Rev. Walter Hays To Speak Sun. At Methodist Church

The Rev. Walter Lee Hays, Jr., Methodist author, dramatist and commentator, who has recently been elected president of the Alaska Council of Churches, will speak at the First Methodist Church here at 7:30 p. m. Sunday, Nov. 12. Rev. David Hamill, pastor, announced.

The public is cordially invited to attend the evening service and hear Rev. Hays' message.

Rev. Hays, whose home is in Anchorage, has been executive secretary of the Board of Education, Alaska Mission of the Methodist Church, since 1963. He assisted in the development of the Alaska Mission.

(Continued on Page 12)

Mrs. Roy Guthrie Listed In Burke's "Not For Glory"

Mrs. Roy Guthrie, long-time teacher in Memphis schools, was recently honored when the book, "Not For Glory," was published. The book, written by William Jeremiah Burke, is the author's attempt to answer the question, "Who are today's greatest teachers?"

Mr. Burke, director of Look magazine's editorial research department, has spent six years compiling information on teachers who have been entered in the National Teacher of the Year Contest.

Mrs. Guthrie was named as a constant three years ago, and was named runner-up in the national contest.

Three pages in the book are devoted to the author's visit to Memphis. He concluded with this statement, "Mrs. Guthrie would have been a good English teacher in any school in America. Memphis was the lucky town that got her."

FIRST POPPY SALE—Shown above is Mayor Kenneth Dale as he purchased the first poppy from members of the American Legion Auxiliary unit here. Pinning the poppy on the Memphis Mayor is Mrs. Ruth Ann Allard, while Chairman of the Poppy Day sale, Mrs. Betty Dugger, looks on. Poppies will be sold here tomorrow (Friday) by the Auxiliary and Saturday has been proclaimed "Poppy Day in Memphis" by Mayor Dale.

Mrs. J. T. Tunnell Is Buried Tues., Nov. 2, At Turkey

Funeral services for Mrs. Mary Alice Tunnell, 82, were conducted at 2:00 p. m. Thursday, Nov. 2, at the Church of Christ in Turkey.

Officiating was Claude Woods, minister of the church. Burial was in Dreamland Cemetery at Turkey under the direction of Seigler Funeral Home.

A member of the Church of Christ.

(Continued on Page 12)

Memphis-Friona To Meet Here In Finale

Coach Don Light of Friona will bring a highly talented group of athletes to Memphis tomorrow night as the stage is being set for the final game of the 1967 season. Game time at Cyclone Stadium is 7:30 p. m.

The game promises to be one of the finer contests of the season as both teams have identical records and stand in a three way tie for second place in District 3-AA, along with Dimmitt. The winner of this contest will stay in second place, behind Olton, and share the honor with Dimmitt if the Bobcats are successful Friday night against Floydada, the cellar team of the district.

Last year's 7-7 game between Memphis and Friona appears to be the way this year's game will be renewed as both ball clubs will be evenly matched, and the victory will be claimed by the team which can take advantage of the breaks.

The Friona Chiefs have a highly talented backfield and a good line, with the linemen averaging 173 pounds per man.

Local fans can expect to see a lot of aerials during the night for Friona's left handed quarterback, Johnny Barker (155) likes to run the ball on the rollout plays and is a pin point passer on these type plays. He also runs well, fakes well, and has good speed.

FB Tony Perea, No. 42, (165) is the all around threat in the Chiefs backfield when he runs on sweeps or goes out for passes, for

when he gets in the open he is a shifty runner with power to break tackles.

FB Eddie Barker is a quick hitting ball carrier and a real good blocker while HB Larry Graves is an outstanding runner and passer with good speed. The Chiefs backfield average weight is about 155 pounds.

The Chiefs use a 5-4 and a 6-3 defense and offensively use a power I formation like the local team uses.

Going into tomorrow's game, the Cyclone will have the same number of injuries as was listed last week.

Seniors playing their final game for the home squad will be backs, Gary Rea, Tony Pounds, William Welch and Judge Smith. Linemen include Roy Long, Chuck Jennings, Lanny Crow, Richard Parker, Paul J. Smith, Allen Booth, Jerry Jeffers, Jerry Hall, and Rocky Moore.

Coach Bert Glascock said he was well pleased with the performance of the local team at Hale Center last week and had high hopes for the future.

American Legion Plans Patriotic Program Sat.

Countians To Vote Sat. on Amendments

Hall County voters will help the state decide Saturday whether to tack six more amendments onto the much-amended Texas Constitution.

A light to moderate vote is predicted throughout the state, and this trend will possibly hold true for Hall County as only 11 absentee votes have been cast here.

County voters will be casting ballots in four polling places: Memphis, Turkey, Estelline and Lakeview.

The six constitutional amendments are on the ballot in the following order:

1. To authorize counties to place all their tax revenues in a single general fund, rather than separate, special-purpose funds.
2. To let local political subdivisions which have hospital districts spend tax money for mental health and mental retardation services.
3. To revive the veterans land program through an additional \$200,000,000 bond issue, permitting war veterans, including those of the Vietnam conflict, to purchase land on low-interest, 40-year-pay-back loans.
4. To permit counties to pay medical benefits for their law enforcement officers injured in line of duty.
5. To authorize a \$75 million state bond issue (supported by an admission fee at selected parks) for park land buying and development.
6. To permit non-elective state officials and employees to serve on state federal boards and commissions if there is no conflict of duties.

A patriotic program has been planned by the members of the local American Legion Post for Veterans Day, Saturday, Nov. 11, according to V. G. Anderson, commander of Post 175.

Activities will commence promptly at 1:30 p. m. with a concert by the Memphis High School Band at the American Legion home at 6th and Cleveland Streets. Following the musical interlude, the commander of the local post and the president of the Auxiliary will introduce and recognize the Gold Star of all wars.

The county oratorical contest, sponsored by the national organization, will be held at 1:45 p. m. Several entries are expected, Commander Anderson said. Following the oratorical contest, an educational film, "Youth, Target of Communism," will be shown.

"This is a film that all persons, both young and old, should see," Anderson stated. "In fact, the patriotic program should be of interest to all residents of this community."

Bill W. Barton, member of the House of Representatives of Texas from the 19th District, will give the principal address. Rep. Barton is a lawyer who resides at Borger, and is serving on several important House committees including agriculture, jurisprudence and several others.

All of the combined program will be short but interesting and informative, according to Anderson. They will be concluded at 3 p. m. when the name of some person will be announced as the winner of 500 pounds of beef.

"All residents of this area are urged to attend this patriotic rally honoring all veterans of America's wars, and to show our support of the United States and troops in the present conflict," the commander concluded.

Among the honored guest to be here for the patriotic program Saturday afternoon will be Jack Flynt, past Department Commander of the American Legion, of Dimmitt.

MHS Faculty Creates Stroehle Memorial Fund

Individuals and organizations who would like to contribute to the Reba Stroehle Memorial Scholarship Fund, which is being set up by the Faculty at Memphis High School, should make their check payable to the Reba Stroehle Memorial Fund and mail to the Memphis High School, Jim Lange, a member of the committee stated today.

The fund is being created to award a scholarship to a Memphis High School senior who is going into education. The fund will be set up on time deposit, the recipient will receive the interest from the money in the fund as a scholarship.

Each year an outstanding member of the MHS graduating class who is going into education will be awarded the scholarship, it was explained.

"We hope the scholarship will amount \$25.00 or more each year," it was stated. Only the interest will be used in the scholarships, it was explained.

Funeral Services Held Today For James B. Butler

Funeral Services for James Butler, 66, were held at 2:30 p. m. today (Thursday) from the First Baptist Church in Estelline with Rev. V. L. Huggins, pastor, officiating assisted by Rev. E. G. Johnson of Estelline.

Interment was in Estelline Cemetery with services under the direction of Spicer Funeral Home.

Mr. Butler died at 4:10 p. m. Tuesday, Nov. 7, in Hall County Hospital.

A retired carpenter, Mr. Butler had lived in Estelline since 1906. He was born January 12, 1901 in Gilmer Texas.

He was a member of the First Baptist Church.

Surviving are one sister, Mrs. Bessie Coppedge of Estelline and one brother, Bob Butler of Cleburne.

Pall bearers include L. D. Bradford, Jim Morrison, Joe Edkins, J. A. Ballard, Major Marriw, Barney Russell, Arch Bumpus and Don Leary.

Cotton Classing Office Processes 11,250 Samples

The Memphis Cotton Classing Office has processed 11,250 samples of Wednesday night, Kermit E. Voelkel, officer in charge announced today. The office was opened Monday, Oct. 23.

There had been 3,500 samples classed as of the same date in 1966, Voelkel said.

Classers at the office at the present time are: Richard Whitely of Okla. City, who is in his (Continued on Page 12)

Nov. 11 Proclaimed Poppy Day by Mayor

Memphis Mayor Kenneth Dale designated Saturday, Nov. 11 as Poppy Day 1967 in Memphis, according to an announcement made this week.

Poppy Day sales will be conducted Friday it was announced by members of the American Legion Auxiliary, Unit 175.

"The hearts of all our citizens in the Memphis area will be with the commendable effort this year in a means of paying tribute to our war dead," the mayor said.

"This community is fully cognizant of the great contributions and great sacrifices made by the members of the armed forces and on this day each year we have an opportunity of paying our humble respects to those gallant Americans who laid down their lives in order that we may continue to enjoy the blessing of freedom."

"It is also an opportunity for us to pay tribute to those brave men and women who still live as victims of the war," Mayor Dale said. "The funds collected by the Auxiliary and all other volunteers are used to aid the many veterans still in hospitals and to assist the father-

less children and widows of the war dead."

"Therefore, I do declare November 11 to be Poppy Day in the City of Memphis and urge all our citizens to join in this worthwhile observance by wearing the memorial flower," the mayor said.

Directing the Poppy Day activities here will be Mrs. Betty Dugger, Chairman, for the Simmons-Noel Unit of the American Legion Auxiliary.

Poppy Day originated some 45 years ago as a simple and sincere method of paying tribute to the war dead of the nation, Mrs. Dugger said.

Rolling Plains Cotton Producers To Meet Saturday

Announcement was made this week that the annual meeting of the Rolling Plains Cotton Producers will be held at 3 p. m. Saturday, Nov. 11, and not at 7 p. m. as carried in publicity released last week.

V. C. Durrett, president of the organization, stated that the meeting will be held in the Cotton Classing Office in Memphis.

