VOLUME 10 NUMBER 14

APRIL 15, 1983

BRACKETTVILLE, TEXAS

JORDAN NEW MAYOR

COUNCILWOMAN DEIDRE JORDAN APPOINTED MAYOR

The City Council at the regular April meeting held Tuesday 12 April 1983 un-animously voted to appoint a new mayor to serve the unexpired term of our late Mayor Jerry Tremblay.

Three highly qualified candidates were nominated with Councilwoman Dee Jordan receiving the appointment to serve as the Mayor of Brackettville until the next general election in April 1984.

The Council tabled until the May meeting nominations for candidates for appointment to Place 1 vacancy created by appointing Councilwoman Jordan as Mayor.

The Council then unanimously elected Councilman Mr. Bill Riley as the new Mayor Pro-Tem.

The heavy agenda for the meeting included extending the City of Brackettville continued participation for assessment and collection of taxes with the Kinney County Appraisal Board, Passing Ordinance #221 prohibiting the use of alcohol at the Little League Baseball Field and immediate area; passed Ordinance #222 to change City fiscal year from 1 July to 1 October to coincide with County, State And Appraisal District.

The first meeting of the new Council considered, discussed and passed these numerous agenda items in a highly qualified professional manner and they proved to be a harmonious, conscientious body fully capable of governing the affairs of the City. The City

staff looks forward to serving our new Mayor and Council with pride and continued community support.

HIGH SCHOOL SPONSORS BLOOD DRIVE

COME ONE, COME ALL GIVE THE GREATEST GIFT OF ALL

Brackettville High School is sponsoring an annual Blood Drive in conjunction with South Texas Regional Blood Bank, April 18, 1983, in the Home Economics Cottage. Personnel will be at the H.E. Cottage from 10 am to 3 pm.

Persons seventeen years old may donate blood with a signed parental permission slip.

ECA CLASSES COMPLETED

We now have ten new ECA (Emergency Care Attendants) that have completed the ECA Classes that were held at Fort Clark Springs from March 21, 1983 through April 7, 1983. They passed both their written exam given by the State and their skills exams.

The ten new Emergency Care Attendants are: Joyce Hooten, Tim Ward, Domingo Rocha, Paul Shepard, Larry Dodge, Norma Perez, Sam Pat Fugerson, Sheri Scott, Walter Geeze, and Bill Herman.

Bill Herman was selected as the most outstanding student of this class, Sam Pat Fugerson made the highest score (100) on his written exam, and the best sports award was given to Larry Dodge and Domingo Rocha.

WARDLAW PLACES THIRD

Lashawn Wardlaw, daughter of Mr. and Mrs. Hadley Wardlaw, was third runner-up in the Miss South Texas Teenager of America Pageant held in San Antonio, Texas. The judging was based on Achievement, interview, and poise.

We are proud of our Miss Kinney County in the fact that she completed against 101 other girls.

She was sponsored by Alamo Village.

SOUTHWESTERN BELL

Telephone callers are now paying less for some calls to Alaska and Hawaii.

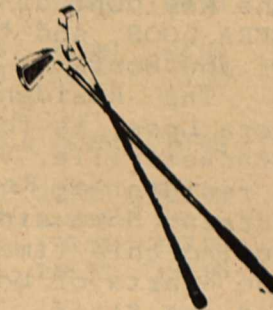

Between the hours of 5p.m. to 11 p.m. Sunday through Friday, direct-dialed calls from the U.S. mainland to Alaska and Hawaii now cost less. This was effective April 8.

KINNEY COUNTY LIBRARY

April is the month celebrating National Library Week and Library Volunteers. Since I came to work for the Library in 1978 there have been many outstanding volunteers. Besides the First-thought-of Mrs. Charlotte Golemon and Miss Else Sauer, there have been others who stand out in my mind as highly contributing of the county library services.

Our love goes to Julian Lucas as the "bodaciously" aggressive motivator who helped me re-organize the Friends of the Library in 1979. Her vigorous energy promoted the library's representation at fairs, parades, and commissioner's court meetings. If anyone needs great ideas or someone with strong commitment; talk to Julian. She also kept the club together for the first two years and was responsible for collecting and putting into effective order the bylaws, procedures and paperwork to get the "Friends" started.

