First Baptist Church To Observe 75th Birthday

Today will mark the beginning of a four-day celebration at the First Baptist Church to observe its 75th anniversary of the founding of the church in 1890. The anniversary services will begin on Sunday morning and will conclude with a historical pageant on Tuesday evening. Rev. Gene Mason, pastor, has announced that members of the church who now live in other parts of the county are expected to return to Memphis for the occasion. Also expected to be present will be several of the original ministers of the congregation. A highlight of Sunday will be the Open House which will be held in the church annex between 2 and 5 p. m. Sunday afternoon. A cordial invitation is extended to the public to attend the Open House as well as other anniversary services.

Rev. Fern Miller will deliver the anniversary sermon Sunday morning at 11 a. m. Rev. David M. Gardner will speak at the evening service which will begin at 7:30 p. m. Tuesday evening. Services will be held Monday, Tuesday and Wednesday evenings at 7:30 p. m. Rev. Roy Shahan will preach at the Monday night service and Rev. J. W. Mason will be the speaker Tuesday night. On Wednesday night, Sept. 16, a historical pageant, "This Is Your Life," will be presented under the direction of Miss Esta McElrath, Miss Clara Pyeatt and Mrs. Frank Ellis. Music will be given by the Sanctuary Choir and the Youth Choir with trumpets, all under the direction of Cliff Pedersen.

Picture Display
Of much interest will be the historical picture display which has been gathered and assembled by several members of the church. The display will be open throughout the celebration in the Young People's Department. Members of the church and visitors are urged to see this interesting picture display. Also prepared and printed for distribution are informative and historical anniversary albums carrying pictures of the 21 pastors who have served since the church was founded 75 years ago. These will be available to all who would like to purchase a copy for \$2.00 each.

Copies of the front page of the old Hall County Herald, published Oct. 22, 1910, and carrying the story of the dedication of the present church building, will be distributed. Special taped music will be made during the anniversary services.

Funeral Rites For Mrs. J. S. Beach Held Wednesday

Funeral services for Mrs. J. S. Beach, 97, a resident of Hedley, were held at 2 p. m. Wednesday at the First Baptist Church in Hedley. Rev. Robert Estes, pastor, officiated. Mrs. Beach passed away Monday, Sept. 6, at 11 p. m. in North Texas Hospital in Amarillo. Mrs. Beach was born in Whiteboro, Tex. She was married to James Sid Beach on Dec. 24, 1885, at Whiteboro. The family moved to Hedley on Feb. 14, 1913. Mr. Beach's children preceded her in death.

Mrs. Beach was a member of the First Baptist Church of Hedley. Survivors include two sons, R. S. Beach of Hedley and P. R. Beach of Amarillo; two daughters, Willie Spaldin and Mrs. G. C. Hedley; a sister-in-law, Mrs. S. Kinslow of Sherman; grandchildren, 15 great-grandchildren, and 41 great-great-grandchildren. Burial was in the cemetery at Hedley. Interment was in the cemetery at Hedley. Interment was in the cemetery at Hedley.

1913 Study Club To Hold Bake Sale September 18

The 1913 Study Club urged local residents to take a look at their premises this week and join together in a last-minute general clean-up before visitors begin arriving in Memphis for the county's 75th anniversary Sunday, Sept. 19. In co-operation with the summer long beautification and clean-up campaign sponsored by the 1913 Study Club, the City of Memphis has declared September 6-11 as official Clean-up week. Local citizens are asked to burn all burnable trash and to stack other litter in the alleys to be picked up by City trucks, Mayor H. J. Howell stated. Winners in the Beautification contest will be selected soon by a committee from the Garden Club. As soon as winners are chosen names will be published. First prize is \$25.00; second prize \$15.00 and third prize \$10.00.

Estelline To Open Season With Harrold

The 8-man, Estelline Bears football team will open their season schedule Friday night when they play host to an 8-man team from Harrold. The Estelline squad, under Coach Jimmie Don Adams, is experienced, has good speed, good passing and average running game, and should put up a real battle against the Harrold squad. Coach Adams reported last week he felt that Harrold was one of the toughest squads Estelline will meet so the game should be a real contest. Fans were reminded this week by the Estelline School that this year, the Estelline ball teams will be known as the Bears, instead of Bear Cubs as in the past. The girls basketball team will be the Bearettes. The Bear Cubs will refer to the Junior High boys teams. Fans were encouraged to attend the game beginning at 8 p. m. at the Estelline stadium.

Turkey Turks Travel To Happy Friday

The Turkey Turks, under Coach Joe Bob Barnhill, will open their season at 8 p. m. Friday night at Happy. This will be the first encounter for both ball clubs. The Turkey team will probably be selected as the underdog by area sports writers because the Happy Cowboys were named in the ninth spot in Class B panhandle football teams, while the Turks were not mentioned in the top 10 of Class B. The Turks will have several regulars in their lineup, including Barry Lane, their fullback, Jim Robison, a guard, Harvey Case, an end, and Rod Mullin, a tackle. The squad has 11 returning lettermen. Turkey fans are encouraged to travel to Happy for the game.

