Wheat Program For 1970 Is Announced

The 1970 wheat allotments will be mailed to individual farmers this week, J. Robert Hanvey, chairman of the Hall County ASC committee announced today.

The 1970 wheat program is expected to help give the nation a better position in world trade, while at the same time it tries to bring wheat production more in line with needs.

The 1970 Hall County wheat allotment is 10,905 acres. This is a 12 percent reduction from the county allotment of 11,313 acres.

The national average price-per-bushel will be \$1.25 per bushel, which is unchanged from last year. This level is being maintained in an effort to achieve maximum utilization of wheat through increased export and continued large livestock feed use.

A diversion program at the minimum payment rate of 50 percent of county loan rates is being avoided production of 90 million bushels of unshelled wheat. This feature will allow producers to tailor their plantings by diverting up to one-third of their acreage allotments to the production of unshelled wheat. This feature will allow producers to tailor their plantings by diverting up to one-third of their acreage allotments to the production of unshelled wheat.

The option under which a producer can substitute the planting of wheat for feed grain or feed wheat for wheat in any combination will be available.

The 1970 wheat program is expected to help give the nation a better position in world trade, while at the same time it tries to bring wheat production more in line with needs.

wheat allotment in 1969, the 1970 wheat allotment will be 88.2 acres. The required diversion above the allotment will be 30.3 per cent or 26.7 acres.

Wheat marketing certificates will be paid on 48 percent of the allotment or 42.3 acres. An additional 44.1 acres may be diverted making 44.1 acres of wheat for harvest and 70.8 acres diverted.

Details of how the 1970 wheat program will apply to individual farms may be obtained at the county office the ASC chairman concluded.

Mrs. M. Holcomb, Pioneer Resident, Buried Friday

Mrs. Margaret Holcomb, 87, of Pampa, a former longtime resident of Memphis, died Thursday afternoon, Aug. 25, in Casa Del Nursing Home at Pampa.

Funeral services for Mrs. Holcomb were held at 3 p. m. Friday in the First Baptist Church chapel officiating.

Burial was in Fairview Cemetery with services under the direction of Spicer Funeral Home.

Mrs. Holcomb, born in Cooke County on Nov. 6, 1881, came to Memphis in 1904. She moved to Pampa two years ago.

She was a member of the First Baptist Church.

Over Six Beeves Have Been Given For County Picnic

Plans for the Annual Hall County Picnic are progressing as six beeves have been donated and a partial payment on another has been received.

Beef donors for the Hall County Picnic reported by Beef Chairman Olton Pate include:

Giving one beef — First National Bank of Memphis, First State Bank of Memphis, Memphis Compress Co., Farmers Union Co-Op Gin of Memphis, Mrs. W. C. Dickey.

Giving one-half beef — Estelline Co-Op Gin, Memphis Farmers Co-Op Gin, Giving \$25.00 to the beef fund — Paymaster Gin.

Picnic Assn. President Lester Campbell announced that tentative plans for a street dance after the square dance on the square Saturday, Sept. 20, have not worked out and this has been dropped from the schedule of events.

Otherwise, the schedule which was published last week is still being planned.

Estelline School Budget Hearing Set For Monday

The budget hearing of the Estelline Ind School District will be held at 8 p. m. Monday, Sept. 8, in the Superintendent's office, it was announced this week.

All patrons of the school are invited to attend this special budget hearing during which the 1969-70 budget for the Estelline Schools will be approved.

Cyclone Booster Club To Meet Tonight At DeVille

The Memphis Cyclone Booster Club will meet tonight (Thursday) at 7:30 p. m. in the DeVille Restaurant, Danny Scarborough, president announced this week.

All members are urged to attend the first meeting of the fall season.

Cong. Bob Price To Speak To Civic Clubs Here

Representative Bob Price of the 18th Congressional District will be the speaker at a joint Rotary-Lions meeting here on Friday, Sept. 12.

The two clubs will not have their regular meetings on Tuesday and Wednesday next week so they can meet Friday at noon to hear Congressman Price.

Rotary Program Chairman R. C. Lemons arranged for the visit by Cong. Price to speak to the Memphis civic clubs.

Services Held Today For Z. C. Sanders

Funeral services for Zelbert Carl (Zeb) Sanders, 59, of Lakeview were held at 2:30 p. m. Thursday (today) in the Lakeview Baptist Church.

Rev. John W. Bobo, pastor of the First Baptist Church of Memphis, and Rev. E. H. Martin, pastor of the Lakeview Methodist Church, officiated.

Burial was in the I. O. O. F. Cemetery at Lakeview under the direction of Spicer Funeral Home.

Z. C. Sanders was born Jan. 2, 1910, at Marietta, Okla., and came to Hall County in 1942. He was a self-employed carpenter and plumber, a member of the Lakeview Baptist Church and the Oddfellows Lodge of Memphis.

Mr. Sanders was united in marriage to Miss Zella Bernice Johnson on April 19, 1929, at Duke. He died at noon Tuesday of a heart attack while driving his pickup in downtown Lakeview.

Survivors include: his wife of the home; three sons, Howard, who lives north of Amarillo, Harold of Clarendon and Royce of Sulphur Springs; three daughters, Mrs. Berle Bevers and Mrs. Bill Johnson, both of Amarillo, and Betty Joyce Sanders of the home; 16 grandchildren; mother, Mrs. (Continued on Page 10)

Cyclone To Scrimmage Rattlers At Stinnett Fri.

A spirited bunch of Memphis lads will be leaving town tomorrow to travel to Stinnett for a scrimmage with the Rattlers scheduled for 8 p. m. in Stinnett.

Local fans are invited to make the trip to watch the scrimmage session at Stinnett, Coach Bert Glascock said.

For those unable to make the trip, however, there will be a 6 p. m. scrimmage here at Cyclone Stadium between the Wichita Falls Rider squad and the Hereford Whitefaces.

Plans were to host the scrimmage last week but due to a misunderstanding the scrimmage was not due to be held until this Friday, it was announced.

Class AAA teams do not begin fall workouts until a week later than do Class AA teams and the scrimmage was scheduled for the second week of practice. This scrimmage promises to be real interesting for both Rider and Hereford having promising ball clubs this year.

Memphis coaches were "surprised" at the hustle, determination and spirit of the local lads against Spearman in scrimmage last Friday evening.

Coach Glascock said the boys "showed the spirit of the Fighting Cyclone" and praised the team effort on the part of the boys.

Individually, the coaches cited Senior Tailback Ronnie McFall and Quarterback Merle Kilpatrick and Lineman Billy Gilbert for their offensive efforts and Mark Hundley was cited for his defensive secondary abilities while Max McQueen was praised for his defensive line play. McQueen had been moved into a defensive line position only two days before the scrimmage and the coaches were proud of his efforts.

Coach Glascock said Kilpatrick scored for the local squad on a long run and looked good for his initial outing in the quarterback position.

A good crowd of spectators was on hand to see the scrimmage. The scrimmage proved to be a lively affair with defenses having the slight edge over offenses, a common occurrence during pre-season scrimmage sessions.

Tuesday, Sept. 2, was pay day for many Hall County farmers as this was the first release date for most 1969 ASCS payments. Approximately two million dollars in 1969 checks were mailed Hall County farmers, Lynn L. McKown, Office Manager, Hall County ASCS, announced today.

The checks mailed represent about one-half of the payments to be made. Another large shipment of checks is expected this week.

All farm payments checks are paid by draft through the New Orleans Data Processing Center to enable a full record to be placed on permanent tape of the complete history of the payments.

