Vol. I, No. V

Sept. 20, 1974 Brackettville, Texas

Extra! Extra! Exclusive Interview!!

At five minutes past midnight, in an old tin shed, behind the Court-house, this exclusive interview was held with Mr. Kinney Ambulance.

CAVALRYMAN: Mr. Ambulance, several people have made the remark that "You won't run again." What do you have to say about that?

AMBULANCE: "That reminds me of the boy they said would never walk again and turned out to be an Olympic Champion. I have had some positive thinking people that are experienced mechanics that say I can.

CAVALRYMAN: Coach Slaughter said, his boys would sure like to see you again. Do you miss the games?

AMBULANCE: YOU BET!

CAVALRYMAN: What have been some of your problems that caused you to go into seclusion?

AMBULANCE: Well, for one thing, insurance. I know this can be solved. The big thing I think, was it was a situation of just a few people doing all the work. I know of a couple of hard working people that I just about completely wore out! I feel, that I need to be total community project. I have a couple of cousins, Harold and Mary Ambulance, in a much smaller community that Brackett, that are very active and well cared for.

CAVALRYMAN: I heard a rumor from a very reliable source, just today, that Brackett will receive a doctor in the very near future.

AMBULANCE: That's Great! I sure would like to be able to greet him and assist him in the future.

CAVALRYMAN: What would you like to happen first?

AMBULANCE: Well, being a little vain, I sure could use a bath and a good wax job would feel great. My aching shoes sure could use a little air. I thought that some of our local fine young people might be able to help, Scouts, FFA, or some of those fine young Tigers.

CAVALRYMAN: I have some good news for you Mr. Ambulance, Judge Tommy Seargeant has volunteered the use of his Court room in the COUNTY COURT HOUSE FOR A MEETING, MONDAY NIGHT, 7:30 P.M. ALL INTERESTED PEOPLE ARE INVITED. We have also contacted some members of the following groups who say they will have a representative there: Lions Club, Booster Club, Chamber of Commerce, Sorority, and Coach Slaughter said his staff will be represented. We feel sure that the Brackettville and Fort Clark Fire Depts. will also send a representative, along with the City. We hope that some of your old associates, that helped in the past, will be there.

AMBULANCE: That's Wonderful! I sure would like to come out of seclusion.

CAVALRYMAN: I understand in the past you worked with the MAST Helicopter program, how did you feel about this?

AMBULANCE: It was terrific.

CAVALRYMAN: I understand that we are eight (8) miles too far from San Antonio to receive this service now. Do you have any suggestions?

AMBULANCE: Very Simple, we will either move San Antonio eight miles closer or get some state or federal politians to move it for us!

CAVALRYMAN: Thank You very much Mr. Ambulance.

TIGER TALES

by
Shirley Hadsell

"WE ARW NO.1," rang loud and clear again this week as the final whistle blew and the Brackett Tigers claimed a 52-7 victory over the Sanderson Eagles.

The Tigers opened their scoring when Jimmy Ballew took the ball on the 7th play of the game and went 35 yards for the first TD. Richard Pena kicked the point and the Tigers were on their way. Quarterback Butch Hadsell then hit Ronnie Hobbs with a pass and Hobbs carried it in for a score and a play of 33 yards. Pena again kicked the point. Ballew again scored from the 1 yard line and the point try failed. Ballew again scored from the 11 yard line for the 4th TD. The Point try failed. Ronnie Hobbs then went over from the 10 and Pena kicked the point. Bobby Bryant opened the second half scoring from 65 yards out and Pena kicked the point. A little later Bobby scored from the 11 yard line and the point was good by Pena. Bobby Gum then scored the last score from the 1 yard line and the point was no good. Sanderson scored on a 5 yard run by Carlos Munoz and Kendell Billings kicked the point. The secon string got in a lot of experience in this game and some of the standouts from this string were Mark Tidwell at Quarterback, Kenny Ward at End, John Jones at Center among a lot of others. The offense line and defense line operated well and the team on a whole played real good football. After two games the offense have put 102 points on the Boards and the Defense unit has allowed only 15 points. I think that speaks well for the entire team and their Coaches as well. The Tigers travel to Asherton this week and there is a chartered bus ready to go so let's continue to back our Tigers! That's Tigerland this week!!!

TIGER BOOSTERS MEET

The Brackett Tiger Boosters met on Tuesday night and viewed the game film of the Southside-Tigers contest which was very interesting since Coaches Bobby Slaughter, Tom Ham, and Stony Burks made comments during the film. Also comments on the coming game were given. President Charlie Koch reminded everyone that a bus is chartered for the Asherton game and anyone interested in riding the bus is asked to contact Mrs. Charles Hadsell. Tickets are \$6.00 per person. Refreshments of cake, coffee, and punch were served at the close of the meeting.
