Hall County Herald, Established May 3, 1890, Absorbed by Purchase August, 1928

### WEATHER REPORT

After a wet spell last Thursday, the temperature dropped to near freezing, and a few reported frost on the morning. But the local gardeners said tomato vines were not hurt by frost.

MEMPHIS, HALL COUNTY, TEXAS, THURSDAY AFTERNOON, OCTOBER 14, 1976 \*\*\* 20c (Inc. 1c Sales Tax) \*\*\* NUMBER 24

**CHES CHOICES** — Cyclone coaches each week are selecting players who outstanding jobs when films are graded. Above are pictured Kenny Martin, offensive lineman and defensive secondary, Doug Hindman who gave the "lick" of the game, Eddie Braidfoot, defensive lineman, and Dan Cofer, offensive back. The players are given certificates at Booster Club each Tuesday evening by Coach Clyde McMurray.

### Services Held Monday For Mrs. Mary Moore

Funeral services for Mrs. Mary Jane Moore, 85, were held at 10:30 a.m. Monday, Oct. 11, in the Spicer Funeral Home Chapel with the Rev. Kenneth Metzger, pastor of the First United Methodist Church, officiating. Burial was in Fairview Cemetery under the direction of Spicer Funeral Home.

Mrs. Moore passed away Saturday, Oct. 9. She was born July 4, 1891, in Wise County. A resident of Memphis for the last two years, she was a member of the First United Methodist Church and had been an employee of Sanger Department Store in Dallas.

Survivors include: two sisters, R. N. Clark of Lakeview and Mrs. Dona Davis of Bridgeport; two half-sisters, Mrs. J. W. Longshore of Memphis and Mrs. Ollie Vance of Amarillo; four half-brothers, Floyd and Charlie Read of Lubbock and Bill and Gerald Read of Amarillo. Pallbearers were Robert Lee Clark, Gaylon Clark, Alvin Phillips, W. O. Clark, Mike Hughes and Troy Phillips.

## Memphis Cyclone, Hooker, Okla. Bulldogs Meet Sat. At Canadian

### Dan Shaeffer Is New Baptist Associate Pastor

This Sunday, October 17, has been declared "Dan Shaeffer Day" by members of First Baptist Church in Memphis.

This day has been set aside, according to Melvin R. Hooten, pastor, in honor of Dan Shaeffer who will serve First Baptist Church as Associate Pastor in the area of youth and music ministry.

Rev. Shaeffer is married to the former Gale Whitfill of Silverton. Both are graduates of Wayland Baptist College in Plainview.

For the past two years, Shaeffer has served the Parkland Baptist Church in Clovis, N. Mex., as minister of music and youth. He has also served Pleasant Valley Baptist Church in Amarillo in a similar position.

The Shaeffers, who have three children, will move to Memphis October 16. His first Sunday with First Baptist Church will be October 17.

All members of the First Baptist Church are urged to be present for both services October 17, to welcome the Shaeffers to Memphis. During the evening worship service, Bro. Shaeffer will preach, then immediately following the service, the Shaeffers will be honored with a "fellowship" and "food-pounding."

DAN SHAEFFER

**GOLD STAR GIRL, BOY**—Pictured above are Sandy Byars, Hall County 4-H Gold Star Girl, and Steve Molloy, County 4-H Gold Star Boy. They were presented the awards Saturday.

## Byars, Molloy Get Co. 4-H Gold Stars

The Hall County 4-H Awards were presented under a shade of huge Cottonwood trees three and a half miles south of Estelline Saturday afternoon.

Sandy Byars and Steve Molloy, both of Lakeview, were presented the highest awards in the 4-H program at county level, being named the Gold Star Girl and Gold Star Boy, respectively. Dr. Darrell Renfro, Hall County Extension Agent, and Nancy Menring, 4-H Specialist of Vernon, made the presentation to Sandy and Steve, and announced they would be entered in the District contest.

Another presentation was made, just prior to the announcing of the Gold Star Boy and Girl, and this one was the recognition of Outstanding Adult Leaders.

Receiving the award for the woman, Imogene Molloy, and for the man, Clee Parr. Both have been very active in many phases of 4-H work.

Others receiving awards, provided by National 4-H Club Council selected at the county level, were the following: Achievement — Kim Johnson, Dusty Byars and Jim Bob Goldston.

Clothing — ZAnn Eller, Nancy Pruitt, Lori Beckham, and Jerri Morris.

Food Nutrition — DeVilla Evans, Karen Davis, Donna Richardson and Jana Smith.

Leadership — Wade Johnson, Kirby Gardenhire, Mike Ferrel, Cliff Widener, Rhonda Byars, Tim Widener, Sandy Byars and Mark Gardenhire.

Horse — Chris Molloy, Steve Molloy, Monica Monzingo, and Oren Don Molloy. Beef — Kelley Parr. Swine — Danna Davidson.

Dress Revue — Nelda Stone and Kathy Lemons. Tina Willmon, Home Demonstration Agent-at-Large, of Vernon, helped Dr. Renfro with the award presentation.

The awards presentation was held after the group of about 130 4-Hers and parents and adult leaders, enjoyed a delicious barbecue beef dinner following a trail ride.

A big applause was given to the cooks, Arthur Eddleman and A. W. Johnson, and to Jack and Peggy Johnson and all those who cooked and served the food.

## County Farmers Union Meeting Is Next Tuesday

The Hall-Memphis Farmers Union will hold a policy making convention Tuesday, Oct. 19, at 6:00 p.m. in the Memphis Community Center. The meeting will feature a covered dish supper, followed by the adoption of resolutions to be sent to the State Convention.

All members are encouraged to attend.

The Memphis Cyclone, 4-1 for the 1976 season, travels to Canadian, Texas, Saturday, October 16, to play the Hooker, Okla. Bulldogs, in a game that could have the same intra-state characteristics as the more famous U. of Texas and Oklahoma U. game played last weekend.

Coach Clyde McMurray told Memphis Boosters Tuesday that there certainly is a natural rivalry between schools from different states, and as in the OU and U. of T. game, the teams are meeting on a neutral site.

Memphis fans must remember this week's game is a Saturday night game, beginning at 8 p.m. in the newly completed football stadium in Canadian. "We've had to vary our workout routine to account for the Saturday night game," Coach McMurray said.

Today, the Memphis 7th grade hosts Quanah at 4:30 p.m. This game is followed by the 8th grade game between Memphis and Quanah, and this game is followed by the Memphis and Quanah JV game, beginning about 7 or 7:30 p.m.

"Our varsity will be working out during these games on the practice field," Coach McMurray said. "Our heavy practice sessions are Tuesday, Wednesday and Thursday," he said.

The pep rally will be held Friday at 3:15 in the high School Gym and all fans are welcome to come. "We will be leaving about 4 p.m. Saturday for the trip to Canadian," the coach said.

The Hooker Bulldogs are also supporting a four and one record this season, with their only loss a 20-6 encounter with the strong Sunray Bobcats. The only team both schools have played is River Road. Hooker defeated River Road 27-6 and Memphis took a 56-0 win from the Wildcats last Friday night.

"Hooker has the finest looking team we have scouted since Childress," Coach McMurray said, "and we are expecting a hard fought game. We need a victory to keep the momentum alive before entering District 2-A play next week," he said.

**Starting Lineup**  
As has been the situation for several weeks now, the Cyclone will go with the same starting lineup on offense and defense for the Hooker game. Wednesday, all the players were in uniform working out.

"The coaches were well pleased with the performance of the Cyclone against River Road," Coach McMurray said. Eddie Braidfoot was named outstanding defensive lineman, Don Cofer outstanding offensive back, Kenny Martin, outstanding offensive lineman and also defensive secondary as a linebacker, and Doug Hindman received the defensive "big lick" certificate.

The Cyclone has received some of the decals for their helmets, Coach McMurray said.

The local coach cited two big pluses from the River Road game. He said the Cyclone's execution was the best of the year. "Execution just means using the proper technique in blocking and tackling and other assignments," he said. Also, the coach said that several of the local players got valuable playing experience in other than primary assignments. "We discovered that Terry Allard not only can play cornerback (outside safety) but he did an outstanding job at linebacker," he said. Allard also got experience running the football. Allard was in the lineup for Woodrow Richardson who had to

(Continued On Page 10)

## Quarter Horse Show To Be Here Saturday

The Hall County 4-H Quarter Horse Show, an approved show by American Quarter Horse Association, will begin at 10 a.m. Saturday, Oct. 16, at the Horse Arena located 12 miles northeast of Memphis on the Quail Highway.

If weather is good, we are expecting around 150 entries at the show," Terry Monzingo, show manager said. Horses from several states will be here it is expected.

Sponsored by the Hall County 4-H, trophies, plaques, ribbons and a horse blanket will be given as prizes. The American Quarter Horse Association provides trophies for the halter class winners which grand and reserve champions are chosen. Trophies go to grand champions and plaques to reserve champions.

In the open classes, entry fee is \$7.00 while in the youth activities, entry fee is \$4.00.

A total of 40 classes will be included in the show with trophies going to first and second place winners and ribbons going to the third through sixth place winners.

## Appaloosa Owned By Local Couple Is Grand Champion

Nugget's Little Wonder, owned by Tanga and Lonnie Widener, Jr., has been named 1976 Grand Champion Horse of the Golden Spread Appaloosa Horse Club for outstanding performance in halter in 1976.

Little Wonder, a two year old Appaloosa filly, competed with stallions, geldings and mares of all ages from the entire state of Texas for this title. Wonder is also high point mare in her class in the Golden Spread Club and in the Indian Ferit Association of Oklahoma.

Little Wonder will represent the Golden Spread Club at the Appaloosa World Finals in Oklahoma City in November.

## Estelline Begins Vol. Fire Dept.

The Estelline Volunteer Fire Department met Tuesday evening and continued work toward organization and equipping the department, Fire Chief Eddie Huddleston announced.

The department has received approximately \$800 in donations, with a portion coming from business and private sources and approximately \$300 from a Bake Sale conducted recently by the ladies of Estelline.

During the business meeting, orders for equipment were approved and the newly organized department set the second and fourth Tuesdays of each month as regular drill meeting nights.

Work has begun to clean up the Fire Station in Estelline, and plans call for the structure to be painted and new plumbing installed in the near future.

"We agreed to order nine new slickers and boots, and new nozzles," Fire Chief Huddleston said. Slickers and boots were ordered for: Melvin Long, Noel Long, Doug Fowler, Buel Davis, Leslie Sparks, Tommy Dean Davis, Monty Longbine, Vernon Moore and Charlie Moore.

"The Estelline firemen want to thank all those who have helped us get started. Especially do we appreciate all the assistance, guidance and encouragement, as well as instruction and equipment the Memphis Fire Department has provided," Chief Huddleston said.

The Estelline Fire Department has two trucks, an older pumper truck donated by the

## Students Named To Memphis HS Honor Roll

Clinton Voyles, principal of Memphis High School, this week released the honor roll for the first six week period. Named to the honor roll were sixteen seniors, nine juniors, four sophomores and three freshmen.

Students named are as follows: Seniors: Alicia Berry, Jana Davis, Suzanne Elliott, Debbie Hodges, Tammy Lockhart, Dacaria Sasser, Terri Shaddid, Ricky Bloxom, Eddie Braidfoot, Steve Browning, David Clark, Don Cofer, Tracy Galloway, Joe Hillhouse, Pedro Salinas and J. Frank Spry. Juniors: Debbie Atkisson, (Continued On Page 10)

Memphis Fire Department and another truck they were able to get from government sources at an economical price.

## Memphis Phone Mart To Open October 26

Plans for a Phone Mart to be established in Memphis in 1976 were announced today by General Telephone's Memphis Division Manager, James Davis.

Construction is scheduled to be complete for the October 26 store opening at the General Telephone office on Highway 287 North.

At Phone Mart, residential General Telephone customers will be able to personally select their telephones the same day the order is placed and a display of many available styles and colors. The customer then takes the telephone home and arrangements are made for early installation.

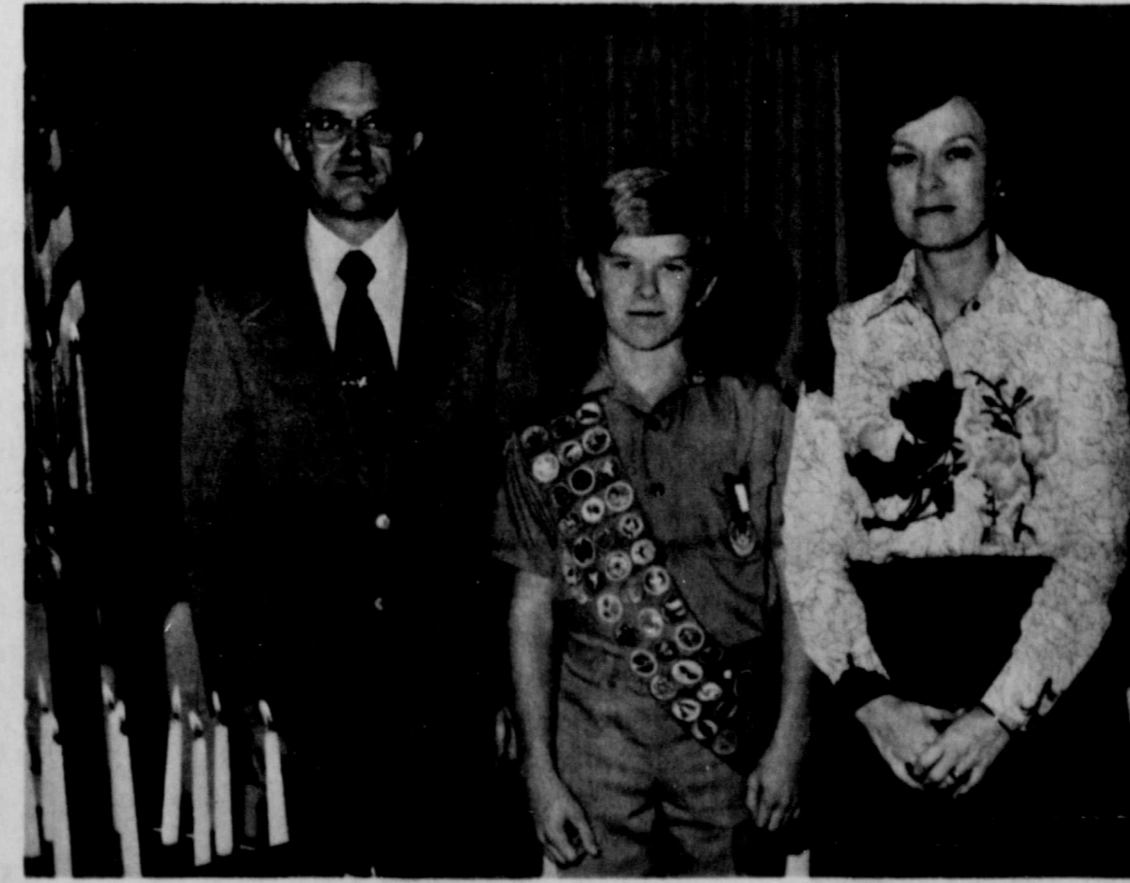

General Telephone Company of the Southwest has successfully implemented other Phone Mart stores in various communities throughout the company. "Customer response to the services offered in existing Phone Marts has been excellent," Davis

## Wichita Falls Res. Dies Here Sat.; Rites There Mon.

Services for Jake Bernard Hickerson, 73, of Wichita Falls were held at 3:30 p.m. Monday at the 10th and Broad Street Church of Christ with Lynn Rhodes, minister, and Harold Mobley, associate minister, officiating. Burial was in the Crestview Cemetery there by Hampton-Vaughan Funeral Home. Memphis arrangements were by Spicer Funeral Home.

