VOL. 59

BRACKETTVILLE, TEXAS FRIDAY JUNE 25 1939

NO 16,

OLD AGE PENSION STATUS EXPLAINED

Austin, Tex., June 18—W. A. Little, Director of the Texas Old Age Assistance Commission, stated today that no investigation would be made of applicants for Old Age Assistance under the new Law until a ruling had been secured from the Attorney General's Department, which opinion would serve in formulating policies and procedure of investigation under the liberalized act. Even after the opinion had been secured, it will be necessary for investigational instructions to be perfected and workers advised as to their use. This will likely require another week or ten days after the Attorney General's Department has officially acted.

Registration for the State has reached about 30,000, and it is an admitted fact that under the most favorable circumstances, several months would be required to complete records of investigation and to certify recipients for whatever prorata share of available money might be on hand from month to month. In the meantime, a new plan will be submitted to the Social Security Board at Washington, and their final decision as to the approval or disapproval of the plan awaited.

Fencing Highway

Fencing of the right-of way of Highway 85 in Southern Kinney County, is getting well advanced at this time. The work, being done under a WPA labor project, is progressing satisfactorily, but it will be some time yet before the fencing task is completed.

It is expected that as soon as the fencing is completed, topping of part of the road near the Pinto will be done. Bridging of Pinto Creek itself, with one of the biggest watersheds in this section, is also being considered.

In 1913, Kinney County had 35.7 inches of rainfall.

Fire Alarm

A fire call, the first in several months, Friday morning sent both the Brackett and Ft. Clark fire truck pumpers down to the Gilder Farm where fire in an old house threatened a hay barn and a new residence. The blaze was extinguished by farm workers by the time the trucks arrived, and damage was small. Cause of the fire was believed to have been matches being ignited in a rat's nest in the ceiling of the house.

Ranch Sold

Last week was reported sale of the Russel Martin ranch, located next to the J. H. Stadler ranch in Southern Kinney County to Guinn Williams of San Angelo. The amount paid was not made public.

The Russel Martin Ranch is of large acreage, and one of the best in the county. Mr. Williams already owns a large ranch in the Spoford country.

Duchess At Fair

At the coronation rites which were held Thursday afternoon of last week in connection with the annual Fair and celebration at Rocksprings, Miss Eloise Hunt, daughter of Mr. and Mrs. M. T. Hunt of this city, was Duchess of Brackettville. Her escort was A. P. Utterback Jr., son of Dr. and Mrs. A. P. Utterback of this city. Miss Hunt recently returned from the Texas State College for Women at Denton, where she is a Junior, and will spend her vacation here.

Summer Heat On

Although Wednesday last, June 21, was the official entrance day of summer—as well as the longest day of the year—hot weather has been with us for the past two weeks or so. During the past week end, with clear days predominating, temperatures rose up to around 100 degrees. Good breezes helped us swelter thru.

Laughing Around the World

With IRVIN S. COBB

Where the Negotiations Flopped

By IRVIN S. COBB

AN AMERICAN vaudeville performer whose early education somewhat was neglected—and has never been cultivated subsequently—went to England for his first foreign engagement.

He appeared at one of the London Halls under the direction of Sir Alfred Butt. His singing or his dancing, or perhaps his grammar,

appealed to the patrons as having the spices of originality and novelty and his act proved a decided hit.

He had been taken on for four weeks. Toward the conclusion of the fourth week Sir Alfred sent one of his underlings to the visiting performer to suggest a continuation of the engagement.

"All right," said the Yankee, "but I been knockin' those guys dead in their seats and if I stay on I gotta have more dough, see? You go back and tell his Nibbs that I want five pounds more than what he's been payin'."

The messenger went away. In five minutes he was back at the actor's dressing-room.

"I conveyed your word to Sir Alfred and he promptly acquiesced," stated the Englishman.

"Wot's that?" demanded the Yankee.

"When I told Sir Alfred what you wished, he acquiesced to it," repeated the assistant.

"Well," snarled the indignant artiste, "if that's the way he feels about it you kin tell him to go to hell!"

County Agent's Column

Four Kinney County 4-H Club Boys accompanied by the County Agent attended the annual 4-H Club Encampment which was held at Palacios, Texas. Approximately 600 boys from 69 South and Southwest Texas Counties attended this encampment. Several encampments are held over various parts of the State every summer for the recreational phase of 4-H Club work.

