Cyclone To Have Open Date Fri.

Memphis Cyclone opens season on an open date tonight with many local teams to go to Clarendon. Bronchos play the Childrens. Childress is next opponent in a game to be played in Cyclone on Friday night. Memphis Junior Varsity Clarendon JV's tonight in a game to begin at 7:30 p.m. The Memphis JV's will play the Clarendon JV's in a scrimmage. Fans are urged to come tonight to support the local team.

"Offensively, we're not sharp in the realm of technique. Most of our time in practice sessions on offense is devoted to technique polishing. We have room for improvement," the coach said. The team's kicking game will have Isaac Narvaez doing the place kicking and either James Beck or J. D. Evans punting the football. Gary McKay was the coaches' choice for the big kick award and Ricky Spruill, Duck Richards and Don Davis were cited for their defensive play. Fred Alexander was cited for showing tremendous improvement at defensive end.

Memphis Young Homemakers To Meet September 9

The Memphis Young Homemakers will have their first meeting of the year on Monday, Sept. 9, according to an announcement this week. A brief business meeting will be held at 7:30 p. m. in the Homemaking Department and at 8 o'clock, an enlightening program on the drug problem will be presented in the Visual Aids Room of Memphis High School. Serving on a panel discussion for this program will be special guests, Elmer Neel, Rev. C. H. Murphy, Dr. H. R. Stevenson and Tommy Speed.

Workshop On Mental Health-Retardation To Be Held Here Thursday Night

All civic leaders, parents, and teachers interested in mental health and mental retardation are invited to be present at this important meeting. Mr. Walker and his testing team will be in the office of the Hall County School Superintendent on Friday, Sept. 6, from 8 a. m. to 5 p. m. to test children. This office is located in the west wing, basement of Hall County Courthouse.

Cost-Share Is Now Available Through Hall-Childress Co. SWCD

(1) available soil and water and plant resources, and (2) the problem and needs of the farmer or the rancher. COST-SHARE is available up to 80 per cent on some conservation practices. Cost-shared practices include mechanical and structural measures needed for conservation. These are used in conjunction with needed management practices to achieve the goal in preserving our natural resources. Gregory said that priority of assistance under the program is made according to wind & water erosion. The local office of the Soil Conservation Service working through the Hal-Childress SWCD will take any landuser's application for assistance in the program.

Project Let For Highway Work Near Lakeview

Highway construction contracts let in August by the Texas Highway Commission include a project near Lakeview. The work, supervised by District Engineer Lewis H. White, will be in Hall County. A contract was awarded to High Plains Pavers, Inc. of Plainview. Low bid was \$210,558.86. The project, which will require an estimated 120 working days, will be under Highway Department Engineer E. H. Monroe of Clarendon. The contract is for grading, structures, base and surfacing on Farm to Market Road 657 from FM Road 1041 northward to State Highway 256, 2.6 miles west of Lakeview, a distance of 5.1 miles.

Several Indicted By Hall Co. Grand Jury Here Tuesday

The September session of the Hall County Grand Jury met Tuesday and handed down several indictments. Danny Charles Crawford was indicted for theft of El Somborro Cafe. William Bullock was indicted on the charge of theft of Memphis Lumber Co. Rusty Fowler was indicted for theft of Memphis Lumber Co. Two separate indictments were handed down on Ruben Torres for thefts of Ferrel's and Pory Bros. Milard Eugene Childress was indicted for obtaining without consent a 1974 Ford pickup from Mullins Ford Company of Turkey. Carl Wood, Jr., John Binkley and Tommy Lockhart were indicted on a charge of intentionally and knowingly tampering with the tangible property of the County of Hall and City of Memphis, to wit: a radio Police communication tower, and cause pecuniary loss in an amount more than \$200 but less than \$10,000.

Accidents in Hall County Cost \$2,018,000

How does Hall County's safety record compare with that of other communities? What are a local resident's chances of being involved in an accident of some sort on the highway, at home or at work—during the course of a year? Are they as great or greater than elsewhere? The local accident record is reflected, along with those of other localities, in data assembled by the U. S. Public Health Service. It finds that in Hall County, based upon the last three annual reports, the average number of fatal accidents was 8 per year. Automobiles were the cause of 5 of them. Included in the figures were accidents of all sorts in which local people were involved, wherever they may have taken place. However, area accidents affecting non-residents were not included.

Ranchers May Be Short Of Winter Grazing

William Reeder, Range Conservationist with the Soil Conservation Service, says that due to the shortage of rain in the Hall County area a lot of ranchers might find themselves with a shortage of dry grass for winter grazing. If the drought continues, some ranchers will be faced with reducing their herd, moving to irrigated pasture, or buying expensive hay. Reeder stated that the conservation rancher that follows a conservation plan developed through the Hall-Childress Soil and Water Conservation District should not be faced with such a bleak outlook. A rancher who properly stocks his ranch, gives regular

Billy G. Yates Rites Here Sat.; Burial At Hedley

Funeral services for Billy Gene Yates, 50, of Prescott, Ariz., were held Saturday, Aug. 31, at 8:00 p. m. in the Spicer Funeral Home Chapel. The Rev. J. J. Terry, pastor of the Hedley Baptist Church, officiated. Burial was in Rowe Cemetery at Hedley under the direction of Spicer Funeral Home. Mr. Yates died Monday, Aug. 26, at the VA Hospital in Prescott. He had been a resident of the city for the past 15 months. Billy Gene Yates was born May 26, 1924, at Mulberry. He was a retired security guard, a member of the Hedley Baptist Church, a veteran with the Army Air Force and a member of the American Legion. He is survived by one son, Billy Carroll Yates of Corpus Christi; one daughter, Diana Gail Gibson of Hutchinson, Kans.; three brothers, J. B. of Memphis, Donald of Wichita Falls and Virgil Lee of Albuquerque, N. M.; and three grandchildren. Pall bearers were Hobart Moffitt, Harold Moffitt, M. O. Weatherly, Forest Morton, Sammy Bradley and Charley Johnson.