Mr. Hickerson died Saturday in Hall County Hospital while returning to Wichita

## EDITORIAL

### Election Ballots Are Printed!

"Lost Weekend" was a picture show we saw in our youth . . . the story of a "boozer" who was so deep in alcoholism that he blacked out during certain periods of time. The show was very controversial in its day but was highly acclaimed for its social message.

What that picture show has to do with an editorial about the November 2 General Election coming up in less than 20 days is this . . . the editor feels as if we went through a lost weekend after working all last week-end printing election ballots for Hall County, Wheeler County and Childress County. Ballots for the election are big, measuring 16½ x 20 inches. They contain eight party columns including the column for Write-In, with all office titles and instructions on voting in English and Spanish, and also include two constitutional amendments, also in English and Spanish.

It's one of those jobs a printer doesn't want to print over again, so extra precautions are taken to proof read, and re-proof read. Also, proof reading Spanish is triple difficult for each word must be spelled out.

The ballots for these three counties were delivered in ample time (on Monday) for absentee voting to begin Wednesday, and after the experience was over and everything was in good order, it has been like waking up from a bad dream. Printing ballots catches printers in a time zone. Ballots cannot be printed prior to 30 days before election because that is the last day a candidate can withdraw, or in the case of Eugene J. McCarthy, get the Supreme Court of the United States to order Texas to place his name on the Nov. 2 ballot in Texas.

Shops like ours, with newspaper deadlines to face, must print ballots only on the weekend. Also, with the little 2-inch by 2-inch tear out tab in the upper right hand corner, most shops must trim the ballot after printing, another hard job on a paper cutter. We are grateful to our own printer, Jimmy Blum, and J. K. Porter of The Shamrock Texan, for these two men did work above and beyond normal expectations of workers in order to get the ballots out on time.

Hall County has one unique feature on the ballot, for voters in Commissioners Precinct No. 4 (Turkey). The Commissioners race has three candidates: Leroy Stone, Charles H. Hamner and James L. Fuston, with these names under the "Independent" column. In this race, as in all races on General Election ballots, the write-in column is provided for voters to write-in a name if they choose to not make an "X" by the name of any of the candidates listed below the Party name.

About the Constitutional amendments, both provide for funds for water development and are certain to be confusing to the average voter.

Amendment No. 1 provides for the issuance of an additional \$400 million in state bonds for water development . . . adding this amount to the \$200 million which the Texas Water Development Board has already been authorized to create in state indebtedness for these purposes; and Amendment No. 2 provides for another \$100 million to the \$100 million already authorized by the Texas Water Development Board "for water quality enhancement purposes," whatever those purposes may be.

Voters . . . this editor has read some pretty involved explanations about these two constitutional amendments. One fact is certain, these bonds are specifically prohibited from being used to import water from the Mississippi River to Texas.

The passage of the two amendments by voters would allow the Texas Water Development Board through the Water Development Fund to spend more money on water projects within the state. That's projects such as building dams for municipal water supplies, etc. The way the Water Development Fund works is certainly complex, but presently the state's general revenue must pick up a portion of the tab. Whether or not this money is ever repaid to general revenue is unclear, it seems. How it works is this: the TWDB borrows money to lend money. It incurs expenses on the money it borrows from big investors, and gains income from the money it lends to small communities. When expenses are greater than income, the difference is paid from the general revenue fund. Thus far, general revenue has paid 33 per cent. But when income exceeds expenses, the surplus goes back into the Water Development Fund for re-use.

Some members of the state legislature are pushing for passage of the two amendments. Among them is State Rep. Bob Close of Perryton who feels that the Panhandle and South Plains must vote for the amendments for federal standards under the Clean Water Act indicate that a number of High Plains towns and cities fail to meet the new requirements with present water systems.

These amendments are quite serious, not only because of the huge sums but also because of the seriousness of water, especially in West and North Texas.

The Veterans Administration is one of the largest employers of handicapped persons with almost 11,000 on its rolls.

The Veterans Administration reports development of the first national cemetery since 1950 is under way near Riverside, Calif.

## ACROSS THE DESK

### What Other Editors Say

**HOOR OF DECISION**  
Of the many problems facing Swisher County and its economy, none is so far reaching as weather modification, seeding clouds to encourage rain or to prevent hail. When the program began, the area involved was limited both in size and in time. Permits were requested to seed clouds only a few months in the summer. But now the area is being extended and permission is being sought to seed clouds for 12 months of the year for the next four years. It is believed by some that by the end of four years, cloud seeding will be unlimited and financed by weather modification districts through a universal tax, much like a hospital or weed control district.

That cloud seeding is effective is not denied by either opponents or proponents. Proponents are more interested in the hail suppression benefits than in rainfall. In most instances they have good underground water which can be turned on or off just when it is needed. Their problem is hail.

It is understandable that persons with good water would favor modification since they have it made if they can only prevent hail.

But the problem arises from the fact that their breaking up of rain clouds robs their neighbors to the northeast of rain, neighbors who have dwindling water supplies and who must depend upon natural rainfall, even with the risk of hail, to raise a crop.

Endangered, aside from dryland farmers, is the Mackenzie Water Authority's dam located east of Tulla. Observers say that if the lake isn't filled soon, the dam could be endangered. It is said to need water against it NOW! And if it doesn't get more rainfall in the Tule Creek watershed than it has gotten since weather modification to the southwest and west began, there is little hope for the future. The dam may crack.

There is much opposition to weather modification by those adversely affected . . . and those adversely affected are said to number in the thousands while those benefited are numbered only in the hundreds. But the facts are, the opponents are unorganized and without funds needed to conduct scientific investigations to support their cause in court or before the Texas Water Board. One estimate of the cost of such a scientific study is \$40,000— a sizeable amount in some ways, yet peanuts when one considers the ultimate cost to the economy of our area if weather modification is allowed to continue.

Opponents of weather modification in this area note that most all rainfall falling in an area extending from southeast Swisher to northwest Randall; to Palo Duro State Park to Vigo Park and back to southeast Swisher comes from the southwest. But the weather modifiers seed the clouds to the southwest which vaporizes the hail and also the rain. The dissipated clouds then continue to the northeast and reform after 30 or 40 miles. This, they say, explains the good rainfall east of the canyon from Silverton to Claude to Wellington.

The problem is one of self interest.

The areas favoring seeding have suffered greatly from hail in the past. They have lost many a crop to hail. But what benefits them is a curse to their neighbors to the northeast.

Needed is a strong organization to oppose this four year, round the clock permit. The seeders have spent thousands of dollars to justify their argument that weather can be modified. They have scientific proof that the areas seeded have been benefited. But these reports, obviously, don't include the entire story — the harm done to those farmers on down the line. It's one thing to be convinced of a belief. It's something else to be able to prove that belief before the Texas Water Board or in court.

Most everyone would agree that there is a fixed amount of moisture in the clouds over

a particular area at a particular time. If this moisture is dissipated in an effort to avoid hail or is induced to fall to the earth prematurely, obviously somebody destined to receive that rain naturally is going to be deprived of a shower.

Now is the time to stop this program, not after a four year permit, 48 month permit has been issued. Now is the hour of decision.

—The Tulla Herald

**EDUCATION**  
An Educated Person continually learns new things and seeks new interests. He does not conclude that he is educated when he receives a diploma or a degree certificate. Education is a lifetime enterprise and formal schooling is only the beginning of the journey.

But what a pity it is that so many young people are short-changed at the very start of their education by inferior schools and indifferent teachers and poor teaching materials.

Good education is not something that depends upon plenty of money. It depends upon dedicated teachers, upon dedicated parents, and upon a society that will demand that its young actually receive an education rather than an empty piece of paper signifying that a certain number of years have been spent in school.

(Harold Hudson in The Perryton Herald)

Many tasks begun  
And in her, our Alma Mater  
Many victories won.

**10 YEARS AGO**  
October 20, 1966  
The Bradley J. Ranch, owned by Mr. and Mrs. Bill Bradley, will host a tour of the Texas Christian University ranch trainee class Tuesday, Oct. 25. The group will be honored with a barbecue noon.

Memphis Homecoming promises exciting weeks. The Memphis Public Schools will host the Memphis students at a free luncheon at the Austin Elementary Center, followed by a parade downtown that afternoon.

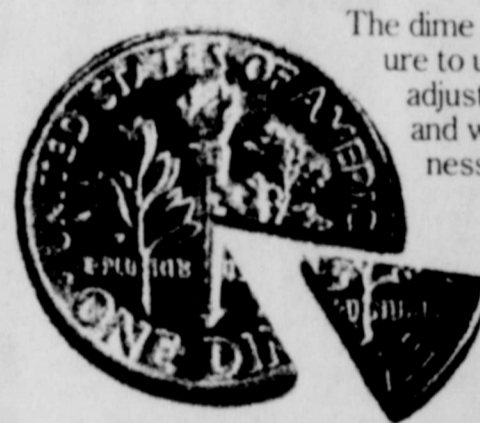

Three cousins, Victoria daughter of Mr. and Mrs. F. Jones; Kathy daughter of Mr. and Mrs. Herbert Jones; and Liz daughter of Mr. and Mrs. S. Johnson, will be visiting Homecoming Queens.

Personals: Mrs. Robert wart and daughter, Betty Bobbie attended the coming parade and game at West Texas State University in Canyon Tuesday and visited there with brother, Jimmy Stewart, who is a student at WTSU. Elmonette Branigan, Jeanette Pepper, who is attending Garland's School in Abilene, returned over the weekend with her parents, Mr. and Mrs. Mont Branigan and Mrs. Rena Pepper.

Mr. and Mrs. Mike Branigan and Michelle and Steve spent the weekend in Abilene with Mrs. Branigan's sister, Mr. and Mrs. L. T. Miller, accompanying them to Abilene was Mrs. Ora Deane, daughter-in-law, Mr. and Mrs. Roberts.

Mrs. Danny White, employee of the division office, General Telephone Company, is in Brownfield this week attending a school instruction on Phone No.

## Example: Why you pay only 8½¢ more for gas when we have to pay 10¢ more.

The dime is simply a nice, round figure to use in discussing gas cost adjustments — a subject that you and we talk about with no happiness on either side.

The 8½¢ is 85% of 10¢. And we're allowed to charge you only 85% of any increase in the price we have to pay for natural gas over the base price set by the Texas Railroad Commission.\*

Temporarily, the other 1½¢ (or 15%) is coming out of Lone Star's pocket. We say temporarily for good reasons. The losses have been staggering . . . in just one year, ending July 1, 1976, they have increased to \$13,500,000!

**The other side of the coin.**  
These unrecovered gas costs are actually threatening our ability to provide the long-range, reliable service you expect.

Highly competitive bidding on new gas reserves by many companies keeps raising the price of gas. Our option is to pay the higher prices or not replace the gas you use each year.

For example, because of our seriously declining profits, we sold much more gas in 1974 and 1975 than we added. We are still eating into our gas reserves.

Our unrecovered gas costs must be recovered if we are to compete successfully for new gas supplies, meet our steadily increasing operating costs, and provide you a secure energy future when our existing gas reserves have been depleted.

Ask any merchant. If he can't afford to replace the merchandise he sells, he can't expect to stay in business.

\*Railroad Commission Docket #588, July 1, 1975

### rendon College Offer Nurses Training

Clarendon College in coop- eration with the Donley County Community Action program, will offer two class- es in Nurses Aid Training.

The classes are scheduled to begin on November 2 and end on March 22. The four classes will be taught by Mrs. Sue Leeper, R. M., of Clarendon and will qualify students to assist nurses with patient care in hospitals, clinics and nursing homes.

Students may enroll in either class, meeting at 3:00-5:30 p.m. 6:00 to 8:30 each Tuesday and Thursday.

Students completing the program will receive a certificate of Completion and a Nurses Aide pin in graduation exercises at the Harned Fine Arts Center of Clarendon College on March 22.

Cost of the course is \$4.50. Those interested should contact Mrs. Robbie Hill of Donley County Community Action Office, Ph. 874-

### Hall County Cancer Unit To Meet Oct. 21

On Thursday evening, Oct. 21, at 7:30 p.m., those people interested in eradicating cancer are urged to meet in the Bronze Room of the First National Bank. This will be the first meeting of the Hall County Unit for the fiscal year 1976-77.

Plans for activities will be discussed. Tom Posey, educational program chairman, will have some important announcements and Steve Schindler of Lubbock, program

co-ordinator for Area I, will visit the unit and present a film, "The Lyn Helton Story."

The year's quota for Hall County was \$2,500. The contributions reached a little more than \$2,700, it was stated.

The members of the board are sincerely grateful to all those who helped. Particularly, much appreciation goes to the Quitaque - Turkey community for sponsoring a Bike-a-thon which netted \$594. The students of the Valley School, Mrs. Oleta Crump, Mr. and Mrs. Gordon Bain and Jacky Don Martin deserve credit for the promotion of this venture, it was stated.

### LEGAL NOTICES

**NOTICE OF ELECTION (AVISO DE ELECCION)**

To the Registered Voters of the County of Hall, Texas: (A los Votantes Registrados de Condada de)

Notice is hereby given that the polling places listed below will be open from 7:00 A.M. until 7:00 P.M.,

Precincts No. 1 and No. 13 in the Memphis Community Center; Lakeview Precinct No. 9 in the Grade School Auditorium; Turkey, Precinct No. 8 in the City Hall; and

Estelline, Precinct No. 5 in the City Hall.

**TUESDAY, NOVEMBER 2, 1976**

for voting in the GENERAL ELECTION to elect Presidential and Vice-Presidential electors, members of Congress, members of the Legislature, State, District, County and Precinct officers, and submitting two proposed constitutional amendments.

(Notifiquese por la presente que los sitios de votacion indicados abajo se abriran desde las 7:00 A.M., hasta las 7:00 P.M.)