The duration of the camp was three days. Recreational features of the camp included baseball games, track meet, horse shoe and washer pitching, wrestling, boxing and swimming. Entertainment features at night included picture shows featuring outstanding 4-H Club boys over the State with their demonstrations of beef calves, dairy calves, hogs and poultry. Specialists of the Extension Service made short talks and explained the outstanding features of the pictures as they were showing. A moving picture was also shown on the mining, processing, and distribution of sulphur in the Gulf Coast Area, and showed the many uses that sulphur plays in our every day life.

Several stops were made on the way to and from Palacios. A visit was made to the Dunn Ranch near San Antonio and the boys had an opportunity to see the registered Hereford and shorthorn cattle. Visits were made to several 4-H Club boys' homes in Bexar County so that the local boys could study the methods and ways the other boys were carrying on their demonstrations. Approximately 2 hours were spent in Breckenridge Park at San Antonio taking in the zoo and other interesting features.

On July 5th, 6th, and 7th, another bunch of 4 H Club Boys will go to College Station for the annual short course.

Summer Reliefs

With hot weather officially with us, various are the ways in which our folk and neighbors seek relief from the hot weather. The "old swimming holes" are the most popular places on the Las Moras as well as on the Pinto, for swimming and picnicking. Fritter Park on Highway 90 receives plenty of attention during the hot days, as does the Nueces.

Joins Navy

Word has been received that Fred Buscher, of this city, has enlisted in the U. S. Navy, and has gone to San Diego, Calif., to report for duty. He is the son of Mrs. Willis of this community.

Disease Warning

The town of Sonora was practically quarantined last week end because 4 cases of infantile paralysis had occurred there recently, with one death. Health officials are taking all precautions to prevent its spread.

Wool Sale

A sale of 350,000 pounds of wool was made at Roswell, New Mexico, the past week end, at prices ranging from 28¢ to 21¢ per pound.

NEWS MEMORIES OF THE YEAR 1937

(Brackett News, June 21, 1937)

E. L. Will & Sons, who recently purchased a fine \$1600 goat from Australia, sustained a severe loss Sunday afternoon by the death of their famous Angora goat that was imported to this country about a year ago.

Among those in the news events of the day were: Mrs. M. McDonald, Miss Flory Dooley, T. B. Overstreet, H. T. Coston, Mrs. H. H. King, Bud Beckett, Mr. and Mrs. James Murphy, Miss Christine McAlpin, Miss Mary Bailey, Frank Clamp, Miss Annie Durham, and Andrew C. Scheley.

They were making preparations at Fort Clark for a big day. The field day exercises would be held in the morning and there would be two baseball games in the afternoon. From various accounts of these events, they were all well attended and apparently everyone had a great time while attending them.

In the army then: Several of the barracks were being repainted, with most of the work being done by the men. Due to many good jobs outside, the number of men who were discharged and who did not re-enlist ran high. They were to have a band concert but it was called off because most of the band members had gone off on pass.

There was a lengthy obituary in this issue on Mrs. Susanah Cornell, who passed away on June 16th, at her home here. She married James Cornell in 1860, and the couple moved to Brackett when it was a little village of a dozen houses, remaining here until death came. Surviving were a brother, Wm. S. Hutchison, and a sister, Mrs. C. M. Slaton, both of Kinney County; four daughters, Mrs. J. R. DeWitt, Mrs. Henry Veltmann, Mrs. H. C. Hunt, and Mrs. O. F. Seargeant, and a son, James Cornell. Her husband, Mr. Cornell, died April 7, 1900.

RANGE NEWSLETS OF VARIOUS SORTS

Black wool is as good as any other kind for any work that the wool from a white sheep is, it is announced.

The Rocksprings Rodeo and fair was well attended this year as usual from the southwest, and was an interesting event.

Twenty five sheep were killed near Uvalde last week when a truck plowed into a herd of sheep being driven along the highway.

A Nebraska boy farmer raising alfalfa and turkeys made money in a grasshopper plague. The fowls fattened on hoppers, and the alfalfa was saved and sold at a good price.

The outlook for wool in the United States is a very bright one, according to a recent statement by the bureau of Agricultural Economics. The wool is said to be getting up to a fairly high level.

