HAIL DAMAGE—County Agent W. B. Hooser, above examines damage to a combine maize crop on the J. B. and W. B. Waddill farm north of Newlin. Another maize crop, owned by Ted Barnes, just south of the plot pictured here was also completely destroyed.

Hail Friday Damages Crops at Newlin, Tell

The worst hailstorm of the year lashed county cotton and feed crops last Friday night and left about 3,000 acres heavily damaged. The hail fell at a time when farmers were looking forward to harvesting one of the best crops in several years. The area north and west of Newlin and a similar area near Tell seemed to be the hardest hit. Also an area east and south of Hedley received severe hail. The storm seemed to be of the hit-and-jump variety, damaging...

Area-Wide Cotton Meet To Be Held Here Sept. 20th

Farmers of Hall and Donley Counties will attend an area-wide cotton industry meeting in Memphis on Friday, Sept. 20, according to plans made here last week. The meeting is open to the public, and will be held at the Palace Theatre in Memphis starting at 2:30 p. m. Meeting with a small group of farmers, ginners and individuals last week was Earl W. Sears, southwestern representative of the National Cotton Council. He told the group of the problems facing the cotton industry, and outlined a program to overcome them. After hearing Sears' talk, the group decided to call an area-wide meeting, which was set for Sept. 20. At this time, the full story of cotton's competitive position will be explained. All cotton farmers, as well as others interested in the cotton industry, have been urged to attend the meeting.

Services Held Wednesday For Mrs. Tom Isham

Mrs. Tom Isham, well-known pioneer resident, died Tuesday in a local hospital following an illness of several months. Funeral services were conducted Wednesday afternoon at 2:30 o'clock from the First Christian Church with G. C. Sharp, minister, officiating. He was assisted by Rev. F. E. King, pastor of the First Presbyterian Church. Interment was in Fairview Cemetery under the direction of Spicer Funeral Home. Member of one of the pioneer families of this county, Mrs. Isham was born in Dallas County, Tex., but moved to this section when she was quite young. She assisted her father in the operation of a grocery business here for a number of years, and later was employed with the Citizens State Bank. In more recent years she was employed with the Memphis Production Credit Association, until her health forced her to resign approximately three years ago. She was a member of the First Christian Church, the Eastern... (Continued on Page 12)

ANNUAL HALL COUNTY PICNIC WILL BE HELD HERE SUNDAY

Results of Balloting Listed In Community Committeemen Elections

Balloting was completed last week for all of the community committeemen in the various parts of the county, according to Lynn L. McKawn, secretary of the election board. Those persons who were elected will take office on Oct. 1, 1957. The person receiving most votes in each community will be the delegate to the county convention on Sept. 27 where the 1958 County ASC Committee will be elected. The results of the balloting in the various communities is listed below. The person listed first is the community chairman and delegate to the county convention. The next four persons listed will serve as vice-chairman, member and first and second alternates, in that order.

- Lesley**
J. P. Montgomery, Jr., Joe N. Berry, Doyle L. Miller, Johnnie W. Driver, E. S. "Cap" Byars.
- Plaska**
Ceil R. Whitten, Alvin W. Molloy, Charlie R. Foster, Arnold L. Hall, Lilburn A. Bray.

Final Rites for W. J. Messer Held Tuesday

Funeral services for William Jesse Messer, former Memphis resident, were held at 2 p. m. Tuesday afternoon from the Spicer Funeral Chapel with Rev. Aaron Thomas of Borger officiating. Mr. Messer whose home was in National City, Calif., died Saturday. (Continued on Page 12)

Film of Crowell Game To Be Shown Tuesday Night

The Memphis Cyclone Booster Club will show the film of the Memphis-Crowell football game Tuesday night at the Cyclone Drive Inn. Frank Smith, Jr., president of the club, announced this week. Free coffee and doughnuts will be served to all present, he stated. The booster club this year is filming all of the games and making the film available to the coaches and players in order for them to study their playing, the president said. These films will be shown each Tuesday night following the game on Friday. Smith invited everyone to be at the Cyclone Drive Inn at 7 p. m. to see the film.

Lunch Scheduled For City Park At 12:30 P. M.

Final plans were worked out this week for the Third Annual Hall County Picnic which will be held at the Memphis City Park Sunday, Sept. 15, according to Ottie Jones, president of the association. Jones urged that all Memphis, Lakeview, Estelline and Turkey residents turn out in full force to make the out-of-county visitors welcome for the affair. He reminded county residents that the picnic should not be confused with an old settlers affair. "It is for both the young and old," he explained. Everyone now living in the county and everyone who has lived here in the past is urged to attend. The festivities will get underway Sunday morning with registration of all visitors under the direction of Mrs. N. A. Hightower, secretary of the association. Lunch will be spread out on long tables about 12:30 p. m. Everyone is urged to bring a basket lunch so that there will be plenty of food for those persons who have traveled a long way, the association stated. (Continued on Page 12)

Cotton Guessing Contest Goes Into Second Week

Guesses began coming in this week in the Annual Cotton Guessing Contest, sponsored by The Democrat, with estimates ranging from 42,305 bales to 28,888 bales. At this same time last year the lowest guess was 12,500 bales, indicating that county residents seem to believe that a better cotton crop is in sight. Any person is eligible to enter the annual contest. All that is necessary is to come by the newspaper office, write your name and mailing address—and your estimate for the number of bales of Hall County cotton which will be ginned this year. Guesses may also be mailed to the paper, but no telephone guesses will be accepted. Persons sending in their estimate by mail are urged to be sure and include their names and mailing addresses. The individual guessing closest to the number of bales of cotton will receive a three-year subscription to the paper. Second best guesser will receive a two-year subscription, and a year's subscription will go to the third place winner. Publishers will use the official figures supplied by the Bureau of Census, U. S. Department of Interior, to determine winners. Total ginning figures are released. (Continued on Page 12)

Cyclone To Meet Crowell In First Home Game

The Memphis Cyclone will appear in their home field for the first time this Friday night at 8 p. m. when they meet the Tell Wildcats. Friday night the Cyclone met a defeat at the hands of the Tell Hornets on a rain soaked field. Crowell team will not have advantage of weight which the Tell squad enjoyed last week. Crowell has nine starters from last year's team, and was strong in every respect. Coach J. P. Jones stated that two boys were suffering from minor injuries and they are not ready to play by Friday. "The rest of the team is in good condition and we should have a good ball game," Jones said. The game last Friday night, however, in the first quarter Memphis was unable to gain anything following the kickoff. This made good yardage with end runs by Ted Wheeler, Billy Johnson and Daryl Long. Wheeler set up the touchdown by a long run and Daxid Davis took the ball over on a quarterback sneak. The extra point failed. Davis late in the quarter passed 25 yards to Bobby Scott who ran the additional 35 yards to the goal line, making the score 12-6. Tulia scored in the third quarter on a statue of liberty play and ran over the extra point to make the tally 13-12. During the

Morris Higley, Rotary District Gov., Will Visit Local Club Next Tuesday

Rotary Club of Memphis will host Morris Higley, governor of the 573rd District of the International on Sept. 17. Higley is making his annual office visit to each of the 43 clubs in the district. Higley will address the local club and confer with President Dwight Kinard and Secretary W. V. Coursey, and committee chairmen on Rotary administration and service activities. Higley is president and publisher of The Childress Index, and is a past president of the Childress club in which he has a 22-year perfect attendance record. He was born at Cummings, Kansas, and moved to Amarillo in 1930 after attending school at the University of Missouri and the University of Oklahoma. After moving to Childress in 1935 he became a member of the Childress Rotary Club and has been active in Rotary work since. He was elected district governor of Rotary International in June of this year at Lucerne, Switzerland, and was one of the few of the 249 district governors of the world to appear on the program at Lucerne while still a governor-nominee. Activities of the more than 9,500 Rotary Clubs in 104 countries of the world are supervised by district governors. "Rotary is a vigorous and growing organization that is doing more for peace in the world than (Continued on Page 12)

LAKEVIEW EAGLES—Pictured above are the members of the 1957 Lakeview football squad. They will open the season tonight, Thursday, with a home game when they meet the Tulia B team at 8 p. m. The group will be under the leadership of two new coaches this year, Conrad Goodrum, head coach, and Johnny Brumley, assistant. The schedule for this year includes four home games: Tulia tonight; Quitaque, Oct. 11; Wheeler, Oct. 25; and Estelline, Nov. 15.

Lakeview Eagles Open Season Tonight Against Tulia B Squad

The Lakeview Eagles will open the season tonight with a game against the Tulia "B" team football squad. The event will take place at Lakeview with game time set for 8 p. m. Supt. Loran Denton announced this week. Two new coaches, Conrad H. Goodrum, head, and Johnny Brumley, assistant, will be in charge of the team this year. They are assisted in the coaching duties by Denton. The high school team has 25 members this year and five returning lettermen. The Lakeview squad will run from the straight T formation while the Tulia group will probably use the single wing. The schedule for the year is as follows: Sept. 12—Tulia B Home; Sept. 20—Hart There; Sept. 27—Claude There; Oct. 4—Silverton There; Oct. 11—Quitaque Home; Oct. 18—Matador There; Oct. 25—Wheeler Home; Nov. 1—Open; Nov. 8—Turkey There; Nov. 15—Estelline Home. Members of the Lakeview team are Kenneth Sanders, center; Keith Robertson and Doyle Fowler, guards; Roy Pate, back; Carl Wayne Robertson, tackle; Dwain Floyd, Dwight Floyd, Jimmy Molloy, Steve Cruz and Tony Molloy, backs; Pat Mestes, Teddy Sparks, Jimmy Whitefield, A. J. Wilson and John Bailey, ends; Kenneth Casteel, guard; Richard Arnold, end; Don Booth, tackle; Larry Parnell, back; Mickey Parnell, end; Junior Nelson, Leroy Stone and Quintino Sahagun, tackles; Charles Hargett, end, and Jerry Lawrence, back.

