starr Johnson.

Mrs. Z. L. Salmon attended the homecoming at Goodnight Sunday.

them in shallow water because they aren't there. That time varies. In the extreme North most fish may not have gone down until the end of July, or even sometime in August. Farther south, about all may be in deep water by July 1.

Summer bass fishing requires that you seek out the deep spots, generally off weed beds, reefs or points, and learn how to fish them near the bottom.

If you're wondering what lures can be used in deep water, Jason Lucas says any lure that will sink will go clear to the bottom if you give it time enough. However, those heavy for their size, and especially metal ones, are most convenient to use since they sink faster.

Another trick of getting them down is drifting slowly. Bass are not feeding well in mid-summer and they're in no mood to chase something. But if a lunger sees a plug moving slowly past him with an occasional pause and twitch to make it seem alive, not mechanical, he's very likely to swim languidly up and bite it.

There's another imperative reason for fishing deep lures very slowly, with pauses. If you don't do that, the bow of your line in the water brings the lure right up. So during mid-summer, fish your plugs slowly and close to the bot- tom in deep water.

You walleye anglers take a hint from the above. You may have to fish even deeper for them than for bass. But keep your plugs very

close to the bottom, and work it slowly and jerkily.

Don't look for good midsummer bass fishing in a lake that's shallow all over. The best chance of getting bass in it is at night when they come into the shallows to feed, because the shallows cool off more quickly.

Locals and Personals

Earnestine Simpson of Amarillo visited in the home of Mr. and Mrs. George Cullin over the week- end.

Mr. and Mrs. W. C. Foote and son are visiting their parents in Petersburg this week.

Mrs. Wilman Davis, Joanna and Denny, and Mrs. J. T. Dennis spent Sunday visiting with Mr. and Mrs. Jack Knox of Tulsa.

Dennis Wilks of Floydada has returned home after a ten day visit here and in Plaska with relatives.

Mrs. John Dennis, Dink Dennis and Margie Stone are visiting in Trinity with Hubert Dennis.

It says SUCCESS-with SPIRIT

First of the Fine Cars in Value

YOU can see this man has made his mark in life, and while his heart's still young.

You can tell he likes action for his money—that he knows a fine car needn't be the most expensive to give the greatest value.

Yes, such are the things you know of any man, when you note that his car is a ROADMASTER.

Follow him on his spirited way as he pilots this lively motorcar through traffic. Even the light-weights are no match for this road-steady husky—not with the 152-horsepower straight-eight Fireball engine that purrs beneath its bonnet.

Maneuver beside him at the next stop light. Then just try to get away as smoothly, swiftly and silently as Dynaflo Drive gets his ROADMASTER going—and keeps it rolling without shifting, even automatically.

But don't waste time merely envying the man in this great car! Why not emulate him?

With all its outsize room, interior luxury and exterior grace—with all its front-rank prestige, rare performance and matchless ride—a ROADMASTER can be yours for less than some smaller cars cost.

In fact, even if you had a fortune to spend, you couldn't make a more fortunate buy in the fine-car field.

So we suggest you try a few minutes behind the wheel. We're confident they will convince you that ROADMASTER has everything you could ever ask for in any motorcar—although your Buick dealer asks a good bit less for ROADMASTER than you might pay for other top-line cars.

FOUR-WAY FOREFRONT
This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "lacking horns," (4) makes parking and garaging easier.

Bledsoe-Curry Families Hold Reunion Sunday

For the eleventh consecutive year, the Bledsoe and Curry families met for a family reunion on the first Sunday in August. The meeting this year was held at the Childress park.

Each family brought a basket lunch and a bountiful meal was spread and served picnic style at the noon hour. Singing and visiting was enjoyed by the group during the afternoon hours.

