MEMPHIS, HALL COUNTY TEXAS, THURSDAY AFTERNOON, FEB. 28, 1974 15c (inc. 1c Sales tax) NUMBER 43

Chamber Banquet Well Attended

CHAMBER LEADERS—Pictured above, left, is In-coming President of the Memphis Chamber, John Kehr, with the gavel he received from Larry Parks (right). Parks is shown holding the plaque of service he received for serving the Chamber the past year.

Cotton was saluted at the 54th Annual Banquet of the Memphis Chamber of Commerce Tuesday night with 300 persons in attendance.

One of the featured highlights of the affair was the viewing of a display set up by Postex Hall Plant, Burlington Industries, Inc. from seed to finished sheets of the cotton cycle, showing the entire cycle.

Ten Memphis citizens were recognized for Community Service awards, selected by Chamber Officials. Those named for the honor included: Mike Branigan, Chamber Vice President, Byron Baldwin, Bill Combs, Bill Edd Dixon, Hubert Dennis, Dick Fowler, Mrs. H. R. Stevenson, Bill Leslie, Jim Markgraf, and Coy Miller.

Awards of miniature cotton bales were presented to these by Rev. C. H. Murphy, Jr., and Minister Tom Posey.

Incoming President of the Chamber, John Kehr, presented Out-going President Larry Parks with a plaque of service award, and he presented the speaker Earle Younts, Asst. Manager of Cotton Board, Inc., of Memphis, Tenn., with a plaque of appreciation.

The speaker, Mr. Younts, presented a slide program on the research and promotional work being done by the Cotton Board and Cotton Incorporated.

Hall County's 100,000 bale production and the newly adopted city theme, "Memphis, Cotton Capital of the Panhandle" were noted by the speaker as a ready-made industry and pride of Memphis for its work in promotion of cotton.

Those attending enjoyed roast beef, baked potatoes, green beans, tossed salad, pie, hot rolls.

The Chamber's welcome committee did a beautiful job of decorating the Memphis Community Center using the cotton theme.

Payments Still Needed by Caprock Translator Here

Caprock Translator announced this week that member dues payments are still shy of what the company needs to operate another year and the shut down date of Wednesday, March 6, is still scheduled.

Needed is an additional \$2,500, or the receipt from an additional 60 customers of the system, it was announced.

Patrons who have already paid their annual dues are encouraged by Caprock Translator to encourage their neighbors to pay their dues.

Services For Mrs. Cleo Moss Held Feb. 24

Funeral services for Mrs. Cleo Moss, who died in Hall County Hospital Feb. 22, were held at Mt. Pleasant Baptist Church at 4:30 p. m. Sun., Feb. 24, 1974.

Officiating was Rev. J. P. Williams.

Mrs. Moss was born in Clarksville on March 8, 1903. She was a member of the Mt. Pleasant Baptist Church, and a resident of Memphis for 2 years.

Interment was in Fairview Cemetery under the direction of Spicer Funeral Home.

Survivors include 4 sisters: Mrs. Comma Deckard, and May Liza Moore of Memphis, Mrs. Evaline Lacy of Rush, and Victory Fisher of Lawton, Okla.

Pall Bearers were: Charlie Slaughter, William Johnson, James Beck Sr., Virgil Anderson, Charlie Ward, and Doyle Finch.

Eula Coldiron Services To Be Saturday

Mrs. Eula Elizabeth Coldiron, 82, died in Northwest Texas Hospital at 5:50 p.m. Feb. 27, as a result of burns she received in her home (104 N. 16th).

Services for Mrs. Coldiron will be held at Spicer Funeral Home Chapel at 2:00 p.m. Sat., March 2. Interment will be in Fairview Cemetery. Elder V. R. Renderson of Paducah will officiate.

Eula Elizabeth Tidwell was born Dec. 16, 1891 in Coryell, Texas. She married Unis Winslow Coldiron, March 28, 1910. She moved to Hall County in 1921.

Eula Coldiron was a member of the Primitive Baptist Church.

Survivors include her husband of the home; two sons, Garland of Memphis, and J. C. of Santa Maria, Calif.; three daughters, Mrs. Ivie Maria Kathka of Santa Maria, Calif., Mrs. Florine Newbrough of Lamesa, and Mrs. Ruby Lee Weems of Floydada; 12 grand children, and 12 great grandchildren; three sisters, Mrs. Lounet Stammers of Houston, Mrs. Burt Carr of Hisco, and Mrs. Eileen Burt of LaJunta, Colo.

Lakeview Seniors To Have Talent Show March 5

The Lakeview Senior Class will sponsor the annual talent show on March 5th at the Lakeview Grade School Auditorium.

The talent show will begin at 7:00 p.m. There will be three divisions plus a costume contest.