The local office must type the records on special forms for submission to New Orleans and all drafts must be processed, audited and signed before mailing to farmers.

The three steps require time and only the early reported forms were in the first shipment.

As all payments must go through the Data Processing Center, if a draft is voided by the machine, it must be re-routed through the county office.

Some drafts are voided; therefore all payments cannot be made as scheduled. In some cases the first payment submitted may be the last to be paid.

All personnel have made every effort possible to make all payments at the earliest possible date and without some unforeseen delay 90 per cent of all payments will probably be made by Sept. 5.

Boll Weevils Are Sprayed In Over 6,000 Hall County Acres

Over 6,000 acres of cotton land signed up for the first boll weevil spraying in Hall County through the Hall County Insect Control Assn. and spraying was scheduled to begin yesterday.

The next scheduled application under this program is set for Tuesday, Sept. 9, and Hall County farmers who have not already done so have until noon, Monday, Sept. 8, 1969, to sign up for the second spraying.

Applications for spraying under the program are being taken at the Hall County Insect Control Assn. office located east of the First National Bank in Memphis.

The date of the third application will be set at a later date, it was announced. Farmers who do not participate in the first two applications and later become interested may come in and sign up for the third application or even later applications. Any farmer can sign up for one application or two or more applications.

Applications of 16 oz. of Malathion will be made at periodical dates, as set by the State Entomologist, for the next several weeks or until the money allotted to Hall County for this program has been exhausted.

It cost county farmers \$.78 per acre to participate in each spray application on a 50-50 cost share program with the government.

Six Young Ladies Vying For Picnic Parade Queen

Six lovely young ladies will be vying for the title of American Legion Picnic Parade Queen of the Hall County Picnic parade, set for Saturday, Sept. 20, at 2 p. m., according to Jay Stone, parade marshal.

The candidates are junior members of the American Legion Auxiliary and include Karen Nunnally, Nelda Gay Stone, Sue Melton, Sandra Spruill, Irene Foxhall and Nancy Voyles.

The parade is being sponsored by the American Legion Auxiliary. Ballots may be cast for the parade in decorated cans which will be placed in local stores, according to Mrs. Henry Gregory, parade president. Everyone is invited to support a candidate.

The American Legion Picnic Parade will ride the place of honor in the parade which will follow the color guard and band. She will be accompanied by the parade float which will be named "Princesses." All will be wearing formal gowns.

Karen Nunnally, 19, is the daughter of Mr. and Mrs. Jay Stone. She graduated from Memphis High School in 1969 and was named Homecoming Queen, Most Beautiful and Favorite. She served as president of the Future Nurses Club and was chosen Candy Stripper of the Year. The brown-eyed beauty lists swimming and horseback riding as her hobbies. She is attending Hall County Hospital Vocational Nurses School.

Nelda Gay Stone, 6, is the daughter of Mr. and Mrs. Jay Stone. She is a first grade student at Davis Elementary School and the youngest junior member of the American Legion Auxiliary.

Sue Melton is an active member of the Church of Christ and its Sunday School, where she has had attendance only six times in her life. The petite brunette has dark brown eyes.

Irene Foxhall, 17, and a senior in Memphis High School, is the daughter of Mr. and Mrs. Roy Spruill. The blue-eyed blonde graduated from Memphis High School in 1969 where she was an active member of the Future Homemakers of America. She also served on the staffs of the junior and senior plays. Sandra, who plans to work in Memphis, enjoys reading and sewing.

Nancy Voyles, 18, is the daughter of Mr. and Mrs. Clinton Voyles. A representative to Girls State this summer, she is a senior in Memphis High School. She was president of the Future Homemakers of America and is a member of the Future Teachers of America.

Bill Cosby To Give Oboe Recital Sunday

Bill Cosby, who has spent the past year in Salzburg, Austria, studying music under Arthur Jensen, professor of Oboe at the Akademie Mozerteum, will give a recital in Memphis Sunday, Sept. 7, at 3:30 p. m. at the community building.

The recital is open to the public and a cordial invitation is extended to the public to attend.

Cosby, who is the son of Mr. and Mrs. Bill Cosby, will be accompanied by Mrs. Ann Chamberlain.

Music to be performed will include Konzert for oboe in F minor by George Philipp Telemann; Sonata for oboe C minor Georg Friedrich Handel and Konzert for oboe C major, Wolfgang Mozart.

While in Salzburg, Cosby held the position of first oboist in the Akademie orchestra and the Salzburg Baroque ensemble. He also performed during the past year with the Ried, Austria symphony orchestra and the Bad Reichenhaller German symphony, and also gave two concerts at the Akademie during the contemporary Music Festival. On June 12, he was one of the soloists in the "Fellowship of Worship" recital.

Fellowship of Worship To Be Held Here Sun.

The First Christian Church of Memphis will host the final "Fellowship of Worship" service of this summer season, at 7 p. m. Sunday, Sept. 7, it was announced this week.

This cooperative effort has been carried out by the First United Methodist Church, First Presbyterian Church and First Christian Church of Memphis for the last four years and has been well received by many.

This "Fellowship of Worship" was postponed previously in order to have the services of Brad Posey as song leader and Soloist in his home church, also to make it possible for each of the local ministers to be present.

These churches and their ministers extend a warm welcome to the people of Memphis to join with them in this "Fellowship of Worship".

PARADE QUEEN CANDIDATES—Pictured above are six lovely young ladies who are candidates for the American Legion Picnic Parade Queen. Citizens are being asked to vote for these young ladies at a penny per vote. The girls are pictured in Heritage Hall and show an interesting contrast in dressing between the styles of today and the styles of yesteryear. Left to right are: Sue Melton, Karen Nunnally, Nancy Voyles, Sandra Spruill, Irene Foxhall and Nelda Gay Stone. The queen's contest ends Friday, Sept. 19 at 5 p. m. when ballot cans will be collected by members of the American Legion Auxiliary and the votes tabulated. The queen will ride on the Auxiliary Float near to head of the parade.

Rainfall Is Wonderful!

There's nothing that will brighten the heart of a farmer or businessman in Hall County as a good general wet spell during the spring or in August; and 1969 has been another one of those years.

But between these two wet spells, the last of June, July and first three weeks of August, Hall County had some of the hottest and driest weather in its history. Temperatures soared to an official high of 107 degrees on two days the middle of August.

Since June 20th, however, the temperature in Memphis has reached 100 degrees or above every week including last week for 10 weeks of real hot weather. During this period, no general rains occurred and even bikini-type showers were over the county.

Before the rains came last week, cotton farmers with dry-land fields were predicting that the county crop yield would not be worth going into the fields to harvest because of drought. They indicated their cotton plants would be all right until they began trying to bear fruit, and without moisture, blooms and squares would drop from the stalk.

For some of the earlier cotton, the rains coming the last week in August were almost too late, but for most cotton fields the rains came just in time to allow the plants the moisture they need to "load" up.

Last year, during the last week of August, a similar drought was broken by general type rain which added to an abundant harvest with a county yield of one bale to the acre.

This year, rainfall has been too spotted to be called ideal, with some areas receiving too much and other areas not getting enough. Also, hail has damaged many fields in the county.

As far as the 1969 cotton crop is concerned, farmers are still not over the "hump". With wet weather, insect damage to the crop will increase heavily and an early freeze could cut yields in half as it did several years ago.

The rains will also be most beneficial to the grass land and feed crops for livestock, the county's second biggest income producer.

