## M. C. Allen Is Named Outstanding Citizen

M. C. (Suzy) Allen, Sr., was named the outstanding citizen of the year at the Memphis Jaycees Installation Banquet Saturday night, and the plaque was accepted in his behalf by his son, Mackie Allen.

Miss Hall County 1964, Miss Minka Sims, presented the plaque to Mackie Allen when Master of Ceremonies David Duncan made the announcement.

Duncan was the recipient of the outstanding Jaycee of the year award presented to him by President Gene Hamill.

Approximately 200 persons were on hand for the affair at the Community Center Saturday night.

The principal speaker, R. Rex Bailey, district manager of the Brownfield District of General Telephone Co. of the Southwest, addressed those present concerning "Power Unlimited".

After outlining many of the physical powerful forces in the hands of man, he outlined the unlimited power of prayer in the form of a personal experience. He told of a car wreck in which his daughter was injured and unconscious for three days.

Bud Miller, State Director of the Texas Jaycees, installed Bill Lockhart as Memphis Jaycees president for 1965-66. Ken Maddox, vice president; Gene Hamill, secretary; Keith Cunningham, treasurer; Joe Allard, parliamentarian; David Duncan, inter-club director; John Binkley, director; and G. D. Hall, director, were also installed.

Doyle Gilbert, with the telephone company here, introduced the principal speaker.

## Methodist Church In Estelline To Hold Revival

The Estelline Methodist Church will hold a revival beginning April 19 and continuing through April 25, it was announced this week.

Services will begin at 7:30 p. m. each night. Rev. Jarrel Tharp of Texline will be the preacher and Norman Hemphill of Childress will be in charge of the song service.

The topics of Rev. Tharp's sermons are:

## United Pentecostal Church Plans Revival Next Week

The United Pentecostal Church of 521 North 9th St. announced this week plans for a Revival meeting beginning Sunday, April 18.

Vestal Estes, evangelist, of Dalhart, will be the speaker for the revival. Special music and singing is planned for each evening.

Services will begin at 7:30 p. m. each evening. The public is cordially invited to attend any or all of the services, N. J. Pope, pastor of the church, said.

## Goodpasture Is Named Boss Lion For 1965-1966

Orville Goodpasture was elected president of the Memphis Lions Club at the regular luncheon meeting Wednesday. At the same time, members named a full slate of other officers and directors, who will serve during the 1965-66 club year. Goodpasture served as first vice president during the current year.

First vice president for the new year, which begins July 1, 1965, will be Dick Fowler; also Les Sims will be second vice president, and Herb Curry third vice president.

Other officers who were elected Wednesday include: Wayne Goodrum, secretary; K. B. Chick, treasurer; Kenneth Dale, Lion tamer; and L. B. Snider, tail twister. The music leader will be Gene Lindsey. Directors who will serve two-year terms will be Rev. Leroy Gaston and Gene Hamill. Hold-over directors are Richard Liner and Dink Miller.

Date of the installation banquet was not announced.

## Several Injured In Car-Pickup Wreck Sunday

Several persons were injured in a car-pickup accident 4.5 miles west of Turkey in front of the Midway Drive-In Theater on State Highway 85 at 9:15 p. m. Sunday. Injured were residents of Quitaque in one car and Turkey in the pickup.

Involved in the accident were a 1962 Ford driven by Miss Janet Bailey of Quitaque and a 1952 Ford pickup driven by Roy Edwards.

Passengers in the Bailey car were Miss Kay Johnson and Sammie Sue Johnson, both of Quitaque. Passengers in the Edwards pickup were Bobby Edwards and Anita Edwards.

Investigating officers, Highway Patrolmen Presley Thomson and Don Collins stated the accident occurred when the Bailey car was leaving the exit of the drive-in theater and turned on to the highway. It was hit almost headon by the pickup.

Roy Edwards and daughter, Anita, and Janet Bale were taken to Stanley Hospital at Matador for emergency treatment. Janis Kay and Sammie Sue Johnson and Bobby Edwards were taken to the Hall County Hospital in Memphis for treatment.

Anita Edwards was treated at Matador and was taken to Plainview Monday to a bone specialist.

Janet Bailey is the daughter of Mr. and Mrs. J. F. Bailey of Quitaque. The Johnson girls are daughters of Mr. and Mrs. C. N. Johnson of Quitaque.

It was reported that the Edwards were returning home from Quitaque to Turkey after leaving Mrs. Edwards at the Johnson home. Mrs. Edwards cares for the grandfather of the two Johnson girls involved in the wreck.

## Jack B. Boone Is Speaker For Exes Banquet Saturday

JACK B. BOONE

## Over 200 Are Expected To Attend Annual Affair; Senior Class Is Host

Approximately 200 persons, many from out-of-town, are expected to attend the annual banquet for Memphis High School Ex-Students on Saturday evening at 8 p. m. in the Community Center, Hubert Dennis, president, announced this week.

Tickets have been on sale for several days by members of the Senior Class. Making it easy for out-of-town visitors to purchase tickets, the Senior Class will set up a booth on the square Saturday. The stand will be open all day. Tickets are \$2.00 each.

Principal speaker for the occasion will be Jack B. Boone, 1955 graduate of Memphis High School and senior law student at the University of Texas. Mr. Boone will complete his work at the University and take his bar examination this summer.

After receiving his BA degree in political science from the Uni-

versity of Texas, Boone spent three years in the Marine Corps with half of that service in Okinawa, Philippines, Laos, and Vietnam. The last year was spent in Houston on recruiting duty.

While in Houston he was active in the Jaycees, and was on the military affairs committee of the Houston Chamber of Commerce.

Boone entered Law School in 1962. He is on the Honor Council; received the Bar Association Award, and is a member of Phi Alpha Delta Legal Fraternity. He is a life member of the University of Texas Ex-Students Assn.

While living in Austin, he has spent two Legislative sessions clerking for Senator Andy Rogers. He holds the rank of captain in the U. S. Marine Corps.

Son of Mr. and Mrs. Jack Boone of Memphis, he is married to the former Bebe Moody of Houston. The couple have one daughter, Katherine Martin, who is one year old.

Mr. Boone will be introduced by Dr. Roddy Bice, a classmate.

Preceding the dinner hour, Mrs. Roy L. Guthrie will give the invocation.

Larry Helm, president of the Senior Class, will give the welcoming address, and the response will be made by Wendell Harrison.

A musical quartet composed of Linda Alwine, Diane Galley, Minka Sims, and Lynn Foxhall, accompanied by Larry Helm and Jimmy Stewart, will sing "Green Leaves of Summer," and "Today." Hubert Dennis will introduce the ex-students.

A twirling trio, composed of Rosemary Harrison, Lynn Foxhall and Minka Sims, will give "Peter Gunn Theme."

Food for the banquet is being prepared by mothers of Senior Class members, with Mrs. O. L. Helm serving as chairman.

Officers of the association, other than Mr. Dennis, are John Binkley, vice president, and Carol Smith, secretary-treasurer.

## LL To Have Umpires School Next Monday

All area men interested in being umpires in the Little League summer programs in Memphis, Wellington and Clarendon are invited to attend an umpire school at 7:30 p. m. Monday, April 19, in the De Ville Restaurant.

Conducting the school will be Jack Powell of Dumas, the district little league umpire counselor for this district.

Charley Grice, a representative of the Memphis Little League Assn., sponsors of the school, stated that all the little league programs in this area have a hard time of obtaining men to call the games for the little league. A lot of men would do the job if they knew what was expected of an umpire.

"We are having this school to train as many men as will show up," he said.

## Lakeview Starts 3-Day Cleanup Campaign Monday

A city-wide Cleanup Campaign will be held at Lakeview Monday, Tuesday and Wednesday, according to an announcement this week by Mayor J. B. Skinner.

Citizens of Lakeview were asked to begin immediately the annual cleanup, and to place all trash and rubbish in alleys. The city will pick it up and haul it away. It was pointed out that rubbish must be placed in the alleys. There is no cost for this service, it was pointed out.

"Your cooperation is helping to make ours a better place in which to live will be appreciated," Skinner said.

## Commissioners Make Request For Trapper

The Hall County Commissioners Court met in regular session Monday morning and handled routine business of accepting the reports and paying the bills, with two exceptions.

County Judge E. (Gip) McMurry reported that he has received several complaints from landowners that coyote infestation along Red River is getting out of hand and that cattlemen had lost several calves to them.

The discussion revealed that coyotes are in strong numbers over most of the county, so the Court instructed the Judge McMurry to make application for a government trapper to work all of the county.

## Cyclone Takes 2nd At District Meet

The Memphis Cyclone track team rolled up 112 points, took five first places including both relays, and placed second in three event, but still could not capture the District 2-A track trophy.

The trophy went to Canadian's team which was awarded 112 points. Canadian won the meet without a single first place, with only three second places, but a whole string of 3rds, 4ths, 5ths

and 6th places.

Coach Charley Chambless said the Memphis team had the quality but not the quantity. "We just did not have the depth to win the meet; however, the boys we will take to Regional April 23-24 are capable of winning that event if they work hard the next two weeks," Coach Chambless said.

White Deer placed third in the meet with 83 and a half points, Wellington had 74, Clarendon 72 and McLean 18.

All of Memphis' fine runners had a great day at McLean, the site of the meet Tuesday, Coach Chambless reported. Jack Stargel was the meet's high point man scoring 25 points and bringing home all first places in his events.

Hoot Jones also won first places in his three events.

**Meet Record**

Memphis' sprint relay (440-yd.) set a blazing pace to win that event with a fine time of 43.8, only 4-tenths of a second off the state Class A record. Members of the team are John Ferrel, Jimmy Sturdevant, Hoot Jones and Jack Stargel. Canadian placed second and White Deer third.

In the 120-yd. high hurdles, Wheeler of White Deer edged Memphis' Jim Odom out by inches to win the event. Odom placed second and both lads were timed in at 15.8.

In the 100-yd. dash, Jack Stargel was timed at 10.1 for a first place. Steinle, Canadian, was second and Armstrong of White Deer third.

Jimmy Sturdevant placed third in the 180-yd. low hurdles behind Elliott and Wheeler of White Deer.

Jack Stargel also won first in (Continued on Page 8)

## Atalantean Club Style Show, Dinner Is Friday

One of the highlights of the Easter weekend in Memphis will be the annual Spring Style Show and Banquet to be held on Friday night, April 16, at 7 p. m. in the Community Center. The event is being sponsored by the Atalantean Club, and is open to the public.

Tickets are still available and may be purchased by contacting Mrs. L. C. Martin or Mrs. W. C. Diekey.

This year's show will have the classic theme of the Greek mythology stressing Atalanta's Golden Apple. Mrs. Robert Sexauer will again serve as narrator for the fashion revue.

A special feature of the style revue will be the tableau vivant which will conclude the program for the evening, it was stated.

Decorations this year will also be of special interest and the stage curtain will remain drawn until time for the style show to begin, it was stated.

Following the dinner hour, a

lovely array of spring and summer fashions will be shown by local merchants. Each firm will have three local models.

Also shown will be the newest trend in spring and summer hair-fashions, styles by local beauticians.

Styles for both teenagers and adults will be featured in the show.

Beauty shops participating in the show will be Greenhaw Beauty Shop, who will feature Claudia Mae Corley with their hair style by Mrs. George Greenhaw and Rosemary Harrison with hair styled by Mrs. David Hudgrins.

From the Terrace Beauty Salon, Pat and Jean Srygley will style hair designs for Lynn Foxhall and Chris Clements.

From West Side Beauty Shop, Mrs. Evans will present Jo Ann Crawford and Patsy Read will have as her model Oleta Johnson. Five stores will participate in

the show with models as follows:

The Fair: Jo Ann Crawford, Susan McQueen and Mildred Hutcherson.