MORRIS HIGLEY

Ginning Figures For Past Years Show Big Spread

Hall County's cotton crops have followed an uncertain course, as everyone familiar with the vagaries of Panhandle weather is too well aware. Some bumper crops have been made when conditions were favorable but production has ranged on down to near failures. Controls have also resulted in decreased production in some years. Below are the ginning totals for several of the years in order that readers may have some idea of what production has been in the past:

YEAR	BALES
1900	717
1905	5,651
1910	20,118
1916	28,994
1920	31,406
1925	62,121
1930	23,709
1934	7,953
1939	14,563
1940	26,882
1942	52,820
1943	28,068
1945	2,712
1946	23,723
1947	42,160
1948	42,826
1949	88,214
1950	30,123
1951	50,542
1952	30,840
1953	22,017
1954	40,809
1955	41,292
1956	25,773

Wood Bros. Mkt. Installs Registers That Count Change

A new type register—which does practically everything except carry the groceries out to the car—has been placed in use at Wood Bros. Super Market, according to Carl Wood, owner.

Wood announced that three of the machines, products of National Cash Register Company, are at work in the store here. It is the first time they have been used in Memphis, he said.

Primary attraction of the machines is that they figure the customer's change—where both he and the clerk can see it.

According to Wood, it works like this: the customer selects items from the store's shelves, then takes them to the checker. First of all, the checker totals each item. While the machine is ringing up the total, it also makes two copies of the sale, one for the customer and one for the store's records.

In addition, on each item it lists which department of the store the item came from. Then it presents the total.

When the final total is figured, the customer pays his bill—either in cash or by check. The machine rings up how much was paid, where both clerk and customer can see it, does quick subtracting, and finishes off by indicating what the customer's correct change is. The customer then receives his change and itemized ticket from the clerk, with the bookwork done mechanically in a matter of seconds.

Mr. Wood issued an invitation to everyone to come by and see the new machines in action.

Mr. and Mrs. Henry Houdashell and daughter, Carolyn, of Amarillo, visited in the home of Mrs. F. A. Linder Sunday.

Sen. Yarborough Praises Congress For Passing Bill

Senator Ralph Yarborough last week made a statement praising the Senate and House of Representatives for including in the supplemental bill an appropriation for \$20,000,000 for rehabilitation of land damaged by wind erosion and floods.

Sen. Yarborough made the first request for an appropriation before the Senate Appropriations Committee on Aug. 12, his initial request being for \$32,000,000. Other states asked for \$13,000,

000. The Senate voted a \$25,000,000 appropriation for all the states, and the Conference Committee between the House and Senate cut this to \$20,000,000.

"While I am disappointed that the total amount was cut to \$20,000,000, this is only a stop-gap measure until Congress meets next year, and additional funds needed may be voted at that time. Over half of all the damage from wind and flood erosion of soil occurred in Texas, and Texas ought to be allocated over half of the funds appropriated," the Senator said.

Yarborough urged county agricultural agents to continue with their estimates of permanent land damage by drought or flood, so that proper applications can be

made to the secretary of agriculture.

Senator Yarborough pointed out that in seven years of drought, followed by 70 days of rain, the United States Department of Agriculture classified 244 of the 254 Texas counties as disaster counties.

"Our five million acres of land have been classed as permanently damaged, due to the wind blowing the top soil away or the floods washing the top soil away. This money was voted to put a top-soil blanket back on the bare mattress of sub-soil," Yarborough said.

Memphis Youth Center News

By Judy Lemon

The council of the Memphis Youth Center met Monday night, Sept. 9. Those attending the meeting were Addie Lou Wells, Judy Lemons, Jerry Hooser, John Lemmon, Kathy Phillips, Ted Myers

and Frank Smith.

The previous week it was decided that the governing body would serve as a nominating committee for the officers for the coming year. This Monday night the council drew up a slate of officers. The election will be Sept. 21. This Saturday night nominations from the floor will be accepted.

All members are urged to pay their \$1.00 new membership fees. The deadline for the first six months' group will be Sept. 23. Thus far 30 people have renewed their membership. John Lemmon was appointed to

do all of the buying of candy for the Youth Center.

If anyone has any canoes, or checkers they wish to give to the Youth Center, they would be very greatly appreciated.

There were 87 youths Saturday night. The chairs were Mrs. Ed Hutcherson, J. R. Mitchell, Mr. and Mrs. Leslie, Kathy Phillips and Smith.

Guests in the home of Mrs. Robert Bredlove were Mr. and Mrs. T. A. son of Wellington.

Another "First" FOR WOOD BROS. Super Market

Our first thought has always been YOU . . . OUR CUSTOMERS! Anything that we can do to give you better service, better quality, better prices and better shopping conveniences is always incorporated in the operation of Wood Bros. Super Market.

But . . . our customers know all this . . . let's get right down to what we're just "bustin'" to tell you!

AND . . . NOW . . . WE PRESENT STILL ANOTHER SERVICE:

We're the FIRST in this area to install the "Machine that Thinks"!

New NATIONAL CASH REGISTERS

featuring

"AUTOMATIC CHANGE COMPUTATION"

PREVENTS ERRORS! GIVES YOU A COMPLETE "TAKE HOME STATEMENT"

100% ACCURACY

- The price and department (grocery, meats, produce, etc.) of every item automatically recorded for you to take home on a printed slip!
- The net amount of total purchase is stated, before any refunds, bottle returns, etc., are taken off!
- The exact amount of cash or the check you give is recorded when you give it to the checker!
- YOUR CHANGE . . . THE AMOUNT THE CHECKER WILL RETURN TO YOU . . . IS AUTOMATICALLY SHOWN ON THE REGISTER . . . AND PRINTED ON YOUR TAPE FOR A PERMANENT RECORD.

No More Bottlenecks!

Rush-hour bottlenecks at the checkout stands are relieved through speedier checkout service at Wood Bros. Super Market.

Checks or Cash Plainly stated!

The amount you give the checker, either in cash or check, is plainly stated on your tape!

Your Change Is Stated!

The amount you receive . . . in cash as change is plainly recorded after accurate, automatic computation!

Tape Is A Complete Statement!

It is your "take-home" receipt . . . a complete detailed statement of your purchases . . . your savings . . . at Wood Bros. Super Market.

Let Children Shop For You!

The kiddies, when sent to Wood Bros. to shop, will be able to furnish you with a complete record of their transaction!

Check Cashing Made Easy!

No more confusion in check-cashing because the new machine automatically figures the amount you should receive!

Corned Beef Rice Bake

2 Tablespoons shortening
2 Tablespoons finely cut onion
4-oz. can mushroom stems and pieces, drained
12-oz. can corned beef, broken into pieces
1 cup Per Evaporated Milk teaspoon
1 Worcestershire sauce
2 cups cooked rice
1/2 cup grated, process American cheese

Melt shortening in a skillet. Add onion and mushrooms. Cook over medium heat about 5 minutes. Take skillet off heat and mix in corned beef, milk and Worcestershire sauce. Put rice in bottom of well-greased baking dish measuring about 6 x 10 inches. Cover with meat mixture. Sprinkle cheese over top. Bake near center of 350 oven (moderate) about 20 minutes, or until bubbly hot. Makes 4 servings.

Around and About by Helen Combs

We, the Democrat staff, agree that Mr. Autman Sims out at Newlin is not only a fine gentleman but is a grower of excellent watermelons besides...

Perhaps our formative years spoiled us as far as melons are concerned... somehow or other the melons that are trucked in just don't compare in flavor with the ones grown here.

Speaking of talent, we are continually amazed at the things our neighbors and friends accomplish... and we can't help but think our people are 'way above average in their accomplishments.

Margarite recently modernized her bathroom by putting in a new dressing table and tile walls. She did all the work herself with the exception of sawing the wood.

Talking of Debbie... she is now four months old. Her parents complain she wakes them up about 6 o'clock each morning with her "cooing."

Attending rush week on Tech campus from here are two sorority members, Mary Frank Garrett and Billie Jean Stroehle; and two new students, Linda Fields, a freshman, and Janice Smith, who is a transfer to Tech from North Texas State College.

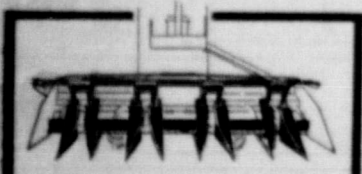

May we say congratulations to Mr. and Mrs. D. S. Baker, another pioneer couple who observed their golden wedding anniversary Sunday. Their memories are completely entwined with our city as they have spent all their married life here.

The Bakers can talk about Hall County's history with authority. Mrs. Baker is author of the book, "Yesterday in Hall County," which was published in 1940.