Irrigation farmers were just as pleased with the rainfall as dry land farmers because many were facing a real problem. All summer long they have been using school-age boys to move irrigation pipes. With school beginning, these farmers were facing labor problems.

All in all, August rains are more welcome than possibly any other time of the year in cotton country. We won't say it put smiles on the faces of farmers in the area but it did take the frowns off many faces.

What Other Editors Say

Not Dismissed Lightly

The defeat of the Texas water amendment cannot be dismissed lightly, and those who are convinced of the emergency surrounding the need for a state water plan are not going to quit trying to solve a problem.

Maybe the plan was not the best devised and maybe not every section of Texas has water problems enough to be worried about it.

But the fact remains that water is a basic necessity of life and a considerable area of Texas is running out of it.

Man has been called, with considerable justification, the dirty animal. It actually appears that man is bent upon destroying his world.

He has managed to make his rivers rotten, carrying raw sewage and industrial wastes. He is discarding billions of tons of solid waste which has to be burned (with air pollution problems) or buried or washed out to sea.

It is estimated that in the United States, half the people depend upon water supplies which don't meet acceptable standards of purity.

Once people took water for granted, assumed that there would always be plenty of it. Now we are not so sure.

Man's survival depends upon a relatively thin layer of soil, water and air tightly wrapped around our planet's surface.

God provided mankind with a wonderful existence that depends upon the intricate interlocking of plant and animal life, the exchange of gasses, a precise amount of sunlight filtering through the atmosphere, and man's very body is a marvel of engineering.

Tax Man Sam Sez—

If the credit men's association had an annual award for he outfit that collected the greatest percentage of accounts there would not even be a contest. Internal Revenue would have to be declared the winner by a wide margin every year. It sounds like the tax folks are fumbling around when you read the stories about the millions declared "uncollectable".

When you take a look at Internal Revenue's record of 2/10 of 1 per cent declared "uncollectable" out of \$168 billions collected, it looks a little different. However, getting on the "uncollectable" list is only a temporary blessing. If Internal Revenue has your tax account marked "uncollectable" about the only way that you can keep it that way is to die—or never earn any more money. Because as soon as you become able to pay, Internal Revenue is usually able to collect.

IT IS YOUR MONEY

You have a right to know these facts

You spend a lot of money for auto insurance. You have read wild statements about insurance costs and companies. If you would like some plain talk, here it is.

They say . . . Auto insurance companies are guaranteed a profit.

FACT: Before insurance companies can make a profit they have to first pay to have wrecked cars repaired or replaced, pay hospital and doctor bills for folks injured in auto accidents, pay for stolen or stripped cars, pay for cars damaged by hail, fire, wind or flood waters, pay wages or commissions to 95,400 Texans who give service to policy holders in every county in the state, pay taxes and operate their companies. If there is anything left after all these payments have been made, it is profit.

They say . . . Texas auto insurance rates need to go up 11.4 percent.

FACT: The evidence is very clear. Accidents are up. Medical costs are up. Repair costs are up. Auto thefts and vandalism are both up. All this forces rates upward. Facts and figures prove that a 17 percent increase is needed now.

They say . . . There is nothing you can do to lower your auto insurance costs.

FACT: You can't lower labor and medical costs. You can't lower automobile and parts costs. You can help reduce the number of traffic accidents and crimes against automobiles. The accident that doesn't happen does not boost the cost of auto insurance. The car that isn't stripped or stolen does not increase the cost of your auto insurance.

Let Governor Smith, your Mayor and your County Officials know that you want a stop put to Texas' growing traffic accident and crime tolls . . . that you want the law enforced. Good law enforcement can reduce accidents and crimes against cars.

Lower accidents and crime rates can mean lower auto insurance rates for you. Isn't this worth a little effort on your part?

They say . . . Labor costs are a small part of auto insurance costs.

FACT: Labor costs make up the major part of auto repair bills and in some parts of Texas labor costs for auto repairs have increased in recent time by an amazing 40 percent.

They say . . . Auto insurance companies make too much money.

FACT: Look at this listing of the earnings by major industries in the United States as published by the First National City Bank of New York and as republished in the study developed by the Arthur D. Little Co., an independent research organization then judge for yourself:

	Profit in Relation to Net Worth
Common Carrier Trucking	22.9%

CLEVE EVANS

W. J. HEMBREE

Cleve Evans Promoted To WTU Dist. Sales Manager Position

The retirement of a veteran employee of West Texas Utilities Company in Childress, and the promotion and transfer of Cleve Evans of Memphis was announced today by District Manager J. C. Childress.

W. J. Hembree, employed by WTU for 31 years and District Sales Manager for the Company's Panhandle District since 1954, retired on September 1. Cleve Evans, a merchandise salesman in Memphis for the past 5 1/2 years, has been transferred to Childress and promoted to sales manager

for the Panhandle District.

W. J. Hembree joined West Texas Utilities Company in January, 1938 as a salesman in Paducah, and worked in that area until 1941 when he moved to Ballinger to begin his new duties as sales manager for the Company's Ballinger District. Nine years later he was transferred to Quanah where he served as district sales manager of the Quanah District until 1954 when he began his 15 years service as sales manager in Childress.

Born in Cottonwood, Texas in 1904, Hembree attended the public schools in Cross Plains where his father served as postmaster until the Hembree family moved to Abilene in 1919. He attended Abilene High School and was a member of the 1923 Eagle State Championship football team.

While attending high school, Hembree worked for Texas Cocoa Cola Bottling Company; worked as a tool dresser in the oil fields

near Strawn; and spent one summer working in the copper mines near Santa Rita, New Mexico.

Following graduation from Abilene High School in 1924, Hembree attended Simmons University for two years. He was a member of the Cowboy football team in 1924 and 1925.

Before joining WTU in 1938, he engaged in the automobile business in Jayton and in the bakery business in Stamford.

For many years Hembree was an active worker in the civic life of the various towns in which he resided. He served 10 years as a member of the Jayton School Board; President of the Chamber of Commerce and the Lions Club in Ballinger, President of the Runnels County Red Cross Chapter; and served as superintendent of the Sunday School of the First Baptist Church in Ballinger. He has been a member of the Childress Lions Club since 1954. He is a Mason and a member of the Shrine, Market Temple in Wichita Falls.

Mr. Hembree has not decided for sure what he will do following retirement . . . but probably when he is not camping, hunting, fishing or golfing . . . he will be in the "selling game," for as Hembree puts it . . . "That's the name of the game."

Just to make sure that he does not have leisure time on his hands, the Hembrees have purchased a camper, and that will be home wherever old No. 66 leads them.

Cleve Evans

Cleve Evans, a WTU merchandise salesman in Memphis since 1964, began his new duties as merchandise sales manager for WTU's Panhandle District on September 1. Mr. and Mrs. Evans and two children, Pamela Annette, 6; and Paul, 3, moved to Childress last week and have purchased a home at 1305 Avenue K, N.W.

Evans was born in Memphis in 1938, and has spent the greater portion of his life in the Memphis area except for the 2 years he served with the U. S. Army.

Following graduation from Memphis High School in 1956, he attended Clarendon Junior College for two years. Before joining WTU, Evans was employed at Fowler's Drug Store and by Household Supply Company.

Mrs. Evans is the former Betty Gidden of Memphis. They were married in Memphis in 1960.

Mr. and Mrs. Evans are active in the First Methodist Church where he is serving as a member of the Board of Stewards.

Mr. Evans is a member of the Board of Education of the Memphis Independent School District; is a past president of the Booster Club; is serving as tournament chairman at the Memphis Country Club; and is a member of the Masonic Lodge and the Memphis Lions Club.