In 1980 many there were who showed their love and loyalty during the fund raising efforts to save the Library E.D.A. funds. We all worked together to raise the \$10,000 needed, including the Library Boards, President, Mr. Charlie Ward, whose letter asking for tax-deductible donations brought in around \$3,000, but I am even more grateful to one who "came under fire" during her efforts to help us out in a pinch. This is Rosetta Pingnot who was Chairman of the Fund-Raising Bar-B-Q held at Fort Clark Swim park where was raised around \$5,000. We had to do something in a hurry to save our building and she was "One-heck of a Great-organizer." We give her our special love and thanks.

During 1981-82 special note should be called to a very dear person in our hearts - Mrs. Marie Meyers-who was most instrumental as Chairman of our telephone committee which is the heart and soul of the "Frènds". Marie, we miss you and pray that God will heal you in this time of pain and distress. Also we thank John Meyers for all his volunteer help

installing things at the new library.

There are so very many people of whom I have not mentioned for lack of time and space but God Bless You All for Your Love.
Sincerely Yours, Charolette Corey, County Librarian.

A slice of bread will often remove makeup smudges from dark clothes.

RETAMA MANOR NEWS

Retama Manor has announced their Resident of the Month and their Employee of the Month

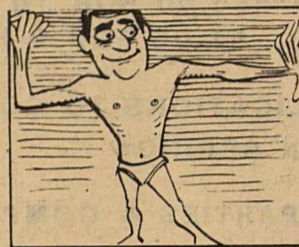

For the Month of April, the Resident of Month is: VERA LOOS, and the Employee of the Month is MARIA SMITH.

The Resident of the Month, Vera Loos, is formerly from Brackettville. Vera has been a resident at Retama Manor Nursing Home since April 1981. During this time, she has won the hearts of both Volunteers and the Staff. Very, very fondly remembered days of being Brackettville, as well as her years here at Retama Manor.

The Employee of the Month, MARIA SMITH, is an aide on our 11-7 shift shift. Maria has been employed with the ARA facility since May of 1978. She has proven to be a most dedicated employee over these past few years. Many families

and friends do not know of Maria's dedication as of the shift she keeps, but it is through this dedication, that Maria keeps out Residents resting comfortably at night and pleasantly looking for a new day. Maria also participates actively in other special events around our Home, which we highly appreciate.

The Retama Manor management staff to express a very special "Thank You" to both these individuals.

The human body is built around a frame containing 206 bones. The whole works is linked together with 60,000 miles of blood vessels.

Scouting
NEWS

This week our Scouts have been out looking for odd jobs, lawn work, etc. to help earn money to go to Summer Camp. If you need yard work done, please give one of our boys a call. They will be more than happy to help you.

Our Scoutmaster Robert J. Martinez, was away this Friday and Saturday attending the Adult Leader Basic training at Camp Fawcett.

The weekend of the 15-16- and 17th our Boy Scouts will be out at the Matalvo Ranch for a campout.

Next month the boys plan to hold a garage sale so if you have items you would care to contribute contact Dolores Bowlegs at the Tiger's Den or her home and we will have a Boy Scout help collect any items you might care to contribute.

If you have a son interested in joining the Cub Scouts or the Boy Scouts have him contact Robert J. Martinez or if he is Cub Scout age, come to THE FRONTIER BAPTIST CHURCH at 11 a.m., Saturday Morning.

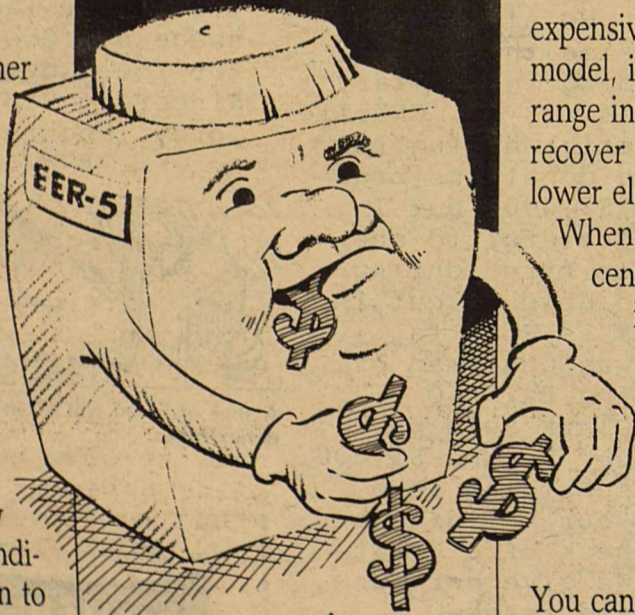

TROOP 234

Save money on electricity with an EER/SEER air conditioner of 8 or more

Time to buy new air conditioning? Whether you're shopping for a window unit or a central system, you can save money on operating costs if you choose a model with an Energy Efficiency Ratio (EER or SEER) of 8 or above.

