Ernie Spaulding Is New F. N. B. Advisory Director

At a recent Board of Directors meeting of the First National Bank of Memphis, Ernie Spaulding was elected an Advisory Director of the bank.

Mr. Spaulding is the chief pilot for Kickerillo Co. of Houston. He is a Flight Examiner, FAA, in Houston Area for both commercial and instrument pilots.

"We are very pleased to have Mr. Spaulding as an advisor to our board," President Jack I. Davis said. "He will be of great assistance on numerous matters."

Spaulding and his wife, Linda, have four children, ages 13, 10, 8 and 3. He is a graduate of Lamar High School of Houston and a graduate of the University of Houston.

City Council Grants Rate Increase To Lone Star Gas

Farm Bureau Names Delegates To Conv.

The Hall County Farm Bureau held their monthly business meeting Tuesday, Nov. 4, at 7:30

p. m. to attend to the business at hand and select the delegates and their alternates for the State Convention.

The delegates are: Mr. and Mrs. Leon Helm, Mr. and Mrs. Jack Boney and Mr. Van Howard. The alternates are: Mr. and Mrs. Dwaine Eller, Mr. and Mrs. Robert Clark, Mr. and Mrs. George Williams and Mr. Clyde Collins.

President W. M. Davis reported that the organization wanted to express its thanks and appreciation to the Youth Committee for the work they have done in 1969. "Also, we failed to mention in our past news release the fine talk Miss Cathy Boney, the student we sponsored to the Student Citizenship Seminar, made at the convention. Cathy gave an impressive talk on communism and this way of life. Hall County Farm Bureau would like to send more students to the seminar in 1970," he said.

The president went on to add that the Hall County Farm Bureau supports the Cotton Program. The organization here in resolution opposes the stand the American Farm Bureau has taken on the Farm Program and especially cotton.

"We feel that Hall County is more of a cotton producing county than any other crop, thus we are submitting these resolutions on cotton to the State Convention," he said.

The Memphis City Council met last week and passed Ordinance No. 446 which set the maximum general service rate for sales of natural gas within the city limits of Memphis.

The ordinance sets the first billing date to be Jan. 1, 1970, in which the new increased billing rates will go into effect by Lone Star Gas Company.

The rates set by the ordinance are as follows:

First 1,000 cu. ft. or fraction thereof \$1.8333 Gross; \$1.650 Net.

Next 24,000 cu. ft. at \$1.0100 per Mcf Gross; \$.909 per Mcf Net.

Next 25,000 cu. ft. at \$.9100 per Mcf Gross; \$.819 per Mcf Net.

Next 25,000 cu. ft. at \$.8100 per Mcf Gross; \$.729 per Mcf Net.

All over 75,000 cu. ft. at \$.7100 per Mcf Gross; \$.639 per Mcf Net.

The ordinance also states that "No gas bill will be rendered to any residential or commercial consumer served under the above rate not consuming any gas during any monthly billing period."

The Lone Star Gas Co. asked for a rate increase of 16.30 percent or an average of \$1.31 increase on the average monthly residential gas bill for their 1.442 customers in Memphis last month.

The Memphis City Council tabled the request until the November meeting. At the November meeting the rate increase was granted with an effective date of Jan. 1, 1970.

This is the first rate increase granted to Lone Star Gas Co. since 1953.

Council of Governments Several Memphis men attended the Council of Governments meeting in Shamrock last week.

Attending were Mayor Kenneth Dale, Kenneth Parker, Johnny Farnsworth, Robert Montgomery, A. L. Gailey and Bill Leslie. A. L. Gailey has resigned as sec-treas. of the North Rolling Plains Resource Conservation and Development group and Bill Leslie will be named to fill this vacancy, it was reported.

The meeting was held to discuss plans of organizing a Regional Planning Commission for the Eastern Portion of the Texas Pan-handle.

FOOTBALL QUEEN—Miss Cathy Boney, a junior, was crowned Football Queen of Estabrook Friday night in pre-game ceremonies. Captains Doug Fowler and Charles Moore performed the ceremonies. Pictured left to right are Freshman Patti Welch, daughter of Mr. and Mrs. Junior Welch, Senior Jan Hudlow, daughter of Mr. and Mrs. Ted Hudlow, Jr., daughter of Mr. and Mrs. Jack Boney, Jr., and Sophomore Connie Altman, daughter of Mr. and Mrs. N. W. Altman.

Veterans Day Open House Is Held Tuesday At American Legion Home

A Veterans Day open house was held Tuesday, Nov. 11, at 2 p. m. in the American Legion Home by Mrs. Simmons - Noel Post 175 and American Legion Auxiliary Unit 175. Honored guests were the Gold Star mothers.

Also attending as guests were Members of the Pathfinders Council.

Commander Henry Gregory was master of ceremonies for the program which was opened with prayer by Chaplain Gene Lindsey. The Pledge of Allegiance was led by 18th District Adjutant Bill Ballew.

Commander Gregory gave a brief patriotic talk, and then introduced Mrs. Henry Gregory, auxiliary president. She welcomed members and guests and introduced the only Gold Star mother present, Mrs. Mary Lou Erwin. Mrs. Erwin was presented a corsage by Mrs. John McCauley, first vice president.

Special guests for the afternoon were the representatives of Boys and Girls State, including Spencer Gilliam, Ronny Phillips, Nancy Voyles and Irene Foxhall. Each representative gave a short talk on their experiences at the state meetings and all expressed thanks for the opportunity of learning government by actual practice. The young people, all Memphis High School seniors, also stated that Boys State and Girls State had deepened their sense of patriotism and love of country.

