### Revival Services Continue At First Baptist

The First Baptist Church of Memphis continues in revival. Special services began last Sunday and will conclude Sunday evening, Oct. 10.

Evangelist Mickey Warlick of Plainview is preaching and Geary Brogden, minister of music for the local church, are leading the revival effort.

Special services are planned for the rest of the week. Tonight is "old fashioned night." Those who can are asked to wear the old fashioned clothes, for the service which will be held by lamp light. Friday night's service will feature special music, a testimony, and a message by the evangelist. The services will begin at 8 p. m.

Saturday night service is "Youth Night" featuring testimonies and music by young people. Evangelist Warlick will preach, titling his message, "Did The Devil Make Me Do It?"

Sunday services begin at 9:45 with Sunday school. An attendance of 375 is anticipated. The morning service of worship begins at 11 a. m. and is broadcast over KBGH-radio. The evening revival service begins at 7 p. m.

A special invitation is extended to everyone to attend as Pastor C. H. Murphy, Jr., said, "we are eager to have you attend our revival. In fact, we are so desirous that we will be happy to provide free transportation for you. Just telephone the church office and our bus will come to pick you up."

DR. PAIGE CARRUTH

### Rotary District Governor To Visit Here For Assembly With Club Tues.

Rotary District Governor, Dr. T. Paige Carruth, vice president of student affairs at West Texas State University, will pay his official visit to the Memphis Rotary Club Monday evening and Tuesday, Oct. 11 and 12.

Dr. Carruth is traveling via his single-engine airplane which will carry him thousands of miles during this year as he visits Rotary Clubs in his district. The district, which comprises the Texas Panhandle-Plains, is larger in size than 26 of the states in this country. Carruth, 40, took office July 1 and within a week was off on a flying tour of his 56-700-square-mile district that will take him to 47 clubs in 41 cities within a four-month period.

He took up flying three years ago because "I was spending most of my waking hours in a car."

At the time he was making numerous speeches throughout the area for the university as dean of student life, a title that was changed to vice president for student affairs last year.

In his visit here, Carruth says

he will stress the 1971-72 theme of International President Ernst G. Breitholtz of Sweden, "Good Will Begins With You."

Carruth feels that many civic organizations are full of apathy. "They meet, eat, burp and go home," he says. "Members feel it is easier to just write a check instead of grabbing a project and really making it go."

A native of Vernon, Dr. Carruth is a 1952 graduate of West Texas, and obtained his master in education there in 1955 after serving in the Korean Conflict. He obtained his Doctor of Education degree in 1959 from Texas Tech.

The district governor says that Rotary has three main service areas—community service, vocational orientation and international goodwill.

### Virgil Blakney Goes To Capitol In FU 'Fly-In'

Virgil Blakney of Turkey went to Washington, D. C., last week as a member of the Farmers Union Fly-In to try to convince Congress of the need for effective farm bargaining legislation.

More than 125 farmers from 10 states participated. They called on Congressmen and attended hearings on farm bargaining being conducted by the House Subcommittee on Domestic Marketing and Consumer Relations.

Blakney said, "We were well received in the offices of the Congressmen. I was a member of a three-member team that called on 11 Congressmen. We told them we opposed the Sisk Bargaining Bill because it is too weak. We asked them to support the Mondale-Bergland bargaining and marketing bills (HR 8386 and 8887) because they provide the legislative authority farmers really need."

A seven-point program on bargaining was emphasized by the "Fly In" members.

"It is most important," Blakney said, "that bargaining legislation should not be regarded as a substitute for existing price and supply management programs."

### Pep Rally To Be Held Down Town At 3:30 P. M. Friday

The Memphis Cyclone will leave from the courthouse square Friday afternoon about 3:45 after a downtown pep rally staged by Cyclone Boosters and Memphis students on the south side of the courthouse at 3:30 p. m.

School will officially be dismissed at the pep rally, High School Principal C. E. Voyles said in making the announcement about plans for the downtown pep rally Friday.

The Cyclone Band, Memphis students, and all interested boosters are asked to assemble at 3:30 for the rally to encourage the Cyclone football team as they go against the Crowell Wildcats at Crowell that evening. Game time is 8 p. m.

And, what a ballgame is in the making as the Wildcats are 4-0 for the season and Memphis stands at 3-1. Both teams have explosive, high scoring offenses with both passing and running threats, and last year the two teams played to almost a stalemate until Crowell put the go-ahead TD on the scoreboard with a last minute pass play.

Memphis coaches report that Crowell has a tough and sound football team. Technically, the Wildcats have no weaknesses, and the game will be a physically tough contest.

"We cannot give them 14 points as we did against Wellington and still beat them," Coach Clyde McMurray told Memphis Boosters.

The Wildcats have downed Quannah 21-7, Matsdor 47-0, Electra 32-7 and Knox City 61-0. Crowell has a blend of real good speed and size. Offensively, they throw well and have a well balanced running attack out of the Wishbone-T, with a split end.

In the passing department, the combination of QB Rex Driver to Split End Henry Swan, accounted for over 100 yards against Electra on a wet foggy night. Also, Driver has other capable receivers in his running backs and the tight end, Burkett, who also plays safety for the Wildcats.

Fb Randy Dorsey, 160-lb. sophomore, and the halfbacks, both team captains, Billy Ray Neal, 151-lb. senior and Terry Farrar, 175-lb. senior, round out the Wildcat backfield.

QB Driver weighs in at 162 lbs., has good speed and throws the rollout pass with excellent accuracy.

Leading the Wildcats line is Capt. Rocky Bachman, the team's kicker, who plays right tackle on offense, and is also an outstanding defensive player. He weighs 197 lbs. and is a junior. Beside Bachman is Right Guard Fred Watysek, 191 lbs. and center is Doug Pharris, 186 lbs.

The Wildcats defensive unit has allowed only 14 points in four ball games this year.

For Memphis, the Wildcats are the toughest opponent the local (Continued on Page 10)

### Mrs. Van Deventer Amarillo Resident, Buried At Lakeview

Funeral services for Mrs. Nora Bell Van Deventer, 74, of Amarillo were held at 1 p. m. in the Immanuel Baptist Church with graveside rites being held at 4 p. m. in Union Hill Cemetery at Lakeview.

The Rev. Jim Scott, pastor, and Jack Sutton, minister of the North Amarillo Christian Church, officiated.

Mrs. Van Deventer was found dead at her home at 910-B N. Buchanan about 9 p. m. Tuesday.

Born Oct. 18, 1897, in Alabama, she had been an Amarillo resident since 1956 and had previously lived in Memphis.

She was a member of the Immanuel Baptist Church.

## Annual Cotton Festival Set For Oct. 8-9 In Hedley

Texas Governor Preston Smith on official memorandum has named October 8 and 9 as Cotton Festival Days in honor of Hedley Cotton Festival.

### Citizens Urged To Have Dogs Vaccinated Sat.

Dog owners are urged to have their pets to the parking lot at the Municipal Building between the hours of 9 a. m. to 11 a. m. Saturday, Oct. 9, for rabies shots. The project is being sponsored by the Memphis Lions Club. Lee Smith, president of club, said pets can be vaccinated against rabies at this time for \$2.00. The regular fee is \$4.00. Dr. Jack Fowler, local veterinarian, will be present to vaccinate all animals. Kenny Schull, chief of police, is urging all citizens to take advantage of this opportunity to have their animals vaccinated. Dogs must be vaccinated and wear tags to run free in the city, he stated. Animals that do not have tags and have not been vaccinated against rabies will be picked up and destroyed after Oct. 9, Schull stated.

plete and area citizens are invited to attend the two-day event, with the birthday Saturday, Oct. 9.

Gov. Smith said in the memorandum, "This is the 20th Annual Hedley Cotton Festival, a unique event fully sanctioned by the National Cotton Council of America and sponsored by the Hedley Lions Club.