A Rancher's Roundup, one of those interesting and instructive events the rangeland looks forward to, will be held at the Sonora, Texas, Experiment Station, June 27 and 28, according to recent announcement.

Pecan crop prospects throughout the southwest pecan growing areas are said to be dwindling under the steady inroad and ravages of insects. Last year the crop was well below normal, due also to depredation of insects.

Improvements

Repainting of the Catholic Church's interior was well advanced this week, with a crew busily engaged in this project. Besides the painting, there will be some improvements scheduled for the near future.

Carl Poehler was having constructed a new residence at the Poehler Ranch.

Improvements about the J. H. Stadler ranch home in southern Kinney County was being done the past week.

Bell Syndicate.—WNU Service.

TOO CHEAP

Mrs. Bright—I bought a nickel coffee-pot today.
Mrs. Green—Mercy! It can't be any good for five cents.

Good Record

Mistress—My husband is very hard to please about his meals.
Cook—Don't worry about that, ma'am! They're all alike. I haven't been able to please my husband in the 40 years we've been married.

The Secret

Josias—We have been married for 15 years now and we have never yet had an argument.
Ferdinand—That's right. Let her have her own way. Never argue.—Pathfinder.

WRONG PLACE

Judge—He struck her on the sly, did he not?
Witness—Hit 'peared t' meh, Judge, mo' lak he done hit 'er on de haid.

A LITTLE LATE

The angler decided to rise very early. As he walked along the main street he heard the village clock strike five.

"Well, I've always heard a lot about the early rising of country folk," he thought to himself, "but there's no one about yet."

Presently he saw a farm laborer. "Grand morning!" he called out. "It is now, sir," replied the laborer, "but it was very cold first thing."

Breezy Story

Nothing but a south wind would do the old gent any good, he explained to the seaside hotel manager. "Does the south wind always blow here?" he demanded.

"All the time, sir," was the answer.

Suspiciously the prospective guest held up a moistened finger. "Why, it's from the north right now!" he asserted.

"Yessir," beamed the manager. "It's on its way back now."

The Dangerous Ism

"Your speech didn't impress me as containing any new ideas," remarked the friend doubtfully.

"That's good," answered Senator Sorghum; "a speech with new ideas is very liable to result in giving your enemies a chance to denounce you as a champion of some sort of ism."

NO PRIVACY

"Say, do you believe in the Darwinian theory?"

"No!"

"Then what are you monkeying round here for?"

Voice of Experience

Mose—Whaffer you all dressed up for? Is you lookin' for work?

Sambo—Lawdy, no. Ah is celebratin' mah golden wedding.

Mose—Golden wedding? Den why isn't yo' wife wid you?

Sambo—She ain't got nothin' t' do wid it. She's mah fo'th wife.

Any Bounty?

Alfalfa Ike—What happened to that tenderfoot who was out here last week?

Badger Pete—Oh, he was brushin' his teeth with some of that new fangled toothpaste and one of the boys thought he had hydrophobia and shot him!

Going Bankrupt

Old-Fashioned Girl—All my life I've been saving my kisses for a man like you.

Modern Young Man—Well, prepare to lose the savings of a lifetime.

In a Big Way

"I clean my diamonds with ammonia, my rubies with wine, my emeralds with brandy, and my sapphires with fresh milk," said Mrs. Newrich.

"Is that so? When mine get dirty, I just throw them away," replied Mrs. Oldrich.

Privacy

"What is the definition for the word home?"

"Home is the place where you can scratch where it itches."

Painful

Fond Mother—Willie takes pains with his music.

Neighbor—We get them, too.

NO SENSE OF BALANCE

"Why was he so upset in bank this morning?"

"Found his balance was gone."

Obedying Orders

Doctor (to battered patient)—What sort of an accident did you meet with, Mr. Tompkins?

Mr. Tompkins—Well, doctor, I've gone for a tramp each day, as you told me—but that last beggar was a bit of a 'andful!

Custom

"In England, to 'take orders' means to enter the church."

"It's slightly different over here—you enter the church, get married and then take orders."

Half of Wheat Belt Dry Again

Lack of Moisture Indicates Shortage in Grain; Light Winter Crop.

CHICAGO.—Reports of drought covering a large part of the American wheat belt and extending north into the three western Canadian provinces have been received. It was estimated that over 50 per cent of the total North American wheat acreage is in the dry area.