Cyclone To Battle Irish At Shamrock

The Memphis Cyclone will travel to Shamrock Friday night for their second encounter of the season, and will be an underdog, as the Irish will be the favorite, by several TDs. Coach Charley Chambliss' lads will be facing a 1-AA team who last week knocked off the McLean Tigers 26-8 and will go into the contest fired up over last week's victory. The Memphis lads, who saw four fumbles and a pass turned in last week's game, returned in a 38-8 pounding by the experienced Crowell Wildcats, will go into the game without the services of starting fullback Fred Durham. Durham received a bruised back in the final stanza of the Crowell game and will be out of action for a while, Coach Chambliss said. The Memphis coach reported the local squad has been working all week on polishing their offense. "We didn't complete as

many passes as I feel we should have last week and we were slow with our play execution," Chambliss said. Defensively, the coach was pleased with the efforts of the Cyclone squad against Crowell despite the score. Shamrock runs from an "I" formation, pro set and does a lot of passing, he reported. They have a tough defense to crack. Shamrock's line averages 169 lbs. per man and backfield 165 lbs. per man. Memphis will be spotting Shamrock about 15 lbs. per man, but both teams have about the same speed. Shamrock holds the definite advantage in the experience department. Shamrock's starting backfield includes: No. 24 QB Ike Shipman, No. 33 FB David Blake, No. 12 Terry Hardy and No. 23 HB Larry Flowers. The Cyclone's lineup will have Mike Pounds in at fullback in place of Fred Durham, but otherwise will be the same, Coach Chambliss reported.

Hall Citizens Vote 207 For, 64 Against

Although Hall County voters, and most of the other Panhandle counties in Texas, approved the amendment to the State Constitution increasing the number of members of the Texas Senate, voters statewide turned the issue down. Voting was extremely light over the state, it was reported, but the votes against the amendment were much heavier than the votes cast for it. Here in Hall County, a total of 271 ballots was cast in the four polling boxes: Memphis, Lakeview, Estelline and Turkey, and 207 votes were for the amendment and 64 were against it. In the Memphis box, 116 voted for the amendment and 25 voted against it. Turkey's vote was 28 for and 14 against, it was reported. Three absentee votes were cast and they tabulated one for and two against. Lakeview voted a total of 39 ballots with 26 for the amendment and 13 against it. Estelline voted 36 for the amendment and 10 against it for an overall total of 46 votes. Over the state, the Texas Election Bureau in Dallas reported early returns showed a trend against the passage of the proposed amendment and this trend continued until by late Tuesday night the bureau conceded the amendment did not carry.

A Cub Scout Round-Up will be held at the City Park Monday, Sept. 13, at 6 p. m. L. B. Snider, cubmaster, announced this week. The purpose of the round-up is to enroll cub scouts and den mothers for the coming year. All cub scouts and boys interested in becoming scouts and all den mothers and interested mothers, are urged to attend, Mr. Snider stated. Cub Scouts and their parents are asked to come to the park and bring weiners, buns and marshmallows for a picnic, he continued. Pops and coffee will be furnished. Assistant cubmaster is W. M. Davis.

Agent Robertson Teaches Law Enforcement Class

Law Enforcement Officers from several counties have been assembling in Memphis for the past several days participating in a clinic taught by Special F. B. I. Agent L. L. Robertson of Dallas. The class is being conducted in the municipal building in Memphis and was arranged by Hall County Sheriff Elmer Neel. Mr. Robertson said the class is covering such subjects as riots, proper use of fire arms, mob and riot control, and the techniques and mechanics of arrest procedure. Highway Patrolmen, Sheriffs and Deputy Sheriffs and City Policemen have been coming for the four-day school since Tuesday.

Rites For Murdock Infant Held Sunday Afternoon

Stacey Carole Murdock, the infant daughter of Mr. and Mrs. Bobby Murdock, died Saturday, Sept. 4. Graveside services were held at the Fairview Cemetery Sunday at 2 p. m. with Rev. Tom Posey, pastor of the First Christian Church, officiating. Interment was under the direction of Spicer Funeral Home. Survivors other than the parents are the paternal grandparents, Mr. and Mrs. Elmer Murray of Memphis; paternal great-grandparent, Mrs. Edith West of Davis, Okla.; maternal great-grandparents, Mr. and Mrs. Thomas Haynes of Weatherford.

Plans Are Completed For 75th Jubilee Celebration

County Residents To Pre-Register For 75th Celebration

Tops Gilreath, chairman of the registration committee for the 75th anniversary celebration to be held September 18, said that registration of local residents is very slow. A request has been made that as many local citizens as possible pre-register. Persons may register at the County Superintendent's office, County Clerk's office or at Lemons Furniture company any time prior to Saturday, September 18.

Grand Jury Indicts On Four Cases

The Hall County Grand Jury met Tuesday in the Courthouse and returned four true bills in felony cases. John L. Johnson, a Negro male, was indicted by the Grand Jury on one count of forgery. Wednesday morning, Johnson pled guilty to the charge before District Judge Charles L. Reynolds and received a three-year probation sentence. Valentine Contreras was indicted by the Grand Jury on two counts of assault with intent to murder. Another felony indictment was passed down by the Grand Jury but the subject is not in custody of the Hall County Sheriff's office at this time.

Square Dance To Be Held Here Saturday Night

The Memphis Eight will hold a square dance Saturday night, Sept. 11, in the Community Building beginning at 8 p. m., it was announced this week. The Dugan Dandies will furnish live music and Milton Beasley will do the calling. All those interested in square dancing are cordially invited to attend.

