

NEW MUNICIPAL JUDGE APPOINTED

Mr. Royce Massingill was appointed City Municipal Judge by the City Council Monday night, July 16, 1990 and sworn in Tuesday morning by Mayor Moore.

Royce Massingill was born in Rock Wall, Texas, just outside of Dallas. Judge Massingill was a Fireman for the City of Dallas for 27 years before retiring May 15, 1979. He and his wife Jean moved to Brackettville in April, 1986 and January 13, 1989 opened the Buckhorn Trading Post, located on Highway 90 east. Mr. & Mrs. Massingill have three sons, Woody, Larry & Lonnel. Woody and his wife Debra reside in Brackettville where they own the Total Lawn Service and Total Insurance Agency. Debra also works at Rio Grande Electric., Larry and his wife Beverly are residents of Cedar Creek Lake. Larry is the Captain of the Fire Department and Beverly is a teachers aide. Their son Lonnel and his wife Elizabeth have made their home in Dallas where they are both police officers.

Congratulations, Judge Massingill on your appointment!

CITY COUNCIL PASS NEW LANDFILL ORDINANCE

The City of Brackettville met in special session, Monday, July 16, 1990 and passed ordinance #1990-7. This ordinance establishes certain regulations and fees regarding the landfill located about three (3) miles southeast of the City of Brackettville on Highway 131. This ordinance is subdivided into sections as follows: definitions, regulations, fee schedule, emergencies and exceptions, violations,

penalty, days and hours of operation, and miscellaneous. The provisions of this ordinance shall apply to all persons, associations, corporations, partnerships, joint ventures or other legal form of entity entitled to use the Brackettville landfill as eligible user. This ordinance defines household garbage, brush, industrial waste, commercial or contract hauler, Brackettville landfill and eligible user. All contract or commercial haulers are prohibited access to or use of the landfill for any purpose or reason without a permit. Large animals, including but not limited to horses and cows, are prohibited from being dumped at the landfill. Tires are not permitted to be dumped at landfill.

The following rates will be charged to users of the landfill:

- Trunk ----- \$2.00/car trunk load
- Pick-up----- \$5.00/pick-up load (1 ton or less)
- Small Trailer--- \$5.00/small trailer load (less than 16 ft long)
- Large Trailer---\$15.00/large trailer load (16 ft or longer)
- Bob-Tail Truck--\$15.00/bob-tail truck load
- Dump Truck-----\$15.00/dump truck load

All individuals will be charged a set rate of \$5.00 per month for four trips in one month. Individuals exceeding this amount will be charged an additional rate as stated in the fee schedule.

FORT CLARK SPRINGS ATTEND RETIREMENT EXPO

By Lashawn Wardlaw

The Fort Clark Springs new backdrop looked fantastic at the Retirement Expo July 13 and 14 in San Antonio. Persons interested in retiring attended the two-day show. Thanks to Fort Clark members Emet Huntsman, Gene Britton and John Oliver for contributing their time to spread the good word about Fort Clark and the area.

L-Right: Tulisha Wardlaw, Gene Britton, Jason Brumfield and Mary Britton pose in front of the Fort Calrk Springs new backdrop.

LIBRARY NEWS

The Library Says "Thanks"

Thanks entirely to the generosity of Mr. Eugene R. Moore, Kinney County Public Library now has a Video-Rental Library. Mr. Moore decided that he had videos he had purchased which he had viewed enough and decided to share these with the citizens of Kinney County through the Library. Mr. Moore donated a total of Nineteen videos, these have been processed and many persons have already rented them.

We would appreciate others following Mr. Moore's example and going through your video purchases to see if there are some you might be tired of and would like to donate to the Library for others enjoyment. Come on Kinney County, LET'S GIVE!!!!

Next, we wish to publically thank Ms. Peggy Peck, Ms. Alice Seargeant, and Ms. Marge Batchelor for their most appreciated volunteer hours to the Library. These ladies have gotten down on their hands and knees and been dusty and grimy by the end of the day, but our books are getting in better order every day. Ladies, what would we do with out you!!!! Least we forget, we still have Earlene Thurber who comes in dally as a volunteer and is willing to do what ever is needed!!!! Volunteers, We Love You!!!!

