Funeral services were to be held at the Murphy-Spicer Chapel Wednesday afternoon, conducted by Rev. Robert Knight and Rev. E. Sherrill. Burial will be at Fairview cemetery. Born in 1873 in Tennessee, Mrs. Mullin lived near Newlin until a few years ago. Since then she has lived in Sudan with her sister. Survivors include three sisters Mrs. Glover, Mrs. A. F. Thomas and Mrs. J. L. Chapman, both of Fort Worth. Arrangements are under direction of Murphy-Spicer Funeral Home.

No Waiting List For Air Force Enlistees Now

M-Sgt. John Gaskill who is in charge of army and air force recruiting and is in Memphis Tuesday and Thursday afternoons at the court house announced that air force enlistments are now open. "No waiting list now confronts applicants in the air force," Sgt. Gaskill said. He also stated that enlistments for the army are being taken wherein recruits can take basic training in the Hawaiian Islands if they desire. Information concerning any phase of air force or army enlistment may be obtained from him either of the afternoons he is in Memphis.

CLAUDE'S COMMENTS

By J. C. W.
AMARILLO, Tex., April 25.—On my way downtown this morning, I had to face a chilly north wind and was wondering if I hadn't better go back to my place of temporary abode to get an overcoat when suddenly I saw a lot of straw hats in a show window. So I decided it was just a state of mind instead of cold weather that was affecting me. In this city of gentle (sometimes) zephyrs, two Panhandle rains have visited here the past few days—one last Friday that had all the earmarks of the '30s dustbowl, and one yesterday that looked like the old-fashioned rain.

Mercury Reaches 94 Here Tuesday

Summer temperatures arrived in Memphis this week as the mercury climbed to 94 degrees Tuesday afternoon and only reached a low of 52 degrees that night. Tuesday was our hottest day of the year so far. Lowest temperatures were recorded Sunday night when the mercury dropped to 37 degrees. No appreciable amount of rain was recorded during the week though the dust storms last Friday and Tuesday did bring traces of moisture.

Students Vie For County Spelling Honors

Spelling Bees take the spotlight in the schools this weekend, both in Memphis and in the county schools. Thursday night at 7 o'clock in the Estelline school, students from the four county schools, Turkey, Lakeview, Memphis and Estelline, in grades from one to six will hold a Spelling Bee. Six students from each school will vie for the championship. An 8-inch gold trophy will be awarded the winner plus a chance to enter the Spelling Bee at the Memphis High School Friday morning. Winner of the Friday contest will represent Hall County in Amarillo later this month in the regional Spelling Bee. The Amarillo winner is eligible to attend the National Spelling Bee held later in the year in Washington, D. C. Only two students from each school will participate in the Friday morning Spelling Quiz. Winners at Memphis junior high school are Jackie Ben Boone and Harold Aspgrren.

Study Club To Present Play Tues.

A one-act play, "International Relations," will be presented by members of the 1913 Study Club in a benefit program at 4 p. m. Tuesday, May 1, at the Memphis County Club and the public is invited. The play, written and directed by Mrs. R. S. Greene local well-known creative author, is about a parody on club life of a prominent socialite and her domestic troubles with her servants and family. Members of the 1913 Study Club and other actresses portray characters in the light comedy. The characters in order of appearance are Marie Andrews, played by Tomacel Greene; Laura Parker by Peaches Harrison; Leslie Baker by Charlene Greene; and Annette Andrews by Helen Boswell. The play is being sponsored to promote the community center building fund. A silver offering will be taken and proceeds will go to the building fund.

Mrs. Laura Ridings To Be Buried In Oklahoma

Funeral services for Mrs. Laura Alice Ridings, 66, who died Sunday in a Wellington hospital, were held Tuesday afternoon at the Lone Star School, Lone Star, Okla. The Rev. R. T. Webb of Canadian conducted the services and burial was at the Lone Star cemetery. A former Oklahoma resident, Mrs. Ridings was a resident of Hall County about seven years. A widow, Mrs. Ridings was born in 1885 in Alden, Kans. She is survived by two sons: Willis and Deward, of Memphis; six daughters: Mrs. Virginia Denney of Woodward, Okla., Mrs. Hazel Akins and Mrs. Viola Hull, both of Memphis, Mrs. Rachel Wise of Windyville Mo., Mrs. Elnor Fugua of Wellington, Kans., and Mrs. Helen Dyer of Pampa; five brothers: John Bennett of Oakland, Calif., Henry Bennett of Tende, Kans., Mark Bennett of Canadian, J. C. Bennett of Canadian and Ike Bennett of Twin Falls, Ida.; a sister, Mrs. Nellie Oliver of Quincy, Ill., and mother Mrs. Amanda J. Hull of Woodward. Pall bearers from Memphis were W. C. Bishop, R. N. Melton, Robert Jackson, Carl Nelson, Albert Ivey and Barney Ivey. Funeral arrangements were under direction of Murphy-Spicer.

Rev. Self Is New Estelline Pastor

Rev. R. L. Self and family moved from Duna, Tex., to Estelline this week, where he will assume his duties as pastor of the Baptist Church. He was chosen after the resignation of Rev. W. B. Greene who moved to Spearman about six weeks ago. In the family are Mrs. Self and three children, Louie, Jr., who enrolled in first grade in school, Robbie, who is in the fourth, and Jane, a sixth grade student. Members of the church held a reception for the new pastor and family Wednesday evening at the church.