Hedley Baptist Church To Hold Revival Services

Revival services will be held at the Hedley Baptist Church, beginning Sept. 9 and continuing through Sept. 15, J. J. Terry, pastor, has announced. Services will be held each morning, Monday through Friday, at 10:30 a. m. and evening services will be at 7:30 each evening. Dr. James Brandon of Clarendon will be the evangelist for the services. Jerry Seagins will be directing the song service. The public is cordially invited to attend all of the services, Rev. Terry said.

Legion Auxiliary To Have Bake Sale Friday, Sept. 13

The American Legion Auxiliary will hold a bake sale Friday, Sept. 13, at 9 a. m. in front of the drug stores, according to an announcement this week by Mrs. Hazel Hall. There will be a variety of home baked cakes and pies to choose from, she stated. Proceeds will be used for the Girl's State program of the Auxiliary. Those planning to attend the Hall County Picnic Sunday, Sept. 15, are reminded of this excellent opportunity to buy desserts to be taken to the park.

Ranchers May Be Short Of Winter Grazing

William Reeder, Range Conservationist with the Soil Conservation Service, says that due to the shortage of rain in the Hall County area a lot of ranchers might find themselves with a shortage of dry grass for winter grazing. If the drought continues, some ranchers will be faced with reducing their herd, moving to irrigated pasture, or buying expensive hay. Business Women's Club Completes Plans For Hall County Contest, Sept. 14

Plans are well underway for the Little Miss and Master Hall County contest to be held in the community center on Saturday, Sept. 14 at 7:30 p. m. The contest is being sponsored by the Memphis Business Women's Club. All Hall County pre-school boys and girls, age 3 to first grade are eligible to enter the contest. Deadline for submitting entries is Friday, Sept. 13, at 4:00 p. m. Tickets may be purchased from club members at the door that evening. Admission is \$1.00 for adults and 50 cents for children. Children who have already entered the pageant are: Blake Burleson, Craig Sperry, Tracie Black, Carol Ann Ward, Jami Scarbrough, Jim Spicer, Lauri Carroll, Andy Moffitt, Leigh Ann Cope, Adam Brain Cope, Cari Ann Hall, Sonya Thompson, Dee McElreath, Michelle Lowe, Alysia Howard, Jimmy Carroll Roden, Audrey Lemons, Danny Deaver, Trudy Pate. Also Roddy Spicer, Conrad Cooper, Jason Scarbrough, Monica Molloy, Madonna Blanks, Shelton Neel, Charla Monzingo, Beay Thurman, Karen Sue Foster, Cliff Bowen, Greg Parr, Stephanie Molloy, Leann Eller, Stacy Ellis, Lisa Fields, Bryan Rogers, Michelle Branigan, Chaud Ellis, Gregg McQueen, James Wade Pepper, Melissa Lowe, Darrell Cofer, Leslie Pepper, Mark Sweatt, Shelley Ferrel and Nikki Monzingo. Anyone wishing to enter the pageant is asked to contact Nell Messer at 259-2661 or Linda Branigan at 259-2618. Sponsors for the pageant are: Davis Irrigation, First National Bank, Memphis City Grocery, Carl's Grocery, Brown Auto Supply, Golden Spread Irrigation, Fowlers Rexall Drug, Greene Dry Goods, Bylow Food Store, De Ville Motel, Simpsons Clothing, Davis and Scott Thriftway, Town and Country Furniture, Donley County Water, Memphis Compress. Also Lockhart Pharmacy, Memphis Lumber Co., Bruce Bros Motel Service, Hall County Farm Bureau, Memphis Farmers Co-Op.

Parade

The two-day festivities will be kicked off with a parade downtown Saturday afternoon at 2:30 p. m. John McCauley, parade chairman, said the parade is shaping up and already a number of local floats as well as out of town entries have been made. As in the past, the parade will assemble at the Junior High School at 1:30 p. m. Saturday & will march down Main Street and circle the square. The parade is under the direction of the Simmons-Noel American Legion Post. Heading the parade will be the Memphis Cyclone Band, under the direction of Carol Blain. Also to be featured on Saturday will be two new events including a reunion for the classes of the Roaring Twenties, from 1920 to 1925. Invitations have been sent to members of these classes. The group will meet at the Community Room of the Housing project. Virginia Browder is serving as chairman of the reunion. Then on Saturday evening, the Business Women's Club is featuring the annual Miss and Master Contest of Hall County at the Community Center. This has proved to be a popular occasion with the younger set, age 3 to 6 years, vying for the crown of Miss and Master of Hall County. The contest is open to all children of the county in this age bracket. Immediately following the parade, the beard growing contest will be held on the courthouse lawn. Much interest is being manifested in the beard growing contest this year and many business men around town and other citizens are growing some type of beard for the occasion.

Correction

In the Aug 29 Farmers Union news story published in The Democrat, Farmers Union President Tom Tippett was misquoted as implying that Farmers Union organization was supporting Senator Jack Hightower's candidacy for United States Representative. The Farmers Union organization does not support candidates, although individuals within the organization can and often do take active part in political campaigns.

UNDERGRADUATE RESEARCHER—Terry Duane Wynn, Texas Tech University mathematics student from Memphis, participated in a summer research program at Texas Tech financed in part by the National Science Foundation under its undergraduate research. Wynn is pictured above in the Engineering Laboratory where he is discussing an HP2100 computer with Dr. John D. Reichert, professor of Electrical Engineering.

Cyclone Mothers Club To Hold Bake Sale Sat.

The Cyclone Mother's Club will hold a bake sale Saturday in front of Lockhart Pharmacy & Fowler Drug Store. A variety of home cooked foods including pies, cakes, cookies and brownies will be offered for sale. Members of the club suggested this would be a good opportunity to purchase food really good to taken to the Hall County Picnic on Sept. 5.