Anyone interested in entering may contact a member of the Senior class or call 867-2871 or 867-2601.

Special entertainment will be provided by Letha Springer and the Singing Sweethearts of Hedley.

Admission will be \$1.00 for adults and \$.50 for students.

Rites For R. H. Shackelford Held Tues., Feb. 26

Services for Roland Horace Shackelford, who passed away at his residence on Feb. 26, were held at Travis Baptist Church at 2:00 p. m. Thurs., Feb. 28, 1974.

The Rev. Wilburn Coffman officiated and interment was in Fairview Cemetery. The graveside services were conducted by American Legion Simmons-Noel Post.

Mr. Shackelford was born Nov. 11, 1894 in Tyler, Texas. He was a retired Soil conservation employee. He was a resident of Memphis for 38 years.

Roland Horace Shackelford married Bessie Irene Jeffers on July 4, 1936 in Memphis.

He was a member of the Travis Baptist Church, and a Veteran of World War I. He was also a member of the American Legion Simmons Noel Post.

Pall Bearers were: J. P. Parker, J. O. Dixon, Cap Byars, Tubby Miller, Floyd Edwards, and Ralph Scott.

Survivors include his wife of the home; 3 daughters, Barbara Flourney and Helen Luecke of Houston, and Sandra Jefferies of Memphis; 6 grandchildren; 2 sisters, Mrs. Howard Graham of Temple, Okla., and Mrs. Pearl Talbert; 2 brothers, Thomas E. of Falcon, Nev., and Clyde of Bisbee, Ariz.

Band Boosters To Meet Mar. 4

The Memphis Band Booster Club will have a meeting on Monday evening, March 4, at 7:30 p.m. in the Cyclone Band Hall.

This is a very important meeting and all members are urged to attend.

Meredith Douthit Is Crowned Queen: Other Students Are Also Recognized

Miss Meredith Douthit was crowned annual Queen during ceremonies held at the high school on Monday evening. Miss Douthit was chosen for this honor by popular vote of the student body. She was escorted by Dale Coleman.

Miss Douthit's court was made up of a princess from each class including Miss Terri Salinas escorted by David Cofer, juniors; Miss Sandra Elem escorted by Matt Monzingo, sophomores and Miss Kim Wynn escorted by Mike Murphy, freshmen.

Other students, who had received honors were presented also. Mark Bradshaw served as master of ceremonies and introduced the various students.

Miss Karen Smith was presented as Miss MHS followed by Ronnie Browning who was named Mr. MHS. Susan Godfrey was chosen as "Most Beautiful" and Mark McQueen as "Most Handsome."

Class favorites were then presented and included seniors, Meredith Douthit, Mark McQueen, juniors, Debbie Combs and Ed Hutcherson; sophomores, Sydney Johnson and John Mark Richardson; and freshmen, Kim Wynn and Pedro Salinas.

Names to Who Who's this year were:

Seniors: Dale Colezan, Wayne Davis, Jay Campbell, Meredith Douthit and Susan Godfrey.

Juniors: Robbie Galloway, Debbie Combs, Sherri Davis and Sylvia Ortiz.

Sophomores: Martha Clark, Sara Fowler and Ricky Douthit.

The entertainment feature of the evening was several numbers by the Choir of the First Baptist Church under the direction of Geary Brodgen. Miss Janet McNally and Jimmy Melton and director rendered solo sections. The program was concluded with Wayne Davis taking the lead in a special number.

World Day of Prayer Will Be Held Friday

Sponsored by the Mizpah Guild of the First Presbyterian Church, "The World Day of Prayer" will be held Friday, March 1, at 2 p. m. in the First United Methodist Church.

The program this year has been prepared by the Christian Women of Japan. Approximately 167 other nations will be observing the annual two-day of prayer retreat, according to an announcement made here.

All denominations are cordially invited to meet with the Methodist and Presbyterian women to participate in this service and prayer that we may become "Buildings of Peace", Virginia Browder stated.

Raymond Martin Doing Nicely Following Surgery

Raymond Martin, who underwent heart surgery in St. Anthony's Hospital in Amarillo Wednesday morning was reported today to be doing nicely.

Mr. Martin, manager of Williams Oil Company, suffered a heart attack some weeks ago and the surgery was required to correct this condition.

Senior Bingo And Box Supper March 1, 7 p. m.

Bingo and a box supper will be sponsored by the Estelline Senior Class Friday, March 1, at 7:00 p. m. in the Estelline School Cafeteria.

Girls of all ages are urged to bring their supper in a box to be auctioned off to their admirers.

Bingo and prizes will follow the good food and fellowship. Everyone is cordially invited to this evening of fun.

