The Hall County Commissioners Court, meeting in regular July session, approved the 1968 budget and set the tax rate.

The budget, as approved by the commissioners, totaled \$456,300. The commissioners set the same assessment and the same tax rate as last year, 25 per cent of value and \$.95 rate on \$100 valuation.

In another order passed by the Court, each of the four county precincts transferred \$4,000 each, a total amount of \$16,000, into the county's general fund. This money was taken out of the road and bridge funds of the precincts. Judge E. (Gip) McMurry said the court considered the financial

Clean Up Time In Memphis!

Mayor Pro Tem Jim Beeson last week proclaimed the week of July 17 through 22 as clean up Memphis week and it is up to our citizens to respond to the urged appeal and do something about our unsightly trash and litter which has accumulated over the last year.

It's time to give our city a general and complete cleaning up, and this special week has been set aside for this purpose.

The Chamber of Commerce, civic clubs and other organizations are joining together in asking the wholehearted support of all citizens in this project.

Whenever a project of this type is undertaken by our citizens, it places a major strain on the city dump ground facilities. However, this year, our city fathers have taken steps to handle this situation. A new dump ground has now been opened up with ample space and a new road to it.

The new dump ground, located just south on Highway 287 was opened on July 1 on land formerly owned by John Vallance and purchased by the City of Memphis for this purpose. A new road into the dumping area has been built and a sign erected at the entrance so the road is clearly marked.

The beautification committee of the Memphis Chamber of Commerce has done a lot of planning for the annual clean-up drive in Memphis. Members of this committee made arrangements with the Memphis City Council, have approached civic clubs, and are distributing circulars urging citizens to participate in the annual cleaning effort.

Crews will try and cover the entire city picking up trash and boxes stacked in the alleys. Citizens are asked to put all trash in containers so they can be easily loaded by city crews.

The cutting of weeds on vacant lots and in alleys, the cleaning up of trash and debris, and all the various and sundry things citizens can do to make ours the "city beautiful" and healthful, is highly appreciated.

The beautification committee reported that the July judging of the "home of the month" contest will be done the week following the annual clean-up campaign, so that every effort can be tabulated by the out-of-town judges.

This newspaper would add its encouragement to that of civic leaders in urging our citizens to participate in the annual Harry Truman and Ike Eisenhowclean-up. There is nothing that helps make good, lasting impressions on our visitors and our own citizens as a nice, clean, neat and tidy appearing town. It is just a mark of civic pride.

Property owners should feel it their duty and responsibility

Retirement Age

Retiring people just because they live to be 65 years old is like killing a race horse because he won a race.

Very few of us less than 65 years old are as experienced in our field as those who are past 65 and working in the arts, professions, industry or business.

All of use have already lost a lot simply because someone in an ill considered moment "selected" 65 as an age for ending rather than an age for commencement.

because five men lived and worked beyond the present unrealistic age of retirement - 65 - Herbert Hoover, Bernard Baruch, Albert Schweitzer, Douglas McArthur, Winston Churchill.

Mr. Montgomery died Saturday morning in Hall County Hospital following a heart attack.

He is survived by his wife, Katherine of Lakeview; one son, James of Levelland; one daughter, Mrs. Tommie Ellis of Falls Church, Va.; four grandchildren, Mart Montgomery, Carolyn Hillis, Bryan Hillis, Gary Hillis; his mother, Mrs. J. P. Montgomery, Sr., Memphis; three brothers, Lon

and Blackburn of Minneapolis, Minn.; three sisters, Mrs. E. S. Morrison of Memphis, Mrs. James A. Anthony of Albuquerque, N. M. and Mrs. Joe Worthy of Louisville, Ky.

Pall bearers were Del Wells, J. B. Byars, W. M. Gowdy, Sr., James Richburg, Lee Blanks, O. E. Gardenhire, Russell Payne and J. O. Adams.

Rev. and Mrs. David Hamblin and family returned home Tuesday night after vacationing in Colorado.

Mr. and Mrs. Bob Douthit and children of Perryton were Memphis visitors Tuesday.

the yard.

The dog had followed his owner, Gary Ferguson, who was working on a new house in the neighborhood. Later that evening the dog also bit Mr. Ferguson when he attempted to put a collar on the animal. Neither Mr. Ferguson nor Kathy were seriously injured.

Since the dog had not had rabies shots, Mr. Dean and Mike Nicholson of the Memphis police department carried the dog to a veterinary in Clarendon. It was there that the animal escaped and the intense search began, which

lasted for over 30 hours. Memphis Police Chief Bill Lindsey killed the dog about 7 a. m. Wednesday. Its head was flown to Austin Wednesday morning by George Ferris, who was accompanied by Mr. Dean.

A report will be called back to the city health officer, Dr. A. R. Stevenson, as soon as the examination is completed-possibly early Thursday afternoon. Should the dog have rabies,

both Mr. Ferguson and Kathy will have to undergo treatment.

Mrs. Dean said she wanted to express their deepest appreciation to the city officials, friends and just everyone in general. "People have been just grand to us. Many left their work to help search for the dog and helped us in so many ways.

The fruit is dry when pliable and leathery. Usually about 6 hours is required. Pieces around the edges of the tray will dry first. Remove these as soon as they are dry.

Cool the fruit and package at once. Pack the dried fruit in glass jars, plastic metal or heavily waxed cardboard frozen food containers. Use a tight seal..