Greene Dry Goods: Helen Boswell, Ginger Greene, Carol Greene and Katherine Jones.

Neva's Shoppe: Elmonette Branigan, Lois Ann Monzingo and Cathy Jones.

J. C. Penney Co.: Camilla Lemons, Minka Sims and Olive Simons.

Popular Dry Goods: Rosemary Harrison, Peggy Moreman and Carol Smith.

Saied's Men's Store: Jerry Clements and Jerry Burleson.

Also featured among the models will be Miss Cynthia Pritchett and Larry and Norman Pritchett of Garland, who will wear Easter finery fashioned by their grandmother, Mrs. Frank Goffinett and Jane Dunbar, whose wardrobe for Easter has been made by Mrs. Margaret Lemons.

**GAVEL EXCHANGE**—Outgoing President Gene Hamill smiles as he presents the Jaycee gavel to Incoming President Bill Lockhart at the Installation Banquet Saturday night. Hamill is pictured to the left. Lockhart, co-owner of Parsons Lockhart Pharmacy, takes over the reins of the organization for the next twelve months.

# B&PW Club To Hold Banquet

The Business and Professional Women's Club will entertain with the annual Bosses Banquet on Thursday evening, April 22, in the Community Center, Myrtle Helm, club president, announced this week.

An annual affair, the banquet is given to honor bosses of the members. The "Boss of the Year" will be named as one of the highlights of the evening, and will be recognized by the club president.

Special speaker for the occa-

sion will be Rev. Kenneth Wyatt of Paducah, pastor of the Methodist Church, who is well-known in this area as an after-dinner speaker. Rev. Wyatt has spoken in Memphis before and is known to numerous people here. He is a graduate of McMurry College and has done graduate work at SMU and the Denver School of Theology, Denver, Colo.

Cora Belle Alexander will introduce the speaker of the evening.

The invocation will be given by Ona Rasco and the welcome by

Joy Duncan. The response will be made by Jack Norman, who was the 1964 "Boss of the Year."

Songs of the Old South will be rendered by Tommy Greene and Pat Wilson.

Introduction of guests as they arrive will be made by Jerry Burleson and Jerry Knight. Waiters will be Suzette Smith and Donna Beckham.

The banquet theme this year will feature "The Old South" and decorations for the banquet as

well as the program will be in keeping with the chosen theme.

## Local Chapter UDC To Host Annual Meeting

The annual meeting of District 9 of the United Daughters of the Confederacy will be conducted in Memphis on Friday, April 23, with the Winnie Davis Chapter of Memphis as hostesses, according to the announcement today of the local president, Mrs. Herlie Moreman.

Delegates and members from Wichita Falls, Odessa, Lubbock, Plainview, Amarillo and Memphis will be present for the all-day meeting in the community building to be presided over by Mrs. H. W. Sherrieb of Amarillo, District president. Mrs. Wendell B. Alcorn of Boling, Texas, State President, is expected.

Registration is from 9:30 to 10:30. The morning session which will begin at 10:30 will feature chapter reports. Following the luncheon, the afternoon will be devoted to a special Memorial Service, work shop and the election of officers.

District Vice-President Vera Gilreath of the Childress Chapter is in charge of the program.

MRS. HOMER TRIBBLE

## Journalism Grant Is Awarded To Mrs. Tribble

Mrs. Homer Tribble, commercial teacher in Memphis High School and sponsor of the Cyclone Annual, has been awarded a Fellowship grant for summer study in journalism at Texas Technological College, Lubbock.

The grant was made possible through a gift from the Wall Street Journal Fund. This is the seventh year the grants have been awarded, and the purpose of the Fellowships is to assist journalism teachers and school newspaper advisors at the high school and junior college level to obtain university training in journalism.

The Newspaper Fund hopes to strengthen the quality of high school journalism courses, to improve student newspapers and to provide teachers with information helpful to them in advising young people who may be interested in journalism careers.

The grants cover tuition, board, room and incidentals, also travel allowance when necessary.

The two week photo-journalism workshop at Texas Tech which Mrs. Tribble will attend is one of 20 such workshops being offered in the United States. The only other course offered in Texas is at A&M University.

The workshop opens on July 14 and continues through July 28. Instruction in use of several types of cameras and in darkroom techniques; elements of news writing, writing of cutlines and type blocks; career opportunities for news photographers; picture editing.

Mrs. Tribble is a graduate of West Texas State University, Canyon, and is now working toward her master's degree. She has taught in the Memphis School

## Brice News

Mrs. A. E. Sanders of Memphis and children visited the Hugh Sanders Thursday night.

Mr. and Mrs. Hugh Sanders visited in the Bruce Ariola home at Lakeview Friday night.

Dinner guests in the Hugh Sanders home Sunday were Mr. and Mrs. E. P. Hahn; Mr. and Mrs. Lloyd Hahn and Marcia of Clarendon, and Mr. and Mrs. Elmer Sanders of Memphis.

Mr. and Mrs. Randy Germany of Wichita Falls spent the weekend here with her parents, the Everett Paschells. Also visiting in the home was Randy's cousin, Harry Baldrige of Amarillo.

Mr. and Mrs. Aubry Martin went Tuesday to Sulphur Springs where they attended his grandmother's funeral.

John R. Gladney of Tahlequah, Okla., visited here Saturday with Starr Johnson. Starr and John were roommates when they attended Peacock Military Academy in San Antonio.

system for 9 years and served as County Librarian for seven years. Mrs. Tribble takes an active part in the community affairs.

She is a member of the Church of Christ where she has served as a Sunday School teacher. She is also a member of the Gamma Kappa Chapter of Delta Kappa Gamma, a teacher's organization.

Wife of Homer Tribble, long-time Memphis resident and owner of Tribble Cleaners, Mr. and Mrs. Tribble have two sons, Neal and Bob, both students in the Memphis School.

FIRST PLACE WINNERS—Students from Austin Elementary School won first place in Picture Memory at the Interscholastic Meet held in White Deer last week. Pictured above are members of the winning team. They are, left to right, back row, Carol Foxhall and Randa Ballew, fifth grade; Susan Richards and Johnnie Sue Hancock, fourth grade. Front row, left to right, are Alice Gilchrist and Delena Khunt, alternate, fourth grade. Janet McKeon placed third in the story telling. Janet is in the third grade.

## C. M. Wooten Is Named President Of Hall County Unit Of T. S. T. A.

The Hall County Unit of T.S.T.A. met at Lakeview Elementary Cafeteria Tuesday night, April 13, for the last meeting of the school year 1964-65. A delicious meal consisting of country baked ham, candied sweet potatoes, green beans, tossed salad, hot rolls, butter, cherry cobbler and tea or coffee was served buffet style to approximately 80 administrators, teachers, trustees and guests.

Mr. Allen P. Jones, Superintendent of Lakeview School, extended the word of welcome and the invocation was given by Mr. James Jackson, Lakeview Elementary Principal. Then an entertainment program followed the dinner hour. Brenda Smith, accompanied by Susan Sams, Lakeview Elementary students, entertained the group with songs and then Susan played a medley of songs on the piano.

The Estelline Faculty presented a parody of "Ann Landers" program with Mr. JoEd Cupell, Superintendent of Estelline, playing the part of "Mr. Eppy" and the faculty members asking the questions. The answers should never worry a faculty. The Memphis Schools presented "Women of the Mop", which was hilariously received by the members of the Hall County T.S.T.A. Mrs. Shannon Doss, Mrs. Hiram Crawford, Miss Jeannie Nesbitt and Mrs. Reba Stroehle exhibited much theatrical promise in the portrayal.

After the "fun hour", a business session was conducted. Mr. C. M. Wooten, Vice-President and Elementary Principal of Estelline School, presided in the absence of Miss Ethel Hillhouse, President of the local unit, who was attending an Elementary Principals' meeting in Houston. Mrs. C. D. Morris, Memphis, Chairman of Legislative Committee, reported on "What We Have Done" in re-

gard to S. B. 4-H. B. 5 and opposing S. B. 124-H. B. 446, or what is known as the Governor's Bill. Mr. JoEd Cupell, Estelline, reported on District IX T.S.T.A. Conference at Amarillo on March 11 and 12. Mr. Cupell, Miss Hillhouse and Miss Gilreath were Hall County delegates to the district House of Delegates on those dates. Miss Hillhouse was elected as a Delegate to State House of Delegates for October 1965 meeting.

A new slate of officers of officers for the year 1965-66 was presented by the chairman of nominating committee, Mrs. Roy L. Guthrie. The other members of the committee were U. F. Coker, Jr., Turkey, T. H. Seay, Estelline, and Bernice Payne, Lakeview. The following officers were elected by the unit: C. M. Wooten, Estelline, president; Mrs. Charley Chambliss, Lakeview, vice-president; Wayne Jones, Turkey, second vice-president; and Miss Tops Gilreath, Lakeview, secretary-treasurer.

The following were guests of the Hall County Unit: Mr. and Mrs. Morris, Memphis, Mrs. J. L. Dennis, Memphis, Mrs. J. L. Estelline, Mr. L. A. Estelline, Mr. O. F. to begin with? A little research reveals an interesting story and a surprising one. Most of us no doubt are familiar with the Biblical quotation about the lilies of the field and have assumed—if indeed we thought about it at all—that our familiar Easter flower originated in the Holy Land.

## Local Residents Attend District Lions Convention

A group of Memphis Lions were in Dumas on Thursday of last week to participate in the Golf Match which opened the three-day convention activities of the District 2T-1 Lions Club annual convention.

The local team, playing under the Calloway system, came in second in the tournament. They met Thursday morning at the De Ville Restaurant and made the trip back to Memphis.

Members of the team included Jack Norman, Dink Miller, W. D. Nabers, J. W. Coppedge, Mackie Allen, Gene Lindsey, Carl Yancey, Clyde Lee Smith, L. F. Jones, Bill Jones, and Wayne Goodrum.

Wayne Goodrum remained in Dumas to attend the remaining sessions of the convention.

Also attending the convention from here were the three Hall County queen candidates who competed for district honors at the District Queen's Contest on Saturday afternoon. Winner of the contest was the Friona Queen candidate.

Going from Memphis were Mr. and Mrs. Kenneth Dale and their daughter, Cathy, the Memphis candidate; Mr. and Mrs. Joe Neal Berry and daughter, Gina, the Lakeview representative; and Mr. and Mrs. Jack Barnhill and daughter, Beverly, the Turkey representative.

Final highlight of the convention was the District Governor's banquet and ball on Saturday evening.

District Governor James Wheeler of Amarillo presided over the business session. Hereford was chosen as the convention scene for 1966.

Nothing is further from the case. Our Easter Lily, incorporated into so much religious art and used so widely in church ceremonies, came by a circuitous route from a group of Buddhist Islands south of Japan.

It was a Christian missionary who brought the lily to the western world, however, on a journey back to his homeland after years in the Orient. A botanist as well as a missionary, he admired the fragrant white flowers during his years in the Orient and brought the bulb with him on his homeward voyage, intending them for planting in his garden at home in England.

However, the ship carrying him from Japan was forced to put into Bermuda in distress and during its stay there, the missionary spent a great part of his time with a friend, the Episcopal rector of a local parish. On his departure, in gratitude for the latter's hospitality, the missionary presented him with a number of lily bulbs. The bulbs went from neighbor to neighbor throughout the island.

It was only a few years later that the flower, thriving in the Bermuda climate, was growing in striking and lavish displays. And it was in one of these massive plantings that Mrs. Thomas P. Sargent, of Philadelphia, an amateur gardener, first saw them and recognized their appropriateness for Easter displays for which white flowers were then seldom available. In 1880 she brought bulbs back to Philadelphia, and persuaded a local nurseryman to raise them for the following Easter.