Airplanes, Parade, Picnic, Melodrama, Contest, Displays Are Among Plans

Plans are complete for the 75th anniversary celebration of Hall County, Tomie Potts, president of the Hall County Picnic Assn., has announced. Many former residents are expected to be in Memphis September 18 and 19 for the observance. A full program has been planned for the occasion. A colorful parade will be staged downtown Saturday afternoon at 2:30 o'clock. That night a historical melodrama, "The Sagebrush Saga," is being presented in the amphitheater at City Park. A highlight of Sunday will be the annual picnic and barbeque at City Park. Transportation will be furnished from the square to the Park all day Sunday. Buses will run every 30 minutes. A delicious barbeque meal will be served at the noon hour Sunday. Beef has been furnished for the meal by county residents. All local residents are requested to bring desserts which will be served with the free barbeque, beans, pickles, onions, fruit, and bread. Cakes, pie and cookies have been suggested as desserts the easiest to serve. Many interesting window displays will be set up downtown by local clubs. Pioneer pictures, antiques and other items of interest will be among the things on display in store windows around the square.

City Council Meets Tuesday

The Memphis City Council met Tuesday night in regular session and handled mostly routine business. Mayor H. J. Howell was notified last Friday that the Public Health Service was awarded \$27,600 federal construction grant to the City of Memphis for sewage treatment plant. The date for advertising for bids on the \$95,600 project to build a new sewage disposal plant and other improvements has not been set as yet, it was announced. The Council accepted the low bid from Continental Oil Co. for diesel at .1125 per gallon and gasoline at .1224 per gallon, plus federal tax. The Mayor instructed the street committee to check with City Foreman Bill Kilpatrick on the progress made on the city's part of the clean-up project.

The meeting will be called to order at 9:30 by the president of the association, W. B. Saunders of Dumas, who will call on Chaplain T. T. Posey to give the invocation. Memphis Mayor H. J. EDITORIAL

Big Doings Are Coming!

Anyone complaining there is nothing to do in Memphis the next 10 days is certainly behind in their figuring because big doings are just around the corner for our citizens.

Events are piling up which look like one of the most active times Hall County citizens have ever lived through.

Have you stopped to think how things are going to be hopping around here the next two weekends? If not the following will certainly be an eye opener for our citizens.

To begin with, this week is clean-up week in Memphis and anywhere else that our citizens feel the urge moves them to clean up unsightly weeds, trash, etc.

Friday night, Memphis, Estelline and Turkey have football games and all of them are out of the county except Estelline opens its season with Harrold at Estelline. By the way, the Estelline school has changed its team name from Bear Cubs to Bears we were notified this week.

Saturday, Sept. 11, the Memphis Volunteer Fire Department will be host to over 300 Panhandle firemen at the 63rd Semi-Annual Convention. We want to welcome the visiting firemen and wish them luck in the pumper race and water polo. They've got a full day of meetings, speakers, and entertainment, climaxed by a barbecue and evening entertainment of square dancing and a dance at the Memphis Country Club.

Sunday, Sept. 12, the First Baptist Church is beginning its four-day celebration of the 75th Anniversary of the founding of the church. They are expecting many former members to return.

Then, next weekend, the long awaited 75th Anniversary Celebration of Hall County will come to pass. The schedule of the affair is growing day by day.

It was announced this week that a special fly-in breakfast at the Memphis Airport will be held beginning at 7:30 a. m. Saturday, Sept. 18. Dan True of KFDD-TV of Amarillo is expected in his 1927 Model Fairchild 71 nine-passenger plane along with many other planes and pilots, Eddie Foxhall said.

Also Saturday, Sept. 18, the beard growing contest judging, a parade at 2:30 p. m., and the presentation of "Sagebrush Sage", will be held. The saga will be given at the City Park amphitheater Saturday night.

Then Sunday, Sept. 19, the churches will have homecoming services that morning, followed by the free barbecue and picnic at the City Park.

Indian dancers, presentation of queens, barbecue, bands, parades, contests, airplanes, window displays, branding iron party and wiener roast, early registration for the 75th Anniversary and all these other things make for a wild two weeks.

But this newspaper has only one plea, and this is the purpose of this editorial. It will be a physical impossibility for all the automobiles to park in the City Park during the celebration Sunday. Arrangements have been made for bus transportation to and from the City Square to the Park every 30 minutes that day, and citizens are urged to park their automobiles on the square or on some of the streets and ride the bus to the park.

The spotlight will be on us the next two weeks, and it will be a real enjoyable 10 days if we will just enter into the spirit of the occasion and do our part.

Texas Needs Connally One More Term!

