VOL. 17 NO. 19

MAY 10, 1990

BRACKETTVILLE, TEXAS

MAYOR ELECT, LARRY MOORE

BRACKETTVILLE HAS NEW MAYOR

In the May 5, 1990 City Election, Larry Moore won over Vito La Gioia, 262 to 256.

In Place #2, City Councilman, Richard Terrazas won with a total of 277 votes. Opponents Jessie Garcia had 109, Alex Longoria had 95 and Micheal Broderick got 73 votes.

In place #4, Julie Fuentes was the victor with a total of 347 votes. Ralph Gonzales had 217.

In place #5, Bernie Cervantez won with a total of 253 votes. Ray Robinson had 75 votes, Leonard Luna had 153 votes, and Bobby Guidry had 82 votes.

The votes will be canvassed in a meeting Thursday, May 10, 1990 at 5:00 p.m. After the canvassing, the new Councilmen and Mayor will be sworn in.

With a new Mayor and three new Councilmen, the City will almost have a totally new council. Louis Dimery and Dave Broderick were elected last year.

Wednesday night, there was a re-count of the votes cast for Mayor. The count remained the same as counted Saturday, May 5th.

Good luck to the newly elected City officials! We want to also take this opportunity to thank Vito La Gioia, Oscar McClure and Agapito Saenz for all they have contributed to the community.

TWO NEWLY ELECTED SCHOOL BOARD MEMBERS

Jim McDaniels and Jimmy Bader are our newly elected school board members. These two school board members were elected to the School Board on May 5, 1990. Jimmy Bader was re-elected for a second term and this is the first term for Jim McDaniels.

Congratulations to you both!

WHEN GOD CREATED MOTHERS

When the good Lord was creating mothers He was into His sixth day of "overtime" when the angel appeared and said, "You're doing a lot of fiddling around on this one."

And the Lord said, "Have you read the specs on this order?"

She has to be completely washable, but not plastic;

Have 180 moveable parts...all replaceable;

Run on black coffee and leftovers;

Have a lap that disappears when she stands up;

A kiss that can cure anything from a broken leg to a disappointed love affair;

And six pairs of hands;

The angel shook her head slowly and said, "Six pairs of hands...no way."

"It's not the hands that are causing me problems," said the Lord.

"It's the three pairs of eyes that mothers have to have."

"That's on the standard model?" asked the angel.

The Lord nodded. "One pair that sees through closed doors when she asks, "What are you kids doing in there?" when she already knows. Another here in the back of her head that sees what she shouldn't but what she has to know and of course the one here in front that can look at a child when he goofs up and say, 'I understand and I love you' without so much as uttering a word."

"Lord," said the angel, touching His sleeve gently, "Come to bed. Tomorrow..."

I can't" said the Lord, "I'm so close to creating something so close to myself. Already I have one who heals herself when she is sick...can feed a family of six on one pound of hamburger...and get a nine-year old to stand under a shower."

The angel circled the model of a mother very slowly. "It's too soft."

"But tough!" said the Lord excitedly. "You cannot imagine what this mother can do or endure."

"Can it think?"

"Not only think, but it can reason and compromise," said the Creator.

Finally, the angel bent over and ran her finger across the cheek. "There's a leak," she pronounced. "I told You You were trying to put too much into this model."

"It's not a leak," said the Lord, "it's a tear."

"What's it for?"

"It's for joy, sadness, disappointment, pain, loneliness and pride."

"You are a genius," said the angel.

The Lord looked somber. "I didn't put it there."

BONNIE FRERICH WINS FIRST PLACE

Bonnie Frerich, a senior this year at Brackett High, won first place in the University Interscholastic League State Accounting Contest held May 5th. Bonnie went to the State Meet with her accounting sponsor and teacher, Mrs. Kathy Adams, and the alternate student, Fidel Hernandez. The contest was held at the University of Texas Campus at Austin.

Reaching the State level of academic competition shows determination and preparation on the part of the contestant and sponsor, "Dr. Bailey Marshall, UIL director said. "Students who compete at the UIL State Meet represent the elite in their field. The development of the skills to handle the intense competition and the attainment of knowledge required to achieve this honor will benefit the contestant far beyond the high school years."

This is the third consecutive year that Mrs. Adams has taken students to the State UIL Meet.

DAVID TILLERY

David Tillery, an employee of the City of Brackettville, has received his Ground Water Class B Certification by the Texas Department

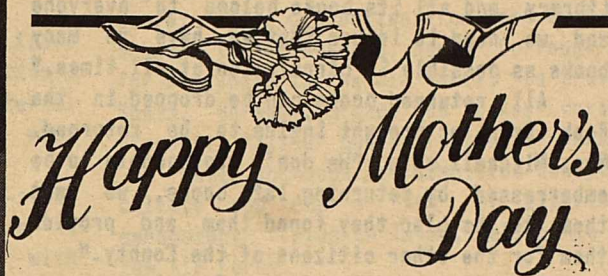

of Health. It generally takes five years to earn this Class B certification; however, David completed the necessary classroom hours for certification in 3 1/2 years. David is now working toward a Waste Water B certification. Congratulations David on your accomplishment.

