STARS OVER BRACKETT

Upper left . . . Roni Stoneman wins . . . FIRST PRIZE * * * Ladies Division, "Fastest Woman," at the 17th. Annual Labor Day Cowboy Horseraces at Alamo Village, Brackettville, Texas. Trophy was presented by Texas' own Dotts, RCA recording artist.

Above . . . Not only does Roni Stoneman, the funny lady on Hee Haw, thrill thousands with her banjo picking, but also by her witty jokes, singing and guitar picking.

LEFT . . . Dotts, who got her start at Alamo Village and is now the hottest female country western recording star in the country, entertained thousands at the Labor Day festivities at Alamo Village. Dotts commented, "It was like home coming . . . friends came from all parts of the nation and it was so good to see my many Brackettville friends."

TERMS: CASH, CASHIER CHECKS, COMPANY CHECKS, WITH BANK LETTERS OF CREDIT PLUS PROPER IDENTIFICATION.

DOTTSY got an unexpected treat when she taped a guest spot on "Nashville On The Road" in Hot Springs, August 30. The senior at the University of Texas at Austin went on a tour of Ouachita Memorial Hospital and sampled the world-famous hot mineral baths in the resort city. The tour of the hospital was especially meaningful to Dotsy since she plans to teach mentally retarded children if and when her career slows down.

LEON EVERETTE of True Records is set to record his first album for the label Sept. 12, at Jack Clement Recording Studios with

CMD

Howard Knight producing. The LP will contain Everette's single "Goodbye King of Rock 'N' Roll."

Burbank, CA was the scene of a backstage reunion August 25-26 when Roy Clark hosted the Tonight Show. It was the first time Clark has an opportunity to visit with Ruth Buzzi and Kenny Rogers since they originally met at recording sessions in Clement Studios in Nashville. Clark encouraged Buzzi to pursue a singing career and the trio has as much fun reminiscing backstage as they did before the cameras.

4-H NEWS

KEVIN KAPLAN
(4-H Reporter)

The First 4-H meeting of the 1977-78 school year was held at the Kinney County Courthouse on Tuesday, September 6, at 7:30 p.m.

Carl Esser, County Agent, discussed the cost and care of the livestock projects for this year. He said the Kinney County 4-H has some very outstanding lambs this year, "maybe the best we've ever had."

Mr. Esser will be going to Colorado to get some Crossbred Lambs next week, and will be gone for approximately 5 or 6 days. The 4-H members who are planning to raise lambs will be picking them the 24th of this month. They will cost about \$15. per/head.

The first Livestock Show that 4-H members will participate in with their lambs will be the State Fair in Dallas, October 17-20. There will be six 4-H members from Kinney County going to Dallas: Candy Smallwood, Kimberly Trant, Kevin Kaplan, Doug McCorty, Rex McCorty and Tana McCorty.

The Awards Banquet will be held the 11th of October. Everyone is invited to attend.

The next 4-H meeting will be the second Monday of November.

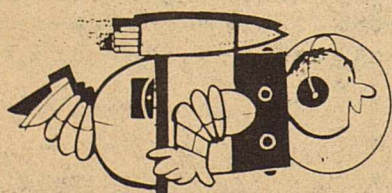

(Editor's Note: Welcome to the 4-H Reporter for the year and we will be seeing and hearing more from one of the top most clubs in the Brackettville area.

We always like to hear from all the organizations....

CB BREAK

BY THE SKY PILOT

If there were to be a question as to the utility of the CB these questions should have been laid to rest. If ever anything proved its worth the CB has done so during this season of fires. There is no way to estimate the time saved by using these radidios. Time of course is the essence in reaching and fighting fires. Anyone who has had his ears on when a fire is in progress knows how much use the CB's get. Reporting fires has been speeded up immeasurably. Enlisting help has been easier. Guidance to the location of the fire has been more effective. Relay of messages of need have saved valuable time. It's impossible to estimate how many acres of land have been spared burning because of the CBs. Have a super fine one going your way. We'll be 10-10, 10-8. This is Sky Pilot, Koh 4856--we'll be on the side.

