

The Memphis Democrat

Hall County Herald, Established May 3, 1890, Absorbed by Purchase August, 1928

WEATHER SUMMARY

The weather picture was slow, soaking continued through Sunday. Memphis received .4 inches since the last two inches of this amount Tuesday.

LXXXIV *** Avalon Features *** MEMPHIS, HALL COUNTY, TEXAS, THURSDAY AFTERNOON, SEPT., 26, 1974 *** 15c (Inc. 1c sales tax) *** NUMBER 21

FAMILY OF THE YEAR—The Memphis Young Homemaker Chapter last week selected Mrs. William McQueen and sons, Greg and Chris, as the "Family of the Year." Mrs. McQueen is an active member of the organization and participates in all the activities sponsored by the organization.

Rain, Rain, Rain, Drouth Is Broken

The Hall County area has received general rains during the past seven days, to go with the rains which began Sunday, Sept. 15.

The situation of generous rainfall has caused area farmers to hope for some hot, dry weather to allow cotton fields to mature. It was one of the longest wet spells in recent history, with very little sun shine until Wednesday when clouds disappeared and the temperature began rising.

Weathermen are forecasting a cold front will come through late Friday which may bring another change in the weather.

Rainfall amounts have been quoted in total amounts and the totals vary from five to eight inches depending on what locale. Memphis received over two-inch Tuesday alone, as it rained all day long.

One of the largest single day reports came from Lesley and Brice areas where 3.50 inches fell in one night. Fields in that area were reported to be washing due to the abundance of moisture.

However, most fields in the area were washing before the rains stopped.

As far as cotton crop prospects are concerned, farmers now hope for hotter, dry weather and a delay on the first freeze to allow the late cotton time to mature.

For some of the cotton, severe hurt by dry weather, the rains probably came too late.

As far as grass land, winter wheat for livestock grazing, and other benefits, the rains broke a serious drouth condition.

One cotton farmer said, "If we had gotten these rains six weeks ago, they would have helped a lot more."

Mrs. Troy Broome Employed As Co. School Nurse

The Hall County School Superintendent, Tops Gilreath authorized Memphis Democrat to announce The Hall County School Board of Trustees met Friday in County Superintendent's office and employed Mrs. Troy (Bessie) Broome of Clarendon, as School Nurse Director and Recorder for the schools of Hall County: Memphis, Lakeview, Turkey-Quitque (Valley) and Esteline. Mrs. Broome was employed under Man Power of the Panhandle Regional Planning Commission. Mr. Jesse Moses is County Man Power Planner and has assisted the superintendents and county board in securing the services of Mrs. Broome and getting the project funded. Manpower act will pay the salary of the employee and local schools will pay her transportation. The schools also furnish office space and supplies.

Mrs. Broome is not a registered nurse but holds Special Certificates for two years work done in Nursing School at Sanatorium, and has worked in several offices for Medical doctors, working in Dr. G. W. Smith's office in Clarendon for several months. She has had many years of practical experience as a nurse.

Mrs. Broome's schedule will be: Mondays in Lakeview School; Tuesday in Esteline School; Wednesday in Turkey-Quitque Consolidated School (Valley); Thursday and Friday in Memphis Schools. Her duties will be to keep the immunization records in all of the schools in Hall County; to see that the students report for the immunizations.

She will work with the Health Department in interpreting the results and consult with the parents about the immunization program when need arises. As well as other health records pertinent to the well being of the student will be recorded by Mrs. Broome. The Director and School Recorder will accompany the student to the doctor when an emergency arises and will follow through on instructions by doctor (Continued on Page 12)

Plans Complete For 23rd Annual Hedley Cotton Festival Oct. 11-12

Plans are complete for the 23rd Hedley Cotton Festival to be held in Hedley Oct. 11 and 12. Fred Stafford, president of the Hedley Lion's Club, stated this week. The festival is sponsored by the Hedley Lions Club and is fully sanctioned by the National Cotton Council of America.

The festival will feature almost two days and nights of continuous entertainment. Most of last year's events will be back and some new ones have been added including the Pounds Family Band of Memphis. The nights will be devoted to street entertainment and dancing. The Lone Star Playboys of Amarillo will play for dances both Friday and Saturday nights at the Hedley American Legion Hall.

Friday is Old Settlers Day and the Donley County Pioneers Association will be in charge with Woodroe Farris, president; W. P. (Red) Doherty as vice president and Mrs. Peggy DeBord, secretary.

Registration for old settlers will begin at 10 a. m. Friday morning in the new Hedley Lion's Club building. Light refreshments will be served.

Saturday's events will open with a Kiddies pet and novelty parade at 10 a. m., followed by all types of street entertainment.

Barbeque will be served in the Lion's building during the noon hour.

The annual festival grande parade will commence at 2 p. m.

The Old Fiddlers and Banjo picking contest is scheduled for 6:30 p. m. and the coronation ceremonies and the crowning of the festival queen of cotton will be at the Hedley high school gym at 8 p. m. Miss Geneve Naylor is reigning as Queen of the festival and will crown the new queen.

"The people of Hedley wish to say they enjoyed the wonderful hospitality of Memphis and Hall County at the recent celebration and they want Memphis and Hall County to come to Hedley on Oct. 11 and 12 and enjoy Donley County hospitality," Mr. Stafford said.

Boy Scout Troop Committee To Meet Mon. Night

A troop committee meeting of the Boy Scout Troop 35 will be held on Monday, Oct. 7, at 7 p. m. at the American Legion Building, Secretary Harold Smith announced this week.

All members of the troop committee are urged to attend.

Band Booster Club To Elect Officers Monday

The Memphis Band Booster club will hold a very important business meeting Monday evening, Sept. 30, at 7:30 p. m. in the Cyclone Band Hall.

An election of officers will be held with all nominations coming from the floor.

All parents of band students and other interested persons are urged to attend the meeting.

Senior Class Is Taking Orders For Homecoming Mums

The Senior Class of Memphis High School is now taking orders for mums for Homecoming which will be on Friday, Oct. 5, it was announced this week.

Persons who would like to order mums are requested to contact a member of the Senior Class or call Debra Combs at 259-2441 or 259-2147. Orders must be in by Saturday night.

"We would appreciate your orders," Ed Hutcherson, who is in charge of sales, stated.

Baptist Church In Lakeview To Honor Minister

The First Baptist Church at Lakeview will observe its first anniversary of its pastor, Rev. Bill Curry, with an all-day service Sunday, Sept. 29.

All members are urged to attend and former members are invited to attend.

Bring your lunch and enjoy the good food and fellowship during the noon hour and through out the afternoon, members of the church said.

Sunday school begins at 10 a. m. and preaching service will begin at 11 a. m.

Rev. and Mrs. Curry are expecting their family to be with them. Eddie, the elder son, will lead in the singing in the afternoon and Danny, the preacher and middle son, will no doubt have a special message. Their accomplished wives will probably assist them. Larry, the youngest son, will also be present to completed the family get-together.

An invitation to everyone to come and enjoy the fellowship and meet the Curry family is extended by the church leaders.

Coffee To Honor Home Ec. Extension Agent October 3

Warren Mitchell, Hall County Extension Agent, announces that the County Extension office is hosting an introductory coffee for Miss Pam Wallace, the new co. Extension Agent-at-large, home economics, at the Bronze Room in the First National Bank in Memphis on Thursday morning, Oct. 3, from 9:30 to 11:00 a. m. The public is cordially invited to attend this meeting to meet Miss Wallace and to become better acquainted with the programs that are available in the home economics and 4-H fields.

From 9:30 to 10:30, come to drink coffee, meet Miss Wallace and learn her plans for the Home Economics field of work in Hall County, Mr. Mitchell said.

At 10:30, Miss Wallace will give a short program about her plans, ideas and goals for Hall County.

Tommie Martin To Run Write-In Campaign in Nov.

Tommie Martin of Lakeview announced this week as a write-in candidate for Hall County Commissioner of Precinct No. 2, Lakeview in the General Election Nov. 5, 1974.

In making the announcement Mr. Martin said: "I was born in Hall County October 6, 1938 and have lived in Lakeview all my life. My wife, Jerri and I have two daughters, Angela, age 9, and Debra, age 4.

"In 1957 after finishing school at Lakeview, I went to work for Bradley and Lucy Construction Company building the road east of Plaska. After finishing this construction job, I was employed by the county under commissioner George Blewer. I have worked for the past 14 years under Commissioners Blewer, Shorty Spear and Zipp Durrett.

"If you elect me in this write-in campaign, I will do my best to maintain the Precinct 2 county roads in first class condition. I will cooperate as your county commissioner in all official business to see that Precinct 2 gets its fair share of county funds.

"Under the provisions of Section 605 and Section 606 of the Texas Election code, I am conducting this write-in campaign for county commissioner.

"I will attempt to see every registered voter in the county before the election. I will appreciate your vote and support on Nov. 5."

Cyclones Go To Lubbock Christian For Game Fri.

The Memphis Cyclone and loyal fans will be making the longest road trip of the scheduled season when the team leaves at 1 p. m. tomorrow for Lubbock Christian High School.

The game between the Cyclone and the Eagles begins at 8 p. m. in their stadium. Fans entering Lubbock from Ralls may take the loop 289 west, pass by Jones Stadium by Texas Tech, continue west until they reach 19th Street, turn left onto 19th street (back to the east) go two blocks, then turn right (south) and the stadium is visible.

The pep rally will be at 11:30 Friday morning, and school will be dismissed at 1:50 p. m. Band buses will leave at 2 p. m. and return between 2:30 and 3:00 a. m. Saturday morning.

School officials stated that a Texaco Station in Floydada will stay open until 12 midnight (located on Matador Hwy.) if fans need fuel in returning from the game.

"This should be a real fine game," Coach Clyde McMurray said Wednesday following what coaches described as a 'good' workout session.

Lubbock Christian has won three games and lost one, and they have three running backs with 10.2 speed. "This will be their fifth game of the season and our third," Coach McMurray said.

Lubbock Christian is a private school financed by Churches of Christ. Their high school team has defeated Meadow 21-16, New Home 45-20, and Ft. Worth Christian 14-6. They lost to Wilson 8-0 last week and had one TD called back.