USDA Announces Additional Details of 1970 Upland Cotton Program

Word was received this week announcing additional details of the 1970 Upland Cotton Program. J. Robert Hanvey, Jr., Chairman of the Hall County ASC Committee, stated today.

The U. S. Department of Agriculture, on October 31, 1969, announced 1970 crop upland cotton price - support loan and payment rates.

The national average price-support loan rate for Middling 1-inch cotton at average location has been set at 20.25 cents per pound for the 1970 crop. Price-support loans available to program cooperators for different individual qualities will be based on the Middling 1-inch rate. This is the same rate as that applicable to the 1969 crop.

The price - support payment rate to program cooperators has been established at 16.80 cents per pound.

The Memphis gridiron teams will be finishing the 1969 football season against teams from a traditional rival, Wellington, Thursday and Friday nights. Thursday, the Memphis Jr. Varsity team travels to Wellington to settle an 18-18 tie the two teams staged earlier in the season. This game starts at 7 p. m. in Wellington.

The Memphis 8th Grade Whirlwinds will be matched with the Wellington 8th graders at 6 p. m. tonight in Cyclone Stadium. Friday night, beginning at 8 p. m. in Cyclone Stadium, the Wellington Skyrocks of Coach Thayne Amonett will tangle with Coach Bert Glascock's Memphis Cyclone in the season final.

Nothing is riding on the contest except the long standing tradition and honor which goes with a neighborhood contest between two towns which have played each other ever since the days of organized football.

Comments Coach Bert Glascock said the Cyclone had a good workout Wednesday. "If our boys are mentally

ready for the game, we could give Wellington a good contest," he said.

"The rivalry between Memphis and Wellington seems to be more on Wellington's part than on ours. We didn't play for two years a few years back and our boys seemed to have forgotten their traditional foe," the coach said.

New Look Coach Glascock said that local fans may be surprised at the new look of the Cyclone's offense if they did not make the Seymour trip.

"We've gone to a pro-type offense, moved Sophomore QB John Carmen into the lineup and set Merle Kilpatrick as a split end," the coach said. "Merle made some fine catches at Seymour," Coach Glascock said to Memphis Booster Tuesday night.

The Memphis scouts reported Wellington has a small, fast aggressive team. They have five offensive and six defensive starters left from last year's team. They have 13 returning lettermen.

Jim Beeson Named To R. Authority Board

Jim Beeson, long-time wholesaler and gas distributor of Memphis, was appointed last week to the Red River Authority Board of directors of the Red River Authority.

Beeson has been active in civic and area - wide development projects for many years, and is presently serving as vice president of the Palo Duro Scenic Road Association.

Beeson was appointed by Gov. Smith at the time Beeson was named. He is Joe Wolverton, president of the First Wichita National Bank of Wichita Falls.

Beeson has been active in civic and area - wide development projects for many years, and is presently serving as vice president of the Palo Duro Scenic Road Association.

A. Collins Is GTC Central Office Foreman

A. Collins has been named Office Foreman for the Greenbelt Cotton Producers, Inc. according to an announcement by Sherron T. Lee, General Manager for General Cotton Company. Collins resides in Rockwell, N. M.

Collins has had considerable experience with the telephone company. His employment began in 1959. He has worked on a repair crew and served as the Repairman at Memphis. He has also worked as Central Office Repairman and Equipment Installer at Perot prior to being named Office Foreman.

Collins, D. A., Betty and three children reside at 1522 Walnut. He and his wife are Baptists. Collins is a member of the Masonic Order.

Among his hobbies are fishing and flying as he has a private license.

Junior Teams To Play Teams From Wellington

The Memphis Junior football teams will finish their season's tonight against teams from Wellington. Last week, the teams played Childress teams.

Coach Denzil Lacy said the Junior Varsity team played a fine ball game holding Childress to a 22-6 score. He first time these two teams played, Childress won 50-18. "It was 8 to 6 midway in the 4th period," Coach Lacy said.

"I want to commend this group of boys," Coach Lacy said, "they have the best attitude of any group of boys I have ever coached."

Bill Haublin scored the touchdown against Childress. Coach Lacy cited QB Mark Stevenson on offense and named Dale Wilkes as the outstanding defensive player. "Mark moved the team real well under pressure," Coach Lacy said.

Mayor Of Estelline Solicits More Help

(Editor's Note: The following report was written by Lance Walker, mayor of Estelline, and is a followup of his statements in October which outlined some of the problems of that town.)

I again want to express thanks to the ones who donated cash for clean-up work we have been doing around the City square and I want to say it was not just the ones who live in our city, for

we had several farmers in the surrounding area who donated money to help do this work.

But we have a far way to go yet to do what is needed to finish around the square proper. We need the use of a bulldozer, front end loader and dump trucks. This we do not have. I have the promise of a dump truck at a little later date, however, we need the other equipment.

Now, what we have done up to date has spread like wild fire. It has been in the Amarillo paper, the Dallas News, the Ft. Worth paper and the Lubbock paper.

Now we have the residences, area homes where you live. A good number could make a great improvement with just a little effort. I think anyone who owns a home would like for it to look nice and clean; so when visitors come and people pass by, they would comment as to how well kept the homes are.

Now I know some are not able to do this, due to physical or financial reasons, and I think we should help these people. So why not try to improve the appearance of your home, I think you will be proud you did.

But we have another condition in our town and that is old houses that no one has lived in for many, many years.

Proclamation of Coaches' Day!