Unlike his cousins, the polar bear does not take a long winter nap. He spends most of his time searching for food.

Former Resident, W. Weatherford, Dies August 24

Walter W. Weatherford, former resident and brother of Mrs. Robert Stewart of Memphis, died August 24 in Crystal City. Funeral services were held August 28 in the Methodist Church in Cesson with burial in that city.

Mr. Weatherford was born in 1910 in Tennessee and moved to Texas with his family in 1914.

He was engaged in farming in Hall and Donley counties from 1930 until 1960.

Other than his sister here, he is survived by three other sisters, Mrs. Willie Mae McClendon of Carizzo Springs, Mrs. Jay Sanders and Mrs. Viola Shipp, both of Fort Worth; two brothers, Omer of Fort Worth and Henry M. of Berwick, La.

Bruce Adcock, Bruce Adcock, Jr. of Mineral Wells, Mrs. Cecil Adcock of San Antonio and Miss Barbara Jean Howard of Houston visited with their mother, Mrs. H. F. Adcock, and other relatives over the Labor Day weekend.

Mrs. Carrol Gardenhire and daughter, Beckey, left Wednesday for Little Rock, Ark., where they will visit for two weeks with her parents, Mr. and Mrs. Jack Yarbrough.

CARD OF THANKS

We wish to take this means to try to stay thank you to each and everyone who has had this family in their thoughts and prayers in the past weeks. We are so thankful for all of the wonderful dedicated doctors, and the great progress that has been made in the medical field in recent years.

To those who called, visited and sent cards and gifts, we must tell you, these things made each day a little brighter for both Vernadine and her parents, too.

We can think of no adequate way to express our heartfelt thanks to those who sat up, and those who gave to the special fund for Vernadine, to the Memphis Fire Department for making known some of our needs, to those who responded so generously to our little Vernadine's need for blood donors, we just want to say, may God bless each

one of you in a very special way. The Gene Sessers, Gene, Barbara, Vernadine and Dacaria

By BYRON BALDWIN

Visiting in Memphis last week were Mr. and Mrs. Harry A. Fisher, Jr., of Ben Harbor, Mich. Mrs. Fisher, the former Gwendolyn Ballew, is a graduate of 1940 MHS. She left Memphis in 1940, also she has four children. A boy 12, a boy 19, a girl 16 and a girl 21. She says Memphis has improved a lot. Said they were in Portales last week and Coy Lee Odom told them not to miss Heritage Hall.

Mr. and Mrs. John S. Gendy of Pickins, Miss., were on the way to Mexico to see relatives and line-up an Elk hunt. Five generations of his family lived at Pickins and he says he is living in the home place in which he was born. The storm damage he said was a good many trees blown down quote, "We like your Heritage Hall."

Ira McElreath Gowan graduated from MHS in 1908. At a reunion of her children were Margaret Gowan Whitney, now of Hillboro, (MHS 1930), Dorothy Gowan, Memphis (1935), C. R. Gowan, now living in Walla Walla, Wash., the father of six children and his wife an Ireland born girl, (graduate MHS 1936), Louise Gowan Fisher, now living in Oklahoma City, (graduated MHS 1940). C. R. Gowan is another donor to Heritage Hall.

Glad to see Mr. and Mrs. Doyce George of Borger. He has been with the Borger P. O. for the past 20 years. Doyce graduated from MHS with the 1938 class and his wife, the former Ola Wright, graduated with the 1945 class. They have raised their family; all the kids are married and they are back where they started, just the two of them.

Bob Helm, who says he is the youngest of the 8 offspring Neils Helm, graduated from Estelline High School in 1950. He married Betty Sue Spencer of MHS, formerly worked for the Memphis Democrat and is now working for the Pampa Daily News.

Ed Foxhall's private telephone now is cleaned up and in operation in Heritage Hall.

Mrs. Bernice Wrenn Cousey had two of her daughters down town going through Heritage Hall. Charlotte Cousey Kolka graduated MHS 1939, now lives in New York City. She has one son 16 years old and one girl 19 years old.

Gwendolyn Coursey Shephens of Houston graduated MHS in 1943. Gwendolyn has four children; boy 19, girl 17 and twin boys 12. Both girls very much pleased with Heritage Hall.

Mrs. Gene Corley had a get-together of her brothers and sisters, three sisters and three brothers and their father. First time all had been together since the passing away of their mother 10 years ago. Ernest McEachern of Tucson, Ariz., Orient McEachern of El Segredo, Calif., A. J. McEachern of Santa Monica, Selma Caviness of Plainview, Thelma Murrell of Hattara, Calif., Ruby Turner of Young, Ariz., and father, A. W. McEachern of Plainview. One set of twins in the family. All seem to be enjoying the reunion and all very complimentary of Heritage Hall.

Picture received from L. L. Ward of Mesa, Ariz., who started to school in 1908 at Newlin and his teacher was Miss Ester Swift. Joe Allen Ballard, Lola Morrison, Mary Swift, Myrtle Nelson, Mary Langford, Cleo Grundy, Blanche Mann, Floy Ewing.

Mrs. Greenhaw donated marcelling iron used by Grace Leverett in their shop in 1922 when marcelling was a real art.

Jack Jarrell first taught in Newlin when they had eight teachers in the school and the salary was \$75.00 per month, and they gave two weeks extra time one year as the school ran out of money and did not want to use script. His next school was Swearingen, travel horseback, at that time. T. L. Garrett had transportation car between Memphis and Wellington and remember when he traded for a Maxwell and made better time and some of the boys would wager their hard boiled egg or sausage and biscuit as to whether the car would come by on time. Jack is now living in Elcajon, Calif., still teaching. Graduate Clarendon College Academy 1927.

Picture from Mrs. W. E. Gam-

mage of Plainview. This week Mr. and Mrs. W. A. Johnson and daughter, Rhea, taken several years ago. They were editors of the Hall Co. Herald for a number of years along with their son, Earlo. Mrs. Gammage sent in contribution to Heritage Hall.

Picture of Lena Bell Sloan in her graduation dress of the class of 1912. Also a picture of the Confederate Veterans reunion 1916. The only ones she could make out in the picture were M. L. Rainey, D. A. Cox, Pike McQueen, and Capt. Adkisson.

Allyn and Helen Harrison were in Heritage Hall and I asked them about their okra crop and they said they had harvested one pod of okra this year, but were going to plant it in a larger pot next year. They were on their way to the Finch family reunion in Dalhart. Orville Finch was one of our strong "backers up" in the Heritage Hall, both in words and donations.

Jack Roach of San Diego, Cal., has been visiting his mother, Mrs. Ritchie, past several weeks. He says that he is a plumber by trade, but I think he is a good landscaper from the looks of his mother's home and place of business where the bus stops he really gave it a face lifting on his vacation. He was graduate of MHS in 1940.

Our thanks to Shirey Patrick for furnishing us with mops and glass cleaner in Heritage Hall.

Overhead Flo Branigan singing and humming, "Put Your Little Foot Right There," but getting a little closer to her where I could hear better she was singing "Put Your Little Fifth Right There"... I guess this was what she was singing to Elmont and J. M. Ferrel when she was frying their fish on vacation.

Mr. and Mrs. Byron Baldwin attended the wedding of their grandson, Jim, in Dallas last week. They enjoyed attending some of the pre-nuptial parties for the young couple while there.

Rotary District Governor Visits Memphis Tuesday

Rotary District Governor Charles L. Reynolds paid his official visit to the Memphis Rotary Club Tuesday and spoke to over 50 Rotarians, Rotary Anns, and guests at the noon luncheon meeting.