The Eagles have FB David Willis (185 junior) TB Conder (160 senior) and HB Prothro (145 senior) and all three are real fast runners. They utilize all types of offensive formations including the unbalanced single-wing.

Making Preparations In preparing for the game, Coach McMurray said the team worked in the rain Monday, took off Tuesday, and had a good workout Wednesday under sunny conditions. "We'll be doing some catching up Thursday," the coach said.

"Our offense is beginning to fall into place," the coach said, "and has shown a lot of improvement, even since last Friday." The coach indicated that basically, starting line-ups would be about the same, but that at this time some things have not finalized so final selection will be made later in the week.

Crowell Game Club Crowell has a solid ball club, well coached and disciplined. We were quite pleased our defense stood the test against Crowell's power attack and adverse elements," Coach McMurray said.

"On the other hand our offense had bright spots, and coaching (Continued on Page 12)

Gertrude Rasco, Local Piano Teacher, Completes 50 Years of Teaching

Years ago this month, 1974, Miss Gertrude Rasco completed a career of teaching which she had dreamed of. Thirty-one of these years was taught in Memphis as a part of a musical career which she was a third-grade teacher when she asked each child she planned to be when she reached adulthood.

GERTRUDE RASCO

When she returned from her first teaching career in Memphis, she did not remember any questions. Thus, Chinese say, Miss Rasco "made" and she had also made her dream to be a music teacher.

After four years, 1924 to 1928, of her teaching career at Hedley, a small town where all the people, including parents and friends, participated in every way to support her progress and success.

Two years following were spent in Plaska where one up-and-coming pianist is recalled by the students.

Two pianos, the students practiced hard and learned to play solos, duos, quartets and to perform at a recital.

Just before the event, a heavy rain fell, the school roof leaked and drops of rain soaked the section of each key-making the keys to swell they could not be pushed down. One of the high school teachers came to the rescue by placing alcohol lamps up on the keyboards to dry the moisture. Later, he whitened the portion of the wood which was the badly affected area.

Miss Rasco recalls that several hours of work, all of it playable and the next day the recital was given as planned.

Just recently she has been honored by the Melrose Press by including her name and biographical sketch in the World Who's Who of Musicians, published in Cambridge, England. She has also served as a judge for the National Guild Auditions in Texas and Oklahoma.

Next place where Miss Rasco spent 13 lucky years, 1942-1955, was in Memphis where she had many musical opportunities and

EDITORIAL

Farmers Facing Price Worries!

When you're a farmer, and you start a crop, you pretty much have to see it through to harvest to protect your initial investment. When you buy seed, plant, then have to re-plant, and re-plant again, after you have already prepared your land for initial planting by applying weed control chemicals, etc., you have that investment.

Then you see dry weather create drought-like conditions, your crop is hurt, but there's nothing to be done. Rains do come, later than you would have liked to have them, possibly more than you need, so again you wish for something else, warm dry weather for awhile and a delayed freeze date.

This all sounds like an annual affair in the life of farmers, but in 1974, things have taken a change. The age-old gamble is being played with bigger stakes than ever before. What used to be a white, red and blue chip game has turned into a black chip game which makes even the most experienced and efficient players examine and re-examine their hole card.

Area farmers in recent discussions have been putting pencils upon their operating costs and what their estimated yield might be (barring unforeseen disasters and a reasonable break from Mother Nature) to see what they might make out of the 1974 crop.

Their figures are even more unnering. It varies, naturally, from farm to farm, but the whole thing boils down to the market price they get paid for their cotton at the time they sell. If this market price is down, say stay as low as the Loan Cards (CCC), farmers are going to lose heavily on this year's crop. If the market is up, like last year's peak, then farmers are going to have a profit, even with production cut (possibly as much as 50 per cent from last year's record).

It is costing a lot more to run a farming operation this year than it did last year. Everything is up. Fuel for tractors is possibly the big item, for it takes a lot of fuel to farm. With every item needed for farming going up, farmers have had to invest more into the 1974 crop than any crop ever raised in this county. If they don't get a fair market price, the farming future could certainly be a troubled one.

And farmers just don't know at this point what the cotton market will be for the short-staple cotton raised in this area. Some are estimating a one-half bale per acre from most of the county's dry land, compared to slightly over a bale to the acre last year. If this cotton is grown two in and two out, as much of the dry land is, it will be a skimpy yield, acre wise.

For the farmers, as with all citizens, the squeeze from inflation, already pinching, will grow tighter. August price rise of 1.3 per cent - biggest in a year - makes it clear to the economists that maybe the country is starting to pay the price for years of excessive spending.

Many of the county farmers, even the younger ones, remember the drouths of the 1950s and the hard times farmers had then. Older ones remember the 1930s and the drouths of those years, coupled with international depression.

Farmers feel generally confident that they will make it so long as Mother Nature provides the favorable weather in adequate measures of rain and sunshine, even if things really get tough.

How rough can it get? This story from authorities in Alabama about a possible end to moonshine alcohol. The spiraling costs of sugar and copper may put an end to the manufacture of illegal whisky. It is costing \$12 a gallon in the woods, and that is near the price of fair market whisky.

LETTERS To The Editor

Dear Editor,

The President of the United States, Gerald Ford, in granting a full and unconditional pardon to Richard Nixon, acted under the powers granted exclusively to him under the Constitution. I believe he used this power of pardon for the best interests of our country.

First, I believe it would have been a highly controversial, inflammatory, and prolonged event to indict, hold over, and try in the Courts, an ex-President of the U. S. Does anyone really believe that the ex-President would not be tried and convicted by the news media long before judgment day in Court? We could surely believe such actions would take years to bring to a conclusion. Any actions to indict and try the ex-President would have a divisive effect, not only here at home, but would do irreparable harm to our efforts abroad toward effecting & maintaining a harmonious and peaceful relations with other nations.

Secondly, I believe the pardon granted by President Ford relieves the Special Prosecutor and the Courts of any responsibility of bringing legal action against Richard Nixon. You recall that the vast majority of our people, including members of Congress, did not wish further action be taken, immediately after President Nixon's resignation. Many people felt that his resignation from the office of the President with its attendant loss of prestige and respect, was punishment enough.

Thirdly, I believe President Ford's action in granting this pardon was, in part, dictated by his concern and the concern of millions of Americans for the health and well being of our former President in the months and years ahead.

Last, I believe President Ford's use of his power to pardon was truly an act of mercy and compassion, an action that is compatible with the best there is in the American people. One only has to turn the pages of history to find many shining examples of our ability, not only to forgive, but to extend a helping hand so that we all might be a little bit bigger and a little bit better for doing so.

Jacky Martin Named to WTSU Court Post

President Ford's pardon of ex-President Nixon I do not in any way support the action of people involved in Watergate. Rather, I believe that ex-President Nixon has already been tried, not only on T. V. and in our newspapers, but in the hearts and minds of all Americans. Now is the time that each of us can join in support of President Ford's pardon, so that an ex-President of the U. S. can have whatever measure of peace and tranquility that is possible for the remaining days of his life.

Memories

From
The Democrat Files

30 YEARS AGO
October 5, 1944

Five county schools have dismissed classes in order that children may help with gathering the cotton crop, however, rains this week have prevented them from going to the fields.

Giving a big financial boost to farmers of Hall County, the government loan on cotton has been raised for the second time this season and now stands at 95 percent of parity, compared with 90 percent on last year's crop.

Jim Hutchins of Estelline took first honors in the County 4-H pig club show here last Thursday. Other winners in the county show here were: Tommy Gattis, Brice, second; Don Hillis, Lakeview, third; Don Byars, Lakeview, fourth; Billy Hancock, Lakeview, fifth.

Word has come to friends in Memphis that Miss Carrie Bell Lee, primary teacher in Memphis schools for a number of years and now teaching in the Lubbock schools, has received her master's degree from West Texas State College.

Jack Hightower, son of Mr. and Mrs. W. T. Hightower, reported Wednesday to Dallas for entry in the U. S. Navy.

"Remember that your new 'A' coupons are worth four gallons of gasoline," OPA officials have cautioned.

20 YEARS AGO
September 30, 1954

Slightly under 4,000 bales of cotton had been ginned in Hall County up until today, a check with ginners disclosed this week. Harvesting of crop being hampered slightly by shortage of field hands.

Mr. and Mrs. C. W. Gilchrist of Memphis are the parents of a daughter, Alice May, born on Sept. 27. She weighed 8 pounds, 4 ounces.

Mr. and Mrs. L. M. Wigginton of Lakeview announce the birth

of a son, Larry Michael, born on Sept. 25 and weighing 6 pounds, 6 ounces.

Pvt. Marion E. Foy, of Mr. and Mrs. S. L. Foy, recently began eight Army training in the Army Artillery Replacement Center at Fort Benning.

Seeking further success in his recent victory at the State Fair in Amarillo, Potts, Memphis business entered 3 of his prize cattle in the Iowa Park and Wichita Falls.

The Hedley Cotton booster caravan will leave Memphis Monday evening and stage a 20-minute performance, according to Johnson, chairman of the committee. He added indications point to one of the most parades in the history. Already scheduled are 26 floats, four bands, drum and bugle corps.

10 YEARS AGO
October 1, 1964

The Memphis Education organization met last Friday noon luncheon in the auditorium and elected Ed Neel to serve as president. Ed Neel was elected by a vote of 10-0. Miss Kay Lynn Neel was elected vice president and Miss Gena Foy was elected secretary.

Granada Is A New Entry In 1975 Lineup Of Passenger Cars

The 1975 line of Ford automobiles goes on sale Friday, Sept. 13, at Foxhall Motor Co. in Memphis, and other dealers over the nation. The new automobile line, a new automobile company with styling and five-passenger seating and a new feature and line for 1975. The Granada is about half a ton lighter and two feet shorter than standard-size cars. It is available in two-door and four-door models in two series, the Granada and the luxurious Ghia.

