Cyclone Cagers Are Still In District Race

The Memphis basketball teams have four more nights, two weeks remaining in regular district play, and the teams will be on the road for three of these four evenings. Friday night, the Memphis teams travel to Wheeler; then, the next Tuesday, Feb. 1, a road trip to Silverton is scheduled. For the Cyclone, a narrow escape in the final seconds of the McLean game last Friday, kept the team alive that the Cyclone might capture a playoff berth. The only games remaining are against the district leading Claude teams on the night of Friday, Feb. 4.

The Claude boys are undefeated through six district games capturing two victories from McLean and one each from other district rivals.

For the Cyclone to have any hope at a possible district crown, the local team must not falter in the remaining four games, which would include an all important victory over Claude on Feb. 4; then hope that some other district team would defeat Claude or the Cyclone would be victorious in a sudden-death playoff game with Claude in post season play.

The Cyclone lads battled their way out of one trap last Friday night, as the McLean Tigers had Memphis down five points several times in the final quarter, with Memphis only able to catch and pass Claude with free throws by Larry Johnson and then one more by Mike Browning with two seconds on the clock.

Looked Hopeless

The Tigers were putting points on the board at every opportunity and edged to a 49 to 44 third quarter lead and with outstanding outside shooting by Tommy Duniven and Danner, the Tigers had the game under control until the last minute of play.

Utilizing the full-court press, the Cyclone managed to force some ball turnovers and narrow the gap to two points, 65 to 63 in McLean favor. The Cyclone came down the court with the ball, Larry Johnson took a pass and went up to shoot and was fouled. He had two shots from the free throw line and made both to tie the game up with a few seconds remaining.

McLean brought the ball in, a pass was tipped and Mike Browning scooped the ball up and raced for the layup. He was ridden (Continued on Page 10)

J. D. Cox Enters Race For Prec. 3 Commissioner

J. D. Cox this week authorized The Democrat to announce that he was a candidate for Commissioner of Precinct No. 3, Hall County, subject to the action of the Democratic primaries. In making his intention known, he issued the following statement to the voters of his precinct:

"At the insistence of many of my friends in Estelline and the precinct, and a desire to serve in any capacity I can, I am entering the race for County Commissioner.

As most of you know, I was born and reared in this precinct, am 59 years old, and have been engaged in farming in the Baylor community for the past 28 years. After graduating from Estelline High School, I attended college for two years, majoring in commercial law for the past 21 years. I have served as a school trustee of the Estelline Independent School District, and my three children graduated from high school. I served several years as a committeeman of the ASCS, and (Continued on Page 10)

Joe N. Jouett, Accident Victim, Is Buried Monday

Funeral services for Joe Nelson Jouett, 65, of Route 1, Estelline, were held at 2:30 p. m. Monday, Jan. 24, in the Estelline First Baptist Church. Officiating were the Rev. Elvis Pitts, pastor, and Min. Leon Barnes of Tulla.

Interment was in Fairview Cemetery at Memphis under the direction of Spicer Funeral Home.

Mr. Jouett was killed about 7:15 o'clock Saturday night when he was struck by a semi-trailer truck while tightening the lugs on the left rear wheel of a loaded cotton trailer, parked on the paved apron of Highway 287 about five miles south of Memphis. The truck was owned by the C&H Transportation Co. of Dallas and was driven by Bill Cox of Ardmore, Okla., who was not injured.

Mr. Jouett was en route to a Memphis gin with the loaded cotton trailer and had stopped to replace a flat tire.

Joe Nelson Jouett was born Nov. 19, 1906, near Vernon in Wilbarger County. He moved to Hall County with his parents in 1911, and was united in marriage to Clessie Moore Oct. 10, 1925, at Hollis, Okla. He was a member of the Church of Christ, and farmed near Estelline.

Survivors include: his wife of the home; two sons, Gene of Estelline and Wallace of Pampa; three daughters, Mrs. Calvin Luster of Burleson, Mrs. Preston Mills of Moscow, Kans., and Mrs. Sibbie Saunders of Amarillo; four brothers, W. H. Jouett of Turkey, Jim of Memphis, and John and Edgar, both of Clovis, N. M.; four sisters, Mrs. Mable Medcalf of Clovis, N. M., Mrs. Jim Burk of Estelline, Mrs. Nettie Tipton of Lamesa and Mrs. Marie Armstrong of White Deer; 17 grand- (Continued on Page 10)

Rev. Jack Gray To Be Evangelistic Speaker At First United Methodist

The First United Methodist Church of Memphis will begin an evangelistic crusade Sunday morning, Jan. 30, with the Rev. Jack Gray of Dallas conducting the revival services, according to Rev. Tommy Nelson, pastor.

"Brother Jack," as he is known to most of his friends, was born in McLean, began school in Dumas and graduated from high school in Denton. He attended college at North Texas State University and Perkins School of Technology at S. M. U. Rev. Gray is an ordained Methodist minister and serves fulltime as a conference evangelist in the North Texas Conference. Formerly he was pastor of several churches in the North Texas Conference and at one time was associate professor of the First United Methodist Church in Lubbock. His last appointment before going into fulltime evangelistic work was Cockrell Hill United Methodist Church in Dallas.

Jack Gray is married to the former Revis Jordan of Lubbock. The couple has three children: Jordan, 13; Allison, 11; and Cristy, 9. His greatest interest in the work of Christ is evangelism and Rev. Gray has been District Secretary of Evangelism in the North Texas Conference and has served on the Conference Board of pastoral experience. Bro. Jack preached in 12 states and made a tour of Central American with the General Board of Evangelism. His work and ministry is supervised by a Council of Laymen and Ministers, chartered by the State of Texas, and approved as a non-profit organization. He is a member of the National Assn. of Conference Evangelists of the United Methodist Church. Rev. Gray is also a member of the Fellowship of Christian Athletes, a private pilot, likes to play golf, has coached and officiated at football, is a 32nd Degree Mason, an Eagle Scout and a Wood Badge Scoutmaster of four Scout Troops.

Mr. and Mrs. Stan Martin of Lubbock will be directing the music for the series of services scheduled from Jan. 30 to Feb. 6. A special service will be held each morning, Monday through Friday, for business people in the Bronze Room of the First National Bank at 9:30 a. m. with coffee and (Continued on Page 10)

Young Homemakers To Have Stanley Party Here Friday

County Now Has 2,062 Registered Voters On List

Eligible voting residents of Hall County are asked to register to vote with the County Tax Assessor-Collector on or before Monday, Jan. 31, to get their names on the list of certified voters in the county.

Mrs. Jo Carmen announced that there have been 2,062 citizens who have registered, as compared with 3,128 voters registering in the last presidential election year.

