Jack Penton Is Winner of Nat'l. Enduro Here

1974 Cotton Boll National Enduro was a huge success according to the sponsoring organization and Trail Sport of Amarillo, and even the day of over 50 motorcycles Red River has been compared to 11 points, while Penton was winner in Class A dropping out Overall in Class A fortune of Webster riding a 400cc Husky Pentons were riding daily's Penton motorcycle on a 175cc.

Jack Penton, 20, of Ohio, the younger brother of Tom Penton, last year's winner, triumphed in the best ride of the year. Penton was awarded 11 points, while Tom Penton was second with 10 points. Penton was riding a 400cc Husky Pentons were riding daily's Penton motorcycle on a 175cc.

Jack and Tom Penton both agreed the year was difficult. "Last year's track was out five miles that for us, but this course was real compared with courses we ride." Gene Kysom dropped to be the best overall in the race. Penton attracted 600 entries in almost 600 cycles that about 60 completed without being disqualified. Some of the late. Some of the late.

A big crowd on hand Saturday afternoon street entertainment approximately 4,900 spectators were on the racing Sunday. Light during the afternoon, the course even more difficult.

Listing of winners in some classes had no finishing within the one-hour limit.

Jack and Trail Sport announced that Memphis site of another enduro year, although national may or may not be secured, as many as 600 riders expected for next year.

The number of rumors in Memphis, there riders who had to spend in the river, and no seen. There were quite who stayed with their bikes evening hours but returned Memphis after dark to retrieve cycles Monday of these were area residents.

Defending champion, Tom Penton, Jack's older brother (left), placed third with a cut of 24 points. They are from Lorain, Ohio, and ride the motorcycles which carry their family's name.

General Election Set For Tuesday

Services Held Saturday For Winnie B. Cassels

Funeral services for Miss Winnie Beatrice Cassels, 81, were held at 1 p. m. Saturday, Oct. 26, in the First Baptist Church Chapel with the Rev. C. H. Murphy, pastor, officiating.

Burial was in Fairview Cemetery under the direction of Spicer Funeral Home.

Miss Cassels passed away at 9:45 p. m. Thursday, Oct. 24 in Hall County Hospital.

Winnie Cassels was born Dec. 26, 1892, at Sunset and had been a resident of Memphis 64 years after moving here from El Dorado, Okla., in 1910.

She is survived by one sister, Mrs. S. A. White off Fort Worth, and a number of nieces and nephews.

Pall bearers were R. C. Lemons, Wendell Harrison, Hal Goodnight, James Jeffers, Billy Thompson and Gip McMurry.

Memphis Band Takes Div. I. In Marching

The Memphis High Marching Band earned a Division I rating during U. I. L. Region I, Conference A, Marching competition at Canyon Tuesday, the second straight year the local band has earned this superior grade.

Miss Carol Blain, director said, "Our band marched real well and had a good day during the competition."

Cyclone twirlers Shari Posey and Boycene Bruce each received Div. I ratings on twirling solos, and teamed up with Renee Wilson to receive a Div. I in a twirling trio routine.

Sandra Allen received a Div. II (excellent) and Renee Wilson received a Div. III (good) rating on twirling solos.

Miss Blain said, "We were one of four bands of the 15 competing in Class A to receive a Div. I in marching." It will take a Div. I in sight reading and concert to be judged a Sweepstake Band, an honor the local band barely missed last year.

Clyde Wilson, of Midland High, one of the judges said, "A well spirited and disciplined band, obviously well drilled. A nice uniform 8 to 5 stride, make the change to six."

Judge Bill J. Dean of Odessa High said, "Nice appearance... nice percussion into field, nice sound on fanfare, great footlift, alignment, good on first pass, good stride. Band marches with a lot of pride. First march a bit over repeated. Good alignment on halt at mid-field adjust a bit quicker on the group 'to the rear.' Careful when facing press box in block drill—also in full group—quality slips a bit. Band is well drilled—a nice show, fine group."

Judge Fred Prentice, Supervisor of Music of Wichita Falls said: "Good attention posture, nice freeze! You came on the field like you are proud, great! Sure is a pretty step—all look the same! Careful of spacing (front to back) when you switch to '6' also make kick out the same in this drill—also the halt, make exactly the same, don't lean on flanks. This group is eager to perform, few tried to early, but you do it with such enthusiasm. Sure enjoyed your performance! You really work at it! Keep it up!"

Indications are that there will be a "good" turnout of voters to cast ballots in the 1974 General Election on Tuesday, Nov. 5 in Hall County.

Mrs. Ruby Goodnight, County Clerk, reported today that 84 had voted absentee so far and that 5 p. m. tomorrow (Friday) is the last minute to vote absentee in the Hall County Clerk's Office.

Polls will open in the Memphis Municipal Building (Community Center) for boxes No. 1 and No. 13 at 8 a. m. Tuesday.

In Lakeview, voters will vote in the Grade School Auditorium, in Turkey voters cast ballots in the Turkey City Hall, and in Estelline voters vote in the City Hall.

Polls open at 8 a. m. and close at 7 p. m.

Leading the ballot in interest is the race for U. S. Representative for the 13th Congressional District, Incumbent Bob Price, a Republican, is seeking his sixth term. Jack Hightower, State Senator, a Democrat, is seeking to unseat the incumbent.

Five men are seeking the office of Texas Governor: Delph Briscoe (D) Jim Granberry (R), Ramsey Muniz (Raza Urda Party), Sherry Smith (Socialist Workers Party), and S. W. (Sam) McDonnell (American Party).

Voters will choose between three for Lieutenant Governor: Bill Hobby (D), Gaylord Marshall (R), and Dan Fein (SWP).

Three are in the race for Attorney General: John Hill (D), Tom Cole (R), and Pedro Vasquez (SWP).

For Comptroller of Public Accounts there are: Bob Builock (D), Nick Rowe (R) and Sas Scoggins (SWP).

For State Treasurer there are: Jesse James (D), and Robert G. Holt (R).

Commissioner of General Land Office has three candidates: Bob Armstrong (D), Mary Lou Grier (R) and William Rayson (SWP).

Memphis' Zack Fisher, a Republican, is winding up his campaign to unseat John C. White (Continued On Page 10)

Wallace Hoggatt Dies Wednesday; Services Friday

Wallace Linley Hoggatt, 63, died Wednesday morning, Oct. 30, at his residence at 309 N. 11th St., Memphis.

Funeral services for Mr. Hoggatt will be held at 2:30 p. m. Friday, Nov. 1, at the Travis Baptist Church with the Rev. Wilburn Coffman, pastor, officiating. Burial will be in Fairview Cemetery under the direction of Spicer Funeral Home with graveside services conducted by the Simmons-Noel Post of the American Legion.

Wallace Hoggatt was born Sept. 6, 1911, at Crystal, Okla. He attended college in London, England, West Texas State University and was a graduate of Eastern Oklahoma State Teachers College at Ada, Okla., and the University of Denver, Denver, Colo. A retired teacher, he taught at Allen Military Academy at Bryan. Mr. Hoggatt had been a resident of Memphis and Hall County since 1951. He was a member of the Baptist Church and a veteran of World War II.

Lakeview School Plans Carnival; To Crown Royalty

The Lakeview Junior and Senior Carnival will be held Friday and Saturday nights beginning at 6:30 in the gymnasium, according to Mrs. B. H. Cook, sponsor.

Booths will be set up and manned by each of the high school classes. A concession stand will be open with sandwiches, cake, pie, coffee and Cokes for sale. Entertainment at the booths will include Bingo, a cake walk, basketball, throw, ring the soda bottle, milk bottle throw, fishing, dart board, gun game and mouse race.

Friday night the elementary King and Queen will be crowned with crowning of the high school royalty to be Saturday night.

Jay Naman Attacks Administration For "Negative Thinking" Here Thurs.

