A. Neeley Gathers First Bale Of Cotton

Reported bale of cotton from the 1952 crop was ginned Monday night in Memphis. The bale belonged to Neeley of Memphis and was at Farmers Union Co-op.

come of the 1952 cotton crop "would be like a shot in the dark." Too many factors, he added, have to be taken into consideration. Rain will save most of the cotton, but there are spots of cotton on tight land that are beyond help, Hooser said. He said that the cotton picture in the county was spotty, with no particular section much better or worse than the rest. He said that good rains in some sections were offset by the accompanying hail that destroyed strips of cotton.

Branigan Jewelry Store Features Dependable Watchmaking Service

Dependable watch-repairing is featured at Branigan Jewelry, 612 Noel St. All watches are checked by a complex fault-finding machine known as the Watchmaster.

Watches are placed on the mechanism which is similar to the cardiograph used by physicians to check the heart beat. Each tick is registered on a graph. By reading the graph an experienced watchmaker can learn how many seconds a time-piece gains or loses in a day and whether or not every part of the watch is working perfectly.

Branigan Jewelry, owned and operated by Elmont Branigan, obtained the Watchmaster when the store got the Hamilton watch dealership. Hamilton requires that a retailer stock complete Hamilton parts and have a Watchmaster before letting a dealership.

Among other fine watches carried by Branigan are Elgin, Bulova, Longines and Gotham.

The store is retailer for Keepsake diamonds and J. R. Woods wedding bands. Also in stock are a complete line of costume jewelry, ear rings, cuff links, tie clasps, billfolds and watchbands.

Crystalware, chinaware and silverware are also sold by Branigan's. The crystalware is by Glensyracuse chinaware, and International and Heirloom silverware. The silverware comes in 16 patterns.

Elmont Branigan came to Memphis in February of 1945 from Weatherford, Oklahoma. He finished a course in horology at the Southwestern State Teachers College there in 1944. He worked as a watchmaker in Weatherford until he moved here.

Branigan was born in Hollis, Okla., May 12, 1923. He finished high school there in 1939 and was in the farming and livestock trading business until he entered Southwestern in 1943.

Branigan worked for Dr. Chas. Oren when he first came here. He bought out the jewelry store in 1946. Since then he has added many new lines of merchandise.

He was married to the former Florita Smith of Hitchcock, Okla., in 1944. They have two children, Mike, 5, and Elmonette, 4.

Branigan belongs to the Lions Club and the Booster Club. He is a 2-year director and chairman

BUICK'S POWER STEERING? It's the big NEWS of the year

THERE is a host of things that endear a ROADMASTER to anyone who loves to drive. There's the might of its Fireball 8 Engine - most powerful ever put in a Buick. There's the thrift of its Airpower carburetor - a four-barrel automatic that literally brings increased power right out of thin air. There's its hushed and luxurious silence - its poised and level ride that cost a million dollars to develop - and the infinite smoothness of its Dynaflo Drive. But the thing that has brought the most cheers for this big and obedient beauty is Buick's version of Power Steering.* Gone is the tug of turning, parking, maneuvering in small space. Power Steering takes over the effort of turning the front wheels - makes it a one-hand operation. Do you have to learn to drive all over again if you have this new Buick feature?

You definitely do not. On the open road, you have that same sure sense of command that you've always had. Coming out of a curve, you can loosen your grip, and the front wheels right themselves just as they do on every Buick.

But you'll notice this: When you suddenly hit loose dirt or sand - or a stretch of rough road - Power Steering smoothly goes into action - helps take up the jerk - makes control of the wheel easier and driving safer.

Wouldn't you like to try out this newest wonder - on a ROADMASTER or a SUPER? You say the word, and we'll do the rest.

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on Roadmaster and Super only.

REPORT FROM WASHINGTON

Congressman, 18th District
By Walter Rogers

Mrs. C. E. Gowan Elected President Of Truth Seekers

Election of officers was featured when the Truth Seekers Class of the First Methodist Church met August 13 in the home of Mrs. O. E. Gowan as assistant hostess.