The County Tax Assessor-Collector must type up lists of eligible voters in each election precinct. The first list will contain the names of those who have registered by Jan. 31, 1972. Then, subsequent lists of registered voters are attached to the back of the first list. When a voter arrives at the polls, these lists will be checked to see if the name is on one of the lists.

It would be much easier if we had most of our voters on the list listing, and it would be more convenient for election officials," Mrs. Carmen said.

Farm Program Sign-Up Dates Are Set For Feb. 3-March 10

The recently announced change in sign-up dates for the 1972 set-aside farm programs allows time for consideration of the first available data on producers' plans for 1972, according to Larry B. Rogers, county executive director, County ASCS office.

My understanding is that the U.S. Department of Agriculture wants to provide time for both farmers and farm program officials to study the special farmers' planting intentions report which is due Jan. 27.

So, the sign-up period for the

feed grain, wheat and cotton set-aside programs will be Feb. 3 through March 10 instead of Jan. 17 through Feb. 25 as was first announced," he said.

"Many farmers are asking if these new sign-up dates mean program changes are in the offing. I don't think anyone yet knows. The planting intentions report will be carefully studied and evaluated. I suppose there is a possibility that unforeseen factors will show up," added Rogers.

The special planting intentions report on Jan. 27 will be the first indication on a national scale of what wheat farmers are planning for 1972 in the light of 1971 crop marketings.

In 1971, under a corn blight threat which didn't materialize, farmers planted and harvested a record corn crop. Wheat and feed grain production was not far behind and for farmers who had to sell at harvest, prices were too low. On the other hand, market competition for cotton and soybeans has resulted in good prices for farmers, Rogers pointed out.

The 1972 set-aside program provisions announced by USDA are designed to help American agriculture cut back on the acreage planted to all crops and to encourage farmers to produce those crops which best fit their farming operations, the aim is to increase farm income through the

markets as well as protect farm income by making crop loans and set-aside acreage payments available to program participants, according to the county executive director.

"Participation in the set-aside programs is voluntary, and Feb. 3 through March 10 is the period when farmers sign up at ASCS county offices for participation," Rogers said.

Doing the preaching will be Rev. Burton L. Melancon of Plainview. Both Rev. and Mrs. Melancon will be on hand for the service.

Burton Melancon To Be Speaker For Sun. At Lakeview Baptist

The First Baptist Church at Lakeview will have a speaker for both the morning and evening services on Sunday, Jan. 30, it was announced this week.

Doing the preaching will be Rev. Burton L. Melancon of Plainview. Both Rev. and Mrs. Melancon will be on hand for the service.

Lakeview-Quitaque Girls Are Tied As District 4-B Play Continues

The Hedley boys continue to dominate Dist. 4-B play, but the girls race has tightened into a two-way tie for the lead between the Quitaque girls and the Lakeview girls.

The key game in the girls division of the district was played Tuesday night when the Hedley girls handed Lakeview girls their first defeat, 57 to 36, and threw the race into a tie.

The Hedley girls, led by Renee White with 35 points, jumped to a 17 to 4 first quarter lead and enjoyed capturing 47 ball turnovers on their offensive end of the court to be victorious over the favored Egglettes. The Hedley girls lost two games in the

first round.

Lakeview Coach Cagle Davis said, "It was our worst game of the year and possibly since I've coached at Lakeview." He has mentored two girls district championships and one boys district winner in his first two years at Lakeview.

"It just seemed that we could not do anything right, missing layups, throwing the ball away. I hope we got it all out of our systems in this one," he said.

Carolyn Hughes had 16 points for Lakeview and Mary Ann Gilbreth had 13.

In the boys game, Hedley took a 70 to 28 victory to remain undefeated. Hedley's D. Bolin had 13 points and Lakeview's Terry Paul Watson had 10 points.

Also Tuesday, the two Turkey teams won games from Estelline teams as the girls game ended 48 to 33 and the boys score was 68 to 59.

Estelline high individuals were Patti Welch with 23 and Vernon Moore with 32. Turkey's highs were Annie Polly with 24 and Curtis Polly with 32.

Last Friday night, Hedley won two games from Estelline teams. The Hedley girls won 49 to 36 and the Hedley boys won 63 to 55. Renee White had 30 points for the Hedley girls and Shane Ricker had 19 for the Owls. Estelline's highs were Janice Morris with 16 and Vernon Moore with 21.

Also Friday, Quitaque won a pair of games from Turkey. The Quitaque boys won 83 to 61 as Alvin Ivory had 22 points while Turkey's Kim Coker made 14.

In the girls game Quitaque had 45 points while Turkey managed 36. Wanda Ramsey had 19 points for the winners while Annie Polly had 19 for Turkey.

Upcoming games have the Turkey teams playing at Lakeview tonight (Thursday) on a schedule change, Estelline teams play at Quitaque Friday night, Jan. 28.

