## and Issue Election Slated for August 19; Voters To Decide on Street Paving and Pool

This voters will have a referendum on Tuesday, Aug. 19, to decide whether or not the city should be authorized to issue bonds for a park and street improvements. Date for the election is Monday night at a meeting of the City Council.

### Funeral Rites Conducted For Pvt. Billington

Funeral services for Pvt. Billy C. Billington, killed in action two years ago in Korea, were held at 3 p. m. Tuesday in the First Baptist Church in Memphis.

The Rev. Roy Shahan, pastor, preached the services. Burial with full military services by members of the Simmons-Noel Post, American Legion and V.F.W. Durrett-Brown Post was in Fairview Cemetery.

Murphy-Spicer had charge of arrangements. The body was returned home Sunday night.

Pvt. Billington, son of Mr. and Mrs. W. E. Billington of Memphis, was killed in action July 11, 1950 in Southern Korea. A member of one of the first out-fits to be committed to the Korean War, he was killed before the conflict was three weeks old. He was 21 then.

He was listed as missing in action at first, and his parents were not officially notified of his death until May 1951.

The youth was born near Memphis and lived here with his parents prior to entering service in May, 1948. He was shipped to the Far Eastern theatre in September 1949.

He was the third son of Mr. and Mrs. Billington to serve in the armed forces. Two other brothers are World War II veterans.

Other survivors include: his two brothers, Louis Billington of Houston and Robert Billington of Fowler, Tex.; and his grandmother, Mrs. Sarah Turner of Bellevue, Tex.

Pall bearers included Dr. Jack Rose, Gene Lindsey, Robert Moss, Hubert Jones, M. D. Gunstream and Noel Bruce.

### N. L. Murff Rites Conducted Friday At Clarendon

Funeral services for N. L. Murff, 82, were held at 4 p. m. Friday at the First Methodist Church in Clarendon. The Rev. I. E. Biggs, pastor officiated.

Mr. Murff, a retired postmaster at Brice, died at his home last Thursday in Brice. He had lived in Hall County for 45 years.

Services were under the direction of Murphy-Spicer Funeral Home. Burial was in Citizens Cemetery in Clarendon.

Pall bearers were Cal Holland, (Continued on Page 10)

ELECTED IN SATURDAY'S PRIMARY—Shown above are three of the successful candidates in the Democratic Primary last Saturday. Incumbent Sheriff E. S. "Peck" Morrison, left, was re-elected without opposition. William B. Teague, center, defeated incumbent William J. "Bill" Bragg for County Attorney. Arthur Gidden, right, beat incumbent M. O. Goodpasture for County Judge. Pictures of other winning candidates will be published next week.

## 200 More Signed Pledges Needed As 'Blood Donor Day' Draws Near

Next Thursday, Aug. 7, has been proclaimed by Mayor Carl Harrison as BLOOD DONOR DAY. That is the day when the Red Cross Bloodmobile unit will be in Memphis as part of the armed forces blood program.

Ben Parks, blood recruitment chairman for the program in Hall County, announced today that the drive to obtain pledges for giving blood was some 200 short of the number needed. Only about 100 persons have signed blank pledges. At least 300 pledged donors are needed before the Bloodmobile unit will come to Memphis.

While Parks and other officials in charge of the blood program are confident that the necessary donors can be obtained, they are urging all persons desiring to give blood to sign one of the pledges. (Continued on Page 10)

### PROCLAMATION

WHEREAS, in 1950 the Department of Defense requested the Red Cross to collect blood for the armed services, and the National Security Resources Board designated the Red Cross as the coordinating agency for a nation-wide civil defense blood program; and

WHEREAS, since 1950 Korea became a battleground and the need of more blood for the wounded and hospitalized servicemen has become urgent.

WHEREAS, the citizens of Hall County will be given a chance to help meet these quotas with the visit of a blood mobile unit.

NOW THEREFORE, I, Carl Harrison, Mayor of the City of Memphis, declare that Thursday, August 7, 1952 as BLOOD DONOR DAY; and ask that everyone join into this program wholeheartedly.

Given under my hand and seal this the 30th day of July, 1952.

S. C. HARRISON, Mayor  
City of Memphis

### Services Conducted For Ellerd Infant

Funeral services for Karen Jane Ellerd, infant daughter, of Mr. and Mrs. Thurman Ellerd, were held at 4 p. m. last Friday in the Murphy-Spicer Chapel. The baby girl was less than a day old. She died in a local hospital.

Services were conducted by Min. B. M. Litton. Burial was in Fairview Cemetery. Murphy-Spicer had charge of arrangements.

Other survivors include a brother, Duxain Ellerd of Memphis; a grandfather, J. A. Adcock of Amarillo; and a grandmother, Mrs. B. J. Ellerd of Memphis.

Thanks, thanks to Connell-Evans Appliance Store, Cicero Smith Lumber, Co. and West Texas Utilities Co. for helping hold our Democrat election party. It is with the help of these firms (and others in wears gone by) that we are able to give Hall County citizens the election results as quickly as we do. By using a public address system and the tabulation board which is always erected in front of our office, interested persons get the information they want within minutes after it reaches us.

It's all over but the voting. Both Republicans and the Democrats have selected their banner bearers. Now it will be Ike and Adlai (pronounced Adlay) for top honors and Nixon and Sparkman for second places. The voters will say which in the November election.

It was my good fortune to have a seat last week in the Democratic National Convention in Chicago, and a permit to sit in a press booth and watch the TV any time I wanted to get away from the noise and tedious roll calls demanded by some one who wanted the folks at home to see his handsome figure, or to know how he voted. At the last roll call, some of the polls of delegations

### Hutcherson Unseats Patton; Andy Rogers Trounces LaFont

Hall County voters went to the polls last Saturday in the Democratic Primary and elected a new county judge, new county attorney, and a new county clerk in contested county races.

Arthur Gidden defeated incumbent M. O. Goodpasture for the county judges' position by a vote of 1,733 to 937; William B. "Bill" Teague beat his opponent, incumbent William J. "Bill" Bragg, by a 1,370 majority—or 2,011 to 641; and incumbent Sybil Gurley was defeated by Mrs. Ruby Collins by a vote of 815 to 1,899.

### New Scoreboard To Be Installed Here Next Week

Installation of the giant scoreboard clock at Cyclone Stadium will be sometime next week, according to Clent Srygley, president of the Booster Club.

The Memphis High School Booster Club raised the money for purchase of the clock. The Club obtained the clock from the American Desk Company, Webster City, Iowa. Srygley said the company notified him that the big clock was scheduled to arrive Monday, but that it may not get here until later on in the week. It will take only about six hours to complete the installation, he said.

The scoreboard clock cost "around \$1650.00," according to Srygley. It was financed by a membership drive and a five-year lease on advertising space on the big electrical clock. The First National Bank of Memphis was successful high bidder, with a bid of \$1,280.00. The bids were opened April 16.

The bank has an option to renew the advertising contract at a lower rate at the end of five years.

The clock is over nine feet high and 18 feet wide. Advertising space alone is 6-ft. by 18-ft. It has numerals showing scores, downs, quarters, yards-to-go and time left to play. These lighted numbers are two feet high.

The scoreboard will be operated from the sidelines.

### SCHOOL TO BEGIN MON. MORNING AT MORNINGSIDE

Morningside School classes will begin Monday, Aug. 4, according to Supt. W. C. Davis. The school is getting an early start, he said, so that the students may be free to help in the cotton picking. Classes are expected to close sometime in October when the cotton harvesting season gets underway.

Principal of the colored school is Judge Roy Whitfield. Other teachers are: Miss Doris M. Williams, Miss Lynita Price, Mrs. Whitfield and Miss Ola Mae Murphy, a new addition to the faculty.

There are about 160 students expected to attend Morningside, or about the same as last year. The school has 11 grades.

### Stadium Fence Painted White

Painting of the fence around Cyclone Stadium was completed last Thursday, according to Elmer Cheek, contractor.

The job took ten days, and two coats of white paint were brushed on. Cheek also painted the ticket office and press box.

### Former Missionary to Africa To Preach at Baptist Revival

A two week's revival meeting will begin Sunday, Aug. 3, at the First Baptist Church in Memphis, the Rev. Roy Shahan, pastor, announced this week. The meeting will close Sunday night, Aug. 17. Dr. A. C. Donath will bring the gospel messages. He was a missionary to the Nigeria, Africa for several years. Dr. Donath is now pastor of the First Baptist Church in Conroe, Texas.

In the uncontested county races, Olin Cooper, E. S. "Peck" Morrison and Hester Bownds were elected to the positions of tax-assessor-collector, sheriff, and county treasurer, respectively.

Complete official returns from Hall County's 12 voting boxes can be found in this issue of The Democrat on Page 7, Section 1. Canvassing of the returns was completed yesterday by the Hall County Democratic Executive Committee.

In the commissioners races, only two precincts emerged with successful candidates. Edwin Hutcherson unseated incumbent Roy Patton in precinct No. 1 by a vote of 700 to 647, a narrow 53-vote margin. Clinton Richburg was running unopposed in Precinct No. 3.

Two commissioners contests will have to be decided in the Aug. 23 run-off. J. B. Skinner and George Blewer are opponents in Precinct No. 2 at Lakeview. At Turkey in Precinct No. 4, J. B. Bush and B. B. Farley are pitted against each other.