Planned For Cystic Fibrosis Chapter

to collect funds for the Cystic Fibrosis Foundation will be held in Memphis on Tuesday, Sept. 10, from 7:30 to 9:30 p. m. Mrs. Robert Clark, of the drive, has announced. The month of September is Cystic Fibrosis Awareness Month by President Ford. Cystic Fibrosis is a disease that clogs the lungs and the pancreas. It is the number one killer of children, Mrs. Clark said. There are millions of kids with lung damaging disease in America. They all need care, and the benefits research supported by the Cystic Fibrosis Foundation, Mrs. Clark said. When your local Cystic Fibrosis chapter knocks on your door, please give whatever you can. A lot of kids will breathe easier, she concluded.

EDITORIAL

President Ford's Inherited Problem

President Gerald Ford has accepted a massive challenge, attempting to straighten out a sick economy, plagued with high inflation, beset with this country's sixth postwar recession predicted to be the longest and most severe.

What the Ford administration can do about this remains to be seen, but first something should be said about what brought the United States economy into these dire straits.

When President Nixon took over the Presidency from the late President L. B. Johnson of Texas, the country was fairing pretty well as far as the economy was concerned. Interest rates pleased with market prices and the nation was concerned with the war in Southeast Asia.

Nixon's election victory was called a victory for conservative government and his major support came from industrial leaders and conservatives.

Nixon said all the right things, balancing the budget, fighting inflation, curbing government spending, making peace in Vietnam.

President Nixon's "war on inflation" proved to backfire on him, as high interest rates fanned the flames, rather than choke them. Government spending grew and grew and the federal budget never was balanced.

Then came the wage and price freeze and the smoke got so thick that no accurate check could be taken of inflation but the pressure cooker was steaming up. The Russian wheat deal and the oil shortage, coupled with the United States going off the gold standard and allowing the dollar to seek its own market value, have added their share to the flames of inflation.

Today, imported oil, about triple what it cost a year ago, is throwing the U. S. foreign trade far out of balance.

So now government leaders are looking at this situation: the stock market is setting a new record—the worst bear market in three decades; borrowing costs the highest in American history; unemployment is high and going higher; and wages and prices due to take a new rise.

The economic mess facing the nation today is becoming a major issue as day after day, Americans in all walks of life are being shocked by some of the sharpest price increases this country has ever experienced in peacetime. Worst of all, there seems to be no end in sight.

Raw materials, whether they be paper, metal, petroleum-based products, wood or repair materials, have doubled in some instances, and tripled in others, during the past nine months.

Many industries are dropping low-profit items and offering only medium or top line products.

Inflation is forcing a major change on Americans. The vast American middle-income group is quickly finding itself with no way to go but backward.

The economic policies of the Nixon Administration are bearing fruits. Does history repeat itself? Is a bust coming, or can business, industry, labor, banking and government leaders, work together to win this economic war.

What Other Editors Say

Bountiful World!

In a bountiful world which offers comfort and convenience at every turn of the hand, it is almost impossible to imagine one of the conveniences missing. For instance, suppose refrigeration had not been invented. Of course, freezing and cooling has many sources, including heat, but somewhere in history refrigeration was discovered. Try to imagine our modern world without it and the chaos that would be present, and the distress that would follow. It would be impossible to transport fish, meats, fruits and vegetables from the sources of production to the tables of customers. People would be starving in a land of plenty. The markets would be denied their convenient frozen packages. The cooling of homes, offices, great buildings and stores is within the memory of many of us. Most of us remember when ice alone was the coolant which made life bearable in the heat of summer. The automobile has come in for its share of cool comfort during blistering summer days. It has not been many years since an air-conditioned car was a novelty, available only to the wealthy. Looking into the past it seems that a divine providence brought many things to the world that it had to have.

—Matador Tribune

Douglas Meader Says

When I was a boy I used to spend my dime to see a motion picture and frequently the producing studio would be the one showing a lion with indigestion. The same symbol is shown on features on my television screen, but I am not certain if I am seeing the same pictures again. They have been improved with sound and color. One of the great improvements is the television button that you can push if boredom has come to you with a lack of truth, reality and ordinary decency.

admirable idea, but some of the methods that Big Brother has dictated approach the ridiculous.

It is a fact that 1975 automobiles will be heavier, slower, more troublesome and in the bargain, costlier than ever before. In effect, what Americans are doing is paying more and getting less car than they got 10 years ago. And the automobile industry is not alone in this regard.

Every time we turn around, someone is saying, "If the people want this or that, they are just going to have to pay more for it." The plain truth is that people are getting fed up with the whole inflationary process, product quality getting worse and worse and prices going up and up.

A case in point is the American automobile. Big Brother has dictated that automobiles must be clean burning and safe. This is an

General Telephone's extension extravaganza

... is the most extensive and extraordinary selection of fun and fashion styles for the second phone that, honestly, every home should have. Give your life more pleasure, more convenience, and more security... plus a wonderful decorator touch of the wild 'n crazy, the witty 'n clever, or solid and sophisticated. There's a General Telephone extension phone for every place and personality.

CHESTPHONE... a real man-type decorator phone for the living room, his special room, desk or table. Modern stylized instrument handsomely set in a black leather chest with walnut trim... in carved walnut... or even with a sardonyx stone hunting scene inset on the lid!

CANDLESTICK PHONE... the new-fashion old-fashioned phone styled right out of the roaring twenties in Black Bottom Black, Whiffenpoof White and Razzmatazz Red. Except that we did away with the separate big old bell box.

STYLELINE telephone puts the works right in the palm of your hand... handset, dial and recall button. Make call after call without setting down the phone. Comes in white, green, ivory, yellow, pink, beige, and avocado.

Memories

From
The Democrat Files

30 YEARS AGO September 14, 1944

Towns and cities all over the United States are making plans for VE-Day (Victory in Europe), and Memphis is following suit. The plan being adopted by most cities is as follows: If the surrender is announced before 12 noon all businesses will close for the remainder of that day. If it is made in the afternoon they will close for the balance of that day and all of the next day. If at night the firms will not open their doors the next day, and if on Sunday the businesses will be closed on Monday.