Mr. and Mrs. Scott Shepherd of Snyder, Okla., were here Sunday visiting relatives.

In both England and the U.S. the term convict refers only to a person found guilty by a jury.

MR. AND MRS. D. S. BAKER

Mr. and Mrs. D. S. Baker, Pioneer Couple, Observe 50th Wedding Anniversary Sun.

Mr. and Mrs. D. S. Baker, well-known pioneer couple, celebrated their Golden Wedding Anniversary with a family dinner at their home, 714 Main, Sunday.

Married here Sept. 8, 1907, Mr. and Mrs. Baker have spent all their married years in Memphis with the exception of the first two years, when they resided in Wellington.

Both Mr. and Mrs. Baker have taken an active part in church, social and community affairs and have been active in the growth and development of the community.

Mrs. Baker came to Memphis with her parents, the late Mr. and Mrs. A. P. McCrory, in 1899. It was in January, 1906, that Mr. Baker arrived in Memphis to work as a bookkeeper for J. C. Woodruff Lumber Co. He was born and reared at Honey Grove, Tex.

The lumber company soon sent Mr. Baker to Wellington where he managed the company's yard there for the next two years, later returning to Memphis to serve as manager of the telephone company.

Mr. Baker farmed for a short time; later establishing a real

estate and insurance business which he has operated many years.

He is an active member of the Masonic Lodge and was instrumental in helping organize the first Boy Scout troop in Memphis. Both he and his wife are active members of the First Methodist Church.

They have been especially interested in helping with youth activities in the church throughout the years. Mrs. Baker is a past superintendent of the youth department, and also taught a teen-age class for a number of years. She also served as teacher for the Daughters of the Wesley Class, an adult group, for several years.

A recognized authority on Hall County history, Mrs. Baker is author of the book, "Yesterday in Hall County." She is a member of the Delphian Club and is a past president of that organization.

Dinner guests Sunday included Mr. and Mrs. Warren Denwidde, Mrs. Mildred Starr and Mary Jon and Don Howington, all of Amarillo, Mr. and Mrs. Geo. Scraggs, Mr. and Mrs. Lowell Wells and Mrs. Herbert Duncan and sons, Herbert and Sidney, all of Wellington.

Woman's Culture Club Meets For Opening Session

Members of the Woman's Culture Club held their initial meeting of the year, Sept. 4, in the home of Mrs. Ward Gurley.

The president, Mrs. Gurley, presided during the business session. The secretary, Mrs. Jeanette Irons, read the minutes of the last meeting and committee chairmen made reports.

Mrs. Frank Ellis brought an inspiring devotional using "Blessings" as her subject. Mrs. R. E. Clark led in prayer.

Mrs. Gurley delivered the president's message. She challenged each club member to use her talent for the improvement of the club and community during the club year of 1957-58.

Mrs. Jeanette Irons, program chairman, gave an interesting report and summary of programs for the year. "Foundations for Building" will be the subject for the course of study this year.

Mrs. R. E. Clark, parliamentary, conducted a quiz on Parliamentary Procedure. Mrs. Clark also read a paper on the life of the late Mrs. D. A. Grundy, paying tribute to her as the only life-long member of Woman's Culture Club and the last charter member of the club.

She stated that Mrs. Grundy played an influential role in the development of club and religious work in Memphis. She and seven other women organized the Woman's Culture Club in 1899. It was federated that same year. In 1947 Mrs. Grundy was presented a plaque as outstanding club woman of the year in Seventh District. She was president for 25 years of the Baptist Woman's Missionary Union of District Ten.

Miss Esta McElrath read three poems in memory of Mrs. Grundy. They were "The Ruby," "The Lord Is My Shepherd" and "Tribute." Mrs. Irons read resolutions of respect to Mrs. Grundy.

A delicious salad plate was served to the following members: Mrs. Clifford Farmer, R. E. Clark, Brode Hoover, L. A. Stillwell, Robert Moss, Grover Moss, Frank Ellis, Theo. Swift, Nat

Marcene Stephens Returns Home After Summer Vacation

Miss Marcene Stephens, daughter of Mrs. Mildred Stephens, returned Saturday just in time to start to school after a summer of traveling and visiting.

She left Memphis on Wednesday after school was out in the spring and visited her father, Elbert Stephens, in Dallas; then to Corpus Christi, her former home, to visit an aunt and uncle, Mr. and Mrs. W. E. Powers; to Concan for two weeks with an aunt, Mrs. B. J. Spence, at their summer home.

In July Miss Stephens returned to Memphis to attend the Methodist Junior Camp at Ceta Canyon; back to Dallas, then to Austin to visit her aunt and uncle, Mr. and Mrs. Raymond Brumley. Another aunt and uncle, Mr. and Mrs. Billy Johnson, were visiting in Austin, and Marcene accompanied them to California for the month of August.

She visited Disneyland, Forrest Lawn Cemetery, Farmers Market, the Hollywood Bowl, the wedding and reception of Miss Florence Roselli of North Hollywood, and relatives: Mrs. Maxine Temple Bradford, Mr. and Mrs. Howell Stephens, and Mr. and Mrs. Forrest Leake. Mrs. Leake will be remembered as Miss Claunch Temple, a former Memphis teacher.

Mrs. Earl Wheatly of Darouzzett spent the week here with her mother, Mrs. Carl Harrison. Her husband came for her Sunday.

Mr. and Mrs. Henry Hays were in Amarillo Sunday to visit their son and his family, Mr. and Mrs. Jerry Hays.

Bradley, and Misses Esta McElrath, Sybil Gurley and Alma Bruce. One visitor, Mrs. Wiley Reed, was also present.

The next meeting will be Sept. 18 in the home of Mrs. Clifford Farmer.

Lakeview P-TA To Meet Monday

The Lakeview Parent-Teacher Association will meet Monday night, Aug. 16, at 7:30 o'clock in the grade school auditorium, according to an announcement made this week.

During the business session, the organization will elect two officers, a president and a third vice president. These vacancies have occurred due to resignations.

A social hour will also be featured and refreshments will be served. All parents are urged to attend.

Ralph Lockhart And Helen Conley To Wed in Merkel

Mrs. Leona Conley of Merkel has announced the engagement and approaching marriage of her daughter, Helen Ann, to Ralph Lockhart, son of Mrs. Lorene Lockhart of Abilene and formerly of Memphis.

Wedding vows will be exchanged Sunday, Oct. 6, at 3 o'clock in the afternoon in the Merkel Church of Christ.

Mr. and Mrs. Donnie Corley of Lubbock spent the weekend in the home of his parents, Mr. and Mrs. Gene Corley.

Travis Executive Committee Meets In McCreary Home

The executive committee of William B. Travis P. T. A. met Sept. 6 at 3:30 a. m. in the home of Mrs. Weldon McCreary for the ensuing year were discussed by those present.

Coffee was served to the following: Mmes. Gene Lindsay, D. Jones, Lowell Houston, G. Hickey, Bill Maddox, Ben Willie Smith, Weldon McCreary and D. H. Aronofsky.

Report From Washington

By Walter Rogers
Congressman, 18th District

POMONA PRINCESS . . . Pretty coed Micki Sapp, 18, poses amidst kaffir corn to publicize Los Angeles county fair Sept. 12-29.

First Session Of The 85th Congress In Retrospect

August 30, 1957, at 3 o'clock . . . minutes p. m., pursuant to Concurrent Resolution 229, . . . session of the 85th Congress . . . adjourned sine die. On the . . . at 4 o'clock and 22 minutes . . . in accordance with the . . . of House Concurrent Reso- . . . the Senate of the United . . . adjourned sine die. Un- . . . is a special session call- . . . President of the United . . . which is not anticipated, . . . which will not be in ses- . . . until January 7, 1958.

461 joint resolutions, 230 con- . . . resolutions and 416 simple . . . resolutions. At the date of this . . . writing, the President has vetoed . . . one Senate bill and four House . . . bills.

The House had 120 quorum . . . calls and 100 yea-and-nay votes. . . In other words, the roll was called . . . 220 times. In the Senate there . . . were 139 roll calls and 111 yea- . . . and-nay votes.

Much more could be said about . . . many measures which came before . . . the Congress; however, probably . . . the most important was the tre- . . . mendous peacetime budget sub- . . . mitted by the President. He had . . . requested approximately 72 billion . . . of dollars. This included approxi- . . . mately 65 billion for expenditures . . . for operation of the government, . . . plus interest payments on the na- . . . tional debt which amounted to . . . some 7 billion of dollars annually.

The Congress appropriated ap- . . . proximately 60 billion of dollars . . . for the operation of the govern- . . . ment, as against the 65 billion re- . . . quested by the President. In other . . . words, the budget request was re- . . . duced by approximately 5 billion . . . of dollars. This means the sharp . . . economy ax of the Congress re- . . . sulted in saving every man, woman . . . and child in this country approxi- . . . mately \$300 each in the opera- . . . tional expense of the federal gov- . . . ernment for this fiscal year. The . . . same kind of action in the next . . . session of the Congress should re- . . . sult in a tax cut for those peo- . . . ple in the middle and lower in- . . . come brackets who most need relief. . . . Our efforts will continue in that . . . direction.

One of the most encouraging . . . things to me in this past session . . . of Congress was the general re- . . . action of the public on so many of . . . the highly controversial measures. . . . It was very obvious that all Mem- . . . bers of the Congress were hear- . . . ing from the grass roots. This was . . . pointed up in much of the debate . . . and many times on the votes.

