Happy Cruisers Aboard The Pacific Princess

L-R: BILL WILSON, Vancouver, Canada, DOROTHY & JOHN VAN KERSCHAUER, Florida; KEITH COX - Cruise Director - Tennessee, NETTA & BEN JARRETT, Gail.

We would like to express our gratification once again for a delightful cruise. The food was delicious, the hospitality great, and the islands something one would have to see

for oneself to believe. They were breath-taking from the ship and a very different life style from ours.

But equally important, we were afforded the

opportunity to make new friends.

Thank you again for a very exciting and enriching experience. We love and appreciate you.

/s/ Ben & Netta Jarrett

\$100 valuation and 24 cents per \$100 valuation respectively, on the building housing the liquor store. As you can see this will be very little revenue brought in through taxes.

On November 10th, there were 7 or 8 students and former students of Borden County issued citations in Gail for having alcohol in their possession while being under the legal age to possess such alcohol. And this may be the tip of the iceberg.

I urge the voters to stop and think, if alcohol is this easy for our young people to get now, what will it be if our county votes to legalize the sale of alcohol.

If you vote to legalize the sale of alcohol in our county and it passes, can you look at yourself in the mirror after some drunk runs over you child or your neighbor's child and kills them.

And it can kill, I know. Alcohol destroyed our family and killed my father.

I urge you to vote NO on December 9th,

/s/ Randy Adcock

Dear Editor (and citizens of Borden County):

I'm deeply concerned about the upcoming election dealing with the legal sale of alcoholic beverages

here in Borden County.

I was so impressed with everyone and everything here in Borden County upon my first visit to Gail and the surrounding countryside. Now I'm proud to live in such a county where people's values and morals seem so high; not only for themselves, but for the children.

Most everyone turns out for the various school functions in support of the children. The churches are in support of our children. The "Borden Star" is in support of the children. But in all fairness, I cannot say that to have a wet county would be in support of our children.

I've lived in lots of other places where the sale of alcoholic beverages was legal and I know you good people would not want the results of this in your back (front) yards.

High crime rates, violence in the streets, more drug dealers and hence more users and more deaths. Is it not bad enough that these things are prevalent in these other places?

Do we by our actions and words tell our kids it's ok to drink while on the other hand we blatantly tell our children to "Just Say No!" to drugs?

Alcohol IS a drug and it can maim or kill.

Please, let's con-
cont. to pg 8

—LETTERS TO THE EDITOR—

Dear Editor,

On December 9th the registered voters of Borden County will be asked to vote for or against legalizing the sale of alcoholic beverages in our county.

It has been voiced that the sale of alcohol will bring in added jobs and revenue from

taxes. As far as added jobs, how many people does it take to operate a liquor store? One, maybe two people. And as for the added revenue from taxes, Borden County does not have a sales tax, so the sale of alcohol will not bring in any revenue

there, unless the county passes a sales tax, and then not only will alcohol be taxed but everything else you purchase in the county will have an added tax to it as well. So now we come to the school and county ad valorem taxes of 46 cents per

FFA NEWS

District Meet

Eight FFA teams traveled to the District Leadership Contest. The Gail FFA chapter had an excellent representation in the Lone Wolf District on Tuesday, November 7. The following teams participated for banners and the right to advance to the area competition. Pictured below are the teams that participated: SR. CHAPTER CONDUCTING: Placed 2nd overall and advanced to the Area level competition.

JR. CHAPTER CONDUCTING: placed 5th

SR. SKILLS: placed 1st overall & also advanced to Area competition

JR. SKILLS: placed 2nd in the district

RADIO TEAM: placed 3rd in the district

EXTEMPERANOUS SPEAKERS: placed 2nd

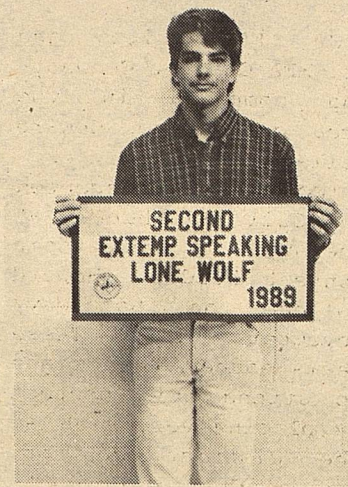

QUIZ TEAM: placed 4th overall

CREED SPEAKERS: Shawn Lewis and Jeremy Mize. Shawn was 4th, Jeremy 7th.

In the district level competition there must be a minimum of 4 teams in the contest to allow the 2 top teams to advance to area. If there is less than 4 teams in the contest, only first place team would advance. Mr. Wallace stated that all the students have worked extremely hard for preparing for this contest, and their hard work should be highly commended.

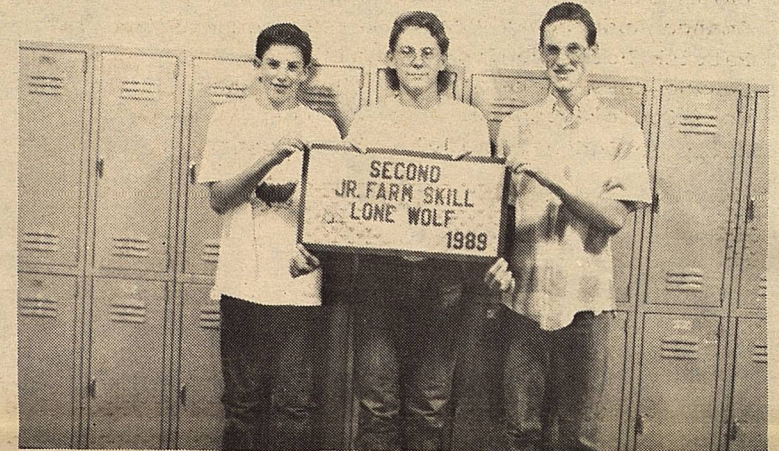

SR. FARM SKILL TEAM placing 1st in District (L to R) Patsy Underwood, James Smith and Kristin Kilmer. (Star Photo)

Allen Pearson placed 2nd in District in EXTEMP. SPEAKING.