Sheriff's Office Makes Liquor Raid

Members of the sheriff's office raided Ford's Cafe last Friday and charged Bill Williams with possession of liquor for sale. During the raid, Woodrow Shawhart entered the cafe and was found in possession of 48 half-pints of liquor. He was charged with possession. Both men were booked and released on bail. Trials will be held later in county court.

Groups Plan Day Of Cemetery Work

Members of the Odd Fellows and Union Hill Cemetery association will hold their semi-annual joint meeting Thursday, May 3, at the Lakeview cemetery. Members plan to work that day in the cemetery. Everyone is invited to bring their own tools and their lunch to spend the day.

School Board Calls Election for May 5 For Building Plans

Petitions calling for a proposed \$275,000 school improvements program in Memphis, signed by several hundred citizens were presented to the School Board Monday night and caused the Board immediately to call an election May 5 for the proposed program. The school program, announced last week, calls for the construction of a new elementary school on school-owned property in the Northwest section of Memphis, conversion of the present junior high school to another elementary school and combination of the junior and senior high schools in the present high school building. This will remove all small children from the West Ward building which has been in need of repair for several years, officials said. Superintendent W. C. Davis reported with proper repairs and remodeling the West Ward building can be made into a useful building and part of the high school which will insure us adequate space for years to come. The election to vote bonds to cover the school program will be held a week from Saturday at the City Hall. Morgan Baker will be presiding judge and Mrs. Art Miller election judge. Mrs. L. W. Stanford and O. V. Alexander will be election clerks. All qualified taxpayer citizens are eligible to vote. The election calls for the expenditure of \$275,000 to be repaid over a period of 30 years, and the rate of interest not to exceed 3 1/2 per cent per annum. Actual construction, if the election is approved by the voters, would start as soon as an architect can draw the plans and the school board sell the bonds, which would probably be from 30 to 45 days. "During the summer months, if our plan is approved, we hope to do some work on the present schools and have them in tip-top shape by next fall," Davis continued. School board members who are backing the school building improving program include President R. C. Lemons, Ace Gailley, J. A. Anthony, Ed Hutcherson, Homer Tucker, Matthew Allen and Roy Coleman.

Riding Group To Be Formed Friday Night

A meeting will be held at 7:30 Friday evening in the county court room to form a Hall County and Memphis riding association. The meeting will be under the direction of the Chamber of Commerce rodeo committee. More than 30 names have been given to committee members who will contact people this week about organizing a riding club for Memphis and the county. The group plans to send a delegation to Vernon April 30 to take part in the Santa Rosa Round-Up and to represent Memphis and Hall County. Officers will be elected and the group formally organized Friday according to plans laid this week by members of the rodeo committee. Persons desiring to take part in the Vernon Round-Up and represent this county may obtain additional information from the Memphis Chamber of Commerce office. The group plans to send the horses to Vernon by truck. They will load at 10 a. m. Monday, at the railroad loading dock. Other plans concerning participation of the riding group will be formulated at and after Friday night's meeting, rodeo committee members stated.

Navyman to Attend Journalism School

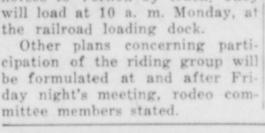

Burl McClellan, former news editor of The Democrat, has completed his navy "boot training" at San Diego and has been appointed to the navy journalism school at Great Lakes, Michigan. McClellan was scheduled to leave San Diego this week for Great Lakes and expects to get a leave before starting his training there. Former Resident Dies in Hamilton Mrs. E. I. Adams returned this week from Hamilton where she attended funeral services for her brother, Jim A. Hood. Mr. Hood who was 68 years of age, died April 17. He was a former Hall County resident and lived near Estelline.

Mrs. Annie (Charity) McDonnell, Mrs. Nellie (Hope) Daniels, and Mrs. Nora (Faith) Murphy, Hollywood, Fla., celebrate their 83rd birthday. They are triplets.

Angus Cattlemen Hold Meeting Here

Aberdeen Angus cattlemen from Hall, Donley, Childress and Collingsworth met Tuesday night in the county court house to hear Luther McClung of Fort Worth, a director of the American Aberdeen Angus Association. Cattlemen here were members of the Lower Panhandle Angus Association. Members voted to hold a field day in Hall County sometime in September. Details and arrangements will be announced later. Other Angus men who attended were Milt Miller of Brady, fieldman for the American association and Jimmy Stewart, secretary, treasurer of the association. The association men arrived by plane Tuesday afternoon and spent Wednesday morning visiting some of the Angus ranches here.

First National To Modernize Entire Bank

Work commenced last week on remodeling of the First National Bank with the installation of new plate glass windows on the north and east sides. Vice President T. H. Deaver said that the work will be completed sometime in June. Other work to be done includes installation of a new air conditioning-heating unit, new teller and office fixtures, a new ceiling and a revolving door. "Our bank will be completely modernized after the workmen complete alterations," Deaver stated. The Frank & Winfrey Construction Co. of Denton are in charge of the remodeling.

Bill Davis Among Candidates

Among the candidates for the 1951 Hardin-Simmons University Cowboy football team, now in spring training is Bill Davis, a fullback from Memphis. He is a returning letterman.

SOME UNKNOWN ASPECTS OF ASIA

We have read many editorials and magazine articles on the aims and purpose of the United Nations in reference to the Asiatic campaign . . . but what of the aims of the other side . . . of the Communists.

One of the primary objectives of Communist aggression in Asia, as some people see it, is to gain possession of the rice producing areas of the Far East and thereby control the food supply of the entire Asiatic orbit.

