## Cyclone, Bear Cubs Tangle Friday Night

The Memphis Cyclone will play its first home game Friday night, against the Estelline Bear Cubs. Game time will be 8 p. m. at Cyclone Stadium.

Both teams suffered a defeat in last week's play, the Cyclone losing to Tulia 47-0, and Estelline losing to Price College of Amarillo, 32-6.

Head Coach Don Lambert said that the game will prove to be a good competitive match between rivals. Estelline, last year came out victorious over the Cyclone squad, 21-20.

Paul Corona, a hard running fullback for the Estelline Bear Cubs, made the score for Estelline.

Both teams will be seeking a win for their record, Friday night, and area sports fans should not be disappointed in the brand of football the squads will play.

The Cyclone eleven gained several more players this week, with six freshmen and sophomores reporting for workout Monday. They are: David Dillon, Bill J. Pounds, Charles Waller, Jackie Bridges, B. H. Cook, and Sammy Sperry. Coach Lambert said that he was happy to get the additions, and that the boys will certainly help.

Local fans who have bought reserve seat tickets are reminded

that there will be a winner of a thermos bottle set and a stadium blanket next Friday.

The Memphis Booster Club meets every Monday night to see the game films. The club completed a sign which was hung on the parking lot of Cyclone Stadium, to remind local fans of the games. The sign was completed this week.

## Jimmy Lopez Dies of Injuries Received Saturday

Jimmy Lopez, 13 year old son of Mr. and Mrs. Saturnino Lopez of Hedley, died Sunday in a local hospital from injuries received Saturday.

The youth was injured when he fell between two cars. He was standing on the bumper of a car that was pushing another car in an attempt to start the motor when he slipped and fell between the cars.

He was rushed immediately to a local hospital but died Sunday from head injuries received in the fall.

The family came to Hedley only recently from Mason, Texas and (Continued On Page Ten)

### Over 2,000 Expected At Hall County Picnic

An estimated crowd of approximately 2,000 persons is expected here Sunday, Sept. 18, for the Hall County Picnic, Byron Baldwin, president of the association, stated Wednesday.

All citizens who reside in the county today and all ex-Hall countians are invited to be present to help celebrate the county's 70th birthday, Baldwin said.

Planned along with the picnic is homecoming at the various churches in the city. Families can attend services and go directly to the City Park for the free barbecue meal and an afternoon of visiting with friends, Baldwin said.

Many members of the famed Gold Medal Band which won acclaim for the county back in the 30's will attend the picnic, according to information received here. Band members will be recognized and presented with badges. On the lighter side, Harry Delaney of Lubbock, former band member, will lead the members in singing to the tune of the "Old Gray Mare"—"The Old Gold Medal Band Ain't What She Used To Be."

Two beeves, furnished by Hollis Boren and Mrs. J. W. Stokes, will be barbecued for the occasion by Pete Land of Martin. Assisting with the barbecuing will be Ed Hutcherson and members of the Memphis Fire Department. The beeves are being fed-out by Mrs. Virginia Browder and Lowell Houston on the Houston Ranch.

In addition to the free barbecue local committees are busy making plans for other food. Oattie Jones will be in charge of furnishing the beans; Roy Coleman and Herb Curry are in charge of the onions, pickles and potato chips. Mrs. Baird's bread will furnish bread for the picnic. Although no plans have been made for desserts, all those who desire are asked to bring cakes, pies or cookies.

Paper plates, cups and plastic

forks and spoons will be provided by a committee, and the members of local Boy Scout troops will serve coffee and iced drinks.

Ed Foxhall and Mrs. Clyde Milam will head the host and hostess committee.

An impromptu program is being planned following the barbecue, Baldwin said. Several old-timers will make short speeches, and R. C. Lemons has been named as chairman of the committee to furnish music for the occasion.

Another feature of the homecoming which will be of interest is the display of antiques and relics in downtown store windows. Various clubs in the city have been asked to help with this phase of the project. All those who have antiques or relics they would like to show may bring them to Branigan Jewelry for display, not later than Monday.

The committee is anxious to have as many items as possible to show. Old quilts, linens, Indian relics, clothes, old farm machinery, pictures, dishes are among the items mentioned for display. Officers will be elected during (Continued On Page Ten)

## E. C. Rice Is Injured In Fall From Scaffold

E. C. Rice, prominent Memphis contractor, fell from a scaffold while working on the home of Mrs. Grace Duke Monday, and suffered injuries to his back and neck.

He was taken to a local hospital where he is being treated. Dr. Robert Clark, attending physician, said that the extent of the injuries has not been determined. However, they are of a serious nature.

Rice is reported to be doing fairly well, but it will take a long time for his injuries to heal.

## County Democrats Plan Fund Raising Drive, Sept. 9-19

Hall County Democratic party leaders and officials of the party will take an active part in the "Dollars for Democrats Drive," according to Herschel Combs, county chairman.

At a meeting of the county executive committee Saturday, Sept. 3, it was decided to join in the nation-wide fund soliciting campaign. Members of the executive committee, including precinct chairmen from each voting precinct, as well as other leaders, will accept contributions to the party.

Date of the drive will be from Sept. 9 through Sept. 19.

Rank and file Democrats of the county are invited to contribute \$1, \$5, \$10—whatever they can—to support candidates at local, state and national level.

## J. E. Murdock Has Good Bean Crop

J. E. Murdock, who farms three miles northeast of Hedley, brought to The Democrat office a sample of the beans being grown on the land. The sample he brought in Tuesday is a corn field variety. It completely covered a seven-foot stalk of corn, and was filled with beans about five inches in length.

Mr. Murdock said he had three-fourths of an acre of the beans which were planted at the same time he planted the corn. He not only has raised enough beans for his own use, but has given a surplus to his neighbors.

The Tax Assessor-Collector's office of the Memphis Independent School District this past week mailed to the residents of the district notices of the new values of property which the school board accepted at a meeting recently.

These new values were presented to the school board by McMorries & Co., and were approved by them.

The idea behind the hiring of McMorries & Co. to find the actual market value of each tract of rural and city property, was to establish equality in the tax structure.

Citizens of the district have been given the opportunity, if they so desire, to meet with representatives of McMorries & Co. and the school tax representative at 10 a. m. Friday, Sept. 9, at the City Hall.

The School Trustee Board of Equalization will hear city property cases beginning at 10 a. m. Monday, Sept. 12, and rural property cases at 10 a. m. Wednesday, Sept. 14. Both meetings will be held in the City Hall.

The school board last Tuesday night, after approving the schedule, prepared by McMorries & Co., tentatively set the assessment at 35 per cent of the market value, and a rate of \$1.50 on each \$100 of assessed value.

Prior to the hiring of McMorries & Co., the school board had voted a tentative raise in the tax rate from \$1.50 to \$1.75 to meet the district's budget requirements. However, at that time, it was pointed out to them that many inequities existed in the structure then in existence.

The evaluating company established a total market value of the district property in the neighborhood of \$20,000,000. Taking the 35 per cent of this, a figure of \$7,000,000 is derived. At a \$1.50 per \$100 value, this will net the district \$106,500 in property taxes of the district's city and rural property.