The state Farmers Union president, addressing the annual meeting of the Hall County Farmers Union in Memphis Thursday night at the community center, attacked what he called "negative thinking" on the part of the Administration and the Secretary of Agriculture.

Jay Naman of Waco told the audience of more than 200 farm and ranch people that "the Administration hasn't taken one positive step to alleviate the grave economic conditions of livestock producers and cotton farmers."

T. W. Tippet, president of the Hall County Farmers Union, presided at the meeting, and introduced several out-of-town guests including Ron Knobel of Waco, state manager of Farmers Union Ins., who made a short talk and then introduced the speaker.

Naman said that Farmers Union has handed the Administration a positive program to solve the problems of depressed livestock prices and cotton markets. "We have set forth a positive program to reverse the serious conditions that exist, but our recommendations have been ignored," Naman said.

Naman charged that Secretary Butz is "unsympathetic" to the needs of farmers and ranchers, and said that the new Administration was following the same agricultural policies, dictated by the Nixon Administration.

"The Secretary of Agriculture could do much to correct our problems with a 'sweep of his pen,' and the Administration could (Continued on Page 10)

Memphis Plays Host To Silverton Owls Friday

The Memphis Cyclone will be playing at home again Friday night hosting the Silverton Owls with kickoff set for 7:30 p. m. The owls will be harboring upset hopes when they take the field.

The Cyclone comes into the game following a decisive victory over Clarendon 35-16 last Friday night in Cyclone Stadium. Silverton is hoping for an emotional let-down on the part of the host team to help offset the size advantage the favored Cyclones will have in the contest.

The Owls, however are a scrappy bunch of players on both offense and defense, winning both district openers against McLean and Claude teams by one-sided scores, before losing to Clarendon 35-0.

Coach Clyde McMurray said, "Clarendon's Kenneth King was just too much for Silverton to handle but otherwise the Owls played Clarendon real well."

The Owls are led by 175-lb., 6'-2" Senior Quarterback Ken Wood who passes and runs the football equally well. FB Carl Gallington, a 160 lb. senior, and HB Dean Ziegler, a 135 lb. senior are their running threats. Ziegler is their break-away threat this season.

Todd McJimsey, 176 senior guard and Dayne Mayfield, 200 lb. sophomore tackle are their best blockers for the Wishbone-T attack.

The Owls utilize a rover-type defense, similar to the defensive alignment employed by the Cyclone, and have been effective in most of their games this year.

THE CYCLONE

Coach McMurray announced that the Cyclones came through the Clarendon game in a healthy state and that "we are tremendously pleased with our team."

"I have never coached a group of young men who blocked an opponent so hard and so long and executed so well as our linemen and backs did against Clarendon Friday night," Coach McMurray said.

The coach said the team appreciated the local fans for their support, and that if fans enjoy seeing hard-nosed football, they should come out to all the ball games. There was standing room only at the Cyclone Booster Club meeting Tuesday night to view the Memphis-Clarendon film.

County Bank Figures Continue To Be High

County's three banks to show yearly record over figures from a year ago. Figures are published in statements of assets from the three banks.

Assets figure for the County is 6.5 million a year ago. As of Oct. 15, the combined total assets are \$30,406,254.48, a year at this time it is \$24 million.

Total deposits as of Oct. 15 of this year totaled \$27,007,866.11 or an increase of six million over last Oct. 17 figures.

Also increased is the loan figure of the three banks which has climbed to \$14,954,508.48, up \$2.2 million over 1973.

Statement of Condition of the First State Bank of Memphis, Peoples State Bank of Turkey and the First National Bank of Memphis are published elsewhere in this issue.

Prospects of continued economic growth in this area rely to a great deal upon the amount of cotton harvested and the price area farmers will get for their cotton this year. Estimates now are that the county will produce about one-half as much as last year and it remains to be seen what the cotton market will be doing when the 1974 crop is sold. Last year's abundant crop and high market prices are still reflected in bank figures this year.

EDITORIAL

Go Vote On Tuesday!

Tuesday, Nov. 5, is an important day in all our lives. It is the day adults vote. Don't make the mistake almost half of the eligible voters make each election year by staying away from the polls. Staying away is a mistake.

And when you go to the polls we ask you to vote your convictions, not your prejudices, vote with courage of doing right, not from selfish motives.

Also, this editor wants to make something perfectly clear. We endorsed the candidacy of Jack Hightower to be the U. S. Representative for the 13th Congressional District. That endorsement still stands and we urge all our citizens who support him to go vote in his behalf. With a good turnout at the polls in our part of the district, Senator Hightower's chances are improved.

Senator Hightower is a man we know, we trust, and we respect. We think he is the man for the job, hard working and dedicated.

Several other important races are on the ballot so plan now to go vote, mark the ballot carefully so that your vote can be counted accurately. Voting is the gift free men give each other.

If you are not pleased with the way things are going in the seats of government in our country, you can do something about it by going to the polls and voting. The 1974 general election is being described as the most important "off year" election in this century because of the situation.

Watergate and inflation are the two big issues in the political arena and voters will be reacting to both these situations. Because of Watergate, Americans have a President whom citizens did not cast a vote, prospects of a Vice President who has not held a national office. Inflation has seriously crippled the American middle and lower income citizens and is fast bringing this nation into a major recession.

Never in the history of this nation, has raw farm prices been so low and retail prices of farm products so high.

Like in wartime, Uncle Sams needs you to go to the polls and vote. Maybe if enough citizens will vote, some sound decisions can be made to improve the future of our country.

Something for every member
of the the family!

Cloudy Issues

We are going into the final week of a political campaign and will cast our ballots on Nov. 5, at the general election.

The candidates have been out in force for some time now but it seems like a mild campaign, primarily because the issues are cloudy.

Our Congressional candidates are working on the chief issue — inflation and the cost of living. Both men promise to do the same thing about it, cut federal spending, but it remains to be seen if any Congressman can make a ripple on the pond.

The economy is the big issue and the least understood. Nobody understands the economy. Candidates don't understand it. Voters don't understand. Newspaper people don't understand it. Economists don't even understand it.

There is no general agreement on what has caused inflation and certainly no agreement on what to do about it. President Ford has asked all of us to spend less and tighten our belts, but practically nobody has yet given up a single simple comfort in the name of inflation fighting.

In our area, where the cattlemen are shell shocked and the farmers are nervous over price prospects, there ought to be a simple and clear statement that would reassure folks in the agriculture areas. But here again, we don't seem to have much of an agreement. There are those who want a return to the government subsidy and guarantee plan but others are just as adamantly opposed to it. Any candidate with strong opinions on agriculture finds various segments of that industry in disagreement so he can't take a strong stand.

About the only understandable thing that can be said about the economy right now is that it's bad and something ought to be done about it.

That's a reasonably sound opinion. The trouble is, nobody disagrees with it so candidates can't fight about it, and after you get past that point nobody knows what anybody's talking about.

With the issues so cloudy, and clearcut answers so few, this Congressional race will likely be settled, as most of them are, on the basis of personality.

How a candidate comes across to the people he meets is of prime importance. People might not remember just what it was that he said, but they will remember that he was a nice fellow, that he

seemed to be surrounded with good folks, and that he appeared capable of getting the job done. Both of our Congressional candidates have a track record that they are proud of, one in the U. S. Congress and the other in the Texas Senate.

It's going to be a horse race, and the candidate who can somehow motivate his supporters to the polls in November 5, will of course win the race.

ELECTRICITY

We Couldn't Do Without It!