In Asia, rice means life . . . and he, who controls the rice will control all Asia. The Communist leaders know this . . . and the United Nations' leaders had better remember it, taking for granted that they know it.

Clear Path

To war news listeners who understand this one primary fact, the pattern of Communist aggression in Asia, now and in the future, will be distinctly clear.

There are two kinds of countries in Asia: the countries with rice surpluses and the countries with rice deficits. The rice deficit countries (such as Communist China) must obtain their life food—rice—from the surplus countries or their people will starve.

While the Communists have little regard for individual wants and needs, starvation in the entire country is something of which they are acutely aware.

Therefore, the Communists must gain possession of the rice surplus countries or at least their rice producing areas. There are four principal rice surplus countries in Asia. They are South Korea, Indo China, Thailand and Burma.

Beginning

The Communists started in South Korea. Next came Indo China. The Communists are waging war only in the rice producing areas of Indo China. Reports from the Far East clearly show that the finger of Communist aggression is pointed toward Thailand and Burma.

Primarily the wars in Asia are being and will be fought for rice, the possession of which means complete control of that entire part of the world, regardless of the ideals for Democracy spirit that we as the American people or United Nations claim we are fighting for in Asia.

It would do well for the makers of our foreign policy to note this before they write off the war in Korea as a mere political struggle.

Press Paragraphs—

QUOTING OUR NEIGHBORS

An Attempt At Control
President Harry Truman has advocated doubling the present postal rates on newspapers, magazines, advertising circulars, and other published material as a method of increasing postal receipts.

This is a high-handed method of the government trying to control newspapers and magazines by increasing their postal rates. A newspaper's strength lies in its circulation. Stop their circulation, and the American people will

lose their last guardian of their human rights.

The freedom of the press is guaranteed in our Bill of Rights and any attempt to control it through any means is certainly unconstitutional.

If the additional levy were placed upon the newspaper and magazines, it would be the people who were forced to pay in the long run. The American people would be forced to pay ten cents instead of five cents for a daily newspaper and most of the magazines would be forced to increase their rates.

A newspaper is still one of the few items a nickel will buy. Let's keep it that way. An informed population is a free population.

Thomas Jefferson once said, "If it were left up to me to choose whether we had a free government or a free press, I would not hesitate for a moment to choose the latter."

Lo.,sa, Ky. Big Sandy News Ind.

The odor from Washington seems to indicate that the Vaughn deep freeze must have outlived its guarantee. Anyway, it didn't keep the White House sten's mink coat from stinking up its whole rotten RFC. People who are so concerned about what goes on

NOW IT'S UP TO US

behind the Iron Curtain had better begin to investigate what goes on behind the "Fair Deal."

It makes your dollars talk great good sense!

When you look at the times we live in . . . and then take a look at this new Chrysler Windsor . . . you might almost think we'd advance information and special-built this car just to fit these times!

Certainly it treats your hard-earned and tight-stretched dollars with a respect that's hard to find in a good many things you buy.

To begin with, the Windsor line is the *least-priced* of the three lines of cars we build at Chrysler. To buy one gets you all the basic goodness Chrysler engineering means, at the very *lowest* cost. That's good sense in itself.

In powerplant, your Windsor brings you Chrysler Spitfire . . . one of the truly great engines in the whole bright history of America's motor cars. Time-proved and owner-beloved, it would be hard to put your money on a sounder friend than this to live and travel with you through the months ahead!

As to comfort, Windsor brings you the amazing travel bonus all Chrysler owners get this year . . . the revolutionary new Oriflow shock absorber. With more than twice the shock-absorbing power of any other in the world, this amazing new device keeps wheels steady on the road, and riders steady in their seats.

As you can see, it is no idle claim that this car makes very special sense in these unusual times. But why not get the whole good story at first hand? Why not go see your Chrysler Dealer, very soon?

When Joan brought the desert, an apple pie, Tommy, eyeing the pie, gently said, "Joan, this pie is burnt. Where did you buy it?" Joan shyly answered "Whv, Tommy, I didn't buy the pie, it's my own cremation."

In Algebra II class on Thursday, Coach York gave this problem. "What is the shortest poem ever written?" After several answers which were wrong, Coach quoted the poem "Mary Rose sat on a tack. Mary Rose."

Vance Adams Qualifies to Run In State Meet

The Cyclone Track team, which won second place in the district 2-A meet on April 14, journeyed to Lubbock Sat., April 21 to compete in the Regional Track Meet. Only one Memphis lad, Vance Adams qualified for the state meet in Austin, May 4-5. In doing this he broke the state record of '49 held by Bobby Crooks. Boys that qualified for the state meet are also qualified to attend a track meet in Amarillo on April 28. Another highlight of the athletic program is the spring football training which began Monday

Awards Presented In Assembly

General assembly was held last Thursday afternoon to present several awards recently won by various departments of the high school.

The Ladies Auxiliary of the Veterans of Foreign Wars, who sponsored the "Freedom's Open Door" essay contest, presented the three Senior winners with awards. Scotty Grundy, first place winner, received a money award. Ann Spoon and Patsy Sue Hays received Webster Dictionaries for second and third places. Mrs. Carl Kulp presented the prizes.

Mr. Newton praised the Choral Club, under the direction of Mr. Perry Keyser, for winning a Division I, superior, rating at the Regional Meet in Canyon, April 14. The group received a golden plaque for the achievement.

