When Rubinoﬀ appears in Memphis Monday night at the new High School Auditorium in a program of popular concert music, he will play on one of the most precious instruments in the world, the famed Romanoff-Stradivarius violin insured for \$100,000.00.

The concert is being brought to Memphis by the Memphis Lions Club, Dick Fowler, president, has announced. The program will begin at 8:15 p. m. and is open to the public.

Tickets are now on sale and can be purchased from Lions Club members. Adult tickets are \$2.00, and student tickets \$1.00 each.

Rubinoﬀ and his violin, a long favorite American combination, is well-known to millions both from his current concert appearances, nationwide radio broadcasts with Eddie Cantor, television guestings, and his motion picture engagements.

A graduate of the Royal Conservatory in Warsaw, Poland, Rubinoﬀ knew as a child the martial feeling inspired by the immortal Polonaise. He will perform as violin solos the full scores of Chopin's Polonaise, the Warsaw Concerto, and Rhapsody in Blue.

A day with Rubinoﬀ is a whirlwind of activity, Fowler reported. He is up at 4 and 5 a. m. and as a rule travels one or two hundred miles before breakfast.

Weekends are usually spent in cross country train and airplane flights. In the schedule, he might visit four or five churches on Sunday morning.

An ironclad rule with Rubinoﬀ is to be at the auditorium an hour before the audience assembles for practicing on his beloved Stradivarius. The maestro is often questioned as to why he has to practice after having played the violin for 50 years.

His serious reply is that with all the many appearances he makes, that still does not allow him time to polish and perfect individual notes and passages. Difficult exercises also keep his fingers flying at the effortless speed maintained for hours at a time.

Si Steinauser, radio editor of The Pittsburg Press, said, "All through these years on the road of stardom, I have known Rubinoﬀ and have marvelled at his versatility. He can do any clowning trick that can be done with a violin. He can make a violin talk. In another mood, he can play the most tender ballad, written by his

Important Elections Coming!

This coming Saturday, April 1, and next Tuesday, April 4, are important elections days in 1967, as these are the dates of the school trustee elections and city representative elections in Hall County.

The men who have placed their names on the ballots in these elections are to be commended for their interest in local government and their willingness to serve their communities and their schools by devoting, free of charge, their time, knowledge and experience to see that the affairs of the local governing agencies are handled properly.

Men who serve on the school boards, or on the city councils feel a sense of duty and responsibility and have sometimes expressed a feeling of "being under the gun" when confronted by other citizens or neighbors who have a complaint.

We feel that many times our citizens do not appreciate the work and sacrifices of the men who serve, without pay, to see that the public affairs of our schools, cities, water districts, hospitals, etc., are seen after in the proper way. The protection of public as well as private interests is a difficult task and a burden few men enjoy shouldering, which is one reason that it is difficult to find men to volunteer their service to serve on these governmental bodies.

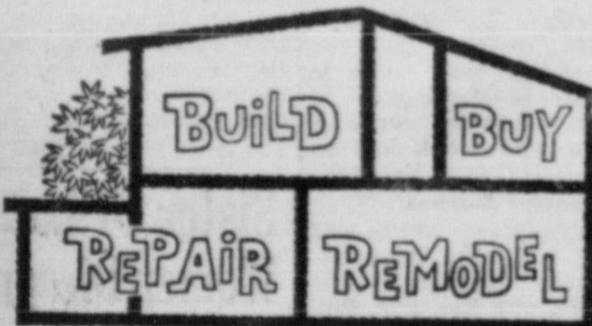

And let us not forget the vast importance of the work done by these men, year after year, in controlling the public affairs. Every time a problem arises, it falls on the shoulders of the governing body for a decision. Whatever the decision is, people's lives are affected one way or another.

Our citizens have a responsibility to these men also. One major responsibility is to go to the polls and vote for them, if they are a satisfactory choice to serve in the position. It is a disappointment to them and to the governing body when only a handful of people show up to vote. Many are quick to say, "well there was not a contest, no excitement, so why should bother to vote?" A vote of confidence, a pat on the back, a little encouragement, a thank you for serving, might make an excellent councilman out of a good councilman.