At 10:30 this morning, Texas Governor Preston Smith signed a Proclamation designating November 14, 1969, as "Coaches Day" in Texas and he is urging all citizens to convey their appreciation and gratitude to The Coaches of Texas for their diligence and unfailing services rendered to our children.

In part, the resolution stated:

"While sports fans all over the country celebrate 1969 as the Centennial Year of collegiate football, it seems appropriate that recognition is long overdue to the many thousands of dedicated and sincere men who have made schoolboy athletics in Texas what they are today. From the first recorded high school football game, played in Dallas in 1900, to the Friday afternoon "pop rally" of today, the lives of those thousands of schoolboy athletes have been altered significantly to the better, by the one man who often is the only voice of authority, reason, and discipline ever heard — the coach.

"It is not easy to measure the true value of a high school coach, in any sport. Records mean little. Championships are not determinative. One fact is evident. Athletic coaches in the state of Texas can be measured by the deeds of their players, both on and off the playing area. While persons put forth the cry "do your own thing," and while some people follow that slogan, forsaking reasonable control and discipline, the athletes and managers under the discipline and tutelage of your athletic coaches generally do follow instructions, they generally follow proper course, they generally make fine, productive citizens after their athletic careers end. Many of our leaders in business education, and government received athletic training from a competent coach, clearly and beneficial experience to all.

"It is fitting that the citizens of Texas express their deep gratitude for time, sacrifice, and dedication put forth by these men who are the true leaders of our greatest asset, our children; it is fitting that we pay our coaches the highest compliment when we all say, "thank you, coach."

The proclaiming of "Coaches' Day" by the Texas Governor is somewhat unique, but appears to us to be both timely and proper. Friday is the final night of the regular 1969 gridiron season. For most coaches, it will be the final night they will send their young chargers to face the test. For every winner, there is a loser, a 50-50 split, the scoreboards flash the results.

Coaches ask for sacrifices from their team members, loyalty to training rules and regulations, strict observance to sound health practices. It takes dedication to play, and out of the hard work, strong character traits are molded.

It is the rule, with only few exceptions, athletes after the lessons in discipline they receive under their coaches, are better equipped to face life's problems than those who have not had this advantage.

Not all the problems handled by our coaches are related to athletics. When one boy is made a better citizen because of his association with the coaches and other athletes, then the value can be assessed.

We wish to add our salute to that of Gov. Smith's in saying "Thank You" to the coaches of our area. We appreciate you even more because of the beneficial experience you give to your athletes throughout the years.

What Other Editors Say

Our Friends, the Police

The policemen of this country have had a hard time in the past few years, and in some of the larger cities of the nation there is a movement to form a police union which will join forces with other police across the nation.

Even though this union has a "no-strike" provision, people across the country are disturbed about this movement, just as they are disturbed over a teacher union and other unions of public employees paid with tax money.

The police feel that they need some protection through a national organization, and they may be right. During the past five years, since the permissive philosophy that took root with the civil rights movement has come to full flower, the law breaker has had a heyday and the police have had problems.

In most of the major cities of this nation, police work has become so dangerous that it ought to qualify for combat pay. The police are called "pigs" by rebellious youth and by black militants who regard all police as their enemy.

The recent report on violence, made by presidential commission, said the cure for lawlessness was another \$6 billion in grants to ghetto areas, acting on the theory that if you give people money, they will be good. The same report said police brutality was rampant and that the poor got a raw deal when coming in contact with the police.

This is slanted propoganda, to be sure. But people will believe it.

The police need the support of the "silent majority" and they need the support of the courts in dealing with criminals. This country is fast becoming a jungle, and the only thing that make us a nation of law, is the police power that enforces these laws.

The policeman is the man who keeps us from anarchy in this country. It's time people recognized the policeman as a friend instead of an enemy.

Community Attraction!

What makes a community attractive? People who have long lived in smaller communities have a right to become concerned over the push to move industry and jobs out into their areas so that young people can continue to live there rather than migrate to the metropolitan areas. But too often the same communities adopt a defensive stand and start worrying that growth in the community will mean higher taxes.

The truth is that it may cost even more to live in a community of shrinking population and a declining tax base. Local government and community services cost almost as much in a declining as in a growing society. The few remaining people often find themselves taxed heavier to keep the services going. So in reality,

And health care facilities also come near the top of the list.

Of course, other community factors are important, also... like churches, recreation facilities, highways, and many others. You may wonder why I haven't mentioned low taxes. The reason is that taxes come a ways down on the list among characteristics considered by good firms shopping for new locations. Low taxes are nice provided they have not been achieved by "robbing" the community of the things that make for what is called "livability".

A company must have an adequate supply of labor, including young labor. They must have a community attractive enough to please the administrative personnel needed to launch and manage their factory, laboratory or whatever the enterprise may be. Low taxes do not necessarily mean happy families, good schools and a heads-up community.

Simple solution to rising car prices.

The Simple Machine. Ford Maverick. Still \$1995*

Our small car has scored a big success. And the reason is simple—solid value. Now, with other car prices going up all around it, Maverick is going its own Mavericky way. It still costs \$1995* and that's still a small price to pay for a car that's simple to drive... simple to park... simple to service... simple to repair... and simple to own.

Simple to drive. Turn on the engine and you turn loose the power of 105 horses. Yet Maverick rivals the economy imports in gas mileage.

Simple to park. Maverick can U-turn in a tighter circle than the leading import. It can nip around corners and slide into tight parking spaces with amazing agility.

Simple to service. Maverick is easier and less expensive to maintain than an economy import. Maverick requires fewer oil changes, fewer chassis lubrications, too. You save time and money.

