## Savage Heatwaves, Water Shortages, Parched Farms Year After Year After Year

The National Arbor Day Foundatio

Urges You to Plant Trees to Fight the Greenhouse Effect
the earth is heating UP.
"The Greenhouse Effect," says James E. Hansen, director of NASA's Institute for Space Studies, "is here...it's time to stcp waffling." of the The warming of the for decades. It is accelerating at an cmincus pace.

A sharp increase in atmospheric
dicxide (CO2)
cut
dicxide $\left(\mathrm{CO}_{2}\right)$
major cause. Two thing contribute - the burning of fossil fuels and the destructicn cf forests.

Carben dicxide is an one-way filter. It lets the sun's energy pass through but traps the heat rising from the earth - what scientists call the "Greenhcuse Effect.

Trees remeve $\mathrm{CO}_{2}$ from the atmosphere, but mankind has destrcyed a

## The Greenhouse Eficect May Wake Hold of the Earthin

 Your Lifetime
## third of the world's

 forests.$\mathrm{CO}_{2}$ in the atmosphere has increased by cnefourth since the industtial age began, and scientists estimate that it cculd dcuble in the next century
If that happens, the huge polar ice caps may melt, causing oceans to flced ccastal cities. Droughts will plague American's bread-basket. Rivers that supply
water to cities will dry up. Heatwaves will be commonplace.

Much can be done to slow the Greenhcuse Effect. We must decrease cur use of fossil fuels. Stcp destroying the world's forests, and plant trees.
You can make a difference. Trees you plant may be our best line of defense. Trees can shade ycur home in summer and slow winter wind. While your trees absorb $\mathrm{CO}_{2}$ they also reduce the amcunt of fossil fuel burned for cocling and heating.
As a result, ycur trees can be as effective as 15 forrest trees in fighting the Greenhcuse Effect.

Even if the impact cf the Greenhcuse Effect is not as great as predicted, planting trees is still . the right thing to dc.

## DISTRICT 6A TRACK RESULTS

The Borden County Coyotes competed at the District 6 A Track Meet at Sands last Friday.

Neither of the teams qualified anyone for the regional meet at Levelland on April 29 but they did their best and they gained valuable experience. The team had tc work with and arcund many other schools activities, and as a result the team members had to split their time with other events. As a result of this we didn't get to attend many meets in preparation to the district meet. Twelve schecls are represented in our distict.

Lance Latimer ran the 100 and 200 meter dashes and long jumped. He ran a 12.26 in the 100 meters and 24.13 in the 200 meters. Chris Kilmer ran the 400 meter dash with a time cf 60.05. Sandy Buchanan threw both the shot put and the discus. She placed 6th in the shet put with a throw of 27'10". Her best discus throw was 79'3". Elana Himes threw the shot put alsc, but she did not place. Veda Balaque ran on the 400 meter relay. They ran a time cf 61.62. The other relay members was Kristin Monger, Kristi

Adcock and Shayne Hess. Kristi also ran the 400 meter dash and just missed making the finals. Brian Bond ran in both the 110 high hurdles and 300 meter intermediate hurdles. He made the finals in both events and he placed 4th in the 110 highs. His time was 17.10 seconds. Marc Latimer ran on the 400 meter relay and the 400 meter dash. On the 400 meter relay the baten was dropped on the first exchange. Shane Kemper also ran on the 400 meter relay and the 100 and 200 meter dashes. His 100 meter time was 12.69 and his 200 meter time was 27.31. Cole vestal ran the 800 meter run, but he did not place. Shayne Hess anchored the 400 meter relay and ran the 100 meter dash. She ran the 100 in 15.83 secends. Heather Armstreng ran the 400 meter dash and long jumped. She did not place in either event. A'Lise Lloyd alsc ran the 400 meter dash and long jumped. Lance Telchik threw both the shot put and the discus. His best shct put attempt was $37 \cdot 10 \prime$, and his best discus threw was 101'10". Several athletes are