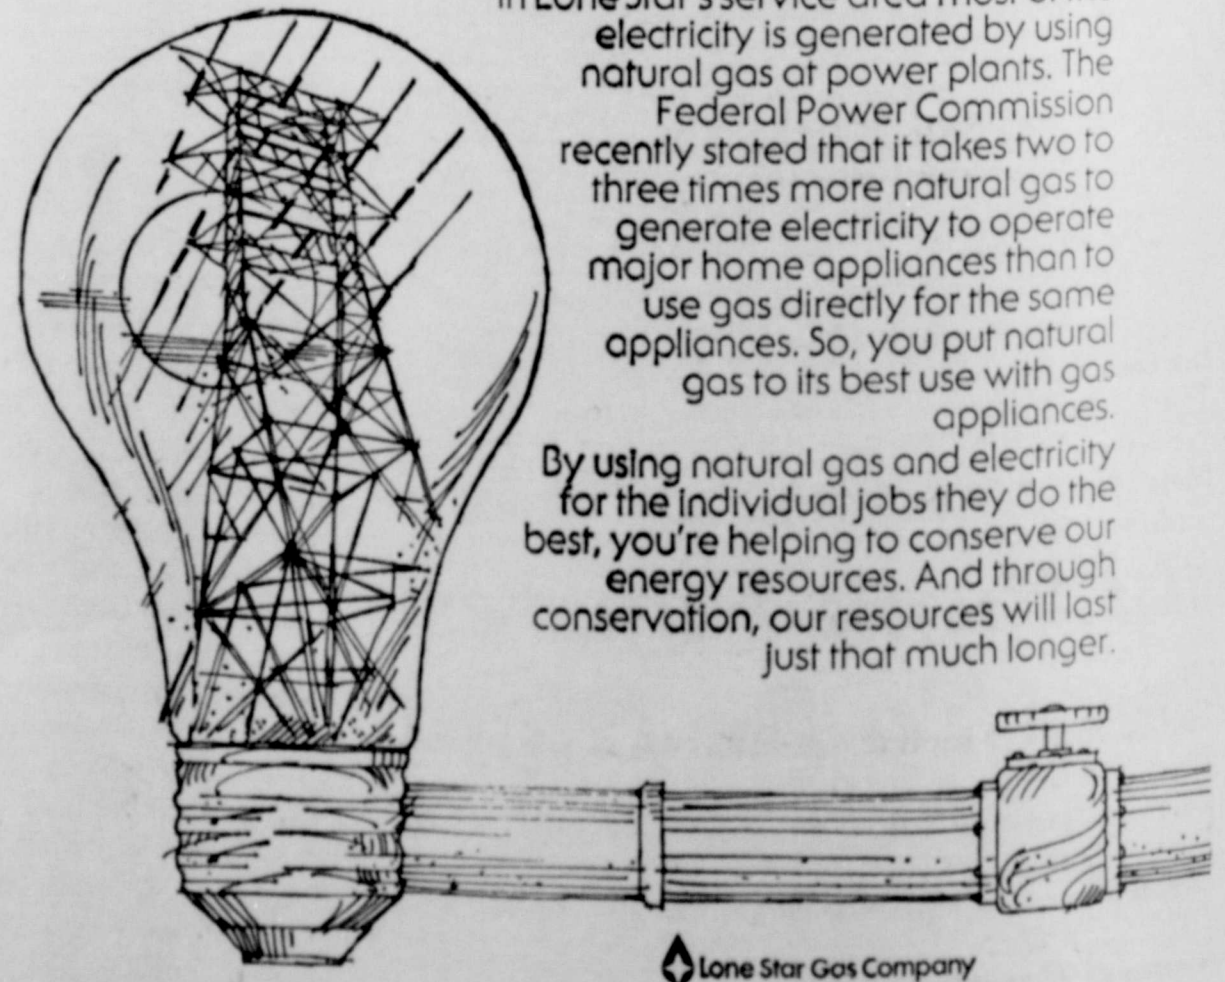

You might think that is an odd statement for a natural gas company to say about electricity. But it's true! There are some things that only electricity can do...like lighting, refrigeration and the many other jobs that it does so well and so easily. But—

NATURAL GAS

Generates The Electricity You Use!

In Lone Star's service area most of the electricity is generated by using natural gas at power plants. The Federal Power Commission recently stated that it takes two to three times more natural gas to generate electricity to operate major home appliances than to use gas directly for the same appliances. So, you put natural gas to its best use with gas appliances.

By using natural gas and electricity for the individual jobs they do the best, you're helping to conserve our energy resources. And through conservation, our resources will last just that much longer.

R. B. Phillips Visit Relatives in 3 States

Mr. and Mrs. R. B. Phillips returned last Thursday from a four-day vacation in Belle Vista Village, Ark., and then spent three days with her brother, Mr. and Mrs. E. E. Posey of Cabool, Mo. They spent Monday night visiting their daughter, Elaine and John Trussell, who are senior students at Southwestern State University, Weatherford, Okla.

John, a senior student in the School of Pharmacy, had just received word that he had been named to the 1974-75 edition of "Who's Who Among Students in American Universities and Colleges." A recognized institution of the American academic community, this Who's Who award is conferred annually upon outstanding student leaders. Over the past 40 years more than 1,100 colleges and universities have adopted this program as part of their annual campus honors. Selections are made by campus nominating committees and are based on decidedly above average academic standing, community service, leadership ability and future potential.

Tops Gilreath Named Director Spelling Bee

Miss Tops Gilreath, Hall County Superintendent of Schools, of Memphis, has been named to direct the 1975 Spelling Bee for Hall County.

The 27th annual Regional Spelling Bee—co-sponsored by the Amarillo Globe-News and West Texas State University—will be held in Amarillo on April 26, 1975, and the place will be the Stephen F. Austin Junior High School.

Students in the public and parochial schools are invited to participate. All details may be obtained from the county bee director.

The national sponsors—the Scripps-Howard Newspapers—establish the rules for the annual Bee competition. Any student who will not have reached his or her 16th birthday or gone beyond the 8th grade at the end of the current school term, will be eligible to compete.

The Amarillo Globe-News-WT SU Regional Bee is unique in that it also offers a chance for the elementary grade students to compete. Boys and girls in the sixth grades and lower may spell in the junior division and each county will select a champ in this division. The elementary county winners do not compete in the regional elimination contest in Amarillo unless he should hold both junior and senior championships.

The area assigned to the Amarillo Globe-News and West Texas State University covers 46 counties: 29 in the Texas Panhandle, 10 in Oklahoma, four in New Mexico and three in Kansas. Each county bee director has complete control of his county contests and he may conduct his contest as oral or written competition. The Amarillo regional event will be oral.

For many years the schools have used the "Words of the Champions" booklet, prepared by the National Spelling Bee. The 1975 issue may be obtained by writing:

Spelling Bee Editor
Amarillo Globe-News
P. O. Box 2091
Amarillo, Texas 79166
The price of the booklet is 25 cents.

The champions from Hall County in 1973 were:

Senior Division: Jayne Eudy and she was a student in the Valley Schools and was from Turkey. Junior: Ramon Chavira and he was a student in the Valley School and was from Turkey.

One of the 46 county champions to compete in the Regional Bee will win a free trip for himself (and a chaperon) to Wash-

SERVICE AWARD—Mrs. Bessie Dunn is shown above receiving her five-year service pen from Perry Bros. No. 74 Store Manager Dale Lawrence. Other store employees joined with the manager in congratulating her for dedicated service with the manager in Perry's. "We are looking forward to many more years of faithful service and association with her. It has been a pleasure working with Mrs. Dunn since coming to Memphis," Manager Lawrence said.

BYRON BALDWIN

Mrs. Sam Jackson had as her guests in Heritage Hall Mrs. Inez Walsey and Mrs. Leta Williams of Bowie; also in the group was Mrs. Frances Brewer of Forestburg. The three ladies are sisters of the late Sam Jackson and all three of them are widows. They were born in Montague County. Their great-grandparents moved to this county before the Indians moved out which was over 100 years ago. Their parents, Mr. and Mrs. Sam Houston Jackson, were born in this county. There were 10 children in this family, 5 sons and 5 daughters. Four daughters are the only survivors. The other sister now living is Mrs. J. M. Johnson of Buffalo Gap. This group were all very complimentary of Hall County Heritage Hall.