EER and SEER are ratings that indicate how much cooling the air conditioner delivers in relation to the amount of electricity it uses. Because it is engineered to run more efficiently, a system with a high EER/SEER will consume less energy, thus helping you reduce your electric bills.

Although a high efficiency unit may be more

expensive than a standard model, it is a better long-range investment. You will recover the extra cost in lower electric bills.

When you're selecting central air conditioning, it also is important to make sure the unit's cooling capacity - measured in BTU's - is right for your house.

You can get more information about the correct BTU sizing for your new home by inquiring at your CPL office.

Information about your changing telephone service from Doyle Bebee, Community Relations Manager

Some telephones now offered for sale

In earlier columns, we've discussed several changes underway within the Bell System and Southwestern Bell. Now, there's one more.

If you are a customer with single-line telephone service, you may purchase certain telephones that before were available only on a monthly lease basis. When you purchase your set, you may save money by eliminating monthly equipment charges on your statements.

Phones for sale include standard telephone sets in both rotary and

Touch-Tone® service (desk or wall units), along with Trimline® and Princess® models.

The offer also includes special feature instruments such as the Touch-a-matic® 12 adjunct dialer, the Touch-a-matic 16 and Touch-a-matic S Series telephone sets, the Action Phone™ and TeleHelper speakerphone, and the TeleHelper answer-and-record units.

FCC regulations prevent party-line customers from purchasing these phones.

Purchase considerations and warranties

Instruments already installed in a customer's home or office will cost less than equipment in our inventory.

Phones sold in place carry a 30-day warranty; those sold from inventory carry a 90-day warranty.

A full text of this warranty is available free upon request by writing to Southwestern Bell Fulfillment Center, 600 St. Louis, Room 619, Springfield, MO 65806.

Purchasing your phone is optional. You may continue to lease set(s) or any of the functional instruments on a monthly basis. When you lease equipment, there's no additional charge for repair work, and you can

get replacement phones whenever you move.

When you purchase phone(s), you eliminate monthly equipment charges on your statement. Over a period of time, this could cost you less. But remember, if you purchase your phone(s), you will be responsible for repairs after the warranty expires.

With credit approval, you may purchase your phone(s) in equal monthly installments (two, three or four months)—all without interest. If you prefer, you can be billed in one lump sum on your next monthly statement.

The following charts compare monthly charges to purchase prices.

Basic Telephone Equipment

	Monthly Charge	(in service before 3-5-83)	(in service after 3-5-83; inventory price)
Standard			
Rotary (desk or wall)	\$ 1.25	\$ 19.95	\$ 34.95
Touch-Tone (desk or wall)	1.80	42.95	54.95
Princess			
Rotary	2.50	39.95	59.95
Touch-Tone	3.40	49.95	69.95
Trimline			
Rotary (desk or wall)	2.90	44.95	64.95
Touch-Tone (desk or wall)	3.60	54.95	74.95

Functional Products

Touch-a-matic 12 (Touch-Tone)	\$ 3.30	\$ 78.95	\$ 83.95
Touch-a-matic 16			
Rotary	13.60	208.95	221.95
Touch-Tone	14.35	220.95	235.95
Touch-a-matic S Series	10.50	179.95	187.95
Action Phone	8.75	126.95	132.95
Telehelpers			
Speakerphone	7.60	105.95	109.95
Answer and record unit	12.00	118.95	125.95

*excluding applicable taxes

Further information and how to order

Your business office representatives can help provide further information about telephones for sale.

You may purchase telephones at the Bell Service Centers or through a direct mail reply card enclosed with your April statement. Or, order by phone. Shipping, handling and mailing charges will be billed to you.

You also can purchase telephones from inventory for gifts and we will ship these phones to an address other than yours.

These new sale options are a result of our changing industry and environment. They in no way lessen our commitment to provide you the best telephone service possible.

As always, if you have questions or comments, I'll be happy to hear from you.