Weed and Insect Control Meeting Is Tonight

According to Warren Mitchell, Hall County Extension Agent, they will be a meeting for Hall County cotton producers at the Community Center in Memphis on Thursday, February 28, at 7:30 P. M.

Dr. Robert Metzger, Area Agronomist - Cotton, Extension Research Center, Lubbock will speak on new methods of weed control in cotton. He will discuss chemicals for cotton weed control.

Emory Boring, Area Entomologist, Vernon will discuss "Insect Control in Cotton".

"The purpose of the meeting," Mitchell said, "is to assist cotton producers on weed control and insect control early enough that control practices can be used on this year's crop."

Lakeview School Board Calls For Trustee Election

The Lakeview School Board has called a Trustee Election to be held on Saturday, April 6, in the Lakeview Elementary School for the purpose of electing two trustees.

The terms of T. U. Hughes and Thollie Lindley are expiring.

Polls will open on that date at 8 a. m. and close at 7 p. m. Absentee balloting will begin 20 days before the date of the election at the office of the Superintendent, J. H. Jackson, Jr., with Supt. Jackson and Mrs. Lucile Berry, absentee voting officials.

Absentee voting hours are from 9 a. m. to 3 p. m.

BEN SMITH

RONNIE BROWNING

Four M.H.S. Cagers Named To All-Dist.

Two Memphis basketball players, Ben Smith and Ronie Browning, both seniors, were named to the first team All-District, and two others were named second team All-District, to their respective squads.

Juniors James Beck and Mickie Henderson were named to second team honors by District 2-A coaches.

Ben Smith was a unanimous choice for the All-District team. Also named were Dan Eisenhower, a senior from Claude, for the boys team, and the only girl receiving unanimous votes was McLean Junior Earl Haynes, a forward.

Other first team boys on the All-District team include Greg Orben, a senior of Claude, and Teet Lowrey a senior from McLean.

Sharing second team honors with Beck include: Alvin Ivory, senior from Valley, Billy Merrell, a senior from Claude, Danny Monroe, a junior from Clarendon and Randy Green, a junior from Lake.

First team girls' forwards besides Miss Haynes were Denna Lorance a senior from Claude and Patti McCalister, a senior from Wellington. Guards include Linda Martin, a senior from McLean, Mary Brunson, a senior from Valley, and De Ann Bagwell, a senior from Claude.

Second team forwards besides Miss Henderson, are Janna Turner, a sophomore from Valley, and Janice Verden, a junior from Wheeler. Second team guards are Teresa Ford, a junior from Wheeler, Mary Thomas, a senior from Wellington, and Jane Jones, a senior from Claude.

The Claude Mustangs won the district as they were defeated in Bi-District by Sanford-Fritch, and the Valley High Girl Patriots lost out in the State Class A tournament last week in a semi-final game to Grandview, the eventual state championship team. This is the same team which defeated the Girl Patriots for the state championship last year.

MICKIE HENDERSON

Soil Conservation Service Makes New Soil Survey of Memphis Park

Jim Ed Wines of Memphis, member of Commerce, Henry Ramsey of Soil Conservation Service and Jack Williams of Conservation Service examined soils and soils capabilities in Memphis City Park.

The Soil Conservation Service made a new soil survey of Memphis City Park.

This soil information was requested jointly by the City of Memphis and the Chamber of Commerce.

The purpose of the information

is to show which areas are best suitable and which are not for such improvements as improved vegetation, a pound, improved roads and streets, camping areas, picnic areas, and sewer disposal fields.

A formal plan of park improvement has been developed jointly with the Texas Parks and Wildlife recommendations.

Park improvement measures planned could be partially funded by the Bureau of Reclamation.

Jr. High Girls To Decide Dist. Title At Estelline Thurs.

The Dist. 2-A Junior High girls championship will be decided by a game between the Memphis 8th grade girls and the Valley Jr. High girls at 7:30 p.m. Thursday, March 7.

The game will be played in the Estelline High gym.

Memphis won the eastern round robin and Valley won the western portion.

Memphis To Host American Legion Convention On May 4-5

Memphis has been selected to host the 19th District American Legion and Auxiliary Convention on May 4 and 5.

W. J. Smith and J. R. Mitchell are Co-chairmen for the convention.

The American Legion Post here is sponsoring a fund raising drive by selling balloons at \$200 worth of balloons.

EDITORIAL Money Shortage!

To the average wage earner in this county, anyone bringing up the subject of money shortage would bring either tears or laughter in the day of inflation and rapidly increasing prices, but apparently money is getting in shorter and shorter supply throughout every phase of the U. S. Economy.