A large part of the area seeded to wheat west of the 100th meridian was said to be rather urgently in need of additional moisture. There has been steady deterioration in the outlook for winter wheat in parts of Texas, Oklahoma, Kansas, and Nebraska, and estimates on the probable harvest are being revised downward.

The department of agriculture's report suggested 544,000,000 bushels of winter wheat. This is the smallest crop in about 25 years, with the exception of the 1933-35 period, when domestic production dropped below requirements. Last year's crop was a bumper one at 687,000,000 bushels.

Speculators Ferk Up.

The combination of a shortage of surface and subsoil moisture in the American Northwest has caused wheat speculators to pay much more attention to weather reports from the latter area than they normally do at this season. While seeding has been completed and there was sufficient moisture to germinate the grain additional moisture must be received in the immediate future in order to prevent rapid deterioration in the outlook. A Chicago expert, after allowing for past weather conditions and normal precipitation to July 1, suggests that the spring wheat crop in the Dakotas may be about 30,000,000 bushels less than in 1938.

The outlook at the present time is for a possible aggregate wheat crop of about 750,000,000 bushels, experts say, or about the same as the average for the 1927-36 period—about 50,000,000 bushels in excess of domestic requirements.

Corn Planting Well Along.

Planting of corn made rapid progress as the result of favorable weather conditions. The critical stage in the growth of the corn crop will come late in July and early in August when it starts to tassel. It is at this time that rain and moderate temperatures are most essential if a large yield is to be secured. The trend of the market is expected to be determined largely by weather conditions during that period.

All deliveries of wheat, oats, and soy beans have sold at new seasonal high prices. The small grains were affected mainly by dry weather reports, and soy beans by a scarcity of the cash article. Despite a record crop of soy beans harvested last year supplies are reported to be unusually light.

Vermont Marks Birthday Of First Morgan Horse

MONTPELIER, VT.—The 150th anniversary of the birth of a horse is being celebrated by Vermont this year.

The horse was Justin Morgan, recognized as foundation stock for the American saddle horse, for the American trotting horse and for the Tennessee walking horse.

When in Springfield, Mass., as a three-year-old colt, the horse was taken by one Justin Morgan, a music teacher, in exchange for an unpaid \$25 bill and brought to the latter's new Randolph, Vt., home.

At first the horse was known as Figure, later as Justin Morgan's Figure and finally as Justin Morgan. Evidence proves that he was sired by the thoroughbred True Briton, otherwise known as Beautiful Bay, which was stolen from Colonel De Lancey, the Tory, by three Yankees at King's Bridge, N. Y., during the Revolutionary war. The dam was a daughter of Wild Air, another of the great sires of the day.

Recognizing that the name Morgan has come to mean "beauty, spirit and action to all lovers of the horse, and (that) the Morgan horses for many years held the world's record for trotting horses," the Vermont legislature appointed a special committee to play for the 150th anniversary of the horse's birth.

Earliest Fireplace Of Man Discovered

ROME.—What is believed here to be the earliest known fireplace made by man has been found in a grotto near San Felice Circeo, on the coast between Rome and Naples.

It is believed to be 130,000 years old and to belong to the final Ice age.

A landslide which occurred thousands of years before Ulysses sailed these waters and encountered the bewitching Circe kept it intact until its discovery by a young Italian archeologist, Prof. A. C. Blanc.

Tommy Also Discovered 'Ppeasement Is Difficult

Tommy Jones came home from school with tousled hair, rumpled clothes and a black eye.

"What have you been up to?" his mother demanded.

"I've been fighting Johnny Briggs," Tommy confessed.

"Well, take him this cake and make friends."

Tommy did so, but in the afternoon he came home with another black eye.

"Good gracious!" his mother exclaimed. "What on earth has happened now?"

"He did it again," Tommy said, sadly. "And he wants more cake tomorrow—or else!"