We received a letter the past week from E. C. (Clinton) Holt of Lake Kiowa. He told us how much he enjoyed his visit in Memphis and Heritage Hall and is sending some photographs of the early days. He sends best wishes to all and is planning on coming back when he has more time to visit in his old home county.

Our own Jerry Leverton, who is with the Texas Highway Patrol, may grow to be a large man from the account of another Bill Leverton of Port Huron, Mich., who works with the Highway Department. He shed a record of 417 pounds in 32 months after being told by his boss to lose some of the excess weight. He joined the Weight Watchers and at that time, he weighed 640 pounds with a waist measurement of 74 inches and a collar measurement of 22 inches. The 6 foot, 3 inch Leverton now weighs 223 pounds and hoped to get his weight down to the 200. This may be a relative Jerry did not know about.

Other guests in Heritage Hall were Mary (Gardner) Davis of Paducah and her cousin, Jack White of San Antonio.

The Geary Brogden family is moving this week to their new field in Amarillo. It is with regret that we lose this family as they have meant a lot to our community in working with our young people and giving them the right out look on life. Our best wishes to them in their new field of work.

Mr. and Mrs. Weldon Ross of El Monte, Calif., were visitors in Hall County Heritage Hall the past week. Weldon will be remembered as the son of Mr. and Mrs. Marvin Ross who are both now deceased. The family moved to Hall County in 1905. Marvin operated a meat market in Memphis several years before moving to Shamrock and working for the Lewis brothers. There were 6 children in this family. Four are now living. Weldon attended school here and he remembered Miss Ezzell was one of his teachers and Dick Huddleston was one of his schoolmates. He left Memphis in 1934 for New Mexico and back to Hall County in 1940, served four years in the Army and then back to California. He married Elyse Headley of Omaha, Neb., in 1950. I asked Weldon if he was here for the Enduro Races and he gave me a quick reply, "No," as he rode motorcycles for several years until about 6 years ago. On one of his many rides, he wrapped the motorcycle on a post breaking his shoulder and arm and he had to give up his trade as a plasterer. He and his wife seem to like Heritage Hall very much and are coming back for a longer visit.

"Singing in the Rain" was very appropriate with all the rain we had. Grundy and 12th Street could have been named "Canal Street". On a coffee break, I heard Thurman Ellerd, Chubby Waddill and T. J. Spry humming and singing that old song, "I get the Blues When it Rains". I found out why these three were singing this song. All three of them had their alfalfa hay cut lying on the ground soaking up

I wish I had space to mention all of the entrants in the parade, but I guess they will be in another section of this week's edition. Branigan's blue and silver dressed up float just barely got the blue skirt off before it started raining again. On Saturday night while driving by the Community Building, you could get the odors of hamburgers as the Lions Club was having a wholesale cooking of this famous food.

Picnics, Enduro Races and other celebrations do not just happen as it takes the cooperation of a lot of people to put it over.

If I ever get me a side show at

the State Fair, I want to hire Lester Campbell for the barker as he did an outstanding job as Master of Ceremonies for the parade. He even recognized the one-year-old driver on the green tractor.

Dr. and Mrs. Robert Clark were in Waco over the past weekend visiting with their son, Bobby Clark, and attending homecoming activities at Baylor University.

John Shadid left Saturday for Dallas where he will attend the fashion market the first of the week.

This past week has been a most successful one for the people of Memphis. Our Memphis Cyclones beat Clarendon Friday night, the High School Band was awarded a Division 1 and the 3rd Annual Cotton Boll National Enduro was the best race ever to be held in Memphis.

The one area that made the Cotton Boll National such a great success was the complete cooperation and "good neighbor" help of our local farmers and citizens to the stranded bike riders. I don't begin to list all of the people who were out all day and night Sunday and Monday helping with the Enduro. To the people who had an active part in

the Enduro, our thanks to you. We will again sponsor the Cotton Boll Enduro next year and your support and cooperation with this annual event is certainly appreciated.

Elmton Branigan and Arnold Cruze did an excellent job with our press correspondents all day Sunday. We had representatives of television stations KVII, Channel 7; KFDA, Channel 10; KGNC, Channel 4; plus a reporter of the Cycle News out of Austin.

Other representatives of the press were Bill Combs, Memphis Democrat; Brenda Durrett, Amarillo Globe and James Floyd, KBGH Radio. Our press coverage of the Enduro has been excellent and all of those who helped with the press, our thanks.

The Amarillo Dune Buggy Club with the help of our local dune buggies, were a tremendous help all day and night Sunday. Local dune buggies of Gus Orcutt, Eddie Braidfoot, G. D. Hall, Neal Hindman, plus the flying help of Arnold Cruze and Elmer Neel were very helpful. Many local farmers were out in the mud Sunday also helping and I'm sorry I didn't get their names. Several rural residents in the Parnell area not only got up early in the morning to help riders but also fed and brought the bike riders back to town. I don't believe there was anyone in Hall County that failed to help out in some way. This type of kindness makes me proud to be a part of this community. All of the Enduro contestants were just overwhelmed by the kindness shown them and expressed their desire to return to Memphis and visit with their new friends and neighbors next year. I guarantee that the people of Memphis are highly regarded by our visitors with the Enduro this past week.

Some of the farmers who helped with the Sunday race were Jack Thunderbird, Cecil Whitten, Raymond Whitten, Warren Whitten, Jimmy Don Molloy, Tom Cope, Danny Scarbrough, Don Cockrell, Don Ferrel and many more whose names I failed to get. The Whitens have again done an excep-

tional job of finding lost bikes in the Red River area.

Saturday afternoon activities started off with the parade, live music provided by the Cyclone Band and Big Texan Band and concluded with the hamburger feast and Trophy Girl contest. Chamber members Bill Crane, Larry Parks, Jim Markgraf were the chairmen of the Saturday activities and our thanks to the members of the Lions Club for their help with the hamburger feast. We fed about 300 people and 200 people were on hand for the crowning of the Trophy Girl who is Sydney Johnson, daughter of Mr. and Mrs. D. S. Johnson, Jr. Crowds of 4,000 were on hand to view the Saturday parade and Sunday race. Parade winners were: Floats, 1st, Hedley Lions; 2nd, Branigan Jewelry; 3rd, Security State Bank, Hedley; honorable mention went to 3rd and 4th grade of Hedley and First National Bank of Memphis. The Wellington Cycle Club won 1st place in the non-float division. Other entries in the Saturday parade were Fort Sill, Okla., Big Texan Steak House of Amarillo, Brownie and

Girl Scouts of Memphis, Harrison Hardware, Messick Equipment, Shields Implement, Big O Restaurant, Memphis Little Theatre, Blossom Shoppe, Thompson Bros., Model A Club of Amarillo and lots of out of state motorcycles. Again, thanks to the folks of Hedley who made our parade such a success. Lester Campbell and Eddie Gable did the honors of Parade MC's and Hubert Dennis was Parade Marshall, while William McQueen and the Memphis Boy Scouts assisted with the

all day activities.

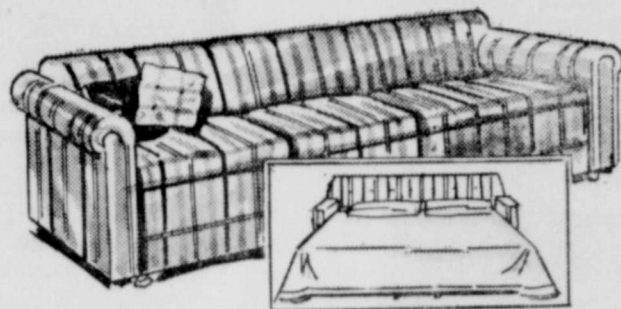

There were no stranded bike riders in the River Sunday night. Several riders chose to spend the night to watch their bikes, but none were stranded. There were no serious accidents this year with the Enduro. We had reported from Hall County Hospital one broken arm and some riders with minor bruises, etc.