Basketball jackets for the Cyclonettes were awarded next. This is the first time for MHS girls to receive athletic awards. Mr. Newton and Cyclonettes Coach, Mrs. Irons presented the black and gold satin jackets to the 12 Cyclonettes. These girls

April 25. Approximately 41 boys are out for this event which will be climaxed with a game on May 18.

Hints & Tips on Gardening

As soon as your flowering shrubs such as peach, forsythia, red bud, cydonia, crab and lilacs have finished blooming prune and shape them thereby keeping them bushier. The shrubs will be less susceptible to injury from high winds and more shapely for next year's growth.

Plant more glads for later blooming and get all perennials into the ground at once.

Don't forget to spray or dust roses and peonies every few days.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headache, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

10 Cotton Crop Seed Has Low Germination for Spring Planting

farmers in Texas face a difficult condition this year in planting a good stand of cotton because of a large crop. In the West Texas farmlands the season with a heavy crop of one plant every two inches in the row. He may have to thin this stand or leave it, depending on several factors. In some areas three inches in the row provides some 60,000 plants per acre. To get this stand of cotton seed with a germination of 60%, he will be putting to each acre some 38,400

and second, the early 1950 freeze which killed the plants and prevented many seeds from maturing. Machine harvesting results in a high percentage of immature seed of no value for planting. Proper cleaning and grading out of these undesirable seed is necessary for good planting seed.

Many of the seed of the 1950 crop which were frozen appear to be good but may not germinate. Under normal fall weather conditions many of these seed would have matured.

These factors have led to the present cotton seed problem. The large acreage of cotton expected to be planted in 1951 heightens the problem. Reports from the Texas Tech branch laboratory of the State Seed Testing Laboratory and the Seed Testing Division of the Lubbock Grain Exchange indicate that some 2,500 seed samples were tested since Jan. 1, 1951.

The range in germination was from below 10% to over 90% with the average just under 60%.

The grain sorghums—hogari, kafir, millet, cane and sudan grass seed—have generally shown a normal germination. Small grains alfalfa, clover and grass seed tested by the laboratories have shown a normal germination percentage.

Farmers should heed the warning of these figures. The seed germination percentage should be known, and the amount of seed planted per acre must be increased. Otherwise, farmers can expect only a partial stand of cotton to start the season.

Every precaution should be taken by the farmer so that he can start the season with as nearly a perfect stand as possible.

Farmers can secure germination tests on their cotton seed by taking representative samples to the seed testing laboratory in room 116 of the Agriculture building at Texas Technological College where the branch laboratory

as a retired officer. Do I consider that as income in determining whether I am eligible for a death pension as the result of the death of my son?

A. Yes. Retirement pay received directly from a service department is considered as reportable income.

Q. My wife served in the WAC during the war and recently passed away. Am I entitled to death pension payments from VA?

A. No. Under present laws a widower is not entitled to death pension benefits, but surviving children may be entitled.

Little Theatre To Give "Goodbye My Fancy" May 17

The Memphis Little Theatre will present one of its most outstanding performances here May 17, when Fay Fanin's comedy, "Goodbye, My Fancy", is presented at the high school auditorium at 8 p. m.

Heading the cast for this production will be Irvin Johnson, Louis Saied, and Mrs. Robert Sexauer. They are directed by Miss Ethel Hillhouse and supported by Patsy Hays, Beryle Davis, Nancy Stanford, Jeanne Way, Gladys Power, Ed Monzingo, Barney Burnett, Pat Goodnight, Ida Anisman, Hattie Dem Thompson, Ann Spoon, Eudine Gable, John Shadid, Haskell Howell and Steve Cowan, of Childress.

"Goodbye, My Fancy", is a three-act comedy. According to Brooks Atkinson of the New York Times, it is "One of the most delightful comedies of the season—in the attitude toward the theatre Mrs. Kanin writes like a crafts-

man. The dialogue is bright and satirical.—In the past few years the American theatre has developed a type of comedy that amuses the theatre goer while it is improving his mind. Like painless dentistry, "Goodbye, My Fancy", is good for you and does not hurt.—One of its virtues is its obvious actability. It fits the theatre like a glove."

Make a date Monday evening to see the annual Junior Class play, "The Thirteenth Chair." Time: 8 p. m. Place: high school auditorium.

A Navy hospital corpsman attached to a Marine Corps unit is permitted to wear either his own Navy uniform of a Marine Corps uniform with his Navy insignia affixed.

First Navy doctor to lose his life in Korea was Lt. Peter Emilio Arioli, USNR, 2928 Derby st., Berkeley, Calif. He was one of 38 Navy Medical Corps personnel killed in Korean action.

Three out of four traffic accidents happen in clear weather on dry roads.

LADY GODIVA

Alfred Lord Tennyson, the English poet, was so impressed with the legend of Lady Godiva's ride that he visited Coventry, the scene of the unusual episode, and later penned these lines as an introduction to his epic poem telling the story:

I waited for the train at Coventry;
I being with grooms and porters on the bridge.
To watch the three tall spires; and these shaped
The city's ancient legend into this.

Invariably the mention of Lady Godiva is greeted with lifted eye brows. Now is it considered fit and proper to mention this fair equestrienne in polite society and yet the incident which makes her remembered deserves its rightful place among the legendary folklore of Old England.

According to tradition, Lady Godiva agreed to ride naked through the streets of Coventry, England in order to relieve the citizens of certain exactions of revenue. Her husband, Earl Leofric, feudal lord of the community and an eccentric individual had demanded this unusual action as a condition to his promise to relax his oppression of the townspeople. In sympathy with the people, she complied with her husband's challenge. The over-taxed inhabitants so appreciated this gracious gesture that for centuries they held an annual pageant commemorating the ride of Lady Godiva. The last such celebration was staged in 1887. So, while she did not hang lanterns in Old North Church tower as did Paul Revere, Lady

Godiva's ride was born of a noble urge.