## JR. HIGH DISTRICT TRACK MEET

The Borden County Jr. placed 2nd with a time High Coyotes ended of 12.56 seconds. In their track season at the 200 meter dash, his the East Zone District leg was hurting, and he Meet at Grady last hobbled in 5th with Saturday. The boys 28.68 seconds. He also finished 5th with 41 anchored the 400 meter points. John Paul relay that finished 3rd Harris started things with the time of 53.3. cff for the Coyctes with a win in the pole vault. He won with a jump of 8'6". He didn't attempt any more jumps because of a sore leg that had bothered him for the past twc weeks. After pulling a muscle at the Sands meet, he has not been able to do much more than stretch and jog. The inactivity hurt his efferts in the running events tco. In the 100 meter dash he

planning to attend the new Texas Six Man Coaches Association Regional Meet at Klondike on April 22. This meet is for any team member cf Six Man schocls only. Any six man school can send anyone whe competes at the district meet. A Six-Man State Meet is also scheduled for May 6 at Comanche. The six-man ccaches feel like this will give scme six-man athletes a chance to compete against just the smaller schocls in class A.

Tips For Motorists

What To Do If You

See An Accident
One out of every five drivers probably will be involved in some kind of motor vehicle accident in 1989, reports the National Safety Counrepo
cil.

Because of the high incidence of vehicle accidents, Shell Motorist Club (SMC) recommends you learn what to do before you become involved in an accident or are a witness to one. Here are six recommendations to follow:

- If you're first to arrive at an accident scene, pull over and put your emergency flashers on to help your emergency flasher
warn oncoming traffic.
warn oncoming traffic. police to get an ambulance.
Turn off ignitions of collision vehicles.
- Check condition of the accident victims. Offer assistance to the injured, but, in most cases, do not try to move them.
- If there's danger of injury from oncoming traffic or from fire, move the accident victims to safety.
- If qualified, administer first aid.
It's always a good idea to join an automobile club to ensure protection wherever you may be traveling. Automobile clubs such as Shell Motorist Club provide a trip continuation allowance to reimburse members for personal expenses needed to complete a trip or return home from a collision. For information write P.O. Box, 2643, Houston, TX 77001 or call 1-800-621-8663.

MRS. RICKEY LYNN BRAZEAL
 nee
Christy Joyce Creighton

## WEDDING

Cristy Joyce Creighton and Rickey Lynn Brazeal were united in marriage in a dcuble-ring, semi-formal wedding at 7 P.M. Friday, March 17, at the College Church of Christ in Paris, Texas. Long-time elder of the College Church of Christ, Bill Jones, performed the ceremony.

The bride is the daughter of Mr. \& Mrs. J.O. "BO" Creighton, Route 3, Parris, formerly cf Gail, the grandaughter cf Mrs. Vernon Creighton, Gail, and the late Vernon Creighton, and the late Mr. \& Mrs. Ellison Lee, Lamesa. The groom is the son of Mr. \& Mrs. Jerry Brazeal, Route 4 , Paris.

The aisles were decorated with blue and white bows and streamers, The alter area was centered with a large gold archway, decorated with blue and white flowers and bows. To each side stood large gold baskets filled with white gladiolas and blue and white carnations.

Rick and Linda zant, Craig Zant, Pam and Michael Fry, David Ballard and Bc Creighten father of the bride, sang "Lord, We Come Before Thee Now", "Blessed Jesus Hcld My Hand", "Fcllew Me" "Faithful and True", and "We've only Just Begun". Ballard and Creighton also sang "Forever and Ever Amen"
The bride was escorted to the alter by her father and given in marriage by her parents. She were a formal length bridal gown of silk, satin and lace. The chantilly lace bodice, overlaid with pearls and sequins, featured a sweetheart neckline, bordered with pearls. The basque waiseline held the long, full skirt that was overlaid with tiers of ruffles of sheer silk and lace cascadeing from the waistline down to the hemline which extended tc form a chapel lenght train.
Her headpiece, worn by her mother on her wedding day, consisted
of white silk flowers and petals pcited with tear drop pearls, held a fingertip length veil.

She carried a large bouquet of white roses, carnaticns and dasies interwined with babys breath, white and blue ribbons, lace and satin streamers tied in love knots. She also carried a handkerchief belonging to her late grandmother, Thelma Lee. Something old was her veil, something new were pearl earings given by her parents just before the ceremony. Something borrowed was a pearl necklace worn by her mother during her wedding. She wore a blue garter and carried the traditional birthdate pennies in her shoes for good luck.