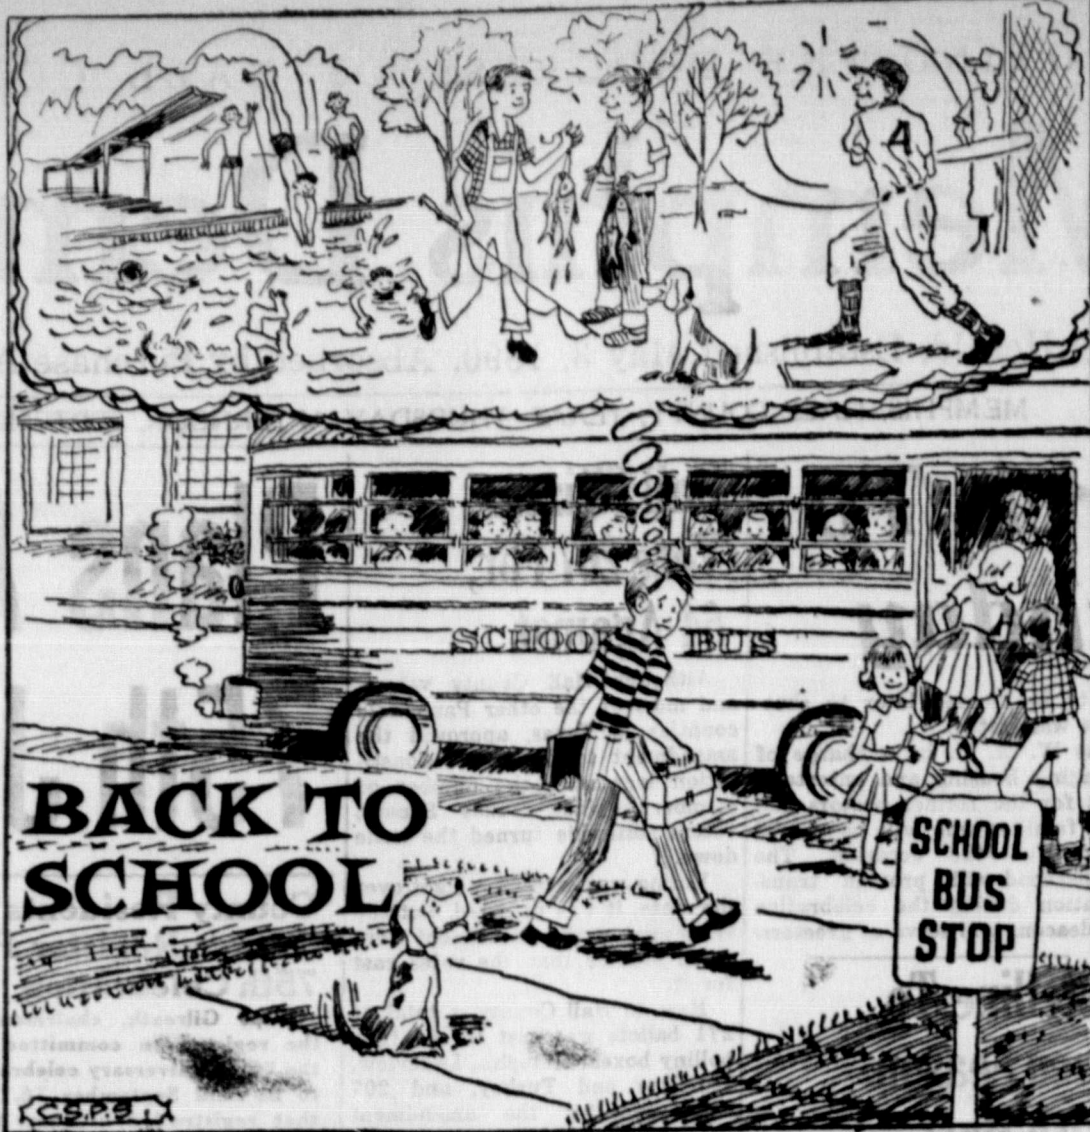

Due to the record he has made along with members of the Legislature, during his tenure of office as governor, we think Gov. Connally should run for another term. Other programs have been initiated by Connally which promise additional progress for this state.

In 1962, he promised, if elected, that emphasis would be placed upon giving a better education to the young people of Texas—from the first grade through universities. He advocated a program aimed at encouraging additional industries to come to this state, and an expansion of those which are located here. The record shows that much-needed reorganization has come about for the different commissions.

Those persons lose to the governor know that he is making a personal sacrifice if he consents to run again. He is a moderately wealthy man, and the time spent working for state affairs could be applied to his own. Also recognized is the fact that there is, of necessity, some neglect to his family.

Much has been read in the press in recent weeks about this. Three courses are open, and he has spelled them out: run for re-election, seek the democratic nomination against John Tower, the republican senator from Texas, or retire from public office.

We predict his decision will be to announce for re-election, and that it will be made in Amarillo Sept. 18, if he decides to retire, the biggest scramble which this state has ever witnessed will occur as dozens will be seeking many state-wide offices.

ACROSS THE DESK

What Other Editors Say

There Is A Good Side, Too.

Enemies of government by law, and we could mention the names of some familiar columnists if we were looking for examples, delight in pointing out inconsistencies in and abuses of our various laws.

Two well-known examples are the man who allegedly drove down to pick up his welfare check in a Cadillac, and the woman in Chicago who deliberately fathered illegitimate children so as to collect a check for their upkeep.

Critics of the Peace Corps or the Job Corps like to point to misfits, to the boys in South Texas who are charged with murder.

The ignorant, the non-thinkers, the people who never seek the truth, only ammunition to support their views, glow with delight when they read of these abuses.

The fact is, wherever we find a law, we find abuses. There isn't a law on the books that hasn't been abused. No law can be devised to cover exactly every situation with justice . . . yet that is no excuse to abolish the institution of law. Without it we have anarchy.

We never read about the results of good legislation. We never read of those dear souls who were saved from even greater suffering during the 1930's by a small WPA check. We only hear about the laggard resting on his hoe. We never read about the good things accomplished by PWA during the same era. We never read what TVA has meant to the area it serves. We never read of the accomplishments of foreign aid. We never hear of those persons who are spending their last years with self respect because they are receiving a Social Security check every month. We never hear of old people who can't afford the premiums they would have to pay for private insurance adequate enough to meet the needs of old age. We never hear of the successes of the United Nations—only its failures.

We never read of the millions of honest government employees . . . we only hear of the rotten apple that turns up every now and then.

If we're looking for hypocrites a good place to look would be in the church. How many church members never darken a church

door, never contribute a cent to the cause of the church.

Yet, who has ever suggested abolition of the church because of its failures?

If the left hand column on the front page of the Amarillo paper has a theme, it is to convince American people that laws are evil and we need to become anarchists. That, according to the Amarillo paper, is "freedom," "free enterprise," and "individual initiative."

We must all admit that we have no perfect institutions on this earth. We haven't a law that hasn't been abused. We haven't a public office that hasn't had its share of embezzlers.