"See Here Private Hargrove" is showing at the Roxy Theater in Lakeview. It stars Robert Walker and Donna Reed.

A free variety show is being held this week with Dr. J. H. McDonnell, a variety of western pictures, good government news reels, and the entertainment of Happy Jack. Reserved seats are 15c, and the show starts at 8:30 p. m.

20 YEARS AGO September 9, 1954

County farmers were warned today to be on the lookout for leaf worms and careless worms by Co. Agent W. B. Hooser. He stated that a visit during the past three days to several Hall County farms where worms were beginning to damage cotton necessitated early action by each individual farmer.

Jimmy Hill was elected to serve as president of the Memphis High School Band in a meeting held Tuesday. Other officers include: Betty Lemons, vice president; Paula McCauley, secretary and treasurer and Cloyce Ray Orr, reporter.

The Chamber Corner

Jim Edd Wines

Welcome banners for the downtown store fronts should go up this weekend or by Monday. Again, we are encouraging all merchants to hang your banners during the whole week preceding our annual picnic this next Sunday. Banners should be placed or hung high above the sidewalk to prevent any type of vandalism which occurred at last year's banner displaying.

Entries for the Hall County Picnic parade are being accepted by Mrs. Lena Adcock and Mrs. John McCauley, parade officials. We still have several catalogues with parade supplies, ideas and designs available at the Chamber Office. Several clubs and merchants are building floats not only for the picnic but also for the Hedley Cotton Festival parade in early October and the Cotton Boll National Enduro parade to be held Saturday, Oct. 26 in Memphis.

First place plaques and ribbons of four separate places in each category of the Hall County Picnic Beard (growing) Contest are on public display at Branigan's Jewelry. The categories for the beard contest are: Best overall beard, full beard, partial beard, chin whiskers, mustache and the one who trier hardest. We will judge the beard after the parade on the courthouse lawn. Make plans now to be present for the judging immediately following the picnic parade which is scheduled at 2:30 p. m. on Saturday.

We encourage anyone with a beard or who thinks he has a beard to be in the contest. Contest judges this year will be announced next week.

Shaving permits are still selling and again the funds from the permit sales will be used for the purchase of the two metal highway signs on display in the First National and First State Banks. The sign will soon be placed on the north and south end of 287 on U. S. Highway 287 when the required supplies have been gathered.

Those buying permits to shave are: Rev. Owen McGarity of Clarendon, Picnic President Joe A Ballard, Bennie Parks of Dallas, O. R. (Doc) Saye, Mack Tarver, Don Davis, Eddie Gable, Bob Fowler, Bill Lockhart, and Jim Wakefield.

Guys who are in the race for one of the prizes in the beard contest are: Bill Crane, Bill Ballew, R. B. Spruill, Jerry Dugger Rayford Hutcherson, Billy Ed Thompson, Bill Combs, Warren Mitchell, Loran Denton, Danny Scarborough, Ed Hutcherson, Rod-

Jake Roberts Retires As Dist. 8 Engineer

Jake Roberts of Abilene, who is the son-in-law of Mrs. Ora Denny of Memphis, is retiring after spending 44 years, 21 years of which he was district engineer with District 8 of the Highway Department. Reared in Memphis, he is the son of the late Mr. and Mrs. Bob Roberts.

Roberts was honored with a luncheon in Abilene Civic Center Friday; a dinner on Thursday night by the road and bridge contractors and employees of the Highway Department from District 8 and elsewhere, including state headquarters at Austin.

During his career, Roberts has seen most of the remarkable transition in transportation and road building since Texans started lifting themselves out of the mud and dust as the motor age changed everyone's life-style and brought a revolution of commerce.

A salute to Roberts in the Abilene paper stated: "The cities and counties of District 8 have a fine network of freeways, highways and farm-to-market roads. We would have a creditable road system whoever had been the district engineer, but ours is even

star. The state of Texas, the second largest state in the United States with the geographical location of Memphis by the shooting star implies that Memphis, the county seat of Hall County is located in the Panhandle of Texas.

"This emblem compliments the slogan of Memphis, Hall County, Texas... 'Cotton Capital of the Panhandle'. Sincerely Jim Edd Wines, Manager."

We received a call from Leo L. Chalmers of Baton Rouge, La., who was interested in entering the Hall Co. Picnic beard growing contest. Leo is a truck driver and saw one of the wanted posters while passing through Memphis. Leo also commented on the friendly people at the 287 Restaurant and said that he got that first class 'Let's Talk Memphis' service.

Mutt and Jack Blanks of 287 Restaurant are stockholders and members of the Memphis Chamber. Our congratulations to them and the entire group at 287 for a job well done in 'Let's Talk Memphis' to their customers. The Chamber Board of Directors will meet this Monday, Sept. 9, at 12:00 noon in the Deville dining room. This will be the regular meeting of September and all members are invited to attend the luncheon. We will order from the menu.

better and was realized sooner because of the efforts and vision of Jake Roberts.

"Roberts had all the necessary virtues to make an outstanding district engineer; foresight to look ahead and make proper guesses; leadership qualities and a warmth of personality that developed good support with county judges, commissioners courts and the public all over his district; the common touch and personal

concern that forged bonds of loyalty and affection with his employees, and the abilities, good judgment and stature to command respect at the state headquarters.

"Jake Roberts has served not only well but superbly. His life and career have been well invested. His monuments are all around. In behalf of Abilene and the Big Country, we say 'Thanks, and well done'."

CARD OF THANKS

I want to take this means of thanking friends for the visits, cards and flowers while I was a patient in Hall County Hospital. I also want to thank Dr. Clark and the entire nursing staff for their care and concern. May God bless each of you.

