First row: Betty Hawthorne, Barbara Shackelford, Yvonne Padgett, Wynema Edwards, Betty Sue Spencer, Kathrine Wright, Carol Ann Mongingo, Ann May.

Exercises Begin At 8 In Auditorium; Dr. Gaston Foote To Address Group

Commencement exercises for the 35 members of the 1955 Senior Class of Memphis High School will be held in the school auditorium Friday night at 8 o'clock.

The principal address will be delivered by Dr. Gaston Foote, pastor of the First Methodist Church of Fort Worth, the tenth largest Methodist Church in the United States.

Besides being a dynamic speaker, Dr. Foote is the author of several books and has traveled extensively in the Orient and Europe.

Rumors Spreading About Measuring Cotton Acreage

There has been some misinformation concerning the regulations on measuring cotton as to the deductions that can and cannot be made. The following is the latest information available from the County ASC office:

If the strips of idle or fallow or other crops are less than four normal rows in width, the entire area shall be considered as planted to cotton.

If the strips of idle or fallow land or other crops are at least four normal rows in width, only that part of the land that is actually occupied by cotton shall be considered as planted to cotton.

The regulation indicates that less than four normal rows planted in any crop can not be deducted from the cotton acreage which is true for this area as there are no crops planted in this area that will continue to grow during the growing season of the cotton.

In areas where crops can be planted that will continue to grow during the entire growing season of the cotton, less than four rows can be deducted.

Anyone desiring additional information regarding the regulations controlling allowable deductions from cotton acreage should contact the county ASC office, L. L. McKown, office manager, stated.

HS Band Presents Year's Last Show Tonight In Park

The Memphis High School Cyclone Band will present its last concert of the current school term tonight (Thursday) at 7:15 in the City Park.

Miss Kathy Phillips, director of the band, said that tonight's concert will feature the "A" band and members from the "B" band who will be playing in the "A" band next fall.

The program will be made up of marches and popular music. Some of the featured numbers will be "On, Wisconsin," "High School Cadets," "Liberty Bell," "Monarch," "Salutation," "Anytime," "Bonaparte's Retreat," "Arrangers Holiday," and "Havana."

This performance is free to the public, Miss Phillips said.

When he was 15, Dr. Foote began taking over his father's pulpit in a West Texas town. His first pastorate was in White Deer. He has also been pastor of other West Texas Methodist Churches in Haskell, Amarillo and Pampa.

He is a graduate of Clarendon Junior College, SMU and the University of Colorado.

Two boys took the scholastic honors in this year's graduating class. This was the third consecutive year that a boy has been valedictorian of the Memphis graduating class.

This year's valedictorian is Roddy Bice, son of Mrs. Ruth Bice. His four-year grade average was 96.750.

The salutatorian is Harold Aspgrren, son of Mr. and Mrs. Harry Aspgrren. He compiled a four-year grade average of 96.243.

The high ranking girl for the class was Bobbie Nell Long, daughter of Mr. and Mrs. M. R. Long. Her four-year average was 92.611.

The class officers for this year are Jackie Boone, president; Debs Cofer, vice president; Ann May, secretary; Anita Hartsell, treasurer; Roddy Bice, reporter. The sponsors are Miss Neville Wrenn (Continued on page 12)

Base For Paving Must Be Complete When Men Arrive

Property owners here in Memphis who have signed up for extra paving should have their base for the final surfacing done by Monday, J. O. Wiggins, foreman for Sheppard Construction Co., said Wednesday.

The extra paving will begin Monday in the northwest section of town where the streets have been completed.

Wiggins said the work would be done one street at a time and where the owners did not have their base ready when the workers reached the property, the paving would not be done.

"We cannot be doubling back to do the work for people who are not ready, because we are doing this project so cheap," Wiggins said.

According to the foreman, the heavy rains of the past two weeks did little or no damage to the work already completed on the streets.

"I doubt if the cost of materials and labor to repair what little damage that was done will amount to \$50," Wiggins stated.

Juniors Win Third Championship In Sixth Annual Junior Olympics

The junior class of Memphis High School piled up a total of 71 points in all events to win the Sixth Annual Junior Olympics Monday night in Cyclone Stadium.

This gives the class its third consecutive win in the spring sports carnival, and makes them permanent owners of the championship trophy.

The freshman class was second with 56 points and the seventh grade was third with 49 points.

In the elementary school division Travis school won five out of six class championships. Each grade in the elementary schools is divided into sections and all compete against each other for the championship of that grade.

Mrs. Newton's room from Travis won the first grade championship; Miss Milam's second grade division in Travis won that crown; Mrs. Stroehle's room at Travis took the third grade championship; and Mrs. Callaway's class took the championship of the fourth.

Miss Walker's section of the fifth grade at Austin school won the only championship taken by that school. Then Miss Hillhouse's sixth grade at Travis came back to take the crown for that grade.

One of the most exciting events of the evening was the mile bicycle relay race for junior and senior high school.

The ninth grade team of Van Howard, Sue Daugherty, Coy Johnson and Shirley Reed won the seventh, eighth and ninth grade division of the race.

The juniors won first and second in the tenth, eleventh and twelfth grade division of the contest. The winning team was Cleve Evans, Monta Saye, Jerry Hill and Bobbie Welch.

In the wheelbarrow race where a boy piloted a girl over a 50-yard course, Paul Nelson pushing Linda Sturdevant won the seventh

and eighth grade division for the eighth grade.

Paul Wilson pushed Jean Foxhall to win the ninth and tenth grade division for the tenth grade, and Dean Sustaure won the eleventh and twelfth grade division for the junior class. Edna May was his passenger. The juniors took all three places in this race.

In the class tugs-of-war the juniors won the event in the finals. The ninth grade was second and the seventh grade was third.