Constipation Relief That Also Pepsin-izes Stomach

When constipation brings on acid indigestion, bloating, dizzy spells, gas, coated tongue, sour taste, and bad breath, your stomach is probably loaded up with certain undigested food and your bowels don't move. So you need both Pepsin to help break up fast that rich undigested food in your stomach, and Laxative Senna to pull the trigger on those lazy bowels. So be sure your laxative also contains Pepsin. Take Dr. Caldwell's Laxative, because its Syrup Pepsin helps you gain that wonderful stomach relief, while the Laxative Senna moves your bowels. Tests prove the power of Pepsin to dissolve those lumps of undigested protein food which may linger in your stomach, to cause belching, gastric acidity and nausea. This is how Pepsinizing your stomach helps relieve it of such distress. At the same time this medicine wakes up lazy nerves and muscles in your bowels to relieve your constipation. So see how much better you feel by taking the laxative that also puts Pepsin to work on that stomach discomfort, too. Even finicky children love to taste this pleasant family laxative. Buy Dr. Caldwell's Laxative—Senna with Syrup Pepsin at your druggist today!

Masons Elect

At their regular meeting Monday night, Las Moras Lodge No. 444, A. F. & A. M. elected the following officers for the ensuing year:

Albert T. Terry, Worshipful Master.
S. L. Vincent, Senior Warden.
Herman Schafer, Junior Warden.

Will W. Price, Treasurer.
M. Tanneberger, Secretary.
Albert McGovern, Tiler.

The above officers, with the appointive officers, will be installed at a called meeting, on June 24th.

Polo Tournament

The invitation "round robin" polo tournament came to a most successful conclusion on June 18, the two scheduled games resulting in close, fast competition, and an excellent showing of horsemanship, as well as indicating the friendly relationship that exist on the border, particularly in this section, among various races and classes.

The four teams competing in the tournament were evenly matched in spite of the fact that the teams were composed of riders varying greatly in official polo handicap rating, from six goals down to a no goal rating, indicating that army polo is run to give the less experienced a chance and for "the good of the service."

The Brackett Vaqueros, assisted by Gen. J. J. Quinones of the Mexican army, were defeated by a score of 3 to 2 by the Eagle Pass Polo Club team, and the Yellow team from Ft. Clark defeated the white team by the same score, resulting in a tournament tie between Eagle Pass and the Yellow team, which was played off in a few minutes of extra play, Eagle Pass finally winning the first score by converting a free shot, resulting from a foul, into a score of one, and thereby winning the tournament, and the nice individual trophies, presented by General Wainwright of the Fort Clark Polo Club.

A New York capitalist said he actually had more fun watching the Ft. Clark games more than the first game of the England-United States series he had witnessed.—Polo Fan.

Base Ball Games

The Brackettville Rounders, at home for the day, entertained the Fort Clark Outlaws Sunday morning on the local diamond, the game going to the Rounders by a score of 5 to 2, but not, however, until after an exciting and quite interesting game. It was well attended.

The Fort Clark team tangled with the tough Del Rio Merchants Sunday afternoon at the Post Diamond, in a fast and very interesting game which furnished plenty of excitement and sport for the large number of fans witnessing same, with the final score being: Ft. Clark 8, Del Rio 4.

The Brackett Colored Youngsters played the Hondo Black Monarchs Sunday afternoon on the local diamond, the final score being Brackett 8, Hondo 1. The same two teams met again Monday afternoon, and when the dust cleared, the result of the game being: Brackett 4, Hondo 3.

Celebrate June 19th

The Brackettville Colored folk certainly put on a celebration for themselves as their observance of Emancipation Day.

The observance was touched off with a street dance Saturday night. Sunday, the celebration turned into a full day affair with two separate picnics and a program of fun and talk at noon. Festivities continued throughout the afternoon, with the center of attraction being a ball game between Brackett and Hondo, which Brackett won. Then there was more picnicing and a barbecue, topped off with another street dance down-town.

Monday, June 19th, was a repetition of the day before but with an acceleration of festivities as a whole. The ball game in the afternoon between Hondo and Brackettville was won by Brackett.

Soil Conservation

College, Station, Tex., June 19—Any group of farmers or ranchers who contemplate organizing under the soil conservation district act recently passed by the Texas Legislature should appoint a committee to visit and observe similar districts in other states. This was the advice of C. (Dutch) Hohn, soil and water conservation specialist of Texas A. & M. College who recently returned with a party from a tour of similar districts in Louisiana, Arkansas and Oklahoma. The Texas law is an enabling act rather than a set-up act designed to secure federal aid for direct conservation work, and does not mean that setting up a district brings machinery, federal aid, etc. The act only makes available to ranchers and farmers a procedure whereby they can band themselves for cooperative action, and utilize to best advantage such help as is offered.