**MARTES EL 2de NOVIEMBRE DE 1976**

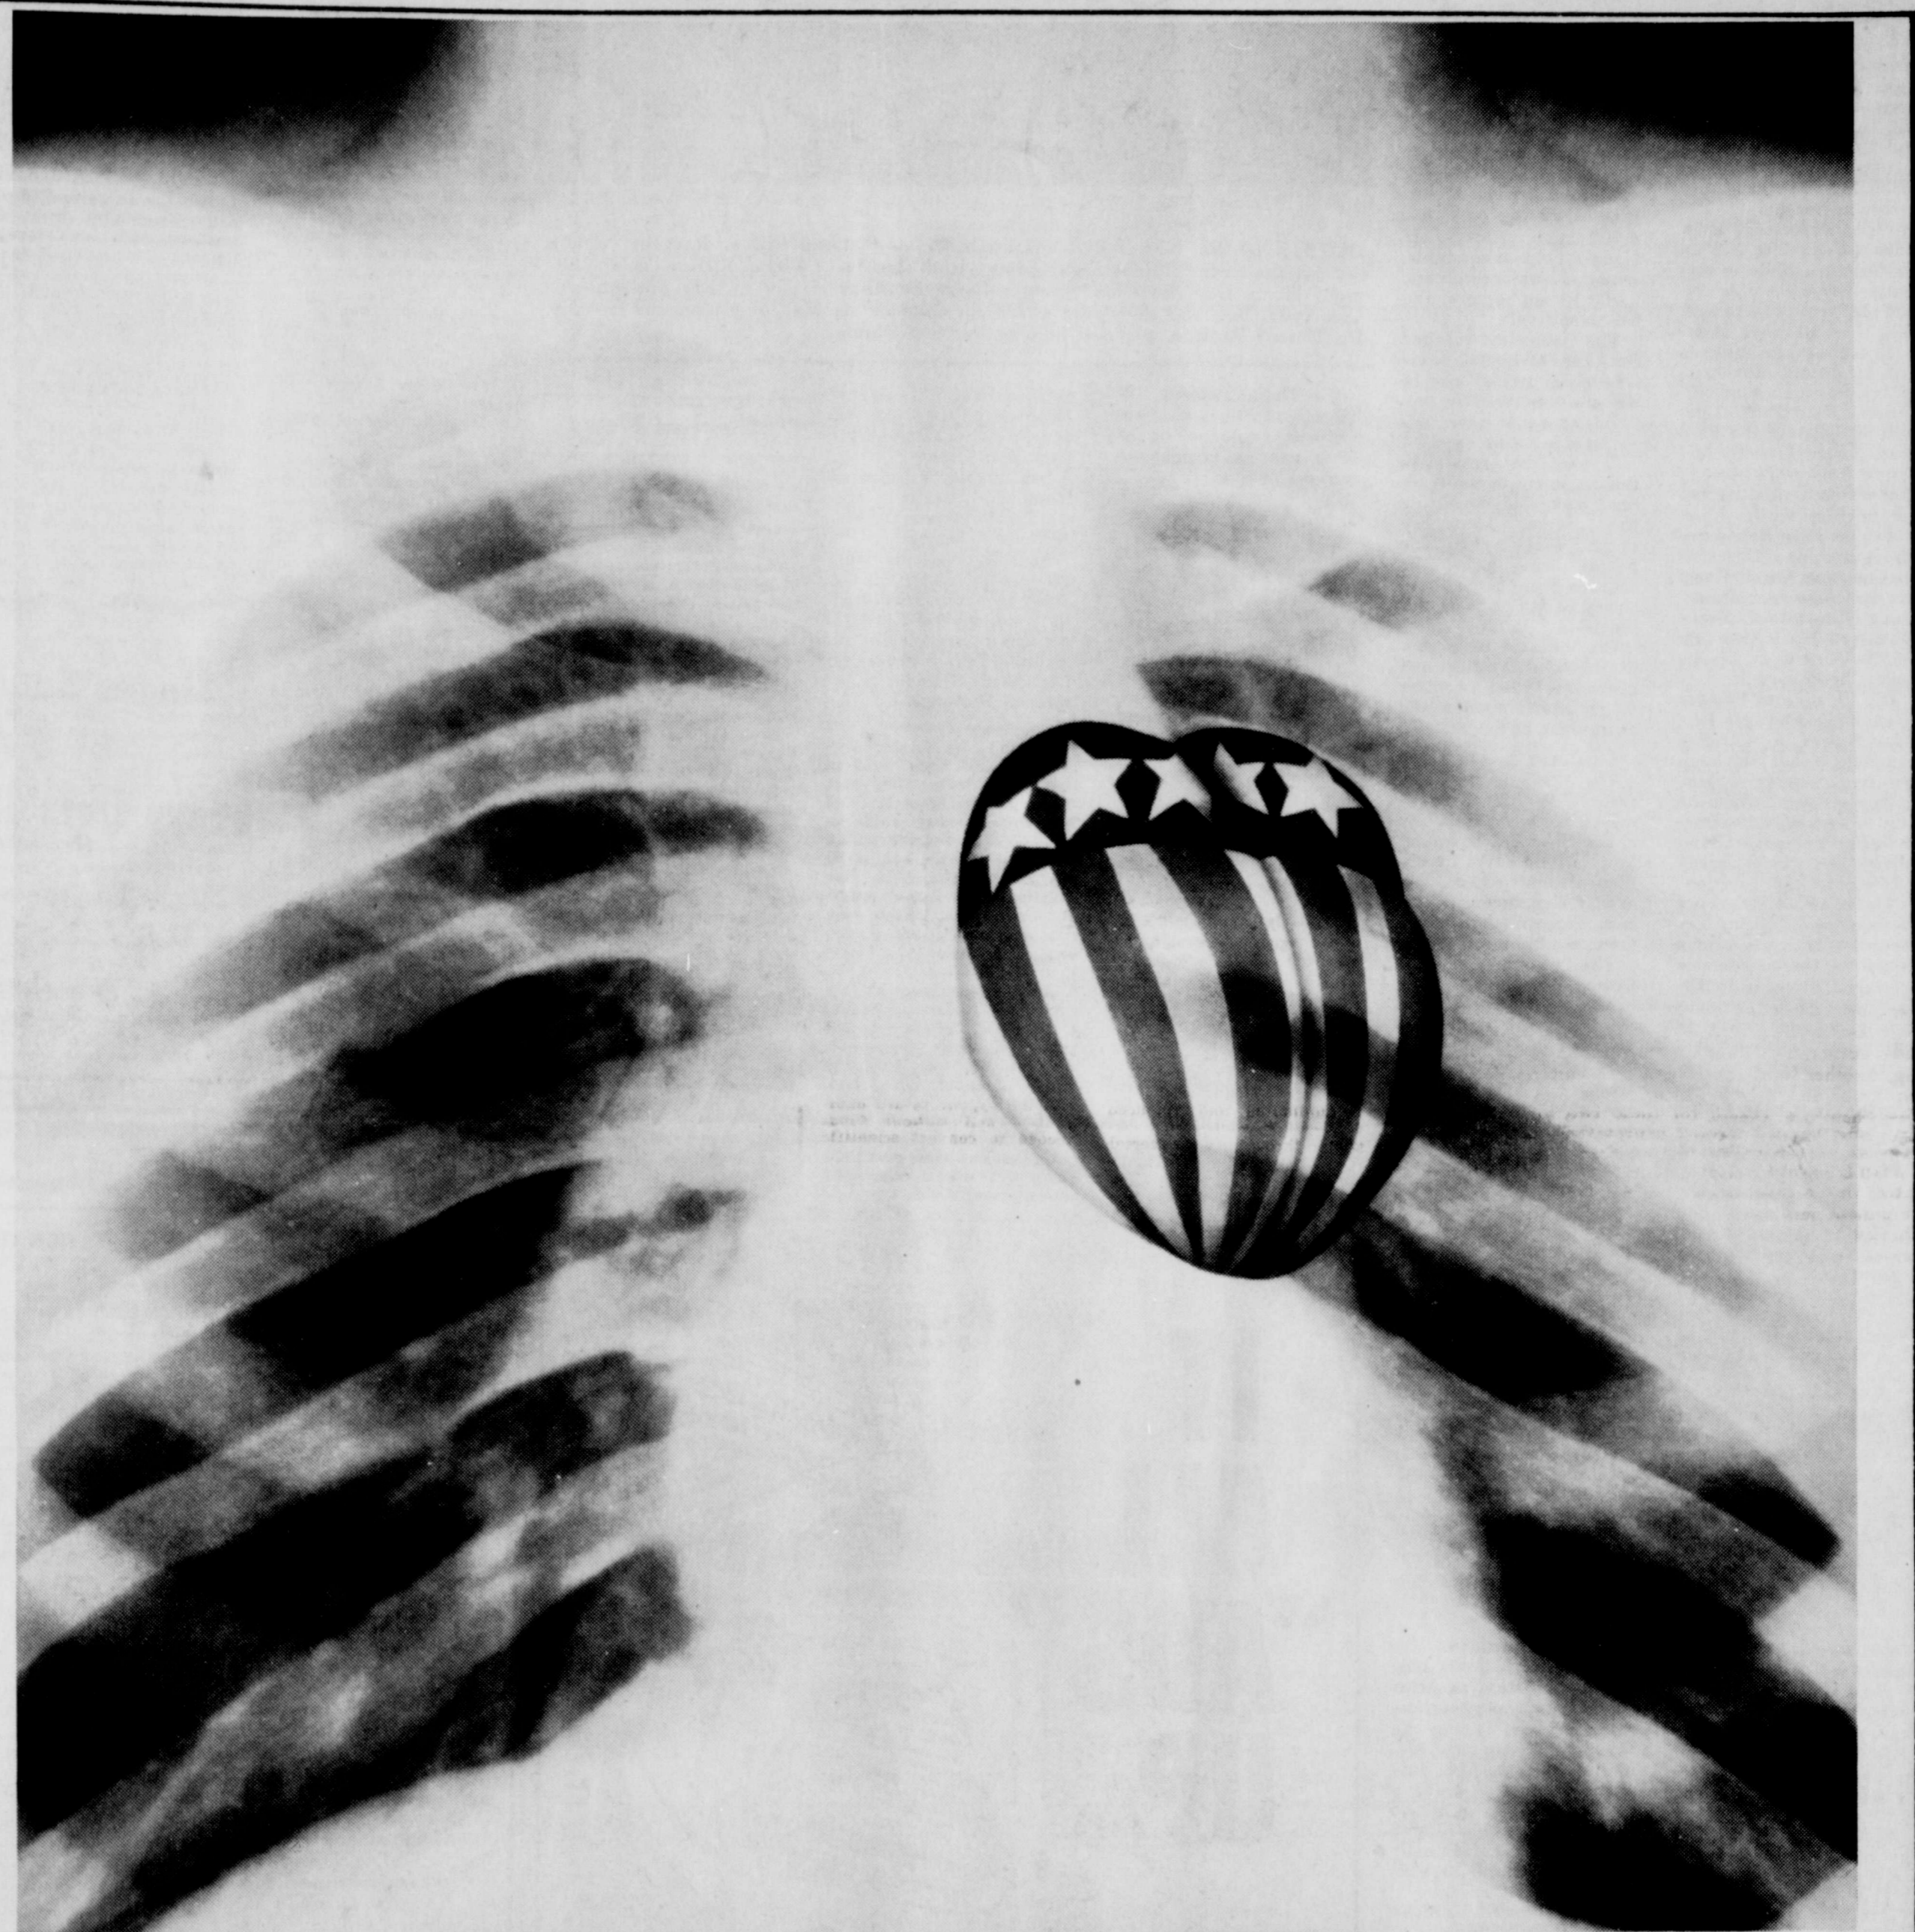

(para votar en la ELECCION GENERAL con el proposito de llenar los cargos de electores Presidenciales y Vice-Presidenciales, miembros del Congreso, miembros de la Legislatura, oficiales del Estado, y los Precintos, y de someter dos enmiendas propuestas a la constitucion.)

**FFA Students Purchase Show Hogs in Paducah**

Several members of the Memphis Chapter of Future Farmers of America and the instructor, Ed Bailey, were in Paducah Monday to purchase show hogs to be shown in the Amarillo and Fort Worth Stock Show.

Students purchasing hogs were Dan Curi, Joe Hillhouse, Joe Foster and Billy Spencer.

# YOU COULD BE WALKING AROUND WITH A CASE OF IDEALISM AND NOT EVEN KNOW IT.

You find yourself humming along as the National Anthem is being played. You haven't missed voting in 12 years. Somebody knocks free enterprise and you instinctively defend it. Nothing to be afraid or ashamed of—you're an idealist. And today America needs more and more of you.

We at Burlington Industries believe that the attitudes and emotions that made American freedom and the free enterprise system work need a revitalization. Good old idealism could use a revival.

So examine yourself. See if you have any idealistic symptoms. An epidemic of idealism led to this country's birth—and it's just about time for another outbreak.

P.S. Make yourself heard on November 2. Vote.

Today, America needs all the idealism she can get.

## STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams

AUSTIN — The general election campaign is in full swing in Texas.

President Ford, his Democratic opponent Jimmy Carter, and Carter's vice presidential running mate, Sen. Walter Mondale, were all Texas visitors during the last week. They will be back, and Mondale and GOP vice presidential nominee Sen. Robert Dole, scheduled their October 15 debate in Houston.

Polls purportedly show Ford closing the gap on Carter, though Democrats claim they are still ahead and plan to stay there with help from all major statewide Democratic officials and organizations in most of the 254 counties.

Former Gov. John Connally is leading the Ford state organization. Gov. Dolph Briscoe is head of Carter's statewide steering committee, while Land Commissioner Bob Armstrong and State Democratic Chairman Calvin Guest are campaign co-chairmen. Doug Lewis and Peter O'Donnell Jr. aid Connally in the Ford Committee's Austin headquarters.

U.S. Sen. Lloyd Bentsen is challenged by U.S. Rep. Alan Steelman, a Dallas Republican, but Steelman has been having serious money problems which he said may keep him from meeting his advertising budget and which already has forced a staff reduction.

Steelman is attacking Bentsen for sponsoring "tax loopholes" which he claims benefitted special interests who contributed substantially to the senator's campaign. He also contends Bentsen ignored his Senate campaign promises to Texans when he was a Democratic presidential candidate.

Bentsen assails Steelman for absenteeism from the House during his campaign and criticizes the Republican's record on such issues as land use planning legislation.

Democrat Jon Newton and Republican Walter Wendlandt are warming up their Railroad Commission race.

Controversial Democratic State Supreme Court nominee Don Yarbrough has two write-in opponents — Sam Houston of Denton and Tom Loran of Houston.

**Sale Profitable**  
The School Land Board's oil and gas lease sale last week brought \$35.3 million to the Permanent School Fund, second highest total in history.

Land Commissioner Bob Armstrong said the average price per acre was \$124.90, a new record.

A total of 373 tracts were leased — or 282,723 acres. Cities Service Company submitted the highest bid — \$3.1 million — on a Gulf of Mexico tract. Next highest bid was from Mesa Petroleum Company, for \$2.53 million. Five bids of more than \$1 million were offered, but two were on the same tract.

Armstrong said interest in the oil and gas leases ex-

ceeded expectations and demonstrated that bidders can be attracted while maintaining environmental standards.

**Report Sought**  
House Speaker Bill Clayton called for a full report from the Coordinating Board, Texas College and University System on cost of off-campus college courses.

Clayton expressed surprise at discovering that 4,000 such courses are being taught at graduate, senior and junior levels and 2,000 at sophomore and freshman levels.

The economy-minded Speaker conceded some off-campus courses may be necessary, but said the programs appear to have "proliferated beyond reason."

"I want the Legislative Budget Board to see if we can't make self-supporting the courses that are taught," said Clayton. "The people who have the courses brought to them should be willing to pay for them."

Clayton said he is conducting a poll of college and university administrators to get advice on how the courses can be funded.

**Court Speaks**  
The U.S. Supreme Court refused to rehear arguments on constitutionality of the Texas death penalty law, but no early executions are anticipated.

Atty. Gen. John Hill said executions will be delayed for six months to two years. The Supreme Court affirmed the death penalty assessed a 27-year-old man for the killing of a 10-year-old Cuero girl and throwing her body in a river.

Applications for a stay of execution and efforts to launch a new appeal on some basis other than constitutionality of the death penalty are anticipated, said Hill, who defended the state law in the initial appellate process.

The State Supreme Court turned down the appeal of a schoolboy who claimed Harris County school hair length regulations should apply to girls as well as to boys.

The high court also rejected an effort to force a local election on sale of alcoholic beverages in Abilene.

The Supreme Court found the state's 10 per cent tax on mixed drinks constitutional and not discriminatory.

**AG Opinions**  
Atty. Gen. John Hill ruled that state agencies cannot legally pay overtime to employees during the Jan. 1, 1975-June 24, 1976, period when the U.S. Supreme Court was mulling constitutionality of an act requiring states to pay overtime. The court finally ruled the federal requirement unconstitutional.

In other recent opinions, Hill concluded: The Department of Public Safety does not have to furnish information on convictions of persons who have been pardoned.

**OUTSTANDING 4-H ADULT LEADERS** — Pictured above, Imogene Molloy accepts the certificate for Outstanding Adult Leader (Woman) from Tina Willmon, Home Demonstration Agent-at-Large Saturday during awards presentation. Cleo Parr, left, was given the award for Outstanding Man only moments later by Dr. Darrell Renfro, pictured holding the microphone.

