TALES

BY
SHIRLEY
HADSELL

The Tigers haven't had much luck in the New Year as they dropped two District Games this past week. On Tuesday Night they traveled to Sabinal for their first District contest and at the end of the game the score was tied and went into an overtime and saw the Tigers down by 2 points at the end of the Overtime. Kenny Ward had 20 points for the Tigers and Butch Hadsell had 18. The next District Game was on Friday Night at Natalia and the Tigers were as cold as the North Wind. The Mustangs outscored the Tigers 58-49. High for the Tigers was Butch Hadsell with 18 points and Mark Tidwell with 13 points. The Tigers will be at home on Tuesday Night when they meet the Lytle girls and boys. The Tigerettes

The Tigettes have had the same sort of luck as the Tigers during the New Year. They were defeated by Sabinal by 10 points. Traci Roselle lead the Tigerettes with 21 points. In the Natalia game the girls were defeated by a score of 45-33. High for Brackettville was Traci Roselle who had 20 with Candy Smallwood posting 13 points. The Girls will also meet Lytle on Tuesday Night and then both teams will entertain Dilley on Thursday Night at Tiger Gym.

TIGER SPOTLIGHT

This week we will spot-light Kenny Ward of the Tigers. Kenny is a Senior Student at Brackett High and has played for the Tigers four years being named to the All-District Team in 1974. Kenny is

TIGERETTE SPOTLIGHT

Traci Roselle is a Junior Student and is playing her third year for the Tigerettes. Traci is the daughter of Mr. and Mrs. Tom Roselle and is the Tigerettes leading scorer for the year.

Olive Baptist Church of Del Rio assisted. He is survived by his mother and father, Mr. and Mrs. Dan Perry, five sisters and three brothers, a host of relatives and friends. There also, were a delegation of Dan's friends from San Antonio, that included Mr. and Mrs. Parker and sons. There were others whose name we didn't get. A NOTE FROM * JUDY *

Well here I set at the typewriter trying to find the words to let you know how I feel and to get my point across to you.

It seems we are not communicating as there has been several people approached me again this week asking "How much would it cost to put some news in the CAVALRYMAN?" I thought that we understood one another, but, I am sorry that we didn't make ourselves clear. IT DOES NOT COST TO PUT NEWS IN THE CAVALRYMAN.

The only things that cost is the Display Ads and Classified Ads. All the Social news, business news, and any "goins" in Brackett" we do not charge for. So if you know of any type of news, such as shoot-outs, weddings, any strangers in town that you want the whole town to know are or were here, let the paper know and we will let the whole area know.

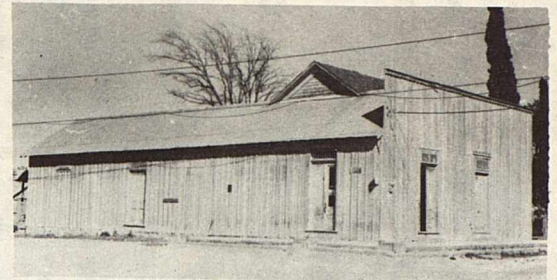

Know of a coming event you want to let your friends to know about like an "ole-fashioned foot stomping" dance at your house or at the corner of the "Closed Street" then let the roving reporter know about it. It seems he is about town most of the time, if now and then you don't see him about, call him or leave a note at the house. The telephone number is 563-2696. If he isn't there tell "the second in line", Me, that you want to have a "pow-wow" with him and I can say for sure that he will make it a point to see you!

CRYSTAL SEZ: She will be back with you soon and she hopes you like the bigger Newspaper the week.

SCUTTLEBUTT from Fort Clark

BY B.J.

By George, he's right. Here's B.J., pen in hand and of course now the scuttlebutt.

Just thought I'd show some friends of the Westphal, our Fort, and almost had a head on collision with a Mac Truck. That's okay though cause it represents progress at the Fort. The NEW Recreational Vehicle Park is super. Come See.

Stranger with the beard and camera in hand, seen snooping on the Fort, it's Bill Modisett, The Bugle's New Editor. Watch for an important edition next month.

Nice Folks from Minnesota, The Zanstras, The Zinnels and The Markmans, are all congregating at the Westphals.

Stomping Dancing to Darrell McCall was super New Years Eve. Thank you Brackett Chamber of Commerce. Champaigne Breakfast wasn't bad either.

Shuffleboard Courts were christened on the 4th by our Canadian Friends, the Powells and the Fransons. (Winner not published)

W-O-W! RV Subdivision Unit 14-A surveyed and reservations now being taken.

Welcome! Welcome!

Albert Kestloot Family and Emery Wursma Family, heading West to the Fort with Mobile Homes.

The Powers, Canadian Friends, selected their Mobile Home Lot.

Claude Owens has a choice now his mobile home or old RV.

Majorie Dykes is Proud Owner of a 49er. (Merchants of Brackett isn't this exciting, \$\$\$\$\$\$)

And to save the best to last CONGRATULATIONS..... to two of the best looking Grandparents I know, Bill and Rose Bizzell. The Baby Boy Brandon Ross Angermiller, born Jan. 9, 1975, weighed 8 lbs. 10 1/2 ozs., and is quoted "long enough."

ATTENTION!!!!

Kinney County Fort Clark Members.

Fort Clark is super! Movies, skating, bowling, etc. are fun too, so we the parents, grandparents, or friends of teens and almost teens

 2. Young people ages ten (10), thru eighteen (18) or Seniors in H High School are eligible.
 3. How Often? Hopefully twice a month.
 4. Parents must register by phone or letter, with Beverly Hood. Call 563-2493 or 563-2627 after 6p.m. Children not registered will not be allowed on the caravan.

NATIONAL FLOOD INSURANCE

The U.S. Department of Housing and Urban Development announced today that effective January 14, 1975, Brackettville has been accepted into the National Flood Insurance Program.

This means, said Acting Federal Insurance Administrator, J. Robert Hunter, that individual property owners here are now eligible to buy flood insurance protection at affordable federally-subsidized rates, offering more extensive coverage under the expanded program authorized by the 1973 Flood Disaster Protection Act.

Under the expanded program, broader coverage can be obtained for all buildings and their contents. The limit of insurance for single-family homes is now \$35,000, and \$100,000 for other residential and non-residential buildings, at the subsidized rate of 25 cents per \$100 of coverage. The rate goes to 40 cents per \$100 for non-residential buildings.

The contents of all residential buildings can be insured up to \$10,000 per unit at 35 cents per \$100 of coverage, and the rate goes to 75 cents per \$100 for the contents of all non-residential structures up to a maximum of \$100,000 in coverage per unit.

Policies are effective immediately during the first 30 days the insurance becomes available. After the first 30, days, there is a 15-day waiting period.

The Policies can be purchased from an licensed local Property Insurance Agent or Broker. The Home Insurance Company, 2100 Travis Street, Houston, Texas, 77002, has been designed as the Flood Insurance servicing Company for this area. Agents and Brokers may obtain Policy Forms, rates, Flood Insurance Manuals and any other necessary information from this Company.

The program is designed to stimulate individual participation in it as protection against natural disasters, and to help promote sound flood plain management on the part of local governing authorities.

In becoming eligible under the program, a community must submit an application in which it certifies that it has adopted certain minimum flood plain management measures for the flood-prone areas of that community which conform with Federal requirements. These measures vary according to the characteristics of the community and the nature of specific flood threats. But they are generally designed to regulate the future development of flood hazards areas, and ultimately require minimum elevation and construction standards for floors and foundations of any new construction in these area.