GENERAL REVENUE SHARING

General Revenue Sharing provides federal funds directly to local and state governments. Your government must publish the report advising you how these funds have been used or obligated during the year from July 1, 1973, thru June 30, 1974. This is to inform you of your government's priorities and to encourage your participation in decisions on how future funds should be spent.

Memphis City Gro. WE GIVE BUCCANEER STAMPS DOUBLE STAMPS ON WEDNESDAY

mie Moss, Larry Jeffers Repeat Vows August 17

Wows were solemnized Saturday, Aug. 17, by the Rev. James Ann Moss and the Rev. Larry Jeffers, both of the First Baptist Church.

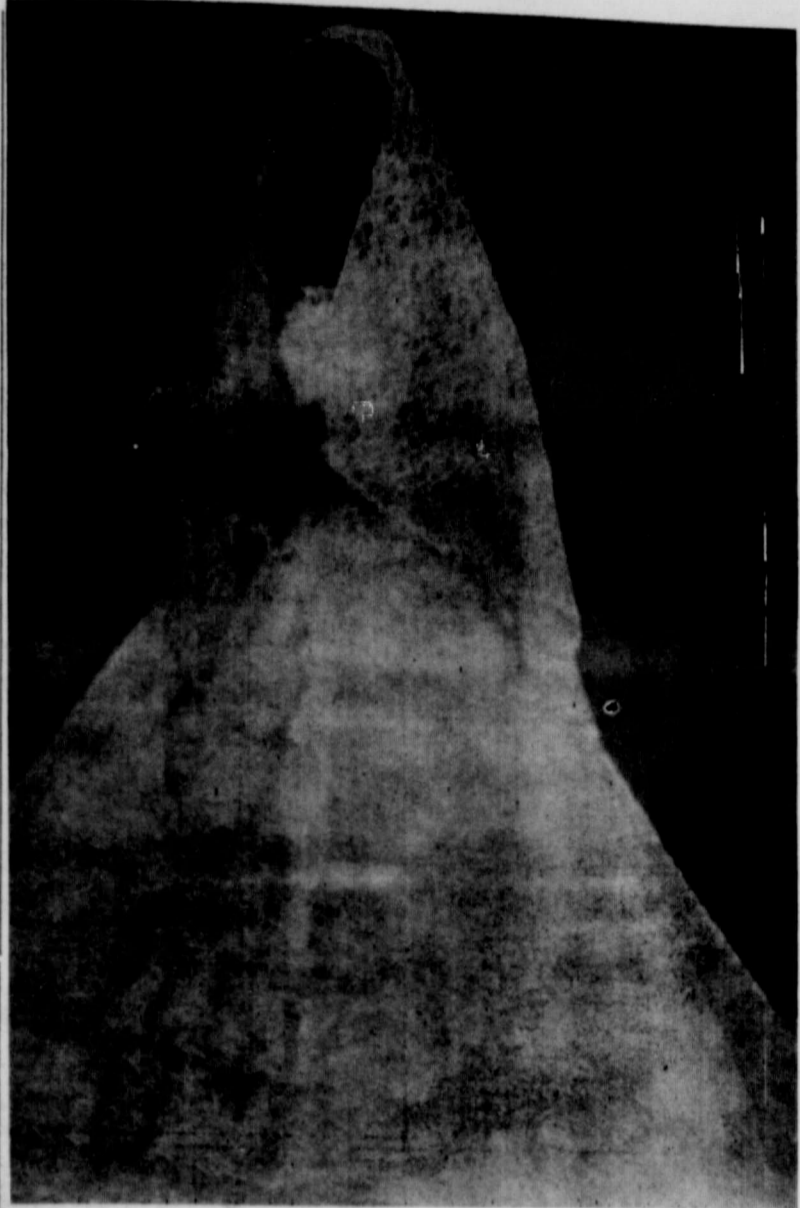

The bride is the daughter of Mrs. James Moss of Memphis. The groom is the son of Mr. and Mrs. James Joplin of Memphis.

The ceremony before an audience of 400 was presided over by four large pink gladiolas, high-arched spring flowers. The ceremony was covered with greenery and pink gladiolas. Six pew baskets were baskets of spring flowers. The spiral candelabras decorated with fresh match the archway.

The Bride
The bride, given in marriage by her father, wore a floor-length gown of mantilla lace over a fitted bodice, round skirt with scalloped lace, and a train that tapered to a point at the hands. Ruffles of the full skirt were finished with lace and fell from the waist. The train was carried out the traditional way which was long to her father. She wore a bracelet which was borrowed, a six pence ring from McNally, and some-thing was a garter from her sister, sister of the groom.

Attendants
The bridesmaids were Misses Mary Moore, sister of the groom, as matron of honor, and Misses Nally and Jana Davis, bridesmaids. They wore identical dresses of mint green and yellow dotted fabric with fitted bodices and high necks, weep yokes accented with double ruffles and sleeves. Wide ruffles of the bottom of the floor-length dresses. They wore matching brimmed hats with a veil and streamers of their material. Suzy Stargel, maid of honor, wore a dress of blue dotted fabric with a wide brimmed hat to match the bridesmaids.

The groom wore a white tuxedo with a white shirt and a white bow tie. He wore a white boutonniere and a white corsage. The bride wore a yellow cymbidium orchid and Mrs. Jeffers wore a white cymbidium orchid. Grandmothers of the bride and groom wore corsages of white carnations while the couple's great-grandmothers' corsages were miniature roses of white. The hostesses and the minister's wife wore corsages of spring flowers.

MRS. LARRY JEFFERS

Reception
Immediately following the wedding, a reception was held in the Fellowship Hall. The bride's table was covered with a white lace cloth and held a centerpiece of silver candelabra filled with spring flowers and flanked by four white tapers. Her cake was made with four bottom layers and three tiers and was decorated with fresh flowers to match the centerpiece.

Members of the house party were Miss Julie Fowler of Memphis and Mrs. Terry Burk of Estelline. Kalette Copeland of Anton, cousin of the bride, handed out the tulip-shaped rice bags.

