DRAPER

Got another cold spell vonce alrety yet. We are glad to report the flu epidemic abating. Marion Thannisch is convalescing. Homer Pierce is very low at this writing.

Little Neazy Schubert had the misfortune of breaking her arm Friday evening. We understand it is a very bad break.

Charlie Perrin made a flying trip to Roaring Springs last week and didn't get back 'til next day.

Mrs. W. T. Lovell spent a part of last week with her daughter, Mrs. Bryan Speer, of McAadoo.

R. W. Dismuke has gotten over the flu, but he is still mad about it. It is reported that G. W. Jackson is grubbing these days, but tho, but tho.

W. D. Thacker has shaved his mustache off and we couldn't imagine what for until we read his announcement for commissioner of the 3rd precinct. W. D. will make a good "Com" and we heard one man say he wouldn't vote for anyone for commissioner unless he owned a car. Guess he will get that vote any how.

Say, School Girl, saw your fellow in Spur the other day and he sure looked bad, too.—Rambling Bill.

1920
Tom Cherry, of the Dry Lake section of country, was among the business visitors in town Tuesday of this week. Mr. Cherry has about twenty bales of cotton on the yard now awaiting the buyers when the price gets up to the proper level. There are a number of bales of cotton now being held, not only on account of the embargo, but because of the low prices being offered.

1920
Colonel S. J. Ousley is now shaping things up in order that he may get away from home at an early date. He contemplates going to Dallas and other metropolises to pick up certain bargains—since there is a surplus of cash now on hand as a result of big crops the past year. Colonel Ousley is a hustler and we have no doubt but that he will get what he goes after.

WHEN YOU PAY BY CHECKS.

You get a Receipt in Every Case through the Endorsement of the party to whom the check is made. It is a pretty good thing to have, and saves any question as to whether an account is paid or not. This is only one of the advantages of a bank account; there are many others. If you have no checking account, we would like to have you open one with us. Wont you drop in and talk the matter over.

TO THE VOTERS OF DICKENS COUNTY

In the race for Sheriff and Tax Collector, Mr. Barber has two opponents, and according to all investigations, Mr. Barber has filled the office efficiently in every respect, and I think he is entitled to the office the second term.

It looks very simple for a man that hasn't been in the county over twelve months to announce against a man as well known as Mr. Barber is in Dickens county.

According to the Democratic custom, Mr. Barber is entitled to the office the second term. He hasn't made any big talk about what he has done, but has done his duty in every respect toward enforcing the law.

Now voters, take things under consideration. Do not vote for a man only because he hands you a glad hand—vote for the man who has made good, which Mr. Barber has done on his first term. There is no man that can please everybody, no matter what he does.—Published by Ed Duncan. Political Adv.

Brunswick Principles In Fine Tire Making

The reason you are interested in the name on your tire is that it identifies the maker. By knowing the maker you can judge his ideals of manufacture.

The only secret of a super-tire lies in the principles of the maker. His standards decide the quality. For there are no secrets in the tire industry.

What you get depends on what is behind the name on your tire. Brunswick, as you know, means a very old concern, jealous of its good name. Since 1845 the House of Brunswick has been famous the world over for the quality of its products.

The Brunswick Tire is all that you expect—and more. Your first one will be a revelation. You'll agree that you've never known a better. And you'll tell your friends. So spreads the news among motorists. The Brunswick is the most welcome tire that ever came to market.

Try one Brunswick Tire. Learn how good a tire can be built. And remember, it costs no more than like-type tires.

SIMPLE RULES FOR FIGURING INCOME TAX

J. C. Kirby, who is in close touch with the various departments at Austin, sends his friends the following simple rules for figuring their income taxes.

"I desire to say that there need be no trouble in figuring your income tax if you adhere to the following rules:

"In the first place, it must be worked out by algebra, astronomy, trigonometry and syntax.