CANCER SOCIETY NEWS

American Cancer Society Service and Rehabilitation volunteers from throughout South Texas met in San Antonio recently to review the progress being made towards better serving cancer patients.

Florence Smith, the District Service and Rehabilitation Trainer, represented District 27, of the American Cancer Society, which includes Bandera, Dimmit, Edwards, Frio Kinney, LaSalle, Maverick, Medina, Real, Uvalde, Val Verde and Zavala Counties.

The meeting was led by Maxine Struve Sommers, Chairman of the Service and Rehabilitation Committee for the South Texas area (Area III) of the American Cancer Society.

"Since September 1, we

have served almost 5,000 cancer patients through the work of volunteers in our 69 county units," Sommers said. "The volunteer program allows us to efficiently and personally reach more people suffering from cancer."

One of the service program goals this year was the production of local "Key to Services" pamphlets in each local county unit. The "Keys" list contacts and phone numbers for a variety of local institutions, including emergency numbers, welfare agencies and American Cancer Society Services.

Society services include: gift items, blood, hospital equipment for loan, and, in some areas, patient transportation, and rehabilitation services. All assistance is provided free of charge.

In addition, at least one

training for volunteer drivers has been held in each of the five districts in the South Texas area of the American Cancer Society.

"The American Cancer Society is concerned with the quality of a person's life after cancer," Sommers said. "That is why we are looking to expand rehabilitation programs like Reach to Recovery for mastectomy patients, ostomy visitation for ostomates and speech lessons for laryngectomees, as well as add new programs like "Cansurmount" to our local programs."

All of these programs involve direct one-to one contact between cancer patients and former patients. Visits are made at the request of the physician.

"We expect to continue

CONT. 6, COL. 1

CANCER SOC.

to improve our local services, Mrs. Smith said, "but we need help." If you would like to volunteer in District 27 call Florence Smith at 232-5553.

TEXAS HEALTH CAREERS

Sid W. Richardson Foundation makes \$50,000 Grant to Texas Health Careers The Sid W. Richardson Foundation, Fort Worth, has made a \$50,000 grant to Texas Hospital Education and Research Foundation (THERF) for support of Texas Health Careers, the major THERF program.

Goal of the Texas Health Careers program is to search out, motivate, educate and make ready for employment as many young Texans as possible who might be interested in one or more of the 300-plus health care related careers in Texas' second largest industry.

"We well understand the need for additional people in health care fields and are happy to join the Texas

Hospital Education and Research Foundation in this significant program," said Valleau Wilkie, Jr., Executive Vice President of the Sid W. Richardson Foundation.

In accepting the grant O. Ray Hurst, THERF President, said, "It is very good to have such positive affirmation of the Foundation's Texas Health Careers manpower program.

"Texas currently is hurting for health care professionals. Not only are our hospitals in dire need of qualifies people to fill positions currently budgeted, but our colleges and universities are suffering also from a marked decline in enrollment in health care programs.

"This major grant from the Sid W. Richardson Foundation for Texas Health Careers is significant and will do much to bring to the attention of all Texans the critical condition with which we are faced in attempting to provide the very best health care possible for all Texans," Hurst added.

VETERANS LAND BOARD SETS INTEREST RATE

Texas Land Commissioner Garry Mauro today announced the Veterans Land Board has voted to set an 8.5 percent interest rate for Texas Veterans applying for loans from the Veterans Land Program Mauro, who serves as Chairman of the Veterans Land Board, said, "Because of the strength and stability of this program, we are again able to offer some of the best financing for veterans of purchase land."

Eligible Texas veterans are able to borrow up to \$20,000 over a 40 year term to purchase a minimum of ten acres of land. Since the Veterans Land Program began in 1949, over 80,000 Texas veterans have participated in the loan program.

"In addition to these very competitive interest

rates, I am also pleased to report we no longer have a waiting list for loans for veterans," Mauro said.

"Veterans who apply can also expect their loans to be processed within 90 to 120 days with a completed application packet.