Justice of the Peace, J. S. Grimes ran unopposed for reelection to the position in Precinct No. 1 and Guy O. Smith defeated R. D. Rivers for Justice of the Peace. (Continued on Page 10)

### Hospital Plans May Be Completed Tomorrow Night

Plans for a county hospital to be presented to the voters of the county may be completed here Friday night when the committee of citizens representing each precinct convenes at City Hall. The meeting is called for 8 o'clock.

While acting in an unofficial capacity, this group will study several proposals for a county hospital, according to J. A. Odom, Jr., who has handled the hospital proposition for the doctors who instigated the movement.

"These men will attempt to decide what proposition will be best serve the needs of the county from both a medical and economical standpoint. Whatever their decision may be, it will be supported by the doctors and will be the plan presented by petition to the people," Odom said.

Those who have agreed to serve on such a planning committee from each of the precincts include: Precinct 1, Dwight Kinard, Bill Cosby, Louis Saised and a representative from each of the First National and First State Banks; Precinct 2, Doyle Hall, D. C. Hall, Cal Holland, T. H. Gattis, Bascom Davenport and J. B. Duran; Precinct 3, Jimmy Weatherly, Jerrel Rapp, J. A. Ballard and Carl Hill; Precinct 4, R. B. Meacham, Lewis Eudy, G. O. Coker, Cole Boswell, Byron Young and Harry Barnhill.

Anyone in the county interested in doing so is invited to attend, Odom stated.

### Roy Alvin Massey Tells of More Experiences as Student in Paris

(A letter from Roy Alvin Massey to his parents, Mr. and Mrs. R. A. Massey, and family is reprinted below. Roy Alvin is in Paris, France this summer studying at Baylor in Paris, an extension of the University in Waco. Two of his letters describing the interesting trip to Europe and of the Parisian scenes have already been carried in past issues of The Democrat. In this letter he tells of more of his experiences in the French capital.—Ed.)

July 3, 1952  
Dear Folks:  
I am now at my permanent address which is:

Roy A. Massey  
Cercle Concordia  
41 Rue Tournesfort,  
Paris 6, France.

We went to the salon of Jacques Fath today. He is one of the world's leading fashion designers. The dresses shown were simply beautiful, and of course they ran into thousands of dollars.

Last night I went to Maurice Chevalie show. Yma Sumac was on the program for the last night so we decided to go. We were lucky because Sophie Tucker was in the audience and we got to see her.

Some of us went to the opera the other night and saw Rigoletto. It was wonderful. Tomorrow we are going to the stage play of Cyrano de Bergerac. Sunday we go to Fontainebleau.

Tomorrow we are invited to the American Embassy to a very exclusive party to celebrate the 4th of July. Lots of celebrities and important people will be there.

July 4  
I went to the party at the American Ambassador's home, and guess who I met—Helen Keller! It was really an experience. She is a marvelous person. I talked with her a little while. Of course, her aide, Miss Thompson, has to tell you what she says, because it is difficult to understand her.

July 10  
Yesterday we were officially received by the city of Paris. They gave us a reception at a mansion where they receive Kings and Queens. Then they took us to a cafe where they served us white wine and we all sang songs. It was very nice. The official welcome for foreign personalities of the Paris Chamber of Commerce or City Council welcomed us. Mr. Baker got a diploma and we each got a big folder with an etching in them and something about Paris written in them.

It is surely nice to be here with the Arnoulds because they are well known in Paris and take us places we couldn't go otherwise. Mrs. Arnould is one of the most important ladies in France today and has been since the war. She was a marvelous person during the war. She was a leader in the French underground. She is a good friend to all the important people in France, so she gets favors for us we couldn't get otherwise. They are both really nice to us and do everything for us.

Some of the group are flying up to Switzerland this week-end to a Festival of yodeling and folk-dancing. But if I went, I would have to miss Bastille Day and I wouldn't want to do that for the world. I may go to Chatre or back to Versailles or even to Lascaux to see the pre-historic caves. Or I just may stay in Paris Sunday.

July 14  
Today is Bastille Day here, their national holiday. This morning I went to a parade. Tonight we went to a display of fireworks on the Seine. They were the most beautiful I have ever seen. Then we went to several places and watched street dances. They were very interesting. In fact, there is one going on out in front where I live. They have had one there for the last three days; they have really made a week-end of it.

I spent yesterday at Versailles, the palace of the King. I liked the gardens and woods most of all. I went through the famous Hall of Mirrors where President Wilson signed the Peace Treaty of 1918 which ended the first World War. Then I came back to Paris and went to the top of the Eiffel Tower.

I'm still enjoying Paris, I find something new about it every day. It is a very quaint, but very wonderful city. I hope all of you can come over some day.

Mrs. M. E. Foster of Wellington returned home Saturday after visiting ten days with her sister, Mrs. Donna Lane.

### GOOD HEALTH

#### Answer to Question No. 1:

The average length of stay in general hospitals in the United States today is about 20 to 25 per cent less than it was in 1940. This improvement is largely the result of medical advances, early ambulation after surgery and childbirth, and the use of blood transfusions.

#### Answer to Question No. 2:

Healthy old people are not necessarily tired. Much of the weariness is due to improper diet. An increase of proteins and a lessening of starch, sugar and fats will often relieve the feeling of exhaustion. Elderly

persons' diets, under the direction of the family doctor, will include plenty of meat, fowl and green vegetables, with less bread, butter, sweets and the like.

#### Answer to Question No. 3:

Yes, in many cases. If the alcoholic has the will to be cured, his doctor can, with the aid of new drugs and psychiatric procedures, help him to give up drinking. To be certain of continued cure, the patient must always abstain from drinking alcoholic beverages. (Copyright 1952 by Health Information Foundation)

# A Explains New GI Bill for Korean Vets

Printed below is the first of installments prepared by the Administration to explain fully the benefits under the GI Bill for Korean Vets.

## Part I

President on July 16 signed a new GI Bill for veterans who served in the armed forces in any place in the world since the outbreak of the Korean conflict on June 27, 1950.

The law provides five benefits, designed to assist veterans in returning to civilian life. Included are education and training; guaranty of loans for homes, automobiles and businesses; unemployment compensation; mustering-out

pay, and job-finding help. The education and training provisions allow a veteran one and one-half days training for each day in service after the outbreak of the Korean fighting—regardless of where the service was performed—up to a maximum of 36 months.

However, veterans who have previously trained under earlier veterans' training laws—the World War II GI Bill or Public Laws 16 or 894 for the disabled—may get up to 48 months, minus whatever time they've had already spent in training under those earlier programs. A veteran may train in school or college, on-the-job or on-the-farm, so long as the school training establishment has been approved by an appropriate State Approving Agency and meets other qualifications of the law. Only one change of course program is allowed, except under certain conditions determined by the Veterans Administration.

Veterans in GI training will receive an education and training allowance each month from the Government, to meet part of the expenses of their training and living costs. Tuition, fees, books and supplies and equipment will not be paid by the Government; instead, they will have to be paid out of the monthly allowance.

Rates for veterans in full-time training in schools and colleges are \$110 a month, if they have no dependents; \$135 if they have one dependent, and \$160 if they have more than one dependent. Those in training less than full time will receive lower monthly rates.

Top monthly amounts for on-the-job trainees are \$70 without dependents; \$85 with one dependent, and \$105 with more than one dependent. The maximums for institutional on-farm trainees are \$95, \$110 and \$130, respectively. The law requires that on-job and on-farm rates be reduced, at four-month intervals, as the training progresses and the veteran's own earnings increase.

## BLOOMER BELLE

A sure winner is this strapless bloomer bathing suit of Bates cotton "Kentucky Paddock" in aqua on white. Made by Annis Sportswear this style is a leading bathing fashion for summer 1952.

The law also specifies that veterans taking institutional on-farm training must devote full time to their program.

The new GI Bill places a \$310-a-month ceiling on job training, regardless of dependency status. Should a veteran's training allowance plus his earnings as a trainee exceed this amount, VA will reduce the allowance accordingly. There's no ceiling, however, on what he may earn.

A veteran will get his monthly allowance some time after the end of each month of training completed. Before VA can pay him, the law requires a certification from both the veteran and his school or training establishment, that he was enrolled in and pursuing his course during that period.

This new method of payment differs from procedures followed under previous veterans' training laws. Under earlier laws, VA paid tuition and other costs directly to schools, and also paid eligible veterans a monthly subsistence allowance.

Although the new law takes effect July 16, no training allowances may be paid for any period prior to August 20.

## LAFF OF THE WEEK

"Do you have to start being domestic so soon?"

The new GI Bill contains important deadlines that post-Korea veterans should keep in mind, VA said.

Education and training, for post-Korea veterans, must be started by August 20, 1954, or two years after release from active duty, whichever ever comes later. No training may be given beyond either seven years after discharge or seven years after the end of the current emergency, whichever is later.

In contrast, for most World War II veterans, the GI Bill cut-off date for starting has already passed, and training may not extend beyond July 25, 1956.

Eligibility requirements for education and training benefits include: (1) a discharge under conditions other than dishonorable; (2) active service any time after June 27, 1950, and (3) at least 90 days' total service, unless discharged sooner for a service-connected disability.

The average car consumes about 8,000 gallons of gasoline in its lifetime, and, at present rates, its owner will pay the state and Federal governments about \$525 in taxes on that gasoline.

Automotive taxes were the biggest money raiser for state governments last year, providing almost a third of all state tax revenues.