Bruce Bros. Mobil, Elliott Exxon, Sperry Shamrock and Carroll's Texaco are the only service stations who are members of the Memphis Chamber. These businesses are investing in the future of this community and have hired the Chamber to work for them in various areas such as sponsoring the Cotton Boll Enduro.

Memphis Defeats Clarendon 35-16 In Crucial District Game

Memphis Democrat—Thurs., Oct. 31, 1974

The Memphis Cyclone offense put 35 points on the scoreboard while the defense held Clarendon to 16 points giving Memphis a crucial victory in District 2-A warfare Friday night.

Cyclone Stadium was packed as the largest crowd of football fans in years assembled for the key game of the 1974 regulation season.

Memphis was favored by area sportswriters on the strength of a more solid defensive record, but Clarendon fans based their hopes on the ball carrying ability of Senior Tailback Kenneth King to crack the Memphis defense.

As the game turned out, it was the balanced attack of the Cyclone offensive unit controlling the football, especially in the second half, coupled with the stubborn defense which won the game for Memphis.

Clarendon Coach Clyde Noonkester, after the game, in an interview, said the Memphis team was the best his teams have ever had to face. He called the Cyclone a well balanced ball club.

Coach Clyde McMurray saw after the game, "Fred Alexander played real tough, it was his best game for us."

The Cyclone offense rolled up 383 yards on the ground and 72 via the airways enroute to putting 35 points on the scoreboard.

Clarendon, on the other hand was held to less than half this amount, making 160 yards rushing and 34 passing, scoring 16 points.

Coach McMurray praised the offensive line of the Cyclone, he cited Center Ed Hutcherson, End Buddy Ballew, Guards Matt Monzingo and J. D. Evans. Tackles Candy Reyes and Kenneth Fields for opening the holes to make possible the effective rush attack of the Cyclone.

The Bronchos, now 2-2 in district play, are possibly out of the district race. Memphis extended its season record to 7-0 and is 4-0 in district play, the only undefeated team in the conference.

The first half was a real seesaw battle which the Bronchos were able to lead by three points, 16-13. Clarendon fans were jubilant at halftime, predicting an upset victory over Memphis.

The Cyclone scored first driving 72 yards in 11 plays, with FB Don Davis blasting into the endzone on a 9-yd. run. All the yardage was picked up on the ground as FB Davis was the leading rusher in the drive picking up 55 yds. on 6 carries. Charles Bryley added the point after and the score was 7-0.

Clarendon came right back to drive the ball 63 yards in nine plays with Kenneth King making all the yardage on eight carries. King scored on the eighth carry from the one-yard line, but his kick for a point after touchdown was missed.

A fumble recovery by Clarendon's David Lewis on the Memphis 20, set up the Bronchos for another touchdown, but the Cy-

Other Cyclones pictured are No. 74 Kenneth Fields, No. 44 Fred Alexander (right), and in the background the face of Guard Matt Monzingo. The play went for nine yards behind brilliant blocking.

clone defense came on strong to stop King and the Bronchos, and Clarendon elected to kick a 30-yd. field goal. King's kick was good and the score was 9-7.

Clarendon stopped a Cyclone drive at the Broncho 30, was held and punted. On the return, a clipping penalty moved the Cyclone back to their own 13-yd. line.

The Cyclone engineered an 87-yd. scoring drive which took nine plays, Fred Alexander was the leading rusher in this drive making 45 yards on three carries. HB James Beck scored from the 9-yd. line on the power play to the right side. Ed Hutcherson, Matt Monzingo, Candy Reyes and Buddy Ballew, opened the way and a lead block by Fred Alexander and the hard running of Beck nudged the ball over for the score. Beck carried on a two-point conversion, but was stopped shy. The score was 13 to 9.

The Bronchos came back to score on a 70-yd. drive with the scoring play a 9-yd. jump pass from Randy Croslin to End Eddy Eads. King kicked the point after to make the score 16-13.

Memphis got another drive going but lost a fumble about mid-field, just before the half ended.

The momentum in the game began turning Memphis' way in the third quarter as the Cyclone offense continued to grind out yardage in big chunks. First was an 88-yd. drive in 18 plays, cli-

maxed by the most sensational pass play of the season for the Cyclone.

The ball carrying ability of Fred Alexander who picked up 50 of the 88 yards in this drive was outstanding.

The scoring play was a 26-yard pass from QB Ricky Miller to wide receiver James Beck in the end zone, and Beck made a leaping catch on the football for the touchdown. He was mobbed in the end zone by Memphis players. The point after kick off Bryley's toe was good to make the score 20-16.

The Bronchos offensive attack which had been somewhat effective the first half, did not have the execution which made it so successful. King's longest gain was for four yards the second half and the Bronchos had to go to the airways to move the football.

Memphis came into possession

following a Clarendon punt into the endzone, on the Memphis 20.

The most exciting run of the game, an 80-yd. carry by FB Don Davis, straight up the middle of the field, followed, but the play was called back on a down field clipping penalty.

Two interceptions by Safety James Beck set up both the Cyclones final touchdowns.

Beck intercepted a pass in the left flat near the Clarendon 45 yard line and returned the ball to the 28 before being tackled.

Two running plays with Alexander carrying moved to the Clarendon 15. On the next play FB Don Davis went through a hole opened by Kenneth Fields and J. D. Evans and went the distance. Bryley carried on a two-pt. conversion to make the score 28-16.

In the closing seconds of the game, QB Miller passed 16 yards to End James Beck who was uncovered in the endzone for the final TD. Bryley kicked the point after.

Farmers In Hall County Gross \$78,131,000

NEW YORK, Sept. 21 — For Hall County farmers, 1973 was the most successful year they have had in a long time, according to the final tabulations, just

released.

For many of them it was the most prosperous year they ever had. It compared favorably with farm and ranch results in many sections of the country.

Following as it did upon a relatively good 1972, it enabled the farm community to recover somewhat from a number of lean years. With their operations well in the black, they were able to reduce their debt load and to purchase some needed new equipment.

Although gross receipts reached a record level, so did operating expenses as inflation sent farm costs soaring. However, the gap was sufficient to produce a new high in net income.

The findings are based upon a national survey released by the Standard Rate and Data Service and upon reports from the Department of Agriculture and others.

In Hall County, SRDS reports,

farm receipts amounted to 131,000.

The figure represents receipts, before any allowances for taxes, supplies, labor, maintenance and other operating expenses.

Included are the receipts from the sale of products, together with payments and the value of home-grown foods consumed on the farm.