"It is fitting that recognition be given this outstanding Celebration."

Citizens are reminded that the Kiddies Parade is set for 10 a. m. Saturday, and the Grand Parade is planned for 2 p. m. Saturday. The Festival will run along the

same lines as the past with the only added feature being a Junior High Band contest, judged during the Grand Parade. Trophies will be awarded to the winning bands. High School bands are invited but will not compete for prizes.

Memphis will have several entries in the Hedley Parade again this year.

### Lakeview Baptist Church Honors J. L. Bevers For 40 Years Service

The First Baptist Church of Lakeview honored the church treasurer, J. L. Bevers, Sunday, Oct. 3. Mr. Bevers was presented a beautiful plaque for his 40 years of faithful service as church treasurer, from 1931 to 1971.

Mr. Bevers was baptized in September, 1915, and has spent all these years in the service of the Lakeview church with the exception of seven years that were spent in Wichita Falls.

Mr. Bevers, who is better known to his many friends as Lester, has served as deacon of the church since the early thirties, Sunday School teacher; worked on all types of committees, served as church clerk for many years,

as well as general secretary for Sunday School; and has served intermittently as song leader, longer than any person in the church.

The presentation of the gift was preceded by a special song, "Reap Whatsoever You Sow," by a quartet which sang together many times over 22 years ago. This quartet was Loran Denton of Turkey, Flavil Hodges of Clarendon, Mrs. Willie Favors and J. L. Bevers, both of Lakeview. They were accompanied at the piano by Mrs. H. W. Spear.

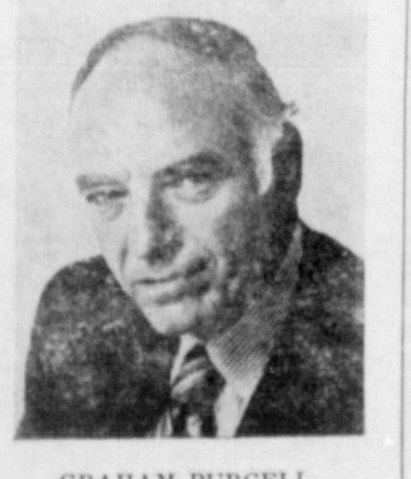

In presenting the gift, it was stated: "Mr. Bevers has truly measured up to the standards of (Continued on Page 10)

## Rep. Purcell To Speak At County FB Convention

U. S. Rep. Graham Purcell of Wichita Falls will be the principal speaker for the annual Hall County Farmers Bureau convention to be held here Saturday, Oct. 16, President Leon Helm announced this morning.

Other business which may come before the convention will be the agenda. Also, selection of delegates to the State Convention in Amarillo will be made.

President Helm received a letter from Congressman Purcell in which he said, "I am delighted to have been given this opportunity to speak to your fine organization. I am sure that your convention will get underway at 6:30 p. m., Saturday, Oct. 16, and be followed by a breakfast meeting at 7:30 in which the board of eight directors, adopt resolutions, and the hand-

## EDITORIAL

### Small Towns And The New Life Style

We hear and read a lot about what's wrong in America, why young people are dissatisfied because they want to be "individuals" and be a part of the scene. A reader of this newspaper handed us a clipping from The Furrow, written by Editor Ralph Reynolds, concerning this movement in our society.

The Furrow is a farm magazine, circulated worldwide, in four languages. We think what Editor Reynolds has to say bears repeating. Unfortunately, few in the big cities in this nation will hear the message, or possibly understand it if they did hear.

"We keep hearing about a new life style coming to North America. People nowadays, particularly the young, want to be 'individuals'. They want to participate and create. They want responsive government, free choices, trustworthy merchants. They would like to reverse the so-called 'de-personalization' of society. Maybe this is one reason we now see the beginning of what could become a surge back to small-town living, as described in our cover story.

"For those who are tired of being spectators, and want to participate, there's nothing like a small town where there are always more roles than people to play them. Small-town life style is individualism in which every person is distinctive enough to be known by name, and where there are more genuine characters per unit population than in any city. Small-town governments are much more responsive to individual citizens than big-city governments; if for no other reason, it's a simple matter of political arithmetic. Small towns are the only place where commerce itself is highly personal in character because exchange and trade take place between acquaintances who know they will meet again.

"In our time, the mass culture and life style have developed in response to highly organized bigness in everything: Big government, big schools, big business, big stores, big clubs, restaurants, theaters, stadiums, orchestras, hotels, museums, resorts, hospitals, communications systems. Our society loves the benefits of bigness but it is becoming increasingly apprehensive and restive about some of the side effects, especially as these apply to concentrating large numbers of people into small space. Thus it is the big city that most represents the de-personalized society we hear so much about.