We cannot expect our elected representatives to come up with good ideas and projects which will benefit our area without some help, advice, and encouragement from interested citizens.

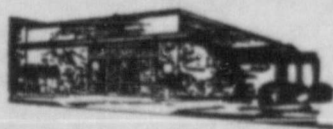

Let's give our friends and neighbors who are running a vote of confidence in these elections. In the elections where there are no contests, it is even more important that you vote. Voting is a privilege and an honor, as well as a basic right under a democracy.

What Other Editors Say

"Trade At Home"

Few "Trade At Home" editorials have ever appeared in this newspaper. Several times recently we have merely stated the case of the smalltown merchant . . . and we intend to leave it at that.

The problem, faced by every small town, is a two-way street. The local citizen has an obligation to the local merchant and the local merchant has an obligation to the citizen. But the fact is, no local merchant has a right to criticize business for going out of town unless he has done everything within his ability to compete with the city merchant. People are not governed by a sense of loyalty or obligation.

There are several reasons why a customer selects a particular store in which to shop. Price is one consideration. Merchandise must be clean and fresh looking. The store must be well lighted and attractive. Clerks must be friendly and helpful. And merchandise must be promoted.

Customers throng around those stores that make a lot of noise. That's one reason Tulia grocers don't have the problem of losing trade to out of town food stores. Time was that this was a problem.

Once Tulia had a number of small grocery stores, not particularly attractive, and the prices weren't especially competitive. These stores were weak on promotion. And there were scores of Tulians who could be seen grocery shopping in Amarillo and even Canyon.

But this day has passed. Tulia food stores have solved their problem of losing trade. Instead, they bring out of town trade into Tulia.

Heard & Jones has held its own against out of town competition. It has an attractive store, competitive prices . . . and it promoted.

But the Tulia business community as a whole is not noted for its promotion. Dollar Day has become a joke . . . because too few stores participate. Throngs of Swisher county folk can be seen in Amarillo on Thursday nights when the stores stay open late.

We're not suggesting that Tulia stores should do this . . . not after the reaction when the chamber of commerce tried to encourage stores to stay open one night each week during the three or four weeks preceding Christmas.

We're living in a day when every product, every company, every city that is growing is PROMOTING. Those that aren't are dying.

How long has it been since Tulia merchants as a group really decided in earnest to GO AFTER BUSINESS?

Once nematodes get at your cotton, yields go down and so do profits. But with FUMAZONE 86 soil fumigant applied at only 1 to 2 gallons overall an acre, you can take care of root-knot, sting, meadow and other nematodes—those microscopic, worm-like soil pests that attack plant roots, suck away profits. FUMAZONE 86 soil fumigant increases yields up to 1/2 bale an acre. Many High Plains farmers just like yourself tell us that's exactly what happened to their yields after their soils were treated with FUMAZONE 86. It can be applied right from the drum. No