The Granada is a new concept in the American car," said Eddie J. Smith, Memphis Ford Dealer. "It is neither a small car nor a full-size car, but combines the best characteristics of both." The Granada's equipment includes a 170-horsepower V-8 engine, three-speed automatic transmission, manual steering, an all-new instrument panel, full carpeting and reclining front seats. Two V-8 engines, the 302-2V, are available. Automatic transmission is optional, but standard with the 361-V-8. Power assists are provided for steering, brakes, and driver seat and sunroof. Extreme care and attention to detail set the Granada apart from other U.S. cars in its weight class. The Granada is almost identical in size and weight to the Mercedes 280.

Ford is also offering the Ford LTD Landau, a logical alternative to longer, heavier, more expensive luxury cars. The Landau offers security of a solid, full-size, well-made automobile, without having the hundreds of pounds of extra weight and almost a foot of extra length (compared to longer, heavier, costlier cars). In personal luxury models, Ford is offering three sizes, the Mustang II, Ford Elite, and the ever popular Ford Thunderbird. Mustang II is the sporty personal luxury car now with optional V-8 engine, while the Elite has the tradition of Thunderbird in a mid-size car. Thunderbird for 1975 could be the best luxury car buy in the country this year.

Ford still offers the bigger values in the small cars with the Maverick, the proven family compact, and Pinto, still the leader in basic transportation. Texas Panhandle Ford Dealers will be showing the Ford Line-up for 1975 beginning Friday, Sept. 13, and motorists are given a special invitation to attend.

Bill Neel, Former Resident, Dies in Calif.

Bill Neel of Lindsey, Calif., died Sept. 1, after a lengthy illness. He was 69 years of age. He was the brother of Ernest Neel of Memphis and the son of the late Mr. and Mrs. W. L. Neel, pioneers of Hall County. Mr. Neel moved from Hall County to California in 1940 and worked in the Citrus groves as a sprayer for 30 years before retiring two years ago due to his health. He is survived by a daughter, Rosa Lee Patterson; a son, Terry, both of Lindsey and a grandson Bill Patterson of Oakland, Calif.; a brother Ernest Neel of Memphis, two sisters, Mrs. Maw Wallace and Mrs. Stella Wallace of Littlefield and a sister-in-law, Mrs. Owen Neel of Dumas. His wife preceded him in death. Flying to California to attend the funeral service from here were Mr. and Mrs. Ernest Neel, Sheriff Elmer Neel and Mrs. Ruby Fielding of Quail.

Annette Boswell and Mrs. Ernest Gerlach attended the funeral service of Barnie Rivers in Vernon last Thursday. Mrs. Rivers, the former Alberta Gerlach, is a niece of Mrs. Gerlach and a double cousin of Annette Boswell. Mr. and Mrs. Rivers are former residents of Memphis.

Goodson joined ISC in 1968 after ten years of finance experience. He was a branch manager in Amarillo, Texas, before being moved to Borger.

Review Young Farmers To Meet Tuesday, Oct. 8

Lakeview Young and Adult Farmers will hold a meeting on Tuesday, Oct. 8, at 7:30 p. m. to review the coming year. The meeting will be held in the school auditorium. Refreshments will be served. A cordial invitation is extended to all members and prospective members. The program will be presented by the game warden.

Mrs. Holmes Posey died in Vernon last Thursday of the funeral of Mrs. Posey's sister-in-law, Barnie Rivers.

DANCE LIVE MUSIC
at
WELL'S CLUB
every Saturday Night
Town Hollis, Okla.

1975 FORD GRANADA—Ford Division's Granada is about half a ton lighter and two feet shorter than most standard-size cars. It is available in two-and four-door models as a basic Granada and a more luxurious Granada Ghia. The Granada and other 1975 models will be on display Friday at Foxhall Motor Co. in Memphis.

Ophelia Club Installs New Officers Thurs.

The Ophelia Club of Estelline met Thursday, Sept. 12, in the home of Mrs. Billie Potts.

New officers were installed during the meeting in a beautiful candlelight ceremony by Sonia Tippett. Officers installed included: Mrs. Margaret Cope, president; Mrs. Betty Bruce, first vice president; Mrs. Mandy Proffitt, second vice president; Mrs. Doris Eddins, secretary; Mrs. Debbie Fowler, treasurer and Mrs. Billie Collins, reported.

Members present, other than those mentioned above, include: Bobbye Fowler, Fredna Bowman, Patty Nivens, Sue Holland, Faye Wyatt, Nell Abram, Linda Huddleston, Rita Gibson, Georgia Bowman, Leona Burk, Renee Proffitt, and three guests, Louise Bates, Edith Seay and Bambi Randolph.

1913 Study Club Opens Season With Brunch at Clarendon Country Club

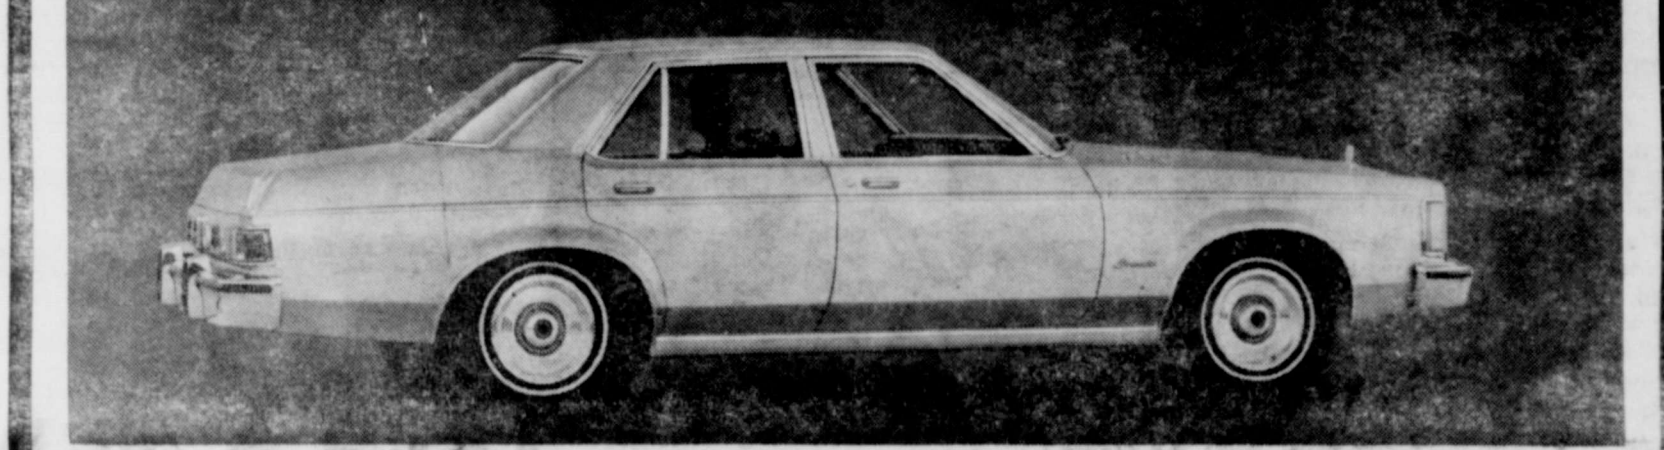

For the members of the 1913 Study Club, a delightful beginning of the 1974-75 club year was the ten o'clock brunch at The Clarendon Country Club hosted by Mrs. Joe Allen Ballard, F. W. Foxhall, Herschel Combs and Virginia Browder. During the business meeting prior to the brunch, the president, Mrs. Gayle Greene conducted the discussion and consideration of some very important matters which had accrued since the last meeting in May. Following the reading of the minutes of previous meetings by the secretary, Mrs. Bray Cook, as vice president, briefed the programs for the coming year's work. For a theme, "Forging a Nation" was chosen, with "Focus On American Affirmation."

The resignation of Mrs. Johnny Fowler of Lakeview was accepted with regret. An invitation from The Culture Club for the celebration of the Club's 75th Anniversary Oct. 18, at The Bronze Room was extended to the club members. Mrs. Fulton, Santa Rosa District president, will be the guest speaker for that affair. Also, the members were reminded of the district work shop to be held in Memphis, Oct. 7th. All were urged to register early with Mrs. Glynn Thompson for luncheon reservations. More details will be forthcoming later. Also, as their money making scheme this year, The 1913 Study Club will host another Chuck Wagon Supper at The Community Center, October 19th. A Contribution of \$5 was sent to save The Big Thicket and a donation of \$7.50 was to be forwarded to obliterate pornography on the news stands, in all current literature, used on television. Following this rather protracted business session, a delicious brunch was enjoyed by those present. The next club meeting will be with Mrs. Mac Tarver, Oct. 2nd.

THE '75 FORDS, INCLUDING THE NEW GRANADA!

The new Ford Granada designed to give you efficient use of space, fuel and money.
Almost identical in size and weight to the Mercedes 280, the Granada is about two feet shorter and half a ton lighter than most standard size cars.* So you can expect excellent gas mileage, and exceptional handling ease. Yet there's family-size room inside: front legroom and headroom front to rear, comparable to many standard size cars. The trunk holds 8 pieces of luggage. And here's just the top of the list of standard equipment: 200 CID 6-cylinder engine; 3-speed manual transmission; steel-belted radials; solid state ignition; front disc brakes; full wheel covers and accent moldings; individual reclining seats; cut-pile carpeting, and much more.

Ford LTD Landau: a logical alternative to longer, heavier, more expensive luxury cars.
Compare the workmanship in LTD Landau as well as its size, comfort and luxury to much more expensive luxury cars. The main thing you don't get is hundreds of pounds of extra weight and almost a foot of extra length (compared to longer, heavier, costlier cars). You do get the security of a solid, full-size, well-made automobile.

Personal luxury in 3 sizes . . . and at three price levels.

Mustang II: the sporty personal luxury car now with optional V-8 engine.

Ford Elite: the tradition of Thunderbird in a mid-size car.

Thunderbird: could it be the best luxury car buy in America?

The small Fords: BIGGER VALUES THAN EVER.

Maverick: the proven family compact.

Pinto: still the leader in basic transportation.

*All comparisons made to 1974 cars.

Cyclones Defeat Crowell 6-0 Fri.

The Memphis Cyclone slogged off the field at Crowell Friday with a 6-0 victory following a hard-fought defensive battle between the Cyclone and the Crowell Wildcats.

