

Soon we'll be hearing the "foreign aid" debates again. As always, we'll hear how our hard-earned tax money is helping the "emerging peoples" of the world. Is it really helping these people? It stands to reason that if they desire a standard of living equal to ours, they need to duplicate the procedure that created our wealth.

Source

Obviously, our wealth did not come from foreign handouts. It came instead from a key decision made by our forefathers — when they created an economic system in which the government played practically no role. Unlike the age-old tradition of letting government plan and control the economy, they limited government to little more than a defender against foreign aggression. As to be expected, government quickly began to grow. But for 130 years its growth was slow enough to prevent it from hindering the development of our economy.

It was in this climate of unprecedented freedom that individual Americans converted a hostile wilderness into a land of plenty. Without the fear of losing the fruits of their labors to a hungry government, they created history's highest standard of living.

This same experience could be duplicated anywhere in the world — provided the same climate of freedom is created. Unfortunately, the rulers of "emerging nations" have been able to establish the government-directed socialist and communist economics that give them total power. In these repressive circumstances, the people find it almost impossible to keep themselves fed, clothed and housed.

No Real Aid

To make matters worse, we provide "foreign aid" handouts to the socialist rulers. They first pay for their own palaces and yachts — and then pass on some of it to the people. This raises them to a bare subsistence level, shielding them from the truth that their economic system is inadequate. It gives them little incentive to try our way, and the cause of their problems — socialism — remains.

As long as we continue to pour billions and billions of dollars into these countries, there's little hope of ever improving conditions in any lasting way.

Cruel Deception

So — while helping the deterioration of our own once-free economy — "foreign aid" is also hurting its intended recipients. It is not "aid" — but rather a cruel deception. We lead these people to believe that their socialist rulers are doing what is best for them, when nothing could be further from the truth.

Let's end these handouts immediately. Then the facts of life might become evident to the "emerging peoples" — and they might try freedom. Let's encourage hungry people everywhere to understand what causes prosperity.

Then they too can lift themselves from the poverty and misery that have characterized the world since the beginning of recorded history.

THOMAS M. HAYS
PARTICIPATES IN SADDLE
BLANKET OPERATION

USS KEARSARGE (FFHCN) — Navy Lieutenant Commander Thomas M. Hays, Jr., son of Mr. and Mrs. T. M. Hays, Sr., of Santa Anna, Tex., is serving aboard the anti-submarine aircraft carrier USS Kearsarge, which was part of the combined force of 20 ships engaged in Exercise Saddle Blanket early in February off the coast of Southern California.

The five-day exercise, held from Feb. 4 through Feb. 8, dealt mainly with anti-submarine warfare training. The operation centered around a fast carrier striking force, with its wide range of detection and strike capabilities.

Cruisers, destroyers, submarines, and logistics ships also were engaged in the operation. The exercise came under the operational command of Commander First Fleet.

Mr. and Mrs. C. W. Stephenson and Mrs. George Richardson spent the weekend in Dallas with their daughter and granddaughter, Mr. and Mrs. Gerald Pruitt and family.

Arlene Welch Wins Homemaker Of Tomorrow Contest

ARLENE WELCH

Arlene Welch is winner from Santa Anna High School in the 1963 Betty Crocker Search for the American Homemaker of Tomorrow. She thus becomes eligible for one of 102 scholarships with a total value of \$110,000.

Having scored first in her school in the knowledge and attitude test on homemaking given senior girls Dec. 4, the winner's paper has been entered in competition with those of other state high school winners for state-wide honors.

The State Homemaker of Tomorrow will be named in the spring. She will receive a \$1,500 scholarship from General Mills, sponsor of the program. A \$500 award will be made to the second highest ranking Homemaker of Tomorrow in the state. The school of each state winner will receive a set of Encyclopedia Britannica.

Later, State Homemakers of Tomorrow with their advisors will enjoy an expense-paid educational tour of New York City, Washington, D. C. and Colonial Williamsburg, Va., which will culminate with the naming of the 1963 All-American Homemaker of Tomorrow.

The national winner's scholarship will be raised to \$5,000, with second, third and fourth place winners being granted \$4,000, \$3,000 and \$2,000 scholarships, respectively.

