COTTON BALE—Aubrey Robertson, second from left, is shown receiving checks for the first ginned bale of cotton in the county this year. On left, Chamber of Commerce Danny Scarbrough presents the organization's bonus check of \$100. On Robertson's right, Memphis Compress Co. Gen. Manager, M. C. Allen, Jr., is buying the first bale, after brief trading. The bale was sold at 575 lbs. and bought at 12 cents per pound. Bill Chapman, gin manager of the Farmers Cooperative Gin at Lakeview, signed the first bale Saturday. The cotton was grown on the Dessie Davenport farm east of Lakeview by Robertson, and the bale was gathered by hand, a portion of which was pulled by Robertson himself. One interesting sidelight occurred shortly before the picture was taken, as Robertson was located at a local implement firm busily reading the manual for a new harrow. He expressed appreciation of the mechanical harvesting equipment.

Memphis Travels To Crowell Fri.

Field Day Tour Is Slated Mon. For County Farmers

A field day and tour of demonstration of the Northwest Texas Research program will be held in Hall County on Sept. 25, according to an announcement made here. Persons who plan to make the tour should be at the courthouse in Memphis at 9:00 a.m. Monday.

The tour is being sponsored through the cooperation of the Hall County Program Building Committee, the farmers, the Texas Agriculture Experiment Stations and the Extension Service. Some very important demonstrations have been set up to assist the farmers. Everyone is urged to attend.

Transportation and lunch will be furnished. The tour is scheduled to end at noon.

The first stop of the tour will be a drilled cotton research demonstration on the Galey-Chappell farm one mile north and 1/2 mile west of Memphis. The second stop of the tour will be to study a grain sorghum hybrid demonstration on the Harold Hodges place near Plaska. The third stop will be to study a cotton variety demonstration on the Dunbar-Posey farm one mile north of Plaska where seventeen varieties of cotton are planted on irrigated land.

The fourth stop will be to study cotton varieties farmed by Rayford Hutcherson on dryland. The fifth stop will be to study Ermelo Lovgrass and Kleingrass on Mrs. Jim Swift's farm five miles east and 1/2 mile south of Memphis.

Outstanding agricultural representatives from Texas Experiment Stations and Texas Extension Service will be present to explain demonstrations. This will be a very educational field tour and every Hall County farmer is urged to attend. W. B. Hooser, county agent stated.

Among representatives expected to be present are Dr. Jim Mulky, Research and Extension center, Sackett; Dr. Roy Miller, area range and brush control specialist; Dr. Dale A. Lovelace, area agronomist; Emory Boring, III, area entomologist; Dr. Dennis White, area livestock specialist; Dr. Robert B. Metzger, area agronomist, Cotton Research and Extension center, Lubbock; J. G. Simmons, district extension agent, Sockett; and James H. Valentine, area soil chemist, Lubbock Research and Extension Center.

REV. GENE HAWKINS

Week Of Evangelistic Services Starts At First Baptist Church September 24

The First Baptist Church of Memphis will conduct a series of evangelistic services September 24 through October 1. Services will begin at 8 p. m. each weekday evening. Morning services will be held at 10 a. m. Tuesday through Friday. Sunday services are at 11 a. m. and 7 p. m.

Evangelist for the revival will be Gene Hawkins, pastor of the First Baptist Church in Seminole, Tex. He is a native of Bovina, and is a graduate of Wayland Baptist College and Southwestern Baptist Theological Seminary. Previous pastorates include Lockney and Matador.

In 1965 Rev. Hawkins participated in the Trans-Pacific Crusade, preaching in New Zealand. He has also preached in Mexico, Australia, the Philippines, Hong Kong, and Japan.

Directing the music for the revival will be Bill Keck, minister of music and youth for the First Baptist Church in Mt. Pleasant, Tex. He is a native of Seymour, and is a graduate of Hardin-Simmons University and Golden Gate Baptist Theological Seminary in California. He has led many revival campaigns and has served churches in Haskell, Abilene and Tulsa. In 1970, he and his wife participated in an evangelistic crusade in Kawasaki, Japan. He was recently selected to appear in the 1972 edition of "Outstanding Young Men of America."

A special invitation is extended to everyone to attend. Anyone who needs transportation can be picked up by the church bus by calling the church office at 259-3533.

The Memphis Cyclone travels to Crowell Friday night for the final non-conference battle of the 1972 season, and the contest promises to be one of the top Class A matches in North Texas.

The Crowell Wildcats, undefeated in two outings, opening against Quanah and taking a one-sided victory from the Indians, and then downing the un-ranked Chillicothe club last week 36 to 6, has been picked to win their district, and have been ranked as high as third in some Class A state polls.

For the Cyclone, supporting a 1-1 record, the game is possibly the most important of all the non-conference games in that Crowell has the potential to get into the state playoffs, a hoped-for goal of the Cyclone squad this season.

The game at Crowell will be a key rating situation with both teams vying for an important victory.

Coach Clyde McMurray, in discussing the upcoming game at the Cyclone Booster Club Tuesday night, told local supporters that the Wildcats have the type of personnel the Memphis will have to face in "key" district games and hopefully in play-offs.

Wildcat Players

An examination of the Crowell starters is impressive, with their starting offensive line averaging over 190 pounds per man, almost 15 pounds per man heavier than the Cyclone front wall.

The team is quarterbacked by Rex Driver, 171, a senior, who operates the wishbone-T attack. With the wishbone, the Cyclone defense will be faced with trying to stop the triple option.

The Wildcats' fullback is 167-pound Philip Bell, a junior, with Emmitt Newman, 157 pounds and John Urquiza, 141 pounds.

Besides QB Rex Driver back from last season's Wildcat starters, Crowell has all three of their top linemen back from last year, Center Doug Pharis (183), Guard Freddie Matyske (198), and End Rocky Bachman (197).

Exciting Game Promised

The past two years have produced exciting games when these two teams have met, with the Wildcats winning a close one in the final minute on a pass play in 1970, and Memphis winning a 47 to 28 victory in 1971 in a real offensive packed game.

Wildcat defenders are smarting from this one as Memphis scored more points against them last year than all nine of the other opponents were able to muster in nine other games.

According to Coach McMurray, the Cyclone goal in the game at Crowell and the key word in practice sessions this week is "aggressive."

"This game with Crowell is going to be a bruising, physical contest, and we must be aggressive at every position if we are to win," Coach McMurray said.

The coach went on to say that in the Childress game he felt, and the local players felt, they lacked the aggressiveness necessary to win.

Local fans are urged to make the Crowell trip to see the Cyclone in action against the Wildcats. "We want our fans to see how aggressive our team can be against a big, powerful team like Crowell," he said.

The coach indicated the local team was disappointed in their showing against Childress and has been working hard to better their image.

For the Wildcats, Memphis will be their first big test of the season. For Memphis, the game at Crowell will be the third against stiff, pre-conference opponents. Should the Cyclone manage a victory, although Crowell, considering ratings, will probably be favored to win the game, the Cyclone could finish the non-conference portion of play with an impressive 2-1 mark.

The Cyclone will be open next week.

Tonight, at 6 p. m. in Cyclone Stadium, the Memphis freshmen host Quanah, followed by the J-V game at 7:30. The 8th and 7th grade teams are playing in Quanah tonight.

Lee Vardy Is President of Picnic Association

Vardy of Turkey was elected president of the Hall County Picnic Association for the coming year at the annual business meeting Sunday afternoon at City J. A. Ballard of Memphis named vice president, Mrs. Stephens was reelected and Haubly Dean was elected treasurer. Retiring president is Roy Gresham.

Over 2,000 persons enjoyed the picnic barbecue dinner at the Park Sunday. The weather ideal for the occasion with temperatures warm for this time of year.

Fiddlers Contest

Highlight of the program at the picnic was the fiddlers contest in which 130 in cash prizes were awarded. Thirteen of the best fiddlers in the West Texas area participated, John Chambers and Bill Ed Dixon, chairmen.

First prize of \$65 went to Dick Pottsboro; second winner of \$55 was Major Olton took third place with prize of \$45 and Bill King was awarded fourth prize of \$30.

Others winning in the other places were Henry and Lester, brothers from Lubbock; Sharty Loter of Wheeler; and Air Force personnel from Fort Worth.

Parade

Highlight of the festivities Saturday was the hour-long parade given Saturday afternoon at 4 p. m. The parade was under

Funeral Services For Mrs. Jones Held Here Sunday

Funeral services for Mrs. Vera O. Jones, Amarillo, who died Sept. 15, in Swisher Memorial Hospital in Tulsa, were held Sunday, Sept. 17, at 3 p. m. at Travis Baptist Church in Memphis.