It was natural for the flower to be named the Easter Lily. And many years later it was natural for the Easter Seal Society, which makes its nationwide appeal on behalf of crippled children at Easter time, to adopt it as a symbol of hope for crippled children. A stylized lily is a traditional feature of Easter Seals every year, helping to carry the appeal for funds to give care and treatment to crippled children throughout our nation.

There are approximately 650,000 bales of cotton used each year in the manufacture of men's and boys' shirts.

**JOINT CELEBRATION**—Mrs. E. E. Walker, pioneer Memphis resident, and her great-grandson, Robert James Sparks of Sundown, celebrated their birthday anniversaries together Sunday at the Walker family home, 520 South Ninth Street. Mrs. Walker, who has lived in Memphis for 53 years was 84 years of age on April 12 while her great-grandson was one year of age on April 17. Robert James is the son of Mr. and Mrs. Larry Jim Sparks of Sundown, both former Memphis residents.

# Presbyterian Church Plans 75th Birthday

The Presbyterian Church of Memphis will observe its 75th anniversary on June 13, Rev. Richard Avery, pastor, announced this week.

Plans for the Diamond Jubilee celebration are underway and Mrs. Allen Grundy has been named chairman of the general planning committee.

Although the observance is still in the planning stage, tentative plans have been set for a full day program. The service will open with morning worship, followed by lunch to be served at the Community Center at the noon hour. A general program will be featured at the church in the afternoon, Rev. Avery stated.

"The general committee is looking for pictures concerning the past church activities and especially need a picture of the old Presbyterian Church," Rev. Avery

stated. Those who have such pictures are asked to get in touch with Rev. Avery or Mrs. Grundy.

Also all former members of the church are cordially invited to be present on June 13 for the observance. They are urged to mark the calendar and make plans now to come to Memphis on that date.

C. D. BRADSHAW, JR.

### C. D. Bradshaw Gens NSF Grant To West Texas

Clifford D. Bradshaw, Jr., math teacher at Memphis High School, was notified recently by West Texas State University, that his application for a National Science Foundation Fellowship for this summer had been accepted.

The National Science Foundation awards to teachers in the

science and mathematics fields, grants in aid to attend summer courses in an effort to re-educate teachers in modern science and math.

Bradshaw, who is in his fourth year as math teacher at Memphis High, will take courses in matrix algebra and elementary theory of functions and seminars between the dates of June 26 and Aug. 20.

He was also informed that one field trip tour of a NASA installation is also scheduled for this summer.

Bradshaw is a graduate of Oklahoma City University and has been doing graduate work at Texas Technological College at Lubbock.

### Benny Longbine Is Member Of Honor Society

Benny Longbine of Estelline was initiated into a national honor society, Phi Theta Kappa, Thursday evening, April 1. He was one of 30 new members in ceremonies at South Plains College, Levelland. The chapter at the college is known as Kappa Mu.

According to the college's public information department, membership in the honor society is open to students making a grade point average of 3.25 or above.

The road to success runs uphill, so don't expect to break any speed records.

### Easter Egg Artistry Can Be Fun For Whole Family Participation

You can do much more with a dyed Easter egg than eat it or hide it, according to the national Cotton Council.

Now, with the aid of ordinary cotton household items, you can fashion anything from an egg menagerie to a table centerpiece or a wall plaque.

Cotton cosmetic balls, powder puffs, swabs, or bits of fabric and braid are inexpensive items that will help you create imaginative Easter designs. They're easy to do, and children will enjoy sharing in the fun.

Eggs for making the decorations can be hard-boiled or blown, although blown ones allow greater variety in decoration and can be saved and used again next year.

To blow an egg, pierce both ends with a sharp-pointed skewer or manicure scissors. Make holes the size of a small pea. Hold egg over bowl and blow through one end until contents come out the other. Rinse empty shell in cool water and drain well before drying. Spoon dye bath over the shell for even color distribution and stand shell on end to drain.

In cutting blown shells for decorative purposes, hold manicure scissors with narrow points curved toward you. Make tiny snips with points of scissors. For best results, cut shells as soon as possible after blowing.

If you hard-boil eggs, be sure

to enamel, glass, or stainless steel pans since other types tend to discolor eggs. For best dyeing results, use country fresh white-shell eggs. Most store-bought eggs today are chemically cloated with an invisible oil-base spray for protection. However, you can cut through this coating and get an even dye job by using more vinegar than directions specify.

For your first project, make a perky Easter bunny from a blown shell dyed a pretty pastel shade. Glue large end of shell to a gold curtain ring. Cut floppy ears from cotton powder puffs and glue chenille pipe cleaners to the centers. Glue ears to top of egg and add sprigs of artificial greenery and flowers in between. Use sequins for eyes and mouth, and strips of colored paper for whiskers. Set finished bunny head on a powder puff base.

A charming centerpiece for your Easter table can be created with hard-boiled eggs and pastel-colored cotton cosmetic balls. Easter egg coloring kits will provide Peter and Polly Rabbit cut-outs which fit around the eggs to form characters for your setting. Make a background of fluffy trees from green cosmetic balls pulled into peak shapes. For a larger tree, cover a cardboard cone with cosmetic balls and trim with artificial greenery and blossoms. Set your arrangement on a fabric-

covered circle cut from corrugated paper.

An egg-and-cotton creation you'll want to keep on display throughout the summer is a three-dimensional wall plaque. Use a tray or cookie sheet sprayed white. With household cement or double-sided sticky tape, apply a rectangle of black cotton fabric inside the tray. Outline the rim with metallic cotton braid.

Dyed egg flowers, greenery, and a fabric flower pot are then glued to the cotton background. Make one tall center flower from a dyed blown egg with petals fashioned from cotton cosmetic balls cut in half. For flower stem, wrap a drinking straw with green cotton bias tape.

For two-tone smaller flowers, glue two pieces of eggshells together—the darker shell on the outside. Use cotton-tipped swabs glued to green bias tape stems for pussy willow branches, and make leaves from narrow strips of green cotton hem facing.

Glue all parts of design into place and insert a bit of Easter grass and tiny artificial flowers into the fabric pot rim. Fasten hanger to back of tray or hang through hole in handle.

The big advantage in having more than one child is that they climb over each other instead of over mom and pop.

Most people would be kinder to birds if they would just stop and realize that the dove brings peace and the stork brings tax exemptions.

BERT GLASCOCK

### Bert Glascock Awarded Grant From North Texas

The Memphis Junior High Science teacher for the past two years, Bert Glascock, has been awarded a National North Science Foundation grant to attend six-weeks of classes at North Texas University this summer.

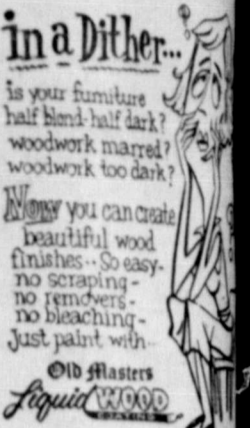

The science teacher was notified recently in a letter from the university that he had been accepted to attend six-weeks of instruction on a National Science

Foundation grant which pays expenses.

Glascock was informed that he will take six-week physics, chemistry courses and a six-week biology course between the dates of June 3 and Aug. 4.

Glascock is also serving Memphis schools as a science coach. He is a graduate of Land Baptist College.

# New Sheets Make Beautiful Draperies And Lovely Spreads

With colors, stripes, dots, floral and other patterns coming to the fore in sheets and pillowcases, the next logical move for the homemaker was off the bed and onto the windows, and furniture as decorative fabrics.

Thanks to the bright potential offered by these colorful sheets, a move has been made, much to the delight of both homemakers and sheet manufacturers. Homemakers love the idea because it offers them attractive decorator fabrics that are relatively inexpensive, and manufacturers see unusual interior design treatments as new markets for their products.

One of the most popular window treatments using sheets includes a window shade, tie-back draperies made from sheets, and a valance covered in the sheet fabric. For a really easy-to-make valance treatment, cut the seams free on one patterned and one complementary solid color pillowcase. Line the print with the solid, attach rings to the wall on each side of the window and at the top, and drape the fabric through them, arranging the swags so that they show both print and solid.

Window treatments a homemaker uses with her printed sheets are limited only by her imagination. Since manufacturers produce sheets in complementary patterns and solids, the color coordination problem has been solved for her. Most of the striped and dotted sheets have solid color borders, and these can be employed to achieve a professional touch. Decorative trims on valances and as tie-back for side drapes can help complete a window treatment.

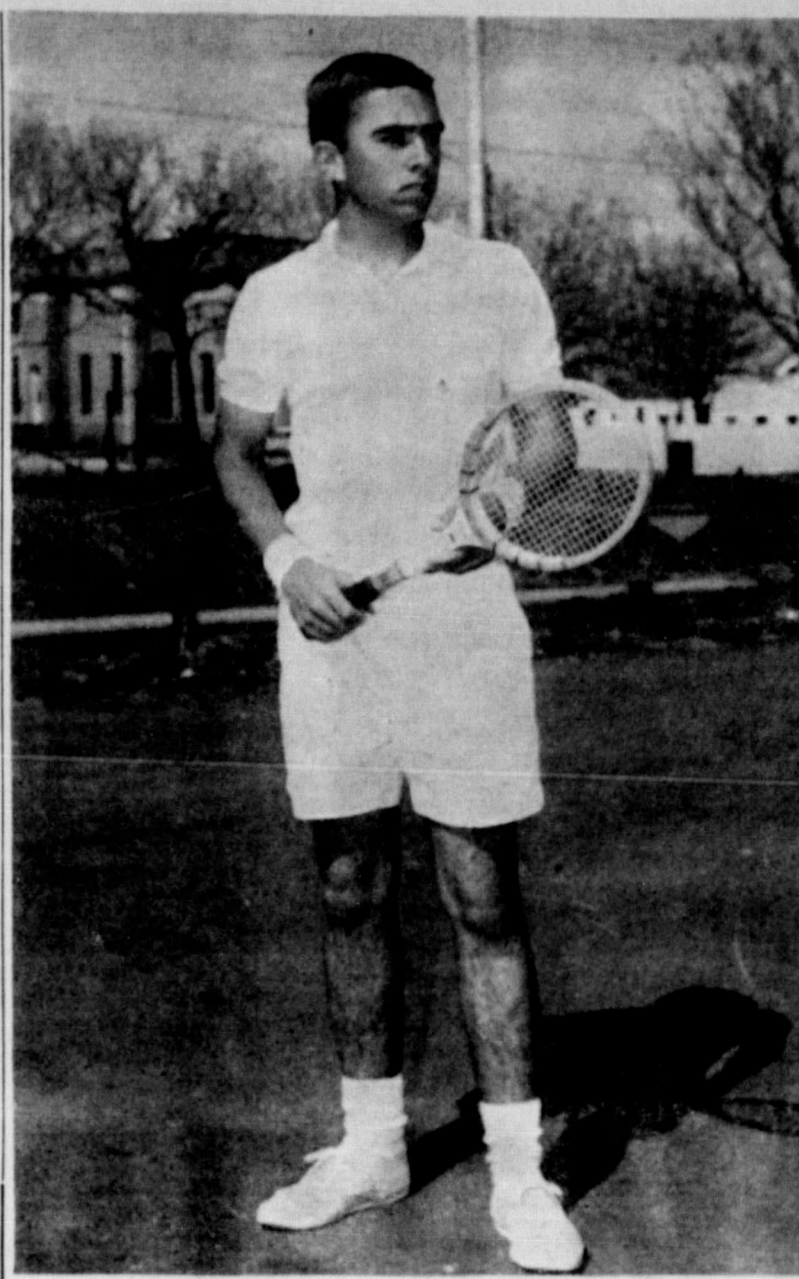

Floral printed sheets and pillowcases offer the opportunity for truly feminine window treatments and are especially suitable for the kitchen or teen-age girl's room. These themes can be carried over effectively as pillow and cushion covers, furniture slip covers, table skirts, and in other ways. One sheet manufacturer suggests a fireplace cover, an idea imported from France, and even produces a fleur-de-lis printed sheet for the purpose.

