

Dr. TUTT'S Expectorant!

IN 25CTS. AND 51 BOTTLES.

The properties are Dampulent, Nervine,
Balsamic, Soothing and Hot.

Combining all these qualities, it is the

most effective LUNG PILLS ever

offered to sufferers from pulmonary

diseases.

DR. J. F. HAYWOOD,

New York, voluntarily indorses it:

READ WHAT HE SAYS:

Dr. TUTT'S Cure to rapid Liver Disease.

During three years I was an ardent

fan of Dr. Tutt's Pills, in the 100 grain size.

One day I went to Dr. Tutt's office,

and said, "I have been taking your pills during a practice of twenty years, I have never

had a single bad attack, and I am now

in the 100th year of my life, and I am still

as strong as ever."

Dear Sirs—My little son was attacked

by pneumonia, but recovered, which is a rare case.

He has had a cold for some time, and I took

Dr. Tutt's Pills, and he is now well again.

During a practice of twenty years, I have never

had a single bad attack, and I am now

in the 100th year of my life, and I am still

as strong as ever."

With many thanks, J. F. HAYWOOD, M. D.