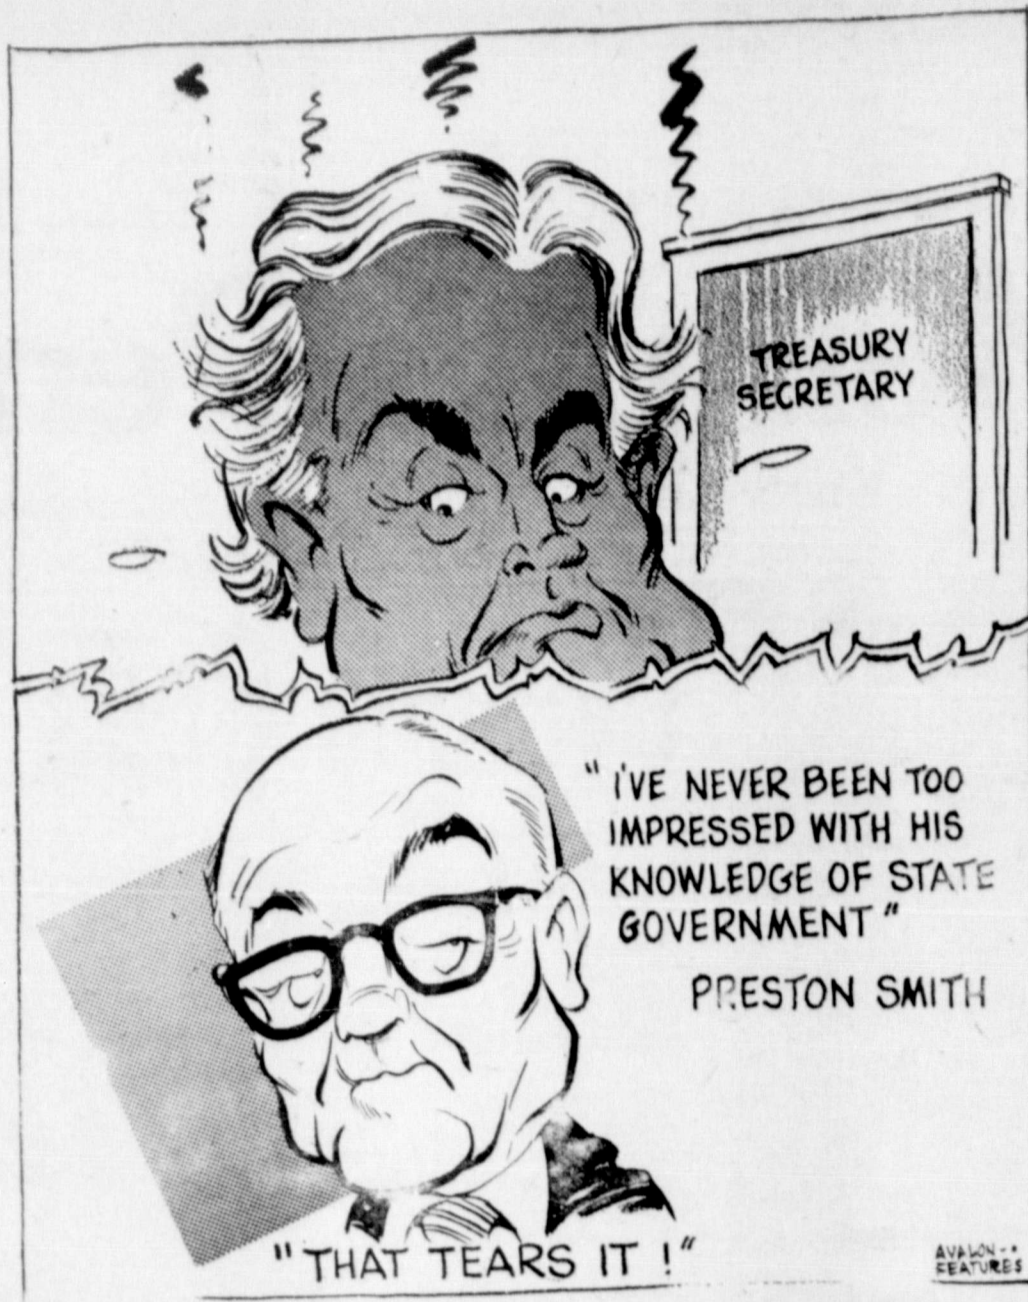

"Opportunity for participation in community activities diminishes in relation to the size of that community. The smaller the town, the greater the chance for an individual to take part or to be heard. The same can be said of athletics and competition of all kinds.

"Small towns have a way of bringing out honest creativity in people. The small-town dweller can better get to know his neighbors, his community, and his environment because the pace of change is slower, and small-town people just plain have more interest in each other.

"In the arts, there's a return to expressiveness as opposed to sophistication and grandeur. We're told that theater and drama are decentralizing, moving to smaller cities and towns. True, only a city can support a large orchestra, but lovers of classical music can appreciate a quartet just as much as a symphony. We're learning again that art and entertainment do not have to be spectacular to be enjoyed.

"The idea of small towns as more suitable to the emerging life style than cities may seem laughable to many of the urban spokesmen who are urging a return to personalized society. Small towns are viewed from afar as dullville, definitely not the place to get life's kicks. But if the younger generation and those who think young mean what they say, they will not find small-town living as tiresome as many city people believe it to be. Small towns are always personal, generally unregimented, and peaceful. Individuals count in a small town, and townspeople have a kind of golden-rule sensitivity to the rights of others."

This editor would add one more thought. When and if small towns lose their personalized touch on life, turning instead to the selfishness which is typical of a de-personalized society, then rural America will lose its most beautiful virtue. We can all be thankful we have friends and neighbors who care about us and will care for us when and if needed.

## ACROSS the DESK

### What Other Editors Say

Welcome, Purcell  
We welcome Congressman Purcell to the Panhandle political arena, and wish him well.

Since the retirement of Congressman Walter Rogers six years ago, Panhandle Democrats have not been able to produce a viable challenger for Republican Bob Price, who won Roger's seat in the congress almost by default and was not even challenged by the Democrats last year.

If importing a Democrat of congressional stature was the only way to get one, Panhandle Democrats should be grateful to the legislature's re-districting committee which combined most of the old 18th Congressional District with the western half of Congressman Purcell's old 13th district, for making a most able Democratic Congressman available to Panhandle voters.

Graham Purcell has compiled an impressive record in the House of Representatives since his election to Congress from the 13th District in 1962. He has been a member of the Agriculture Committee for nine years now, and has established himself in Washington as a leading spokesman on farm and farm-product matters. A fact which should recommend him to Panhandle Democrats who grew accustomed for many years to able representation in this area from such men as Marvin Jones and Walter Rogers. Purcell currently heads the important Livestock and Grains Subcommittee of the House Agriculture Committee.

He authored the Wholesome Meat Act of 1967, the Poultry Products Inspection Act of 1968, and major provisions of the Egg and Egg Products Inspection Act of 1970, all laws designed to assure the American public protection in the foods they consume. He authored legislation extend-

ing the world famous Food-for-Peace program, and has sponsored extension and improvement of the Food Stamp Program for welfare recipients.

Congressman Purcell is active on both Agriculture and Post Office and Civil Service Committees of the House of Representatives.

Graham Purcell had a choice: he could have gone with the eastern half of his old district into the Dallas area where most of his constituency would have been urban. Instead, he chose to go with the western half of his old district into the newly-annexed territory of the Panhandle, where his constituency will be predominantly rural, and where his experience will enable him to serve most effectively. We're glad he did.

We hope now that the Democrats of the old 18th will consolidate their splintered forces behind Congressman Graham Purcell in the new 13th, and help return a Democratic congressman to Washington from the Texas Panhandle. Republicans, we feel sure, will be trying just as hard to consolidate their forces behind Rep. Bob Price and Republicans have exhibited much more effective solidarity in the recent past.

Graham Purcell has chosen a tough campaign trail. It is now up to the Democrats of the Texas Panhandle, if there are any left who have pride in the name, to help him blaze it all the way to Washington in 1972.

by BYRON BALDWIN

There must be a lot of attractive people in Hall County as ever so often, I hear of different ones who were reared here and never knew each other while living here, and then they meet in another state or town and old Dan Cupid gets his work in for these Hall County people who are attracted to each other. Just this week we received an announcement of a wedding that took place in Dallas Sept. 26. These two people had both lived in Hall County but not at the same time. On this date, Myrtle Hembree became the wife of Mr. Marvin H. Jones, who graduated from MHS in 1915, the son of Mrs. Carris Jones. Marvin had a twin sister, Myrtle, and another sister, Lura, who is the daughter of the late Rev. J. W. Hembree and Mrs. Hembree, now a Dallas who passed her 100th birthday. Myrtle found the husband she wanted after 50 years of teaching. Mrs. Hembree is now at home at 69 Southridge Drive, Dallas. Best wishes to this couple through the

### "Golden Years"

In going through my scraps of paper, I found that a lot of visitors were here from out-of-town in Heritage Hall and for the picnic with whom I did not get to visit but very little. Mr. and Mrs. Alvin Massey of Dallas, Lon and Bess Edmonson of Amarillo. Bess was a former member of the Estelline Band. The Roy Adams family of Houston and Ft. Worth; the Lynn Jones family of Lubbock; Marshall Jones of Abilene; the Stewart brothers of Littlefield and Amarillo; the Paschall brothers of Kermit and Monte Vista, Colo.; Marcus E. Rawlins of Prescott, Ariz.; Eva Andrews of Mineral Wells; Mr. and Mrs. Bob Lindsey of Dimmitt; Mr. and Mrs. Dale Hill of Clarendon; Fain Shaffer of De Soto, who is a booster for our picnic and Heritage Hall. The McMurrys are always represented here for the picnic. The ones I saw this time were Mr. and Mrs. Albert, Dyke and Mutt of Dumas and Bill of Borger. Other were Zola (Shankle) Gerlach and Thelma (Shankle) Stanley of Big Springs. They report that their brother, Homer, is living in the same town and getting along fine. Fritz Shankle is now living in California and the sisters report that he is not in very good health. Some of you will remember that Fritz was one of the first aviators around these parts.

We had visiting in Hall County Heritage Hall a few days ago Mr. and Mrs. Russell C. Howerton of Abilene. At one time, Mrs. Howerton was a teacher in our schools

here about 1925 to 1930 when they left Memphis. I overheard three of her former pupils pay high tribute to this teacher. They said even as mean and rough as they were, she never did ruffle up or lose her temper and they thought that was the reason she was still a pretty woman after all these years. I am sorry I did not get to see these people. The former pupils, Wendell Harrison, Sug Lemons and Homer Tribble, gave me the report.