Mrs. Jones was born in Hall County Dec. 27, 1908, and had made her home in Amarillo until she became ill a few months ago. Her husband preceded her in death in 1956.

She is survived by two daughters, two sons, 16 grandchildren, one great-grandchild, her parents and two sisters.

Kiwanis Charter Night Is Slated For Sept. 26th

The Kiwanis Club of Memphis will have its club charter night Tuesday, Sept. 26, at 7:30 p. m. at the Community Center at 721 Robertson, it was announced this week.

The master of ceremonies will be Lieutenant Governor Curtis Crafford of Division Six, in which are found 18 clubs. Special guest will be the governor of the Texas-Oklahoma District.

Catering will be provided by Ronnie Wilson of Memphis with the meal price set at \$3.00 per plate, members stated. Neighboring clubs from around the Panhandle will be attending and members are reminded to come a little early to help with the preparation.

Funeral Services For Mrs. Jones Held Here Sunday

Funeral services for Mrs. Vera O. Jones, Amarillo, who died Sept. 15, in Swisher Memorial Hospital in Tulsa, were held Sunday, Sept. 17, at 3 p. m. at Travis Baptist Church in Memphis.

Mrs. Jones was born in Hall County Dec. 27, 1908, and had made her home in Amarillo until she became ill a few months ago. Her husband preceded her in death in 1956.

She is survived by two daughters, two sons, 16 grandchildren, one great-grandchild, her parents and two sisters.

Estelline Bears Travel Friday To Northside

The Estelline Bears will be playing away from home Friday night, traveling to Northside of Vernon for a non-conference contest, at 8 p. m.

The Bears, young and in a rebuilding year, under Coach Larry Long and assistant coach Joel Nelson, are 0 and 2 for the season.

Estelline Junior High will host Patton Spring next Tuesday night in a conference tilt. The Junior High team won a conference opener 6-0, this week from Guthrie.

Ted Wheeler Family Is 'Family Of The Year'

Mr. and Mrs. Ted Wheeler are the owners of Wheeler's Swimming Pool and Skating Club. He is also employed by the Texas Farm Bureau.

Mr. Wheeler is the son of Mr. and Mrs. Dutch Wheeler of Memphis while Mrs. Wheeler is the daughter of Mrs. Laura Canida, also of Memphis.

The Wheelers are the parents of three children, Dewayne, 13, Derwon, 10, and Randy, 7.

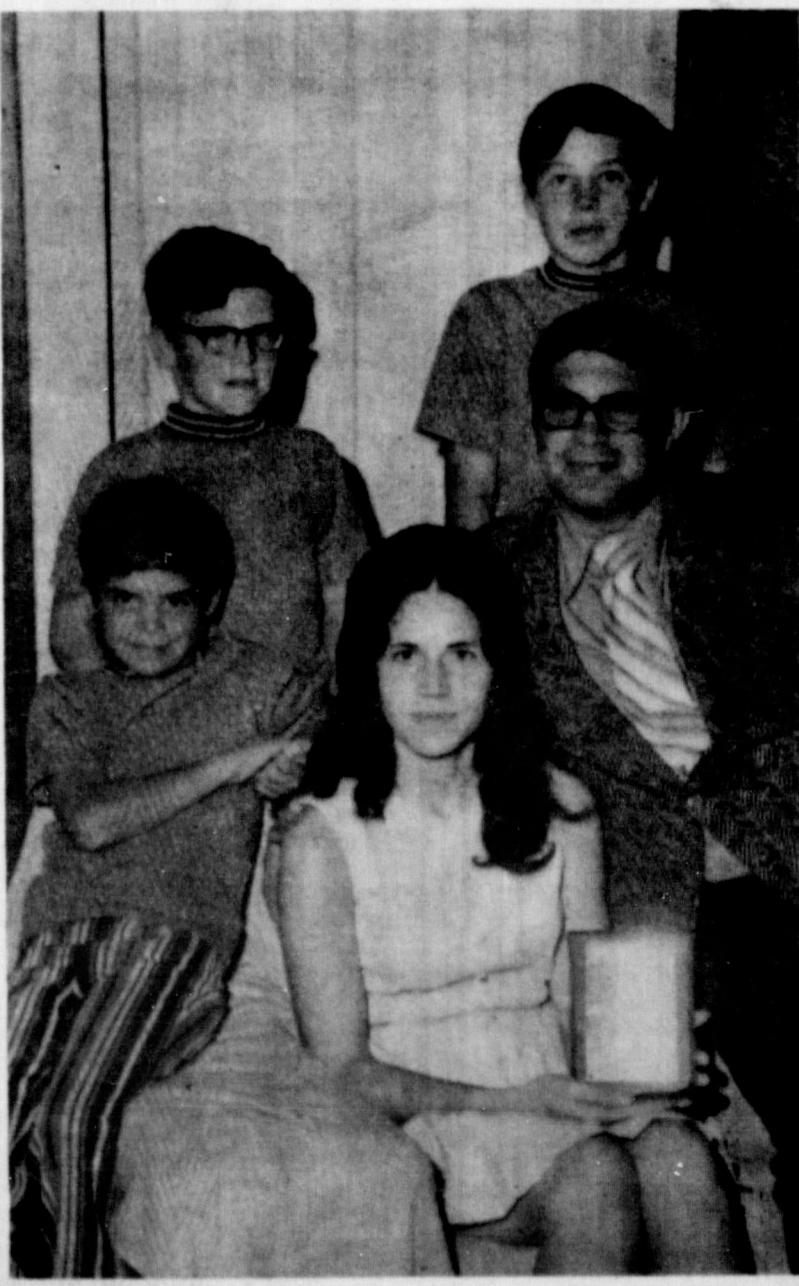

Mr. and Mrs. Wheeler are members of the Church of Christ in Memphis. Mrs. Wheeler (Nay-dean) has been a member of the Young Homemakers Club since 1966 and is the immediate past president.

Hobbies of the Wheeler family include fishing, camping and swimming.

Memphis FHA To Have Bake Sale Saturday, Sept. 30

Members of the Memphis Future Homemakers of America plan to have a bake sale Saturday, Sept. 30, according to Susan Godfrey, publicity chairman.

The sale will be held in front of Lockhart Pharmacy and a large variety of baked goodies will be on sale.

MYF FAMILY OF YEAR—Mr. and Mrs. Ted Wheeler, and their sons, pictured above, were selected by the Memphis Young Homemakers as "Family of the Year" at the initial fall meeting Sept. 11. The sons, left to right, are Randy, age 7, Derwin, age 10, and Dewayne, who is 13.

Bad Political Medicine

The cash price of wheat has risen dramatically in recent weeks and the chief reason given for it was the sale of Russia of several million bushels.

A lot of local wheat farmers had already sold their wheat when the cash price went to \$1.30 or \$1.50 and considered it just tough luck when the price went on up past \$1.75 per bushel.

New developments surrounding the Russian wheat sale now cast a cloud of suspicion on the transaction and it may turn out to be bad political medicine for the Republicans if charges are true that there was an inside deal made which provided huge profits to some grain exporters in the know.

The Democrats are charging that the Department of Agriculture cooperated with grain exporters to assure them cheap wheat for Soviet sales at the expense of U. S. farmers and consumers.

Not only that, but the Russian sale, if it did indeed bring on higher cash prices, works to the disadvantage of the same farmers who sold their wheat too soon this year because it will result in a lower support payment next year.

This is because the support price is based on the spread between parity and cash market price of wheat.

Even if there was no hanky panky going on in high government circles, it cannot be denied that the government has not done everything it could to alert the American wheat farmer to the possibility that there would be a Russian purchase of this magnitude and a certain effect upon the cash price of wheat.

Of course, if Russia buys more wheat like they say they will, the cash price by next harvest may be equal or above parity, which would be welcome news, indeed.

But we haven't heard the last of the charges and counter charges surrounding the Russian wheat deal.

—The Perryton Herald

Postscript On Hall County Picnic, 1972

The citizens of Hall County, seeing prospects of a bumper crop this year, appreciating a good price from cotton last year, and in general, experiencing a little more prosperity, despite the pinching inflation, apparently were in a celebrating mood over the weekend.

The Hall County Picnic, a yearly celebration of the county birthday, this being the 82nd year of the founding of Hall County, was one of the better ones held and partially this was because of ideal weather, and mostly because of the cooperation and mood for celebrating.

To begin with, the parade Saturday was really enjoyable, with a lot of young folks participating, one way or the other, beautiful floats, and the parade lasted about an hour.

Sunday's picnic went off without any noticeable hitches, the crowd of 2,000 people was served in about an hour. The food, as usual, was delicious.