### MEMPHIS PRODUCTION CREDIT OFFICIALS ATTEND CONFERENCE

On Monday and Tuesday, July 28 and 29, the directors and secretary-treasurer of the Memphis Production Credit Association met at Fort Worth with directors and secretary-treasurer of the Canadian Valley, Amarillo, Plainview, Lubbock, and Stamford Production Credit Associations, according to an announcement today by Mr. James Van Pelt, Secretary-Treasurer. This was one of a series of seven regional conferences of directors and secretary-treasurers of production credit associations being held over the state this summer.

According to Mr. Van Pelt these conferences are in the nature of round-table discussions for the exchange of ideas. Each association selected one subject and conducted the discussion. Mr. J. C. Emmert of Wellington, director of the Memphis Production Credit Association, led the discussion on their part of the program. Other directors of the association are Mr. J. C. Franks of Flomot, Mr. Otis Wilson of Quitaque, Mr. L. J. Halford of Estelline, and Mr. L. M. Bartlett of Childress. Some of the subjects discussed at this meeting were: "Credit"; "Improving Public Relations"; "Serving the Territory," and "Should PCA's Advertise."

The Memphis Association, like the other 35 in Texas, is entirely owned and operated by its farmer-rancher members. It was organized in 1934 to make crop, livestock, and all sorts of agricultural production loans in Collingsworth, Childress, Hardeman, Foard, Cottle, Motley, Briscoe, Hall, and Donley counties.

Also attending the meeting were Virgil P. Lee, president, Sam N. Hardy, vice president and Thomas V. Merrill, secretary-treasurer of the Production Credit Corporation of Houston; W. J. McAnelly, president of the Federal Intermediate Credit Bank of Houston, and E. J. Kyle of Bryan and J. B. Pumphrey of Old Glory directors on the Farm Credit Board of Houston.

### Patrick Announces Date of Rehearsal For Memphis Band

Members of the Memphis High School Band will hold their first rehearsal at 7:30 p.m., Friday, Aug. 8 at the band house, according to Buzz Patrick, president of the band.

Patrick announced that a meeting of all band officers will be held that afternoon at 3 in the band house. Purpose of the meeting, he said, is for band members to meet the new band director, Richard Highfill, and to make plans for the coming school year.

Band officers, besides Patrick, are: Secretary, Katherine Wright; librarian, Johnnie McDaniel; property officer, Billie Derrel Roden; outstanding musician, Sue Miller; and drum major, Gereta Graham. A vice-president and student director will be elected later on in the year, Patrick said. They will be nominated at the meeting.

### Tennis Tourney Starts Saturday

A city tennis tournament starts Saturday night at the high school courts, according to Mrs. R. E. Crooks.

There is no age limit for entrants, and the events will include boys and girls singles and mixed doubles, she said. Entrance fee is \$1.00 per person. A contestant can enter any two events, Mrs. Crooks said. Players must furnish their own tennis balls.

Prizes will be awarded to the winners in each event.

Deadline for paying entrance fee is 10 a.m. Saturday. All interested persons should contact Mrs. Crooks at telephone no. 683. The bracket for the tournament will be fixed Saturday in time for play to begin that night.

The tournament will end Aug. 14, Mrs. Crooks announced.

### 17 County 4-H Members Leave For Encampment

Seventeen Hall County 4-H Club boys, accompanied by County Agent W. B. Hooser, left this morning for the annual 4-H Encampment near Wichita Falls. The 4-H members will return home Saturday afternoon.

Those who won the honor of being chosen for the trip were: Don Huggins, Roy Alvin Molloy, Jimmy Don Molloy, Tony Molloy, G. D. Hall, Lester Driver, Mackie Salmon, Nolen Salmon and Clayton Wells, all of Lakeview; W. L. Couch and Jay Pierce of Turkey; Gary Coxy Mike Eastline and Bob Davidson of Estelline; and Don Ferrel and Billy Ferrel of Parnell.

Hooser said it was planned for two other men to accompany the boys to act as adult leaders.

The encampment program will include sports, lectures, demonstrations and entertainment programs. Extension leaders from Texas A. & M. will be among some 400 adult leaders at the camp. Twenty-two county agents will also act as adult leaders.

Hooser is chairman of the program committee and a member of the finance committee of the en-

campment. Selection of the boys to attend the camp was made on the basis of outstanding club work in each club in the county.

### Cotton Looks Fine But Needing Rain, County Agent Says

Cotton in Hall County is holding its own despite hot and dry weather, County Agent W. B. Hooser said this week.

He guessed that a bumper crop may be expected if badly-needed rain falls within the next two crucial weeks. Otherwise, the farmers can expect another average year — providing normal weather conditions prevail until the crop is harvested. Hooser sounded one note of optimism in the cotton situation. "There are fewer insects in the cotton this year than in the past

for the purpose of stalling to party workers time to line delegations in favor of Stevenson.

ing in the convention hall, could see what was going on, but it took TV and commentators to tell us what was going on behind the scenes or in the rooms. By TV, I attended the fight Maury Maverick's made at the credentials committee hearing to keep the delegation from being split. For awhile it looked like Shivers delegation would have won. When the matter was taken to the convention floor, leaders of the American Democratic Action and Labor combined fought to us from being seated but unsuccessful because conservative party leaders wanted us to agree to accept the nomination for president, which would not do until and if they concessions Southern States agree to. And such conservative leaders as Jim Farley and really got to work to force issue, and were successful.

erick stated afterwards he the Shivers bunch to take the pledge after all and he was fed. Many called it a loyalty test, but it was simply a statement that we will do what we can November to see that the convention's nominee placed on the ticket so people desire could vote it. Since is a Texas law and political have nothing to do with printing the general tickets, we feel that it a concession being made by to give us an opportunity in the convention. Some fight were waged in the case Virginia, S. Carolina, Louisiana others, and most of them refused to agree to anything, but the outcome was that the Southern States were allowed to stay.

me of the Southerners are that under the collar, but by number most of them will be off and probably stay in Democratic ranks.

colorful demonstrations staged during the convention especially when a nomination was made for a candidate for president. Many amusing and entertaining things happened during the meeting to give us zest and delegates awake. In case of Alben Barkley, who was told by Union Labor

leaders they did not want him as a candidate after he had been a friend of labor all through the years, a spontaneous demonstration lasting longer than any others showed the love and admiration of the convention's thousands of delegates and spectators for the VP, and also showed how they despised the action of the Americans for Democratic Action who tried to oust he South and make the party a labor party.

Other than the speech made by Stevenson following his nomination, Barkley's speech struck more response than even the keynote address of Governor Paul Dever of Massachusetts. When his speech was concluded, most of the audience showed signs of tears in their eyes.

Another highlight of the convention was late one night when all concerned were keyed to the high pitch and anything was likely to happen. Speaker Raburn called for a song by a young Negro singer. He sang the Lord's Prayer and his voice was so melodious and touching one could feel the easing up of tension and hear sighs of relief. It was a demonstration of the power of song.

Another incident that could have resulted in serious effect was, when Governor Byrnes of S. Carolina was being almost persecuted in regard to his stand on accepting the olive branch being held out by agreeing to see that the nominees' names would be placed in the general election ballot, a fire was started and a bystander began to talk excitedly into the mike asking the people not to get panicky. They were not nearly as excited as he seemed to be. After the fire was extinguished Go. Byrnes said, "I did not start the fire."

As all of the readers know who listened over the radio, a lot of

**Vic Vet says**

unnecessary speeches were made, and this was eased to some extent by good music, talk by Bob Hope, and deep thunderous tones of the organ.

The Texas delegation voted continually for Senator Russell, even after we knew he could not win. Governor Allan Shivers, neglecting his own battle for governorship here at home, was head of the delegation and through his safe leadership won the respect of the entire convention so much so in fact that when he had occasion to speak he received plenty of applause and many favorable comments were heard about him from people of other states. Texas was in the limelight before and after the contest for seats was decided in our favor.

Other conventions I have attended did not impress me with the seriousness of most of the political party leaders who steer the convention. In this convention I was convinced the real leaders are really serious about selecting men to represent them who will keep this government for the people. Factional leaders will do anything for power, regardless of the injurious effect it might have on the nation as a whole. I sincerely believe a lot of thinking went into the selection of the right men to lead. A definite swing was made toward a middle of the road policy and away from the extreme leftist work of Trumanites. While the platform committee included the civil rights planks, they were watered down so that even the South passively accepted them

after a not too strong opposition. In other words, the convention steered away from the strong planks forced on the party four years ago.

Following the nearly completed third roll call Friday night, when Utah (following right after Texas) cast the deciding votes for South passively accepted them

Truman missed the boat by delaying and is credited with no part in the nomination of Stevenson to head the ticket. Not until after every delegate at the convention knew that Stevenson would be nominated did HST come out for him. And that, my friends, refutes any statement that HST engineered Stevenson's nomination.

Most of us were lukewarm regarding Stevenson, but when we heard his 11-minute speech we became at least more favorable to him as a leader. His sincerity, his humbleness, his not wanting the job thrust upon him, his feeling that some one else could do the job better, than he could, and his acceptance because he would

be ungrateful if he refused was coupled with a promise, if elected, to have an administration for the whole people and not for a certain element, won admiration and respect.

The Democratic Party has a chance to stay in office, but it faces a supreme test coming November. Ike and Nixon are strong contenders on the Republican side and at the present time I am of the opinion that if either side wins we will see changes made for the better. When people get interested to the point of trying to do something about it, like has been the case this year, one must feel in his heart that good old America is not too far gone that things can't be improved and changed.