Prepared and scored by Science Research Associates, Chicago, the knowledge and attitude test is the basis for naming of local and state Homemakers of Tomorrow. Personal observation and interviews are factors in the national judging.

The 1963 Betty Crocker Search reached another all-time high in enrollment, with 410,466 girls in 12,964 schools participating. Since the program started nine years ago, approximately three million girls have enrolled, and, including this year, scholarship awards will approach the million dollar mark.

Doyle McIver Coaches Champion Mansfield Team

Doyle McIver, son of Mr. and Mrs. Grady McIver of the Tricham Community, is coach of the Mansfield, Texas, high school Tigers, a team that has set quite a record this season.

McIver's Tigers won their Class AA District 10 title last week by defeating Grapevine by a whopping 99-59 victory. This is the first district title for the Tigers in 10 years. They ended district play with a 9-1 record and during the 10-game district race piled up a total of 799 points to their opponents 490 points.

They will meet Bowie in the bi-district game in Denton Tuesday evening, Feb. 26.

Doyle was an outstanding athlete of the Santa Anna High School and also during his college career at McMurry College in Abilene.

Bubba Jones' Lamb Sells For \$300

Bubba Jones' champion fine-wool cross lamb at the San Antonio Livestock Show brought premium money at the annual auction, held last week.

The lamb took first place in the Crecass Division of the show and was sold for \$300.00.

Bubba is the 10-year-old son of Rev. and Mrs. Raymond Jones and a member of the Santa Anna 4-H Club.

Screwworm Fund Nearing Completion

Tom Kingsbery, chairman of the drive for funds in Precinct No. 2, for the eradication of the screwworm, reports the Coleman County part of the money is nearing the completion mark. Because of the importance of the drive, it needs to be completed as soon as possible.

Kingsbery said there are a number of interested persons who have indicated they would contribute a second time to the fund, who have not made their contributions as yet. He urged these folks to please get your contributions deposited in the bank as soon as possible.

There are others in this area who will benefit greatly from the eradication of the screwworm that haven't contributed to the fund. If at all possible, everyone who has any kind of livestock is urged to contribute at the rate of 50 cents per head for cattle and horses and 10 cents per head for sheep, goats and hogs.

The money is needed now. Your promptness in cooperating in the program will be appreciated.

Screwworm Samples Decrease

Mission — The number of screwworm specimens being received by the Southwest Screwworm Eradication Program's Survey Lata Center has decreased sharply during recent weeks and more than fifty percent are being identified as non-screwworms. While this is good news to the program's officials, they are keeping their fingers crossed that this is not the "ull before the storm."

Only four of the 15 specimens submitted during the week Feb. 3-9 were found to be screwworms. This was the lowest number of confirmed infestations since the program began only a year ago on February 14, 1962. Officials agree this is indeed cause for rejoicing, but warn livestock producers not to be lulled into a false sense of security that the eradication job has been completed.

Special vigilance is now necessary to insure that a screwworm case is not permitted to go undetected and untreated, says Dr. M. E. Meadows, Jr., veterinarian-in-charge of field operations at Mission. One screwworm case going undetected now could cause hundreds of infestations within a few weeks, he warns, and could undo all that has been accomplished during the past year through sterile fly releases and cold weather.

"One screwworm fly lays an average of 400 eggs," Dr. Meadows pointed out. "If half of the hatched eggs are females and all are allowed to complete their reproductive function, within three generations there is a potential of over 16 million screwworm flies. This goes to show what one fertile fly can do to the program."

Just reporting screwworm infestations is not enough, the veterinarian declared; samples must be received to determine that the case is a screwworm infestation. Many of the maggots which are very similar in appearance and characteristics to the screwworm actually feed on dead tissue, while the screwworm feeds on live tissue, he said.

Chevrolet Men Get Awards

Thurman Somerville, head of the parts department, and Gene Coleman, head of the service department of the R. T. Caperton Chevrolet-Cadillac Co. in Coleman were first place winners in the Golden Sales Jubilee contest, held last fall in all Chevrolet dealer outlets.

The two men were honored at a meeting in Dallas over the weekend. They received prizes and they and their wives were entertained by the company on Saturday and Sunday.

