Hedley Cotton Festival Slated For October 13-14

Hedley will hold its 21st Annual Cotton Festival Friday and Saturday, Oct. 13 and 14. All activities are complete for the big celebration, one of the outstanding festivals in the Texas Panhandle.

Midway opened in Hedley Tuesday, Oct. 11, with the Joplin Shows and all booths, concessions and exhibits opened Thursday.

Friday's Program
Friday morning the kick off contest will be held between 9:30 a. m. in the Lions Registration of Old Settlers get underway at 9 a. m. in the Bank Community Room where refreshments will be served. Beginning at 2 p. m. Friday, a parade will be presented honoring old settlers. Among the entrants expected for the occasion are the singers from Capwell High School of Amarillo, Sam of Pampa, Granddaddy of Greenbelt Lake. The parade will conclude with group singing and Old Settlers business.

At 4 p. m. another program will be presented including the above mentioned entertainers, plus John Thomas Family Band, and others.

A stew supper will be served.

Jim Gilmer Is Guest At Kiwanis Club Meeting

The Kiwanis Club of Memphis met Oct. 11 at 6 a. m. at the Big O Restaurant.

Present at the meeting was Jim Gilmer, lieutenant governor of Division 6, and a group from the Downtown Pampa Club.

Members were reminded that the Hedley Cotton Festival will be held this weekend, Oct. 13-14. The parade is scheduled for 2 p. m. Saturday.

"This is as fine a parade as you will see in the Texas Panhandle," it was stated.

The club will present a film on "Share Your Life" at the Oct. 25 meeting, it was announced.

The next meeting of the club is slated for 6 a. m., Oct. 18, at the Big O Restaurant.

Hedley Services To Be Held Friday For S. G. Younger

Sammie Glenn Younger, 41, a resident of Fort Morgan, Colo., passed away in Denver General Hospital Tuesday, Oct. 10.

Services for Mr. Younger will be held at 10:30 a. m. Friday, Oct. 13, in the Hedley United Methodist Church with the Rev. Billy Wilson, pastor, officiating.

Burial will be in Rowe Cemetery under the direction of Spicer Funeral Home.

Mr. Younger was born June 25, 1931, at Comanche, Okla.

He is survived by his wife, Mrs. Nancy Younger, of Ft. Morgan; three sons, Monte, Sammy and Michael; four daughters, Sue, Vickie, Audrey and Charity, all of Ft. Morgan; his mother, Mr. Sam Younger of Hedley; four brothers, Don of Midland, George of Amarillo, Jimmy of Plainview and Sgt. S. A. Younger of Ft. Hood; three sisters, Mrs. Hazel Hill of Hedley, Miss Catherine Younger of Hedley and Mrs. Colleen Mills of Shallowater.

Three Local Men Purchase Golden Spread Irrigation

Golden Spread Irrigation Supply Company, owned by Kroy Products Co. of York, Neb., has been sold to three local men who will be operated in two separate businesses in the future, it was announced.

Rayne Sweatt and R. B. Phillips have purchased the aluminum and all parts for irrigation will operate the firm under the name of Golden Spread Irrigation Supply.

Mr. Davis purchased the underground irrigation systems will operate his firm under the name of Golden Spread Irrigation.

At the present time, both firms are operating from the same location as the former business.

Mr. Davis has been with the firm since it was first established in Memphis several years ago and has served as manager during this time. Mr. Davis has been active in community and civic affairs and is presently serving on the Memphis School board.

Rayne Sweatt, who will serve as manager for Golden Spread Irrigation Supply, joined the firm two years ago. He was born in Memphis and is married to the former Diane Phillips. Phillips is a native of Hall County and has long been active in community affairs. He is planning to continue with farming operations, as well as other ventures as needed at the new location.

Change of ownership for both firms became effective October 3.

Beginning at 5:30 p. m. in the Lions Den.

Street entertainment and dancing will begin at 7 p. m., and at 9 p. m. a dance at the Legion Hall will begin. Lou Hurt and His Westerners from Amarillo will furnish the music.

Saturday's Program
Breakfast will be served in the Lions Den from 7:30 to 9:30. A feature of the morning program will be the Kiddies Parade with John Farris serving as parade marshal.

Introduction of distinguished guests will be made. Among those expected to attend will be Lions District Governor Raymond White of Hereford, State Senator Max Sherman of Amarillo, State Representative Tom Christian of Claude and State Representative Phil Cates of Lefors, and Congressman Bob Price of Pampa.

At noon a barbecue dinner will be served in the Lions Den as well as other food at cafes and booths.

The Grand Parade will begin at 2 p. m. The parade will be led by the color bearers and color guard of the Memphis American Legion Post. The firing squad and other members of the Memphis Post will act as honor guard for the Festival Queen, Renee White. She will ride in a new Foxhall Ford.

Besides the usual number of beautiful cotton floats there will be entries from the Sportsman Club of Clarendon College, the Panhandle Boat and Ski Club of Amarillo and Greenbelt Lake, the Panhandle Model A Club of Amarillo, and others.

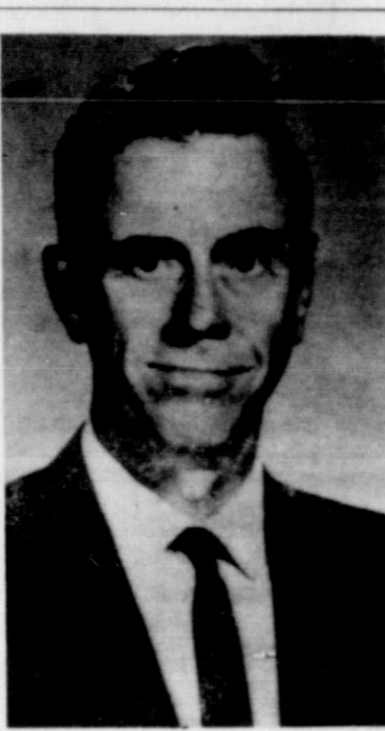

Bands from Memphis and Clarendon and other area towns are expected to march in the parade.

At 8 p. m. that evening, coronation ceremonies will be held at Hedley High School Gym. Letha Springer will be in charge of the program. District Governor Raymond White will crown the new Queen of Cotton.

The celebration will be concluded with street entertainment and dancing, and a dance at the American Legion Hall at 9 p. m. Music will be furnished by Lou Hurt and His Westerners.

Memphis Travels To McLean Fri.

NORMAN K. WAGGONER

Lakeview To Hold Tractor Short Course

A tractor maintenance short-course for adult farmers will be held Oct. 30 through Nov. 2 under the sponsorship of the Lakeview High School vocational agriculture department, according to Jim Jackson, superintendent, and Barney Joe Bevers, teacher of vocational agriculture.

According to the announcement this week, the short course is being sponsored by the vocational agriculture department of Lakeview High School.

Norman K. Waggoner, tractor maintenance specialist with the vocational agriculture division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M University, will do the instruction. He is headquartered at Texas (Continued on Page 12)

Pep Rally Will Be Held On Square At 9:30 P. M. Tonight After Games

Tonight, at 9:30 p. m., on the south side of the courthouse on the square in downtown Memphis, a pep rally will be held. The rally will be following the two games with McLean teams.

Cheerleader Jennifer Pate urged all Cyclone supporters to be on hand for the pep rally tonight.

The Memphis 8th grade team will host the McLean 8th grade team at 6 p. m. tonight in Cyclone Stadium. The 7th graders are open this week.

This game will be followed at 7:30 by a B team game between Memphis and McLean teams.

The freshmen will play hosts to the Groom B team at 10 a. m. Saturday morning, provided the Groom team is able to play. Coach McMurray said that Groom has indicated earlier that they had several injuries.

Last Thursday, Memphis teams won games from Claude teams in district action. The 8th graders won 22 to 12 and the Junior Varsity won 34 to 14.

Both the 8th graders and J.V. teams are competing in district play in their respective categories, so games mean a lot to these players.

Fans should plan to go to the games tonight and then attend the pep rally on the square.

Estelline Bears Go To Guthrie For Grid Game

The Estelline Bears, after having to cancel one game on their schedule due to injuries, will be returning to play Friday night at 8 p. m. at Guthrie.

Estelline school officials report that the Bears have recovered from injuries and will be traveling Friday to Guthrie.

The Estelline Junior High boys played Guthrie Junior High Monday and won 36 to 22. The Bear Cubs lost the week before to Goree, and have a 3 and 1 record. Next Monday night the Cubs play at Patton Springs at 6:30 p. m.

Scoring for the Bear Cubs in the Guthrie game were Johnny Mack Brown with two touchdowns, Toby Gibson with one, and Joe Brent Nivens with one. Two-point conversions were added by Jay Rynes and Joel Morris.

Estelline fans are also reminded that next Tuesday night the Estelline varsity girls basketball team will begin play in the Estelline Gym by hosting the Mata-dora girls. The game time is 7:30 p. m.

First Six Weeks MHS Honor Roll Is Released

A total of 31 students were listed on the Memphis High School honor roll for the first six weeks, according to an announcement this week by Clinton Voyles, principal.