### Badge of Honor

There is a legend told of a little robin who in his flight over the Holy Land one spring saw three crosses silhouetted against the evening sky. He flew closer and discovered that on these crosses there hung three men.

The little bird fluttered his wings in distress that human beings should behave in such a manner toward their fellowmen. Pausing in flight he lighted on the middle cross to consider this monstrous outrage. It was then that he noticed the crown of thorns and saw red stains of blood where the thorns had pierced the flesh of this poor unfortunate martyr.

Now the robin was on his way to spend the summer with his friends along the Mediterranean but this tragic scene completely distracted and distressed him, making him forget the happy days ahead. These three human beings were so still they must be dead but the little bird could not continue his flight until he had done something to relieve the situation.

Hardly thinking what he was doing, he set about to remove the thorns. As he pulled each thorn free from the flesh, a drop of

blood fell on the forehead of the crucified one. Busily the robin worked until all the thorns were out and gone. In his eagerness to complete his task, he had not noticed that some of the blood had spilled on the feathers of his breast. Since that day, the robin's breast has always been red, stained by the blood of Christ.

You too, like the little robin, can relieve suffering . . . can remove the thorns of pain from the bodies of our men fighting in Korea by donating a pint of blood. Pledges are being taken now by the Business and Professional Women's club for blood to be given August 7 when the Mobile Blood Unit comes to Memphis. Be a good robin and wear on your breast "a badge of honor," a tiny drop of blood pin, so that the world may know that you are a blood donor.

## Jack Mitchell To Coach Annual Greenbelt Game

CHILDRESS — When split-T quarterbacks are compared, it's still in terms of Jack Mitchell, Texas Tech assistant coach, who will be one of the coaches in the Greenbelt Bowl game at Childress Friday, August 15th.

Calling the signals for Oklahoma University's great post-war eleven, Mitchell grabbed off an armload of honors, including All-American. Named Oklahoma's "Player of the Year" in 1947, he was selected most valuable player in the Big Seven in 1947 and

took all-conference honors in both 1947 and 1948.

His All-American honor came in 1948, following which he was named outstanding in the Sugar Bowl.

Mitchell's coaching career includes piloting Blackwell (Okla.) High School to an 8-1 record in 1949, coaching Tulsa University's backfield in 1950, when the Golden Hurricane set a national total offense record, and helping DeWitt Weaver coach Tech to a Border Conference championship last fall.

Last summer Mitchell coached the "West" to a Greenbelt Bowl victory. The score was 20-14.

Petroleum and petroleum products accounted for about four-fifths of all tonnage transported over the New York state barge canal system in 1950.

Production of crude oil in the United States went above the six-million-barrel-a-day mark for the first time in history during the week ending April 14, 1951.

Petroleum and natural gas energy supply in 1950, reached the staggering total of 19 billion B.t.u.'s.

**NOTICE OF BOND ELECTION  
THE STATE OF TEXAS  
COUNTY OF HALL  
CITY OF MEMPHIS**

**TO THE RESIDENT QUALIFIED PROPERTY TAXPAYING VOTERS OF THE CITY OF MEMPHIS, TEXAS:**

TAKE NOTICE that an election will be held in the City of Memphis, Texas, on the 19th day of August, 1952, on the propositions and at the place more particularly set forth in the election order adopted by the City Council on the 28th day of July, 1952, which is as follows:

WHEREAS, the City Council of the City of Memphis, Texas, deems it advisable and to the best interest of said City to submit to the resident qualified property taxpaying voters of said City the proposition for the issuance of \$55,000.00 of bonds of said City for the purpose of constructing improvements to the public parks of said City, and the proposition for the issuance of \$65,000.00 of bonds of said City for the purpose of constructing street improvements in said City;

THEREFORE, BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF MEMPHIS, TEXAS:

That an election be held in the

City of Memphis, Texas, on the 19th day of August, 1952, at which election the following propositions shall be submitted to the resident qualified property taxpaying voters of said City, who own taxable property in said City and who have duly rendered the same for taxation, for their action thereupon:

**PROPOSITION NO. 1**

Shall the City Council of the City of Memphis, Texas, be authorized to issue bonds of said City, in the sum of \$55,000.00, payable serially not to exceed thirty (30) years from their date, bearing interest at a rate not to exceed three and one-half (3 1/2%) per cent per annum, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of constructing improvements to the public parks of said City, as authorized by the Constitution and Laws of the State of Texas.

**PROPOSITION NO. 2**

Shall the City Council of the City of Memphis, Texas, be authorized to issue the bonds of said City, in the sum of \$65,000.00 payable serially not to exceed thirty (30) years from their date, bearing interest at a rate not to exceed three and one-half (3 1/2%) per annum, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of constructing street improvements in said City, as authorized by the Constitution and Laws of the State of Texas.

That said election shall be held at the CITY HALL in the City

of Memphis, Texas, with W. C. Davis as Presiding Judge, T. W. Harrison as Assistant Judge and Mrs. Glynn Thompson and Mrs. A. H. Miller as Clerks.

The said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds by cities, as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City and who have duly rendered the same for taxation, shall be qualified to vote.

The ballots for said election shall have written or printed thereon the following:

**OFFICIAL BALLOT**

FOR THE ISSUANCE OF PARK IMPROVEMENT BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION NO. 1.

AGAINST THE ISSUANCE OF PARK IMPROVEMENT BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION NO. 1.

FOR THE ISSUANCE OF STREET IMPROVEMENT BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION NO. 2.

AGAINST THE ISSUANCE OF STREET IMPROVEMENT BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION NO. 2.

As to each of the foregoing propositions, each voter shall mark out with black ink or black pencil one of the above expressi-

ons, thus leaving the other as indicating his vote on the two propositions, respectively.

A copy of this resolution and order signed by the Mayor of said City and attested by the City Secretary, shall serve as proper notice of said election.

The Mayor is authorized and directed to cause said notice of the election to be posted at the CITY HALL and at two other public places within the City of Memphis, for at least fifteen (15) full days prior to the date of said election.

The Mayor is further authorized and directed to cause said notice of election to be published in some newspaper of general circulation published in said City, and which notice shall be published on the same day in each of two (2) successive weeks, the date of the first publication being not less than fourteen (14) full days prior to the date of the election.

PASSED AND APPROVED this 28th day of July, 1952.

S. C. Harrison,  
Mayor, City of Memphis, Texas

cent Democratic National Convention. He picked the final choices of the Demos, Stevenson and Sparkman, but missed the ballot on which Stevenson was chosen—the third. This minor flaw can be overlooked, however, as he was the only man polled to come close to the vice-presidential nomination.

The guessing was done in an informal poll of several citizens. All but one guessed that Stevenson would win, but Veep guessers ranged all the way from Lyndon Johnson to Franklin D. Roosevelt, Jr. Most of the vice-presidential predictions were for men from south of the Mason-Dixon line.

# CARDINALS CONTINUE TO DOMINATE SOFTBALL PLAY; REBELS LOSE FOUR

The Cardinals of Memphis continued to dominate the softball picture in Memphis and Hall County for the past week. They rolled up impressive victories over the local Rebels, 17 to 7, and over Lakeview's improving Eagles, 15 to 4.

Meanwhile Estelline's Cubs were showing signs of challenging the Cards with twin victories over the hapless Rebels, 21 to 11, and 18 to 5.

Harrell Chappell got into the act, too, by beating the oft-beaten Rebels, 13 to 7.

The Cards won their game from the Rebels last Thursday night 17-7 in a fast seven-inning game. Leading scorers for the Cards were: Duke Frisbie, 3; Julius Stevens, 3; Omer Johnsey, 3; Bob Browning, 2; Lloyd West, 2; Duane Miller, 2; and Carl Lee, 2. West was winning pitcher.

Frank Norman and Bobby Crooks led the Rebel batters with two runs each. Other scorers were Max Kennedy, Jackie Blum and Willis Clark with one run each.

The Rebels were beaten again 21 to 11 Friday night when the Estelline Cubs invaded Memphis.

The visitors ran wild in all seven innings.

Scorers for the winning Estelline team were: Charles Gardenhire, 4; Gene Gardenhire, 4; Gus Orcutt, 3; Winkler, 3; Walker, 3; Jouett, 2; and B. Adams and Cooper, one each. Winkler was winning pitcher.

Leading the scoring for the Rebs were Bob Baker, Jackie Blum, Frank Norman and Billy Vallance with two runs each. Scoring one run each were Max Kennedy, Adrian Combs and Bobby Crooks. Doyle Collins was winning pitcher.

In the second game Friday night the Cards continued to lead the pack with a 15 to 4 victory over Lakeview.

Scorers for the Cards were: Carl Lee, 3; Duane Miller, 3; Charles Hartman, 2; Monte Clark, 2; Joe Bob Browning, 2; Doyle Collins, 1; Rayford Hutcherson, 1; and Julius Stevens, 1.

Lakeview's hitting was led by Kenneth Sams with a home run. Other scorers were Willis Clark, Terry Kirk, and Ludeke, with one each. Clark was losing pitcher.

In a game played Sunday afternoon at the City Park, Estelline defeated the Rebels, 18 to 5. Scoring for the winners were: Winkler, 4; Gardenhire, 3; Fowler, 2; Moore, 2; Adams, 2; Sutherland, 1; and Jouett, 2.