For a traveling ensemble, the bride chose a blue knit three-piece western suit and a going-away corsage.

The bride is a freshman secretarial student at West Texas State University and a graduate of Memphis High School.

The groom is a junior student at West Texas State University, majoring in Physical Education & Science. He is also a graduate of Memphis High School.

The couple will make their home at Varsity Apartments, Apt. 24, 2707 6th Ave. in Canyon.

Prior to her wedding, the bride was honored with a miscellaneous shower on July 26, at the home of Mrs. Morris Davis, a kitchen gadget and recipe shower in the home of Mrs. M. E. McNally and a bridal luncheon given by Mrs. Robert Moss and Mrs. Ben Moss on the day of the wedding.

Mr. and Mrs. James R. Jeffers, parents of the bridegroom, were hosts for the rehearsal dinner at the Big O Restaurant on Friday, Aug. 16.

Rodney Clark, sister of the groom, of Plainview.

Music was provided by Mrs. Jerry Montgomery, organist, who played the traditional marches for the processional and recessional and also accompanied Geary Brogden of Memphis who sang "The Wedding Song" and "The Lord's Prayer". Mrs. Montgomery also accompanied Mrs. C. H. Murphy, Jr. of Memphis who sang "The Two Shall Become As One".

Mrs. Moss, the bride's mother, wore a two-piece dress of beige, while Mrs. Jeffers, mother of the groom, chose a dress of pink and sage.

Guests were registered by Mrs. Jerry Jeffers, brother of the groom of Memphis, served as best man and groomsmen were Rodney Clark, brother-in-law of the groom of Plainview, and Otis Ray Jones of Memphis. Matt Brogden of Memphis served as ring bearer.

Ushers were Larry Moore and Larry Simpson of Memphis, Glen Miller of Clarendon and Lawrence Kennon, Jr. of Amarillo.

Candlelighters were Mitch Stargel of Lubbock and Kurt Copeland of Anton, both cousins of the bride.

Ushers were Larry Moore and Larry Simpson of Memphis, Glen Miller of Clarendon and Lawrence Kennon, Jr. of Amarillo.

Travis Baptist WMU Meets Tues.
The W. M. U. of Travis Baptist Church met Tuesday, Sept. 3 at 9:30 a. m. in the Baptist Church. Mrs. Lynn B. Jones presided over the meeting. The meeting began by remembering the sick and unsaved in a lovely prayer lead by Mrs. L. G. Rasco, and following this the prayer calendar and Luke 23:26-34 were read by Mrs. J. I. Herndon. Mrs. C. H. Davidson, Mrs. Cap Byars, and Mrs. Wilburn Coffman remembered the missionaries in prayer.

Mrs. Jones gave the introduction to the program, "Stateside Chinese". "The Heritage of an Oriental Culture" was given by Mrs. Byars, while Mrs. Rasco discussed life in an American Chinatown and Mrs. Davidson spoke on "The Needs for Prayer Support". Mrs. Jones led in the closing prayer.

Attending were Mmes. Jones, Rasco, Herndon, Davidson, Byars and Coffman.

C. A.'s To Hold Bake Sale Sat.
C. A.'s of Memphis will have a bake sale Saturday morning 9 a. m. in front of Branigan Jewelry.

Those wishing to have customized baking done can call 259-3318 or 259-2673, before the bake sale starts.

CARD OF THANKS
Thanks to all who remembered me with your prayers, cards, letters, phone calls and gifts during my illness. It helped me to know so many of my friends remembered back in my home town. May God bless you.

Finis (Doc) and Mae Rasco

Memphis Democrat—Thurs., Sept. 5, 1974 Page 5

Mmes. Fowler, Martinez Visit Relatives in N. J.

Mrs. A. J. Fowler and daughter, Mrs. Sam Martinez of Lubbock, returned to Lubbock last week after spending two weeks with their children and grandchildren, Mr. and Mrs. Tommy Williamson and son, Todd, of Cedar Grove, N. J.

Th Williamsons met Mrs. Fowler and Mrs. Martinez in Omaha, Neb., and the group traveled by car the next three days to their home in New Jersey, seeing lots of beautiful country and scenic places along the way. They attended a soap opera play the night they spent in Akron, Ohio.

Mrs. Fowler stated that they were "on the go" most of the time, including going to New York City and several towns (additions to the city). They also visited several large shopping malls and saw America's largest and oldest manufacturers of crystal and glassware, as well as all kinds of beautiful china in Flemington, N. J.

Also, they visited several beautiful, old churches, the Empire State Building, crossed the Hudson River in a boat and saw the Statue of Liberty.

"The many homes we saw were very attractive, we visited Wash-

ington Irving's old fashioned three-story stone mansion, built in the early 1600's", she said. They enjoyed guided tours of the buildings and grounds which were all very historical and beautiful. Mrs. Fowler returned home last Wednesday after spending the night in Lubbock with Mr. and Martinez.

Katherine Hawthorne of Abilene and Douglas Barber of Wichita Falls visited recently week with their mother, Mrs. Estelle Barber.

I AM CLOSING MY "SEWING ROOM" EFFECTIVE SEPTEMBER 28, 1974.

I WANT TO THANK MY CUSTOMERS AND FRIENDS FOR THEIR PATRONAGE, PATIENCE AND COOPERATION OVER THE YEARS, AND ASK THAT THOSE WHO HAVE NOT BEEN CONTACTED TO PLEASE PICK UP THEIR MATERIALS OR GARMENTS BY ABOVE DATE.

OSHA Schedules Public Hearing In Okla., City on Farm Machine Safety

The U. S. Department of Labor will conduct hearings in Oklahoma City on Sept. 4, to receive public views on proposed rules designed to protect farm workers from farm machinery safety hazards. The meeting will be held at Skirvin Plaza Hotel, 2247 East Van Buren.