The Dallas Housing Authority may finance a project with a note bearing interest in excess of eight per cent per annum.

**Changes Urged**  
The Joint Advisory Committee on Government Operations urged changes in money management and college building construction and adoption of a "sunset law" to eliminate unneeded agencies.

The economy-hunting committee said the state treasurer should have power to invest idle funds in a larger assortment of securities.

It also called for constitutional amendments to make all University of Texas and Texas A&M University units eligible to issue construction bonds payable from Permanent University Fund interest and to make other public senior colleges eligible for construction funds under a 10-cent property tax. Another proposal would ban bonds payable from blanket student building fees.

**Short Snorts**  
Gov. Dolph Briscoe ap-

pointed Paul S. Colley of Henderson district judge of the Fourth Judicial District, Rush County.

Sen. Lindon Williams of Houston heads the statewide Veterans Day observance November 11. First City National Bank of Houston and Bankers Trust Company submitted the winning bid of 5.148917 per cent interest on the \$40 million Texas Veterans Land bonds. The land program will reopen soon.

Mr. and Mrs. Lester Graham had all their children visit them over this past weekend. Here were Mr. and Mrs. Keith Graham and Leslie of Lakeview, Mr. and Mrs. Gary Graham and Missy and Mr. and Mrs. Mike New and Heath and Dee of Amarillo, Mrs. Terry LeGate and children, Brandi and Terry, Jr., of Dumas.

Mr. and Mrs. Terry LeGate moved to Dumas on August 1 where Mr. LeGate accepted a position as head professional and manager of the North Plains Country Club. Mrs. LeGate will be remembered as the former Rita Graham. The couple have two children, Brandi, almost five, and Terry Jr., who is two and one-half months old.

## Sports Afield

By Ted Kesting

"A lot of top fishermen are adding one more fishing statistic to the many they already keep in their mental file. Along with tide times, hook sizes and wind directions, they remember landing net weights. The reason for this is that if you know the weight of your landing net and you hang it on the scales when it contains a big fish, all you have to do is subtract the weight of the net and you know the weight of your catch."

With these remarks, Tom Paugh, Saltwater Editor of *Sports Afield*, introduces a new technique in fish conservation.

"Why weigh your fish in a landing net?" he asks. "Because more and more anglers of conscience are weighing fish *alive* so that they can later be released unharmed—even when the fish are potential record breakers."

There are all kinds of saltwater angling records, ranging from your own personal records to club records, to fly-rod records, to IGFA all-tackle records. Personal records are not much of a problem because your fish can be weighed with Chatillon (or other portable) scales as soon as they are caught. Official scales are called for, however, when fishing in various contests or for the record books. As a result, almost all fish are long dead by the time they have their vital statistics recorded. In the better fishing contests, prizes are given for numbers of fish regardless of weights. But the big winners are still the guys who catch (and kill) the heaviest fish.

A definite trend away from killing in the outdoors is taking place. With current and projected world shortages of just about everything except people, the move toward conservation of valuable, limited resources (including game and fish) becomes more and more pronounced. I have always advocated killing only those fish which were destined to be eaten, mounted or weighed for record. Now, for certain species and under certain circumstances I can eliminate that third category.

Channel bass, for instance, can be towed for quite long distances and still survive. Once when a couple of these fish were needed for pictures in Virginia, an expert angler went out in his boat to a secret spot, caught two that weighed about 50 pounds each, towed them to a scenic location

**TRAVIS KINDERGARTEN** — Donna Alexander Travis Kindergarten, is pictured with her winning picture and accepts a check from Fireman Clyde Collins.

on the beach where male models posed heroically in the surf for cameramen. The two redfish survived the towing well, but finally succumbed after long hours of picture posing. The point is, however, that these fish proved that they were hardy enough to be caught, towed to a weighing station and released to survive.

In fact, exactly that has been accomplished with a species that grows much larger — the jewfish. Specimens weighing in excess of 300 pounds have been caught, towed to official scales, weighed and released alive. Other fish could also be weighed for record and let go to fight another day. More and more tournaments offering trophies for the numbers of fish released, the new weigh-and-release techniques now being developed, perhaps the day will come when a new award can be added to the "Best Fish Released."

Mr. and Mrs. Clarence Cross were in Clarendon Saturday afternoon to attend funeral services for Mrs. Payne.

MEMORANDA	
Average for 15 or 30 calendar days ending with call date:	
a. Cash and due from banks (corresponds to item 1 above)	950,000.00
c. Total loans (corresponds to item 9a above)	6,482,000.00
f. Federal funds purchased and securities sold under agreements to repurchase (corresponds to item 25 above)	220,000.00
g. Other liabilities for borrowed money (corresponds to item 26 above)	8,969,000.00
2. Standby letters of credit outstanding	22,000.00

I, Harold Moffitt, Asst. Vice Pres. of the above-named bank, do solemnly swear that this report of condition is true and correct, to the best of my knowledge and belief.

John Kehr, Don Long, Andy Gardenhire, Directors

State of Texas, County of Hall, ss:  
Sworn to and subscribed before me this 7th day of Oct., 1976, and I hereby certify that I am not an officer or director of this bank.  
My commission expires June 1, 1977, Pat Goodnight, Notary Public.

# Texas Taxes

By BOB BULLOCK, State Comptroller

Austin—After a taxpayer has faithfully complied with sales tax regulations for two continuous years or if the taxpayer ceases business operations, we are authorized under state law to release his bond or security.

A taxpayer has to post the bond or security when he obtains a Sales Tax Permit or when he becomes delinquent in payment of sales taxes owed the state. The bond or security we require of the retailer is an amount sufficient to protect the State of Texas against failure to pay the sales taxes the retailer collects from his customers on behalf of the state and city.

We are pleased with the speed with which we are now notifying taxpayers of their bond or security release. It hasn't always been that way. We have programmed our computer to do most of the work.

Each week our computer scans our Sales Tax Permit holders—more than 240,000 of them—for taxpayers who have met the two-year requirement. Whenever the computer spots a taxpayer account meeting the requirement, it kicks out a gummed label addressed to that particular taxpayer.

Our Sales Tax bond section then mails a form letter to the taxpayer explaining that since all sales tax requirements have been met for a two-year period, the bond or security is being released.

The taxpayer then needs only to present the letter to

the bank or other financial institution where the bond is posted to get it returned or released. In the event the taxpayer has furnished the Comptroller of Public Accounts with a cash bond, we send the taxpayer a state warrant for the amount of bond involved.

It hasn't always been so simple. Until we programmed our computer to do most of the work, the process of getting a bond released or returned was a time-consuming one for our staff and the taxpayer too.

Under the old procedure our staffers had to search our sales tax records for the taxpayer's account and then make a microfilm search for the financial institution holding the bond.

The process was a slow one—six to eight weeks—while we wrestled with the paperwork necessary to notify the financial institution of the taxpayer's bond release.

And the old procedure was of little use to us in identifying and releasing bond or security for those businesses which had ceased to operate.

If the taxpayer didn't notify us that he had ceased business operations we had no system of getting his or her bond released.

It's a whole new ballgame now. We are automatically notifying taxpayers who have earned the privilege of having their bond or security released—whether the taxpayer is operating a going business or has gone out of

**FIRE POSTERS** — Fourth grader Tammy Messer, left, took third place in the poster contest, while Lisa White (not pictured) took second. Lisa's poster is in the center. Fifth grader Terry Pepper, right, took first place.

## Production Increases Are Seen With Proper Heifer Replacement

COLLEGE STATION — Proper management of replacement heifers is critical to the success of a livestock producer, says a livestock specialist for the Texas Agricultural Extension Service.

Managing breeding heifers is a key part of an efficient beef cattle operation," says Dr. John C. Spitzer, a heifer calves late with first calf, she will likely be late to calve late in following years, says Spitzer.

Heifers nursing their first calf longer to return to estrus than do mature cows. Cows calving late in the season wean fewer calves and have low weaning rates than cows calving early, early calving is emphasized.

Proper management alternative has worked well in virgin heifers 20-30 months earlier than the regular herd and keep replacement heifers from those becoming pregnant earliest. This allows more time to return to estrus after their first calf as breeding season would coincide with the cow. However, heifers must reach puberty before mating so they can show

heat and conceive. "If heifers are bred to calve at three years of age generally not much of a problem," notes Spitzer. "However, if all costs are considered, this practice is not economically feasible for most producers. Heifers bred to calve at two years of age produce .7 to 1.15 more calves in a lifetime than those bred to calve at three years of age. In addition, high monthly maintenance costs make it necessary to get heifers into production at the earliest practical time."

For a heifer to calve at two years of age, she will have to show heat at 13 to 15 months. Most heifers will reach puberty at this age if they have adequate weight. The weight necessary to reach puberty varies according to breed, but a general rule is for a heifer to weigh 60 to 65 per cent of her mature weight at breeding time, points out the Texas A&M University System specialist. Extension livestock specialists or beef cattle researchers with the Texas Agricultural Experiment Station at Texas A&M can provide specific information on weights required by various breeds and crosses.

Spitzer emphasizes that if heifers of a particular breed need to weigh 600 pounds at 13 to 15 months, each individual heifer in the herd needs to weigh 600 pounds. This means sorting heifers in to weight groups and feeding them accordingly. The feed bill will be the same but the feed will be utilized where it will do the most good.

"Good management would be to individually weigh each heifer at weaning and decide how heavy she needs to be at breeding time," notes the specialist. "Sort heifers into weight groups and feed them to reach the target weight. Check their development by periodic weighing throughout the feeding period. Remember that without the necessary weight, maximum pregnancy rates cannot be achieved."

"The goal of a producer should be to develop replacement heifers so that they exhibit estrus early enough to be bred 20-30 days ahead of the cow herd and to cull those not conceiving early. This will boost reproductive rates and increase herd efficiency," contends Spitzer.

Eight of every 10 veterans enrolled in apprentice or on-the-job training programs under the GI Bill, normally complete courses of instruction, the Veterans Administration reported.

**SOPAPILLAS**—Jack and Peggy Johnson, left, were very popular during the Hall Co. 4-H Trail Ride and Awards day Saturday for they were serving sopapillas. Above, left, Arthur Eddleman had to have one more and Mr. Ferrel hands him a hot one.

business. And, we have eliminated one more paperwork headache, freeing manpower for other tasks.

### Atalantean Club Meets in Home of W. C. Dickey

The Atalantean Club met at the home of Mrs. W. C. Dickey on Wednesday afternoon, Oct. 6.

An interesting program was presented on the United States flag and national symbols.

Mrs. Robert Montgomery brought the first part of the program, showing a collection of historical flags and giving the history of the flag. Mrs. James Davis then told about the seal of the United States. Mrs. Ed Foxhall gave a short talk on the eagle and Mrs. Dickey concluded the program by telling of other important symbols of the United States.

Refreshments were served by the hostess to fourteen members.

Members present were Meses, Bryan Adams, James Davis, W. C. Dickey, Andy Gardnere, Winfred Wilson, Jerry Leaverton, Robert Montgomery, Dub Parker, Kenneth Metzger, Robert Sexauer, Robert Spicer, Ed Foxhall and W. R. Scott.

### Woman's Council Meets For Study In Randal Home

Mrs. Howard Randal was hostess to the Woman's Council of the First Christian Church Monday, Oct. 11.

The meeting was called to order by the president, Dorothy Stargel, and roll call was given by ten members. A brief business meeting was held and then the meeting was turned over to the leader, Lucile Randal.

Genevieve Murdock gave the devotional, "Labor is Life." Several scriptures were read including Gen. 2:15, John 5:17 Ex. 1:1-11; Josh. 9:27, Acts 19: 25-29, Matt. 1:16 and Mark 2:27.

Mary Etta Martin gave a very interesting article on Rev. Moon of South Korea. Susie Kesterson read a poem on "Friendship."

The benediction was given after which the hostess served delicious refreshments to Meses. Mary Etta Martin, Genevieve Murdock, Mabel Roberts, Susie Kesterson, Lillian Kerr, Dorothy Stargel, Eva Odom, Mary Sue Stotts and Faye Maddox.

## Parents Need Clear View To Develop Emotional Health Of Their Children

**COLLEGE STATION** — Parents need a clear view of their role in developing the emotional health of their child — that they are the builders of a firm foundation for children. Dorothy Taylor, a family life education specialist, says.

"We're going through a time in history when pressures to conform are great. The parent's job is to recognize this and play a role which is something more than passive yielding.

"To restore balance, they may sometimes have to help their children stand alone. This is best done when parents demonstrate in their own lives that it is possible to differ from the majority now and then, and that one may gain self-respect and the respect of others by not always conforming."

Miss Taylor is with the Texas Agricultural Extension Service, The Texas A&M University System.

Children need leadership and authority. Children need parents who now and then question their wish to be different. Parents must be ready to say "no" when necessary. They also need parents who help them counter the drive for conformity—whether it's a choice of friends, mode of dress, speech habits, behavior or moral values. Children learn early that there is such a thing as individual conscience, this specialist reminds.

"Parents must be on the side of the child's emerging conscience, resourceful in finding ways of helping him do right and avoid wrong. This means consistent discipline within the framework of love. Children want parents who stand for something — children need ideals toward which to strive," she said.

"Parents' job is to educate and civilize their children. This is a gradual, step-by-step process that takes endless patience and the willingness to see children as creatures of growing change.

"Another way parents can help in building emotional security in a child is to know in advance what the common stumbling blocks in growing up are. With some advance knowledge about growth and the obstacles to growth, parents can develop skill in helping a child over the bumps so he can go forward.

"Parents should use enough pressure to be challenging — but not so much that it discourages a child from trying," reminded Miss Taylor. All parents want their children to be happy. They want to be able to say "yes" to children whenever possible.

and to make their home a place where children and their friends will feel free to be themselves. But this doesn't mean being a good pal and joining "bull sessions" is all there is to do. Miss Taylor said.

"Most parents learn as they go along and manage well. Each one has to feel his way and discover what is needed for his own particular family. As this self confidence grows, parents become less anxious and better able to face their own and their children's problems—and to recognize that the new gen-

eration's ups and downs are an inevitable part of growing up."

## Memphis FHA Has Monthly Meeting Oct. 11

The Memphis F. H. A. Chapter met for the regular monthly meeting on Monday, Oct. 11. The members picked their Secret Grannies and plans were made to sell chocolate bars.

The program was presented by Mrs. Roger Teat and was "Impact and Encounter". Those attending were Au-

drie Phillips, president; Robin Hanvey, reporter; Patricia Wheeler, publicity chairman; Jo Lynn Bass, parliamentarian; Terri Shadid, program chairman; Sharon Penney, historian; Donna Sterling, treasurer; Debbie Atkinson, secretary; Donna Maddox, Jerry Lon Montgomery, Bettie Roberts, Shirleen Hudson, Christina Aguilar, Patsy Davis, Lenoria Johnson, Rodney Guy, Gary Ferguson, Robin Hancock, Brent Barbee, Penny Davis, Dar Renda Siaggs, Donna Butler, Kelli Pride, Peggy Fowler, Kim Wynn, Theresa Davis, Edna Williams, Linda Spearman, Sandra Allen, Sue Allen, Melissa Martin, Sherita McKay, Tammy Lockhart, Julie Fowler, Jo Ann Allard, Holly Roden and Suzie Elliott.

## Sheri Blount, Frank Hudspeth Marry Aug. 16

Miss Sheri Elaine Blount, daughter of Mr. and Mrs. G. W. Blount of Memphis, and Frank Lee Hudspeth, were united in marriage Wednesday, August 16, in Shamrock.

The bridegroom is the son of Mrs. Ollie Mae Faris of Rushville, Mo.