Seniors named were: Glenda Carroll, Brenda Elliott, Johnnie Sue Hancock, Lulu Miller, Marina Moore, Deborah Watson, Billy Clark, Mark Gentry, Eddie Nelson, Pablo Reyes, Dongy Scott, Lenis Simpson, Robert Snider, Matt Thompson, Terry Wheeler and Larry Wiginton.

Juniors listed were: Debbie Rogers, Jay Campbell, Luke Griffith, Morris Davis, Albert Mason and Janie Ortiz.

Sophomores were Sylvia Ortiz and Robbie Galloway, while seven freshmen listed included Martha Clark, Steve Boney, Charles Phillips, J. D. Evans, Clyde Smith, Matthew Smith and Dale Wiginton.

McLean Tigers

The Tigers this year run from a Wishbone offensive alignment, with No. 20, Joe Riley, 155-lb. senior at quarterback and No. 32 George Danner, 185-lb. senior at fullback. Halfbacks are Gary Griffin, 155-lb. junior and Randy Mason, 160-lb. senior.

The Tigers in past games, have been primarily a running team; however, QB Riley likes the sprint out option plays and the Tigers go to the air when necessary.

Although the Tigers offensive unit has not been putting a lot of points on the scoreboard, their defense has certainly been stingy in giving up points.

The Tigers offensive line averages 173 lbs. per man, about the same weight as the Cyclone line. Defensively, the Tigers line is even heavier with the addition of 225-lb. Wesley Brown, No. 71, to go with No. 73, Milton Post, 230-lb. tackle who plays both ways.

The Tigers play either seven or eight players both ways.

Coach's Comments
Coach McMurray said, "Our team is expecting a tough game against McLean and I am sure our players feel this is no time to relax or be guilty of underestimating anyone. We have not beaten McLean the past two years and McLean will be playing their best to keep their winning string alive."

"The Cyclone is the district's play-off representative from last season, and champions don't coast on any game. We can't afford to drop a game so beating McLean is the most important task our players have right now."

"Since we are the defending representatives, every team in our district will be out to knock Memphis off. McLean was the only district team last year which was successful, 33 to 15."

About Claude Game
The Memphis coaches expressed praise and pleasure over the local team's performance in the district opener in defeating Claude 40 to 8 last Friday night.

"Our team had a real good effort from everyone. The defense played outstanding, and we were real pleased with the offensive execution of certain players," Coach McMurray said.

"With such a good effort throughout, the coaches were glad to be able to get a lot of people into the game," he said.

Coach McMurray said that even though he has been an offensively minded coach most of his career, he had to admit that the Cyclone defensive unit, throughout, earned much of the credit for outcome of the game.

"Claude's offense has great potential, but our defense held them to only seven first downs, three completed passes, and less than 75 yards rushing," the coach said.

Also, he added, the defensive secondary came up with five pass interceptions, two setting up easy touchdowns for Memphis. The coach praised the defensive secondary and Cyclone linebackers who grabbed off nine opponent passes in the past two games.

FIRE PREVENTION WEEK—This week is observed as Fire Prevention Week, and for the younger students in Memphis Schools, the highlight of the week is the annual ride on the Memphis Fire Department's fire truck. Local firemen host the lower grade students on a ride and pass out "Sparky" books on fire prevention. Also the students make fire prevention posters, which are picked up and judged by the Fire Department. Winners are awarded prizes and their posters are entered into area and state contests. Those helping on the truck during rides Tuesday were: Fire Chief Richard Liner, firemen Charles Waller, Troy Phillips, Billy Roden, Gus Orcutt, Bob Hutcherson, City Policeman Fill McMinn and Kenneth Jones. Winners of the poster contests will be announced at a later date, Fire Chief Liner said. Students mounting the truck in this picture are first graders, students of Mrs. Newton's room. Mrs. Billy Roden and Mrs. Newton are shown.

EDITORIAL

Newspaper Week '72

This week is Newspaper Week '72, and this year the emphasis is to be placed on the importance of the local newspaper.

Editors are urged this year to let their readers know about their newspapers, "so readers will know about the free press." The chairman of the special week indicated that newspapers promote clubs, sports, fund drives, churches, and fill a lot of scrap-books, but seldom promote themselves.

A newspaper has but one product to offer, distributing information. How successful the newspaper is at doing this is the guideline for its achievement. Newspapers publish letters to editor columns, and quoted news stories which reflect the thinking of their readers. Editors, generally, answer to their readers for mistakes, misquotes, etc., and all see the mechanical mistakes week in and week out.

Readers sometimes wonder at the different emphasis and selection of news items in the various newspapers. These reflect the convictions of the editors and publishers. Successful editors, however, do an adequate job of informing their readers about the events in their communities, regardless of what individual policy they have. The hardest line to draw is the line between public news and invasion of privacy.

Basically, however, a newspaper is only as good as the people of the community make it through public support. Turning in news items of public interest, responding to advertising messages, planning and executing worthwhile civic and community activities and cooperation among the citizenry in a community is easily reflected in the community's newspaper.

Occasionally, a reader from another town will tell us, "I like your newspaper, you have a good paper and I enjoy reading it." Further discussion reveals that these same people are interested in Memphis and Hall County due to family ties. Big city folks just don't understand this newspaper's local and personal items, but admit to getting a lot of enjoyment out of reading them each and every week.

Newspaper Week, like many observances, is often overlooked in the rush of deadlines. The importance of informing the public is not reduced. In a democracy, it is vital that our citizens be informed to the extent that public interest is concerned. All our citizens should feel that newspapers are open to them to express their public ideas and feelings. Normally, a signed letter to any newspaper editor (with permission to publish the letter) will get a reader's views in print in this free country of ours. Newspapers do reserve the right to place Editor Note comments when they feel it is necessary. Misinformation is correctable by the newspaper publishing a correction item in a later issue.

ACROSS THE DESK

What Other Editors Say

Campaign Boggs Down

The presidential election seems to be bogged down. There just doesn't seem to be much interest. Usually about this time in a national election things begin to warm up and candidates get into action. Not so in the Presidential race. People just don't seem to be getting steamed up.

One reason could be that people think Nixon is so far ahead & his election a shu-in that there is no need to be saying anything pro or con. McGovern and Shriver are having a hard time getting their supporters aroused. If McGovern is ever to make a move it must be in the next few days.

Still another reason people don't seem to be steamed up is because they have already decided how they will vote. According to the polls a good majority will vote for Nixon, but no one knows how correct the polls are, and too, the tide can change in a week's time. As a rule polls are a week old when they reach the public, and a lot can happen in a week. It remains to be seen if anything starting will happen within the next four weeks.

Texas has long been a Democratic state. We in Texas have for years voted Democratic and we assume the state will always be Democratic. But in recent years things have been happening. Republicans have been making inroads. Reason being, of course, they have been working. Democrats in Texas, on the other hand have been complacent, saying in effect, Oh, heck. The Democrats will win.

More and more this reasoning is proving to be wrong. The work of Republicans and their advertising is being felt and more and more people are voting Republican. The reason for this, I believe, is because of our complacency and lack of effort.

If Democrats are to remain the majority party in Texas and continue to send Democratic representatives to Congress, then Democrats must begin to get active in politics. We can no longer depend on our heritage to carry the state. Too many people are beginning to believe some of the things they see and hear and read both written and spoken.

Of course I am a Democrat as everyone who reads this paper knows. But I don't think I have the right to be a staunch Democrat without having what I believe to be good reasons. I think anyone who is a member of any political party should have good reasons for his affiliation. I am a Democrat because I believe the Democratic Party is the only

this nation would not be as far advanced as it is socially and economically.

—Paul Ord in
The Childress Reporter

Problems

If the weight of our problems is lifted too suddenly the relief may produce a series of shock waves to disturb a former peace of mind. Problems are best solved in an orderly sequence, one at a time. If stubborn ones refuse any solutions, it may be possible to build a course of life around them.

—Douglas Meador in
The Matador Tribune

DON'T TAKE RURAL TEXANS FOR A RIDE...

...AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT MCGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state . . . because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern . . . and George McGovern needs us.

RURAL TEXANS NEED A DEMOCRAT.

RURAL TEXANS NEED MCGOVERN

Memphians Go To Girl Scout Board Meeting

Fredericka Gordon, council consultant from the national branch office in Kansas City, Mo., was the featured speaker at the Quivira Girl Scout Council board of directors meeting held in Pampa Oct. 3.

Miss Gordon gave the definition of effective board members as being individuals informed about the main features of the Girl Scout program and the philosophy upon which it is based, being aware of the role the council should play in the wider community concerning the context of current social and economic factors, is skilled in the analysis and use of facts and figures, being familiar with management function in order to use this knowledge in serving as a director as well as having an understanding of individual and group behavior to help move the board to constructive action.

Memphis has a good representation on the Girl Scout board, which does permit the city's local problems to be aired as well as being able to bring back constructive ideas presented by knowledgeable people from other area towns, it was reported.