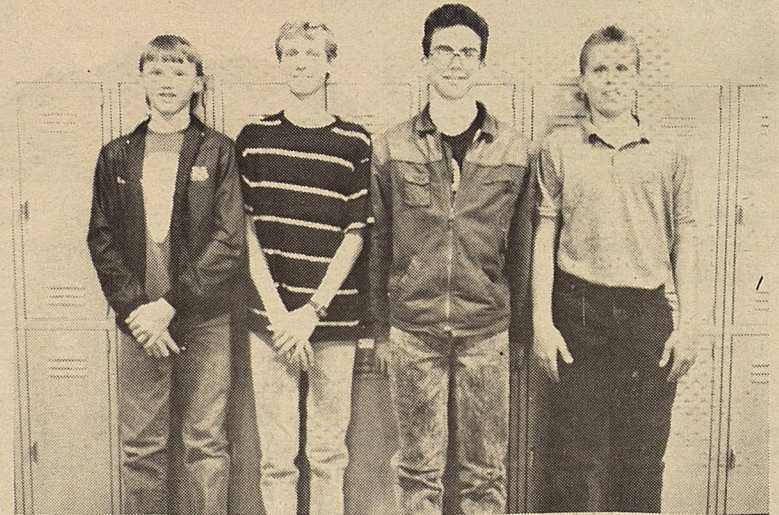

Marc Latimer, Jeff Lewis, and James Lewis members of the 3rd place FARM RADIO TEAM.

JR. FARM SKILL TEAM 2nd place in District: Kirk Jones, J.J. Kincheloe and Jeremy Mize.

JR. CHAPTER CONDUCTING TEAM: (L to R) Clint Wills, Clay Miller, Shannon Smithie, Shawn Lewis, Clint Anderson, John Paul Harris, and Ross Hataway placed 5th in the District meet. (Star Photo)

QUIZ TEAM placed 4th in the District meet: (L to R) Ross Hataway, Shawn Lewis, Clay Miller, and Clint Anderson. (Star Photo)

AREA MEET

Sr. FFA Skills, and Sr. FFA Chapter Conducting competed in the area contest at Howard College.

Two teams represented the Gail FFA Chapter at the Area II Leadership contest held at Howard College on Saturday, November 15. These teams earned the right to attend this contest by placing very high at the district contest. The Sr. Chapter Conducting team competed with eleven other teams in the contest and placed 6th in the Area. Team members were:

David Buchanan-President
Amanda Anderson-V Pres.
Patrick Herridge-Trea.
Shayne Hess-Secretary
Cody Cooley-Reporter
Kelly Jo Ogden-Sentinel

Betsy Breeden-Advisor
Billy Howard-Member

The Sr. Farm Skills team consisting of James Smith, Kristin Kilmer and Patsy Underwood competed with eight other teams in the area and won the competition which gave them the honor of representing Area II in the Sr. Farm Skill state competition to be held in Huntsville, Texas, Saturday, Dec. 2. Only 1st place teams advance from area. We are extremely proud of these teams who did an excellent job at the area competition. Let's all show our support to the Sr. Farm Skill team as they compete at the State contest.

SR FARM SKILL TEAM placing 1st in AREA Meet: (L to R) Patsy Underwood, James Smith and Kristin Kilmer. (STAR PHOTO)

SR CHAPTER CONDUCTING TEAM members: (back row, L to R) Patrick Herridge, Cody Cooley, David Buchanan, Billy Howard (front row) Kelly Jo Ogden, Amanda Anderson, Shayne Hess, and Betsy Breeden. (STAR PHOTO)

STATE FFA PRESIDENT VISITS GAIL

Jeff Rash 1989-90 State FFA President took time from his 333 day touring schedule to visit with the Gail FFA members on Tuesday Oct. 31. Jeff, a graduate from Gilmer High School was elected to his current office at the 1989 State FFA convention held at Houston, Texas this past July.

Rash is presently touring the state visiting with some 5-7 schools per week. He has also made a previous trip to Washington where he had the honor to meet United State President George Bush.

The topics of Jeff's talk at Gail were building leadership and current progress on Texas equal representation of voting delegates at the national convention.

Rash also praised the FFA students at Gail for their outstanding achievements and their nice facilities.

Rash will fulfill his duties as a State President until the State FFA convention of 1990.

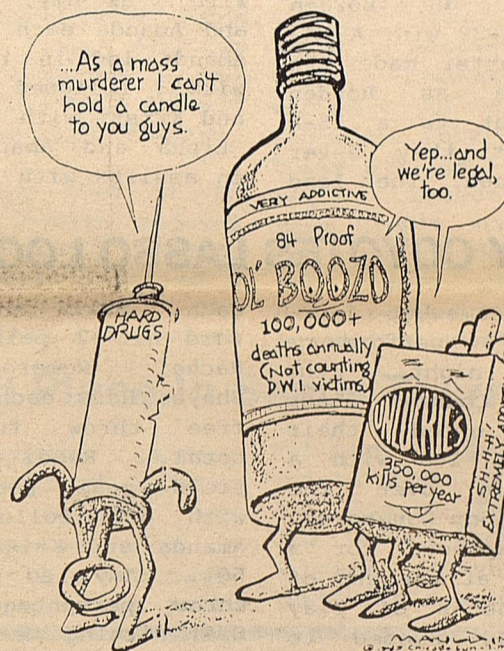

FHA-FFA FRUIT SALES

The Gail FFA & FHA have begun their annual fruit sales. The sales will run from Nov. 16-Dec. 1. Fruit should arrive second week in December. The organizations will be selling apples, oranges and grapefruit.

Lg. box apples-----100 count----\$20.00
Sm. box apples-----44 count----\$12.00
Lg. box oranges-----100 count----\$18.00
Sm. box oranges-----50 count----\$10.00
Lg. box grapefruit-----40-48 count--\$18.00
Sm. box grapefruit-----20-24 count--\$10.00
Small mixed: 1/3 apples, 1/3 oranges, 1/3 grapefruit-----32-36 count----\$15.00
Lg. mixed: 1/2 oranges, 1/2 grapefruit---\$18.00

Anyone wishing to purchase fruit, can contact a local FFA-FHA student or Mr. Wallace or Miss Gray.

Both organizations would like to say "thanks" for contributing to a successful sausage sale earlier this fall.

LADY COYOTES STING HORNETS

In their first visit to Gail, the visiting Lady Hornets from Lorenzo received an unwelcomed present from the host Lady Coyotes. A loss. It was the Lorenzo team that one year ago gave the Gail girls such a hard battle in the first round of the regional tournament. Behind at half-time, the Lady Coyotes fought back to claim the quarter-final win. Lorenzo returned their entire team and the Lubbock Avalanche Journal tabbed the Lady Hornets as one of the top teams in the area led by All-State Becky Hinijos. Miss Hinojos was held to two field goals and the rest of the potent offense also sputtered as Borden took a 44-39 win. A big first quarter made the difference as Borden jumped out to a 15-8 lead that they never relinquished. The lead

was cut to two by the half 27-22. The two teams traded even the last two periods before Borden claimed the "upset" win.