Lastly, Dr. Pat Sewell has purchased some Children's Books for us which are especially useful to our very young patrons who have to have their parents read to them. Dr. Sewell said she was in the store, the books were there, she knew we needed them, she bought them!!! Moms, thank Dr. Sewell when you see her. If there are others out there who have childrens books, or books for any age for that matter, that are in excellent shape, we would be happy to make their use available to the rest of Kinney County.

Hey, kids, you've just got one more month to go on the summer reading program!!! Remember, too, you're competing for good prizes, so get those books read! The deadline for submitting your list of books read is August 24th. We will be announcing the winners on August 25th and will put their names in the paper the following week.

After a program given to the Rotarians this week, we had one Rotarian volunteer to go to his work place and see if some of the men he worked with would come down and give us a free evaluation of our lighting problems with suggested solutions. Kinney County is contributing!!!

Further, this same gentleman, who is a "B" rated chess player, offered his time to teach classes in chess. He stated he would be happy to have a class of children and/or adults. If you are interested in learning the game of chess from an expert, contact us at the Library and we will try to set up times here at the Library where the lessons can be conducted.

Anyone else with skills to offer?

We are still looking for donated videos to add to our Library. Please take the time to look through yours to see if you have any you might consider donating. Rory, of Rory's Video Review just purchased three new children's videos for us. We expect arrival any day now. Considering his business, isn't that generous?! Kinney County is contributing!! Join the crowd!!

Please, please check around for overdue books. We will be calling soon to notify you of fines owed.

As always, we invite you to come see us at the Library, the coolest, friendliest place in town!

REFLECTIONS

**BY REV. PRESTON TAYLOR
FIRST BAPTIST CHURCH**

Several years ago, my wife and our two children left Argentina because of the death of her Dad and critical illness of another family member.

As I returned to our house after seeing the family leave, the "Home" had changed into nothing more than an empty house. A cutting feeling of despair settled upon me. Big, tough me! Grief gripped me. There I stood--my face bathed with tears. Totally devastated.

Death, a sudden move with new surroundings, a family break-up, and a dozen other events can send arrows of a lonely feeling through a person. What's the answer to this gnawing feeling of helplessness?

Work helps drive away the enemy of loneliness. When my family left me for the States, I plunged into three months of work that consumed fourteen hours a day, seven days a week. Work helps one keep his sanity.

Friends prove helpful in times of aloneness. Concerning friends, Shakespeare said: "Grapple them to thy soul with hoops of steel." Meet them in God's House--or any place where true, lasting, wholesome friendships may be formed.

Reading proves to be a good antidote to loneliness. Good books help. Try the Bible a few minutes each day. Episcopalian Keith Miller's book, The Taste of New Wine, is super reading. I have a couple of books that might be helpful. Ask the Kinney County Librarian for suggestions.

Try God! He is the best solution to the evil of loneliness and despair that you may have. God and all that God in Christ by the power of the Holy Spirit is--well, He holds the solution to every problem in life, death, and eternity. Don't try to squeeze through life by squeezing God out.

The youngest individual Olympic winner was American Marjorie Gestring who took the springboard diving title at the age of 13 years 268 days at the 1936 Olympics.

Horace Greeley was a famous journalist in the middle of the nineteenth century. He was born in Amherst, New Hampshire where he lived on a farm. Horace left the farm and was determined to make his fortune as a newspaper man.

After he failed at being a farmer, he finally joined the Whig Party and, with their help and a few stockholders, started the "New York Tribune." Greeley was against slavery, fought for the rights of immigrants, and wasn't in favor of the Mexican War.

He is credited by the public with the famous quote, "Go west young man and grow up with the country!" However, he did say he would endorse the idea.

In 1854 Greeley quit the Whig Party. His support went to Lincoln's nomination of the Radical Republicans.

After the war, Greeley became more unpopular for his support of amnesty for the South. He even signed a bail bond for Jefferson Davis and advocated black suffrage.

After challenging Ulysses S. Grant's second presidential election in 1872, Greeley died a broken man in spirit in Pleasantville, New York in November of the same year.