Other visitors we had in Hall County Heritage Hall the past week were Mr. and Mrs. Blanton Adair of Los Angeles, Calif. They were guests of Lucile Wright. Mrs. Adair is the former Charlotte Fore, daughter of Mr. and Mrs. Jet R. Fore of Los Angeles. Charlotte was born in Memphis on Brice Street where their home was at that time. She also attended school here through the sophomore year. She remembered that Linda Estes, Beth Lemons and Mr. Blankenship were her teachers. Some of her schoolmates were Charles Flannery, Gayle Greene and Cearley Read Kinard. Charlotte said they had just celebrated their 34th anniversary which did not seem possible to me, but should know as there are four generations of the Fore family in California now. They have two daughters and four grandchildren. Jet R., Sr. worked with 20th Century Fox for about 35 years and now Jet R., Jr. has been working for these same people a number

of years as public relations man. He was only six years old when they left Memphis. Charlotte's husband was a native of Missouri. On their way to Memphis, they stopped in Albuquerque, N. M., and visited with Gus Stevenson who was a former member of the Gold Medal Band. Gus is now in bad health also.

Charlotte could remember when the first band to broadcast over a radio station out of Ft. Worth was our Gold Medal Band and you had to go to the neighbors and put on head phones to hear them. She reports that Frank and his wife, Willie L. (Clover) Fore, are very active and in good health. Charlotte's father was the son of the late Mr. and Mrs. W. M. Fore and her mother, Dora, was the daughter of the late Mr. and Mrs. A. W. Read and sister of Lucile Wright and Lottie Kinard.

Mrs. Mable Owen had as her guest in County Heritage Hall Malcolm Tucker of Seal Beach, Calif. He had a lot of memories of Memphis and Hall County. He was born in Seymour and first moved here in 1912 and attended school here. After finishing school, he chose the profession of a barber. Other barbers he remembered here were Owen Fields, Henry Newman, Bob Howell, Walter Lindsey, Bob and J. O. Johnson and C. W. McCool. Malcolm joined the Navy at Long Beach, Calif., in 1945. After serving time in the Navy, he came back to Long Beach. He married

an Indiana girl and he attended a beauty operators' school as he said he had worn himself out trying to make men look better. He put a beauty shop in San Diego and could make the ladies look better. He now has 5 operators working for him. Mrs. Owen is a sister of Malcolm; the other two boys, Bill and Albert, both now deceased. Malcolm says he is now 39 years old; but that is not the way I figure time as he left here 38 years ago in 1923. He remembered when he left here that a shave and hair cut was 6 bits. I overheard Malcolm and Sug Lemons telling how they started in business making a profit, buying hamburgers from Burl Hayes for 5 cents and meeting the passenger trains to sell them for 10 cents.

Matt Ward of Tyler who is the father of Mrs. Billy Thompson, was visiting in Heritage Hall and along with him as guests were his two sisters, Bertie (Ward) Wright of Paris and Lozetta (Ward) Wilson of Fort Worth. These two sisters could do a lot of reminiscing of the early days when living in Hall County. Bertie said she remembered her first two years in school were at Lakeview. Some of her schoolmates were Cyperts, Scotts and McCurry families. One of my special buddies was Ona May Wausley. The remainder of Bertie's school days in Hall County were at Pleasant Valley. The families she remembered here whose chil-

dren were in school were Shirleys, Crabb, Lenoir, Hickey, Biggerstaffs, Knox, Williams and Crawford. One of her teachers she especially remembered was Ples Harper. Bertie was very much disappointed that she did not see any of her old schoolmates at the picnic.

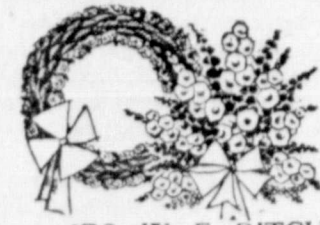

Lozetta (Ward) Wilson said she attended school at Newlin for three or four years. She did make the remark that her favorite person and teacher was Della (Offield) Palmeyer. The rest of her school days in Hall County were at Lakeview where other families represented in the school there that she remembered were Springer, Paynes, Goddins, McCanne, Wills, Sessions and Davenport and she especially remembered Prof. Holt in the school there who was everyone's friend.

A letter received from the two

they enjoyed going through Hall County Heritage Hall and commended Hall County on the "displays of precious memories."

Estelle Barber had as her guest in Heritage Hall her son, John Thomas Barber, of Oklahoma City. This family moved from Cook Co. to Hall County in 1917. There were four children in this family and all graduated from MHS. Marie with the 1929 class, now living in San Angelo; Katherine in the 1932 class, now living in Abilene, John Thomas in the 1939 class and Douglas in the 19-44 class and now living in Wichita Falls. John was surprised at how many items were on display in Heritage Hill and was very complimentary of what had been accomplished.

I am sure John Thomas enjoyed his mother's famous hot rolls (Continued on Page 9)

# Pathfinders' Council Members Enjoy Luncheon In Killingsworth Home

The Pathfinder's Council met for an all-day meeting Sept. 28 in the beautiful country home of Mr. and Mrs. C. O. Killingsworth, near Wheeler.

# Delphian Club Meets In Regular Session Tuesday

The Delphian Club met in the Bronze Room of the First National Bank Sept. 21 with Mrs. Billy Lockhart as hostess.

Two new members, Mrs. Gary Brodgen and Mrs. W. D. Penney, were welcomed into the club and introduced to the other members by Mrs. G. Ariola who presided in the absence of Mrs. Jack B. Boone, president.

Mrs. Henry Hays was chosen to attend the Santa Rosa District workshop in Childress, Oct. 16 as Delphian Club delegate and Mrs. F. A. Finch will also attend.

Mrs. L. F. Jones, treasurer, suggested that the club consider having a luncheon in November to earn money for a scholarship the club gives each year. All members were in favor of the luncheon and are busy making arrangements for it now.

A fine arts program was presented. Mrs. Sweatt gave the meditation.

Mrs. Smith gave "A Balanced Musical Diet" after which Mrs. Barnes gave the story "The Wondrous Cross." Mrs. Dickey gave the story from Palmer entitled "My Faith" and Mrs. Reeves concluded the program with "I Gave My Life" by Havegal.

Guests enjoying the lovely banana bread, sandwiches and coffee were Meses. Penney, Brodgen, Ariola, J. L. Barnes, C. L. Chambliss, R. E. Clark, John Deaver, W. C. Dickey, Robert L. Duncan, F. A. Finch, Henry Hays, L. F. Jones, Jim Markgraf, L. L. McKown, Sim Reeves, C. L. Smith, Mildred Stephens, Wayne Sweatt and hostess, Mrs. Lockhart.

# Presbyterian Guild Meets In Home Of Mrs. J. T. Rasco

The Presbyterian Guild had its first meeting of the year on Wednesday, Sept. 22, in the home of Mrs. J. T. Rasco and Gertrude.

Ruth Harrison, president, presented several items of business which were taken care of by discussion and voting.

Boodie Grundy read the minutes of the last meeting in the spring. Glen Cosby, treasurer, gave a report of all accounts.

Lois McGarity, vice president, gave a most informative and interesting program on "The World of Hunger," which is caused by too little food; too many people and not enough money.

An authentic chart showed the following figures as to the population of the world and the potential: 1830, one billion; 1930, two billion; 1960, three billion and 1984, five billion. Four-fifths of these will live in undeveloped area. What can be done, the speaker asked. Limit the number of children per family, two being suggested; and realistic approach could include one sacrificial meal a week; and regular use of less expensive food; sharing with neighbors and brothers (which means anyone anywhere.)

It is appalling to learn that America with only 6 per cent of world's people uses 49 per cent of world's resources. For an effective program, the combined efforts of public and private agencies are needed.

After an hour of fellowship, the meeting was called to order by the president, Mrs. Brown Smith. The minutes were read and approved, roll call was answered, committee reports given and other business transacted.