Attending the family gathering were Mr. and Mrs. A. L. May and son of Rosewell, N. M., Lee Miller of Memphis, Mr. and Mrs. Leon Bledsoe and family of Los Angeles, Calif., Mr. and Mrs. M. B. Lobough and family of Olton, Mr. and Mrs. C. H. Curry of Hollis, Okla.,

Mrs. Alice Curry Howell of Kress, Mr. and Mrs. Charles E. Curry and Vada Jo of Hollis, Okla., Mr. and Mrs. E. O. Snelling and family of Kress, Mr. and Mrs. George Seals of Madill, Okla., Mr. and Mrs. Gerster Lentz of Grove, Okla., Mrs. M. M. Bledsoe of Memphis, Mrs. Homer Massey and Lonny of Hollis, Okla.,

Mr. and Mrs. J. W. Curry of Hollis, Oklahoma,

Mr. and Mrs. Clyde Miller and sons of Clovis, N. M.; Mr. and Mrs. H. A. Bledsoe and family of Olton; Mr. and Mrs. W. D. Dye and son of Lubbock; Mr. and Mrs. Rudolph Miller of Memphis, Mr. and Mrs. Eddie Strong and family of Hollis, Oklahoma; Mr. and Mrs. Earl Miller, Shirley and Marthala Burnett of Memphis; Mrs. R. V. Wilson and children of Borger; Mr. and Mrs. Henry Miller and daughter of Dallas; Mr. and Mrs. Hugh Bledsoe and son of Olton; Mr. and Mrs. Roland Wilson and family of Borger; Mattie Hall of Fayetteville, Arkansas;

Mr. and Mrs. L. C. Ferguson; Lizzie McGuire, and Westwood Ferguson, all of Fayetteville, Arkansas, Mr. and Mrs. Lloyd Curry of Hollis, Oklahoma; Ernest Curry of Dallas, Mrs. M. M. Donalson and Eddie of Hollis, Oklahoma; Mr. and Mrs. James Bledsoe and son of Olton; Denzil Miller of Memphis; Mr. and Mrs. Oril Miller and son of Childress; Mr. and Mrs. Clyde Curry of Plainview; G. D. Curry of Amarillo, Mr. and Mrs. Ervin Brewer and daughter of Clovis, New Mexico,

Mr. and Mrs. Bert Miller, Mr. and Mrs. Ollie Wilson, Mr. and Mrs. Leon McClendon and family; Mr. and Mrs. Billy Ray Bledsoe, and Mr. and Mrs. B. A. Bledsoe all of Wellington.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Isaac Hancock announce the engagement and approaching marriage of their daughter, Nadine, to Bobby Jo Myers, son of Mr. and Mrs. Dewey Myers. The marriage will be an event of August 16 at the Baptist Parsonage.

Clarendon District Of WSCS to Hold Meeting Here Mon.

The Clarendon District of the Woman's Society of Christian Service of the First Methodist Church will hold a seminar meeting at the church here on Monday, August 14, Mrs. Frank Foxhall, president of the local WSCS, announced this week.

Registration for the one-day meeting will begin at 9:30 a. m. Mrs. Carlton Nance of Pampa, who is chairman of the meeting, said.

The four studies which were presented recently at the Conference School of Missions in Lubbock will be discussed. The themes of the studies are "The Near East", "Cooperation for a Christian Community", "Cooperate Worship" and "A Christian Vocation."

Mrs. L. S. Griffin, president of the Clarendon district, urges all WSCS and WSG members to attend the all-day meeting.

Luncheon will be served to out-of-town visitors at the church, Mrs. Foxhall stated.

Mrs. Hutcherson Entertains Members Of Salisbury Club

Mrs. Ada Hutcherson, assisted by Mrs. Lorene Lockhart, entertained members of the Salisbury Sewing Club on Tuesday afternoon, August 1.

Members enjoyed doing needle work for the club throughout the party hours.

During the tea hour, sandwiches, angel food cake and cokes were served to Mrs. C. F. Stout, Mrs. Wayne Hutcherson, Mrs. Lorene Lockhart, Mrs. Felix Jarrell, Mrs. Ed Hutcherson, Mrs. Jess Mitchell, Mrs. L. I. Davis and one guest, Miss Ila Sue Davis.

The next meeting is slated for September 5 in the home of Mrs. Felix Jarrell.

Herbert Sisks Are Hosts To Dinner Club

Mr. and Mrs. Herbert Sisk, 715 South Sixth Street, were hosts to the Thursday Night Dinner Club on August 3.