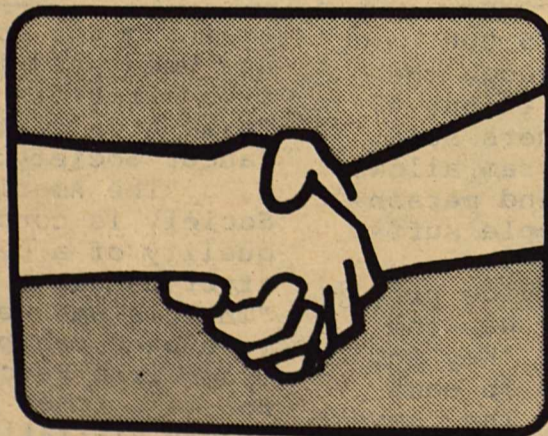

Mauro noted the situation for veterans applying for loans has changed dramatically since January 3. "When I first took office, we had over 14,000 veterans on the waiting list for loan applications. It was not uncommon for some loans to take longer than a year to close. We plan to operate the Veterans Land Board on a businesslike basis now and in the future providing out veterans with the best service possible," Mauro stated.

The Veterans Land Board sold \$50 million worth of bonds at a March 21 sale. This is the first sale of the 250 million in bonds authorized by Texas voters in 1981. The 8.5 percent interest rate is effective March 21.

"The Veterans Land Program has provided thousands of Texas veterans the opportunity to purchase land. Since the loan program is supported by bonds, the entire program is operated at no cost to the taxpayer. With the next 5,000 loans approved by the Veterans Land Board, another \$100 million will be generated to the Texas economy," Mauro stated. "I encourage all eligible Texas veterans to participate in the excellent program.

CITY ORDINANCE #221

AN ORDINANCE PROHIBITING THE SALE, POSSESSION, OR CONSUMPTION OF ALL ALCOHOLIC BEVERAGES PRIOR TO, DURING OR AFTER ANY LITTLE LEAGUE BASEBALL FUNCTION HELD AT THE KINNEY COUNTY LITTLE LEAGUE BASEBALL FIELD: PROVIDING FOR A PENALTY NOT EXCEEDING \$200.00 FOR VIOLATIONS AND DELCLARING AN EMERGENCY.

Whereas, the City Council of the City of Brackettville in harmonious agreement with the actions taken by the Kinney County Commissioners Court at their March 14, 1983 meeting concur that we must provide a wholesome environment and live up to the spirit of the covenant of Little League Baseball; and

Whereas, it is in the support of the younger generation and the public interest and welfare to regulate the sale, use and possession of alcoholic beverages; and

Whereas, isolated instances have proven to be non-benifical to the Little League Program in the past by the use of alcoholic beverages by adult participants and spectators in the Program; now Therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BRACKETTVILLE:

SECTION 1. That no alcoholic beverages or spirits of any type-being it of wine, beer or liquor-shall be authorized prior to, during, or after any Little League function in the Little League Baseball Park or its immediate surroundings.(ie 200 Ft.)

SECTION 2. Any person who shall violate any provisions of this ordinance shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed \$200.

SECTION 3. Whereas, an emergency is apparent for the immediate preservation of order, good government and public good and safety that requires this Ordinance to become effective at once; therefore upon passage of this ordinance by a vote of the majority of the Council, it shall be effective from and after the date of its passage as made and provided by the Charter of the City of Brackettville.

Read, Passed and Approved this 12th day of April 1983.

PUBLIC NOTICE

The Housing Authority of the City of Brackettville will receive bids for RE-ROOFING OF PROJECT TEX 239-1, Brackettville Texas until 10:00 a.m. on the 25th day of April, 1983, at the Housing Authority of the City of Brackettville, Brackettville, Texas 78832, at which time and place all bids will be publicly opened and read aloud.

Proposed forms of contract documents, including plans and specifications, are on file at the off of the Housing Authority of the City of Brackettville at Sweeny St., Brackettville, Texas.

Copies of the documents may be obtained by depositing \$10.00 (ten dollars) with the Brackettville Housing Authority for each documents so obtained. Such depoit will

New Brackettville Police Patrolman, Cruz "Corky" McGuire, received his first experience in local criminal activity Sunday evening. He was on routine patrol in the city when he clocked a speeder on a motorcycle at 58 mph in a 30 mph zone. When he attempted to stop the violator he sped away at a high rate of speed.

McGuire gave pursuit and the violator led him on a chase through the streets of town. The violator finally pulled into the yard of a residence on Spring Street and ran to a storage shed. When Officer McGuire pulled into the yard and got out of his patrol car, the violator came out of the shed with a tire tool in his hand and threatened the officer's life. He was subdued and arrested at the scene with the assistance of DPS officers.