Three people hit in double figures for the Lady Coyotes with Lisha Sternadel hitting 14 and Amy Lewis and Amanda Anderson each canning 10. Kristi Adcock and Randi Woodward each hit 4 and Shara Dee Woodward made 2 for the total. Kristi led in field goal percentage with 67% followed by Amanda and Randi with 50% each. Amanda led in free throw percentage with 100%, hitting 4 of 4. Lisha led in steals with 5 as Amy, Kristi, and Amanda each had 2. Amanda led in rebounds with 7 followed by Amy and Kristi with 6 each. Lisha and Amanda led in assists with 4 each.

Also playing a fine defensive game were Julie Harris and Rachel Romero.

The J.V. game with Lorenzo was more or less over at half-time. Holding a 10-4 lead at the end of the first quarter, Borden exploded for 19 second quarter points and held the guests scoreless for a 29-4 half-time lead. In the 47-26 win, the Kristins were unstop-

able inside as Kristin Kilmer and Kristin Monger each had 15 points. Shayne Hess also hit in double figures with 12 points followed by Leslie Fryar with 5, three coming from the 3 point range. Also playing for the J.V. were Kelly Jo Ogden, Heather Armstrong, and Jacquelyn McPhaul.

HORNETS STING COYOTES 87-56

The Borden County Coyotes open their 1989-90 basketball season against the Lorenzo Hornets with only one day of practice and fell to the visiting Hornets. The Hornets were paced by their all-state guard Harold Castillo who finished the game with 30 points. The Coyotes only trailed by 8 at the end of the first quarter and 10 at half time but their offence took a vacation in the second half. They only managed 21 second half points.

The Coyote's leading scorer was Brian Bond with 22 points. He also had 3 offensive, 6 defensive rebounds, 5 steals and 2 assists. Cole Vestal followed closely with 19 points, 1 offensive and 9 defensive rebounds, 3 steals and 1 assist. Cody Stone scored 4

points and had 2 offensive and 3 defensive rebounds. Shane Kemper, who suffered a cut under his left eye, scored 4 points and had a steal, 1 defensive rebound and 2 assists before leaving the game early in the third quarter. John Paul Harris scored 3 points and had 1 steal, 3 offensive and 3 defensive rebounds. Paul Sturdivant scored 2 points and had 1 steal, 1 offensive and 4 defensive rebounds and 2 steals. David Buchanan scored 2 points. Clint Wills had 2 steals. Kirk Jones had a deensive rebound. Clint Anderson played, but did not score.

Cody Stone had 2 points, 4 steals, 1 offensive rebound, and 2 assists. Clint Wills played but did not score.

Next game for the Lady Coyotes will be after the Thanksgiving Holidays as Borden travels to Loop. There will be two Varsity games with the Lady Coyotes taking the floor at 6:30.

LADY COYOTES LASSO LOOP

On a somewhat lack-luster performance Friday night, the Borden County Lady Coyotes upped their record to 2-0 with a 44-32 win over the visiting Loop Longhorns. Borden exploded for a 15-2 lead at the end of eight minutes of play and simply seemed to hold on for the rest of the game. Holding a 29-14 lead at half-time, Borden extended their lead to 17, 37-20, entering the last quarter. A lead that grew to as much as 20 points at times, dwindled in the fourth stanza, as the Lady Coyotes' turnovers resulted in comeback points for the Lady Longhorns. Still the big lead by Borden was too much for Loop to overcome.

The inside game hurt Loop the worse as Amy Lewis was top scorer for Borden with 13 points and another post player, Randi Woodward, added 10. Lisha Sternadel hit 7 points followed by Kristi Adcock and Amanda Anderson with 5

each. Shara Dee Woodward hit 2 points and Rachel Romero and Shayne Hess each hit a free throw for the total. Randi led in field goal percentage with 63% followed by Amanda and Kristi with 50%. Amy led in free throw percentage with 83% hitting 5 of 6. She was followed by Amanda with 75% and Lisha with 60%. Lisha led in steals with 7 and Amy had 3. Amanda led in rebounds with 7 and Kristi had 5. Lisha and Amanda had 3 assists each to lead in that category. Also playing for Borden were Julie Harris, Kelly Jo Ogden and Leslie Fryar.

Next game for Borden will be Tuesday, November 28. Borden will be traveling to Loop for a rematch with the Longhorns. Girls'varsity game will start at 6:30 and the boys to follow. There is a question as to whether or not Garden City will have their tournament the following weekend. Should Garden City win their bi-district

Coyotes Edge Out Long Horns

The Borden County Coyotes rebounded from their loss on Tuesday night and defeated the Loop Longhorns in their second game of the new season. The Coyotes struggled through the first half making only 8 out of 31 attempts from the field. The Coyotes trailed at the end of the first and second quarter. The third quarter turned the game around for the Coyotes as they converted on 4 steals and made 9 out of 16 field goal attempts. The Coyotes were able to extend their lead some in the fourth quarter. Brian Bond led the Coyotes with 25 points. He also had 4 steals, 2 offensive and 11 defensive rebounds, and 3 assist. Cole Vestal scored 12 points and had 3 steals, 2 offen-

sive, and 5 defensive rebounds. John Paul Harris scored 7 points and had 1 offensive, 3 defensive rebounds, and 4 assists. Shane Kemper scored 4 points and had 3 steals, 1 offensive, and 1 defensive rebound.

football game Friday, November 23, their basketball tournament planned for the following weekend, November 30, December 1 & 2, will be canceled.

Gobble, Gobble, Gobble

Happy feasting and many thanks to you all on Thanksgiving Day and every day!

Claiborne's
THRIFTWAY

JR HIGH OPENS SEASON

COYOTES 26

In Monday's season opening basketball game with Sands, the Jr. High girls battled to the very end but just came up short on both the scoreboard and physical size. In the five point loss, 31-26, Borden was unable to stop the much bigger Mustangs once they got the ball inside where they were able to get second and third shots over the Coyotes. Sands took a two point lead the first quarter 9-7 and held the same margin at half 15-13. Sands extended their lead by three 9-6 in

MUSTANGS 31

the third quarter before the Coyotes were able to pull even 7-7 in the final stanza. In a very physical game, few calls were made on either side resulting in few free throw attempts. Still, Melody Harrison hit 3 and 9 field goals for a game high 21 points. Jama Kincheloe made 2 points and Brandi Smithie hit 3 for the total. Also playing were Mendy Hensley, Bobbie Armstrong, Laura Hensley, Erica Nance, Mandi Herring, Gloria Portales and Nicole Lawrence.