U. S. Senator Lloyd Bentsen of Texas predicts, "If action is not taken to prevent it, our country will face a money shortage as severe as the energy shortage within four or five years. As much as energy, capital forms the foundation of our economic system. Without money, industry and business can't operate, expand or grow."

The Senator points to these signs. Stock prices are lower today than in 1968, although most other economic statistics are at all-time peaks. The number of individual stockholders, after growing steadily for many years, is declining alarmingly.

For some time, individuals have been selling more stocks than they have been buying. And new issues of equity stock have become very difficult to sell. MacDonald's hamburger chain is doing well with the market value of MacDonald's stock was about \$2.1 billion at the end of 1972 while the company's book value was \$200 million. At the same time, though, the book value of U. S. Steel Corporation was about \$3.6 billion, but the market value of its stock was only \$2.2 billion. Something is wrong with our economy when the stock market is long on hamburgers and short on steel. There is a serious economic distortion when we can raise money to raise hamburger stands but not to raise steel plants. Senator Bentsen states.

After defining the problem, Senator Bentsen goes on to say as Chairman of the Senate Subcommittee on Financial Markets, he has been concerned about the situation and studying possible legislation to stem the tide of these dangerous trends.

As more and more hits this nation, it is obvious why fewer and fewer people will be able to invest in the stock markets. Secondly, a situation up last year when cattle prices skyrocketed. It took almost a double investment to pay for a cow for calving operation than it had been costing, so lending institutions had greater investments tied up. Farm machinery is costing more and more each year. Multiply this trend all over the Nation.

The increases of gasoline, food prices and others will be cutting into investment dollars as well as purchasing power in all phases of the economy. Middle class American, long the backbone of this nation's financial stability, finds itself hard pressed just to survive.

Whenever inflation rates roll along at 15 percent per year, few investors can find anything to invest in which might give them all annual profit of 15 percent on their investment.

Americans, obviously are going to have to accept a lower standard of living. Economic necessity will bring about curtailment of travel as gasoline prices continue to soar, especially if the government chooses to add a 30-cent per gallon additional tax instead of rationing gasoline, the two proposals being considered in Washington today. Wage earners fortunate enough to receive raises realize that inflation has eaten away any advancement the raise might have brought.

Money, itself, is not short, it is just not as valuable as it once was. It is little comfort to read that countries throughout the world (with a few exceptions) are caught in the same spiral.

When the quality of your grass goes down,
UP YOUR PROTEIN
with our special

T-E Liquid Feed Supplement 32

The nutritional value of grass varies from time to time and from place to place. That's why T-E has developed a complete line of liquid feed supplements to meet all the conditions faced by cattlemen.

T-E Liquid Feed Supplement 32 is the one to use when the grass is dry or poor. It delivers protein, phosphorus, vitamins, trace minerals. And it delivers the energy to make them get out and rustle for what grass there is.

Right To Work

Right now there is a dispute in Austin over whether or not to insert a "right-to-work" clause in the proposed new constitution.

The dispute is between union leaders who want it left out, and others who want to put it in.

The right-to-work provision would prevent anyone from having to join a labor union, pay money, to, or perform services for a labor union in order to get a job in Texas.

The state has no such provision in the present constitution. However, Texas is one of the states with a right-to-work law which has been under attack in every session of the legislature for many years.

It would appear that it would be a simple matter to get support for the right-to-work provision in the constitution. But the labor unions point out that it was through their efforts that the pay scale has risen and working conditions improved, and that a right-to-work law merely allows workers outside a union to take a free ride and enjoy the benefits secured by union efforts.

The West Texas Chamber of Commerce is the latest organization to call for a right-to-work provision in the constitution. Frank Juncell of San Angelo, chairman of the WTCC state affairs committee, says that during the past decade the 19 right-to-work states created 59.8 per cent of the nation's new manufacturing jobs even though these states contain less than 30 per cent of the nation's total population. He says that Texas recorded a gain of 225,700 jobs in the decade, best among the 19 right-to-work states.

The right-to-work law we have upholds the right of unions to organize and also provides for collective bargaining as well as prohibiting the firing of employees who refuse to join labor unions.

It would appear that labor unions are doing very well under this type law and don't really need legal compulsion to increase their membership and dues income.

—The Perryton Herald

Repeal It Now!

Congress has enacted stupid laws before... lots of them... but few have ever had as immediate an impact on as many people with as much inconvenience as has the year-round Daylight Saving Time law.

It was rushed through the Congress in the first flush of panic over the energy crisis, and from this standpoint alone it was a bit of colossal stupidity... saving

working hours will again be beginning in daylight... and with the immediate cause of complaints removed, the complaints will be stilled, and our Congressmen, basking in the quiet spring sunlight, will be lulled into their customary inaction.