Assistant Secretary of Labor John H. Stender, who heads the Department's Occupational Safety and Health Administration (OSHA), said similar hearings, scheduled in response to numerous public comments on OSHA's proposed new rules issued last February 8, will be held in Washington, D. C.; Madison, Wis.; and Phoenix, Ariz.

He said the issues to be considered during the hearings include:

—Whether a farm machinery guarding standard will improve farm safety;

—Whether it would be necessary and feasible to retrofit existing machinery;

—Whether full guarding is necessary or point of operation guarding of power transmission components is adequate;

—Whether there are instances where a guard should not be required because of component location;

—Whether proposed requirements for power-take-off guarding are adequate or necessary;

—What method should be applied to prevent inadvertent turning on of electrical power;

—Whether standard railings on cotton gins provide adequate safety; and what would be a reasonable effective date for the

standard. Persons wishing to present oral statements should notify Julius Jimeno, U. S. Department of Labor, Occupational Safety and Health Administration, Room 200-MNWA, 1726 M St., NW, Washington, D. C. 20210, Phone (202) 961-2248/2487. A written request to appear must be filed & should include the name and affiliation of the person wishing to appear, location of the hearing, time required, a statement of the position to be taken and evidence to be presented. An original and four copies of all documents are required. No witness may appear at more than one hearing.

Aptitude Tests Are Available For County Students

Students at Hall County High Schools will have the opportunity to join over 1 million other students around the world in taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) as an important step in making college plans.

The tests will be given on Oct. 22, at the Clarendon Junior College and at Texas State Technical Institute in Amarillo.

The test, is designed to measure verbal and mathematical abilities that are important in doing college work. The PSAT/NMSQT is cosponsored by the College Board and the National Merit Scholarship Corporation. The Fee for the test will be \$2.50.

In addition to helping students find out more about themselves and their abilities, the PSAT/NMSQT can lead to other opportunities such as:

—entering the competition for scholarships administered by the National Merit Scholarship Corporation.

—participating in the College Board's Student Search Service (SSS) so they can get information from colleges that may be looking for students like them.

These are described in the PSAT/NMSQT STUDENT BULLETIN, available in the counseling office.

To help students get the most out of their participation, they will receive a booklet called ABOUT YOUR PSAT/NMSQT SCORES with score reports. It will show them where to find and how to use more detailed information about colleges and finan-

WIND EROSION—This field shows the effects of severe wind erosion due to drought and lack of winter cover. Emergency tillage methods could not be used due to dry weather. Cover crops of rye and winter could have prevented this.

PROTECTION—David Seitz, Soil Conservationist on the left with Jan Turner looking at a field of cotton that was inter-seeded at last cultivation with rye for winter cover and protection from wind erosion.

cial aid and how to plan for a college education. It will also explain how they can estimate their SAT scores.

When they get their scores, students can use the College Board's College Handbook to compare themselves with enrolled students at hundreds of colleges and universities and find out their chances of getting into—and succeeding at—the colleges of their choice.

Mr. and Mrs. L. F. Jones vacationed at Red River over the Labor Day weekend.

Among Memphians who were in Raton, N. M. Sunday to attend the races were Mr. and Mrs. Harold Smith and Karen and Matthew, Mr. and Mrs. Don Curi and Dan, Mr. and Mrs. Lester Campbell and Jay, Mr. and Mrs. John Shadid and Terri, Mrs. Hiram Crawford, Mrs. Carl Harrison, Duck Richards and J. D. Evans. The group drove to Amarillo and went from there by Bus.

Local Cars Cost Owner Annually About \$4,820,000

The uneasiness that Hall County residents felt last summer about going on automobile trips for their vacations has all but disappeared.

Their concern at that time was whether they would become stranded someplace for lack of gasoline. This year that concern has been supplemented by a new one—how expensive the trip will be.

Local families who are now traveling in various parts of the country are finding that prices have gone up all over.

That is borne out in a special report made by the American Automobile Association, which states that travel costs are some 10.6 percent higher than they were a year ago. The chief culprits are food and gasoline.

As a result, the new figures indicates, Hall County couples are now having to spend approximately \$57.50 a day, traveling modestly. That is about \$5.50 more than in 1973.

A two-week trip for two local people, at that rate, adds up to \$805. And that takes care of the necessities but does not the frills. Included in the \$57.50 daily budget is \$20 for food, another \$20 for overnight lodging, \$12.50 for oil and gas and \$5 for miscellaneous expenses.

That is based upon their covering 300 miles a day, on average, and getting 13 miles to the gallon of gas.

In addition to the cost of a va-

cation being greater, the annual expenses involved in ownership and operation of a car has mounted considerably, as Hall County residents are discovering.

For a standard-size car in the popular-price range, driven 10,000 miles a year, it is now \$1,662, or 16.6 cents per mile, according to the AAA.

Of this, \$1,092 is for fixed costs, such as depreciation, insurance and license fees.

The variable costs, for oil, gas, tires and maintenance amounts to 0570 for 10,000-mile operation, or 5.7 cents a mile. The cost is 25 cents a day additional

for cars with air conditioning. Applying this average to Hall County residents owning and operating the cars that are in use.

Mrs. Herschel Combs and Mr. and Mrs. Combs and Bret and Linda and Mrs. L. A. Dickey and Mrs. L. A. Dickey were in Austin, Texas, last weekend to attend the wedding of Miss Susan Welch and Mr. Caudle. Susan is the daughter of Mrs. Combs and the wife of Dr. and Mrs. A. J. Austin.

Pretty Garden Wedding Unites Susan Welch and Brian Caudle

A lovely garden wedding in Austin on Saturday evening, Aug. 24, united in marriage Miss Susan Lynette Welch and Brian Hall Caudle. Gerald Gafford, minister of the University Church of Christ, read the double ring ceremony.

The bride is the daughter of Dr. and Mrs. A. J. Welch of Austin and the granddaughter of Mrs. Herschel Combs and the late Mr. Combs of Memphis. The bridegroom's parents are Dr. and Mrs. Ben Caudle, also of Austin.