The snip-nosed, blue eyed girl of seventeen summers known as Jackie stepped into the pitchers box and faced the great Babe Ruth. The Babe tipped his cap, looked at the man on first and stepped into the batters box. The girl wound up and pitched. The man on first could have stolen a couple more and the Babe could have laid the ball across the railroad tracks beyond center field but nothing happened. The runner stayed on first base and the Babe swung and missed the ball by a foot. The next two pitches were wild and Babe signaled for a new ball. He swung again and missed and Jackie, a southpaw, had fanned the Babe. Gehrig was up next and took three swings and sat down. Lazzeri, the next man up, walked.

Jackie was taken out of the game and that was the end of her pitching debut. Virnie Beatrice Jackie Mitchell was organized base ball's only girl pitcher. She was a member of the Chattanooga team of the southern league. She worked on the New York Sun, daughter of a local optician and was enrolled in Signal School, a private prep school for girls. Last year, she had pitched for the Engletts in a girls baseball league.

Babe Ruth and Lou Gehrig were both sultans of Swat. But when these two Yankee sluggers played in the exhibition game with Chattanooga Nine and face baseballs only girl pitcher, they just naturally struck out. Was it humor on their part or was the fact that it was Spring?

LIBRARY NEWS

LIBRARY DESPERATE

The Kinney County Library desperately needs the assistance of every citizen. Currently, nearly two hundred books are out of the Library having been checked out and not returned.

These books would cost \$1,850.00 to replace.

The Library will offer the entire month of May as a moratorium on all existing fines in order to try to get these books back into the

Library and into circulation.

"After June 4th, we will be actively trying to locate the persons who have these books and collect either the book or the replacement price" says Librarian Mary Mitchell.

"When a Library our size has this many books out of circulation, it hurts everyone," states Mrs. Mitchell. "We are small enough that 200 books really represents a large portion of our total book population and it means that lots of people are not able to use books which we indicate we have, but which, in fact, are not here."

"We would appreciate everyone's looking around their houses, in cabinets and under their car seats to see if they have books they thought they had returned and had not." We are not trying to punish people," Mrs. Mitchell adds, "We just want to remind them that the Library and all its books belong to everyone and we need to insure that we have as many books as possible in circulation at all times."

All returned books can be dropped in the Book Drop or brought inside to be returned. Mrs. Mitchell said, "We don't want people to be embarrassed by returning late books, we want them to be glad they found them and provide them for the other citizens of the County."

"Sometimes, all of us forget, we are giving the month of May to everyone to help them remember their Library and return overdue books."

"Beginning June 5th, we will be contacting people concerning overdue books not received both by telephone and in person. We need to insure that we have the books or replacement costs immediately so that we can best serve our people."

"Come by and see us and let us know any other way we can serve you."

The Kinney County Library will be sponsoring again the Summer Reading Program for children from the ages of two to fourteen.

This program will begin on Monday, June 18th and end on Monday, August 20. Registration for this program will begin in the Library on Monday June 11 and end on Friday June 15.

Mothers and/or caregivers must accompany all children under the age of six years who will be enrolled in the "Read To Me" portion of the program.

Each group will meet at the Library twice monthly for approximately 45 minutes for

movies, storytelling, and other activities. Again, all children below the age of six years must be accompanied by a parent or caregiver.

Mrs. Mitchell, Librarian, states that the purpose of this program is to instill in children, both readers and pre-readers, the enjoyment of reading and proper use of their library for their information and enjoyment.

The theme of this year's program is "THE SECRET CODE IS READ."

It is imperative that all children wishing to participate register within the registration deadline in order that he/she may reach their goal and receive their certificate at the end of the program in August.

For more details call or come by the Library.

REFLECTIONS

BY PRESTON TAYLOR
FIRST BAPTIST CHURCH

Congratulations to all graduating seniors. You have reach an important milestone in life. Now what are you going to do? Here are a few suggestions for your consideration.

In the first place, keep in mind that graduation is only a commencement: a beginning. In fact, you never will arrive! You must always be "on the way". One big accomplishment should remind us of "PLUS ULTRA" - more beyond! Therefore, keep going!

Accept tough assignments. The world does not owe you a living. Work, discipline, and struggle are a few words in God's vocabulary. True success does not come by laziness, cheating, handouts, or drifting. Worthwhile living comes to those who invest in life. Don't be afraid of this route.