Simple to repair. The Maverick Owner's Manual has 24 pages of instruction for routine maintenance jobs you can do yourself like change spark plugs, adjust ignition timing, and more. Fenders and grille can be replaced in a matter of minutes.

Simple to own. The simple machine can start solving money problems for you right now. Check it out at your Ford Dealer's. The price that made it famous now makes it a better buy than ever.

*Ford's suggested retail price for the car. White sidewall tires are not included; they are \$32.50 extra. Since dealer preparation charges (1.5%), transportation charges and state and local taxes vary, they are not included, nor is extra equipment that is specially required by state laws.

Seymour Downs Memphis 47-7

The Seymour Panthers downed the Memphis Cyclone Friday night in the Homecoming game at the Seymour High School. The Panthers capitalized on two pass interceptions and two fumbles by the Cyclone, and generally balanced passing and running attacks to win the contest. QB Jerry Arnold of the Panthers was a double threat passing and running with the football on almost pass-run situations. Arnold passed to Johnny Marshall for 14 yards and the first quarter was 13-0. The Panthers managed one TD in the second period. This one was an Arnold to Moore pass which covered 53 yards. Moore kicked the PAT and the Panthers led 20-0. Moore, a shifty halfback, took an opening kickoff after half-time for 57 yards for a TD. He ran over the field in this TD effort. QB Arnold rolled out to his left and sent the distance for the TD, covering 23 yards. Barry Demoney scored on a one-yard plunge, and Moore added the PAT making the score 38-0.

Then the Cyclone got a drive going as Split End Merle Kilpatrick snagged two, 20-yd. passes. TB Ronnie McFalls opened the running game with a four-yard carry, then got outside and raced 15 more yards. WB Mark Hundley carried on the reverse and picked up more good yardage. QB John Carmen, who played almost all the game at quarterback, passed complete to WB Hundley on the slant pattern and Hundley knifed deep into Panther territory. QB Carmen scored on a quarterback sneak from the one and FB Carol Thompson added the PAT kick making the score 38 to 7. Seymour came back in the fourth period to score 9 points on a TD and a 29-yd. field goal.

He is survived by two brothers, Troy Moore of Hereford and Walter Moore of Detroit, Mich.; four sisters, Mrs. Sallie Longshore of Long Beach, Calif., Mrs. Ola Disheroon of San Fernando, Calif., Mrs. Ruth Miller of Amarillo and Mrs. L. G. Yarbrough of Memphis. Mrs. Yarbrough was unable to attend the funeral services.

Publication Names Arle H. Jones As Patient Of Month

Arle H. Jones of Estelline was called "Patient of the Month" at St. Anthony's Hospital in Amarillo in a recent issue of The News Capsule, which was published for the month of October. The publication printed Mr. Jones' picture, and below it was a brief history of his life. "Everyone on the hospital staff wishes a speedy recovery to Mr. Arle Jones," the story concluded. Mr. Jones was recently transferred to Hall County Hospital, and is in Room 8. Most people save for a rainy day, but few wait for one.

Lt. McKenzie Awarded Combat Action Ribbon

Lt. William F. McKenzie, United States Navy, was recently awarded the Combat Action Ribbon in informal ceremonies at Barber's Point Naval Air Station, Hawaii. Lt. McKenzie received the ribbon for services rendered while aboard the U. S. S. Joseph Strauss during sea dragon exercises off the coast of North Vietnam from August, 1968 until November, 1968. Lt. McKenzie served as staff medical officer for Destroyer Squadron 11 for seven months in Vietnam. He was recently assigned to the Barber's Point Air Station. McKenzie is married to the former Linda Campbell of Lakeview.

CARD OF THANKS
May we take this way of thanking each of you for your prayers, visits, cards and other evidences of concern during the long illness and death of our loved one. We especially want to thank Dr. Clark and all the nurses at Hall County Hospital. May God bless each of you.

BEST BACK—Charles Bryley is shown with the trophy he was awarded for being the best back in the 6th Grade 8-team football tournament at Shamrock recently. The Memphis team defeated Shamrock 26-0 and lost 20-18 to Pampa. Pampa had two other teams while Erick, Okla., Panhandle and McLean also sent teams. Bryley was selected the best backfield player in the tournament.

Charles R. Brown Is Savings Bonds Committee Chmn.

Mr. Charles R. Brown, Vice President of the First National Bank in Memphis, has accepted appointment by the U. S. Department of the Treasury as volunteer chairman of the Hall County Savings Bonds Committee. Announcement of his appointment was made by Rex Brack, Chairman of the Texas Savings Bonds Committee. In announcing Brown's appointment, Brack remarked that "his wide business experience and active participation in community affairs will be most valuable in his volunteer service as Hall County Chairman especially in these times when the U. S. Savings Bonds Program takes on increasing importance in helping to keep our Nation economically strong and secure".

Brown is well-known in civic affairs, being active in volunteer work in many areas. He is on the Board of Directors of the Memphis Chamber of Commerce and is a member and past director of the Lions Club.

Brown holds several public service offices such as board member of the local Selective Service System and treasurer of the Salvation Army. He is a veteran of the Korean conflict.

Mr. and Mrs. Brown, Shirley, live at 1018 Cleveland with their son, David and daughter, Sally.

As county chairman, Brown will work with other community leaders in a year-round program to encourage the increased purchase of Savings Bonds at banks and on the payroll savings plan.

LETTERS TO THE EDITOR

Dear Sir,
I am enclosing a check to cover subscription to your paper for another year. I enjoy your paper because it is a means of getting news from up there. We lived in Estelline for twelve years.