After the meal, Billy Ed Dixon and John Chamberlain, along with Emcee Wendell Harrison, had a program of western music, speeches from the political arena, followed by a fiddlers contest at 2 p.m. This contest was well attended and music appreciated. The crowd was unusually large considering the Dallas Cowboys were playing football during the same hours.

The Picnic was most successful, providing a weekend of entertainment and activities, brought area folks closer together in a cooperative effort. For those who worked to make the affair successful, President Roy Gresham and all the committees and their chairman, they can take pride in their handiwork.

President Lee Vardy of Turkey, incoming president, would appreciate continued support from area citizens. Cooperation is vital to all phases of this celebration.

What Other Editors Say

Mailing Changes Going Up

The good old 8-cent stamp for mailing letters will be with us for a while instead of going to 9 cents on Jan. 1 as had been predicted. Post cards will remain at 6 cents and bulk advertising rates for mail will remain the same. Rates for newspapers and magazines, which have risen 30 per cent since last year, will continue to rise over a four-year period until the increase amounts to 126 per cent.

Retaining the 8-cent letter is welcomed by all; but newspaper publishers find it hard to figure out why junk mail should stay the same while the mailing rates for newspapers continue to advance.

The Fort Worth Star Telegram has announced that it will offer no bargain rates this year due to the rising mailing cost. Their regular subscription cost by mail.

One weekly newspaper in the Panhandle has announced that it will have to suspend publication unless it can secure a loan. Rising subscription costs is only one of the factors in that case, however. Anyway it is not getting any easier to publish a newspaper than it is to conduct any number of

other kinds of businesses.

If you are one of those who was hoping your junk mail would decrease, here is some news for you. They are going to spend one billion dollars by 1975 to improve the service on what they call bulk mail. They also intend to spend 4 billion dollars in the next four years to install automated centers.

What sounds the most ominous of all is the announcement that they will spend 400 million dollars in the next two years to replace at least 2,000 post offices, and improve more than 10,000 others.

The Wellington Leader

Gas Tax May Go Up

There is a demand in the making which boost the tax on gasoline in Texas from five cents to seven cents a gallon, beginning in 1973. The Texas Highway Department points out that Texas is the only state in the union with a five-cent per gallon tax. The Department says it needs the additional money to keep from falling further behind in highway construction and maintenance. The urbanized Texas counties, mostly 12 counties, take 65 per

cent of the money now, leaving only 35 per cent for the rest of us. Of course, the thought comes to mind that if the gasoline tax is boosted, it will still mean that the rest of us get only 35 per cent of the new revenue and the big cities will get most of it.

—Harold Hudson in
The Perryton Herald

TV Writes On Wind

The situation is far from hopeless. The late Douglas Southall Freeman used to complain, in his melancholy moments, that newspapermen write on sand, in a sense we do. Yet this is better than television, which writes on wind. The printed word must always have this enormous advantage over TV—that it is available to the reader at his convenience, to be absorbed in whole or in part, at any hour; to be clipped, filed, or mailed. Some of the products of our labor may be used to wrap the fish, but as a medium of communication, the printed word endures.

—James J. Kilpatrick in
Amarillo Daily News

The average expenditure for drilling oil wells in Texas is about \$15.00 per foot.

Over 140 million person visit 27 National Parks and other areas under jurisdiction of the National Park Service each year.

Memories

From
The Democrat Files

30 YEARS AGO September 24, 1942

Memphis people dug out heavier clothing, blankets and quilts as the season's first real norther struck Saturday, bringing a forecast of the rigors of winter. A low temperature of 42 degrees was registered Saturday.

Hall County, with numerous sons in the armed services of our country, can now boast of a daughter who is a member of the fighting forces. She is Miss Betty Lou Barbee, daughter of Mr. and Mrs. J. H. Barbee of Lakeview, who enlisted Sept. 16 in the Women's Army Auxiliary Corps in Lubbock.

Corp. Buster Helm has been promoted to the rank of staff sergeant, according to word received here this week. He is stationed at Camp Shelby, Miss.

Sgt. Edwin Thompson returned Sunday to Fort Bliss, El Paso, after a visit here with his parents, Mr. and Mrs. E. P. Thompson. He is in the Medical Corps.

Temple Deaver came Saturday for a short visit with his parents, Mr. and Mrs. T. H. Deaver. Temple is a student in Texas A & M. College.

Jim Hutchins, member of the Estelle Chapter, Future Farmers of America, for the past four years, has been notified by the area office at Lubbock that he will receive the American Farmer Degree and will receive the American Farmer key and check for \$25 from the national organization. Young Hutchins is the first Hall County FFA member to be awarded the degree.

20 YEARS AGO September 25, 1952

Tony Molloy, Lakeview 4-H Club member, exhibited the winning entry at the annual Hall County Swine Show Saturday in Memphis.

Duke Frisbie, Memphis Cyclone quarterback, was selected by the Amarillo Daily News as "Player

of the Week" in Class A ball. The new \$250,000 bridge across Red River officially turned over to the public at a ribbon-cutting ceremony Friday, Sept. 26. The bridge is located on Highway 256 west of Brice.

Mr. and Mrs. Norman of Lubbock are the parents of a daughter, Ruth, born Sept. 12.

Jerry Byars was elected president of the Lakeview 4-H reorganization meeting Friday. Other officers are: Gowdy, vice president; R. ret, sec.-treas.; Jimmy W. Molloy, adult leaders.

10 YEARS AGO September 20, 1962

The Lakeview Future Farmers met and elected mothers Mrs. Joe Neal, Mrs. Matt Ponder, Mrs. Neal and Mrs. Mack Coffey. Other officers are: Hubbert, vice president; Kilgore, secretary; Paula Sweatt, treasurer; Cathy Bryant, secretary; Marcene Stephens, district council representative; Lynn Driver.

Officers for the Senior of 1962-63 are: president, Kilgore; vice president, Sweatt; secretary, Paula treasurer; Cathy Bryant, secretary; Marcene Stephens, district council representative; Lynn Driver.

Mr. and Mrs. Calvin T. nounce the arrival of a Sept. 2. Weighing 7 ounces. He has been named vin Lee, Jr.

Miss Ann Spoon, Mrs. Moleworth Are Wed In Ar Sept. 14.

Members of the family of Henry Blum enjoyed a home ing Sept. 16 and birthday for Lynda Gilbreath whose day was Sept. 15.

The boss is in an ungrumpy mood this morning—mostly because he hasn't anything to grump about.

LUSK CLEANERS HAS STEAM CARPET CLEANING

Carpet Steam Cleaning is New! And we are proud to be able to offer this service to area residents. Our cleaning agents and powerful extraction process lift matted pile and restore color and texture leaving carpet really clean. Steam cleaning can reduce replacement of the carpet as much as forty per cent. Two and one-half hours after cleaning, the carpet is ready to walk on. Call us today for further information. Phone 259-3031.

DO YOU WANT A NEW HOME . . .

The Rural Housing Program could be the answer!

The Rural Housing program of the Farmers Home Administration (FHA) is designed to provide families who do not have adequate housing an opportunity to have a decent home of their own in a rural area. Loans are made to buy, build, improve or relocate homes and related facilities and to buy minimum adequate building sites for low and moderate-income families.

THERE WILL NEVER BE A BETTER TIME TO BUY A NEW HOME

Now is the chance of a lifetime to own a brand new home. Big space and comfort. The very best home value in town. Houses approved for Farmers Home Administration, VA and Conventional Loans.

We invite you to come by 519 Main in Memphis to discuss any questions you may have about the many loans available to prospective home owners. While there let us show you some of the various features we have to offer.

Over 100 designs and floor plans from which to choose. Full wall insulation plus "c" blown in ceiling insulation.

Sliding glass patio doors, solid wood front door, aluminum screen doors, 40 gallon water heater, ceramic tile showers, fiberglass unitub, central heat.

All homes have 1200 sq. feet with single garage. Gas or electric range. Vent-hood.

Your choice of either an electric mixer or a food blender.

Mr. and Mrs. Bob Hightower and children of Amarillo visited here during the weekend with their parents, Mr. and Mrs. J. M. Ferrel, and brother and family, the John Ferrels, and attended the Hall County Picnic.

Mrs. Stella Jones is spending the week visiting in Denison with relatives.

Mr. and Mrs. Orvie Jones and son, William, of Denison visited here during the weekend with Mr. and Mrs. Bill Hall.

Mr. and Mrs. Lester Hartman and Mrs. Beulah McLendon of Austin visited here last weekend with Mr. and Mrs. Roy Coleman. The Hartmans, Mrs. McLendon and Mrs. Coleman were in Oklahoma City Friday where they visited with a brother, Marvin

Hartman, who is ill.