The Memphis Girl Scout program is presently serving 50 Girl Scouts, under the leadership of eight competent leaders with Mrs. Mackie Allen serving as the neighborhood chairman.

Attending the meeting in Pampa were W. H. Dean, nominating chairman, Mrs. Elmont Branigan, Dist. III chairman, and Mackie Allen, member at large on the Quivira board.

Mrs. Joe Allen Ballard and Mrs. Eddie Leary of Childress were

Lubbock visitors Monday.

Mrs. Ozelle Roady of Visalia, Calif., is visiting here with Mrs. Robert A. Wells. Mrs. Wells and Mrs. Roady were Abilene visitors for three days last week.

Mrs. Roy Brewer of Mt. Pleasant is visiting here with her daughter and family, Mr. and Mrs. Billy D. Roden and children.

Mr. and Mrs. Roy Grimes returned home Monday after spending the past week in Durant, Okla., with their daughter and family, Mr. and Mrs. Keith Waddill and sons, Terry and Ricky. Their daughter, Mrs. Richard Arias of Bryan, came to Memphis and accompanied them to Durant.

Mr. and Mrs. Jerry Howard and Dena Gardenhire of Canyon spent the weekend here with their parents, Mr. and Mrs. Andy Gardenhire.

Mr. and Mrs. Harold Smith and Karen and Matthew were in Lubbock Sunday to attend the Silver Wedding Anniversary celebration of friends, Mr. and Mrs. V. J. Vaughn.

Mr. and Mrs. Bill Combs, Bret and Laurie Jill were in Amarillo Saturday afternoon where they attended the production of "Disney on Parade".

Mr. and Mrs. Harold Smith and family were in Borger Saturday evening to attend the wedding of Miss Terri Wyatt.

Mr. and Mrs. Gerald Hickey, accompanied by their daughter and family, Mr. and Mrs. Tommy Ford and children of Perryton, vacationed at Creste Butte, Colo., over the past weekend.

CARD OF THANKS

I want to take this means of thanking the many friends who sent cards, flowers, food and came to visit me while I was in the hospital. I also want to express my thanks to Drs. O. R. Goodall and H. R. Stevenson and the entire staff at Hall County Hospital for their excellent care and consideration. May God bless each of you.

KitchenAid

Would you as a customer prefer a dishwasher made by a company famous for its light bulbs, its catalogs, or its dishwashers?

Of the leading dishwasher brands only one comes from a company famous for making dishwashers. KitchenAid.

For over 80 years, The Hobart Manufacturing Company has built and sold dishwashers. Big dishwashers. Medium-sized dishwashers. But always dishwashers.

In 80 years, you learn what works best. And you learn how to make a dishwasher that will last a long, long time.

And word has gotten around. that's why over 60 per cent of the people who buy KitchenAid dishwashers, buy them on their friends' recommendations.

Dishwashers are KitchenAids specialty, and they know more about dishwashers than anyone else in the world.

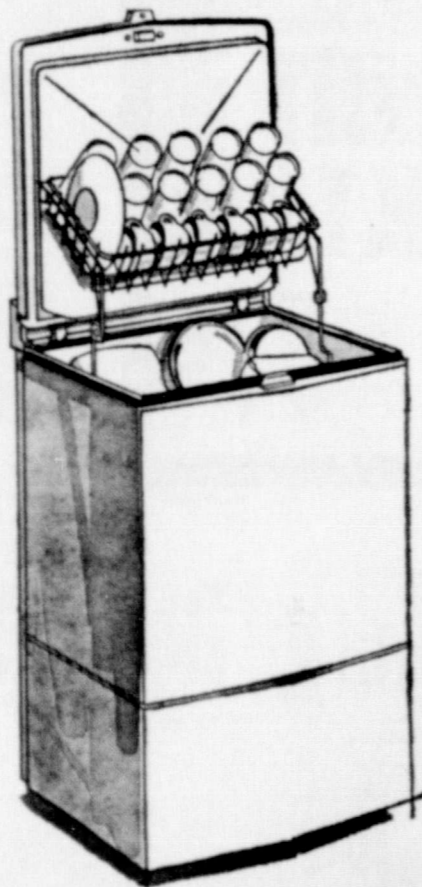

This is why KitchenAid is the people's choice.

KitchenAid. Built better.

Not Cheaper.

Mrs. Mike Chapman of Worth visited here over the weekend with her parents, Mr. and Mrs. Coy Yarbrough.

Herschel Montgomery of Deena and Mrs. Danny Pet-Deena of Fort Worth arrived Friday for a visit with Mrs. Montgomery visit-

to preschool age children using the Snellen "E" chart. No diagnostic techniques are used and the volunteers do not attempt to make a diagnosis. When a child is unable to pass the test, letters are sent to the parents recommending that the child be taken for a complete professional eye examination.

These Preschool Vision Screening Programs are conducted throughout the State by the Texas Society for the Prevention of Blindness and volunteer groups such as the 1913 Study Club.

Senator Bentsen Endorses Sanders For U. S. Senate

DALLAS—Senator Lloyd Bentsen of Texas has endorsed Barefoot Sanders for the U. S. Senate in his contest against Senator John Tower.

At a joint press conference, Bentsen said, "I am here for the sole purpose of showing my support for Barefoot Sanders."

"I know him to be a man of integrity and ability who would effectively represent Texas in Washington."

"He knows the Senate from his association as Legislative Counsel for President Johnson during the years 1967-68, and he has the background to serve Texas well in the Senate."

"His legislative record in the Texas House between 1953-58 was outstanding. Barefoot will do a good job for Texas in Washington."

"I have heard some people say he can't win, but those are the same people who said he couldn't win in the primary and they were the same people who said another Democrat couldn't win two years ago. (Bentsen was referring to his own campaign in 1970.)"

"It is important to Texas that the Democratic party remain in the majority in the Senate."

"The contest in Texas could be the key to keeping the majority for the Democratic party. That's one more reason why Barefoot Sanders' election is so important to Texas."

Sanders also has been endorsed by former President Lyndon Johnson and former Senator Ralph Yarborough.

At the press conference, Sanders introduced Senator Bentsen by saying:

"In a little over a year and a half Senator Bentsen has made a new mark for Texas in Washington."

"He built the influence of Te-

Preschool Vision Screening Course Slated For Oct. 16

A four-hour Refresher Course in Pre School Vision Screening will be given to volunteers of the 1913 Study Club Preschool Vision Screening Project, Monday, Oct. 16, at Travis Elementary School, Film Room from 8:30 to 12:00 noon. Mrs. Mack Tarver, chairman, announced this week.

Miss Joanne Allen, Program Director, Texas Society for the Prevention of Blindness will conduct the course.

This project is co-sponsored by the Texas Society for the Prevention of Blindness and the 1913 Study Club in an effort to locate visual problems in preschool age children before they enter first grade.

The vision test, administered by trained volunteers, is given

as in the nation's capital.

"Just as important to Texas is Senator Bentsen's potential for leadership roles in the future."

"Certainly his future in Washington is bright—and that is especially good for Texas."

In response to a question by reporters about his absentee record, Bentsen said, "Last year I was present for 90 percent of the roll call votes, and this year I have been present for 92 percent."

Sanders has repeatedly talked about John Tower's poor attendance record, which includes absences 45 percent of the time in 1970 and 47 percent of the time in 1967.

Barefoot Sanders was born and educated in Dallas and attended the University of Texas from which he received a law degree. He served in the Texas Legislature from Dallas between 1952-58.

In 1961 President Kennedy appointed Sanders U. S. District Attorney for the one-hundred county northern Texas district, and President Johnson later appointed him Assistant U. S. Attorney General and Legislative

Counsel for the White House. Barefoot is married and has four children.

Plainview Farmer Says USDA Misled Cotton Farmers

Plainview farmer Frank Moore says cotton farmers were misled by the U. S. Department of Agriculture last spring when they were advised to plant more cotton.

"The farmers followed recommendations of the USDA, in the spring of this year and increased their acres of cotton considerably. Now they are blessed with a bumper crop but cursed by low prices. And after this recommendation had been followed by farmers, the Nixon administration is doing nothing to relieve the disastrous price situation."

The price on some cotton has dropped 12 cents per pound since the record crop was announced. Moore is co-chairman of Rural

of the bad advice given on cotton and because of the wheat scandal. "They will certainly not want to listen to anyone in the Nixon administration for advice on their farms," Moore concluded.

GAMPELL Insurance Agency
Ph. 259-3531

Memphis Democrat—Thurs., Oct. 12, 1972 Page 3

Texas for McGovern-Shriver. He said, "I see where Red Woodson, Farm Bureau president, is trying to talk Secretary Butz into authorizing a price support program for cottonseed. Not only is the price for cotton very low this year, but also, the price on seed is way down. Texas farmers are only receiving 52.6 per cent parity on their cotton seed. This is a particularly harsh blow because of the low price of fiber this year."

Moore said he thought farmers would be less likely to listen to the USDA in the future in light

Free Travel Alarm Clock

during Lone Star's big Fall Heating Sale.