Mrs. C. E. Hankins, president, conducted the business session at which time the following officers

were elected: Mrs. C. E. Gowan, president; Mrs. J. W. Burks, vice president; Mrs. A. B. Jones secretary and treasurer; Mrs. L. G. Yarbrough, assistant secretary and treasurer; Mrs. J. M. Baker, church; Mrs. Anna Kercherville, and Mrs. Pearl Massey, assistant teachers.

Also during the business session members voted to send a box to the mission in San Antonio.

After an interesting program

was presented, refreshments were served to the following members: Mrs. Pearl Massey, A. B. Jones, Sam Bradley, J. W. Burks, C. E. Hankins, Anna Kercherville, Henry McCann, J. R. Cannon, E. S. West, two guests, Mrs. J. B. Wrenn and Mrs. S. O. Greene and the hostesses, Mrs. Gowan and Dorothy.

George Washington's first employer was Lord Fairfax, whose lands he surveyed.

Wright To Manage Clarendon Bank

The First National Bank of Clarendon, one of the oldest in the state, has been purchased by the F & M Trust Company of Childress, it was announced last week by J. M. Crews.

Don Wright of Memphis former manager of a credit company here

who has been connected with First National Bank of Childress for several months, will manage the Clarendon Bank temporarily until the new management is installed.

Mrs. Queenie Davis and Carrie Hedgepeth visited last week end with Mrs. Anna Dixon. They left Monday for Colorado.

This is the first newsletter that has been written in several weeks for the reason that I have been visiting in the district, as many of you know. I am sorry that I wasn't able to remain in the District longer, but was forced to return to Washington in order to appear in behalf of several constituents before some bureaus. Shortly after coming to Washington I discovered that a personal appearance before these bureaus on behalf of veterans and other persons whose rights were involved was much more effective than letter writing. The drift toward assembly line treatment of many of these problems was alarming to me.

A great number of these people whose daily lives and businesses could be materially affected by these bureau directives do not have the finances to make a personal appearance or to employ counsel to represent them. It is my thought that if enough appearances are made before these boards and bureaus on behalf of these unfortunate people by the elected representatives, much good can be accomplished toward proper treatment of the matters.

During the last session of Congress the Veterans Affairs Committee, of which I am a member, had before it a bill providing claims of veterans could be appealed from decisions of the Veterans Administration to the courts. This was known as the "Judicial Review Bill." I was on a subcommittee that held hearings on this bill, and I state to you frankly that I had hoped it would pass. It did not reach the floor of the House before adjournment, therefore it must be taken up at a special session or refiled after January 3, 1953. It is my intention to see that such a bill is refiled so that these veterans may have access to the courts where they can make a personal appearance and be viewed as a human being rather than another file number.

The trip to the district was most enjoyable and I hope to return for another visit as soon as the backlog of work in the office has been disposed of. There were many places that I wanted to go but could not because of the limited amount of time. Two of the most impressive sights that I

viewed during the trip were at Stinnett and Dumas. The one at Stinnett was the grand improvements that have been made there. Sometimes as you watch these improvements progress they do not appear as outstanding as they do to one who has been away from the town while they were being made. This work at Stinnett has certainly done wonders for the town and the citizenship there are to be highly commended for the fine progress that they have been making.

The other matter to which I refer is the new hotel Sneed at Dumas, Texas. I had the honor and pleasure of attending the opening ceremonies when the hotel was officially opened. I heard a wonderful talk by Mr. Harold Dunn, and wish his talk could have been heard by all of the people in that section of the country. In fact it would have helped for it to have been heard by every American. Bill Rutherford did a wonderful job of introducing Harold, as he usually does. Jess Cooper and Ivan Boxwell played important parts in this ceremony, as did Bill Smith, all fine citizens of the Dumas and Moore County community.