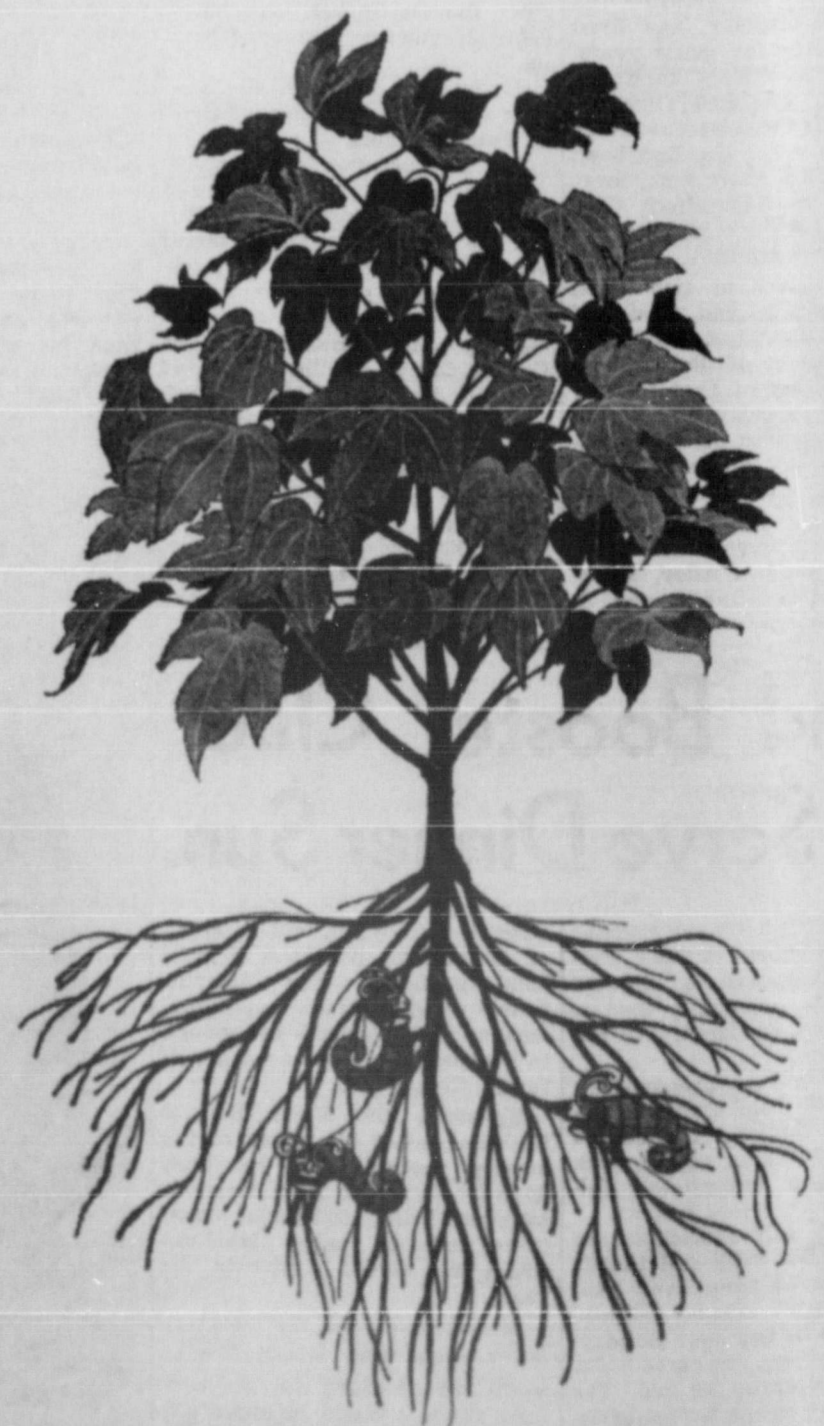

mixing, no diluting, no nozzles clogged with foreign material. You can use the chisel method, the plowsole method or inject FUMAZONE 86 into your irrigation water. Could you ask for greater flexibility? Sure you could. So here it is. Apply FUMAZONE 86 before planting, at planting or after planting. It's the only type of soil fumigant that can be used on living plants. Ask your Dow farm chemicals supplier about it. FREEDOM

"Live as free men, yet without using your freedom as a pretext for evil; but live as servants of God."
1—Peter 2:16

We talk a lot about freedom, most of us. How our country was born so men could live in freedom. How we are born as free individuals, with the right to choose our destiny in life.

And, at the same time, we tend to forget the responsibilities we inherit along with our "freedom." We forget that freedom is not a purely personal thing. We are not free to do those things which infringe upon the rights and the wellbeing of our fellow citizens.

We cannot justify any and all actions by saying, "After all, it's a free country." When we do this, we use freedom as an excuse, as a pretext.

Do not preach freedom — unless you serve the cause of freedom.

Mrs. Clyde Smith Is Hostess To Delphian Club

Mrs. Clyde Smith entertained members of the Delphian Club on Tuesday, March 21. Mrs. Roddy Bice assisted with hostess duties.