Spofford Wins

The Spofford "Eagles" nosed out the heretofore undefeated champions of the border, Eagle Pass "Fire Chiefs" by a score of 7 to 6, this being the Fire Chiefs first loss of the season, and snapped their 13 game win streak. Spofford lost no time in taking the lead, but they soon lost it; however, in their last bats made a sensational finish and won. Castillo hurled for Spofford, and Hinds and Garcia worked behind the bat. J. Garcia with three singles in four times up was Spofford's leading hitter. Castillo hurled all the game for Spofford, but Jaso, Spofford fireball hurler, with an injured finger, was in reserve.—Contributed.

Card Of Thanks

We take this method of thanking Gen. Wainwright and his Fire Department for their quick, hearty response to our call for aid, saving us from serious loss.

We thank the two men from the Aviation Field who lent time and willing aid.

We also thank the Brackettville Fire Department for their hearty response, and last but not least, the little Noel children who as a little bucket brigade worked like little troopers until arrival of the Fort Clark fire department.

Again we thank you all.
Mr. and Mrs. J. H. Gilder.

Base Ball Sunday

The Brackettville Rounders will entertain the Eagle Pass Fire Chiefs, one of the toughest teams on the border, here Sunday at 3:00 o'clock.

The diamond has been so arranged now that you can drive your car into the grounds and watch the game in comfort.

"I thought I knew all about automobiles!"

A LOT of folks have had their eyes opened wide by a ride in a 1939 Ford V-8. They just didn't realize how much more value and how many improvements we've put in this car the last few years.

Today's advanced Ford is a product of progressive engineering, fine materials and honest construction. It is backed by an experience of building far more cars than anybody else in the world.

One ride in today's Ford—with its smooth 8-cylinder engine, stabilized chassis, hydraulic brakes—will prove it's the modern car in the low-price field.

Farewell Compliment

Mr. and Mrs. J. F. Beidler honored Captain and Mrs. Nutter, who are leaving Ft. Clark soon for Ft. Leavenworth, with a dinner party. Adorning the lace-covered table was a bowl of mixed summer blossoms and yellow tapers.

In addition to the honorees, the guests included Mrs. Gooch, mother of Mrs. Nutter, Mrs. Dean of El Paso, and Capt. and Mrs. Fulton.

Birthday Anniversary

Mrs. Frank Moy honored her husband, Sgt. Frank Moy, and Sgt. Joe Reed, with a party, Thursday evening, June 8th, at her quarters in Ft. Clark, the occasion being the honoree's birthday anniversary. An arrangement of dahlias and roses decorated the rooms. Bunco was played and prizes awarded to the ladies as follows: Mrs. Joe Reed, high; Mrs. Bock, low; Mrs. Joe Schertzer, cut. To the men, Sgt. Ferrell, high; John Miller, low; V. J. Couture, cut.

Following the games, a salad and a sweet course was served at individual tables. Three beautiful birthday cakes formed the adornment for the dining table which was laid with a lace cloth. One of the cakes, a huge white confection, decorated in pink and white, was presented to Sgt. Moy from Troop A. The other two cakes were made by the hostesses for each of the honorees, and were frosted in white with "Happy Birthday" embossed on them.

In addition to the honorees, the guests included Mrs. Joe Reed, Sgt. and Mrs. A. B. Couture, Sgt. and Mrs. Ferrell, Sgt. and Mrs. Meeks, Sgt. and Mrs. Thos. Brooks, Sgt. and Mrs. DeWalt, Sgt. and Mrs. Bock, Sgt. and Mrs. Schertzer, Sgt. and Mrs. Kunkle, Sgt. and Mrs. Ellenbeck, Mr. and Mrs. V. J. Couture, Mr. and Mrs. John Miller, Sgt. Henick and Sgt. Fischbach.

Night Bridge Club

Mr. and Mrs. O. R. Davis were hosts for the Night Bridge Club at their ranch home last Thursday evening. Mr. and Mrs. J. B. Hudson were awarded the prizes for ladies' and men's high scores.

Dinner was served at the individual tables preceding the games to the following: Mr. and Mrs. V. G. Deason, Mr. and Mrs. J. H. Stadler and Mr. and Mrs. J. B. Hudson.

Barbecue Supper

Mr. and Mrs. Beidler were hosts for a barbecue supper at their Polo Ranch last Wednesday evening, honoring members of the Polo teams and their wives, and sponsors of the teams and their wives.

