1960 Forecast Calls For Inflation; 'Cold War'

Editor's Note: Below is the 1960 Financial Forecast for 1960, by Roger W. ...

Business and Financial Forecast for 1960

Naturally, as I am just back from Moscow and Berlin, my first thoughts are what will happen in 1960. My answer is definitely "NOTHING WILL HAPPEN."

to raise the standard of living in Russia. I forecast he will have to do this in order to hold his power.

5. We first feared a "shooting war"; now we are in a "cold war"; but we will soon be in an "educational war."

6. Along with the effort to improve education during 1960, I forecast that our teachers will be given a minimum salary of \$5,000 and that schools of all states will receive federal aid.

7. I forecast that instead of spending so much money on new

school buildings, municipalities will give more attention to discipline, promotions, and sifting, and to the teaching of mathematics, physics, and chemistry in both grammar and high schools.

8. I forecast that some of those who have gone into business will seek teaching jobs, which will be a major force in postponing World War III. School teaching will be a part of our national defense.

9. The Russians are afraid of China, which I hope to visit again in 1960. Hence, I forecast that more friendly relations will develop between China and the Uni-

ted States during 1960.

10. Space travel to the moon is largely for propaganda purposes and to take our minds off of the military phases of rocketry, submarines, and breaking the earth's crust. Only the fear of retaliation will prevent the Russians from starting a world war.

Political Outlook

11. I will now forecast who the Republican candidates in 1960 will be — Nixon and Rockefeller.

12. The Democratic candidates cannot now be forecast. Senator Kennedy thinks he has the nomination.

45,598 Bales Is Last Ginning Count Figure

Former Memphis Coach To Direct U. of W. Defense In Rose Bowl

Miss Zady Belle Walker will leave today and fly to Pasadena, Calif., where she will make good use of the ticket her brother, Harold (Chesty) Walker sent to her.

Chesty Walker, former coach of the local high school, and of the Phillips "Blackhawks" football team for a number of years, is now head assistant coach for the University of Washington team which will meet the Wisconsin Badgers.

Walker, who is in charge of defensive strategy for the Washington squad, will have his work cut out for him. Many forecasters have picked Wisconsin over Washington on the strength of their experience and a big, hard-charging line.

According to Columnist Royal Broughton in the Post-Intelligencer, Walker has played a vital role in getting his team into the Rose Bowl classic. In speaking

on the UW win over Washington State for the Coast co-championship, he said Chesty's defense held the high-scoring State team to a goose-egg. "There is nothing startling about that, except Chesty Walker did it without once seeing WSU play. His story, disclosed yesterday, shows the fine, close organization work which went into building the Cinderella team from a two-year loser.

"I didn't have to see them play," the veteran strategist from Texas said. "The film of the Cougar games plus all the information which our scouts gave me was all I needed. We just throw all of our dope on their players and play patterns into the hopper, and I put it together."

Miss Walker and Mrs. May, both sisters of Chesty, will see him in action. However, Miss Walker said that Chesty stays in the press box during the game, so local TV watchers will not be able to see him.

Also attending the game from Memphis will be Mr. and Mrs. Jess Dennis.

According to a telephone survey conducted by The Democrat Wednesday of all county gins, Hall County has produced 45,598 bales of cotton as shown by ginning totals.

Only a very few bales remain to be ginned; so the above figure is estimated to be close to the final tabulation. However, past experience has shown a lowering of the county figure when the official count is made next spring.

Slightly over 1000 bales have been ginned since the last report was published Dec. 10.

The 45,498 bales is the actual ginning figure in the county as reported by different gin managers. Each year, a number of bales are brought into the county to be ginned; so the official figure will not include this part of the crop.

Those who entered the annual Democrat Cotton Guessing Contest and who guessed around 45,000 bales, have a very good chance of being close to the official figures, according to local comment.

SS Man To Be In Memphis On Different Dates

"In order to give better service to the people around Memphis during the coming period of unusually heavy work loads, we are changing the day and time of our visits," Hal Geldon, Manager of the Amarillo Social Security Office, said today.

Geldon noted that visits will be made on Wednesday instead of Tuesday. During the first three months of 1960, trips are scheduled for January 6 and 20, February 3 and 17, and March 2 and 16. Persons can contact Field Representative Curtis Watts on any of these dates between 8:30 a.m. and noon, in the district courtroom of the County Courthouse, on social security business.