But the problem will still be with us next November, unless we get action now, and it will take a few more dark awakenings, a few more near-misses, and perhaps a few more school children who are not nearly-missed in the pre-dawn darkness, to stir the cry for common sense once more.

DON'T THINK CONSERVATION DO IT!

Sometimes we tend to feel that "the other guy" should be more careful about wasting energy. But if we're going to make energy conservation work, all of us...large and small energy consumers alike... will have to keep working at it.

We usually stress all the ways that folks living in homes and apartments can save energy. But what about office buildings and industrial plants? Can't they help too?

Sure. And we'd like to suggest some simple steps for reducing energy consumption for businesses and industrial complexes. These suggestions are based on Lone Star's own efforts to reduce energy use by 11% in our own company.

Inside Buildings

1. Alter air temperatures to 68 when heating, and 77 when cooling.
2. Reduce elevator services between the non-peak hours of 9-11:30 a.m. and 2-4 p.m.
3. Reduce light levels in all areas below present levels.
4. Turn off floor lighting completely at 7 p.m., except for cleaning times.
5. When leaving, employees should close blinds and drapes and turn off lights.

Operation of Vehicles

1. Encourage employees to observe the state's maximum speed limit of 55 mph on both personal and company vehicles.
2. Establish employee car pools.
3. Print guidelines to distribute to employees who operate company-owned vehicles or machinery for proper use and care.

Industrial Complexes

Examine warehouses, plants and maintenance shops to find wasteful energy problems. This includes keeping doors closed when there is no traffic, and avoid overheating large plant areas from heating units located near large exits.

We can all contribute! With your help we can make an even larger contribution to America's energy conservation program in the next four months!

Lone Star Gas

Clean, efficient energy for years to come.

A Life of Purpose

"The Lord will fulfill his purpose for me; thy steadfast love, O Lord, endures forever. Do not forsake the work of thy hands."
-Psalms 138:8

What is it that makes life worthwhile? It isn't money or worldly possessions, although they may be comforting. It isn't fame, even though it must be earned through some noteworthy achievement.

Life becomes purposeful when one works at something, or works for something. There is a great profit in any manner of work. Not just money. Something of a different value. It matters not what one chooses to do; it has meaning if it is done well and with a willing hand.

Don't just sit by the side of the road. Do something, small or great, with a purpose and a will.

Your life will be enriched.

Legal Notice

"LEGAL NOTICE"
NOTICE AFFORDING OP-
PORTUNITY FOR PUBLIC
HEARING

CORRIDOR (LOCATION) AND
DESIGN (COMBINED HEAR-
ING)

The Texas Highway Department is planning the improvement of State Highway 256, extending from U. S. Highway 287 in Memphis, to the Childress County Line. The proposed roadway improvement will pass through a portion of the City of Memphis, in Hall County.

The proposed improvement within the City of Memphis consists of widening, reconditioning, and resurfacing the existing roadway to provide a 64-foot face-to-face curb and gutter municipal section on the existing right of way.

From the East City Limit of Memphis to the Childress County Line, the proposed construction consists of widening, reconditioning, and resurfacing the existing roadway to provide two 13-foot travel lanes, with 9-foot paved shoulders, and climbing lanes as required to meet current safety standards. The right of way required on this project varies from a minimum of 120 feet to a maximum of 225 feet; however, there will be no displace-

ments or relocations involved.

Maps and other drawings showing the proposed location and geometric design, environmental studies, and any other information about the proposed projects are on file and available for inspection and copying at the office of Arville Coyle, Supv. Resident Engineer, Childress, Texas, Also, drawings showing the proposed geometric design have been placed on file in the office of the Mayor of the City of Memphis, and the office of the County Judge of Hall County.

Information about the State's Relocation Assistance Program, the benefits and services for displacees and the relocation assistance office, as well as information about the tentative schedules for acquisition of right of way and construction, can be obtained at the Texas Highway Department District Office, P. O. Box 909, Childress, Texas, 79201.

Any interested citizen may request that a public hearing be held covering the social, economic, and environmental effects of the proposed location and design for these highway projects by delivering a written request to the Resident Engineer's office, or to Mr. Lewis H. White, District Engineer of Childress, Texas, on or before March 22nd, 1974.

In the event such a request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing.

THANKS

To these individuals, firms and organizations for their financial help toward our goal of being the best equipped, the best trained and most efficient Fire Department anywhere.

Your Contributions - together with our funds - will enable us to pay cash for our New rural fire truck and . . . will help us continue our program of purchasing more new and better equipment so we can provide better fire protection for Memphis and the surrounding rural areas.

THANKS for your Continued Support.

Sincerely

MEMPHIS FIRE DEPT.