One of the most impressive things about the hotel is the fact that it was built without aid from Washington. The people of the Dumas community can be justly proud of their accomplishment and the great contribution that they have made to the Panhandle, not only in the erection of a fine building, but in proving that progress can be made by a local community without the help of the federal government.

Everything in Washington is quiet at the present, but as most of you know, it could well be termed "the calm before the storm." Should the President call a special session, the pot will be short-lived because there are many things to be done by the 83rd Congress.

Mrs. Josephine Tyler left Thursday after a six-day visit with her aunt, Mrs. Anna Dixon. They spent the last Saturday on the Plains in Tullia, Plainview and Lubbock.

VALLANCE'S RECIPE OF THE WEEK
By Mary Lee Taylor

Tuna Stuffed Tomatoes

4 large, fresh tomatoes
1 1/2 teaspoons salt
1/2 teaspoon pepper
1/2 teaspoon dry mustard
2 tablespoons vinegar
1/2 cup Fat Milk

3/4 cup canned tuna, flaked
2/3 cup sliced celery
2 sliced, hard-boiled eggs
1/2 cup finely cut pickle
4 lettuce leaves

Turn blossom end of tomatoes down and cut almost through in 6 sections. Sprinkle insides with 1/2 teasp. salt. Chill. Put 1/4 teasp. salt, pepper, mustard, vinegar and milk into jar. Cover and shake well. Add dressing to mixture of tuna, celery, eggs and pickle. Chill at least 1 hour. Keep chilled until ready to serve. At serving time, put a lettuce leaf on each of 4 salad plates. Place a tomato on each leaf. Fill with equal parts of salad mixture.

GOOD HEALTH

1. IS RELAXATION IMPORTANT?

2. WHAT IS BRAILLE?

3. SHOULD SNEEZES BE SUPPRESSED?

Answer to Question No. 1:
The ability to relax is very important and gives promise of a longer, healthier life. Most recreation is as strenuous as our work and should be sensibly regulated. A person's mental attitude greatly affects his ability to get the most out of his periods of relaxation. At these times he should cast his worries aside. Otherwise, sleep will be disturbed and recreation fruitless.

Answer to Question No. 2:
It is a system of printing for the blind which uses combinations of tangible points or impressions representing letters and numbers.

Answer to Question No. 3:
The best thing to do with an on-coming sneeze is to sneeze—into your handkerchief of course. It is better to sneeze normally through the mouth which is better equipped than the sinuses and ears to take the blast. Suppression of sneezes may lead to considerable damage to the ears.

The Memphians took a ferry steamer from Victoria to Port Angeles, Wash., where they called upon the Leonard Doss family, former Memphis residents. They journeyed south from there thru the great lumbering region to Aberdeen, Wash., Astoria, Ore., and on to San Francisco and Los Angeles. At Beverly Hills they attended the lovely church wedding of William Fore, son of Mr. and Mrs. Frank Fore and grand-son of W. W. Clower, former Memphis residents. They met many former Memphians at the reception following the ceremony.

On the return trip, they came by Palm Springs, Calif., a renowned winter resort, Prescott, Ariz., the Grand Canyon and the Painted Desert.

Except for three or four hours through the desert they report cool temperatures throughout their vacation. They said they were glad to be home once again, despite the warm weather here.

Methodist MSCS Meets For Study In Hamilton Home

The WSCS of the Methodist Church met August 18 at 4 p.m. in the home of Mrs. Lloyd Hamilton.

Mrs. N. A. Hightower offered the opening prayer and then the business session was conducted by Mrs. O. M. Gunstream, president. Interesting reports were given by officers. Announcement was made that 10 members from the local society attended a district seminar in Childress last Thursday. The Memphis society had the largest delegation present. Mrs. R. C. Lemons gave a most interesting report on the meeting.