No strings attached to this offer!

You get this beautiful alarm clock free — just for letting us show you how little it costs to add modern gas vented heating to your home. There's no obligation to buy.

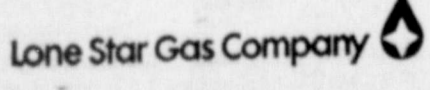

So that you can enjoy the full comfort and convenience of modern gas heating, we're making this additional offer.

During September and October, we're giving 15% off on all vented gas heating equipment. We're giving 20% off on a gas

central furnace if you add a chilled water coil for gas air conditioning.

And we're making it especially easy to buy. Convenient terms are available. Make no payments until January 1, 1978.

Remember: This offer is good only during September and October. Free alarm clocks are available only while supply lasts. Why not drop by our office or phone today?

No obligation to buy. Supply is limited.

MR. AND MRS. CARL WOOD

Mr. and Mrs. Carl Wood Honored At Tea on Silver Wedding Anniversary

Complimenting their parents, Mr. and Mrs. Carl Wood, on their silver wedding anniversary, Mrs. Carl Williams, Miss Tanya Wood and Carl Wood, Jr., entertained with a reception in the family room of the First Baptist Church Sunday afternoon.

Also assisting with hostess duties were Mrs. Kate Parks, mother of Mrs. Wood, and Carl Williams. Meleney Gilbert served as baby-sitter for the grandson, Mark Williams.

Guests were greeted by Mr. and Mrs. Wood and then directed to the registration table which was covered with a floor-length green cloth and featured a solitary giant chrysanthemum, a gift from Mrs. Wood's secret pal in Club 51.

The refreshments table, which was overlaid with a white satin cloth used for the wedding recep-

tion of Renee (Mrs. Carl Williams), was centered with a lovely bouquet of white gaisies. Lime nectar was served by Misses Dedria Evans and Kathy Carmen. Nuts complimented the delicate green mints which were topped by the figure "25." Miss Debbie Gilbert cut the wedding cake, an artistic masterpiece of three tiers accented by a silver numeral "25."

Near the refreshment table engraved gifts from the family had been arranged by Mrs. Elmont Branigan, who also arranged the display of silver gifts from the host of friends of the honorees.

In addition to a large number of local friends who called during the afternoon, out-of-town guests included Mr. and Mrs. Earl Liedtke of Amarillo, Mrs. Ladson Worley of Clovis, N. M., and Mr. and Mrs. Loyd Mayes of Paducah.

Mrs. L. L. Newman Is Hostess To 1913 Study Club

Nineteen members of the 1913 Study Club met in the home of Mrs. L. L. Newman the afternoon of Oct. 4 for the first meeting of the month. Mrs. Herschel Combs opened the meeting which was called to order by the president, Mrs. F. W. Foxhall, with a meditation entitled "Something To Think About."

During the business session, a few matters came under discussion. For one thing, the members voted to send \$5.00 to the Decent Literature Fund. Also, plans were made for a money-raising project to be held later this month.

Three new members were welcomed to the club by the president: Miss Helen Madden, Mrs. Bill Wood and Mrs. Johnny Fowler. The departmental counselor's reports were heard and Mrs. Gayle Greene introduced the afternoon's program.

Mrs. D. L. C. Kinard gave an interesting talk on China basing her information on President Nixon's trip to mainland China. Miss Neville Wrenn followed with a detailed discourse on the Russian situation. Both speakers gave informative and thought-provoking highlights of conditions and the cultures in these two countries yesterday and today.

At the request of her guests, Mrs. Newman conducted tours of her attractive and comfortable mobile home which was built at the local plant.

Tasty refreshments were served and the club was adjourned until Oct. 18 at which time the 1913 Study Club will host a tea honoring a member, Mrs. Bray Cook, who is now president of the Santa Rosa District. Invitations have been issued to the other four federated clubs of Memphis to attend this social function in the home of Mrs. R. S. Greene, 305 N. 11th Street.

Artist Studio Chapter Enjoys All-Day Meeting

The Memphis Chapter of Artist Studio met in regular session recently at 203 N. 5th St. for an all-day meeting.

The hostess, Dorothy Morris, served a delicious luncheon at the noon hour. Chicken salad, sandwiches, orange bread, pickles, potato chips, Cheetos, chocolate cake and iced tea were served buffet style to Emma Deaver, Nat Scott, Enod Godfrey, Ethel Saunders, Susie Kesterson, Mary Hudgins and Ada Craghead.

Stella Jones Is Hostess To Baptist Reapers Class Oct. 5

Mrs. Stella Jones was hostess to the Reapers Sunday School Class of the First Baptist Church for their 3 p. m. meeting Thursday, Oct. 5. Assisting Mrs. Jones as cohostess was Mrs. Grace Duke.

The president, Mrs. Duke, welcomed the group, and prayer was led by Mrs. Minnie Voyles. The minutes of the preceding meeting were read by Mrs. Emma Baskerville. Other officers reported.

The devotional, Psalms 23:2-3, was given by Miss Gurley with beautiful remarks. The program included a discussion of the coming year book and visiting.

The meeting was dismissed by Mrs. Fitzjarrald.

Delicious refreshments were served to one guest, Mrs. H. H. Lindsey, and Mmes. Edna Gilreath, Eunice Thornton, Maud Fitzjarrald, Emma Baskerville, Ora McMurry, Mary Bownds, Minnie Voyles, Alla Boswell, Hulda Wilson and Miss Sybil Gurley.

Parnell Club Makes Plans For Carnival

The Parnell Club met October 4 with twelve members in attendance. The meeting was called to order by the president, Clara Cowan after which members repeated the Lord's Prayer in unison.

The devotional taken from John Chapter I was given by Nelda Ferrel. Roll call was answered with a sewing hint. Members reported four visits to the sick.

In the absence of the secretary, minutes of the last meeting were read by Clessie Jouett and approved.

During a short business session plans were completed for the Halloween carnival to be held Saturday night, Oct. 28.

The club was dismissed by Erlene Trapp. The remainder of the meeting time was spent in quilting.

Cokes and Cheests were served by Bessie Latham and Roxie Orcutt to the following members: Lucille Cope, Neil Burk, Cleeleste Ward, Lucille Robison, Hazel Lambert, Erlene Trapp, Clara Cowan, Clessie Jouett, Cordye Hood and Nelda Ferrel.

Plaska Sewing Club Has Afternoon Meeting October 5

The Plaska Sewing Club met with Mrs. Robert Clark Thursday, Oct. 5, at 1:30 p. m.

The afternoon was spent embroidering pillow cases and making hot pads for the hostess.

Refreshments consisting of watermelons, iced tea and nuts were served to Mmes. Brown Smith, Elem Orcutt, Arvin Orr, Harvey Wines, Stacey Waites, Lynn B. Jones, the hostess, Mrs. Clark, and one visitor, Mrs. Clara Boone of Lubbock.

Pretty Garden Wedding In Waco Unites Miss Fleming and Jerry Hall

In a pretty garden wedding, Miss Claudia Nadine Fleming and Jerry Don Hall were united in marriage at 6 p. m. Sept. 23 at the home of Mr. and Mrs. Kennard B. Copeland, manager of the Methodist Home in Waco.

A resident of Methodist Home, the bride is the ward of Mr. and Mrs. Kennard B. Copeland of Waco, while the bridegroom is the son of Mr. and Mrs. Billy J. Hall of Memphis.

Tommy C. Brooks and J. Wayne Ball officiated at the double ring ceremony which was read before a golden arch of greenery, flanked by two columns of carnations.

Recorded music included "Moonlight Sonata" and "We've Only Just Begun" and the traditional wedding marches.

Attendees included Misses Crys Ippito, Shannie Graham, Debbie Germann, Lynda Hyde

and Elizabeth Fleming. They wore identical street-length green and white gingham dresses styled with square necklines, cap sleeves and the skirts were trimmed with ruffles.

Billy J. Hall served as his son's best man. Groomsman were Richard J. Parker, Mickey D. Allen, Danny Kelly, Rich Durham, all of Dallas.

Given in marriage by Kennard B. Copeland, the bride wore a wedding gown of white eyelet embroidery over white crepe. The gown was styled with empire waistline with scooped neckline and capped sleeves. The gown was trimmed with green ribbons laced through the eyelet embroidery.

Both the mother of the bride and groom wore floor-length dresses with matching corsages.

Immediately following the wedding, Mr. and Mrs. Copeland were hosts for a reception at their home.

For travel, the bride chose a navy jumper with navy print blouse and white accessories and the bouquet from her bridal bouquet.

Mrs. Hall is a graduate of Waco High School and Mrs. Wade's Modeling School in Dallas. She is presently employed as a teletype operator in Dallas.

Mr. Hall is a 1968 graduate of Memphis High School and is employed with Mobil Oil Corp. as a computer programmer.

The newlyweds are at home at 2630 Knight in Dallas.

Baptist WMS Meets For Study At Church Tues.