During the session, directors will be elected, and plans finalized for next year's operation. The county group represents an 18-county area, which is served by the local classing office.

All interested cotton producers are urged to attend.

Yuletide Decor Contest Planned

The Beautification Committee of the Memphis Chamber of Commerce and Hall County Board of Development met Monday afternoon at 4:45 p. m. in the Chamber of Commerce office to make plans for the annual Christmas lighting contest. Presiding at the meeting was Mrs. D. L. C. Kinard, chairman.

The contest will be conducted along the same lines as last year. However, prizes this year will total \$50.00 in the two categories for home and yard decorations.

Business houses will be judged and will be awarded blue, red and white ribbons for first, second and third place.

Three cash prizes will be awarded in the outside and yard decorations for Christmas. First place winner will receive \$15.00; second place, \$10.00 and third place, \$5.00.

Three prizes will also be given for the most beautifully decorated picture window. First place winner will receive \$10.00; second place winner will receive \$7.50 and third place winner will receive \$2.50.

Judging will be done on December 15 by a group of out-of-town judges. In charge of selecting judges is J. B. Scott, a member of the committee.

Members of the committee are asking the co-operation of the merchants in decorating downtown season. We hope to be able to make our city one of the most attractive in the area for the holiday season, Mrs. Kinard stated.

"It is hoped that the city as a whole will participate in the lighting contest," members of the committee stated.

"We know that everyone cannot hope to be a winner in the contest, but we want to urge every home dweller in Memphis to cooperate this Christmas in making the city more beautiful by putting up some kind of outside Christmas decoration and lights," committee members stated.

Cotton Guessing Contest Continues; 60 Persons List Estimates This Week

Interest in the annual Cotton Guessing contest, sponsored each year by the Memphis Democrat, increased this week as the contest entered its second week.

Readers are reminded that only 10 more days are left for entry. The contest closes November 18.

Persons desiring to enter the contest should come by the Democrat office and list their guess or mailing a card or letter to Box 190, Memphis, Texas. Be sure to list your name, mailing address and number of bales of cotton you estimate Hall County farmers will gin in the 1967 cotton harvest.

First Place winner will receive a 3 year subscription to the Democrat; second place will receive a 2 year subscription and third place will receive a one year subscription.

Listing guesses this week were the following: Robert Spicer, 48,972; Mildred Spicer, 49,695; Grace Wilson, 48,444; Mrs. Dorcas Ruth Foster, Amarillo, 44,404; Mrs. Willie C. Jennings, Ratliff City, Okla., 38,613; Mrs. Floyd Lowe, 51,797; Lester H. Campbell, 48,735; Mrs. R. B. Phillips, 41,578; Mrs. Billy J. Hall, 50, 100; Doyle Fowler, 43,000; Dwight Floyd, 37,560; Nellie Campbell, Lakeview, 32,814; O. M. Gunstream, 37,995; Mrs. O. M. Gunstream, 38,985.

Also M. D. Gunstream, Muleshoe, 39,013; Mrs. M. D. Gunstream, Muleshoe, 37,020; Cora Belle Alexander, 41,111; Phaeton Alexander, 39, 999; R. M. Crump, 50,038; David L. Haynie, 44,257; Mrs. David L. Haynie, 46,832; Oren Jones, 40,569; Bill Leslie, 49,999; Sybil Gurley, 55,000; Mrs. B. J. Eller, 54,771; Mrs. Rhodie Davis, 42,222; Mrs. Henry Scott, 40,000; Mrs. Clark Rickman, 49,450; Mrs. Q. E. Pos-

Feed Grain Program For '68 Announced

The 1968 feed grain program as announced by the Secretary of Agriculture is similar to the 1967 program and will be more attractive to Hall County farmers than the 1967 program, Lynn L. McKown, office manager of the Hall County ASCS, said today.

The required acreage to be diverted is 20 per cent of the feed grain base to qualify. No payment will be made on the first 20 per cent. An additional 30 per cent of feed grain base acreage may be diverted. The diversion rate for any part of the additional diversion will be 45 per cent of the total price support times the projected yield.

Price support payment will continue as in 1967, at 53 cents per hundred weight on sorghum for planted acres up to one-half of farm base times projected yield.

As in 1967, producers with a feed grain base of 125 acres or less may choose to plant feed grain for 1968 and be paid for diverting the smaller of the feed grain base or 25 acres to a conservation use.

Whether soybeans can be planted on feed grain acreage as in 1967 without loss of the feed grain price support payments, will be announced later.

Substitution provisions relating to wheat and feed grain acreage will be continued.

Determination as to advance payments, the production of substitute crops on diverted acreage and other details, will be announced prior to sign up time.

Sign up for participation in the 1968 feed grain, wheat and cotton programs are to take place currently during February and March 1968.

Lions Club To Have Sale On Light Bulbs

The Memphis Lions Club annual light bulb sale will be held tonight beginning at 6 p. m. with volunteers from the local club making a "house-to-house" canvass of Memphis.

"Citizens interested in buying light bulbs can turn on their porch lights which will help, but we plan to stop at each and every house anyway," a spokesman for the club said.

Chairman of the light bulb sale, Bob Montgomery, said the club members will be selling sacks containing eight bulbs at \$2.00 per sack.

Proceeds from the sale will go for aid to the blind and handicapped children, Boy Scout program, and other civic improvement programs sponsored by the Memphis Lions Club.

This sale is made possible through the cooperation of West Texas Utilities," he said.

EDITORIAL

Veterans Day, Nov. 11!

This Saturday, citizens of Memphis along with those throughout our nation, are celebrating an observance of significance to all Americans, and honor the memory of veterans of all wars.

We should reaffirm our pledge not to forget the dead who have served our great Nation. Their contributions can never be forgotten. And may the citizens of America remember the sacrifices and contributions of all living veterans who conducted themselves with gallantry and courage in wartime to preserve our heritage of freedom, and further that we pay tribute to those valiant soldiers who are still striving to attain the ultimate goal of world peace.

During the past week, 15 thousand servicemen and women have become veterans, swelling the number of living veterans we honor today to more than 26 million.

The Simmons-Noel Post No. 175 of the American Legion of Memphis has planned for a patriotic program to be held at the Legion Post Saturday afternoon. An examination of the program reveals that citizens who attend will be rewarded with an inspirational two hours on patriotism.

It is apparent by what is reported in our national news media that our nation needs to be reminded of the patriotic services rendered by the 26 million veterans and the million and two thousand more who have paid the supreme sacrifice to preserve our heritage of freedom.

In all, since our founding days, some 38 million men and women have participated in our national conflicts, through Sept. 30, 1966. The 26 million we salute on Veterans Day remain the living symbol of the life pulse of our democracy.

Since all battles for freedom are in a sense the same battle, we say thanks for Lexington and Concord, for Bunker Hill, Valley Forge, San Juan Hill, Verdun, the Argonne Forest, Chateau-Thierry, Belleau Wood, Corregidor, Guadalcanal, the Coral Sea, Tarawa, Saipan, Anzio Beach, Cassino, The Bulge, Inchon Landing, Pork Chop Hill, Heartbreak Ridge and Hill 409, and for the fighting in the everlasting name of freedom, in Vietnamese rice paddies without names.

Our very democracy pulses with the stout hearts of the veterans who fought that it might endure. We owe them far more than this Day of tribute. We owe them this day, which we ourselves are living, and enjoying?

It is a small thing to buy a poppy on Veterans Day, but if there is a tear in the eye, it may be a very big thing!

What Other Editors Say

We're Afraid of Criticism

One of our main troubles is that we Americans don't seem to have any guts any more to stand up for what we think is right. We're too afraid of criticism, so we remain wishy-washy about things.

This was never more apparent than last weekend when the Vietnams stormed the Pentagon. We had soldiers there to guard the Pentagon, and after the whole mess was over, the commanding officers of the troops were commended for "protecting the Pentagon with a minimum of bloodshed."

However, some of the goons in the crowd were claiming a couple of tear gas bombs were used on them, and they were quite incensed about it all, although the military said they used no tear gas.

I suppose they didn't use any tear gas. The soldiers fought them off with their hands and by pushing against them.

And wouldn't have been terrible if they had used tear gas on these stalwart proud Americans who weren't doing any wrong?

All they were doing was charging the Pentagon with az handles and waving Viet Cong flags. All they were doing was giving comfort and support to a bunch of Communists overseas who are killing Americans as fast as they can.

Newspapermen aren't supposed to advocate violence. But what the military should have done is broadcast an ultimatum that if the mob crossed a certain point near the Pentagon the soldiers would fire machine gun bursts at their legs. And then they should have done it.

The howls of murders, brutality, Nazism and police state would have been heard of on the moon, but it possibly would have put an end to such idiotic doings. If one man alone, me for instance, charged the Pentagon or some other office building waving a Red flag and a weapon, any officer on duty would feel no com-

punction about shooting him down. But when a mob does it, we apparently think it's okay.

Best quote I've heard about the situation was that of a colonel assigned to the troops at the Pentagon: "What a thing to tell your grandchildren — 'I helped defend the south parking lot against the hippies!'"

— Sudan Beacon-News

Amendment No. 5

Amendment No. 5 to be voted upon November 11 is one that would authorize the issuance of \$75 million in state bonds for the purpose of acquiring and developing state park sites.

The state and Wildlife Department would operate, maintain and improve the parks. The interest on the bonds could not exceed 4 1/2 percent.

Interest and principal on these bonds would be repaid by receipts from admission charges to the state parks. If in any year these receipts were not sufficient, the amendment would appropriate, without any legislation, a sufficient amount to pay the principal and interest on these bonds, out of the general fund.

These bonds, together with an estimated \$7 million of federal aid, would finance the state parks program which the parks and Wildlife Dept. believes would be a self supporting program, financed by a nominal fee at the entrance to the parks.

The department has made a study of the state parks situation and points out that the present parks are overcrowded. They would acquire some 150,000 acres of land for addition to the state park system.

It is planned to have 26 new state recreation parks comprising approximately 61,000 acres of land, being no more than two hours time from most Texans and primarily water-oriented, would afford Texans and visitors to the state opportunities to enjoy a variety of outdoor recreation.

The plan also calls for preser-

vation and scenic development of 14 of the state's most significant unique and scenic areas comprising some \$4,000 acres. It includes action to protect 41 of the state's most significant historical sites about which entail acquisition of about 5,000 acres of land. In addition, the plan provides for expansion and further protection of six existing scenic parks, entailing 5,680 acres, and three existing historic parks with acquisition totaling 560 acres.