My husband died last June 24. I guess I should have sent a notice of his death to the paper at that time; but didn't think of it. Think our friends at Estelline all heard of his death. Some of them sent flowers.

Sincerely yours,
Mrs. V. C. Beverly

Star Watcher Club Organized At Lakeview

The Lakeview Star Watcher Club of scientific exploration and observation of 1969-70 has been organized.

Officers are: president, Zane Gilbreth; vice president, Bill Rich-

burg; secretary and treasurer, Connie Fowler; and reporter, Donita Byars. Mr. and Mrs. Richard Gilbreth are club sponsors.

The club will meet once a month and among its activities will be observing the moon, studying the constellations and other celestial happenings during the year.

Since our last meeting during the spring, Mr. Gilbreth pointed out, "man has walked on the moon." This was one of the things the club was looking forward to

and has followed closely.

Members of the club include grades 7, 8 and 9 and are: Johnny Aguilar, David Cofer, Connie Fowler, Zane Gilbreth, Cindy Hight, Mary McMillian, Ronnie Proby, Cris Reyes, Donnie Ritchie, Terry Paul Watson, Teddy Chapman, Donita Byars, Ronny Garrett, Carrol Gomez, Kathy McMillian, Sherry Proffitt, Bill Rich-

burg, Billy Ritchie, Betty Sanders, Tommy Walls, Mary Wright, Elida Pena, Luke Griffith, Mary Ann Gilbreth, Janie Gomez, Marla Gregory, Carolyn Hughes, Pam Paschall, Nelda Ritchie and Thelma Wright.

Mr. and Mrs. Bill Watson of Dallas visited here Monday and Tuesday with Mrs. Watson's parents, Mr. and Mrs. Bill Leslie.

DELPHIAN GUEST SPEAKER—Mrs. Pauline Speer, pictured to the right, who is with the Delphian Club president, Mrs. Frances Finch, and Mrs. Jack Vernon at a Delphian Club open meeting. Region Auxiliary Unit Has Called Meeting Nov. 6

A called meeting of American Legion Auxiliary Unit 175 was held Thursday, Nov. 6, at 7:30 p. m. in the American Legion with Mrs. Henry Gregory presiding.

Mrs. Gregory announced that the assessment for the Veterans Memorial Christmas box has been sent to the Department of Texas. She read a letter from Mrs. Ira Gregory stating that the annual gift box at the Amarillo Veterans Hospital will be held Dec. 8-11. The letter also requested that the boxes should be sent to the hospital by Dec. 5. A work day for the gift box was discussed and it was decided upon at the next meeting.

The president then stated that the assessment for the Veterans Memorial Christmas box has been set at \$75. She also noted that a \$100 educational scholarship for veterans' children will be started by Divi-

UNICEF Drive Nets \$126.96

Mrs. Gayle Greene, who served as chairman of the 1913 Study Club UNICEF Drive in Memphis, stated this week that local citizens donated \$126.96 to the fund this year on Halloween night.

The money was collected by students of the 5th grade in Austin Elementary School as they made their annual "Trick or Treat" visits in their respective neighborhoods.

Mrs. Greene said the club expressed its appreciation to the school principal, Miss Ethel Hillhouse, and all the students who assisted with this worthwhile project. Without their help this project could not have been nearly as successful. The club also expressed thanks to local residents who contributed to UNICEF.

The money will be sent to the national headquarters to assist needy children throughout the world.