The Women's Missionary Society met Tuesday, Oct. 10, in the parlor of the First Baptist Church for Bible study.

Mrs. Frank Ellis was in charge of the meeting. Mrs. W. M. Kilpatrick read the missionaries' names and led in prayer.

Mrs. K. B. Chick taught the study, titled, "Preparation for Missions." Scripture passages from the first chapter of Mark were used. The meeting closed with prayer led by Mrs. W. R. Scott.

Attending were Mmes. Ellis, Kilpatrick, Chick, Scott, Mary Bownds, H. H. Lindsey, W. R. Parker, Ward Gurley, W. B. Billington, C. H. Murphy and Byron Baldwin.

R. L. Clarks Host '42' Club Oct. 5

The Plaska "42" Club met Friday night, Oct. 6, in the home of Mr. and Mrs. Robert L. Clark.

Refreshments were served throughout the evening consisting of sandwiches, chips, dips, nuts, German chocolate cake, coffee and iced tea.

Attending were Earl Spry, Mr. and Mrs. T. J. Spry, Mr. and Mrs. Hub Holt, Mr. and Mrs. Brown Smith, Mr. and Mrs. Harvey Wines, Mr. and Mrs. Lynn B. Jones, Mrs. Odessa Crisman; a visitor, Mrs. Clara Boone of Lubbock; and the hosts, Mr. and Mrs. Clark.

WMU of Travis Baptist Church Meets October 10

The W. M. U. of Travis Baptist Church met Tuesday, Oct. 10, at 9:30 a. m. at the church. The president, Mrs. Lynn B. Jones, opened the meeting with prayer.

Mrs. Grace Richardson read Genesis 15:1-6 and the names of the missionaries that had birthdays on that day. They were remembered in prayer by Mmes. I. D. Herndon, L. G. Rasco, Clyde Davidson, Cap Byars and J. P. Parker.

Mrs. William Coffman brought the study from the Foreign Mission book, "Europe's Mission Field." Mrs. Coffman led in the closing prayer.

Attending were Mmes. Jones, Richardson, Herndon, Davidson, Rasco, Byars, Parker, Coffman, Sam Hamilton, Eula Moreland, Lucille Hutchinson, Miss Joyce Richardson and a visitor, Mrs. Clara Boone of Lubbock.

Improved urban freeways help reduce air pollution by relieving congestion and improving traffic flow.

MOST SPIRIT DIVISION—Brownie Troop No. 163 named "Most Spirit Division" recently in the Hall County Parade. Members of the troop are pictured and include top row, left to right, Sandra Scott, Cheryl Phelps, Alice Beasley, Kim Johnson and Karen Davis; middle row, Kelli Fisher, Kelli Limer, Kathy Boone and Stacy Lemon; bottom row: Karen Callahan, Debra Davis, Rhonda Gable and Kari Posey. Leaders are Mrs. Connie Davis and Mrs. Eddie Gable.

Mrs. Jerry D. Hall Is Shower Honoree

Mrs. Jerry Don Hall was complimented with a lovely bridal shower on Saturday evening, Oct. 7, in the home of Mrs. L. E. Hughs.

The serving table, laid with a white linen cloth, was appointed

in the bride's chosen colors of mint green and white. The table was centered with a lovely centerpiece flanked by candleholders holding mint green tapers.

Debbie Roden and Jeanette Pate presided at the refreshment table to serve mint green pastries and other dainties.

Miss Nita Taylor presided at the bride's book to secure names of the guests.

Hostesses for the courtesy, or than Mrs. Hughs, were Mrs. Doyle Fowler, Homer Tribble, E. Hughs, Van Schooler of Q. Neal Hughs, Exie Hughs, G. Davis, W. H. Goodnight, Ed Watson, Floyd Edwards, M. Odum, James Jeffers, Charles Snowdon, Ira Davis, Robert Clark, Y. Z. Taylor, Loyd G. Henry Crow and Les S. S.

Gleaners Class Meets Oct. 5; Installs Officers

The Gleaners Sunday School Class of Travis Baptist Church met Thursday, Oct. 5, at 7 p. m. at the church.

The president, Mrs. Stella Phillips, called the meeting to order. The teacher, Mrs. Clyde Davidson, brought the devotional taken from Proverbs and Revelations.

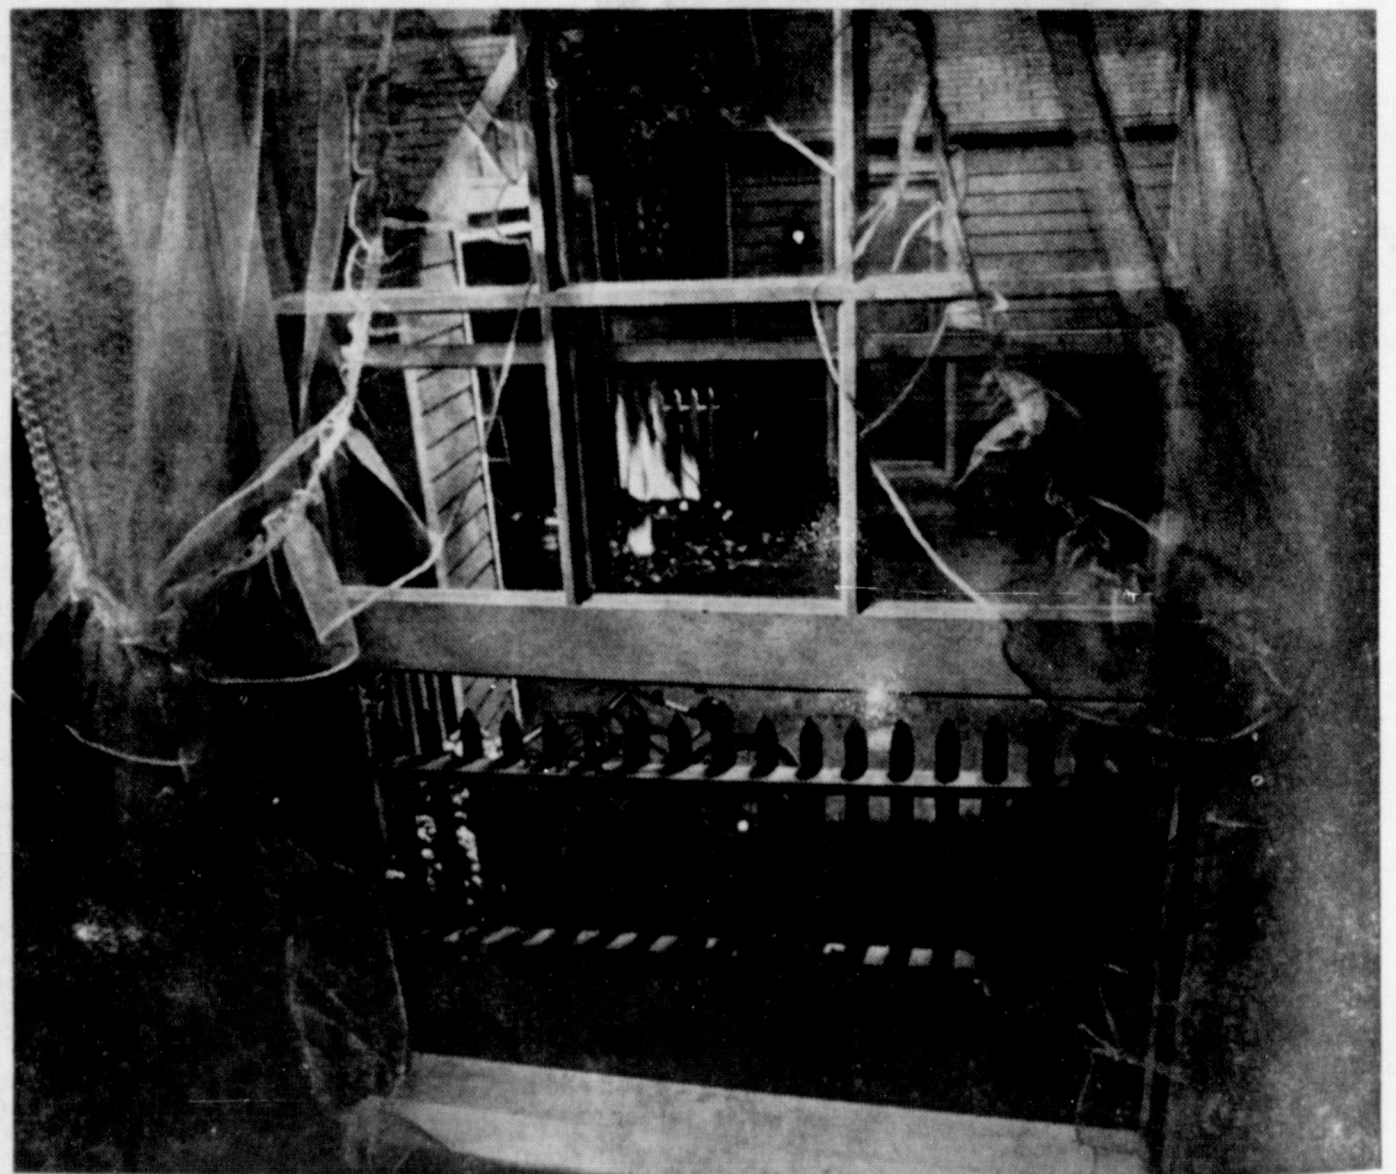

The following officers were elected for the new year: president, Mrs. Stella Phillips; vice president, Mrs. Freddie Markham; treasurer, Mrs. E. L. Moore; secretary, Mrs. Felix Jarrell; assistant secretary, Mrs. Carl Clayton; group captains, Mrs. C. R. Foster and Mrs. Lynn B. Jones.