Under the district's present taxation schedule, rural and city property total market value is set at \$18,186,624. Under an assessment of 25 per cent, and a rate of \$1.50 per \$100 of assessed value, this netted the district \$68,199.84 in taxes.

The district had tentatively approved an increase to \$1.75 per \$100, which would have netted the district \$79,566.48. According to school officials, this would be just enough to cover the budget requirements for this year. Also, according to the laws of this state, the maximum a school district can assess is a rate of \$2.00 per \$100 of assessed values. This would have given the district a maximum limit, as for as rate increases are concerned, of \$90,933.12. Naturally, any taxing body can raise the per cent of the assessment from 25 per cent to 35 per cent or higher, it was pointed out.

**Personal Property**  
One of the differences between the slightly over \$20 million rural and city property market value and the slightly over \$18 million of the old tax roll, is the addition of much personal property to the real property roll. In some instances, equipment and buildings have been declared as personal property.

It was reported by members of the School Board of Equalization that a big variation was found in the actual value of property. Some taxpayers were paying taxes on 10 per cent of the actual value of their property while others were paying as high as 50 per cent, it was explained.

In determining the schedule, Mr. McMorries explained that the company determined what the building cost in Memphis would be, and ran the deed records back to 1955 on every sale. Then the schedule was built on these known facts.

Rural property market values were derived after representatives from the company met with a citizens committee composed of rural property owners who knew the value of the property. This committee assisted in the preparation of the rural schedule.

The School Board of Equalization has examined each individual (Continued On Page Ten)

## Citizens To Hold Meeting For Flood Control District

Meeting of all residents of Hall and Donley Counties Watershed and Improvement District will be held Tuesday, Sept. 13, at the county court house in Abilene.

The meeting has been called by the board of directors of the district, and was announced last week by Del E. Wells, president.

There has been some news regarding the watershed, and a renewal of interest by the directors have asked the Graham of the Soil Conservation Service to come and

## City Secretary Dwight Kinard Signs Tuesday

City Secretary Dwight Kinard in his resignation to the City Council Tuesday and asked that Ace Gailey be appointed to fill out his unexpired term, which runs concurrent with the mayor's term of office.

Kinard stated that he was moving to Abilene where he would go to business, and asked that the resignation be accepted as of Tuesday, Sept. 13, 1960.

The council voted to accept the resignation and named Ace Gailey as city secretary until Sept. 13, 1961, when Kinard's term expires.

Other business before the council was the city, authorized the oil and gas leases for the property, named the air rights City Park, with separate lots of \$1.00 per acre. A resolution was passed to authorize the city to lease to Kesterson, the lease to Kesterson, and his bills were accepted.

Mr. H. J. Howell appointed a committee to investigate the city of purchasing land to be used as city dump grounds. The committee was appointed after discussion of the problem.

Other business, the city, authorized a raise of \$50 over the current fee for auditing the books. The council accepted the raise and approved the pay-regular monthly bills.

Mr. Howell stated that, according to what he has received, the work has been completed. The disaster relief for the equipment is being sought at present; however, no commitments have been made yet.

### Wheat Prices In Other Nations

In a recent issue of the publication, "Foreign Crops and Markets," support prices for wheat were listed for Ireland, Japan and Austria. From a comparison standpoint, all growers in all three countries will be guaranteed a higher price for the crop than that which the American farmer is getting.

Ireland's support price for 1960-crop wheat is \$2.35 per bushel. All grain imported into Ireland is subject to licensing, although licenses are issued freely on the first 140,000 long tons, according to the report.

In Japan the part the government plays is different. Here the government sets a purchasing and a selling price for wheat. The government's selling price is lower than its buying price, and the estimated loss to the Japanese will be about \$44 million. Part of this loss is offset by the profits which that nation makes by importing wheat at world market prices, then selling it at the established price. Imports can be made only by registered dealers on a bid basis, and import licenses are granted to the lowest bidder. Traders then sell the wheat to the government at the bid price, and the government in turn then sells it to the local millers and processors at prices considerably higher than the price paid to importers.

The support price set in Austria varies from \$2.50 to \$2.70 per bushel. Since much of the wheat produced there is soft wheat, the nation depends upon imports for its high protein wheat. This nation, too, grants import licenses on a bid basis. The importers must sell the grain to an Equalization Board, which immediately resells it to the same importer at a fixed higher price. The government's resale price to importers is set high enough to equalize the difference between the domestic price support level and the import price.

The figures listed above can be compared to that of \$1.80 per bushel, which was recently announced for wheat produced by Hall County farmers.

From the facts obtained, nearly every nation in the world has some kind of government-supported price for growers of wheat. With the prices American farmers are now receiving, we predict that more and more of the crop will be bought by foreigners in the future.

### Heavy Smoking and Heart Disease

Heavy cigarette smoking may contribute to or accelerate the development of coronary heart disease or its complications, according to a recent report by Dr. A. Carlton Ernestine, president of the American Heart Association.

His report appeared in last week's issue of the magazine which is published by the association, and cited a number of recent medical studies which showed a statistical association between heavy cigarette smoking and death or illness from coronary heart disease. The studies showed that death rates from heart attacks in middle-aged men were from 50 to 150 per cent higher among heavy smokers.

The recent report added that heart attacks are the leading cause of death and a major cause of disability in the nation. For this reason, the association is calling the attention of doctors, allied health professions, health educators and the general public to all the data it has compiled.

In view of the latest data, Dr. Ernestine urged individuals wishing advice regarding the proper course to follow with regard to cigarette smoking to be guided by their family physicians.

It might be added: if you smoke — use the theory of moderation. Two to four packs a day are too many.

### What Other Editors Say

#### Kennedy and Johnson Our Best Hope of Leadership

Even though some of the "tumult and shouting" has died down to a querulous rumbling, the issues at stake in the upcoming national presidential election campaign are still far from being clear-cut and understandable to the average voter. Neither the Republican platform nor the Democratic platform offers to the people of Texas much more than a "Hobson's choice."

However, (and there must be a "however!") a choice can be made if cold appraisal is given to the events leading up to what now appears as a dilemma.

First of all, if you compare our nation's position in world affairs as of now with our position at the beginning of the Eisenhower administration in 1953, you will find everything changed, and to our disadvantage. The Republicans simply have not provided the leadership of ability and energetic courage to cope with the ceaseless pressures of Communism. We have been constantly on the defensive, discredited and humiliated in a way that has all but wiped out our reputation and stature as a world power. Further, there is no indication whatever that the GOP nominees for President and Vice President are likely to do an about face in the direction of their foreign policy thinking.

This, to us, is the crux of the whole matter. Platform promises as to civil rights, tax measures or any other domestic considerations become as unimportant as a man's religious beliefs or personal peculiarities when compared to the vital necessity of our national survival.

With the need for fresh, energetic, courageous new American leadership so paramount to the free world in this crisis year of 1960, we believe the Democratic Party has responded by offering the man who can restore the United States to its rightful posture. We particularly share the view expressed generally over the nation that Senator Lyndon B. Johnson possesses the knowledge of world affairs, the toughness to deal with problems and face up to hardened adversaries, and the imagination to impart new initiative to this great nation of ours. His experience in national and international decision-making is unmatched.