During his lifetime he was admired by the North and hated in the South. The power of his writings, down-home humor and fiery editorials make his writings among the most powerful forces of that time.

**VBS GRADUATION
THURSDAY NIGHT**

On this Thursday at 7:00 PM more than 100 children will receive their certificates of graduation for being in Vacation Bible School.

Mr. David Dorrrough, the VBS principal at First Baptist Church, says the program on this Thursday night, July 19, is going to be one that gives a lot of joy and pride to the children, parents, and friends.

The teachers, young people who have served as helpers in many ways, the visiting friends from Pleasanton, and all the VBS children know this week has been a rich time for them all.

BY RORY WOODSON

SHE DEVIL: Ruth Patchett (Roseanne Barr), a woeful wife has had her fill of a cheating husband, a scheming mistress and powdered donuts.

So when her husband Bob (Ed Begley, Jr.) runs off with the gorgeous novelist Mary Fisher (Meryl Streep), Ruth doesn't get mad - she gets evil. On a pad of things to do, she compiles a list of Bob's most important assets: Home, Family, Career, and Freedom and begins to destroy them one by one. Home is a cinch, everybody knows that tract-house wiring is slipshod and accidents will happen...The rest of the list will require the demented, satanic, wickedness of a stranger - the stranger side of Ruth, The She-Devil. Rated PG-13.

WE'RE NO ANGELS: There's something funny about those two new priests. In fact, there's something downright hilarious. Because Robert DeNiro and Sean Penn aren't clergymen at all. They're escaped cons whose only prayer is to pass themselves off as men of the cloth and pass right by a police blockade at the border into the safety of Canada.

Demi Moore joins DeNiro and Penn in this clever romp scripted by David Mamet. The cons are loose and the comedy is on. It'll be a sin to miss it. Rated PG-13.

FANCY THAT!

One of the major factors of constipation is inactivity, not aging as many Americans believe. Therefore, a key part of constipation prevention is exercise!

The other major factor is diet. If you're not eating enough fiber every day, you run the risk of becoming constipated. Many physicians have been recommending a therapeutic fiber for regularity such as Citrucel to treat constipation. The fiber in this product - which comes in regular or pleasant orange flavor - helps relieve irregularity. If you have a question about constipation call 1-800-453-4865.

CONT. FROM PAGE 1 CITY LANDFILL

The following fees will be in addition to the above vehicular fees:

Animals-----	\$1.00	each	except	as
restricted by				
			ordinance	
Permits-----	\$5.00	fee per month due		
		1st working day of		
		each month.		

In addition to permit fees, contract or commercial haulers are required to pay the described fees as listed under rates charged for users.

Violation Fees-- \$5.00 minimum to a maximum of \$500.00 for the following violations:

- a. A person who represents himself as an eligible user but, in fact, is not.
- b. A person who dumps garbage within the landfill during hours the landfill is closed.
- c. A person who violates any section of this ordinance.
- d. A person who consumes or carries alcoholic beverages on the landfill property.
- e. A person who assists in perpetrating a violation under this ordinance.
- f. A person or persons who do not dump in designated areas.
- g. ALL garbage hauled to the landfill must be fully covered.

Each separate violation shall constitute a separate offense.

The dumping ground will be open for dumping by eligible users on Monday, Tuesday, Wednesday, Friday, and Saturday of each week from the hours of 10:00 AM to 6:00 PM (CLOSED ON THURSDAYS AND SUNDAYS AND ANY DESIGNATED CITY HOLIDAYS).

This ordinance will become effective on the first day of August, 1990. Anyone wishing a copy of this ordinance may pick it up at City Hall.

PRAYER TO ST. JUDE

May the Sacred Heart of Jesus, be adored, glorified, loved and preserved throughout the world now and forever, Sacred Heart of Jesus, pray for us.

St. Jude, worker of miracles, pray for us.

St. Jude, help of the helpless situations, pray for us.

say this prayer 9 times a day for 8 days and then publish. Your prayer will be answered. It has never been know to fail. Publication must be promise.

A.V.

For Nelly & Joe Barrera, there's no place like a Good Cents Home.

What's so special about a Good Cents Home? We asked people who own one, like Nelly & Joe Barrera in Laredo.