Of course, it wouldn't do to forget the bed since that's what the sheets were designed for originally. Truly coordinated bedroom treatments can be achieved by using the new printed sheets at windows and on the bed.

Decorating with sheets is both economical and practical. A standard size double sheet affords six yards of 36-inch fabric. And since the newest sheets and pillowcases—the ones that lend themselves best to decorating—are still 100 per cent cotton, caring for them is a breeze.

Our grandmothers believed there was a destiny that shaped our ends. Daughters place more faith in girdles.

They do have separate wards in insane asylums for men and women. They're not as crazy as some people might think.

**DISTRICT CHAMP**—Ronald Pate, pictured above, is the only Memphis tennis player to qualify for the Regional meet, to be held in Lubbock, April 23-24. Pate was a member of the Memphis doubles team last year which competed in the State meet at Austin. His partner was Bill J. Pounds. Pate won first in the Phillips-Borger and the Wellington meets earlier and is expected to make a good showing at Lubbock.

## Tax Man Sam Sez:

Most of the high schools are teaching some of their students how to prepare better tax returns. Within the next few days some 235,000 students in Texas will have completed the short course in how to prepare an income tax return furnished the schools by Internal Revenue. If you would like

to learn more about how to prepare your income tax return, get a copy of "Your Federal Income Tax," price 50c, from the Internal Revenue Service office. This booklet contains a sample tax form and 159 pages of simple explanation of what to do about your common every day tax problems. The tax folks try had to help you do a better job on your tax return. Most of us want that we need help.

Most people would prefer to tell the truth, but would rather be courteous.

### "The average inactive American man when he reaches age 26 has a middle-age body."

This shocking statement comes from an authority on physical fitness—after studying more than 50,000 individuals. Why this early physical decline? Lack of activity—not enough vigorous daily exercise. Today, our children risk all the hazards of easy living. Right now, in fact, one-third of them are unable to pass simple physical achievement

tests. That's why it's so important for all youngsters to participate in vigorous exercise for at least 15 minutes during each school day. STIN, Tex.—Biggest job of 99th Legislature—writing the \$1,000,000 biennial budget—was being wrapped up in conference committee this week.

Conferees were playing a game "beat-the-clock" to wind up Easter holidays.

They fail to make it, such urgent issues as teachers' pay raises, Brandy's pay raise and balancing tax measures will be postponed until danger-late in the session.

With Lt. Gov. Preston Smith and House Speaker Ben Barnes as committee chairmen to speed the bill.

Bill Healy of Paducah, chairman of the House group, said the task could be completed by April 15, previous deadline set by Barnes. But Healy said 15 solid hours of work would be the trick—if conferees can find the time between busy floor sessions.

Completing the 59th legislative session by the end-of-May cut-off time may depend on whether conferees find that 15 hours of showdown decisions on vital matters.

**REDISTRICTING NOW OR NEVER**—Sub-committee chairmen of the House redistricting committee huddled this week to confer on how legislative and congressional districts should be drawn up under court order.

Senate already has passed two versions of a plan to increase its membership from 31 to 39 to help it work along.

Indications are that the House will give big counties the minimum representation allowable. This is to make the painful task of reapportionment as easy as possible on rural areas which must have representation any way you look at it.

State lawmakers are hopeful Congress soon will pass a bill authorizing a 15 per cent variation above and below the mathematical average population per district. Speaker Barnes, on advice of Texas congressmen, predicted U. S. Supreme Court would hold that far in its one-man-one-vote edict.

**YOUTH CORPS PROJECT APPROVED**—First federal grant for a Neighborhood Youth Corps project in Texas has approval. Governor Connally announced

clearance of all state preliminaries to grant of \$135,570 from U. S. Labor Department for Corpus Christi Independent School District. Program will enable 675 youth from low-income families to stay in school. They will be employed on part-time basis at \$1.00 an hour—or 83 cents, considering required hours of counseling and vocational guidance.

Wage is an exception from regulation requiring federal minimum wage to be paid on corps projects. Such exceptions, Connally noted, can be made on presentation of "convincing evidence."

**COLLEGE LOANS APPROVED**—State-financed college loan plan has final legislative authorization for submission to Texas voters.

If statewide election carrier, an \$85,000,000 bond program will be established, enabling students from junior college to graduate and medical school level to borrow needed funds to complete their higher education.

Rep. George Hinson of Mineola, author of the proposed constitutional amendment, estimates up to \$32,000,000 will be borrowed in next two years.

**MENTAL FACILITIES REVAMPED**—A bill calling for massive reshuffling of all state facilities and programs for mental health and retardation has been signed into law.

Legislation brings services under new Texas Department of Mental Health and Mental Retardation. It anticipates gradual shift in next decade from institutional care in state mental hospitals and special schools to "community care" in or near homes of patients.

Governor already has signed bill to place tuberculosis control and eradication facilities in State Health Department. These two bills in effect abolish the present Board for Texas State Hospitals and Special Schools which has administered mental hospitals, special schools and tuberculosis hospitals.

**WACO A&M UNIT ASKED**—Governor Connally called on the Legislature to authorize establishment of a vocational-technical training institute at Waco's Connally Air Force Base, to be administered by Texas A&M University. Base is scheduled for deactivation in 1966.

**DISTRICT CHAMPS**—Pictured above is the Memphis golf team which won first place at the District 2-A golf tournament at Shamrock Country Club Course Monday. Pictured are: front row, Jay Dunbar and Larry Helm (left to right); back row, Larry Parks, Donnie Miller and Jerry Moss. Dunbar was district medalist with an 18-hole total of 79. Larry Parks was second high medalist with an 82 on the tough Shamrock course. The Memphis team total was 332. A member of the team not pictured is Larry Wynn. The squad will play regional at the Lubbock Municipal course April 23-24. Dunbar, Parks and Moss were members of last year's team which went to state.

Bills to carry out Connally's request promptly were introduced by Rep. David Haines of Bryan and Sens. Murray Watson of Mart and Bill Moore of Bryan.

Governor asked appropriations of \$1,100,000 to prepare base for first classes in September, 1966.

**APPOINTMENTS ANNOUNCED**—Carlos Cadena, a law professor and former city attorney of San Antonio, was named associate justice of the South Texas 4th Court of Civil Appeals by Governor Connally.

Governor named Jimmie L. Norman of Mesquite and reappointed Walter E. Wilkins of Corpus Christi as trustees of Texas Municipal Retirement System.

Robert Pesek and James Bozka of Hallettsville were reappointed to board of directors of Lavaca County Flood Control District No. 3; and Donald C. Webb of Port Arthur was picked as a member of the pilot commissioners for the Sabine Bar, Pass and Tributaries.

Dr. Everett D. Wilson of Hunt-

ville was appointed and Dr. Paul C. Witt of Abilene was reappointed to State Board of Examiners in Basic Sciences for six-year terms.

**FLOOD CLEARS WEED**—When flood gates at Corpus Christi, near Mathis, thousands of acre feet were lost and the lake level dropped drastically. However, not everything was damaging, says a Parks and Wildlife Department biologist.

Dropped level left high and dry thousands of hyacinths, which the

department had been trying to eradicate for years. A nuisance to fishermen, the plants had been almost impossible to control.

**MEXICAN GOVERNOR VISITS**—Gov. Praxedis Balboa of the neighboring Mexican state of Tamaulipas (which borders on Texas from about Laredo to Brownsville) got a big reception on his visit to the capitol last week.

He and Governor Connally said they will ask federal officials to begin work on development of standard laws and regulations for Lake Falcon and the lake to be impounded by Amistad Dam upstream from Del Rio.

By having standard regulations, fishermen and sportsmen from either nation can use the facilities of the lake without worrying about violating the law when they inadvertently cross into waters of the other country.

Balboa said that, thanks to the cooperation from Texas and the U. S. government, the screwworm has been virtually eradicated in his state. He said the pest has been done away within a zone 90 miles from the border, is being finished in the next 90 miles and the work is progressing satisfactorily in a third 90-mile zone.

**"65" INSURANCE REOPENED**—Governor Connally has declared April as Texas 65 Month in recognition of the third open enrollment period if Texas 65 Health Insurance Association, scheduled for April 15-30.

During these two weeks, all Texans 65 years old and over again are eligible to enroll in the health insurance program, regardless of age or health condition. Three plans are available ranging from premiums of \$9 to \$19 monthly.

**AG OPINIONS**—Atty. Gen. Waggoner Carr has held the the Commissioners Court of Sherman County may recognize the existence of a vacancy in the office of County Attorney and may appoint someone to fill the office.

District Attorney William Hunter of the 69th Judicial District had requested the opinion as a result of balloting in November's general election.

In that election, the incumbent County Attorney was defeated by a write-in candidate. However, the write-in candidate had not yet taken his bar examination. He was admitted to the bar prior to January 1, 1965. Subsequently the District Court ruled that no eligible candidate had received a majority or plurality of the votes cast. But court did not rule on whether a vacancy existed as of January 1st.

Carr also held constitutional a bill to make it unlawful for anyone to sell liquor to any person under 21. Bill deletes word "knowingly" from present law.

**SHORT SNORTS**—House criminal jurisprudence committee sent the bill to wipe out capital punishment to sub-committee after members raised the question whether a five-year moratorium should be declared on electrocutions. . . House military affairs committee approved resolution by Rep. Will Smith, Beaumont, urging Pentagon to allow Texas to retain at least one of its Army merger of National Guard and Reserves. . . Senate approved a Reserve components in event of bill stiffening barber schooling requirements and placing a 12-cent ceiling on haircuts by students in training. . . Senate passed proposed constitutional amendment doubling (to 10 cents) the state property tax earmarked for college buildings. . . Senate constitutional amendments committee again approved proposal to ban legal discrimination based on sex. . . House passed to the Senate a bill by Rep. Dick Cory of Victoria which would permit the state to join in federal research and development efforts for commercial fisheries, with Parks and Wildlife Department designated as the state agency responsible for the program. . . Governor Connally signed into law a bill by Sen. Andy Rogers of Childress to provide a federal-state program for the eradication of swine diseases. . . Attorney General Carr has announced appointment of William S. Lott, Georgetown, to State Land Board, replacing Wilcox Fix of Taylor. . . Texas Highway Department plans to construct a tourist bureau with an all-weather overcrossing on Interstate 40, now under construction, east of Amarillo in Potter County. . . Parks and Wildlife Department expects capacity crowds at all state parks during the traditional Easter picnic weekend.

# L. Kennon Is Re-Named School Board President

The Memphis School Board of Trustees met Monday night for their regularly scheduled monthly meeting, continuing the meeting from last Thursday night, at which time the board was reorganized.

Lawrence Kennon was re-elected president of the board, and R. B. Phillips was elected vice president. Dr. Jack Rose was named secretary.

This action took place at last Thursday night's meeting, at which time the votes in the last election were canvassed. Also at last Thursday's meeting, the trustees heard a preliminary report of the architect's survey of the school district.

Monday night, Charles K. Johnson, Garvis Davis and John Fow-

ler were named as a board of equalization for the district and the tentative date of May 25 was selected.

The board accepted the resignation of four teachers with regrets. These are Mrs. Ward Gurley, Miss Neville Wrenn, Mrs. Roy Guthrie and Mrs. Gloria Wilson.