Because of the large crowds expected, Geldon suggested that some persons may wish to visit the social security office in Amarillo to transact their social security business. Such persons will be able to receive prompt assistance in filing their social security claims when they visit the main office. The office is located in Room 324 of the Post Office Building at 5th and Taylor. Office hours are 8:30 a.m. to 4:30 p.m., Monday through Friday except legal holidays.

Jess Whittington Critically Ill In Pecos Hospital

Jess Whittington, superintendent of the Lakeview Schools, suffered a heart attack Monday, Dec. 28, according to information received here by friends of that community.

He and Mrs. Whittington left Lakeview with the intention of spending the Christmas holidays with relatives in Pecos and El Paso. He was stricken in Pecos. According to reports Wednesday, his condition is listed as critical.

After the attack he was rushed to a Pecos hospital.

FATAL WRECK — Pictured above is the Casteel's 1958 Chevrolet, following the car-trailer accident early Sunday morning two miles north of Memphis. Mrs. Dale Casteel died shortly after the accident, and Dale Casteel is suffering from several broken bones in Northwest Texas Hospital in Amarillo.

Wife Killed, Husband Injured In One Car Accident Sunday

A car-trailer accident claimed the life of Mrs. Christine Delores Casteel, and left her husband in critical condition about 2 p. m. Sunday two miles north of Memphis.

Mrs. Casteel, 25, of Dallas, died in a local hospital at 4:45 a. m. Sunday. Her husband, Albert Dale Casteel, 22, received emergency treatment at the hospital and then was taken to Northwest Hospital in Amarillo. He is in fair condition with a fractured left leg and a broken right hip.

Funeral services for Mrs. Casteel were held in the First Baptist Church here at 2 p. m. Tuesday, with the Rev. Fern A. Miller, pastor, officiating.

Her remains were taken to Sherman, where services were held, and she was buried in the West Hill Cemetery there, today.

Mr. and Mrs. Casteel, and Mrs. Casteel's mother, Mrs. Rachel Mandel of Sherman, were visiting

Casteel's relatives at Lakeview over the holidays.

Highway Bill Cornelius of Clarendon said Casteel's 1958 Chevrolet struck a small two-wheel trailer pulled by a car driven by William Upton Anderson, 56, of

Marshall. Both vehicles were moving south.

Investigating officers said the Casteel vehicle, apparently traveling at a high rate of speed, skidded 216 feet before colliding with the trailer, then skidded an additional 200 feet and rolled over one and one-half times.

The occupants of the Anderson car, and the four other passengers of the Casteel car, Mr. and Mrs. Otis Bohannon, Joe Cruz, and Lena Sue Spruill, were not injured.

Mrs. Casteel is survived by her husband; one daughter, Marla Lynn, and one son, Farron Dale, both of Dallas; her father, Chris K. Mandel of Fort Cobb, Okla.; her mother, Mrs. Rachel Mandel of Sherman; four brothers, J. D. Mandel of Fayetteville, N. C., S. C. Mandel of Fort Worth, K. C. Mandel of Jeffersonville, Ind., and Kenneth Mandel of Sherman; and a grandmother, Mrs. S. T. Sellers of Sherman.

Pall bearers were: L. A. Watson, Russell Casteel, Alvin Casteel, Eddy Smith and C. T. Chapman.

Funeral services were under the direction of Spicer Funeral Home.

Several local firms To Close Tomorrow

Several of the local business firms will be closed tomorrow, (Friday), Jan. 1, in observance of one of the four holidays set by the Retailers Committee and approved by the directors of the Memphis Chamber of Commerce and Hall County Board of Development.

The four holidays include July 4, Thanksgiving, Christmas, and New Year's Day. Les Sims, chairman of the committee, said.

"I have received a telegram from State Officials, informing me that Pugh's parole has been evoked," Sheriff Baten said.

According to Sheriff Baten, no date has been set for the trial, however, it will be within the next few weeks.

C. of C. Announces Five Home Winners

The five most beautifully decorated homes in Memphis were revealed this week by Chamber of Commerce manager Clifford Farmer following judging the night of December 23.

The five local homes selected are: the John Deaver home, the T. J. Dunbar home, the Irvin Johnsey home, Dr. Jack Rose home, and the Clint Srygley home.

The judging was done by two out-of-town judges and one local judge. Color pictures were taken of the homes the same night the judging was done, Farmer said, and are at present being processed by a color photography firm.