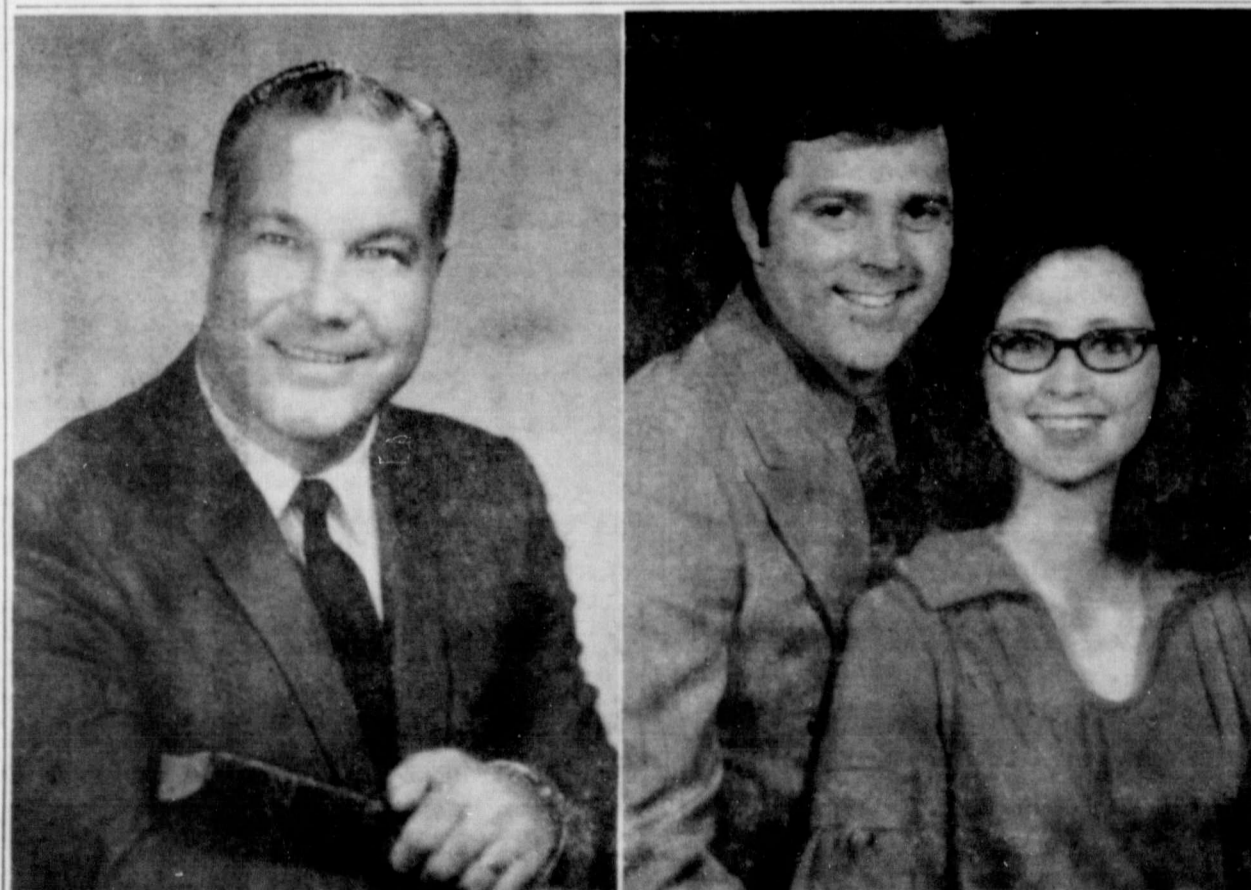

Tuesday, Feb. 1, Lakeview travels to Quitaque and Turkey plays at Hedley. This will be a crucial game in the girls bracket if Lakeview and Quitaque are still tied in the loop race.

American Cancer Bazaar To Be Held Saturday

A miscellaneous bazaar will be held in the show room of the West Texas Utilities Company, 113 South 6th Street, on Saturday, Jan. 29, from 9 a. m. until 8 p. m.

Every person who possibly can is asked to bring a gift and to buy a gift.

Gifts may be left at the home of Mrs. Roy Guthrie, 105 North 9th Street, or at the home of Mrs. Floyd McIntush, 317 North 8th Street, or they may be carried to the bazaar on Saturday.

EVANGELISTIC CRUSADE—Pictured above are Rev. Jack Gray of Dallas (left) who will preach for the First United Methodist Church's Evangelistic Crusade, and Stan and Jan Martin of Lubbock who will lead the music for the crusade. "Brother Jack" as Rev. Gray is known, is the conference evangelist in the North Texas Conference, while the Martins are both graduates of Texas Tech. They now own "Hi Fidelity of Lubbock, Inc." a stereo sales and service company. The crusade begins Sunday, Jan. 30 and ends with service Sunday, Feb. 6.

Services Held Here Mon. For Riley S. Huggins

Funeral services for Riley S. Huggins, 64, were held at 11 a. m. Monday, Jan. 24, in the First United Methodist Church of the Rev. Tommy Nelson, pastor, officiating.

Burial was in Fairview Cemetery under the direction of Spicer Funeral Home.

Mr. Huggins passed away Saturday, Jan. 22, in an Oklahoma City hospital.

Riley S. Huggins was born June 23, 1907, at McKinney, and was a former Memphis resident, moving here with his parents. He also resided in Amarillo, moving to Memphis in 1967 and to Oklahoma City in 1969. Mr. Huggins was a member of the Seventh Day Adventist Church.

Survivors include: two daughters, Mrs. Jack Williams of Oklahoma City and Mrs. Dennis Weatherford of Leavelle, La.; a son, Mrs. Ora Ables of Amarillo and seven grandchildren.

Funeral bearers were Eddie Gable, J. O. Dixon, Emmett Ables, Garret Moore, Herman Childress and Gayle Gilreath.

Lakeview P-TO To Meet January 31

The Lakeview P-TO will meet at 7:00 p. m. Monday night, January 31, in the grade school auditorium, according to an announcement this week.

Junior High and High School students will present a musical variety program with Mrs. Mozelle McMillen in charge. All interested persons are invited to attend.

The 1972 Elections And The Federal Courts

The State of Texas is having its difficulties trying to hold elections this year. The dilemma arises over several aspects which Federal Court Judges have ruled as unconstitutional.

First of all, political parties don't know where they are going to get the money to finance primary elections. One Federal Court has ruled that candidate filing fees are unconstitutional.

Secondly, another Federal Court has ruled that U. S. Representative Districts as drawn by the State Legislature are unconstitutional. The State of Texas has filed an appeal with a higher Federal Court Judge asking that this ruling be set aside until after the elections and allowing such time as to get a Supreme Court ruling on the matter.

This state has already seen one set of State Representative, District boundary lines thrown out by the courts and another group redrafted by a special committee of State Officials. These are also before a Federal Court in Austin now.

The whole situation is confusing for those seeking public offices for they do not know from time to time in what district they may be located or in what counties to file, and political parties don't know what to do either.

The fact that Texas has been under this form of financing and holding elections for many years seems completely out of the picture. Texas voters are completely baffled as the whole thing appears more like a "soap opera" than any resemblance of the orderly process of Democracy.

With the Feb. 7, 1972 filing deadline quickly approaching, time is running out.

Actually, Federal Court rulings have voided both of the State of Texas filing fee laws. While earlier decision invalidating the old filing fee law was still on appeal to the U. S. Supreme Court, three judges in Dallas knocked out a back-up statute passed last year.

If rulings stand, Texas will be without any method of financing its May and June party primary elections. In the original 1970 decision on the old law, fees were declared unconstitutional because they were used for revenue-collecting and were an absolute requirement to get on the ballot.

Legislators in 1971 passed a law effective January 1, 1972, setting maximum filing fees authorizing to four per cent of a candidate's term salary. Another provision provided for getting on the ballot by pauper's affidavits of inability to pay, together with a petition signed by 10 per cent of area voters. This, too, was invalidated by a federal court last Thursday.

Texas is now enjoined from implementing any fee system for financing the primaries.

Since the Supreme Court has not ruled on the first case, state officials are hoping the courts will stay the latest order until the Supreme Court makes its ruling, on the first case.

The only suggested way for providing party primaries now appears to be by volunteer donations. This would take about \$1.5 million. Otherwise, a special session of the state legislature would be necessary to provide for state financing of primary elections.

Counties in this state bear the expense of holding general elections or any statewide special elections that might be called.