Mr. and Mrs. Bill Hall, Tommy and Bobby, are leaving tonight for Waco where they will attend the wedding of the Hall's son, Jerry Don, on Saturday night.

Here to attend the Hall County Picnic last weekend and to visit with Mr. and Mrs. Gip McMurry were Mr. and Mrs. Albert McMurry and daughter, Hall "Mutt" McMurry and Dyke McMurry, all of Dumas.

Roge Fowler, who is a student at Southwestern State University at Weatherford, Okla., spent the weekend here with his parents, Mr. and Mrs. Dick Fowler.

Mr. and Mrs. Norman Heath, daughter, Barbara, and a friend, Jim Nevins, of Lubbock spent the weekend here visiting with their parents and grandparents, Mr. and Mrs. H. H. Lindsey. Accompanying the Heaths to Memphis was another granddaughter of

the Lindseys, Mitzie Lindsey, who also visited here with her parents, Mr. and Mrs. Gene Lindsey.

Garry N. Kehr Gets Commission In U. S. Army

Garry N. Kehr, son of Mr. and Mrs. John J. Kehr of Memphis, was commissioned recently an Army 2nd Lieutenant at the Infantry Officer Candidate School at Fort Benning, Ga.

During the 23-week course, he was trained in leadership, small infantry tactics and infantry weapons. He also received instruction in map and aerial photograph reading and counterinsurgency operations.

The 25-year-old lieutenant received his bachelor of science degree from the University of Nebraska at Omaha in 1969.

Whatever other troubles Noah may have had, he didn't need to worry about the dogs digging up the neighbor's shrubbery.

Free Travel Alarm Clock

during Lone Star's big Fall Heating Sale.

No strings attached to this offer! You get this beautiful alarm clock free — just for letting us show you how little it costs to add modern gas vented heating to your home. There's no obligation to buy.

So that you can enjoy the full comfort and convenience of modern gas heating, we're making this additional offer.

During September and October, we're giving 15% off on all vented gas heating equipment. We're giving 20% off on a gas

central furnace if you add a chilled water coil for gas air conditioning.

And we're making it especially easy to buy. Convenient terms are available. Make no payments until January 1, 1973.

Remember: This offer is good only during September and October. Free alarm clocks are available only while supply lasts. Why not drop by our office or phone today?

Lone Star Gas Company

No obligation to buy. Supply is limited.

Cyclone Downed By Childress 27-6 Friday

The Childress Bobcats lived up to expectations Friday night, and broke the football game open in the second quarter; then went on to defeat the Memphis Cyclone, 27 to 6.

With the exception of one sustained, scoring drive, mounted by the Cyclone offensive unit, and sparked by an effective passing and running combination, the local team found itself on defense most of the night.

Childress' defensive unit, led by 215-lb. center linebacker, Tim Lewellen, handled most of the Cyclone's running plays, and the defensive line put so much pressure on QB Mike Browning, and the fast secondary covered receivers so well that the Cyclone had one of the poorest passing marks in several seasons, completing five of 24.

Memphis still showed up strong in several categories, as the team only had two penalties all night and did not give up the ball on fumbles or pass interceptions, while on the defense Mike Browning recovered a Childress fumble, and Gary McKay intercepted a Childress pass.

Although the Bobcats were able to set up one touchdown by returning a punt back to the Memphis 16, local fans could appreciate the difficulty the local boys faced in trying to corral talented ball carriers like Larry Johnson and Jerry Neel, both having opportunity to return eight Cyclone punts put up during the night. Considering the Bobcats were allowed to break through on one of these, punt average was well executed.

But, all in all, the night was a frustrating one for the Cyclone offensive and defensive units, when the Bobcats were able to convert on many third down situations, and the Memphis team was stymied on offense on most third down attempts.

The first quarter of the game was a see-saw affair, with neither team able to mount a threat. The Cyclone defense set up the only scoring opportunity in the quarter. Memphis returned the opening kickoff to the home 25.

In the first series of downs, HB Don Davis stepped off two yards on the first play, and on the second, QB Browning was

the victim of a Childress infraction, hitting after the whistle, and 15 yards were stepped off against the Bobcats.

In the next series from the Cyclone 42, FB Paul Fowler was stopped at the scrimmage line, HB Davis was forced deep by a Childress defender, trapped and downed for a minus seven yards. A third down pass went incomplete and Browning went back and punted the football to the Childress 26.

The 'Cats faced a third down and seven, after HB Larry Johnson could make only three yards in two attempts, but on a third, QB Turk Nelson sent his backs to the right, and he rolled to his left and made the first down to the Childress 38.

The Bobcats were again successful on a third and long situation, as Johnson almost made the midfield stripe with a 10-yard gain. In the next series, however, Linebacker Gary McKay for Memphis grabbed a pass and the Cyclone had the ball on the Memphis 40.

Local fans came to their feet as FB Paul Fowler skirted left end and made a first down to the midfield line. But the next series saw the Cyclone offense sputter, and, despite Larry Johnson making a beautiful catch of a tipped pass from QB Browning for a five-yard gain, the first down was not made and Browning punted to the Childress 10.

Next followed another good break for Memphis, as Childress fullback was jarred loose from the ball and Mike Browning recovered for Memphis on the Childress 13.

The Cyclone again tried the east side of the Childress defense, but FB Fowler lost five yards. A second down pass to End James Beck went over his head as he tripped just as the ball arrived. A third down pass to Larry Johnson was complete but Johnson was ruled down as he caught the ball. Another pass on fourth down went incomplete. Childress took over and drove for their first touchdown.

It was the running of FB Floyd Key and HB Harry Johnson, plus a 15-yard penalty against Memphis which moved the ball to the Cyclone 4. Four plays deep in

FOWLER SCORES—Pictured above (left) is shown Cyclone FB Paul Fowler tallying six points as he drives across the goalline against Childress Friday night. Fowler's score came on a one-yard plunge. Cyclone QB Mike Browning is shown after making the handoff.

the second period, QB Nelson carried from the four. Kent Wood converted on the point after.

The Bobcats kicked off, and the Cyclone took over on the 15. Three plays netted a minus 10 yards, so Browning punted the ball into the waiting arms of Childress' Larry Johnson, and the 167-lb. senior raced down the west sideline to the Memphis 16 before being downed.

This set up the 'Cats second touchdown, which was made by HB Johnson on a 13-yard carry three plays later. On the extra point attempt, Wood's kick was blocked by Ronnie Browning, so the score was 13-0.

Memphis' Larry Johnson returned the next kickoff about 25 yards to the Memphis 39. On the first play, HB Ronald Canida made seven yards, but then HB Fowler lost one and a third down pass play went incomplete; so Browning punted the football to Johnson who returned it 10 yds.

The Bobcats went to the airways to score their next TD. A 30-yard pass from QB Nelson to HB Jerry Neel set up the scoring play, a halfback pass off the end sweep action, thrown by HB

Johnson to Split End Curtis Smith for 22 yards. Wood's kick was good.

Don Davis caught the ensuing kick and returned it 30 yards to the Memphis 44 to get the Cyclone's scoring drive going.

The Memphis offensive unit, working against the halftime clock, got the drive going with a 17-yard pass to Flanker Larry Johnson to the Bobcats' 39-yard line.

In the next series, HB Canida made three yards, then on a third down, picked up the necessary seven more for a first down to the Childress 29.

FB Fowler made three yards, and an offside penalty against Childress moved the ball five yards closer. On the next play, HB Don Davis plowed his way for three yards and a first down to the Childress 18-yard line.

In the next series, Canida blasted through for five yards, and QB Browning hit Flanker Johnson with a toss for 10 more giving the home team a first and three to go for the touchdown.

Two quick hitters by Canida moved the ball to the one, and FB Fowler blasted over for the touchdown. Larry Johnson's attempt for point after missed the upright to the east side, and the score was 20 to 6.

Second Half Action
The only scoring in the second half was by the Bobcats on a 53-yard drive midway in the third period. A pass to TE Lancaster got the drive going, and Larry Johnson climaxed the drive with a four-yard scoring plunge. And Wood's kick was good.

Memphis did get into scoring position in the final stanza, when HB Canida made a first down to the Childress 34.

In the following series, Fowler made three yards, and added one more. An offside penalty, an incomplete pass gave Memphis a fourth and one situation. HB Canida was stacked up only inches shy of a first down, and the ball went over to Childress near the Bobcats' 24. This was Memphis' deepest penetration of the second half.

Ronald Canida carried 11 times for 39 yards and Paul Fowler carried 14 times for 33 yards. Don Davis carried 5 times for a minus 11 yards. Jim Dixon carried 1 time for 2 yards while Mike Browning carried 1 time for a minus 2 yards.