The 50-yard dashes for boys and girls from all 12 grades was the curtain raiser for the all-school event.

The results of the dashes for the girls of all grades and the time they ran the distance is as follows:

First grade, Mary McCreary. (Continued on page 12)

Hall County Gets 16,773 Acres For 1956 Wheat Crop

The Hall County ASC Committee was allotted 16,773 acres of wheat for 1956 by the Texas ASC Committee this week, out of the state allotment of 4,227,136 acres, R. A. Eddleman, committee chairman, announced.

The county wheat allotment is 122 acres less than last year's allotment of 16,895 acres. Individual allotments will increase approximately 2 per cent due to the decrease in the number of farms eligible for wheat allotment.

Hall County has had an unstable history as a wheat county. Through the years of 1936 through 1940, the average wheat acreage was 678 acres per year. In 1948 there were 52,530 acres of wheat seeded in the county.

Wheat seeding has decreased each year since 1948 until less than 15,000 was seeded for the 1955 crop. If history repeats, the seeding of wheat in Hall County should be down to less than 1,000 acres by 1960.

The county office is now computing individual allotments and it is expected that all wheat allotments will be in the mail on June 3 to enable each producer to receive his 1956 wheat allotment 15 days before the wheat marketing quota referendum which will be held on Saturday, June 25.

Commencement Exercises Friday For 17 LHS Seniors

Commencement exercises for the 1955 senior class of Lakeview High School will be held Friday night at 8 o'clock in the Lakeview Grade School auditorium for the 17 class members.

The commencement address will be delivered by W. T. (Dub) Nelson of Childress, and district governor of the Liens Clubs.

Gaye Salmon, daughter of Mr. and Mrs. Roland Salmon of Brice, was named valedictorian of the class. Her grade average, as released by Superintendent Loran Denton, was 92.26.

Salutatorian was Faye Thompson with an average of 90.84. She

is the daughter of Mr. and Mrs. Pete Thompson of Lakeview.

The high ranking boy was Shelby Hignight, son of Mr. and Mrs. W. C. Hignight of Tulia. He compiled an average of 87.59.

The class officers for the year have been Donald Clark, president; Bobby Barbee, vice president; Sarah Williamson, secretary-treasurer; and Clayton Wells, reporter. The class sponsor has been Kenneth Arnn.

Baccalaureate services were held Sunday night in the Lakeview Baptist Church. Rev. Jim H. Denton, pastor of the Memphis Methodist Church delivered the

The Big Four Meetings

The general feeling around Washington concerning the anticipated Big Four meeting indicates high encouragement as to the possible results thereof. Frankly, I do not think that people should become so encouraged as to the possible results of a four-power meeting, because it is not difficult to permit your desires to get the best of you and sometimes expect more than will be forthcoming. It is my opinion that a top level meeting between the four powers is a realistic approach to the solution of international problems and should have been held some time ago. It must be realized that the failure to have a meeting was not our fault, but the fault of Russia. Russia may have had good reasons for not wanting to meet, but in any event no meetings were held. Now that they are possible, it seems to me, as it does to a number of other individuals on Capitol Hill, that the situation should be faced with cold realism. There is no reason why there cannot be a meeting of the minds among reasonable men that will prevent conflicts between man. It will certainly furnish a basis from which we can evaluate the burning question of whether or not Russian policy has changed.

Salk Vaccine

The Salk vaccine argument, of course, continues. We hope to have it settled in time to make the safe inoculation of many children in this nation possible before the polio season sets in. The Interstate and Foreign Commerce Committee of the House, of which I am a member, is considering a bill that will implement the President's suggestion that this vaccine should be made available to all children regardless of their economic status. As I told you in a previous newsletter, the Congress has kept a vigilant eye on the distribution of this vaccine and will not tolerate exploitation of the American people through such medium. Frankly, I had hoped that the entire program could be handled without the exercise of any jurisdiction over the subject by the Federal Government as such. However, the situations that have arisen have required that the Congress step into the picture and keep a tight rein on the handling of the program. It was recently pointed out by a member of the United States Senate that this Salk vaccine is the result of research paid for in a large degree by the dimes of children contributed in the annual March of Dimes campaigns. Certainly these children and their parents should be protected from exploitation at the hands of any unconscionable individual or group of individuals. Our committee hopes to coordinate the forces that should be instrumental in getting this vaccine to the public with the greatest

1913 Study Club Concludes Year's Activities With Luncheon Wednesday

Concluding the year's activities, members of the 1913 Study Club met in the country home of the president, Mrs. Boyd Rogers, for a luncheon and program on Wednesday, May 18.

Hostesses for the affair were Mrs. Rogers and Mrs. Frank Foxhall. They were assisted by members of the social committee including Mrs. Allen Grundy, Mrs. Leo Fields and Mrs. R. C. Walker.

The menu included baked ham, congealed salad, English pea salad, potato chips, coffee, French bread and pie.

The program entitled "A Gypsy Fandangle" was introduced by Mrs. L. G. DeBerry who presented a group of club members, dressed as Gypsies.

New Officers Are Installed Tuesday At Delphian Meet

Officers for the coming year were installed at a regular meeting of the Delphian Club held in the home of Mrs. R. H. Wherry, on Tuesday afternoon, May 17, at 4:00 p. m.

Mrs. Weldon McCreary, president, presided over the business meeting, after which Mrs. D. S. Baker, program chairman, introduced the program on "Our Grand Old Flag."