SCHOOL NEWS

Today the Cavalryman received the announcement of all the new 1977-78 Class Officers from the Brackettville High School. They are as follows:

FRESHMAN

President: Roman Seanz
Vice-Pres.: Virginia Esparza
Sec./Treas: Nocona Breen

SOPHOMORE

President: Nelson Payne
Vice-Pres.: Salina Sorrells
Sec./Treas.: Becky Benites

JUNIORS

President: Lucy Lucas
Vice-Pres.: Roman Garcia
Sec./Treas.: Monica Benites

SENIORS

President: Julia Esparza
Vice-Pres.: Vangie Garcia
Sec./Treas.: Emma Garcia

The above officers are planning a full and active year for their class members. Hoping to make the best year ever in the Brackettville High School.

Between Us

by: JOE TOWNSEND

I was driving out the highway the other day when I noticed six buzzards on the road ahead of me. I've learned the hard way to be most cautious in the presence of these overgrown black birds so I slowed considerably. As I came up on them I learned that jack rabbit is a very tasty dish. At least it seemed to be that day with the vultures. Not a hundred yards down the road was a dead deer and within another like distance was a cottontail rabbit.

Now to me venison is about the finest eating around. Cotton-tail rabbit is good too. I grew up eating rabbit every day or so. Jack rabbit is tough and stringy and won't even make good chili. So I'm sure it wasn't the taste that called the buzzards to fight over the jack rabbit. It must have been that all of them wanted it because one found it and started eating. So many people see someone else with something and feel they must have the same. So many people see someone do something and they feel they must also.

Thus we miss so much of the best in life because we blind ourselves by "keeping up with the Jones" or doing what "everybody else does." A little more care and concern may lead from a jack rabbit diet to venison.

you and the LAW

PRESENTED BY THE STATE BAR OF TEXAS

Q: I am buying a house and I have signed a contract which states that a window unit air conditioner is not to be sold along with the house, but I want it. What can I do?

A: This is a matter which must be agreed to by both you and the seller. You should execute a written addition to the contract of sale concerning the air conditioner or execute a new contract of sale.

Q: Many years ago I married a widower with small children. I had small children too, and we raised them all together. Our first house belonged to my husband. After a while, we sold it and put the profit into a larger house. If my husband passed away without a will, how would it be divided?

A: The house is presumed to be "community property". Therefore, half ownership of the house would go to you. If he adopted your children, they will equally share in the other half with his children. If they were his step-children, they would not share, but they would eventually inherit your half. One more thing, even though half ownership passes to the children, you can still live in the house because of homestead rights.

Q: My former wife and I are due to receive a refund on our income tax, and I'm concerned about how to handle the check when it arrives in the mail. Who will the check be sent to?

A: The Internal Revenue Service will mail your income tax refund check to the address indicated on your tax return. The refund check will be made out to both you and your former wife. A convenient means of assuring that there is no question concerning cashing the refund check is for both of you to take it to the bank, cash it, and divide the money before you leave the bank.

Q: If I cannot pay my monthly bills, can my creditors or a collection agency threaten a civil lawsuit to make me pay?

A: Your creditors can sue you to recover the unpaid amount. However, debt collectors cannot threaten unwarranted criminal action, violence, fraud, or threaten to take your property where court proceedings are legally required. Use of annoying telephone calls, profane language, or misrepresenting the character or amount of the debt are illegal and punishable by a fine. Debt collection complaints should be reported to the Texas Attorney General's Consumer Protection Division, in Austin, and to your attorney.