Deborah Bolton
Paris, was matron of honor. Her dress was tea lenght, light blue satin, with a dropped waistline accented with a large bow in back. Large puffed sleeves and sweetheart neckline. She carried a bcuquet identical to the bride, only smaller. Michele Lee Creighton, niece cf the bride, and Jessie Brazeal, niece of the groom, were flower girls. They dropped dasies from white silk and lace baskets and wore tea lenght dresses identical to the matron of honer.

The groom was dressed in a gray cordrey western ccat with gray wranglers, bocts, and blue boutionner. Best man was Brent Bclton ef Paris. Quint Creighton, brother of the bride, Benny Landers, cousin of the groom and David Ballard, all of Paris, were ushers. Issac Power, cousin of the groom served as ring brearer. The male attendants were all dressed in blue western shirts, black wranglers, bocts and blue silk boutcnniers.

Guest were registered by Tana Creighton, sister-in-law of the bride, \& Leann Mitchell. Out of town guests included Mrs. Vernen Creighton, Mrs. Verna Faye Ogden, Gail, Mrs.

June Durham, Lubbock, Larry Doyle, Abilene, Mr \& Mrs S.E. Lee, Mr. \& Mrs Dean Lee, Mr. \& Mrs. David Neal, Micki \& Billi Lee Mt. Pleasant
A reception in hener cf the newlyweds was held at the church following the ceremeny. The brides table, covered with blue satin and white lace, was centered with the bridal bouquet and held a white three tiered wedding cake adorned with white and blue roses and topped with wedding bells. Punch, in a crystal bowl, nuts and mints completed the setting. The grocms table was covered with brown linen and ecru lace cloths, and held a checolate cake and silver coffee service.

The house party included Cindy Pickering Jamie Gallion, Sara Neal, cousin of the bride, Pearl Ballew, Bernice Griffith, Judy Preston, Sis Ballard, Carolyn Ballard and Pam Fry.

The bride is a 1985 graduate cf Delmar High Schcol, 1987 graduate cf Paris Junior College and is currently attending East Texas State University, Commerce Texas, a member of ASPA Business Club and is employed at McClanahan and Holmes, CPA, Paris.
The groom is a 1986 graduate of Delmar High School, attended Paris Junior College, and is currently enployed at T\&K Enterprises in Paris and Brazeal Construction.

CHILD ABUSE CAMPAIGN

Following a wedding trip the couple will be at home at Route 3, Paris, Texas.

Mr \& Mrs. Jerry Brazeal hosted a BBQ dinner Thursday evening at the Church fellowing the wedding rehearsal for family members and the wedding party.
Mr \& Mrs. Max Ballard hosted a surprise dinner and pantry party in their home for the engaged ccuple, family and friends. Deborah Bolton gave a personal shower and rice bag party for the bride to be. The ladies of the Ccllege Church of Christ hosted a miscellanicus shewer in the home of Mrs. Miachel Fry. Taylortown Fire Staticn was the scene for a shower for the ccuple, hosted by the ladies of the Glory Community. Mrs. Rebert Ballard alsc gave a shower in her home for ladies of the Midway Community

## NOTES FROM HOME

## By Debra Pollard <br> Home Demonstration/CEA

COMPLETING A SUCCESSFUL

## RESUME \& INTERVIEW

Twc impcrtant parts cf a jcb search are the resume and perscnal interview. The resume serves as a preliminary screening device, and the 20 tc 30 minutes spent with an interviewer can determine whether or not an applicant gets the job. A resume should create an interest in the potential emplcyee. It should be concise, easy tc read and attractive. A professionallocking resume is composed cf clear, sharp print on high quality paper. Dc not pencil in changes.

## Sufficient

perscnal information should also be included: work and home phone numbers; jcb cbjectives; an education summary; work histcry; honcrs, memberships cr hobbies supporting the job; \& three references. References should be consulted prior to listing them.
A resume shculd reflect the positive attitude that employers lock for in new employees. Infcrmation such as age, marital status, health, unrelated hobbies, cr negative reason for leaving earlier jobs should be left cut. Salary requirements or current salary are cther pieces of information tc avcid until you've been cffered the job.
A
professicnal, positive resume targeted at the jeb in question can be a first step toward getting an interview.