SANDS TOURNAMENT RESULTS

Jr High Girls Claim Third In Tourney

The Jr. High girls won their initial game of the season over Grady in the Sands Tournament and as a result, came away with the third place trophy. Showing signs of improvement in every game, Borden opened up with the eventual tournament champion, Klondike, and dropped a 32-22 decision away in every quarter until the last, where Borden outscored their opponents 8-2 to close the gap to 10 points. It was the closest anyone had played the tall and talented Cougars this season.

Melody Harrison poured in 18 points, 14 coming in the second half, to lead all scorers. Bobbie Armstrong and Jana Kinsheloe each added two points for the total.

Melody Harrison still the leading gunner with 19 points before fouling out. Mendy Hensley hit 6 points followed by Bobbie Armstrong, Jana Kincheloe and Brandi Smithie each with 2. Also playing in both games for Borden were Mandi Herring, Gloria Portales, Laura Hensley and Nicole Lawrence.

In the third place game, Borden exploded to a 10-0 lead in the opening quarter and extended the lead by 2, 19-7 at half-time. In a foul prone game, Borden had two players foul out and the Wildcats had 1 with numerous players acquiring four personels. This time, five players got into the scoring column with

Next game for the Jr. high will be after the Thanksgiving Holidays when Borden hosts the Grady Wildcats. The November 27 game will begin at 6:00 with the Jr. High girls and followed by the Jr. High boys.

COYOTES 25

With only one week of practice the Coyotes traveled to Sands on Monday and were defeated 60-25. The Coyotes were at a height disadvantage, and the Mustangs jumped out to an early lead and built on it as the game continued.

Joe Acosta was the Coyotes leading scorer with 8 points on 4 fieldgoals. Kurt Hess scored 7 points on 3 field goals and a free

SANDS 60

throw. Brandon Adcock had 4 points on 2 field goals. Keith Monger and A.J. Romero had 2 points apiece on a fieldgoal. Richard Buchanan and Bucky Williams had a free throw each. Several Coyotes played but did not score. They were Brandon Trussell, Chris Myrick, Jim Evans, Clint Miller, and Cody Cox.

Jr High Coyotes Beat Cougars

The Borden County Jr. High Coyotes opened the Sands Jr. High Tournament with a win over the Klondike Cougars. The first half of the game saw a lot of action with very little

scoring. The first quarter score was 6-2 with the Coyotes leading. The Cougars quickened their pace and tied the

score 12-12 at halftime. The Coyote's defense opened up a 23-16 third quarter lead. In the fourth quarter the quicker Coyote's defense shut down the Cougars,

outscoreing them 12 to 2. The Coyotes enjoyed a balanced scoring attack with 7 out of 9 players scoring, Joe Acosta lead all scorers

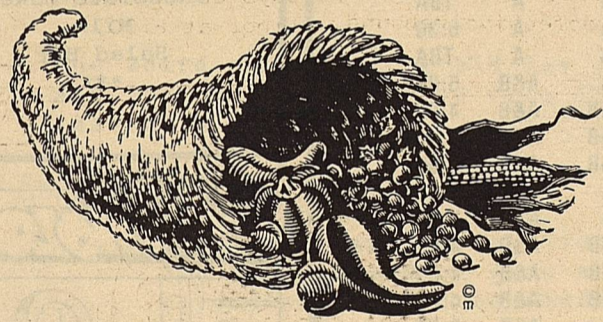

with 10 points. A.J. Romero trail with 9 points. Keith Monger added 6 points to our total. Brandon Adcock scored 4 points Richard Buchanan, Cody Cox, and Bucky Williams scored 2 points apiece. Kurt Hess didn't score, but he came up with some big steals. Jim Evans also saw some action but didn't score.

Coyotes Win Second Place In Sands Tourney

The Borden County Jr. High Coyotes played the host team in the finals and lost 42-21. The Coyotes had a hard time getting things going, especially scoring. The basket looked as if it had a lid on it. The Coyotes only scored 7 points through the first three quarters. In the fourth quarter the play was a little more intense, and the Coyotes scored 14 points in the quarter. Richard Buchanan was

the Coyotes leading scorer with 8 points. Brandon Adcock was close behind with 7 points. Joe Acosta, Keith Monger, and Bucky

Williams scored 2 points each. Cody Cox, A.J. Romero, Kurt Hess, Jim Evans, and Brandon Trussel played, but they didn't score.

BRANON FUNERAL HOME
Lamesa, Texas

JR. HIGH GIRLS EVEN RECORD WITH WIN OVER O'DONNELL

This past Monday night's win over O'Donnell was nothing less than domination as the Coyote girls jumped out to a 13-2 first quarter lead and never looked back in their 29-13 win. Borden held a 19-5 half-time lead, outscoring the Eagles 6-3 in the second stanza. Entering the last quarter, Borden held a 27-7 lead and the bench finished the game as well as getting in much playing time in the second quarter.

A balanced scoring attack was led by eighth grader Melody Harrison and Mendy Hensley as they contributed 11 and 6 points respectively. They were followed in scoring by 7th grader Bobbie Armstrong with 4 points and 6th grader Laura Hensley with 4 points and Brandi Smithie and Nicole Lawrence with 2 points each. Also playing in the exciting win were 7th graders Jana Kincheloe, Mandi Herring, and Gloria Portales. Deann Parks, a 6th grader, also played.

The win evened the Jr. High record to 2-2 with the next home game coming after the Thanksgiving Holidays. Borden will be facing Grady at Gail, with the Jr. High girls starting at 6:00, Monday, November 27.

COYOTES HOLD OFF EAGLES 28-27

In a game full of a lot of uncontrolled action the Borden County Jr. High Coyotes squeaked out a 1 point win. The game was filled with excitement as both teams rushed up and down the floor. The Coyotes jumped to a 9-5 first quarter lead and held on to a 20-17

The Eagles converted 3 out of 6 fourth quarter free throws and made two field goals, but that wasn't quite enough. With the win the Coyotes even their season record at 2 and 2 with 1 win and 1 loss district record.