Charges of, Speeding, Driving While Intoxicated, Fleeing from a Police Officer, No Driver's License for a motorcycle, Aggravated Assault and Disorderly Conduct have been filed against the 26 year old Brackettville man. The Disorderly Conduct charges were filed by this officer after the man cursed and fought the jailers at the jail as he was being booked on the other charges.

Bonds totaling \$3,500.00 have been set by Justice of the Peace, Raymond Talamantez on the Felony Aggraveated Assault charge, and the DWI charge. Bonds and fines on the other charges are pending.

The investigation in the ranch burglaries is continuing and we have a few new leads that may help us in clearing up these crimes soon. We are receiving valuable assistance from Texas Rangers and other officers on these cases.

We are attempting to recover some of the property taken in the burglary at Pop's Doughnut that was sold in Mexico. As usual, things move slowly in these things

refunded to each person who returns the plans, specifications, and other documents in good condition within ten (10) days after bid opening.

A certified check or bank draft, payable to the Housing Authority of the City of Brackettville, U.S. Government Bonds, or Satisfactory bid bond executed by the bidder and acceptable sureties in an amount equal to five percent of the bid shall be submitted with each bid.

The successful bidder will be required to furnish and pay for satisfactory performance and payment bond and or bonds.

Attention is called to the provisions for equal employment opportunity, and payment of not less than the minimum salaries and wages as set forth in the Specifications must be paid on this project.

The Housing Authority of the City of Brackettville reserve the right to reject any or all bids or to waive any informalities in the bidding. No bid shall be withdrawn for a period of ___ days subsequent to the opening of bids without the consent of the Brackettville, Housing Authority.

SHERIFF

when you cross the Rio Grande. We have located the property, but now we must deal with authorities in Acuna. Hopefully, by next week we will have resolved the problem and will have it back here to be used as evidence.

The column will be a little short this week, not because of a shortage of things to report, but a shortage of time in which to write it.

How Inflation Can Help You Save

Believe it or not, inflation can help you save. That's if you're a motorist—thinking about tires.

This is particularly true in cool weather. It reduces air pressure. The hard fact is that soft tires wear out faster, cut your gasoline mileage, and could even be dangerous. So experts say it's good to check your tire pressure weekly and to keep pressure at recommended levels.

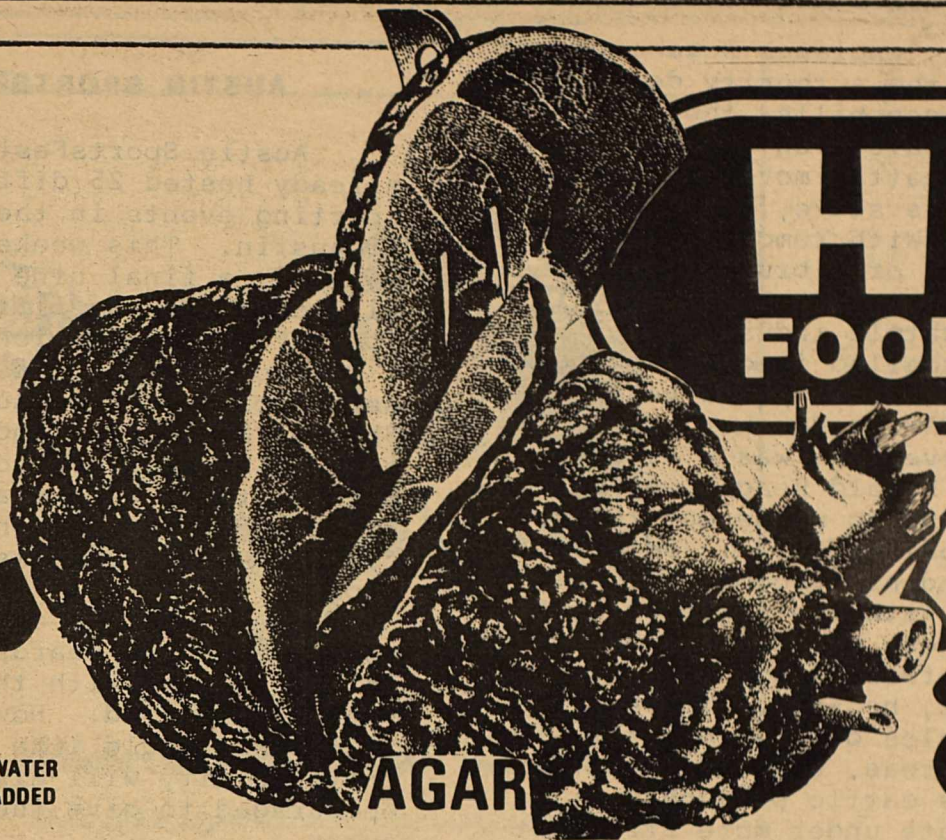

Your tire pressure readings are more accurate when your car has been standing a few hours.

