Mr. and Mrs. Jim Everett of Olden spent Mothers' Day with her parents, Mr. and Mrs. Wade White.

Tim Stacy, son of Mr. and Mrs. Ed Stacy, was inducted May 2nd in the Armed Forces and is stationed at Fort Bliss, El Paso.

Plans Underway For Kendrick's July 4th Show, Beauty Pageant

Plans are nearing completion for the Kendrick July 4th Spectacular presentation of the History of Eastland County, according to an announcement. The event will take place at the Kendrick Egg Farm amphitheater at 8 p.m. Tuesday, July 4.

A beauty contest will be sponsored by the July 4th Spectacular, the announcement said, and all single girls of Eastland County between the ages of 15 and 19, inclusive, have been invited to enter.

The July 4th Spectacular promises to be exciting from beginning to end, the report said. The county historical presentation will include events that have happened before the Indian and up to the present time, and there isn't another county in the state that has had any more interesting and picturesque history, it was said.

Rehearsals began last Friday night with a cast of many people from throughout the county. They will continue each week until the presentation is held. Details of the program will be announced from time to time.

Contestants for the beauty pageant will be required to have a talent to speak, sing or act an original event about

the particular town in which she lives, not to exceed three minutes in length, according to rules. They must be dressed at the contest in a formal evening dress.

The preliminary contest will be held at the Kendrick Amphitheater on June 15 at 8 p. m. for judging by an impartial panel from out of town. The preliminary contest will be closed to the public, but all of the contestants will be presented on the stage

at the July 4th Spectacular.

Entries must be mailed to Mr. and Mrs. J. H. Kendrick or Phil Kendrick of Route 2, Cisco, and must be received by the Kendricks on or before June 10th at 6 p. m. An attractive prize will go to the contest winner.

"We hope to have several contestants from every town or community in the county and they do not have to be sponsored by anyone," Mr. Kendrick said.

Commencement Exercises Are Set For Carbon High Friday Evening

Carbon High School Commencement exercises will be held Friday evening at 8 o'clock in the High School Auditorium with the following program: Processional; Joyce Casey, Invocation; Rev. Dick Murray, Welcome; Ronnie Hughes, Valedictory; Alvie Allison, presentation of certificates and awards; Mr. Larry Allen, presentation of diplomas; Mr. Jimmy Hughes, School song; audience, Benediction, Rev. W.A. Cockrell, Candle-lighting Ceremony; Jo Ann Been, Recessional; Joyce Casey.

Ushers will be Deborah Jackson, Marcia Webb, Ran-

dy Guy and Herbert Casy. Members of the graduating class are Alvie Allison, James Carter, Ronnie Hughes, Madge Justice, Ray Kanady, Jimmy Nelson, Danny Norris, Lester Swan, Joy Theford, Kay Thackerson Warren, Kelly Wyatt.

Carbon Junior High Commencement will be held Thursday, May 18, at 8:30 p. m. in the High School Auditorium honoring the 23 graduates with the following program: Processional; Jo Ann Been, Invocation; Douglas Bryant, Welcome; Charlotte Adams, Salutatorian; Song; Deborah Warren, Cassie Nelson, Dale Jackson, Doug Bryant, Class History; Jeffrey Rice, address; Durwood Webb, Valedictory; presentation of diplomas; Mr. Larry Allen, School Awards; Mr. James L. Hughes, "America, The Beautiful," Class, Benediction; Dale Jackson, Recessional; Jo Ann Been.

Ushers Mary Jo Baker, Jane Webb, James Norris, Don Duncan.

Honor students are Durwood Webb, Charlotte Adams, Jeffrey Rice, Doug Bryant, Dale Jackson, Donna Blauget, Caroline Baker.

Mrs. Ike Butler had the misfortune to fall while working in her yard Wednesday and break her leg just below the knee. She was taken to Eastland Hospital by Arrington Hammer Ambulance where the limb was set and she remains a patient.

Mr. and Mrs. Billy Joe Jackson are the parents of a son born at 6:45 a. m. Monday in Eastland Hospital. He weighed 7 pounds 3 ounces and has been named Bryan Keven.

Grandparents are Mrs. Ada Jackson of Eastland and the J. D. Langdons of Bryan.