Keith Monger led the Coyotes scoring with 10 points. Joe Acosta added 7 points to the Coyote's effort. Brandon Adcock made 6 points. Richard Buchanan and A.J. Romero made 2 points each and Kurt Hess made 1 point. Bucky Williams didn't score, but helped out defensively.

BEARY WONDERFUL RECIPES WANTED!

The Sr. Class is compiling recipes for a cookbook. We would greatly appreciate any recipes that could be sent to us.

Bring recipes to home basketball games, the Borden County Tournament, or mail them to the school in care of Sns.

Thank you for your support!

-Sr. Class-

A FUN PRODUCT

There's an art to making their product and the brewers imply drinking is fun. They show us a cold mountain stream or tan bodies asleep in the sun.

Some slogans they use to persuade us are, "it doesn't get any better than this" or the night is made for their drink or go for the "gusto" whatever that is.

Let them present the real picture like a father asleep on the floor or a sad faced patrolman at mid-night as he knocks on a parents door.

To tell about the death of their daughter returning from a graduation scene and how a drunk driver has taken her life and how forever she'll be seventeen.

Tell about rape, robbery, and child abuse and families being torn apart. Then you've shown the finished product --the result of the brewers art.

GOOD PSYCHOLOGY

There's a big meeting coming up in a hour, you have three deadlines to meet, the work is piling up and the clock keeps ticking away. What should you do first? Stop, take a breather and relax, say the experts. Now's a good time to close the office door, put your feet up for a minute or two and slowly sip a nice cup of your favorite hot tea. By slowing down just a bit, you may find that you're becoming less tense and you can think more clearly. That may help you finish all your tasks much more quickly and easily!

Regular Board Meeting NOVEMBER 20, 1989

The Board of Trustees of the Borden County Independent School District met in regular session on Monday, November 20, 1989 at 8:00 p.m.

Board members present were Jack McPhaul, Jon Monger, Bill Phinizy, Joel Dennis, Kenny Hensley, Scott Clayton and Tom Ed Vestal.

Administrators present were James McLeroy, Superintendent and Mickey McMeans, Principal.

Board President Jack McPhaul called the meeting to order.

Bills were reviewed and approved by the Board.

Open Sealed Bids

Sealed bids were opened for the purpose of purchasing gasoline and propane from December 1, 1989 to November 30, 1990 as follows:

Gasoline Bids

		Regular	Unleaded	
Trio Fuels	Big Spring	.665	.65	+ -
Griffin Oil	Post	.645	.63	+ -
Parks Oil	Big Spring	.613 + 3.8	.598 + 3.8	o rack
Franks Oil	Lamesa	+ 3¢ over rack	.6364	+ -
Eddins Walcher	Lamesa	.05 + Rack	.05	+ .05

Propane Bids

Southland Butane	Post	\$.37	+ or -	.14 o rack
Eddins Walcher	Lamesa	.34	+ or -	.12 o rack
McCormick Oil	Snyder	.3375	+ or -	.12 o spot
Trio Fuels	Big Spring	.319	+ or -	
Bethel Oil	Snyder	.39	Firm	

The Board accepted the bid for propane from Eddin Walcher and the bid for gasoline from Franks Oil Company, both of Lamesa.

Superintendent's Report

1. Financial Report

Each Board member received a financial statement. The Superintendent gave a year-to-date financial report and explained amendments as needed.

2. Personnel Report

No changes in personnel were reported.

3. Attendance Report

The Superintendent reported that there were 126 students in grades K - 8 and 71 students in 9 - 12 for a total enrollment of 197.

The Board approved the Superintendent's Report.

Appraisal District Appointments

The Board appointed Jack McPhaul, Jon Monger, Bill Phinizy, Scott Clayton, Kenny Hensley, Joel Dennis and Tom Ed Vestal to a two-year term on the Borden County Appraisal Board.

Student Absence Policy

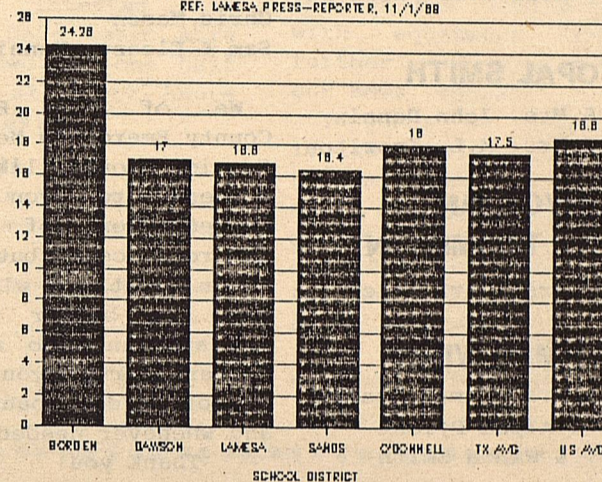

The Superintendent discussed the student absence policy and recommended changing the policy to meet the requirements of Update 35 as required by the State Board

RESULT CAN BE FATAL

When A Youngster Drinks

Tragic is insufficient to describe it. Senseless adds a vital dimension. But what, really, can be said that properly conveys the feeling of unnecessary loss--and dismay--when a teen-age girl drinks herself to death?

Authorities in Austin said 15-year-old Antonia Cazares succumbed after a three-hour drinking spree with her stepbrother and friends. The Travis County medical examiner attributed the death to an overdose of alcohol.

Joe Darnall, general counsel of the Texas Alcoholic Beverage Commission, said he could not recall that there had ever been a younger victim of alcohol poisoning in the state.

Police said the girl and others were partying last week when,

according to witnesses, she tossed down as many as 15 shots of tequila and vodka, passed out and was put to bed.

The young people thought the girl was drunk and would be all right. Two witnesses were quoted as saying they had seen the girl drink more on other occasions--"she just got carried away," one said. Reported police

Sgt. Michael Huckabay: "Apparently it was all self-indulgence."

There is obviously a legal question here: Drinking under the age of 21 is against the law. Someone could be charged with providing alcohol to a minor or be held criminally negligent in a connection with a homicide.

Beyond matters of law, however, lie

TO THE VOTERS OF BORDEN COUNTY

In a recent article in the Lamesa Reporter regarding views pro & con of the coming wet & dry election. The question is argued that it will harm the kids in school. The true fact is thanks to the automobile they already have access to liquor now, North, South, & West.

It is also naive as to the question of taxes. This judgment should be made by the voters that have their roots in Borden County.