For the delicious meal guests were seated at foursome tables. The menu included baked chicken and dressing, giblet gravy, spring green beans, new potatoes, English pea salad, pickled peaches, chanterelles, hot rolls and butter, ice cream and angel food cake and coffee and tea.

Following the meal, members and guests enjoyed games of forty-two.

Guests present were Mr. and Mrs. Don Wright and Mr. and Mrs. Lloyd Phillips. Mr. and Mrs. Phillips, who are former members of the club, presented the club with four sets of dominoes.

Members present were Mr. and Mrs. J. M. Ferrel Jr., Mrs. Anna Dickson, Mrs. and Mrs. J. J. McDaniel, Mr. and Mrs. T. D. Weatherly, and Mr. and Mrs. Herbert Sisk.

The next meeting is slated for September 21 in the home of Mr. and Mrs. Arthur Gidden.

Singing School Will Be Held At Hedley C of C

A singing school at the Hedley Church of Christ will begin Monday, August 14, it was announced this week.

The school will extend through August 25 with meetings scheduled for both morning and evening. Morning meetings will be at 9:00 o'clock and evening sessions are to be held at 8 o'clock.

Ira Y. Rice, Norman, Okla., music teacher, will conduct the school. It was pointed out that there will be no charge for attending and that the public is cordially invited to attend.

Editorial

DEFENDER OR SUCKER?

There are two diametrically opposed views concerning the origin of the Korean war. One is that it was stimulated by the Russians on the theory that the United States and its allies would do nothing more than write formal letters of protest; that the North Koreans would overwhelm the ill-equipped South Korean defenders in a couple of weeks or so, and that another nation would easily be added to those within the Kremlin's sphere of influence. If that view is correct, the Russians could not have been more wrong.

The other view is grim. It is that Russia anticipated in advance what we would do, and that it was a deliberate, Kremlin-conceived trap. We would spend our resources in Korea, while Russia contributed nothing to the conflict except some equipment and top leadership. In due time, this view holds, the same thing will happen elsewhere—in Iran, Formosa, perhaps Europe. The West will be forced to spread itself paper thin all around the world. Eventually, it will be bled white, and then Russia, with her strength unimpaired, will move in for the kill.

That view is enough to send chills down any spine. There is no question but what a basic Soviet technique is to have other people do the fighting. The Asiatics are particularly useful grist in this kind of a mill. They are fatalistic and fanatical. Human life has small value in their eyes. Americans who have been at the Korean front have all been impressed by one dreadful fact—no matter how many of the enemy are slaughtered, they keep on coming in wave after wave.

However, a strong case can be made on behalf of the view that this time the Kremlin woefully misjudged the temper of the United States. The Korean war has done more than any single thing since World War II to cement the Western nations. The United Nations is no longer just a debating society on the international level—it is a belligerent, and its flag flies in South Korea. The war is a U. N., not merely a U. S. operation.

The most encouraging thing that has happened so far has been the response to Trygve Lie's appeal to the U. N. membership for substantial aid in Korea, including trained ground troops. An impressive list of countries has responded. In many instances, the size of the forces dispatched will necessarily be very small, but the total will be considerable. And, going beyond purely military considerations, the fact that many countries will be physically represented in the actual fighting in Korea must certainly cause some hard thinking in the Politburo. At last, the ranks of the anti-communist world—and it is most of the world—are gathering.

Some time ago Herbert Hoover proposed the creation of a United Nations without Russia and her satellites. This may come about through the force of events. Russia is still a member, of course, but she has small influence now. The great majority of members has served final notice that communist aggression must stop.

Intelligent selling is the very backbone of American industry and commerce but feverish buying tends to unsettle our economy.—Encinitas (Calif.) Coast Dispatch.

ONLY THE Doctor's HAND

SHOULD Prescribe!

"ONE MAN'S POISON IS ANOTHER'S MEAT"

So-called "MIRACLE DRUGS" do wonders in healing and restoring health, but they are not drugs with which to tamper. Outward symptoms are often very deceiving, and taking the same drug as your neighbor is unsafe, and often dangerous.