Each Christmas or Thanksgiving, even the reactionaries and welfare-haters sometime loosen up enough to provide a turkey dinner for a poor family. Yet, we wonder how many unworthy mouths have been fed. But this is no excuse to withdraw all charity.

Wonder what would happen to America if for just a week, we all talked about what is good about social security, about TVA, about REA, about helping the poor, about programs for the aged, about a police department, about a farm program, about the school's method of teaching reading, about the church, about a \$50 a week minimum wage, about workers compensation, about efforts of Uncle Sam to safeguard our health, our individual rights granted us by the U. S. Constitution.

First Baptist Church Now Has Membership Of More Than 1,000

MRS. D. L. C. KINARD, First Baptist Church of Texas, had its humble beginning in a blacksmith shop at 7th and Cleveland streets in March 1890, when about-hearted faithful followers gathered for its organization.

When this new building was completed the different church organizations of the community each used it for one Sunday a month. After a few years, the Methodist and the Presbyterian Churches each erected their own buildings.

Rev. Brice served the church until 1894 and Rev. W. H. Younger was the second pastor, followed by the Rev. L. Tomme who stayed until 1899. The church called Rev. J. B. Cole who moved here with his family in 1899.

The church grew in numbers and prospered along with the community. Rev. Cole was succeeded by Rev. R. E. L. Farmer in 1904 and during his pastorate a pastor's home was built adjoining the church property.

In 1904 the church sent out four missionaries to Pintee,

China, Dr. and Mrs. J. M. Oxner and Mr. and Mrs. E. M. Huckaby. In 1904 Rev. S. R. Carruth came as pastor and served for three years.

Rev. W. L. Head followed him and the membership began to think of expansion and a new church building was proposed. At a very momentous service when the Congressman W. D. Upshaw from Georgia spoke, \$30,000 was pledged for the new church.

Rev. Head resigned in 1909 and it fell to the leadership of the next pastor Rev. R. B. Morgan to complete plans for the erection of the church and due to his enthusiasm the membership realized their hopes for a beautiful new sanctuary and S. S. Department which was located at Noel on 8th Street.

The following were members of the building committee: Chairman A. W. Read, H. J. Thorne, B. F. King, A. H. Wilborn, W. B. Scott, John Gist, R. R. Ellis, A. J. Kinard and T. R. Garrott.

The church was completed and they moved in Oct. 1910, and had a formal opening. Rev. Morgan continued his pastorate until 1915 and was succeeded by Rev. W. T. Rouse, a very able preacher and also a scholar and writer. He served two years and in 1917 Dr. David M. Gardner was called as pastor.

During his ministry, the church built a new parsonage and installed a beautiful pipe organ, which is still in use. He resigned in 1920 and Rev. Chas. T. Whaley came as pastor and remained for five years.

During this time, we had an assistant pastor for 6 months. W. W. Grafton and a huge tabernacle was built on the church property and for many years revivals were held there, where prominent evangelists came to preach.

Rev. E. T. Miller came as pastor in 1926 and continued his work until 1931. It was in 1827 that a recommendation was made for a S. S. Annex to be built and it was completed in 1929. Rev. O. K. Webb was the next pastor and he began his ministry in 1932 and stayed as pastor until 1936.

Rev. J. W. Mason followed Rev. Webb as pastor and during these years through his untiring efforts and guidance and the S. S. enrollment reached 600 in 1937 and an all time record of 997 church members in 1939.

Rev. S. F. Martin was the sixteenth pastor beginning his ministry in 1940 and continuing until 1943. Rev. Jeff Moore was pas-

tor from 1943 until 1946 and during these years 415 members came into membership of the church.

Rev. Clifton Tension came in 1946 and he stayed until 1949. During his ministry the church voted to give 25 per cent of its budget to missions and voted to help the colored people to build their own church.

During Rev. Roy Shahan's pastorate, the church started a mission east of the railroad and paid the salary of the mission pastor. Rev. Shahan left in 1953 and Rev. Fern Miller, the twentieth pastor, began his ministry April 8, 1953. He served the church twelve years, almost twice as long as any other minister.

During this time, the mission became a full-time, self-supporting church and 95 members of First Church were granted letters to constitute the Travis Baptist Church. Rev. Miller led the church in establishing a mission for Latin-Americans and securing a new pastor's home.

He was succeeded by Rev. Gene Jorgenson who is the present pastor.

In these 75 years under the capable leadership of these 21 pastors, the church has received 4,281 new members, 2,341 were baptized and 2,480 were received

Davis, H. J. Howell, Byron Baldwin and J. M. Ferrell.

The treasurers in the past 40 years were D. L. C. Kinard, who was treasurer for 29 years, Mrs. T. M. Harrison, Dwight L. Kinard and Mrs. Lucille Wright. The finances of a church are always reflected in the faith and loyalty of its membership and through the years the yearly budget has steadily increased and the salaries of the pastors have gone up from a few hundred dollars per year to several thousand which we now pay to the pastor and music and educational directors.

The membership of the church is now more than a thousand and the Sunday School has an enrollment of over 500 and has nine departments; the Baptist Training Union is also well organized. A nursery is provided for children during church services and is staffed with capable workers.

Other organizations included the WMU for women; the Brotherhood for men; Royal Ambassadors for boys; Girl's Auxiliary for girls, and Sunbeams for children. We have choirs: Sanctuary Choir, Youth Choir and choirs for all ages of boys and girls.