The trustees approved the adding of three additional courses to the high school curriculum: related math, speech, and one-half year of health. These courses will be taught beginning in the 1965-66 school year if adequate teachers are available.

The trustees voted to hire Mrs. William T. Collier, subject to assignment, as a teacher. Mrs. Helen A. Neal of New Mexico was hired to be the school nurse for the 1965-66 school year.

The trustees continued the study of proposed improvements to the school plant facilities.

**REGIONAL CONTENDERS**—Pictured above are the members of the Memphis Cyclone track team who qualified for the Regional Track Meet at the District Meet Tuesday at McLean. On the front row, left to right, are pictured the 440-yd. relay team: Jack Stargel, Jimmy Sturdevant, Hoot Jones and John Ferrel. On the back row from the left are: Donnie Bridges, pole vaulter, Dannie Peters, Jim Odum, hurdler, Roy Long, and John Lemons, discus thrower. Peters, Long, Jones and Sturdevant make up the mile relay team which won first at district. Stargel and Jones were also winners in the 100-yd. dash, 220-yd. dash, and 440-yd. dash at the district meet. Stargel was the district's high individual with 25 points.

placed second in the discus throw with a best toss of 129-11. Joe Rudy, Wellington, won the event with a toss of 130-11.

In the pole vault, Donnie Bridges cleared the pole at 11-6, but he could not match the ef-

forts of Randy Elliott of White Deer, who vaulted 12-9 to win the event. Bridges placed second.

**Jr. High Meet**  
Roge Fowler of the Junior High team captured the only first places for his team at the meet

held at the same time as the high school meet.

Fowler took first place in the 440-yd. dash with a time of 56.0, and the 100-yd. low hurdles.

The Jr. High 440-yarder placed third in the meet with a time of

51.3. Members of the team are Roge Fowler, James Spruill, Carroll Bland and Spencer Gilliam.

## YOUR COUNTY AGENT SAYS

Hall County has a wonderful group of dedicated volunteer 4-H Club adult leaders who contribute their time, effort and money to promote and assist the 4-H Club program. And, points out County Agent Hooser, they serve without pay.

To assist them in reducing their 1964 income taxes, Hooser says he has information which lists a number of items they may claim as charitable deductions provided the leaders itemize their deductions.

Among the items are out-of-pocket transportation expenses, including the cost and use of cars or trucks to and from 4-H sponsored events, necessarily incurred in rendering donated service to 4-H.

Actual unreimbursed expenses incurred by 4-H adult leaders in attending contests, training courses and other 4-H sponsored events. This includes meals, lodging and transportation expenses while away from home.

Also expense for the cost and maintenance of uniforms and emblems required to be worn while performing the volunteer service and cash contributions and contributions in kind, such as equipment, paints and other supplies. The amount to deduct is the fair market value at the time the gift was made. No deduction is allowable for the time contributed.

Leaders who claim deductions by itemizing their accounts are encouraged by the agent to keep accurate records throughout the year.

those who put their brains to work through the centuries.

Soon the Memphis High School graduates will get their diplomas, then soon go to college. In lower grades, pupils will advance to higher steps in the ladder. You have been given plenty of advice, and I trust you have profited. . . If you used your eyes, you are hungry, alive, and are reaching out for new thoughts; seized upon the beauty around you; are you keeping such in your mind; and used your mind concerning same? . . . There may seem to be limitations in one's mind, and may cause you to lose heart. But if you can hang on, something inside one finally stirs, reaches upward and rights. . . be always in good humor. If you have to get mad, do your madness away from everyone. . . Love people—be helpful to others—and, to cut this short, fill your soul with kindness and laughter. The revealing quality of laughter is not to be measured by its volume. Rather, a gentle laugh—or even a smile makes friends; hearty laughter will save doctor's bill; it is a foe to pain; it is contagious; it keeps the heart and face young and enhances physical beauty; sends blood pounding through the body, increasing respiration, and forces poison air from the lungs.

# County Gets 1-3 Inches Of Rain

Hall County was blessed with one of the best spring rains in several years Tuesday night with all areas getting good amounts.

Here in Memphis, J. J. Mickin reported an official recording of 2.30 inches. At Lakeview, two inches were reported from several rain gauges.

In the Plaska area, 2.50 inches were reported. Rainfall in Turkey area measured from 2.25 to 3.25, reports indicated.

In the Estelline area, and areas southeast of the river, rainfall lighter than in the rest of the county; however, one and a half inches were reported from Estelline.

Added to the .30 of an inch Estelline received last Friday afternoon, this makes a good total for that area.

## Mrs. C. B. Lively Dies In Lubbock Services Friday

Mrs. C. B. (Ola) Lively, sister of Hollis Boren, passed away in Lubbock at 6:15 p. m. Wednesday.

Services will be held at the First Methodist Church in Lubbock Friday at 2 p. m.

Mrs. Lively resided in Lakeview for about 25 years.

Survivors include one son, Don Lively of the home; two grandchildren, and a brother, Hollis Boren of Memphis.

Rainfall southeast of Memphis was lighter than in Memphis, ranging from an inch to two inches, reports indicated.

The rain storm hit Memphis at midnight Tuesday night and it rained until about 1:15 a. m.

Added to the rain last Friday afternoon, here, Memphis had a week's total of 2.64 inches which brings the year's total to 3.93 inches.

### Jo Ann Randell Becomes Bride Of Ronald Blythe In Amarillo

Southside Church of Christ in Amarillo was the scene of the Thursday evening wedding of Miss Jo Ann Randell, daughter of Mr. and Mrs. D. L. Randell, 7624 Loma Vista, Amarillo, and Ronald Lee Blythe, son of Mrs. William E. Blythe, 4801 Camp Lane, Amarillo. Joe Lomax, minister, read the double ring service.

An archway of palms and white pom pom chrysanthemums decorated the church and traditional wedding selections were presented by an a cappella chorus with Ray Daniel, soloist.

Miss Barbara Railsback was maid of honor and Miss Sharon Tolzien, bridesmaid. Steve Randell, brother of the bride, was ring bearer, and Miss Ramona Randell, sister of the bride, was flower girl.

Jerry Blythe was his brother's best man and groomsman was Robert Blythe, brother of the bridegroom. Serving as ushers were Don Burnett, David Staltemberg, Bill Morrison and David McCutchan.

The bride chose a formal wedding gown of white satin. Lace motifs re-embroidered with seed pearls enhanced the rounded neckline and the softly pleated skirt secured a chapel train. Her fingertip veil of Italian lace fell from a white satin pillbox and she carried a cascade arrangement of white stephanotis and feathered carnations. She was given in marriage by her father.

Reception guests were received in Fellowship Hall of the church. After a short wedding trip, the couple will reside at 3303-B Plains Blvd. in Amarillo.

The bride attended Amarillo College and Mr. Blythe attended West Texas State University.

Pre-nuptial courtesies honoring the bride included showers given by Mesdames Joe Haney, Curtis Crofford and Gale Sills.

### Lydia SS Class Meets In Home Of Mrs. Saunders

The Lydia Sunday School Class met in the home of Mrs. Bessie Saunders on April 8 at 3 p. m. Co-hostesses were Mrs. Mary Lenoir and Mrs. R. B. McMurry.

The president, Mrs. J. S. McMurry, presided over the business session. "My Jesus I Love Thee" was sung by the group. Mrs. Lottie Kinard led the prayer, and Estelle Barber, secretary, gave their report for the last three months, and the treasurer's report. The group captains then gave their reports.

The devotional, "The Hour Has Come", taken from John 17, was given by Mrs. J. S. McMurry. Mrs. Henry Hays read several poems of Easter. Mrs. J. H. Smith brought several poems and scriptures. The meeting closed by each member offering sentence prayers.

Refreshments served from a lovely tea table were served to the following: Meses. J. W. Fitzjarrald, Estelle Barber, Grace Duke, Stella Jones, J. S. McMurry, J. H. Smith, J. S. Spencer and the hostesses, Meses. Mary Lenoir, R. B. McMurry and Bessie Saunders.

### Gleaners Class Meets In Home Of Mrs. R. Philpot

The Gleaners Sunday School Class of the First Baptist Church met for its monthly meeting Monday, April 4, at 7:30 p. m. in the home of Mrs. Robert Philpot.

President Bess Yarbrough presided over a short business meeting. The devotional on creation was given by Peggy Moss.

Delicious refreshments were served to the following members: Wanda Phillips, Bess Yarbrough, Phyllis Dale, Peggy Moss, Louise Howell, Charlene Douthit, Jo Barber, Peggy Fowler, Pauline Kilpatrick, Ruth Jones, Deane Bradshaw.

Mr. and Mrs. J. B. Waide, Jr., of Dumas visited Mr. and Mrs. J. Claude Wells Tuesday. While here they attended the Rotary Club.

### Turkey Tea Honors Mrs. J. Adamson

Mrs. John (Mayme) Adamson of Turkey was honored with a tea on Sunday, April 11, at the grade school cafeteria in Turkey.

The Turkey Chapter No. 569, Order of the Eastern Star, gave the tea to honor Mrs. Adamson for 50 years of active service. She was initiated in Hedley Chapter of Memphis, Mr. and Mrs. Dan Calloway of Snyder, Mr. and Mrs. D. C. Powell of Wellington, Mrs. Pauline Guest of Groom, Mr. and Mrs. L. L. West of Paducah, Dr. and Mrs. Harrison of Paducah and a host of friends from Quitaque, Matador, Paducah, Dodson, Memphis and Turkey Eastern Star chapters.

The serving table was beautifully arranged with a silver coffee service and crystal punch bowl with appointments of sterling and crystal being used to serve. The table was laid with a white cloth over yellow and centered with an arrangement of yellow roses and gladioli in a crystal bowl. The centerpiece was flanked by tall yellow candles.

Mrs. Jim Mathew (Agatha) Eudy served golden fruit punch from the crystal bowl and Mrs. Doc (Arlowene) Williams presided at the silver coffee service. White frosted cake squares decorated with yellow roses, yellow mints and nuts were served as the guests arrived.

Mrs. Laura Campbell registered the guests in a beautiful white satin covered book made by Mrs. Mabel Christian.

Standing in the receiving line with Mrs. Adamson to greet the guests were Mrs. Pauline Smith, worthy matron; Guy Smith, worthy patron; John Adamson, associate patron.

Miss Anna Jean Blakney played musical selections on the piano throughout the afternoon.

After the guests were seated, Mrs. Adamson was escorted to a special chair where Mrs. Byron (Allene) Young presented "This Is Your Life, Mayme Adamson", which was a complete surprise to the honoree. Friends she had served with in Eastern Star during her 50 years were presented and seated around her. About 45 guests participated in the program, including a son and family, Mr. and Mrs. J. R. Adamson, Jr., and Rex and Rod of Turkey,

her daughter and family, Mr. and Mrs. Dave Kiser and Donna and Janie of Levelland.

Other out-of-town guests included a brother and wife, Mr. and Mrs. Alva Simmons of Hedley, Mr. and Mrs. Bob Adamson, Mr. and Mrs. E. O. Stewart, Sr., of Lubbock, Mrs. Minnie Kinslow of Memphis, Mr. and Mrs. Dan Calloway of Snyder, Mr. and Mrs. D. C. Powell of Wellington, Mrs. Pauline Guest of Groom, Mr. and Mrs. L. L. West of Paducah, Dr. and Mrs. Harrison of Paducah and a host of friends from Quitaque, Matador, Paducah, Dodson, Memphis and Turkey Eastern Star chapters.

At the close of the program, Mrs. Lee (Nell) Gregory, past matron of Turkey Chapter, presented Mrs. Adamson with a check from the chapter to buy a 50 year pin.