We acknowledge the action of the Democratic Party in choosing Senator Kennedy as its presidential nominee in the light of realities. We believe he showed his first evidence of wisdom in insisting that Senator Johnson join him on the ticket with a pledge to the nation that Johnson will be encouraged after November to make the vice presidential post more powerful and influential. We salute Senator Johnson for putting aside all the personal and practical reasons that could have led him to refuse this offer and for accepting the demands of higher duty to the nation.

The prospect for a new Democratic Congress is virtually a certainty. The need for a united, responsible government is overwhelming. We believe the urgencies of the world we live in demand the election of the Democratic ticket to make this kind of government possible. The great State of Texas is privileged to have a part in offering to the nation the leadership we must have.

#### The Price of Steel

The Texas Highway Department, which passed an order in the spring to the effect that only American made steel would be used in the state's road building program has deferred putting it into effect pending further study. Belgian, Japanese and German steel makers put up a strong argument against shutting the door to imported steel. Trade is a two-way street and if Texas hopes to sell its products abroad it will have to buy abroad also, they pointed out. It is the same old story of opposing forces in "protection" and "free trade." From the public's point of view it is generally known that steel buyers have been trying to get out from under the steel companies for some time. Steel makers are doing their utmost to price themselves out of business, grass roots people claim.

#### Space Race

All in all, this space race business has been another type of cold war. Sort of like a stand-off in an old fashioned horse trade. "Saving face" seems to have been even more important than actual achievement. When somebody finally gets to the moon, I honestly doubt if they will know what to do with it — but it will be a feather in their cap, regardless of values involved. It reminds me of a fisherman who catches a big tarpon he cannot eat.

Miss Linda Kay Wasson, daughter of Mr. and Mrs. Henry H. Wasson, 1219 S. Alabama, Amarillo, and formerly of Newlin, and James W. Young, son of Mr. and Mrs. James W. Young, 813 S. Houston, Amarillo, were married Sept. 2 at 4 p. m. in the San Jacinto Baptist Church.

The Rev. Nolan M. Kennedy read the double-ring ceremony. The church altar was centered with cathedral tapers on a stand of jade foliage, flanked with baskets of white gladioli and pom pom mums.

The bride was given in marriage by her father. She wore a ballerina-length gown of imported Chantilly white lace over white taffeta with a scalloped neckline and fitted bodice. The under skirt was of taffeta and net, and the short illusion veil was attached to a tiara crown encrusted with seed pearls. The bridal bouquet was a white orchid and feathered carnations carried atop a white Bible. Following the ceremony, a reception was held in the home of the bride's parents. Aunts of the bride and groom presided.

The bride traveled in a biege silk dress with matching accessories and wore an orchid corsage. After a short wedding trip the couple will reside in Amarillo.

Mrs. Young is a graduate of Tascosa High School and attended Amarillo College. This fall she will be a junior student in the School of Nursing at Northwest Texas Hospital.

The groom is a graduate of Amarillo High School and is now stationed at Ft. Sill, Okla. He is presently in the Survey Dept. of the Howitzer Division Training Command of the 17th Artillery.

### Willie Bob Davidson Elected President Of Estelline Ex-Student Association

Willie Bob Davidson was elected president of the Estelline Ex-student Association at the annual homecoming celebration held on Saturday in the high school auditorium. This was the 8th annual homecoming the school has featured. Plans were made to hold the event at the same time next year, the Saturday preceding Labor Day.

Other officers chosen to serve during the coming year with Mr. Davidson include Clarence Morrow Morrison, secretary and Bobbie Doris Fowler, treasurer. Class representatives include Eula Richburg Adams, 1900-29; Rab Holland, 1930-39; Jack Kinard, 1940-49 and Eddie Braidfoot, 1950.

Registration got under way at 11 a.m. Saturday morning and lunch was served in the cafeteria at the noon hour by mothers of the 1960 class.

The group assembled in the auditorium at 1:30 for a business session and program with Jerrel Rapp, president, presiding.

John Chaudoin gave the invocation after which Mrs. Joe Allen Ballard gave the welcoming address.

A musical program was presented and included a song, "Bill Bailey" by Doris Chaudoin Eddins; Charleston novelty number by Josie Hutchins and Myrtle Harris Helm; and songs, "Dearie," "By the Light of the Silvery Moon," "Harvest Moon," "Moonlight Bay," and "Till We Meet Again." The chorus was made up of Mrs. Ralph Dahl, Doris Chaudoin Eddins, Bobbie Davis Fowler, Mary Sue Eddins Holland, Pattie Lou Sloan Nivens, Josie

Hutchins, Myrtle Harris Helm, Maria Baskerville Gresham and Misses Patsy Dahl and Mary Dahl of Clifton. Jerrel Rapp accompanied all the musical numbers on the piano.

Following the program the numbers of the 1930 Class were recognized as the honor class of the reunion. B. L. Adams of the class of 1893 and Mrs. Maude Cox of the class of 1898 were recognized as the members present who graduated with the first classes. Woodrow Bonner, class 1933, of Phoenix, Ariz., was recognized for travelling the farthest distance to attend the homecoming. He was accompanied by his wife and child.

Pioneers attending the homecoming were Uncle Pete Rigsby, Aunt Mat Rigsby and Mrs. Maude Chaudoin of Memphis. Former teachers present included Agnes Nelson of Memphis, homemaker; Nita Bess Daniel Coppedge, commercial and third grade; Lillian Russell of Childress, elementary; Elizabeth Anderson Phillips, Homemaker and Suzy Rapp, 7th and 8th grade.

Among the guests were Mrs. Bob McCoy of Borger and Clayton Berry of Childress.

Dr. V. V. Clark, M. D. of Lubbock, who served as secretary of the Estelline School Board in 1923 donated three attic fans to the school for use in the auditorium.

Arthur Eddleman gave the benediction. Minutes of the previous meeting were read by Pattie Lou Sloan Nivens and the treasurer's report was given by Josie Hutchins.

The activities were concluded with the ball game between Estel-

line and Price College at the local stadium that evening and by a social held on the tennis court following the game.

In speaking of the event President Rapp said, "Everyone seemed to thoroughly enjoy the day. The only draw back was the lack of local people in attendance. Dur-

ing the business session, many of the out-of-town ex-students recommended that next year we make more of an effort for local people to turn out for after all that is the main reason they return is to see and visit with their former friends."

"Next year a concerted effort will be made to include Parnell, Hulver, Newlin, Gilpin, Tell and Baylor communities as well as Estelline citizens," Rapp concluded.

Four coffees were given for the exes Saturday morning in various Estelline homes.