The five 5 x 7 inch colored pictures will be presented to the

O. R. Lambert Asks Re-Election As Commissioner

O. R. Lambert of Estelline this week authorized The Memphis Democrat to publish the announcement that he was a candidate for re-election to the office of Commissioner, Precinct No. 3 of Hall County. This will be subject to the action of precinct voters at the Democratic primaries in 1960. He issued the following statement to the citizens of his precinct:

"In 1958 the voters of Precinct No. 3 elected me as your County Commissioner to serve the balance of the regular four-term. This election was caused when the official holding that office publicly announced the date of his resignation. For your confidence and support in that election, I am deeply grateful, and want to thank each of you for this; also to ask you to return me to the office to serve a full term.

"Now that I have served a year as your Commissioner, you know the manner in which I meet our

problems and the efforts I put forth to solve them.

"I am glad to say that our road and bridge fund is getting in better shape, which will make it possible for me to do a better job of maintaining our dirt roads in future years. Also, I am proud to say that one of our important roads will be paved within the near future.

"As I ask you to give me your support, I want to call attention to the record I have made during my first year in office. If anyone has any question to ask me, please feel free to ask, and I'll attempt to answer. I have learned that it will take all of us working together to solve our problems.

"Although I am working full-time as your Commissioner, I intend to see and talk to as many of you as I can before the first primary next May. Until I see you, accept this announcement as a solicitation for your support in this race.

Sincerely yours,
O. R. Lambert."

Mr. and Mrs. Dewey Simmons and family of Lockney visited here with Mr. and Mrs. Freddie Smith, the Jess Rodens and the Elmont Branigans over the weekend.

Locals and Personals

Lucille Williams visited in Reed, Okla., during the Christmas holidays with her parents, Mr. and Mrs. Edward Williams.

Melissa Anderson Seeks Re-Election As Tax Assessor

Melissa (Mrs. W. C.) Anderson this week announced that she was a candidate for the office of Tax Assessor-Collector of Hall County. In authorizing The Democrat to make the announcement, she stated that she was seeking her second term, and that her candidacy was subject to the action of the Democratic primaries. Her statement follows:

"To the Citizens & Voters of Hall County:

"First I want to thank the people of Hall County for what they have done for me and mine, especially those who have voted for me, and also thank those people who have helped me in any way possible. I would especially like to thank all of you for the splendid cooperation you have given me. You have been good to work for, and I have tried to render you every service possible.

"In making my announcement for a second term for Tax Assessor-Collector I want to say that I believe that my past experience will enable me to do a better job for you. However, according to the State and County, as well as School Auditors, our office ranks above the average in efficiency. We are proud of this record.

"If I am elected again I shall do my best to improve all phases of work. I have tried to be courteous at all times, and to impartially serve all the people, that is, without distinction of person.

"The tax situation is, as we all know, in all fields, local, State and Federal, not all any of us desire. There is a problem for all to consider and work out, but some one will have to do the job of assessing and collecting State and County Taxes. I ask you very humbly for your support and for your votes in the coming Democratic Primary Election. I shall do all in my power to carry on the duties in my office in a manner pleasing to all concerned.

"I have these qualifications to offer: First, I know how to do this work and I will do it. Second, I need the job and I will appreciate your influence, and all your votes if you can see fit to support me at the polls.

Melissa (Mrs. W. C.) Anderson"

Mr. and Mrs. A. J. Welch and daughters, Susan and Carolyn, of Fort Worth, spent the Christmas holidays here with Mrs. Welch's parents, Mr. and Mrs. Herschel Combs and brothers, Adrian and Billy Combs and families.

Soil Conservation News

The Supervisors of the Hall County Soil Conservation District are pleased to see the increased interest in seeding of native grasses on sub-marginal cropland and abandoned fields within the District, reports Wayne Hutcherson, local supervisor.

Cooperators of the District are planning to seed several thousand acres of native grasses. Some grasses will be seeded in pure stands, but in most cases a mixture of grasses will be used. Grasses that are adapted to this area and that will be used in these seedings are blue grama, sidecoats grama, switchgrass, Indiangrass, King Ranch or Caucasian bluestem, sand and weeping lovegrass, little bluestem, and sand bluestem.

These grasses will be seeded with assistance from various existing programs, such as the Great Plains Conservation Program, Agricultural Program, and Conservation Reserve Program. For information on any of these programs, contact your local Soil Conservation Service office, Agricultural Stabilization and Conservation office, or County Agent's office.