During the business meeting, presided over by Mrs. Sim Reeves, president, plans were made for a tea to be held April 4 at the Community Center. All members of the Federated Clubs of Memphis are invited to attend, it was announced. The guest speaker will be Mrs. Roy Grundy, president of the Santa Rosa District, according to the program.

Mrs. Mildred Stephens introduced the program, "Education." Mrs. Joe Bob Browning gave the meditation, "Where Does Education Begin?"

"Education does not commence with the alphabet; it begins with a mother's look, with a father's nod of approval, with pleasant walks in shady lanes, and with thoughts directed to nature, to beauty, to acts of benevolence, to deeds of virtue, and to the source of all good—to God Himself," she said.

Mrs. C. D. Morris gave a most interesting talk on "The Quality of Public Schools." She stated that there are six groups of people involved in determining the quality of every local school system: the board of education, the parents, the children, the superintendent; the principal and the teachers.

"Each school should have a strong organization of parents. A teacher must love and respect children," she said. "Must have high ideals of service to children, and to the community. They must be able to work effectively with children. The teacher should be dedicated and interested so that he (or she) may develop every ability and talent. It should be every teacher's desire to see a child graduate from school prepared to take his or her part as a devoted member of society," the speaker stated.

She concluded by saying that children learn from each other. They should be taught self-reliance, respect for others, group cooperation and the ability to communicate.

Delicious refreshments were served to the following: Mmes. W. C. Luckey, J. L. Barnes, J. S. McMurry, Sim Reeves, Gaylen Ariola, Neal Hindman, C. D. Morris, O. R. Goodall, Henry Hays, R. H. Wherry, Joe Bob Browning, Mildred Stephens, Jack B.

The children met at the home and then went to hunt eggs on the lawn of Postex Plant. After the hunt, they returned to the Gable home where Mr. Gable read the story of Peter Rabbit to the children.

They then enjoyed pink bunny cake with cool-aid. Favors were large eggs filled with surprises.

Enjoying the party were Verneda Stone, Dawnya Gilreath, Bill Rogers, Z'Ann Ellerd, Quinton and Mabelle Floyd, Claudia Harrell, Mrs. Dwain Floyd, Mrs. Monte Rogers, Mrs. Gayle Gilreath, Mrs. Thurman Ellerd, Mrs. Clifton Neely and Rodney, Mrs. Melvin Blum and Mrs. Gable and Rhonda.

Boone, C. C. Hodges, one guest, Mrs. John Clark, and the hostesses, Mmes. Clyde Smith and Roddy Bice.

The first Rockefeller, John Peter, emigrated to America from Germany in 1723.

Study Club Meets In Home Of Mrs. Montgomery

1913 Study Club met Monday, March 15, at 3 p.m. in the home of Mrs. Joe Montgomery.

During the business session, Herschel Combs announced that the members were invited to the Delphian Club tea to be held at the Community building honorably Roy Grundy, Santa District president. She also announced the activities for the convention to be held in Falls April 6 and 7. Mrs. Combs was named as delegate from the club and Mrs. Ralph Combs was named an alternate. Mrs. L. G. DeBerry was named to serve on the committee to bring the film "The Restless Ones" to Memphis on March 28, 29 by the Ministerial

O. L. Helm, program chairman, introduced the program "The Federation." Mrs. L. G. DeBerry presented in a clever and interesting manner "The Federation." Each member was given a pamphlet shaped like a mirror so that she could look at herself as a study member and learn from the information in the pamphlet just comprises a "Well dressed

member" using the "Federation Pattern." She stated that some club members are like kittens, more contented when petted; some are like wheel barrows, not good unless pushed; we as club members should all be like good watches, pure gold, quietly busy and full of good works.

Mrs. Bob Hutcherson discussed parliamentary pointers in an informative manner. She presented those from a letter sent to all presidents of Santa Rosa District by Mrs. D. L. C. Kinard when she was their parliamentarian in 1962. Five important pointers are: "Justice to all; courtesy to all, one thing at a time; rule of majority and right of minority."