Fall Roundup To Begin Monday For Local Scouts

Scoutmaster Ted Myers this week urged all members of Boy Scout Troop 35 to be at the meeting Monday night at 7:30, Sept. 15, in order to begin the Fall Roundup of new members.

"We have had several Scouts to move away from Memphis this summer and nine Scouts to transfer to the Explorer Troop," Myers said. "This leaves room in our troop for 20. They may be 11-year-old boys or former Cub Scouts," he continued.

The scoutmaster explained that a boy should join the troop when he becomes 11 years old. Any boy who brings in a new Scout before Oct. 15 will be awarded a Fall Roundup George Washington badge to wear on his uniform.

Myers stated that there were several events which the Scouts planned to attend this fall. They will attend the Hedley Cotton Festival in October and the Scout Exposition on Nov. 2, as well as schedule some weekend camping activities.

The scoutmaster added that several Scouts were needed to help with the football game Friday night. Troop 35 will rent cushions and sell programs as they have in the past. Myers added that he would like to have some Cub Scouts to help with the selling Friday night. Those who want to assist with the program should be at the stadium at 6:45 p. m.

Joyce Jefferies Reported Improved

Joyce Jefferies, 21-month-old daughter of Mr. and Mrs. David Jefferies, is showing improvement after being critically ill, Dr. Robert Clark, attending physician, stated Thursday.

The little girl accidentally got hold of some rat poisoning while playing in the yard at her home on Saturday morning. She was rushed to Clark Clinic where a stomach pump was used to remove the poison, and later admitted to a local hospital.

When she failed to respond to the treatment, a special antidote had to be secured out of Amarillo. The medicine was rushed to Memphis by Highway Patrolmen in approximately an hour.

China adopted tea drinking because the water was impure.

"Every day reveals some fascinating, new facet of your personality!"

Annual Swine Show To Be Held Saturday

Judging in the annual Hall County 4-H Swine Show will get underway Saturday morning at 10 a. m. at the Farmers Union Gin in Memphis, County Agent

More Antelope Than Hunters West of Pecos

All hunters who made applications for antelope permits west of the Pecos will get a hunt this year without a drawing. This was indicated this week by the chief clerk of the Game & Fish Commission. He said mail coming in after the closing date of Sept. 1, pointed to an insufficient number of applications to cause a drawing.

Copyrights extend for a period of 28 years.

W. B. Hooser, said this week. The judge for the event will be Bill Palmeyer of Matador, county agent of Motley County.

Included in the show will be eight Sears gilts and four local businessmen's gilts. Two of the local animals were donated by O. R. "Doc" Saye, one by the Memphis Chamber of Commerce and one by Durham barnyard.

All animals which are to be exhibited in the show should be in the pens by 7 p. m. Friday, Hooser said.

The animals in both of the divisions will be awarded prizes as follows: first \$8; second, \$7; third, \$6; and fourth \$5. The awards will be equipment valued at the above amounts to further the swine program.

The grand champion gilt in the Sears division will compete at the area show in Amarillo on Sept. 21. Also to compete in the area show will be a Sears boar which will be included in the show here Saturday.

Members who will show swine Saturday include Mike Widener, Phil Howard, Paul Thompson, Don Molloy, Gary Gentry, Pat Lynn McGentry, Johnny Puston, Ronnie Edwards, Roy E. Turner, Donald Wayne Widener, Johnny Lavender, Tony Molloy, and Ronnie George.

Lions Club To Sponsor Broom, Mop Sale Thurs.

Members of the Memphis Lions Club will conduct a door-to-door sale next Thursday of merchandise manufactured by the Texas Blind Shops, according to an announcement this week by Carl Yancey, chairman of the fund raising committee.

The city will be divided into different sections with teams of men taking each section and conducting a house-to-house campaign.

The sale will feature brooms, mops, door mats and ironing board covers and pad combinations, Yancey said.

The merchandise was produced in shops over the state by Texas blind workmen. These Blind Shops or Lighthouses are non-profit organizations, Yancey explained.

"They give blind persons a place to work in order to help support their families," he stated.

The profit which the local Lions Club will make from the sale will be used to further the local sight conservation program of the club, he explained.

During the last year the local Lions Club has provided visual care for 11 children who would have otherwise been unable to receive the needed care.

Melvin E. Barnes Services Held At Hedley Friday

Funeral services for Melvin Eugene Barnes, 14-year-old son of Mrs. Snow Barnes of Amarillo and Snow Barnes of Houston, were conducted at 3:30 p. m. Friday from the First Methodist Church in Hedley. Rev. J. S. Tipton conducted the service assisted by Rev. Melvin R. Mathes.

Interment was in Rowe Cemetery under the direction of Spicer Funeral Home.

An eighth grade student in Nixon Junior High in Amarillo, Melvin died Thursday a few hours after being admitted to an Amarillo hospital. His illness was diagnosed as polio.

He had visited in Hedley during the summer months with his grandmother, Mrs. Emma Tollett, and uncle and aunt, Mr. and Mrs. Jay Hunt, as was his custom each year.

He was a member of the Missionary Baptist Church.

Survivors other than his parents include one brother, Donald Edwards Barnes of the Amarillo Air Force Base; two sisters, Mrs. Barbara Ann Greene of Amarillo and Mrs. Carolyn Gordon of Amarillo; his grandmothers, Mrs. Tollett of Hedley and Mrs. Susie Barnes of Sims.

Active pall bearers were uncles of the deceased.

Local Officers Find Youths Sought By Wichita Falls

Deputy Sheriff Elmer Neel and Police Chief Guy Wright arrested two 15-year-old boys Saturday afternoon who were being sought by Wichita Falls police.

The youth were charged with stealing a car in Wichita Falls. They allegedly drove it to Vernon where it was wrecked against a telephone pole.

Vernon police broadcast a description of the pair given them by a person who saw the boys leave the car. Local officers heard the description and began looking for the boys.

The two had begun hitch-hiking after they wrecked the car, and were found south of Estelline riding in the back seat of an automobile.

Wichita Falls police came to Memphis Monday and took the boys into custody.

Three 4-H Calves Entered At Abilene Show

Three Hall County 4-H entries were on hand this week for the judging at the Abilene Livestock Show, held in conjunction with the fair there, W. B. Hooser, county agent, stated.

Ronnie George of Turkey has an animal entered in the junior heifer calf division, and Shari Gentry of Memphis has a calf in both the junior and senior heifer divisions.

Judging of the show was scheduled to take place Wednesday.

Couple Wanted for Forgery Here Arrested in Dallas

A couple, Mr. and Mrs. Willie Alvin Donaghey, wanted for giving a forged check to Greene Dry Goods Co. here, was picked up in Dallas and is now being held by the Haskell County sheriff, according to information received by Sheriff W. P. Baten, Jr., this week.

The pair admitted that they had passed 181 checks in 159 towns recently. The check was given to Greene Dry Goods Co. here on Aug. 21 when the woman came into the store and purchased a pair of shoes for her husband. She gave the store a check for \$35 which was supposed to have been given her husband by John E. Wilson of Clarendon in payment for work done on a farm.

Before going to Greene's, the woman tried to pass a check at Saied's Department Store. Louis Saied became suspicious of the check and refused to take it. After she left the store he contacted Sheriff Baten, and a search was started for the woman.

Road blocks were thrown up around the area for a car thought to belong to the couple, but officers were unable to locate them.

In all, the couple had passed checks worth over \$6,000. Most of them were for \$35.00.

Sheriff Baten left this morning for Haskell to talk to the sheriff there.

ASC Receives Change In Acreage Regulation

The local Agricultural Conservation and Conservation office received notification this week of new laws signed by President Eisenhower on Aug. 31, 1957, which will affect the acreage allowed on some of the farms in County.

Under the new law, all credits for an acreage program will automatically be given to the farm allotment on wheat and peanuts for the 1957, 1958 and 1959.

"As wheat history credit now frozen to the wheat allotment for the farm, the law will allow many Hall County farms to receive wheat and cotton allotment," Lynn McKown, ASC office manager, stated.

Wardens Find Few Violations During Dove Open

Opening of the 1957 dove season went by with a minimum number of violations, according to the director of law enforcement of the Game & Fish Commission.

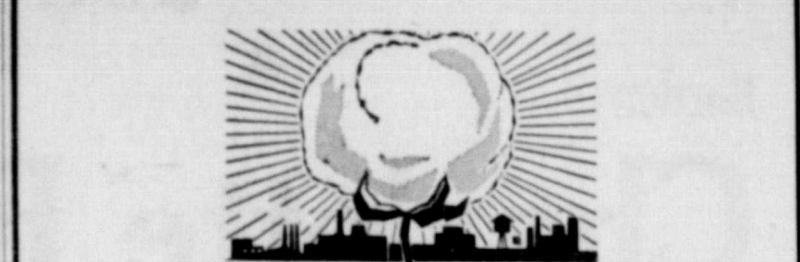

"Wardens reported very little cooperation from all over the north zone, with the opening of the season recently," the director said.

Cotton Our No. 1 Crop

Although foreign production and synthetic fibers are competing vigorously with American-grown cotton, it still remains our No. 1 cash crop.