Exes through 1929 registering at the home of Mr. and Mrs. Arthur Eddleman were: Mrs. Lillie Bagwell, 1901; Hazel Bell Leary, 1929; Marvin Leary, 1925; Northfield; John Wise, 1924; Denver City; Mrs. Artie Sloan Davidson Nance, 1906, Amarillo; Vera McCoy Huffman, 1927, Spearman; Ruby McCoy Hutton, 1929, Clarendon; Belle Russell Foreman, 1920, Pampa; Daisy Prewitt Carter, 1928, Childress; Otis Cobb, 1908, Newlin; Richard Dow Curtis, 1924, New Boston; Maude Cox, 1898, Amarillo; Eula Richburg Adams, 1926; Anna Tooley Vardy, 1917, Denton; John Vardy, 1914, Denton; Raleigh Adams, 1927, Clarendon; Jessie King Adams, 1927, Clarendon; and the host and hostess, Arthur Eddleman, 1913; and Lura Green Eddleman, 1915.

### Lakeview Pep Squad Meets Tues. To Elect Officers

The Lakeview Pep Squad met Tues., Aug. 30, to elect officers and sponsors and decide on the kind of uniforms to be worn.

The officers are: president, Frankie Robertson; vice president, Nancy Lindley; secretary-treasurer, Kay Barclay; and reporter, Sandy Verden.

It was decided that the uniform would consist of red trousers and

white sweaters. The sponsors for this year are Rex Peoples and Mr. and Mrs. Whittington. The cheerleaders were elected at a school assembly Monday. They are Karen Clements, Betty Fowler, Winnie Nabors, and Jane Faye. The cheerleaders are wearing black pleated skirts and sweaters with black letters and med in red, and red tights.

Mr. and Mrs. Donald Chaudoin of Tucumcari, N. M., visited the home of her parents, Mr. and Mrs. Pat Lewis in Lakeview, and his parents, Mr. and Mrs. E. Clark in Clarendon over the Labor Day weekend.

### NEW HOPE FOR HARD OF HEARING

Boston, Mass., Aug. 15, 1960 — Something new has been announced. It is an electronic development designed for those who hear but who do not understand words. There is nothing in either ear. No dangling cords. No tubes. The sound vibrations are conducted right through the bones of the head to the inner ear, and right to your center of understanding. We have termed this process "Vibratory Sensory Conductivity" — truly secret hearing.

The manufacturer has been able to produce a hearing device so small that many who wear it report "No one knows I have a hearing deficiency." It is said to be very reasonably priced.

#### FREE HEARING CONSULTATION

Memphis Hotel, Tuesday, Sept. 13, 9:30 to 12:30. No appointment necessary. Mr. George Gray, a qualified Hearing Aid Consultant, will gladly make a FREE test and analysis of your hearing.

The new instrument is manufactured by Audivox, Inc., Successors to Western Electric Hearing Aid Division and makers of "The hearing aids your doctor knows."

Further information and details may be obtained by writing to Audivox of Amarillo, 2710 W. 10th, just west of Georgia on Tenth, or call by phone, DR 4-0722.

### Don Davis Opens New Food Store

Don Davis, manager and co-owner of the Davis & Scott Super Market, opened the new food store for business last week.

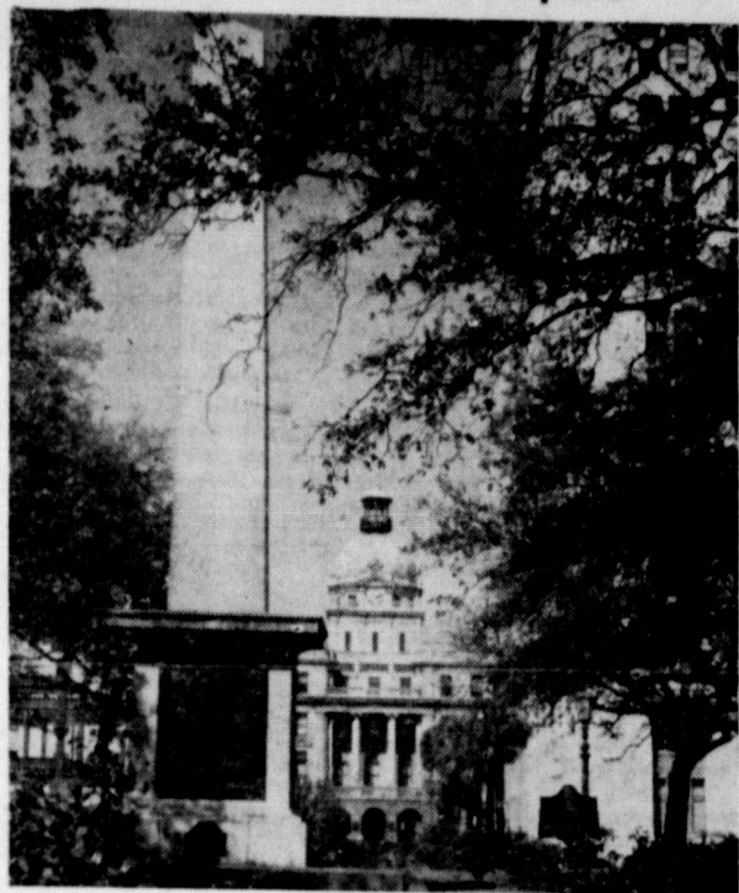

The store, located on the Lakeview highway at the corner of Noel and 12th Streets, was recently completed. The new building was constructed to conform with modern food merchandising ideas.

Davis is the son of Mr. and Mrs. Trilton Davis, who reside in the Harrell Chapel community. He graduated from Estelline High School with the class of '51. His wife is the former Monna Burk, daughter of Mr. and Mrs. J. A. Burk of Parnell. They have two children, Rhonda, age 8, and Randy, 6.

For the past seven years Davis has been employed in a food store at Wellington.

CARD OF THANKS I wish to thank everyone for the nice cards which I received while I was in the hospital; also the many visits from my friends. May God bless everyone; and may I say "thanks" for the flowers I received. Mrs. Bill Holland

### Snapshots: Savannah's Square

The best way, perhaps, to capture and hold the memory of a trip to America's many famous cities is through the magic of photography. Typical scenes, famous buildings and landmarks capture forever memorable sights and occasions. Monuments, too, are always associated with the cities in which they are located. Visitors to Savannah, Ga., will recognize above Johnson Square, and the monument which marks the final resting place of Revolutionary War General Nathanael Green. The square was laid out in 1733. In the background is City Hall, where tablets at the entrance commemorate important events in Savannah's maritime history. In 1819, the S. S. Savannah, first steamship to cross the Atlantic, sailed from Savannah. In 1842, the city saw the launching of the S. S. John Randolph, first iron-clad in American waters.

### Agnes Baily Class Holds Meeting In Waddill Home

The Agnes Bailey Sunday School Class of Estelline met for their monthly meeting this week in the home of Mrs. T. L. Waddill.

The opening song was "Stand Up, Stand Up for Jesus". The devotional was given from First Psalms, and also included a poem "Sharing", by Mrs. T. L. Waddill. The president, Mrs. L. J. Halford, presided. Officers for the coming year are: president, Mrs. A. W. Johnson; first vice president, Mrs. B. T. Jackson, secretary, Mrs. R. A. Eddleman; treasurer, Mrs. D. W. Lawrence.