Mrs. T. M. Harrison gave a humorous talk on "Debunking Robert's Rules" written by Virginia Browder. It concerned grandma attending an old time quilting bee and her ideas of Robert's Rules that definitely did not apply to the club meeting of her day.

Wesleyan Guild Meets For Study Monday Night

The Wesleyan Service Guild of the First Methodist Church met Monday night, March 27, in the church annex.

The president, Mildred Gidden, called the meeting to order with the group singing "A Charge to Keep," followed by the prayer led by Brunetta Morris.

Miss Neville Wrenn gave a synopsis of the book, "Trials, Tragedies, and Triumphs," which was written by R. Earl Allen who is a minister in Fort Worth. This book is based on Jesus' seven words before the cross, seven words from the cross, and seven words after the cross.

Mrs. Gidden gave scripture readings at appropriate intervals. Miss Wrenn stated that Holy Week, the countdown to Calvary, was filled with conflict and controversy; from the role of a conqueror to that of a servant, from a wave of acclaim to a crucifixion with common criminals, Jesus was King of Glory all the way. The Garden of Gethsemane was known as "the point of no return;" that God laid claim on all men the day of the crucifixion; His task of redeeming mankind had been completed when Jesus said on the cross, "It is finished."

"The fact of Easter is much too big to confine to a single Sunday. It is a tremendous truth

that each Lord's day is an anniversary of the 'strangest story ever told.' All the exciting wonder of Easter is to be lived every day, so that God stays real to us," she said.

Miss Wrenn led the closing prayer.

Brunetta Morris and Sophia Stilwell, hostesses, served delicious refreshments to the following guests and members: Mmes. Loraine Tarver, Dorothy Morris, Bill Bennett, Ruby Compton, Lucile Burnett, Hester Bownds, Mildred Gidden, Lenora Greenhaw, Ruth Fowler, Mable Lavender, Mazine Phillips, Pauline Wynn, Viola Morris and Misses Neville Wrenn and Ophelia Haynes.

7 Cancer Crusade Launched In Hall County; Drive To Be April 18

The 1967 Crusade Against Cancer was launched in Hall County last week with a training course for volunteer workers on Monday at the Community Center, Mrs. Wyn Williams, chairman of the County Unit, has stated.

In addition to the urgent goals of the crusade, information about cancer in the household in the county, and raising funds needed to continue cancer control activities throughout the state, volunteers for the ASC will have a

new and important assignment this year, she said.

The cancer education survey will be conducted in Texas for the first time; an estimated 600,000 replicas will be collected from households in every section of the state.

The house-to-house drive in Hall County will be made on Apr. 18. After householders have been given the list of cancer's seven warning signals, they will be asked to fill out a brief, confidential form, asking questions about their own health practices. The completed forms can then be mailed back in the envelope provided and will be counted by volunteers in the district Cancer Society offices.

In connection with the drive here, Miss Williams stated that local churches have indicated they will join in the observance of Cancer Crusade Sunday, April 2, a state-wide project.

Texas churches have agreed to join the Crusade on an individual basis by using the specially-prepared church bulletin folders during their Sunday services. On the folders is a beautiful illustration of the Cross and the Society's Sword of Hope with the legend: A Christian Concern for Cancer . . . a concern to protect yourself and your family through a regular physical examination . . . a concern that all of mankind should be spared this disease, the ultimate goal of the Crusade Against Cancer."

In explaining the cancer education survey, Dr. Robert E. Clark of the Hall County Unit board of directors has explained that not only do many householders need to be reminded through this survey of the need for regular health examination, but the answers will also guide the Texas Division ASC in planning the most needed and successful educational programs possible.

In line with the American Cancer Society's vigorous campaign against smoking, volunteers are seeking to discover how many people in each community smoke, how many have stepped smoking in the last year, and what the ages are in each group.

A follow-up survey will be conducted during 1968 to complete progress made through the society's year-around programs of firm, pamphlets and speakers.

The cost of the survey, as it

Several Area Residents Go To NFU Meet

A number of area residents attended the 65th annual session of the National Farmers Union at the Sheraton-Oklahoma Hotel in Oklahoma City recently.