An applicant whe does their homework can make the interview go smoothly. Facts which a potential emplcyee should know abcut a company befcre the interview include the full name and exact
location; the interviewer's name and it's pronunciation; what the firm dces, makes cr sells, where plants, offices or stores are; and the base salary.
An applicant should take tc the interview a social security card or work permit, if required They should alsc take a copy of their resume and a small notebook with a pen.
A jcb interview is nc place tc take chewing gum or tcbacce, shopping bags or parcels, friends or relatives, or music and entertainment items.

An interviewer is allowed tc ask an applicant anything related to the job, work history, cr career gcals. Questions such as, "How much money do you expect tc earn five years from now? Ten, may arise.

## LETTER TO THE EDITOR

Mrs, Carl (Nell) Gray--a former Borden Ccunty resident, had a stroke oct. 12, 1988, and is now a resident of Snyder Nursing Home.
Nell will be 95 years cld April 22nd., and would appreciate cards or letters from friends and relatives. Address the cards to:

Mrs. Carl Gray

Snyder, Texas, 79549

## Get the Kids in on the Act

Is your family spending enough time together? Are you looking for fun things to do as a family activity? Try baking together for a change of pace.

Even though kids are famous for the messes they can create, put aside the neatness factor for a while and herd the kids into the kitchen to make special biscuits for a Saturday breakfast.
Thimble Biscuits are sure to hold the attention of young bakers. A simple biscuit recipe not only forms the base of Thimble Biscuits but also teaches basic baking skills to young cooks.

Thin rounds of biscuit dough are rolled out and stacked on top of each other, with the top round having a hole punched in it using a tiny biscuit cutter or, as the name implies, a thimble. The top round holds a spoonful of jelly.

Be sure to serve extrajelly along with the biscuits as the small amount baked in each one is not quite enough to satisfy the true biscuit and jelly fan.

Thimble Biscuits
2 cups sifted Martha White Self-
Rising Flour
1/4 cup shortening
$3 / 4$ cup milk
About $1 / 4$ cup jam or jelly Preheat oven to $450^{\circ}$ F. Cut shortening into flour until particles are like fine crumbs. Add milk and stir with a fork only until dough leaves the sides of the bowl. Turn dough out onto lightly floured board or pastry cloth; knead just until smooth. Roll dough about $1 / 4$-inch thick and cut with floured 2 -inch cutter. Place half the biscuit rounds on lightly greased baking sheet. Cut a hole in center of remaing biscuits with a thimble or other small cutter. Stack each layer of biscuits with a small hole on top of biscuits on baking sheet. Fill the holes with about $1 / 4$ teaspoon jam or jelly. Bake 10 to 12 minutes or until golden brown.

Note: If using Martha White AllPurpose Flour, sift 3 teaspoons baking powder and $3 / 4$ teaspoons salt with flour
For additional recipes all made from a basic biscuit dough, write for "Basically Biscuits" at the Martha White Kitchen, P.O. Box 58, Dept. CC3, Nashville, TN 37202.

## ASCS NEWS BY Jerry Stone

## "ACTIVELY ENGAGED IN FARMING" AND <br> AND "PERSON DETERMINATION"

Friday, April 28, 1989 is the final date to submit a form CCC-502 (Farm Operating Plan for Payment Limitation Review). Failure to meet this deadline will result in the producer in question forfeiting all payments and program eligibility for the 1989 program year. In addition you must also designate your permitted entity or entities that are to receive payments on a CCC-501B. Don't miss out, remember Friday April 28, 1989.

## SMALL GRAIN CERTIFICATION

May 1, 1989 is the final date to certify any planted acreage of wheat, barley, cats or other small grain, whether for grain, cover crop cr grazing. Operators of farms with a small grain base established are required to certify for history preservation, even if zero acreage has been planted.

Any small grain acreage intended for use as ACR or CU must be certified by the May 1 deadline. The small grain can be left standing in order to volunteer for next season by paying a $\$ 10.00$ fee to cover the cost of a farm visit to assure the acreage is not harvested by any means. Disposition of the mature grain can only be accomplished by shredding or plowing under.

CORN AND GRAIN SORGHUM APPROVED AS COVER ON ACR
Corn or grain sorghum has been approved for a cover crop on ACR acreage. However, there are some additional requirements that must be met before using these program crops as cover on ACR. First of all the acreage, must be close sown cr broadcast, must not be harvested, hayed or grazed (even if haying and grazing are later approved on ACR, must be shredded or clipped to prevent grain maturity and last of all you must file a request for approval and pay $\$ 10.00$ farm visit fee by the final certification date for spring seeded crops, July 15, 1989.