### Ron Eudy Is Party Honoree On Sixth Birthday

Ron Eudy was honored by his parents with a party to celebrate his sixth birthday on Saturday, April 10, in Turkey.

Twenty-seven children enjoyed games in the gaily decorated garage where balloons and streamers hung from the ceiling.

The birthday cake was a white sheet cake with cowboys and Indians circling a covered wagon. The cowboy and Indian motif was carried out in the table cloth, napkins and invitations. Refreshments of cake, ice cream and punch were served. On each child's plate was a filled Easter egg.

Guests included: Sherice and Vane Price, Doyle Dean and Kirk Wayne Proctor, Kevin Hawkins, Liza Barnhill, Kathy Hurst, Burl Glenn Pierce, Jena Mullin, David and D'Yon Hawkins, Brian and Barry Wheeler, Linda, Brenda and Kim Coker, Ross Case, Ronaldynn, Jeff and Ken Crump, Jana and Joanie Turner, Lisa Sherman, Rex Fuston, David Hartman, Beth Lyles, Balinda Majors and Angela Eudy.

Many other friends and members of the family called during the day to wish Ron a Happy Birthday.

### Alpha Circle Enjoys Program On Easter Theme

The Alpha Circle of the Methodist Church met in the home of Mrs. F. W. Foxhall Monday afternoon at 3 p. m. with Mrs. Myrtis Phelan and Mrs. W. F. Ritchie as co-hostesses.

The theme of the Easter Program was "It Is My Son". The worship setting, in keeping with the theme, featured a Cross and an open Bible. The Bible had belonged to Mrs. Foxhall's father, Jim Browder.

In the program it was brought out the struggles of Mary, the Mother of Jesus, to understand and accept the divinity of her Son.

Mrs. N. A. Hightower gave Mary's Son, the Man, taken from the Passion Play. A skit portraying the babe was presented by Mrs. Mary Lou Erwin, as Mary, and Mrs. D. A. Neeley as a village woman, who came to visit the Christ Child.

A short business session was conducted by the vice-president, Mrs. Ed Hutcherson. Officers for 1965-1966 were elected as follows: Mrs. F. W. Foxhall, president; Mrs. Ed Hutcherson, vice president; Mrs. J. J. McDaniel, recording secretary; Mrs. J. W. Coppedge, treasurer; Mrs. Bob Hutcherson, Christian Social Relations; Mrs. W. F. McMaster, literature cultivation; Mrs. Mack Tarver, missionary education. Mrs. R. Tiner, promotion; Mrs. J. W. Oliver, spiritual life; Mrs. Ben Parks, campus mission, and Mrs. Harold Smith, supply.

A delicious refreshment plate was served during the social hour to: Meses. W. F. McMaster, L. G. DeBerry, R. S. Greene, Mack Tarver, Mary Lou Erwin, Ed Hutcherson, Louie Goffnett, O. M. Gunstream, Sarah Hill, J. B. Thompson, N. A. Hightower, D. A. Neeley, W. F. McElreath, Guy Cox, Ben Parks, Frank Garrett, Bess Crump, J. W. Oliver, and J. J. McDaniel and hostess, Mrs. Foxhall.

### Miss Katherine Fitzjarrald Is Guest Speaker At Delphian Club Tuesday

The Delphian Club met Tuesday, April 6, in the home of Mrs. R. H. Wherry for a program on Texas and Americanism.

During the business meeting, awards for the last year's work were presented from the Santa Rosa Convention. The incoming president, Mrs. Jo Bob Browning, brought suggestions from Santa Rosa for programs for next year. In introducing the program, Mrs. Lynn McKown referred to the slide rule as a "tool" to measure the future in terms of the past, and read the quotation from Plato: "States are as the men are."

Mrs. Keith Cunningham read a beautiful poem, "Song of Texas".

Mrs. R. C. Clements spoke on "Trails of Panhandle History." She pointed out that at the close of the Civil War, 100 years ago, the Panhandle-Plains was a region of scattered settlements isolated from the war. But after the close of the war, a large number of Union veterans settled here, many of whose descendants still reside in this area.

First in the history of our country is the record of achievements of its pioneers. As our Anglo-American civilization swept westward—the ideals of their pioneer life were implanted in every community. Then came the cattle barons, the ranchers, and the farmers. A man's word was his bond and his brand was respected. The railroads brought Panhandle cities and towns—the two most important of which were Mobeetie and Tascosa. Many merchants conducted banking business with their businesses. The first bank was at Canadian in 1887. The pioneers were not supermen, but good, average citizens who set an example of integrity, faith, and fortitude.

Special guest speaker was Miss Katherine Fitzjarrald, granddaughter of the hostess, Mrs. Wherry. She was introduced by Mrs. McKown, who stated that Katherine's grandmother was a charter member of the club, and her mother was a past president. Katherine is a graduate of Amarillo High School, Amarillo Junior College, and is now a junior in West Texas State College, majoring in speech and drama. She has received many honors for her outstanding work in these fields, and was recently winner in a competition at the University of Den-

ver, where she received three awards.

Katherine graciously consented to present her award winning speech, "A Spark No Longer Kindles", the refrain of which was "It's a grand old flag - -". It described the Fourth of July in eight different years and contrasted its early observance with that of today. "It's a grand old flag!" and its July 4, 1800. The biggest and best battle for freedom was just 34 years away. There were parades, salutes, honor guards, and America standing at attention.

"It's a grand old flag", and its July 4, 1865. The Civil War has just ended, and which side you are on depends on where you live. (Continued on Page 8)

BRIDE-TO-BE—Mr. and Mrs. E. L. Hill of Turkey announce the engagement and approaching marriage of their daughter, Sheri Lynn, to David Rolfe Wooten, son of Mr. and Mrs. C. M. Wooten of Parnell. The wedding will be an event of June 18, and will take place at the First Methodist Church in Turkey. Miss Hill is a senior at Turkey High School. The groom-to-be is a graduate of Estelline High School, and is presently attending the University of Texas Dental School in Houston.

### Paul Durham Named President Of Austin PTA For 1965-66 Term

Officers for the 1965-66 term were named when the Austin Parent-Teacher Association met for its regular monthly session Tuesday evening, April 13, in the school auditorium with Mrs. D. Miller, presiding.

Officers chosen to head the coming year include: Mrs. Paul Durham, president; Mrs. Bob Fowler, first vice president; Mrs. R. H. Martin, second vice president; Mrs. D. F. Phillips, secretary; Mrs. Bessie Coidron, treasurer; Mrs. Robert Boren, reporter; Mrs. Robert Boren, parliamentarian, and Mrs. O. C. Archer, historian.

During the business session, plans were also made to hold a bake sale on Saturday, May 1. Details for the sale will be announced at a later date. J. O. Dixon gave the invocation, after which an interesting program was presented.

Les Sims, Scoutmaster of Troop No. 35, gave a most interesting talk on scouting and working with young people.

Mike Branigan gave a detailed report of his experiences at the Boy Scout Jamboree at Valley Forge, Pa., which he attended (Continued on Page 8)

### Shannon Doss Is Guest Speaker At Abilene Club Meeting Wednesday

Shannon Doss, superintendent of the Memphis School System, was guest speaker at the Wednesday afternoon meeting of the Abilene Club, April 7. The meeting was held at the Odum restaurant with Mrs. Milton Stanley, Jr., as hostess.

Mrs. Robert Spicer, president, presided during the meeting. The guest speaker, who was introduced by Mrs. H. B. Estes, gave an informative talk on our schools. He discussed the merits of the system on all levels; elementary, junior high and high school. He gave excerpts from a report given this school system by the Texas Educational Agency.

He took stores with a large and attractive selection. It takes good and modern schools. It takes reasonable medical service and most important it takes jobs — not just any kind of job, but jobs with a future and a challenge to our high school graduates who will stick around to become our leaders tomorrow.

If we are to have these things, we must make personal sacrifices. We must develop a wholehearted devotion to our town, its problems and the solution of them.

The reports on the style show are nearing completion. The club received three first place awards at the Santa Rosa District Convention held in Memphis April 1 and 2.

Enjoying the social and delectable refreshments were Meses. K. B. Chick, W. C. Dickey, Waller Diggs, H. B. Estes, Robert Hanvey, N. A. Hightower, Roy Jewell, Kent Magness, L. C. Martin, Cecil McCollum, Robert Philpot, W. R. Scott, Robert Spicer, Glynn Thompson, Ralph Williams, H. J. Howell, C. W. Kinslow, D. A. Neeley, J. A. Odom, Myrtis Phelan, Miss Imogene King, and Mrs. Beasley.

### An Ounce Of Prevention

There are those who fear that we are in danger of "talking ourselves into a depression" by pointing out danger signals in our economy.

It is true that the psychological factor must never be overlooked. It is possible to permit emotion to drive us in a particular direction. So those who fear the above-mentioned danger do have a point.

But on the other hand, depressions can be very real and we don't create prosperity that doesn't exist merely by grinning at each other, like cats eating glue, and saying, "My, isn't business good."

The depression of the 1930's wasn't psychological, neither was its cause physiological.

In room 6 of Tulia's Lasso Motel we once heard Lyndon Johnson expound on the difficulty of pulling a country out of a depression. It was the "ounce of prevention is worth a pound of cure" theme. His point was that the time to tackle depression is before it gets started.

He pointed out that the depression of the 1930's was complicated by the fact that nothing was done until March of 1933. It's like failure to treat a pneumonia patient until he is making his final gasps.

"Even with a sympathetic government earnestly seeking to bring back prosperity," observed the future President, "it took five or six long years to get us back on the right road."

It is no secret that agriculture is in trouble. Swisher County, as yet, isn't suffering like they are south of here. But if we're smart, we won't wait until banks have cut off loans, we won't wait until farmers are driven off their land, we won't wait until vacant buildings dot the square to reverse the course on which agriculture is now travelling.

An out-of-town Production Credit Association south of Tulia serves five counties. It recently made a study of the financial statements of the 508 farmers it serves. It must be remembered that PCA serves pretty stable farmers, not those marginal farmers who must resort to FHA loans to survive.

In 1964, farmers served by this particular PCA had assets of \$31,596,290 and liabilities of \$7,833,638 . . . net worth of \$23,762,652.

In 1965, these farmers had assets of \$32,699,823 and liabilities of \$8,933,574 . . . net worth of \$23,766,249.

Of the 508 operators under consideration, 214 gained \$845,968 while 294 operators lost \$842,311. So the net worth of these 508 operators increased only \$3,597.

Forty-two per cent of the operators had a net gain while 58 per cent suffered a net loss.

The average net gain was \$3,953, while the average net loss was \$2,865.

The average total investment for 508 operators was \$64,370.

It must be remembered that the cost of the farmer's labor is included in these figures.

With the cost of production fixed, the only way to increase the farmer's income is to increase the price of what he has to sell in the market place.

Some way must be found to guarantee a fair price for a bale of cotton or a bushel of wheat, just as General Motors first determines the cost of producing a car, then sets and gets a fair price for the car. The law of supply and demand just can't get the job done, as evidenced before 1933.

Our job is to turn the tide of farm depression before, not after, we all get hurt. We must convince Washington that agriculture cannot survive in the complex economy when farm prices, or government supports, dip below the cost of production. The only way to achieve a fair price for any farm product is through scarcity . . . and, as one observer wrote, the future stability of the world must be built on economies of abundance rather than the commerce of scarcity. Even if it were possible to produce exactly what we use, this would be wise. For reasons of national defense and other eventualities, we need a permanent surplus of farm products, just for insurance. But this would be considered 'over production' in the free market and the price would plummet.