Every age, both men and women, boys and girls, is provided for in some phase of our church life. Whatever has been accomplished in the past though almost unbelievable, we give God the Glory and Praise His Holy Name.

"O God of our Fathers we praise and adore thee, For all Thy great mercies through years that are gone, Thy Guidance and Goodness through many generations

Bright Idea for back-to-school PROPER LIGHTING FOR STUDY

Correct lighting for reading and study doesn't just happen. It's planned. Back-to-school should be backed up by lighted study areas planned to protect the student's eyes. Vision specialists caution: "You have only one pair of eyes. Take care of them."

Ask a WTU representative to advise you about proper lighting for your family's needs. Then visit your local store where lighting equipment is sold and make your selections.

The Rev. Leland R. Dickhoff, pastor of St. Paul's Lutheran Church of Darrouzett, performed the ceremony before an altar arch of pom pom carnations featuring a single wedding candle in gold candelabra. Seven-branched candelabra and baskets of white gladioli completed the setting.

Mrs. Wines chose for her daughter's wedding a beige suit with beige accessories. Mrs. Miller wore a blue dress with matching accessories. Both wore gardenia corsages.

Crowell Tops Cyclone In Seasons Opener 38-8

By BILL COMBS
Memphis Cyclone fans showed their post-game feelings Friday night at Dutch's Restaurant in Quana when the local squad arrived for their after-game meal at the restaurant in spontaneous applause, despite the 38-8 trouncing by the Crowell Wildcats earlier in the evening.

Memphis fans arriving at the game after 7:30 Friday had to go across the field and sit in the Crowell stands for the visitors' stand was already filled to capacity.

The Cyclone went into the spotting their opponent about 25 lbs. per man in the line and backfield and lacking heavily in the experience department. Although Crowell was the heavier team, it did not lack in the speed department.

rounding out their 38 points. Although the Cyclone was downed heavily on the scoreboard, the squad battled to their only score late in the final stanza after the Crowell coach had made some adjustments in his defensive unit.

Memphis took over the ball on their own 17-yard line and marched down the field to score. The drive got underway when the Cyclone's 172-lb. wingback William McFall scampered 30 yards to the Memphis 47. On the next series, Gilbert Devorce blasted 19 yards up the middle to the Crowell 34.

In the next series, on a third down and 10 situation, a pass from QB Mike Nabers to HB Devorce netted 13 yards and another first down.

It looked like the drive would stop at this point when the Cyclone faced a third and 15 situation, but a pass play from QB Nabers to End Lorenzo Graves was good for 11 yards, and one the fourth down, HB Devorce fought his way to the Crowell one yard line, a gain of 15 yards.

On the next play, HB Kenneth Cornish carried over for the score on a halfback dive play. The two-point conversion was carried over by Sophomore QB Tony Pounds to the game clock.

The Cyclone's passing game during the night was spotty, with the record showing 10 incomple-

ed passes, one intercepted pass and completions for 34 yards. Crowell completed one pass on a two-point conversion and threw five incompleting passes.

Possibly one of the biggest factors in the ball game was in the fumbles department, with the Cyclone giving up the ball four times on fumbles to Crowell's two times.

In the second half, runs by RB Devorce and WB McFalls figured heavily in the Cyclone picking up eight first downs and 114 yds. rushing. Devorce carried the ball 9 times during the game picking up 54 yards for a 6-yard per carry average. McFall carried 4 times for 40 yards for a 10-yard average per carry. Cornish's TD carry for one yard was his only call during the night's play. Mike Nabers carried five times for 13 yards, Tony Pounds carried three times for four yards and Fred Durham, who carried twice for three yards, had to leave the game due to injuries. In the fourth period of play.

Junior tackle Bobby Carroll had a good night punting the football, averaging 40 yards per kick in four attempts. His longest effort was a 63-yard boot in the first half. Coach Charley Chambliss said the Cyclone's punting game was their best offensive weapon of the night.

Defensively, the Memphis coach was pleased with the team's effort. "We gave up the ball five times on fumbles and the interception which kept us on defense too much, but I feel our boys played good defense against Crowell."

The coach cited Mike Nabers, Willie Devorce, Jessie Murdock, Loranzo Graves and Jerry Moss for their defensive efforts. "We made some mistakes, but a green ball club is expected to make mistakes. Our mistakes cost us heavily on the scoreboard," the coach said.

About the Cyclone's faltering offensive effort, the coach said for the most part he was pleased with both quarterbacks Mike Nabers and Tony Pounds. "I thought both boys did good jobs considering this was their first varsity experience as quarterbacks."

Crowell, one of the top Class A teams in the state, proved themselves by playing tough, aggressive offense and defense.

Offensively, the Crowell QB Dan Mike Bird, a 180-lb. senior, spent the night handing the ball off to able runners Randy Adkins, Mike Payne and Lee Looney, who ground out 296 yards, 15 first downs, and racked up four TDs and three two-point conversions. Bird passed for a two-point conversion to end George Myers and Myers also intercepted a Cyclone pass late in the first half to score Crowell's other TD.

Junior tackle Bobby Carroll had a good night punting the football, averaging 40 yards per kick in four attempts. His longest effort was a 63-yard boot in the first half. Coach Charley Chambliss said the Cyclone's punting game was their best offensive weapon of the night.

Melodrama Included in Co. Celebration

By VIRGINIA BROWDER
A part of the Hall County celebration September 18, a dramatic production is scheduled for entertainment Saturday evening.

The early-day street scene, complete with wooden-fronted stores, will be the setting for "Sagebrush," a melodrama of pioneer life in the Texas Panhandle to be presented Saturday evening, Sept. 18, in the Memphis City amphitheatre.