Keep fresh. Expose your life to new ideas that provide answers to today's questions. Associate with those who live with eternal values in mind. Be ready to explore and make adventures in new and rewarding fields.

Use your limitations as a stepping-stone to something more worthwhile. Not everyone is going to graduate with top honors or with honors. Don't let that stop you. Another person may have more finances or a better appearance than you. That's OK. Keep going.

A biologist watched an ant carry a big straw one day. The little creature came to a cracked place in the ground, but did not quit. The ant managed to put the straw over that miniature "Grand Canyon" and walked over on it. Let your burden become your bridge to a new way of life.

Be helpful. One person said of General Robert E. Lee of the Civil War years: "Simply looking at him inspired me to be a better man." I saw a plaque one day with these words inscribed on it: "When you make two people happy, one of them is apt to be you." Therefore, keep an attitude that is positive and helpful, not negative and destructive. Sow good seed! Inspire others who struggle on life's highway.

Let God direct your life. He guides through wise counsel of others. Don't despise the words of your parents, teachers, and true friends in many areas of life. God directs through His Eternal Word. Read the Bible! God guides those whose lives are committed to Jesus

Christ. You can't go wrong by following Divine Instructions.

One poet said: "The Best is yet to be." May this be your kind of future life as graduation day approaches.

DAVID DORROUGH
AT FIRST BAPTIST

The First Baptist Church of Brackettville has invited Mr. David Dorrough to serve in a full-time capacity as Director of Youth Activities. His duties also involve working with the total educational program of the Church which includes all age groups.

Mr. Dorrough has worked with Super S Foods for two years. He came to Brackettville in August of last year as Manager of the local store. After graduation from East Central High School in San Antonio, David Dorrough served for six years in the Air Force. He traveled to Spain, Germany, Greece and Turkey during his "Security Police" duties in the Air Force.

David Dorrough has completed two years of college and has a "ton" of experience in management fields in Texas, California and in the Air Force.

David is 33 years of age. He and Connie have three children. Xhristina is 8, Jennifer is 7 and Jason is 5.

Mr. Dorrough will direct all the sports activities of the youth such as basketball and volleyball. He is to be involved in the Summer

Youth Camps, Sunday School work, Vacation Bible School activities, and counseling. His interests include overall community life.

Mr. David Dorrough says, "I became tired of moving so much. Brackettville is a wonderful town. When we had an opportunity to go to work at First Baptist, we felt this was God's will for our lives. We are proud to make Brackettville our home!"

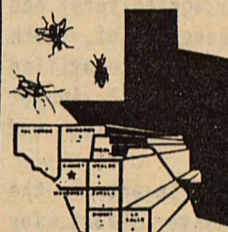

MOVIE THIS SATURDAY

A free movie will be shown at 6:00 P.M. on May 12 (this Saturday) at the local First Baptist Church.

The movie helps a person understand the book of Genesis as no other movie could do -- from the time of creation to the time of the near sacrifice of Isaac.

Refreshments will be served. We promise you a good time of fellowship, too. Children, youth and adults will find this picture beneficial. Join us if you can..

Texas Agricultural Extension Service

BY ALAN L. MCWILLIAMS

On Tuesday, April 24, 1990, key leaders in Kinney County met in County study groups to identify important issues of concern to the people of this County over the next 4 years.

The strength of the Texas Agricultural Extension Service's efforts to provide educational programs that are interesting and worthwhile to the community comes from involvement of clientele in developing long-range programs that address the critical issues that may face residents within the next 4 years.

The study groups divided into task forces to identify the most critical issues facing the County in broad fields of agriculture and natural resources, community development, youth and home economics. The groups identified issues and discussed how they will impact Kinney County's economy, environment, and social welfare.

The work of the study group is one of the first major steps in an intensive effort for determining Extension Service programs of 1991-94. Each County in Texas will develop a long-range Extension program by October and all will be considered in the development of the Extension Service's statewide program plan.

In 1986, more than 12,000 Texans participated in these County study meetings across the state and identified almost 5,000 issues.

Based on these issues, a 1987-90 Long Range Extension Program (LREP) was prepared by each County. County issues were grouped into 12 broad statewide issues to form a state plan of action for directing programming for the Texas Agricultural Extension Service through 1990.

Issue-based programming has been highly successful for the extension Service in directing educational program efforts.

Locally, members of the Agriculture and Natural Resources study group included W. A. Belcher, Jimmy Bader, Car Esser, Bret Trant, Jack Whitworth, James Crumley, and Manuel Pena.

The Community Development group consisted of: Don Ralston, Tom Faulkenberry, Bob McCall, and Tim Ward. Participating in the Home Economics group were: Darlene Shahan, Alicia Jackson, Olga Coston, Joy Ralston, and Mary Lee Haby.