The benediction was pronounced by Mrs. Erbin Gilbert. Mrs. R. A. Eddleman was in charge of the social games. Refreshments of cookies and cold drinks were served to Mmes. B. T. Jackson, D. W. Lawrence,

L. J. Halford, T. L. Waddill, R. A. Eddleman, R. R. Eddleman, T. Z. Zint, O. K. Young, Erbin Gilbert, A. W. Johnson, John Berryman, Lula Nelson, Everett Richerson and Miss Joyce Richerson.

### B&PW Club Is Selling New 50-Star Flags

Members of the Business and Professional Women's Club are contacting local business firms, and taking orders for new 50-star United States flags. Annette Boswell, president, announced this week.

An effort is being made to contact all firms, the president said. However, should any firm be missed, orders may be placed by contacting any member of the Business and Professional Women's Club or by calling Mrs. Boswell, president.

Of the out-door type, the flags are available in two sizes, 3 by 5 feet and 4 by 6 feet. The smaller size sells for \$10.00 while the larger flag is \$12.50. The flags are made of bulldog bunting and are spiral stitched on both sides. The dye is everlasting.

The drive to sell flags will conclude on Sept. 15, and delivery will be made in about two weeks, Mrs. Boswell said.

Mr. and Mrs. Hollis Boren are in Dallas where Mr. Boren underwent major surgery Tuesday in Baylor Hospital. He is in room No. 216.

# Hornets Sting Cyclone, 47-0

By BILL COMBS

The Memphis Cyclone Squad was defeated by a possible AA state contender, the Tullia Hornets, 47-0 Friday night at Tullia.

Tullia scored on the second series of downs, which began on their 28 yard line early in the first period. The score was set up by Gary Don Haight on a triple reverse, carrying 22 yards to the Cyclone one yard line. Then, Pat Butler carried over for the score and quarterback Paul Caraway hit end Charlie Mitchell for the 2 points.

Tullia's second score came on the first play after the beginning of the second quarter, when Caraway carried on a bootleg play for 23 yards to make the score 14-0. A Caraway-Mitchell pass combination added two more points to

the scoreboard. Caraway racked up the third touchdown for the Hornet squad running from the Cyclone 8 yard line, after back Richard Bales set up the scoring threat.

The Hornets again scored late in the second quarter when Haight, running off right tackle, on a triple reverse play broke loose for a 63 yard TD play.

The half ended with the score 28-0.

In the third period, Haight added another TD to his record on a 22 yard carry, and the place kick was no good to make the score 34-0.

Then, a few plays later, Caraway and Haight joined together on a pass play which carried 65 yards to the touchdown.

After Tullia kicked off, the Cyclone was unable to move the ball, and a penalty put them back to their own 20. On the fourth down punting try, Bunky Adcock, who punted seven times for a 27.5 punting average, fumbled the pass from center, and Tullia took over on the Cyclone six.

However, the Cyclone was able to throw the Hornets for negative yardage on their first three tries. But on the fourth down, with it fourth and 11 to go, the substitute quarterback passed to James Hoggins for the score.

Then, in the last period of play, the Cyclone forced the Hornet squad to punt. Then the Cyclone punted to Tullia's 33 yard line. On the second play, Tullia fumbled the ball, and Ernest Wilson recovered for the Cyclone. However, several incomplete pass attempts and yards lost on a wide end sweep, found the Cyclone in a punting situation again. However, quarterback Bunky Adcock tried to run with the ball after a slight fumble from center and netted 15 yards, but was short for the first down. Tullia took over the ball on their 35, and were unable to move it. Their fourth down punt was blocked by a charging Cyclone line, and the Cyclone

## Local Residents Attend Jehovah's Witness Meet

The Jehovah's Witnesses held a three-day assembly in Altus, Okla., over the weekend with approximately 563 persons from this area in attendance.

Stephen E. Lane, presiding minister of the Memphis Congregation, said this assembly stressed the theme, "Seek Peace and Pursue It."

One of the principal speakers at the Assembly was R. L. Anderson, district supervisor who spoke to the group on Sunday on the subject, "Finding Peace in This Troubled World."

took over on the Tullia 30 yard line.

Lacy Montgomery, in four plays carried the ball to the Tullia six yard line, and on the next play carried over to score, but the play was called back because Memphis was off sides. The game ended three plays later with Memphis on the Tullia 7 yard line.

Eddie Jones played on the defensive squad for the Cyclone, carrying the ball only one time during the game on offense. He made 11 yards on an off tackle play. Lacy Montgomery carried the ball 12 times for a 42 yard gain. Bunky Adcock carried twice, once for no gain and once for 15 yards. Perry Wright carried the ball twice for two yards, and Larry Craig carried the ball eight times, but had a negative yard average. Adcock passed to end, Don Gailey, for a six yard gain, to be the only pass play which stood up. Other completed pass plays were nullified by penalties.

## Harrison Attends John Deere Show

Wendell Harrison, owner of Harrison Hardware Co., local John Deere dealer, returned Wednesday, Aug. 31, from Dallas, where he attended a three-day meeting of the implement company.

More than 2,000,000 worth of John Deere equipment, including a new line of farm and industrial tractors were introduced as the "New Generation of Power," was displayed at the Texas State Fair grounds at Dallas as a world-wide sales meeting. Harrison was one of 7,000 persons attending the meeting and display. About 4500 industrial and agricultural deal-

ers in the U. S. and Canada were present, as well as dealers representing 17 other countries.

More than 5,000 persons were airlifted into Dallas within a 24 hour period, beginning Sunday, Aug. 28. Harrison joined Panhandle dealers on that date, and flew from Amarillo to Dallas.

The meeting marked the first time the company has gathered all of its United States and Canadian dealers in one place at one time, according to Harrison.

Mr. and Mrs. E. C. Caviness of Plainview and son Jimmy visited over the weekend in the home of her sister, Mr. and Mrs. Gene Corley.

## Marsha Potts Places First In Sewing Contest

Marsha Potts, twelve year old daughter of Mr. and Mrs. Hershel Potts of Lubbock and former residents of Memphis, was first place winner in a city-wide Singer Sewing contest held recently in Lubbock.

The contest was held in the form of a style show at the Public Service Building. Marsha was one of nineteen entries in the "Tween" division. She modeled a cotton

sun dress, her first dress making, which she made during sewing lessons at Texas Street Singer Sewing School.

The dress will now be on display at the district level, for judges then go on to national level. Marsha is a seventh grade student at the Carroll Junior High School in Lubbock. She served as president of the class last year, organized a baking contest and a "Likely" contest. She plays in the "B" band of her school.

## Rural Carriers Will Distribute Crop Survey Cards

Postmaster J. H. Vallance announced this week that rural mail carriers will begin distributing 1960 Acreage Survey Cards to patrons on their routes about Sept. 14.

The post office and U. S. Agriculture Department cooperatively make this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1960.

To be sure this community will be well represented in the survey, Postmaster Vallance urges each patron receiving a card to fill it out and return to his mailbox.

Mr. and Mrs. Leo Koeninger had as guests over the weekend Mrs. Koeninger's sister and her husband, Mr. and Mrs. M. M. Black and their son and family, Mr. and Mrs. E. L. Black and two sons, Dennis and Kirk, all of Bridgeport.