The newlyweds will make their home in Rushville, Mo.

On Sunday afternoon, Mrs. Mary Stotts and Mrs. Charlie Foster went to Quannah to visit in the home of Mr. and Mrs. Clarence Davis. Also visiting in the Davis home was Mrs. Ann Michael of Fresno, Calif.

Steven Paul Bivens of Clarendon spent the weekend here with his grandparents, Mr. and Mrs. Edmond Bivens. His parents, Mr. and Mrs. Paul Bivens, visited in Arlington and attended a Texas - Oklahoma football game in Dallas.

Mrs. Charlie Foster had her guests last week here. Mrs. Jean Lyles of Hereford and sisters, Mrs. Colquitt Warren, El Paso and Mrs. Denver Powell of Dallas. On Wednesday evening, Mr. and Mrs. J. K. Williams of Childress came for a visit.

Mr. and Mrs. Candler of Houston arrived Monday to visit with Mr. Carl Harrison and Mrs. Mrs. Wendell Harrison and other relatives and friends.

### Study Club in Home Hutcherson

Members of the 1913 Study Club were entertained in the home of Mrs. Bob Hutcherson at 10 p.m. on October 6. Virginia Browder presided over a brief business session.

The roll call of delegates and chairmen, Mrs. Brynne reported that the State building, located on the fair grounds in Dallas by the state, is a beautiful building, erected in 1936. Texas contains 9,000 volumes of history and many things of interest to us. The city of Dallas renovated and redecorated the interior.

A program for the day included a short history of American literature by Ed Hutcherson. Her play "American Lit. Lit." by Richard Auer was both informative and entertaining, being interspersed with her own asides at times hilarious.

Due to illness, new grand-daughters and out-of-town guests, only 12 members were present, including a new member, Betty Pelfrey. They were: Mmes. Byron Baldwin, A. Ballard, A. D. Virginia Browder, F. Hall, T. M. Harrison, Ed Hutcherson, Ed Hutcherson, Betty Pelfrey, Mac Taylor, Wood and Miss Heiden.

Refreshments and a social visitation followed the program.

MRS STEVEN SLOAN PARDUE

### Taylor - Pardue Nuptials Are Read

Edith Anne Taylor and Steven Sloan Pardue exchanged wedding vows at an evening ceremony at the First Christian Church in Arlington Sept. 18. The Rev. Art Digby officiated at the ceremony.

Parents of the couple are Mr. and Mrs. Jack Taylor of Arlington and Mr. and Mrs. Joe Bob Nivens of Estelline.

Mrs. Dana Nelson served Miss Taylor as matron-of-honor, and Mrs. Tony Davis and Miss Julie Taylor, sisters of the bride, and Mrs. Butch Clifton, sister of the groom, were bridesmaids. Attendants were yellow chiffon floral print gowns and carried yellow taffeta umbrellas with silk flowers.

Joe Bob Nivens of Estelline was his son's best man and Gene Bruce, Bob Collins and Monte Bradley, all of Estelline, were groomsmen.

Niece and nephew of the groom, little Ginger Proffitt and Brad Proffitt of Childress, served as flower girl and ring bearer.

Tracey Taylor of Arlington, Brent Nivens and Randy Collins of Estelline and Mike Helm of Wichita Falls were ushers.

Wearing her mother's silk satin and chiffon gown and her great-grandmother's cameo and carrying a bouquet of silk heirloom flowers, the bride was escorted to the

altar by her father.

The reception was held in the church with Mmes. Bob Collins, Gene Bruce, Scott Murphey, Gary Coles, Crews Bell and Misses Andrea Allen and Maribeth White assisting.

After a wedding trip to Pittsburg, Pa., the couple is at home in Arlington.

The bride is a 1973 graduate of Arlington High School and attended Tarleton State University. The groom is a 1971 graduate of Estelline High School and a 1976 graduate of Tarleton State University with a B. S. in Agriculture Business.

### Travis Baptist Women Meet For Mission Study

The Baptist Women of Travis Baptist Church met Tuesday, Oct. 12, at 9:30 p.m. at the church for Missions Study.

Mrs. Lynn B. Jones presided at the meeting. The sick, unsaved, our church and the unconcerned were mentioned and remembered in prayer led by Mrs. C. H. Davidson. Mrs. Jones read Isa. 17:9-14 and the prayer calendar. The missionaries were remembered in prayer led by Mrs. T. C. Stevens.

Mrs. A. L. Rogers taught the first two chapters of the Foreign Missions Study book.

### Miss Karlie Kay Kenyon To Marry Harvey L. Harmon, Jr., In November

Dr. and Mrs. Rex E. Kenyon of Oklahoma City, Okla., are announcing the engagement and approaching marriage of their daughter, Miss Karlie Kay Kenyon, to Harvey L. Harmon, Jr.

The bride-to-be is the granddaughter of Mr. and Mrs. John Capp of Lakeview. Parents of the prospective groom are Mr. and Mrs. Harvey L. Harmon, Sr., also of Oklahoma City, Okla.

The couple plan to wed on November 12 with the ceremony to be in the bride-to-be's home at 1801 Devenshire.

Miss Kenyon is a graduate of Casady High School and Rollins College, Winter Park, Fla. She obtained a Master of Arts degree in journalism from the University of Oklahoma and at present is working on her Ph. D. in mass communications at OU.

She is a member of Kappa Theta sorority, Sigma Delta Chi journalism fraternity and the National Association of Educational Broadcasters.

The bride-to-be was presented at the Beaux Arts Ball, 1968, and the Bachelors Club. Harmon has attended Wesleyan University, Middletown, Conn., and the University of Oklahoma where he was a 1972 graduate of the OU law school.

He is presently an Oklahoma City attorney. He is a member of Phi Delta Phi, honorary legal fraternity, and the Oklahoma county, state and American Bar Association.

### Delphian Club Enjoys Program On Education

The Delphian Club met October 5 at the Big O Restaurant with Mrs. Sim Reeves as hostess.

President Martha Clark called the meeting to order. During the business session plans were made for the annual Library luncheon. The date was set for November 14 at the community center. Tickets will be sold for the event and are \$3.00 for adults and \$1.50 for children.

Mrs. C. D. Morris gave the devotional after the business meeting. The program for the meeting was on education. Mrs. Neal Hindman gave a resume of teaching aids used in our schools. She emphasized the importance of the teacher's aid in helping with required reports and paper work. She also explained the use of several office machines and equipment.

Mrs. James Chappell explained the Plan A concept, Comprehensive Special Education. Through this service handicapped children can receive individual educational programs designed for their unique needs. The ultimate goal is to make every child self-sufficient.

Members present at the meeting were Mmes. Neal Hindman, Kenneth Dale, Clyde Smith, Dean Yarborough, Wayne Sweatt, Ben Moss, R. L. Duncan, Henry Hays, Mildred Stephens, C. D. Morris, James Chappell, L. F. Jones, Robert Clark and Sim Reeves.

### "Stronger Than Mushrooms" by David Daniell

Mrs. Myrtle Dunn led in the closing prayer. Attending were Mmes. Lynn B. Jones, C. H. Davidson, T. C. Stevens, A. L. Rogers, J. W. Chappell and Myrtle Dunn.

Mr. and Mrs. Herman Cross spent Saturday night and Sunday in Hereford with his mother, Mrs. C. R. Cross, helping celebrate her birthday.

### Plaska Sewing Club Meets Tues. In Brown Home

The Plaska Sewing Club met Thursday, Oct. 7, at 1:30 p.m. with Mrs. Brown Smith. The afternoon was spent quilting, embroidering, and weaving hot placemats.

Lovely refreshments were served to Mmes. Odessa Crisman, Elam Orcutt, T. J. Spry, Vera Orr, Orlas Murdock, Hub Holt, and a visitor, Mrs. Clara Pritchett.

### Alpha Pi Lambda Chapter Meets In Wakefield Home

Alpha Pi Lambda Chapter of Beta Sigma Phi met Monday night, Oct. 11, in the home of Mrs. Cheryl Wakefield.

The members of the chapter worked on their pledge training for Beta Sigma Phi. A business session was held to make plans for the concession stand which the chapter will have for the Enduro Race which will be here October 24.

Refreshments were served during the social hour by Debby Floyd.

Members present were Cessie Ivy, Linda Hall, Deanna Collier, Debby Floyd, Cheryl Wakefield, Cathy Orcutt, Nancy Floyd, Chris Carroll, Kay Thompson, Cindy Leaverton, Penny Lemons, Jayne Thurman and Debe Land.

TRAVIS WINNERS — Pictured above are the fire poster winners from Travis Elementary School. On the left is first place winner Sandy Hooten of the first grade. Center is Wade Pepper, 3rd grade, who took second, and right is Wendy Whitten, 2nd grader, who took third. Memphis firemen gave \$5, \$3, \$2, prizes to winners.

### Memphis FHA Chapter Members Attend Shamrock Dist. Meeting

A large number of members of the Memphis F. H. A. Chapter attended the district meeting in Shamrock Monday, Oct. 4.

When they arrived, the F. H. A. members registered and enjoyed refreshments. Following this, the whole group played a get-acquainted game that consisted of filling out a puzzle by going up to other people and asking questions, such as "Are you on a diet?" "Are you mouthwash do you use?" "Do you like to talk a lot?" etc. It was a lot of fun and everyone got acquainted with each other, members said.

During the business session, the district officers were discussed. Everyone was then divided into three groups. Each group was to discuss a different topic, Impact, Encounter or promoting new members. A group leader was picked to discuss the topic they had been assigned.

The Memphis F. H. A. group really enjoyed the trip and learned a lot, according to members.

The two F. H. A. advisors, Mrs. Roger Teat and Mrs. Bill Montgomery, also went to Shamrock and participated

in the program for the advisors and teachers.

Those attending included: Audrie Phillips, president; Debbie Callahan, social chairman; Jackie Chappell, projects chairman; Sharen Penny historian; Debbie Atkinson, secretary; Jo Lynn Bass, parliamentarian; Donna Sterling, treasurer; Pat Wheeler, publicity chairman, local chapter officers; and Cynell Roberts, Mary Reyes, Josephine Lopez, Lenoria Johnson, Patsy Davis, Alfrida Walker, Edward Coulter, Kenneth Backman, Edna Williams, Virginia Cannon, Cheryl Frisbie, Becky Morgan, Dabra Norton, Kim Blackman, Betty Roberts, Nilda Orain, Viola Henderson, Christina Aguilar, Steven Henry, Robin Hancock, David Clark, Gary Ferguson, and chapter advisors, Mrs. Nancy Montgomery and Mrs. Kathy Teat.

Mr. and Mrs. L. J. Kennon and Mr. and Mrs. Lynn B. Jones went fishing October 5 through 10 at Possum Kingdom Lake. They camped at Rock Creek camp. They reported fishing wasn't too good but they did catch one 7 pounds, 4 1/2 ounces apolloshia cat fish.

### Senior Class Is Selling Homecoming Mums

The Senior Class has started the annual sale of Mums for the Homecoming game with Clarendon which will be November 5, members of the class announced this week.

Anyone who desires to purchase a mum should contact a member of the Memphis Senior Class. The price of the mums are \$6.00, \$7.50 and \$10.00, it was stated.

### Alpha Pi Lambda Chapter to Sell Food at Enduro

The Alpha Pi Lambda Chapter of Beta Sigma Phi is making plans to have a concession stand at the Enduro Race here on October 24. The chapter will sell food at Red River Bridge from 10:00 a.m. to 2:00 p.m. and then at the City Park from 2:00 p.m. to 6:00 p.m. on Sunday of the Enduro Race.

### LOYD ELLIOTT

Wants, needs and appreciates your business!

### Club Study Federation

Theo Swift was host of the members of the Culture Club on Oct. 6.

A meeting was called to elect officers by the president, Mrs. Stilwell and various members of business were discussed.

R. E. Clark gave the invocation. The group sang "Beautiful, Beautiful" accompanied by Mrs. Raso.

Frank Ellis, as pro-chairman, introduced a program entitled "Federalism" which gave interesting talks using words with the letters of the word, Federation, for subjects were as follows: Friendship, Mrs. A. W. Education, Mrs. Ross; Dedication, Mrs. Ellis; Entertainment, Sylvia Lewis; Religion, Alma Bruce; Art, Mrs. Raso; Training, Mrs. Foster; Identification, Mrs. Jim Lange; Opportunity, Jeanette Irons and Mrs. R. E. Clark.

Delicious refreshments other than the mentioned above, were served by Ward Gurley, Hester, L. A. Stilwell and Esta McElrath and Gurley.

### Students Officers Beta Lambda

Members of Phi Beta Lambda of Clarendon College held their first order of business meeting for the 1976-1977 year.

The group as Presiding Officer will be Sharon Wiley Hollis, Oklahoma. She is the daughter of Mr. and Mrs. G. B. Wiley, Sonoma of Memphis was elected Treasurer. Sondra is daughter of Mr. and Mrs. Ray Nell Martin of Memphis will serve as Secretary and Sharon Miller of Memphis was elected as Council Representative. Nell is the daughter of Mr. and Mrs. Raymond of Memphis. Sharon is daughter of Mr. and Mrs. Miller.

Beta Lambda is a business sorority and meets on the campus. Its members are actively engaged in projects that are of benefit to the community. Dorene, instructor of business at Clarendon College, is advisor of Phi Beta Lambda.

### Estelline Arena To Have Playday Sat. October 23

The Estelline Activity Arena will sponsor an open playday at Estelline on Saturday, Oct. 23, beginning at 10 a.m., according to an announcement this week.

The events for all age divisions will be barrels, poles, flag racing, ring racing, gophette, rescue race and the boot race.

Age division will include: one to nine years, Pee-Wees; 10 to 15 years, Juniors; and 16 and older, Seniors and Adults combined.

Each event fee will be 50 cents and ribbons will be awarded for the first six places in each event.

There will be a concession stand and family fun for all, it was stated.

### Brice News

Mrs. T. H. Gattis had her daughter and husband, Mr. and Mrs. Sylvester Hardin of Amarillo, as visitors over the weekend. Also visiting with Mrs. Gattis on Monday was her sister, Mrs. Mame Harris of Amarillo.

Mr. and Mrs. Ralph Grady spent the weekend in Midland visiting with their son, Nick Grady, and family.

Mrs. Nolan Salmon and Mrs. Billy Morgan Salmon were in Amarillo Tuesday where they visited with Mrs. Roland Salmon who is a patient in Amarillo hospital following a car accident. Mr. Salmon and their daughter Sammie, also were involved in the wreck but received minor injuries.

Mr. and Mrs. Herbert Vines of Amarillo visited last month with his parents, Mr. and Mrs. Elmer Vines.

### Reapers Class Meets Oct. 8 In H. Wilson Home

The Reapers Class met Friday, Oct. 8, at 3 p.m. in the home of Hulda Wilson, assisted by Miss Sybil Gurley.

First Vice President Mrs. Horace Lindsey was in charge of the meeting. Prayer was given by Mrs. Minnie Voyles and Miss Gurley presented the devotional from Psalm 121.

During the business session, all officers reported and the election of new officers was held. Those elected were president, Mrs. Horace Lindsey; first vice president, Mrs. Myrtle Hammond; second vice president, Mrs. Alexander; secretary, Mrs. Estelle Barber assisted by Mrs. Jean Lamb and treasurer and reporter, Hulda Wilson. Teacher is Miss Sybil Gurley and substitute, Mrs. Byron Baldwin.

The class voted to meet the first Thursday of each month at 3 p.m.

All holding hands, the meeting was dismissed by Mrs. Hammons.