About one hundred guests attended.

Misses Mimi, Gita and Elaine Beidler returned last Friday from a several days' visit with General and Mrs. Jaime Quinones at their ranch home in Mexico.

Q. M. Party

The Q. M. personnel of Fort Clark Saturday evening celebrated the 127th anniversary of the organization of the Q. M. Corps with a banquet staged in Villa Acuna, Mexico, and attended by members of the local Q. M. C. and their guests, who numbered about 125 persons.

During the banquet, General Wainwright presented a medal of the Order of the Purple Heart to Sgt. Paul Derengowski of the Q. M. Corps, Fort Clark. The Order of the Purple Heart is a military honor, bestowed on men wounded during the war for their exceptional merit.

Baptist W. M. U.

The Baptist W. M. U. met at 3 o'clock Tuesday afternoon at the church. The meeting was opened with the song "We're Marching To Zion." Prayer by Mrs. Wester.

It was decided to have only our Royal Service meetings a month during July and August. Arrangements were made for a picnic to be given Wednesday afternoon for the boys and girls of the Booster Band. Closing prayer by Mrs. Kelley.

Those present were Mesdames Jones, Ayres, Couture, Miller, Kelly and Bates, and Rev. and Mrs. Wester.

Guild Meeting

St. Andrew's Guild met Tuesday afternoon at the Parish House with Mrs. T. J. Martin as hostess. After Mrs. Maud O'Mara had read several chapters on religion in India, the group had a social hour with hand work and conversation. The hostess served delicious ice cream and cookies to the following: Mrs. H. B. Dugan, Mrs. Herman Schafer, Mrs. V. Christensen, Mrs. N. P. Petersen, Mrs. F. W. Dudley and Mrs. Maud O'Mara.

Methodist Missionary Society

Members of the Methodist Missionary Society met at the church Tuesday afternoon for their regular weekly meeting. Plans were made to attend the joint meeting which was held in Qnemado Wednesday afternoon. The regular monthly social meeting will be held next Tuesday with Mrs. M. H. Badger acting as hostess. During July and August the society will meet once a month with the business and social meeting combined.

Model Mate

After 50 years of observation Arthur Cleveland Bent, of the Smithsonian Institution, reveals that the red-shouldered hawk is the matrimonial model of birdhood. These birds marry very young, never desert their wives, and always live in the homes they stake out, even putting up no-trespassing signs made of fresh sprigs of evergreen. Most amazing of all is the elation with which they decorate the nest with vintages when there's a new addition

Capitals of Pennsylvania

The year after Penn's arrival the Provincial government was established in Philadelphia, which remained the capital until 1799, when Lancaster received the honor on the first Monday of November of that year. By an act approved February 21, 1799, says the Philadelphia Inquirer, Harrisburg was declared to be the capital after 1812. From that date Harrisburg has been the capital of Pennsylvania. Philadelphia was the capital of the United States from 1790 to 1800. Lancaster and York were temporary capitals during the Revolution. Lancaster, for three days from September 27, 1777, until September 20, 1777, when

How Women in Their 40's Can Attract Men

Here's good advice for a woman during her change (usually from 35 to 40), who fears she'll lose her appeal to men, who worries about hot flashes, loss of pep, dumpy spells, upset nerves and moody spells. Just get more fresh air, sleep and if you need a reliable "WOMAN'S" tonic take Lydia E. Pinkham's Vegetable Compound, made especially for women. It helps Nature build up physical resistance, thus helps give more vivacity to enjoy life and soothe calming jittery nerves and those disturbing symptoms that often accompany change of life. Pinkham's is WELL WORTH trying.

HELP STOMACH DIGEST FOOD

Everything from Soup to Nuts

The stomach should digest two pounds of food daily. When you eat heavy, greasy, coarse or rich foods or when you are nervous, hurried or over-eat, your stomach often pours out too much acid. Your food doesn't digest and you have gas, heartburn, nausea, indigestion, loss of strength. You feel sour, sick and upset all over. Before you take a laxative for stomach pain, it is dangerous and foolish. It takes those little black tablets called Ball's for Indigestion to make the excess stomach fluids harmless, relieve distress in no time and put you back on your feet. Ball's is so quick, it is suitable and safe for package prices. Ask for Ball's for Indigestion.