The time to seed native grasses is almost here. Seeding time for grasses begins in January and continues through May. The earlier plantings seem to do better. Besides weathering of the seed, the seed are in the ground during the period when we get our spring rains. Another advantage to early seeding is that you have the job done prior to beginning your normal spring farming operations.

The District has grass drills that can be rented for seeding grass. Also there are private contractors available to seed grasses.

Soil Conservation Service technicians are available to help you plan your grass seedings, decide on adapted species, mixtures, amounts of seed to buy, and when and how to seed your grass. They will also assist you in planning the management of the seeded area, after your grass comes up.

Cooperators in the District that plan to seed grass this coming year are C. L. Benson, Bill Montgomery, Omer Hill, David Hudgins, Roland Salmon, and Joe Montgomery.

Mr. and Mrs. J. O. Haynes of Kilgore spent the Christmas holidays with her father, A. Baldwin, and sister, Mrs. T. L. Rouse.

Mr. and Mrs. Byron Baldwin returned Sunday evening after spending the Christmas holidays with their son, Dr. James Baldwin and family in Dallas.

FAST STEED — If Senator Lyndon B. Johnson decides to run in the 1960 Presidential Derby, he has a horse for the purpose. This four-year-old quarter horse was presented to the Senator by the Tarrant County supporters at a recent appreciation dinner. Senator Johnson lifts his western-style hat in responsive appreciation.

Sim Goodall Is Candidate for County Attorney

Sim Goodall this week authorized The Memphis Democrat to announce his candidacy for the office of County Attorney of Hall County, subject to the Democratic primaries.

In his statement to county voters, Mr. Goodall said:

"I am taking this method of announcing my candidacy for County Attorney of Hall County, and asking your support in my behalf."

"The office is one of most important in the county, since it plays a major role in the legal affairs and law enforcement of the county."

"I was born in Hall County in February, 1932, and have always considered it my home, except for the eighteen months I resided in Tulsa, Texas, where I was engaged in the practice of law. I am married and am the father of a nine-month-old daughter.

"While serving in the U. S. Air Force, I was responsible for law enforcement and physical security of the installation on which I was stationed. I am currently associated with the Office of Special Investigations for the Air Force working with the Amarillo office in a reserve capacity. As a part of this work, I attended and graduated from the school which is conducted to train investigators for the OSI, completing the course in April 1959. I feel this complements my practice of criminal

law by bringing the investigative viewpoint alongside the prosecuting phase of law enforcement.

"I feel this county is fortunate to have the caliber of men who are now serving in law enforcement capacities, and I know that I can work closely with these agencies.

I would appreciate your vote and influence on my behalf in the forth coming election.

Christmas Cards Bring Pleasure In Other Lands

Want to put used Christmas cards to good use?

Then follow the suggestion of Virginia Brouder—and mail them to: Miss Eula Butler, 745 Merrick St., Shreveport 11, Louisiana.

She explained that Miss Butler is sponsoring a project of sending the greeting cards to missionaries, who use them to give pleasure to hospital patients and others.

"Easter, get well, birthday, Mother's Day, etc., cards are all welcomed by Miss Butler any time of the year," she added. "The missionaries never get enough good cards."

J. E. Neeley Dies In Lamesa

Funeral services for J. E. Neeley, 75, brother of D. A. Neeley and Mrs. Sam Alexander were held December 23 in the First Methodist Church in Lamesa.

Mr. Neeley had lived in Dawson County for 27 years. He died in a Lamesa hospital following a heart attack.

Attending the funeral services from here were Mr. and Mrs. Neeley and Mrs. Alexander.

Church of Christ Youth Attend Meet in Lubbock

Fourteen persons from Memphis attended an area-wide youth meeting held on the campus of Lubbock Christian College recently.

After a dinner in the college cafeteria, the young people were entertained with a concert by the LCC band and a Capella choir.

Stanley Lockhart, minister of the Harris and Irving Church of Christ in San Angelo, spoke during the devotional period on "The Challenge of the Age."

Approximately 1,000 persons from West Texas and New Mexico attended the meeting.

Those attending from Memphis included: Betty Young, Sharon Davis, Sue Watson, C. J. Goodnight, Gene Newton, Dwain Eller, Wayland Fronterhouse, Bob Alewine, Gordon Newton, Mr. and Mrs. Thurman Eller, Mr. and Mrs. Sim Goodall and Tom Pickard.