"If your income is \$2,400 a year and you have a diamond ring and an automobile and are married to a good looking girl, 26 years old, you take the amount of your income and add your street number, multiply by your height and add your wife's height and divide by your telephone number.

"You will then carry your minus separated from your plus to schedule G, on the tenth line of which you subtract the multiple, which you will put on the line X schedule K, entering in column A.

"If you have a child in the family subtract \$200 from your income, add the amount of your personal property, multiply your waist measure, subtract the size of your collar, and add amount you have given the church during the year, and divide by the number of your automobile license tag.

"After you have gotten it all figured out you won't have to pay income tax of any sort, for they will have you strapped down at the county hospital."

CARD OF THANKS

We wish to extend our sincere thanks to the people of the Watson community for their kindness and assistance shown our mother in her illness, her children being W. A. Harrell, Mrs. M. E. Manning and D. E. Thomas.

1920
J. W. Smith, of the Soldier Mound community, was among the number in Spur Saturday. Mr. Smith has been doing considerable buying, selling and trading in oil lands, leases and royalties, during the past several months. He informed us that he now had some acreage left and which he intends to keep until the oil wells blow in.
1920

J. Carlisle was in Spur Tuesday of this week from his farm over on the Creek. He had some cotton here to sell, but was very much disgusted, stating that the price offered would not pay for the picking, much less the making of the crop. We expect to see things open up later, in the matter of cotton selling as well as the prices to be paid.

CARD OF THANKS.

We desire to express our sincere and heart felt thanks to the people who assisted in the illness and sympathized with us in the death of our sister, Mrs. Mary Hand.—Mrs. H. F. Shepherd.

Ed Hufstelder handed us a check this week to keep his paper coming on time. Thanks.

Contractor J. E. Sanders gave us the necessary cash this week to mark up his subscription. He is just recovering of the flu which has prevented him from doing carpenter work the past several days.

J. M. Abbott and son, of Olney, spent a day or two the past week in Spur with his daughter, Mr. and Mrs. R. N. Thomas.

MIDWAY HAPPENINGS

The health of this community is good at present. No new cases of flu that we know of and hope there will be no more.

Mrs. Annie Brannon has been real sick, but is improving now. Hope she will soon be up.

Mr. I. M. Ellis and family have moved to the Elmore place, which he bought and expects to make his home.

Mr. Lee Peters and family have moved to the Worswick farm.

Mr. Ira Clark and Miss Ella Dobbs took supper with Mr. and Mrs. Ernest Noland Sunday night.

Mr. Ray Morgan was down from the plains Sunday. I wonder why? I expect Miss Della Dobbs could tell us why.

There was a box supper at Midway Saturday night in behalf of the domestic science. Had a very good crowd and they took in something over one hundred dollars, the highest box sold for ten dollars. We are glad they considered that enough or Mr. Toad Wiley would have been bidding yet.

Miss Erna Mae Overstreet, Miss Zelma Blakley and Miss Ona Mae Pettigrew were run as the prettiest girls.

Miss Erna Mae won the highest majority of votes, or Toad would have been voting yet. I hear Mr. Bill Clark bought Miss Winnie Arthur's box, I hope Miss Thelma Brannon wont get mad.

I am sorry Mr. Jonas Overstreet got disappointed, but somebody outbid him and got Miss Zelma Blakley's box. Cheer up, Jonas, and don't feel too blue, for with the low price of cotton Zelma will know you didn't have the price.

There was a singing at Mr. Overstreet's Sunday night. Quite a good crowd was present and everybody reports a good time.

Mr. Leland Jones, who used to live at Midway but who has lately moved south of Dickens, was back at Midway Sunday night—and you should have seen Miss Minnie Arthur smile.

Mr. Pete Austin looks mighty lonesome yet. Poor Pete.

Ernest Arthur and Earn Dobbs are thinking of hauling water at the Clay Hotel, for five cents a barrel—the get-rich-quick plan.

The Midway boys played basket ball with Prairie Chapel Friday afternoon, the scores being 6 to 11 in favor of Midway. We are proud of the Shinnery Twig boys in any kind of ball.