This editor has had one cold and chilly thought about the whole situation. The Federal Court ruling of one man, one vote opens the way for every plan or redistricting in Texas to be subject to be thrown out by the courts from now on into the future. Why, because population shifts from day to day and the court is using an ever lower percentile figure on which to base district boundary lines, whether these lines are drawn by the duly elected representatives of the people or by a panel of state officials or by the judges themselves. In every plan, something, somewhere will not be exactly right; so the whole plan must be done over again, if challenged in court.

Why are these plans being challenged in court? That's a question only those men whose names appear on the complaint can truthfully answer. According to newsmen who have come in contact with them, they are showing a lot of merriment and glee of their handiwork. A. L. Couch who brought filing fee case to the Federal Court is hoping to build a political future on his handiwork. He has served as a Probate Judge and has eyes on another judgeship.

Also being hinted at now, the State's candidate filing deadline may be extended from Feb. 7 until Feb. 22. We'll just have to wait and see what develops.

What Other Editors Say

Newspapers Do Goof!

Do newspapers make many goofs throughout the year? Well, a few and a collector's group meets some place to exchange newspaper goofs one evening a week just for belly-laughs.

The Shelby Promoter recently advertised "insulated underwear" instead of insulated underwear. The Promoter also had "Crap Tops" instead of crop tops. They corrected it in a later issue by saying, "Maybe they were crappy."

Over nine years ago I became the new editor of the Columbus News and a fellow by the name of Chuck Wagner became manger of Vaughn Ragsdale. Chuck was a real believer in advertising and one week came up with a page ad on a real big promotion. A page ad can get an editor all flustered. By the time I put the third item in the ad I was still a little excited and I left the "r" out of "shirts". The end of a sad story came out somewhat well as everyone noticed the glaring error and all had a laugh out of it. Some even came into the store to give Chuck a bad time and rub it in. But before they got out of his store they had made a purchase and all turned out well for me.

A social item in the Fairmont, Minn., paper read: Mr. and Mrs. Morrison left Wednesday for Rochester where she expects to have a garter removed by the Mayo Brothers.

This little gem appeared in the Clinton, Ill., Journal: "Veterans Day was observed with special ceremonies Saturday. The American Legion and other pathetic organizations conducted services on the courthouse lawn."

Rural correspondents are the most famous for leaving out the detail: "Young Browney was burned about his head. Not much damage was done."—credit the DeKalb, Ill. Chronicle.

Giving advice to citizens is another well-known habit of writers as evidenced by this item from the Laramie, Wyo. Daily Boomerang: "Do not exceed five miles per hour over the bridge located west of Elso on account of the bridge having been removed."

The Shelby Promoter recalled one their rural correspondents writing about Mr. Jones having major surgery and being back home in a state of recuperation. "Mr. Jones is back home feeling himself again," she wrote, meaning, apparently that Mr. Jones was feeling much better.

From the Chicago Tribune came: "Mrs. Budds was one of many who took turns presiding at the dinner table."

A real classic one and one to be remembered in a South Carolina newspaper which printed a story with the following essential facts: Farmer Brown had gone to his barn to hitch up the mule. The

mule attacked the farmer in the process. The farmer's wife hears her husband's screams, comes running out of the barn to assist her spouse, and shoos off the mule with a pitchfork. Nobody was injured, but the headline appeared in the newspaper: "WIFE BEATS ASS OFF HUSBAND WITH PITCHFORK."

A Minnesota paper, some years back, had a situation as follows: Grieving relatives brought into the weekly newspaper a long-winded, well-written obituary about Tom Smith, a leading citizen who died. The obituary told of Smith's many and varied accom-

plishments, elucidating what a great man he was.

The newspaper's linotype operator, who never had any particular love for Mr. Smith, spent several exasperating hours setting the type for the obituary. After working on the death story most of the morning, the linotype operator concludes with the statement, setting it in type: "And the sonofabitch is dead."

The newspaper's proof reader inadvertently didn't omit the last line and it was printed that way.

Being an old linotype operator I can see this picture very clearly. But how do you explain that one to your readers.

—The Columbus (Mont.) News:

Seventeen million children—about one out of three—are injured severely enough each year to restrict normal activity or require medical attention.

Pate And Gates Open Retail Firm In Nashville

Ronald Pate, son of Mr. and Mrs. Milton Pate of Memphis, and Robert W. Gates, formerly of Memphis, opened the R and R Uniforms, Inc., in Nashville, Tenn., January 3.

The uniform store carries a line of industrial, law enforcement, security, fire and postal employees needs, and is a retail firm.

Pate is a graduate of Texas University in Lubbock and has done graduate work at the University. Mr. Gates also attended Texas Tech.

Local Group Attends District Cancer Meeting

Mr. and Mrs. Floyd McIntush, John McCauley, Tom Posey, Mrs. Roy L. Guthrie attended district meeting of the American Cancer Society in Lubbock Tuesday of this week.

The data they received include these astounding facts: nearly 100,000 new cases of cancer are diagnosed in the United States every day; more children die of cancer than from any other cause. Cancer will strike one of every six persons living in the United States today; it kills more than 100,000 people every year; two of every three cancer patients are saddened by the death of a loved one.

Staffed almost completely by volunteers, the American Cancer Society has very little administrative expense; consequently, practically every cent of every dollar contributed goes into the benefit of the victim. Contributions should be made to the American Cancer Society in Texas medical centers into causes and cures of cancer; Education of all Texans to encourage annual physical examinations; and Service to cancer patients and their families.

CARDS OF THANKS

We are deeply grateful for the kindness and sympathy extended at this time of sorrow. We would like to say thank you to our friends for their presence when we needed them. Also, thank you to those who gave of themselves, helping in our homes, seeing to the needs of our family and to those who sent food, flowers, and memorials. May God bless each of you. REENLISTMENT—Specialist 5 John David Rogers (right) of Lakeview takes the oath of reenlistment from Col. Wilbur F. Price, Research, Development and Engineering Directorate, Army Electronics Command. Spec. Rogers is assigned to the command's R&D Technical Support Activity at Fort Manmouth as a calibration specialist. He has reenlisted in the Army for another six years, at a bonus totaling \$8,000. Spec. Rogers is the son of Mr. and Mrs. Wallace R. Rogers of Memphis, and he entered the Army in April 1969 and later served in Korea. He is a 1966 grad of Memphis High and worked for General Dynamics in Fort Worth before entering the military service.

Sunday School At Estelline Starts Attendance Drive

Members of the First Baptist Church at Estelline started a Sunday School attendance promotion program entitled, "Stand for the Lord," Sunday, Jan. 16, according to an announcement last week by Rev. E. E. Pitts, pastor. It will be continued through Sunday, Feb. 20.