Furthermore, the citizenry of this English hamlet of Coventry was well deserving of a feather in its cap as, according to old wives' tales, there was only "peeping Tom of Coventry." This misguided fellow, a tailor by trade, was the only soul mean enough to sneak a peep at Lady Godiva as she rode through the streets of the town. All the other villagers stayed inside with doors shut and windows barred as she had requested. For his trouble, the unfortunate wretch was stricken blind, or so the story goes.

Although it has been 900 years since this memorable jaunt down a British high street, modern versions of Lady Godiva still exist, she continues to be the subject of lively jesting. Only recently, an after-dinner speaker in concluding his address likened himself to Lady Godiva who, on nearing the end of her ride, remarked, "I am approaching my clothes". Lovely damsels bedecked in pink tights, their long, flowering hair (real and false) cascading to their waist and mounted on bare-back horses are billed as Lady Godivas and recognized as standard equipment with the big circus troupes. And only last week in England, a young horsewoman was chosen to represent Lady Godiva as part of that country's 1951 Festival Year celebration. So Lady Godiva Rides again!

College students may choose their service for enlistment at any time in the two months before their last month of school.

Clever One-Act Play Entertains 1913 Study Club

The 1913 Study Club entertained with a clever one-act play, "Touring Europe" last Wednesday in the home of Mrs. D. L. C. Kinard, with Mrs. A. L. Galley as hostess.

The play was written and directed by Mrs. R. S. Greene and those taking part in its production were Owen Lindsey, who was stricken with a genuine attack of nostalgia, and returned home well ahead of her friends, Pauline Wilson, Lottie Kinard, Coy Dunbar, and Tomacell Greene who came to tea with Owen, and in a delightful manner unfold, over their tea cups, their experiences following her departure.

During the business session, the president, Mrs. Greene, asked for reports from the convention federated clubs held recently in Amarillo. The delegate, Mrs. E. M. Wilson gave a glowing account of the meeting in general, while Mrs. T. M. Harrison, Mrs. M. G. Tarver, Mrs. Kinard and Mrs. Greene reported on other phases and section meetings as well as entertainment and social events.

The party rooms were made more lovely with attractive arrangements of tulips and other seasonal flowers.

The hostess, assisted by her mother, served tasty refreshments to three guests, Mrs. C. C. Chandler, Mrs. R. W. Grisham and a former member Mrs. L. O. Hayene of Kilgore and the following members:

Mmes. Byron Baldwin, George Craft, L. G. DeBerry, T. J. Dunbar, B. R. Fisch, Frank Foxhall, R. S. Greene, T. M. Harrison, Gene Lindsey, Paul Montgomery, M. McNeely, Boyd Rogers, M. G. Tarver, R. C. Walker and E. M. Wilson.

H. L. Davenport Home Is Scene For Turkey Dinner

Mr. and Mrs. H. L. Davenport entertained relatives and friends with a turkey dinner at their home Sunday. Guest of honor was David Horace DuVall, seaman apprentice, who is spending boot leave here with his parents, Mr. and Mrs. Horace DuVall.

Enjoying this affair were Mrs. D. H. Davenport Sr., Mr. and Mrs. Horace DuVall, and Bennie Earl, Lyman Davenport Jr., Mrs. Davenport and Mike and Pat of Childress, A. B. Hankins, Mrs. Hankins and Ben and Terry of Amarillo, Mr. and Mrs. Paul McCann and David Horace's weekend guests from Sheppard Field, Neil Spurlack of Sunray, Ivan Sundale of Sioux Falls, South Dakota and Jerry Jones of Santa Anna, Calif.

The next meeting will be in the home of Mrs. Trilton Davis with Mrs. Gene Jouet as co-hostess.

'Sons of Texas' Program Theme at Atalantean Meet

"Sons of Texas" was the theme of the program presented Wednesday afternoon, April 18, before members of the Atalantean Club meeting in the home of Mrs. J. A. Odum.

Mrs. H. B. Estes was speaker for the afternoon and gave an interesting talk on the life of Gen. Sam Houston. Two poems were read by Mrs. Robert Spicer. They were "Sons of Texas" and "The Texan Banner."

Members answered roll call with "Texas Land Marks." Mrs. T. M. Isham, president, conducted the business session. Announcement was made that the club won first place and a prize of \$5.00 on its scrap book at the district convention. The scrap book was compiled by Mrs. Claud Johnson, scrap book chairman.

A tasty refreshment plate was served to the following members: Mmes. H. B. Estes, T. M. Isham, Claud Johnson, Ed Monzingo, J. H. Morris, J. H. Norman, J. O. Odum, Myrtis Phelan, S. B. Pallmeyer, Robert Sexauer, Robert

Spicer, C. R. Webster, D. A. Nealey, Bob Roberts, Viola Johnson and Miss Imogene King.

WEDDING AND SHOWER HONOREE—Mrs. Scott Shepherd was before her marriage Miss June Meredith, was commended with a lovely party and shower Friday evening April 13, in the home of Mrs. Anna Dickson.

Scott Shepherd, Recent Bride, Honoree at Party and Shower

A lovely array of gifts were given to Mrs. Scott Shepherd, bride, during a lovely shower party given in her honor evening, April 13, in the home of Mrs. Anna Dickson.

