

MC GUIRE GRADUATES

HEADLINERS

FAM TOUR HEADED FOR BRACKETT

Texas' most productive FAM Tour is headed Brackettville way for the first time since 1976. The Discover Texas Association FAM Tour is for the counselors who staff the state's Highway Tourist Bureaus.

The tour willbe having a counselor from each of the bureaus which ring the state, plus representatives of DTA and the headquarters of the State Department of Highways and Public Transportation.

The route will take the counselors from Arlington to San Angelo and then on to Del Rio. Later, the will be visiting Fort Stockton,

Midland/Odessa and Abilene before returning to the Dallas/Ft. Worth area.

This educational program, which began in 1975, provides a very real illustration of the way the public and private sectors of the travel industry work together in Texas.

Happy Shahan and Alamo Village will host the evening

meal on October 25.

After the tour is concluded, each of the counselors returns to his or her bureau and briefs the rest of that bureau's staff on the things they have learned while on their tour.

LAW ENFORCEMENT GRADUATES

Recent graduates of the Middle Rio Grande Law Enforcement Academy at Southwest Texas Junior College included, from left to right: Domingo Moncada, Jr; Jimmy Don Holloway; Craig L. Smith; Jose T. Garcial Guadalupe T. & FIGURES

234567890(234567890/234567

To assist in the establishment and development of minority business firms, President Reagan has designated October 2-8, 1983 as Minority Enterprise Development Week. It's part of the Administration's goal of establishing 60,000 minority companies within the next decade, says the Department of Commerce. The President has also committed \$1.5 billion for credit assistance and \$300 million for management and technical aid to minority business between 1983 and 1984.

The goals of the Admin istration for boosting minority business also include purchasing \$15 billion worth of goods from minority firms over the next three years. This figure does not include procurements by recipients of Federal grants, which could amount to an additional \$6 billion to \$7 billion by 1985.

Our recovering economy created two-thirds of a million new jobs in the first four months of this year The minority business community has played a major role in this revitalization. More than 100 Minority Business Development Centers, which provide man agement, marketing, financial and technical assistance to minority companies, have helped in starting 1,700 new businesses, saving over 900 and expanding 2,000. These centers have generated \$580 million in contract and subcontract awards to minority businesses and \$140 million in loans.

DORRIS ELECTED

Jerry Dorris, President, Roadrunner Energy, Inc., Uvalde, was recently elected to serve a two-year term as Director-at-Large on the Texas LP-Gas Association Board of Directors.

The five-year veteran of the LP-gas industry specializes in carburetion conversions, space heating, and gas grill sales in the Southwest Texas area, including Camp Wood, Leakey, Brackettville, Batesvill, and Carrizo Springs, Sabinal, and Uvalde.

Dorris, who previously served as both Director and Alternate Director on the TLPGA Board, is currently serving on the Texas LP-Gas Advisory Committee to the Texas Railroad Commission, and is on the Board of the Uvalde Rotary Club. He is a past president of the Uvalde Chamber of Commerce.

Dorris', wife, Annell, is vice-president, and co-owner of the family business.

The Texas LP-Gas Association is a statewide trade organization comprised of LP-Gas dealers and suppliers, whose main objectives are to promote safety and education in the industry

The world's

record for non-stop see-sawing is 101 hours, set by two

California boys in 1964.

NORMAN H. HOOTEN, SHERIFF

(Editor's Note: The 12th paragraph of last week Sheriff's corner contained some typographical errors, below is how it should has read:)

Dr. Peale has a simple formula for getting people to like you. He says that getting people to like you is the other side of liking them. Take someone that you have distinct dislike for.

Willis Frank "Pete" Matterson, a 39 year old Del Rio man died in Methodist Hospital in San Antonio, Friday, October 14, from a self-inflicted gunshot wound to the head.