Each class has a goal, and covenant cards have been passed out as well as lapel buttons, the pastor explained. Anyone attending will be added to the attendance program.

The program is based upon the Scripture, Eph. chapter 6, verse 13. Material used is being furnished by Arthur Davenport Assoc., Inc. It also is being used by different denominations in this kind of endeavor, Rev. Pitts said.

A recent survey shows that people eat one out of seven meals away from home, and that families with higher incomes eat out more often.

About Life

"I will put my trust in Him" — Isaiah 8:17

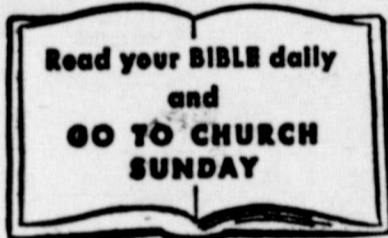

Have you ever considered how monotonous life would be if every minute and hour of each day were so regulated that life held no surprises at all?

Think how much you enjoy the sunrise that follows the dark of night. How beautiful is the first bloom on a tree that has stood bare against the wintry wind? How warming to the heart is the first love, the first anniversary?

How sad is death? How bitter defeat and failure? How difficult to bear loneliness?

No, life is not monotonous; it is ever changing, for all of us. Our individual share of the good and bad can be affected by situations and events over which we have no control. In the desperate hours, he survives best who places his trust in God and finds strength to seek the better day.

Elmo Kennedys Observe 50th Wedding Anniv.

Mr. and Mrs. Elmo Kennedy were honored at a reception in their home 4 1/2 miles northwest of Memphis on Sunday, Jan. 23, in honor of their 50th wedding anniversary.

Debbie Fancher received the gifts and Betty Hoggatt was in charge of the register. The registry table featured a gold floral arrangement, gold pen, and the wedding picture of the Kennedys 50 years ago.

The serving table was laid with a white satin cloth overlaid with white nylon net, with gold fringe and gold tassels around the table. Features of the table were three tiered wedding cake decorated with "50" in gold, also a green floral arrangement in a gold stand with the number "50" in gold. Bonnie Kennedy served the cake, Dorothy Fancher served punch, and Denzil Merrell served coffee. Mints and nuts were also served.

Miss Willie Merle Polasek and Elmo Kennedy were united in marriage Jan. 22, 1922, in Caddo Parish, La. They came to Hall County in 1926, and to the Memphis vicinity in 1945.

Their children are Mrs. Betty Hoggatt of Hedley, Mrs. Dorothy Fancher of Amarillo, Mrs. Ruby Hoggatt of Phoenix, Ariz., J. R. Kennedy of McKnight community, Ida Mae Griffin of Globe, Okla., and Dillard E. Kennedy of Memphis.

Planet means wanderer.

Mrs. R. E. Clark Hostess For Jan 5 Lydia Class Meeting

The Lydia Sunday School Class met Wednesday afternoon, Jan. 5, in the home of Mrs. R. E. Clark.

Mrs. John Fitzjarrald led the group in prayer with Mrs. Sarah Kilgore bringing the devotional on the subject, "Where Thou Goest?", Gen. 16:8.

Mrs. Minnie Voyles offered prayer after which, the minutes of the preceding meeting were read and approved. Miss Sybil Gurley read a recipe for a "Happy New Year" and "Humility" by Richard B. Douglas. Each member told her New Year's Resolutions.

The hostess, Mrs. Clark, served lovely refreshments to Meses. J. W. Smith, Ocie Scott, Jean Lamb, Ethel Saunders, Sallie Reeves, Mammie Smith, Sarah Kilgore, Stella Jones, Douglas Lindsey, H. H. Lindsey, John Fitzjarrald, Estelle Barber, Minnie Voyles, Myrtle Hammond, and Miss Sybil Gurley.

American Cancer Society To Meet January 29

The January meeting of the American Cancer Society will be held in the home of Mrs. Roy L. Guthrie, 105 North Ninth Street, on Thursday evening, January 27 at 7:30.

All people interested in the eradication of cancer are cordially urged to attend.

On a postman's uniform a red silk star means 15 years of service.

Culture Club Hears Program On Conservation

The Bronze Room of the First National Bank was the meeting place for the Woman's Culture Club on January 19 with Mrs. Jeanette Irons serving as hostess for the meeting.

During the business meeting, conducted by the president, Mrs. R. E. Clark, the club voted to contribute to the cancer fund and to participate in the Cancer Bazaar Jan. 29.

Mrs. Pat Lewis gave the devotional using as her theme, "Choices of Man". She concluded her devotional by reading Psalms 90 as a prayer.

Mrs. Theo. Swift introduced the program by asking each member to name her favorite wild flower. The program was a panel discussion, "Act now in the field of Conservation".

Mrs. Ward Gurley discussed "Industrial Pollution", stressing the effect of pollution and suggesting some remedies. She said, "America is the dirtiest country on earth because it is the richest."

Mrs. L. A. Stilwell led the discussion of "Soil Conservation". She told in summary what had been done since the dust bowl days, especially how plants help in soil conservation. She concluded her discussion with a report on the Lakeview Watershed, telling what had been done, what is planned to be done in the near future, and the projected effect it will have on Hall County when completed.

Miss Alma Bruce concluded the panel discussion with the subject of "Wildlife". She stressed that "Man's lack of kindness is no joke". She told that some ecologists think wildlife in the United States may cease to exist, if the present trend continues. There are 300 species of wildlife in the world today that are in danger of extinction. She told how some wildlife is needed in the city and how pollution, motorists, trappers etc. kill wildlife. She concluded by discussing what is being done and some of the things the club members could do.

Refreshments were served to

Blue Bonnet Club Organized In Jan. 1934

A group of ladies met in the home of Mrs. W. R. Cabaness in January 1934 to organize a young matrons' needlecraft club. The Blue Bonnet Club was the name chosen and executive officers for the ensuing year duly elected: Mrs. Claud Johnson, president; Mrs. O. R. Goodall, vice-president; Mrs. Jack Boone, secretary; and Mrs. J. D. Morgensen, reporter.

Theirs was the first needlecraft club organized in Memphis and, through the years, has continued with regular meetings the third Friday of each month. Besides the above named officers, the others of the ten charter members were: Meses. J. B. Chitwood, Clyde Hill, H. A. Jackson, B. O. Keely, and H. H. Lindsey.

Aside from plying their nimble fingers and enjoying friendly fellowship one afternoon each month, this group has contributed to many charitable and civic causes. Of recent date, their contribution of \$10 toward furnishing the Recreation Room of the Housing Project was greatly appreciated.