The guests were the Mrs. Anna Dickson, the Mrs. Shepherd, her mother, Alice Caviness, and the groom's sister, Miss Clyde.

Mrs. Dickson with duties were Mmes. C. W. Wyley Whitley, Henry B. Smith, Bud Godfrey, Webster, Bess Crump, L. J. M. Ferrel Jr., Gene Bruce Gentry Jr., W. H. L. A. Stilwell, Ora C. R. Gowan, Edd Hut-

cherson, Tom Lenoir, Misses Imogene King, Agnes Hayes and Ida Mae Long.

Blue and white, the bride's chosen colors, were given emphasis in decorative appointments throughout the entertainment rooms. In the living room arrangements of lilacs and white chrysanthemums were featured and a nosegay of the same blossoms were used on the table which held the bride's book. Mrs. Gene Lindsey presided at the registrar to secure signatures of the guests.

In the dining room, dainty refreshment plates were served from a lace covered table decorated with blue and white iris in a bouquet arrangement.

Junior Class Play To Be Given Mon.

"The Thirteenth Chair," by Bayard Veiller, a serious mystery drama, has been selected by the Junior Class as their play for this year and will be presented Monday evening at 8 p. m. in the school auditorium.

"The Thirteenth Chair," by Bayard Veiller, is a serious mystery drama dealing with the idea of spiritualism. Madam Rasalie La Grange, the old Irish lady who conducts seances, is played by Margaret Ann Massey; Tim Donohue, the private investigator, by Bobby Dick Hutcherson; Mrs. Crosby, the hostess, is played by Patsy Ruth Jarrell; and her husband, Roscoe, by Freddy Vinson. Will Crosby, played by Charles Messer, is in love with Helen O'Neal, which role is played by Vondia Blackmon.

Guests at the dinner party are Howard Standish, Jacky Gilbert; Grace Standish, Betty Kennon; Phillip Mason, Clinton Jones; Hel-

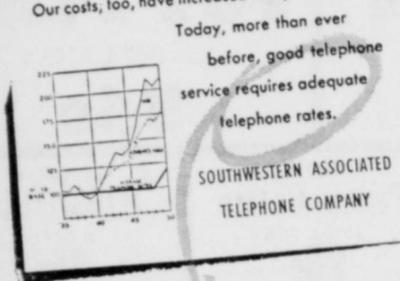

en Trent, Carnis Durham; Bradish Trent, Max Kennedy; Elizabeth Erskine, Gloria Harris; Edward Wales, Frank Norman; and Mary Eastwood, Jo Anne Webster. The butler is played by Dempsey Archer, and Donohue's assistants are Dunn, Ralph Lockhart; and Doolan—a voice off-stage.

The Production Staff includes Student Director, Carl Lee; Stage Manager, Wayne Jenkins; Stage Crew, Wayne Wiggins, and Horace Jones; Lighting, Carroll Foxhall, and D'Arman Peabody; Sound Effects, Dempsey Archer; Business Manager, Carl Lee; make-up artist, Nell Messer, house manager, Ramon Arnold, Coy Smith, and Don Beasley; Music, Beverly Snell; Tickets, Raymond Whitten, and Tommy Davis; and Publicity, Floye Hammonds.

Class Sponsors are: Mrs. Roy L. Guthrie, Weldon McCreary and Fred Wright.

Meet the Seniors

An outstanding athletic, a class favorite and a Future Farmer's Sweetheart make up this week's senior personalities.

Thomas Messer, football captain and basketball player; Donald Payne, class favorite and member of Thespian; and Frances Newbrough are the three "seniors" of the week.

Messer, the 18 year old son of Mr. and Mrs. J. W. Messer, was born in Memphis on October 31. "Tommy", who weighs 154 lb. has lived in California, Arizona and Colorado.

"Tommy" will head for T.C.U. in September and major in Mathematics. In his spare time one will find Tommy playing what ever sport is in season.

In Physics one probably will find Tommy with his head buried in study in order to understand and enjoy the discussion of the class. All teachers are favorites with Tommy but Mrs. Guthrie is on top of his list.

Winning State Basketball in 1949 was Tommy's biggest thrill but this is just one of the many honors he has received. Sr. President in 1951, Sophomore Favorite in 1949, Who's Who in 1949-50, Annual staff in 1949-50, and a member of "Order of the Arrow", which is an honored Camper's Association in the Boy Scouts, are some of the other honors that have come his way.

Francis Newbrough is 18 years old, weighs 112 lbs. and is 5 ft. 1 in. tall. Mr. and Mrs. O. C. Newbrough, her parents, were especially proud of Frances for being elected F.F.A. Sweetheart of the year. This honor is the most outstanding but there are others that follow close behind, such as F.H. A. Treasurer, Spanish Club, Choral Club, and Homemakers Club.

As you can see from the list above, Frances enjoys Homemaking and plans to further her homemaking ability by attending Clarendon Junior College.

The class favorite, Donald Payne, 17 year old, 155 lb. son of Mr. and Mrs. George Payne is next on this list.

Donald would just as soon work on a car or weld a welding torch as to eat. Of course, this hobby and pass time will help Donald with his major in West Texas State College which will be Diesel or Electrical Engineering.

Senior favorite, Cue and Curtain member and a charter member of the Thespian Society are the high honors that Donald has received.

a cursory synopsis would divulge the mystery which is built around an old Irish medium, a seance, and a murder. The entire play is so packed with surprising developments that it baffles and thrills the audience until the final curtain.