Which team would have won on a dry field is being discussed in both towns, and the controversial field goal attempt which resulted in the Cyclone's 6 points seems to be the subject of continuing discussion.

Fans from Crowell find themselves in the same position that Memphis fans were last season when Childress blocked a Cyclone field goal attempt and turned the play into a touchdown. It's a bitter pill to take if you are a Wildcat booster but for the Cyclone side, the play was just alert defense.

Coach Clyde McMurray indicated that Crowell fans have been speaking disapprovingly to their coach over the attempted field goal. "I told him I thought it was a good call," the Memphis mentor said.

The Cyclone defensive unit had been working all week on blocking field goals, and the work was certainly justified as Crowell has a fine field goal kicker with a strong leg.

The play came with 12 seconds left in the first half, with Crowell on the Cyclone 38. On the snap of the ball, Cornerback Joe Reyes for Memphis knifed through the right side of the Crowell blocking wall, and leaped across in front of the place kick holder. The ball struck his forearms and rifled off to the right side of the Cyclone defense, when Rickie Spruill fielded the ball on about the Memphis 35. Spruill rounded the corner in front of the Cyclone bench and raced the distance, escorted by Noseguard Don Davis. The halftime buzzer went off dur-

ing the play. Memphis lined up for the point after attempt, elected to go for two points, and Halfback Fred Alexander got the handoff but he was stopped short by Crowell's stubborn defense.

Although the scoring play highlighted the game's activities, the Cyclone almost scored another touchdown in the closing minutes of the first quarter.

The Wildcats fumbled a punt attempt and gave Memphis possession on the Crowell 35, after the Wildcats had made two first downs. Joe Reyes and Fred Alexander pounced on the loose ball to give the Cyclone possession.

Fred Alexander got the drive going with a short yardage carry on the power sweep. Then, Crowell jumped off sides and five yd. were assessed against the Wildcats. HB Charles Bryley made four yards, then FB Don Davis ripped for enough yardage for a first down to about the 20-yd. line.

From here, Alexander carried for two yards, Davis picked up five more, up the middle, and Bryley carried for good yardage and a first down to the Crowell 8.

Alexander managed to pick up two yards, then Bryley was stopped cold. On the third down, QB Ricky Miller found End James Beck in the northwest corner of the endzone and laid the pass into his waiting arms. Beck clutched the ball, then momentarily juggled the ball as he stepped out-of-bounds and re-caught it. The official on the spot was signaling touchdown when he spotted the juggle and quickly changed the call to incomplete. On the fourth down attempt, a Crowell defender wrapped his arms around QB Miller's leg, and Miller attempted a pass at the goalpost when a receiver was open but the pass was

TWO POINT CARRY—The Memphis Cyclone was able to defeat the Childress Bobcats 14-12 in the season's opener, and it was this play which put the winning margin on the scoreboard via a conversion. No. 44 Fred Alexander, (center) is shown surrounded by hostile Bobcats but they arrived too late to prevent the two-point conversion. Other Cyclones visible are (left to right) End James Beck, the right leg of Tackle Kenneth Fields, Quarterback Ricky Miller, and on the right, No. 30 Charles Bryley and the lower half of Don Davis. The scoreboard reads 6-0 with 3:22 left in the first quarter.

overthrown. Up until this point in the game, the rain was gentle, but within minutes it was raining a gusher, which continued throughout the remainder of the game.

The entire game was dominated by good defensive play for both teams, and whenever either club seemed to get going a fumble would cost them the football.

The Wildcats managed a little more offense than did the Cyclone, but the Cyclone's big scoring play, the 65-yd. blocked field goal return, does not appear on the stats sheet as rushing yardage.

Crowell rushed for 138 yards and 11 first downs, while the Cyclone had four first downs and 67 yards rushing. Neither team completed a pass although the Cyclone had one of its passes intercepted.

Crowell punted three times for

a 40 yard average while the Cyclone managed a 15-yard average on two punts. Crowell lost three fumbles while the Cyclone lost two of their fumbles.

Crowell's scoring opportunity came late in the game, when the Wildcats took over the football on the Memphis 45, after punter James Beck elected to attempt to run the ball after bobbling the snap from center. Beck would have possibly made the first down but the ball slipped out of his hands as he made his cut up field.

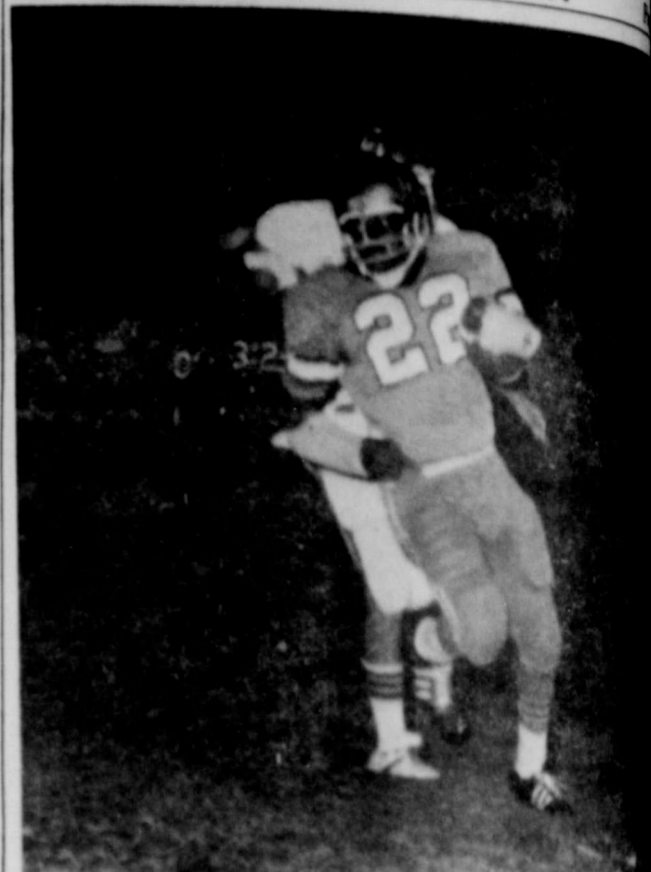

The Wildcats drive down the field was the best offense the Crowell team was able to mount against the Cyclone's tough defensive unit. With only a minute left in the game, Crowell had a first and goal to go from Memphis 8. On the first play, a run, the Cyclone defense was unyielding. On the next play, a pass, Crowell's quarterback was separated

from the football and Joe Reyes fell on it, but the officials ruled an incomplete pass. On the third down, a hard charge by Cyclone linemen upended Crowell's quarterback, who fumbled and Duck Richards recovered. This iced the game away for Memphis with six seconds remaining on the game clock.

Offensively, HB Charles Bryley made some good gains, and FB Don Davis made 11 yards on one carry and almost broke. Crowell's defense was very stubborn defending against the run.

Defensively, Noseguard Don Davis was all over the field making tackles, and Kenneth Fields and Duck Richards were in an abundance of fine plays.

Linebackers and defensive secondary personnel, James Beck, Gary McKay, Candy Reyes, Rickie Spruill, and Dick Hutcherson were also in on several key plays.

DAVIS SCORES—Fullback Don Davis is shown as he over the Childress goalline for a touchdown, the first of the night for Memphis. Davis was the leading rusher for Memphis against the Bobcats and this scoring play was one of Davis' 126 yards on 14 carries.

Woman's Culture Club Observes 75th Anniversary

The members of The Woman's Culture Club entertained the Federated Clubs of Memphis in the Bronze Room of the First National Bank September 18, with a tea to celebrate the 75th anniversary of the Woman's Culture Club.

Mrs. Ward Gurley, president, welcomed the group and the opening prayer was given by Mrs. Theo Swift.

Mrs. Gurley introduced Mrs. R. E. Clark, who has been a member of The Woman's Culture Club since 1929, becoming a member a few months after Mrs. A. W. Howard, who was unable to attend.

Mrs. Clark, standing in front of a table decorated with a covered wagon and scenes from early ranch life, welcomed the guests, gave a short history and accomplishments of the club from 1899-1974, and introduced Mrs. Bray Cook, past president of Santa Rosa District and a member of the 1913 Study Club. Mrs. Cook told about when she came to Memphis in 1949, how club work had helped her to have a fuller life, and how some of the problems after July 4, 1974 are still with us. She

then, introduced Mrs. Ben Fulton of Quannah, Santa Rosa District president, who gave the address for the afternoon.

Using the Santa Rosa District theme: "Unity for Strength in Our World," Mrs. Fulton gave the club women ideas and projects to celebrate America's Bicentennial July 4, 1976. Under the Texas Heritage Department, she suggested fly the flag when weather permits; Festival U. S. A.—think about travel but "shine up and clean up" at home first; Horizon 76, on continuing project for the community.

Conservation Department: continue shell oil project, beautification, encourage elementary school children to study environment & ecology and learn the edge to Conservation." Education Department: Federal aid to education, kindergarten, vocational training, college, acquire books and read, the learning power of women gain information about estate planning, wills, and available scholarship funds.

Home Life Department: most important bring back to home morality, learn to make money

work for you, togetherness in the family and remember the aged.

International Affairs Department: promote world peace through understanding, support care, study the culture and customs of other countries, invite visitors to speak from outside the U. S. A., promote unity in every community, programs on alcohol, drug abuse, crime prevention, vote and promote car pools to conserve energy.

Safety: wear seat belts and encourage the building of bicycle lanes.

The Arts Department: Keep your hands busy, read, sing the administration's hymn, "America the Beautiful" at every club meeting. Mrs. Fulton closed with a poem she entitled "A Patriotic American."

During the social hour a beautifully decorated 75th anniversary cake, diamond-shaped mints and golden punch were served from a table decorated in club colors with a gold cloth, purple center piece highlighted with a lamp shining on glistening "diamonds."