As the years passed, though some of their members moved away and others have gone to their reward in heaven, The Blue Bonnet Club is today a closely knit association numbering eighteen on their membership roll as follows: Meses. Nettie Adams, Margaret Phillips, Husie Lindsey, Winnie Johnson, Nat Scott, Mary Bounds, Mary Lenoir, Gussie Jones, Iva Smith, Grace Monzingo, Emma Hill, Ocie Scott, Leslie Salmon, Floy Hightower, Ima Lawrence, and Lillie Messer.

This is an organization of long standing and one of which the town of Memphis can be justly proud.

Ben Jonson, English poet laureate, is buried in an upright position in Westminster Abbey.

1913 Study Club Meets In Home Of Mrs. H. A. Combs

Mrs. Herschel Combs was hostess to the members of The 1913 Study Club for their second January meeting, the afternoon of the nineteenth. The meeting was called to order by the president, Mrs. Paul Montgomery, and a welcome was extended to a new member, Mrs. A. D. Britt, who with her husband has recently moved to Memphis from Estelline. Mrs. Byron Baldwin led the members in a recitation of the "Federation Creed".

Mrs. Sherron Lee, as program chairman, through the banner title urged her listeners to "Make Safety A Three-Pronged Sword", and further emphasized "Safety On The Highways". Mrs. Howard Richardson spoke on "Safety Proofing Children" and Mrs. T. M. Harrison enlightened her audience on "Burn Prevention", verifying the old adage that "An ounce of prevention is worth a pound of cure". The membership readily agreed to order the Dennis the Menace brochures, cautioning children as to everyday safety measures. These will be placed in the kindergartens and lower grades for children to take home.

During the social hour, delicious refreshments were served by the hostess and Mrs. Larry Votto, daughter Stephanie and baby son, Anthony, popped in to say 'hello' and let little 'Tony' look the club members over. The Votto family moved to Hobbs, N. M., last week.

The next club meeting will be with Mrs. Gayle Greene as hostess, a tea honoring the High School Seniors and a salute to the Seventy-fifth Anniversary of Federation.

Memphis Students Listed On Tech Fall Honor Roll

Ronald Bradshaw and Lanny Crow have been listed on the Dean's Honor roll for the fall semester at Texas Tech University, according to information received by the students' parents.

In order to be listed on the honor roll a student must maintain above a 3 point grade average.

Ronald is the son of Mr. and Mrs. C. D. Bradshaw while Lanny is the son of Mr. and Mrs. W. H. Crow.

CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy in our recent sorrow.

For the beautiful service, floral offerings, food and other kindness, we are deeply grateful. We also thank Dr. Goodall, Mr. Spicer and the nurses at Cousins Home for their dedicated attention and care.

The Family of L. G. Withers

CARD OF THANKS

So hard to find words to really express my thanks to the nurses and entire staff of Hall Co. Hospital. I know they are the best; and Dr. Stevenson who has God guiding his every attempt to help his patients.

Thanks: to my many friends. Their prayers, flowers, cards visits, calls and thoughtfulness. This means so much to me.

Thanks to the Lakeview churches for their flowers and above all their prayers, and thanks so much to the two Baptist Churches of Memphis for their prayers and thoughtfulness and visits. May God bless each of you. It will be such a sweet memory for me.

Alpha Circle Meets In Home Of Mrs. McDaniel

The Alpha Circle of the Women's Society of Christian Service of the First United Methodist Church met Monday, Jan. 24, at 3 p. m. in the home of Mrs. J. J. McDaniel.

The president, Mrs. Ed Hutcherson, asked the members to remember the Evangelistic meeting at the church beginning Sunday, Jan. 30, also the Day Apart meeting of the Women's Society in Wellington Tuesday, Feb. 1.

The program chairman, Mrs. M. G. Tarver, gave an interesting introduction of the study for the new year, the theme being, "Unity Power and Development." The title of the program book is "Leap in Faith."

The first of the regular programs was a dialogue entitled, "Living Through Change and Beyond Fear." It was presented in a comprehensive manner by Rev. and Mrs. Tommy Nelson to encourage members to live faithfully in the midst of today's change.

Mrs. F. W. Foxhall gave the meditation, reading Watt's hymn, "O God Our Help in Ages Past," with a scripture reading from Isaiah 40. She led the closing prayer, remembering Mrs. Tommy Nelson whose birthday was in January.

Those to whom delicious refreshments were served, other than the above mentioned, were Meses. Ben Parks, J. B. Scott, W. V. Coursey, R. S. Greene, T. J. Hampton, Lee Brown and her granddaughter, Rhonda Bowman.

Farmers and Ranchers GROW With Rolling Plains Production Credit Association - - The Go Ahead People

That's another good thing about Production Credit. Rolling Plains PCA has grown. The figures speak for themselves. And you can bet that our Rolling Plains PCA members, who are stockholders and sole owners of their credit source, have grown too.

Look at the growth rate. Loans outstanding and total amount loaned have more than doubled in the past 5 years. Association capital has increased almost 100 percent.

Still another good thing about Rolling Plains PCA is that all this time, we've been reducing the amount of difference between what money costs us and what it costs our stockholders.

You've seen us grow. Now find out how you can grow. Come in and talk to the go ahead people at any one of our offices in

Year	Loans Outstanding	Total Amount Loaned	Interest Spread*	Capital
1955 ¹	\$2,850,138	\$7,576,568	3.7	\$1,365,057
1961	\$4,598,967	\$11,595,992	3.0	\$1,434,409
1966	\$8,411,613	\$19,218,985	2.5	\$1,949,752
1971	\$19,480,622	\$41,512,432	2.3	\$5,776,750

* Interest spread is the difference between the cost of money and the interest rate charged for the same money.

¹ Rolling Plains PCA was organized in 1965 as a result of a merger between Stamford and Memphis PCA's. Statistics for 1955 and 1961 are a compilation from these two Associations.

her food value from the acorns off of oak trees that humans can eat. Heretofore, we thought the acorns were only fit for hogs.

In reading the Cattleman's Magazine a few days ago, we find that at Texas Tech, they are now discovering a food value in mesquite limbs for cattle. When this is developed in the near future, you will be able to clear your land of mesquite and sell the limbs for cattle feed.

In reading the Dallas News the past Sunday we did find this information that in Dallas there are now (according to the Internal Rev. Dept.) 800 "Substantial" millionaires and 1200 "Just Plain Millionaires". One Dallas multi-millionaire says that he gets on the average of 40 requests a day for contributions to promote everything from nuclear disarmament to eternal salvation! It is interesting to know how so many of the millionaires use their money in helping the Salvation Army, schools, churches, hospitals and also their community chest trust fund. One of these millionaires had given over 6 million in stocks to the Community Trust Fund. Another one of their millionaires puts a lot of stocks in education that teaches people to go out and help themselves. It seems that these millionaires have big generous hearts in contributing to the needs of humanity who are less fortunate than they are.