Some thought to the fact that the school will not always be fully funded by the Oil Co's. When that time comes the value of the tax dollar of the residence voters will be very important, large or small.

of Education. An appeals committee consisting of four people were appointed as follows: Mickey McMeans, Sue Jane Mayes, Joe Copeland, and Peggy Westbrook. The Board voted to accept the student absence policy as outlined in Update 35.

Annual Performance Report

The Superintendent reviewed the Annual Performance Report with the Board. The Annual Performance Report was accepted by the Board.

Adjournment

There being no further business, the meeting was adjourned.

WHEN A YOUNGSTER DRINKS

cont. from pg. 8

critical issues of education and awareness. Our young people need to know more about the dangers of alcohol use and addiction.

For too many young people today, attempting to drink "in moderation" simply does not work. Should not minors be taught to abstain at all times, supervised or not, or when they find themselves intoxicated behind the wheel of a car or other vehicle?

For almost a decade, the Texans' War on Drugs organization in Austin has been working to prevent illegal drug use in Texas, especially among our

youth. But the group also urges a "non-use" position as well on drinking by young people.

Drugs such as crack and heroin are bad, but alcohol is the number one drug of choice--in fact, the number one killer--of young people today.

Antonia Cazares is only the latest to die; other alcoholic victims will follow until and unless we drive home the message that alcohol is dangerous. We agree with Texans' War on Drugs that the time has come that we begin sending our young people a clear, no-use message about booze.

the four year period. These are: 80 classroom hours for the EMT, 100 classroom hours for the EMT-I, and 160 classroom hours for the EMT-P.

Due to the investment of time in training besides the time these people take from their homes and families, the EMS and their families should receive a great big thank you.

Borden County does not have any ECAs at the present time. We have six EMTs. They are Lisa Ludecke, Buster Taylor, Buddy Wallace, Joanne Trussel, Joan Gray, and Carol Lewis. We have seven EMT-I (EMT/Special Skills). They are Mitey Bilano, Judy Pylant, Nelva Jones, Frieda Campbell, Barbara Miller, Tom Rowe, and James Aaron. We have two EMT-P (Paramedics). They are Kent Holmes and Frances Burkett.

We also have six people currently enrolled in EMT class. They meet for class every Tuesday and Thursday night in Gail. They are also doing their hours at the hospital and Rural Metro Ambulance in Big Spring. They must finish their ambulance and hospital hours before their final test in December, and must also pass the State exam before becoming EMTs. These people all have jobs or are going to

school besides putting in these hours in class, clinical experience, and ambulance runs. We are hopeful that John Wilson, Lance Telchik, Richard Laverty, Royce Nance, Debbie Parks, and Cameron Thompson will continue. Borden County needs more volunteers for our ambulance, especially in Gail.

If one person had invested all the hours that these twenty one people have invested it would have taken more than two and one half years at forty hours per week.

It is nice to have volunteers who care this much for their fellow man, their neighbors, and their county to donate these hours. Thanks, Borden County EMS!! Another establish-

ment that furnishes insurance, gasoline, tires, general maintenance, and a lot of support is the Borden County ISD Board of Education and Mr. James McLeroy, School Superintendent. A very special thank you to them also. Thank you, Borden County Commissioners' Court, for helping us buy the ambulance. More people to thank are all of you who have sent donations to the EMS to help furnish the ambulance with equipment and further education for our EMTs. Thanks!

I guess in short, it takes all of us in Borden County to have an ambulance and qualified people to care for our sick and injured. Congratulations, Borden County.

/s/Frances Burkett RN, EMT-P

Can You Control Your Weight While You Quit Smoking?

A recent study in the prestigious *New England Journal of Medicine* has verified what many smokers already know: when people quit smoking, they gain weight—even if they don't increase their food intake.

In a related study to be published shortly, the researchers found that the nicotine in cigarettes increased the metabolic rates of men in the study, especially during mild exercise (exercise equivalent to office work such as typing and filing). As the metabolic rate increases, more calories are burned.

The study's results help explain why smokers weigh an average of five to ten pounds less than non-smokers. It also suggests that many smokers will gain weight when they quit smoking, even without a change in diet.

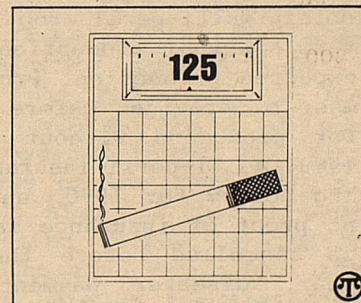

There is good news, however. A recent study at a major university has suggested that chewing Stay Trim® Diet Gum with phenylpropanolamine (PPA) can help smokers control their weight when they give up smoking. (Phenylpropanolamine is a proven appetite suppressant.)

Researchers used the PPA-gum in a clinical test among women who had been smoking an average of 13 years and averaged 22.5 cigarettes a day. They found that chewing the PPA-gum can help minimize weight gain during the critical first two weeks of smoking cessation, even among heavy smokers.

"The results showed that those who chewed Stay Trim Diet Gum containing PPA gained significantly less weight than those that did not use the gum" said Dr. Robert C. Klesges, the investigator who conducted the study. "In terms of absolute weight gain, 93 percent of subjects in the no-treatment group gained weight, while only 47 per-

cent of those in the PPA-gum group gained weight—and 53 percent actually lost weight."

The women in the study reported that, on average, they had tried to quit smoking 5.7 times and had experienced a weight gain of 6.53 pounds. The average age of the subjects was 28 years.

Most health professionals agree that the hazards of smoking far outweigh the hazards of a small weight gain. Some estimate that it would take a weight gain of 50 pounds to equal the health risks of smoking; one nursing journal noted that smoking 20 cigarettes daily is as hard on the body as carrying around 100 extra pounds.

Yet experts in the field of smoking cessation have long been aware that, despite the overwhelming evidence of the harmful effects of smoking, some individuals (particularly women), actually start smoking to control weight. At least one-third of all smokers continue to smoke because they fear gaining weight.

"Having participated in the Surgeon General's Report (USPHS, 1988) on evaluation of smoking and body weight, I believe that the results of this study on PPA may be

cont. to pg. 10

EMS VOLUNTEERS REFLECT SELFLESSNESS

In Texas there are four levels of certification for EMS personnel: Emergency Care (ECA), Emergency Medical Technician (EMT), Emergency Medical Technician-Intermediate (EMT-I) and Emergency Medical Technician-Paramedic (EMT-P).