During an interview with Mrs. Guthrie, she stated, "So seldom do Juniors attempt the type of drama required for the staging of "Thirteenth Chair"; but I am highly pleased with the work of our students and I sincerely believe they will give a polished performance of one of the most memorable theatrical classics."

Greenbelt FFA Holds Meeting

The Greenbelt F.F.A. District met last Wednesday at the Childress Vocational Agricultural Department. Each chapter from the District sent two voting delegates. Memphis was represented by Coy Smith and Don Beasley, with Roddy Stargel and Raymond Whitten going along to tryout for area and state officer positions.

The officer nominees were selected by the boys on the candidates Vocational Agricultural

program, as well as their ability to tell about their agriculture work in a speech to the voting delegates. Roddy Stargel was selected as the nominee for state officer from this district.

He will compete with other district winners in this area May 12 in Canyon. Raymond Whitten was runner-up as a candidate for the Greenbelt District's area officer.

While the boys were holding their meeting, the vocational agricultural teachers were giving the Lone Star Farmer applications their first check. The applications will be checked next in area and state level before being finally approved or rejected. Four boys

REPORT FROM WASHINGTON

By CONGRESSMAN WALTER ROGERS.

GENERAL VIDI, VICI: Representatives was glaring under the lights of the television cameras and every available space in the Chamber was packed. Mrs. MacArthur entered the chamber first and was seated in the President's box, which is located to the left of the Speaker. She entered amid rousing cheers and applause and was most gracious in her acceptance thereof.

Many of the top officials of the Army were present and among them was the familiar face of General Jonathan M. (Skinny)

Wainwright. The Speaker named a committee of the House and the Vice-President named a committee of the Senate to escort the General into the chamber.

When the Doorkeeper announced the approach of General MacArthur, it was so still that you could almost hear a pin drop. When the General came into view, the applause and the cheers were deafening. His military bearing was perfect as he approached the Speaker's desk and was greeted by the Speaker and the Vice-President.

He was introduced by the Speaker of the House and the applause was again thunderous. The effectiveness of his speech was testified to by the rapt attention of all present, the only movements being on the part of the newspaper men, the newsreel and television cameramen, and the official reporters who were taking his speech in relays.

His speech was outstanding, as was his delivery. His pictures do not actually portray the full dignity of his bearing nor his excellent physical condition. He is truly a man among men and his appearance today left no doubt in anyone's mind as to the genius of his ability.

He approached his subject in a clear voice and in concise and well worded statements. He treated his subject fully and outlined the predicate upon which he based his suggestions as to foreign policy, the foreign policy that he does suggest, and his opinion as to the results that would be forthcoming should these suggestions be adopted.

He also gave substantial factual information upon which he was basing his theories and suggestions. He definitely did not have the time to go into a full explanation of these facta matters, but obviously wanted to. I hope that he will go before the Congressional Committees, both Senate and House, and outline in complete detail the entire Far Eastern situation.

The people and the Congress are entitled to know the back-

KOREAN NATIVE HELP . . . Native laborer struggles up slope to very high frequency relay station of Americans in Korea with drum of diesel fuel strapped to his back.

ground and all of the facts concerning the Far Eastern situation, and to date we have not been given them. MacArthur is entirely too valuable a man to be shelved in this area of crisis. His complete knowledge and understanding of the Asiatic theater is of inconceivable not only to this country, but to the world.

If he is not returned to the Far East, certainly he should be placed in a position of authority among the Joint Chiefs of Staff for the purpose of helping to mold our future actions in the Asiatic theatre. This entire transaction, as deplorable as it has been and called for, has certainly done

one thing. It has gotten this country nearer to a concrete foreign policy than we have been in several years. It has brought out into the open a lot of the fumbling and stalling and is definitely going to put England on the spot for a complete showdown on what we can expect from them.

There were many highlights in General MacArthur's speech that were most impressive, but there was one statement he made which I wish he would enlarge upon because I think that war between this country and Red China would not mean that Russia would follow suit in Europe. Those are not his exact words but convey the general idea that I got from his statement and his voice inflections.

He said that Russia was not depending upon what Red China did, but would take her own steps toward war when she considered it most expedient from her own standpoint. If there is factual information concerning this statement, whether it be from intelligence reports or otherwise, I think that the Congress is entitled to know the facts about it, because it is the one thing that could be the answer to many problems facing this country today.

I have the utmost respect and confidence in General MacArthur's ability and his integrity, and I do hope that there can be a complete understanding on this question: "If all-out war should break out between Red China and the UN, would Russia strike immediately in Europe, Turkey, Iran and Iraq?"

Mr. and Mrs. L. L. Beard, of Memphis, moved to Snyder, Okla. last Wednesday. Their son, Winford, who works at Fowlers Drug, will move about May 1.

"Smart Buy's Roadmaster"

It started the day the 1951 ROADMASTER made its first appearance—and has been building up ever since.

Folks looked at the fresh new styling—the power—the features—the fabrics—the cloud-soft cushions — and the prices — and said, "Here's the smart buy in the fine-car field."

Why don't you come and see for yourself what a sensational buy this proud beauty really is?

It's a honey to handle—a joy to ride in—and just about the handsomest thing on wheels.

It has room, and poise, and a level-going gait that comes from coil springs front and rear.

There's a triumphant thrill in the willing obedience of its Fireball power and the luxurious ease of its Dynaflo Drive, which doesn't cost you a penny extra.