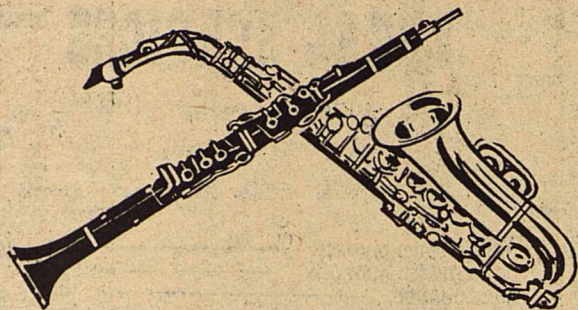

Send your questions to "You and the Law," State Bar of Texas, P. O. Box 12487, Austin, 78711. Answers may appear in columns in hypothetical terms; personal answers not possible.

BAND BOOSTER'S REPORT

All Persons interested in joining the Band Boosters are invited to attend a meeting to be held Monday, September 12th at 7:30 p.m. in the H.E. Cottage. Annual dues are \$3.00 per person, per scholastic year. Those who were members last year are reminded that their membership term has expired and must pay again for this new year. Beginning this year a lifetime membership may be secured for a nominal fee of \$30.00.

The Tiger Band has been presented with two C.B.'s which were purchased by the Band Boosters. These C.B.'s were installed on the Band Buses by Sterling Goodloe and Joe Henry Jaso, Booster Club members. The C.B.'s were used to a great extent for the first trip to Leakey. A C.B.-P.A. Speaker has been donated by Ricky Goodloe, another avid supporter.

A new Alto Saxophone and Set of chrome Limbales were recently purchased by the Band Boosters and presented to Mr. Lugo, the band director. The more new instruments we can purchase for the band, the better it can sound. And the prouder it will make our community.

This year a new dimension has been added to introduce the band to the people, in particular parade audiences. A banner has been made by Marita Reschman and Ernestine Talamantez. Dawn Slubar and Lucy Lucas painted a Tiger for the center of this banner. No one can remember the band ever having a banner, but through our efforts one is now a reality.

Tonight following the football game, the Tiger Band will host the Nueces Canyon Band in an after-game party sponsored by the Booster Club. We hope this will become a tradition, where two groups of youngsters with music in common can get together for wholesome fellowship.

The Band Booster Club needs your ideas, support and talents. Please be challenged to join an active organization which can be only as productive as you allow. Many projects are being planned, a 40 channel CB is being raffled and your concern is challenged.

Band affords the young citizens of our community an opportunity to belong to a unique group, to perform before family and friends, to learn new skills, to develop discipline, cooperation and a new sense of self-worth. Please Join now because the band needs you NOW!!!

CONTEST SLATED

THE MAKE IT YOURSELF WITH WOOL CONTEST

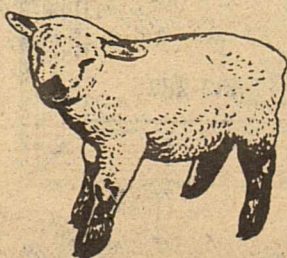

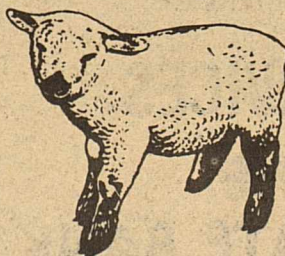

The Make it yourself with Wool Contest will be in Mason on November sixth.

This contest is sponsored in Texas by American Sheep Producers Council, Inc., The Texas Sheep and Goat Raisers and Auxiliary, Continental Bagging Co., Delaine Sheep Association, Fabric Mart and Cloth World, Both of San Angelo and Texas Angora Goat Raisers' Association.

Texas is a Single-State Council. A junior winner and a senior winner will be chosen at the State Competition to represent Texas at the National Finals in Denver, Colorado, January, 1978. Texas will have Adults and pre-teen competition. Adults will compete at District and State level only. Pre-teens will go as far as District competition only. Under pre-teens will be exhibit class only. The category of age groups are Pre-teen 10-13, Junior 14-17; Senior 18-24; and Adult over 24. Boys and men are welcome.