Governor Connally, in recommending the plan to the legislature, said its initiation and completion should provide Texans with a first class State Park System meeting the outdoors needs of present and future Texans.

There is practically no state wide opposition to Amendment No. 5, and its passage is generally considered certain.

Jeff Moore And Steve Miller Learn Printing Craft At Sam Houston State

Local Men Are Recipients Of Scholarships

Memphis — In the past years, the newspaper printing business has learned through apprenticeship experience. A young man might start by being a messenger boy, then a compositor, then a pressman, and finally a printer.

Two 20-year-old students from Memphis, Jeff Moore and Steve Miller, have done just that. They acquired scholarships from the Southwest School of Printing Management, a division of the Communications Department at Sam Houston State College and are in the process of completing the program required for printing management degrees.

Moore is the son of Mr. and Mrs. E. C. Moore of Memphis and Miller is the son of Mr. and Mrs. J. W. Miller of Memphis. He said he became interested in printing when he was working at The Memphis Democrat when he was a sophomore in high school to earn printing money, he said. "But time went on I really became interested in all aspects of printing and the newspaper challenge."

Miller, on the other hand, was raised in a printing environment. His father, James O. Miller, now the foreman of The Memphis Democrat, has been in the printing industry most of his life and in this point of view it was to be a "like father like son" version.

Miller began working on a newspaper at West Texas State College when he was 14-years-old, he said. "Dad was head of the department at that time and I naturally fell right into the swing of things."

LEARNING THE SKILLED CRAFT—Steve Miller, left and Jeff Moore, both of Memphis, are shown with the new Harris offset press recently obtained by the Printing Management Department at Sam Houston State College, where they are students in the Southwest School of printing.

Miller, speaking on the Sam Houston Printing Management set up said, "At first I was a little disappointed, mostly homesick I guess, but now that I have adjusted to the situation I find Sam Houston to be exactly as I had hoped."

"Although this is only my first year here," he continued, "I am very impressed with the improvements that have and are being made. The new Harris offset press that we recently received is one of the few of its kind in college printing departments and we're lucky to have access to it."

Both Miller and Moore agreed that Dr. Roy Clark, director of the Communications Department, had impressed them most.

"Dr. Clark impressed me," said Moore, "because I learned right at the beginning that he wasn't afraid to pitch in and help correct any problem in the actual plant production. Class room instruction at Sam Houston is unique also," he continued, "in that it is based on the interests and needs of the student."

Both young men hope to work in the educational field after graduation. Moore after graduation in August, has hopes for a master's degree in industrial education. Miller plans to receive his degree in May of 1969. After graduation, he hopes to teach printing in either high school or college somewhere in the Panhandle area if possible.

Moore, however, gave a modern day reply to where he would like to live after graduation when he said, "I'll live anywhere that they offer the most money."

TFU President Lauds Freeman On Grain Program

Texas Farmers Union state president Jay Naman of Waco commended Agriculture Secretary Freeman for his announced restoration of the diversion payments to the feed grain program for 1968.

Naman stated that he felt the Secretary's action was a "step in the right direction, although it will not accomplish the objectives of Farmers Union which is to assure 100 per cent of parity to feed grains producers." The statement was made at the recent Texas Farmers Union Convention in Lubbock.

The newly announced program is intended to encourage feed grain producers to divert at least 10 million acres more than in 1967 by giving them the option to divert up to 50 per cent of their base acreage. The 20 per cent mandatory diversion continues in effect in 1968, but payment at a rate 45 per cent of the total support times the farmers projected yield will be paid for farmers electing to divert up to 50 per cent of their base. The price support at \$1.05 per bushel on corn and \$1.61 a hundred on grain sorghum remains the same as in 1967, and the mandatory 20 per cent diversion continues as during last year.

"With production payments (30 cents per bushel for corn and 53 cents a hundred on grain sorghum) continuing as 1967's high or level along with the restored diversion payments, farmers income will increase \$400 million over 1967 if there is sufficient participation in the program. Most Texas farmers will find it profitable to divert more acres in 1968, which should result in better markets in the coming year."

"Secretary Freeman has followed the recommendations of farmers at the 'shirtsleeve' feed grains meetings and announced a program which is generally in line with farmers' thinking," said Naman.

There will be 15 million vehicles registered in Texas by 1985, estimates the Texas Highway Dept.

Estelline News

by Anne Rapp
JOURNALISM CLASS

Mr. and Mrs. Marvin Powell of Amarillo visited in Estelline over the weekend at the home of Mr. and Mrs. Jake Williams.

The honor roll for the Jr. High and High School at Estelline for the first six weeks:
ABOVE 90 — Mike Hughes, Cheri Rapp, Rhonda Gowdy, Chalonne Hoover, Anne Hughes, Anne Rapp, Cathy Burk, Jan Hudlow, Jan Rapp, Mike Helm, and Hope Hood.

90 AVERAGE — Don Proffitt, Jenne Bruce, Phyllis Ward, Marsha Helm, Chuck Hood, Rene Pardue, Terry Burk, Paul Bryant, Doug Fowler, Connie Altman, Richard Holland, Donald May, Debbie Jouett, Lisa Abram, and Patti Welch.

Marsha Helm enjoyed the weekend in Lubbock with her cousin Jane. She attended the Texas-Rice football game. Also attending this game Saturday was Dee Walker.

Mr. and Mrs. Billy Blevins visited George Helm over the weekend.

The Junior Class of Estelline High School is selling magazines and also renewing subscriptions. Anyone wishing to subscribe to a magazine or renew one, contact a junior from Estelline.

The Estelline Bearettes will be playing in the annual Flying Queen's Clinic at Plainview Saturday night at 7:00 p. m. Each year 10 teams are chosen to play in this clinic, and the Bearettes will be up against Friona. Three other games will also be played during that day. The Bearettes will appreciate all the support they can get.

Several new automobiles have appeared in Estelline lately. Owners of these new cars are Glennon

Jameson, David Walker, Willie and Lonnie Richburg. Also Jack Nelson is proud of his shiny new truck.

Rabb Holland went to Lubbock on business last Monday.

Visitors in Amarillo last week include Angie Nelson, Maurice Williams, Billie Lois Collins and La Wayne Boney.

include those of Joe Marcum, and include those of Joe Mahcum, and Floyd Stout. Both were held in Amarillo.

Mrs. S. S. Cooper was admitted to the Hall County Hospital Friday.

The Estelline Senior Class served barbeque lunches at the Bradley sale Saturday.

Coach Jimmie Don Adams is proud to announce that 22 boys are out for basketball this year.

Exes visiting in Estelline during the past week were Sammy Stout of Arkansas and Lonnie Richburg, Jr. of Ft. Worth. His wife, Mary, and daughters, Lee Anne and Lisa, accompanied him.

The Senior Class was entertained Friday night by a masquerade party at the home of Mr. and Mrs. Paul Collins. Winners of the "Best-dressed boy" and "Best-dressed girl" awards were Randy Collins and Jenne Bruce.

DO YOU KNOW:

That at the time the American Legion Auxiliary adopted the poppy it pledged the profits from the poppy sales 100 per cent to welfare relief for service men and women and their families, thus fulfilling the true meaning of the poppy—an emblem of faith, faith which is being kept with all who died, through service to the living?

Hats Off To Memphis Ginners!

New Equipment Rids City Of Smoke And Lint

by Virginia Browder
 Sniff, sniff citizens. NO GIN SMOKE! Indeed, something new has been added to the Memphis scene as regards to air pollution. For all Memphians especially those suffering from any kind of respiratory ailment or living in the gin section of the town, it is like a blessing from heaven not to be stifled by the gin smoke this fall.

One year ago this past summer representatives from the Woman's Forum met with the City Council to see if something could be done to rid the community of this health hazard. Now, at long last, we are in the midst of the ginning season minus the smoke and lint particles which plagued the citizenry in the past.

This relief has not come about

by the waving of fairy wand or some hocus-pocus. The huge hoppers and air filtering units have been installed at considerable ex-

Local Wage Rise Is Larger Than Area Living Costs

NEW YORK — To what extent has the general economic expansion, now in its 80th month, improved the lot of the average working man in Hall County.

How much more can he buy with his weekly wage than he was able to buy in the early part of 1961, when the record-breaking upswing began?

The figures show that he is in much better financial shape today than he was then, despite the steady increase in the cost of living. His earnings have gone up more than enough to absorb this increase. The surplus represents the net gain in his purchasing power.

Latest reports on the subject based upon national studies released by the Department of Labor, by the Tax Foundation and others, indicate the progress that has been made in the 80 months.

They show that per capita income in Hall County rose considerably during that period. The gain amounted to 13.1 percent locally. During the same 80 months, the cost of goods and services went up by about 10 per cent.

Because of the favorable differential, the average worker in the local area is that much better off today.

For example, he now earns enough, after putting in some 104 minutes on the job, to buy a carton of cigarettes. With 29 minutes of his time he can purchase a pound of butter and, with 132 minutes, a pair of cotton pants.

He would have had to work longer, back in 1961, to earn the money for these items and most others.

The Tax Foundation, a national non-profit research organization,

pence, the 'considerable' amounting to some eight or ten thousand dollars.

We are sure we speak for all in the community when we say, "HATS OFF TO THE GINNERS!" No smoke in their stacks is certainly feathers of commendation in their caps and we say 'thank you' and mean it.

shows how much time is spent by the average working man in the United States, during an eight-hour day, in providing for his family's various requirements.

Taxes take the most time — 2 hours and 25 minutes. Housing and house hold operations are next, with 1 hour and 26 minutes. Then food and tobacco, 1 hour and 14 minutes, transportation, 40 minutes; clothing and accessories, 30 minutes; recreation, 15 minutes; medical services, 21 minutes; and the remaining 1 hour and 6 minutes for all other purposes.

LOCALS

Mr. and Mrs. Murel Lemons visited in the home of Mrs. T. J. Brock Sunday evening.

Mr. and Mrs. Bill Cosby and Mr. and Mrs. A. L. Galley were in Lubbock over the past weekend to visit with their children, Bill Cosby, and Diane Galley, who are students at Texas Tech, and to attend the Tech-Rice football game.

You'll Get More For Your COTTON WHEN YOU GIN WITH US

MODERN EQUIPMENT IN A FINE FARMER-OWNED GIN PLANT MEANS MORE MONEY IN YOUR POCKET

As we move into the 1967 ginning season, we can truthfully say that this farmer-owned gin is equipped with the finest equipment obtainable. Everything has been done with one goal in mind: to give our customers the FINEST TURNOUT possible from every bale. Every sample from every bale is important. For this reason, this plant was designed to meet the demands of our customers. We are geared to give fast ginning when the peak hits; yet no sacrifice of quality ginning is being recorded here.