## LIMITED CROSS COMPLIANCE

Participating farms may not exceed the base of any other program crops plantings on the farm. Exceeding the base for any program crop makes all crops grown on the farm ineligible for program benefits. The cnly exception is cats.

AGRICULTURAL CONSERVATION PROGRAM (ACP) SIGN UP
Request for cost/share assistance under the ACP program will be accepted through May 1, 1989. Request should be for practices to be completed in May, June or July. (This includes but is not limited to aerial control of brush).

## FOREIGN INVESTOR

Foreign investcrs who acquire, transfer or hold interest in any agricultural land are required by law to report such transactions and holdings to the Secretary of Agricultural within 90 days frem the date of change. Persons not reporting are subject to penalties.

TIME IS RUNNING OUT
If you have highly erodible cropland, you must have a conservation plan by December 31, or you will be ineligible for farm program participation until you have a plan approved. Time is running cut, so don't let it run OUT on your program benefits.

The single most popular entree in American restaurants is the hamburger der $\$ 5,000$. The 34 percent of older der $\$ 5,000$. The 34 percent of older Ametween $\$ 5,000$ and $\$ 10,000$ get 73 percent of it from Social Security

April Supermarkets Specials Spotlight Vegetables, Fruits \& Meats

Gocd supplies cf fresh spring and summer friuts and vegetables should result in consumer savings at supermarkets during April.

A $10 \%$ acreage increase in vegetables planting this seasen shculd be reflected in fccd stcre prices as supplies increase this menth.

Grewers have increased their production tc take advantage cf expanding consumption of such pepular vegetables as brecceli, cauliflower, peppers and sweet ccrn.

Making the biggest splash during April will be strawberries. Supplies have been spetty up to now, but beginning this menth consumers shculd see lower priced cfferings.

Companicn items, including shertcake and whipping cream, will be ameng April supermarket specials.
Other vegetables ncw appearing in large supply will be snap beans, cucumbers, squash and sweet ccrn, arriving fresh frem Flcrida.

April specials alsc will be featured cn carrets, asparagus, celery, spinach and citrus fruits, as harvests cf these products continue.

Lewer prices for crange juice is indicated for the retail level in April, as world preduction increases.

April supplies of canned tuna will be the last to reflect a lower duty impert tax, and prices will inch upward from May ferward. This may be an epportune time tc replenish supplies althcugh there will be spct features through the year.

A number of specials will be featured at the meat ccunter this month.

Beef prices will reflect specials on ground beef, chuck reast, chuck steak and shoulder rcast. Some stcres alsc will feature more cheice cuts such as reast or steak at a price cf 25 tc 30 percent belcw the normal price, sc take advantage of these specials.

Pcultry prices shculd provide gocd buys as well.

Watch for whole breilers on special at 49 cents per pcund or belcw. The leg and thigh combination is still an excellent buy at 29 tc 39 cents per pound when brought in quantities of 10 pounds or more. Some smaller turkeys will be featured at 69-79 cents per pcund.

Pork products also will continue to be of gecd value, with all popular cuts being featured during the menth.

The cpening of the baseball seascn in early April will cause retailers to promete specials on het degs, scft drinks, petato chips and cther snack items asscciated with attending a game.

Retailers will feature specials in their flocal sections and cther gift sections during the last week of April in observance of Nationals Secretaries Week. "Don't cverlcek that special occasicn.

## Pointers For Parents

Camping: Selecting A Location
If your youngster likes to be in on the planning, then he or she will enjoy the hunt for a location when choosing a campsite. The first thing you'll need is a good topographic map.

Look for a campsite on high, level ground that's sheltered from the wind.
The U.S. Geological Survey points out that a topographic map tells you where things are and how to get to them. These maps describe the shape of the land and locate the shape of the land and locate such natural and man-made fea tures such as woodlands, water ways and bridges. Here are some tips on selecting a location:

- If you're not staying at a campground, look for a site on high, level ground that is uncluttered and sheltered from the wind.
- The campsite should be at least 200 feet from hiking trails, scenic attractions and water
- The tent should be pitched in sandy soil that is firm enough to hold the stakes securely but still supply good drainage.

With a good map, which you can find at your nearest map dealer, and a good campsite, your camping vacation should be fun for the entire family.