Mrs. Rufus Grisham brought the afternoon's devotional. Mrs. Lee Brown was program leader and the theme of the program was "Partners in Obedience."

Mrs. Brown discussed "The History and Beginning of World Federation of Methodist Women," and Mrs. Mac Tarver talked on "Church Current Events."

Mrs. W. H. Monzingo gave a paper on "Future Possibilities of the Federation," and Mrs. W. D. Young concluded the program with a discussion on "The Listeners."

The Lord's prayer was offered in unison as the benediction. Iced punch and cookies were served by the hostesses to 23 members.

Class Enjoys Ice Cream Supper

Members of the Truth Seekers Class of the First Methodist Church and several invited guests enjoyed an ice cream supper at the City Park on Tuesday evening, Aug. 19.

Guests present for this affair were Mrs. Hester Bownds, Mrs. Ola Mae Ward and Jane, Dorothy Gowen, Mrs. Taylor, Mrs. Ella Mae Shankle and Jim of Childress and Mrs. Lou Wilkins of Washington.

Members present included Mrs. C. E. Hankins, Mrs. J. R. Cannon, Mrs. Henry McCanne, Mrs. Pearl Massey, Mrs. J. M. Baker, Mrs. Sam Bradley, Mrs. E. S. West, Mrs. C. W. Broome, Mrs. J. W. Burks, Mrs. C. Gerlach, Mrs. Ella Johnson, Mrs. C. E. Gowen, Mrs. A. B. Jones, and Mrs. Anna Kercherville.

WHO'S EQUAL?

Within the past three or four decades women in most parts of the world have made great strides toward equality with men. In most of the civilized Western countries the fairer sex has gained the right to vote; many Moslem women no longer are required to veil their faces; the custom of purdah (seclusion of the womenfolk) has lost ground in India; and the inroads of Western civilization in the Orient have resulted in unprecedented freedom for Chinese and Japanese women.

It is understandable why women are so concerned over safe-guarding these attainments; it was only a short time ago that they were regarded as inferior beings, even in our most enlightened nations.

Only four countries, Australia, Finland, New Zealand and Norway, allowed women's suffrage before World War I. The United States granted women full suffrage in 1920. Britain not until 1928, France and Italy not until the end of World War II. More nations have swung into line since then.

Women in this country are gaining ground all the time in politics, business and nearly all phases of our socio-economic life. Their part in the recent national political conventions, especially the Democratic, proves this.

Many of our women leaders, both on the local and national level, are campaigning for full equality in every phase of human endeavor. This is not an unexpected phenomenon. With the frontiers conquered, women are not called upon to battle the world side-by-side with their husbands. Their cry for full equality fulfills an urge to do something constructive in a man's world-like their pioneer mothers and grandmothers did.

Also, the march of science and the resulting maze of electrical gadgets has liberated the women from much of the household drudgery. The ones who were lucky enough to marry hard-working husbands have only shopping worries and baby-sitting problems. Inevitably, they join clubs where they participate in solemn rituals and draw up profound resolutions on everything from Communism to forest conservation.

When the women call for equal rights with men, they probably mean full recognition. For the phrase, "equal rights," carries with it the connotation of equal responsibility. Surely the women do not fight for the right to shoulder a gun in time of war, or dig coal in the dirty, dangerous mines, and, in general, share the responsibility of making a living.

There are those who say that men should be the ones to ask for equality. After all, they slave their lives away—driven ever onward by the satisfaction of providing for and protecting their mates. They worry and fret and pick up ulcers and think nothing of the early grave they are digging for themselves—as long as they can play the role of the provider and protector.

So, girl, you probably don't want equality after all. There is a saying in the army that would fit your situation: you never had it so good! So go back to your shopping chores.

BOTH IN THE SAME STREAM

learn to make the most of the baby-sitting problems, and attend your club meetings where you have plenty of time to draw up resolutions and talk of many things, of shoes and ships and sealing wax and cabbages and kings.