Those who advise the use of this, that or the other drug—without full and complete medical knowledge of your condition—are doing you no kindness.

When there is anything the matter with your health, do not "self-prescribe" or ask anyone but your Doctor what to do. Experimenting with "hearsay" remedies for yourself and family may be very expensive in the long run.

Seek medical advice only from a Physician. Don't experiment with drugs—or health. The Doctor spent years learning how to diagnose—and prescribe.

UNCLE JOE TO UNCLE SAM

Press Paragraphs—

QUOTING OUR NEIGHBORS

What Is Security?

According to Senator Byrd, government expenditures for purely domestic purposes have increased 77 per cent since 1948.

"With a war on our hands," he said, "some of these outlays must be cut unless we are going to spend ourselves into the kind of bankruptcy the Russians are counting on."

It has long been Soviet doctrine that capitalism—especially in the United States—would collapse from inner weaknesses, and that then communism would take over the world with a minimum of difficulty. And the surest way to bring that situation about is to throw our billions away at home on phony welfare schemes and socialistic programs while we are trying to bolster the whole anti-Soviet world in stemming communist military aggression.

"Security" has become one of the great catch words, and it is time we analyze it. Real security for this nation must be based on hard work and rigorous economy at home, in order to provide the money and the energies we must use abroad. There can be no security in any bankrupt government, as has been clearly demonstrated.—The Graham Leader.

Are Highway Fatalities Avoidable?

You can pick up a newspaper anywhere in the United States, any day in the week, and you will read about fatal highway accidents. The accidents you read about will be mostly local, unless the victims are of wide importance, and even the local deaths will get small space unless the people are especially prominent.

There was a time, not so long ago, when the killing of a pedestrian by an automobile was news.

The crash of two speeding automobiles, involving the death of two or three persons, got the headlines. Today, however, the public takes the highway fatalities as a matter of course, assumes that they are, in part, unavoidable and, in almost every instance, acquiesces in the verdict that nobody is especially to blame.

In a recent study of almost a thousand drivers involved in fatal highway accidents, highway officials found that only twenty-eight served time in jail and only ninety-five paid fines. More than eighty-five per cent of the drivers were not penalized by the courts in any way.

A study of the case histories creates the impression that the penalties imposed by the courts are seldom in "reasonable proportion" to the offenses, but the Bureau does not find fault with the courts, saying that the failure to inflict proper punishment is due to the difficulty of obtaining evidence admissible to court under the rules of evidence sufficient to convict, and, also perhaps, to the lack of a criminal code designed to fit present-day motor-vehicle accident cases.

In regard to many of the highway fatalities, the public takes the view that they are the result of the hap-hazard hazards of the road. While there is a basis for such a conclusion, in regard to some accidents, the fact is that many are caused by failure to follow regulations set up for highway safety. The careful supervision of the issuance of drivers' licenses, rigid inspection and strict regulation of motor vehicles on the highways, and vigorous enforcement of highway regulations will do much to cut down the death toll on our highways.

The time to avoid many fatal accidents is before they occur. Afterwards, it is too late to do the victims any good.

—The Shamrock Texan.

TEXAS GETS A CHANCELLOR

The University of Texas will have a chancellor for its various educational activities. The chancellor plan goes into effect September 1 with President T. S. "Zeiter as acting chancellor until Nov. 15.

At that time Associate Justice James P. Hart of the Texas supreme court will become the first chancellor at a salary of \$20,000 a year. He will be the highest salary in the state, \$8,000 more than is paid the governor of Texas.

The Herald Editor, as a member of the University Board of Regents, was called to Dallas Monday and Tuesday of last week for a discussion of the selection of a chancellor.

The new chancellor has the advantage of a Texas background. A native of Austin, he received a bachelor's degree from the University of Texas and went to Harvard, where he was graduated in law.

Appointed to the supreme court in 1947 by Gov. Beauford Jester, Hart was formally elected to office in 1948. Hart will go into office with the good will of tens of thousands exstudents of the University, friends of higher education and members of the bar, with which he has been so closely associated all his adult life.