"It is the flag of the people—my flag and yours," was the opening statement of Mrs. McCreary's talk, as she installed new officers for next year by presenting each officer in turn and each member of the club with a small flag. Mrs. D. S. Baker, incoming president, gave her acceptance to the presidency. Other officers installed were: Mrs. Hershel Potts, first vice president; Mrs. J. S. McMurry, second vice president; Mrs. Jack Boone, recording secretary; Mrs. Clyde Smith, corresponding secretary; Mrs. Leon Thomas, parliamentarian; Mrs. Henry Hays, reporter; Mrs. Lynn McKown, treasurer; and the following board members: Mrs. Weldon McCreary, Mrs. D. S. Baker, Mrs. Jack Boone, Mrs. Lynn McKown, Mrs. J. L. Barnes, Mrs. J. K. Porter, Mrs. J. W. Stokes, and Mrs. E. J. Thomson.

Enjoying this affair were one guest, Miss Tommie Noel of Denton; and the following members: Mrs. R. C. Walker, Bluford Walker, M. G. Tarver, Mills Roberts, Boyd Rogers, Clyde Milam, D. L. C. Kinard, O. L. Helm, Allen Grundy, R. S. Greene, Frank Foxhall, H. A. Finch, Leo Fields, T. J. Dunbar, L. G. DeBerry, Hershel Combs, Gayle Greene, T. M. Harrison and Miss Mary Foreman.

Lakeview FHA Club And Guests Enjoy Picnic Tues.

The Lakeview Future Homemakers Club concluded the year's activities with a picnic at the City Park on Tuesday evening, April 17.

The girls, their sponsors and invited guests roasted wieners and enjoyed a picnic lunch.

Later in the evening, the group went to the show to see "Magnificent Obsession."

Lakeview FHA Elects Officers

The Lakeview F. H. A. Chapter elected officers for the coming year at a meeting held in the Homemaking cottage on Tuesday afternoon, May 17.

New Statement Is To Be Mailed By WT Utilities Co.

Reddy Kilowatt, West Texas Utilities Company's versatile service symbol, will greet customers on the monthly service statements in a new manner beginning this week—on handier, more convenient post card statements.

WTU's local office here in Memphis will mail out the new cards for the first time June 1st, instead of the long statement form used so many years.

Inauguration of the new statement form was decided on after lengthy study and investigation which showed the new method would provide a more convenient statement for the customer and a more efficient system for the company.

Mack Wilson, WTU's local manager, said, "The new post card

statements are prepared on long sheets of heavy paper that feed through machines in a continuous run much as newsprint runs through a printing press. The machines figure the statements, print them, and separate them for mailing automatically. The 2c postage is printed on each statement at the time the statement is figured and the information is printed on the statement. Use of a mailing permit eliminates the need for stamping the statements separately."

Wilson said every effort has been made in preparing this new statement form to keep it as simple as possible and to present all the information the customer desires. He pointed out that the new statement interprets service charges in both kilowatts of electric power used and hours Reddy Kilowatt worked in the home; that is, kilowatt hours of electric service.

It was pointed out that the new statement is basically a simpler and modernized form of the old statement. There has been no change in rates or manner of calculating the statement. The due date and delivery date are the same as before.

"This new billing system," said Wilson, "is a result of the many studies and plans the company constantly holds in mind to keep the rates at the pre-war level and the cost of everything gone up and up."

2,626 Texans Go To Armed Forces

AUSTIN.—While 2,626 Texans were entering the armed forces in April, 4,904 were separated, it was shown Tuesday on an official report sent to Washington by the office of the state director of Selective Service.

Lieutenant Colonel Morris S. Schwartz, deputy state Selective Service director, said that of the 2,626 Texans who entered the armed forces in April, 2,225 went in by enlistment, the remaining 401 going in through the draft boards.

While these men were beginning and ending military service, a total of 5,998 young men, mostly 18-year-olds, registered with the state's 137 draft boards. Practically all of the total registration involved males reaching their 18th birthdays.

The federal draft law requires that all males in the United States register with a draft board on their 18th birthday, or within five days thereafter.

State Selective Service boards forwarded only 67 men during April for physical-mental examinations for military service. Thirty-one of this number were accepted by the army, the remaining 32 being rejected.

Judge J. R. Porter Is Guest Speaker At Delta Kappa Gamma Tea In Clarendon

Judge J. R. Porter of Clarendon was the speaker at the Delta Kappa Gamma Tea honoring future teachers and pioneer teachers of this area on May 14 in Clarendon.

In speaking on the rewards and benefits of the teaching profession, Judge Porter said, "The greatness of our country is due to the public school system. Outside the home, teachers have more influence on the lives of children than anyone else. Schools and the churches will lead in solving world problems. There is no greater work than that with the human mind in schools where the individual is recognized as the important unit. That recognition of human rights will be the salvation of the world and its problems. Love for children and the profession is the secret of successful teaching," concluded the speaker.

Mrs. Marguerite Goodner paid tribute to teachers through a clever poem.

The Clarendon College Sextette sang "Ah, Sweet Mystery of Life," "Sailing Through," "I Believe," and "A Woman's Prayer." The sextette is composed of Jerline Hollan, Joyce Offutt, Doris Newberry, Floy Sutton and Eva Farr. They were accompanied at the piano by Harold Clappitt.

During the tea hour Doris Newberry and Floy Sutton entertained with piano selections. Pioneer teachers honored were Mrs. Mertie (J. H.) Headrick, Miss Elizabeth Stevens and Mrs.

Lena Antrobus, who read an original poem, "The Seasons," as her tribute to a life in the teaching profession.

Future teachers honored were Barbara McAnear of Goodnight, Geraldine Rea of Estelline, Sarah Williamson of Lakeview, Sonya Verden of Lakeview and Gloria Hedrick of Turkey.

Gamma Kappa Chapter of Delta Kappa Gamma awarded a fifty-dollar grant to Miss Gloria Hedrick, a Turkey High School senior, who is planning on attending Texas Tech, and majoring in elementary education.