Every farm organization we have, except one, is agreed on this principle. Now is the time to speak up for agriculture . . . and the place is Washington. Those who have cried "government economy" and "a balanced budget at ANY price" have been heard. Washington is convinced that this is what the people back home want, and there just aren't any painless ways to cut spending. It hurts when Amarillo loses an air base that affects 10 per cent of the city's population. And it hurts when farmers can't make ends meet.

Our demands must be that we not kill the gold goose, that farm bankruptcy can cost Uncle Sam much more than he is spending for a sound farm program.

And we might add a footnote . . . don't stop the farm subsidy unless ALL subsidies are to be stopped.—Tulia Herald.

What Other Editors Say

**How To Get A Headache**  
A doctor in Cleveland, Ohio, may not know it yet, but he has made the boldest pronouncement since the USA called Russia's bluff in Cuba.

This man said in public that one aspirin product or related compound is about as good as another. He actually said that:

"They're all good medicines, I suppose," he said, "but all of these combination products are probably no better or no worse than aspirin alone."

Anyone who has been exposed to the claims for various "aspirin products and related compounds" in the television commercials has to shudder for the good doctor.

One product as good as another, indeed. As television viewers know, each product is incomparably better than the other. In fact, all the others are—ugh.

Doctor, you'd better bolt the doors, shut off the phone, go to bed and take plenty of—well, you decide which one. We're chicken!

—Arlington Journal.

**Destructive**  
Many people have all kinds of ideas for building a town, but here are some ideas on "How to Ruin a Town" from the Marcelline, Mo., News. They are guaranteed to work.

1. Never attend any meetings. Just sit around and criticize about the way "They" are doing things.

2. Vote against any kind of tax levy, whether the purpose is good or not. "They" just want your money.

3. Make fun of the fire and police departments. "They" are just out there for the glory and pay.

4. Don't ever go to the school concert or ball game, but half-trance in front of that "little kick-back."

5. Knock your city council. This is a must. Everyone of them is just on the council to get a little kick-back.

6. Stay out of church. You might go on Easter and Good Friday, but just to prove to yourself the minister does not know what he's talking about and everyone there is a hypocrite.

7. Buy everything you can of town and from traveling salesmen. These people are always first to come forth with donations and service to the community.

8. Don't support your newspaper. The out-of-town papers are a lot better and cost a lot less. But jump on your paper's editor the first time Aunt Hegatha's visit is left out—forget the other ten times was in.

9. Spread any story or rumor that is defamatory or uncomplimentary about the town. Never say anything nice about anyone. All kids are delinquents, all businessmen are crooks.

10. Above all, always be skeptical and cynical about anything supposed to be good for the town and betterment of the community.

Your motto should be: "It's good, it can't happen here!"

## Turkey FHA Presents Assembly Program Wed.

The Turkey Chapter of the Future Homemakers of America observed FHA Week, April 5-9, by presenting an assembly program for the high school Wednesday of the week. Carlene Taylor, Beverly Barnhill, and Norma Yates presented the meaning of the emblem of the organization, an explanation of the colors and the flower. All the group, led by Celina Johnson, Ann Moseley, Cynthia Standfield, Cheryl Stevens, Hattie Morris, and Shirley Johnson, gave the FHA Creed.

A humorous skit titled "A Child's Version of Hamlet" was presented by Darlene Jones, as Hamlet; Pat Williams, Carrie Mae Vivens, Karen Arnold, Glenna Cotten, Wilma McKay, Mary Carlile, and Brenda Gafford. The skit was narrated by Pam Williams.

Following the skit, Sheri Hill recognized Pam Williams for being awarded a state degree recently, which is the highest degree a FHA member can achieve. Glenna Mullin recognized the 5 members with the highest points gained throughout the year in FHA. They are Carlene Taylor, Sheri Hill, Gayle Lane, Darlene Jones, and Karen Arnold. Darlene Jones and Karen Arnold will represent the chapter as delegate and alternate delegate at the state FHA meeting in Dallas April 23-24. Pam Williams will officially receive her state degree there also in a special ceremony. The group will be accompanied by their sponsor, Mrs. Jay Eudy.

Other FHA activities observed by the members during the week were a color day, Western Day, Smile Day, and Dress-up Day.

## Sandra Gatlin Named Student Of Month At Beaumont

The following is an article which appeared in the Beaumont Journal on March 31 concerning Sandra Lee Gatlin, granddaughter of Mr. and Mrs. B. E. Davenport.

"A French High School student, Sandra Lee Gatlin, was named student of the month by the Kiwanis Club of Beaumont at their meeting Monday.

"A National Honor Society student, Miss Gatlin is a member of the Foreign Language Club, the annual staff, English supervising staff, of the Beta Club tutoring service, the United Daughters of the Confederacy and is active in church activities.

She is the daughter of Mr. and Mrs. Harold F. Gatlin, 2226 Hazel. The Kiwanis Club is selecting a student from each of Beaumont's five high schools with the winner to receive a scholarship at Lamar Tech this fall."

It takes about 15,000 ordinary pins to weigh a pound.

Rev. and Mrs. Roy Shahan of San Angelo visited here Monday and Tuesday with their grandchildren, Elaine and Randy Shahan, and with Mrs. Betty Shahan, Dr. and Mrs. O. R. Goodall and other friends. Rev. Shahan is a former pastor of the First Baptist Church here. They recently moved to San Angelo from California where they had resided for some time.

Geographic center of Texas is 15 miles northeast of Brady, in McCulloch County.

## Memphis FFA Teams Compete At West Texas

Four teams from the Memphis FFA Chapter competed Saturday in the West Texas State University judging contest at Canyon.

The land judging team placed fifth in the area contest, which qualified the team for the state contest to be held in Stephenville on Friday, April 23.

Team members include: Gaylon Clark (one of the top five high individuals), Danny Clark, Chipper Baker and Jeff Moore.

The livestock judging team placed in the top fifteen teams, but due to a mix-up in scoring the final results will not be known until later, Neal Hindman, advisor, announced.

Members of the team include: Robert Maddox, Durwood Wilkinson, Carl Houston and Jimmy Stewart.

The livestock judging, dairy and crops judging held at Canyon were West Texas State contests. The area contests for these will be held in Lubbock, at Texas Tech, on April 24.

Other teams attending from Memphis and competing in West Texas competition were: dairy—Jimmy Srygley, Neal Hughes, and Mark Phillips; crops—Jerry Hall and Jimmy Shults.

"We are planning to take six or seven teams to Lubbock for the area contests," Hindman said.

### GTC President Reviews Progress In Annual Report

SAN ANGELO—Progress was the keynote of 1964 for General Telephone Company of the Southwest, according to the company's annual report currently being mailed to shareholders in all 50 states and several foreign countries and to employees in five states.

Evidence of progress, according to E. H. Danner, president, was reflected in improved services, growth and new concepts in communications.

In his letter summarizing activities, he listed as examples of improved service, the addition of 9,600 telephones and six exchanges to the District Distance Dialing network; replacement of central office equipment in nine exchanges and providing customers in 11 exchanges with Extended Area Service.

In the area of growth, Danner pointed out that 20,600 telephones were gained in the 263 exchanges served in five states, bringing the total telephones to 339,955 at the end of 1964. Fifty employees were gained during 1964 bringing the total employees to 3,302.

In 1964, total operating revenues grew from \$41,957,494 in 1963 to \$45,304,065 in 1964, while investment in telephone plant increased from \$160,228,948 to \$172,278,787.

Greater emphasis was placed on special services for business and industrial customers in the area of data transmission, private line teletypewriter service, private switching networks and full utilization of present equipment and devices to provide complete communications, according to the president's letter to shareholders.

Danner also stated that expanded emphasis was placed on planning for future needs, with a long range planning task force named to project the scope of communications requirements in 1984.

A review of the Ten Year Record of Progress included in the report shows that total operating revenues increased 154 per cent from \$17,830,000 to \$45,304,000; while the investment in telephone plant reached an all time high of \$172,278,700, an increase of 222 per cent over the plant investment figure ten years earlier.

Operating expenses, not including taxes, increased 95 per cent to \$18,774,900 during the ten year period ending in 1964.

General taxes and federal income taxes moved upward 148 per cent to \$8,431,500 during the ten years reflected in the record of progress.

Wages and related benefits paid to employees increased 101 per cent during the ten year period and totaled \$17,587,000 at the end of 1964.

Joanna Adecock spent the weekend with her parents, Mr. and Mrs. Thomas Adecock. Joanna left Monday for El Paso.

## Long-Distance Rates Effect Telephone Users

New terminology and new benefits related to long distance calling will become effective April 1, according to information released today by General Telephone Company of the Southwest.

The new terms describe in a more uniform manner when rates are effective and are as follows:

Day rates refer to long distance rates in effect from 4:30 a. m. to 6:00 p. m. Monday through Friday.

Evening rates refer to rates in effect from 6:00 p. m. to 8:00 p. m. and all day Saturday.

Night rates are rates in effect from 8:00 p. m. to 4:30 a. m. Monday through Friday and all day Sunday.

Night rates are the least expensive, while evening rates are lower than day rates, according to a company spokesman.

The reduction in interstate rates to be effective April 1 was announced earlier this year by the Federal Communications

Commission and involves lower station-to-station day rates for calls over distances in excess of 600 miles, with the maximum rate being \$2.00 for a coast-to-coast station-to-station day rate call.

In Texas, New Mexico and Louisiana the hours during which the day, evening and night rates for long distance calls within a state (intrastate) are in effect will change April 1 to conform with the new terms described above, the announcement stated, but rates on intrastate calls are not affected.

### Report From Washington

By WALTER ROGERS  
Representative, 18th  
Congressional District

#### To Help Smash The Smut Peddlers

The House of Representatives acted April 5 to protect American families from the forced intrusion into their homes of marally objectionable material. On your order, under the terms of this bill, the Postmaster General must require the sender to halt his mailings to you or your children of any mail matter you believe to be obscene, indecent, or vile.

You make the determination of what is obscene, under the provisions of this bill, and mailers must respect your decision or face a contempt charge.

Under existing statutes aimed at smut peddlers, defining what is and what is not obscene is a question often tangled in courtroom controversy. On the same day the House passed the bill to help you control your own mail, the Supreme Court agreed to hear the appeal of one Ralph Ginsburg, who in December, 1963, was sentenced to five years in Federal prison and fined \$28,000 upon his conviction for sending obscene material through the mails. The Federal judge who tried Ginsburg termed his publications "dirt for dirt's sake and dirt for money's sake." It remains to be seen whether the Supreme Court will sustain Ginsburg's conviction, and the crucial point at issue will be the definition of obscenity.

The bill just passed by the House makes an end run around the problem of defining obscenity. Each person who receives mail is free to apply his own definition. If he feels that unsolicited mail addressed to him—or to his children—is obscene, he may return such mail to the Postmaster General and require him to notify the sender not to send additional such mail. The Postmaster General so advises the sender—who, if he fails to comply, can be hailed into Federal court and punished for contempt.

Enactment of this bill will go a long way to curb the vile traffic in pornography. The mass mailers of filth will find that millions of American parents have suddenly come into the possession of a means to curtail their operations. Its enactment would be one more blow aimed at what some have called the "pornography industry"—a business web "earning" its unscrupulous practitioners millions, perhaps billions, of dollars each year. Last year, according to Post Office Department estimates, more than a million American school children were sent material soliciting their purchase of smut disguised as "art," or "literature," or "culture," or "education."