Mrs. Christine Galloway and Mrs. Trudie Britt were elected to membership.

The program was turned over to Mrs. Killingsworth, who gave a most interesting and informative demonstration on flower arrangements, both fresh and artificial, methods of drying flowers for permanent beauty, tips on rooting, proper containers for the best appearance of different types of flowers, different methods of keeping fresh flowers for a long time.

Mrs. Killingsworth was very helpful in answering all questions asked by the members. Having been president of a garden club for several years, Mrs. Killingsworth is a very capable flower demonstrator and her talk was very helpful.

A tour of the yard was a treat as it is filled with flowers and shrubs of many kinds. Members had a wonderful day and appreciated it very much, the reporter stated.

Members present were Meses. Floyd McIntush, Brown Smith, George Payne, Bob Tiner, Walter McMaster, Joe Eddins, Mary Lou Erwin, J. J. McDaniel, O. M. Gunstream, A. Giddey, J. O. Cobb and one guest, Floyd McIntush, the hosts, Mr. and Mrs. Killingsworth.

# Memphis YHC Learns To Make Crochet Beads

The Young Homemakers met in regular session Monday, Oct. 4, at 7:30 p. m. in the homemaking department of Memphis High School with Mrs. Ted Wheeler, president, presiding.

A demonstration on crocheting beads and rings was given by Mrs. Linda Foxhall. Some members tried their luck at making beads.

A short business session was held after the program. The project for the month of October will be a garage sale Oct. 16 and a "Haunted House" Oct. 30. A bake gift was presented to Linda Foxhall by Katie McDonald. The door prize was furnished by Branigan Jewelry and was won by Sharon Rodgers.

Hostesses for the evening were Susan McQueen and Maydean Wheeler.

Those present were Priscilla Shira, Jan Votto, Joyce Todd, Helene Ballew, Beatrice McCaulley, Katie McDonald, Susan McQueen, Naydean Wheeler, Willie Maddox, Shirley Stephens, Wanda Messick, Sharon Rodgers, Nelson Ward, and new members, Audrey Hobbs, Kay Steele and guest, Luchery Ellis, and advisor, Nancy May.

# Parnell Club Meets Sept. 29

The Parnell Community Club met in regular session Wednesday, Sept. 29, with 14 members present.

Eariene Trapp, president, opened the meeting with the group repeating "The Lord's Prayer." The devotional was given by Besie Latham.

Roll call was answered with "What do you think of today's fashions?" There were three visitors made to the sick.

During the short business session, further plans were discussed and made for the Halloween Carnival which will be held Saturday night, Oct. 23.

"Everyone is invited to share the fun with us," the president stated. Dorothy Damron offered the dismissal prayer.

Erlene Trapp and Celeste Ward served refreshments to the following: Lena Freeze, Bessie Latham, Clessie Jouett, Hazel Lambert, Nell Burck, Clara Cowan, Dorothy Damron, Roxie Orcutt, Georgia Bowman, Luella Cape, Cordye Hood and Leona Burk.

GOSPEL NOTES—This group called the "Gospel Notes" from Hereford and Amarillo will be featured at the Assembly of God Church here this weekend. The trio consists of Roger Hawkins, left, Carolyn McMillan, center and Terry Hawkins. Weekend services include a Sat. night "Singspiration" at 7:30 p. m., Sunday morning worship at 11 a. m. and Sunday evening at 7 p. m. Pastor Virgil C. Sparks said congregational singing along with some local talent will also be featured. Everyone is cordially invited.

# Alpha Circle Of WSCS Meets For Study Monday

The Alpha Circle of the Women's Society of Christian Service met Monday, Oct. 4, in the First United Methodist Church to begin the mission study of Africa.

Mrs. Tommy Nelson, as leader, gave the group a test concerning African Picturesque Speech. She pointed up some pertinent and interesting facts about the country of Africa which is three times as large as the United States with its people speaking 700 different languages. The colonial period, which lasted less than 100 years, was a divisive force whereas the gaining of independence, in the last 10 years for most countries, has been a unifying force. One-fourth of the four hundred million population are Christians, the speaker said.

Three poems, written by school children about their country of Rhodesia, were read by different members. Each contained a plaintive note of frustration.

Mrs. M. G. Tarver described the contents of the study book, "Cry Joy! Cry Sorrow" and gave an informative report on a lecture by Bishop Dodge that she and two other members attended recently in Childress. He spoke concerning the role of the church in the struggle for independence in Africa, native religious customs, and the future of the church on the continent.

Mrs. J. P. Montgomery led the impressive meditation with a response from the members.

Those present, other than the ones mentioned above, were Meses. Ed Hutcherson, W. V. Coursey, Lee Brown, J. J. McDaniel, W. J. McMaster, Clet Sprygle, J. B. Lawson and F. W. Foxhall.

Overnight visitors last Friday in the home of Mr. and Mrs. Marion E. Posey and daughters, Shari, MariAnn and Kari were Mr. and Mrs. R. G. Downs of Panhandle, parents of Mrs. Posey. They attended the Memphis-Wellington game and heard the band performance of which their granddaughter, Shari, is a member.

# Blue Bonnet Club Enjoys Fish Lunch

Members of the Blue Bonnet Club were graciously entertained with a fish luncheon on Friday, Oct. 1, at noon at the Big O Restaurant, Mrs. Claude Johnson being the hostesses.

Mrs. Johnson had caught the fish herself and prepared most of the food which consisted of fried fish, chicken loaf, chef salad, fried potatoes, hush puppies, onion rings, hot rolls and fresh apple pie.

Members enjoying the delicious meal were Meses. Nettie Adams, Mary Bowns, Floy Hightower, Gussie Jones, Mary Lenoir, Hucie Lindsey, Lillie Messer, Nat Scott, Sally Reeves, Iva Smith, and the hostess, Winnie Johnson.

# Little Theatre Begins New Year At Kaffeeklatsch

Members of the Memphis Little Theatre enjoyed a Kaffeeklatsch on Saturday morning, Sept. 25, in the Bronze Room of the First National Bank Building.

This was the opening meeting of the fall season. Hostesses for the social were Virginia Browder, Nell Beeson, Peaches Harrison and Kathryn Jones.

Tables were attractively laid with green cloths edged in lace. A lovely brunch was served to members and one guest, Mrs. Clinton Adair of Los Angeles, Calif.

Mrs. Herschel Combs, president, presided during the business session and also made a short welcoming talk.

Kathryn Jones, program chairman, distributed the new year-books and told about the coming events for the year.

Mrs. D. L. C. Kinard received the door prize which she presented to her niece and out-of-town visitor, Mrs. Adair.

Members present were Nell Beeson, Beebe Boone, Virginia Browder, Helen Combs, Carol Deaver, Emma Deaver, Mary Lee Fields, Charlene Greene, Peaches Harrison, Kathryn Jones, Lottie Kinard, and guest, Mrs. Adair.

# Homemakers Enjoy Weiner Roast Saturday

The Memphis Chapter of Young Homemakers enjoyed a wiener roast in the City Park Saturday evening, Oct. 2.

Games of Volleyball were played after the wiener roast.

Those attending were Mr. and Mrs. Charles Shira and children, Mr. and Mrs. Larry Votto and daughter, Mrs. Beatrice McCauley and grandchildren, Mr. and Mrs. Winfred McQueen, Mr. and Mrs. Montie Paul Rodgers and sons, and Mr. and Mrs. Bobby Ward and children.

CARD OF THANKS  
I want to thank everyone for their prayers, calls, cards, visits and flowers during my stay in Hall County Hospital. To Dr. Clark and the hospital staff goes a special "thank you" for their wonderful care.

Mrs. Bill Kilpatrick

# Baptist SS Class Meets Sept. 30, Installs Officers

Members of the Mary-Martha Class of the First Baptist Church were entertained in the home of Pearl Wecker Thursday, Sept. 30. Cohostesses were Inez Lester and Ruth Gardenhire.