By BILL LOCKHART
There is an old bromide to the effect that "an apple a day keeps the doctor away." This saying was put to a test by Michigan State University and was found that 1,300 apple-eating students actually made fewer sick calls than other students. Respiratory and tension-related ailments were significantly fewer.

Very likely the vitamin content of the apples accounted for a lesser number of normal illnesses, and some as yet unknown, tranquilizing substance caused everyday tension.

When your medical needs require something more definite than what an apple can provide, call on us. Prescriptions are a specialty at PARSONS-LOCKHART PHARMACY, 115 South 10th Street, Phone 259-3541. Comanche Dist. Has New District Scout Executive

R. W. Curry, president of the Adobe Walls Council, and John A. Brewer, Scout Executive, announce the selection of a District Executive, David Agnew, who has been employed to serve the Comanche District. Lewis R. "Tex" McCoy, who has been serving that district, resigned to accept a similar position in the Sam Houston Area Council, Houston, Texas. Tex, as everybody knows him, has been with this Council for the past three and a half years. Our best wishes go with him as he departs to accept this new assignment.

Mr. Agnew comes to the Adobe Walls Council from the Rio Grande Council with headquarters at Harlingen, Texas, where he served as a District Executive. He served as Field Executive at Elkhart, Indiana, from October, 1944, until June, 1947. He served as Field Executive at Appleton, Wisconsin, from June, 1947, to March, 1951.

He became District Executive of the Pioneer District in the Adobe Walls Council in March of 1951, serving through December, 1955, at which time he was invited to become the Scout Executive at Wausau, Wisconsin. In December, 1957, he resigned this position to go into business. In November of 1962, he returned to professional Scouting as District Executive at Oshkosh, Wisconsin, where he served until April of 1964 when he assumed the position of District Executive at Harlingen.

Dave is married, and he and his wife, Christine, have two sons and a daughter: Stephen, 24; Christopher, 19; and Elizabeth, 11. Mr. Agnew assumed his responsibilities as District Executive of the Comanche District on Sept. 1, 1965, and will live in Shamrock, Texas. His family will join him as soon as suitable housing can be located.

Mr. and Mrs. C. H. Williams and Steve of Pampa visited here Labor Day with Mrs. Lois Lemon and Roselyn Williams.

Mr. and Mrs. A. J. Welch and daughters, Susan, Carolyn and Diane, left last week for their home in Austin after visiting here with Mrs. Welch's parents, Mr. and Mrs. Herschel Combs, and brother, Bill Combs and family.

Mary Ann will attend school in Germany this year and before returning home will tour the European countries with her sister and family.

The trip came as a surprise to Mary Ann as Lt. and Mrs. Pelfrey had not hinted that they wanted her to accompany them to Germany until their visit here last week when they discussed the trip first with her parents.

The Pelfreys and Mary Ann went from Memphis to Dover, Del., where they will visit a sister and husband, Lt. and Mrs. James True, Jr.

Melodrama Included In Co. Celebration

By VIRGINIA BROWDER
As a part of the Hall County celebration September 18 and 19, a dramatic production is planned for entertainment Saturday evening.

An early-day street scene, complete with wooden-fronted stores, will be the setting for "Sagebrush," a melodrama of pioneer life in the Texas Panhandle to be presented Saturday evening, Sept. 18, in the Memphis City amphitheatre.

A spicily blending of Hall County history and the excitement of bank robbery, "a shoot-out," and a lynching party will keep

the audience on the edge of the seats from the beginning to the end of this rip-roaring bit of pageantry simulating early-day happenings on the frontier.

The rhyming narration of "Sagebrush Saga" will be ably delivered by John Binkley as the players, in colorful costumes of the era, move through the pantomime of the story. Until law and order came to Frontiersville in the shape of a six-foot sheriff (Troy Davis), the "bad men" had their way.

Since music is essential to a good production, Letha Springer of Hedley, as the "saloon sourette", aided and abetted by the bartender Ronny Leach, the barber (Roger Hargrove), a dance-hall girl (Elmonette Branigan), the banker (Carl Yancey), the gambler (Johnny Harrell), Dead-eye Dora (Patsy Morris), with Zip Durrett of Lakeview on guitar, will regale their listeners with such old favorites as "Red Wing", "Down In The Valley", "Bird In A Gilded Cage", and "Beautiful Doll". The Hall County Singers will do the hymn singing.

The main show will begin at 8 p. m., but there will be thirty minutes of breakdown fiddle music furnished by J. B. Yates of Hedley with Jack Pritchard and Day David of Clarendon from 7 to 7:30 p. m., and thirty minutes of popular music by Jeral Rapp and Ted Bruce of Estelline from 7:30 to 8. These musical sessions will make the waiting for the main event a little more endurable.

Admission will be \$1 for adults and 50c for students. The Business and Professional Women's Club will have charge of ticket sales. Tickets will go on sale Monday, Sept. 13. Get your ticket and don't dare miss this colorful extravaganza of square dancing, hymn singing, music and mayhem.

"Tex" McCoy, who has been serving that district, resigned to accept a similar position in the Sam Houston Area Council, Houston, Texas, Tex, as everybody knows him, has been with this Council for the past three and a half years. Our best wishes go with him as he departs to accept this new assignment.

By BILL LOCKHART
There is an old bromide to the effect that "an apple a day keeps the doctor away". This old saying was put to a test by Michigan State University and was found that 1,300 apple-eating students actually made fewer sick calls than other students. Respiratory and tension-induced ailments were significantly fewer.