Governor Reynolds is from Chidress and is also the 100th Judicial District Court Judge for this area. He is well known as a Court Judge and a strong Rotarian.

Governor Reynolds told those attending the luncheon that due to the complex aspects of modern society, the need for service clubs is ever growing. He pointed to Rotary's motto, "Service Above Self" and "He Profits Most Who Serves Best" as the reason for continued growth in Rotary throughout the free world.

Judge Reynolds urged local members to greater efforts by asking them to use legal standards to prove to themselves how much service they have done for their club and their community.

"We should ever be ready to offer our services," the District Governor said.

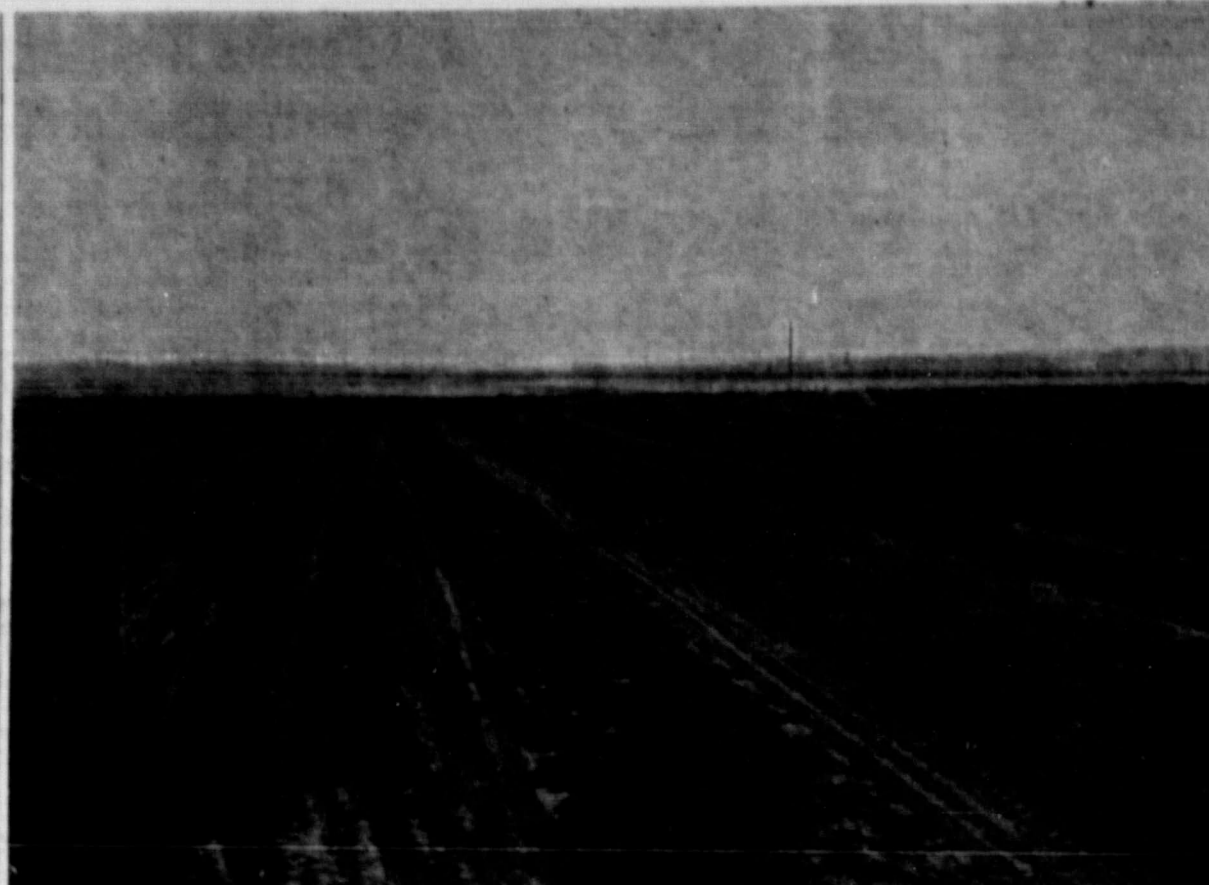

CARD OF THANKS

The Family of Benton Anthony wishes to express their heartfelt thanks to our friends and neighbors for your kindness to us in our sad hour. We are indeed grateful for the beautiful floral offerings, memorials, words of sympathy and for the food that was served. May God's blessings be upon you, is our prayer.

RYE FOR WINTER COVER—Pictured above is rye planted on the E. E. Cudd farm south of Memphis. Rye is recommended by Soil Conservation Service was excellent fall cover for interesting in cotton. As the ground dries up and farmers plow for the last time, it is recommended that rye be broadcast. The rye will grow during the fall and winter, giving soil protection, allow rains and snow to soak in, and protects against spring blowing.

Young Homemakers Announce Plans Complete For Club Year To Begin

The Memphis Young Homemakers have announced that plans are complete and they are looking forward to a very exciting year.

Mrs. Monte Rogers, president, stated that projects for the year will include a chili booth at the Firemen's Carnival in October, a cookie and candy sale to be held December 5 and a Cousins Home project in February. The club will also enter a float in the Hall County Parade Sept. 20.

Programs for the year will include: in Sept., Mrs. Helen Gribble, West Texas Utilities Home Economist, will demonstrate cooking meals with electrical appliances; in October, a fashion show will be presented by local merchants including Green's Dry Goods, D-Ann's Shoppe, The Lady Fair, Sylvia's Shop, Parker's Dept. Store, Creed's Clothing and Sims Dept. Store. Club members will serve as models. In November Mrs. Carl Wood will demonstrate holiday cake decorating and club members will assist her. In December, Mr. Bill Leslie will have some interesting tips on flower arranging for holiday decorating. Each member is to bring flowers to be arranged for a centerpiece. In January, Jim Fant of Quanah, Texas Dept. of Public Safety, will present a film on a woman's defense against an assailant's attack. February will bring Hubert Dennis who will present the program on flag etiquette. In March, Dr. Early B. Lockey of Amarillo with a diploma from the American Board of Obstetrics and Gynecology, will be guest. Dr. Lockey will have his talk on "The Pill, Is It A No No", and also will touch on sexual functions and disfunctions. April will find the Young Farmers and Ranchers having a discussion with the Young Homemakers.

The Young Homemakers are very proud of their "little sister" for the year 1969-70, members stated. The honor was given to Miss Nancy Voyles. They will also elect a "Family of the Year" at their first meeting in September. This is a very great honor presented to one of the members and her family, they said.

It was stated that the membership of the organization should be of three kinds: active, associate and honorary. An active Member is any person interested in homemaking, not enrolled in high school and not over 35 years of age. Associate members are those reaching the age of 36 years who may become associate members upon payment of dues. They are the same as active membership dues. Associate members shall have all the rights and privileges as active members except that she may not vote or hold office. Honorary membership is any individual who has made an

outstanding contribution to Young Homemaker Chapter and to the general improvement of homemaking conditions. The dues are \$3.60 per year for membership.

The group would like to express their appreciation to Mrs. Eddie Gable for the planning of the programs and the great work done on the new year books which will be presented to each member. Mrs. Troy Phillips and Mrs. Therman Widener were cited for the outstanding planning of the projects and social events.

The chapter announced that the week of September 14-20 has been designated as "Young Homemaker Week".