Rebel scorers were: Willis Clark, 1; Bobby Crooks, 1; Doyle Collins, 1; Monte Clark, 1; and Terry Monzingo, 1.

Details of the game between Harrell Chappell and the Rebels played Monday night in Harrell Chappell are incomplete.

Tonight at City Park the Bobby Crooks Rebels will tangle with the Don Ivy Renegades. Tomorrow night at the same diamond the Cardinals will play the Harrell Chappell aggregation in the first game of a double header. The Eagles of Lakeview will take on the Cubs of Estelline in the night cap.

An invitational tournament will be played here starting Aug. 14.

City Recreation Director Ted Myers announced that there is plenty of parking space and seats in the grandstand for softball fans at the Park.

## ROGERS RESIGNS COUNTY SCHOOL BOARD POSITION

The resignation of T. B. Rogers was accepted Tuesday morning at a meeting of the Hall County School Board, according to Miss Mary Foreman, county superintendent.

Gene Lindsey was appointed to replace him, Miss Foreman said that Rogers had served as a board member from Precinct No. 1 for several years.

"He has served very faithfully, and we accepted the resignation with regret," she said.

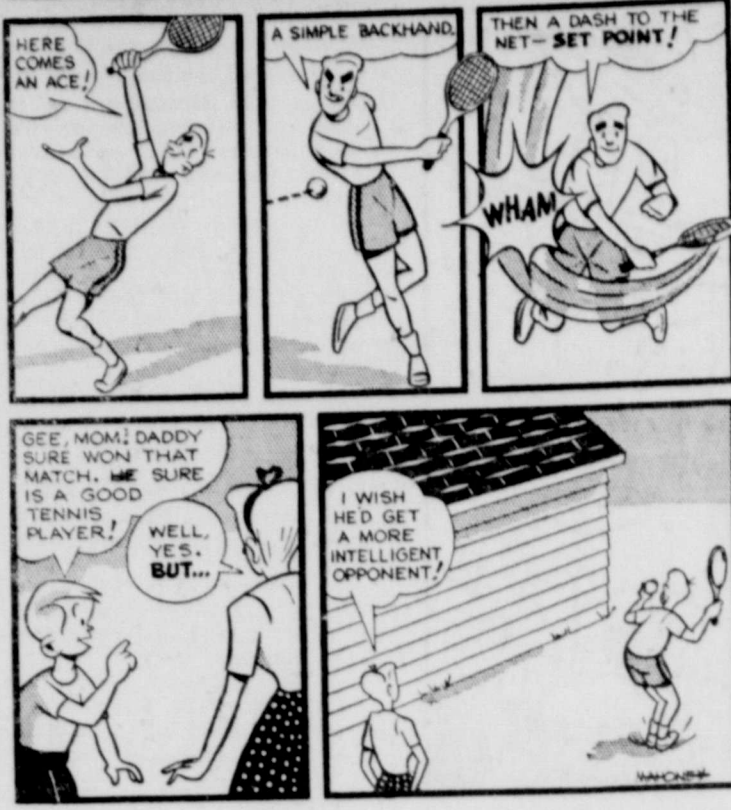

Also at the meeting Mrs. Mary Lee Erwin was elected as a special teacher to work in the Turkey and Estelline schools in a cooperative basis. She replaces Mrs. Porter Wilson who has been serving in this position.

Mr. and Mrs. Wilson are moving from Turkey to Dawson in Central Texas where he has accepted a position in the school there.

Mrs. Erwin had worked as a special teacher for the two schools three years ago.

## Owls Lose First Game in Month to Turkey, 2 to 1

The Memphis Owls tasted defeat for the first time since July 3 when they were edged by Turkey, 2 to 1, in a tournament game Monday night at Turkey.

Curve balls from the strong arm of Turkey's hurler, L. Porter, spelled the difference. Normally heavy hitters, the Owls were unable to find the range and collected only three hits in the abbreviated seven-inning hurling duel.

Pitching fine ball for Memphis all the way, Raymond Neeley allowed the Turks only four bingles. A Memphis error on a fly ball in the second inning gave the Turks the one-run margin of victory.

Red Hill, Neeley and Wayland Marcum got the only hits, all singles, for Memphis.

Both teams scored in the second inning, and the score remained tied until the fifth when Turkey pushed another across off a walk and a hit.

In a game played here last Thursday night, Memphis batsmen battered Quail, 17 to 2. Neeley pitched for Quail in that game, but errors by his team-mates gave Memphis a commanding early lead. The visitors failed to score until the last inning. Memphis made a total of 12 runs in the last two innings. Bobby Dick Hutcherson and Ed Mathes shared mound duties for the local nine.

There is a tree in South America called the rain tree, so named because the ejection of juice by cicadas upon it causes it to appear to be always raining under its branches.

## Church of Christ At Lakeview Plans Ten-Day Meeting

A revival meeting at the Lakeview Church of Christ will begin at 8 tomorrow night at the Church. Services will continue through Aug. 10, beginning each night at the same time.

Min. Paul Thompson, pastor, will conduct the services. He has been at the Lakeview Church for a short time.

Vacation Bible School during the meeting will be held at 10 a.m. daily. W. H. Whitfield will be song leader during the services.

Min. Thompson said he wanted to invite everyone to attend the gospel preaching.

Ulysses S. Grant was the only West Point graduate to become President of the United States.

Peace job in Precinct No. 4.

Roy Edwards and Albert Erwin are in the run-off for constable of Precinct No. 4. In Precinct No. 1, Jack Peabody, incumbent, defeated Lee Chitwood by a vote of 979 to 237.

In the hotly-contested race for state senator from the newly-created 30th Senatorial district, Andy Rogers of Childress defeated Harold M. LaFont of Hale County. Hall County gave the winner 1,458 votes to 957 for LaFont.

Another race of local interest was the Allen Harp-Sheffy Mahan race for District attorney. Harp won handsily. Hall County gave him 1,973 votes to 650 for Mahan.

Elbert Reeves defeated his opponent, Jimmy Faulkner of Clarendon, for the job as a state representative from the 88th district. However, the winning candidate from Matador received fewer Hall County votes than Faulkner. The official county tally was: Reeves 975, Faulkner 1506.

District Clerk, Miss Isabel Cypert was re-elected without opposition. County Democratic Chairman J. Claude Wells was re-elected without opposition, also.

These blanks are in the hands of numerous persons all over town. Persons wishing to sign one should contact Parks or other local Red Cross officials. H. J. Howell is chairman of the county Red Cross chapter; R. C. "Sug" Lemons is in charge of the overall blood program; Mrs. O. I. Seale is chairman of the service groups; and Mrs. Billy Thompson is in charge of publicity.

All of these officers have necessary blanks. Among others handling the pledges are Mrs. Jim Beeson and all members of the B. and P. W. Club, Clifford Farmer of the Chamber of Commerce, and many others.

The pledges must be in by the end of this week so that they can be processed and cards sent out to the donors.

Persons wishing to give blood can signify the time of day that they will be available. The unit can handle eight persons every 15 minutes. The unit will have a doctor and nurses on duty at all times. In addition several local women will be on hand to help.

The unit will be at the high school cafeteria all day Thursday, Aug. 7.

Donors from all over Hall County are wanted to help fill the county quota of vitally-needed blood for the armed forces. Pledge blanks have been sent to Estelline and Turkey. Fan Kirk of Lakeview has already circulated some of the blanks in that community.

All of the blood drawn here will be used by the armed forces. Some of it will be converted into blood plasma, and some will be

### Gowdy-Nivens Nuptial Vows Are Read Friday in Lakeview Rites

Miss Willa Dean Gowdy, daughter of Mr. and Mrs. W. M. Gowdy of Lakeview, became the bride of R. L. Nivens, son of Mr. and Mrs. E. G. Nivens, also of Lakeview, at 8 o'clock Friday evening, July 25. Rev. Seay, pastor of the Lakeview Methodist Church, read the marriage service in the parsonage.

For her wedding, the bride chose a steel-length dress of light blue sheer with gold printed design. A white hat with shoulder-length veil of illusion and other accessories of black patent completed her costume. She wore a corsage

of pink carnations and for "something old" carried a handkerchief belonging to Mrs. R. A. Bowerman which was 58 years old. The "something borrowed" was a compact belonging to Flora Mae Hall and the "Something blue" a pair of blue-lined garters given her by Mrs. C. W. Kinslow.

The couples' only attendants were Miss Myrtle Gibson and James Verden.

After a honeymoon trip to Colodard Springs, Mr. and Mrs. Nivens will be at home at 803 S. 6th Memphis.

A. H. Jones of Huntington arrived last Thursday to visit old friends and see after business. He lived here 32 years from 1915 until 1947 and owns land in the Harrell Chapel community. He and his son, Otha Jones, are in the grocery and garage business in Huntington.

Mr. and Mrs. J. C. Henry and daughter and Mr. and Mrs. T. J. Bridges were Amarillo visitors Saturday. They attended the Clovis-Amarillo baseball game Saturday night.

### Household Supply Personnel Enjoys Fish Fry Friday

Personnel of the Household Supply from Memphis and Clarendon enjoyed a Fish Fry Friday evening at the Roadside Park near Memphis. This is an annual affair and hosts were Mr. and Mrs. J. G. McAnear and Mr. and Mrs. Bill Todd of Clarendon and Mr. and Mrs. B. O. Shankles of Memphis.