Miss Hedrick was selected by the chapter because of her outstanding qualifications. She has been an all-round student, participating in all school activities. In addition to her school activities, she was active in church work, serving as secretary of the Junior Sunday School Department and program chairman for Baptist Youth Association.

Each of the girls who made application for the grant had attained many high school achievements and is well qualified to make an excellent future teacher, members of the organization said.

The Delta Kappa Gamma Society awards scholarships to women teachers at all the state colleges in Texas for summer sessions as well as long-term scholarships for study beyond the Master's degree. At the recent 26th Annual Alpha State Convention of Delta Kappa Gamma, which met in Min-

Mrs. Charlie McBee Birthday Honoree At Plainview Sun.

Honoring Mrs. Charlie McBee of Memphis on her birthday anniversary, relatives gathered at the park in Plainview on Sunday, May 15, for an all-day gathering.

Among those enjoying this affair were Mr. and Mrs. McBee, Mr. and Mrs. Arlis McBee and family of Memphis, Mr. and Mrs. Herschel Chaney and daughter of Memphis, Jessie Ray McBee and family of Lubbock, C. D. McBee and family of Plainview, L. J. McBee and family of Plainview, Mr. and Mrs. Bob Carlton and Norma Kean of Hedley, Mr. and Mrs. Orbra Carlton and children of Friona, Mr. and Mrs. E. J. Huddleston, Eddie Jerry, and Diane of Childress, Mr. and Mrs. Marvin McBee of Midland, Mr. and Mrs. Jack Boyer and Don of Midland, Mrs. Vastie Boyce of Midland, Mrs. Roy Holley and daughter, Sharan Kaye, of Lubbock, Mr. and Mrs. Bill Lee and Sherry Lynn and Diane of Midland, Mrs. O. L. Hammond of Memphis, B. F. Hale of Plainview and Mrs. Mary Brand and daughters of Midland.

TURKEY SENIOR

Miss Gloria Hedrick, Turkey High School Senior, was awarded a \$50.00 grant by the Kappa Chapter of Delta Kappa Gamma at the May meeting in Clarendon. Miss Hedrick was selected by the Chapter because of her outstanding qualifications. She is planning to attend Texas Tech and major in elementary education.

eral Wells, Mrs. Velma Weaver of Clarendon was awarded the Edna B. Graham scholarship at West Texas State College, Canyon, to continue her study of music. Attending the state convention from Gamma Kappa Chapter were Miss Zady Belle Walker, president; Mrs. Velma Weaver and Miss Lucille Polk of Clarendon.

At the state convention, Gamma Kappa Chapter contributed a \$100.00 honoring share in the new headquarters building to be constructed this year. The honoring share was given in memory of the late Miss Loeva Pierce of Wellington, who taught for years in Texas schools, including Memphis in the 20's. The building is to be named in honor of Dr. Annie Webb Blanton, who organized the Delta Kappa Gamma Society.

New officers elected for Alpha State were: Miss Doris Thompson, Waco, state president; Mrs. Nell B. McMains, Texas City, first vice president; Miss Agnes Abernathy, Yoakum, second vice president; Mrs. Stella Bryant, Vernon, recording secretary; Miss Evelyn Sterling, Waco, corresponding secretary; Dr. Cleo McChristy, state parliamentarian.

The program study for 1955-56 will be "Recruitment." The next state convention will be held in San Antonio.

Alpha State will be hostess to the Southwest Regional Convention in El Paso on August 15, 16 and 17, at the Hotel Cortez. Eleven southwestern states will participate. Planning to attend from Gamma Kappa Chapter are Miss Zady Belle Walker, president, from Memphis, Miss Lucille Polk and Mrs. Velma Weaver of Clarendon, and Mrs. Sarah Covey of Wellington.

Ira McQueens Have Weekend Visitors

Mr. and Mrs. Ira McQueen had as guests over the weekend their son, Lt. and Mrs. Kenneth McQueen and children, Kenny, Donald and Ronald; Mr. and Mrs. Ordie Jones and family of Bovina. Mr. and Mrs. M. C. Martin of Plainview, Mr. and Mrs. Bill Sweatt of Amarillo and Mr. and Mrs. Weldon Jester and son of Amarillo.

Sunday the McQueen home was a scene for open house. More than 40 guests called during the day to visit with the out-of-town guests and to see the twin sons of Mr. and Mrs. Kenneth McQueen.

Lt. McQueen is stationed at Fort Knox, Ky., and his wife and children will return to that city with him this week. Mrs. McQueen has been with her parents in Kansas City, Mo., for several weeks.

Mrs. Rydell Visits Here; Leaves For European Trip

Mrs. L. E. Rydell of Walla Walla, Wash., visited here last week with her brother, Morgan C. Baker, and friends. Mrs. Rydell is the former Mildred Baker.

She left Friday by plane to join her husband in New York, and from there they flew to Paris, France, where Mr. Rydell will attend the fifth congress on large dams.

Mr. Rydell, who is chief of the planning branch of the Walla Walla district Army Engineers, was selected to make a flood control study on the River Shannon in Ireland.

The week prior to the opening of the meeting in Paris, the delegates will tour river projects in France. They will also spend a week touring French projects in North Africa.

After the conference Mr. and Mrs. Rydell will go to Ireland for the river study in that country. They also expect to spend some time in Switzerland and other points before returning to Walla Walla late in the summer.

John Ewen Hurt In Timber Cutting Accident In Mo.

John Ewen, brother of Mrs. Sam Hamilton, and a former resident of Memphis and Estelline, was seriously injured when a tree fell on him near his home in Neosho, Mo.

Ewen was sawing trees with a power saw when the accident occurred. He cut one tree and when it lodged in the top of a nearby tree.

He began cutting the second tree and when it fell, the first tree fell and hit him in the back, pinning him over the saw frame.