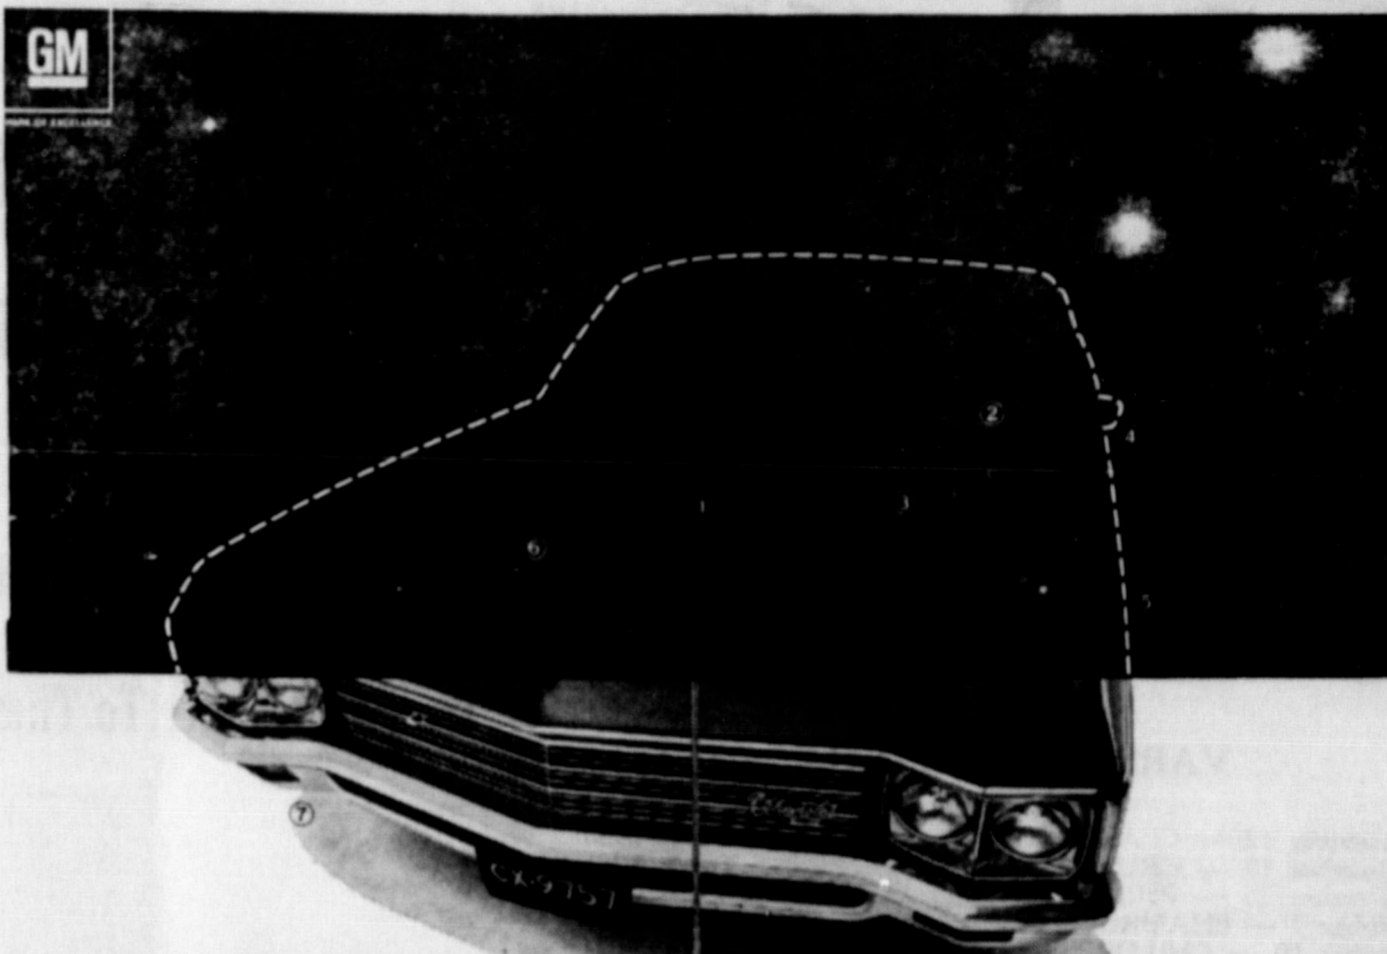

It is as hard for a rich man to enter heaven as it is for a poor man to live on earth.

Plans were set for the Veterans Day poppy sale which was held Nov. 10-11. It was announced that a Veterans Day open house was planned for Nov. 11, with the Boys and Girls State representatives on the program.

The membership drive was stressed and everyone was urged to collect 1970 dues from all present members and to enlist new members by Mrs. John McCauley, chairman. She said that at this time there are 70 paid senior and junior members, and that the goal for 1970 set by Department is 132.

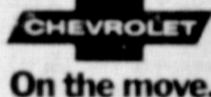

Mrs. Gregory reminded the group that the next regular meeting will be held Tuesday, Nov. 18, at 7:30 p. m. Plans for the gift shop volunteers, the gift box and Christmas party will be discussed.

Mr. and Mrs. Lanny Crisler of Pecos and Mr. and Mrs. Larry Crisler of Lubbock visited over the weekend with their grandparents, Mr. and Mrs. V. A. Crisler of Memphis and Mr. and Mrs. T. J. Chetry of Hedley.

Impala's hidden persuaders:

- ① **350-cu.-in. engine**
A new more powerful standard 250-hp V8 makes the 1970 Impala move with all the more assurance. On good ol' regular gas.
- ② **Anti-theft column lock**
A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.
- ③ **Aluminized exhaust system**
It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to. Fair enough?
- ④ **Side guard beams**
They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact. Not too many cars have them.
- ⑤ **Inner fenders**
Up inside every fender is another fender to protect against slush and mud and help keep your Impala looking young.
- ⑥ **Flush and dry**
We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.
- ⑦ **Full Coil suspension**
Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.

Mrs. Pauline Speer Is Guest Speaker At Delphian Club Guest Program

Interesting and informative program on "Mental Health and Retardation" was presented by Mrs. Pauline Speer, coordinator for the Vernon Center of State Hospital Tuesday afternoon, Nov. 4, at a Delphian Club meeting.

Speer spoke before members of the Delphian Club and a number of invited guests on the Vernon Hospital, which is the state hospital for a 15 county area including Hall County. The area has been known as Vernon North, is the state hospital for the 15 county area. All patients from this area will be entered in the new center which has been designed to create as near a home-like atmosphere as possible. There is also a unit in this center to treat alcoholics.

The patients in the center have church services, their own choir and enjoy parties. They have square dancing and a variety of games including canasta, dominoes, bridge, etc.

In closing, Mrs. Speer stated that the patients are not a sad people, but they do need the kindness and understanding of warm-hearted people on the outside. Mental illness will always be with us, but if we can work together to help these people, maybe our hospital will not be so crowded as many can be cured and return home, she said.

Mrs. Speer urged each community to become interested in the patients and visit the center in Vernon at any time. "So many of the patients are forgotten that a gift whether large or small shows them someone cares for them and this is the best therapy a patient can receive," she concluded.

The invocation for the day was given by Mrs. Henry Hays and Mrs. Speer was introduced by Mrs. Lynn McKown.

Mrs. F. A. Finch, president, presided during the meeting and welcomed visitors.

Tasty refreshments were served from an attractively laid table centered with a cornucopia filled with fall flowers.

Approximately 45 members and guests attended the meeting.