Guests present were: Mmes. Ben Fulton, Jim McMurry, W. C. Dickey, Sim Reeves, D. L. C. Kinard, Tom M. Harrison, Robert Sexauer, Robert Duncan, Henry Hays, Wayne Sweett, Mildred Stephens, Tom Atkinson, Henry Foster, Jr., Jo Ann Shields, C. H. Murphy, Jr., Bob Douthit, Jim Davis, H. A. Combs, J. J. McDaniel, F. W. Fitchell, Ed Hutcherson, Robert Montgomery, Bryant Adams, Glynn Thompson, Dub Parker, H. B. Estes, M. G. Tarver, Bray Cook, Virginia Browder, J. F. McIntush, George Payne, Joe Edins, Eula Adams, Ruth Cobb and Misses Helen Madden and Imogene King.

Club members present were: Mmes. Frank Ellis, R. E. Clark, Ward Gurley, Jeanette Irons, Alvin Fyeatt, L. A. Stilwell, Theo Swift, Jim Lange, Robert Moss, Misses Esta McElrath, Sybil Gurley, Nancy Hillery, Jackie Culbert and Alma Bruce.

75th ANNIVERSARY—Woman's Culture Club observed its 75th anniversary with a tea at the Bronze Room on Wednesday, Sept. 18. Special guests were members of the Federated clubs of Memphis. Pictured above, left to right, are Mrs. Ward Gurley, president; Mrs. Ben Fulton of Quannah, Santa Rosa District president and speaker for the afternoon; Mrs. Bray Cook, immediate past district president and Mrs. R. E. Clark, a member of the club since 1929.

Rebekah Lodge To Serve Meal On Monday night

The Rebekah Lodge will hold its regular monthly supper on Monday evening, Sept. 30, at the lodge hall.

Serving for the family style meal will begin at 6:30 p. m. The public is invited to come and enjoy the delicious home-cooked meal.

Carol Blain, Mrs. Herschel Combs and Debra Combs spent the weekend in Austin. Miss Blain visited with friends at their lake cabin while Mrs. Combs and Debra visited with Dr. and Mrs. A. J. Welch and girls and with Mr. and Mrs. Brian Caudle.

Travis Baptist WMU Meets September 24

The W. M. U. of Travis Baptist Church met Tuesday, Sept. 24, at 9:30 a. m. for Bible Study.

The meeting was opened by Mrs. Lynn B. Jones. Mrs. J. J. Herndon read Acts 12: 1-11 and the prayer calendar and the missionaries were mentioned in prayer led by Mrs. Jones.

Mrs. Wilburn Coffman brought the Bible lesson, "Women of the church; Agents of Redemption", reading Ephesians 4:7-16, 5:14-18.

Mrs. T. C. Stevens led in the closing prayer, remembering the sick and unaved.

Let's Talk Memphis!

Mrs. Henderson Sister of Local Woman, Dies

Mrs. W. H. Henderson, old Floydada resident and sister of Mrs. Ida Hutchinson of Memphis died Tuesday, Sept. 24, at Central Plains Hospital in view after suffering a heart attack.

Born Belva Solomon in 1888, she and W. H. Henderson were married in Amarillo, Texas in 1931. She had been a member of the First Methodist Church and the Eastern Star.

Mrs. Henderson's husband in the real estate business died Dec. 6, 1948.

Other than her sister, she is survived by another sister, Lizzie Trussell of Fort Worth, brother, Frank Solomon of rock and a sister-in-law, Helen Solomon of Fort Worth. Funeral services were Thursday at the First Methodist Church in Memphis with Rev. James W. officiating.

Mr. and Mrs. James Robert Stewart are the parents of a daughter, Alecia Kay, born Sept. 21. She weighed 9 pounds, 13 ounces.

Guadalupe Montoya, daughter of Mr. and Mrs. Pedro Montoya of Lakeview, was born Sept. 21. She weighed 9 pounds, 1 ounce.

Mr. and Mrs. Robert Mack Richards of Memphis announce the arrival of a son on Sept. 21. Weighing 7 pounds, 12½ ounces, he has been named David Clayton.

Mr. and Mrs. Don Ray Mooring of Clarendon announce the birth of a son on Sept. 21. He has been named Christopher Matthew and weighed 6 pounds, 8 ounces.

CARD OF THANKS

I would like to express my sincere thanks and appreciation to Dr. Stevenson, and the Hall County Hospital staff for the good care they gave me during my stay in the hospital. Also, a very special "Thank you" to all our friends and neighbors for your visits, cards, flowers, gifts, prayers and other acts of kindness shown me and my family. Words cannot begin to express my gratitude. Ada Ruth Craghead

Hall County 4-H Riding Club Places In Amarillo

Members of the Hall County 4-H riding club took three places in the Tri-State Fair in the American quarter horse 4-H and Youth activities, it was learned here this week.

Starla Byars won second place in the senior polls. Dusty Byars took 5th place in the Junior Polls and Brent Molloy took 5th place in Junior reigning.

Competition was really stiff and judges were unusually strict, Mrs. Sonny Byars said.

Danny Crawford To Leave Oct. 1 For Naval Basic Training

Danny Charles Crawford, son of Mr. and Mrs. S. E. Crawford, enlisted in the Navy Sept. 13 and will leave Oct. 1 for San Diego, Calif., for basic training.

Mr. and Mrs. Crawford also have another son, (John S. Crawford, in the Navy stationed in the Philippines and the two will be stationed in California.

Jane Murray and Peggy Pope of New Deal were here to spend the weekend with Mrs. Jo Carmen and attended the bridal shower on Saturday evening honoring Mrs. Kathy Bain, the former Kathy Carmen.

PRIDE AND GRACE

“God resisteth the proud, and giveth grace to the humble”

-Proverbs 3:34

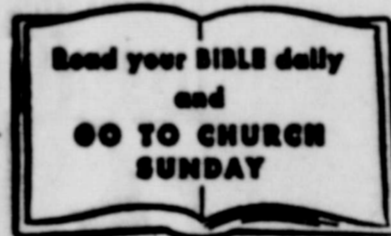

It is not often that one hears some great man accept honor or recognition by saying “I deserve it.” This is false pride and certainly indicates a lack of grace and good manners.

There is nothing wrong with pride. We should be proud of our accomplishments. Yet we should avoid boasting and at the same time be ready to give credit to others where such is deserved.

No matter what our endeavor in life, each of us would find it difficult to make any mark of achievement if we had to attend to each little detail and do every little task that needed to be done.

He restoreth your soul...Worship together this week

Worth, Patsy (Swift) Mote of Wichita Falls, Fayrine Jones of Abilene, Zady Belle Walker and Thelma (Walker) Vaughn of Spearman, Marshall T. Jones of Abilene, Gladys Tullar of Lubbock, Alice (McWhorter) Falls of Amarillo, John Forner of Amarillo, Alma Rae (Johnson) Bass of Dallas, Charlie Drake of Childress and Ivan Thornton of Fort Worth.

Following the parade, those who had been there and others returned to the headquarters for still another round of food, drinks (soft) and good fellowship. That evening, they were on their own to visit relatives and attend some of the happenings in the town. The Hal County Picnic of barbeque and all the trimmings the next day (Sunday) was well attended despite the rain drops falling on their heads. However, the rain prevented much visiting at the park. Folks filled their plates and ate in their cars. Judging from the reluctant goodbyes, the warm hand clasps, and the sincere thanks for a happy time, The Roaring Twenties Reunion was a definite success. Here and now, may we thank all who helped to make it so. Be assured you contributed to the happiness and fond memories of many dear friends of by-gone days.

ROARING 20's REUNION—Pictured above are just a few of the former Memphis graduates who returned for the reunion of the classes of the 1920's. Pictured left to right are Eldon Thompson of Carlsbad, N. M., Katie Posey of Canyon City, Colo., Ruth Swift of Fort Worth, Lyle Montgomery of Denton, Elizabeth (Boykin) Wells of Washington Crossing, Pa., Mrs. G. R. Sensabaugh of Dallas, Mrs. Allen Grundy of Memphis and Mrs. Durwood McCool of Dumas.

Parnell Club Meets in Regular Session Wed.

day, Sept. 18, at 2:00 p. m. with 14 members present. The meeting was called to order by Billie Potts and The Lord's prayer was repeated in unison. The devotional was given by Lena Hill. Roll call was answered with "Tell why you think we get along so well in our club." Leona Burk read the minutes of the last meeting. Members discussed winning first place in the Memphis parade. All members were happy and surprised and wish to thank everyone. Old business was discussed and plans made for the Halloween carnival. Members reported six visits to the sick. Lena Hill dismissed the meet-

ing with prayer. Nelda Ferrel and Clara Cowan served refreshments to the following members: Billie Potts, Leon Burk, Lucille Cope, Clessie Jewett, Bessie Lathram, Celeste Ward, Roxie Orcutt, Nell Burk, Lucille Ribison, Lena Hill, Erlene Trapp and Cordye Hood.

Pathfinders Enjoy Opening Meeting Of Year Sept. 10

The Pathfinders Council enjoyed the first meeting of the club year Sept. 10 in the home of Mrs. Floyd McIntush with Mrs. Brown Smith as hostess.

The meeting was called to order by the president, Mrs. McIntush. Various plans were discussed for the new year's work and study. Mrs. Valmon Payne gave the invocation at the beginning of the program. Mrs. McIntush the incoming president, gave her message, "Texas, Our Heritage Through Unity." "We are God's chosen people through unity—Texas has a chosen people through unity," she said. She then gave 11 verbs, I am, I think, I know, I feel, I wonder, I see, I believe, I can, I ought, I will, and I serve. "With each member doing these 11 things, a club will have unity; there is a duty that makes us brothers," she stated.

Mrs. Joe Edins presented the year books and discussed the special meetings of the coming year. Mrs. Smith served a delicious plate during the social hour to Mrs. J. O. Cobb, Cecil Adams, J. F. McIntush, J. J. McDaniel, Joe Eddins, A. Gidden, W. D. Young, Valmon Payne, Robert Breedlove, E. R. Orcutt and Mrs. Smith.

The next meeting will be held in the J. O. Cobb home, it was announced.

Christian Church Jr. Class Has Roofing Nail Pick-up Party

The Jr. Class of the Christian Church enjoyed a party on Monday evening in the church yard. Meeting at 6 o'clock with buckets, nail aprons and sacks, they got busy picking up nails and had fun despite a few sore backs when they quit at 7 p. m.