CORRECTION

We are sorry. Due to a typographical error a mistake was made in the A. W. Howard Family Christmas and New Year's greeting ad last week. All names of the family were included with the three daughters names listed preceding their husband's names. Due to spacing, one of the daughter's names read: "Chrystal Hand Captain L. H. Calhoun. (Retired)" . . . of course the name should have read: Chrystal H. and Captain L. H. Calhoun (retired).

Visiting in the home of Mr. and Mrs. E. E. Roberts during the Christmas holidays were Mr. and Mrs. Evan Roberts Jr., and children of Lubbock and Mr. and Mrs. E. L. Derr Jr. of Fort Worth.

Mr. and Mrs. L. W. Shawhart and Shirley and Jimmy visited in Hugo, Okla., during the Christmas holidays.

1960: What To Expect

1960 will be an unusual year in the Congress. It is a presidential election year, which usually means that highly controversial issues will be a standstill. However, this will not be the case in 1960, the reason being that there probably never has been a time in our history when there were more crucial as well as controversial issues to be faced both on the domestic and international fronts. Let us divide these into their respective categories.

International

1. The arms race between the free world and the communist world. There will undoubtedly be many suggestions as to disarmament proposals. These must be weighed in the finest balance. The destructive power of modern-day weapons demands that any disarmament proposal be not tainted with the slightest degree of misunderstanding or ambiguity. One misstep could mean the beginning of events that could easily lead to the third world war.

2. Summit meeting. Whatever subjects may be finally decided upon for discussion as the scheduled summit talks, it can be expected that these talks will provide issues to be decided upon by this country that can and undoubtedly will develop cannot wait simply because this is a presidential election year. A firm and unmistakable stand must be taken and these issues must be squarely defined and debated so that the American people can have a clear understanding of what is at stake.

3. Economic trends. Our world markets will undoubtedly be challenged to a greater degree in 1960

than heretofore. The European common market, which anticipates an economic coordination as well as a political coordination between the six member countries, can be expected to have a noticeable influence in world trade. The same is true of the so-called "Outer Seven", which includes Great Britain and six other countries in the European and Scandinavian areas. How much further Russia will move into the consumer goods area is not yet known, but her activities in this regard could have further influence on the world commerce picture.

4. Recognition of Red China. This will be a number one issue in 1960 and will be the subject of extended debate in the Congress of the United States. Many take the position that the free Chinese on Formosa are an ineffective force and are expendable; that the present communist government of Red China is the government of the Chinese people and should be recognized. On the other hand, there are those who subscribe to the policy that no nation should be allowed to obtain recognition from this country by the use of force and arms and that until the Chinese people have had a fair and undictated opportunity to make an honest choice as to their government, our continued recognition of the free Chinese government should not be changed. Much of the demand for recognition of Red China comes from the clamor of many countries who depend upon trade. They realize the vast market which is available in Red China. The advocates of recognition in this country also believe that unless we recognize Red China, we

will lose much of these markets. This is a subject that should be thoroughly understood by American people before any serious step and principles are not be sacrificed for possible material profit.

Domestic

1. Taxes. The entire tax structure is undergoing a complete overhaul. As I pointed out earlier in the fall, there is a much possibility of a tax cut in 1960. However, it is expected the groundwork will be laid to bring about much-needed corrective measures in early 1961.

2. Civil rights. The so-called "il rights" advocates have become vociferous and can be expected to push and plan to bring about much-needed corrective measures in the courts regardless of the individual citizens involved. This may look good on face, but it is contrary to the law of this country and could do much damage in furthering the realization of this government.

3. Health insurance. This, at times referred to as social medicine, will be a subject of great controversy in 1960. The administration will come forward with a measure similar to proposals and efforts will be made to push through this type of legislation. Many feel that there are political overtones involved, any event, the people present should be on the alert.

There are many other items which I must wait until later letters to discuss, because of lack of space.

A Happy New Year to all.

Holiday visitors in the home of Mrs. Susie Kesterson include Mrs. Seth Pallmeyer of Galveston, Ga., Mr. and Mrs. G. W. Watkins and sons of Wichita Falls, Mrs. Pearl Hague of non and Mr. and Mrs. Ellis B. Bowers of Lubbock.