There's a sweeping view fore and aft through broad and uncluttered glass areas, and the new clarity of an instrument panel with high visibility at night.

Even the brakes are new, self-cooling, with a grip that takes hold like steel fingers in a velvet glove.

Here indeed is a car that is fine in bearing, in action, and in the precision of every structural part—a ROADMASTER custom built by Buick. When will you try one as our guest?

PMA Will Continue Mesquite Removal

At the request of the Hall County PMA Committee, the practice of elimination of Mesquite from pasture land has been approved for use during the 1951 program year.

This practice was used during the 1950 program, with PMA contributing \$7,360 to assist producers in eliminating mesquite on 1982.0 acres.

But due to the limited number of practices permitted for 1951, and the new practice of controlling Mesquite by Poisoning, this practice was left out of our original list of 1951 practices.

Approvals of Elimination of Mesquite in pasture land are now being issued in the local PMA office. The PMA contributes \$5.00

per acre on this practice when the density of the mesquite is 42 or more percent.

Most of this type of work is done by contractor with heavy equipment, who contracts the work at \$10.00 per acre, making the practice a cooperative undertaking between the farmer and the government, each paying one half of the total cost.

Due to the lack of moisture and the large acreage to be planted of cotton, very little poisoning of mesquite is expected to be done in Hall County this year. This form of control has proven highly satisfactory in other areas under favorable moisture conditions, but as this work is done by applying 2.4.5.T. acid, with an airplane which is very destructive to cotton, it is not advisable to use the formula within three miles of cotton.

To ranchers who can qualify to use 2.4.5.T. as a control for mesquite the cost of application will be approximately \$3.25 per acre with the PMA contributing \$1.75 per acre leaving only \$1.50 per acre to be paid by the rancher.

The PMA had over \$65,000.00 in 1951 program funds unobligated as of Monday, April 23, which will be sufficient to carry out any approved practice producers may care to perform.

time high-winded sand storms. Today is bright and cool and the kind one enjoys.

Two weeks ago Mrs. W. and I came to this fastest growing city in Texas to attend a press meeting, and decided we would take a vacation (from what? Certainly not from overwork.) by staying a week or two and the end is not yet in sight. As long as our friends and kinfolks feed us at least twice a day without grumbling, we can't insult them by going home. This is the kind of "vacation" we have been wanting for some time. So many friends are living here who formerly lived in Memphis, and are we enjoying visiting them?

One week ago, we went to Moore County where we went to see a good wheat crop—and found the insects had beat us to it. Returning to Amarillo, we detoured by way of Old Tascosa—home of the famous Boys Ranch. Here we found a real live setting for some 130 boys who have found friends and opportunities to become respected men. Cal Farley, promoter of Boys Ranch, Dory Detton, professional wrestler who is supervising the ranch, and other lovers of boys are doing a worthwhile job that should receive the financial and sympathetic support of every citizen in the Panhandle.

It was with a feeling of disappointment that I read in A to Izzard column the other day the following written by Deskins Wells of Wellington Leader:

"I see by The Memphis Democrat that Eddie Johnson and Jay Taylor are NOT going to build a proposed \$200,000 feeding plant for cattle in that city. It seems that the cultured people of Memphis thought that the feeding lots would draw flies. So Mr. Johnson and Mr. Taylor retired gracefully from the Memphis scene. This is by way of inviting them to come to Wellington. Wellington is 30 miles from five different competing cotton oil mills and would put you right in the center of a competitive market. But more important, Wellington is the alfalfa producing capital of the Panhandle. Unless you want to buy high priced supplements, alfalfa is a must when dry feeding cattle on cake. Too much cottonseed cake can bring on night blindness in cattle. Four days feeding of prime alfalfa will correct night blindness. But the cattle make more use of the cake in gaining pounds if the alfalfa is fed regularly. You will be welcome here, Mr. Johnson and Mr. Taylor."

Also, in a conversation with Jay Taylor and Eddie Johnson, I learned that a delegation of Memphis men and women had been up to see them to protest establishing a feeding project south of the oil mill. Hall County citizens have long wanted industries established that would bring more business and money to the town and county, and the feeding project would certainly bring a lot more money to same—especially, would it bring a market to farmers who grow alfalfa and other feeds—to the tune of something like a million dollars a year for the feeding alone. Then, when the opportunity arises to get such a help to the farming interests, have it defeated by protest. I can appreciate the feeling of citizens who believe it would be a nuisance. On the other hand, I visited the feed

IN LIMELIGHT

WASHINGTON, D.C. — Disclosures of Communist activity in intellectual sabotage of government through infiltration of the nation's capital have brought more publicity to the state of Wisconsin than the dairy industry. When Wisconsin sent young, dynamic Irish Senator Joseph R. "Joe" McCarthy to the senate, it was little realized the bedgling senator would rock the American public into taking more concerted action against methods that have brought World War III to the nation's doorstep.

lot of Taylor and Johnson right here in Amarillo, and certainly found they make every effort to keep down flies and smells by proper preventive measures. They would do the same in Memphis, they declare. There certainly has not been enough rains in Hall County the past several years to cause such smells, and I honestly believe no one would be offended by smells and flies if the feed lot were placed there. The smell of cooking cottonseed oil and meal hasn't offended anyone there to my knowledge, and what worse nuisance could there be than that of lint and smoke from burning burrs, which has not been protested? Why? Because those things are a help to the farmers' interests. A feed lot, the kind proposed for Memphis, would certainly add to the agricultural income. Please, folks, let's reconsider the matter.

See you next week.