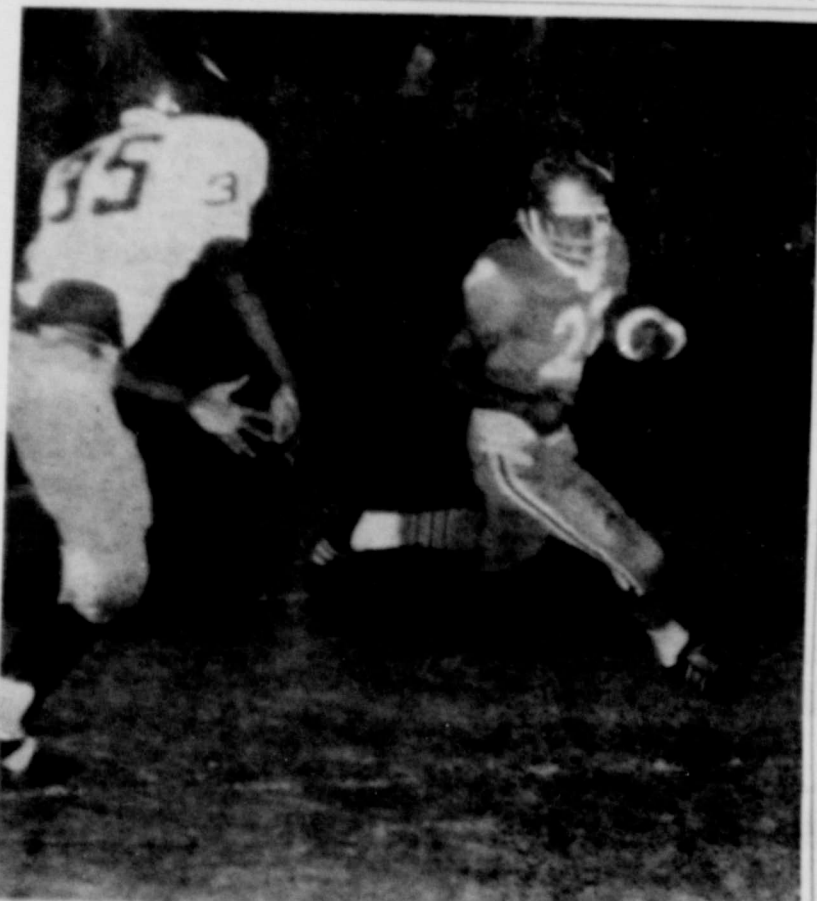

Of the total amount received locally from the sale of products, approximately 54 percent came from crops and 46 percent from marketings of poultry and dairy products. The Department of Agriculture reported that the year's opening was due to a combination of factors, including the good weather conditions prevailed throughout most of the year, in contrast to what happened this year. The prime factor in the increase that were obtained.

NOTICE

To farmers and other individuals who have trailers and other machinery left beside the chain length fence in the City Oil Mill property.

These items must be moved immediately as leasee Traders Oil Mill of Fort Worth wants to begin operation in the facility.

CITY OF MEMPHIS

DAVIS SCORES—FB Don Davis averaged 8.0 yards per carry to be the game's leading rusher, with 161 yards and in the process scored two TDs, one on this 8-yard run in the first quarter. Clarendon's Center Linebacker Kenneth King is shown giving chase.

Zack Fisher
Agriculture
Commissioner

TO THE VOTERS OF HALL COUNTY

On November 5th, you will go to the polls to elect nine state-wide office holders and your U. S. Congressman. This year for the first time in Texas history state officials will be elected to serve four terms. It is important that you give the election this year your full attention because there will not be an opportunity two years from now to change if you are not satisfied with the representation of your elected state officials.

I am a candidate this year for Texas Commissioner of Agriculture and one of the nine state-wide hopefuls. My family and I moved to Hall County and Memphis in 1965. It is our home and during the last nine years we have grown to love and enjoy Hall County and its people. As most of you are aware I am in the insurance business and I appreciate the support and trade my business has received. I am an active farmer and rancher and feel like I understand the problems that we face in agriculture today. I have had political experience in Washington, D. C. and in Austin and feel like I know how to handle myself in the political arena.

The incumbent Commissioner of Agriculture has served in that capacity for over twenty-four years. He has the endorsement of AFL-CIO. We all know what unions have done to agriculture and what we stand to lose with organized farm labor. He has never farmed, to our knowledge, a day in his life. He was co-chairman for George McGovern during the 1972 election. Although he is the second longest serving state Commissioner of Agriculture in the nation, he has never been elected as an (officer) of the National Association of Commissioners.

Texas is a big state and in my effort to campaign state-wide I have spent little time in Hall County. By no means have I taken for granted the voters of Hall County, because past election results indicate a repeated strong vote for democrats. So, my family, Texie, Kelli and Kevin, take this method of asking for your vote on November 5th. Win or lose, Memphis will still be our home and its citizens will still be our friends. I hope I can count on your vote and I assure you that you can count on me to represent Hall County if elected.

Sincerely,
Zack Fisher
Candidate
State Commissioner of Agriculture

Voting Pool of 3,850 Listed For Hall County

NEW YORK, Oct. 19 — A big question mark in political circles, in Hall County and elsewhere, is how the public will react at the polls next month.

What effect will the Watergate scandal and other improprieties that were brought to light in the past year have on the attitude of local voters when they go to the polls?

Will the outcome be based upon an overriding desire to clean house or will bread and butter issues dominate the decisions?

Also a matter of guesswork is how many will turn out to vote.

Clean soil should be placed over the crystals so as to form a cone-shaped pile about six to eight inches high around the base of the tree. This soil should be removed from the base of the tree in late March or early April.

The amount of PDB crystals to be used is determined by the age and size of the tree. In general, one-half (1/2) ounce of crystals should be used for two to three year old trees, three fourth ounce for four to five year old trees and one (1) ounce for mature trees.

Where peach tree borers are a problem, the use of this control measure for this pest will greatly lengthen the life of the peach tree. Further information on control of the peachtree borer is available at the County Extension Office in the Courthouse.

Although it is not a presidential year it is an important one, with representatives to be elected in every state and with senators and governors to be chosen in two-thirds of them.

One thing that is a matter of record is the number of local people who are eligible to vote and the proportion of them that cast ballots in other years.

The facts and figures are based upon statistics compiled by the Department of Commerce and upon data from other sources.

They show that, in Hall County, there are now approximately 3,850 men and women of voting age. This includes the 18, 19 and 20-year-olds, who are now eligible.

Thus, some 69.7 percent of the local population are now qualified by virtue of age, to vote in the forthcoming election.

By way of comparison, in other parts of the United States the average is 65.6 percent. In the State of Texas it is 64.1 percent.

Surprising to many people who voted to extend the franchises to those between 18 and 21 was their small participation in the 1972 election, the first in which most of them were eligible.

Of the 11.5 million or so who

might have voted, less than half cast ballots, a much smaller ratio than for the rest of the population.

Thus far, instead of being unified in support of particular candidates, as was thought possible, they have been divided pretty much the same as have older voters.

This year, reports the Commerce Department, there will be a total of some 145 million people in the nation's electorate, an increase of 20 million since 1970.

 More Jobs and New Industry
 Helping To Fight Inflation

The economic situation in the 13th Congressional District has been improving each year independent of national trends. The increase of activity is due to an aggressive attitude in encouraging new firms to move into the area and existing industry to expand. The northwest Texas district is now reported to be the fastest growing industrial area in the state and one of the fastest in the country. Let's continue our economic expansion.

Delphian Club Sets Dinner For Nov. 20

The Delphian Club annual luncheon has been set for Sunday, Nov. 10, from 12 noon to 1:30 p. m. in the Memphis Community Building, it was announced this week.

A traditional turkey dinner will be served. Proceeds will be used for the proposed re-building of the Memphis Public Library, instead of a college scholarship, as in the past.

For several years this luncheon

Volunteers For 4-H Proj. Training To Meet Nov. 7

All persons interested in volunteering to work with a group of girls in 4-H Foods and Nutrition project in Hall County are encouraged to attend the Project Leader Training Meeting to be held at 10 a. m. Thursday, Nov. 7, in the Conference room adjoining the County Agent's office in the courthouse, according to Miss Pam Wallace, Assistant County Extension Agent-at-large.

Training for the Foods and Nutrition youth projects will include what the project consist of, how to teach the educational material and how to conduct a project group meeting. Those not interested in Foods and Nutrition, but maybe favor some other area of youth work are welcome to attend the training also. It will give a general picture of the type of training session, Miss Wallace said.

At 2 p. m. on the 7th, at the same meeting, Miss Wallace in-

has introduced the Thanksgiving dinner in Memphis and has been greatly enjoyed by those attending, it was stated. It will be a time of good food, good fellowship, and ample time for visiting.

Tickets are now on sale at \$3.00 for adults and \$1.50 for children under 12. They may be purchased from any Delphian Club member or by contacting Mrs. Wayne Sweatt, Mrs. Henry Hays, Mrs. Kenneth Dale or Mrs. Ben Moss.