Money prizes went to the winners having the most nails, which they deposited in the Missionary bank. Coming in first was Jeff Widener with Kelli Liner second. Third prize went to Robert Montgomery, Jr. and Mary Alice Beasley came in fourth. They wish to say thank you to Tom Posey for his assistance in helping them by offering a penny for each nail they could find in the alley east of the church during the last 10 minutes to be placed in the Missionary bank. Sentence prayers were offered for this offering and for those people to whom it would go.

After washing their hands, they adjourned to their classroom where they enjoyed popcorn balls and Kool Aid for refreshments, ending with bubble gum.

Attending were Jeff Widener, Robert Montgomery, Jr., Mary Alice Beasley, Kelli Liner and the teacher, Mrs. Harry Aspreen.

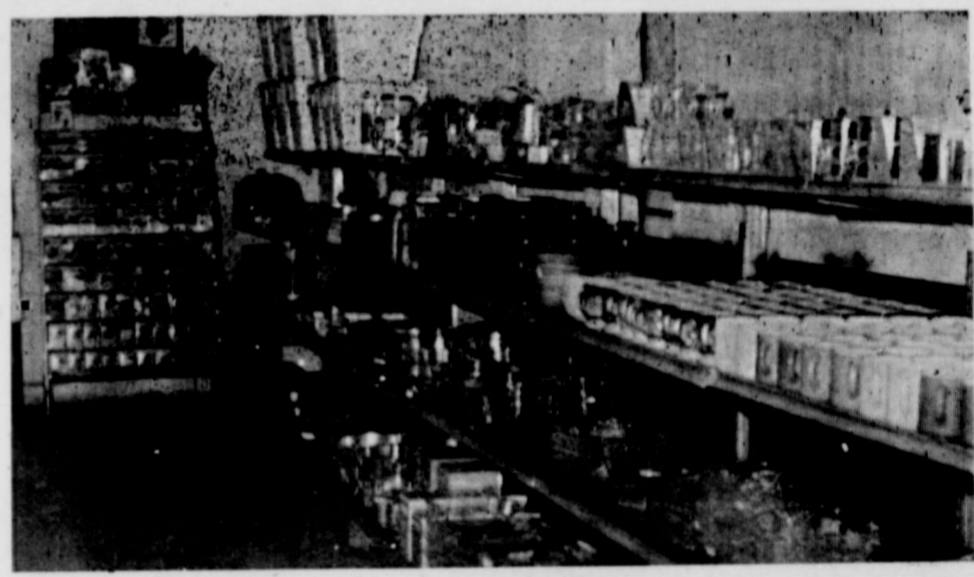

Mr. and Mrs. Zeno Lemons, accompanied by Mr. and Mrs. Troy Wiley of Amarillo, recently enjoyed a vacation in Las Vegas, Nev.

1975 Chevrolet Line-Up To Be Seen Friday At Ward Motor Co. Showroom

The 1975 Chevrolet automobiles go on display Friday and Saturday and Dennis Ward of Ward Motor Co. in Memphis invites the public to stop by the company's showroom and view the new line.

Chevrolet Motor Division announces it marks one of the most significant years of product development in its history for 1975 with important breakthroughs in vehicle design and an expanded line-up of 46 models in eight different car lines.

Pacesetters in the 1975 fleet are an all-new sub-compact, the Monza 2 plus 2 and the completely re-designed Nova.

The new models are the culmination of one of Chevrolet's most innovative years in technical and mechanical advances that result in more efficiently operating automobiles.

Compared with a year ago, three new models appear, the Monza 2 plus 2 hatchback, and the top-of-the-line Luxury Nova (LN) which is available in both two and four-door models.

The Monza is a sporty sub-compact with a European styling flair and is four-passenger. It unveils a new body and power train and features twin rectangular headlights.

The new Nova, representing one of its most extensive model year changes since being introduced as the Chevy II in 1962, spotlights new luxury models, new styling and important mechanical and structural revisions.

The Chevrolet passenger car lineup for 1975 will be unveiled Friday, except Sportvan, Corvette and Vega models which will be publicly introduced at a later date.

Key development throughout various lines are:

1. Two new sedan roof lines, improved driveability and new front styling for regular Chevrolets.
 2. New styling, ride and handling gains for Chevelle.
 3. Sportier appearance, equipment revisions and brake and other mechanical improvements for Camaro.
 4. Broad range of "under-the-skin" refinements and design changes for the Vega.
 5. New front styling, wrap-around rear taillights and interior refinements for Monte Carlo.
 6. Chassis improvements, new toughness and operating efficiency for Corvette.
 7. Development of a new small block 262 cu. in. V-8 for Monza and Nova as base V-8.
 8. Improved 250-cu.-in. six-cylinder engine as base for Chevelle and standard Camaro models.
- Heart of the extensive new vehicle systems design program is a combination of mechanical advances designated as the "Chevrolet efficiency system." The system includes use of an under-

floor catalytic converter and no-lead fuel for control of exhaust emissions in compliance with more stringent federal emission regulation.

Also included are the high energy ignition (HEIO) system for greater voltage and better starting; a new method of inducting cooler and denser outside air into the carburetor, an early fuel evaporation system for faster engine warm-ups, and standard steel-belted tires.

Station wagons are offered in 12 models in regular Chevrolet, Chevelle and two different Vega choices.

Regular Chevrolet offers 15 models in three series, Caprice Classic and Estate, Impala and Bel Air.

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation to all our friends and neighbors that shared our sorrow in the death of our dear loved one, and the ones that sent flowers, memorial donations, food and kind words of expressions. A special thank you to Bro. Travis Gilliland and Bro. Bright Newhouse for the messages and prayers and a special thank you to Thurman Ellerd for leading the singing and to Mr. Spicer and his staff.

May God's richest blessing be upon you.

Don Springer and children Mr. and Mrs. Ross Springer Mrs. W. H. Moss Mr. and Mrs. Clarence Moss and family Mr. and Mrs. E. H. Feldschneider and family Mr. and Mrs. Arthur Shields and family

1975 CHEVROLET—The standard Chevrolet, America's No. 1 car choice, offers a new level of luxury for 1975 with styling changes and two new roof lines for four-door and sport sedan. They can be seen Friday at Ward Motor Company in Memphis.

The Chamber Corner

Jim Edd Wines

Welcome to Memphis . . . Cotton Capital of the Panhandle. We are proud of you.

Welcome to Memphis Cotton Capital of the Panhandle.

We are proud of our '73-74 cotton production of near 100,000 bales. With agriculture as the backbone, Memphis is the home of three major industries boosting our economy with over 26 million dollars in back deposits. Several agri-business companies compete our list of 9 industries . . . and a modern downtown business center. Behind the signs of progress are new churches, new schools, new 50-bed hospital served by 3 medical doctors. Being proud of our community makes us proud to welcome visitors . . . and we want to come back to see us real soon.

This paragraph appears at the

top of the Visitor's roster in all of the football programs. We encourage everyone to come out to the games & let's all support the Memphis Cyclone to a state championship in 1974.

According to the August newsletter of the Amarillo Track and Trail Riders we have already received 146 entries representing 10 states with three of the entries being women. This year's endurance will be limited to 600 riders and the track throughout the Hall County Area is now in the planning stages. This year's race area will be in a different section of the county and will be in excess of 125 miles long.

The Memphis Chamber of Commerce will again be the joint sponsor of the 3rd annual cotton ball National Enduro to be held on the weekend of Oct. 26 and 27. The Memphis Lion's Club will

be the host of the community-wide Texas style hamburger feast on Saturday, Oct. 26, and plans are now underway for a grand parade and celebration for the Cotton Ball National Enduro. We remind and encourage everyone to keep your Hall Co. Picnic parade floats and make plans now for the upcoming parades both in Hedley and in Memphis during the month of October.

Last week's Hall Co. Picnic Parade had several special attractions; the parade clowns did an outstanding job and the Farm Bureau West Band made a big hit. Methodist preacher Mert Cooper and son with the everyday clowning of Joe Bob Browning (this time in costume) were all having a good time. The Farm Bureau Western Band composed of "Little Timmy", Dennis Holt; Melvin Strygley, Dwight Floyd, Shirey Patrick, Victor Garica and James Canida did a good job of providing music during the parade. Another big attraction of this year's picnic parade was the music provided by the Tom Pounds family.

Cotton Ball National Enduro T-shirts, football jerseys, sweat-shirts are now on sale at Greene's Dry Goods, Simpsons, Sylvia's Ready to Wear and The Lady

J. P. SEMINAR—Pictured above are the six participants from Region 10 who were among 73 judges who participated in a 20-hour basic Texas Justice of the Training Center seminar Sept. 3 to 6 in Amarillo. From left to right, are Carroll L. Lewis of Clarendon, Weatherly of Hedley, Ruby Roden of Memphis, McKinney of Wellington, J. Paul Goodson of Clarendon and Curtis O. Tunnell of Turkey.

Fair. The shirts are available in both children's and men's sizes with assorted colors and styles.

Mr. and Mrs. Billy Thompson took along several bumper stickers and miniature cotton bales with them on their Caribbean cruise. Other locations that the miniature bales were sent to are: Minnesota, Nebraska, Illinois, and New Mexico. We have our Memphis cotton bale location map in the lobby of the First National Bank. We are encouraging everyone to place a pin at the location of each miniature cotton bale sent.

Another area where our community emblem and slogan appears is on the front page of The Memphis Democrat. Let's all use either the emblem or slogan "Cotton Capital of the Panhandle" with our business and advertising. Each week we will bring your attention to some area of which our community emblem or slogan appears.