A quote from "Shop Talk", "As January sales go on and giant discounts mount, the most drastically reduced is my bank account."

Another report I read in the Dallas News a few days ago was that they now have 865,000 telephones in their city. That would be a lot of "Hellos" in even one day.

The past Sunday I did have the privilege of hearing Bill Davis give a Layman's Day witness in the First Baptist Church. Bill will be remembered as the older son of W. C. and the late Mrs. Davis. W. C. was superintendent of schools here for a number of years. Bill said his family moved here when he was three years old. He has been coaching in Plainview but is now in the process of moving to Hurst. It just does not seem possible that time has passed so fast. I met Bill's wife and five children, three girls and two boys. Next to the oldest girl re-

sembled Bill's sister so much that I called her Berle when I met her. Bill has a fine looking family and it was a pleasure to see them. It was very interesting to hear Bill make his talk and find that he knows the true values of life. When Bill was coaching in Quannah, Danny Scarborough was on the Quannah team. He said Danny won 14 games for him there.

ent people under different conditions and they have learned to meet emergencies that come up in flight. Their plane has never been hi-jacked but had bomb scares. They reported that they

had a very happy family with three of the stewardesses, two dogs, 1 cat and a parakeet. Carolyn and Darlene like Heritage

Hall very much.

Peter Minit purchased Manhattan Island from the Indians.

MRS BAIRD'S
Baked with family pride.

January registrations have been Partly on account of cold weather and 1972 harvest of 1971. Some of the visitors we had last week were: Debra and Jean Davis of Hollis, Mrs. Garry Proffitt of Edinburg, Mrs. Don Proffitt of Edinburg, Arthur Brown of Amarillo, Pat Howard of Liberal, Viola Henderson of Floy, C. Hawkins of Houston, Bill Cofer of Lakeview had her guest in Heritage Hall here, Mrs. M. Younatso of Hartford, Conn. Also visiting in Heritage Hall was Guy Oliver of San Francisco, Calif. This was second trip he has made back to his old home county recently. Some of these trips were made on account of the death of his wife's father, Wilford (Bill) Dunn, whose funeral was held here. He and Alsenia and Billie Kay have been living in Sherman for several years. Alsenia's mode of getting around is now in a wheelchair and she keeps her chin up and not complaining as some of us would do. Seems so short a time ago she was getting about in gear even with long hours.

Well, Mrs. Carl Harrison, Mrs. Sam Crawford, Mrs. Gaylene and Mrs. Harold Smith lived home on scheduled time report that they had a wonderful trip. I have not seen the guests skirts they brought home. From what I hear by grapevine, I do not know how long it will take Harold to get back in the good grace of his wife, Betty, as I understand she asked some of her neighbors to keep up with his duties each day while she was away. They did make their daily reports and also included his life. I hope Harold and Betty get away.

We never know who happens to be spending the night here or their business is. I had a report from Mrs. Currin from the Western Motel a few days ago that they had two guests that were students of Oklahoma State University. They were getting historical facts of the Indian camps and cattle trails through Hall County. I did get them in touch with Chas. Williams and I think he gave them the information they needed and sent them on their way to Turkey and back to get their other information.

Our local families get scattered out over the nation pretty soon after graduating from high school. I met Lesley Foxhall a few mornings back and was asking about his four kids and I found out that Neal is now in

Baltimore, Maryland, Jo is now in Minneapolis, Lynn in Houston and Jean in San Francisco. It seems so short a time since they were in school here.

In the past year I have a good many conversations over a cup of coffee and it seems that there is always something to worry about if we have time to think of our troubles and forget our many blessings. This past year we worried about getting rains, getting the crops up and then after getting the crops up, we started watching the clouds, hoping we did not get any hail. Then we did have the crops made and rain came out of season for gathering and that made more worry. But it did finally clear up and most of the crop is out, but we have another worry about paying income tax that we did not have last year. That old quote, "You can't win for losing".

A few times I have been in a hospital and observed the expectant fathers pacing the floor and they seemed pretty nervous and miserable. The past week I observed an expectant grandmother going up and down the street from the store to the drugstore for a cup of coffee to quiet her nerves as every minute she was listening for a telephone call. Some of the rest of you may have noticed Hattie Dem Thompson with her raincoat and facinator going for another cup of coffee, and with the expectant grandmother's bag packed to take off on a moment's notice. It may be before this is printed that the wind will change and bring the stork in so she can take off for the new arrival at Killeen.

We had a visit with Mr. and Mrs. Ray Sadler of Denton last Saturday and they report that all of the Hall County people who live in Denton are doing fine. Mrs. Sadler will be remembered as Billie Frances Montgomery, daughter of the late Lon and Juanita. I asked Billie to mail me a list of all the ex-Hall County people who are now living in her town.

It looks like now that if the peanut butter runs out, we will still have food for humans from some of the things that God gave us that we did not think were fit to eat. In a report from Mr. Voelkel of Austin, it seems that we will have food for human consumption in the future from cottonseed. A good many of you can remember at one time during the war that it was said we had cottonseed hull black pepper. Now they come up with anot-

County Ginning Totals 51,927 Bales; Harvest Is Now In Windup Stages

The 1971 cotton harvest is now in the final wrapup stages. During the past seven days 3,118 bales were received at the ginning points, bringing the season total to 51,927 bales.

Apparently, Hall County will not reach the 60,000-bale mark, and it is also appearing possible that the yield will not reach the 55,000-bale mark, as most gins north of Red River indicate that they are about through for the season, with only minor wrapup efforts needed to finish the harvest. South of the river, reports indicate that there are still some fields remaining to be harvested, but the major portion of the crop has been gathered.

Harvesting has been declining the past two weeks, reports indicate. Despite ideal harvesting conditions, only one-half as many bales were gathered this week as compared to last week. This is a sure sign that the harvest is in its final stage, ginner reports.

Classing Report

Clear weather over the entire area allowed cotton harvest to move into the final quarter, according to W. E. Cain, in charge of the USDA's Memphis Cotton Classing Office.

The Memphis office classed 15,600 samples last week to bring the season total to 102,750.

Spotted grades accounted for 43 per cent and Light Spotted grades for 41 per cent of samples classed. Grade 43 accounted for 25 per cent and grade 42 accounted for 20 per cent. Samples with bark accounted for 50 per cent.

The redominant staple was 30 with 35 per cent followed by staple 31 with 30 per cent and staple 29 with 15 per cent.

Micronaire readings showed 22 per cent miked in the 3.5 to 4.9 range. The 3.3 to 3.4 range accounted for 17 per cent. The 3.0 to 3.2 range accounted for 34 per cent, and the 2.7 to 2.9 range accounted for 22 per cent.