His head has a deep laceration, his nose and jaw was crushed, and two ribs were broken, according to information received from Sam Hamilton.

Mr. and Mrs. Hamilton returned home from Neosho last Thursday, where they had visited with the injured man for several days.

Hamilton said that Ewan was able to get around, now, and his condition was improving.

Mrs. C. R. Sargent of Denver, Colo., is visiting in Memphis this week. She is going on to Clarksville this weekend to visit her father. She is going with Mr. and Mrs. Dot Webster, who are going to Clarksville to visit with friends.

Mr. and Mrs. Lloyd Becker spent the weekend in Wichita, Kans., with his parents. From there they went on to Verden, Neb., where they visited with Mr. Becker's brother.

Man's Body Found Monday By Airman

The body of William Thomas, 26, of Plainview, was recovered Monday morning at 11 o'clock from Burson's Lake by T-Sgt. Thomas A. Gurkin, USAF, of the Amarillo Air Force Base. After futile attempts had been made Sunday afternoon and Monday morning to find the body with grappling hooks, Gurkin and another airman went down with aqua-lung equipment and found Thomas' body. The man drowned Sunday afternoon when he and five other men were in a boat chasing some tame ducks. The boat overturned and Thomas and one other man could not swim. The other man was saved by the swimmers, but Thomas drowned before he could be helped.

Local Man Arraigned On Liquor Violation

Billy Shawhart of Memphis was arraigned in County Court Monday on charges of the possession of liquor for the purpose of sale. Shawhart pleaded "not guilty" before County Judge Tracy Davis. Bond was set at \$1,000 by the court. Shawhart made the bond and was released that day.

Sheriff W. P. Baten and Deputy Elmer Neel picked Shawhart up Saturday night for allegedly having the liquor for re-sale purposes.

Mr. and Mrs. Wesley Miller and boys of Wichita Falls visited here Saturday with Mr. and Mrs. J. K. Porter and family.

Commencing To Learn

Tomorrow night the graduating classes of Memphis and Lakeview High Schools walk across the auditorium stages of the two schools and accept their diplomas and congratulations for successfully completing 12 years of study as prescribed by the State of Texas.

For some, this is the end of your formal "school housin'" and to others it is just a stepping stone to higher educational opportunities in colleges or universities.

Mr. or Miss Student, you may be happy or sorry to be leaving high school, but your feelings do not alter the fact that the diploma and handshake project you right out into the world as an adult. Maybe your mother and father consider you still a child, but to everyone else the young man or woman who was considered just a "high school kid" last week, is now a person old enough for marriage, employment, military service, and in a three or four short years, voting.

Even though, as a student you may never carry another text book, you can not afford to stop your education, if you are to meet your responsibilities to yourself and as a citizen of your town, state and nation. Everyday problems will confront you, and now you cannot go to a teacher for assistance, you must meet and solve these to the best of your ability. To make these decisions, you must be informed on the situations around you which effect your life.

Don't let these twelve years of study become rusty with disuse, but use them as a foundation to build more knowledge, so that you will be able to do what is best for you and everyone concerned. Don't become one of the milling masses that can be swayed by every piece of propoganda that is shoved before them.

Your diploma is a guarantee that you are capable of learning. Therefore, use that ability and become a man or woman who is informed, and able to make sound and wise decisions.

Memorial Day Driving

Monday, May 30th, is Memorial Day across the United States. This day has been designated as a day for honoring the men and women of this nation who gave their lives in war, so that the United States would remain free.

However, this day also presents a tragic aspect, for it is estimated by traffic and safety experts that 425 persons will die in traffic accidents over the Memorial Day week-end. This is no way to honor our dead. These men and women gave their lives, so that we might go on living, but not for us to throw them away by wreckless driving.

A big percentage of these 425 lives will be lost because of speeding, driving while intoxicated, and failure to yield the right of way to another driver. These three causes of accidents are moronic ways to operate an automobile. And what makes the accidents even more uncalled for is that most of the smashups will take place on a straight, dry highway in broad daylight.

On this day which is set aside for honoring our heroes of many wars, let us take the necessary time and courtesy on our highways to enable us to continue enjoying the nation that our soldiers, sailors, airmen, and marines fought and died to preserve.

QUOTING OUR NEIGHBORS

The Dead Ball

Baseball is going into the limbo as the national pastime. The baseball magnates cry louder and louder with every passing season. We know the answer. The trouble with baseball is the fast ball. Deaden it, play the games in an hour or two hours and watch the old sport begin to prick up its ears once more. A nine-inning game that runs over an hour and a half is too long. The public stays away from the park in droves. But the moguls think otherwise. They think they've got to furnish home runs and more home runs, taking their customers for morons. Four hours of baseball in one afternoon is too much baseball, even with a home run a minute!—Floyd County Hesperian.

Promising Career

Newspapers have made their columns generously available in the past few years to voicing the pleas of various vocational interests for new manpower. The need for more teachers, more nurses, more physicists, more chemists, more engineers, more ministers, more career men in the armed forces has been told. The list could be prolonged considerably. It seems that a variety of special needs has developed at the present time, and many industries and professions are resorting to publicity in an effort to increase the supply of college-trained men and women in those fields.

Like the shoemaker whose children went barefoot, the newspaper business apparently has not used in its own behalf the same educational program it has provided without charge to others. The shortage of trained men and women for news work was pointed up rather sharply by a recent meeting called by the Texas Daily Newspaper Association in Austin.