Better known to some of us as "Pete", the ButterKrust man, he was discovered at 11:30 am Thursday, October 13, by a U.S. Border Patrol agent approximately 14 miles West of Brackettville on Highway 90 near the Amanda railroad crossing

Cases of this sort are handled and investigated as homicide until all evidence and circumstances surrounding the case is examined closely to determine the exact cause of death. This was, without a doubt, a case of suicide by qunshot.

Many of us had known "Pete" for several years and were shocked and saddened by his death. He was a friendly, happy--go-lucky type and always had a smile and a friendly word for those he came into contact with. Our hearts go out to his family and friends in this time of sorrow and loss.

A crusty old Texas Ranger once told me that if a man wanted to see how much he would be missed when he passed on, to stick his finger in a bucket of water, pull it out, and examine the hole that was left. Though that statement many times has seemed true over the years, I have never really been able to believe it. All of us have family and friends who will be left behind to bear the burden of pain and sorrow at our passing. This is true in "Pete's" case too. He will be sorely missed for a long time to come.

The Health Fair sponsored by the Texas Agriculture Extension Service was a great success. The turn out for the 3 mile run was big with entries from several counties of the surrounding area participating. There was a lot of hard work and preparation put into this project and we congratulate Carl Esser, Barbara Chalet, Mrs. Lois Forbes, Emma Gomez and the many others who spent so much of their time getting this project organized for the big success it was.

Congratulations are in order to Leisha Wardlaw for her 1st place win in her category of the Texas Farm Bureau District X Queen Contest and Talent find also held on Saturday, October 15, here in Brackett.

Leisha gave a prize winning speech on the Free enterprise System and what it means to the American Way of Life. She competed with several entries from counties in the south Texas district and will now advance to the state contest to be held in Houston. There she will compete with young people from all over the state. CONGRATULATIONS, Leisha on your recent win and GOOD LUCK at the state contest!

Somebody forgot to tell the Brackettville Tigers Football team that they were supposed to have a rough season this year and not win any games. They are 4-0 in District competition and 5-2 overall! Just goes to show what good old fashioned guts and determination can do. any team that beats them had better bring their lunch bucket, the Tigers are not going to roll over and play dead for anyone! Congratulations, boys on your efforts thus far, you are winners in my book.

The first state to enter the Union after the original 13 was Vermont in 1791

NEW CABLE INSTALLATION

The detours and bumps you may have to endure now in and around Brackettville should be compensated for in the future by improved telephone service, according to Southwestern Bell manager Lou Garza.

"Our current expansion and renovation program throughout Brackettville represents service improvement expenditures totaling \$1 million," Garza said. "The expansion is needed to meet the demand today and the growth

for the future," he said.
Statewide, Southwestern Bell is spending more than \$1 billion to improve service during 1983.

The current project in Brackettville includes placing 238,000 feet of cable.

Southwestern bell will install six pre-fabricated manholes throughout Brackettville. The manager noted that those structures can be prepared in three days, while the older type of manholes took three weeks to pour.

One-hundred percent of the cable being place will be buries, which costs more that aerial cable initially, but produces savings in the long-

"Aerial cable, Garza said, "is used when we encounter solid rock or other terrain where underground cable isn't feasible, such as high-water areas."

Inside the buried cable, Southwestern Bell is using a jelly-like substance that helps protect lines from water

damage.

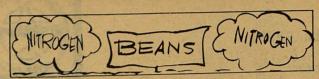

"The jelly compound helps insulate cable pairs when a cable is damaged," Garza said. "If a puncture should occur, the jelly compound retards water from spreading, and the

result is better service for customers," he said.

Residents should notice the work on ann and Third Streets, as well as along F.M. Roads 334 and 674.

Southwestern Bell will be removing 16 miles of aerial cable along F.M. 647 and replacing it with the buried jelly-filled cable.

The total job should be completed sometime during the first quater of 1984.

Members of the bean family manufacture their own nitrogen that enriches the soil around them. Planting beans in sandy tracts will enable other plants to thrive there as well.