A cordial invitation is extended to all to enjoy a delicious meal, join old friends and meet new ones. "We will be expecting you," members of the club stated.

invites homemakers and other interested persons in the county to attend a meeting aimed at Adult Home Demonstration work. She will discuss the process for setting up either a Home Demonstration Club, or an Extension Home Economics Study group. She will explain the purpose and procedure and explain how she works with this adult phase of the on-going Extension Program.

The Home Economics Program of Extension work offers a variety of areas of work and interest for both youth and adults, Miss Wallace stated. "If you are interested in these two areas of work being started now, please make plans to attend the meeting for the area you have decided to take part in," she concluded.

Young Homemakers Announce Meeting Date As November 4

The Memphis Young Homemakers will meet in regular session on Monday, Nov. 4, at 8

p. m. in the High School Home-making Department, according to members.

The program will be on breads and will be presented by Helen Gribble. Also, members are reminded of the masquerade party—Mexican supper for members and their husbands on Nov. 2 at 7:30 p. m. in the First National Bank Bronze Room.

Coach McMurray said the Cyclone will start with a backfield composed of QB Rickey Miller, FB Don Davis, HBs Fred Alexander and Charles Bryley. James Beck will be split end and Buddy Ballew the tight end.

Linemen will be Tackles Kenneth Fields and Candy Reyes, Guards J. D. Evans and Matt Montingo, and Center Ed Hut-

cherson.

Defensively, the only lineup change might be Chuck Chappell in the place of Duck Richards at tackle as Richards has an allergy skin condition this week. "I'm expecting Duck to play some for us, he'll be suited out and ready," the coach said. Beck will probably be back in center safety.

"The Clarendon game was a big game for us, especially many of our junior starters. This was the first really big crucial ballgame of the football careers. They all performed beyond our expectations and deserve special recognition," the coach said.

The Memphis coach said that he doesn't expect the Memphis players to have a let-down against Silverton. "We may not execute quite as sharply but I expect the Cyclone will play hard-nosed football. That's the type of team we have this year. We do our best playing when we run at our opponents," the coach said.

The president of the state-wide farm group called for more unity in agriculture. He said that Farmers Union has pledged to work with other groups toward solving agriculture's problems. "Farmers and ranchers can no longer afford the luxury of being divided along commodity lines. We must work together as a unit and approach the problems of agricul-

ture with a solid front," Naman said.

Table decorations at the banquet carried out the fall theme and featured miniature cotton bales. Postex Mills, Hall Plant had an interesting cotton display.

After the invocation a delicious chicken barbecue dinner was served.

During the meeting, a number of attractive door prizes were donated by local merchants. Also, Mrs. John Binkley, secretary-treasurer of the organization, was presented with a gift by the president.

Miss Donna Ferrel and Miss Jo Ann Berry were recognized as they attended the Farmers Union Camp near Merkel last summer as delegates from the local Farmers Union.

LETTERS

To The Editor

Clarendon, Texas
Oct. 26, 1974

Dear Sir:

I lived in Memphis years ago, and knew, and loved, many people there. I find it all but impossible to believe that the town has changed so much that the people and their sons and daughters would actually stand up and cheer because they had injured a player on an opposing football team.

Surely to goodness, there are still people there who are embarrassed, and humiliated, at the un-sportsman like conduct of their Memphis football team.

I, for one, certainly think they owe Kenneth King, the Broncho football team, and the people of Clarendon an apology.

Thank You,
Nancy Stanford Sheiton

Mr. and Mrs. Steve Miller and daughter of Graham and Mr. and Mrs. Mike Helm of Wichita Falls spent the weekend here with their parents, Mr. and Mrs. James O. Miller. The Mike Helms also visited his parents, Mr. and Mrs. Leon Helm and John Paul.

The Pathfinders Council met Oct. 22, in the home of Mrs. J. J. McDaniel, Mrs. J. F. McIntush, president, presided over a short business session.

The club decided on sending a Christmas box to the home in Vernon. The club welcomed Mrs. Dorothy Duncan as a new member. Mrs. Brown Smith gave the opening prayer.

The program was on Conservation. Mrs. Brown Smith introduced Mrs. William Reeder, Range Conservationist.

Mr. Reeder showed slides of wild flowers of Hall County and gave the history of each flower with their uses for ranch land that has been over grazed. Many of the flowers and their branches are food for cattle, deer and birds. Also some of these flower's roots were used for food by the Indians. These beautiful flowers are found over the Texas Panhandle.

Mrs. McDaniel served a lovely plate to the following members: W. D. Young, Brown Smith, Cecil Adams, Joe Eddins, J. F. McIntush, Robert Breedlove, A. Gidden, E. R. Orcutt, Valmon Payne, Hester Bownds, W. F. Ritchie, Dorothy Duncan and the hostess, Mrs. McDaniel.

CARD OF THANKS

I want to thank each one of our friends and neighbors for their kindness and love that was shown during the death of our brother.

Slim and Bill Sisk

Mr. and Mrs. Mike Branigan and children are vacationing in Santa Fe, Albuquerque, N. M., this week.

Medicare Fraud Scheme Uncovered

By Travis C. Briggs
District Manager
Amarillo Social Security Office
The Newport Hospital and Clinic, Newport, Arkansas, and its former President, Dr. Thomas E. Williams, pleaded guilty Oct. 5, in Federal Court at Little Rock. Dr. Williams faces a possible maximum sentence of fifteen years and a \$30,000 fine. The hospital faces a possible \$40,000 fine.

The fraud scheme involved adding an extra day of hospital care to bills submitted to Medicare. In addition, numerous personal expenses were included as hospital expenses which resulted in improper payment. For example, such things as a \$2,500 diamond brooch, a \$500 venison dish and tray and \$452.45 chain were included as hospital expenses.

This is the first case of Medicare fraud directly involving a hospital that has been prosecuted in the five state Dallas region. A number of Medicare fraud cases against physicians and other providers of medical services have been prosecuted in recent years.

Mr. Travis C. Briggs, District Manager of the Amarillo Social Security District Office stated that the majority of physicians, hospitals, and other providers of health services are interested in providing quality health services and file valid claims for reimbursement. Regrettably, there are a few individuals in any activity who will attempt to take unfair advantages.

Mr. Briggs suggests that any individual who is aware of irregularities in billing, charges or practices should contact the Amarillo Social Security office, 317 East Third St., Amarillo, Texas, telephone 806-376-2241.

Dr. Rose Attends Soft Contact Lens Seminar

Dr. Jack Rose attended a two day seminar in Lubbock over the weekend. Subject of the lectures was the Soft Contact Lens developments during the past year.

Dr. Charles Steward a practicing optometrist from Waco, Texas spoke to the group. Dr. Steward reported on the new Soft Lens just given approval for use in the U. S. by the Food and Drug Administration. Formerly, only the Bausch and Lomb lens was available for use in the United States. The new lens will open up the use of soft lens to many who could not wear them before.

While in Lubbock, Mrs. Rose visited with her niece Ann Gault who is attending college at Texas Tech.

Meredith Douthit, Dale Coleman, Mark Hundley, and Wayne Davis, all students at Hardin-Simmons University, Abilene, were home over the weekend to attend the football game, youth activities at the Baptist Church and to visit with their parents, and other relatives.

You know, the worse inflation gets the more we need somebody like Briscoe. He's created a lot of good jobs and he knows how to get things started.

In times like these when the economy is so shaky, I'm going to stay with Governor Briscoe.

It's quite refreshing for me to know that we have a man like Dolph Briscoe... a man who puts integrity before all things....

Dolph Briscoe proved he has the contacts and the know how to bring new business to the State of Texas. We can't afford to lose him at a critical time like this.

We need new jobs and more income in this state and Governor Briscoe is helping us get them.