Local Boy Scout Meeting Postponed

The regular meeting of Troop 30, Santa Anna Boy Scouts, was called off Tuesday night in favor of the basketball games.

The regular meeting will be held next Tuesday night at 7:30 p. m. at the City Hall. All Boy Scouts are urged to be present.

Cemetery Gate To Be Closed Each Night

A gate was installed at the Santa Anna Cemetery recently. The Cemetery Association announces the gate will be closed at night beginning March 1, from dark to sunrise each night.

It was announced last fall that the Cemetery Association was planning this move, because of the vandalism that was going on in the cemetery during the hours of darkness. The vandalism immediately stopped for several weeks, but has been on the increase again since the first of the year. Some of the things that go on there at night are almost impossible to believe people would do — but the evidence is there and there seems to be no other way to control it except to close the gate and allow no one in the cemetery at night.

Some of the things happening include markers being shot with guns, bottles being thrown in the streets and alleys and being broken on the curbs and markers on graves, flowers being taken from new graves, rocks being thrown against markers, etc. Numerous other activities also go on there at night.

The members of the Cemetery Association are deeply concerned. They have requested the cooperation of the people of this area in granting them the assistance they need in helping to keep the cemetery in good condition. It seems there are those who are not much interested in what the cemetery looks like and they ridicule the association members for their efforts to maintain the cemetery.

Personally, we have nothing but praise for the association. They have done and are doing a marvelous job, and we are sure most people are proud of the work they are doing. It is hard to understand why anyone would not be proud of the manner in which the association is taking care of the cemetery.

The only source of income the association has is the money from memberships (\$12.00 per year from each member) and the few perpetual memberships. The money is mostly used to keep the lots in the cemetery clean and nice. What money is left over is used on the streets and alleys. With the costs of everything being what it is today, we hardly see how they have anything left after keeping the cemetery clean, for any other improvements. It boils down to good management and a close watch of the funds. None of the directors of the association receives any pay other than Jim Daniel, who is paid for the actual work he does in caring for the cemetery. This pay is for his employment — not as a member of the board of directors of the association.

Vocational Nurses Elect Officers At B'wood Meeting

The 1963-64 class of Vocational Nurses Training, which began January 28, met recently for an organizational meeting.

Officers elected that are of interest to people in the Santa Anna area are: Mrs. A. D. Donham Jr., president; Mrs. Irene Ellis, daughter of Mr. and Mrs. Claude Hodges, secretary-treasurer; and Mrs. Osa Jackson Carter, niece of Mrs. W. S. Stacy and niece of O. M. Jackson, was elected member of the social committee.

There are eighteen women enrolled in the 52 week course of bedside nursing. This vocational school is a part of the Brownwood Independent School District and is taught by Mrs. Myrtle Gilbreath, R.N. of Brownwood.

Meetings to Conclude At Adventist Church

A sermon telling why Seventh-day Adventists believe that the seventh day (Saturday) should be kept holy will be presented Friday night, February 23. Adventists worship on Saturday rather than Sunday.

Four meetings remain in the series. Everyone is invited by Evangelist Messard to attend these meetings, whether he is a church member or not. Topics to be presented are: Saturday night, "To Whom Ye Yield Yourselves"; Tuesday night, "God's Last Call to Prepare"; and Friday night, March 1, "Christ's Bride — And His Call to Come Out of Babylon".

Much Needed Rains Fall Throughout County

The best rain in two years fell in the Whon area Sunday night and Monday morning. All the county received from one-half inch to 1½ inches. The snow that fell early last week did not amount to very much moisture as far as pastures and fields were concerned.

Mrs. Joyce England at the Gill Ranch at Whon said they received 1½ inches of good slow rain. None of the moisture ran off. Mrs. England said all that area apparently received about the same amount of moisture and it sure was nice. However, all the folks in the south part

of the county are in need of heavy rains in order to put water in their stock tanks. Mrs. England said the Whon area received a heavy rain; in February two years ago, and this was the best rain since that time.

Grady McIver at Tricham said he received 1.35 inches of good slow rain. Apparently this amount was pretty general in that area. Dick Baugh and John Perry said they each received about .6-inch moisture, which was a good rain but they could always use more.