EAGLE USED CARS

Hector Rodriguez Sr. & Ricardo Rodriguez **Owners**

For many years, automobile dealers have considered the "used car" business a sideline to selling new models. The friendly guys down at EAGLE USED CARS at 2309 El Indio Highway in Eagle Pass, phone 773-6124 totally reject this theory. They specialize in used cars exclusively and, right now, they're dealing with a lower profit margin than anyone in an all-out effort to help their customers beat the current high interest rates by offering great deals on good, clean used cars.

The kind of business that this respected firm does is the main reason for their large "family" of repeat customers. People return again and again when they need an automobile because they know that integrity, quality and value are

Buy the safe way! Stop in at EAGLE USED CARS and look over the tremendous values in quality used automobiles. The editors of this 1983 Fall Business Review recommend this fine firm for better cars AND better values!

HODGES & SONS SERVICES

Freddie Hodges & Freddie Hodges Jr. - Owners Specializing in Diesel Repairs

Featuring complete repair service on all types of automobiles, Trucks, Diesels, Tractors and farm equipment, HODGES & SONS SERVICES is located on Highway 83 North, across the overpass in Uvalde, phone 278-8892. In addition to performing some of the finest repair work in the area, this community leader also offers their years of experience when it comes to advice on all of your mechanical problems. Problems with all kinds of tractors, farm equipment and industrial equipment are welcomed at this experienced shop.

An automobile with a diesel or gas engine will not run forever without regular attention and an occasional repair. Every car owner should see a reliable repairman regularly to put his auto into first class shape. When you drive into this full service garage, you can rest assured that your car will be repaired in the shortest possible time and at the least possible expense. You must be satisfied with every job that comes out of the HODGES & SONS garage!

While working on this 1983 Fall Business Review, we, the editors, wish to compliment this firm for their high level of service: HODGES & SONS SERVICES.

Their experienced consultant will help you develop a message that will reach out and grab the customers in a subtle, effective manner, Broadcasting on XERF (1570 AM) at 100,000 watts, LOVE 16 RADIO STATION covers a 150 mile radius from 6:00 a.m. to 7:00 p.m., seven days a week.

The editors of this 1983 Fall Business Review suggest all area businessmen who are interested in increasing their profits consult this well known radio advertising specialist . . . to-

UVALDE FOOD CENTER

Wes Bolton - Manager

For quality groceries, reasonable prices and outstanding service, it's the UVALDE FOOD CENTER at 600 E. Main in Uvalde, phone 278-5933. This full line grocery features everything the modern family needs for complete nutrition and great eating.

With outstanding values in selected meats and personal service behind the counter, this well known store boasts a meat department which has become very famous in the local area. Their produce is also among the finest with constant attention being paid to freshness and cleanliness. Canned goods, bakery products, dairy items, sundries, dry goods and everything else you need is displayed with skill and pride.

In compiling this 1983 Fall Business Review of leading businesses and markets throughout the area, we, the editors, are pleased to be able to recommend this customer-oriented grocery to all of our readers: UVALDE FOOD CENTER!

NEWELL RECYCLING

Hector Trevino - Manager

Buying and selling scrap meteal and irons is the job of the NEWELL RECYCLING at Loop 431 in Eagle Pass, phone 773-9579. This established firm deals in all types of scrap metals and pays top dollar for all commodities.

Specialists in iron, tin, aluminum, copper, old appliances, brass, scrap autos, batteries, radiators and many other materials, this well known scrap yard will pay cash by the pound or ton for metals of all types. You're doing a service to the ecology AND to your pocketbook when you make it a point to take all excess metal to NEWELL RECYCLING for Salvage. They, in turn, sell materials to foundries, iron works, and other places where they're converted back into useful products again. It's an excellent way to help the environment and the

The editors of this 1983 Fall Business Review would like to commend this well known firm for their significant contribution to the ecology of the local area: NEWELL RECYCLING in

LA SIESTA MOTEL

"Rest Assured" - Best Western

Located at 2000 Ave. F in Del Rio phone 775-3521, LA SIESTA MOTEL has ample accommodations to please even the most discriminating guest.