Your tire pressure readings are more accurate when your car's been standing several hours. It's smart to keep a reliable tire gauge in your glove compartment.

For safety and better handling, especially on wet or icy streets, replace worn tires. You can see "wear bars" that appear as smooth bands across the tread when it's worn to a sixteenth of an inch; that's the danger point.

Cold weather tends to thicken motor oil, too. So you get easier starting with oil of the right viscosity, or flowability. The extra-slippery "man-made" molecules in a synthetic like Mobil 1 can stretch your gas mileage as well.

Just a little care on key points like these can keep your cold-weather driving costs from heating up.

INDEPENDENT CATTLEMEN'S
ASSN. OF TEXAS, INC.

The Independent Cattlemen's association of Texas has gone on record opposing S.B. 366 by Sen. Bob Glasgow and H.B. 701 by Rep.

Bruce Gibson because the bills give the Texas Animal Health Commission too much power.

"These bills, if passed, would give the TAHC authority and power to submit any set of rules and regulations appearing to eradicate brucellosis," Says Cliff Boucher, executive director of the association.

"We would prefer allowing part of the power of writing regulations to remain in the legislature with elected officials. Instead, these bills allow only the governor's political appointees to govern the health programs of the cattle industry of Texas."

The bills were introduced because of pending court litigation ruling the TAHC was adopting regulations when it did not have authority to

do so, explains Boucher. With the authority delegated by these bills, the commission will have even greater power over cattle movement and sale in this state, he says.

"With rumors of the threat of a brucellosis quarantine by USDA, many in the cattle industry feel blackmailed into accepting this kind of power vested into the TAHC," Boucher says.

"However, it was U.S. President Ronald Reagan who directed USDA to phase out the brucellosis program. We stand behind his recommendation."

With the power created by these bills the TAHC intend to enforce a stricter set of rules, he says. These stricter rules divide the state into two areas, east and west. East Texas cattle producers will operate under more stringent requirements for cattle movement than West Texas producers. Extensive testing and vaccination will be required before cattle may be sold into the western section of the state.

"These rules and regulations will serve as a trade barrier within our state," Boucher warns, "Because of the restrictions and added comp-

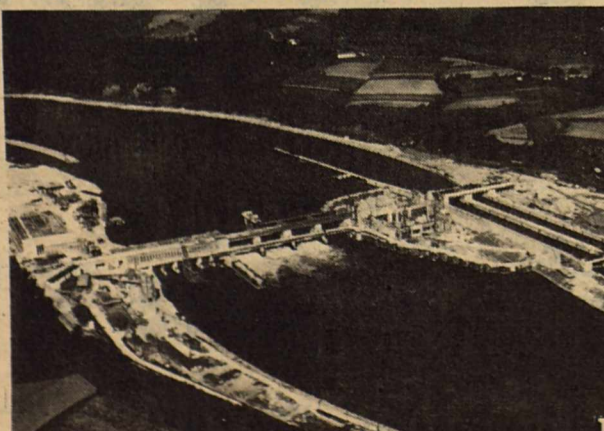

pliance costs required of cattlemen in East Texas.

S.B. 366 and H.B. 701 will place cattle producers in East Texas at a great disadvantage, inhibit cattle trade and continue to require dependence on an unreliable test as the measure of herd health."

Boucher told ICA members to show their opposition to these bills by contacting members of the State Legislature to encourage the bills' defeat.

AID AMERICAN HERITAGE

35 Years Of Marshall Plan Aid To Austria

Much of Austria's industry after World War II was rebuilt through the aid of the Marshall Plan, which channeled almost one billion dollars into the Austrian economy. One project made possible by the Plan was the Ybbs-Persenbeug hydroelectric power project (above) which harnesses power from the Danube River.