EXTRA EQUIPMENT FOR BETTER GINNING

We are glad to announce that we have installed a new K-B Special Cotton Processing System, which includes the cleaner type vacuum dropper, and 70-in. rock and green boll separator. This gives our customers a better grade as it separates a larger percentage of the green bolls and other foreign matter.

Check with those farmers who have already ginned with us. With a competent crew, and fine equipment, we find that our best boosters are those who drive their loaded trailers and trucks across our scales.

NO MORE BURS AND TRASH WILL BE BURNED

With the installation of our new bur and trash collector during past months, we have eliminated the need of burning this matter which is an end-product of every gin's operation. This makes it convenient for farmers to return burs to their land without delay. Ask us for full details on this operation.

Again this year, the Memphis Farmers Co-op Gin will be buying cotton from local growers through the Plains Cotton Co-Operative. Each day prices are posted in our gin office. We will be able to pay you immediately at the quoted price. Check with us about this service if you want to sell.

WE HAVE COTTON TRAILERS WHICH ARE AVAILABLE TO OUR CUSTOMERS. LET US KNOW IF YOU NEED SOME OF THEM. ALSO CARRY A FULL STOCK OF TRAILER TIRES AND TUBES.

Remember: This Is A FARMER-OWNED GIN

By keeping YOUR gin busy during the following months, you will be helping it to have a more profitable operation this season. As you know, all profits from our operation are returned directly to our patrons.

Barbecue Supper For Legionnaires Set For Tonight

The American Legion Post 175 will have its regular meeting and barbecue supper Thursday evening, Nov. 9. All members are invited to attend.

First Vice Commander C. Grice announced that the membership drive is in full swing and a goal has been set to have as many members as possible signed up by Nov. 11.

Grice also said that the local high school oratorical contest is being held this week in the local high school.

At a recent Zone meeting in Childress the following Legionnaires and Auxiliary members attended: Comm. V. C. Anderson, First Vice Comm. C. Grice, Adjutant Noel Clifton, Sammy Crawford, Joe Reheis, Arthur Richards, Roy Sprull, Mr. and Mrs. Bill Ballew and Mrs. Ruth Ann Allard. One of the topics covered at

this meeting was increasing membership and the importance of it in regards to the Amarillo Vet. Hospital.

Glynn Thompson, Legion Service Officer, and others are planning to attend the Vet. Service School at the Amarillo Vet. Hospital Sunday, Dec. 3, it was reported.

Sam Montgomery Injured In Ruidoso Car Accident

Sam Montgomery, father of Robert Montgomery of Memphis, was seriously injured in an automobile collision at Ruidoso on Thursday of last week.

Mr. Montgomery was riding in a pick-up when his car was involved in a collision with another car. He received chest injuries and is a patient in the Ruidoso Hospital.

Mr. and Mrs. Montgomery returned to Memphis Monday after being in Ruidoso since Saturday.

Mr. and Mrs. Gordon Maddox were in Lubbock over the past weekend to attend the Rice-Tech football game.

Survey Shows More Appliances In County Homes

NEW YORK, Oct. 28. — Judging from the number of big-ticket household accessories acquired by Hall County families in the last few years, local residents are living it up as never before.

Their outlays for refrigerators, home freezers, automobiles, dishwashers, stereophonic equipment, and the like have climbed steadily since 1960.

It has been made possible by the growing affluence of the average local family.

The extent to which ownership of cars and of household appliances has increased in the period from 1960 to 1967 is based upon special sample surveys made by the Department of Commerce.

In Hall County, on the strength of these findings, no less than 75.3 percent of the local families are owners of one or more cars at the present time. This is an increase over 1960, when 73.1 per

cent had cars.

Similarly, more homes are equipped with washing machines than was the case in 1960. Ownership in the local area is now listed at 39.2 percent.

Actually, a larger proportion of homes have washing machines than is indicated by these ownership figures, since many rental units are equipped with them.

The same is true for air conditioners. In more and more rental units they are provided as standard equipment.

Clothes dryers have also come into more general use in the area. The figures show a rise of 74 percent since 1960.

As for television sets, there has been a marked increase in number in the period covered by the survey. Some 69.0 percent of the

households locally now have one or more sets, as compared with 63.1 percent previously.

Also reported, for the regional area, were sharp increases in dishwashers and in radio and photographic units.

These and other high-priced pieces of equipment, which help make life easier or add to the enjoyment of living, have been coming within reach of a growing number of local families.

As a result, with less time needed for their household chores, many women have been freed for outside activities.

Homecoming Game Is Friday At Turkey

The Turkey Turks scored twice in the first quarter then held on for a 14-12 victory over the favored Rochester Steers Friday night at Vardy Field in Turkey.

Friday will be homecoming for the Turks as they play host to the Rule Bobcats who will come into the game following a 57-14 victory over Newcastle. Turkey will carry a 2-3 district record into the game while Rule will bring a 4-1 record.

The Turks took the opening kick-off from the Steers and marched 63 yards in seven plays for a touchdown. The drive included a 26-yd. run by Johnny King and was climaxed by a 11-yd. run by Claude Robinson. King pushed over for the two extra points which later proved to be the margin of victory.

Following the ensuing kick-off, Rochester, unable to move the ball against a fired up Turkey defense, was forced to punt and six plays later, Turkey returned the favor. In the next six plays, there were three fumbles with Turkey ending up with the ball on the Rochester 15-yd. line. After the first play gained only one yard, Russell Barnhill would not be denied as he broke a tackle on the 10-yd. line and crossed over for the TD with one second left in the first quarter.

The run for extra points was stopped short but Turkey has a comfortable lead of 14-0.

Neither team was able to score in the second quarter although Rochester threatened in the fading minutes only to be stopped by a fumble inside the 10-yd. line with seconds to go in the first half.

The tables turned in the second half as Rochester roared back with a touchdown in each quarter but were unable to make either of the extra points.

With two minutes to go and Turkey leading 14-12, Rochester picked off a third down pass and returned it to the Turkey 35-yd. line. Using their time out, Rochester moved the ball to the 7-yd. line where they had first and goal

with 40 seconds to play.

Unable to stop the clock Rochester managed to get off four plays with a huddle but fell inches short on the final play.

David Lane, Russell Barnhill, and James Woods played a fine defensive game while Johnny King and Claude Robinson contributed some hard running. This, along with an all around team effort, gave the Turks their first victory in four starts, after winning the Matador game in the district opener.

Austin Students Make Successful Drive For UNICEF

"Because of the great generosity and the enthusiastic effort of students of the Fourth and Fifth Grades of Austin School, the UNICEF Halloween Trick or Treat campaign was a huge success this year," Mrs. Mack Tarver, who is serving as chairman of the project for the 1913 Study Club, stated this week.

"We want to thank these students for the support in making this worthwhile project possible and we also want to thank the principal, Ethel Hillhouse, for her kindness and help," Mrs. Tarver stated.

More than 130 students from the Austin School collected funds for UNICEF as they made their annual call to trick or treat on Halloween night.

Funds contributed through UNICEF are used to help needy children in nations around the world.

A final count on contributions had not been made this week, but figures will be released on the total amount at an early date, Mrs. Tarver stated.

During 1966, 7 trillion cubic feet of Texas gas were marketed.

PROTECTIVE HEADGEAR REQUIRED BEGINNING JANUARY 1, 1968—All motorcyclists and their passengers will be required by law to wear safety approved headgear whenever riding a motorcycle after the first of January. Headgear meeting Texas Department of Public Safety standards must bear a manufacturer's identification sticker on the back and reflective material on the sides (as shown in the photographs). A list of approved headgear may be seen at any police department, sheriff's office, Department of Public Safety office, or stores retailing motorcycle headgear.

1913 Study Club Meets In Home Of Mrs. R. S. Greene

The 1913 Study Club met Wed., Nov. 1, at 3 p. m. in the home of Mrs. R. S. Greene.

During the business session conducted by Mrs. Herschel Combs, Mrs. M. G. Tarver reported that the UNICEF Trick or Treat project, with students and a club committee participating, had made a successful drive.

The chairman of programs, Mrs. Ed Hutchinson introduced the program under the general theme, "Blueprints of American Heritage," Mrs. R. S. Greene reviewed, in an interesting manner, the life of America's first composer, Stephen Foster.

He was the tenth child of a prominent family who lived near Pittsburg. They did not understand or appreciate his musical genius; although he was exploited by his publishers and died in pov-

erty, he is the only one responsible for keeping his family name alive with his folk music.

Carol and Tommy Greene sang beautifully a medley of Stephen Foster's songs with Miss Betty Stewart accompanying them on the piano. Among the familiar songs were "My Old Kentucky Home" and "Swanee."

Mrs. Paul Montgomery gave an informative talk on the banjo which was almost America's national instrument. The first instrument of its kind came from Africa with the negro slaves. Changes and improvements were made on it through its years of use in minstrel shows, burlesque and vaudeville. It played a prominent role in accompanying Stephen Foster's folk songs.

Those present, other than the above mentioned, were Miss Nellie Wrenn; Mmes. Bob Hutchinson, Monte Smith, Joe Montgomery, R. E. Roark, Ralph Williams, D. L. C. Kinard, T. M. Harrison, Virginia Browder, Sharron Lee, Byron Baldwin, F. W. Foxhall and one guest, Mrs. Kermit Voelkel.

\$100 Per Plate Dinner To Honor Bob Price

Mrs. Mills Roberts, Zack Fisher and Morris Davis were in Amarillo Saturday, Nov. 4, to meet with other Republican leaders from the 18th District to make final plans for the November 17 fund raising dinner honoring Congressman Bob Price.

The dinner will be held at 7:30 p. m. in the Holiday Inn West. The price of tickets is \$100 per plate.

Congressman Gerald Ford of Michigan, House Republican Leader, will be the featured speaker. Also attending will be Congressman George Bush of Houston, 1964 U. S. Senate Candidate.

Texas had 123.6 trillion cubic feet of natural gas reserves at the end of 1966 (42.7% of U. S.) Texas produced 41% of U. S. gas in 1966.

Jack Helm Is Promoted To A. F. Major

BURNS FLAT, Okla. — Capt. Jack Helm, son of John N. Helm Sr., of Rt. 2, Memphis, Tex., has been selected for promotion to major in the U. S. Air Force.