Here you will find a fine restaurant, swimming pool, color TV's and guest dial phones. They also offer a free reservation service with other Best Western members.

a result of their reputation, LA SIESTA MOTEL has become very well known in this area as the ideal place to spend a weekend vacation, away from the kids and daily routine. When you come to Del Rio shopping or on business, stay over a night or two and relax. Remember too, that this motel is an ideal place to put up your out of town guests. If you have friends or relatives visiting the Fort or Museum, they will appreciate the fact that you made reservations ahead of time for them here.

As the editors of this 1983 Fall Business Review, we feel that we can highly recommend LA SIESTA MOTEL to everyone. Regardless of the length of your stay, you are always welcome at this fine motel and will appreciate the friendly people who operate it.

DEL RIO MONUMENT CO.

Mr. & Mrs. Kenneth Riggs - Owners -

"The Best in Sandblasting"

Creating masterpieces in stone and fine metal is the full time job of the DEL RIO MONUMENT CO. at 1918 Avenue F in Del Rio, phone 775-8596. They are considered one of the region's most highly regarded monument makers and sandblasting specialists.

DISABILITY BENEFIT FRAUD

A Houston man who illegally collected over \$20,000 in social security disability benefits has been assessed the maximum fine of \$1,000 and was ordered to refund the fraudulently claimed benefits in Federal District court in Houston.

According to Miss Elvia f. Fuentes, Branch Manager of the eagle Pass, Texas social security office, Walter Amelang of 3754 Maroneal in houston pled guilty to charges of willfully not reporting the fact he was working to the social security Administration while drawing benefits paid on the basis of completely disability, amelang tried to avoid discovery of his work by using his wife's social security number on the job, Miss Fuentes said.

BUDGET STRETCHING FOOD IDEAS

Recipes in the "budget" category usually focus on money savings. Yet another resource—time—needs budgeting, too. This Quick 'n Easy Sausage Casserole is fast to fix and economical, so the dish qualifies for the "budget" title on all accounts. Convenience comes from using brown 'n serve sausages that are fully cooked and merely need reheating before serving. The sausage links are arranged atop sliced, cooked potatoes that have been sauced with a mushroom soup/cheese mixture.

QUICK 'N EASY SAUSAGE CASSEROLE Yield: 4 to 5 servings

8-ounce package Swift Premium Brown 'N Serve

Sausage* (any variety)
2 cans (16 ounces each) potatoes, drained and sliced (or 4 cups cooked, sliced potatoes)

4-ounce can mushrooms, drained 1/3 cup sliced celery

10-3/4 ounce can condensed cream of mushroom

1 cup shredded Cheddar cheese, separated

Combine potatoes, mushrooms, celery, condensed soup and 1/2 cup shredded cheese. Spoon into buttered 1-1/2 quart casserole or baking dish. Arrange brown 'n serve sausage atop casserole. Sprinkle remaining 1/2 cup cheese over top. Bake in 350°F oven for 35 to 40 minutes.

*Generic Term: brown 'n serve sausage (Pure por sausage links are not satisfactory in this recipe.)

The first animal star to appear regularly in films was the dog Rover, hero of the 1905 movie "Rescue by Rover."

Save money with a heat pump for heating <u>and</u> air conditioning

You can lower your utility bills substantially by using an electric heat pump to provide the heating and cooling that account for as much as 65 to 70 percent of the electricity consumed in your home. It's a super-efficient device that should be included in any new house you build or buy. Or maybe you'll want to consider adding a heat pump to your present home to increase the efficiency of your heating/cooling system.

Although its name is somewhat misleading, the heat pump actually is designed to keep you comfortable all year long. It warms your house during the winter and air conditions it during the summer – and does both more efficiently than any other combination unit now available.

What makes it so efficient? the heat pump simply moves heat — a less expensive process than making heat, as gas and other conventional systems must do.