Counties that are in District 5 and 6 are: Brown, Comanche, Blanco, Burnet, Crockett, Edwards, Kerr, Gillespie, Kendal, Kimbel, Kinney, Lampasas, Llano, McCullough, Menard, Mills, Real, San Saba, Schliecher, Sutton, Val Verde, Hays, and Willanson.

Entry forms may be obtained from Director: Mrs. Edwin Ince, Brady Route Box 17, Mason, Texas, 76856; Mrs. V.C. Whitworth, Doole, Texas, 76836; or State President Mrs. Joe Jackson, Ranger, Texas 76470.

TIPS FOR GREEN THUMBS

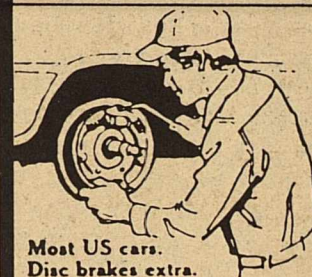

by: JOE TOWNSEND

It's time to watch carefully for cutting ants. Especially after the rain they will be working. Already signs of their destruction are being seen. It is unbelievable how much damage they can do in a short time. They seem now to be working at night. This makes doubly hard to control the ants. If you see them working it is a simple matter to follow the trail to the den. Sprinkle chloradane dust in a circle about 24 inches in diameter with the hole in the center. If you can't find the den sprinkle a swath of powder chloradane that they must cross to reach where they are working. They will carry some of this back to the den on their feet and may kill out the ants in that den. A little time spent looking for them may save some flowers, plants or even trees. It only takes one night for them to destroy many weeks of growth.

COMMISSIONERS' COURT

Special Meeting, August 19, 1977

JAIL INSPECTION

Sheriff Sheedy received the report from the Texas Commission on Jail Standards on the jail inspection. The report said the Kinney County Jail did not meet mandatory Texas minimum jail standards on 125 items and 63 items on recommended Texas Jail standards. The Court was to take a copy of the report and be prepared to discuss mandatory requirements at the next meeting.

KINNEY COUNTY LITTLE LEAGUE LETTER

Judge Seargeant received the following letter of thanks from the Kinney County Little League:

August 18, 1977

Commissioner's Court
Brackettville, Texas 78832

Dear Mr. Seargeant:

Kinney County Little League has completed another successful season! The many improvements needed for the field this year were possible because you, and so many others like you, gave such generous donations of time, money, and support. We were able to host a tournament game this year. Besides having a wonderful time, the kids were able to feel a real pride in their field and their community for the backing they received from people like you. Thank you again for helping to make this Little League season so good for so many kids.

Sincerely,

/s/ L.K. (Buddy) Burgess, President
Kinney County Little League

INTERVENTION RESOLUTION- TEXAS WATER QUALITY BOARD

Commissioner Manuel Fuentes moved that the following resolution be passed causing Kinney County to intervene in the suit with the Texas Water Quality Board. Commissioner L.S. Johnson duly seconded the motion which passed with the following vote: Ayes: Manuel Fuentes L.S. Johnson, and Tommy Seargeant. Abstaining: David G. Luna.

STATE OF TEXAS X
COUNTY OF KINNEY X

Be IT REMEMBERED that on the 19th day of August, 1977, the Commissioner's Court of Kinney County, Texas held a Special called meeting for the purpose of discussing whether or not Kinney County should intervene in the suit by the Attorney General of the State of Texas against the Water Quality Board in the 53rd Judicial District Court of Travis County, Texas, contesting the issuance of separate orders from each County on the Edwards Underground Aquifer. The Court was of the opinion that it would be to the benefit of Kinney County, Texas to intervene in such suit on behalf of the Texas Water Quality Board and against the contention of the Plaintiff.