The educational requirements at Howard College, where Borden County EMTs go for their classroom, hospital, and ambulance experience, are as follows: ECA, 40 classroom hours and no clinical or ambulance experience.

EMT, 60 classroom hours, 50 hours clinical rotation (hospital), and 50 hours with the ambulance which must include 3 emergency runs. EMT-I plus 120 classroom hours, 50 clinical hours, and 50 ambulance hours.

Volunteers can be certified at any of these levels. After certification is obtained EMS personnel must recertify every four years.

In order to recertify, continuing education requirements must be met within

ASCS NEWS BY Jerry Stone

DISASTER PROGRAM

The 1989 Disaster Program is underway with the deadline for signing into the program being April 2, 1990. In order to qualify for a disaster payment, the loss must be greater than the following percentages:

- participating crops with multi-peril insurance--35%
- participating crops without multi-peril insurance--40%
- nonparticipating crops or nonprogram crops-----50%

This loss will be computed based on the actual, appraised, and/or assigned yield for the crop compared to the established farm yield.

The sum of the producer's disaster payment and his 1989 net crop indemnity payment cannot exceed the producer's expected returns (farm acres X yield X basic rate X producer's share).

The payments will be computed on 65% of the following applicable rate:

- participating program crops - - 1989 target price for the crop
- non participating program crop - - 1989 loan rate for the county
- non program crops - - rate set by State Committee

A crop appraisal must be made on all acreages of program crops that will not be harvested. FCIC will make the appraisal on insured acreages and concurred to by ASCS. Appraisal on uninsured crops will be made by ASCS. Do not destroy failed crop acreage without getting an appraisal first. All harvested acreages must have good production evidence (503 cards, showing warehouse weights).

Producers requesting disaster payments or deficiency payment forgiveness must agree to obtain multi-peril crop insurance for 1990 if the farm's actual production is less than 35% of the expected production. Proof of insurance for 1990 must be provided before disaster payment is made for producers without multi-peril insurance in 1989. Multi-peril insurance in 1989 is a continuing policy for 1990, unless cancelled, therefore no proof of insurance is required. If the policy is cancelled before the end of the 1990 crop year, disaster payments and forgiven advance deficiency payments must be refunded unless a waiver has been granted.

1990 COTTON PROGRAM

The USDA has set the 1990 Acreage Reduction Program (set-aside) for cotton at 12.5%. This of course means producers can grow more cotton than 1989 since the ACR was 25% of the 1989 cotton base. Notice of bases and yields for 1990 will be sent as soon as authorization is made. The 1990 target price for cotton is 72.9 cent per lb. The national loan level for upland cotton is 50.27 cent per lb.

The loan repayment rate will be according to Plan B of the 1985 Farm Bill which has been in effect since 1987. It sets the redemption at the lower of the loan or adjusted world price.

EMERGENCY FEED PROGRAM

The next feed period for cost sharing of live-

stock feed is November through April 14, 1990. This is the longest feed period of the year because no forage other than small grains or winter type plants will experience growth during this time. The producers allowance is based on the forage loss, animal units, feed on hand, etc. Please have a good description of feed inventories whether raised or purchased and where the feed is located for spot check purposes. Please have a good count on the number and ages of livestock on your farm or ranch.

welcome news to the 65-to-70 percent of smokers who gain weight following smoking cessation," said Dr. Klesges.

Stay Trim Diet Gum was used in

the test because it contains PPA. As a gum, Stay Trim satisfies the taste for sweets, while providing users with the added satisfaction of chewing. Used according to package directions, Stay Trim Gum also provides the maximum dosage of 75 mg. of PPA per day, which helps

curb the appetite to facilitate weight loss.

"Based on this study," said Dr. Klesges, "there appears to be a case for taking a closer look at diet gums with PPA for use with smokers who fear weight gain following smoking cessation."

☺ Good News Department

Alien Farmworkers Who Register May Obtain Legal Status

The Immigration and Naturalization Service (INS) is conducting registration of alien farmworkers for the possibility of obtaining legal status in this country. The registration period has been extended to November 30, 1989.

Alien farmworker registration has been extended.

The program is called Replenishment Agricultural Workers; RAW, for short. To get a registration card, contact any INS office, or write: INS, P.O. Box 6004, London, KY, 40742-6004. The form number is I-807.

You are eligible for a RAW if you have worked in agriculture for at least 20 days during any 12 month period between May 1, 1985 and November 30, 1988; have not entered the U.S. illegally after November 30, 1988 and are eligible to enter the United States. You must also intend to perform agricultural labor during each of the three years after you are accepted into the program.

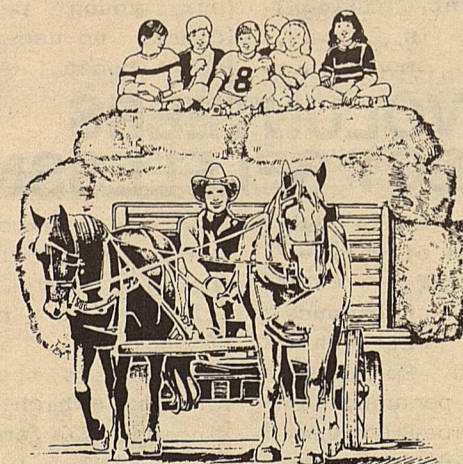

Remember, this is only an opportunity to register, not a guaranteed admission on a legal basis. Once registered the applicant's name will remain in the pool for four years for possible selection. Information about the program is available from growers' and farmworker associations, churches and community groups and INS offices.

Enjoy Your Thanksgiving!

There's no better time to express our gratitude to you and your family than the very day set aside for the giving of thanks.

SECURITY STATE BANK

BIG SPRING, TEXAS

The Harvest Is In!

Now it's time to enjoy the changing seasons, and celebrate the Thanksgiving holiday. Our best to all!

cost share work has not been allocated. A signup will be announced when funds are allocated.

WOOL, UNSHORN LAMBS AND MOHAIR

Please submit your sales documents as soon as possible. January 31, 1990 is the last day to market wool, mohair, and unshorn lambs for the 1989 year.

WEED CONTROL

All producers participating in the 1989 farm program are reminded that designated ACR and CU for pay must be maintained throughout the 1989 calendar year. All set-aside must be protected from wind and water erosion, and must be kept free of weeds.