Press Paragraphs—

QUOTING OUR NEIGHBORS

Farm Dinners and American Tradition

The annual summer series of farm dinners is drawing to a close with one more scheduled before school starts.

The farm dinners are a hold-over in tradition from the days when people knew what the word neighbor really meant. Those days of log-rollings, barn raisings, quilting bees and box suppers.

When men of widely divergent interests can meet for a while on common ground and discuss their mutual problems then it can be thought that perhaps problems of much larger scope might conceivably be solved the same way.

Car Inspection

September 6 is the deadline for safety inspection of automobiles and other vehicles that operate on the highway. While it is true that most of the accidents on the highways can be attributed to carelessness and especially to high speed, a form of carelessness, the fact remains that an owner of an automotive vehicle should not intentionally have it in the traffic and on the highway unless it is in reasonably safe operating condition.

But when we stepped into the big cattle barn there, a wave of cool air hit us, and investigation revealed a huge air conditioner billowing waves of cool air across the backs of the sleek black Angus cattle, and we were munching hay with an aloof attitude befitting the aristocrats they are. We never knew cattle had it so good.

Aristocrats

We were out taking pictures the other day for the fair edition of the Herald and went with county agent Delbert Timmons to the Percy Powers farm for some pictures of registered Angus cattle. The day was hot, around 100 degrees, and we were heading out with sweat when we arrived at the Powers farm.

Brusing, crippling and death of livestock, starting on the farms and continuing all the way to markets, wastes 70 million pounds of meat every year—a national loss of more than \$50 million. Handling livestock with care, using only proper equipment and following time-tested rules developed by experience will greatly reduce these losses.

Black Gold

Several counties of southwest Texas have become wealthy with the recent discovery of black gold. One or more do not possess a single furrow of tilled soil. Starting cities wrapped in plush and splendor have sprung from the avenues of sheetiron shanties staked in rolling plains of shifting sands. These communities, smug in their wealth which tireless pumps lift from vaults deep in the earth, are like sterile mistresses of commerce.

Across the oil fields miles of flares lick the skies and leave the glow of a stubborn dawn. Precious fuel is destroyed which

Harrison Home Is Scene For Lovely Tea-Shower Honoring Mrs. R. Clark

The spacious home of Mrs. Carl Harrison, 704 South Eighth, was the scene Friday for a lovely tea-shower given to honor Mrs. Robert Clark, recent bride.

Guests, arriving between the hours of 5:30 and 7:30 o'clock, were greeted by the hostess, the honoree, and the groom's mother, Mrs. Ernest R. Clark.

Miss Pat Combs presided at the register to secure signatures of the guests.

The entertaining rooms were decorated with a profusion of garden flowers. The dining table was laid with a lovely cut-work linen cloth and centered with an arrangement of verbeas. Miss Dorothy Hutcherson presided at the crystal punch service.

Misses Patsy Sue Hays and Laura Mai Hightower played appropriate piano selections throughout the party hours.

A lovely array of gifts includ-

ing china, crystal, pottery, silver and linens were on display in one room of the party suite.

Assisting Mrs. Harrison with hostess duties were the following: Mes. Wendell Harrison, Robert Moss, Henry Foster, Roy Patton, Nat Bradley, George Cullin, Ward Gurley, Hester Bownds, Barney Burnett, Ida Hutcherson, Wayne Hutcherson, Coy Beckham, Lloyd Phillips, D. A. Grundy, Jeanette Irons, Roy Bremer, R. L. Madden, Herschel Combs, Homer Tribble, Clarence Morris, Joyce Webster, and Misses Sybil Gurley and Alma Bruce.

Fore-Stauffer Nuptials Are Read In Calif.

Of interest to friends here will be the recent wedding of William Frank Fore, son of Mr. and Mrs. Frank K. Fore of Los Angeles, Calif., former Memphis residents and among the early-day settlers of this county, to Miss Elizabeth Jean Stauffer, daughter of Mrs. Arthur D. Stauffer of Los Angeles.