Officers for the year include: president, Mrs. Monte Rogers; first vice president, Mrs. Eddie Gable; second vice president, Mrs. Therman Widener; third vice president, Mrs. Troy Phillips; recording secretary, Mrs. James Merrell; corresponding secretary, Mrs. Oscar Maddox; treasurer, Mrs. Bobby Ward; reporter-historian, Mrs. Ted Wheeler; chapter advisor, Mrs. David May, Memphis, high Homemaking teacher.

County Singers Will Meet Here Sunday, Sept. 7

Members of the Hall County Singers Assn. will hold an area-wide singing convention Sunday, Sept. 7, according to an announcement this week by Ernest Lee, president.

The singers will gather in Fellowship Hall of the First United Methodist Church at 2 p. m. The program is scheduled to end at 4 p. m.

The general public is invited and urged to attend this event, Pres. Lee stated.

PARALLEL TERRACES—This field of parallel terraces on the Garvis Davis farm southeast of Memphis shows the ability of parallel terraces to handle large rains of last week.

Parallel Terracing Saves Farmers About 25% On Annual Farming Cost

Garvis Davis constructed 30,277 feet of parallel terraces last winter on his farm southeast of Memphis and last week these terraces got their first real test of holding large rainfall.

The terraces were constructed primarily to save time on tilling and harvest operations of approximately 25 percent on the average, and also to increase profits through better soil and water conservation. The field contains 138 acres.

Mike Bogard of the Soil Conservation Service reports that

about one million feet of parallel terraces have been constructed in Hall County. This represents about 3,700 acres that are being farmed in 25 per cent less time. Just how much this saves in dollars is not known but one can easily see that several dollars are being saved each year in Hall County.

Add to this the increased profit of holding water on the land and distributing it over a larger area by parallel terraces, it is easily understood why all farmers with these terraces report improved

yields as well as time and money saved.

Mack Richards, Joyce Webster, Buster Helm, G. W. Lockhart, Ernest Kilgore, Mrs. Ida Hutcherson and Roy Gresham has also built parallel terraces in this area of the county. As could be seen from the air last week there was a much better water distribution on farms parallel terraced than on farms with standard terracing.

Plans need to be made now for those interested in parallel terraces this winter. Contact the Soil Conservation Service if farmers are interested.

Sand dollars dine on microscopic life. They, in turn, are eaten by flounder, cod, haddock and starfish.

LETTERS TO THE EDITOR

(Editor's Note: Kathryn Fitzjarrald Hayes of Del Rio, granddaughter of the late Mrs. R. H. Wherry, sent the comments listed below in memoriam of her grandmother. She commented in asking that the message be printed that she wanted to share with those who knew her some of her advice and thoughts which had helped her. The letter follows:)

Have you ever known a person, who by the look in their eye, could make you feel as if all was right with the world? If you have not then let me introduce you to my wonderful and very special grandmother.

The world was made a much better place in December of 1881, when Addie Pennington was born; for with her came a glow she passed down for 87 years. I remember as a child, sitting next to her rocker listening to her tell me all the beauties of life and her telling me that all I had to do was look for them. On the sixteenth of June of this year she left us to go on to the beauties of eternity. If I may have a moment of your time let me pass along to you some of the great gifts that she gave to me.

Shoulder to cry on... a listening ear... a devout believer... these are only a few things that she was and is to all of us who knew her and loved her. An angel, no one of us could ever be that, though now she is. She had her faults like all of mankind, so she was very much human. However she had a way of making you think that heaven and being an angel was within easy reach.

Listen to the sounds around you for you might not have a second chance to hear that baby cry or laugh again. See the things in each day, for they might not come your way again. Smell the flowers, the trees and the air, tomorrow you may have a cold. Touch, all the things that are close at hand, how often do you get a chance. Most of all live life to the fullest, as God would have you do, and make him known to all that pass your way. These were the things that meant the most to her and now they mean so much to me.

Her sense of humor never failed her, and even on her death bed while she lay dying of cancer, she would smile through the pain to wish you a happy hello. How many of us can smile when something goes wrong, let alone while in pain? Even with her last breath she raised her right hand and smiled to a face that no one else in the room could see. Perhaps God is much closer than an eternity away.

I am happy to know that you are with our God, Granddaddy, and friends, however, if at all possible know that you are missed and remembered by family and friends alike.

This is my wish to all, that if you didn't know Addie Wherry, I feel sorry for you, and hope someday you can meet her in someone else. If you did know her, then remember her and her ideas of life for perhaps as you think of them they will help you as they have helped me.

Only a poker player is happy when he has the blues.

John Hall Is Injured in One-Car Accident Monday

John Hall, brother of Mrs. Noel Clifton of Memphis, was seriously injured in a one-car accident in Los Alamos, N. M., early Monday morning. The accident occurred just a few blocks from the family home when his car crashed into a telephone pole.

He received internal injuries, chest injury and a broken leg. At the present time, he is in the Los Alamos hospital, but will be transferred to the hospital in Albuquerque as soon as he is able to be moved.

A fellow who follows the horses sure has to keep ahead of them.

Lt. Byron Baldwin, Miss Merriam Wed In S. Carolina

Central United Methodist church in Florence, S. C., was the scene Saturday afternoon of the wedding of Miss Margaret Ann Merriam and Lt. Byron Baldwin. The bride is the daughter of Mr. and Mrs. Hugh Gross Merriam, Jr., of Florence and the bridegroom is the son of Dr. Russell Earl Gardner and Mrs. Tyler and grandson of the late Mr. and Mrs. A. Baldwin of Memphis.

The Rev. Iverson Graham, Jr., officiated for the double-ring rites in a chapel decorated with greenery, orchid candelabra and brass altar holding white Fuji mums and taberoses. Mrs. Harold R. Sawyer was organist.

The bride chose a floor-length gown of candlelight dutchess satin and Alencon lace designed with portrait neckline, elbow-length sleeves and chapel train. She wore a matching shoulder-length mantilla and carried a spray of white rosebuds and ferns centered with yellow rosebuds. Her father gave her in marriage.

Wedding Attendants
Mrs. Joe Howell Chambless, mother of the bridegroom, was matron of honor. She wore a floor-length dress with skirt of yellow tulle, white lace bodice and olive green satin belt. She carried a spray of yellow rosebuds.

Miss Margaret Linda Weeks, sister of the bride, was flower girl.

Lt. Baldwin served as his son's best man. Capt. Joe Howell Chambless was groomsmen. The ushers were Hugh Gross Merriam, III, George Lowndes Weeks, brother and uncle of the bride; Juf. Homer Johnson of Tulsa, Okla., and William Edward Roberts of Macon, Ga.

Virginia Honeymoon
After a reception in the Fellowship Hall of the church, the couple will travel to the Virginia mountains. For travel the bride wore a brown and white checked linen dress with matching hat and brown accessories.

They will reside in Baltimore, Md., where the bridegroom is assigned with the United States Army.

The bride is a graduate of Winthrop College in Rock Hill, S. C. The bridegroom was graduated from Baylor University.

Reapers Class Meets Monday With Mrs. Boswell

The Reapers Class of the First Baptist Church met Monday afternoon, Sept. 1, in the home of Mrs. Alla Boswell with Mrs. Helene Phelps as co-hostess.

The president, Mrs. Emma Bassille, opened the meeting with class song, "My Faith Looks to Thee." Mrs. Adams gave a devotional taken from Psalms 119-121 with remarks on the "light of the secret." Mrs. Boswell read the minutes of the previous meeting and also gave a report.