Refreshments were served to Mes. Horace Lindsey, Jean Lamb, Minnie Voyles, Estelle Barber, Myrtle Hammond, Ora McMurry, Grace Duke, Hulda Wilson and Miss Sybil Gurley.

Beans with ham, greens, cole slaw, cornbread, milk, cookies and peanut butter.

**Thursday, October 21**  
Meat and potato casserole, green beans, salad, sliced bread, cake and milk.

**TROPHIES** — Tom Johnson of Giles is shown above in the family home with a big portion of the 115 trophies he has won riding a motorcycle in races in Flat Track, TT Scrambles, Motocross and Grand Prix. Indian Motorcycle has used some of his modifications on the 1977 models.

## Indian Motorcycle Co. Honors Tom Johnson

Tom Johnson, son of Mr. Mrs. Blackie Johnson, 1, Hedley, has received an achievement from the Indian Motorcycle Company.

Johnson, who works part-time for Indian Motorcycle Co., local distributor, has won many trophies in riding his Indian motorcycle in many races. He felt that the machine he was riding was modified and made some changes to it.

Johnson released the following statement about Tom which appears below:

"Tom is a junior at Memphis High and his future appears to be bright in a field of heavy competition. His specialized knowledge of motorcycles could make the future prosperous as well."

Tom Johnson began his racing career at the age of 10 in Memphis at a track operated by Cecil Whitten and he won his first trophy. Since that day the name Tom Johnson and number plate 44 has been seen at just about every race track in Texas and Oklahoma. Tom has raced from small local tracks to Oklahoma City, Wichita Falls, Amarillo, Decatur, Midland, Big Springs, Lubbock and many more.

At 15, he placed third in the Texas State High School Championship held in the Astro Dome in Houston.

During the past six years of racing, Tom has won 115 trophies and has raced in Flat Track, TT Scrambles, Moto-Cross and Grand Prix Style. For a person to accomplish this in six years, he must stay in perfect physical health and must understand his racing machine.

Tom said last week that he will be entered in the Cotton Boll Enduro the last of this month. It will be his first enduro race. "I never looked

upon enduro racing as an actual race, more of a time trial event," he said.

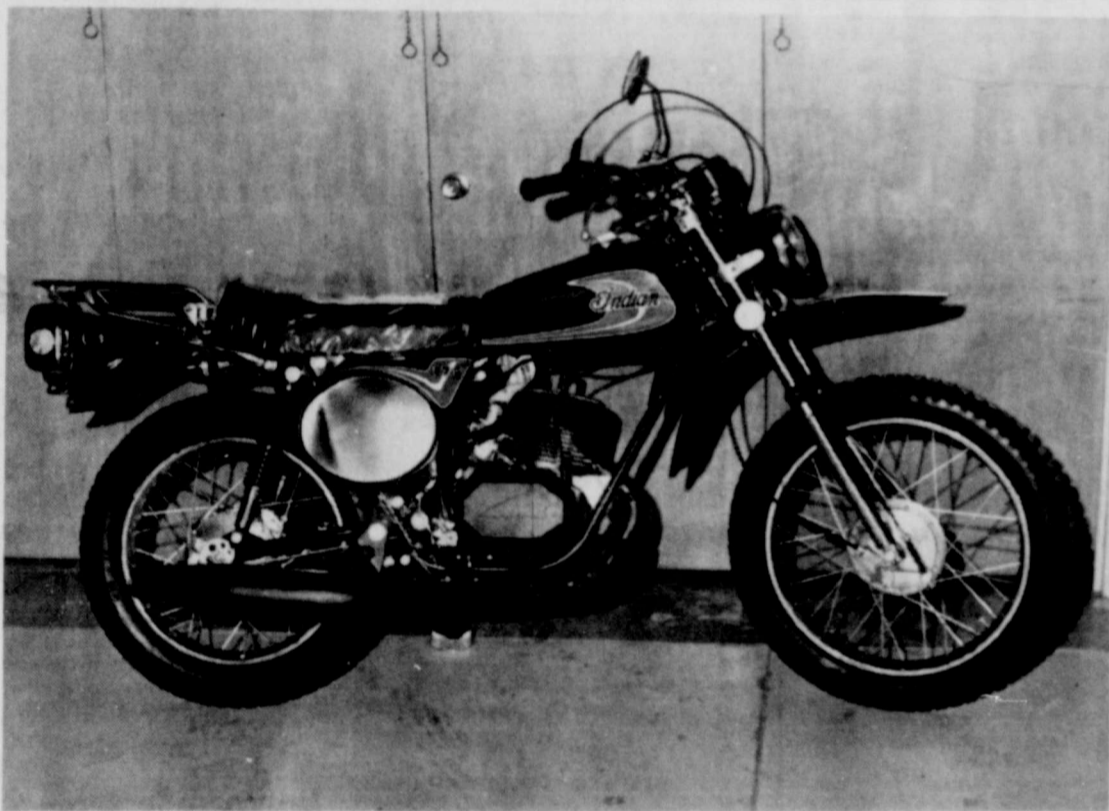

Tom is a junior at Memphis High and his future appears to be bright in a field of heavy competition. His specialized knowledge of motorcycles could make the future prosperous as well.

Tom Johnson began his racing career at the age of 10 in Memphis at a track operated by Cecil Whitten and he won his first trophy. **1977 MI 175 INDIAN** — Pictured above is one of the 1977 Indian motorbikes which have been manufactured by Indian Motorcycle Co. with modifications in gearing, carburation and suspension as recommended by Tom Johnson. He will be receiving a free prototype cycle from Indian soon.

**JOHNSONS** — Shown above, are Mr. and Mrs. Blackie Johnson and son Tom, of Route 1, Hedley, the Giles area. Son, Tom, at age 17, is making quite a name for himself in motorcycling circles.

### 4-H Members Adopt Fall's 'Field and Stream' Look

CHICAGO—Fall separates reflect a "field and stream" approach to wardrobe building, reports a clothing specialist.

The outdoorsy look is expressed in lumber-jackets, plaid jumpsuits and drawstring blouson jackets layered over trousers, knickers or boot-legged pants, says Beverly Rhoades, Texas Agricultural Extension Service.

With careful coordination of fabrics and colors, young people can build their casual wardrobes around these rugged, versatile separates, combining and layering them to stretch their wardrobes and their clothing dollars. Girls and boys 9-19 in the national 4-H clothing program want to get the most in style and wearability for their clothing investment. Under the supervision of the Cooperative Extension Service, 4-H members learn-by-doing to evaluate their clothing needs on the basis of their life-styles.

### LEGAL NOTICES

**NOTICES TO BIDDERS STATE OF TEXAS COUNTY OF HALL**

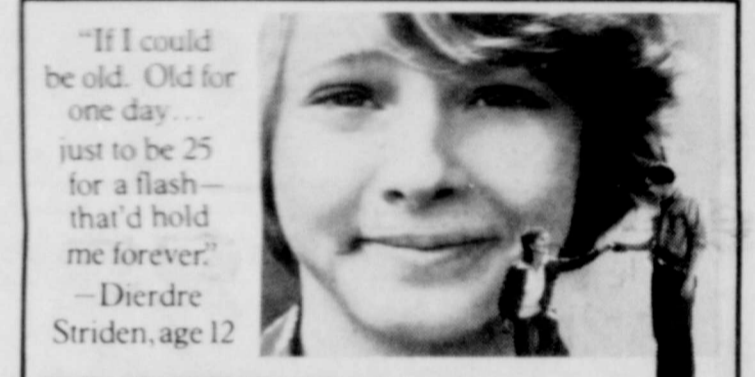

**NOTICE IS HEREBY GIVEN**

that the Commissioners Court of Hall County, Texas will receive bid proposals until 10 o'clock a.m. on the eighth day of November, 1977 at the Court House in Memphis, Texas, for the purchase of the following machinery:

1—New Motor Grader; Tandem drive with diesel engine not less than 150 fly-wheel horse-power; dry-type air cleaner with service indicator and automatic dust ejector, full power shift transmission, articulated frame, hydraulic controls, four wheel oil brakes, parking brake, 14.00-24 tires, air conditioner, 14-foot blade with Chrome side-shift and tip, ROPS cab, heater and lights.

The County will offer in trade 1 caterpillar motor grader. This machine can be seen at Precinct No. 1, Memphis, Texas.

The Commissioners Court reserves the right to reject any or all bids.

**Atelier Club**  
**Gold Art Show**  
**Childress**  
The Atelier Club of Childress will sponsor the "Festival of Arts" on Saturday, Oct. 30, from 1:00 p.m. to 6:00 p.m. and Sunday, Oct. 31, from 1:00 p.m. to 5:00 p.m. at the City Auditorium in Fair Park in Childress. Area artists are invited to exhibit their work. A registration fee of \$1.00 per entry will be required. Exhibits must be framed and equipped to hang. Sponsors will furnish labels and will handle the show. Entries are to be submitted between the hours of 8:00 a.m. and 10:00 p.m. on Saturday, Oct. 30. All commissions will be 10%. Artists should have entries for sale. However, they must remain intact until check-out time. There will be oils and acrylics, watercolors and transparencies, pastels and prints. Categories will include landscapes and street scenes, portraits, still life and nature. There will be a section for children's art. Categories for children will be flowers, fruits and vegetables, outdoor scenes, birds, animals and people. Prizes will be awarded after winners are determined by qualified judges. For information who would desire to exhibit, contact Paul Raines at the Childress Shop, 240 2nd St., Childress, Texas.

**BARBECUE COOKS**—Arthur Eddleman (left) and A. W. Johnson are shown just after they finished eating. They helped prepare the food for 130 at the 4-H Trail Ride Saturday, and Mr. Eddleman's chuck wagon was the center of the noon activities.

### Soviet Union To Use U. S. Grain Sorghum

LUBBOCK — The Soviet Union announced this week that it has begun an experimental poultry feeding project using U. S. grain sorghum.

Soviet agricultural researchers are comparing feeding efficiency and nutritive value of U. S. number two yellow sorghum to corn and to grain components conventionally used in broiler diets in the USSR.

The poultry demonstration, jointly sponsored by the U. S. Feed Grains Council and the Soviet government is a result of the sales expansion program of Grain Sorghum Producers Association.

Dr. J. H. Quisenberry, retired poultry specialist from Texas A&M University, will go to the Soviet Union Oct. 10 to oversee the project. He will be joined later by officials of the USFGC, including President Darwin Stolte of Washington, D. C.

Sorghum to be used in the experiment was shipped in early July by Soviet vessel to the All-Union Research and Technological Poultry Institute experimental farm near Moscow.

Detailed plans for the feeding trial were finalized in Moscow May 13, 1976 at a meeting of Soviet agricultural officials with Dr. Halvor Koshus, USFGC European director and Dr. Quisenberry. Preliminary plans were prepared by a grain sorghum team headed by Elbert Harp, executive director of Grain Sorghum Producers Association, and Jack King, GSPA research director, during a series of seminars in Eastern Europe and Russia last fall.

Soviet approval of the first U. S. - USSR feeding demonstration marks another major step in the development of that country as a major export market for U. S. grain sorghum. Soviet purchases of

### Wool, Mohair Outlook Bright

COLLEGE STATION — It looks like a good year for wool and mohair producers.

Dr. Ernest Davis, a livestock marketing specialist for the Texas Agricultural Extension Service, says wool prices have gone up sharply recently and mohair is as good as gold.

He attributes these strong market conditions to a decrease in sheep numbers, an increase in mill use of raw wool, and increased buying of wool products by consumers.

Although wool prices have gone up sharply in recent weeks and are likely to stay above last year's levels, whether or not they do will depend largely on Australia, says the Texas A&M University system specialist.

"Australia has a vast wool stockpile totaling about 395 million pounds on a clean basis," Davis says. "Whether or not domestic fine wool prices hold their strength will depend on how Australia markets its wool. Should all the Australian wool be dumped on the market at once, U. S. prices will suffer."

Davis points out the U. S. shorn wool production was down 10 per cent in 1975 from 1974 levels and that this year's production is expected to be down almost 9 per cent, all due to declining sheep numbers.

Mohair prices have jumped considerably since last year, notes Davis. In January, mohair was selling for \$2.90 per pound on a grease basis, an increase of \$1.55 per pound over last year's price. By mid-March mohair was selling for \$3.40 per pound.

### Mrs. Guy Smith Named Carter's Co. Chairwoman

Mrs. Guy Smith of Memphis was notified last week end that she has been appointed by the 30th Senatorial District to be Hall County Chairwoman for the Gov. Jimmy Carter's election campaign.

Mrs. Smith said that since the appointment came she has been busy arranging for bumper stickers and is making plans for a workers get-together to work for the election of Democratic Party candidate for President.

Mrs. Smith said her appointment came about because of her work with the Democratic Party for many years, and she attended many Party Conventions while her husband, Guy Smith, was County Chairman of the Hall County Democratic Party Executive Committee the past 10 years.

### Memphis Cyclone

(Continued From Page 1)

Hooker Bulldogs The Bulldogs have the largest backfield the Cyclone defense has faced this year. No. 32 Max Caldwell (176) who was listed as a fullback the first of the season, has taken over the quarterback slot. He is tall, 6-5, and a good passer and has a long range.

The fullback is Tim Hofferber (195) a powerful runner and good blocker out of the Washburn-T attack. No. 23 Keith Ukens (160) has good speed and moves and a fine ball carrier. No. 31 Kenneth Steine (165) is also a good runner and he is a good pass receiver as well. QB Caldwell's favorite target is Right End Blake Baird (155).

The Bulldogs line has a decisive weight advantage over the Cyclone's linemen, with Jennings at center (180), Rick Thompson (185) and Doug Dorsch (175) at guards, Rodney Russell (220) and Kelly Hill (215) at tackles. Tim Higberger (145) is the split end.

Linebackers for the Bulldogs are Hofferber and Caldwell with Steine as rover back.

### Wichita Falls

(Continued From Page 1)

Falls after visiting in Dalhart. He had been a Wichita Falls resident for 51 years, moving there from Hartley. Mr. Hickerson was a retired accountant and had served as city secretary of the City of Wichita Falls. He was a native of Taylor and an elder of the 10th and Broad Street Church of Christ.

Surviving are the widow, Thelma; two daughters, Mrs. Wayne McMan of Wichita Falls and Mrs. David Dodge of El Paso; four sisters, Mrs. Hattie Brookschink and Mrs. Pearl Sims, both of Dalhart, Mrs. Roy Sweatt of Amarillo and Mrs. Cera Scott of Los Angeles; and four grandchildren.

### Students

(Continued From Page 1)

Kimi Fowler, Pamela Kehr, Sheryl Orcutt, Cynell Roberts, Brent Barbee, Sonny Morris, Jay McKay and Randy Shahan.

Sophomores: Priscilla Anglin, Tina Foxhall, Martha Griffith and Robert Kehr.

Freshmen: James Clark, Steve Ferris and Wayne Long.

# Cyclones Tame Wildcats 56-0

Memphis Cyclone's offense was just too good for the visiting River Wildcats here Friday and the home team won 56-0.

The Cyclones scored 21 points in the first period, 13 points in the second, 19 points in the third and three points in the fourth.

It was impressive as the Cyclones had its moments of offense, recovering four fumbles, one for a touchdown when Defensive End Eddie Braidfoot recovered a loose football before Wildcat goalline after punter had bobbled the ball. Also the defense stopped a pass.

The local team's defense was proud of stopping No. 1 Spangler, the Wildcat 178-lb. halfback, who was a real battler all night.

Cyclone's scoring are as follows:

Tracy Galloway kicked the football for the Memphis 40-yard punt, the Cyclones went to the air right QB Don Cofer hit End Guy for 19 yards. Then Rodney Hall made four on the counter. Cofer for WB Hall on the play and connected with a 15-yard pass play. The scoring play was a 23-yard pass from Cofer to End Guy Johnson with 8:49 left in the first quarter. Don Guy kicked the point after the score 7-0.