It takes over 15 million people to grow and process cotton in the U. S. It is their livelihood. They live with its problems day in and day out, but the rest of the population should join them in arriving at solutions.

Recognition should be given to the National Cotton Council for its efforts during the past years. The job of meeting competition is not over. Some say it is just beginning. It will take more time and more money to keep "King Cotton" in his place as the No. 1 fiber of the world.

We can all do our bit to help by simply using and wearing more and more products made of cotton. Its superior qualities should be recognized and promoted. In the final analysis, the consumer will determine the future of this area's No. 1 crop.

TAX TIPS

from the office of James Z. Pearce, Amarillo, Texas

If you have a son or daughter on this vacation during the summer vacation is likely to earn more money before school starts.

... he or she doesn't have to work before earning that for you to retain your exemption deduction. The rule is true if you have a non-working child who will be under 19 by the end of the year.

... other case, regardless of how the child earns, the parent can claim an exemption, providing furnished over half the total of his child's support for the year. This rule also applies in the case of legally adopted children.

... is one important thing to mind: A dependent child entitled to an exemption for himself on his own return. On the other hand, if he is married, and files with his wife, no exemption may be claimed by the parent.

... Pearce, administrative of the Amarillo office, clarified revenue laws which confused many parents in the past.

... reports of both parents telling working they'll have to quit their jobs to pay \$600. They are right up to the opening of the next filing season.

... children, however, may pay a small tax. Since they are studying our basic taxation they know this.

... same token, many of the work only short term employment or for a smaller amount probably be entitled to during the next filing season.

... information should prove to be three parties to summer school, the student or child, the parents, and the employer. Pearce said. To warn gain advantage of this new law over 19 must become students at recognized educational institutions, or full-time farm training.

... questions regarding cases may be referred to the Internal Revenue office, Amarillo, Texas.

... Administrative Officer James Pearce of the Amarillo office renews that Form 2290, the Tax Return on Highway Vehicles, should be filed immediately.

... provisions of the Highway Act of 1956 require the filing for all taxable motor vehicles during July of each year. An additional Form 2290 must be filed for each month in which the vehicle is put in service, which are the District Director of Revenue, are due on or before the last day of the month in which the tax due is reported when the return is filed.

... applies to the use of motor vehicles having a gross weight of more than 1,000 pounds. The taxable gross weight of trucks and truck-trailers is determined according to weight and the number of axles. The tax applies to the gross weight of trucks with engine of 13,000 pounds or more, and truck-tractors with engine of 5,500 pounds or more.

... of the tax for a full year is \$1.50 per 1,000 pounds of gross weight. A full-year tax for one vehicle will range from \$40.50 to \$90.00, depending on its taxable gross weight. The tax year begins July 1 of the following June 30.

... use of a vehicle in the state after July, the tax is prorated according to the number of months remaining in the year.

... highway vehicle use tax law by Congress to help defray the cost of the proposed construction of the nation's highway system until June 30, 1958.

GAS-TOONS

By Glynn & Boyce

Who have a taste for buffalo you can buy a buffalo.

Information received from the executive secretary of the Fish Commission. In a letter to John C. Gatlin, registrar of the U. S. Fish and Game Service, Albuquerque, N. M., 225 surplus buffalo from the Wichita Mountain Refuge, Oklahoma, are available.

Year-old is worth \$150 and a butchered animal is worth \$180. A butchered animal is available at prices ranging from \$140 to \$180 and dry-aged meat.

Buffalo is thought to be introduced in India in about 1800.

Social Security News

By JOHN R. SANDERSON

Many women will have an important decision to make when they attain age 62. Under the 1956 amendment to the Social Security Act women are now able to obtain social security monthly payments three years earlier than under the old law, according to John R. Sanderson, manager of the Amarillo Social Security office.

The amount of the monthly benefit, however, will be reduced for women workers and for wives of retired workers. The amount of the reduction depends on the number of months between the time payments start and the time the applicant reaches age 65. For example a working woman retiring at age 62 would receive about 80 per cent of the monthly benefit she would receive if she waited until age 65. Wives filing at age 62 receive about 75 per cent of the amount they may be entitled to at age 65. This reduction is permanent even after age 65 is attained. Widows of deceased workers may receive unreduced benefits at age 62. Few are making a decision to start getting

benefit payments before age 65, a working woman or wife of a retired worker will naturally want to know how long she will be ahead in total benefits paid.

Sanderson said a working woman will be ahead for the first 15 years if she files at age 62, while a wife of a retired worker filing at age 62 would be ahead for the first 12 years.

Sanderson pointed out that the decision must be made by the women. The Social Security Administration will furnish her with all the necessary information, but the actual decision must be made by the individual.

Civil Service Comm. To Hold Exams

The U. S. Civil Service commission announces examinations for Telegraphic-Typewriter operator at \$3415 to \$3670 a year for employment with Civil Aeronautics Administration facilities and other federal agencies in the states of Arkansas, Louisiana, Oklahoma and Texas.

Apply at the post office for application forms or for information as to where they may be obtained.

Texas Tech To Begin Sept. 16

Texas Tech will begin its 33rd Long Session Sept. 16, with approximately 8,800 students expected for the fall semester.

That's 745 more than registered last fall, when Tech maintained its position as Texas' second largest State-supported college or university.

More than 1,900 entering freshmen are scheduled to report on opening day to begin a three-day program of counseling and pre-enrollment tests.

Fall semester registration will get underway at 8 a. m. Wednesday, Sept. 18, and continue each day until 3 p. m. Saturday, Sept. 21. First classes will be held Monday, Sept. 23. Wednesday, Sept. 25, will be the only day to complete registration for the regular courses.

Events preceding opening of the fall semester will include general faculty meetings Sept. 13, orientation for new faculty members Sept. 14, and the opening of dormitories on noon Sept. 15.

Notable changes in the campus horizon this fall include a new women's dormitory, housing 376; a new gymnasium, scheduled for completion early in October, and the partially completed structures of two men's dormitory units. Each is expected to be ready in the fall of 1958 and each will house 718 men.

Christine Class Meets in Home of Mrs. H. H. Lindsey

The Christine Class of the First Baptist Church met in the home of Mrs. H. H. Lindsey on Sept. 10 with Mrs. J. R. Saunders and Mrs. Horace Reed as co-hostesses.

Mrs. W. B. McQueen, the president, called on each one present to read or quote their favorite verse in the Bible as a devotional. The president presided over the business meeting. The program followed with Mrs. Ed McMurry, vice president, in charge. Talks were given by some of the members.

Lovely refreshments were served to ten members and three guests. They were: Mmes. Henry Scott, W. B. McQueen, Orlie Jones, N. L. Hightower, D. L. C. Kinard, Ed McMurry, Omer Hill, J. W. Smith, J. R. Saunders, T. J. Bridges, A. J. Fowler, Leonard Wilson, and the hostess, Mrs. H. H. Lindsey.

Mr. and Mrs. Pat Johnson and Kay returned Monday from Amarillo where they visited Mr. and Mrs. Kenneth Malone and daughters over the weekend.

Mr. and Mrs. Marion E. Posey and Shari LeRae were weekend guests of Mr. and Mrs. R. G. Downs in Panhandle. While there they attended the annual Carson County Fair which was in progress.

Mr. and Mrs. Ed Duncan are visiting in Lubbock with Mr. and Mrs. Brown Lamb.

Lakeview Chooses Cheerleaders For Coming Year

The student body of Lakeview elected cheer leaders for the coming season this week.

Tryouts were held and then by secret ballot the leaders were elected. There were 16 girls competing for the honor.

Girls elected were Martha Reed and Rita Durrett, both seniors, and Linda Campbell and Judy Pate, sophomores. The girls will see their first action Thursday night when the Eagles meet the Tullia "B" team at Lakeview.

The girls chose white skirts and sweaters with accents of black and red for their costumes, while the pep squad will wear the traditional black and red. Dixie Barbee was selected as pep squad president and Barney Bevers as sponsor.

Texas is regarded as one of the most fertile fields in America for archeological research.

Editorial

Will Prohibitive Taxation Capture Us?

In looking back over the work of the first session of the 85th Congress, one thing seems to stand out clearly as a major accomplishment of the group—the reduction of the budget by approximately 5 billion dollars. It is interesting to note that the Congressmen, with their ability to feel the pulse of the grass roots, were quick to sense that the citizens of the country had reached their limit as far as taxation goes.

This is in contrast to the feeling of the President, who continued to push for the higher budget. The original request was for approximately 65 billion for the operation of the government and 7 billion as interest payments on the national debt. This was a tremendous amount for a peacetime budget, especially in the fact of the lopsided economy which has hit the farming areas. All of us here know how difficult it has been to pay during the past few years. The cut of 5 billion dollars will represent a saving of approximately \$300 to every man, woman and child in the country during the next year.

There is some talk among Congressmen that during the next session they may be able to pass a small tax cut for those people in the middle and lower income brackets. It is our opinion that this would be the best move possible toward stabilization of the economy of our nation.

There are two roads to socialism. One is for the government to take over all business. This kind of socialism will probably never capture our country but there is another kind which could well put us in the same condition. This is prohibitive taxation. How many working days each year does the average person contribute to the government in order to pay his taxes? We read a report not long ago which showed that the average person worked from January to May for the Federal Government and other taxing agencies.