Health and Retardation. She pointed out that much success is being found through the method of treatment which offers various types of therapy including gardening, crafts and recreation.

She explained that there are two centers in Vernon. The South center, which was originally a unit of the Wichita Falls State Hospital has more than 350 patients and is now filled. This center was originally used to treat geriatric patients from a 53 county area, but is now a part of the Vernon Center. The new center, known as Vernon North, is the state hospital for the 15 county area.

The patients in the center have church services, their own choir and enjoy parties. They have square dancing and a variety of games including canasta, dominoes, bridge, etc.

Alpha Circle Meets For Study Mon. Afternoon

The Alpha Circle of the Women's Society of Christian Service met Monday, Nov. 10, at 3 p. m. in the First United Methodist Church.

The study of "China in Change" was continued with Mrs. W. V. Coursey giving an inspiring meditation from the fourth Chapter of the book of Jonah. She also read sayings from "How Many Sides to a Chinese Coin". She led the group in prayer.

A playlet titled "Christianity in

Chinese Life Today" was presented with the following characters: the mother, Mrs. Lee Brown; the father, Mrs. F. W. Foxhall; visitor Number 1, Mrs. R. S. Greene; visitor number 2, Mrs. Ben Parks.

The playlet presented an in depth understanding of how the Chinese are forced to worship in secret. There is no public worship as we know it in China now.

Mrs. F. W. Foxhall discussed the chapter of Christianity from the book, "China in Change" which dealt with the first Christians in 618 A. D., their disappearance two different times and their condition under the present Cultural Revolution with Mao-Tse Tung as their leader. To answer the question, how did the Chinese people respond to the Christian

Mission? In terms of numbers the response was small in relation to the enormous population. However, the contributions of Christians to the Chinese nation in education and medicine and in the concepts of individual worth and brotherhood were significant.

Mrs. J. J. McDaniel gave an informative interpretation of the chapter titled, "China Among the Nations". She focused her discussion on China's principles and tactics in foreign relations. In Peking's view Taiwan is an inseparable part of the one China. Her people feel that because of their country's size, their numbers, and their cultural heritage, they are entitled to treatment as one of the greater powers. They are confident in their nationalism and in

Tops Gilreath Is Co. Spelling Bee Director

Miss Tops Gilreath, Co. Supt., Memphis, is the 1970 Spelling Bee Director for Hall County.

Sometime before April 1, the Hall County Bee will be held and the champion will go to Amarillo on April 25, 1970, for the annual regional Bee elimination to choose a regional winner. The regional winner will win an all-expense paid trip to Washington, D. C. the first week in June.

Last year Carol Gomez, daughter of Mrs. Bertha Gomez, was the Hall County Champion. The champion was a 7th grader in the Lakeview School.

The 1970 Golden Spread Bee will be co-sponsored by West Texas State University and the Amarillo Globe - News. Mr. L. J. (Jack) Edmondson, West Texas University Director of Public Services, will be Bee Director for the Golden Spread. Again there will be a secondary contest — unique only in the Golden Spread Bee — open to contestants from the 6th and lower grades. These Juniors will be guests of the Amarillo Globe - News at the Regional Bee on April 25, but will not spell unless they represent the senior division, also.

Linda Gomez was the County Junior Champion for 1969, and her parent was Mrs. Bertha Gomez. She was a 3rd grader in the Lakeview School.

The first place winner in the Regional Bee will go to Washington as the district champion. The Washington trip includes several sightseeing trips and entertainment, the annual Bee banquet and presentation of awards. The Golden Spread winner will also receive a traveling plaque to be placed in his school.

Other outstanding prizes will be available. They include a Zenith portable television, a 24-volume set of Encyclopaedia Britannica, a copy of the Lincoln Library, Britannica World Atlas, and cash prizes.

Each County Champion receives an engraved plaque and gold pin. Each County Junior Champion is given a trophy and a silver pin during intermission at the Regional Bee (but there is no regional contest between the juniors.)

In the school contest, each win-

Rabbit Raisers Urged To Attend Nov. 18 Meeting

Members of the Hall County Rabbit Raisers Association will meet Tuesday, Nov. 18, in the Council Room of the Municipal Building. The meeting will start at 7 p. m.

All members of the association were urged to attend by Larry Wiginton, secretary, who made the announcement.

"Anyone interested in raising or is raising rabbits should attend," Wiginton said. "The purpose of this meeting is to discuss joining in a cooperative marketing association."

CARD OF THANKS
May we take this method of thanking our neighbors and friends for their kind expressions of sympathy in our bereavement. We especially appreciated the cards, flowers and memorial offering. May God bless each of you.
Mr. and Mrs. Ed Griffin

CARD OF THANKS
Since it will be some time before I can personally thank everyone, I will take this means of expressing my sincere thanks for all the cards, letters, flowers, gifts and visits given me during my recent illness. An experience like this makes a person realize how really dependent they are on the love, concern and prayers of their friends. It's so good to be back home with those fine Memphis folk again.
Mrs. Ocie Scott

ner receives a Paper-Mate pen, inscribed "School Champion". "I Entered" and "School Champion" ribbons will be awarded each participant in both junior and senior divisions.

This will be the 43rd year for the National Spelling Bee, sponsored by newspapers throughout the 50 states, and the 22nd Bee, sponsored by the Amarillo Globe News.

HB Danny West, 149, is one of the fastest lads in the district and he is a real threat on the end sweep plays. FB Larry Robinson, 140, is a good blocker and ball carrier, with good speed. WB Nicki Watts, 160, is a good receiver and carries on the scissor plays.