Pressley readings showed 90 per cent of the samples tested 75,000 psi or higher.

The cotton market continued active this week but demand and prices weakened up to 100 points on 3.2 and lower mikes. Prices were steady on better mikes. The prices ranged from 26.00 to 33.00

cents per pound, with most selling for 30.00 to 32.50 cents.

Average price paid farmers for cottonseed at the gin was \$55.00 per ton.

into the wall by a McLean lad, a foul was called and Browning had two shots to win the game for Memphis. The first one was good and the game ended two seconds later with the score reading Memphis 66, McLean 65.

The game's big duel was between Larry Johnson and McLean's Tommy Duniven, with the local player winning the scoring match 32 to 21. Louis Davis hit 11 points and Mike Browning had 10 to be the other Cyclones in double figures.

In the girls' game, the Cyclones according to Coach Joe Bain, looked the best they had all year in defeating McLean girls 59 to 49. Wanda Walker had 37 for Memphis while Sherri Haynes of McLean made 23.

"Our guards and forwards played well and I felt it was our best game of the season," Coach Bain said.

Clarendon Tuesday

Tuesday night, both Memphis teams outscored teams from Clarendon in the local gym before a good crowd of spectators.

The Cyclones extended their district record to 4 wins and 2 losses as they dumped Clarendon 51 to 26, by holding the Clarendon girls to only 5 points the entire second half.

Wanda Walker for the second game in a row scored exactly 37 points, while Clarendon's Craft had 13.

In the boys game, the winner was never in question after the first quarter when Memphis took an 11-point lead.

Larry Johnson continued to lead the local team in scoring with 28 points, while Otho Rogers had 13, Mike Browning 11 and Louis Davis 11.

Elray King of Clarendon had 14 points. In the B team, boys game, the Memphis boys roared to an 80 to 48 victory over the Clarendon team.

County Families Are In Market For New Homes

NEW YORK — Hall County families who have been wanting, for some time, to buy new homes but have been frustrated because so few were available, may now be able to do so.

The housing boom that has been under way in the United States during the past year has produced some 2,000,000 badly-needed housing units. And an equal number is expected in 1972.

The market for new ones is sparked by the fact that mortgage funds are plentiful now and interest rates are lower than before.

For the prospective home buyer in Hall County, the question arises: "How much can I afford to spend?"

According to the American Bankers Association, the Federal Housing Administration and others, the consensus is that the purchase price, for a family in the middle brackets, should not be more than twice its annual income. Those that have smaller incomes usually must go above that ratio to get suitable homes. For those in the upper brackets the reverse is true.

According to the recommended guidelines, Hall County families with incomes close to the local average, \$8,400 gross, can comfortably afford houses costing about \$19,700.

Many local families have incomes well above this norm and can spend more. Their investments, however, represent a smaller proportion of their annual earnings.

Nationally, purchasers of new homes insured by FHA mortgages paid an average of \$23,056 in the past year. This was 1.7 times their annual income.

They took on monthly carrying costs of \$246 to cover mortgage payments, taxes, insurance and utilities.

The price of houses has gone up considerably in recent years, due to the lack of new construction

Cyclone Mothers Meet; Organize Club Here

The mothers of Memphis High School athletes met recently and organized the Cyclone Mothers Club.

The membership consists of all mothers of school athletes beginning the school year in the fall of 1972. Clyde McMurray, Athletic Director and football coach at Memphis High School, met with the group and explained the purposes of the Club.

It was stated that the purpose of the club was help raise funds for the extras not provided for in the athletic budget and to support the entire athletic program of Memphis High School both morally and financially.

Officers were elected and are as follows: president, Mrs. Billy Thompson; vice president, Mrs. Dick Fowler; secretary and treasurer, Mrs. Clifford Bradshaw; Senior Class Representative, Mrs. Ed Foxhall; Junior Class Representative, Mrs. Gus Orcutt; Sophomore Class Representative, Mrs. Mel Roy Cofer; and Freshman Class Representative, Mrs. Bob Douthitt.

Mrs. Thompson stated that these mothers would be working throughout the year with projects to raise funds to back the athletic department. "Anyone who is interested in joining is cordially invited to participate", she said.

and to the increase in building costs.

Government figures show that, in Hall County, the median price is 50 per cent higher than it was in 1960.

In most parts of the country there is a large, unmet demand for housing, despite the building boom of the past year. The increase in the young adult population has led to more marriages and to the need for more homes.

More Restrictions On Use Of DES In Livestock Feed

COLLEGE STATION—The U. S. Department of Agriculture has placed additional restrictions on the use of diethylstilbestrol (DES), a synthetic growth promoting hormone used in livestock feed. The new ruling became mandatory on Jan. 8, according to Dr. Frank Orts, meats specialist with the Texas Agricultural Extension Service.

Under the new program, federal meat inspectors will hold all cattle and sheep from slaughter at least seven days unless the animals are certified as not having been fed DES or as having been withdrawn from DES at least seven days before slaughter.

According to Orts, there are three alternatives for handling cattle and sheep at slaughter:

1. The animals may be slaughtered if certification requirements have been met.
2. The animals will be held alive for the required seven days.
3. The animals could be slaugh-

Candidates Must File For Office By February 7

The last day for candidates to file for a place on the first primary election ballot is Monday, Feb. 7. Guy W. Smith, Hall County Democratic Executive Committee chairman, announced Tuesday.

Also, any person who desires to run for the office of precinct chairman in either of the five voting precincts of the county, must file with the county chairman by Feb. 7 for their names to be placed upon the first primary ballot. There is no filing fee for precinct chairmen.

Chairman Smith also announced that he has called a meeting of the executive committee to fill two vacancies for precinct chairmen. They will meet at De Ville Restaurant at noon Saturday, Jan. 29, at 12 noon. The precinct chairmen are Danny Scarbrough, Memphis; Carroll Fowler, Lakeview; and Elmer Lacy, Turkey. They will name precinct chairmen for Estelline and Precinct 13 in Memphis.

At the same time Smith announced that the State Democratic Executive Committee recently had adopted an extensive statewide voter registration program entitled "Operation Everybody." The goal is to register over five million Texas citizens between now and April 5, 1972 (last day to register in order to vote in the May 5 Primary).

Hall County has been given a quota of 2,736 registered voters, the chairman said. In the last presidential election year, 1968, 3,128 citizens registered in the county. As of Wednesday, Jo Carmen, Hall County tax assessor-collector, said that a total of 2,062 individuals had registered.

A special plea is being made to all 18, 19 and 20 year olds to register.

"Voter registration is free, but everyone must register in order to vote in 1972 elections," the chairman said. "Application forms are at the county tax assessor's office in the courthouse."