Ginsburg's publications, for which he was convicted in Philadelphia, were being sent to teenage children. When this came to my attention I immediately embarked upon a course to help put a stop to this entire venture. The offensive magazine was Eros Magazine, Inc. It was only after a heated exchange of correspon-

dence that I was able to find out that this corporation (?) was nothing more than a protective front. It had been incorporated by Ginsburg, his wife Susan, and a Mrs. Celia Abelson. ALL of the stock was owned by Ginsburg. In his own words, he wrote, "I am the only stockholder in Eros Magazine and the Board of Directors consists of myself, my wife Susan and Mrs. Celia Abelson." The people of this country can draw their own conclusions as to why these peddlers of filth think they need some kind of semi-false front behind which to hide. It might be well to remember that their first defense is always, "My Constitutional rights of freedom of speech and freedom of the press." It has been my opinion for many years that the entire procedure is nothing more than a sinister attempt to create legal entanglements that will defeat the very purpose of the laws and the Constitution behind which they are trying to hide. The Communists have been using this method for a long time—for example, their constant pleas of the fifth Amendment.

The time has come in this country to recognize the fact that words can be as offensive as physical blows. The written word can be more offensive many times than the spoken word, and much more widespread. It is time to stop begging the question and to face the fact that obscenity, filth, and pornography, whether spoken, written, portrayed on the screen of movie houses, or shown on television, can produce nothing more than an immorality and corruption of morals that can and will destroy this nation as surely as Sodom and Gomorrah were destroyed. Let us hope the Supreme Court meets this challenge.

#### CARD OF THANKS

I would like to take this means of thanking all my relatives and friends for their cards, flowers, gifts, personal visits, and long distance telephone calls during my stay in the Northwest Texas Hospital in Amarillo. A special thanks to Arvin and Vera for their kind deed, to Bro. Leroy Gaston for being there with the family, and to Dr. Clark for being there during the surgery.

### Area FHA Loans Exceed One Million

The Farmers Home Administration Office in Childress and the FHA Sub-office in Memphis have loaned a combined total of over \$1,000,000 during the 1965 fiscal year, according to E. Leon Thurman, County Supervisor of Childress and Hall Counties.

Operating Loans and Emergency Loans, which are made for family living and farm operating expenses, purchase of livestock, machinery and equipment, refinancing chattel debts, and other purposes, totaled \$749,610.

Farm Ownership Loans, Soil and Water Loans, and Rural Housing Loans total \$270,630.

These FHA offices have made loans to 180 farm families in the two counties.

There are 60 Farm Ownership Loans which were made to purchase farms, enlarge farms, to repair and construct new farm buildings, and refinance land debts. These loans are payable over a period not to exceed forty years at 5 percent interest.

There are 7 Soil and Water Loans which were made to develop irrigation systems on the farm, and 1 Water Association Loan made to the City of Lakeview to develop a water system for the city.

There are 22 Rural Housing Loans which were made to repair or construct new dwellings and other building necessary for the operation of the farms. These loans are also made to construct or repair dwellings on non-farm tracts in towns with a population of 2500 or less. These loans may be made for a period not to exceed thirty-three years at 4 percent interest.

FHA loans are made to eligible applicants who cannot get credit from other lenders.

The Economics Opportunity Act

of 1964 established two new programs for low-income families living in rural areas who cannot qualify for other types of FHA loans. The maximum amount that can be made to any one family under this program is \$2500, with repayment period to exceed fifteen years, with interest rate of 4 1/8 percent. Additional information concerning FHA loans may be obtained by visiting the local FHA office in Childress or the FHA office in Memphis.

### Laura Dale Died In Irving Crash Sunday

Funeral services for Mrs. Laura Dale, 79, mother of Kenneth Dale, were held at 2:30 p. m. Sunday from the First Baptist Church in Vernon with Rev. Martin, pastor, officiating. Mrs. Dale was in East View Memorial Park.

Mrs. Dale was killed Sunday in a car crash, in which two persons were also killed. The driver was Marvin James Davis, 56, and William Haygood, 56, of Irving.

The accident which claimed the life of Mrs. Dale, her son, Kenneth Dale of Dallas, was serious and reported to be in a critical condition in a Dallas hospital. The son's wife, Pauline, 48, and daughter, Jo Ann, 14, suffered lacerations and are listed in critical condition.

Mrs. Dale moved to Vernon from Frederick, Okla., in 1957. She was a member of the First Baptist Church.

Survivors, other than the son, Kenneth Dale of Dallas; two daughters, Mrs. Ed Luttrell, Jr., of Dallas and Mrs. Beth Miller of Dallas, 14 grandchildren and great-grandchildren.

## HALF-PAST TEEN

ed weevils. Pay special attention to areas of the field near shiner, shelter belts or other likely boll weevil overwintering sites. From past experience, you should know these areas of the field where weevils usually appear first.

If weevils can be controlled before they start laying eggs, the potential weevil build-up can be greatly reduced.

**Regular Season Control**  
Cotton should be checked weekly by examining 100 squares at least one-third grown. Squares should be selected at random from several representative areas of field. When 15 to 25 per cent or more have weevil punctures, begin treatment. Apply insecticides at five-day intervals.

After one-third grown squares are present and egg laying has started, infestations may still be confined to small areas of the field in some cases.

Check your field carefully. If punctured squares are found in only a portion of the field, spray only that area. The spot treatment method where applicable is cheaper and beneficial insects are not affected in the unsprayed areas of the field.

**Early Harvest and Stalk Destruction**

The following recommendations concern practices which will reduce the overwintered weevil population. If all farmers in a weevil infested area follow these steps, the overwintered weevil population can be greatly reduced.

1. Dessicate or defoliate the crop as soon as the cotton has reached the proper stage.

2. Add a phosphate insecticide such as Guthion or methyl parathion to the dessicate or defoliant. (Do not add phosphate insecticides to chlorate defoliant and/or dessicants.)

3. Harvest cotton as soon as possible.

4. Destroy stalks immediately after harvest to prevent regrowth.

When cotton is dessicated, the boll weevil's food supply is destroyed. The addition of an insecticide to the harvest-aid chemical provides a quick kill, preventing weevil movement from the dessicated field into other fields.

Stalk destruction immediately

after harvest will prevent the cotton from regrowing and supplying food for weevils.

These practices force the boll

weevil into starvation before re-time to enter winter quarters, prevent late season build-up of weevils and boll worms, and reduce the overwintering population.

### YOUR COUNTY AGENT SAYS

#### Boll Weevil Control

The Rolling Plains Cotton Growers and The Hall County Boll Weevil Control Committee wish to work with the cotton farmers to develop a good mid-season boll weevil control program. The Hall County Boll Weevil Control Committee are as follows: Del Wells, chairman, Lakeview; H. A. Hodges, Memphis, vice chairman; Guy Smith, secretary and treasurer; Crump Ferrel, Estelline, member; O. B. Hooser, Newlin, member; and J. D. Cox, Tell, member.

The Hall County Boll Weevil Control Committee recommends the following practices for Hall County cotton farmers where the boll weevil is an established pest. By following the integrated programs of cultural and chemical control, the producer will realize more effective and economical boll weevil control.

These practices should be carried out on a community or county-wide basis for best results.

A delayed, uniform cotton planting period will aid in boll weevil control by reducing the size of the weevil population.

The normal planting season in many Rolling Plains counties often extends from mid-April to early June. This extended planting season is in part responsible for the development of heavy weevil infestations.

Early plantings attract early emerging weevils by providing food and egg laying sites, while late plantings offer adequate food near the end of the season.

If farmers in weevil infested areas would establish a delayed uniform planting date, many early emerging weevils would die from lack of food.

A planting season of May 10-20 has been set for the High Plains boll weevil control zone.

Depending upon local conditions, a later date may be desirable for some Rolling Plains counties.

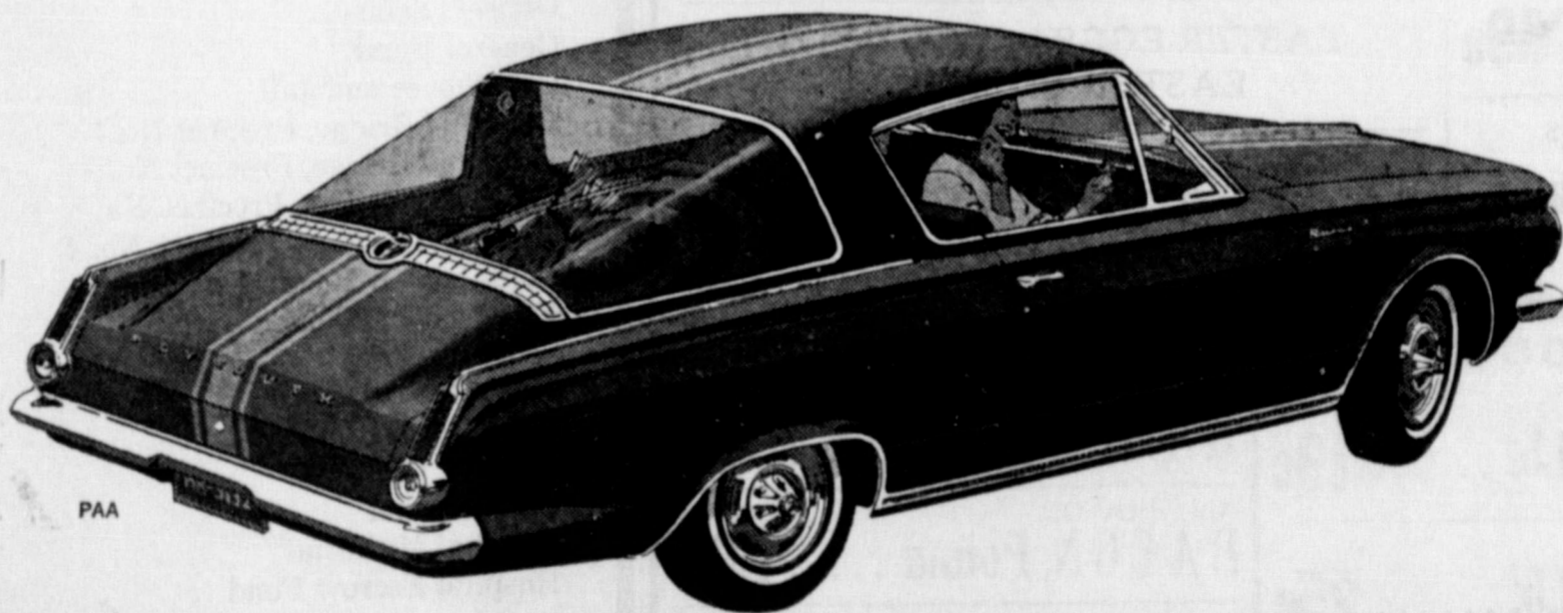

#### Control of Overwintered Weevils

In many fields, overwintered weevil control can be accomplished on a spot treatment basis. Overwintered weevils are usually confined to small areas of the field after emergence. Spot treatment of the infested areas early in the season will slow down, and in some instances, prevent the spread of weevils throughout the field. The beneficial insect population within the field will be less affected when treating is confined to only the spots where weevils exist.

Cotton should be checked carefully during the pre-square and early-square stage for overwinter-

But is it a "grand old flag" to each side.

"It's a grand old flag", and it is July 4, 1914. The men are away at war and the flag is on foreign soil for the first time in its history.

"It's a grand old flag" and it is July 4, 1942. The flag is on land, on sea, under seas, and on flag draped coffins of men who had fought for freedom for others. Again there were parades, salutes, the honor guard and America standing at attention.

Again, it is July 4, 1964. The talk is of floats, of fireworks, of picnics, of visiting, with little thought of the real meaning of the day. Like Christmas, with little thought of the birth of the Savior, July 4 brings little thought of the birth of a nation.

As an encore, Katherine then read a clever, original article, "The Imperfect Man".

A delicious dessert plate was served to Mmes. Frank Finch, O. R. Goodall, Carrol Gardenhire, Gaylon Ariola, Keith Cunningham, Bob Gordon, Betty Shahan, C. C. Hodges, Clyde Smith, Jo Bob Browning, R.