Drs. Theodore Palmquist and James K. Stewart officiated at the ceremony in the Beverly Vista Community Church.

The bride was given in marriage by her uncle, William J. Stauffer. Her gown was an imported original model of candlelight satin fashioned with a fitted bodice and neckline edged with Alencon lace and seed pearls. The handsome Venetian lace veil she bought from Venice swept the length of the gown. Holding it in a headdress was a 200-year-old French crystal and pearl heirloom tiara.

Cotton lace was combined with white organdy over pink taffeta in the attendants' gowns and their custom-made Watteau bonnets were matching pink horsehair. Misses Gloria Jean Fetterman, Ann Stauffer and Betty Springmeyer and Mes. Willis Morrison and Donald Holman preceded the bride to the altar.

Peter Clower Jr. stood with Mr. Fore as his best man and groomsmen were Arthur D. Stauffer Jr., Leslie Liscom, Thomas Trotter, Edward Humel, Jr., James F. Nelson and Robert Strook.

Mr. and Mrs. R. S. Greene were among the out-of-town wedding guests.

The Ace Galley family returned first of the week from a vacation spent near Gunnison, Colo.

A WORD

TO THE PARENTS

OF SMALL BOYS AND GIRLS

Banking institutions are no longer the cold, formal place of business they were years ago. Today, modern banks are institutions where both young and old alike can build a financial background. They are places where small boys and girls can learn to SAVE . . . and, in later years, where they can borrow.

Naturally, this bank is interested in the welfare of the parents. And at the same time we are interested in the well-being of your children. Careful planning now—such as the starting of KIDDIE SAVING ACCOUNTS—can be of untold benefit to your children in the future.

Take advantage of the opportunity to SAVE. Help your sons and daughters off to a stable financial start by establishing their Savings Account today.

Constitutional Amendments

HOUSE JOINT RESOLUTION NO. 20, proposing an Amendment to Article III of the Constitution of the State of Texas by adding a section thereto to be known as Section 61 to authorize cities and villages of this State to provide insurance for employees providing for the submission

of the proposed Amendment to the qualified electorate; and providing proclamation and publication by the Governor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new section thereto to be known as Section 61 to read as follows:

"Sec. 61. The Legislature shall have the power to enact laws to enable cities, towns, and villages of this State to provide Workmen's Compensation Insurance, including the right to provide their own insurance risk for all employees; and the Legislature shall provide suitable laws for the administration of such insurance in the said municipalities and for payment of the costs, charges, and premiums on policies of insurance and the benefits to be paid thereunder."

Sec. 2 The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at the General Election to be held on the first Tuesday after the first Mon-

day in November, 1952, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns, and villages"; and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns and villages."

Each voter shall mark out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the

same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 38 providing an amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 50a, providing for the establishment of a State Medical Education Board and a State Medical Scholarship Fund from which grants, loans or scholarships may be made to students desiring to study medicine; providing that such students shall agree to practice in rural areas of this State; providing certain restrictions and limitations; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended thereto a new Section to be known as Section 50a which shall read as follows:

"Sec. 50a. The Legislature shall

create a State Medical Education Board to be composed of not more than six (6) members whose qualifications, duties and terms of office shall be prescribed by law. The Legislature shall also establish a State Medical Education Fund and make adequate appropriations thereof to be used by the State Medical Education Board to provide grants, loans or scholarships to students desiring to study medicine and agreeing to practice in the rural areas of this State, upon such terms and conditions as shall be prescribed by law. The term 'rural areas' as used in this Section shall be defined by law."

Sec. 2 The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, A. D. 1952, at which all ballots shall have printed thereon (or in counties using voting machines the machines shall provide for) the following:

"FOR the Constitutional Amendment providing for the establishment of a State Education Fund from grants, loans or scholarships may be made to students desiring to study medicine."