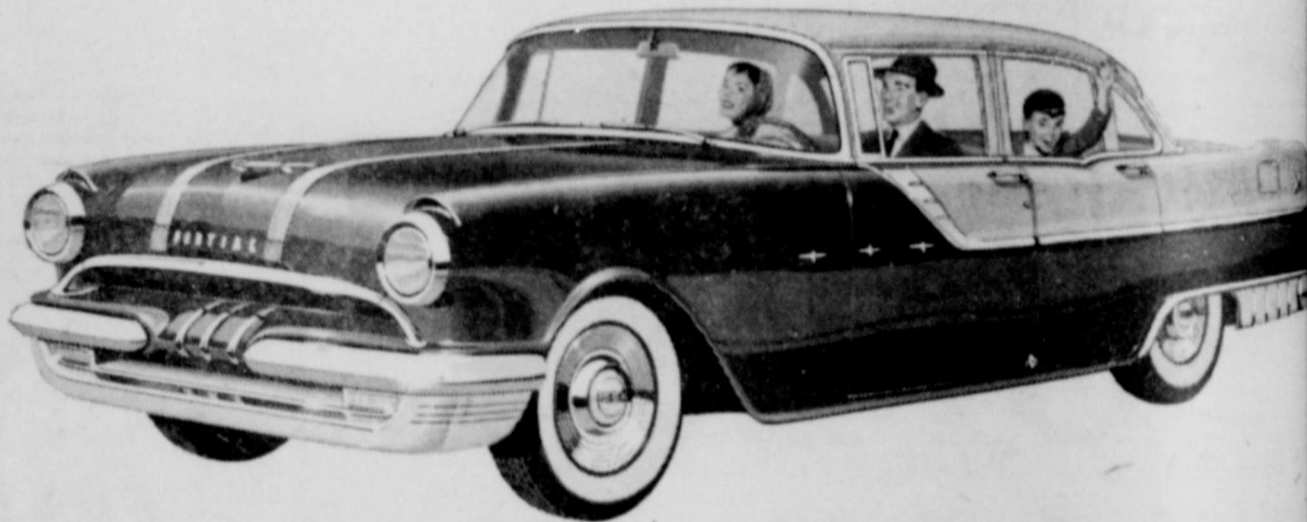

Conferring with journalism department heads at the Austin meeting, Association officials declared that the supply of professionally trained youngsters now is inadequate to meet replacement needs on Texas newspapers. It was no news story to the teachers. Recent surveys had shown that most journalism departments and schools have been receiving from two to ten job offers for every graduate they turn out, the past few years.

Reasons for the shortages are not hard to find. As new vocations develop in an age of change, a certain glamor surrounds them, and students aim at those glittering jobs in total disregard of a probable over-supply of manpower. A few other vocations temporarily offer more pay for the beginner, and some students are lured by possible profit into ignoring their lack of talent in a tempting field. Some students are misled by movies and ignorant advisors into thinking that a reporter's job is a rather rakish, only semi-respectable task.

The truth is, of course, that modern news work is a highly responsible as well as highly interesting vocation. It calls for preparation on a professional level, and its rewards are as satisfying as those of the other professions. The job of communicating and interpreting the events of the day is so essential to the functioning of a democracy, and to the operation of our economic and intellectual life, that its importance can hardly be overestimated. In a generation, salaries have tripled and

of one who would have been a good chemist, and a poor radio announcer of one who would have been a successful newspaperman. For the high school graduate who lives to keep up with what goes on, and likes to express himself by communicating the day's happenings in clear, understandable terms, professional training for a news career is one of the most attractive prospects.

The field is wide open, and the opportunities, as in all professions, are limited only by the ability and energy of the individual.—Canyon News.

Here's why PONTIAC WINS BUYERS FROM EVERY OTHER MAKE

It's a king-size luxury car—Biggest at its price!

Pontiac is a big, roomy car. Here it is: A car with 122" or 124" wheelbase—longest in its price field, even longer than some models in the top price range—and with true big-car stability to match. Luxury is in key. For quality of fabrics, conveniences and appointments, Pontiac compares with the costliest cars.

It's America's topmost value—Greatest buy of any year!

Pontiac is selling at the fastest rate of all time for this simple reason: America agrees—when you can get the size, power, beauty and luxury you want at Pontiac's easy price, that's the place to put your money. Come in and get all the facts.

It's a 200-horsepower performer—Most powerful at its price!

As the only car with the Strato-Streak V-8, Pontiac has a big performance advantage. This newest and most efficient V-8 enables Pontiac to provide more power than any car has ever delivered at Pontiac's price—a full 200 horsepower with the four-barrel carburetor, an extra cost option; 180 H.P. is standard.

It's a future-fashioned beauty—Most distinctive at any price!

Style-conscious motorists turn to Pontiac for true mode-of-tomorrow design, beautifully different from any other car on the road. Exclusive Vogue Two-Tone styling, Twin-Streaked hood and low, rakish lines give you a car that you know will remain a prideful possession for many years to come.

You can buy a big, 200-horsepower Strato-Streak V-8 Pontiac for less than many models of the lowest-priced cars and for much less than stripped economy models of higher-priced makes—none of which equal Pontiac in combined power, size and future-fashioned beauty.

CAN YOU SEE, STEER, STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS.

NEW SYSTEM OF SUPERVISED STUDY WILL BE TRIED IN SENIOR HIGH SCHOOL NEXT TERM. A new system of study will be inaugurated in the Senior High School beginning with the Fall term this year, according to Principal Ike W. Jay. Heretofore, the students have been taking their subjects in forty-five minute periods. These periods will be lengthened to one hour. The reason for this change seems to be a good one. It is a well-known fact, it was brought out, that many of the students do not take their books home with them and it is also apparent that many students finish high school who have never mastered the art of how to study effectively.

BACCALAUREATE SERMON DELIVERED SUNDAY NIGHT. Admonishing the members of the Senior Class of 1930 to be themselves at all times to stand upon conscience-inspired convictions, and not to play at the tiddie-winks of life, to espouse the cause of Christ, and to accept the call to higher and nobler things of life, Dr. Clark Buckner, pastor of the First Christian Church of Amarillo, delivered the baccalaureate sermon to the graduates of the 1930 senior class at the First Methodist Church last Sunday night.