Everyone in this country will admit that the Union of Soviet Socialist Republics has, for the past 10 or 15 years, been trying to control the world and push the United States out of position as a leader. We have been able to defeat them in their attempt from a military building standpoint but we are fast approaching a situation where we may be spending ourselves out of existence. This will be the question which confront members of Congress when the next session opens in January. Can our economy face more taxes and still remain strong?

Irrigation Growing In Texas

Approximately one out of every five acres of crop land in the state is irrigated land according to information compiled by the Department of Agriculture. This fact comes as a surprise to most people, and points to the part irrigation is playing in producing food and fiber.

Irrigation was responsible for keeping up production in the state during the recent drought cycle, and has been instrumental in keeping many farmers on farms during the period.

Irrigation is comparatively new in Hall County. Local farmers who are pumping irrigation wells are learning how to use this most-important element for producing crops. They are studying ways and means of increasing production, and recognize that the cost-price squeeze can be offset by modern methods. Their neighbors are watching, and the movement is afoot to drill more and more wells in the search of water in sufficient volume to make development worthwhile.

No exact figure is available as to the number of irrigation wells in Hall County. Inquiries are coming to The Democrat and to the Chamber of Commerce and Hall County Board of Development pertaining to number of wells. Investment bankers, industries and processors of agricultural products are interested in the future irrigation possibilities here.

It is been predicted that irrigation wells will number 500 to 600 within the next five years. This will be determined by actual money to be made on acres already being irrigated. In the final analysis, a return must be received from the investment.

The Economy Pendulum

The economic history of this nation can often be illustrated by the pendulum. It has tended to swing back and forth from time to time as first one segment gained control and then another. Not many years ago, as history goes, there were a few men who controlled the entire country through their different companies. Congress passed the anti-trust laws in order to take the control away from these persons and put it back in the hands of the majority of the citizens.

Now there seems to have grown up another giant which may be even more powerful than the last. This is the proposed organization of all of the transportation unions into one group. This would give the head of this union the power to control entire country. Think what would happen if every transportation medium were to go on strike. A Congressional committee has been looking into the organizational setup of several of the large unions lately, and has come up with some very astonishing facts. A few of the union heads have been living like kings off their members and have been closely associated with racketeers.

At the time unions were organized, many workers were working virtually as slaves. They have done much good toward helping the average worker, but, in view of recent investigations, many persons have begun wondering if they may not have acquired too much power in recent years. When one segment of the economy can gain control, it has always been a dangerous thing. This proposed organization of all of the transportation workers will be something which will bear watching in the future.

BREAKING INTO THE BIG LEAGUE

Press Paragraphs—

QUOTING OUR NEIGHBORS

What Happened to Free Enterprise
It has long been a foregone conclusion that this country will never again see free enterprise as it was practiced in the youth of our older generation, but a recent survey among youth indicates that we are slipping into government control much more rapidly than we thought.

The latest results of Purdue University's teen-age survey show some disturbing results. These students, who will be the voters of the masters of tomorrow, are suspicious of democratic processes, contemptuous of politics, distrustful of the people's ability to govern themselves and hostile toward the civil liberties upon which this nation was founded.

Purdue University found that more than 50 percent of American high school students believe that:

1. Most people are incapable of deciding what is best for them.
 2. Politics is beyond the comprehension of the citizen and is a dirty game run by crooks.
 3. Wiretapping and the third degree should be legalized to assist federal and local police in maintaining obedience.
 4. Censorship of books, movie radio and TV should be invested in such police to protect ourselves from improper thinking.
- In addition, 41 per cent of American high school students would cancel freedom of the press and another 33 per cent would cancel freedom of speech to certain people.

Fifty-six per cent of these students think large estates should be whacked up as farm lands and distributed to the poor.

On the other hand, the great majority of these students are firm believers in free enterprise.

Of course, you can't have one without the other. You must remember that these high school students were born in a war, grew up under government planning and edict, and actually have tasted few of the fruits of freedom as it was known two decades ago. —Ochiltree County Herald

Editors and Vacations

Editors are human, whether we look it or not, and this kind of weather is not mentally stimulating us, just as it isn't for you. I refuse to devote much thought to anything, especially to the weather — like other afflictions, the more you talk about it, the worse it seems.

Speaking of afflictions, a few of us are suffering from acute self pity due to inability to get any vacation. Nearly all employees get time off—but many employers do not. Half of those employers are too busy to spare themselves — and the other half, who are not too busy, are too broke. As an authority on the subjects of being too busy and too broke all at the same time, I can offer a few suggestions by way of consolation to those who could not go away for a vacation.

For one thing, you can draw out practically all the money you have in the bank, stack it neatly in large bills, and burn it up. That's a similar sensation as you get from a vacation — only in a more concentrated form. Travel is not only broadening, you know, it's also fattening.

If you're accustomed to going to the beach or on picnics, and hate to miss out on it this year, walk around the house barefooted after covering the floor with sand

salty water in my face with a stomachizer we bought on credit. Ah, fellow paupers, hold your heads high. Remember that poverty is no disgrace—just awfully inconvenient.

—The Belton Journal

Home Town Newspapers

Like the good and faithful family dog, the newspaper comes to the master of the house and remains until it has brought its message. . . . You can wrap up the history of the family or the nation in your hometown newspaper. That's why it is the greatest entertainer of all time."

—Denison Press

If you're the kind who usually does nothing but drive, drive, drive and can't do so this summer, lend your car to a group of college boys going cross-country. Your car will get the added mileage and the customary maturity which results from long, hard trips. . . . and you will be much better off.

Personally, I'd like to go to the ocean, but the best I can do this summer is to have my wife squat

Wesleyan Guild Meets For Study In Church Annex

The Wesleyan Service Guild of the First Methodist Church met on Monday evening in the church annex with Mrs. Mary Owens presiding.

Mrs. Mable Lavender gave the invocation. Mrs. John Fowler, as program leader, introduced Mrs. Clarence Morris and Mrs. J. W. Coppedge. They presented a clever soap opera entitled, "To Freshen Your Programs and Let Them Shine," by unfolding placards of soap.

Mrs. Lavender gave the meditation using Psalms 24:1-2 and St. Matthew 28:18-20.

Mrs. Fowler presented the Seven Goals as set out for the Quadrennium, The Spirit of Christ; for all of Life.

The theme of the program was "Cinerama of Missions—the Four Lands of Decision"; namely: Sarawak, Bolivia, Belgium Congo and Korea. The Methodist Board of Missions has selected these lands as the key points where missions are needed in the world of today.

The Methodist Church and its outreach in the form of a map study was presented by Mrs. Owens. The interesting thing about these mission fields is the location—the very center of each continent in which they are located, and a constant spreading out into the far corners of the world, said Mrs. Owens.

Mrs. Barney Burnett gave a description of Health Work on Sarawak—the women still spin their thread and weave their cloth; malnutrition is highly prevalent; many women and girls suffer from goiters; all Methodist clinical work is under government supervision.

Miss Irs. Hammond reported on Bolivia, the country being named for its liberator, Simon Bolivar. In 1954 the population was 3,162,000. Chief industries of Bolivia are mining, rubber and vegetables. A single person may vote at 21 but a married person may vote at 18. Education in Bolivia is compulsory even though there is a great amount of illiteracy. Methodists are credited with lowering the rate of illiteracy. The state religion is Catholic but the government has opened the doors to other religions. The first Methodists went to Bolivia in 1876. In the last three years the Methodist membership has doubled. The Italians have helped Bolivians develop the sugar industry, Miss Hammond pointed out.

Mrs. Hester Bownds discussed African Women of Tomorrow. She discussed the work two young women are doing in the hospital field, teaching cleanliness, how to care for themselves, etc.

Open Doors in Korea was Mrs. W. W. Linville's topic. In discussing Korea, she asked, "Who will enter?" A missionary entered that open door; the opportunity is great in war-torn Korea. Churches are easily started but difficult to secure leaders to do the work. The challenge is there: "Who will open the door—who will enter?"

Each Guild member received the new year book for 1957-1958.

Mrs. Clarence Morris used a large world map as the background with a large red arrow

IRRIGATION FISHING — Amilda Thomas, former Memphis resident, displays a channel catfish she caught in an irrigation canal near her home. She is a physical education teacher at San Juan, Tex., and the daughter of Mr. and Mrs. E. A. Thomas, former Memphis residents, now of Amarillo.

Friendship Class Enjoys Coffee in McKown Home

The Friendship Class of the First Methodist Church met in the home of Mrs. Lynn McKown for the monthly coffee on Tuesday. Mrs. Gordon Gilliam served as co-hostess.

On the refreshment plate were sugared grapes, cheese biscuits, pineapple-ham appetizer, date rolls and coffee. The dining table held an attractive fruit arrangement in a tiered epergne.

The members planned a definite visitation program for the next six weeks to call on new members and shut-ins of Memphis. Pairs were assigned names for calling that the Methodists may enjoy new fellowships in the community.

Those attending the coffee were Mrs. John Fowler, Mrs. Gilliam, Mrs. McKown, Mrs. R. C. Lemons, Mrs. T. L. Robinson, Mrs. Frank Foxhall, Miss Dorothy Gowan, Mrs. Lee Brown, Mrs. David Aro-nofsky, Mrs. Mildred Stephens, Mrs. Charles Mote, and Mrs. N. A. Hightower, the teacher.

showing the Four Lands of Decision. A large placard further emphasized the Methodist mission field with books on the different courses telling the story of Missions.