AGAINST the Constitutional Amendment providing for the establishment of a state Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine."

Each voter shall mark out one of said clauses on the ballot,

leaving the one expressing his vote on the amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of proper appropriation made by law.

You don't dare to run a home or a business without insurance. The risks of financial loss are too great.

Sensible people don't go a single day without adequate insurance of several kinds. They know that, otherwise, they may be suddenly ruined by a fire, storm, burglary, accident or a damage suit.

They buy insurance almost before they buy meat and potatoes.

And insurance probably does not cost as much as you think. Consult us today as to what it will cost you to protect you against most possible financial losses in your home or business.

Memphis Resident To Receive Degree From North Texas

Mrs. Sherry Nelle Walker Taylor of Memphis has made application for a degree from North Texas State College at the summer commencement exercises on August 22.

Five hundred and seventy-two bachelors and masters degree candidates have made application, according to President J. C. Matthews.

Mrs. Taylor, daughter of Mr. and Mrs. Bluford Walker of Memphis, has applied for the bachelor of music degree with a major in music education. She is a member of Delta Chi Delta, women's social sorority.

Memphis Defeats Canadian, 10-6

The Memphis Owls defeated Canadian, 10 to 6, in a baseball game last night at Estes Park.

Canadian got off to an early lead, but relinquished it in the fourth when Memphis batters found the range. Canadian made a desperate come-back try in the ninth inning, but fell short several runs.

Raymond Neeley went the route for the Owls. Young started for Canadian, but was relieved by Riley.

Last Friday night a strong Dickens team staged a rally in the last three innings to defeat the Owls, 14 to 10. The local team led, 8 to 2, going into the seventh inning.

Tonight the Owls will go to Childress to play Childress. Managers Claude Hickey and Ed Mathes said they hoped to match a game with Turkey to be played here next week.

testinal fortitude to be a farmer.

The other day after he had looked over his cotton and found it going to the bad, a farmer told some men in town that his cotton crop was already ginned, and no ginning fee was charged. "The ginner did it for free, but he didn't save the seed for me to plant a crop next year," he said.

One of the largest votes ever cast in a Memphis city election was that of Tuesday when the bond issues came up for disposal

by the voters. They said "Yes" to the paving bonds and "No" to the park improvement, or swimming pool bonds.

When people of America take as much interest in state and national government affairs as was shown by local people Tuesday, then a lot of useless spending and over-lapping bureaus, etc., which cause higher and higher taxes will be checked and the country put on a saner basis. And, this year more interest is being shown in the campaigns of state and nation than has been the case in many years. Let's keep it up, and the results will pay for the efforts made.

It will be a short ballot in Hall County's second primary election Saturday, since there are no county candidates to run off a contest. In the Turkey and Lakeview precincts, runoff precinct offices will attract a lot of votes.

Election officials have been instructed to telephone The Democrat Saturday night when they close the polls. So we will get the results early. We will not have a bulletin board like in the first primary, but will post the figures so those interested may look them over.

I wonder what citizens will line

up what street for paving first. I understand that lot owners on each side of the street for a few or several blocks, provided the paving links up with other paving, will be in line for the paving. It will likely be a few weeks before the bonds are printed, approved, and sold. When such is done, some paving work may be expected this fall. Line up your neighbors along your street, if you want paving done, and the sooner you get lined up the sooner you will be traveling on hard-surface instead of gravel or dirt. It has been a good many years since Memphis had paving work done.

This is one summer that will enter into weather conversations for years to come. People will refer to the summer of 1952 as the time when the 100-degree temperature was common instead of rare hot days for three months.

Usually, when one talks about certain kind of weather that is prevailing, he will bring up, "I remember when it was a lot colder, hotter, dryer, or wetter." So far I haven't heard anyone say, "It was a lot hotter longer the year of ??? than it is this year."

France was the first foreign nation to recognize the United States as an independent republic. That was in 1778.