Attending were Mmes. Phillips, Davidson, Markham, Moore, Jarrell, Jones and a visitor, Mrs. Clara Boone of Lubbock.

CARD OF THANKS

Please accept my thanks for the prayers, beautiful flowers and visits while I was in the hospital. They were greatly appreciated. I would also like to thank Dr. Goodall and the nurses who were so good to me. God bless each of you.

Mrs. G. T. Stephens

If your six year old saw something like this, would he know how to phone for help?

It's too important a question to leave to chance. That's why we're running this ad.

If there are any six- or seven-year-olds around your house, teach them how to report emergencies. Tell them to dial "0", give their name and tell our operator where they are and what's wrong.

With older children, train them to dial emergency numbers direct, since that's the fastest way to call for help. But don't stop there. Copy down the emergency

numbers listed on the inside front cover or first page of your telephone directory. Add your family doctor's number. And the number of the nearest hospital. Next, tuck up the list near your phone.

Then get your kids to memorize it, in case it gets lost. By the time they're through memorizing those numbers, they're going to have every grownup in the house knowing them, too.

Which is also why we're running this ad.

Harrison Family
Enjoys Reunion
Here on Weekend

Mrs. Ruth Harrison enjoyed having all her children home for a reunion over the past weekend before Jim Harrison and his family leave this month for Holland where they will spend about two years.

Enjoying the reunion were Mr. and Mrs. Jim Harrison and Christen of Austin, Mr. and Mrs. Allyn Harrison and Sam of Minneapolis, Minn., Mr. and Mrs. John Alderman and Sharon Lynn of Dallas, Mr. and Mrs. Earl Wheatly and Laura Ann and Andy of Hedley and her brother and wife, Mr. and Mrs. Fred Finch of Dalhart. The Allyn Harrisons also visited her parents, Mr. and Mrs. Buster How-ard.

Also visiting in her home Sunday were Mr. and Mrs. Don Tarver of Quail.

Mrs. Harrison accompanied them to Dallas on Tuesday and will visit there until Friday.

HEDLEY'S SINGING SWEETHEARTS—Pictured above is the group known as the Singing Sweethearts. The group performed here recently and the Kiwanis Charter Night. The group, under direction of Mr. and Mrs. Don Springer of Hedley, is doing much to advertise the Hedley Cotton Festival set for this weekend.

Cancer Unit
To Hold School
On Bandages

A school of instruction on how to make bandages for the Hall County Unit of the American Cancer Society will be held on Monday afternoon, Oct. 16 from 2:00 to 4:00 p. m. and Monday evening, Oct. 16 from 7:00 to 9:00 p. m. at the American Legion Post on South 6th Street.

Anyone interested in helping with this project is invited to attend one or both sessions. Persons attending should bring thimble, needle and scissors.

The bandages will be used by cancer patients in this area. Mrs. Beatrice McCauley, service chairman for the local unit, stated. At the present time, there are not any patients here needing the services so the bandages are being sent to Plainview and Lubbock, she stated.

Also available under the service program are various types of sick room equipment. Persons who need special equipment for cancer patients are asked to contact Mrs. McCauley.

Over seven trillion cubic feet of Texas natural gas is marketed each year.

Charles Cowarts
Are Operating
Drive-In Firm

Mr. and Mrs. Charles Cowart, formerly of Turkey, have moved to Memphis and have taken over the operation of the Sonic Drive-In from Doyle Fowler, and the business is being operated under the name, "Vernell's Drive In."

The firm is located on U. S. Highway 287 (Boykin Drive) south.

Mr. and Mrs. Cowart formerly operated a drive in firm in Turkey for the past four years, and they moved to Memphis the first of October.

Mrs. Cowart has been associated with the food industry most of her life, Mr. Cowart said. Vernell's Drive In is introducing a new line of pizza, but basically the menu will remain about the same, he said.

The Cowarts have two married children, a boy and a girl.

Lakeview Carnival
To Have Tourney
For '42' Players

The Lakeview Junior-Senior Halloween Carnival will have an added attraction this year. Two separate 42 tournaments have been scheduled, according to an announcement this week by Bill Richburg, member of the junior class.

The annual Halloween Carnival at Lakeview schedule of events will be announced next week in detail.

The first 42 tournament will be held Friday night, Oct. 27, and the second on Saturday night, Oct. 28, according to plans announced. Entry fees are \$1 per person; \$2 per team. A team may enter for both nights by paying \$4. Deadline for entry is Oct. 26. All persons desiring to enter

the 42 tournament are requested to see Bill Richburg at the High School, or to call 867-3472.

Prizes will be awarded to the first and second place teams each night.

"Come out and test your skill and have a good time," Richburg stated.

MHS Juniors Plan
Chili Supper Oct. 20

The junior class of Memphis High School will have a chili supper Friday, Oct. 20, from 5 to 7:30 p. m. before the Clarendon-Memphis football game, members of the class announced this week.

Tickets may be purchased from any junior class member or at the door. They are \$1.00 each, and 25 cents for the dessert. Children under six years of age may eat for half price.

Youth Of County
Are Now Learning
Auto Car Safety

Youngsters in Hall County enjoy having fun—swimming, horseback riding, playing ball, riding in an automobile—typical of youth anywhere. It's a great life, being a teenager and a wonderful future lies ahead until... there's an automobile accident.

Tragic auto accidents have snuffed out so many young lives. Thus it's critical that our youngsters have an opportunity to engage in programs aimed at automobile safety, points out County Extension Agent W. B. Hooser, 4-H can provide such training.

Through the 4-H automobile care and safety program, youngsters master the art of becoming safe drivers as well as to learn to care properly for an automobile.

The program requires a minimum amount of time, but delivers a message of maximum importance—4-H automotive safety, points out Hooser.

A major effort of the program is to teach young drivers to become responsible drivers with proper driver attitudes.

A total of 71 boys and girls are enrolled in the 4-H automotive program in Hall County. Statewide, 1645 4-H youth are

participating.

Hooser encourages all youth interested in becoming better drivers to check into the 4-H automotive care and safety program. Information is available at the county Extension office.

"What you learn could save your life," points out the county agent.

F. B. Davis
Celebrates 91st
Birthday Oct. 2

Fletcher B. Davis of Era celebrated his 91st birthday on October 2, at the home of his daughter, Mrs. Imogene Georgie in Dallas.

Mr. Davis is a cousin of Lucian Davis of Memphis. He has attended all the Davis reunions here until the past two years.

He has made his home in Era since 1913 and is a retired farmer and Era school bus driver.

Dinner guests for the occasion were Mr. and Mrs. Don Parvin and daughters, Mr. and Mrs. Jack Morgan, Miss Doris Flower, Mrs. Ann Hale and Ralph McElyea.

Mr. Davis also enjoyed a surprise birthday card shower from his many friends in Era and other places.

hear more and more boat safety—safer boats—as time passes.

boater and the boat will be important factors in the development of safer boating. Also an integral part will be the various safety features which belong on the safety boat—life vests, lights (signal) and even the

new Boat Safety Act will not be constructed or conformance with regulations can be operated.

M. Wilson, executive director of the National Association of Engine and Boat Salesmen, pointed out at a recent seminar in Seattle, Wash., recently that the responsibility to ensure that regulations are fitted out according to those standards and there-

boat owner is included in their responsibility to that the boat they sell standards, they should conversion service for to make alternations necessary for new boats and have been researched.

and boating safety also the discussion recent at Hilton Head Island, S.C., at the 6th Annual Aluminum Derby for the press by the members of the aluminum

the many safety features were increased in the craft itself, splash wells) to swamping, better fire-characteristics of construction, stronger collision and resistance, gasoline spillage, and driver-education.

asure boating increases popularity, and more fishing throughout the

nation, something must be done to reduce boating accidents. The new federal regulations are just the beginning.

Courtesy and consideration of the other fellow are human characteristics that are difficult to write into law. But these two factors plans an important part in safe motoring—be it on land or water.

Statistics Show County Families Are More Affluent

NEW YORK—How much mileage does the average Hall County family get out of its dollar these days?

How much is left for discretionary spending after the basic necessities of food, shelter and clothing are provided for?

Considerably more than was the case a decade or two ago, according to government statistics. Despite the steady increase in the cost of living, most families have incomes that more than compensate for the rise.

As a result, they have more money left to spend for recreation, for education and for better living generally.