MR. AND MRS. JIMMY DALE HARTSELL

Dorothy Wheeler Becomes Bride of Jimmy Dale Hartsell In Saturday Rites

Miss Dorothy Marie Wheeler, daughter of Mr. and Mrs. Dutch Wheeler, became the bride of Jimmy Dale Hartsell, son of Mr. and Mrs. Connie Hartsell, at 5 p. m. Saturday, Dec. 26, in the Church of Christ parsonage. Tom Pickard, minister of the church, read the double-ring ceremony.

The couple's only attendants were Miss Beatrice Hook, who served as maid-of-honor, and Jerry Hooser, who served as best man.

Miss Hook was attired in a street-length dress complimented with white accessories and a corsage of white carnations.

For her wedding the bride chose a white street-length dress accented with beige accessories. She carried a bridal bouquet and wore a white half-hat.

Mrs. Wheeler, mother of the bride, wore a frock of orchid jersey complimented with white accessories while Mrs. Hartsell, the groom's mother, wore a black dress complimented with white accessories.

Immediately following the wed-

ding, Mr. and Mrs. Wheeler were hosts at a reception at their home. The bride's table was laid with a white cloth and centered with a bouquet of roses. Misses Beatrice Hook and Mary Snyder served the punch and tiered wedding cake.

Both the bride and groom were reared in Memphis and attended the local schools. Mrs. Hartsell, who is a high school student, plans to continue with her studies.

Mr. Hartsell is presently employed with road construction near Memphis.

Following a short honeymoon trip to Wichita Falls, Mr. and Mrs. Hartsell are at home in Memphis.

Attending the wedding and reception were Mr. and Mrs. Connie Hartsell, Mrs. Gretta Carter of Childress, Margaret and Bob Price of Childress, Mr. and Mrs. L. B. Snider, Mary Snider, Jerry Hooser, Barbara Lambert, Bill Rogers, Mrs. Estelle King and Mrs. M. T. James of Estelline, Beatrice Hook, Tom Pickard, Ted Wheeler, Terry Wheeler, Shyrel Wheeler and Mr. and Mrs. Wheeler.

Mizpah Guild Members Enjoy Yuletide Party

One of the prettiest parties of the holiday season was enjoyed by the members of the Mizpah Guild in the home of Mrs. O. L. Helm Monday evening preceeding Christmas week.

The Christmas tree, gay with lights and red paper stars, and other bits of holiday decoration lent a festive air to the occasion. Delicious fare was served to each guest with home-made candies as dessert. Plate favors were Christmas corsages.

Mrs. Brode Hoover acted as chairman and first reader for the program which followed the supper. Mmes. Bill Cosby, O. L. Helm, and Virginia Browder assisted in presenting the program of scripture and legend. Candle lighting, carols, and prayer concluded the worshipful interlude.

Glady Power and Virginia Browder, with side remarks about each member as her name was called for a gift from under the tree, added the spice of hilarity and merriment on which the party ended.

Assisting Mrs. Helm with hostess duties were Mmes. Cosby and Roberts.

The following guests were present: Mmes. O. V. Alexander, John Deaver, Courtney Denny, Allen Grundy, Clifford Farmer, Carl Harrison, Brode Hoover, C. W. Kinslow, Will Leslie, Joe Montgomery, Conley Ward, Forrest Power, Guy Wright; and Misses Mary Noel, Gertrude Rasco, and Nelson.

CARD OF THANKS

I want to express my gratitude for the sympathetic interest and help from my dear friends, in the form of inquiries and visits, gifts, flowers, cards and letters, and for food and lodging for members of my family, and other kindnesses, during my illness. I also thank Dr. Odom, Dr. Clark, and the personnel of Odom Hospital for their attention and care, and the staff of Spicer Funeral Home for comfortable transportation to and from the hospital.

B&PW Club Enjoys Party In Whitley Home

The home of Mrs. Wyley Whitley was the setting for the annual Christmas party enjoyed by members of the Business and Professional Women's Club. The party was held on Thursday evening preceeding Christmas week.

The spacious entertaining rooms were attractively decorated for the occasion. In the dining room the table was laid with a white Christmas cloth of net over satin which was applied with felt. Christmas bells adorned with sequins. Centering the table was a white and silver Christmas arrangement.

A most enjoyable Christmas play was presented by members of the Thespian Society under the direction of Mrs. Roy Guthrie.

Gifts were exchanged from a beautiful tinsel tree which stood in the picture window in the living room.

Following the gift exchange, the group enjoyed singing Christmas carols.

A tasty refreshment plate was served.