Mrs. John Hunter said they received 1½ inches rain at Rockwood and everyone there was really happy. E. A. Jennings reported they received ¾-inch of rain in the Burkett area.

Mrs. Gordon Monsey said they received an even inch in the Mozelle area, and she said others had indicated to her that this amount was about general throughout that part of the county. Mrs. Monsey said it was a wonderful rain, falling most of the night Sunday and none of it running off.

As a general rule most of the farmers and ranchers seem to be of the opinion that most of the small grain crops are just about gone, as a result of the several severe freezes suffered in this area without any moisture. All agree that some of the crops will likely come back out, but they cannot expect to get more than a small amount of grazing from the crops.

Santa Anna Loses In Overtime Play

The Santa Anna boys lost a heart-breaker Tuesday night to the Copperas Cove Mustangs by four points. At the end of regulation play the score was tied 56-56, but the Mustangs outscored the Mountaineers 8-4 in the overtime, to win by a 64-60 final score.

At the half-time Copperas Cove was leading 40-21, but the Mountaineers overcame this deficit and tied the score before the end of regulation play.

Santa Anna ended the season with a 9-3 record, losing two games to Goldthwaite and one to Copperas Cove. Copperas Cove ended the season with a 10-2 record, losing only to Santa Anna and Burnet.

The Mustangs will meet the Baird basketball team in bi-district play. The tentative schedule is for the game to be played Monday night at 8:00 p. m. in the new gym at Brownwood High School.

The girls won their game with Copperas Cove, 50-35, but were not in contention for the district crown. Goldthwaite girls won the district crown.

Time Changed For World Day of Prayer Service

The annual World Day of Prayer service has been rescheduled to be held at 10:00 a. m. Friday, March 1. The service will be held in the sanctuary of the First Methodist Church. All Christians are invited to attend the service.

The service is sponsored annually by the Santa Anna Council of Church Women. Members of each church congregation will be responsible for parts of the program. Other special features are also planned.

The service this year was planned by women of Korea. Their experiences of life and sure knowledge of God's powers are exemplified in their suggested service.

Pancakes For Members of Local Legion Post

A Pancake Supper will be served all members of the local American Legion Post attending the regular meeting at the Armory Building Monday night, February 25, beginning at 7:00 p. m. All members are urged to attend and all veterans interested in the Legion are invited to attend.

There will be no charges for the supper.

The American Legion has increased their membership this year to 53 members at the present time, which is 20 or more members than the membership for last year. Efforts are being made to re-build the local Legion Post.

They have a new home now in the process of being remodeled, but due to so much cold weather, the job has been at a standstill for the past several weeks.

SINGING CONVENTION

The McCulloch County Singing Convention will meet Sunday afternoon at 2:00 o'clock in the Northside Baptist Church in Brady. Everyone is cordially invited to attend.

Roy L. Blanton Dies Suddenly Of Heart Attack

Roy L. Blanton, 58, a longtime employee of the Santa Anna Co-op Gin, died in the Santa Anna Hospital about 5:30 p. m. Tuesday, after suffering a heart attack at the gin. He was rushed to the hospital about 4:00 p. m.

Funeral services are scheduled to be held Thursday, Feb. 21, at 2:30 p. m. at the Concho Baptist Church in Coleman. Burial will be in the Coleman City Cemetery under the direction of Stevens Funeral Home.

He was born March 29, 1904 at Powderly in Lamar County. He was married to Annie Mae Smith December 16, 1925 in Coleman. He was a stock farmer and a member of the Baptist Church.

Survivors include the wife; his father, J. E. Blanton of Coleman; one son, Edmond Blanton of Odessa; one daughter, Mrs. Chester Sides of Coleman; three brothers, Harmon and Alvie Blanton of Coleman and James Blanton of McCauley; and four grandchildren.

Pallbearers will be Pierre Rowe, Cecil Stovall, J. T. Avents, C. C. Windham, W. P. Aldridge and J. B. Weathers.

MONDAY MORNING ASSEMBLY

Tommy Stewardson, Student Council President, opened the assembly with the Pledge to the Flag. Karen McCluskey led the students in the song, "America". Ariene Welch was at the piano.