"We're saving about 60 percent on our monthly electric bills."

"It's just great," Nelly said about the Barrera's Good Cents Home. "Our friends are shocked when we come are utility bills. We're saving about 60 percent on our electric bills every month."

"The Good Cents features raise the value of our home."

"We're not planning on selling our home anytime soon," Joe added, "but it's good to know that a Good Cents Home is worth a good deal more."

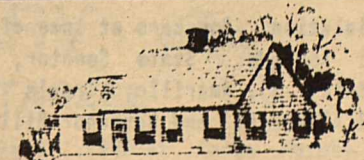

If you're planning to buy a home, look for the Good Cents sign. If you plan to build, call us first, here at C.P.L. For comfort, value and substantial energy savings, there's no place like a Good Cents Home.

Central Power and Light Company 

CONDOLENCES

The Brackettville Volunteer Fire Department would like to offer its condolences to the family of John Starzell on their loss.

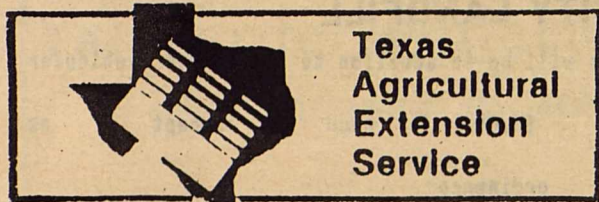

A Prayer

O Lord, Thou knowest well how dark the way,
Guide Thou my footsteps, lest they stray;
Give me fresh faith for every hour,
Lest I should ever doubt Thy power
And make complaint!

Give me the heart, O Lord, strong to endure,
Help me to keep it simple, pure,
Make me unselfish, helpful, true
In every act, whatever I do,
And keep content!

Help me to do my share,
Make me courageous, strong to bear
Sunshine or shadow in my life!
Sustain me in the daily strife
To keep content!

Texas
Agricultural
Extension
Service

BY ALAN L. MCWILLIAMS

We have received some much needed rain and it was nice to get relief from the heat as well. Be sure, though, the heat and dryness will be back. As a way to conserve water around the home, try adding mulch to your gardens and beds. This one practice can separate the super gardener from an average one, particularly during dry periods. This is a valuable cultural practice and does more than just save water. Good mulch can reduce soil packing, blowing and washing suppress weeds, keep the soil moist, regulate soil temperature, add organic matter and keep vegetable fruits, such as squash, off the ground and free of many diseases.

Mulch can aid in the home landscape as well. They improve plant growth, enhance the appearance of the landscape and reduce maintenance. With the summer's heat drying gardens and landscape, the most important functions of mulch is prevention of evaporation from the soil surface. Because of the reduced evaporation, the soil moisture level remains more constant, which promotes root growth.

Mulches also modify soil temperatures in home gardens. Summer mulches cool the soil and create a better growing environment under the plants. Most weed seed require light to germinate, and a thick layer of mulch will help shade them out and can reduce weed problems by 90% or more.

Kinney County 4-H member, Michelle Brandt, will be attending the 1990 Texas 4-H Legislative Congress in Austin along with 500 other Texas 4-H members from all parts of the state.

The purpose of 4-H Legislative Congress is to acquaint participants with the legislative process, duties and responsibilities of state elected officials; to become familiar with the key issues facing state legislators, to develop life skills and to work with groups to make decisions. Each Congress delegate is sworn in as a Senator or Representative and takes part in the process of developing, debating and passing legislation. Speakers at some of the banquets will include: State Senator, Teel Bivins, District 31, Amarillo; Travis County Judge, Bill Aleshire; and Governor Bill Clements.

If you are having trouble keeping your lawn grass green and lush, try raising your mower blade 1-1 1/2 inches. This provides more shade and reduces water evaporation from the surface of the soil and the root zone. Wet the ground 1.5-2 inches down each time you water. To check, place a can or pan in the yard and see how long it takes to fill it to 1.5-2 inches. Also spread your fertilizer out into 3 or 4 applications instead of once or twice a year.

ZAFFIRINI ANNOUNCES GRANTS

State Senator Judith Zaffirini, D-Laredo, announced on Wednesday, July 11, the awarding of two grants to United Medical Center in Eagle Pass for the treatment of drug and alcohol abuse in Maverick and Kinney counties.