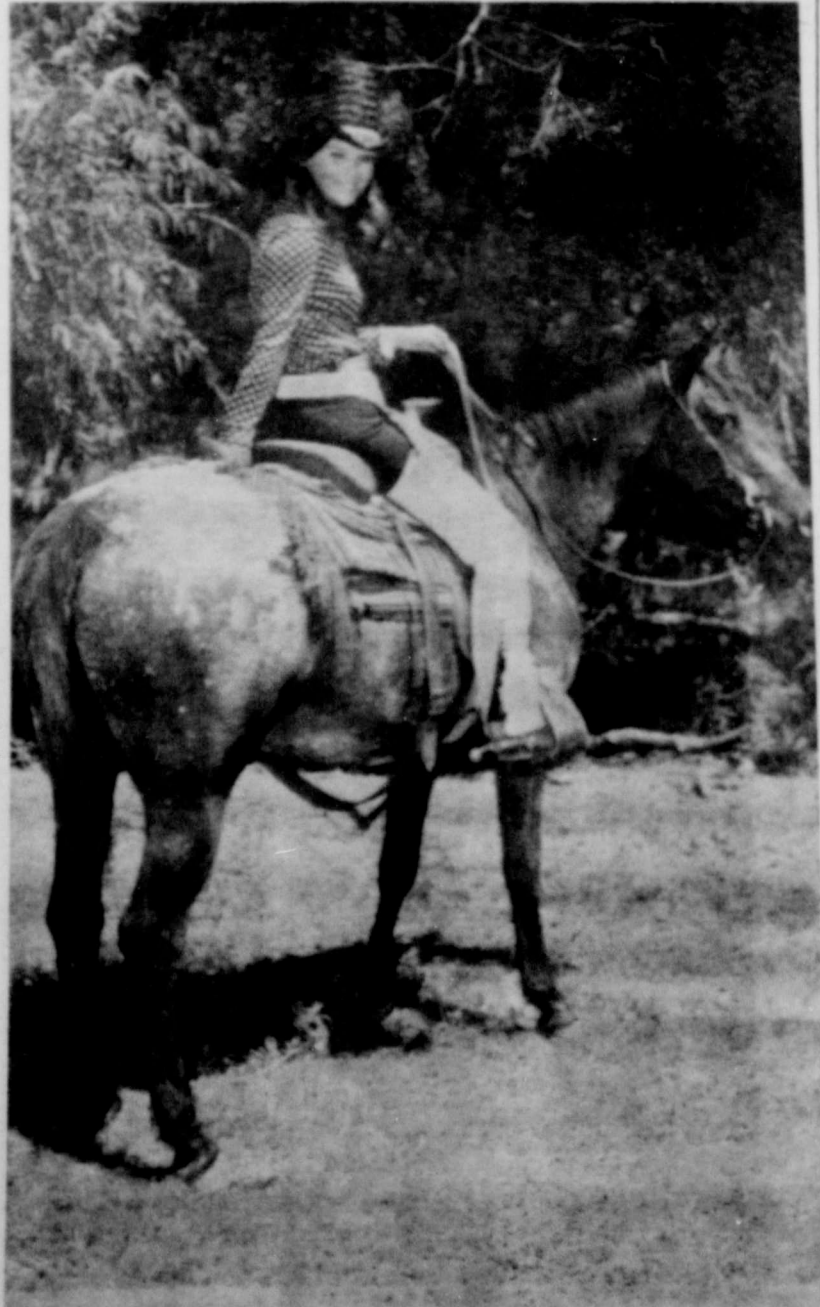

David Morris of Hedley and Gravel is a student member of our firm, the Chamber of Commerce, and an investment for the Memphis.

This statement was a bulletin board in the Bradshaw's office in the Baptist Church. "There is a nice thing about working for the Lord. The pay isn't in the retirement plan." Thomas LeMaue.

Enduro: Oct. 26 and 27.

"Let's Talk Memphis"

PH CAMPBELL Insurance Agency Ph. 259-3531

TRI STATE FAIR WINNER—Tanga Widener and her three year old Appaloosa mare, Commanche Snowcap, won the second place banner in the halter class for three year old mares in Amarillo last week. More than 70 top Appaloosa performed Wednesday, Sept. 18, for honors in the Bill Cody horse arena during the 1974 Tri-State Fair. Tanga's mare was trained by J. W. Lindsey, Jr., of Lakeview.

CHEVROLET FOR 1975. CARS THAT MAKE SENSE FOR TODAY.

Nova LN Sedan

Monza 2+2

MONZA 2+2 The small car of tomorrow will probably be a little more powerful, handy and comfortable than ever. The 1975 Monza 2+2, shown above, offers this today. It has advances like rectangular headlights set in a soft front end, fold-down rear seat, and a new 4.3-liter V8 engine available.

NOVA In the background above, our new Nova LN Sedan. A luxurious Nova with thick carpeting and wide-back reclining front seats. For 1975, all Novas have been emphatically refined along the lines of elegant European sedans. Nova's always been good. Now it's beautiful.

CAMARO Our sensibly sporty compact. It looks like a million and drives like it looks.

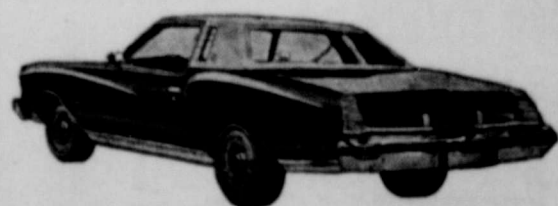

IMPALA America's favorite car continues to provide the room many families need plus plenty of quiet and comfort. Still the great American value.

WAGONS Big ones, small ones, in-between ones. Practical wagons that make sense for America. And you.

CHEVELLE Mid-size, easy to drive, room for six, mid-priced, strong reputation for value. America's most popular intermediate.

MONTE CARLO Its special ability: making you feel good. About the way it looks and drives. About your own taste and judgment.

CHEVROLET'S NEW EFFICIENCY SYSTEM FOR 1975

It's the key part of a program aimed at helping our new cars run leaner (more economically), run cleaner—and save you money every mile. The Efficiency System is standard on all 1975 Chevrolets with V8 or 6-cylinder engines. It's a series of significant engineering improvements working together for the very first time. Components include High Energy Ignition, catalytic converter, Early Fuel Evaporation and steel-belted radial ply tires. In sum, the System is designed to heighten the pleasure—and lower the cost of driving a 1975 Chevrolet—to bring you a better running car in many ways, along with improved fuel economy, more miles between recommended maintenance and an engine that stays cleaner internally because of no-lead fuel.

Your Chevrolet dealer will gladly give you the details and answer your questions. See him and the sensible 1975 Chevrolets starting September 27.

CHEVROLET MAKES SENSE FOR AMERICA

B. B. Shots

BYRON BALDWIN

4th birthday of Hall just passed with the nation Sept. 14 and wet one. I noticed a who did not believe crowded under the booth trying to keep pretty busy time trying with the Roaring 20's and the 70's. With all the of cassette records it might take 6 to cover this and would something or someone in this column. We received a letter from Homer Shanks of Big with their regret that would not make the picnic love to their friends County. A letter from C. Gammage giving her she was going to see my brother, Byron and Stamford, J. W. and we were huddled together. They report along fine in her collection. We missed J. W. a year on the finance which he worked on so (A faithful worker Texas, inherited from Mr. and Mrs. Harold were at the picnic celebrating their wedding anniversary married after being over with each other for over Harold's sister, Ruth Daniels, was also present picnic. Daughters, Woodson from Hall County several

with his dad driving Bill and Tom. I asked Lyle when he graduated from MHS and he replied that he did not graduate, as he had an uncle on the school board and they made the rule that if you had 6 demerits, you were expelled so he said he had about 100 demerits and no favorites could be shown as his uncle was on the school board. Lyle had a lot of good stories he was telling, but by the time I caught up with this "George Goble", he was moving on to see other friends.

The only other child now living in the Pritchett Montgomery family is Fanny who lives in Denton.

I remember a song in my younger years that I think was entitled "The Longest Way Around is the Sweetest Way Home". I guess that is the song that Billy and Hatye Dem Thompson have been singing as I understand that they were going to a place about 400 miles from here and were traveling by plane and boat about 4,000 miles to get there. I think this was a kilometer route.

It takes a good many people and cooperation to put over a Hall County picnic. In talking to Joe Allen Ballard a few days ago, he said, "There were over 300 people on the different committees to get the job done." The cooperative spirit of Hall County was shown by the entries in the long parade this year with our High School band which gave the parade a lively pitch. The slogan on the Parnell truck was outstanding in the meaning "All for one and one for all". You cannot buy this

kind of cooperation with money. I want to thank all of you who served as hosts and hostesses in Hall County Heritage Hall.

We had visiting in Hall County Heritage Hall a representative of the Chas. Boykin family who first came to Hall County in 1893. This one representing this family was Mrs. Chas. A. (Elizabeth Boykin) Wells of Washington Crossing, Pa., near the spot where Washington crossed the Delaware. Her father, C. S. was reared in Alabama and had moved to Chicago when he was a member of the Chicago Stock Exchange where he was a broker. In 1893 the panic almost broke him and he sold what holdings he had left and moved to Hall County and established 3 or 4 lumber yards in the Panhandle area. The mother of Elizabeth was Pearl Davis, daughter of the late Mr. and Mrs. John R. Davis who moved to Hall County in 1901. Her father and brothers were ranch people in this area. Pearl was attending the university of Arkansas and while home on Valentines, their home burned with all contents. This was a financial blow that stopped her college education. I think she taught the first art class in Memphis. While teaching this art class, she met Chas. Boykin and they were married. Elizabeth graduated from MHS in 1921 and moved from here the same year. She married Chas. A. Wells. They both worked for the New York Sun daily paper for over 20 years in New York and later worked for the Ladies Home Journal and other magazines. Chas. Wells has spent his lifetime in the newspaper business and now furnishes news for radio, television and newspapers since moving to Penn. They have one son, Chas., Jr., who is a sculptor in Italy who returns to New York each year for a special show. He married an English girl who is a graduate of Oxford. The Chas. Wells family have four grandsons. Elizabeth was very much interested in Heritage Hall and will send some artifacts

from their family soon. Boodie (Montgomery) Grundy, one of Elizabeth's schoolmates was with her on the tour of the hall. Other schoolmates that she remembered were Estelle (Craver) McCool, Virginia Browder and Katherine (Stokes) Milam. She remembered Katherine showing her the first love note that Clyde sent her in school. Elizabeth described herself when attending school here as just an awkward girl with four left feet and wearing glasses. I did not say this, she did! The other member of the C. S. Boykin family is Charlotte (Boykin) Muscarro who had a musical career and who married James T. Muscarro, an attorney who practiced law in New York City for a number of years. He and Charlotte are now retired, living at Jamestown, N. Y. They have one daughter and 7 grandchildren. Elizabeth gave us a check for Heritage Hall in memory of Mr. and Mrs. Chas. S. Boykin from her and Charlotte. We thank them for their help in preserving the artifacts and names of bygone days. The name Boykin Drive on Highway 287 is named for this family. Elizabeth was proud of her hometown and was very complimentary of how well it was updated with all the new buildings. Chas. S. Boykin passed away in

1923 and Mrs. Boykin passed away in 1953. Elizabeth made this remark, "I just love Memphis."