Larry Johnson led in receptions, catching 4 passes for 32 yards while Bobby Hall caught 1 for 6 yards.

CARD OF THANKS
It is with a grateful heart that I extend my sincere thanks to all my friends and neighbors who remembered me while I was a patient in Hall Co. Hospital. I want to thank Dr. Clark, the nurses and all personnel at the Hospital for their interest in me and the skilled and attentive care which I received.
May God bless you all.

UDC Chapter Enjoys Luncheon At Opening Meeting of Fall Season

Members of the Winnie Davis Chapter of the United Daughters of the Confederacy met Sept. 12 for the opening meeting of the year in the lake home of Mrs. Glynn Thompson.

At 12:30 noon the members were seated at beautifully decorated four-course tables and served a delicious luncheon.

Hudlow Art Gallery Invites Women to Show

The Hudlow Art Gallery in Estelline is planning a special program for all Hall County Club women and their guests on Wednesday, Sept. 27.

In the form of a workshop, the gallery has secured the services of Celene Yelverton of Amarillo, a woman who is truly a leader in the field of self-improvement through arts and crafts. She is the author of several publications, a successful business woman, housewife and mother, teacher and travels throughout the nation conducting workshops on her original art and craft techniques for which she is highly respected among her contemporaries.

She will have with her many samples of her work to show and to share her ideas on how to create them.

The demonstration is free and refreshments will be served. Mr. and Mrs. Ted Hudlow, owners of the gallery, invite Hall County women to come and spend the day or drop in at their convenience.

Demonstrations will be featured as follows: Shiva wipe-outs, 9:30 a. m.; Tinsels, 11:00 a. m.; Gold Leaf Inklings, 2:00 p. m.; Glass dimensionals sponge painting, 3:00 p. m. and marbelizing, 4:00 p. m.

Mrs. Roy Gresham, president, presided for the business session. Minutes were read and approved and committee chairmen made reports.

Mrs. Gresham led the pledge and salutes to the flags after which Mrs. Theo Swift, program chairman, presented the year books and gave a resume of the year's study.

Mrs. Gresham gave the president's address challenging the chapter members to a greater service this year. Mrs. Bryan Adams' certificate of membership was received and she was welcomed as a new member.

Those enjoying the affair were Mrs. Roy Gresham, Mrs. Theo Swift, Mrs. Herlie Moreman, Mrs. Emma Baskerville, Mrs. T. J. Hampton, Mrs. Bray Cook, Mrs. Nat Bradley, Miss Gertrude Rasco, Miss Sybil Gurley and hostess, Mrs. Thompson.

The next meeting will be Oct. 10 at 9:30 a. m. for a breakfast with Mrs. Herlie Moreman in Hedley.

Methodist Women Meet For Study In Foxhall Home

The United Methodist Women of the First United Methodist Church met Monday, Sept. 18, at 3 p. m. in the home of Mrs. F. W. Foxhall.

Mrs. M. G. Tarver gave an interesting preview of the regular program book for 1972-73 and

will begin in October.

Mrs. Tommy Nelson gave a brief account concerning the School of Missions in Abilene which she attended. Each member was given a copy of "Discipleship Around the World," containing poetry and scripture that she read.

Mrs. J. J. McDaniel discussed in an informative manner, "C. O. R. A.," a commission on Religion in Appalachia. It consisted of 17 Christian communions and 10 state Council of Churches to deal with the problem of strip mining in that area. This issue will come before the next session of congress.

Mrs. Ed Hutcherson gave an inspiring meditation by Kathryn Grave on the meaning of prayer in her life. She was the last president of the Women's Division of the E. U. B. Church that united with the Methodist Church. She stated that, to her, prayer has many meanings and permeates life. She asks, "What does prayer mean in your life?" Mrs. Hutcherson led in prayer followed by Mrs. A. D. Britt's prayer especially for members with recent birthdays.

Those to whom the hostess served refreshments were Mmes. R. S. Greene, W. J. McMaster, Ed Hutcherson, M. G. Tarver, J. J. McDaniel, Tommy Nelson and A. D. Britt.

Lakeview Young Farmers To Meet Monday Evening

A reorganizational meeting of the Lakeview Young Farmers will be held Monday evening, Oct. 2, at 7:30 o'clock in the grade school Cafeteria in Lakeview, it was announced this week.

All interested members and prospective members are urged to attend.

A steak dinner will be served after which the program will be brought by Jack Burris, area game warden.

Miss Susan Scott and Neal Foxhall To Marry in Baltimore, Md. Nov. 18

Miss Susan Scott Glass of Richmond, Va., will be married to Neal Foxhall, formerly of Memphis, now of Baltimore, Md., on November 18.

Announcement of the approaching wedding in Baltimore was made this week by parents of the bride, Mr. and Mrs. J. Luther Glass, 1615 Wilmington, Richmond.

Miss Glass, who was educated in Virginia, presently is a teacher in Baltimore. Her fiancé attended school in Memphis and was graduated from The University of Texas School of Law. He served in the United States Navy as legal officer on the U. S. S. Boston and is now associated with the legal department of Fidelity Deposit and Trust.

Parents of the future bridegroom are Mr. and Mrs. Lesley Foxhall of Memphis.

Memphis Future Homemakers Have Installation, Initiation Monday, Sept. 18

The Memphis Chapter of the Future Homemakers met Monday, Sept. 18, at 7:30 p. m.

Jennifer Pate presided over the meeting. New officers were installed by Mrs. David May, and included: Jennifer Pate, president; Sheri Davis, program chairman; Kaye Posey, social chair-

man; Brenda Elliott, chairman; Susan Godfrey, publicity chairman; Jodie Miller, parliamentarian; Dena Colden, treasurer; Debbie Johnson, secretary; and Meredith Douthitt, secretary.

New members were elected. They were: Tammy Bonita Ballew, Boyce Cynthia Collier, Sondra Stacy Farnsworth, Sara Janie Garcia, Terri Guffey, Barbara Haire, Barbara Syndey Johnson, Cheryl Lulu Miller, Pam Penney, Lou Simmons, Elaine Cynthia Watson, Lynn and Susanna Davis.

Those attending the meeting were: Debbie Miller, Meredith Douthitt, Kaye Susan Godfrey, Dana Jodie Miller, Sheri Davis, Jennifer Pate, Brenda Elliott, Guffey, Cheryl Messick, Welcher, Tammy Altman, Kilpatrick, Pam Penney, Clayton, Terri Rogers, Smith, Kathy Hall, Lisa K. Jamie Moss, Janet McNeil, Posey, Boyce Bruce, Roden, Janie Garcia, Haire, Sondra Elem, Synson, Cynthia Watson, Belew, Elaine Shaban, Lois Susanne Davis, Ray Nell Sara Fowler, Cynthia Collier, Miller, Stacy Farr, Connie Miller, Barbara Charlotte Carroll, La Neida and Mrs. David May.

The meeting adjourned with a pizza party was held at the homemaking department.

Lydia SS Class Meets Wednesday In Smith Home

The Lydia Sunday School Class of the First Baptist Church met Wednesday afternoon, Sept. 13, in the home of Mrs. J. W. Smith for a monthly meeting.

Mrs. H. H. Lindsey, president, presided. Mrs. Katie Clark led the opening prayer and Mrs. Byron Baldwin brought a beautiful devotional entitled "What Kind of Faith?" Naming different kinds of faith and reading from Romans 8 and Psalms 111 and 112. Mrs. Myrtle Hammons offered prayer and minutes of the last meeting were read and approved and the treasurer's report given.

Irene Bradley reviewed the book, "Three Score and Ten" by Agnes Pylant. The group sang "Bless Be the Tie That Binds." Mrs. Nettie Adams led the closing prayer.

The hostess served lovely refreshments plates to the following guests: Mmes. Nettie Adams, Larry Simpson, Omer Hill, Mary Bownds, Irene Bradley, Ethel Fowler, Ocie Scott, Byron Baldwin, Lessie Salmon and Pauline Wilson, and members, Mmes. H. H. Lindsey, Katie Clark, Myrtle Hammons, Ethel Saunders, Estelle Barber, Sim Reeves, G. J. Hinders and hostess, Mrs. Smith.

In Spite of the Many Other Advertising Media

Hometown Newspapers Are The Strongest

Here Are Some Very Good Reasons:

- It is the most thoroughly read publication invited into the home.
- National outlets and their advertising media are abstract quantities until they are identified with the local firm.
- It is by far, the most economical means of reaching the most persons, in the most receptive frame of mind.
- The mere fact that advertisers are alert and aggressive enough to offer their merchandise in the "show window" of the community, marks them as progressive and good business firms.
- An active market place (a hometown newspaper) is essential for progress and communication of ideas.
- Even advertisements in the WANT ADS have a special appeal to readers.