There was an average attendance of 21 members.

R. Williams Buys Local Oil Company From Morris Odom

Mr. and Mrs. Ralph Williams from Anadarko, Okla., have purchased the Odom Oil Company, Phillips 66 jobbership for this area, from Mr. and Mrs. Morris Odom.

Williams was Phillips 66 consignee in Anadarko for the past 17 years, and has been in the oil business for the last 30 years.

The firm will be known as the Williams Oil Company and will continue to handle Phillips 66 gasoline, lubricants, batteries and accessories, and a complete line of Lee tires.

Herb Blackmon will continue with the firm as tank truck salesman, and, Williams said, we will continue to give the same dependable service that our customers have received in the past.

The Williams are members of the Baptist Church, and Mr. Williams is a 32nd degree Mason and a Shriner. They now have temporary residence with Mrs. C. W. Kinslow at 803 South 6th St.

They have one daughter, Mrs. Charles W. Barker, who lives in Hobart Okla.

Woman's Council Meets For Study At Church Monday

The Women's Council of the First Christian Church met at the church Monday, May 23, in regular session for a business meeting and missionary program. Hostesses were Mmes. Veo Knight and Susie Coleman.

Forty-four members answered roll call.

The business session was presided over by the president, Inez Aspgren. She was also leader for the afternoon's program. The theme of the study was "Opening the Door of Faith Through Bible Colleges." The group sang "We've a Story to Tell to the Nations," followed by prayer by Lena Milam.

Ella Norman brought the devo-

tion, using Eph. 6:4-20 as the scripture foundation for her talk on "Bold Ambassadors." She stressed the importance of putting on the whole armor of God.

Faye Posey sang, "I'd Rather Have Jesus," accompanied by Veo Knight.

Discussions on the progress of some of the Bible colleges were as follows: Ozark Bible College by Lucile Randal; Dallas Christian College by Belle Odom; In-

termountain Bible College by Mable Roberts.

The meeting closed with the missionary benediction.

A refreshment plate of ice cream and cake was served to the following: Mmes. Faye Posey, Inez Aspgren, Edith Webster, Liz- zie Aduddell, Pearl McCanne, Le- na Milam, Leola Stokes, Katherine Milam, Della Pallmeyer Lucile Randal, Belle Odom, Ella Norman, Mable Roberts and Veo Knight.

Less Friction with Trop-Artic Motor Oil!

In the experiment below, the slide on the left is coated with ordinary motor oil, while the one on the right is coated with TROP-ARTIC All-Weather Oil. When two steel blocks are dropped on the two slides at exactly the same time, the one on the right slips down nearly twice as fast as the one on the left. The reason is: less friction with TROP-ARTIC oil.

IT'S PERFORMANCE THAT COUNTS!

New Phillips 66 TROP-ARTIC reduces friction far more effectively than any ordinary oil. By reducing friction, it extends gasoline mileage. And it can reduce wear, even to the extent of doubling the life of an engine. It can cut oil consumption 15% to 45%. It keeps pistons cleaner. New TROP-ARTIC is the first all-weather type motor oil to meet the highest standard ever established for automobile motor oils, the Mil-0-2104 Supplement 1 Test. **C. W. Kinslow
 Leads Five-Week
 Vacation Trip**

C. W. Kinslow has returned from a five-week vacation trip of visiting and vacationing in the South and West. She left here April 6 for a visit with her mother, Mrs. R. D. Williams, and her sister, Mrs. R. D. Williams, in Huntsville. There she proceeded to visit with her mother and sister. She then attended two meetings at the home of Mrs. R. D. Williams, an amateur news correspondent. She returned on Easter morning in a plane. Mr. Morley has visited the world 14 times, in 11 languages. Kinslow flew from Houston, Fla., where she visited her father and uncle, Mr. and Mrs. J. V. Vining in Lakeland, Fla., Cal. and Mrs. Dexter in Tampa. She returned to New Orleans on her ship. Mrs. Kinslow said it was a most interesting experience. She then traveled by plane to New Orleans to El Dorado, where she visited her mother, Mrs. R. D. Williams, and her sister, Mrs. R. D. Williams, and her family.

**O. H. Finch Awarded
 Doctor's Degree By
 McMurry College**

Orville H. Finch, a prominent Dalhart rancher and civic leader, and brother of Howard and Frank Finch of Memphis, has been elected by the McMurry College Board of Trustees as one of six Methodist laymen and ministers who received doctor's degrees in the 31st annual commencement exercises in Abilene Monday. Finch, who lives at 1523 Denrock in Dalhart, is a member of the McMurry college board of trustees, and a member of the board's finance committee. He is a native of Burlingame, Kans., but came to Hall County near the turn of the century and grew up on the old 96 Ranch, located south of Memphis. He left here about 42 years ago and went to Dalhart.

**Hedley Plays Claude
 Sunday In Caprock
 Baseball League**

Hedley will play Claude in a regular Cap Rock League baseball game at Hedley Sunday. The Claude team is using several Amarillo Air Force Base boys, and is expected to give Hedley a tough game, according to announcements made this week. The game will start at 3 p. m. Last Sunday Hedley defeated Wheeler in 10 innings, 4 to 3. Bob Hutcherson pitched the first nine innings for Hedley, allowing only six hits. He struck out eight, and allowed only three runs. Dorman pitched the tenth inning, allowing no hits, and striking out one batter. Hedley got seven hits off the two Wheeler pitchers. Hedley is now leading the league with two wins and two losses.