P. S. We sincerely appreciate the publicity Given our project by the Memphis Democrat and by KBGH Radio.

Wells named 'Outstanding Alumnus' 1973 At Abilene Christian College

(Poly) Wells superintended the Abilene Independent District since 1951. Named "Outstanding Alumnus of the Year" for 1973 at Christian College, Kenny ACC Student's Assn. made the announcement who is married to the Beta Guest of Memphis, in-law too Mrs. Gip and Myrtle Howard of Wells was honored with a Sunday evening, Feb. 19, at the McGlocklin Campus and a luncheon and program on Monday. Mrs. McMurry, Mrs. Mr. and Mrs. Bob and Sandy and Greg of were in Abilene for the award is selected by the Board of ACC's Alumni and is presented annually to the student who has

made a significant contribution through the years, particularly in his or her chosen field, according to Marshal Kellar, ACC Alumni Assn. president. "A. E. Wells has had a truly distinguished career as a schoolman," said Dr. John C. Stevens, ACC president, "and in a wide variety of community endeavors. We are proud of him as an Alumnus of Abilene Christian College." "It is with a real sense of personal pleasure that the Alumni Board has unanimously selected him for this significant honor of Outstanding Alumnus of the Year. We think just as highly of his wife, Zieta, also an ACC student." A native of Springtown, Wells is a 1927 graduate of Fort Worth Polytechnic High School. He received the bachelor's degree from ACC in 1931 and the master's degree from Colorado State College of Education in Greeley, Colo., in 1936. He completed ad-

Thompson Bros. Co.

vanced work toward a doctorate at the University of Texas. He was president of the ACC student body in 1931 and was the charter president of Trojans men's social club. His professional experience include a teacher, coach and principal for Albany (1931-32); elementary school principal for Gladewater (1933-40); superintendent of schools for Union Grove (1940-42); director of elementary schools at San Angelo (1942-45); and superintendent of school for Sonora (1945-50). Wells, 64, moved to Abilene in 1950 when he became director of curriculum and instruction for the Abilene Independent School District. He assumed his current position in 1951. He will retire from his Abilene post on July 1. His present professional offices include chairman of the Texas State Teachers Assn. Finance Committee and chairman of the Joint Committee for Region 14 of the Education Service Center. He is a past president and member of the board of directors of the Abilene Downtown Lions Club. He is a past president of Gladewater Junior Chamber of Commerce and a former member of the board of directors of the Abilene Chamber of Commerce. His present responsibilities include being one of the song directors for the College Church of Christ, board of directors for the West Texas Rehabilitation Center, board of directors for the Abilene United Fund, vice president of the West Texas Fair Assn., board of directors of the American Red Cross and a member of the executive committee of the Boy Scouts of America. Mr. and Mrs. Wells live at 688 Westwood in Abilene.

Tips Given On Social Security

By Travis C. Briggs

Q. Did the 1972 social security amendments provide any changes to help the survivors of a disabled person who died before filing an application for disability benefits?

A. The 1972 amendments modified the application required for disability benefits to provide that an effective application may be filed within 3 months following the month of death.

Q. My husband had worked under covered social security for 30 years. He became ill and had to quit work on October 15, 1972. He died in August 1973, at age 55, never having filed for disability benefits. Would there be any disability benefits due after his death?

A. Possibly, but you must have filed an application within 3 months after the month of your husband's death. A 5-month waiting period is required for benefits effective January 1973 on. Assuming a period of disability was established beginning 10-15-72, disability benefits would be payable on his record for April 1973 through July 1973.

Q. If I enroll for Part B during a general enrollment period, would it take effect immediately?

A. No. It would not take effect until July 1, of the year in which you enroll.

Q. How much will I have to pay for Part B?

A. You will pay the same premium as enrollees who are 65 and older. At the present time, this monthly premium is \$6.50 for those who enroll at their first opportunity. Enrollment during the later periods means an increase in the premium amount.

A-I Course For Beef Cattle To Be Held Here

Fourteen people were present at the meeting Thursday, February 21, in the Bronze Room of the First National Bank to plan an A-I Course for Beef Cattle. The course has been set for March 21, 22 and 23. Any further information about the course may be obtained from the Hall County Extension Agent, Warren Mitchell.

Present for the meeting were: T. H. Seay, Estelline; Ronald Morris, Memphis; Neal Hughs, Memphis; Danny Clark, Lakeview; Clee Parr, Memphis; Jim Goldston, Memphis; Paul Contreras, Memphis; Jeff Morris, Estelline; Monty Bradley, Memphis; E. J. Browning, Turkey; Darrel Cruse, Flomot; Jim Burson, Silverton; and Warren Mitchell, Hall County Extension Agent.

Mr. Bobby Robinson, District manager of Curtis Breeding Service, was present at the meeting to discuss details of the shortcourse.