Among the 125 Farmers Union members from Texas attending were Mr. and Mrs. W. R. Breeding of Wellington; Mr. and Mrs. Dudley Phipps of Wellington; Mrs. Robison, Will Corgill, Bushy Hanna, Elmer Lacy, all of Arkley; Mr. and Mrs. E. G. Reed and Mrs. I. F. Reed of Quitman; Beryl Long, Mr. and Mrs. W. E. Scott, Jr., of Silver

More than 3,000 delegates and members of the National Farmers Union met in the convention hall which was dominated by a mammoth mural asking the question, "Who will control agriculture—corporations or family farms?"

The convention approved a 15-point statement outlining the viewpoint of National Farmers Union on agricultural, economic and social issues, and supplementing it with a shorter "Target Program" spelling out legislative priorities for 1967.

According to reports received from the "Target Program" demands for commodity price improvements this year, including wheat export certificates, increased feed grains, and program supports, authorization of dairy payments to producers and for the closing of dairy import loopholes, re-establishment of target price allotments, and payment of a cotton stamp program as a part of the Food Conservation Act.

The "Target Program" called for action to the deepening crisis in agriculture as a result of six consecutive months of decline in commodity prices and the persistence of inflation and damagingly high interest rates.

Convention delegates also expressed expressions of concern over the sagging of farm prices. Vice President Hubert Hummel, Senator Robert F. Kennedy and Secretary of Agriculture Orville L. Freeman, and a strong defense of the family farm system by NFU President T. Dechant.

Memphians Attend Annual Session Of Grand Lodge, Rebekah Assembly IOOF

The 127th Annual Session of the Grand Lodge and the 73rd Annual Session of the Rebekah Assembly, I. O. O. F., of Texas met in Amarillo March 18-21. Grand Master D. T. Baber of Desquite presided over the Grand Lodge sessions, and President Thelma Gage of Circle Back presided over the sessions of the Rebekah Assembly, it was announced here this week.

Members of Memphis Rebekah Lodge No. 346 who attended were: Zora Young, Estelle Barber, Florence Paschall, Marguerite Smith, Clo Rogers, Eula Moreland, Christene Hightower and Margaret Snowdon. Attending from Memphis I. O. O. F. Lodge No. 444 were Don Carmen, L. B. Snider and Charles Snowdon.

On Saturday afternoon, members of Memphis Rebekah Lodge attended a school of instruction which was taught by Myrtle Russell of Electra. She is secretary of the Rebekah Assembly of Texas and is also Warden of the International Association of Rebekah Assemblies, it was explained. Estelle Barber and Marguerite Smith attended a meeting of the Lone Star Commanders, which is an organization of past and present District Deputy Presidents.

On Sunday morning, prior to the church services, which were held in the City Auditorium, the Memphis and Wellington Rebekah Lodges presented a Joint Memorial Service in memory of members of all branches of Odd-fellowship in Texas who were deceased the past year. The Reader was Katie Isbell of Wellington, and the soloist was Carol Ann

Gardenhire of Lakeview, with Marguerite Smith of Memphis as accompanist. Clo Rogers, Christine Hightower, Eula Moreland, Zora Young, Florence Paschall, and Estelle Barber also had parts in the ceremony.

Sunday evening there was a beautiful service with Marguerite Gailey of San Angelo as Mistress of Ceremony for the seating of the officers. Clo Rogers of Memphis was seated as a Special District Deputy President.

One of the highlights of the Assembly was the breakfast Monday for the Fifty-Year Girls. This was for ladies who have been members of the Rebekah for 50 consecutive years. Florence Paschall of the Memphis Rebekah Lodge attended and was presented an orchid corsage.

The business sessions of the Assembly began Monday morning and was attended by Zora Young, representative from the Memphis Lodge, Estelle Barber, and Florence Paschall.