Guild members present were Mrs. Bownds, Mrs. Mary Jameson, Mrs. Burnett, Mrs. H. B. Bennett, Mrs. Fowler, Mrs. Owens, Mrs. Louie Merrill, Mrs. J. W. Coppedge, co-ordinator, Mrs. Clyde Morris, Mrs. Clarence Morris, Mrs. Rupert Wynn, Mrs. Arthur Gidden, Mrs. W. W. Linville, Mrs. George Greenhaw, Miss Neville Wrenn and Miss Hammond, and one visitor, Miss Marcene Stephens.

Mrs. Gidden and Mrs. Wynn served as hostesses for the meeting.

Corsica, an island 100 miles off the French coast, is famed as the birthplace of Napoleon.

Austin P-T A. Holds Initial Meeting Tuesday

The Stephen F. Austin Parent-Teacher Association met for the initial meeting of the school year on Sept. 10 at 7:30 p. m. in the school auditorium with Mrs. Grover Booth, president, presiding.

A short business session was conducted by the president. Announcement was made by Mrs. Ace Galley that 49 parents and teachers had paid dues for the coming year.

Mrs. Doyle Fowler introduced the program for the evening. The invocation was given by Dr. Jack Rose and Mrs. Fowler led in the pledge of allegiance to the flag. Mrs. Booth then delivered her message as president, and Mrs. Bill Cosby, secretary, read the Objects of PTA.

B. J. Thomson, school principal, introduced the teachers. Austin school has a staff of eight teachers this year, including two new ones. The new teachers are Mrs. Hiram Crawford, kindergarten, and Mrs. W. C. Davis, who teaches the seventh grade. Mrs. J. W. Coppedge concluded the program with a poem, "He Started to School."

A social hour was enjoyed following the program in the cafeteria.

The next meeting is slated for Oct. 8, according to Mrs. Jack Rose, reporter.

John Lemmon Is New President of MHS Band

The Memphis High School band elected officers Thursday of last week at a business session held at the band house.

John Lemmon was elected president of the organization, while other officers included Eddie Gable, vice president; Gordon Maddox, secretary and treasurer, and Judy Lemons, reporter.

The band presented a back to school show at the Tulia-Memphis football game last Friday evening. Forming an apple on the field, the band played the song, "An Apple for Teacher." The twirlers, dressed in the costume of worms, entered the apples as the band played, "Ain't That a Shame." The band then formed a bell and played, "The Saints Go Marching In." A very clever spiel, written by the band director, Kathy Phillips, was given as the band went into the various formations.

The Lakeview Class elected officers for the forthcoming year this week.

Elected were: Tony Molloy, president; Dwight Floyd, vice president; Judy Pate, secretary; Nila Holt, treasurer; and Linda Campbell, reporter. Mr. C. Goodrum was chosen as sponsor.

John Walker Transferred To Marfa Office of West Texas Utilities Co.

John M. Walker of Memphis has been transferred by West Texas Utilities Company to Marfa where he is now working as district auditor in the company's district office. Lester Cape, who has been serving as acting district auditor since February, has been transferred to the stores department in Marfa.

Walker has been employed by WTU since 1948 when he joined the company in the meter department in Childress. He later worked in the refrigeration department and distribution department. He spent three years as bookkeeper in the Childress and local office. In 1953 he was transferred to the Childress district office where he worked for two years as assistant chief clerk. He resigned in 1955; he was re-employed in April, 1956, as cashier and bookkeeper in WTU's Memphis office. He assumed his new duties in Marfa August 23.

Born in Abilene, Walker attended the public schools in Childress

Barney Burnett Gins First Bale At Memphis Mon.

Barney Burnett ginned the first bale of cotton from this year's crop in Memphis Monday when he brought in 1610 pounds of bolls. The cotton was handled by the Farmers Union Co-Op Gin in Memphis, which produced a bale weighing 380 pounds.

The cotton was grown on the Lowe farm, located about seven miles west of Memphis. John L. Burnett, manager of the local gin, stated that the lint would grade middling, with staple length of 15-16 of an inch.

This is the second bale to be ginned in Hall County, Burnett stated. Doyle Hall ginned the first bale at Lakeview last week.

JOHN M. WALKER

where his father, A. D. Walker, was employed by WTU for many years and is now serving as local manager in Vernon.

He enlisted in the U. S. Marine Corps in 1946 and served two years at Terminal Island near San Pedro, Calif.

Mr. and Mrs. Robert Stewart and family were in Snyder Sunday to see their daughter, Betty, who is teaching in the Snyder school system.

Mr. and Mrs. Dutch Vallance and Mrs. Pearl Vallance visited last week in Anton with the O. B. Vallance family.

Stunted Fish In Farm Ponds Show Growth Under Good Conditions

Catfish, however, do not spawn so well unless special conditions have been provided. For that reason the Commission advises the restocking of catfish ponds after several years. This depends, however upon a survey of the pond fish population.

He recommends remedial measures when fishing becomes bad in farm ponds. This can be achieved either in drainage, selective pond treatment or by fertilization.

Additional information is contained in Bulletin No. 24, issued by the Commission in Austin. This booklet, on "Utilizing Farm Ponds for Fish", may be had without cost by any one interested. Information concerning the use of fish toxicants for selective pond treatment will be sent to pond owners on special request.

14 Persons Die on Panhandle Roads During July

A total of 14 persons were killed on the highways of the Texas Panhandle during the month of July according to a report released this week by Capt. J. W. Blackwell, of the Highway Patrol office in Amarillo.

During the same month last year only eight persons were killed in traffic accidents. The July deaths bring the total for the year to 58 persons, while last year only 44 persons had died on the highways by this date.

The principal violation which contributed to the accidents during July was speeding. This was also the leading cause of accidents in June and has held a top position for many months.

Other violations causing accidents came in the following order: driving while drinking, failure to grant right of way, following too closely and improper passing.

There were a total number of 144 traffic accidents investigated and 965 traffic arrests.

Carol Gardenhire, who has been working in Odessa, has returned here to go to school at Clarendon Junior College.

REA QUEEN—Sydney Slack of Perryton is the first Miss Rural Electrification of Texas, so named during the 17th Annual Membership Meeting of Texas Electric Cooperatives, Inc., in San Antonio August 29-30. The seventeen-year-old high school senior is 5 feet seven and weight 122 pounds. Miss Hall County Electric Co-Op. June Ross of Flomot, was among the eight finalists in the contest.

Soil Conservation News

By CHARLIE CAPE
Work Unit Conservationist

Farmers and ranchers that have grassland in the Hall County Soil Conservation District, are urged to watch their grass closely the next few days. If a good seed crop is promising, livestock should be removed from the area and the grass allowed to make seed.

Grass seed produced this time of year are usually of better quality than those produced in the spring. Germination is generally higher and the seed have a better chance to come up in the spring.

Deferment from now until frost is urged for good seed production on native grassland. The period of deferment should start again in the spring on these areas, and continue until seedlings are well established.

This method of deferment will give the grass a chance to make seed and also a chance to catch up on storing food in its roots for

winter and better vigor next spring. The top growth also provides a mulch and protection for the new grass seedlings to come up in the spring.

For further information on this matter, farmers and ranchers are asked to contact technicians of the Soil Conservation Service.

Calvin L. Todd Completed Marine Training in Calif.

Marine Pvt. Calvin L. Todd, son of Mr. and Mrs. H. T. Todd of 618 South Fifth St., Memphis, completed four weeks of individual combat training Sept. 6 at the Marine Corps Base, Camp Pendleton, Calif.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

Mrs. Helen Hurst of Wellington visited in the home of Mrs. Jett Roberts Monday.

LOCALS

Rita Jo Hale and Van Parrigin of Amarillo visited here Sunday in the home of Miss Hale's parents, Mr. and Mrs. Perry Hale. Other visitors in the Hale home were Carl Bolton and children, Micky and Deanne, of Borger, who called on Sunday morning; and Mr. and Mrs. John Chaudoin and Mrs. Joe Kent Eddins and Connie of Estelina, who visited in the afternoon.

Joe Alvin Young and Bobby Murdock spent the weekend in Amarillo.

Edward Cady of Dickens visited relatives here over the weekend.

Mr. and Mrs. Frank Farmer and two children of Walnut Grove, Mo., spent Monday night with his parents, Mr. and Mrs. Clifford Farmer. Frank was returning home after spending some time in Lincoln County, N. M., doing research for a story.

Mr. and Mrs. Jim Caviness and children of Gravelly, Ark., spent the weekend with her parents, Mr. and Mrs. Frank Ellis.

Mr. and Mrs. J. H. Foxhall are here visiting their parents, Mrs. Rachel Jones and Mr. G. J. Foxhall, and other friends and relatives. Mr. Foxhall is in the Air Force and is stationed at Cape Charles, Va.

Mr. and Mrs. Holmes Posey, Mrs. Albert Gerlach and Mrs. Thelma McClure spent Sunday at Quartz Mountain Lodge near Altus, Okla.

John McCauley and Swayne were in Ft. Worth over the weekend.

Mr. and Mrs. A. L. Bloxom and Joyce of Amarillo visited Mr. and Mrs. J. B. Evans Sunday.