Mary Helen (McNeely) Sensabaugh represented the Dr. J. M. McNeely family in Memphis this year. She had planned a reunion for the family but it was impossible as the brother, Holmes, is in very bad health.

I think most of the Alvin Massey family was here this year, but I missed visiting with most of them. I did talk to Alvin, who was dressed to represent Uncle Sam and his wife was carrying out the costume of Betsy Ross. Other former Hall County residents I met were Mutt and Dyke McMurry of Dumas; Mr. and Mrs. Jerry Hays of Lubbock and Paul Dodson of Amarillo. Ed Wilson who had been away from here was really enjoying seeing his old friends at church and the picnic.

Mr. and Mrs. Chas. Reed and son, Terrell, of Lubbock were visitors in Heritage Hall with Mrs. Reed's little sister, Anna Margaret (Helm) Clark. This group is in regular attendance at the Hall County picnic. Chas. Reed operated a garage in Newlin for about 10 years before moving to Lubbock where they have lived for

over a quarter century. Thanks to Mrs. Clark for her contribution to Heritage Hall.

Elwanda (Jones) Turrentine of Lubbock was back in her hometown and working with Jo Carmen on registrations. Thanks to Elwanda for the gifts that were left for Hall County Heritage Hall. Others were Zady Belle Walker of Spearman, Reg Johnson of Dallas, Lera Hughes and Jewish Maran, both of Houston. Boone Adams of Floydada was a visitor, but he and Dave Price of Fort Worth were not treated as visitors as they were told to put on an apron and go to work at one of the picnic tables.

Mr. and Mrs. Melvin Rawlins of Beardstown, Ill., were visitors in Heritage Hall. This was their first trip to Texas. They heard that the McQueen were having a reunion and they had been told they might be relatives to see for the first time. They soon found out they were related. Melvin's grandfather moved to Texas in 1870. They reported a short corn crop in Illinois.

I had a complete surprise on Sunday after the business session

of the Hall County Picnic. I was called to the loud speaker where Wendell Harrison and Senator Jack Hightower were dripping with rain drops and the mike was covered with plastic. I thought when I stepped up to the mike it was to second a motion. Senator Jack moved me over a little from the mike and presented me with a beautiful plaque from friends because of the little part I had played in promoting Hall County Heritage Hall. I was so shocked at this all I could do was shed a few tears and thank God for the years he had spared me over the three score and ten. I felt unworthy of this recognition when I thought of so much work that had been put in this project by others who have cooperated so well. I want to thank each and everyone who had a part in this plaque as it will be a treasure to keep and remember how humble you made me feel. We will call this plaque "Ours". May the Good Lord Bless and Keep You. My Sincere Wishes.

Mr. and Mrs. Jess Dennis of Amarillo visited a few days this past week with their sister, Mrs. Pearl Massey.

letter received from Ida of Kingsville, Texas, her regrets in missing She enclosed a contribution Hall County Heritage will be remembered as a "Hello Girl" in our home office.

should be complimented the cleanliness of the picnic. Pete Land with and the fire boys seem to better cooks each year.

Virginia Browder kept all of the roaring 20's. I with this group a short there was so much roaring hard to hear herself else as they were all a good time. I overheard Hutcherson say as I of the door, "I believe a lot prettier in 1974 were in 1925."

try to comment some 20's next week.

Adcock had as her Heritage Hall, Mr. and McCanne of Wilcox, the son of Mr. and McCanne, graduated review High School in wife, Pat (Adcock) from M. H. S. in 1954. from here in 1955. Pat have two daughters, Kam. Pet's sister, Mary, Mary Keeler and lives in Ind. She and her have 2 daughters Mary graduated from Lake in 1951. Paul and Anna Canne are now living in Ind. Pete is manager of grain company.

CONSERVE AND SAVE ON ELECTRIC COOKING

Today's modern electric range offers you a host of special features which assure uniform cooking results each time. You'll find that cooking electrically is clean, cool and economical.

For best results, use flat bottom utensils with tight fitting covers. Utensils of medium or heavy weight aluminum conduct heat faster, transfer heat evenly and respond quickly to temperature changes.

Match the utensil to the size of the unit. Use 8 inch units for large utensils. Use 6 inch units for small to average sized pans.

Use high setting for a quick start for any surface cooking, or to boil water quickly. When cooking temperature is reached, switch to a lower setting.

Do not pre-heat the oven for roasting or broiling, but do pre-heat the oven to the temperature given in the recipe for baking.

Select correct, measured heat. The accurate heat selector switch or oven thermostat enables you to select, exactly, the same correct temperature each time you use it.

For good heat distribution around the pans, when baking, they should not touch the sides of the oven or each other. Allow one inch clearance. Check for doneness at minimum baking time on recipe, don't keep opening oven door to peek.

Remember, Reddy supplies the energy—but only you can use it wisely!

We are glad to hear Johnny Sparas is home from the hospital and doing well.

Dr. L. B. Cooper Dies In Lubbock; Services Friday

Dr. Lewis B. Cooper, retired teacher at Texas Tech University and a native of Hall County, died at 9 a. m. Tuesday, Sept. 24, in Methodist Hospital in Lubbock.

Funeral services will be held Friday at 11:00 a. m. in the First Christian Church in Lubbock.

Survivors include one daughter, Mrs. Kenneth Leonard of Newburg, N. M., three granddaughters, one brother, W. A. Cooper of Denton and one sister, Mrs. Lynn Thompson of Memphis.

Local Fireman Attend Fire Control School

Last week local firemen from Memphis joined 391 firefighters from 47 area towns to participate in the First Canyon Area Fire Control School, which was held in Canyon.

Classes were conducted under the auspices of the Firemen's Training School, Texas A and M University Engineering Extension Service, and were sponsored by the State Firemen's and Fire Marshal's Association. Facilities were provided by the Canyon Fire Department.

Following a brief orientation, the firemen were transported to the drill field where they fought controlled fires in three separate projects, which included L. P. G. fires, truck spill fires, and house fires.

At the completion of the course the following received certificates: Gayle Gilreath, Bill Leslie, Chris Liner, Monte Rogers and Rayford Hutcherson.

Mrs. Mozelle Stringer of San Antonio visited here over the weekend in the home of Mr. and Mrs. Ross Gentry. Mrs. Stringer is a sister-in-law of Mrs. Gentry.

INSIST ON ANSWERS
TO THESE FIVE QUESTIONS
BEFORE YOU BUY A
SELF-PROPELLED

YOU BUY A PROVEN SYSTEM WITH A
Valley Self-Propelled

- Does it have real protection against rust? The Valley is almost totally galvanized for twice the life, and there's a 10-year warranty against corrosion. Know anyone else who even talks about corrosion protection?
- How accurately does it distribute water? Will it provide uniform distribution of water across its entire length? Does it have individual adjustment at each nozzle? Ours does.
- Is the resale value good? There are thousands of Valley systems across the country. Many are 16 years old and they're still operating. A used Valley is a valuable asset.
- How about reliability and maintenance? Steel wheels outwear rubber 4 to 1. No flats! No expensive tires to replace and re-mount! A simple water hydraulic drive eliminates expensive electric motors, switches, wiring, chains, and sprockets, generators and high pressure oil hydraulics.
- Is there good service available? Valley factory-trained servicemen to know every nut and bolt. He lives in your community, too, so he can get to your place fast.

Ask these five questions when you're looking at self-propelled irrigation. Then come see me to see how you can realize more with the investment in a Valley Self-propelled.

Herbert Currys Move This Week To Arkansas

Mr. and Mrs. Herbert Curry, who have lived in Memphis for many years, moved to Pierks, Ark., Monday.

During the years they lived here, they were in the grocery business. Mr. Curry was first with Vallance Foods and later purchased Memphis Grocery where both Mr. and Mrs. Curry were active in the operation of the business. They sold the firm some time ago and are now retired.

Mr. and Mrs. Curry sold their home here to Mr. and Mrs. Jerry Lane, who are moving here from Panhandle. Mr. Lane will serve as Director of Music and Education Ministries at the First United Methodist Church.

During the years they lived

here, Mr. and Mrs. Curry were active in community and club activities and the First Christian Church where they were members. Their friends regret to see them leave as they will be missed in the community.

Pete and Pat McCanne and Mr. and Mrs. Bunky Adecock and son, all of Wilcox, Ariz., and Mr. and Mrs. Butch Adecock and daughter, of Hedley visited here recently with their mother and grandmother, Lea Mae Adecock.

Mr. and Mrs. Gene Lindsey returned Sunday after visits in Dallas and Houston. In Dallas they visited Mrs. Lindsey's mother, Mrs. E. B. Gilmore, and brothers, Bailey and Jerry Gilmore and their families. In Houston they visited their daughter and family, Mr. and Mrs. Noel Clifton, Jr., and son Paul.

Mrs. David Hudgins Takes Ribbons At Tri-State Fair

Mrs. David Hudgins, local artist, won 5 ribbons at the Tri-State Fair in Amarillo last week.

Mrs. Hudgins entered 6 exhibits in the China and oil painting exhibit and won on five of the items placed in the show.

Another outstanding play, Don Davis and Duck Richards were defensive standouts again for us," the coach said.

"One of the key plays was Candy Reyes' big lick on Crowell's quarterback separating him from the football and allowing Dick Hirscherson to recover near the end of the game," he continued.

The coach indicated they were expecting a tough game at Lubbock Christian, but he felt with more favorable playing conditions the team's offense should show definite improvement. "We're really pleased about what we've seen in workouts this week from the offense," he said.

Joe Reyes had his best night as floated back on defense, blocked the key field goal attempt, and played well," the coach said.