Captain Helm is a B-52 Strato Fortress pilot at Clinton-Sherman AFB, Okla., with the Strategic Air Command.

The captain, a graduate of Estelline High School, received a B.S. degree in mathematics in 1966 from Southwestern State College, Weatherford, Okla.

He was commissioned in 1957 upon completion of Officer Candidate School.

His wife, Billie, is the daughter of Mrs. Irene Blakely of Perryton, Tex.

Red Shaw, Former Turkey Resident Dies In Whitney

Word was received Monday of the death of Red Shaw of Whitney, former Turkey resident. Mr. Shaw and his wife Sally were in the butane business for several years in Turkey. Ill health was the reason for their leaving Turkey. Mr. Shaw died of a heart attack Thursday morning (today) in Whitney and burial was in Leona, Ark.

Memphis Bridge Teams Place In Shamrock Tourney

Three teams from Memphis placed in the annual Irish Shamrock Bridge Tournament held last weekend in Shamrock. All three teams placed fourth.

Mrs. John Deaver and Mr. Frank Foxhall placed fourth Friday afternoon. Mrs. Ruth Harrison and Mrs. Hiram Crawford won fourth in the women's pairs Saturday afternoon and Mrs. John Deaver and Mrs. Ruth Harrison placed fourth in the Open Pairs on Sunday afternoon.

BRICE

Mr. and Mrs. G. D. Craft were Amarillo visitors Tuesday.

Mrs. Ralph Grady, Jr., Mrs. T. H. Gattis, Mrs. C. V. Murff and Mrs. J. C. Johnson were Amarillo visitors Tuesday.

Rev. and Mrs. Everett Corbin of Plainview visited Sunday in the Joe Wood home. Rev. Corbin preached Sunday in Brice Church.

Mrs. Roland Salmon and daughter Sammie returned home Sunday from Austin where they visited.

Mr. and Mrs. Everett Paschell and Pam visited Sunday in Amarillo with the Bill Schell.

Mrs. T. B. Cawyer and baby Karen of Ft. Bliss left Saturday after visiting several days here with her parents, the Mack Pipes. Mrs. Max Pipes and son Rusty visited in Shamrock with her mother, Mrs. E. J. Conner.

Of total Texas gas production, three fourths came from 23,900 gas wells; about one-fourth from 131,000 oil wells (casing head gas)

Harmony Club Members, Guests Enjoy Review Of "Madame Butterfly" Sun.

Members of the Harmony Club and invited guests were given a treat when Mrs. R. S. Greene was presented in a review of "Madame Butterfly" by Puccini Sunday, Nov. 5, at 3 p. m. at the Community Center.

She was assisted in the musical part by Gertrude Rasco who played Japanese music preceding the review; by Mrs. Sexauer who sang "One Fine Day"; and by Mrs.

Sexauer and Mrs. Bob Fowler who sang "Every Flower". They were accompanied by Gertrude Rasco.

The musicians were dressed in Japanese costumes and a beautiful Japanese shawl was draped over the podium where Mrs. Greene stood to give the review.

The next meeting of the club will be at the home of Mrs. D. L. C. Kinard Saturday, Dec. 9, at 7 p. m. with a Christmas dinner.

1968 TORINO GT FASTBACK

AS WE WERE SAYING...

Your Ford Dealer's got the Better Idea cars. Now he's making up for lost time.

1968 MUSTANG HARDTOP (above, left), FORD XL FASTBACK (above, right), LTD 3-DOOR HARDTOP (bottom)

Nobody else has Better Ideas like your Ford Dealer. 48 great new cars in 5 complete lines. You'll find Better Ideas like 6 brand-new Fairlane models called Torino—all with the luxury ride of a 116" wheelbase • Ford LTD, XL and Country Squire, the only cars in their class with disappearing headlamps as standard equipment • Sporty Mustangs nobody's yet been able

to match • The first 6-paneiger Thunderbird • Falcon—the roomiest compact with twice the modal choice of other compacts • 2-way Magic Door-gate on all three sizes of wagons • Two-way SelectShift Cruise-O-Matic for every engine • Forced-air ventilation—the kind of Better Idea Ford pioneered... and still does best.

THE WINNER OF THE WORLD SERIES OF GOLF AND WINNER OF OVER \$200,000 THIS YEAR...

Caprock Pony Express Tournament Held Here; Plainview Takes First Place

A large crowd of spectators witnessed the thrills, spills and excitement that only a Pony Express can produce at the Caprock Express tournament held in this Sunday afternoon, Paul Smith, president of the Trail Riders.

Among those enjoying the races were four young people from Euola who were attracted to the arena when they stopped at a service station. Since they had not heard of this sport, they decided to attend. Each was introduced and asked their opinions of this sport by announcer, James Canida. In the group were Rosemarie Meier of Frankfurt, Germany, Mike Pig, David Berry, John Baich and Wendy Harris of Crewe, Cheshire and Liverpool, England.

When asked their impression of the sport, Mr. Smith said they answered, "Yea! Yea! Wild Man Wild! and I like it."

First place winner was the Plainview Blue team. Second place went to Randall County Sheriff's Posse and third place to Rolling Hills team A.

Plainview was the winner of teams from Plainview, Rolling Hills and Tulia competing for first place trophy in the Ladies' division.

Lynn Neal, a team rider for the Swisher County Sheriff's Posse of Tulia, was injured during the competition. He was treated at the Hall County Hospital and released.

Participating for trophy placements were The Memphis Trail Riders, Rolling Hills Riding Club, team A and B of Amarillo; Plainview Riding Club, Teams Red and Blue; Childress Riding Club, Swisher County Sheriff's Posse of Tulia, and holder of the world championship Pony Express trophy, Randall County Sheriff's Posse of Canyon. Tulia held the World Championship Trophy in 1966.

CARD OF THANKS
I want to take this means of thanking the friends who were so kind as to remember me with visits, flowers and gifts during my recent stay in Hall County Hospital. I also want to thank the doctors and hospital staff for their many kindnesses and excellent care. Each act of kindness was deeply appreciated.
Mrs. Zip Durrett

FOR EXPERT AND GUARANTEED REPAIRING AND SERVICING
Of Your Car or Truck, We Have **THREE FACTORY-TRAINED MECHANICS**
To Take Care of Your Troubles!

Whatever is needed, these men can take care of it. They can handle all makes and models, and will turn out all jobs without undue delay. With our modern diagnostic equipment, and their know-how, no job will be turned out without our unconditional guarantee.

Ready to take care of your needs are: H. D. Fowler, Bobby Booth and Odie Sturdevant.

For your auto body repairing and glass breakage, see us. We operate a complete body shop... and guarantee every job.

LIBRARY LORE

By Jim Roark

"Animals are much agreeable friends — they ask no questions, they pass no criticisms."

"The Fox and the Hound" by Dan Mannix won Dutton's annual animal book award. This novel is packed with incident, with suspense and with superb nature writing. You will agree, after reading it, that this fine book truly deserved Dutton's award. In this unforgettable story we are again appalled by man's destruction of the land and wildlife for the sake of progress! Mr. Mannix brilliantly evokes the world of each animal. Much of his writing has been the result of his lifetime love affair with wildlife and nature. He has traveled all over the world doing articles, books and movies about wild animals.

The land around Mr. Mannix's 1789 house is being surrounded by cloverleafs that now feed traffic onto a freeway. When he and his

Local Jehovah's Witnesses To Attend Convention

Plans were announced this week to cancel meetings of Jehovah's Witnesses here in order that all the congregational members might attend a 3-day circuit convention in Woodward, Okla., Nov. 10-12.

Hundreds of families will meet together with an expected crowd of more than 700 representing some 300 different communities, including members of Memphis.

The purpose of the assembly, according to officials, is advanced ministerial training with stress to be placed on the need for more family Bible study among the Witnesses along with added encouragement to be given for them to assist others in their communities upon their return back to their home congregations.

Mr. Gerald D. Grizzle, new circuit minister for the Panhandle of Oklahoma and Texas and will be one of the principal speakers.

Band Booster Club Members To Meet Tuesday

The Band Booster Club will meet in regular session on Tuesday evening, Nov. 14, at 7:30 p.m. in the band room, it was announced this week.

All members of the club are urged to keep the date in mind and attend the meeting.

Mrs. Bill Leslie and Mrs. Cecil Stargel were Lubbock visitors over the past weekend. Mrs. Leslie visited with her daughter, Mrs. Robert Sanders and family while Mrs. Stargel visited her daughter, Mr. and Mrs. Fred Schmidt and Greg and with her son, Jack Stargel, who is a student at Texas Tech.

JUDITH ANN STRAUGHEN

Engagement Of Miss Judith Straughen And Ned Plicher, Jr., Is Announced

The engagement and approach-marrriage of Judith Ann Straughen of Amarillo and Ned Plicher, Jr., of Midland has been known by her mother, Mrs. Straughen, Jr., of Amarillo. The couple is to be married in the chapel of the First Baptist Church in Amarillo. Straughen, also the daughter of the late H. L. Straughen, a graduate of West Texas University, where she was a member of Delta Zeta social and Alpha Chi honorary societies. She was named to the 1966 edition of "Who's Who Among Students in American Colleges and Universities." She presently is employed as a teacher at the High School.

Ned Plicher of 2803 W. Dingar St., Midland, is a graduate assistant at WTSU, where he is working toward a master of arts degree in English. He was graduated from Texas Tech, Lubbock. Mr. Plicher is the grandson of the late Mr. and Mrs. E. E. Walker of Memphis and is a nephew of Miss Zady Belle Walker.

Blue Bonnet Club Enjoys Unfolding Of Autumn Tour

Members of the Blue Bonnet Club and special guests were entertained in the Bronze Room of the First National Bank on Friday afternoon, Nov. 3, with Mary Lenor as hostess.

Mrs. D. L. C. Kinard and Mrs. Ben Parks showed pictures and explained about each picture in a wonderful treat entitled "Expo '67" and "Autumn in New England". This was the trip that several women from Memphis had the pleasure of taking. The pictures were breathtaking and were enjoyed by all present, it was reported.

Delicious refreshments of pumpkin pie and whipped cream, nuts, candy and coffee were served to the following members: Nettie Adams, Mary Bownds, Grace Foxhall, Christine Hays, Emma Hill, Winnie Johnson, Gussie Jones, Hucie Lindsey, Osie Scott, Iva Smith, Sally Reeves and Grace Monzingo; and guests, which were the ladies taking the trip, Mmes. D. L. C. Kinard, Ben Parks, Matthew Allen and Mattie Patrick; Mrs. Parks' daughter, Joy McQueen, and the hostess, Mrs. Mary Lenor.