### CARD OF THANKS

We wish to express our sincere thanks to all the friends who were so kind and helpful in the loss of our loved one. We deeply appreciate it, and for all the beautiful flowers and for every thoughtful deed that was done.

May God bless you is our prayer. The family of W. S. Malone

## FFA Holds Meeting Sept. 5 In Estelline

IN TEXAS...  
**You pay 90¢ tax on 10 gallons of gasoline**

Everywhere in Texas, car owners pay 90¢ tax on every 10 gallons of gasoline they buy. Does a tax this high—on a basic commodity like gasoline—really make sense? Gasoline taxes across the nation amount to a 50% sales tax—and that's five times as high as the tax rate on luxuries like diamonds and mink coats.

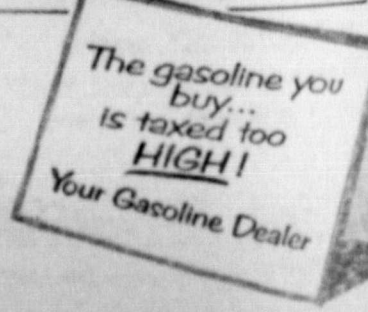

How did gasoline taxes get so high? Well, since World War II, there have been three increases in the federal gasoline tax alone. This brought the Federal tax to 4 cents a gallon, in addition to the State tax of 5 cents a gallon.

Looking at it another way, in the last ten years gasoline taxes have skyrocketed 51%—yet the price of gasoline itself has risen only 5.5% during the same period. \$78 a year for gasoline taxes! Gallon by gallon, these taxes add up to a lot of money. Each year the average motor vehicle owner in this state pays \$78 for gasoline taxes alone. That's just a few dollars less than the average week's pay for most people!

Your gasoline dealer—who must collect these taxes from you—feels that gasoline taxes are much too high. More and more, thinking people are coming to agree. What do you think?

**HIGHWAYS AND GASOLINE TAXES**  
Your gasoline retailer, naturally, favors construction of the roads that the motoring public needs. He believes in fair and reasonable taxation for this purpose but feels that taxes on gasoline have now reached unreasonably high levels. He also believes that all special taxes on the motorist should be used only for highway purposes. Yet last year, out of every automobile tax dollar collected by the Federal Government from highway users, more than 40 cents went for non-highway purposes. If these automotive tax revenues were dedicated for highway purposes, there would be no need for the latest increase in the federal gasoline tax.

# Joyce Ann Hull Becomes Bride Roger Leon McFarren On Saturday

Her first wedding, which was held at the Baptist Church of Mrs. Rex Roger Leon McFarren, and Mrs. John McFarren Stinnett.

Rev. A. Miller, pastor of Baptist Church, read the ceremony.

Special selections played by the bride were "I Love My Sash" and "I Love Thee." "Love" was played softly during the ceremony and the wedding marches for the recessional.

The bride and groom were escorted by the bride's father, Mr. Rex Roger Leon McFarren, and the groom's father, Mr. John McFarren Stinnett.

Betty Earnest of Stinnett, of honor, wore a white cot-

ton Polyester dress styled with full skirt, scooped neckline, puffed sleeves and cummerbund sash. Her headpiece was styled with blue medallions and a shoulder length veil of blue tulle with a blue satin ribbon bow. Her corsage was of white carnations.

Bridesmaids were Miss Pam Bearden of Quanah and Miss Janice Compton of Amarillo. Their dresses were blue cotton polyester, styled with full skirts, scooped neckline, puffed sleeves and cummerbund sashes. Their headpieces were white medallions with shoulder length veils of white tulle and white satin bows. Their corsages were white carnations.

Miss Alice Dyer of Pampa, cousin of the bride, was flower girl. She wore a dress of white cotton, styled with full skirt, puffed sleeves and cummerbund sash. Her headpiece was identical to that of the other female attendants. She scattered rose petals from a white satin basket decorated with blue bows.

Velena Lester of Stinnett, cousin of the groom, and Robin Dale McFarren of Stinnett, nephew of the groom, served as ring bearers.

John Neilson of Levelland was best man. Groomsmen and ushers were John McFarren Jr., of Stinnett, brother of the groom and Jerry Lester of Stinnett, cousin of the groom.

Given in marriage by her uncle, Russell Hull of White Deer, the bride chose a floor length gown of white chantilly lace and tulle over taffeta, styled with lace apron and tulle ruffles ending in a bustle back. The fitted bodice was highlighted with scalloped neckline and long sleeves that tapered to points over the wrists. Her veil of French illusion was attached to a tiara of seed pearls. She carried a white Bible topped with miniature white carnations and stephanotis and wore a single strand of pearls, a gift from the groom.

She observed the traditional bridal custom of wearing "something old, something new, some-

MR. AND MRS. ROGER LEON McFARREN

thing borrowed and something blue."

Mrs. Rex Hull was hostess to a reception in the church annex immediately following the ceremony. The bride's table was laid with a floor length cloth of white net over blue and featured blue satin bows.

Table appointments were silver and crystal. The table was centered with a tiered wedding cake decorated with a miniature bride and groom and the bride's flowers were placed on the table.

Miss Linda Collins presided at the punch service and Mrs. Leatrice Greenway served the cake.

The bridal registry was presided

over by Miss Elaine Clayton.

For her wedding trip the bride chose a black and white ensemble with white accessories. Her corsage was the white carnations from her bridal bouquet.

Following a wedding trip to New Mexico and Colorado, the couple will be at home at 2109 Seventh Avenue, Canyon. Mrs. McFarren will be employed with the Canyon News. Mr. McFarren will attend West Texas State College where he is majoring in physical education.

A cowboy who was completely disgusted was described as "look-in' for a dog to kick."

## ESTELLINE NEWS

Mr. and Mrs. C. A. Rapp spent the Labor Day weekend in Floydada with his brother, Mr. and Mrs. Van Rapp. Also included in the reunion was their nephew, Olin Rapp and wife and son of Hobbs, N. M.

M. E. Chandler is a patient in a Childress hospital.

Mr. and Mrs. Lester Phillips plan to return to Creed, Colo., this week.

The senior rings are very much in evidence this week. Congratulations to all seniors.

Richard Holland has been a recent visitor in Fort Worth. He accompanied his aunt, Miss Elizabeth Eddleman, a first grade teacher in the Fort Worth system. He returned with an uncle, Budge Holland, who was a visitor in the home of his parents, Mr. and Mrs. Bill Holland.

We are sorry to hear Cliff Young, husband of the former Daisy Holland, has had to undergo eye surgery in Fort Worth this week due to an accident while at work. A piece of steel pierced his eye. He will be hospitalized about two weeks and be unable to return to work for approximately two months.

Jackie Beane has been the house guest of her grandparents, Mr. and Mrs. J. L. Darby.

Edward Cooper of Abilene Christian College, son of a former Methodist minister, Rev. Albert Cooper, filled the local pulpit Sunday night. He currently has a religious TV program weekly as well as sells insurance in Abilene and is an associate professor in the college in biology.