Mr. Perry spoke to the student body concerning the sale of tickets for the Lion's Club Minstrel, which is to be March 21, in the school auditorium. The Lion's Club has given these tickets to the school and the money will be used in redecorating the auditorium. Officers of the classes were asked to be responsible for the sale of tickets.

Mr. Perry also reminded the Science students that the Na-

tional Science Foundation has training stations located at various colleges. He asked for any junior student who is interested in some hard work this summer in the field of science with all expenses paid to contact Mr. Tindol and he will help make application.

Mr. Mathews awarded the "Homemaker of Tomorrow Award" to Ariene Welch. Ariene is the Homemaker of Tomorrow from Santa Anna and will compete with others over the state for the state title. Each year this award is given by Betty Crocker and it is based on examinations given to each eligible student. Examinations were given in our school De-

ember 4. Congratulations Ariene.

Anyone who is interested in Interscholastic League competition should notify the teacher in charge as soon as possible. It is believed the student will profit much from this extra study.

Mr. Jim Rucker, minister from the Church of Christ, spoke briefly on the subject of "A Formula for a Successful Life." He said the two qualities of a successful life are conviction and courage.

The assembly ended with the Alma Mater.

SPARKIN'

"Howdy, Missus Hanna." With these words, one of the funniest comedies ever presented unfolded.

What happens when a young mountain farm boy goes courtin'? Well, it's like this —

Orry Sparks comes calling on Leslie Hanna. Her mother soon leaves and goes to bed. Granny, having settled down with a confiscated bag of chocolate drops, declares she is "goin'" to stay up high on to nine o'clock. Leslie is busily working on the ironing, Orry is chewing the tobacco. Occasionally, he rises to spit out one door.

The rest? — Well, come and see!

Featured in the cast are: Pete Simmons as Orry; Carole Campbell as Leslie; Lawanda Horner as Susy, Leslie's mother; and Ariene Welch as Granny.

This play is being presented for Interscholastic League competition.

GRADE SCHOOL NEWS

Grade school won both games at the Early Tournament recently by defeating Mullin by scores of 20-11 and 27-19. These were the girls and boys respectively. The girls played at 7:00 Friday and were defeated by a score of 31-22. The boys, who played at 8:30, were defeated by a score of 57-21. After the game Thursday night, the coaches and boys went to see the Globe Trotters. Early defeated Coleman for the first place in the boys' part of the tournament.

BASKETBALL NEWS

The Santa Anna Mountaineers upped their District 9-A basketball record here Tuesday night with a 50-22 victory over Marble Falls. Freddie Cullins was high point boy with 18 points.

The Santa Anna girls won, 41-22. Earla Buse was high point girl with 23 points.

On Friday night, February 8, the S. A. teams journeyed to Bangs. Both teams came out as victors.

The boys came out on top with a score of 49-21. Tommy Stewardson was high point boy with 15 points.

The girls won with a score of 45-38. High point girl was Earla Buse with 28 points. The B team also won and Linda Bible was high point girl.

The Goldthwaite game last Tuesday night was an unhappy occasion for both boys and girls. Both games were lost. As we go to press, we hope for two victories on Tuesday night. The boys still have a chance to win district. We have our fingers crossed.

VALENTINE PARTY

The Student Council sponsored a Valentine party Thursday night, February 14. We had a large attendance and were glad to see everyone joining in and participating in the fun. However, we had the misfortune of a very tired juke box, which decided in the middle of the fun that it wouldn't play another tune. We would like to thank Mr. and Mrs. Chandler for leading the Grand March of the Valentines. Refreshments were also served.

The Student Council is sponsoring another party Friday night, March 15, which will be a combination twirp and western week party. So gals invite the guys and come and join the fun!

Cleveland News

By Mrs. Sid Blanton

The rain is sure nice and I know all the farmers and ranchers are happy. Our rain gauge measured 0.8 of an inch.

Several from this community attended memorial services for Mrs. Joe Clark. Our sympathy goes to the family.

Mr. and Mrs. Kermit Jodell of Copperas Cove and Mr. and Mrs. Charlie Ray Fleming of Killeen spent the weekend with Mr. and Mrs. Charlie Fleming and Margie. They all attended church at Cleveland Sunday morning.