Dr. Cleve C. Odom Visits Brother Here

Dr. Cleve C. Odom of Winter Park, Florida, visited the first of this week with his brother Dr. J. A. Odom and family. He is a retired Army Colonel. While here he visited with Roy Guthrie and Mac Tarver, whom he met during World War I, following his entry in the service in 1918.

Dr. Cleve Odom was the first commander of the first Division of Psychiatry organized by the Army. He retired from active service in 1948 and served 10 years as administrator for Veteran's Hospitals until his retirement from active life in 1957. He has been in Texas this month visiting with relatives following the death of his wife last month.

Mr. and Mrs. O. H. Odom, another brother from Pampa, visited Monday with the Odoms here.

Forecast Calls

(Continued From Page One)

tion "sewed up"; but Johnson and Symington, and even Stevenson, have large followings.

13. I forecast that relations with Russia will become far more important than the question of inflation.

14. The Republican slogan in 1960 will be, "It is always dangerous to swap horses going across a rapid stream." I therefore forecast that the Republicans will have at least a 50-50 chance of success in 1960.

15. In fact, on the basis of their slogan, I look for a Republican victory, though with a very close margin.

16. I forecast no reduction in taxes of any consequence during 1960.

17. I predict that present defense expenditures will be reduced and the money spent on rocketry, submarines, breaking the earth's crust, and education.

18. There will be very little reduction in foreign aid during 1960.

19. I forecast an attempt in 1960 to increase tariffs on goods imported from Germany, Italy, Japan, and other cheap labor countries.

20. I expect 1960 to be a "do-nothing" year for our Congress. Both parties will be working for continued prosperity.

21. I forecast no substantial reduction in living costs during 1960.

22. The newly imported cheap, low-priced automobiles are here to stay. Their importation cannot be checked.

23. Electric power rates will be lowered in 1960.

24. Clothing should cost less in 1960. In fact, most textiles and plastics will sell for less in 1960.

25. Soap and all forms of washing powder will sell for less in 1960. This applies also to "wonder drugs" and other chemical products.

26. Cost of wooden homes - due to labor - will advance in price during 1960. Cement and modern machinery will displace bricklaying. Hence, there may not

LAFF OF THE WEEK

"Oh, they're a little loose now—but they'll be fine when I get my skis on."

be much increase in the cost of building fire-proof apartment houses.

27. The cost of electronic machinery should be higher because of the growing demand for automation to offset the rise in wages.

28. Steel products (especially stainless) - from the tableware used in homes to the steel used to build bridges - will be in greater demand in 1960.

29. The demand for most food products will increase during 1960. This should especially help the United Fruit Company, as bananas give the most nourishment, at the least cost of any known food.

30. I forecast increases in rents, maintenance, and taxes. But supermarkets will compete with one another and the housewife should benefit therefrom.

Florida is a good place for middle-aged people to buy a home in a small city as insurance for the time when they retire. Persons buying such homes should depend upon a check from the North every month and not depend upon getting a job in Florida. Even today in Florida one person in ten is over 65 years of age.

Real Estate

31. The price of city real estate will depend upon its parking privileges. Wise municipal officials will pull down old two and three story buildings to make parking lots and municipal garages much more plentiful.

32. The above also applies to suburban real estate. I forecast that new suburban zoning laws will require houses to have vacant adjoining lots sufficient for present and future parking needs.

33. The demand for modern

stores and for centrally located apartments will continue to increase during 1960.

34. I forecast that those building a "single" house for their own occupancy will also provide an apartment for rent.

35. I forecast that large commercial farms should be profitable in 1960; but many operators of small farms, not properly located for suburban growth, will sell to some adjoining farmers.

36. Small farms on well-drained land and near enough to a city for future suburban developments should be held. I forecast such farms should some day sell for triple their present price.

37. Seashore property should be held. The government can print more bonds and corporations can split and declare stock dividends to make more stocks; but only God can make seashore property.

38. I forecast that real estate taxes will increase during 1960. We are property owners who make their rentals "PLUS ANNUAL TAXES."

39. As the Russians gradually move westward like a glacier, taking ownership of all property, wise people in Europe will sell their present property and businesses and move to the United States.

40. I forecast that revolutions in mining will continue during 1960, and you may find that you are living on a valuable iron deposit, if not on a gold mine.

Investment Outlook

41. For the first time in the 40 years that I have been preparing these Annual Outlooks, I shall not take a position on the Dow-Jones Average for 1960. I am, however, inclined to believe that the stock market in general will hold up at least until after the election. Then there may come a break, whichever party wins the election next November.