After a short business session, with Molly Carlos presiding, plans were made for the new church year. Officers gave splendid reports of the past year's work. Mrs. C. H. Murphy brought an inspiring devotional and Clara Preatt (associate teacher) installed the new officers in a very capable manner.

Those installed were: teacher, Mrs. B. Baldwin; president, Lucille Wright; out-reach leader, Inez Lester; secretary, Jo Pearl Odom; benevolence chairman, Roberta Burnett; group leaders, Ruby K. Thornton, Pearl Wecker and Grace Carlton.

In preparation for the coming revival, the president called for a session of prayer, each member of the class taking part.

Delicious refreshments were served to the following: Fern Boone, Mona Robertson, Sabra Rice, Clara Pritchett, Irene Bradley, Roberta Burnett, Mollie Carlos, Grace Carlton, Tressie Collier, Ruth Gardenhire, Inez Lester, Jo Pearl Odom, Clara Pyeatt, Flora Reed, Ruby K. Thornton, Katie Scoggins, Nita Murphy, Lucille Wright, Laura Peabody, Willie Mae Baldwin and Pearl Wecker.

Visitors last Friday in the home of Mr. and Mrs. Marion E. Posey were cousins of Mrs. Posey, Mr. and Mrs. Wallace Downs of Phillips. Also visiting were Mrs. Bonnie Downs and three children of Lyne, Mass.

Mrs. Marvin Smith of Houston visited here last week with her grandmother, Mrs. J. W. Fitzpatrick.

Mr. and Mrs. Marion E. Posey and daughters, Shari, MariAnn and Kari were in Canyon Saturday evening to attend the West Texas State-Tulsa football game.

"Yankee" comes from the Dutch word "yanku" meaning to snarl.

# Foster Family Has Reunion Here Sun.

The four daughters and four sons of the late Mr. and Mrs. J. H. Foster met at the Henry Foster home on Sunday, Oct. 3, for a reunion.

A delicious meal was served with each bringing a covered dish. Everyone enjoyed watching television and taking pictures.

Those present were: Mrs. W. N. Fuqua, Sr. and Mrs. Hester Woosley of Hamilton; Orville Woosley of Matador; Luther Woosley of Hamilton; Mr. and Mrs. Jay Edmiston of Plainview; Mr. and Mrs. J. H. Bennett of Amarillo; Mr. and Mrs. Ray Thrasher of Amarillo; Mr. and Mrs. Wesley Foster of Froma; Mr. and Mrs. Bill Boyd of McLean; Mrs. Charlie Bennett of Wellington; Mr. and Mrs. Ernest Foster, Mr. and Mrs. Raymond Foster and Nicki Foster, Mr. and Mrs. Tommy Foster, Larry Doshelly and Joe Neal, Mr. and Mrs. J. # SPORTS CORNER

By BILL COMBS

Merle Kilpatrick has found his way into the West Texas State Buffaloes lineup as a punter, and in last Saturday's game with Tulsa at Canyon, Merle punted for an average of 44.7 yards a kick. This is his sophomore year at West Texas, and Buffalo fans from here who went to see the game reported that Merle kicks the football with his shoe off. He was victim of a unique theft last week as he discovered the transmission missing from his car, parked on a campus parking lot. Bob Tribble was home over the weekend and said he was going to help Merle replace the transmission when he got back to Canyon.

Cyclone Stadium Thursday as the Memphis B team hosted Wellington's B team. Memphis won the contest 12 to 6, with a key interception in the last minute of play on the local goal line by Gary McKay. McKay also ran both TDs for the B team. This was a hard hitting contest, and the B teamers from Memphis are to be congratulated for playing 100 per cent all the way. All 14 boys saw a lot of action.

This type of maximum participation throughout the entire Memphis system is something that has taken years to accomplish, and will be envied by most Class A schools. From the days when Memphis had one grass field, Cyclone Stadium, to today, with three complete grass fields and a workout field, facilities and participation has shown a steady growth.

Thursday and Friday, Memphis boys will again be in action. Football prospects here are looking brighter. Let's give all these boys our support and encouragement.

## Memphis Gun Club To Hold Trap Shoot Sun.

## Memphis Has 75 Girl Scouts Registered

The Girls of Memphis have an opportunity to enjoy the biggest bargain in the world, Girl Scouts, according to a news release from the Quivira Girl Scout Council.

"For two dollars a year, the girls of Memphis can belong to the world's largest sixty-six million members in more than 80 countries. Girl Scouts of the USA is the largest girl's organization of its kind in the free world, "it was announced.

Memphis has approximately 75 registered Scouts and there is room for more, Memphis adult leaders stated.

"Membership in the national organization means much more than the fun of troop meeting, camps and trips, the friendships formed and the skills acquired. These are obvious benefits. For their membership dues girls are offered the chance to grow and develop into active citizens of their ever-countries. Girl Scouts of the USA widening world as they share in all that girlscouting affords", it was stated.

## LETTERS To The Editor

Dear Sid:

One of the most gratifying things that I have done for myself for the past several years was the reading of the Memphis Democrat. I have been able to re-new contacts with friends of many years ago, and to learn the whereabouts of others that I had met since my father moved me to Memphis in 1908.

I regret that I had to cut my visit to the Hall County Picnic so short during the month. I arrived on Friday evening by bus and was sorry to find no taxi service available. Some of my cousins arrived Saturday afternoon and came to my rescue.

I had registered at Heritage Hall—that wonderful handiwork of Byron Baldwin and others so interested in preserving the historical heritage of the people who worked so hard to build that gem of a place to leave to future generations.

We went to the picnic grounds Sunday morning. It was necessary to stop the car on the hill. Surveying the distance to the register I knew I could not walk that far, as I recently spent over three months in a local hospital here and have been slow recuperating. So we returned to town and spent the afternoon at the American Legion Hall with the McQueens gathering of the clan.

I began feeling the effects of the weather and the strain, so bidding adieu to my kin I left Memphis at 7 o'clock Sunday evening, much to my regret as I had expected to be there several days. This was the first time since 1910 that I have been in Texas and Memphis without motorized transportation at my hand. Maybe I can return after the holidays.

I am enclosing BMO for renewal of subscription to the Memphis Democrat. And good wishes to all the people of Hall, Donley, Collingsworth and Childress Counties. Those that can remember me and their young ones who have come on since I left there in 1917. Its your Heritage. Keep it living.

Yours truly,

Memphis fans are still talking about the 47 to 14 come-from-behind victory of the Cyclone over Wellington Friday night, as the local team for the fourth consecutive week rolled up more than 400 yards on offense. But, looking at Memphis' next opponent, Crowell, the picture quickly changes to concern as the Wildcats have an impressive record of 4 to 0, defeating Quannah 21-7, Matador 47-0, Electra 32-7 and Knox City 61-0.

As I see the upcoming game with Crowell, the Cyclone's last non-conference foe, the game will be a real test for the local team. Crowell, by all indications, has a totally complete ball club, with no apparent weaknesses on offense or defense, or in the kicking department. For Memphis, the test will be how well the local team will and can perform on the road, against a really fine ball club. Last year, these two teams played a tremendous game here, with Crowell winning in the last minute on a pass play, 19 to 14. The test hinges on the defense, for both teams have explosive offenses on the ground and in the air. Crowell is one of possibly five big games for Memphis. White Deer was the first, Crowell the second, and district foes, Wheeler, McLean and Clarendon loom ahead.

If you can possibly work it in your schedule, the Memphis-Crowell game at Crowell Friday is one you can't afford to miss. It should be a hard hitting, action packed affair as each team puts finishing touches to squads they will take into district play next week.