Mrs. Ruth Hibbetts spent last week with her daughter, Mrs. Buddy Bengé, caring for her and the children during the day time. Mrs. Bengé is recovering from surgery. Those visiting in her home were Mrs. Charlie Avants, Mrs. Joe Wallace, Mrs. Cecil Ellis, Mrs. Jewell Clifton and children, Mrs. Shields, Pauline Eubanks, Mildred Galoway, Jaunita Naron, Mrs. James Eubanks, Mrs. Charles

Benge and possibly others.

Mrs. John Howard reported that Mr. and Mrs. W. H. Pittard are still in Baylor Hospital at Dallas, where he is still undergoing tests and probable treatment.

Mrs. Freddie Blount and daughters spent the weekend at Brownsfield with her folks, Mr. and Mrs. Green. Her father is reported to be doing better.

Mr. and Mrs. Sidney Blanton and Tammy visited Mr. and Mrs. Brownie Brooke and Susan last Thursday afternoon in Brownwood.

Miss Judy Clifton spent the weekend in Coleman with her sister and family, Mr. and Mrs. Leon Day and baby. Mrs. Clifton went for Judy Sunday afternoon. Mr. and Mrs. Day and son were leaving for McCamey to visit Mr. and Mrs. Harold Clifton and to Andrews to visit other members of her family.

Mr. and Mrs. Robert Perry visited Mr. Lee and Hardin Phillips late Friday afternoon and Mrs. Perry took them a pie, which Mr. Lee reported he really appreciated. Other visitors with the Phillips' during the week were Mr. and Mrs. Lee Ray Huggins and children and Mr. Billy Williams.

Mrs. Loreta Pautsky and baby son of Lake Brownwood spent Monday with Mrs. Hollis Watson.

Mrs. William Cupps spent Sunday afternoon with Mrs. Jennie Campbell in Santa Anna.

Mr. Richard Wells of Trickham spent Saturday night with his sister and family, Mr. and Mrs. Darrell Cupps. Mr. Wells and Mrs. Cupps and children visited with Mr. and Mrs. Edward Leonard in Coleman Sunday afternoon. Sydney and Ricky had spent Saturday night in the Leonard home and they returned home with their mother, Mrs. Cupps, Sunday afternoon.

Mr. and Mrs. Casey Herring and children visited with their daughter and family, Mr. and Mrs. Jimmy Schulle in Coleman Sunday afternoon.

Mrs. Nora Blanton, Mrs. Nora Moore, Mrs. Richardson, Mrs. Sidney Blanton and Tammy were in Coleman Wednesday afternoon.

Mr. and Mrs. John Perry were

driving around Sunday afternoon through the Concord and Bangs area.

Those visiting with Mr. Elmer Cupps and John Baugh late Sunday evening and night were Mr. and Mrs. Cotton Looney of Trickham, Mr. and Mrs. Casey Herring, Pam and Dale, Mr. Harold Cupps and Mike, Mr. and Mrs. Charlie Fleming and Mr. and Mrs. J. E. Williams.

Mrs. Hollis Watson and Bill visited with Mrs. N. C. Watson in Santa Anna Saturday afternoon.

Mr. Tom Moldin of Killeen was a Sunday guest of Miss Margie Fleming.

Mrs. Sid Blanton visited Mr. and Mrs. Rex Turney in Santa Anna Friday night.

Bill Watson spent Friday night with Kippy Clifton and Tommy Blanton.

Mr. Casey Herring visited his mother, Mrs. Ben Herring Monday. She wasn't feeling too good so he took her to Bangs to the doctor.

Mr. and Mrs. Virgil Cupps' children were out of school last week with strep throat and the scortena. There is lots of sickness in the schools.

Mr. and Mrs. C. T. Moore and Terry and Mr. and Mrs. Edd Hartman and children were visiting with Mrs. Melvin Pollock, Traci and Theron of Santa Anna Sunday afternoon.

Trickham News

By Mrs. J. E. York

Rain recorded here today (Monday) measured one inch and should help the grain quite a bit. Everyone says the mud looks good for a change, and it's wonderful!