Rita Cheek is Honoree at Miscellaneous Shower

A lovely pre-nuptial shower was given for the bride-to-be, Miss Rita Cheek, whose marriage to Mr. Elmer Cheek was an event of the miscellaneous party given Friday afternoon at the home of Mrs. J. J. McMichael, 514 South Main.

Guests were greeted by Mrs. Goodnight and presented to the receiving line composed of the honoree, her mother, Mrs. Elmer Cheek, Mrs. E. H. Goffrey, mother of the groom-to-be and Mrs. T. J. Smith III.

Miss Billie Blackwell presided at the register to secure signatures of the guests.

In the refreshment room the table formed a center of attraction with its cover of hand-made linen cutwork. A lovely arrangement of pink roses intermingled with greenery composed the centerpiece. Mrs. Bill George Kesteron ladeled punch which was served with dainty bell-shaped cookies, open-face sandwiches and nuts.

Members of the house party wore corsages of pink gladioli.

A lovely array of gifts, presented to the honoree by her friends, were on display in one room of the party suite. The hostesses gift to the honoree was Syracuse China in the Victorian pattern.

MR. AND MRS. A. J. ROGERS

Miss Georgia Ann Scott of Austin Becomes Bride of Rep. A. J. Rogers

A recent wedding of interest to friends here is that of State Representative A. J. Rogers of Childress and Miss Georgia Ann Scott of Austin. The single-ring ceremony was performed at the First Baptist Church in Austin on Thursday morning, July 27, with the pastor officiating.

Mrs. Rogers is the daughter of Mr. and Mrs. Alfred M. Scott of Austin while her groom is the son of Mr. and Mrs. Neal Rogers of Childress.

Mrs. J. B. Allison Jr., of Austin attended her sister as matron of honor and Raymond Horany of Olney was best man. Mrs. Allison was attired in a navy blue and white sheer complimented with white accessories and a corsage of feather carnations.

The attractive bride chose a simply-styled brown lace dress of street-length, and wore brown velvet accessories. Her corsage was of yellow roses.

A reception at the home of Mr. and Mrs. John D. Coats immediately after the ceremony feted the couple. Presiding at the table were the bride's mother and Mrs. Allison. Frosted fruit punch was served with the tiered wedding cake.

Garden flowers adorned the reception rooms and the bride's table.

Mrs. Rogers, a graduate of Austin High School, attended the University for three years where she studied pre-law. In '48 she was secretary of the Pre-Law Society, and is a member of Zeta Tau Alpha, social sorority.

Mr. Rogers is a Childress High School graduate and law student at the University. He was re-

Local Home Ec Teachers Attend Houston Meeting

Owls Shut Out Tahlequah Tuesday 13-0 In Oklahoma Tournament

Hank Dlugokecki handcuffed Tahlequah with four hits Friday night as the Owls whitewashed that club 13-0 to win their first game in the Oklahoma Semi-Pro Tournament being played at Elk City.

The win advanced the Owls to a Monday night tilt with Woodward and they eked out a 6-5 win over the Oklahoma team to continue into the tournament's advanced rounds.

Dlugokecki, not content with his outstanding hurling performance, also paced the Owl hitters, collecting three hits in four trips to the plate to drive in three of the Owl runs.

While on the mound, he struck out 10 Tahlequah batters and allowed only two walks.

Other highlights of the Owl win

were two-base hits by Pruett and McKay and a triple by Veltman. Don Williamson came right through in his top-hitting role style by slamming out the only home-run of the game.

Boys' Ranch Rodeo Date Is Sept. 3

The Sixth Annual Boys' Ranch Rodeo will be held at the Ranch on Sept. 3 and promises to be a tip-top show, according to directors.

Just about every boy at the Ranch, which is located at Old Tascosa, 40 miles northwest of Amarillo, will participate in this year's rodeo.

There will also be a full-scale barbecue that will be free to everyone attending the show. Charlie Lowe, well-known barbecue chef will be in charge of the feed.

MEMPHIS, ESTELLINE SCOUTS WIN RIBBONS IN DISTRICT SWIM MEET

Memphis and Estelline Scouts won ribbons in the Adobe Walls Council Southern District Swimming Meet held at Marion Park in Wellington Saturday.