Compared with 20 years ago, when the average American family had to spend about 75 per cent of its earnings for the basic necessities, only about 58 per cent is now needed for that purpose, according to the U. S. Department of Labor.

That is the average. For those with small incomes, the proportion required is somewhat greater than that and, for those with large incomes, somewhat less.

Applying these findings to Hall County and to the level of income reported for the community, the average spent per local family for food, shelter and clothing is close to \$8,900 a year.

In general, the Labor Department finds, out of every \$100 of income that a family spends, about \$24.00 goes for housing, \$23.10 for food and \$10.90 for clothing.

As for the rest of the \$100, taxes take \$16.30, transportation, \$8.80, health care, \$5.60, and miscellaneous, \$11.30.

Thus, in Hall County, an estimated \$6,450 per family remains, after the necessities are taken care of, to be used for savings, education, leisure activities and other purposes.

This is more than many families have left for such discretionary spending, the figures show. In the United States, it is \$5,840 per family and, in the State of Texas, \$5,230.

As a result, local residents have been able to upgrade their living standards. Although confronted with the same inflation problems and job situation that has been plaguing the rest of the country in recent years, they own more cars, are better housed and have more time-saving appliances than ever before.

LAFF OF THE WEEK

"We always said if we had nothing else, we'd send the kids to college..."

The U. S. is 16th among world nations in land use for highway purposes. It has one mile of road for every square mile of land. This compares to almost five miles of road per square mile in Belgium.

Over two billion dollars in federal highway use taxes are collected annually from the organized trucking industry. It goes into the Highway Trust Fund to pay for the 42,500-mile federal system of interstate highways.

CRADLE ROLL CALL

Sgt. and Mrs. Kenneth Moore of Fort Bragg, N. C., announce the birth of a son, Jake Brandon, on Oct. 7. He weighed 8 pounds and one-half ounce. Cyclone Captures 40-8 Victory Over Mustangs

The Memphis Cyclone, using straight ahead football tactics, capitalizing on five pass interceptions in the final half of play, defeated the Claude Mustangs 40 to 8 before an enthusiastic crowd in Cyclone Stadium to win their first of seven important District 2-A clashes.

The victory for Memphis served notice that the Cyclone is in serious contention for the district title this year, as Claude was No. 3 ranked team going into the game and the Amarillo Daily News had penned an up-set marking on the game.

The Amarillo sportwriters cited Claude's "stand up defense" and ground eating passing attack as reasons for picking Claude over Memphis, but the football game proved these factors to be unfounded as the Cyclone ground attack riddled the stand-up defense and the Cyclone defensive secondary gave up only three passes, while picking off five interceptions and forcing 12 incompletions.

Although the Cyclone was guilty of making mistakes, giving the football up on three fumbles, one pass interception, and drawing five major penalty infractions, the Cyclone team was impressive as the offense ground out 313 yards rushing, 29 yards in the air, and picked up 21 first downs to Claude's 7.

The Cyclone struck early in the contest, on Memphis' first ball possession, with a 57-yard drive in seven plays. HBs Ronald Canida and Larry Johnson alternated carries with Canida picking up gains of 16, 7, and 14 yards while Johnson added seven more. This moved the football to the Claude nine-yard line.

On the next play, FB Paul Fowler found a hole up the middle and collided with a Mustang safety back at the goal line. The officials' arms went up as Memphis put points on the scoreboard with 7:19 left in the first quarter. Larry Johnson, with Browning holding, booted the point after and Memphis led 7-0.

The Mustang offense had difficulty making yardage against the Cyclone defense most of the night. In Claude's first possession, three running plays netted a minus nine yards.

On Claude's second position, following the Memphis kickoff, Billy Merrell with a good job of running moved for a first down (11 yard gain) to the Claude 40. But here, Merrell ran into Cyclone Safety Wayne Davis and lost

7 yards, then carried on the reverse and was dropped for only a one-yd. gain. A third down pass play was incomplete so Merrell punted the football.

Cyclone got one of their two breaks in the first quarter as Memphis bobbled the punt catch and Claude recovered on the Memphis 37.

But again, the Cyclone defense was successful at bottling up Claude's offense, so the Mustangs punted, and the kick was short, and the Cyclone had the football on the home 25.

Cyclone QB Mike Browning rolled out to his left, found running room and picked up an eight yard gain, but as he ran into a pack of Claude defenders he was separated from the football and Claude recovered.

The Mustangs, from the Memphis 33, on three running plays, made a first down to the Memphis 20. Then, on the next play, Billy Merrell took the football on a sweep action play, and passed it to HB Lin Cope with Cope winning the foot race to the goal line. A two-point conversion was good when Merrell, faking the point after place kick, passed the ball to Cope for the two points.

The Mustangs led 8 to 7 at this point, 2:40 left in the first quarter, and things were unusually tense in the east stands at Cyclone Stadium.

Claude kicked the football to Larry Johnson and Johnson returned it to the Memphis 31-yd. line.

Memphis, eventually, scored with this possession, but not until after a shaky start. FB Paul Fowler battled for two yards and HB Canida made four more. On a third down and four, Memphis went to the airways, and it looked like QB Browning's pass was on the mark, but the Memphis receiver was clobbered before the ball reached him and the officials sent the flags into the air. Pass interference against the Mustangs was the call and Memphis had a first and 10 on the Claude 45-yd. line.

HB Canida carried for nine yards on two plays; then, HB Johnson ripped for seven more & Memphis was in the fourth-down portion of the playing field on the Claude 30-yd. line.

It took Memphis seven plays to score from the 30 with Fowler making three and Canida adding 10 more, moving the ball to the 17. In the next series, FB Fowler romped for 14 yards on two carries and the Cyclone was

knocking at the 3-yd. line.

At this point, a flag went into the air and Memphis was penalized back to the 8-yd. line for an infraction. FB Fowler made back four of these yards on the first carry, & two more on the next. On a third down, HB Larry Johnson carried and went into the endzone on his feet for the touchdown. Johnson added the point after and the score was 14 to 8.

Neither team mounted a threat for the remainder of the first half.

Second Half Action

The entire second half of the game was obviously a nightmare for the Claude Mustangs, as mistakes piled on top of mistakes, and Memphis capitalizing on the breaks as they came along.

To begin with, Claude returned the second-half kickoff to the Claude 37. Then, a fumble resulted and Charlie Slaughter recovered the football for Memphis on the Claude 42.

The Cyclone moved for a first down to the 27 on carries by Fowler Canida and Johnson; but here, the local team bogged down and Claude took over on their own 19-yd. line.

Claude tried a pass into the flat but alert play by Ronnie Browning resulted in an interception, and Browning raced to the Claude one-yd. line where he was pulled down. Memphis scored on the next play as HB Canida plowed over for the score. Johnson's kick was good and it was 21 to 8.

Johnson did the kicking chores off the tee into the arms of FB Mike Campbell of Claude. Campbell was hit hard at the Claude 30, lost the football and James Beck recovered for Memphis.

QB Mike Browning made eight yards on a carry, then HB Canida added six more and a first down to the Claude 16.

The officials called holding against Memphis on the next play and 15 yards were stepped off. It was the third down before the Cyclone offense exploded, and it was a jump pass from QB Browning to Split End James Beck that caused the eruption. Beck slipped into the Claude secondary, was hit in the mid-section by a Browning strike, turned around and put several kinds of moves on Claude defenders as he raced for the goal line, and the Cyclone's fourth TD of the evening. The play covers 29 yards. Johnson's point after kick was wide and the score was 27 to 8.

The next two series of downs, following the kick, Claude made

FOWLER SCORES—Cyclone Fullback Paul Fowler is shown above as he scored the first TD for Memphis against Claude. The play covered nine yards. No. 66 for Memphis is Mark Bradshaw, a junior guard, and No. 50 is Tackle Terry Wheeler. In the background the two Memphis players are Guard Robert Snider and Tackle Lenis Simpson.

CANIDA CARRIES—HB Ronald Canida is shown above (No. 10) carrying the football for a big gain in the Cyclone's second quarter scoring drive. No. 11 is Quarterback Mike Browning The blocker immediately behind Canida is FB Paul Fowler. No. 50 is Terry Wheeler and the player on the left for Memphis is Mark Bradshaw. Claude's No. 61 is Robert Campbell and the player on the right edge of the picture is Bobby Jones.

by FB Fowler, moved down to the Claude 20 yards here. The Cyclone with Jim Melton carrying the football, made back yardage, and possibly made the first down, but the resulting in Claude the football on the 23.

The third quarter ended after this, and the swapped punts, with Johnson doing the punting chores for the Cyclone.

With 8:40 second in the final period, Claude third down and nine tried a pass play, but Slaughter intercepted the Memphis and raced to the three-yd. line before he d. Slaughter went in again on the next play and set three-yd. carry. Johnson was good and the score 8.

The Cyclone's final set up by a pass intercepted by Jim Dixon, and following a touchdown, Johnson giving call from the Claude line. Johnson's point was blocked making score 40-8.