The Rockets' end sweeps with West carrying and their passing game are their best offensive weapons. The Rockets like to fake to the fullback, roll out and pass to the fullback after he has filtered through the line. This puts four receivers out and is difficult to defend.

Although the Rockets are not big, averaging about 160 lbs. in the line, both offensively and defensively, they are aggressive. They use a 5-4-2 defense and like to set their linebackers in tight. "They are the fastest team we have played this season, except maybe for Clarendon," Coach Glascock said. Because of their speed, they are a different type ball club than any we have played. They try to take advantage of this speed in almost every situation.

For the seniors, the game Friday night will be their final gridiron contest to wear their school colors. The seven Memphis seniors include: Merle Kilpatrick, Ronnie McFalls, Charles Carroll, Billy Gilbert, Ronald Bradshaw, Russell Smith and Max McQueen.

Veterans Day—

celebration with other national veterans' organizations as a counter-measure to Memoriam Day. Some of the moves was "Tell it to Hanso".

Besides the Legion, Commander Gregory said, senior officials of eight national groups planned observance in a strategy session this week. Also participating were the Veterans of Foreign Wars, Military Order of the World Wars, World War I Veterans, American Veterans of World War II, Disabled American Veterans, Retired Officers' Association, Reserve Officers and the Fleet Reserve Association.

Opponents of United States' policy in Vietnam sponsored Memoriam Day demonstrations across the country on Oct. 15 and have scheduled protests for Nov. 13-15. Commander Gregory stated that the veterans' groups feel Veterans Day is the proper time to fly the American flag in a counter-offensive measure.

"We also wish to thank court-house employees and the merchants who closed in observance of the day. Their cooperation is greatly appreciated by the American Legion."

USDA Announces—

(Continued from Page 1)

The 1970 rate compares to a 1969 program price - support rate of 14.73 cents per pound.

This announcement, along with previous determinations, gives cotton producers basic information on next year's program prior to a mail referendum, December 1-5, on 1970-crop cotton marketing quotes. In the referendum, at least two-thirds of the upland cotton growers voting must approve marketing quotas before the essential features of the program can go into effect. If more than one-third of the growers vote 'no', the only cotton program will be price - support at 50 percent of parity for growers who didn't exceed their acreage allotment.

The carryover of upland cotton as of August 1, 1970, is expected to fall to the lowest level since 1953. In view of the small carryover, payments will not be offered in 1970 for diverting acreage from cotton. Special provisions for small farmers, however, will be continued.

Small farms, that is farms with allotments of 10 acres or less or with projected production from the allotment of 3,600 pounds or less, may plant the entire farm allotment and, in addition to the price - support payment on the domestic allotment, receive payment of 11.95 cents per pound on the projected yield of 35 percent of the farm allotment.

Previously announced were upland cotton quotas national and State acreage allotments, national and farm domestic allotments, national and State projected yields, skip-row planting provisions, the lease and sale of allotments, and the national export market acreage.

Payments under the program would be subject to any limitation that might be required by Congress in the Department of Agriculture appropriations.

Farm Bureau—

(Continued from Page 1)

President Davis said. "Be it resolved that the Hall County Farm Bureau recommends that cotton producers develop and approve the cotton policies. We object to the procedure of permitting the complete voting delegation the right to determine the cotton policies."

"Be it resolved that the Hall County Farm Bureau recommends increased cooperation with other organizations which represent the interests of cotton producers in order to present the views of Texas cotton producers and to join with said organizations to develop and support a unified cotton program."

"Be it resolved that the Hall County Farm Bureau supports the permanent extension of the Agriculture Act of 1965 (PL 89-321) as it pertains to cotton. We feel that acreage controls and support payments are a necessity if cotton farmers are to receive a reasonable return on our investment and labor."

"The Agricultural Act of 1965 presents the best solution to the problem of keeping cotton priced at a competitive level, while maintaining farmers' income. It also has succeeded in reducing the high surplus of cotton of prior years and offers the best change to give the cotton industry a higher degree of stability in relation to price and supply."

It was also announced that Russell Bryant, service agent for Hall County Farm Bureau, has resigned effective Saturday, Nov. 15, 1969.

The office will continue to service the members through the special agent, Frankie Howard, and secretary, Margie Scott, President Davis reported.

Mayor Of—

many years. And we have some houses that were moved into town, and no one has ever lived in them. These houses are home for skunks, snakes, rats and a bad fire hazard. Now the City Council can condemn these houses by legal procedure and destroy them. Any cost that may cost the City, we can apply to the lots and this would cloud the title. I do not think the owners of these houses would want this to happen.

Before I forget, we have one elderly lady, an old timer in this town, who was in the hospital 28 days. She was told that it could be possible she would not be able to work any more; but she is one of determination; so she worked in her flowers, using a walking cane. She has a clean yard, even cut the weeds outside of her yard fence. So I say, all of us need what she has. That person is no other than Mrs. Lou McClendon. Now comes the delinquent tax

question. And you know who you

are that owe these taxes: even some have 1968 taxes you have not paid; and 1968 taxes are delinquent and costing you interest and penalty. Now it has been stated previously, the City has to collect these taxes in some fashion. The City Council does not want to be hard on any one, but business is business, and the people should know this. I ask you to please help our city. As you know, the people make the city, not the city

that makes the people. Do

have the idea that our city is dead; let's put new life into it and this can only be done by doing our part. We have a chance to build up our city. Folks used to deny themselves luxuries to have money in the bank—today they go without luxuries to have luxuries. Some people wake up and themselves famous; others main out nights and become notorious.