Mr. and Mrs. Bernice McIver, Mrs. Wylie McClatchy, Mrs. Russie James and Mr. and Mrs. O. R. Boenicke attended funeral services at Denton Valley S. L. urday for Mr. Morton Whitley. Mr. Whitley passed away Thursday after a long illness. Mr. Marvin Whitley of Trickham was a brother. Our sympathy goes out to the family.

Mr. and Mrs. Charles Roberts and children and Mr. and Mrs. Tom Jacobs of Brookesmith visited Sunday afternoon with Mr. and Mrs. Eugene James and Stanley.

Mrs. Kettle Haynes of Santa Anna spent Sunday with Mr. and Mrs. Grady McIver and Terry.

Tommy Watson, S. D. Fellers, Mr. and Mrs. Bill Vaughn and Mrs. Lela Hays and Jackie Walker of Santa Anna visited Sunday afternoon with Mr. and Mrs. Jack Dockery, John and Tinker.

Mrs. Zona Stacy spent Sunday with Rev. James Ford and family at Santa Anna, and attended church services at the Assembly of God Church in the morning.

Mr. Bill Matthews of Winslow, Arizona visited briefly with Mr. J. E. York and family Thursday.

Mrs. Fred Haynes and Mrs. J. E. York entertained the young people Saturday night at the Community Center with a birthday party. Those having birthdays in February were Stanley James, Virginia Pinson and Wanda James. There were fourteen young people, five little folks and eight adults present. The group enjoyed games, music and refreshments.

Mr. and Mrs. O. R. Boenicke visited Mrs. Beula Kingston at the Bangs rest home, and Mrs. Wylie in the home of Mr. and Mrs. Lonnie Sikes in Bangs Thursday. Sunday afternoon the Boenicke's called on Mr. and Mrs. A. J. Martin.

PFC and Mrs. Charlie Ray Fleming and friends, Spec 4 and Mrs. Kermit Jordet of Fort Hood, spent the weekend visiting in the homes of Mr. and Mrs. Robert Stearns and the Charlie Flemings of the Cleveland Community.

Mr. and Mrs. Wayne Whitley and Sharon of Big Lake spent Saturday night with his parents, Mr. and Mrs. Marvin Whitley.

A group of adults and young people went to the Bangs rest home Sunday night, where they

enjoyed visiting and singing for some of the old people.

Mr. and Mrs. Brownie Brooke and Susan of Brownwood visited Sunday with Mr. and Mrs. R. W. Cupps and Billy. In the afternoon Mrs. Cupps, M. S. Brooke and Susan visited with Mrs. Tavy Foid and Mary.

Mr. Oliver Pinson and Mr. and Mrs. Pinson of Brownwood visited their brother, Mr. E. E. Pinson and family, during the weekend.

Mr. Rankin McIver and Sherrie visited Sunday afternoon in Coleman with Mr. and Mrs. Roy Miller and Mr. and Mrs. Marcus Durham.

Whon News

By MRS. TOM RUTHERFORD

This Monday night the chief topic for discussion is the good slow falling rain we received Sunday night. Around Whon received 1½ inches of moisture, for which we try to be grateful and really did need.

Mrs. L. V. Spurlock and Miss Norma Kelley of Coleman were Sunday guests with Mr. and Mrs. Floyd Morris and boys.

Mrs. Bill Newsum of Winchell spent Sunday with her sister, Mr. and Mrs. Darwin Lovelady and Randel and with her father, Mr. R. A. Baker.

Billie Gaye Rutherford of Rockwood spent Friday night with Jana England.

Mrs. Edna Smith of Brownwood and a daughter from San Saba, also a daughter from California, visited with Mrs. Smith's sister, Mr. and Mrs. Zack Bible Sunday.

Mr. and Mrs. Dennis Kelley of Santa Anna visited in the Floyd Morris home Friday afternoon.

Mrs. Darwin Lovelady and her father, Mr. R. A. Baker, accompanied Mrs. Floyd Morris to Santa Anna Thursday. While there Mr. Baker visited a brother, Mr. and Mrs. S. S. Baker.

Doug, Mike and Sherry Snowden of Brady spent the weekend with their aunt, Mr. and Mrs. Greham Fitzpatrick, Don, Neil and Cheryl. Their parents, Mr. and Mrs. Lov Vaughn Snowden came for the children Sunday, spending the day in the Fitzpatrick home.