Parnell Club Has Nov. 1 Meeting

The Parnell Club met Nov. 1 in the club house with 12 members and one guest present.

The club was opened with The Lord's Prayer led by Clessie Jount. The devotional was given by Leona Burk. After this, each member answered roll call with "a president that hasn't been named." The minutes of the last meeting were read by the secretary, Leona Burk. The club reported five visits to the sick. The meeting was dismissed by Nelda Ferrel.

Members stated that the club would like to thank everyone for helping make their chili supper a success.

Those present were Nell Burk, Leona Burk, Myrtle Dunn, Lucile Cope, Lena Freeze, Nelda Ferrel, Lena Hill, Cordye Hood, Irene Hood, Clessie Jount, Bessie Lathram, Gussie Mothershed and Tince Nivens, a guest.

Mr. and Mrs. D. C. Johnson left Tuesday for Denton to visit their daughter, Elizabeth, who broke her foot when she turned her ankle while walking on the campus at North Texas State University Sunday where she is a student. She is reported to be doing fine, but is a patient in the infirmary at the school.

LVN Members Enjoy Dinner Meeting Monday

Members of the Licensed Vocational Nurses Association met Nov. 6 in the Rebekah Lodge Hall where they enjoyed a delicious meal.

Following the meal, the group went to the home of Mrs. Ruby Compton for the regular meeting. The meeting was called to order by the president, Mrs. Callie Koen.

Four new members were welcomed into the division.

Mrs. Koen read the program for the year and named a new board of five members. Those elected to serve were Alma Hemphill, Betty Johnson, Ruby Graham, Alene Worthington and Stella Rice.

The retiring president Mable Lavender presented the division with a Gavel as a gift of appreciation.

Members present for the meeting were Beatrice Gardenhire, Bernie McIntosh, Callie Koen, Emma Wright, Alma Hemphill, Betty Johnson, Betty Barbee, Ruby Compton, Mable Lavender and four new members: Alene Worthington, Ruby Graham, Stella Rice, and Norma Osborn.

The meeting was closed with prayer by Mable Lavender.

After the meeting closed Ruby Graham played several numbers on the piano which were enjoyed by the group.

Lorean Saunders, J. R. Nelson Marry October 28

Mrs. Lorean Saunders and J. R. Nelson of Amarillo were united in marriage Saturday, Oct. 28, at 7 p. m. at the bride's home in Memphis. O. M. Currey, minister of the Church of Christ, read the marriage ceremony.

For her wedding, Mrs. Nelson chose a blue wool three-piece knit suit accented with matching accessories.

The couple's only attendants were Miss Connie Smith, granddaughter of the bride, and James Elkins, nephew of the groom.

Mr. and Mrs. Nelson will make their home in Amarillo.

Following the wedding a reception was held. A decorated wedding cake was served with punch from an attractively laid tea table.

Attending the wedding and reception were Mrs. Douglas Cathey of Stratford, Mrs. R. B. Smith, Miss Connie Smith and Miss Janice Smith of Amarillo, James Elkins of Oklahoma City, Mr. and Mrs. J. D. Webster and Berry and Bethann of Amarillo, Mrs. Lillie Mae Stephens and daughter Linda of Pampa and Mr. and Mrs. Eddie Wheeler and Starla of Estelline.

Attending from Memphis were Mrs. Mary Elkins, Mrs. Dwain Ellerd, Zann Ellerd, Mr. and Mrs. Thurman Ellerd, Mrs. Bessie Saunders and Mrs. Lena Mae Adcock.

Future Nurses Club Meets Mon., Nov. 6

The November meeting of the Future Nurses Club was held Nov. 6 in the dining room at the Hall County Hospital.

Dr. R. E. Clark, guest speaker, discussed several diseases.

Plans for a party and selling Christmas candy were also made by the group.

Present were Jo Elle Posey, Vee Latimer, June Stinson, Rene Wood, Karen Nunnally, Karla Richardson, Ilene Hargrove, Mary Currey, Judy Powell, Carolyn Sparks, Lu Gay Godfrey, Jenny Powell, Susan Goodnight, Dana Kesterson, Charles Etta Jones, Shirley Devorce and Sue McCravy.

Also attending were hospital sponsors, Betty Srygley and Margie Kesterson. C. E. Voyles, school sponsor, was unable to be present.

J. O. Y. Circle Meets Tues., Nov. 7

The J. O. Y. Circle met in the Fellowship Hall of the First Christian Church on Tues. evening, Nov. 7, at 7 p. m. Ellen Murdock was the hostess for the meeting.

The president, Faye Maddox, opened the meeting with prayer.

Susie Coleman led the Bible study on Matthew 27, "The Crucifixion of Christ," with all present taking part in the discussion.

During the business session, a committee was appointed to plan the annual Bible school Christmas program and also refreshments for the young people who will be here for the Area Youth Rally on Nov. 18 were discussed and decided upon.

The hostess served delicious refreshments carrying out the Thanksgiving theme to Faye Maddox, Susie Coleman, Genevieve Murdock, Inez Aspgren and Faye Posey.

TO OBSERVE 25th WEDDING ANNIVERSARY—Mr. and Mrs. R. B. Phillips, pictured on their wedding day, will observe their 25th wedding anniversary Sunday afternoon, Nov. 12 with a reception for their friends from 2:00 until 5:00 o'clock. Not only will Mr. and Mrs. Phillips be observing their anniversary, but the occasion will be open house at their new home, located at 810 North 17th Street. Friends of the couple are invited to call during the receiving hours.

Surprise 25th Wedding Anniversary Party Honors Mr., Mrs. L. E. Hughs

Mr. and Mrs. L. E. Hughs were complimented with a surprise 25th wedding anniversary reception on Sunday afternoon at the home of Mr. and Mrs. R. G. Patrick, 617 South Sixth street.

Hostess for the social were Mrs. Patrick, Mrs. Odie B. Hughs, Mrs. E. O. Patrick, Mrs. Cecil Galloway and Mrs. Fred Bourland.

Mrs. E. O. Patrick presided at the register to secure signatures of the guests.

A decorated wedding cake and punch was served from an attractively laid tea table. Serving punch was Mrs. Elwyn Pate and Mrs. Fred Bourland served the cake.

Among the guests attending were Mr. and Mrs. Luther Pittman and Mr. and Mrs. E. O. Patrick of Amarillo, Mr. and Mrs. Cecil Galloway and Charlie, Caroline, Betty Ann and Judy and Mrs. Leslie Fike and daughter of Berger, Mrs. Ethel Brickey and Mrs. Ella George of Shamrock.

Also, Mr. and Mrs. James Neighbors, Mr. and Mrs. Bob Alwine, Dwight Alwine, Mr. and Mrs. Wayne Sweet, Lynn Bourland and Neal Hughs of Lubbock, Mr. and Mrs. Fred Bourland of Clarendon, Mr. and Mrs. Buster Hughs

and Mrs. Sid Hughs of Wellington.

Fredda Bourland of Whiteface, and Exie Hughs of Abilene.

Attending from the Memphis vicinity were Mrs. Roy Sweatt, Mr. and Mrs. Elwyn Pate, Mr. and Mrs. R. G. Patrick, Susan Goodnight, Lettie Goodnight, Mrs. A. E. Ranson, Jr., Exie Sweatt, Mike Hughs, Odie B. Hughs, Mrs. Vince Alewine, Mr. and Mrs. M. G. Alewine, Mr. and Mrs. Tom Sweatt and Mrs. N. A. Hightower.

Cheryl Foster Elected Member Of Sigma Tau Delta

Cheryl Foster, daughter of Mr. and Mrs. Henry Foster and a student at Baylor University, was recently elected to membership in Sigma Tau Delta, the national English fraternity.

The impressive initiation was held in the Armstrong-Browning Library on the campus.

Mrs. E. C. Rice has returned home after visiting her daughter and family, Mr. and Mrs. Jerrell Trainham in Vera.

Culture Club Enjoys Program On Amer. Heritage

The Woman's Culture Club met Wed. Nov., 1, in the home of Mrs. Ward Gurley with 12 members present.

Mrs. Gurley, program chairman, introduced the program for the day, "Now is the Time for Stressing the Values of Our American Heritage."

The thought for the day by Horace Porter was "The Citizen who can claim America for his home is possessed of a priceless heritage."

"Prayer for America" was given by Mrs. Nat Bradley, Mrs. L. A. Stilwell presented "Tribute to the Flag." An essay, "What America Means to Me," by a student, Graham Finney, was read by Miss Alma Bruce. "The Dazzling Sixth Fleet" was the subject discussed by Mrs. Jeanette Irons. Mrs. L. G. Rasco read a poem written by a Latin American teenage girl of Friona, "I Am the Nation."

Lovely pumpkin pie, soft drink and coffee was enjoyed by Mmes. Nat Bradley, Guy Cox, Clifford Farmer, Jeanette Irons, G. T. Moss, L. A. Stilwell, Theo. Swift, L. G. Rasco, Misses Alma Bruce, Sybel Gurley and Esta McElrath and the hostess, Mrs. Ward Gurley.

Methodist WSCS Meets Monday For Study

The Women's Society of Christian service held its general meeting Monday, Nov. 6, at 9:30 a. m. in the Methodist Church annex.

After the business meeting, Mrs. F. W. Foxhall introduced the program consisting of reports of the officers and secretaries of lines of work from those in the conference given in the report book of the annual meeting held in March.

The president's message of Mrs. J. P. Elms was given by Mrs. M. G. Tarver, the local president, and served as the morning meditation. Its title was "Give Us Courage, Let Us Hear." Winston Churchill said that "Courage is the first of human qualities because it is the quality which guarantees all others. You and I need to demonstrate this virtue if we are true Christians."

Mrs. M. G. Tarver led the closing prayer.

Those present were Mmes. Lee Brown, Myrtle Phelan, J. W. Oliver, Bob Hutcherson, Harold Smith, Bill Whitten, Lloyd Becker, Ed Hutcherson, M. L. Erwin, W. J. McMaster, Bess Crump, and F. W. Foxhall.

Helen Wood, accompanied by Mrs. Modena Hill of Hedley, visited in Dallas from Monday until Wednesday with Mr. and Mrs. Ray Pinkerton. Mrs. Pinkerton is a daughter of Mrs. Hill.