You've never seen a hometown newspaper in a postoffice waste basket!

General Telephone Employees Meet To Organize Pioneer Club Sept. 7

Employees and retired employees of the company met at the General Telephone Company District Office Sept. 7 to organize a Pioneer Club for this area. Bob Levo, from the company's office at Brownfield, was here to conduct the meeting and help organize the club. Name of the club selected was the Brush Pioneer Club. The club is affiliated with the Independent Telephone Pioneer Association. Officers were elected and included Johnnie Sue Young of Memphis, president; Emma Shannon of Clarendon, first vice president; Melvin Vick of Panhandle, second vice president; Nathan Hamilton of Memphis, third vice president; and Billie Frisbie of Memphis, secretary.

The club has a total of 32 members. There were 15 members present at the meeting representing a total of 372 years service. These present were as follows: Jeanine Johnson of Memphis; Faye Darnell of Memphis; Tina Hendrix of Wellington; Joe Anna Flint of Wellington; Billie Waites of Memphis; Annette Boswell of Memphis; Bud Richardson of Memphis; R. D. Stevens of Clarendon; Nathan Hamilton of Panhandle; J. H. Davis of Memphis; Addierne Mahaffey of Clarendon; Emma Shannon of Clarendon; Mills Roberts of Memphis; Billie Frisbie of Memphis; Melvin Vick of Panhandle. To be eligible for membership of this organization, a person must have at least 15 years service in the communications field.

Meeting Held By Head Start Parents Tuesday

The Head Start Parents met Tuesday night at Travis Elementary School for the first bi-monthly meeting. The daily kindergarten schedule was discussed. Parent volunteer schedules were set up. The parents will spend one hour per week in the room. Those in attendance were Shannon Moore, Francis Garcia, Margaret Phelps, Rose Lee Knox, Mae Bell Davis, Clarie Smith, Julia Castro, Sophia Hernandez, Rachel Hernandez, Rachel Castro, Gloria Rivera and Gladys Williams. Anyone interested in volunteering to help in the Head Start program is asked to contact Travis Elementary School, Gladys Williams, teacher, stated. The following items can be used in the Head Start program: magazines, scraps of material and toys, children's records and books, Mrs. Williams added.

Memphis Young Homemakers Have First Meeting

The Memphis Young Homemakers held their first meeting of the year Monday, Sept. 11, at 7:30 p. m. in the high school homemaking department. During the business session, a bake sale for September and the float for the Hall County Picnic celebration parade were discussed. A review of the club's budget brought the meeting to a close. The door prize, given by Greene Dry Goods, was won by Katie McDonald. Several members of the club were present along with three prospective members, Connie McQueen, Oveta Horn and Linda Stone.

Lakeview P-TO To Meet Monday In First Session

The Lakeview P-TO will begin the new year with a hamburger feast on Monday evening, Sept. 25, at 7:30 p. m. in the Grade School Auditorium. All interested families, men and women, are urged to attend, Jerry Dyess, president, stated. Other officers of the organization include Brenda Pate, first vice president; Ava Dell Clark, second vice president; Violet Gowdy, third vice president; Patti Lindley, secretary; Kay Molloly, treasurer; and Marcene Molloly, publicity chairman. Officials are urged to be present at 7 p. m. for a board meeting preceding the regular meeting.

CARD OF THANKS

We want to express our sincere thanks to each and everyone that was so kind and thoughtful in the recent death of our loved one. For their words of sympathy, the beautiful flowers and cards we received we were grateful. Especially do we thank the ones who brought food. Again we say thanks.

Merle Kilpatrick's Punting Leads M. V. C. Stats.

Merle Kilpatrick, junior safety of the West Texas State Buffaloes, has started the Buffs' punting duties for the 1972 season off right by outdistancing all punters in the Midland Valley Conference following the first week of play.

Merle, son of Mr. and Mrs. W. Kilpatrick, Jr., of Memphis, took over punting duties for the Buffaloes last season, and in his opening game this year against the Buffs registered 136 yards on three punts for a 45.3 average. Also he sees action in the defensive secondary.

Also leading in M.V.C. statistics is the Buffs' hard charging back, Billy Pritchett, who rushed for 124 yards in 15 carries, averaging 8.3 yards on each carry.

Band Booster Club To Elect Officers Monday

A called meeting of the Cyclone Band Booster Club will be held Monday at 7:30 p. m. in the band room.

All members are urged to attend for on the agenda will be the election of officers.

Also, a marching film will be shown.

Mrs. E. Gilchrest In Sundown Friday After Brother Dies

after the death of Mrs. Gilchrest's brother Thursday in Methodist Hospital in Lubbock.

Mrs. Dub Summers and Mr. and Mrs. Roades of Fritch were in Sundown also.

The Nose Has It —

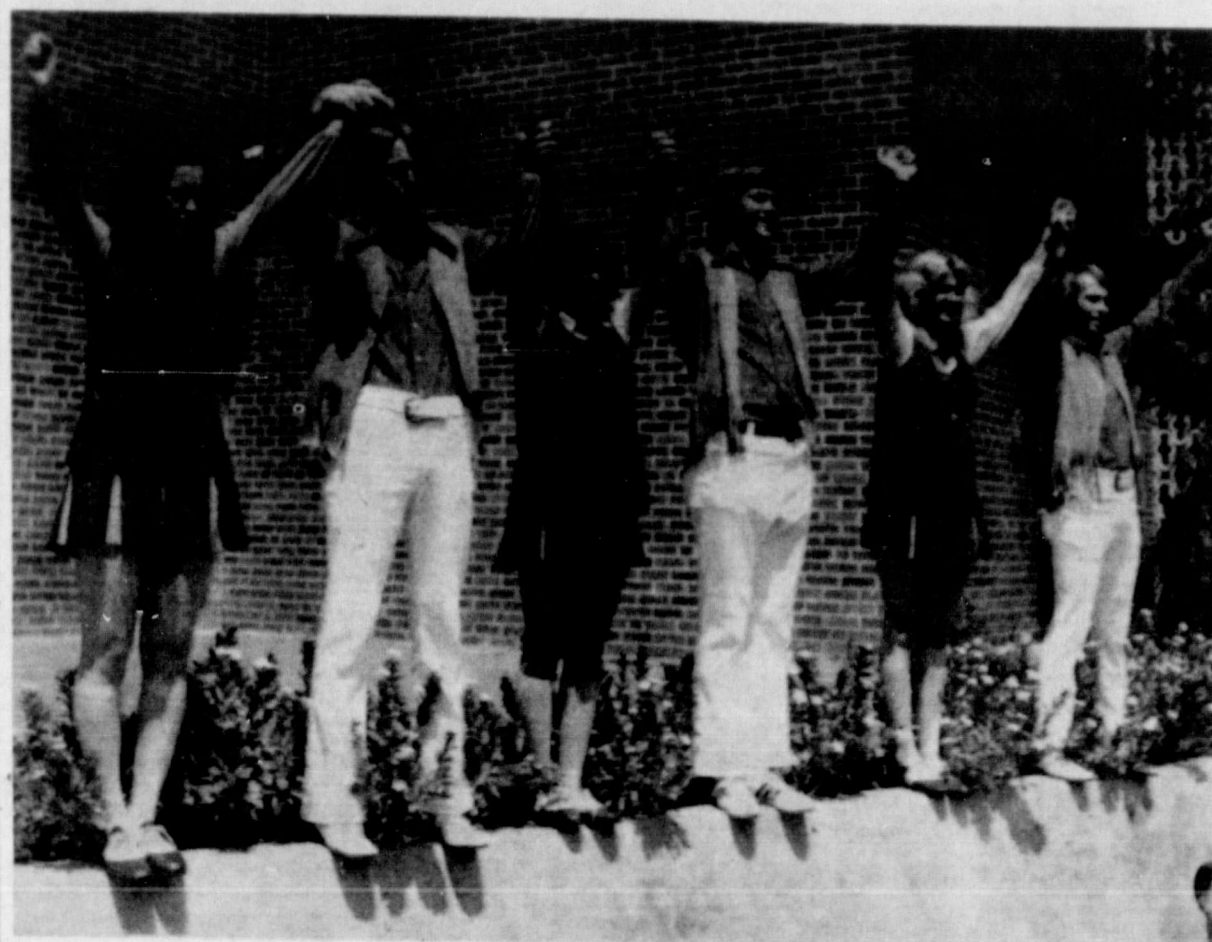

Scientists Prove Sense Of Smell Guides Animals

The mystery of homing in animals has intrigued scientists for many years, and a report, published by Stanford University biologists, David Grant, Oscar Anderson, and the late Victor Twitty in "Science Magazine" attributes a critical role to the sense of smell in the homing behavior.