**Cemetery Working
 In Hulver, May 30**

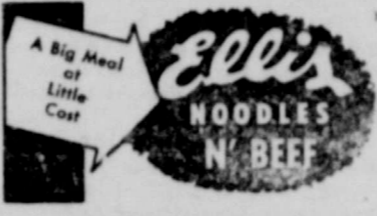

There will be a cemetery working at the Hulver cemetery on Memorial Day, May 30. Mrs. J. H. Wright said that everyone in the community is invited to come and bring their tools and help with the worthy project.

Mrs. Frank Wright returned home Sunday from Quanah where she had been for the past 10 days with her sister, Mrs. Velma Hattchett, who is ill.

Students To Get Awards And Money For Citizenship

Six students of Memphis Public Schools will be awarded citizenship awards Friday by representatives of the local American Legion Post and the Pathfinders' Women's Club.

The six students were selected from the senior class of the high school and the eighth grade of the junior high, by a committee of teachers.

This committee used all the points which go toward making a good citizen as a guide for making their selections.

Hubert Dennis will make the presentation of awards for the American Legion and Mrs. A. O. Gidden of the Pathfinders' Club will make the club's presentations.

The Legion will present awards to David Duncan, son of Mr. and Mrs. R. C. Duncan, and to Barbara Shackelford, daughter of Mr. and Mrs. B. N. Shackelford, of the high school senior class.

In the eighth grade the Legion awards will go to Virginia Chappell, daughter of Mrs. J. W. Chappell, and Bobby Goode, son of Mr. and Mrs. J. N. Goode.

The Pathfinder awards and \$5 to each student will go to Linda Collins, daughter of Mrs. Ruby Goodnight, and John Evans, son

over to the city police. He had been released from county jail about an hour before the accident. He was arrested Tuesday night and charged with driving while intoxicated. He had been held in the jail until he could raise the \$100 fine and court costs.

During the past three weeks of rain the Brookhollow Club Lake water level has been raised by 20 or 25 feet, according to Bill Coursey, club official. He said the water was within seven feet of the spillway now.

The lake is supposed to receive a truck load of fish fry from the state hatchery at Dundee, Texas. Coursey said the fishing had been good since the rains, and some good catches had been reported.

According to J. J. McMicken, Memphis received an additional .38 of an inch of rain the past seven days. His gauge showed .04 yesterday afternoon, .03 Saturday afternoon, and .31 of an inch Friday afternoon.

The high and low temperatures for the last seven days, as recorded by McMicken, are: Friday, 66-55; Saturday, 72-56; Sunday, 83-66; Monday, 85-58; Tuesday, 87-59; Wednesday, 88-58; Thursday, 92-66.

The three weeks' total moisture of Mr. and Mrs. John D. Evans. They are eighth grade students.

now stands at 5.55 inches, and the year's total is 7.76, which, according to a graph in the U. S. News and World Report magazine, gives the area above average rainfall for this time of the year.

Buddy Poppy - (Continued from page 1)

ceived from the sale of the poppies is used in local veteran welfare work.

Fowler said the other uses for the money is strictly regulated by the national by-laws and a set of rules adopted by the National Buddy Poppy Committee.

The other uses are: "For the aid, relief and comfort of disabled and needy veterans, their dependents and their widows and orphans.

"For hospital or individual assistance and entertainment for needy veterans or service patients and their dependents.

"For rehabilitation, welfare and service work, including liaison service with the Veterans Administration.

"For acquisition, improvement and maintenance of veterans' graves and for expenses of military funerals of deceased veterans."

Fowler said he felt that every citizen of the community would want to wear a Buddy Poppy and "help those who helped us."

Thomas Alva Edison patented more than 11,000 inventions.

Veterans' Graves To Be Decorated For Memorial Day

The Simmons-Noel American Legion Post No. 175 and Women's Auxiliary will decorate the graves of veterans of all wars in the Fairview cemetery here in Memphis, and the Lakeview cemetery Sunday afternoon.

A Legion spokesman said this is an annual event before Memorial Day.

The men and women will decorate the Fairview graves then go to Lakeview at 4 p. m. to decorate those there.

The public was invited to attend these ceremonies.

Several representatives of Memphis business firms have been in Dallas this week attending the fall market.

The fall market show is a preview for the merchants of what they will have in their stores for sale this fall.

Representatives from Memphis stores were: Mr. and Mrs. Gayle Greene, Mrs. R. S. Greene and Mrs. Gladys Power from Greene Dry Goods; Mrs. Claude Hickey from The Fair Store; Mr. and Mrs. A. Anisman from Popular Dry Goods; and Mr. and Mrs. Byron Baldwin from Baldwin's.

Estelline Couple Plans 60th Wedding Anniversary June 3

Mr. and Mrs. H. S. Parnell of Estelline will celebrate their 60th wedding anniversary on Friday, June 3, and all 10 of their children plan to be present.

An open house will be held from 2 until 5 p. m., and all friends of the family are extended an invitation to attend.

Mr. and Mrs. Parnell moved to Hall County in 1906, settling on a farm west of Estelline.

Virginia Clemm was the wife of Edgar Allan Poe.

THANKS

To All My Customers

I have sold my Phillips Petroleum Company wholesale oil and gasoline business here to Ralph Williams, and want to take this opportunity to thank everyone who has given me their patronage. I appreciate every customer who has been on my books during the years I have distributed Phillips 66 products here in Hall and surrounding counties. The new firm will be known as Williams Oil Company.

I am glad to recommend Mr. Williams to the people of this area. He has been in the wholesale business for many years, and is fully capable of working with the citizens of Hall County. He will make our community a good citizen.

I intend to maintain an office at the Phillips Warehouse here in Memphis. From this location I shall operate a gasoline transporting business, and will continue to make my home here.

Thanks again for your patronage. It has been a pleasure to have served as your Phillips agent.