The installation of officers was held in the Amarillo High School auditorium Monday evening. In a very impressive ceremony, Ronald W. Hughes of Dallas was installed as Grand Master of the Grand Lodge. Nettie Morris of Waco was installed as president of the Rebekah Assembly. Marguerite Smith of Memphis was installed as District Deputy President of District 7, which includes the following Rebekah Lodges: Clarendon, Memphis, Estelle and Lakeview. She was also appointed to serve on the ambassador of goodwill committee for the coming year.

Elmer Lacy To Fly To Washington For NFU Cotton Fly-In Program

A chartered airplane, loaded with Texas cotton farmers, including Elmer Lacy of Turkey, will fly to Washington, D. C. on Tuesday, April 4, from Dallas. They will participate in the National Farmers Union Cotton Legislative Fly-in Program.

They will join farmers from Oklahoma, Arkansas and New Mexico for the two days of meetings with USDA cotton officials and members of Congress.

The "Cotton Fly-in" is one of several "Legislative Fly-ins" called for by the recent National Farmers Union convention to dramatize the urgency of improving farmers' economic position.

Texas Farmers Union President Jay Naman of Waco will lead the cotton delegation which will leave Dallas by chartered plane in the early afternoon on Tuesday, April 4, and return to Dallas on Thursday, April 6.

Regarding the purpose of the "Fly-in," Naman said, "We are asking farmers to take a couple of days off their farms to speak up on the problems facing Texas'

cotton growers where their words will directly reach those who are making the decisions that affect prices and costs."

Referring to the recently announced changes in premiums and discounts in the 1967 cotton price loan program issued by USDA, the state farm leader said:

"The announcement of changes in quality differentials on cotton is inconsistent with this Administration's frequent assurances that it seeks parity income for farmers, and was completely unjustified. It will cost Texas cotton farmers from \$5.00 to \$10.00 a bale on the 1967 crop, and might discourage rather than encourage the production of better quality fiber.

"The trip to Washington will give cotton farmers an opportunity to discuss this injustice along with other problems facing cotton growers with the people who can do something about them."

Lacy was selected by the Turkey Chapter of the Farmers Union group as the delegate to go to Washington Monday night.

The International Association of Rebekah Assemblies was represented by International President Florence Groat of Winnipeg, Manitoba, Canada, and Warden Myrtle Russell of Electra, Tex.

Cyclone Thinclads Capture Six Trophies At Two Track Meet

The Memphis Cyclone track and field squad captured six trophies at two track meets this past week, and in the process won both Class AA meet titles.

Coach Bert Glascock speaking for the coaching staff said, "we had anxious moments in both meets but our boys came through in fine style."

Competition was stiff at the Perryton meet Friday, but the Memphis lads came up with a total of 97 1/2 points to win the meet trophy.

The Perryton meet was run off in high winds which hurt most of the times and hampered the performance of the runners.

Perryton Meet
The Cyclone mile relay team of Roy Long, Roge Fowler, Junior Graves and William Welch took first place with a time of 3:34.1. The 440-yd. relay team of Roy Long, James Spruill, Junior Graves, and William Welch ran a 45.0 to win that event.

Roge Fowler took second place in the 880-yd. run with a time of 2:10.2.

Junior Graves won first in the 440-yd. dash with a time of 53.6 and Clyde Wilson won third in the event. Judge Smith took sixth place.

William Welch, aided by the high winds, blazed to a 22.3 time in the 220-yd. dash to win that event.

In the pole vault, Kay Miller took second place with a 11-foot effort.

Dwaine Jones took third in the broad jump with a 19-foot, 5-inch leap. Welch placed fourth at 19'1".

In the high jump, Graves won the event with a 5'8" clearance while Tony Pounds placed fifth.

Johnny Scott placed second in the shot put with a throw of 46'10 1/2".

Plainview Meet
The Cyclone track team won the meet trophy at Plainview with a total score of 47 points, which was figured on the college point system giving 5-3-2-1, instead of 10-8-6-4-2-1 as is awarded in high school meets.

The local lads were described as being tired at Plainview Saturday after the meet at Perryton where the winds were so high.

The team's 440-yd. relay quartet won that event with a time of 45.3.

Fowler took second in the 880 with a 2:04.6.