B. B. Shots

by BYRON BALDWIN

William Stout had as his guests all County Heritage Hall Mr. Mrs. Ellsworth Howell of Oklahoma City. He was a graduate of MHS. Many of you will remember Mr. Howell in his school days as "Red". I guess he was one of the best skaters and dancers we had on the floor of the Grand Opera House". He was popular with the young ladies they all wanted to skate with him. I remember when I tried to qualify as an expert skater. I had two good falls, my skates, wobbled back to front of the opera house and skating days were over! I can remember when there was an ex-skater who came to Memphis from Colorado to beat anyone skating. Red and his sister, Walter, who was a good skater, too, entered this race with a last-of-town man; they won. I remember going on after watching the Derby".

Mary E. Howell came to Memphis in 1906. Her home was of the First Baptist Church of the telephone building is located. She had two sons, Walter and Walter, three daughters, Maud (Howell) Thomas, whose husband was Superintendent of School here in the 1900's and later a newspaper editor in Childress. Another daughter was Beverly (Howell) Stout, mother of Lewell. She married Chas. Stout, an agent of Wells Fargo Express U. S. Mails. Still another daughter, Bertha, married O. B. Ellsworth, who operated a lumber yard here. Ellsworth is the only son of this family. He and his wife celebrated their 50th anniversary Oct. 1 and the trip to Memphis, Ellsworth made the remark that he is "Waterloo". Elizabeth (Howell) moved to Oklahoma City, and her Oct. 1, 1972. Ellsworth moved to Wichita Falls in 1918, served about 1 1/2 years in the Army and moved to Oklahoma City where he has lived since 1921. He taught a school for several years, and his wife if they still danced and her reply was they still danced a little and much on the roller skates any

reading last Sunday's edition of the Dallas News that they are expecting over 3 million

people to go through the State Fair gates this year, this sounds like pretty big business as it is hard to make the trip for less than 50 dollars and that would be 150 million. That would offset a real good cotton crop in many ways.

While reading a farm magazine a few days ago, I noticed that the number of new tractors sold in the U. S. the first six months of 1972 was 87,448, and of this number, 25 thousand were over 100 horse power. Well, if we compared that to horses to take their places and that would be a lot of horse meat. We would not have to export a grain surplus if we had to feed that kind of corral full of horses.

With a crop prospect like we have this year, we can remember what would be happening in September with farmers bringing in cotton pickers from Wichita, Ft. Worth, Dallas and other towns getting ready for the harvest. Sometimes just as you had 30 or 40 pickers in for the fall, the rain would start in and you would have a grocery bill for the pickers besides transportation and housing before you ever picked a bale. Some people may call that the "good old days", now it is October and very little cotton has been pulled. But you see strippers being attached to the tractors. So when it starts, the ginners better write their family that he "won't be home for Christmas".

A short note from the Boykin girls this week... Elizabeth (Boykin) Wells, now Mrs. Charles Wells of Box 222, Washington Crossing, Pa., and Charlotte Carlson, now Mrs. Reubin Carlson. They are interested in Hall County and Hall County people even though they left here several years ago. Some of the people they asked about were the "Dalton" girls, Katie Simmons and the "Neely" girls. They thought we might get information from some of the Mullins in Turkey as Waldeen Neely married a Mullins. Many of us would like to have a little sketch of the history of these two Boykin girls. The street that Highway 287 goes through Memphis on has its name by the generosity of the Boykin family in giving their part of the right of way and is called Boykin Drive. I first knew this family when they were living on Brice Street a good many years ago. They are going through their attic to find some items for Heri-

age Hall as they seem very interested in this project which they have never seen.

Mrs. Herbert Estes gave me a death write-up a few days ago of a former resident of Hall County, Mrs. B. W. Johnson of Wichita Falls, where they moved from Memphis 50 years ago. Her husband, B. W., passed away in October of 1961. He was a pioneer in the marketing of gasoline and petroleum products here. He was an early day wholesale oil distributor while living in Memphis.

This was about the time that motor vehicles started increasing in population and the horses had to move over and give more room on the highway.

The pollution of horses and mules switched over to gasoline fumes.

Mr. and Mrs. Jerry Lowe of Guymon, Okla., were visitors in Heritage Hall last Saturday. Jerry will be remembered as the son of Mr. and Mrs. Red Lowe of Holly, Colo., who were former residents here. Jerry graduated from MHS in 1964 and has been employed by General Telephone Co. the past 8 years. He is now construction foreman at Guymon. Mrs. Lowe will be remembered as Tamara Frisbie, daughter of Mr. and Mrs. Royce Frisbie. Tamara graduated from MHS in 1965. They have two daughters, age 1 year and 2 1/2 years. They gave a good report on the Tony Craigs who were former residents here. He has been District Manager in the Guymon office of Gen. Tel. Co. for the past several years.

Jim Pope has as his guests in Heritage Hall last Friday his sixth grade class of social studies. There were 28 pupils in this class and they seemed to enjoy looking the displays over.

Mr. and Mrs. Sam Ross of Shamrock were visitors in Hall County Heritage Hall with Mrs. Bruce Damron. Sam is the son of the late Mr. and Mrs. Marvin Ross who moved to Shamrock in 1934. Also visiting with them was Sam's sister, Katherine (Ross) Brand of El Monte, Calif. She and Dorothy (January) Damron were schoolmates at MHS. Katherine brought in for Heritage Hall the New Testament that her mother gave her Dec. 25, 1923, also a pen staff that her sister, Mary Frances (now deceased), used over 30 years ago. Survivors of this family are Everett, Katherine, Weldon and Sam. Mrs. Damron had another guest, Mrs. Ethel (White) Bannister of Duncan, Okla. I did hear Dorothy say a day that she had understood that California people eat one meal a day, but not so when they come to Texas, as her California guests had been eating four meals a day. Well, Dorothy says she is a little mixed up as her telephone is out of Turkey, her mail is out of Estelline, her banking out of

Memphis and is under the Weatherly mayor!

On Monday morning, Oct. 2, we had a total of 79 visitors in Hall County Heritage Hall. Wayne Preston, history teacher in Junior High School, brought in his first group his seventh grade class, 72, of Texas History. There were 24 pupils in this group. The next group of seventh grade was the 73 Texas History class which was composed of 22 pupils. The next group in was the 7th grade Texas History Class No. 71. Mr. Preston is the teacher of all three of those groups. They seemed to be interested in the early day churns, plows, lamps, bath tubs, butter molds and other antiques. Several of this group of 69 say that they found their mothers' and daddys' pictures in the school room.

Mr. and Mrs. Roy Gibson of Fort Worth were visitors in Heritage Hall. Mrs. Gibson will be remembered as Izilla Melton, daughter of the late Mr. and Mrs. Jim Melton. There were 12 children in this family. There are 10 now living, Buddy and Jess now deceased. Izilla attended MHS and served as dietician of the Lakeview schools in the early 40's. Since leaving here, she has lived

in California for 7 years and in Dallas, and has been living in Ft. Worth since 1948. She has worked with printing and book binding for over 25 years.

Mrs. David Hardin, who moved here recently from Brownfield, had as her guest in Heritage Hall, Mrs. Richard Baker of Houston, along with her daughter, Darcey. Mrs. Baker will be remembered as Elaine Snowdon, daughter of the late Chas. and Margaret Snowdon of Memphis. Elaine graduated from MHS in 1962 and attended McMurry College. She taught school for four years. She married Richard Baker of Beeville. I did find out where this romance started. It was when she was one of the bridesmaids at the wedding of Allyn Harrison and Helen Howard, as Richard was also in this wedding party being a friend of Allyn's. In less than a year, Elaine was Mrs. Baker. We never know when a romance will start, from an Easter egg hunt on up to the older games of life. Even for some of them when they go fishing, I have heard of. Many of you will remember Elaine's grandmother, Mrs. Jim Baker, who will be 86 years old Oct. 16. Her address is c/o Mrs. Earl Hill, Box 578, Wink, Texas.

We do want to thank Mr. and Mrs. J. M. Ferrel for the cool air in Heritage Hall during the August and September months. The motor burned out on our air conditioner and we received the bill from them marked "No Charge" and we did not ask for any better terms.

Mrs. Tracy Davis had as her guests in Heritage Hall her sister, Mrs. Jim Estes of Winfield, Ala., and her niece and her husband, Mr. and Mrs. John Kirette of Childress, Ala. Mr. Kirette has worked for the Kimbly paper mills for the past 22 years. He thought it was worth the trip here to get to study the 1902 edition of the Sears, Roebuck Catalog in Heritage Hall. I did try to brag on a 61 pound pumpkin that was on display in one of our local cafes. He topped me on this as he said he saw one just before he left Alabama that weighed 150 pounds! Mrs. Davis was reminiscing on when her family moved to Hall County in 1928. She said they left Alabama on a Monday morning at 8 a. m. and arrived in Newlin, Texas, the following Saturday at 2 p. m. (fast travel for that time!)

Texas has 125 trillion cubic feet of natural gas reserves.