CJC PITCHER Tim Warren, Carbon freshman, has been instrumental in the Wranglers' Climb to their 6-0 conference standing (as of Friday, May 5), and the team's season record of 15 wins, 7 losses. Southpaw Warren's record is 4-0. He is a specialist with the curve ball. The Wranglers, champs of the North Zone of the Texas Junior College Athletic Conference were to play South Zone champs Wharton JC at Temple Saturday for the TJAC championship. Warren is the son of Gailon O. Warren, Route 1, Carbon — Photo by Evelyn Valek

Fort Griffin Fandangle

What is a fandangle? It is singing, dancing, and showing off—Western style. And the Fort Griffin Fandangle this year is a centennial celebration of the founding of Fort Griffin.

Presented annually by the people of Albany since 1938, the show is different each year—each production a fresh and happy blend of new songs and old favorites from past Fandangles.

The show is presented on an acre-size stage in its own Prairie Theater, carved from a hillside overlooking Albany. The theater fuses past and present, a ranch country heritage is unlocked from the dusty trunk of memory, polished bright, and transformed into enchanting entertainment.

Performances will be June 15, 16, 17, and June 22, 23, and 24. All seats must be reserved, and tickets go on sale May 29. Prices are: box seats, \$5; Chairs \$3.50 and \$2; and bleachers, \$1.50. Tickets may be ordered from Fandangle Office, Albany.

DIRT MOVING - We have a 9-yard scraper and can move any sand dump regardless of height and will not get stuck. We build tanks and irrigation ponds. J. C. Humphrey, Dublin, Texas, phone 445-2302 or leave word at the Progress Office, Gorman.

Eastland Bands Plan Annual Spring Concert On May 19th

The Eastland Bands will present their annual spring concert on Friday, May 19, at the High School Auditorium. The concert will begin at 8

Featured on the program will be the Cadet, Junior High, Maverick Bands and the Tijuana Brass Group.

Contest selections will be presented as well as other selections including "Beguine Festival" and "Amparita Roca" (Spanish March).

During the course of the concert, the John Philip Sousa Band Award will be presented to the most outstanding Senior Band Student. The recipient is selected by fellow band members and must be an outstanding stu-

dent whose musical ability, leadership, and dependability has been aptly demonstrated.

Trophies will be presented to Junior High Students for most outstanding and most improved. Band sweaters will be presented by John Graham, president of Band Boosters Club.

May 15-20 Is Time To Spray Pecan Trees

The rapid emergence of the adult (moths) of the pecan nut casebearer in Eastland County and surrounding areas indicate the optimum time for spraying pecan trees is May 15 through May 20. This date has been determined based on work and observation done by A. D. Ellington of Cisco; De Gordon, Eastland County Agricultural Agent; George Madden Pecan Field Station in Brownwood; and Tom Denman, Cross Timbers Experiment Station at Stephenville.

The casebearer is the most destructive of all pecan insects. For effective control the insecticide must be applied from the time the worms begin emerging from the eggs and before the bore into the small pecans. The eggs are usually deposited on the tips of the small pecans.

The development of the

casebearer is about ten days earlier than last year. Observations at this time on percent larvae and pupae development indicate that two applications may be required to achieve satisfactory control this year. If two spray applications are made it is suggested that the first application be made May 15 through 17 and the second about ten days later.

The County Agent suggests that Malathion be used for the first application and Sevin for the second application.

The county agent suggests that the owners of pecan orchards check for eggs and nut penetrations next Monday May 15. If the infestation seems very light wait until later in the week to spray. If only one spray application is made the recommendation is a mixture containing 2 pounds of zinc Sulfate, 2 pounds of 80 percent Sevin, and 1 1/4 pounds of Malathion per 100 gallons of water.

Zinc Sulfate should be added to all pecan sprays at the rate of 2 pounds per 100 gallons of spray mixture to control rosette disease, a zinc deficiency common to pecan trees.

Be sure to wet the foliage of the tree thoroughly to make certain that the nut clusters are treated.

Social Security Numbers Needed

Spring is summer job hunting season for many high school and college students. Students who will be taking a job for the first time and will need a social security number were urged by R. R. Tuley, Jr., social security district manager, to apply now and avoid the May and June rush.

He stated that by applying now, the student will avoid unnecessary delay. In late May and early June the number of applications for social security cards is four to five times greater than in the earlier months of the year and some delays occur. Since employers need to see a new employee's social security card before he goes on duty, getting the card late could cause a delay in starting work, an result in missing a good job opportunity.