Fish for the supper was supplied by J. G. McAnear from his recent catch at Guaymas, Mexico, and was prepared by J. G. McAnear, Durwood Ray and B. O. Shankles. Beans, potato salad and cakes prepared by the hostesses, completed the menu. Soda pop was furnished by B. O. Shankles.

Those attending from Clarendon were: Mr. and Mrs. B. B. Osborne and sons, Maxey and Bennie; Mr. and Mrs. D. P. Ray; Mr. and Mrs. Bill Row; W. W. Buck; Mr. and Mrs. Billy R. Phillips and daughters, Theresa Ann, Billie Carrole, and Linda Kay; Mr. and Mrs. Bobby Hill, Mrs. A. P. Todd; Mr. and Mrs. J. G. McAnear and daughter, Jeanie, and Sons, Dwight Ronnie, Freddie and Mr. and Mrs. Bill Todd.

Those attending from Memphis were: Mr. and Mrs. B. O. Shankles, Mr. and Mrs. Ward Jones and children, Mary Jo, Don, Glenn, Jack Lynn, and Neta Kay; Mr. and Mrs. C. E. Galloway and daughter, Sheri; Mr. and Mrs. T. B. Nelson and son, Paul Gene; and Mrs. S. J. Braddock.

Mrs. Jean Lamb is visiting in Tucumcari, N. M. this week with a daughter and family.

REUNION—Seven brothers and sisters, children and Mrs. W. B. Coble, of Estelline, were together for the first time since before World War I recently when they came here to be with their mother who underwent major surgery. Shown above are the seven Coble children and Mrs. Coble, back row, left to right, Richard Coble of Fort Worth, Eugene Coble of Albuquerque, N. M., Delbert Coble of Big Springs, and Bill Coble of Estelline; first row, Robert Jackson of Jerome, Idaho, Leonard Coble of Antonio and Mrs. Leon Ridens of Paris.

**I Appreciate Your Vote**

I certainly appreciate the fine vote you people gave me last Saturday, and I want to use this means of thank you for it.

As you know, there will be a run-off to determine who will be your next County Commissioner. I will need the continued support of the people of Precinct 2, and want to solicit the help of everyone in the weeks prior to the Second Primary.

Anything you can do for me will be appreciated.

Respectfully,

## Vena's Dress Shop Is Adding New Nationally-Known Apparel Lines

Vena's, a center for fashionable and quality ladies' clothes since it opened last fall, has even more to offer for those ladies who are discriminating in their wearing apparel. Mrs. Vena Kulp, owner and manager, announced this week that seven new nationally advertised lines have been added to her imposing stock of fine ladies ready-to-wear clothing. Some of the fall dresses, sweaters, suits and coats are already beginning to arrive.

For those who prefer first-quality apparel, Vena's is the place to shop. There's no need to drive out of town for the latest fashions, she said. The store carries some of the same lines that are found in such famous department stores as Neiman-Marcus of Dallas, Frost's of San Antonio, and Blackburn's and White and Kirk's of Amarillo.

Among the new lines added at Vena's are Ivan Frederices of California, Sam Gutlin Better Coats and Suits, Jane Holly Blouses, Barbette Dresses, Robert Gould Margie and Boepple Knit Wear.

Included in the lines already in stock are Fussy-Jo, Chalef of Dallas, Youcraft Coats and Suits, Letter and Daryl Juniors.

Vena's handles all ladies wear except shoes from juniors on up. Included are lingerie, dresses, coats, evening wear, sweaters, scarves and gloves. The store also carries in stock quality lines in accessories.

Another service Vena's features is alteration work.

Mrs. Kulp, who started the store in October of last year, was born near Lakeview. She is the daughter of Mr. and Mrs. J. W. Molloy. She finished school at Canyon, attended West Texas State College at Canyon and a business school in El Paso.

During the war she worked as a civilian official for the army in Spokane, Wash., and Fresno, Cal. She was married to Carl Kulp, then captain in the Air Force, in Macon, Ga., in 1945. Kulp, a native of Pottstown, Pa., was retired from the army in 1947 with the rank of major after service in Japan. The couple moved to Memphis in 1948.

They have two children, Carl Jr., 6, and Gaye, 3.

Though her business takes up much of her time, Vena is active in many community organizations. She was district and local president of the Memphis Hotel Building.

### PERSONS MORE SUSCEPTIBLE VARIETY OF SERIOUS DISEASES

Are you packing too much fatty beef for the size of your frame? If so, you're probably one of the 100,000 or so Texans who are suffering from what State Health Commissioner Geo. W. Cox calls a "significant public health problem."

A number of obese (dangerously overweight) people in the state, the doctor says, are laying themselves open to trouble.

For instance, if you are carrying too much fatty tissue you're twice as likely to get heart trouble, and three times as likely to get diabetes, and three times as likely to get arthritis. Furthermore, if you get a good deal of trouble because of your obese con-

dition, your glands may not be working just right. They may be having emotional trouble.

"Dietary habits perhaps established in childhood. Part of the reason might be that an overly full stomach gives them a sense of emotional relief. They might be trying to satisfy an emotional hunger as well as a physical one."

The best way to fight obesity is to cut down the caloric intake, he says. But to do this you've got to have a real desire to have normal weight.

"It means," he explains, "the underlying emotional factors which created the obesity must be corrected by a greater urge, such as avoiding an early death."

When you get this desire, you'll be willing to have your doctor prescribe a reducing diet and medicine if necessary and you will follow his advice.

"If you don't," Dr. Cox cautioned, "you'll probably find an early grave."

Fat people should get a good physical examination by their doctor before they start a rigid reducing diet.

### U. S. - Mexican Labor Treaty To Be Explained

LITTLEFIELD—Farmers and ranchers may learn from the most authoritative sources how legally to obtain and use Mexican national workers under the 1952 U. S. - Mexico labor agreement in a meeting to be held in the High School Auditorium here Tuesday, August 5, beginning at 1:30 p.m. All interested persons are invited.

More than 100,000 Mexican nationals will be needed to harvest this year's crops in West Texas, it is estimated by the West Texas Chamber of Commerce, a sponsor of this and six other similar conferences this month.

Other sponsors are the Littlefield Chamber of Commerce, the Texas Cotton Ginners Association, the Trans-Pecos Cotton Association, and the El Paso Valley Cotton Association.

Following their remarks, the speakers will join a panel to answer questions from the audience.

W. O. Fortenberry of New Deal, a director-at-large of the West Texas Chamber of Commerce, will preside. He is a former president of both the state and national associations of cotton ginners.

# Labor-Saving Practice Needed in Agriculture

COLLEGE STATION—Serious drought conditions have both a short and long time effect upon agriculture. The immediate result is limited crop and livestock production while the long time effect may result in shifts of farm population and agricultural production.

During years of poor production, says C. H. Bates, farm management specialist for the Texas Agricultural Extension Service, farm operators cannot keep their normal quota of labor and too, tenant families may decide to leave the farm to seek employment in industrial centers. Farm owners may be forced to seek employment off the farm in order to meet current expenses. The long time effect of crop failure is likely to be speeding up of the urban centers, says the specialist.

This is happening while the total population of the nation climbs about 7,000 persons a day. Thus the demand for food and fiber climbs with the increase in population and at the same time, fewer families are left on the farms and ranches of the nation to produce these needed demands. Bates says more machinery and labor saving practices must be used by operators to offset the declining farm labor force. This condition requires that farm operators more carefully plan their operations in order to get the maximum returns from their own hired labor.

To make each hour count and become more productive, Bates suggests that machinery and equipment be provided that is suited to the operations of the farm; that personnel be fully trained in handling and maintaining machinery before they are permitted to use it; that safety devices be installed on machinery; that regular checks be made to see that machinery and equipment is being properly maintained and handled and don't delay making repairs.

And finally, says the specialist, good labor relations can be a big help in maintaining or even increasing farm production. Try to keep families happy and interested in their work. This can be done by working with community leaders in planning for the social and recreational needs of the families.

## 575,000 4-H'ers Get Training to Cut Farm Accident Toll

Farm safety surveys made by 4-H'ers show that matches within reach of small children and stairways littered with toys, jars and other articles were much in evidence as fire and accident hazards in rural homes.

Chicago—(Special)—More than 575,000 4-H Club boys and girls throughout the nation are receiving training in farm accident and fire prevention this year. The outstanding feature of this training in the National 4-H Farm and Home Safety program is to check and remove from farms and homes any conditions likely to cause fire, accidents or injuries.

These 4-H surveys are acclaimed a valuable contribution to the nation-wide campaign to reduce the annual toll of 15,000 farm people dying and 1,300,000 being injured as a result of rural accidents each year.

Here is a report, made by a 4-H girl on behalf of her local club, after making a safety survey of every home in the community: "In all homes having stairways that we visited, the stairs were full of toys, jars, tools and other articles," she stated. "In many homes people used kerosene to build fires. They also had oily cloths and papers stored close to the stove and flue. Matches and unlabeled bottles of poisonous

liquids were within reach of small children.

"On several farms visited, boards with rusty nails pointing upward were much in evidence. In our local schoolhouse, the ceiling plaster in the classroom was loose. If it fell it would cause severe injuries to the pupils.

"After we had made our survey, we called a community meeting. Attention was called to the hazards we had found. Immediately following the meeting everyone present began work necessary to make our community a safe one. Every hazard we had found was corrected."