Memphis ribbon winners included: Roddy Bice, Jackie Boone and Cy Gibson. Roddy and Jackie combined their talents to win second place in the stunt relay competition. Each of the three Scouts won ribbons in individual swimming events while Jackie placed in each of the diving events.

Don Weems, Ray McClendon, Keith Rogers, Jimmy Stuart and Duane Kennedy were the Estelline Scouts who won ribbons in the swimming competition.

Scout troops from Memphis, Estelline, Clarendon and Wellington competed in the meet.

Scouts attending the meet from Memphis included: Don Paul Howell, Jackie Boone, Cy Gibson, Bobby Crawford, T. V. Williams, Rink Evans, Roddy Bice and James Moss. They were accompanied by Scoutmaster Ted Myers.

Complete results:

Norman Heath returned to Lubbock Sunday in the home of parents, Mr. and Mrs. J. E. Moritz...

SNOW BIRDS . . . Betsy Slaughter, Cleveland, (left) and Gloria Howley, Englewood, N. J., hold fort against fellows who want to clean rink at Schumacher, Ontario, where 60 girls from America are attending figure skating school.

Q—My nephew was admitted to a VA hospital, and I paid his train fare to get there. Is there any way the Government will refund the cost of the trip? A—If VA authorized travel before the trip began, you may be entitled to a refund. Apply for it at the VA office or hospital that authorized transportation.

Practice of Personal Hygiene is Urged By State Officer to Help Prevent Polio

In addition to the general instructions for community sanitation which are important in preventing poliomyelitis, Dr. Geo. W. Cox, State Health Officer, issued an urgent warning to every individual in Texas to practice strict personal hygiene to protect his own health and that of those about him.

mit justification before I can enroll? A—VA will not consider your college training a change of course so you will not be required to submit justification to take it.

VET PROBLEMS AND ANSWERS

Q—I am the widow of a World War II veteran, and I also served during the war in the WAC's. Under the new law, I understand that I, as an unmarried widow, am eligible for a GI home loan.

Comments

(Continued from page 1)

A few quotations from a letter written to a Memphis citizen by a lawmaker in Washington: "I am as much against regimentation as any man alive. I believe in free enterprise and individual effort and the four freedoms. That is what I and several million others like me fought for overseas. Nev-

ertheless, there is a war on. It is going to get worse. We've got to have regimentation of some kind in time of war. . . Liberty is always the first casualty of a war. Controls mean a kind of dictatorship, but I'll string along with a temporary dictatorship imposed on Americans by Americans instead of a permanent dictatorship imposed on Americans by Russians. . . Global war means universal sacrifice but it's worth it. I think anybody but a Comissar living in Poland, Hungary, Bulgaria or Jugoslavia today would admit that a little regimentation now is worth the sacrifice it entails if it means keeping the Russians from marching up Main Street."

Faster, more accurate seeding with A MASSEY-HARRIS GRAIN DRILL

A fast operating, accurate seeding Massey-Harris Grain Drill goes a long way toward holding your production costs down . . . keeping profits up. What's more, your seed costs are cut to a minimum . . . yields are increased. Massey-Harris drills seed all of your grain properly . . . exactly as you set the per-acre quantity. There's no bunching or skipping.

When your grain is up, it's an even stand from fence line to fence line. Harvesting is easier. An even flow going through your combine results in cleaner separation, more grain. Look into these Massey-Harris drills with their huskier construction, constant height lift, front pressure tension on the discs, and dependable center seed delivery. See us soon for complete details.

- 306 • 6-inch spacing. 16, 20, 22, 24, 28 Runs. Hand or power lift. Horse or tractor hitch.
307 • 7-inch spacing. 16 and 18 Runs. Hand or power lift. Tractor Hitch only.
308 • 8-inch spacing. 16 and 20 Runs. Hand or Power lift. Tractor Hitch only.

A Message From Your Pontiac Dealer

Remember, folks, that your Pontiac dealer will continue to sell and service these fine automobiles at 702 Noel Street. Here you will find replacement parts when needed, and trained mechanics to take care of your repairs.