WHEREUPON a motion was made and seconded to authority to the County Judge and the County Attorney of Kinney County, Texas to intervene in said suit on behalf of the County of Kinney Done in open Court this the 19th day of August, 1977.

/s/ Tommy Seargeant
Judge, Kinney County

JIM FAITH PRESENT

You can save money on electricity costs... if your home has an Energy Efficiency Award from CPL.

Before you buy or build that all-electric dream house you've been planning all these years, make sure it incorporates energy-saving ideas to help you keep your electricity bills in line. In these days of rising power costs, whether or not a house will help you use energy wisely is a factor you should consider just as carefully as you do size, location and architectural style.

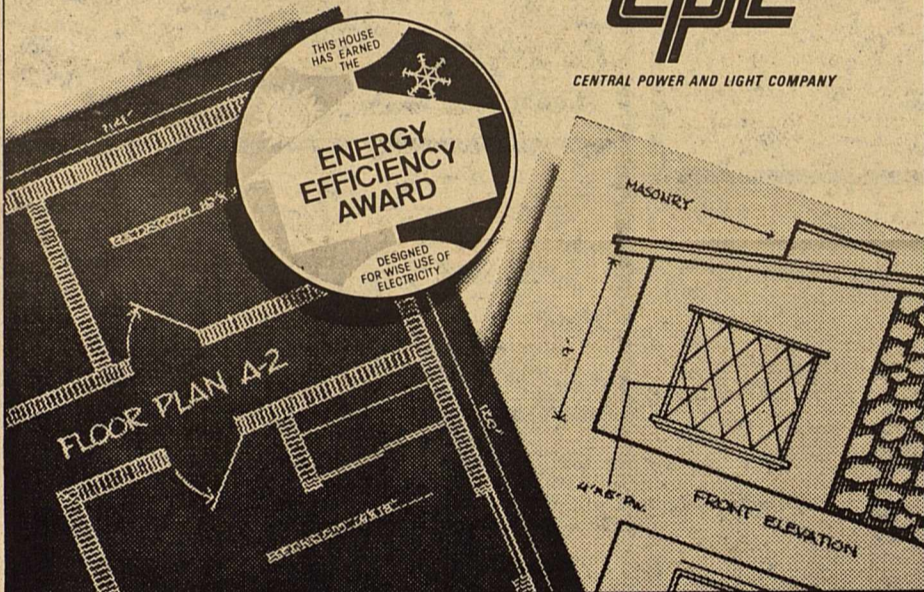

That's why you need to know about the Energy Efficiency Award program sponsored by Central Power and Light Company. An all-electric home that merits this award has been designed and built to help you make the most of every dollar you spend for electricity: it is well insulated, weather-stripped and equipped with efficient electric heating and cooling systems. A qualified technician from CPL checks the house for these and other important features that boost its energy efficiency.

When you live in a home that has earned the Energy Efficiency Award—and follow CPL's suggestions for using energy wisely—you can be sure that you're getting the full value for every kilowatt-hour you buy.