Medals of honor are presented to five county winners having the best 4-H records in safety work, and a trip to the National 4-H Club Congress in Chicago is awarded to the State champion. Eight of the latter will be selected as national winners, who will each receive a \$300 college scholarship. Awards are provided by General Motors for the eighth consecutive year. The program is conducted under the direction of the Co-operative Extension Service.

Encourage the families to grow a garden and help them with milk and meat production so they may reduce their grocery bills and improve their diets. They shouldn't be expected to live in run-down houses nor to raise their families under conditions that do not permit them to have a decent standard of living.

Healthy and contented laborers are much better workers than those hampered by poor diets and disgruntled attitudes, says Bates.

# THANKS, FOLKS

I am deeply grateful for your support at the polls last Saturday when you elected me to the office of County Judge. To those who did not see fit to vote for me, I hold no ill will, and count each of you as my friend.

After I take office, I expect to handle the affairs of this county in a business way. Will guard the taxpayers' money which is handled by the Commissioners Court in an ECONOMICAL MANNER as far as possible. It will be my aim to work wholeheartedly with the members of the Commissioners Court whoever they might be.

I will work with our law enforcement officers at all times in seeing that the laws of this state are executed according to our statutes.

Again, I want to thank everybody. I shall do my best to repay you for your confidence in me by making you a good and fair County Judge.

### Safety Group Urges Auto Inspection Before Starting on Vacation Trips

Age of wonder drugs—penicillin, streptomycin, sulpha—overshadowed the oldest and one of the best remedies for the ills—rest.

Texas Safety Association like to see restful vacations summer, instead of the usual rush to see who can drive fastest and play roughest and play roughest.

Restful vacation is more important than a safe vacation," said Morris, Jr., a Houston lawyer and President of the Association.

"And the statistics of summer accidents certainly should make all of us think about safety."

A motor vehicle accident is the most likely mishap to spoil vacation rest and fun, but many of them could be avoided with a little advance planning, Mr. Morris said. He emphasized the importance of a thorough safety inspection of the car before starting a motor trip.

"Texans now have the opportunity to take advantage of their new motor vehicle inspection system which offers a uniform safety check at convenient locations throughout the state," he said. "What better time to get that inspection than just before the summer holidays? At the same time, you are freeing your mind of worries over the mechanical performance of the car and taking out an insurance policy on the safety of your family and yourself."

The inspection stations will pay particular attention to the following check points:

Brakes—Must stop car in 30 feet from 20 m.p.h. and take hold evenly on all wheels.

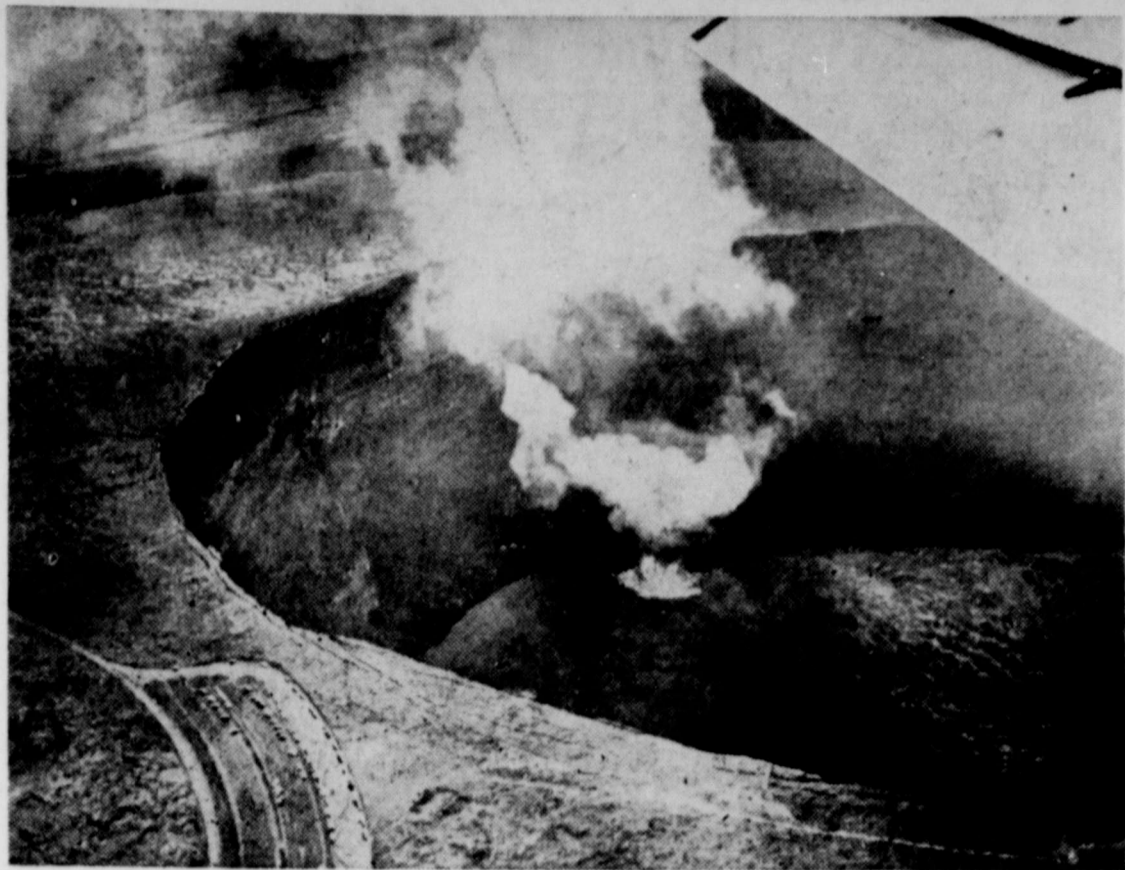

Lights—headlights at level to give maximum illumination with minimum glare. All lights clean and operating.

Tires—rubber should be worn evenly. No cuts or breaks in fabric.

Steering and wheel alignment—uneven tire wear and excessive play in steering wheel are warnings for mechanical correction.

Exhaust and muffler—tight and free from rust holes or leaks.

Windshield wipers—good operation is necessary to visibility.

LOOKING DOWN VOLCANO'S THROAT . . . This photo taken from a plane affords a bird's eye view of the bubbling crater of Halemanuan volcano in Hawaii which recently became active. Size can be realized by comparing with autos parked in left foreground.

### VET PROBLEMS AND ANSWERS

Q—I'm an honorably discharged World War II veteran interested in getting a GI business loan to open a neighborhood bakery. What are the down payment requirements?

A—GI business loans are not subject to Federal credit restrictions. You and your local lender will have to work out between you the amount and terms of the loan he will make you.

Q—I just received a dividend credit notice from VA notifying me that my NSLI 1952 dividend is being placed on deposit to my credit. What will happen to that money?

A—The law requires that such dividends be used to pay premiums which are due and not otherwise paid. Should the dividends not be required for this purpose, you may instruct VA to pay the money to you in cash or to use it to prepay future premiums. Or it may be left with VA where it will draw interest.

Q—I have just been discharged from the Army after a year in Korea. A leg wound I received while on patrol is beginning to give me trouble. Will the VA give me outright treatment?

A—Yes, post-Korea veterans who need outpatient treatment for service-connected disabilities may receive needed treatment from VA. In many instances, a prima-facie finding of service-connection is granted post-Korean veterans for the purposes of outpatient treatment pending determination as to whether disabilities are service-connected. Apply for outpatient treatment at your nearest VA office.

### Memphis Sailor Returns to Base From Far East

W. M. Kilpatrick, machinist's mate second class, husband of Mrs. Pauline Kilpatrick of 1022 1/2 W. Main St., returned recently to the United States aboard the USS Montague, a cargo ship of the Pacific Fleet Amphibious Force. The Montague has been operating in the Far East nine months.

The Montague left the West Coast in October of 1951 and proceeded to the Far East via the Philippine Islands. During the Far Eastern tour, the ship participated in amphibious training exercises in Japan and Okinawa and supported United Nations fighting forces in Korea. Included in her ports of call was the British Crown Colony of Hong Kong.

The nine-month assignment was the Montague's second tour of duty in the combat zone since the outbreak of hostilities in Korea. His wife said this week that

Kilpatrick expected to get a leave to come home some time next month.

Radar Technician Major Lee McCanne spent the week end in the Oran Adeock home. Other visitors Sunday were Mr. and Mrs. Raymond Adeock and children of Wichita Falls, Mr. and Mrs. Kenneth Hawkins and son of Parnell.

Mr. and Mrs. Phateon Alexander, to come home some time next month.

In All Sincerity, I Say . . .

**Thank You-**

I certainly appreciate the confidence you placed in me when you elected me as your next County Commissioner. After I take office, I shall repay you in the only way I know how: BY STAYING ON THE JOB and watching the expenditure of the taxpayers' money which is handled by the court.

Editorial

A Question of Relativity

A short time ago the Senate Committee reported that "the average manufacturing employee today can buy as much round steak and 29 per cent more pork chops with an hour's wages than was possible in 1947-48. It also said, "Today the average worker in manufacturing can buy more of all the important foods at retail prices with an hour's labor than in any earlier peacetime period such as 1947-48, 1935-39 or 1925-29.

"Press reports have given people an impression that farmers increased their incomes in recent years at the expense of urban consumers. The facts do not support this popular impression."

Since that was released, the wholesale prices of many classes and grades of livestock and meat have declined, and consumers have been finding more attractive buys. This, as the American Meat Institute pointed out, is the result of the operation of the law of supply and demand—production of beef by the packers, for example, has been running well ahead of last year.