Last weekend, Memphis had more boys playing football on fields in the area than possibly any other Class A school in the Panhandle. The reasons for this is that Memphis has a 7th, and two 8th grade teams, and also has three teams in high school. All six teams saw action Thursday and Friday nights and there were over 100 football players who actually took the field and played.

Beginning with the 7th graders, Coach Pope said he played over 30 boys against Wellington in a losing effort 28 to 8. Scoring for the local 7th graders was Larry Fleeks on a 40-yd. pass play from Don Cofer, with Fulton Wright running the conversion.

The 8th graders saw double action, as the first team of Coach Lillard downed Clarendon here 26 to 8 as Charles Bryley ran over three TDs and Dick Hutcherson ran over one TD, with Bryley adding the only conversion. The Memphis second 8th grade team went to Wellington and lost 36 to 0. This was somewhat of a miss-match since Memphis' larger 8th graders are on the 1st team, but the second team made an accounting of themselves, and a lot of boys got to play in the game.

It wasn't hard for all the freshmen suiting out to get on the field, as about 13 of them went to McLean to play McLean's B team. McLean won the game 14 to 6, after some questionable circumstances, but the local freshmen were in the game all the way, playing against sophomores of McLean.

A really fine game was seen in

## Cancer Society Meets In Regular Session Thursday

The Hall County Unit of the American Cancer Society held its monthly meeting in the home of Mrs. Roy L. Guthrie on Thursday evening, September 30, with five members in attendance: Mrs. Guthrie, president; Roy L. Celestine, vice president; Vera (Tops) Celestine, secretary; Mrs. Floyd McIntush, service chairman; and Lorean Hart, campaign chairman. Mrs. H. B. Bennet of Santa Fe, New Mexico and Floyd McIntush were visitors.

Mrs. McIntush reported upon the educational policy which is being instituted by many doctors. Her cancer surgery the patient encouraged to visit with other people who have had cancer and talk about his emotional and physical adjustments. These doctors with their patients gave a demonstration of this process at a Houston meeting.

The group agreed to ask for the program "What Is Cancer?" to be shown in as many situations in Hall County as can be made available.

Particular appreciation was given to Mr. and Mrs. Melvin Stryker, Mr. and Mrs. Dwight Floyd; Mr. and Mrs. Foy Young; Mr. and Mrs. Gilbert Young; Mr. and Mrs. O. Shackle; and Mr. and Mrs. Peter Hill for sending memorials to the cancer fund.

Volunteer workers including Mrs. Lewis Hamilton, Mrs. Zeno Adams, Mrs. George Williams, and Mrs. John McCauley were mentioned with gratitude.

The treasurer's report listed \$45.05.

The president mentioned that a new Cancer Prevention Study will begin October 1, 1971, and will involve 44,000 Texan subjects. She urged that everyone read about it and become acquainted with the study.

Mrs. Lorean Hart stated that the American Legion Post No. 1275 has volunteered to give all proceeds of the Bingo Party Friday night, October 15, to the cancer society. All the members of the board joined her in expressing gratitude to these far-sighted men.

She said that plans are being made to hold a garage sale in the Carl Wood building at the corner of Noel and Ninth Streets during the week of October 25 to October 30. She asked that anyone interested in renting a "stall" should contact her or any other member of the board. The rental fees will cost \$10.00, which fees will go to the cancer fund. Each participant will sell whatever goods he wishes and will keep the money for his sales. Every effort will be made to take care of the materials.

## Preschool Vision Screening Course To Be Held Oct. 11

A four-hour Refresher Course in Preschool Vision Screening will be given to volunteers of the 1913 Study Club Preschool Vision Screening Project, Monday, October 11, Mrs. M. G. Tarver, chairman, announced. Miss Joanne Allen, Program Director, Texas Society for the Prevention of Blindness will conduct the course.

This project is sponsored by the 1913 Study Club and the Texas Society for the Prevention of Blindness, in an effort to locate visual problems in preschool age children before they enter first grade. These vision tests, administered by trained volunteers, are given to preschool age children using the Snellen "E" Chart. No diagnostic techniques are used and the volunteers do not attempt to make a diagnosis. When a child is unable to pass the test, letters are sent to the parents recommending that the child be taken to a complete professional eye examination.

These Preschool Vision Screening Programs are conducted throughout the State by the Texas Society for the Prevention of Blindness and volunteer groups such as the 1913 Study Club.

## Boy Scouts Attend Atomic Energy Seminar

Local Boy Scouts of Troop 35 joined more than 500 other Boy and Girl Scouts from the Panhandle area in an atomic energy seminar Saturday in Amarillo.

Saturday's session was the first of four scheduled programs which include lectures, films, demonstrations and experiments supervised by officials and scientists of the Pantex Plant at Amarillo.

The program, a departure from the traditional Scout images of firebuilding and knotting, is under the direction of the Atomic Energy Commission (AEC) and is designed to acquaint atomic age Scouts with both the potential and the destructives of atomic energy.

Scouts are working toward the Atomic Energy Merit Badge. The next seminar is scheduled for 8 a. m. Oct. 9 at Stephen F. Austin Junior High School in Amarillo. Further meetings are to be Oct. 16 and 23 at the same location.

The seminar will be climaxed with an optional field trip Oct. 20-30 to Albuquerque and Los Alamos, N. M. to see nuclear installations and the Los Alamos Scientific Laboratory museum.

Local Scouts attending last Saturday, were Jay Campbell, Mike Valencia, Scooter Smith, Greg Lee, Eddie Braidfoot and Dan Curl.

Adults attending with the boys were Don Curl and Sherron Lee.

## MYF Members Guests Of SMU At Football Game

The Methodist Youth Fellowship organization of the First United Methodist Churches throughout the area were guests of Southern Methodist University to attend the football game between SMU and New Mexico State Saturday, Oct. 2, in the Cottonbowl in Dallas.

The attendance count totaled 20,000 MYF members at the game which was won by SMU 28-25.

The pre-game activities included a performance by three colorful bands, one of which was the Ninety-Six Guys and a Doll, the SMU, "Best Dressed Band in the Land". This group also provided the half time entertainment.

Several times during the ball game, the MYF was given special recognition on the public address system as well as on the score board.

Representing the Memphis MYF were Denise Phillips, Gary Spruill, Scooter Smith, Sara Fowler, Terry Shadid and a guest, Stacy Farnsworth. Accompanying the members were Mrs. Elmont Branigan and Alvin Phillips.

# Cyclones Stop Rockets 47-14 Here Friday Night

The roar of the crowd was electrifying Friday night, and before the opening kickoff it was apparent that stands on both sides of the field expected their teams to win the game. "Beat Memphis" echoed from the west stands and "Beat Wellington" answered back.

The team took the field, and Memphis kicked off to the traditional rival, Wellington, and the game got underway. The Skyrockets dominated the first quarter, scoring 14 points, but Memphis came back in the final three periods to defeat Wellington 47 to 14. This is the soundest defeat Wellington has suffered in many a decade at the hands of Memphis.

The Skyrockets went to the air early, and QB Carter connected with Bruce Oney for 17 yards and a first down to the Wellington 45. Louis Gonzales carried around end for nine yards. Then, Wellington fumbled the ball and Memphis recovered, but a red flag nullified the play and 15 big yards were stepped off against the Cyclone defense, giving the visitors the ball on the Memphis 32.

On the next play, HB Jay Thomas carried on the sweep around left end, found daylight, after several good blocks, and went in for the touchdown. QB Carter on a bootleg tried to make the point converts but was met by a host of Cyclones and the score was 6-0.

Memphis received the kickoff and Jim Dixon returned it to the Memphis 35. In the first series, carries by Louis Davis for tree and Tommy Johnson for five set up a third and two. But a fumble developed which Memphis recovered, and Ronald Canada went in and punted the football to the visitor's 32.

The Rockets again went to the air successfully as End Ronnie Pennon caught a Carter pass for 38 yards to the Memphis 22.