We will deliver new Pontiacs to our customers as the cars arrive. You know that the demand for new Pontiacs is mounting—and production is decreasing. We're sorry if we can't supply you with your new car when you want it. Please bear with us . . . we'll do the best we can with what we receive on our present quotas.

mobilize every single resource we have. There must be no war-time strikes and no featherbedding on the part of labor; there must be no cost-plus grafting and hoarding of labor on the part of industry. . . We're in the MOST DESPERATE fight in the history of our nation. . . If we don't do everything we can now—it will be too late to do anything."

Excuse me for quoting so much from the letter, but his ideas conform so nearly to mine that I pass it on to you for your own consideration. Bearing out this line of thinking, is the letter in this issue from Buster Guthrie, a Memphis man, who is in the thick of Korea fighting. Read it and wonder why we have allowed another Guadacanal to take place.

Also, I would suggest that all profiteers and hoarders write Buster Guthrie how they are helping him. But there are none such in this area.

Senator Lyndon Johnson is my idea of a Senator. He is going after laggards hammer and tongs, and wants an all-out effort to win the war. He has increased in statesmanship stature in this present crisis.

Wednesday's news reports looked a little better for the U. S. Forces, but nothing decisive warrants any shouting or letting up.

Collingsworth County old settlers will have their annual reunion August 17, at Lahue Grove east of Wellington, and Donley County old settlers at Tate Grove near Hedley August 18. These two organizations always have a day of real enjoyment to pioneers.

Dick Fowler Now Associated With Drug Store Here

Dick Fowler, son of Mr. and Mrs. John Fowler of Memphis, is one of 7 students at the University of Texas graduated from the College of Pharmacy this summer. He has returned to Memphis and is now associated with the Foote and Fowler Drug Store here as a pharmacist.

Fowler was graduated from Petersburg High school and attended Texas University one year prior to entering the navy during World War II. He returned to Texas University after receiving his discharge.

He is married to the former Miss Louise Rogers of this city and the couple is now residing at 818 Brice St.

First Polio Case Is Reported Here

Donald Moore, high school student and son of Mr. and Mrs. Harold Moore, this week became Memphis' first polio victim of the past few years.

Dr. C. B. Dryden said this morning that the case has been diagnosed as infantile paralysis by the medical staff at the Plainview Hospital and Clinic. However, doctors there said it is a mild case and that the boy probably will escape permanent paralysis.

Young Moore became ill late Tuesday and was rushed to Plainview Wednesday for observation and treatment.

Cyclone Grid

(Continued From Page 1) 225, and Wayne Jenkins, 200, all lettered last year and are expected to lead the line play during the coming season.

Returning ends are Don Ray Rasco, 150, and Charles Messer, 155, Max Kennedy and Pete Moore are lettermen slated for guard positions. Kennedy weighs 145 and Moore 195.

Peanut Pierce is the returning letterman at the pivot slot. He weighs about 150 pounds.

Coach York released the following schedule for the coming grid season *(denotes conference game):

- Sept. 8, Dumas, There.
Sept. 15, Canyon, There.
Sept. 22, Plainview "B", Here.
Sept. 29, Lefors, Here.
Oct. 6, Shamrock, Here.
Oct. 13, Wheeler, Here.
Oct. 20, Wellington, There.
Oct. 27, McLean, There.
Nov. 3, Lakeview, Here.
Nov. 10, Clarendon, Here.

Insect Damage

(Continued from page 1) Sulphur dust at the rate of 10 pounds per acre. Spray is not recommended.

To dust the bollworms, Hooser suggests 20 percent toxaphene-40 percent sulphur 3-4-40 mixture at the rate of 10 pounds per acre. Toxaphene or 2-1 mixture at the rate of three pounds per acre is recommended for spraying boll worms.

Farmers detecting leafworms in either of the two vulnerable stages should check Hooser for the most effective insecticide.

Owls Meet

(Continued from Page 1) day. This won't be determined until after tonight's game with Elk City.

Unless tournament play changes the schedule, the Owls have two games on tap for the week end. They meet Mangum Saturday night in an exhibition tilt and wind up their scheduled play in the Red River Valley League Sunday with Hobart.