The Cyclone's next possession from the Memphis 36, Kirk Fields carried for 25 yards. Then, a 5-yd. gain by Johnson and a 10 yard by Pete Salinas made down yardage on the 22. QB Cofer found Johnson open at the line and Johnson fell nine and another first

down on two carries for the Cyclone, and Cofer's kick was good for 14-0.

The Cyclones third scoring play covered 47 yards. Salinas made four to get the going, then, Fields added 15 more, moving to the 20. Fields made more, then lost four, the Cyclone faced third seven on the 25.

Going to the air, QB Cofer a 23-yard strike to End Guy who went down on two. On the next play, Cofer passed to End Tracy Galloway for the TD, and the point after with Galloway holding.

On the first play of the second quarter, Linebacker Tony Martin picked off a pass giving Memphis the football on the River 27. On the next play, Pete Salinas scored, but the Cyclone was called for holding and 15-yards was tacked off from the point of infraction. On the next play, FB Kirk Fields found Cofer sailing and went the distance, 34 yards for the real teams fourth TD of the night. Cofer's Kick was good and it was 28 to 0.

The Wildcats had not made a first down to this point and got one on a pass interference call, even though the gain was only three yards. A punting situation developed and Anthony Johnson returned the punt to the Wildcats 31.

On the next play, WB Rodney Allard broke free and gained 31 yards to pay dirt. Cofer missed the point after and the score was 34 to 0.

The Cyclone, at this point, continued with substitutes in their

offensive backfield and no points were scored for the remainder of the second quarter.

Third quarter opened with Memphis receiving the kickoff and on a fine return by Pete Salinas had field position on the Memphis 40.

Three running plays was shy of first down yardage, so punter Ricky Guy boomed a high, 32-yd. punt, and the Wildcat receiver missed the catch and Val Stone recovered for the Cyclone on the River Road 20.

Memphis drew two offensive penalties and turned the ball over to the Wildcats on their own 35, four plays later.

The Wildcats got their first drive of the night going, but after marching past mid-field, a fumble was recovered by Tracy Galloway and Memphis had the football on the Cyclone 43.

It took five plays to score, with End Guy catching a 13-yd. pass from Cofer, then Anthony Johnson caught two in a row, one for 16 and the other for 6 yards and a touchdown. Cofer kicked the point after and the score was 41-0.

It was on the Wildcats next possession, when the punter missed the snap that Braidfoot recovered in the end zone for a touchdown. Cofer's point after kick was wide and the score was 47-0.

The Cyclone alert defense recovered a Wildcat fumble on the River Road 24 after the kickoff. QB Randall Shahan carried on a keeper and raced 24 yards for the final TD of the night. Cofer's kick was no good making the score 63-0.

The Cyclone's final score came, climaxing a long drive by the Cyclone's second unit. Key carries were a 15-yard gainer by Shahan, a 13-yd. carry by Allard, and a 37-yard gainer by Steve Flemmons.

With first down on the visitors' 14, Cofer attempted a 31-yd. field goal. The kick missed the uprights, but River Road was off sides. Moving five yards closer, Cofer's next attempt split the uprights from 26-yds. out.

**Statistics**

Memphis	River Road
19 First Downs	11
283 Yards Rushing	102
130 Yards Passing	26
9 Completed Passes	4
5 Incomplete Passes	5
1 Pass Intercepted by	0
0 Fumbles Lost	4
4 for 37 Punt Aver. 5 for 32	6 for 66 Yards Pen. 4 for 50
Kirk Fields was the leading rusher for the Cyclone with 102 yards on 10 carries. Terry Allard had 66 yards on seven carries and Randall Shahan had 43 yards on five carries. Steve Flemmons had 43 yards on four carries while Pete Salinas had 25 yards on five carries and Rodney Hall carried once for four yards.	

Anthony Johnson led in pass receptions with four for 58 yards, while Ricky Guy caught three for 55 yards. Rodney Hall caught one for 15 and Tracy Galloway one for two.

## LETTERS To The Editor

Mr. Bill Combs, Editor  
THE MEMPHIS DEMOCRAT  
617 Main Street  
Memphis, Texas 38102

Dear Bill,  
Just a note to tell you how much I enjoyed your editorial entitled "Who Is Really Concerned About Agriculture?". It provided a concise and thoughtful insight into the problems of wheat farmers today and the fact that all farmers will face similar problems if our agricultural policy is not changed.

With kindest personal regards, I remain

Sincerely yours,  
Ray Farabee

## Series Of 16 Tax Forums To Be Held In Various Texas Cities

AUSTIN — Comptroller Bob Bullock announced today that his office and the Texas Legislature are sponsoring a series of 16 Texas Tax Forums around the state to tap public sentiment about existing state tax laws and regulations.

Bullock said the hearings, to which the public is invited, will begin Wednesday, October 12, in Houston and conclude December 9 in Austin.

"Sometimes it's hard to hear the voices of the taxpayers in our granite office buildings in Austin," Bullock said. "We want to get out where the taxpayers live, and I hope they'll come and tell us their problems."

The Comptroller said the issues of which testimony is invited range from confusing or duplicative tax forms to major proposals such as increasing the inheritance tax exemptions or exempting residential utilities from the sales tax.

The information gathered will be the basis for possible administrative changes or recommendations to the Legislature, which convenes in January, for legislative changes, Bullock said.

The Forum panel will consist of Bullock, chairman; Rep. Joe Wyatt of Bloomington, chairman of the House Ways and Means Committee; Rep. Joe Allen of Baytown, a member of the House Ways

and Means Committee; local members of the Legislature; Tom Henderson, director of the Comptroller's Sales Tax Division; Garry Mauro, director of the Comptroller's Field Operations Division; and a sales tax expert and local field office manager from the Comptroller's Office.

Bullock said that more than 700 organizations interested in state tax laws have received letters inviting their testimony.

The forum will be held in Amarillo at City Commission Chamber at 9 a.m. on November 9.

Mr. and Mrs. Holmes Posey and Mr. Albert Gerlach had as visitors in their home last Sunday, Bro. and Mrs. Jack H. Wolf of Fort Worth.

Mrs. Ronald Wilson visited in Amarillo Tuesday with her mother, Mrs. Emma Benton.

## Gov. Briscoe Approves \$31,800 For TPCAC

Governor Dolph Briscoe announced approval of a \$31,800 supplemental Office of Human Development grant to Texas Panhandle Community Action Corporation in Amarillo.

The grant is for Handicapped Head Start, and is effective retroactively from Aug. 1, 1976, through July 31, 1977. It is funded under Title V of the Head Start, Economic Opportunity, and Community Partnership Act of 1974.

The supplemental funds are being used to improve services of approximately 75 handicapped children in the 26-county area of the Texas Panhandle. In order to improve

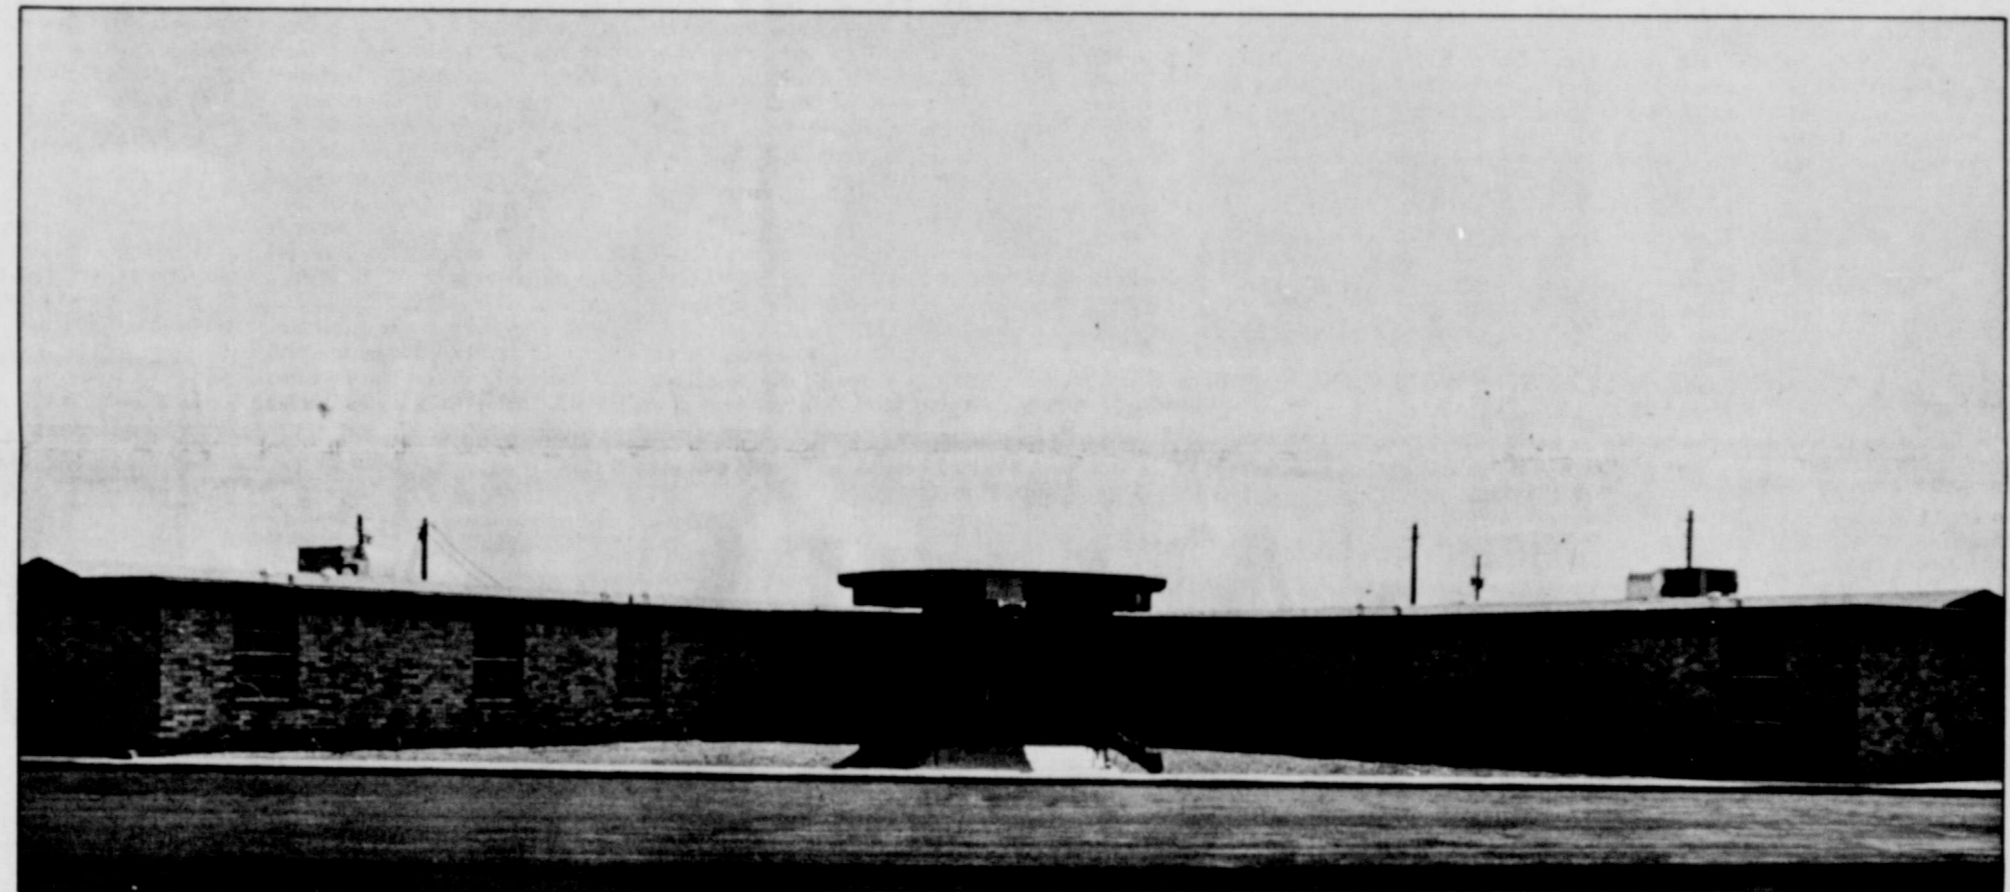

the services, a diagnostic team is being hired by the delegate agency PESO Education Service Center of Region XVI, and the corporation is hiring an educational diagnostician and a certified teacher of the handicapped.

Grant processing and program liaison are through the Economic Opportunity Division of the Texas Department of Community Affairs.

**CARDS OF THANKS**  
We wish to express our thanks to our friends and neighbors for your kindness and help to us in the loss of our loved one. We especially wish to thank Dr. Clark and the nurses and staff at Hall County Hospital, the friends who prepared food, for the flowers, visits, call and letters, and to all who helped in any way. It was all so deeply appreciated.  
The Family of  
Mrs. J. T. (Delia) Ables

# Meet new friends, enjoy life more at the beautiful Leisure Lodge Nursing Center of Childress.

Ardella Lorene Benson: Administrator.

Who says a nursing home has to be dark, stuffy, cramped and no fun? At Leisure Lodge Nursing Center, we certainly don't think so! As a matter of fact, we've gone all-out to make our home a place to LIVE. You'll love the bright, cheerful colors, the drapes, pictures, furniture and home-like surroundings. But most of all, you'll love our people — because they'll love you!

Guest rooms in Leisure Lodge Nursing Centers are large, comfortable, well-furnished, light and cheerful.

Compassionate, conscientious nurses who truly care about our guests are a trademark of every Leisure Lodge Nursing Center.

We have everything you'll find at any nursing home, plus a whole lot more. First of all, we have Licensed Nurses on duty around the clock. The regulations don't require us to have a Nurse on duty at night, but we want it that way. We have good food, and plenty of it. If your doctor says you need a special diet, we see that you get it. Our guests eat together, at regular dining tables, in a regular dining room, and enjoy the fun and fellowship of people their own age. We have planned and supervised activities, scheduled by a full-time Activities Director. And we have religious services, too. But what we have the most of, is FUN, and that's why our guests like it so well here.

At Leisure Lodge, spacious and well-appointed living rooms are a center of activity, where guests gather to visit, read, watch television.

It doesn't cost any more to live at Leisure Lodge than any other home. Don't let our nice building and grounds and our pretty decor fool you. It may look like an expensive place to live, but it isn't. In fact, it doesn't cost a bit more to live here than at any other nursing home. We're approved by the State Welfare Department, licensed by the State Department of Health, and we're approved for Medicaid. Regardless of where you live now, you can easily move to Leisure Lodge Nursing Center. And we know you'll like it here!

Anyone who has ever eaten a meal at a Leisure Lodge Nursing Center knows that the food is good, lovingly prepared, and that there's plenty of it.

We'd love to have you visit our home anytime, at your convenience. We're proud of Leisure Lodge Nursing Center, and we'd like for you to see it anytime. And especially, if you are in need of professional care; if you are living by yourself or with some family member who is unable for any reason to give you the attention and help you need; if you're just lonely for companionship; or if you know anyone in one of these categories — call or come by Leisure Lodge Nursing Center. Find out how much FUN living can be. You'll be glad you did!

Handcrafts and other activities are a large part of the program of rehabilitative care which is typical of every Leisure Lodge home.