Afraid You're Going Deaf?

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid ever made will be given absolutely free to anyone requesting it.

This is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit. No wires lead from body to head.

These models are free, so write for yours now. Thousands have already been mailed, so write today to Dept. 9385 Beltone Electronics Corp., 4201 W. Victoria St., Chicago, Ill., 60646.

Parnell Club Meets In Regular Session Wednesday

The Parnell Club met Wednesday, Feb. 20, in regular session. Billie Potts called the club to order after which the group repeated the Lord's prayer in unison. Roll call was answered with "Why I Love My Community."

A business session was held and the group reported 7 visits to the sick.

Darlene Morris and Nelda Ferrel served refreshments to the following members: Clara Cowan, Cordye Hood, Bessie Lathram, Billie Potts, Celeste Ward, Roxie Orcutt and Earlene Trapp.

"Let's Talk Memphis"

Easter Seal Appeal Will Open on March 1

The 1974 Easter Seal Appeal will open in Hall County on Friday, March 1, according to Ben Parks, who serves as Easter Seal Representative for the County.

Parks said that Easter Seal Appeal letters would begin arriving at homes in the county about March 1.

As Easter Seal Representative, Parks is the person to contact to request services from the Easter Seal Society for Crippled Children and Adults of Texas. These services include physical and occupational therapy. Speech and hearing programs and special in-

formation services to help solve the many problems faced by the families of handicapped children and adults.

Last year 20,570 handicapped people received help from the Texas Easter Seal Society. With the costs of providing expert professional care rising, more money than ever will be needed.

Funds help support 18 centers in Texas, where services are provided to those crippled children and adults who cannot provide for themselves and who do not qualify for help from any other source.

"The people of Texas have always responded generously to helping the handicapped, and I feel certain they will make it possible to increase Easter Seal services to crippled Texans throughout the coming year," Parks said.

Conservation Work Is Being Done In Hall Co.

According to Mack Richards, Chairman of the Hall-Childress Soil Conservation District, there is a lot of conservation work being done in Hall County. The fuel shortage and the reduced number of SCS personnel in the Memphis Field Office of the SCS has limited operations some. Richards stated that he did not have any assurance that the vacant SCS position, which was vacated when Lee McDonald moved to Mt. Pleasant, would be filled.

Royce Frisbie has been temporarily detailed to do vegetation inspection on Site 4 of the Lake-

view Watershed and will not be assisting Hall County farmers in planning and applying conservation measures for the next two months.

Richards stated that Andy Gardenhire had just finished a diversion terrace and some parallel terraces by using the Great Plains Conservation Program. Ed Foxhall is presently constructing parallel terraces and a grassed waterway.

Mrs. Bobby Mack Richards arrived here Tuesday of last week from Germany to visit with her parents, Mr. and Mrs. Jim Richards and parents-in-law, Mr. and Mrs. Mack Richards. Her husband is stationed in Germany with the U. S. Army and is now on maneuvers. He has been in Germany for the past 14 months.

B. B. Shots

By BYRON BALDWIN

University of Texas, branch at Arlington. She is well qualified for this position and after looking at her picture I could see another reason for her making a good policewoman as I can't think anyone would give her any back talk when she arrested them and said "Come With Me," but anyway she carried her side arm just in case someone gets out of

order.

The past week we received a letter from Nolan Baker of Fort Worth dated 2-21-74. He stated, "I am leaving this afternoon at 4 p. m. to go to Rio De Janerio on a masonic tour. I have been planning to go the past two years. There are 125 from Fort Worth going. We will return March 1." With a PS on this letter he said "I will eat a good steak and think of you. We were glad to get this word from one of our Hall County boys. Hope they have a safe trip and not run out of energy."

We received a letter last week from Vera (Marks) Stuart of 602 North 10th, Lamar, Colo. 81052. Vera will be remembered as the daughter of the late Mr. and Mrs. H. B. Marks and sister of Mrs. Harold Hodges, where she and Harold recently visited. They presented Vera with one of Elsie Guthrie's recent publication "The Lucky Moores," and she was very grateful for the book. Vera named her daughter for Suelyn Guthrie and Anita Meacham which is Anita Lyn. From the tone of Vera's letter, she is still a lover of Hall County and its people, and she gives a special invitation to anyone of the Hall County people in her neighborhood of Lamar to call or come by to see her. She is not too well as she had surgery about three weeks ago. There are two publications that she recommended everyone to read. One is Mrs. Guthrie's book and the other is the Memphis Democrat. Says she reads every word of this publication including the want ads.

It is good to know that our former residents have love in their hearts for Hall County people, as good people and good cotton crops is what makes things better here.