Very likely the vitamin content of the apples accounted for the lesser number of normal illnesses, and some as yet unknown, tranquilizing substance eased everyday tension.

Report From Washington

By **WALTER ROGERS**
Representative, 18th
Congressional District

Congressional Adjournment

Section 132 of the Legislative Reorganization Act of 1946 provides as follows: "Except in time of a National emergency proclaimed by the President, the two Houses shall adjourn on or before the last day of July in each year, unless otherwise provided by the President." A state of war or National emergency has existed since August 1, 1949, Speaker Rayburn ruled that the First Session of the 81st Congress should legally continue after the last day of July because the National emergency declared by the President on September 8, 1939, May 27, 1941, was still in effect. Since that time Congress has stayed in Session legally after the last day of July after the present year, including the present year. If the declaration of National emergency were terminated by the President we would not be in Session legally at the present time. Although there is a state of war in Viet Nam, it is an undeclared war and would not meet the requirements of the Constitution. However, the National emergency declared by the President in past years has not been retracted. Hence it is this latter situation that creates legality in the continued Session of Congress this year.

The Members would like very much to terminate the Session by August each year. However, there is always something to prevent it. It is virtually impossible for any of the members to have vacations with their families or to be in their districts for any length of time during the summer months. The summer wears on and fall comes a high degree of tension which is commonly called "adjournment fever." This tension is the result of long and extensive hours in committee meetings and long Session of the Congress with attention divided among a great number of bills of major import.

All the Members are desirous of a speedy passage of their own particular bills affecting their districts. Add these to the many bills arising national and international significance and you have an almost impossible situation. It is during these latter days of the Session that many ill-advised pieces of legislation have been able to slip through.

The present situation seems to be this. For some time it was suggested that we might be able to

adjourn by Labor Day. The next predictions were for some time around September 15. However, the bill which repeals Section 14 (b) of the Taft-Hartley Act passed the House of Representatives and was sent to the Senate. It seemed to run into trouble there and probably will not be acted on this Session. This would help early adjournment except that the House of Representatives Committee on Education and Labor approved a new minimum wage bill increasing the minimum wage and expanding coverage; a highly controversial measure that may require much parliamentary maneuvering to get it before the Congress. It could probably not be heard before September 27. This brought about new predictions of October 1 adjournment which have since been changed to October 15.

In the meantime another situation has developed with regard to the District of Columbia House of Representatives Bill. This is a bill that should never pass either House of Congress, but much pressure is being brought to bear to obtain signatures of 218 Members on a discharge petition that will bring the matter directly before the Congress. The tremendous pressure that has been brought to bear on Members with regard to this bill may produce the needed signatures. The indications are that the bill will be brought to the Floor by one means or another, due to this tremendous pressure to which the Members have been subjected. If this is done adjournment may be postponed until November or December.

Woman's Forum To Receive Money From Melodrama

The Woman's Forum of Memphis is sponsoring several projects during the Hall County Picnic in an effort to pay off the indebtedness incurred when the community building was built, it was announced this week.

Proceeds from the melodrama, "The Sagebrush Saga," will go to the Woman's Forum. Tickets are \$1.00 for adults and 50 cents for students. The historical play will be presented on Saturday night, Sept. 18, at the Amphitheater in the City Park. The play is being directed by Virginia Browder.

Members of the Forum are also selling bonnets for the 75th Anniversary of Hall County and anniversary coins. A few cookbooks are also available and may be purchased from the Forum president, Mrs. Carl Yancey, or at the Democrat office. Bonnets are on sale at several places about town, including West Texas Utilities Company.

Helen Boswell, treasurer of the Woman's Forum, said Wednesday that the organization owes \$825.00 on the note. A balance of \$217.14 is on hand. The cookbooks have been paid for, but to date the money from the sales have not been deposited. Sale from the cookbooks, plus the money on hand, should bring the amount owed to less than \$500.00, she stated.

Mrs. A. McDonald, State PTA Officer, To Speak Here

Mrs. Angus McDonald, vice-president of the Texas Congress of Parents and Teachers, will conduct a Leadership Training Course in Memphis on September 14, Mrs. Carl Yancey, president of the Travis PTA Unit, announced this week.

Mrs. McDonald will speak to a joint meeting of the Austin-Travis Parent-Teacher Association at 7 p. m. in the Travis Elementary School Cafeteria. Officers of both local units are urged to be present and all other members are invited to be present. The meeting is also open to anyone who would like to attend, Mrs. Yancey stated.

Plans Are—

(Continued from Page 1) their cars on the city square or near it and catch one of the two school buses making runs to the City Park Sunday for the picnic and celebration.

"It is an impossibility to park all the cars in the City Park, so we have arranged ample bus transportation from the city square to the park," Sheriff Neel said.

Chief of Police Tucker will be in charge of the Park area in seeing that roads are kept open for special and emergency vehicles. Tucker stated the interior portion of the park will be roped off so no vehicles can enter the area of the picnic.

Also, Sheriff Neel explained that three automobiles will be available Sunday morning to transport people unable to find transportation to the park and those elderly persons needing help to go to the picnic. This transportation will be by telephone arrangement Sunday morning by calling 259-2151, the Sheriff's office in the Courthouse.

Also, these vehicles will be available Sunday afternoon to bring those needing transportation back home. Law Enforcement Officers said that if one huge traffic jam is to be avoided, citizens will have to cooperate with the parking and transportation plans. They warned that the roads will be kept open at all times. Also, for those physically unable to walk very far, special consideration will be made for their vehicle to enter the picnic area, but these vehicles will have to leave and park elsewhere.