The Cyclone defense grudgingly gave up nine yards on three running plays. On the fourth down, Carter went back, scrambled to right, reversed his field and passed to HB Jay Thomas for the touchdown. Louis Gonzales carried for the two point conversion and the score was 14-0.

Wellington kicked off & Larry Jeffers returned the ball to the Memphis 43. On the first play, Davis was caught on an outside play and dropped for a two-yard loss. Then he made four yards and Paul Fowler made two more. Canada came in to do the punting and Wellington got the ball on their own 22.

The Rockets again tried to pick up a first via the airways but the ball missed the receiver, so the Rockets punted. A flag was thrown on the punt as Memphis was a little anxious to try and block the punt, an unfortunate event for the Cyclone, as Tommy Johnson fielded the punt, found the blocking corridor and went

all the way. The penalty gave Wellington the football and a first down.

In the next series for the Rockets, Jay Thomas picked up seven yards on a carry, but was racked up hard when he was tackled and he left the game with a leg injury. Then, Oney made a first down to the midfield stripe.

But here, the Rockets faltered, and Randall Hodges punted for Wellington, but punt was fumbled and Wellington recovered on the home 11 yard line.

"Things looked dark for Memphis at this point, but the Cyclone defense took charge of the situation.

Gonzales took the ball on two carries and made four yards. Then QB Carter missed on a pass, and was dropped for a 4 yd. loss and Memphis took over on the 11-yd. line.

This seemed to turn the momentum of the game, as the Cyclone marched for a touchdown in 12 plays, staying on the ground.

Louis Davis carried for 19 yards on two plays, and a 15-yd. penalty was tacked on as Wellington hit late, giving Memphis the ball on the home 48. Davis then carried for 8 and Tommy Johnson carried for 9 yds. to the Wellington 38.

In the next series, Dasvi was stopped for a one-yd. gain, but then HB Johnson found holes to knife through for gains of 8 and 13 yards and Memphis was on the Wellington 16.

In the next series, Louis Davis hit for seven yards and then, battled his way to the Wellington 2-yd. line. Davis tried to plunge over but was stopped on the one. QB Mige Browning sneaked the ball over for the score. The kick for points was blocked, off Browning's toe.

The Cyclone came into possession on a fumble recovery on the Wellington 48 in the last minutes of the first half.

Racing against the clock, HB Johnson went for five yards, then QB Browning hit End Lary Johnson on two pass plays, one for 20 yards and the other for 9, and Memphis was on the Wellington 10.

HB Johnson made 4 yards to the six, then a Browning pass was a little too high for End Johnson in the endzone. On the third down, with :31 seconds on the clock, Browning fired the football to End Terry Wynn who was all alone in front of the goalposts for the TD. Johnson carried on the try for points but was stopped.

endzone. The kick after was good, but a penalty nullified it. A pass play for points was broken up by a good defensive move by Wellington. Memphis was ahead 18-14.

Memphis came into possession of the football on the home 19 after a short punt return by Larry Johnson. This started a 81-yd. drive in five plays.

HB Tommy Johnson carried for four, Mike Browning added four more, and Louis Davis added seven to the 34. Then Paul Fowler carried off tackle for three yards.

On a second down, Center Matt Thompson and Guard Chris Liner opened a hole in the Wellington line, Tackle Junior Kennon cleared the linebacker and HB Tommy Johnson literally exploded through the hole and outran Wellington's safety backs for a 63-yd. scoring play. This was Tommy's first TD of the season. Browning tackled on the point after and Memphis led 25 to 14.

Memphis next TD opportunity came when Larry Johnson picked up a Wellington punt about midfield, and refused to be tackled down the east sideline until he

was knocked out of bounds on the Wellington 12.

On the next play, HB Johnson swept left end, cut back, and dived through two Wellington defenders at the goal line for the touchdown. Brownings kick was good and the score was 32 to 14.

Memphis scored again on a 48-yd. drive in four plays. HB Canada made three yards and FB Paul Fowler made seven more for a first to the 38. Then Browning hit End Larry Johnson for 18 yards. On the next play from the 20, Browning passed over the middle to HB Tommy Johnson for the score. Browning's kick was good.

Wellington tried to pick up a first down on a 4th and three, and Memphis took over on the Wellington 39. Louis Davis almost scored on a 36-yd. carry to the 3-yd. line and succeeded on a third down, from the one. Tommy Johnson made the two point conversion, making the game's final score 47 to 14.

## Legion Bingo Party To Raise Cancer Funds

The American Legion Post No. 175 will hold a bingo party Fri- day night, Oct. 15, beginning at 7:30 p. m. All proceeds for the party will be donated to the Hall County Unit, American Cancer Society, it was stated.

Stressing the thought that "our profit is in terms of people who are alive because of cancer re- search, and that every dollar con- tributed helps to save a life, Mrs. Lorene Hart, campaign chairman, urges all people who possibly can to attend the bingo party.

The party will be conducted under all the existing rules; those who do not wish to play can enjoy visiting and watching their friends, it was stated.

Rice is more extensively grown and more widely used than any other footstuff.

Mr. and Mrs. Dudley Adams were by Heritage Hall the past week en route home from Dallas where they had been visiting re- latives and attending the Billy Graham services. Dudley, the son of the late Mr. and Mrs. C. A. Adams and brother of the late Bryan Adams, was born at Lesley and finished school there in 1929. He married Lillie Mae Kennard, daughter of Mr. and Mrs. M. M. Kennard of Lesley. She was born in the Webster Community and finished school at Lesley in 1929. Mr. and Mrs. Adams operated a store in Lesley for 10 years and moved to Borger in 1948. Dudley is employed by the Ruber Oil Co. Lillie, his wife, retired about two weeks ago after working for a department store she helped open up in Borger 20 years ago and helped close out this year. Dud- ley and Lillie have two sons and six granddaughters. Their son, Bill, is in Dallas where he is in the credit department of Sears.

The other son, Wayne, is living in Houston where his is purchas- ing agent for J. M. Huber Co. The C. A. Adams family moved to Hall County in 1907. The M. M. Kenn- ard family moved to Hall County in 1911.

Mr. and Mrs. V. L. McGlothlin of Nashville, Tenn., were visiting in Hall County Heritage Hall while here for the picnic. V. L. and Frances Ogden McGlothlin were graduates of MHS. V. L. is the brother of Mrs. Carl Hill of Estelline and Frances the daugh- ter of Frank Ogden. V. L. is now district manger of the Western Division of the Baptist Book Stores and he spends a great deal of his time in the air traveling while their home is in Nashville, Tenn. I have never forgotten a- bout the time V. L. and Frances married that the "Ladies Aid" gave a shower for V. L. I guess the only one given before or since for a man. Best of luck to them and their family.

Mrs. David May, teacher of the high school homemakers class, had as her guests in Heritage Hall the past week Class II, Vickie Rea, Ramona Bachman, Meredith

Douthit, Diane Clayton, Carla Coleman, Nickie Hood, Glenda Carroll, Cleola Austin and Doris Lucas. This class, with the other homemakers' classes, had a show off last Saturday of beauty and brains when they had a bake sale on the west side of the square. I counted 13 of these pretty girls taking care of the sales at one time which made a good back- ground for their sale of goodies and they were good as I tried some of these sweets in the way of cookies. They were delicious. It looks like they are being pre- pared for the homemaking as it is said that baking power will last longer than face power.

Mr. and Mrs. Benson Long and sons, Brad and Barry, of Welling- ton were visiting in Heritage Hall a few days ago. Mrs. Benson Long is the daughter of Mr. and Mrs. Shorty Long of Memphis. Betty Long graduated from Memphis High in 1964. I guess she did not want to change her name as she had learned to write "Long" so long, she would just keep the name and married Benson Long of Wellington. Hope they keep writing Long and have a "Long" life together.