The Texas Commission on Alcohol and Drug Abuse awarded \$75,000 to the center for the outpatient treatment of youths with substance abuse problems in Kinney and Maverick counties.

TCADA also awarded \$210,726 to the center for outpatient treatment of adults with substance abuse problems in Kinney and Maverick counties.

The grants are part of more than \$57 million awarded this week by TCADA to continue and enhance anti-drug programs for the fiscal year beginning September 1.

"With the proliferation of drug and alcohol abuse in our state, it is essential that we support communities in their war against drugs," Zaffirini said. "I am pleased to announce that United Medical Centers received these grants."

DEPARTMENT OF AVIATION MEETING TO BE HELD

AUSTIN... A Texas Aeronautical Facilities Plan regional planning meeting will be held at Del Rio National Bank, Community Room 2nd Floor, 525 S. Main, Del Rio, Texas, 10:00 AM, Thursday, July 26, 1990.

Development of airports in Edwards, Kinney, Real, Uvalde, and Val Verde Counties will be discussed. The meeting will be conducted by the Texas Department of Aviation.

Everyone with an interest in air transportation and airport development is invited to attend. Participating in the meeting will be city and county elected officials, airport board members, airport managers, representatives of the Middle Rio Grande Development Council, and other citizens.

During the meeting, the airport development needs currently identified in the Texas Aeronautical Facilities Plan for area airports will be reviewed. Preservation and development of airport facilities in the area will be covered. The availability of state and federal funds for airport development will be discussed. Information on area economic development, community goals and objectives, and other factors which may influence the need for, or timing of, airport development will be reviewed.

FUND RAISING BBQ TO BE HELD

The Brackettville Volunteer Fire Department is having a Fund Raising Barbecue to be held July 21. The Barbecue will be served at 12:00 noon at the County Park. The menu includes barbecued briskett, \$4.50 a pound or \$1.00 per taco. All proceeds to go towards the repair of the fire truck.

Earth was thrown from the side ditches toward the center. They were called highways. Smaller private roads became known as byways.

BLOOD DRIVE SPONSORED WEDNESDAY

Val Verde Memorial Hospital in cooperation with the South Texas Blood Bank, will sponsor a blood drive on Wednesday, August 1st, 10 A.M. - 6 P.M. in the Lab Conference Room at the hospital.

Potential donors must be between the ages of 17 and 72 (17 year-olds must have written parental consent); be in good general health; must weigh at least 110 pounds; and must not have donated blood within the previous eight weeks. When a potential donor arrives the day of the blood drive, they will be given a brief questionnaire and asked to complete it. Answers to these questions will help the technicians determine whether or not you are a suitable donor. If you meet the requirements for donating blood, you will then be given a mini-physical consisting of pulse, temperature, blood pressure and iron level check. This initial screening process and physical exam takes approximately 15 minutes. Once a potential donor has passed the screening and exam, the actual donation process only takes 8 to ten minutes.

It has been estimated that only 5% of all eligible blood donors actually take the time to give. Today, when blood banks are required by federal law to follow strict guidelines for safety, and when valuable health information may be obtained through tests that must be performed on every pint of blood, there are very few reasons NOT to donate. Giving blood is safe. Giving blood is necessary. Most important, giving blood saves lives. YOU can help maintain the lifeline of healthy blood by becoming a regular donor. Blood is like a parachute...it's not there when you need it, you may never need it again. Give blood on August 1st.

THE SIGNS OF THE TIMES

BY BONNIE WHITE

GOD KNOWS ALL

"For his eyes are upon the ways of man, and he seeth all his goings. There is no darkness, nor shadow of death, where the workers of iniquity may hide themselves." (Job 34:21,22)

"For mine eyes are upon all their ways: they are not hid from my face, neither is their iniquity hid from mine eyes." (Jer 16:17)

There must be some underlying belief in many people today that somehow God just ignores their sins; that because we can't see Him, He must not see us. I say this because people have become so open and unrepentant in their sins. They must believe the same lie given to the Israelites by the false prophets of Jeremiah's day - "Ye shall have peace;...No evil shall come upon you." (Jer 23:17)