The little salamander, or newt, "Taricha rivularis", can find its way straight back to its home from distances as great as five miles. This feat is accomplished by direct migration regardless of compass direction or the ruggedness of the terrain.

Since blind newts can home successfully, a sense other than vision must play a major role. To test the effect of the sense of smell on homing, these biologists cut the olfactory nerves in 617 newts, released the animals several miles from their home creek, and checked returns. Only 15 found their way home and in these newts the olfactory nerves had regenerated. Of 692 newts in which the olfactory nerves were not disturbed, 564 were later recaptured at their home creek.

The odor complex which id-

H-S CHEERLEADERS—Larry Moss of Memphis, second from right, is head cheerleader at Hardin-Simmons University. Other cheerleaders pictured are Teresa March of Childress, Larry Moss, Francene Posey of Abilene, Brian Burgess of Ballinger, Betsy Orr of Abilene and Mark Hundley of Arlington and formerly of Memphis.

entifies an area must be a composite of numerous individual odors which can maintain its identity over a long period of time

and which the newts can readily recognize. Other senses also play a role in orientation and home-finding, but olfaction seems predominant.

Specialist Says Add Fertilizer Now

A Texas A&M University pas-

ture specialist, Albert Novosad, says that stockmen can boost forage production even more by applying fertilizer when soil moisture is available for top production. Perennial grass pastures should be fertilized now for increased fall production and qual-

ity. Also, developing new plant nutrients, especially nitrogen, have been depleted. An application now will correct the situation. There's still plenty of growing time for good production from bermuda, klein, buffel love, bahia, and other grasses. This forage can be utilized for grazing or hay—or left standing and grazed after frost.

Sir Ronald Ross discovered that malaria parasites were found in a mosquito's stomach and that mosquitoes were wholly responsible for spreading malaria Aug. 25, 1897.

New Chevrolets Now On Display At Ward Motor

The full 1973 line of Chevrolet passenger cars and trucks went on display today at Ward Motor Co. in Memphis and at all dealer showrooms over the nation.

The company is offering three product lines that are completely new from the ground up—the Monte Carlo, the division's personal luxury car, an all-new Chevelle; and a completely restyled line of pickup trucks, Chevrolet's first new pickup in six years, according to Dennis Ward, local dealer.

The 1973 Chevrolets, featuring seven car series—from the top-of-the-line Caprice to the versatile Vega—give car buyers the greatest choice of styling features and safety innovations ever offered in the division's 62-year history.

"The 1973 models are substantially improved in roadability, styling and comfort," Ward said. "Also, we are undertaking an all new service program, called Service Supremacy, which should result in a giant step toward better service."

All told, Chevrolet is offering 47 passenger car models in 1973, eight more than in the previous year.

The new Monte Carlo has outstanding handling and roadability characteristics. The full-size standard Chevrolet offers a new luxury series, the top-line Caprice Classic, two and four-door hard-

tops and a four-door sedan, as well as station wagons. Both Camaro and Nova have new models. Camaro has an LT coupe luxury model with 145 h. p., 350 cu. ft. engine. Three series of Chevelle are being offered.

The nation's only production sports car, the Corvette, has new features and a new Turbo-Jet 454 cu. in. power plant.

Larry Moss Is Head Cheerleader At H-S Uni.

Larry Moss, sophomore at Hardin-Simmons University, Abilene, and son of Mr. and Mrs. Ben Moss of Memphis, is head cheerleader at the university. The cheerleaders recently brought back four blue ribbons and a spirit stick from Southern Methodist University, where they learned some new wells.

Another former Memphis boy, Mark Hundley of Arlington, is also among the group of seven cheerleaders. He, too, is a sophomore at the college.

Full activities will include directing freshman cheerleader try-outs Oct. 4 and election, Oct. 6. Cheerleaders feel freshman enthusiasm is an important factor in school spirit.

Spirit-boosting gimmicks include three slime megaphones distributed registration day and passed on to different class members each day.

FLAGSHIP OF FLEET—Shown above is the new Monte Carlo, which features for 1973 beautifully sculptured side and rear-quarter metal and new grille. Many months of chassis and suspension engineering have given the Monte Carlo handling and roadability said to equal or surpass Europe's most expensive personal touring cars. It is only one of Chevrolet's new cars on display in dealer showrooms today.

Major Wakefield Now At A. F. Staff College

NORFOLK, Va.—U. S. Air Force Major Gerald L. Wakefield, son of Mr. and Mrs. R. C. Wakefield, Rt. 1, Hedley, is attending the Armed Forces Staff College at Norfolk, Va.

The five-month Department of Defense school is operated under the direct supervision of the Joint Chiefs of Staff and prepares students for positions in

joint and combined commands that involve more than one country or military service.

He has completed a tour of combat duty in Vietnam. A 1956 graduate of Childress High School he received a B. S. degree in 1960 from Texas A&M University where he was commissioned through the Air Force Reserve Officers Training Corps program. He earned his M. S. degree in industrial management in 1968 at the University of North Dakota.

Major Wakefield and his wife, Clara, have two children, Derrell, nine, and Cheryl, five.

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?

We're happy to report that's us for 1973. But since everything must begin somewhere...

Isn't it romantic?

You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

Bumpers are exciting?

This year's are something to get

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

It's standard on all big Chevrolet, Chevelle and Monte Carlo

New Malibu Colonnade Hardtop Coupe.

models. Nineteen different models to choose from.

New Nova Hatchback Coupe.

Look what we hatched

You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.

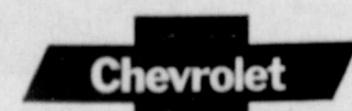

So what else is new

Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

Building a better way to see the U.S.A.

CANDY BY TOM DORR

News About Insurance And ...

Impressions from a hospital bed: With time to read, I suddenly realize I have been missing some interesting things: For example: I see we have been spending \$125 millions a year for civilians to wash pots and pans in military kitchens. When the manpower is there, this seems foolish to me—but more important is the feeling I have that some of our youth need just a little closer walk with humility, and from experience I know of none better than KF duty while in the Service of one's country. Hall County Hospital people are just plain nice. How fortunate we are to have such a well run institution—and such a hard head as Don Curl to run it with help from many wonderful, cooperative people, including a Board of outstanding people from over the area. Find out who they are and give them a verbal pat on the back. Bob Clark has a name for it, but as of now it simply means my heart muscle hasn't been getting enough blood through supply arteries. The result is an overloaded ticker, and if medication doesn't improve the situation, I may have a "ream out" in Houston. I can't say "thank you" enough for the beautiful flowers, books, cards, and remembrances. I hope to say "thanks" in person soon. Attention: Bill Leslie. How about showing the name of flowers on the card envelope. Many people asked what they were and I just didn't know.

making visits around our lawns and drug stores, you varied round-table discussions on farming, football, weather, and many of our government problems. I did go by these tables and I was interested in the subject they might be discussing. A widower at this table said he wanted to talk about the widow on the other side of the table said she wanted to talk about men. They both went on their subject; a few minutes later when I passed by, they were talking about "Arthur-Ritis" and Indiges-

another coffee table discussion I guess on the Hall County crop for this year. There were seven guesses on the crop ranging from 57,700 to 69,000. Since this round table I have heard others guess and some higher. But anything nothing unforeseen happens to this crop, it should make Hall County smile, even the

L. Gardenhire had as his guest in Hall County Heritage his daughter, Ruby, who is Mrs. Howard McNeil of Okla. She graduated in 1942 MHS Class. She remembered here for Sam Ham and moved from here in 1911. She has three daughters, her parents living in Okla. she has two brothers, and Carroll, here. The H. S. Gardenhire family first moved to County in September, 1910. There were nine children in this family. They attended school at Mann, Lodge, Friendship, etc. Of this family, there were six out of the nine now

E. Jenkins had as his guest in Hall County Heritage Ruby (Jenkins) of Chandler, Ariz. She is daughter of the late W. F. Jenkins who passed away in 1971 at age of 93. Ruby was born in 1911. There were 14 children in this family and nine are living. This family moved to Hall County in 1916. W. F. Jenkins was the older brother of Ruby's mother who was a sister Willie (Martindale) Prater and Jim Martindale.

Ma Brown and Bernie Smith. I think, were chairmen of "night life" entertainment. I was too tired to make it, and my alarm did not go off to wake me up.

Holemb was a visitor in Hall County a few days ago. Her mother, Eliza, moved to Hall County in 1906 near Lakeview. She had three sons and two are living. They attended school at Mann School. This family moved to San Jon, N. M., in 1906 where they lived for 35 years and then lived in different parts of Texas. After 57 years, she moved back to Hall County and had six children now living. She is 87 years old and has lived these 57 years of absence from Hall County, Elta and one-half years in Okla.