Hubert Dennis was surprised one night last week when he had a long distance telephone call from Graham Kyle of San Marcos, who is now a retired colonel from the U. S. Air Force. Graham was on the Rockdale high school football team in the years of 1933-34 and 35. This was Hubert's first job of teaching and coaching after graduating from T. C. U. After 40 years, this football player contacted his coach to tell him how much he helped him lay a foundation in life. Hubert told me that he and his wife landed in Rockdale that first year without a dime, but he was soon in high cotton for the lively thirties, as he was started off on a salary of \$140.00 per month for 9 months, and was able to pay some on a note that first year. Teachers and coaches have a lot of responsibility in helping mold the operators of this world tomorrow.

Today's Best Laugh: I am at the age now (notes Rodney Dangerfield) where all the phone numbers in my little black book are of doctors.

Mr. and Mrs. Doyle Fowler had as their guests in Heritage Hall Troop 163 Junior Girl Scouts. Mrs. Fowler is the den mother of this group. This group of girl-scouts presented their trophy to Mr. Hubert Dennis for Hall Co. Heritage Hall. They won this trophy in the Hall County Parade in 1972. This was engraved as follows: "First Place" for "Most Spirited Division, Brownie No. 163" the Hall County Parade of 1972. There are 15 enrolled in this group. The following names are the ones who visited Heritage Hall: Rhonda Gable, Karen Davis, Debra Davis, Stacey Lemons, Kim Johnson, Denise Maddox, Karen Callahan, Barbara Todd, Kelli Liner, Patty Cruze and Mary Alice Beasley.

This group of Girl Scouts were very orderly and enjoyed seeing the school pictures of their parents and grandparents.

There was some old-fashioned wind last week. On the streets it makes lots of hat and skirt grabbing.

Thanks to Vera Dickey and Lewellen Stout for their contributions and support of Hall County Heritage Hall.

Mrs. Alvin Ward had as guests in Hall County Heritage Hall her daughter, Derlene and grandson Richard. Derlene graduated from Estelling High School in 1967. She married Jitter Graham of Estelina and they are now living in Ashtola. Mrs. Arvin Orr and Clois had as their guests in Heritage Hall the past week Donny Givertura of Altoona, Pa., and Ted Sydura of Bever Dale, Pa. Sonny is in the shoe business in Altoona. He reported that the town had a population of 100 thousand and people, which dropped to 75 thousand after so many passenger trains quit running as Altoona is a railroad town; however, he did say that with the energy crises, trains were being reactivated and employment had been running high since January 1, 1974. After serving one year in Vietnam he is now attending the University of Pittsburg which he was attending before going to Vietnam.

Last Saturday, Feb. 23, Chas. Williams celebrated another birthday. I would not dare tell how old he was, but he did say that he was 4 months older than Hall County. He told me that he thought Melton Orr was the only one of his boy friends left that he played ball and marbles east of the depot.

J. M. Ferrel has joined the "Honey Do" Club. He claims he is having double duty on these "Honey Do" jobs as Minnie has not retired and he says you would be surprised at how many of these jobs she could find for him to do. Another surprise would be how few he does.

I visited the Dairy Queen a few days as good cowmilkers. I did not see any cows around the place, but there were several Queens in this place, but the knuckles on their hands were not enlarged enough for good cowmilkers. They must use electric milkers and just push a button like on dishwashers and laundry machines.

I had a visit the past week with Mrs. Bobby Mack Richards from Germany. She will be remembered as Susanne Davis, daughter of Mr. and Mrs. Jimmy Davis. She

and Bobby have been living in Germany since last June, where Bobby has been stationed. He is the son of Mr. and Mrs. Mack Richards and he is expected home in March. It was only about 6 hours flying time after you get on the plane. I think she missed out on one or two flights as I heard her mother getting upset when she tried three places one morning to get gasoline and there was no gas when she was trying to meet Susanne in Amarillo.

While visiting with Lena Belle (Sloan) Martin a few days ago, I had memories of the days in 1912 when she and I started on our stage acting career in the Anwood Opera House. At that time, I had thought we were on our way to Hollywood. She has lived in Denver for a number of years. I am still here along with Bernice (Wrenn) Coursey, and Vera (Craft) Heard, the actress in the play Pygmalion Galatea, who has lived in Clarendon many years. Others that were in this play, but are now deceased were Jack Randal, Hubert Thompson, Holman Kennedy and Roy Thompson.

Mr. and Mrs. H. H. Lindsey visited with their daughter, Mrs. Betty McBee in Lubbock over the weekend

Mr. and Mrs. Robert Moss accompanied Robert Mack Moss of Muleshoe to Dallas over the weekend for a visit with Mr. and Mrs. Jerry A. Moss.