However, nothing could be further from the truth. God sees every sin committed in the flesh, and He knows every sin committed in the heart. "...for thine eyes are open upon all the ways of the sons of men: to give every one according to his ways..." (Jer 32:19) Just because God does not strike someone down immediately when he commits sin, this does not mean that God ignores sin. The wise King Solomon said, "Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil." (Eccl 8:11)

Don't be deceived! God will, in His time, execute judgment upon sin. The prophet Zephaniah prophesied this warning to the children of Judah: "And it shall come to pass at that time, that I will search Jerusalem with candles, and punish the men that are settled on their lees: that say in their heart, The Lord will not do good, neither will he do evil." (Zeph 1:12)

The Bible is filled with examples of men and women who thought they could hide their sins from God. Adam and Eve thought they could hide their disobedience, Cain thought he could hide the murder of his brother, David thought he could hide murder and adultery, Achan thought he could hide his greed, the Samaritan woman thought she could hide her promiscuous sex, Ananias and Sapphira thought they could lie about their offering and fool God. Yet each one of these men and women were uncovered in their sins before God, and many suffered for their sins.

Please don't think that you can get by with sin! "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap." (Gal 6:7) Thank God we are offered forgiveness of our sins through Jesus Christ. However, we are charged to "Go, and sin no more." (John 8:11)

For the child of God, there should be nothing which needs to be hidden from a loving God. Just as He knows the wickedness of the sinner, so He also knows the true worship of those who love and serve Him.

If we do that which is pleasing in God's sight, and walk even as He walked (1 John 2:6) then we will not be ashamed for the deeds committed in this life. If there are deeds you are committing which you would be ashamed of before Christ, remember His words in Matthew 10:26: "...for there is nothing covered, that shall not be revealed; and hid that shall not be known."

IN CHRIST'S SERVICE, Bonnie White

OLD ARMY DAYS BY WALLACE MORGAN

The above photographs represent the beginning, and the current U.S. Army general purpose, cargo and troop transport trucks. The older model truck, serial number 474956, was at one time in use at Fort Clark, Texas. This vehicle is a M1917 Liberty. The tires on it are solid rubber, and it has just one headlight, right in the center, located up on the dash cowl, or on top of the firewall. Fort Clark was the final military assignment for this old vehicle, as it was outdated and outmoded. So, it was sold to the highest bidder, in the civilian market.

The "Liberty" found a new usefulness on the Sargeant Ranch, located in Kinney County. Kinney County Judge Tommy Sargeant said that as a youngster, the experience of driving this truck around the ranch was

one of his greater experiences. He even used it to knock down brush and trees. In 1970 the "Liberty" was donated to the U.S. Army for display in the military vehicle museum at Fort Sam Houston, Texas. It was donated in the name of Albert James Sargeant and Major Billy M. Sargeant, U.S.A.F. The Army rebuilt the truck to look as though it had just arrived new from the factory.

The photograph of the other U.S. Army truck, is quite a contrast. It is termed as a 5 ton vehicle, powered by a diesel engine. Quite a difference from even the World War Two 2 and 1/2 ton cargo trucks. This vehicle is even almost comfortable to ride in, over all types of terrain, even when loaded with troops or cargo. I did say "almost". This vehicle is in use, assigned to the 141st Mechanized Infantry Regiment, of the 49th Armored Division, Texas Army National Guard, at Camp Bullis, Texas.

OBITUARY

JOHN ALBERT STARZEL

John Albert Starzel passed away July 17, 1990 at Audie Murphy Veterans Hospital in San Antonio. Mr. Starzel is survived by his wife Enamencia; his son Louis of Brownwood, his daughter Margaret Reyes of Brackettville, two grandsons Adrian Reyes, III and John Andrew Reyes both of Brackettville; two brothers George Starzel and Joe Starzel both of Dregerton, Utah and his sister Mary Vincent of Clifton, Arizona and numerous nieces and nephews.

Mr. Starzel was born September 23, 1919 in Rouse, Colorado. Services will be held Friday, July 20th at 5:30 P.M. at Frontier Baptist Church and interment will be in the Kinney County Cemetery.