Among the first people I met at the picnic in the park last Sunday were Mr. and Mrs. Woodson of Floydada. I met their romance started at the picnic some four or five years ago. They observe this anniversary each year by attending

Hancock and his crew had everything in good shape; in fact, to make it look like the grass had been mowed and swept with a broom. Next I noticed that Ed Hutherson and his crew had a good supply of wood on hand for the barbecue. Saturday morning about 9:30, I made another trip to the park and found Pete Land and his crew of about 18 or 20 men waiting to turn the meat in those four ovens. Some of the crew did get out at 3:45 Saturday morning to go to the meat locker and put it in the ovens which would be cooked all day and had to be hand turned several times to give it an even cook. There is a lot of work to cook that much beef and know just how to do it. I don't think it can be done without getting smoke in your eyes and it usually takes several days for the cooks to get their eyes cleared up. Saturday night was my next trip to the park about 6 p. m. The crew was still there waiting another hour to take the meat out of the hot ovens, wrap it in foil and pack it in boxes to be ready to back up the truck up to the serving tables to be sliced and served with the onions, beans, pickles, apricots and with that good "Pete Land" special sauce. I think there were about 100 men from all parts of the county slicing meat, onions, and serving, and they were very efficient. I remember several years ago when we were preparing for the barbecue, we called Flip Breedlove, and he was engaged in a cattle sale and could not supervise for us; but he did give Pete Land a good recommendation if we could get him to do it. Pete accepted that first time and I believe he does a better job each time.

Then there were Mr. and Mrs. Arthur Eddleman with their chuck wagon and crew making better coffee than ever and keeping it hot. Then there was Helene Ballew and her crew with the desserts and Thomas Clayton and his ice tea crew which all seemed to work out to near perfection as did the registration crew clicking the typewriters, making record time. Jerry Burleson had the ambulance and the fire boys who helped cook the meat had their emergency oxygen truck, but did not hear of having to use either one of them, which was good.

All of this work could not have worked out so smoothly in some counties as it does here. It does take a lot of cooperation to carry out a picnic like we had. The

maker, the banker and candlestick maker all work together in harmony and that is what makes Hall County a good place to have your home. We should all thank God for the privilege of living in a place like this and call it home.

To back all of this picnic, we had to have a finance committee, headed by Ben Parks, who did a lot of leg work to get this over. We find out that a good many former residents of Hall County make a contribution to the expense. One of our former county residents, J. W. Coppedge, who served for several years as finance chairman, now living in Muleshoe, was the first one to send in a check this year, and Lawson Halford, south of Estelina, was the second, and that was the way those two men were placed on the program last year. There were more nonresidents that left contributions, but I do not have their names.

Congratulations are in order for the parade committee, as I guess I did not have enough faith as it was about twice as long as I anticipated and it was all very outstanding in the many entries. It was so good I ran out of film before this parade was over. What made this was cooperation here and with other towns.

Mary Hudgins did an excellent job with the art show. The first time I went by the West Texas Utilities windows, I did not see the pictures as I caught myself looking at the live models.

Also, the entertainment committee did a lot of work to please the public in this line. Another committee that I did not want to overlook was the invitation committee that addressed all those cards. Tomie and his group of special greeters were meeting the visitors with a good handshake and a pat on the back. With all

of the time and work on the picnic, I do not know of a better way to promote friendship and love with your fellowman than these annual picnics.

There is another group I do not want to overlook in that two-day celebration, the ones who were host and hostesses in Hall County Heritage Hall for the two days. Ruth Cobb was chairman for the ladies and Hubert Dennis and Charlie Williams for the men. Both of these groups had plenty of help at all times. They were all interested and we just want to say "thanks" to each and everyone that helped out and want you to keep up the interest in your Hall County Heritage Hall.

I did go by to see the work of Tommie Noel. She is to be congratulated on this fine work she did, as it shows that she did

this masterpiece with love in her heart for the ones to whom she dedicated this map. They helped make Hall County a better place to live when they paved the way for us.

I have a lot of scraps of paper with notes taken down during the picnic, and it will take two or three weeks to cover those notes I wrote to myself. Hope I can read them after they are cold.

Public Urged To Attend Department Fire Demonstration Here On Monday

Members of the Memphis Fire Department will practice skills they hopefully will never have to use in fighting liquefied petroleum gas fires at a demonstration on Monday evening, Sept. 25, at 7:00 p. m. at the Fire Department, Richard Liner, Fire Chief, stated today.

In making the announcement, Mr. Liner said he thought the demonstration would be valuable to the public as well as department members. He urged the public, and especially farmers to attend. The demonstration is being held for firemen by Ranger-Pan American Insurance Companies of Houston and sponsored by the LP-Gas dealers in this area and Texas A & M Fire School.

This training session will be an actual exercise in dealing with a liquefied petroleum gas fire. The LP-Gas industry is relatively new; suppliers and dealers have already had special training in handling the fuel and the safety record has been sufficiently good that few firemen have had occasion to gain experience in com-

bating this kind of fire.

Ranger's fire safety instructors will provide a 500-gallon LP-Gas tank and a multi-pronged "Christmas tree," each of which will be ignited and then extinguished by the participating firemen, who will be using their regular fire-fighting equipment. About 1,000 gallons of LP-Gas are expected to be burned during the two-hour session. The purpose is to give local firemen, under the close supervision of Ranger instructors, an opportunity to gain experience and confidence in their ability to quench an LP-Gas fire.

The firemen will experience the noise and heat they would face in such an emergency situation and at the same time practice the techniques of approaching the fire, maintaining a protective cover of water from fog nozzles, and shutting off the fuel source.

Letter From Helm Gives Opinion Of Cotton Growers

(Editor's Note: A copy of the following letter has been obtained by The Democrat which was written by Leon Helm, prominent Hall County farmer, inent Hall County farmer, who visited with Congressman Graham Purcell here Sunday, and at Childress with Congressman Bob Poage in Childress. It is self-explanatory and expresses the thinking of farmers in this area in the face of the declining prices for cotton from the 1972 crop. Copies of the letter are being mailed to Cong. Bob Price and Senators Lloyd Bentsen and John Tower.)

Honorable Graham Purcell
Member of Congress
120 House Office Bldg.
Washington, D. C. 20515
Dear Mr. Purcell:

In reference to our recent conversation in Memphis concerning the cotton situation, I offer the following information.

MISS RENEE WHITE
Miss Renee White Is Hedley Cotton Festival Queen

October 13 and 14 is the date for the Hedley Cotton Festival, an annual event sponsored by the Hedley Lions Club and fully sanctioned by the National Cotton Council of America. The Memphis Compress Company is a strong festival supporter.

While the festival proper is only two days, the Gene Joplin Show, a good clean Texas Carnival will open in Hedley on Wednesday night, Oct. 11. Thursday night all booths, concessions and exhibits will be in readiness.

Festival Queen

The cotton festival queen is Miss Renee White, 16 years of age and a junior in Hedley High School. She is the daughter of Mr. and Mrs. Harold White, who live on a farm two miles east of Hedley.

Miss White will ride at the head of the grande parade on Saturday at 2 p. m. in a new Ford furnished by Foxhall Motor Company of Memphis. The 20 previous queens have ridden in Foxhall Fords.

Riding in the parade will be queen contestants who are Vicki Hamilton, Rhonda Lewis, Beckie McPherson, Geneva Nayler, Betty Painter, Angie Stephens, Debbie Taylor, Shuana White, Dorothy Wilson, Jean Wood and Lee Ann Woodard.

State Representative Phil Cates of Lefors and his wife Nancy will attend and participate in the festival as will State Representative Tom Christian and his family of Claude.

Governor Smith will not be able to attend this year, but has issued a proclamation declaring Oct. 13 and 14 Cotton Festival Days in Texas.

Legion Auxiliary Queen Contest, Bake Sale Are Successes

The bake sale and the Queen Contest sponsored in connection with the Hall County Picnic by the American Legion Auxiliary were highly successful, according

to Mrs. Bea McCauley, president. The bake sale netted a total of \$98 while the Queen Contest provided \$187.90 for the Auxiliary.

Mrs. McCauley stated that she wished to especially thank the women who furnished pastries for the bake sale and the general public for their support in so freely buying the baked goodies.

FIREMAN CHECK—Memphis Volunteer Fireman Alvin Phillips (left) received a check cover his expenses to a State Firemen's School from Hall County Farm Bureau President B. Phillips. The Hall County F. B. sponsored two Boys Ranch firemen as well as one in Memphis. Phillips is serving at the department's training officer. He reported the school teaches the latest techniques in fighting fires.