Cyclone Guns Down Owls Friday Night There 34-6

Crisp, cold weather at Hale Center last Friday night seemed to be just what the Cyclone lads were needing to congeal their offensive attack, rolling to a 34-6 victory over the Owls in a hard hitting game.

However, as crisp as the blocking was during the first half of play, joined with a good running and passing attack which netted four TD's for the local lads, it was still the team's bruising defense which brought the victory about for the local lads.

The Cyclone defensive unit worked like thieves in the night in the opening minutes of the game, and as a result of three acts of stealing the football, the Cyclone had opportunity to put two TD's on the scoreboard.

After the opening kickoff, the Owls set up the scrimmage on their own 35 and tried to get going, but on a third down and nine situation, Memphis Safety Roy Long grabbed off the first pass of the night for an interception and was downed immediately on the Cyclone 35-yd. line.

The local lads couldn't generate much fire on their first offensive series, so punter Richard Parker got off a high kick, which was fielded by the Owls on the Hale Center 40. The aggressive tackling of Cyclone defenders resulted in a fumble and James Spruill came up with the ball on the Hale Center 41.

The Cyclone took advantage of the situation by sending FB Roge Fowler off tackle for five yards. Then HB Gary Rea added one more to the 35. Needing four yds. for a first, QB Pounds passed the ball to HB Rea in the flat and Rea scampered his way down the sideline to the Hale Center 11, a 24-

yd. gain, setting up the first scoring opportunity.

On the next play, TB James Spruill made four yards. On the next play, the Owls were penalized for off sides. Then Pounds tried to pass to Rea but the toss was a little short. TB Spruill skirted left end and went over for the TD. Jerry Hall kicked the point after conversion making the score 7-0.

On the kickoff return, Hale Center's Larry Hammitt returned the ball to the 28. On the next play, a fumble was alertly recovered by defensive tackle Johnny Scott on the Owl's 24 setting up the second TD for the local lads.

On the first down of this series, a 9-yd. pass play from Pounds to Rea, the officials ruled a 15-yd. penalty against the Cyclone setting up a 1st and 25 situation. Pounds again passed to HB Rea in the flat and Rea made 22 yards before being pulled down on the Owls 17-yd. line. On the next play, a three-yd. carry by Spruill, the Cyclone had a first down on the 14.

Spruill again carried for four yards. On the next play, Pounds passed to End Allen Booth in the endzone and Booth made a fine catch scoring the second TD. Hall's point - after - touchdown kick was good and the score was 14-0.

After the kickoff, the Owls made their first, 1st down of the night on a 15-yd. personal foul penalty against the Cyclone, but were stopped after this and Hammitt punted to the home 30.

Pounds then carried for 10 yds. and a 1st down to the Memphis 40. FB Fowler knifed his way for a 11-yd. gain to the Owls 49. At this point, three running plays

netted only seven yards so the local team punted the ball to the Hale Center 15.

The Owls opened up passing the ball and went for one first down to the 35. The Cyclone pass defense put a stop to this when Safety Spruill intercepted a Bert Ferguson pass and returned it to the Owls' 31-yd. line.

Again the Cyclone ground game got rolling as TB Ronnie McFall high stepped his way for eight yards. HB Rea carried for 15 more on a beautiful carry that went to the Hale Center 10.

On the next play, QB Pounds carried on the pass-run option play and found running room to go all the way. A two-point conversion pass from Pounds to End Booth was good and the score was 22-0.

The Cyclone's next TD came after the Owls gave up the ball on a short (16-yd.) punt to the mid-field line.

The drive got started with an 8-yd. carry by FB Fowler, followed next by a 4-yd. carry by Pounds and another 4-yd. carry by Fowler. This overcame the 5-yd. penalty against the Cyclone on the first down and gave a 1st and ten situation on the Owls' 39.

In the next series, a 5-yd. carry by McFall and a 11-yd. effort by FB Fowler, who had a fine night blocking and running with the ball, set up a first to the Owls' 23.

Fowler punched out five more yards on the next play and then Pounds went for 11 more to the Hale Center 7.

Spruill got the next call but was stopped on the six-yd. line. Then Pounds passed to HB Rea in the flat and Rea got his hands on the ball just below his knees and

carried across for the TD. Hall's place kick was blocked and the score was 28-0.

The half ended with Memphis in possession with a first down on the Hale Center 16-yd. line.

Second Half

The second half opened up with the Cyclone returning the opening kickoff to the home 17. Fowler carried for a total of 13 yards on the next two plays and the first to the 30.

At this point, McFall made four, Pounds added another, and a pass from Pounds to Rea netted three more which was two shy of the first down. Parker got off a good kick to the Owls' 21.

The Owls' Larry Hammitt broke loose on the next play and scampered 44 yards into Cyclone territory to the home 35 when he was brought down from behind by Spruill after a foot race Spruill won.

At this point, the drive stopped and four plays later the Cyclone took over on their own 26.

On a second down, disaster struck in the Cyclone backfield as the ball got loose and Owl Guard Rufe Costillo recovered on the Memphis 11.

It looked like a sure score for the Owls, but the Cyclone defense rose to the occasion, stopping

three running plays with only a total gain of one yard. On the fourth down, QB Ferguson passed into the endzone but it was Memphis' Roy Long who came up with the ball, so the ball went over to the local lads who were set up on the 20-yd. line, first and 10.

Unable to get rolling, punter Parker got off a fine 45-yd. boot, but Hale Center's No. 20, a new boy on their squad who became eligible to play just before the Memphis game, fielded the punt and returned it to the home 15 before he was tackled.

The Hale Center score came after the run back, on a pass play, thrown by Ferguson and caught by two boys, Memphis' Roy Long and Hale Center's Larry Hammitt in the end zone. The official ruling was the ball was caught by both boys so the offensive player retains possession giving the Owls their only score. QB Ferguson tried to carry on the two-point conversion but was stopped a yd. shy of the goal line so the score was 28-6.

On the kickoff, the Cyclone tried a little fancy work which paid off with a beautiful run by Spruill, but the officials called an infraction nullifying the play, penalizing Memphis back to the home 11. The Cyclone began to move with

McFall making 6 on the first play, and then HB Rea scampered his way for 23 yards to the 40-yd. line.

A pass from Pounds to Rea netted 8 yards and then Rea made four more to the mid-field line. At this point, two plays netted zero yardage, so the Cyclone quick kicked the ball to the Hale Center 18.

Hale Center made one first down on a draw play to Marvin Wilson their Fullback. Then, a pass from Ferguson to End Bill Davis was completed, but Davis was knocked loose from the ball during a bone jarring tackle and Roy Long came up with the football for a Memphis recovery.

The Cyclone's last scoring drive got underway when FB Fowler made five yards. After the play ended an Owl hit Fowler and 18 yards was stepped off against the Owls.

Memphis was set up on the Owls 35 as Fowler knifed his way for three yards. On the next play, Fowler made four more, but Memphis was penalized 15 for holding. Then Pounds made three yards. HB Rea went 26 yards on a fine carry but again the Cyclone was called on an infraction and five yards stepped off against the local lads.

Facing a third down and yardage, Pounds went back pass, planted his foot, and the ball 29 yds. into the arms of End Roy Long who ed it immediately, for a down to the Owls 20.

In the next series, carried by Spruill and McFall netted 17 to the Owls three. Then, TB Fall got the call and into the zone he plunged for the Hall's place kick missed the hand up right of the goal by scant inches so the score 34 to 6.

The Game ended after exchanges of punts.

These Two Fine Farmer-Owned Gins Again Say ...

The Record Speaks

AS PROVEN IN PAST YEARS,
YOU END UP WITH MORE
MONEY WHEN YOU BRING
YOUR COTTON TO EITHER
THE GIN AT

Memphis or Plaska

As we entered the present ginning season, both plants are in tip-top shape. This is one of the reasons we have established a record as is being shown by the grade and staple which our customers are now receiving. Our entire operation is aimed at giving the cotton growers of this area the finest ginning possible, as well as other services which are needed.

AT BOTH FARMERS UNION CO-OP GIN PLANTS, EQUIPMENT HAS BEEN INSTALLED TO CATCH ALL BURS AND TRASH. WE HAVE PURCHASED TWO TRUCKS WHICH WILL BE USED TO HAUL THIS MATERIAL TO YOUR FARM. ALSO, WE HAVE THE EQUIPMENT TO LOAD THESE BURS, AND OUR CUSTOMERS CAN CATCH THEM IF THEY WANT TO.

We take this opportunity to thank every farmer who has brought his cotton to either Memphis or Plaska. This patronage in past years is appreciated. Our aim is the same: to try to give even better service.

We Will Buy Your Cotton This Season

With special arrangements with the Plains Cotton Co-operative, we will be able to buy your cotton again this year. Basis will be posted on cotton each day in our gin office. Payments will be made immediately to each grower.

Again this year we will be operating a water truck for the convenience of our customers. Call either gin office, and a load of water will be delivered free of charge without delay.

THE MORE YOU GIN AT THESE FARMER-OWNED GINS, THE BIGGER YOUR DIVIDEND CHECK WILL BE EARLY NEXT YEAR

PERSONAL ITEMS

Visiting in the home of Mrs. V. Messer and Nell this week were Mrs. Messer's son and daughter, Ruel V. Messer, Jr. and Mrs. Phyllis.

Mrs. Lucy Phillips returned last week after spending the past five weeks visiting with her sister, Mrs. W. L. Morrison, in Lindsay, Mo. While in Lindsay, she also visited in the home of Mr. and Mrs. Leroy McQueen, Mr. and Mrs. Carl Morrison and Mr. and Mrs. Douglas Morrison. While in Lindsay she also attended the 60th anniversary celebration of Mrs. Owen Shepherd, former Memphis resident, in Porterville and spent two days visiting in Los Angeles with Mr. and Mrs. J. D. Roden.

Mr. and Mrs. James O. Miller and daughter Mylina and Mr. and Mrs. W. A. Smith and Jan and family visited in Huntsville over the past weekend with their children, Steve Miller and Suzette Miller, who are attending Sam Houston State College.

Miss Laura Sue Moss, who is a student at West Texas State University, Canyon, spent the past weekend visiting here with her parents, Mr. and Mrs. Ben Moss and family.

Mr. and Mrs. Jim Smith and Mrs. Bessie Smith visited in Amarillo Sunday with Mr. and Mrs. Fredrick Joy and family.

Mr. and Mrs. Elmont Branigan visited in Fort Worth over the past weekend with their son and wife, Mr. and Mrs. Mike Branigan.