The Youth Study Group members were: Chuck Hall, David Dorrough, Kasey Hall, and Karla Hall.

Tully Shahan, who presently chairs the Extension Program Council, gave a welcome to the group and gave the members a brief talk on long range planning and critical issue identifications.

GERONTOLOGIST TO SPEAK SUNDAY

Fran Becker will speak at 7:00 o'clock Sunday night at the First Baptist Church of Brackettville.

Mrs. Becker and her husband, Dr. Becker,

have their own family and marriage counseling center in California.

Fran Becker is a frequent guest speaker at ladies retreats and camps. She has been a special guest on the Robert Schuller Glass Cathedral Hour in Garden Grove, California.

The father of Mrs. Becker served with the French Embassy in Vietnam prior to the Vietnam War. Fran was born in Hanoi and then lived in China for a time with her parents before their return to their native homeland of France.

Mrs. Richard (Huguette) Hirsch and Fran Becker are sisters. The Hirsch family is delighted to have visiting with them this week the mother and another sister of Huguette Hirsch who are from France.

The public is cordially invited to hear Mrs. Becker, a Gerontologist and popular speaker at the First Baptist Church Sunday evening, May 13 at 7:00 P.M.

In order that each person may have the opportunity to meet the special guest and family on Sunday evening, a reception for the family will be held in the Church Fellowship Hall.

BRACKETT LITTLE LEAGUE

Tuesday night games were canceled due to the rain.

Friday night games were played as planned. The first game was Cowboys (home team) vs Rams (visitors). The second game was Astros (home team) vs. Lions (visitors).

The Cowboys won the game 9 to Rams 2. The Cowboys' runs were made by the following:

Monche Falcon	- 1
Josh Crumbly	- 2
Mike Meyers	- 2
Jared Shahan	- 1
Moses Hernandez	- 1
Saul Hildalgo	- 1
Rene Luna	- 1

Moses Hernandez pitched all 6 innings for the Cowboys.

The Rams runs were made by Tim hale (1) and Butch Lopes (1). Pat Munoz pitched all six innings for the Rams.

The Second game the Lions won 3 to the Astros none. Lions runs were made by Andres Garli (1) and Ramon deLeon (2). The pitcher for the Astros was George Rodriguez.

NEW GENERAL MANAGER APPOINTED

Effective May 1, Bob Nelson was appointed General Manager of the Fort Clark Springs Association. Fort Clark Springs has been fortunate in having former General Manager Gene Britton who has served for the past six and half years. We are now fortunate to have Bob Nelson.

Although Britton no longer holds the position of General Manager, he will still be involved with the Association, "Essentially, I have retired, but I will be doing some consulting work with the Board," said Britton.

Nelson is not a stranger to Fort Clark Springs. He has lived at Fort Clark for ten years and each day with his new job is a learning process. "Something new and different comes up every day, I take it into stride. We cannot stand still, we have to continue to learn about our existence," said Nelson.

Nelson is definitely working for the good

of the Association. "My goal is to learn everything about the Association and try to improve upon what is already a great thing."

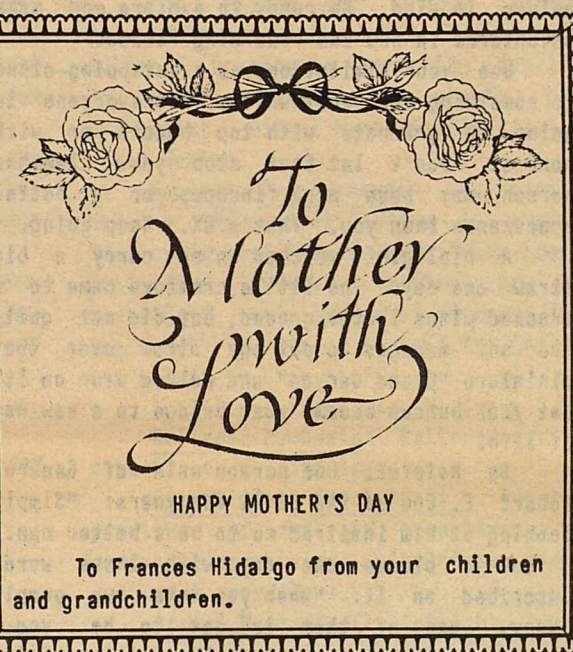

"To the employees, we are a team. We must work together to improve the overall lifestyle of all members of the Association," said Nelson. Good Luck to Mr. Nelson on his new position and may the Association continue to prosper.

The Old Quarry Society with the aid of Ben Pingenot have been working very hard in making our script authentic. Ben alone has worked many countless hours writing and re-writing the script in the last several months.

We feel our script will be more factual and entertaining. The Old Quarry has been fortunate having Ben help us in our revision. Thanks Ben for your time and talents.