42. I forecast 1960 will be the year to buy good bonds. United States Government Bonds yield 5 per cent are a great bargain. Anyone buying them is bound to make money. I also like all non-taxable bonds and also some taxable but convertible bonds.

43. I forecast some chemical stocks will still be a buy in 1960, although they yield little income and are good only as growth stocks.

44. There will be failures by the thousands among those companies now issuing electronics stocks. Electronics issues have become a popular fad. There is also unemployment ahead for many who are now working in electronics factories.

45. I forecast that the stocks of electric power companies, but not those of large cities, will be in greater demand in 1960.

46. Of all stocks, I forecast that United Fruit may be most in demand in 1960.

47. I predict that only a few railroads will be popular during 1960, such as Canadian Pacific, Union Pacific, Northern Pacific, and perhaps Southern Pacific and Atchison. I am bearish on Pennsylvania Railroad, New York Central, New Haven, and all short lines except for the Norfolk & Western, my "pet gravity road."

Telephone Co. Names Changes In Personnel Here

The General Telephone Company of the Southwest has made several employee changes, it was announced this week by Mills Roberts, division manager.

S. C. Hindman, who has been with the division office since it was established here, has been promoted to general equipment maintenance coordinator. The promotion became effective Dec. 1, and Hindman will be moving to San Angelo sometime in January, Roberts said.

A. L. Singley will replace Hindman as division equipment supervisor in Memphis. He was division equipment installation foreman, formerly of Guyton, Okla. He has been in Memphis since Dec. 1.

Roberts also announced that A. H. Hull, plant supervisor at Jacksonville, will come to Memphis to be the division construction supervisor. Hull will move with his family as soon as he locates a house.

I also fear a short railroad strike.

48. Failures will continue to increase during 1960.

49. I forecast that these huge national roadbuilding program will give an uplift to business as it progresses.

50. There will be no marked changes in money rates during 1960. Inflation will gradually continue, but may not be serious during 1960.

The best investment policy during 1960 will continue to be a well-diversified portfolio with one-third in stocks for possible growth profits, one-third in bonds for safety and income, and one-third in cash in order to have funds available for investment in the severe and sudden drop in the stock market which will come some day.

Conclusion The three handicaps to American business in 1960 will be increasing installment purchases, the unfair demands of labor union leaders, and President Eisenhower's physical condition. The three hopes for America are our churches, our schools, and our praying parents.

New Wonder Drug Cosmetic Restores Young Look to Skin

Medical Tests Show Helena Rubinstein's Ultra Feminine Face Cream Reverses Two Aging Processes of Skin and Restores Young Skin Tone

Now it is possible for you to restore the activity of specific skin cells that are aging. Yes, actually to reduce wrinkles due to dryness, to restore young skin tone, to awaken the 'youth supply' cells put to sleep by time! This is beauty news that comes along once in a lifetime! The discovery that has made it possible is Helena Rubinstein's Ultra Feminine Face Cream with estrogen and progesterone, both vital female hormones. This cream—actually a wonder drug cosmetic—has been medically tested by doctors and research scientists, by hospitals, clinics and universities. The results are thrilling!

Skin acts young After Ultra Feminine treatment, oil glands begin to produce at a younger rate again!

Jewel-like pure crystals of Estrogen and Progesterone—the two vital female hormones in Ultra Feminine Face Cream.

With a plentiful supply of natural oil the skin becomes soft, supple, protected. Skin tissue cells are able to hold maximum moisture again—that all-important process that makes the skin look young. Aging lines smooth out because the skin surface now rests on

a firm, full pillow of moisture-plumped cells!

Works like a prescription

And the whole process, miraculous to behold, is completely natural because estrogen and progesterone are the female hormones which power these cells in youth. Ultra Feminine is actually a wonder drug preparation which works within the skin to replenish these physiological substances which wane with time. It works like a doctor's prescription yet has been proven so safe that you need no prescription to buy it! Take advantage of this special offer. Start using Ultra Feminine now. In 30 days, you will see the difference.

Helena Rubinstein, creator of Ultra Feminine, the first medically tested face cream that reverses two of the aging processes of the skin.

ONCE-A-YEAR SALE!

Because Helena Rubinstein believes that Ultra Feminine is her greatest cosmetic achievement, she makes this special offer so that you may discover for yourself that you can look younger. One jar will convince you!