Mrs. Baskerville read a poem, "Leaning and Lifting" by Ella Wheeler Wilcox and presented a musical selection on the piano. The program chairman, Mrs. Duke, read two stories from the book, "Heartthrobs—Masters Blunder" and "In A Friendly Sort of Way". The meeting was closed with prayer by Mrs. Wilson.

Refreshments of cake and frostings, orange and grape were served to Meses. Maude Chaudoin, Mrs. Graham, Sackie Watson, Mrs. Adams, Grace Duke, Ethel Adams, Emma Baskerville, and one Mrs. Ranice Thornton.

Homemakers To Hold Car Wash On September 6

The Memphis Young Homemakers will have the first meeting of the year Monday, Sept. 8, at 7:30 p. m. The meeting will be held in the homemaking department of Memphis High School.

After a short business session, the guest speaker for the evening will be Mrs. Helen Gribble, West Memphis Utilities Home economist, who will present a demonstration on cooking meats with the use of electric appliances such as electric blenders and pressure cookers and an electric range. Mrs. Gribble will prepare several dishes which will be given away at the end of the program.

Refreshments for the evening will be served by Mrs. Bill Ballow and Mrs. Mary Harrell. The bake gift will be given to the winner.

MRS. JAMES R. BRYANT

Jan Neel, James R. Bryant Are Wed Friday, August 29 Here

Vows were solemnized at 7 p. m. Friday, Aug. 29, at the First Baptist Church for Miss Jan Neel and James Robert Bryant. Rev. James Henry, pastor of the Travis Baptist Church, officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. J. F. Neel, the granddaughter of Mrs. Clyde F. Milam and the great-granddaughter of Mrs. J. W. Stokes, all of Memphis.

The groom is the son of Mr. and Mrs. Aubrey Bryant of 1808 West 18th Street, Plainview.

The formal wedding of Miss Neel and Mr. Bryant took place before an altar centered with a large sunburst of heartshaped greenery with a white wedding quilted heart in the center and white satin bows and wedding bells draped on the side. Two large candelabra holding white tapers and decorated with gladiolas, greenery and white satin bows, and streamers flanked the heartshaped arrangement. Complementing each side of the altar were two large floor baskets of white gladiolas and greenery and two candelabra decorated with white gladiolas, greenery and white satin bows holding white tapers.

Two white satin kneeling pillows with the names "Jan and James" written in silver were placed in the center of the altar. White aisle cloth was placed on each side of the altar.

The bridal aisles were marked with white satin bows.

Mrs. Tommy Dunnam presided at the registrar's table to secure names of the guests. The table was of victorian design with a marble top. The white wedding guest book was signed with a white feather plume and was complemented by a large white and gold memory candle with white net, white satin bows and white pom poms.

The traditional wedding music was played by the organist, Miss Betty Stewart. Miss Stewart accompanied Mrs. Harold Duke Neel, aunt of the bride, of San Angelo as she sang "The Twelfth of Never" and "The Hawaiian Wedding Song". Miss Stewart wore a white two-piece suit and Mrs. Neel wore a blue satin dress. Their corsages were of white carnations.

The Bride
Escorted to the altar by her father, the bride wore a formal floor-length gown of luxurious bridal satin, with yoke and sleeves encrusted with bugle beads and seed pearls and detachable tubular trim. Her chapel train was fitted to a satin bow in the back and was graced with satin wedding bows down the center. The three tiered veil was of imported illusion attached to a pill box of seed pearls. Her only jewelry was a string of cultured pearls, a gift from the groom. She carried a white Bible covered with white imported lace and topped with a white orchid surrounded with white elegance carnations, white net and white satin streamers.

The bride carried out the traditional "something old and borrowed", a white lace handkerchief from the groom's mother, Mrs. Bryant; "something new", the white Bible, a gift from her mother; "something blue", a blue garter; and a six pence in her shoe placed there by her father.

The bride's gift to the groom was a set of black onyx cuff links with a center diamond.

Attendants
Mrs. Lonnie Widener, Jr., sister of the bride, was matron of honor. Bridesmaids were Misses Judy Wiley of Albuquerque, Nada Neel of San Angelo, both cousins of the bride, and Sharyn Whitener of Sudan. Their formal-length dresses were of hot pink satin with white imported scalloped lace over the bodice and were of an A-line fashion. They wore

matching head pieces, hot pink satin pill boxes with tulle illusion, elbow-length white gloves and carried bouquets of white carnations surrounded by net with satin bows and streamers in the bride's chosen colors of white and hot pink.

Little Miss LeBeth Williams served as flower girl and was dressed identically to the bridesmaids. She carried a white basket of rose petals with hot pink bows and streamers. She is the daughter of Mr. and Mrs. George Williams of Memphis.

Master Robert Montgomery, son of Mr. and Mrs. Robert Montgomery, Sr. of Memphis, served as ring bearer. He was dressed in a white top coat with black trousers and carried a white satin heart-shaped pillow with ring on top.

Best man was David Bryant of Plainview, brother of the groom. Groomsmen were Phillip Santmyer of Lubbock, Aubrey O'Steen of Tucumcari, N. M., and Larry Kerns of Perryton.

The groom and groomsmen were dressed in formal tuxedos with boutonnières of white carnations. The groom's boutonniere was of white Lilly of the Valley.

Ushers were Lonnie Widener, Jr., and Tommy Dunnam, both of Memphis. Michael and Marshall Davis served as candlelighters. They are the sons of Mr. and Mrs. Jack I. Davis of Memphis. The ushers and candlelighters were dressed in white formal coats, black bow ties and black trousers. Their boutonnières were white carnations.

For her daughter's wedding, Mrs. Neel chose a white silk dress with a three-quarter length brown and beige fish net lace top with brown and beige accessories. Mrs. Neel's corsage was of hot pink carnations.

The groom's mother, Mrs. Bryant, chose a beige lace dress with matching accessories. Mrs. Bryant

Gresham-Walker Nuptial Vows Read In Pretty Church Service

Orchid candelabras holding cathedral candles spiraled with woodwardia fern, flanked by jade palms and tree candelabras holding lighted tapers was the setting for the marriage vows of Miss Cynthia Jane Gresham to Gary Clark Walker. Completing the scene was a satin covered kneeling bench and votive candles marking the bridal aisles.

The double-ring ceremony was solemnized at 7:30 p. m. Saturday, August 23, in the First Baptist Church of Memphis with the Rev. John Bobo, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Roy Gresham of Route 2, Memphis and the granddaughter of Mrs. Emma Baskerville of Memphis.

The groom is the son of Mr. and Mrs. D. T. Walker of Estelline.

Guests were registered by Miss Susie Huckaby of Dallas, assisted by Miss Rhonda Gowdy of Lakeview.

Mrs. George Ferris, organist, played the traditional wedding marches and accompanied Ed Shubert as he sang "Because," "Walk Hand in Hand," and "The Lord's Prayer".

Attendants
Miss Brenda Gresham was her sister's maid of honor. Bridesmaids were Miss Cheryl Soloman of Hereford and Miss Jene Bruce of Estelline. Miss Bliss Bain of Yukon, Okla., cousin of the bride, was junior bridesmaid.

Their floor-length gowns of Karote were in a turquoise blue and styled with empire bodices and leg-a-mutton sleeves. The sleeves and bodices were trimmed with the same turquoise blue Venisee lace and the empire bodices were accented with a deeper blue velvet ribbon. Their headpieces were wide flat bows fashioned from the same fabric as their dresses. They carried colonial bouquets of white jack frost mums.