Briscoe's kept pace without adding new taxes—I voted Republican in 1972, but I'm voting for Briscoe this time.

They all promised no new taxes; Dolph Briscoe kept his promise.

I think Dolph Briscoe is a Governor you can believe in. I'm looking forward to voting for him in November.

FIN—Preview of debate before the legislature on the key objective of public school financing already are being in Austin.

legislative sub-committee was told state philosophy of education and funding must change if there is real equality in learning facilities.

same House interim sub-committee on public school financing differing opinions on the so-called "weighted plan" will help correct in.

Jose Cardenas of Texas Education Excellence and superintendent of Edgewood School District, San Antonio the present Minimum Education Program must be and the "weighted plan substituted.

Lawrence Haskew, University of Texas at Austin education professor, conceded the "weighted plan" approach may stall step forward, but he could not see it as correct inequities.

plan would place state aid on the basis of need four-level programs rather average daily attendance. He figures in Gov. Briscoe's proposals for education assistance.

Texas Advisory Commission on Governmental Relations finance committee, mean-while suggested levying school a countywide basis as a of equalizing resources.

of a 35-district survey of property tax values for relative Property Tax is expected to be next month for legis-

lative guidance.

GASOLINE USE CUT

Texans used a little less gasoline last summer than they did in 1973 but increased natural gas consumption slightly.

A governor's energy office report indicated gasoline sales were down 1.3 per cent in July, but natural gas use was up 2.9 per cent. The report concluded the gas consumption rise was due to hotter weather in June-July 1974.

State agencies managed to decrease their use of both gas and gasoline substantially. Wharton County Junior College cut energy consumption by 29.7 per cent from December through July.

WELFARE "NOT PENALIZED"

Texas welfare programs have not been penalized regardless of a report from Washington, State Welfare Commissioner Raymond W. Vowell said.

Vowell said the state agency actually has "saved taxpayers \$1.5 million through highly-successful quality control measures." He termed "misleading" a report from Washington that welfare grants to states had been slashed \$61.7 million in the last half of the year to crackdown on abuse.

The state official said Texas has exceeded federal Health, Education and Welfare agency guidelines, and that "fiscal sanctions established by the feds a year ago lagged years behind Texas efforts to rid its rolls of error in welfare payments."

PAROLEES AIDED

A group of Houston lawyers are aiding parolees from state prison in their adjustment to life outside penitentiary walls.

They will help find jobs, meet parole requirements and generally assist them in finding their place in society.

Leftovers Can Stretch The Budget

Feeding the family at today's prices is harder than ever. It calls for taking advantage of weekly specials and bargains, buying in quantity when advantageous, shopping with lists and cents off coupons in hand. It also requires making the best possible use of all purchases including the use of leftovers, a word that pops up whenever prices soar. Today it is a smart practice to stretch a small amount of leftover meat to make another meal. Here, ham is stretched to make stuffed green peppers. The recipe is from the book, "Too-Good-To-Be-Leftovers" available for 75 cents plus a label from a quart or 48-ounce jar of Hellmann's or Best Foods real mayonnaise. For the 144 page 7-inch full color paperback book write to: Leftovers Cookbook, Box 307M, Coventry, CT 06238.

STUFFED PEPPERS

- | | |
|--|---|
| 2 cups cubed cooked ham | 1 tablespoon pickle relish |
| 1 can (8 oz.) whole kernel corn, drained | 1 teaspoon prepared mustard |
| 1 slice bread, cubed | 1/8 teaspoon pepper |
| 1/2 cup Hellmann's or Best Foods real mayonnaise | 4 medium size green peppers, tops removed and parboiled |
| 1 tablespoon chopped onion | 1/4 cup fine dry bread crumbs |
| 1 tablespoon chopped pimiento, optional | |

In a medium bowl, stir together ham, corn, bread cubes, mayonnaise, onion, pimiento, pickle relish, mustard and pepper. Spoon into green peppers. Sprinkle with bread crumbs. Arrange in shallow baking dish. Bake in 350°F. oven 30 minutes. Makes 4 servings.

The project is financed by Texas Criminal Justice Council.

COURTS SPEAK

The State Supreme Court ordered a hearing November 29, on whether the Railroad Commission has power to apportion in the public interest natural gas of Lovaca Gathering Company to Austin and San Antonio.

In other cases, the high court: Held Bellaire General Hospital of Houston was responsible for the death of a patient housed in a room without oxygen.

Refused to schedule a hearing on Coastal State Gas Corporation's effort to disqualify an Austin lawyer from a breach of contract suit against the firm on grounds the attorney helped negotiate the contract in question.

The Court of Criminal Appeals reversed a five-year prison sentence assessed a Dallas man in the accidental slaying of his wife.

AG OPINIONS

A Commissioners Court lacks authority to call for a referendum at public expense on a proposed

dam project, Atty. Gen John Hill held.

In other recent opinions, Hill concluded:

It is legal to prescribe different salaries for constables of separate county precincts.

Residents of a commissioners precinct shifted to another have no vested interest in money assigned their old precinct.

The Open Records Act does not require the Board of Pardons and Paroles to reveal its files on an inmate to an individual legislator.

Governmental bodies holding sales tax permits must also furnish a bond or other security to the comptroller when they collect. So must individuals who sell taxable items from facilities on government property.

A county clerk is not authorized to record an assumed name certificate for a business entity until full information required by law is provided.

City of Selma budgets are public records.

A female employee's right to pay for time she was off her state job due to pregnancy depends on whether any other would have collected for disability caused by illness during the same period. (The opinion applied to an employee who claimed extended sick leave several months after returning to work).

Laws don't prevent design of a public facility which may amount to a barrier to a handicapped person unless the design was drawn intentionally for that purpose.

Names and addresses of Dallas water department customers are subject to disclosure under the Open Records Act.

ELECTION "WORST"

Texas election code is among those most in need of revision, Secretary of State Mark White Jr. told a legislative committee.

He strongly recommended overall recodification in a single bill. Aransas County Democratic Chairman Lea L. Bonner testified that out-of-date voter registration lists (containing names of dead

persons and those who have moved elsewhere) are hampering the selection of juries.

Amarillo To Hold Starving Artist Show

Bill Hughes, with the Amarillo Fine Arts Association, extends an invitation to area residents to attend the 6th annual "Starving Artist Show" on Saturday, Nov. 2, from 10:00 a. m. to 6:00 p. m. and on Sunday, Nov. 3, from 11:00 a. m. to 6:00 p. m. at Western Plaza Mall.

It has become Amarillo's most exciting art event and there will be artists from all over Texas, New Mexico and Oklahoma showing a wide variety of works in various media, Mr. Hughes said.

"And the best part is that there is no admission charge for viewing the work and traditionally, everything offered for sale must be under \$20.00," he concluded.

Mark McQueen, student at the University of Texas, Austin, spent the weekend here with his parents, Mr. and Mrs. E. L. McQueen, Jr.

God asks you to give more than thanks.

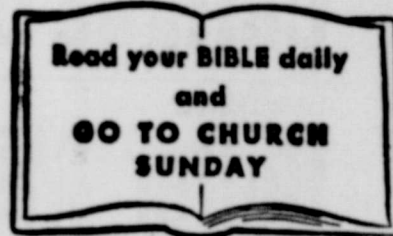

The God we thank for the many blessings we have is the very same God who asks us to love and help neighbors. "But there's nothing I can do," you say, "I am just one person." Then join with others at your synagogue or church. Together, you can accomplish wonders.

Like the congregation in Montana that found a lack of adequate housing for senior citizens. Today, these needy people have a new, non-profit place to live and be thankful for. But the congregation also has more to be thankful for than ever because they took collective and effective action.

Or consider the religious group in Atlanta that helps move families and elderly persons who can't afford a moving service.

There's no end to the need for neighborly help and the ways you can serve—if you really want to. Remember — you have more to give thanks about after you have been helpful.