Since the latter failed to get a majority in the July 26 primary, his name must remain on the ballot.

Election judges and polling places are the same as for the last primary. Polls will open at 8 a.m. and close at 7 p.m.

Great Britain recognized the independence of the United States by the Treaty of Paris, in January of 1783.

POLIO TREATMENT—Danny Rodriguez, 5, of Dallas, is one of hundreds of Texas youngsters stricken this summer by infantile paralysis. Danny is shown receiving muscle-loosening treatment in a \$5,900, stainless steel tub at Texas Scottish Rite Hospital for Crippled Children, at Dallas. The hospital is supported by donations from generous Texans and, since 1923, it has treated 2,500 young polio victims from all over the Lone Star State.

Softball Tournament

downed the Renegades, 12 to 2, the opener, and Estelline ran wild over the Cards, 23 to 2, in the nightcap. The Cubs from Estelline displayed tremendous power at the plate.

Tonight the Harrel Chapel team faces the Rebels in the first game and Lakeview tangles with the Renegades in the night cap. Tomorrow night Lakeview will play Estelline, and Harrel Chapel will take on the Cards.

An all-star game will be played Saturday. In that game players from Harrel Chapel, Estelline and the Rebels will oppose a team composed of stars from the Cardinals, Renegades and Lakeview teams.

Only one tournament game will

be played Sunday. The Renegades and Rebels will be pitted against each other in that one.

Next Tuesday, Aug. 26, the Renegades will play the Cards in the first game and Harrel Chapel will oppose Estelline in the second game. One week from tonight, Aug. 28, the Lakeview team will play the Rebels and the Renegades will meet Estelline.

The tournament will end Friday night, Aug. 29., and two games are slated for that night. The Cards will meet the Rebels in the opener and Lakeview will play Harrel Chapel in the nightcap.

In the opening game of the tournament, the Estelline Cubs defeated the Memphis Rebels by the astounding score of 25 to 6. This show of power makes the Cubs favorites to win the tourney especially since the strong Harrel Chapel team agreed to play only boys under 21. They will not be able to use their star hurler, Ector Anthony.

Tucker, Walker and Sutterfield all hit homers for the Cubs to lead their team to victory. Winkler, Estelline pitcher, allowed only a few scattered hits to the downtrodden Rebs. Adrian Combs hit a grand slam homer for the losers, but it was not enough to stop Estelline. The Rebs made most of their runs in the first inning.

In the nightcap game that night Lakeview led the Cards, 12 to 9 going into the last half of the seventh and last inning. Julius Stevens hit a homer for the Cards, scoring Hutcherson and Frisbie ahead of him to tie the score. The score remained tied until the ninth inning when Carl Lee hit a tremendous triple to score Lloyd West with the winning run. Final score: Cards 13, Lakeview 12.

77 Days

(Continued from Page One)

Joe lay in a state of suspended animation. It was weeks before he even moved a muscle. A brain specialist from Amarillo operated on him at a local hospital only a few short hours after the accident west of Lakeview on Highway 256. He had suffered a serious concussion of the brain.

The doctor operated on the right side of Joe's head, just above the temple. Then a hole was drilled above the left temple

to counteract possible damage that had been done to the side of the brain.

For the first few weeks before from Lesley alternated staying up with the family at hospital. The injured youth was to be turned every hour.

Meanwhile donations of \$3,300.00 — poured in to pay the tremendous hospital expenses and doctor's fees. Joe at Lesley pitched in and worked the Booth place. Mrs. Joe's husband died back in the war and only her daughter, who was living with her,

Joe was in The Democrat the other day with Mildred another sister, Mrs. Odell and her daughter, Patricia of Memphis. He said he was fine, never had any headache and hoped to be well enough play football again soon. He walks with a slight limp, but is gaining his weight back day.

He may not play football fall, but Joe is a person of stamina and persistence. He plays again someday, and thought makes it easier to forget the time he doesn't remember about anything.