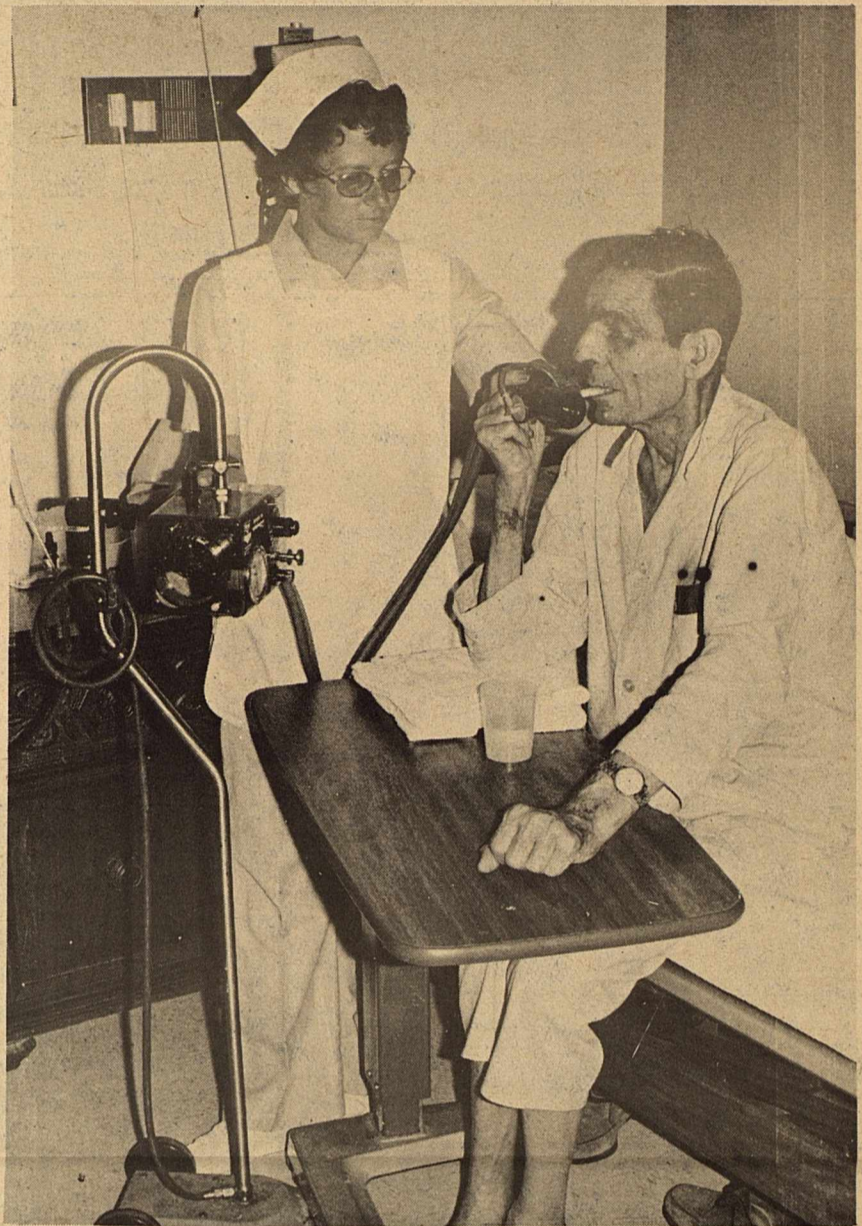

So if you're thinking about building or buying an all-electric home—or remodeling your present one—ask your builder, realtor, architect or designer about the Energy Efficiency Award. Or get more information from your CPL office.

MOE BANDY is at it again, filling clubs and auditoriums and doing it quietly without a lot of fanfare. Bandy, recently signed with United Talent for bookings, sold out the Western Place in Dallas for three consecutive nights August 23-25, then moved on to Poteau, Okla. where he was surprised to find the promoter was charging \$15. admission per couple. Moe told the owner of Green Valley Danceland he thought he would lose money, but 1,200 people filled the hall, August 27. That's a lot of drawing power from a country singer who likes to keep things simple.

R.W. BLACKWOOD & THE BLACKWOOD SINGERS' new single "Freedom Lives In A Country Song" won't be released by Capitol until September 5, but it's already a country pick at KFDI in Wichita, Ks. How come? The popular group played that city in July and staffer Larry Scott picked the single from R.W.'s album and added it to the regular play list. So it really is released by popular demand.

DOTTIE WEST is learning to play the banjo in addition to the fiddle which husband BYRON METCALF gave her on their third wedding anniversary recently.

Dottie has endorsed the Famous Framus line of hand-made musical instruments and will play their banjo on her shows. The Framus instruments are made of Alpine Spruce from Europe and no two instruments are exactly alike. Their factory is based in West Germany.