Mr. and Mrs. Gene Lindsey visited in Waco with their daughter Pamela Lindsey, who is a student at Baylor University. While gone they also visited in Dallas with Mrs. Lindsey's mother, Mrs. H. B. Gilmore.

Mr. Hubert Jones accompanied Mr. and Mrs. Gene Lindsey as far as Denton Friday where she visited with her daughter, Miss Kathy Jones, who is a student at North Texas State University. They came to Wichita Falls Saturday where Mr. Jones met them on Saturday afternoon. Kathy returned to school Sunday and Mr. and Mrs. Jones returned home.

Mr. and Mrs. R. F. Wynn and Kim visited their son Larry, who is attending Texas Tech, Lubbock, over the past weekend.

Mr. and Mrs. Don Carmen visited in Wheeler Sunday with Mrs. Dausey Carmen, who is a patient in Parkview Hospital.

Mr. and Mrs. James Bray and Mrs. Norma Lebow visited in Amarillo over the weekend with relatives. While there Mrs. Lebow visited her daughter, Mrs. Clifford Reeves and family.

Mr. and Mrs. Herschel Combs visited in Wellington Sunday afternoon with Mrs. Combs' mother, Mrs. L. A. Dickey.

Scotty Lockhart, who underwent eye surgery in Amarillo on Thursday of last week, is doing nicely. Scotty is the son of Mr. and Mrs. Bill Lockhart.

Mr. and Mrs. Geo. Beitel of San Antonio visited with Mr. and Mrs. Mack Tarver from Friday until Monday of this week. Also visiting in the Tarver home Sunday were their son and family, Mr. and Mrs. Gary Torver and sons of near Shamrock. Mrs. Beitel is a sister of Mr. Tarver.

Mr. and Mrs. Kermit Voelkel, accompanied by Mr. and Mrs. Flip Breedlove, of Clarendon, were Amarillo visitors Sunday evening.

Mr. and Mrs. Boyd Knox of Hereford and Mrs. Wilma Davis of Amarillo visited here Sunday with relatives and friends.

Mr. Frank Garrett is visiting in Morton this week with her daughter, Mrs. Jim Walker and family.

Jackie Bevers, who is attending Texas Tech, Lubbock, visited here over the weekend with his parents, Mr. and Mrs. M. J. Bevers.

Mr. and Mrs. Gip McMurry were in Abilene over the past weekend visiting with Mr. and Mrs. A. E. Wells. Mrs. McMurry and Mrs. Wells are sisters.

HALF-PAST TEEN

Memphis Women Place In Shamrock Bridge Tourney

Several Memphis women were in Shamrock over the past weekend to attend the Sixth annual Irish Sectional Bridge Tournament held on Friday, Saturday and Sunday at the National Guard Armory.

The three-day tournament started at 1:30 p. m. Friday. Mrs. Hiram Crawford and Mrs. Ruth Harrison placed fourth in the Women's Pairs on Saturday afternoon. Others playing in the tournament Saturday from here were Mrs. John Deaver, Mrs. Frank Foxhall, Mrs. Joe Allen Ballard, Mrs. Lester Phillips, Mrs. Kermit Voelkel and Mrs. Herschel Combs.

Also playing in the tournament Friday were Mrs. Deaver and Mrs. Foxhall in the afternoon session and Mrs. Arvor McQueen and Mrs. John Shadid, both afternoon and night; and in the night session Mrs. Harrison and Mrs. Crawford.

CARD OF THANKS
We wish to thank the wonderful people of this community that have made our burden possible to bear by sharing our loss and sorrow. We thank each of you for expressing your sympathy with words of kindness, food, flowers and memorial contributions. It is impossible to tell you of the warmth and love we feel for each of you who came to us in our time of need.

The Family of Mrs. W. W. Richards
Visiting over the weekend in the home of their parents, Mr. and Mrs. R. C. Lemons, were Mrs.

James True and daughter of Dover, Del., Mrs. Rondel Davidson and daughter of Lubbock, John Lemons, a student at Texas Tech in Lubbock, and Mary Ann Lemons, a student at McMurry College in Abilene.

LD Call Rates Will Be Reduced After Nov. 1st

General Telephone Company of the Southwest and Southwestern States customers will share in a \$120 million annual savings for telephone users in the nation.

The seventh long distance rate reduction in five and one-half years will go into effect Nov. 1. The new rates will apply to station-to-station interstate long distance calls (between states). Under the new after-midnight economy rate schedule, customers will be able to call the furthest point in the U. S. — excluding Hawaii and Alaska — for 75 cents, not including overtime charges and taxes.

Savings also will be realized by customers because the lower priced rate periods have been extended to include more hours. Station-to-station calls will have day rates Monday through Friday from 7:00 a. m. until 5:00 p. m. (Present rates cover a period from 4:30 a. m. until 6:00 p. m. daily.) However, calling periods will not be changed for intrastate messages (within the state).

New evening rates will be in effect from 5:00 to 7:00 p. m. Monday through Friday, and the night rate is scheduled to be Monday through Friday from 7:00 p. m. to 7:00 a. m., plus all day and night on Saturdays, Sundays, New Year's Day, July 4, Labor Day, Thanksgiving, and Christmas.

The new evening rate — from 5:00 p. m. Monday through Friday — permits calls from General Telephone's five state operating area to the furthest points in the U. S. excluding Hawaii and Alaska for \$1.25, for the initial three minutes.

The special late night economy rate has been added for customer-dialed station-to-station calls between midnight and 7:00 a. m., except for coin telephone calls, third number billing calls, collect calls, and calls on which time and charges are reported. However, exchanges that do not have Direct Distance Dialing equipment also will enjoy the new late night rates on station-to-station calls.

If a call during this time period does not qualify for the special night economy rate because of previously mentioned conditions, it will be billed at the regular night rate. The special late night economy rate permits a call to the furthest point in the U. S. — excluding Hawaii and Alaska — for 75 cents, not including overtime charges and taxes.

Person-to-person calls will have day rates Monday through Friday from 7:00 a. m. until 5:00 p. m., plus all day and night on Saturdays and Sundays.

The various time periods refer to the local time at the point of origin.

DO YOU KNOW?
That the more than 25,000,000 poppies made by disabled veterans are sold on the streets under supervision of the American Legion Auxiliary, by approximately 125,000 volunteer workers who receive no compensation?

REA CARRIES—No. 30 HB Gary Rea (right) is shown above carrying the football against Hale Center in the first half of the game the local team won 34-6. Rea maintained a remarkable 7.6-yd. per carry average with 53 yards in seven carries, and caught six passes for 79 yards giving him a 132-yd. overall offense for the night, and a gain of 10 yards every time he got his hands on the football. Other Cyclones shown left to right are No. 81 Roy Long (throwing a block) No. 64 Johnny Scott, No. 71 Garvin Speed, No. 61 Randy Jennings.

First Ginning Report On Harvest Lists Over 7,000 Bales Gathered

With the temperature dropping to 25 degrees here in Memphis, and the entire county receiving some killing frost during the week, the 1967 cotton harvest is getting season.

A telephone survey of the county gins this morning revealed that 6,996 bales have been ginned at 11 ginning points; however, one point was unable to be contacted by telephone during the survey so it has been estimated that over 7,250 bales have been ginned.

Several of the gins reported that it will be approximately 10 days before the harvest of the crop will be in full swing.

The survey also revealed that the southern portion of the county is behind the northern portion as far as the harvest is concern-

ed. The weather the past two weeks has not been favorable for harvest of either cotton or grain sorghum, it was reported.

As to early predictions of the yield for the 1967 crop, it appears now that the county will harvest more bales than last year when 36,714 were reported. Some agricultural observers are estimating as high as 45,000 bales while others list figures below this and still others think it will go slightly above this figure. At any rate, the county's yield per acre for 1967 should be pretty good considering adverse weather conditions in some portions of the county during the growing off the ground.

COUNTY AGENT SAYS

Properly Stored Agricultural Chemicals Save Money and Time

Left over agricultural chemicals should be properly stored during the winter months for several reasons, reminds County Agent W. B. Hooser. They can be urged next year and thus reduce crop costs if they are properly stored.

Vegetable powders or dusts should be kept in a cool, dry place. Bags should be sealed to keep out moisture. Lids on cans should be closed tightly and, if holes have been punched to make a dust dispenser, tape should be used to seal the holes.

Liquid materials should be stored in the original labeled containers because either the carrier or active ingredients may be corrosive to other metal containers or other lids of glass containers. All bottles or cans containing liquids should be tightly sealed to prevent loss of activity by vaporization, points out the county agent.

These products should also be stored in a cool place where the temperature does not make extreme changes. If the label has become faded or torn, it may be a good idea to copy the vital information and attach it to the container along with the old label.

All unlabeled material should be discarded immediately, advises Hooser. But, he adds, dispose of the material with safety in mind. Burying at a depth of about 18 inches is a safe method of disposal, advises the county agent.

Memphis-Friona—

(continued from page 1)

praise for the blocking of the offensive line especially during the first half. "Our backfield did a fine job too, in almost every department," he said. The Cyclone defensive secondary came up with three important interceptions and two recovered fumbles of the three fumbles the Cyclone had. Tackle Johnny Scott made the other recovery.

Rev. Walter Hays—

order, Memphis; and Don McElreath, head laborer.

Voelkel stated that additional personnel will be added as the volume increases.

"We are anticipating that the office will be receiving a big volume next week," he said. "As the rush season comes, we will be processing samples as quickly as possible."

According to Voelkel's quality

report, dated Friday, Nov. 3 and released to the news media in the eastern Panhandle, gives the following figures: 28 per cent in white grades, 69 per cent Light Spotted, and 3 per cent Spotted. Chief grades were: 20 per cent Middling, 5 per cent Strict Low Middling, 9 per cent Strict Middling Light Spotted, 55 per cent Middling Light Spotted, and 5 per cent Low Middling Light Spotted.

The staple length ranged from 7/8 inch to 1-9/32 inches with 15/16 inch the predominant length showing 70 per cent. Other lengths were 7/8 and 29/32, 7 per cent; 31/32 inch, 10 per cent; 1 inch to 1-1/8 inches, 5 per cent; and, 1-1/8 inches and longer, 8 per cent.

The micronaire readings, which indicate the fineness and maturity of the cotton fiber, showed 82 per cent in the 30 point premium

range of 3.5-4.9. Seven (7) per cent reading 3.4 and below, 11 per cent was 5.0 and above.