Here is the answer to those who believe that meat prices are out of all reason. The fact is that the average family's income has increased a trifle more than prices have increased. So it can buy as much or more meat for a given percentage of its household budget than it could in past times.

This is borne out by Department of Agriculture figures which show that meat accounted for six per cent of the average consumer's disposable income during the 1930-39 period and five-and-one-half per cent during the 1948-51 period. The only sound way to evaluate the price of any article is in the light of the amount of money we bring home each payday.

Thanks To the Voters

I wish to express to the people of Hall County my sincere thanks and appreciation for the splendid vote you gave me last Saturday. I will work hard and earnestly in cooperation with the people and all Local and State officials so that I may render to the people of this county the best service as your County Attorney of which I am capable. Press Paragraphs—
QUOTING OUR NEIGHBORS

"Never Had it So Good"
We attended a meeting of the Panhandle Press Association directors at the Amarillo Air Force Base Saturday and we can report that the World War II veteran's advice to new inductees won't be of much current value. Times have changed, and they tell us the emphasis is on "individuality" in the new Army. At the Amarillo base, the men live in apartments, not barracks, and these little apartments are quite cozy.

They don't have any reveille, no dawn calisthenics, no drill and the servicemen leave the base in civilian clothes. They do have a review each Saturday morning to kinda keep the boys in shape, but they dismiss at noon Saturday. Of course this a technical school, run more like a college, and we can see that the training the boys get should prove quite valuable. It looks like a pretty good deal. However, we were not impressed with the comforts of service life to the extent that we have any desire to "re-up," we must admit. —Harold Hudson in the Ochiltree Herald, Perryton.

Diversified Farming
A one-crop economy is a shaky economy. It not only leaves a big gap in the year in which the circulation of money is restricted to a tiny trickle, felt by all in the trade area but it works an equal hardship on the land which produces the crop.

Past history of agricultural regions shows plainly what happens when the land is devoted to the same crops year after year. Most crops like cotton, drain vital nutrients from the soil, replacing none of the essentials for future plant growth. Each season finds more and more farmers resorting to fertilization after a period of years, for the land is "worn out." Worn out land is not a common thing in Lamb county. Yet, it has become a common thing in many counties in the growing belt of the United States where similar farm practices have been prolonged.

The ill-famed dust bowls of the depression years are attributed to the lack of farming practices that would have replenished the worn out soil. Planting crops that replenish the soil and restore to the soil elements such as nitrogen and minerals not only help the soil on a farm but they serve the dual purpose of adding to the ready money the farmer will have available before the regular crop harvesting.

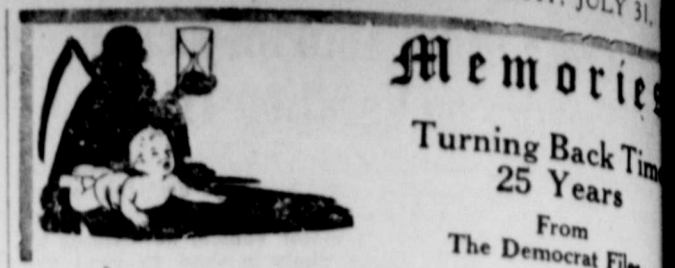

It is true beyond a doubt that Lamb county cannot expect the raising of vegetables to be undertaken on a very large scale until packing and shipping facilities are available at a convenient place for those vegetables that require packing. (Continued on page 7)

She is leader of Girl Scout Troop No. 1, holds the office of Electa in the Memphis chapter of the Order of the Eastern Star, was elected a first vice-president of the Delphian Club in January, and is a member of the Business and Professional Womens Club and Church of Christ.

Among her hobbies are leatherwork, knitting and writing poetry. She makes all sorts of leather goods including hand-bags, book covers and billfolds.

### Double Duty

This lounge coat in gray cotton covert trimmed with black and white striped corduroy is one of the double duty fall fashions featured in the Woman's Home Companion. Wear it over slacks or pajamas, or as a dress.

If poet is judged by poems published, then Vena is perhaps one of the outstanding poetesses in this area. She has had her poems published in 15 national anthologies. Also she has had her lyrics published by Sammy Kaye's "Sunday Serenade of Poetry." Some of the latter have been read by the band leader on his radio show.

She is a member of Who's Who In American Poetry, Poetry Society of Texas, and the Eugene Field Society.

Besides the fine quality of clothes carried by Vena's, the store also has a reputation for friendly service to customers. Helping Vena in the sales department is Mrs. Irma Hale who began her duties with the store when Vena's opened last year and has a total of nine years' experience in department store selling.

Mrs. Hale was born at Gainesville, but moved to Estelline with her family when she was still small. She was married to Perry Hale in Childress. He is now with

the State Highway Department. They have three daughters, Shirley Ann, 20, is employed in the credit department in Wolf and Clar department store in Fort Worth. Rita Jo, 18, will be a senior in Memphis High School next year. The youngest girl, Linda Donita, is four years old.

Mrs. Hale is a Past Worthy Matron in the local chapter of the Order of the Eastern Star, a member of the local Rebekah lodge and the Baptist Church.

Mrs. Hale says her hobby is making friends.

Certain crops like cabbage do not require packing facilities, but vegetable crops such as tomatoes, onions, beans and similar quickly perishable crops must have readily accessible packing centers to speed them to market at the peak of their flavor and weight.

It's sort of a fifty-fifty proposition. The sheds for packing and shipping depend on the vegetables

## BIG BANG for the Bored Car Owner

Have you ever driven a Buick? You know how it feels to touch off its most powerful engine you'll find in its class of its pounds and price? You know that it almost steers itself through its course like an airliner on the road—even comes back on course after making a turn? You know that there's silken magic in its Dynaflow Drive? You know how many miles it can travel on a gallon of gas? You know that it has a Million Uses for its Ride?

Mister, if you haven't found out such things, you're missing a lot of fun every mile you drive.

You're missing the fun of bossing around a big hoodful of high-compression, valve-in-head Fireball 8 Engine.

You're missing the fun—and comfort—of riding on four big, soft, easy-acting coil springs.

You're missing the fun of feeling daisy-fresh with half-a-thousand thrilling miles behind you.

You're missing, in short, the fun of owning a Buick.

And it's nobody's fault but yours because—at the prices we're asking for this beauty—you can afford a Buick if you can afford any new car.

How about checking up on what you've been missing?

**HOUSE JOINT RESOLUTION NO. 20. proposing an Amendment to Article III of the Constitution of the State of Texas by adding a new section thereto to be known as Section 61 to authorize cities, towns, and villages of this State to provide insurance for employees; providing for the submission of the proposed Amendment to the qualified electorate; and providing proclamation and publication by the Governor.**

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new section thereto to be known as Section 61 to read as follows:

"Sec. 61. The Legislature shall have the power to enact laws to enable cities, towns, and villages of this State to provide Workmen's Compensation Insurance, including the right to provide their own insurance risk for all employees; and the Legislature shall provide suitable laws for the administration of such insurance in the said municipalities and for payment of the costs, charges, and premiums on policies of insurance and the benefits to be paid thereunder."

Sec. 2 The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at the General Election to be held on the first Tuesday after the first Monday in November, 1952, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns, and villages"; and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns and villages."

Each voter shall mark out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

**NO. 38 providing an amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 50a, providing for the establishment of a State Medical Education Board and a State Medical Scholarship Fund from which grants, loans or scholarships may be made to students desiring to study medicine;**

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Article III of the Constitution of the State of Texas be amended thereto a new Section to be known as Section 50a which shall read as follows:

"Sec. 50a. The Legislature shall create a State Medical Education Board to be composed of not more than six (6) members whose qualifications, duties and terms of office shall be prescribed by law. The Legislature shall also establish a State Medical Education Fund and make adequate appropriations thereof to be used by the State Medical Education Board to provide grants, loans or scholarships to students desiring to study medicine and agreeing to practice in the rural areas of this State upon such terms and conditions as shall be prescribed by law. The term "rural areas" as used in this Section shall be defined by law."

Sec. 2 The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, A. D. 1952, at which all ballots shall have printed thereon (or in counties using voting machines the machines shall provide for) the following:

"FOR the Constitutional Amendment providing for the establishment of a State Education Fund from grants, loans or scholarships may be made to students desiring to study medicine."

AGAINST the Constitutional

Amendment providing for the establishment of a state Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine.

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of proper appropriation made by law.

### LETTERS FROM READERS

260 Teeleer Ave.  
Grand Junction, Colo.  
July 26, 1952

To The Memphis Democrat and to our many friends in Hall County.

We would like to tell you how very much we enjoy our weekly visit with each and every one of you through our beloved "Home Town" paper, The Memphis Democrat.

Having lived more than thirty-five years in Memphis, and having reared our children there, it will always be "Home" to us.

Grand Junction, Colo., is a beautiful and friendly little city of 20 or 30 thousand with lovely people, and located on the western slope of the Rocky Mountains. The climate is ideal and as most of you know the finest fruit in the world is grown here, irrigated from the snow water of the mighty Colorado River.

There are many well known vacation places close by and very often on Sundays we drive to one or more of these places.

We are happy in our work and home here, but love our dear "Old Memphis" and it is indeed a pleasure to read about you folks there in The Democrat.

Enclosed is a renewal of our subscription to The Democrat.

Looking forward to seeing your name in the paper. We are always your friends,

Q. E. and Katie Posey