HIGHLY ERODIBLE LAND

All producers who wish to participate in the 1990 farm programs must have on file, by the end of the year (Dec. 31, 1989), a conservation plan on the all HEL for which they have a farming interest in. It will be the responsibility of each producer to furnish this office with a conservation plan at the time of sign-up. It is also the responsibility of each producer to make sure that every farm which he operated, that was determined to have HEL, has a conservation plan on file with SCS by the end of this calendar year.

If you do not have a conservation plan on file with SCS and can not furnish ASCS with a copy of the plan you will not be eligible to participate in the 1990 farm program.

1989 COTTON LOANS

There are changes in the 1989 cotton loan program that you need to take note of. Beginning with the 1989 crop, if a price support loan is extended for 8 months, the producer will be required to pay interest and warehouse storage charges on cash loan repayments during the loan extension period regardless of the level of the adjusted world price (AWP). Also, if the extended loan collateral is forfeited cotton, beginning with the first month of the loan extension, and handling fee of \$1.00 per bale on the forfeited cotton. Cotton placed in the loan in November will carry an interest rate of 8.125%, which is down from the October rate of 8.25%. After presenting warehouse receipts to this office, lien searches will be conducted as required by regulations.

POWER OF ATTORNEY

Regulations now require that spouses sign the power of attorney form. We may no longer recognize current powers of attorney unless there is no spouse or the spouse has already signed the power of attorney. If you sign for your landowner and we do not have the spouse's signature on the power of attorney, you will need to execute a new power of attorney before we may let you sign for that owner.

HOLIDAY

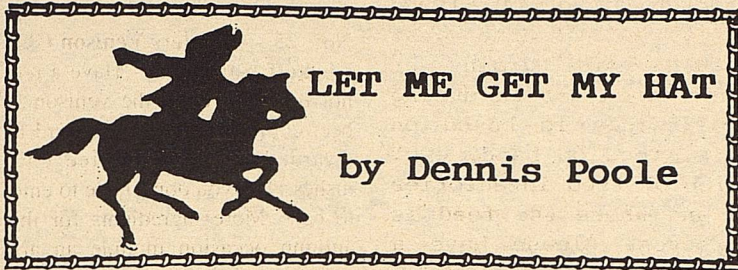

This office will be closed Thursday, November 23, 1989 in observance of Thanksgiving Day.

Judging in both categories will take place from 9:30 a.m. to noon on Friday, December 1, with all entries on view for the general public from 1:00 p.m. to 4:00 p.m. that day.

OUR ADVERTISERS NEED YOUR SUPPORT

9TH ANNUAL DAWSON COUNTY PECAN SHOW

Dawson County's 9th Annual Pecan Show and Pecan Food Show will be held November 30 and December 1 in the Reddy Room of the TU Electric building at 709 N. 1st. in Lamesa. Eddie Brown is the chairman for this year's Pecan Show.

Pecan growers from Dawson County and any adjacent county should save the best nuts from this year's crop for the show. Any grower in the area may enter a sample of 42 nuts from each variety he grows. Growers may enter only one county contest.

Nuts should be selected that are free of insect and disease damage. They should be uniform in size and shell color. Nuts should be cleaned but not altered in shape or color. Any alteration of pecans by marking, filing or excessive polishing will disqualify the entry.

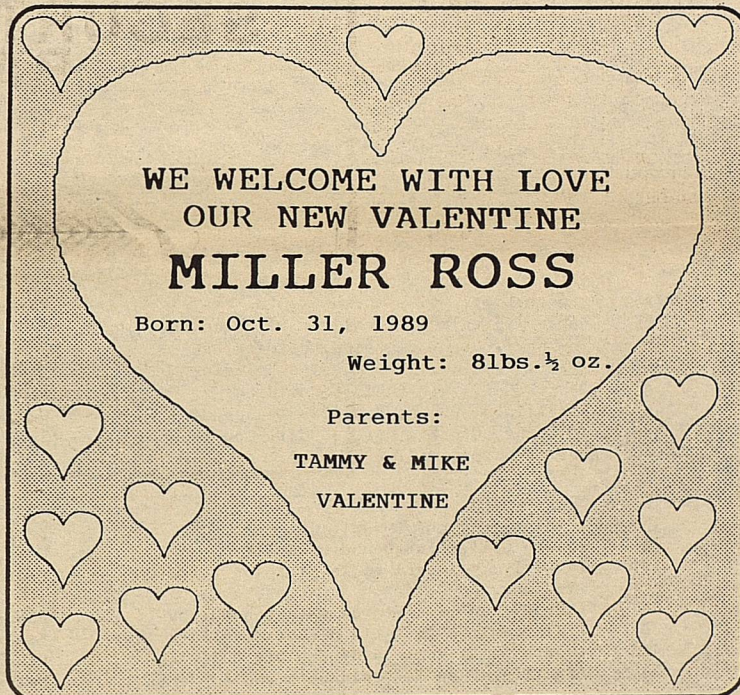

Pecan entries must be from this year's crop and must have been raised in Dawson County or any of the adjacent counties. Competition will be divided into three categories; Commercial Division, Classic Division, and Native Division.

Entires in the pecan show should be delivered to the TU Electric Reddy Room on Thursday, November 30, between 11:30 a.m. and 5:00 p.m. The pecans should be in a paper sack with the name of the grower, the address, telephone number, and the pecan variety, if known. Anyone that does not know the variety of his or her pecans is still urged to enter, since variety can be determined by this year's judge, Earnest Kiker, CEA-AG, from Midland.

The food show is divided into six divisions: appetizers and

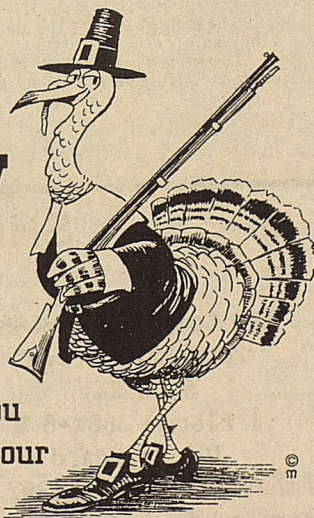

snacks, breads, pies, cakes, cookies and candies. Pecans used in the foods can be from a variety of sources, since they are not required to be home grown. Entries in the food show will be taken at the TU Electric building, from 8:00 a.m. to 9:30 a.m. on Friday, December 1.

Plaques will be awarded to the champions of the pecan show and the food show. Ribbons will be awarded for first, second, and third places.

Happy Turkey Day!

Our thanks and best wishes are yours as you gobble, gobble, gobble your Thanksgiving feast!