William Welch took third in the 440 with a 52.2.

Allen Booth placed fourth in the mile run with a time of 5:09. Paul Edwards placed sixth in this event.

The mile relay, composed of Long, Wilson, Graves and Welch turned in a time of 3:29.5 to win this event. This team has not been defeated this season.

In the field events, the two pole vaulters stole the show taking first and second places. Tony Pounds vaulted 12 feet and Kay Miller vaulted 11 feet. Miller received a shoulder injury and will be out of action for a while.

Welch took second in the broad jump with 19'5" and Jones took third with 19'3 1/2".

Scott took fifth in the shot

with a toss of 44'3". Graves and Pounds in the jump cleared the bar at 12 feet and Graves took third and Pounds took fourth.

Coach Glascock said Cyclone son has been working out in recovering his speed. "We Clyde and all the boys will be ready for the district meet."

Soil Conservation Districts' Support Is Highest Ever

"State and local interests contributed \$5 million in funds and services to soil and water conservation districts in Texas last year," according to a report released recently by H. N. Smith, Soil Conservation Service State Conservationist, Temple.

"Cities, counties, State government, special purpose districts, individuals, and private groups are supporting conservation districts more than ever before," Smith noted.

"This indicates public approval of the way conservation districts are fulfilling their vital and changing responsibilities. These include protecting water supplies; reducing pollution to streams, rivers and lakes by sediment; helping land use problems in rural and rural-urban fringe areas; reducing erosion of farmlands, non-farmlands, and roadsides; and improving recreational and wildlife opportunities."

Non-Federal contributions last year included \$2.6 million to speed up watershed work, \$3.5 million to help layout and install conservation measures, \$1 million for informational, educational, and other local activities, and \$53,000 for making soil surveys for urban uses.

"SCS resources are much more effective when financial and other help is given conservation districts by State and local sources," Smith said. "We, therefore, encourage conservation districts to use all resources available to help conserve and develop natural resources."

Smith said the fact that every state in the nation appropriated money last year for soil and water conservation districts reflects the widespread support they are getting from the public.

He stated Texas was second only to California in the amount of non-Federal conservation assistance.

For technical assistance in your conservation needs, contact one of your local Soil Conservation District Supervisors or Henry Gregory, Mickey Black, or Royce Frisbie at the Memphis Work Unit of the Soil Conservation Service.

Strange Light Chases Family, Airman Reports

Staff Sgt. Johnny Ferguson, who is visiting here with his mother, Mrs. H. W. Peters, along with his family, had an experience he described as a mysterious light which chased his car on a farm-to-market highway in the Loco area last weekend.

An Air Force investigating team, composed of Col. Hallmark and Lt. Nicholson of Altus Air Force Base, was in Wellington Monday, along with Sgt. and Mrs. Ferguson, seeking all available information on Sgt. Ferguson's report.

Sgt. Ferguson reported the sighting to Deputy Sheriff Geo. Hooten in Wellington, after seeing a strange "blue, neon type" light at about 5:30 a. m. on the farm-to-market road.

Sgt. Ferguson was coming to Memphis from Maine, as he travels to a new assignment at Vandenberg AFB, California.

"I was trying to find the Hollis to Memphis road when we be-

came lost in the Loco area, and we had stopped at an intersection to try and read our maps," Sgt. Ferguson said this morning.

One of the children saw the light which came upon the Ferguson car. The light stopped and Sgt. Ferguson said he thought it was from a one-lighted vehicle, but it grew to a large size, almost as big as the road.

"We decided to leave and the light followed us for about seven miles before it finally split into two separate lights and disappeared. I drove pretty fast to get away from it, but it stayed with us," he said.

"We saw no outline or shape of a vehicle of any kind, only the light, which wasn't bright enough to hurt the eyes, and we heard no sounds," Sgt. Ferguson said.

Ferguson said he couldn't speculate on what caused the light and was trying to keep an open mind about it.

Ferguson, with his wife and children, July 10, Howard 7, and Carol 9, went to Wellington and stopped at Cherokee Inn, and from there notified officers.