### Representative, 18th Congressional District Report From Washington

By WALTER ROGERS

The Danger of Red China  
II: The Leadership, Messiahs and Maniacs  
When China's ruling Manchus came crashing down in 1911, the combined weight of outside interference and internal corruption, more than forty centuries of civilization accompanied the collapse. China had time itself — ancient and unending since the very dawn of history, a face on the world stage

as immobile and impossible as a human Gibraltar. But now, with all the accumulated and irresistible power of an erupting volcano, the heritage of uncounted generations crumbled and fell. Then, after less than forty years of war, revolution, and chaos, Mao Tse-tung marched triumphantly into Peiping to inaugurate what may well be the most horrible yet miraculous era in history.  
Mao, like his ideological cousin

Lenin, had been a revolutionary since childhood, when he raged against his father and teachers. In May of 1921 he attended the first meeting of the Chinese Communist Party and received important posts within its echelons. The key to Mao's development came a few years later, when a suddenly realized that "without the poor peasants there will be no revolution." The industrial proletariat, which could be the only base for revolt according to Marxian gospel, simply did not exist in China. Hence Mao began to found his movement upon peasants, and by 1935 he had claimed Communist leadership for himself despite the opposition of his more orthodox colleagues.

The rest of the Chinese leadership, in the 25 years which have elapsed since the Mao takeover, have adopted his outlook. Together they enunciated a philosophy which is highly radical even within the framework of communism, and the program they have sought to carry out during the past decade of Red rule has been the most convulsive on record. At the outset, at least 12 million Chinese were exterminated in what Mao called the "mass shock." Countless millions more were thrown into prisons and brainwashed. Then came a constant, omnipotent propaganda effort which sought to make it impossible for the people "to lead a normal life again." And in the spring of 1958 the commune movement began, a program which essentially meant herding 650 million people about as so many animals.

I will attempt to focus more closely upon the Chinese life itself later, but at the moment I think it is important to examine the communist leadership and its ideology. The Western mind, and particularly the American, may never really penetrate the Oriental character. The Chinese have devised some of the world's most lovely philosophies and some of its most grisly tortures. They have invented the printing which has spread so many ideas and the gun powder which has killed so many others. Their millennia of inbreeding have produced, in the broadest sense, some of the most refined and subtle minds the world has ever seen. And throughout the entire fabric runs a thread of incredible and almost dogged patience, a sublime reliance on what I suppose the Western world would call fate.

The purpose of the Chinese communist leadership has always been to forge a strong industrial state with an absolutely regimented people. Most of its rather lofty pronouncements and goals can be reduced to these purposes: "Our present task," says Mao, "is to strengthen the people's state apparatus — meaning principally the people's army, the people's police and the people's courts . . . Given these conditions, China, un-

der the leadership of the working class and the communist party, can develop steadily from an agricultural country into an industrial country . . ."

As far as the "state apparatus" is concerned, it has been "strengthened" beyond anything the world has ever seen. The worst of Stalin's purges in the 1930's would appear mild in comparison, and the most serious Soviet propaganda efforts are amateurish in the Chinese context. Workers are given political lessons during rest periods, loud speakers blare the party line everywhere and incessantly, posters demand more and still more of the people's efforts. Nothing more complicated than survival of the fittest has furthered the lack conformity, for those who lack enthusiasm are simply exterminated.

Like the huge colony of ants which this policy has indeed made them, the Chinese have been ruthlessly driven by their leaders toward a greater economic development. Mao and his lieutenants have had their five year plans as well as the grandiose "Great Leap Forward." This latter bit of communist policy sought to double the production of virtually every major product, and there is little comfort in the fact that the effort ultimately failed. For even though the Chinese were not traveling at the speed of light, they were doing so at the speed of sound. The production of grain reached almost 400 million tons in

1958, more than three times the total in 1949, and steel output jumped from less than two million tons in 1952 to more than 10 million in 1958.

The leadership has yet to produce anything resembling a threat to the United States so far as sheer economics is concerned, but their policies have developed a rate of growth which in some years has surpassed the Soviet Union's three times over. The brand of communism enunciated by Mao has been intensely practical and utterly brutal. Yet its achievements, purchased though they are at the price of untold suffering, must not be overlooked. Chinese "communism" is, like the Russian variety, only a veil for dictatorship and hardly resembles the visions of Marx.

"We are opposed," says Mao, "to the die-hards in the revolutionary ranks. Their ideas do not advance with the changing objective circumstances . . . The external world which is to be changed includes the persons who are opposed to that change. To be remolded they will have to go through a stage of compulsion before they enter into a stage of remodeling their own accord. When the whole of mankind of its own accord remolds itself and changes the world, that will be the age of World Communism."

process absolutely unknown elsewhere in the civilized world. It has almost seemed to tear each Chinese limb from limb only to reconstruct him in a new image which not only ignores previous human values but also the Supreme Intelligence which created those values.

Mao and his followers have moved with impatience. Behind all the semi-automatic plugging of communist slogans, little reliance is placed upon the smiles which fortune is supposedly scheduled to bestow. The truth is that the Chinese communists are determined to eliminate the slightest intellectual or personal deviations of their people. And in this task they have thus far been eminently successful.

The Chinese are overworked and overgoverned. This has been the end result of their leadership and its theories of a perfect society. But it does not necessarily follow that Communist China is merely a vast land packed with dull-minded slaves whose regimentation has destroyed their power or purpose. Mao's experiment has produced a potent and highly disciplined force. Listen to the workers chant: "The communist party is like the parents, the people's commune is like heaven. The parents love their children dearly, the latter enter heaven and lie in everlasting bliss."

The "everlasting bliss" has been purchased with freedom and human dignity, but we must not for-

get that these are Western concepts which the Chinese have foregone since before the time of Abraham.

# Lindley Has County's First '60 Cotton Bale

The first bale of cotton for Hall County was ginned Tuesday at the Farmers Union Co-Op Gin at Plaska, it was reported this week by local co-op gin manager, John L. Burnett.

Billy Hancock, gin manager of the Plaska Farmers Union Co-Op Gin stated that the bale of cotton brought in by J. W. Lindley weighed in at 1990 pounds before ginning. The bale yielded 490 lbs. of lint and 780 lbs. of seed, he reported.

Lindley harvested the bale from

a 35 acre block of irrigated cotton located south of Plaska. He stated that the field was planted on May 9.

As far as The Democrat knows, this is the first bale of cotton to be ginned, however, according to reports, there are several farmers who started gathering cotton on Monday.

## Enrollment Is Under Last Year, Supt. Davis Says

According to total enrollment figures released this week by the office of Supt. W. C. Davis, 623 students enrolled in the white schools, and 110 students in the Morningside school in Memphis.

In comparison, last year, total enrollment of whites were 688 and colored students, 192. This shows a decrease of 65 whites and 82 colored students.

However, Supt. Davis said, it is believed that many of the colored students are helping with the cotton harvest in the southern part of Texas and will enroll later in the fall. Also, he said, we have all year to gain students who transfer.

A breakdown in High School showed that there are 32 seniors, 47 juniors, 44 sophomores, and 52 freshmen. This totals 175 in High School. There are also 52 students in the 8th grade class, also located in the High School building.