Miss Willie Summeral spent Saturday night with Miss Alma Adams.

Miss Lidia Adams spent Saturday night with Miss Pettigrew.

I have heard it whispered that Henry Bilberry is making eyes at Miss Della Summeral. I wonder if it is true?

Mr. Ira Dobbs went to Spur first Monday. Of course Ira always goes to First Monday.

Mr. Roy Scott returned last week and we don't blame Erma Mae for being glad.

Well, I will ring off this time, with best wishes to the Texas Spur.—Shinnery Twig.

1920
E. J. Bilberry came in Thursday and shot his subscription up a year ahead of time. Thanks. All Texas Spur readers are coming to our rescue in these times of high prices, and we appreciate it. The fact is that if they should fail us, we would be forced to hunt another job soon. It takes a mint of money to keep going these days, especially in the newspaper business. Look at your date and see how you stand on our subscription account.

1920
H. C. Allen, of Dry Lake, was in town Wednesday of this week, and handed us the cash with which to renew his subscription to the Dallas Semi-Weekly News. He also reads the Texas Spur and thereby keeps up with the whole world.

1920
Mrs. Louis Mason, of Jayton, underwent an operation the past week at the Standifer hospital and is now reported doing nicely and recovering rapidly.

Mr. Baker, of Munday, was in the city of Spur this week on business.

1920

1920
A. J. Richey and wife, of Croton, were in Spur Wednesday shopping and visiting with friends and acquaintances.

1920
NO TRESPASSING.
Hunting, trapping and trespassing is absolutely prohibited in the pastures owned by Jones and Elliott.

1920
Ben Redell, who is this year farming on the plains near McAdoo, left last week for a visit to relatives in the eastern part of the state.

1920
W. C. Presley and wife and young son, were in the city Wednesday of this week from their ranch home east of Spur.

1920
W. P. Marshall was here one day this week from the Duck Creek section, reporting everything in the best shape possible at this time. We are surely scheduled for another bumper crop in 1920.

1920
W. M. Randall, of Steel Hill, was in town one day this week. He was worrying about having a number of bales of cotton now on the yard. At any other time one would feel elated in having cotton on the yard.

1920
W. J. Hickman, of Afton, was here this week and shoved up his subscription a year ahead of time. He reports everything in fine shape now in the Afton country, all farmers expecting to make bumper crops.

1920
Mr. and Mrs. Hawley Bryant, of the Pitchfork Ranch, were visitors in Spur the first of the week. Mr. Bryant recently made a trip out to his land holdings near Tucuman, New Mexico, and states that the oil excitement out there is becoming more pronounced every day. The fact is that that section has already proven the oil possibilities, and at no distant date a big oil field will be developed.

1920
W. R. Horn, of near Girard, was in Spur Saturday and while here was a very pleasant caller at the Texas Spur office. He and every member of his family have been sufferers of the flu. He states that nearly every body in his community had been afflicted with the epidemic during the past several weeks. However, he reports that all are now getting over it.

1920
Ed Jackson was in Spur one day this week. He informed us that he had bought a farm near Dickens to the west where he and family are now living, having recently moved from his farm and ranch north of Draper. He made the move in order that they would have better school advantages.

1920
L. W. Langston, of Davidson, Oklahoma, spent several days of the past week in Spur looking after his farm interest to the east of town. Mr. Langston was here also with the intention of buying a place in town and moving his family here for the benefit of the schools and where he could also look after his farming interests to better advantage.

1920
Willie Eldredge, of near McAdoo, was one among the business visitors in Spur during the week. He had several bales of cotton here to sell, but like many other farmers of the country, was dissatisfied with the prices offered for the staple. It is very probable that eventually things will change. We expect to see cotton sell for fifty cents a pound in Spur. An expert cotton man has predicted that it will sell for as much as one dollar a pound before it gets back down to normal.

E. F. Hall is in Fort Worth this week on business.