David Walker of Estelline, brother of the groom, served as best man. Groomsmen were Dale Walker of Amarillo, Randy Collins of Clarendon, both nephews of the groom, and Triston Mabry of Lubbock. Ushers were Melvin Long, Jay Holland, Jerry Cosper and Larry Elliot, all of Lubbock.

Tracy Tippett, cousin of the bride, and Rene Nelson of Dimmitt, niece of the groom, were flower girls. They were dressed identically to the bridesmaids.

The Bride
The bride, escorted to the altar and given in marriage by her father, wore a formal wedding gown of silk organza over bridal taffeta. The empire bodice was accented with Alencon lace which edged the high neckline and was repeated in short puffed sleeves with appliques of the French lace.

MRS. GARY C. WALKER

A chapel sweep fell from the bodice. She wore a floor-length veil of English illusion lace and seed pearls. She carried a cascade bouquet of phalenopsis orchid, white butterfly roses and miniature ivy.

She carried out the traditional custom of wearing "something old, something new, something borrowed and something blue".

Mrs. Gresham chose for her daughter's wedding an apricot color dress and coat ensemble of silk blend with matching accessories. She wore a green cymbidium orchid. Mrs. Walker, the groom's mother, wore a lime green knit dress with matching accessories. She wore a tan cymbidium orchid.

Reception
Following the ceremony a reception was held in the community center. Miss Karyn Smith registered guests from a round table covered with a turquoise satin cloth caught at intervals with miniature nosegays and centered with a blue candelabra holding

blue candles.

The bride's table was laid with a floor-length cloth of white sheer over satin and was centered with an epergne arrangement of white fugi mums and white tapers.

The all white four-tiered wedding cake adorned with wedding bells, doves, roses and cherubs, was topped with a miniature bride and groom. Serving the cake was Miss Susie Huckaby and Mrs. Melvin Long. Miss Rhonda Gowdy laded punch. All appointments were in silver.

Mrs. Larry Wynn of Canyon and Miss Gayle Walker of Amarillo presided at the groom's table. Coffee and chocolate cake were served from the table appointed in brass.

Miss Julie Fowler mingled among the guests passing out rice bags.

Others assisting at the reception were Meses. Raymond Whitten, Olton Pate, Hiram Crawford, Gene Lindsey, Lee Brown, Dick Fowler, Joe Montgomery, Charles

Martha Villarreal And David Douthit Marry In Crowell Rites August 17

The First Baptist Church in Crowell was the setting for the August 17 wedding of Miss Martha Villarreal, daughter of Mr. and Mrs. Elias Villarreal of Crowell, to David Allen Douthit, son of Mr. and Mrs. Bob Douthit of Memphis.

The Rev. John Gillespie, pastor, read the double-ring ceremony at 4 p. m. before a nuptial space decorated with greenery and baskets of peach and white gladioli.

Music for the wedding was provided by Mrs. Walter Stapp, organist.

Miss Trinidad Villarreal served as maid of honor and Miss Patty Gutierrez of Lubbock was bridesmaid. Both wore floor-length A-line dresses of peach dotted swiss and carried cascade bouquets of peach carnations. They wore matching headpieces of dotted swiss and white gloves.

Bill Davney of Amarillo was best man and Terry Gable of Memphis served as groomsmen. Ushers were Mike Godfrey, of Memphis and Gilbert Villarreal of Crowell, brother of the bride.

Given in marriage by her father, the bride wore a floor-length gown of peau de soie styled with rounded neckline, long sleeves and bodice empire waistline. A chapel-length veil of lace was attached to a tiara of satin embroidered with seed pearls.

The bride's mother chose for her daughter's wedding a pink dress with matching accessories

while the groom's mother wore a navy and white coat dress with navy accessories. Mrs. Villarreal wore a white corsage while the groom's mother wore a peach corsage.

Immediately following the wedding a reception was held in the Fellowship Hall.

The bride's table was covered with a white organdy cloth of appointed in crystal and silver. Centering the table was a four-tiered wedding cake topped with a miniature bride and groom. Also noted on the table was a candelabra and the bride's and attendant's bouquets.

Wedding cake and punch was served to the guests.

Those assisting with the reception were Miss Claudia Aranda and Lucille Carter of Crowell. Piano music was provided by Misses Jon Ann and Pam Carter of Crowell and Connie Patten of Vernon, cousin of the bride, passed out rice bags.

For a wedding trip to Red River, N. M., the bride chose for travel a gray and white dress with coat to match and white accessories. She wore the corsage from her bridal bouquet. The couple will be at home at 410 N. 13th Street.

The bride is a 1968 graduate of Crowell High School and attended Clarendon Junior College.

Mr. Douthit is a 1967 graduate of Memphis High School and attended Texas Tech and Clarendon Junior College.

Jan Neel— Continued from Page 7

ant's corsage was of hot pink carnations.

Reception

Following the wedding, a reception honoring the couple was hosted by the bride's parents in the fellowship hall of the church. Members of the house party included: Mrs. D. R. Wiley, aunt of the bride of Albuquerque, Mrs. Carl Wood and Miss Renee Wood. Miss Betty Stewart played music during the reception.

The bride's table was laid with a floor-length white satin gathered table cloth topped with white eyelet lace with a white ruffle around the edge and was appointed with crystal and silver. The centerpiece was a candelabra with hot pink tapers and white gladioli, white pom poms, greenery and white satin bows. A white satin stromer draped the front of the white satin table cloth with the names, "Jan and James" in silver. White wedding napkins with silver wedding bells and the names "Jan and James" and the wedding date in silver were used.

Behind the table stood a white and gold lattice draped with hot pink and white tulle with white satin bows and streamers bear-

ing the names, "Jan and James" in silver and large decorated double wedding rings in the center.

The three-tiered white wedding cake adorned with two white doves holding double wedding rings, white doves and wedding bells in miniature was trimmed with hot pink roses and topped with a miniature bride and groom standing in an enclosed white arch.

Fruit punch, nuts and white heart-shaped mints with hot pink roses on top completed the reception.

For her wedding trip, the bride chose a white silk two-piece suit with a hot pink scarf around her neck. Her accessories were white and her corsage was the orchid from her bridal bouquet. The couple will spend their honeymoon in Ruidoso, N. M.

The bride is a graduate of Memphis High School and is now a senior at West Texas State University, majoring in elementary education.

The groom is a graduate of Plainview High School and is also a senior at West Texas State University, majoring in physical education.

The couple will be at home at 2612 5th Ave., Canyon, and will continue their studies at West Texas State University.

bodice featured a bateau neckline with an over-layer of the re-embroidered Alencon lace on the bodice front which ended in a scalloped design at the neckline. The fitted sleeves formed petal points over the hands and the elegant skirt formed deep pleats at each side creating a sheath effect to the center front, and a bouffant over-skirt. The deep pleats extended across the back giving added fullness and unfolded to form a sweeping chapel-length train.

An informal reception was held in Fellowship Hall following the ceremony.

The bride has attended S.M.U. and is a senior at Baylor University.

The groom is a member of Kappa Omega Tau, a social service fraternity at Baylor. He is a graduate of Baylor and will be attending graduate school in sociology at Baylor where he is a graduate assistant teacher. He is the recipient of a Fellowship and the Robert Lee Ferguson Henry scholarship.

After a week's honeymoon trip to New York City, the couple will be at home at 1008 No. Valley Mills, Waco.

Mr. and Mrs. Byron Baldwin were in Dallas to attend the wedding.

Although it is no larger than a thumbnail in size, the female peeper frog lays approximately 1,000 eggs.

A mortgage may be necessary at times, but one's conscience should be kept unencumbered.