In the other seven grades there are: 69 first graders, 51 second graders, 42 third graders, 47 fourth graders, 53 fifth graders, 50 sixth graders, and 56 seventh graders.

Travis Elementary school has 214 students, and Austin Elementary school has a total enrollment of 153. This makes a grade school enrollment of 368, Supt. Davis disclosed.

## Annual Hall County 4-H Swine Show Scheduled For Saturday, September 17

The annual Hall County 4-H Sears and Businessmen's Swine Show will be held Saturday, Sept. 17 at the City's Show barn near the City Park in Memphis, it was reported this week.

In years passed, County Agent W. B. Hooser said, the gilts were brought to the show on Friday and showed on Saturday, thus causing some of the club members to have to spend the night away from home, or making two trips.

This year the gilts will be brought to the show early Saturday morning, Sept. 17. The gilts must be washed and in the show pens by 9 a.m., because judging will start at 10:30 a.m., Hooser said.

The following club members have gilts furnished by Sears and Roebuck: Donald Widener, Memphis; Perry Ray Thomas, Estelline; Larry Moore, Estelline; Clinton Pierce, Lakeview; Bobby Lacy, Turkey; Jerry Lacy, Turkey, and Johnny Edwards, Memphis.

Gary Gentry has the County Sears boar which will show in the Hall County show and in the Amarillo show.

The following gilts were furnished by the businessmen of Memphis: Mike Widener, Memphis, by Durham Pharmacy; Don Turner, Turkey, by Doc Saye;

Mike House, Turkey, by Doc Saye; Bruce and Bobby Edwards, Turkey, by Memphis Chamber of Commerce.

Prize money will be furnished by Sears Roebuck for the Sears class. Prize money will be furnished by the businessmen for the businessmen's swine class.

The Grand Champion Sears gilt of the County Show will show at the Tri-State Fair in Amarillo, Sept. 24 at 1:30 p.m. The Hall County Sears boar will show in Amarillo.

two charges of burglary; Clifford Dawson was also indicted on two charges of burglary; and Curtis Oran Inman, Jr., was indicted on one charge of burglary. In the other case of Grand Jury indictment, officers are still seeking the subject.

Pleas of guilty are to be heard Friday at 1:30 p.m. before Judge Gribble in the District Courtroom in the County Courthouse.

In a civil suit before the Court, the case of C. B. Robertson vs. Mona Robertson, over farm land damages filed first in the Court on June 6, 1955, the case is expected to go to the jury sometime today.

This is the third time the court has heard the case, with other decisions going in favor of the defendant, Mona Robertson. The case has been appealed to the Court of Civil Appeals twice and to the Supreme Court in Jan. 1960, where it was referred back to the trial court.

In the cow country where ladies were scarce, the cowboys flocked to dances. Because there usually weren't enough ladies to go around, some of the men were picked to play the part of a female and dance lady fashion. The man so designated wore a handkerchief tied to his arms. This was called a "heifer brand." His reward was being allowed to sit with the ladies between dances.

## Memphis Girls Enter Airline School In Calif.

Two Memphis girls left last week for Hollywood, Calif., where they will attend a three-month training school at California Airline and Electronics School. Entering the school are Miss Priscilla Wright, daughter of Mr. and Mrs. Guy Wright, and Miss Jackie Crawford, daughter of Mr. and Mrs. Jack Crawford of Shamrock and formerly of Memphis.

The school covers every branch of the airline industry and the students have their choice of placement as long as they meet certain qualifications.

Both girls are 18 years of age and are graduates of the local high school.

Miss Wright was an active member of the spring graduating class and during the summer months has been employed with Tucker Dry Cleaners. While in school she served as cheerleader, and was a student council officer. She received many honors while in high school including being named basketball queen, football queen attendant, most versatile, class officer, and class favorite. She was also one of the winners in the high school beauty contest.

A graduate of San Jacinto Beauty School, Miss Crawford had been associated with the Vogue Beauty Salon for the past several weeks as an operator. While in high school, she served as a class officer, was a member of the annual staff. She was elected class favorite and was a candidate for Carnival queen.

The girls left Amarillo Sept. 1 by air. They will enter school on Sept. 6.

The supervisors of the Hall County Soil Conservation District are reminding farmers that now is the time of the year to start planning and planting a cover crop for this fall and spring.

The soil conservation district has an inter-row seeder that farmers may use to plant rye or winter peas in cotton middles. The inter-row seeder seeds two rows of rye or winter peas in the cotton middles. The cover crop does not affect the cotton or the harvesting of the cotton.

A cover crop will add organic matter to the soil, help to control wind erosion, add nitrogen to the soil, and increase the water holding capacity of the soil.

The inter-row seeder can be obtained from Wayne Hutcherson who lives six and one-half miles southeast of Memphis.

For best results of winter peas they should be planted from Sept. 1 to Oct. 20 at the rate of 6 to 12 pounds per acre. Rye should be planted from Aug. 15 to Oct. 1 at the rate of 15 to 20 pounds per acre interplanted in the cotton middles.

For other information about cover crops contact the local Soil Conservation Service technicians.

## DPS Patrolmen Examinations Are Set For Oct. 4-6

Competitive examinations will be given state-wide on October 4, 5, and 6 to fill 118 vacancies as patrolmen in the Texas Department of Public Safety. Applications may be obtained from any DPS Patrolman or field office, according to Major Harry Hutchinson, Regional Commander of Region 5 of the Texas Department of Public Safety.

Interested young men who are between the ages of 21 and 35 must have their applications filed with the Department in Austin on or before September 23, 1960.

Major Hutchinson advised that applicants who successfully complete the examination will be trained with pay, at the Department's Police Academy in Austin, which has been rated as one of the top police training academies in the nation. Upon graduation from the academy, the new patrolmen will be assigned to one of the six regions in the State and will receive an additional six months on-the-job training under the supervision of experienced officers.

The vacancies that exist within the DPS at patrolmen offer many personal benefits including good pay, job security, retirement, annual vacation, sick leave, and uniforms and all equipment furnished.

## Lakeview Defeats Morris, 30-22 Saturday Night

The Lakeview Eagles came out victorious over the Morris squad, 30-22, Saturday night before the largest crowd of spectators to witness a home game there in a number of years.

Lakeview Coach Paul Kitchens said his squad will be meeting one of the district's toughest squads, the Miami team, Friday night, at Miami. Game time is 8 p. m.

Miami has been picked to win the 8-man football district, again this year. They were district champions last year. Miami defeated Booker last week 31-12.

Scoring Saturday night for the Lakeview team were Red Clements and Tony Sahagun, one touchdown each, and Tiny Robertson, with

two touchdowns. The squad posted up six extra points to take the game by an 8-point margin.

Coach Kitchens said that his squad was showing excellent spirit and attitude, as well as an undeniable attitude to win.

"We have improved since last week's game and have been working hard," he said.

The down-field blocking of some of the linemen was very good in the game against Morris, the coach said, and it has been improved this week.

The cowboy's term for the tie in anything whether his own or others his riding gear or a well-dressed woman, was "plated."

A horse which will stay on the ground is said to be "plated to the ground." A horse which will stay in place as surely as if he were actually tied.