Music for the wedding was provided by members and ex-members of the Austin High School concert band, who played the traditional wedding march as the bride and her father walked down an aisle marked with blue and white satin bows.

Given in marriage by her father, the bride wore a floor-length gown fashioned of white embroidery with lace insets. The gown was styled with fitted bodice, square neckline and three-tiered skirt. The neckline, waist and tiers of the skirt were trimmed with embroidered lace inset with blue ribbons.

She carried a bridal bouquet of white flowers tied with blue ribbons and observed the traditional bridal custom of wearing "something old, something new, something borrowed and something blue."

Miss Janie Mouton of Austin was maid of honor and bridesmaids were Miss Debra Combs of Memphis, cousin of the bride, and Misses Carolyn and Diane Welch of Austin, sisters of the bride.

They wore identical floor-length frocks styled with blue bodices and floral print skirts. They carried bouquets of daisies, pink carnations and baby's breath.

Alan Caudle of Austin served as his brother's best man. Groomsmen were Fred Bibus and Robert Eckols, both of Austin.

Immediately following the wedding, a reception was held in the garden at the Caudle home.

A three-tiered wedding cake, punch and mints were served at the bride's table while chocolate cake, coffee, nuts and tarts were

MR. and MRS. BRIAN CAUDLE

served from the groom's table.

After spending a week's honeymoon at the family cabin in Gladewater, the newlyweds are now at home in Austin.

Graduates of Austin High School, both Mr. and Mrs. Caudle are students at the University of Texas. Mrs. Caudle is majoring in Engineering Science while Mr. Caudle is an Architectural engineering student.

Let's Talk Memphis!

Miss Brenda Durrett of Amarillo was a Memphis visitor on Wednesday. Miss Durrett has enrolled for the fall semester at West Texas State College and will be employed part time in the sports department of the Amarillo Globe News.

Rev. and Mrs. J. Wm. Mason of Plainview visited Friday afternoon with Mr. and Mrs. Lynn B. Jones.

Brice News

Payne Family Has Labor Day Weekend Reunion

The children, grandchildren and in-laws of the late W. J. Payne had a reunion over the Labor Day weekend.

The families attended the early morning services at the First United Methodist Church at Lakeview and heard an inspiring sermon by the Pastor, the Rev. Mert Cooper; after church services, the families stayed for Sunday School.

All the families prepared a bountiful noon day meal which was served in the dining area of the church.

The afternoon was spent in visiting, taking pictures, viewing pictures each family had brought and the singing of hymns.

Those attending were: T. E. Ervin Payne and wife of Lakeview; their daughter, Jeanette and husband, Joe Crump and their grandson, Chris Underwood of Amarillo; Russell Payne and wife Bernice of Lakeview and their daughter Tommie Lou; her husband, Gordon Newton, and children Shelli, Matt and Preston of Abilene; Alvin (Bunk) Payne and wife Helen of Tulsa; their daughter Lana Kay and husband, Dot Barnett and two daughters, Tammy and Tracy and friend Jonathan Hall of Canyon.

Also, W. M. Gowdy, Sr. and wife Una, their daughter, Mozelle Richburg and husband James; their son Lewis and wife Donita, all of Lakeview; W. M. Gowdy, Jr. and wife Violet of Lakewood, their two sons, Gayle of Amarillo and Pat of Boyce City.

Mrs. Troy (Le'a) Payne of Lakeview, Mrs. Geo. (Valmon) Payne of Memphis, her daughter Georgia Lee Browning and husband Ernest of Albuquerque, N. M.; and Imogene (Payne) McClure of Ft. Worth.

The family stated that Imogene is an inspiration to all who know her. From a rare disease more than 13 years ago, she was a cripple, hardly able to move for three years; at which time, she

lost her eyesight. She learned to walk again by crawling first. Now she travels by plane or bus alone, maintains her apartment and is receptionist at the Light-house for the Blind in Ft. Worth. A wonderful Christian, she teaches a Sunday School Class by brail and tape. She also helps unfortunate blind people to rehabilitate themselves, does ceramics and plays 42 and other games.

Clarendon Col. To Offer Course In Insurance To Area

Clarendon College has announced the offering of a class in insurance that is designed to help the local agencies with all the areas of responsibility related to a successful agency operation.

Automobile Insurance Coverage and Ratings will be taught by Weldon Talley of Amarillo, who holds a Bachelors Degree

Out of Orbit

WHAT'S ALL THIS ABOUT A NEW POWER SYSTEM?

WHAT I LIKE ABOUT THIS GAME IS THE ELEMENT OF SURPRISE!

from West Texas State University and has thirteen years of field experience in the insurance business. The course will cover all phases of Automobile Insurance.

Classes will be held each Tuesday evening from 7 to 10 p. m. in room 103 of the Academic Center at Clarendon College starting September 10 and ending December 17.

Cost of the course is \$50 for the semester of instruction.

Anyone interested in taking the course should contact Beryl Clinton, Academic Dean, Clarendon College.

Millers To Go To Sales Executive Assn. Meeting

Mr. and Mrs. Normal Miller attended the Sales Executive Assn. meeting in Lubbock, Thursday, Aug. 29.

South Park Inn, Lubbock, was the location for the S. E. A. meeting. Principal speaker was Everett Barnhart, vice president of Coors. Other speakers will be Congressman George Mahon of Lubbock, Jim Granberry, Republican candidate for Governor, and Col. Sanders.

Those attending enjoyed a \$10 a plate dinner during the meeting.

Mr. Miller is a member of the Sales Executive Assn.

Ranchers

(Continued from Page 1) deferments, and takes half and leaves half of the annual production of his grasses will usually have enough dry grass as standing hay to carry him through most dry periods. This will save him from having to reduce his herd at a time when cattle prices are usually very low.

According to Reeder, the Soil Conservation Service working through the Hall-Childress Soil and Water Conservation District will furnish technical assistance to ranchers who would like to develop a new conservation plan or revise their existing plan.