Mrs. Jude Gable visited in Sunray with her mother, Mrs. Nora Painter, over the weekend.

Electric Cooking is COOL

It's truly an exciting song when you have an electric kitchen. You feel so thoroughly modern with electricity to help with every task. Electricity keeps and cooks the food, does the dishes, makes the toast and coffee and even stirs the cake. It's dependable too! Night or day, whenever you flip a switch, you know electricity is there, ready and willing.

Cool, of course it's cool, because the best cooks the food and not the cook. Electricity is so inexpensive you can use a lot of it.

CHEVROLET PICKUP CLIMBS PIKES PEAK THE HARD WAY ...OFF THE ROAD!

An off-the-road run up Pikes Peak was called impossible by people who know the mountain well. But a production Chevrolet pickup actually did it . . . to prove its pulling power and ruggedness!

All the way to the top without using the road! Here the truck scales high boulder pile near the 14,110-foot summit.

Steep grade near timberline—a rugged test of power. The power and torque of Chevrolet's famous Thriftmaster 6 proved more than a match for the most difficult grades.

Miles of loose boulders and thinning air offer extreme challenge. Yet the big Chevy engine never faltered; it performed flawlessly mile after mile, all the way up the mountain!

Final effort achieves summit! Pickup conquers Pikes Peak . . . shows why Chevrolet trucks are famous for staying and saving on tough jobs! Talk trucks with your Chevrolet dealer.

Ben Parks, Jr. Wins Memphis Golf Crown

Ben Parks, Jr., became the new city golf champion Sunday afternoon by defeating Mackie Allen in play at the Memphis Country Club in the final match of the top flight of the city tournament.

Homer Jones defeated Otis Cobb to take the crown of the first flight and Mutt Wansley downed K. D. Nabers to win the second flight.

The third flight, composed of four players, was a 36-hole medal event instead of bracket play. In this flight, Clyde Lee Smith finished first, James Van Pelt second, Claude Ferrel third, and Clifton Burnett fourth.

M. E. McNally, Jr., won the consolation bracket of the championship flight, Joe Durham the first flight, and R. S. Greene the second flight.

The first round of play in the championship flight saw Ben Parks, Jr., defeat J. W. Coppedge; Robert Goodall defeat Oren Jones; Mackie Allen drop Ace Galey, and Louis Saied win over M. E. McNally, Jr.

In the second round of play in this flight Parks defeated Goodall and Allen won over Saied.

Play in the beginning round of the first flight saw Herschel Combs defeat Joe Durham, Homer Jones win over Rev. David Binkley, Paul Smith down Homer Tucker and Otis Cobb defeat Lee Brown. Jones defeated Combs in the second round, and Cobb won over Smith.

Second flight competition during the first round ended with Allen Dunbar winning over R. S. Greene, K. D. Nabers defeating Ralph Williams, Adrian Combs downing Jim Beeson, and Mutt Wansley winning over Ben Parks, Sr. In the second round of play, Nabers defeated Dunbar and Wan-

ley downed Combs.

Winners of the championship, first and second flights received \$17 worth of merchandise, while the second place golfer won \$13 worth. The consolation winner in these flights received \$7 worth of merchandise.

In the third flight, prizes in merchandise were awarded as follows: first, \$8; second, \$6; third, \$4; fourth, \$2.

W. J. Messer

(Continued from Page One)

gay in Amarillo.

Long-time residents of Hall County, the Messer family moved to Amarillo about two years ago and later went on to California. During the time they resided here, Mr. Messer was engaged in farming and also worked with the Soil Conservation office here.

He was born Sept. 25, 1896, in Montague County, Texas. He was a World War I veteran and a member of the American Legion.

Members of the American Legion post here acted as pall bearers and also conducted graveside services.

Survivors include his wife, Mrs. Beatrice Messer of National City, Calif.; four sons, Winfred and L. D. Messer of Amarillo; William Randolph and Tommy Messer of National City, Calif.; four grandchildren; three brothers, Carl and Leroy Messer of Amarillo and Arvel Messer of Plainview; four sisters, Mrs. Iva Mae Brunch of Chillicothe, Mrs. Ruby Hunt of Little Rock, Ark., Mrs. Ada Masengale of Odessa and Mrs. Florence Tull of Portersville, Calif.

A decibel is a unit for measuring sound.

ARTHUR B. RUTLEDGE

Panhandle Baptist Assn. Meeting Underway Here

Dr. Arthur B. Rutledge, secretary of stewardship and direct missions for the Baptist General Convention of Texas, was one of the principal speakers at the annual Panhandle Baptist Association meeting yesterday and today at the First Baptist Church of Memphis.

The Rev. Lanham Campbell, pastor of Travis Baptist Church and moderator of the association, said Dr. Rutledge reported on denominational work and outlined goals for next year's state Baptist program.

As secretary of stewardship and direct missions, Dr. Rutledge coordinates the missionary and stewardship work of 122 Texas Baptist associations, 17 districts and 11 city mission programs.

He is also in charge of Jewish evangelism for the BGCT, the convention's program of church building consultation, and Southern Baptist Forward Program of Church Finance.

Purpose of the associational meeting was to bring messengers from all churches in the association together to share progress reports, get first-hand knowledge of denominational work and hear inspirational messages.

Other local persons who appeared on the program included the following: R. D. Jones, music and education director; George Archer; The Sanctuary Choir, with Mrs. Carl Smith at the organ and Mrs. L. G. Raseo at the piano; Rev. Fern A. Miller, pastor of the church; and Mrs. Frank Ellis, president of the Associational W. M. U.

Mrs. Morris Arterburn and Barbara of Amarillo visited Mr. and Mrs. J. B. Evans over the weekend. Mr. and Mrs. Oscar Maddox and sons also visited with Mrs. Arterburn and Mr. and Mrs. Evans.

John Adams was the first president to occupy the White House.

president stated. Plenty of free ice water will be available for those who have worked up too much steam talking, Jones stated.

A singing is scheduled to be held at 1:30 p. m. with Miss Mary Foreman in charge, assisted by several other local residents. Wendell Harrison will give a short welcome address, but no "long-winded" speeches are scheduled, Jones stated.

A public address system will be set up by J. W. Coppedge for the occasion.

Last year almost 1,000 people attended the affair and more are expected this year.

The main purpose of holding the picnic is to give residents and former residents a chance to get together and visit, the president explained.

"For this reason we have held the program to a minimum in order that plenty of time will be allowed for seeing old friends," Jones said.

License number 100 is always reserved for the president's car.

Hail Friday

(Continued from Page 1)

most 100 per cent loss was reported on the Ernest Lee, Ted Barnes, J. B. and W. B. Waddill, C. E. and J. B. Moore farms. Tommie Proffitt, Les Welch, Tom Sweatt and G. W. Lockhart also received severe damage. The Wayne Hutcherson and Hartsell farms were reported in the severe damage area.

The Fred Collins farm received about 40 per cent damage from the hail, according to reports. The Roy Gresham farm east of Highway 287 received heavy damage, while that west of the road was in better condition.

The damage continued on down to the edge of Red River including the area of the Hendrick land famed by Stewart. Included also was the L. M. Thornton, O. B. Hoover and Frank Foxhall land.

The storm continued on south of the river inflicting some damage at the Jake Morrison farm. Fletcher Carter reported that about 600 acres south of Estelline had from 50 to 100 per cent damage.

On further south and east in the county, Bill D. Hart, Oscar Lambert and John Browning all received severe damage. Beal C. Smith, Raymond Caldwell and Albert Hulver farms received almost 100 per cent loss, according to reports. S. E. Winkler and L. A. Tucker received considerable damage, while the J. E. Masterson farm was hit lighter.

Heavy damage also occurred on the Lloyd Williams, Ted Shields, A. A. Walker and Jim Clemons farms.

A complete list of farms hit by the storm was impossible to compile due to the hit-and-jump nature of the hail, accompanied by strong wind in most places.

Reports from County Agent W. B. Hooser, J. C. Hoover and farmers themselves indicate that lighter hail occurred over much of the area south of Memphis, with the belt of severe damage continuing on through most of Cottle County.

English mail boxes are called pillar posts.

Comments

ons and a lot of them, but his neighbors declare the crops on his farm are the best in the whole area, and well worth seeing. All of us here at The Democrat office join in sincere thanks for the jumbo-size melon brought for our enjoyment.

The weatherman keeps trying to bring more rain to the Panhandle, and so far has been able to scatter them out. What is needed now is a visit by General Rain.

See you at the picnic.

Morris Higley

(Continued from Page 1)

any other organization or group, to quote Anthony Eden," President Kinard said. "More countries are represented in Rotary than there are in the United Nations and all have the same general objectives as the Memphis club—developing better understanding and fellowship among business and professional men, promoting community betterment, raising the standards of businesses and professions, and fostering the advancement of goodwill, understanding and peace among all the people of the world."

More than 4,706,017 acres of Texas land are under irrigation.

The flag of the 11 Confederate States of America was known as the "Stars and Bars".

Field Employment Office To Open Here Monday

J. C. Hoover announced last week that he will be the representative again this year of the Texas Employment Commission during cotton harvesting. Hoover stated that he would begin Monday, and urged area farmers to know how many hands they need and on what date.

This information is passed to the employment office in the state and they send the crop when they have completed work in other sections. "There is no charge for service," Hoover said, "that it was supported from funds."