## B. B. Shots

By  
**BYRON BALDWIN**

In reviewing the scrap book of our local Chamber of Commerce, it was very interesting to observe the activity of this organization, starting in when the younger generation assumed the responsibilities. On January 11, 1973, Larry Parks was elected president, Danny Scarbrough, vice president, Johnny Farnsworth, secretary. At this time, Jim Edd Wines was hired to be manager of the C. of C. where he served until Oct. 1, 1976. A coincidence in the lives of Larry and Jim Edd being the same age. They both graduated from MHS in 1966. Larry graduated from Texas University in 1970. After his graduation from the university, he worked with bank examiners until returning to Memphis to be associated with his dad in the banking business.

Jim Edd Wines graduated from West Texas State in 1971 where he was vice president of the student body, Who's Who and a member of Lambda Chi Alpha and Alpha Kappa Psi fraternities. The coincidence was that Larry and Jim Edd were both members of the same fraternities. After Jim Edd's graduation from West Texas State, he worked in Houston for a period of time before returning to Memphis to accept his duties as secretary of the Chamber of Commerce. Since youth led out by Larry and Jim Edd in 1973, a lot has been accomplished in the three and one-half years in advertising Hall County in a great way. Some of the things that were outstanding to me were publicizing the fact of Hall County being the Cotton Capital of the Panhandle in the miniature bales of cotton, also in many other ways. Also, we were advertised nationally by the Enduro Races which were held here. Another national advertisement was the home of Bob Wilks of Turkey, Texas in Hall County. They capitalized on tourism, industry and many other projects. We are always glad to have our young fellows come back home and find an occupation in their own back yard.

We had another young man come back to his home town and served as president of the Chamber of Commerce while Jim Edd served as manager of it. This was none other than Mike Branigan who graduated from MHS in 1965. He went from here to Oklahoma City, attending an electronics school, from there to Central State College and from there to Fort Worth where he worked with General Dynamics Corporation for 5 years. His next educational work was in Dallas, New Orleans and California in the study of diamonds and moissanites. He is now in the

jewelry business with his parents, Mr. and Mrs. Elmont Branigan.

Two other men who were not quite as young served as president of the C. of C. John Kehr and Dale Lawrence who both had a lot of energy, ambition and activity. A great many of us who have not labored in this field of work do not realize the many hours and many people it takes to keep the Chamber of Commerce going as well as other organizations which take a lot of free time and work. I would guess that it takes about 150 people to put over Hall County Picnic each year. Our congratulations to Jim Edd for the work he did in his home county and town. Our best wishes to him as he assumes his work with West Texas State University in Canyon, Texas.

Just about 1 year ago, Orville Crimes and wife Betsie of Lodi, Calif., were giving Hall County Heritage a tour. I asked them about the area where they lived, and they told me what fine vineyards were in the Lodi area, and they were going to send me a bottle of the grape juice made from their fine white grapes. I had almost forgotten this with my short memory when Mrs. Roy Grimes called me and informed me that her nephew, Orville, had sent me the promised gift from Lodi. This came in just right for me as the doctors put me on fruit juices almost a year ago and this will give me a change in taste. I am glad that Mr. and Mrs. Orville Grimes had a good memory and did not forget their promise!

Mr. and Mrs. Chas. Ellis, who were reared here in the early days, lived in Remet, Calif., for 25 years and returned and moved back to Memphis in 1975. Mrs. Ellis was the former Alma Jeffers. They have five children and they had as their guests in Heritage Hall, their grandson, Mike Ellis, and wife of Kansas, where he is stationed while serving in the U. S. Army. Mike has been in the Army three years and served

Although there's an abundance of holiday decorations available, the nicest are still the ones made at home. And when they can be served for dessert it's even better.

A Caramel Crispy Tree makes an attractive centerpiece for your buffet or dinner table. And, for an added effect at a party, put your guest's name on little tags at the end of each pick. Any way you display it, don't plan on keeping this delicious little tree around long—it tastes even better than it looks.

## CARAMEL CRISPY TREE

**CARAMEL CRISPY TREE**  
49 (14-oz bag) Kraft caramels  
2 tablespoons water  
3 cups crisp rice cereal  
2 cups corn flakes  
1 cup coarsely chopped peanuts  
Styrofoam cone  
9 inches high

Melt caramels with water in double boiler or saucepan over low heat. Stir occasionally until sauce is smooth. Pour over combined cereals and nuts; toss until well coated. With hands slightly moistened with cold water, form into 1-inch balls. Let stand until firm. Insert wooden pick in each ball and attach to cone.

two years in Korea. While in Korea, he married his wife, Sue. Mr. and Mrs. Chas. Ellis had one son killed while serving in the Armed Forces. They have one son living in Mississippi, one daughter in Oklahoma and two daughters in California.

Mr. and Mrs. Everett Bell of Wellington were visitors in Heritage Hall. Mrs. Bell will be remembered as Gladys Jones, the daughter of the late Mr. and Mrs. Henry C. Jones. She and Everett were early day residents of Hall County. They moved to Wellington in 1944. They have one son and one daughter who live in Colorado and one who lives in Iowa. Two of Gladys' classmates she remembers in MHS were Ruth Harrison and C. J. Goodnight.

Ruth (Mrs. Carl) Harrison is now hostess in Hall County Heritage Hall Monday, Wednesday and Friday afternoons of each week.

We received a letter a few days ago from Ida Mae Long of Kingsville and the reason I say we, the letter was addressed to Tops Greath and Byron Baldwin which shows up her Scotch ancestry and knows how to handle her financial affairs by getting the 50 percent discount on her postage. (That is enough ribbing!) She appreciated her special invitation to the Hall County Picnic, but it was impossible for her to make it this year. She will try to see her friends here in October

some time. Ida Mae is now working in her spare time, raising flowers and working her garden. She still has happy memories of her days here working for the telephone company. She has never forgotten what Roy Brewer told her at one time when Roy was local manager. "If you did not make a mistake, I would fire you, as we profit by our mistakes."

Tops had a short note with this letter she sent to me, accusing me of having something to do with her being nominated for President of Hall County Picnic in 1977. If I did have some part in this, I am proud of it, as this is the first time in the history of Hall County Picnic that the female sex had been nominated for this job which Tops is well qualified for, as she has worked with the picnic committee for several years and knows how much free work it takes to put it over. And I have a lot of faith in her getting the picnic put over in a great way.

I had the pleasure several years ago of sitting on the Grand Jury of Hall County when the first lady had that honor. There were 11 men and one lady, Mrs. Orie Smith wife of Brown Smith, who served and she served well. There are now 28 ladies serving as county agriculture agents in the U. S.

A letter received from Edith (Ward) Trutalli of San Jose, Calif., telling us of what

a wonderful time she had at the Hall County Picnic this year, taking pictures and visiting with old friends, many of them whom she did not see last year. She expresses her thanks to all the people of Hall County who had a part in putting over the wonderful picnic this year. She not only visited our museum, she made a tour of Palo Duro Canyon and also the historical museum in Canyon. We will look forward to seeing the Hall County Rooster here again for the 1977 picnic.

We received a letter a few days ago from Mr. and Mrs. Wesley Foster of Friona that we appreciated very much. They are both from pioneer families of Hall County. Wesley will be remembered as the brother of Henry Foster and Mrs. Foster will be remembered as Rhea Lamb, daughter of Mr. and Mrs. Jake Lamb. They were both reared in the Plaska area (which formerly was Lodge). They moved to Friona several years ago where they have continued to operate a department store. Our best wishes to this family for continued success.

In the passing away of Mrs. Marvin Dishroom in California a few days ago, it brought memories back to me of the family of M. R. Moore who moved to Hall County in 1905. There were 10 children in this family, 5 deceased and 5 now living, Troy and Ruth Miller of Hereford. Walter of

## Regina Ploch Is Coordinator For Ford Com.

Austin—Former Gov. John B. Connally, chairman of the President Ford Committee in Texas, has appointed Regina Ploch of Amarillo as regional coordinator for Hall County.

"Regina Ploch will bring to the campaign the coordination needed to assume that all Texans understand the President's firm stand on the issues confronting our country today," Connally said. "I believe President Ford speaks for the majority of Texans in his stand on such issues as agriculture, taxation, right - to - work, national defense, energy, and needless federal spending," Connally said.

"Jimmy Carter has flipped so many times on the issues that few, if any, Americans understand his position on the problems facing the Presidency," Connally added.

"Texans are becoming aware that Carter's statements on energy would destroy the tax base in Texas and lead to a state income tax," Connally said. "They are becoming aware that Carter's agriculture policies would mean the unionization of workers on every small farm in Texas."

Detroit, Mich., who is now retired after helping build automobiles since 1924 and for a number of years was with Hudson and Essex Motor Co.; also, Sallie (Moore) Lengshore, brother of Bill. The other child in the Moore family is Mrs. Lindsey Yarborough of Memphis, Oia, the oldest child, married Marvin Dishroom. Marvin served under Jim King as deputy sheriff and was elected and served as Hall County Tax Collector. This was when the sheriff and tax collector's offices were separated. Marvin and Oia first moved to California in 1926. Mr. and Mrs. M. R. Moore moved to Hereford in 1929, where Mrs. Moore passed away in 1939 and Mr. Moore in 1945.

In reading the Dallas News "Scene" Section we found the story of a lady in San Marcos who is on the social security records as being 112 years old. Some of her family think that she is 120 years

old. Of Spanish descent, she had 14 children, 4 now living and the youngest one is almost 70 years old. She sews quilts and does ceramics. She can thread a needle without glasses. Her doctor recently checked her blood pressure and got a reading of 160 over 80. This would compare to a healthy teenager, and she has the lungs of a 20 year old. She may be the oldest person now living in Texas. She worked hard in the fields and has never smoked or drunk. She can also make chili. She entered the men's chili-making contest for the first time as one of the opposite sex as the bylaws of this organization stated that it was for men only and women over 100 years old! She qualified on age but did not win first prize.

Then we found another century plant (100 years old) which is Texas A&M, opened Oct. 6, 1876, with 6 students from Central Texas. In that 100 years of growth, they now have over 28,000 enrolled from every county in Texas, every state in the nation and from some 75 foreign countries.

I had a short visit with Milton Evans a few days ago. He is now assistant pastor of the First Baptist Church of Plainview. He will be remembered as the son of the late Mr. and Mrs. J. C. Evans who moved to Hall County from Celeste in 1906. This family first lived in the Salisbury area and later moved to the Lesley Community where the children in this family attended school. There were 9 children in this family. Five are now living, Hoyt and Milton of Plainview, Ila Eason of Arizona, Ermalee Jones of Clarendon and Mrs. A. J. Fowler of Memphis. The other son who was a minister in this family was Emmett who married Lene Melton, who is still living in California. Emmett passed away in 1964. J. C. Evans passed away in 1945 and Mrs. Evans in 1941 in Memphis.

In our history we had read the story of the "Battle of Bull Run". Recently we had a battle of "Bull Run" when Julius Neel was trying to load a bull and Julius did not run quite fast enough so the bull won the battle! (Latest news from the Neel's is a beef-steak poultice has opened his eye).

We had as visitors the week, Mr. and Mrs. Frank Toner of San Leandro, Calif. Mrs. Toner is the daughter of the late Mr. and Mrs. William Milan and sister of Mrs. Julius Neel. She graduated from MHS in 1942, after attending T.C.U. in Fort Worth. She and Frank Toner, a Nebraska boy who was stationed at Tarrant Field, married in 1945. He was employed in Paso Robles, California, spent three years in the U.S. Corps. They have two daughters, Sandra, who is married to Mike Cooley (She and her husband are now in Milan, Italy, both stationed in the grand opera.) The youngest daughter, Suzanne Toner, is secretary for the American Broadcasting Co. Frank is working with the National California Branch of the "Band of America" for the past 38 years. Katherine is now serving as chairwoman of the Bicentennial Executive Committee of San Leandro, also serving as commissioner of the Historical - Cultural Advisory Commission. Many of our Hall County people have made head marks, wherever they live. We are proud of them. I asked the Toner about the flying saucer reported 4 hours in the air. That is about one thousand nine hundred and 96 less than the speed of sound. Trains who were traveling that area in the Gold Rush days. They were really one people with a lot of obstacles. God was with them and their medical supplies, castor oil, pills, turpentine, swamprost and anafortin, horse liniment. Our generation would have a hard time making the wagon after flushing and pulling buttons. Travel has come a long way, since we first saw the oxen pulling the log wagons at about 5 miles per hour. The San Leandro Bicentennial Committee has a full year of celebrating there.

The Veterans Administration employs about 5 percent of all physicians in the United States.

The Veterans Administration is the world's largest employer for nurses, dietitians and physical therapists.

## WHAT KIND OF CONGRESSMAN DO YOU WANT?

SOME CONGRESSMEN DELUGE THEIR CONSTITUENTS WITH HIGHLY POLITICAL "NEWSLETTERS" MAILED AT TAXPAYERS EXPENSE.

Congressman Jack Hightower doesn't do this. He communicates with the people of the 13th District through the media and by regular visits back home.

SOME CONGRESSMEN FILL UP THE CONGRESSIONAL RECORD, AT \$275 PER PAGE, WITH FABRICATED "SPEECHES" AND "STATEMENTS" WHICH WERE NEVER MADE IN FLOOR DEBATE.

Congressman Jack Hightower doesn't do this. He believes the people are tired of phony politicians who use cosmetics of this kind to make the people think they are "active."

SOME CONGRESSMEN TRAVEL FAR AND WIDE, AT GOVERNMENT EXPENSE, UNDER THE GUISE THAT THEY ARE "INVESTIGATING" SOMETHING IN FRANCE, ITALY OR ANOTHER FOREIGN COUNTRY.

Congressman Jack Hightower doesn't do this. When Congress is not in session, he comes home to the district to stay in touch with his constituents. He believes that the worst Congressmen are those who go everywhere but home.

SOME CONGRESSMEN VOTE THEMSELVES BIG PAY RAISES.

Congressman Jack Hightower doesn't do this. He opposed the Congressional pay raise because he believes Congress should set an example in these inflationary times—and not be part of the problem.

THAT'S THE KIND OF CONGRESSMAN JACK HIGHTOWER HAS BEEN SINCE HE TOOK HIS OATH IN JANUARY 1975. IT'S WHY HE HAS EARNED THE RESPECT OF HIS COLLEAGUES AND THE CONFIDENCE OF PEOPLE THROUGHOUT THIS DISTRICT... FROM BOTH POLITICAL PARTIES. JACK HIGHTOWER, DEMOCRAT, HAS EARNED A SECOND TERM. VOTE NOVEMBER 2.

## You can BANK on It!

Don Long  
President

### FIRST STATE BANK

Two major reasons banks exist are 1) to protect your money, and 2) to lend money. This pertains to the latter reason.

Having the information necessary for a loan is relatively simple if you will prepare three things for the loan officer: a general financial statement, a projection and a personal financial statement.

The general financial statement applies to a business or a specific project and includes a balance sheet and an income and expense statement.

The projection is usually an estimate of future income and expenses. It also shows the banker that you have goals and visions and a way of putting dreams into reality.

The third is the personal financial statement, a useful tool because it provides the banker with the information he's looking for to make his judgment upon.

For personal loans on cars, refrigerators and the like, the personal financial statement would certainly help speed the paper work.

If you need help making one up, come by. We'll be happy to assist you.

"The more you know about our business, the more we can help you!"

MEMPHIS HIGH CHEERLEADERS—Pictured above are the MHS Cyclone Cheerleaders and their mascot. From left to right are: Head Cheerleader Kim Wynn, Sandy Hindman, Tammy Lockhart, Mascot Jami Scarbrough, daughter of Mr. and Mrs. Danny Scarbrough, Jane Richardson, Sharon Penney and Peggy Fowler. Cheerleaders do a fine job all year long.