AUSTIN SPORTSFEST

Austin SportsFest has already hosted 25 different sporting events in the city of Austin. This weekend, April 16 - 17, a final nine events will conclude the fifth annual SportsFest celebration.

SportsFest FunFest is a series of events on Auditorium Shores, South 1st and Riverside Drive near downtown Austin. Many of these events are planned so that the person who comes to watch can also participate.

There will be an obstacle course about 30 yards long. It is designed with the 5 to 11 year old in mind. However, adults who would like to check their agility will also be encouraged to give the course a try.

The Horseshoe Pitching Tournament will be running nearly all day, both Saturday and Sunday. Four pits will be reserved for those teams signed up for the tournament. Another two pits will be left open so that the spectator can take his turn pitching horseshoes.

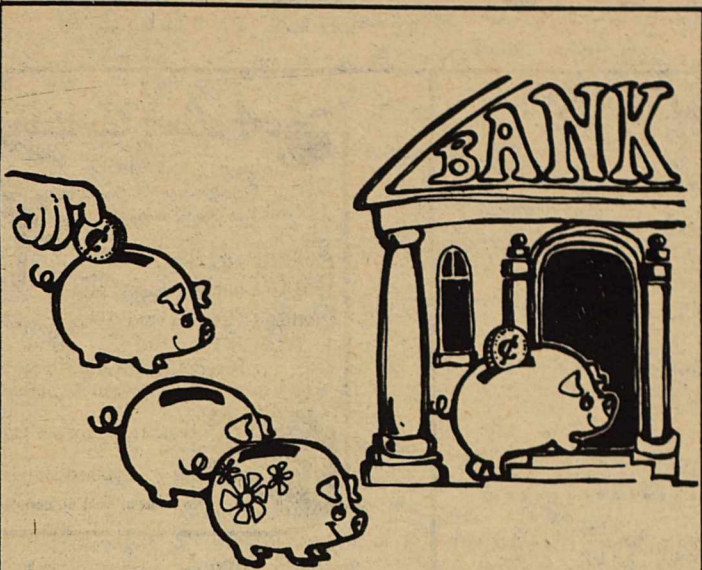

A volleyball net will be set up in one area of Auditorium Shores for the SportsFest weekend. Teams will challenge each other in the tournament, and there just may be space for volleyball lovers to join in the games.

Several times throughout the weekend, the Jacki Sorensen Aerobics groups will demonstrate what aerobics is. They will also provide some instruction in one of the basic warm-up routines and invite the public to join in and find out personally what it means to be involved in aerobic dancing.

The Lone Star Riverboat will be docked at Auditorium Shores, offering rides on Town lake. Pantera's hot Air Balloon will be tethered on the shore, possibly offering free rides.

All of these activities are planned for the weekend of April 16 - 17 as a part of the Austin SportsFest. There is no admission charge, and there will be refreshments available throughout both days.

About 300 years ago, some people believed that migratory birds spent their winters on the moon.

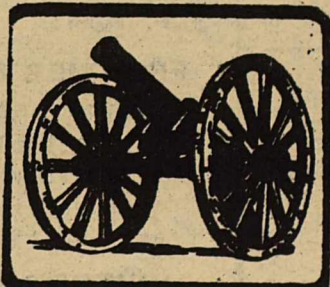

Welcome To Small Savers

Some of the largest accounts in our bank come from the contents of piggy banks. Thrift taught at an early age is a habit that will last a lifetime.

BOB BULLOCK - COMPTROLLER

REDUCED THE REVENUE OUTLOOK
BY: Bob Bullock

State Comptroller Bob Bullock again reduced the revenue outlook for Texas state government Thursday, cutting his official estimate of available revenues by \$953 million.

Bullock explained that even with the latest cuts in his estimates, Texas and Alaska remain the only states with budget surpluses.

"Our surplus has dwindled from the \$1.3 billion we thought we would have last year to about \$630.5 million we expect now. but we still have \$2.3 billion available over and above our present budget."

Bullock said he reduced his estimate because of continued uncertainty of oil prices and because sale tax receipts keep falling.

"Thirty-eight states are having to cut their state budgets below their present levels. We've got enough money to write a budget that's 12.4 percent bigger than the existing budget that we are now operating under." Bullock said.

NEWSLETTER - JONES ELEMENTARY

April 25 - Monday - 1:00 P.M.