Friends of Mr. Jim Gill will be glad to hear Jim was looking over ranch business in our community Thursday. This is the first trip to his ranch here, since suffering a heart attack a few months back.

Mrs. Audry Palvado and Mrs. Elvia McDaniel of Brownwood were Thursday night supper guests with their sister, Mr. and Mrs. Darwin Lovelady and Randel and also with Oscar Lovelady and their father, Mr. R. A. Baker.

Mr. and Mrs. Sherman Heilman of Rockwood visited with Mr. and Mrs. Zack Bible Sunday afternoon.

Mr. and Mrs. Loyd Rutherford of Santa Anna and Sammie Shields were Sunday dinner guests with Mr. and Mrs. Tom Rutherford and Lynda.

Randel Lovelady visited Sunday afternoon with Neil Fitzpatrick.

Mr. and Mrs. Henry Smith visited Sunday afternoon in the Tom Rutherford home.

Mr. and Mrs. Darwin Lovelady and Randel and Mr. R. A. Baker visited Saturday afternoon with Mrs. Audry Palvado in Brown-

wood.

Freddie Cobough spent the weekend with Tommie Durden of near Santa Anna.

Mr. and Mrs. Douglas Avants and children of Brady visited his parents, Mr. and Mrs. Aaron Avants Thursday night.

Texas Schools Allotted 2,910,000 Pounds of Chicken

College Station — "I want a drumstick" is a familiar request these days in Texas school lunch cafeterias.

And well it might be. Plenty of drumsticks, wishbones and all other popular cuts of chicken are being served in schools participating in the National School Lunch Program.

The Texas schools are receiving 97 carloads, about 2,910,000 pounds, of fresh frozen young chicken recently purchased by the U. S. Department of Agriculture.

Figured at ½ pound per plate, that's enough for almost 10½ servings per child, all to be served this school term.

Nearly all of the chickens for Texas schools were bought from processors in the immediate area, as USDA followed its general practice of holding shipping costs to a minimum. Only U. S. inspected, U. S. Grade A, fresh frozen, cut-up young chickens, weighing 2¼ to 2¾ pounds on a ready-to-cook basis, were procured.

The Texas allotment is part of the 60 million pounds bought by the USDA's Agricultural Marketing Service since last July.

Total cost of the purchases was \$19 million, including processing and delivery costs. The chicken will be served to about 15 million school children in all 50 states.

The buying program has been discontinued, and all purchases are now being delivered, so all the chicken will be consumed before the end of the current school year, points out John J. Slaughter, area director of AM-S's food distribution division, Dallas.

USDA purchase programs such as this are intended to help participating schools meet protein requirements of the "Type A" school lunch.

Under the School Lunch Act, USDA contributes cash and foods accounting for about one-fifth of the cost of the lunch program. Children's meal payments make up some 60 percent of the cost. Local and state sources pay the remaining 20 percent.

Administration of the program in Texas, including allocation of the chicken and other USDA-donated foods to participating schools, is handled by William Herndon, of the State Department of Public Welfare, Austin.

Our WASHINGTON Letter

By Congressman O. C. FISHER

THE ANNOUNCEMENT that \$1.5 million is to be spent by the United Nations to promote agriculture in Castro's Cuba is both shocking and unbelievable. I have urged the Secretary of State to take appropriate steps to stop this unwarranted perversion of our taxpayers' money. The spending was directed by UNESCO, a U. N. Committee, of which Paul Hoffman, our UNESCO representative, is chairman. The U. S. A. contributes 40% of the money that is spent by that group. If this goes through, the Congress should expressly prohibit any American money being contributed to UNESCO in the future. Indeed, this incident, along with some other strange developments that have taken place in the U. N., raises again the question of justification for our membership in that organization. Certainly, some drastic changes are overdue.

SHADES OF THE OLD NEW DEAL, reminiscent of depression day, turned up last week when the President asked Congress to revive the old Civilian Conservation Corps — a product of the depression. The cost, which would probably be fairly modest at first, can be expected to run into the hundreds of millions in the years ahead. But right now it appears likely this new welfare measure will sail through Congress.

The President is also plugging for another similar and overlapping project — a domestic Peace Corps. And still another over-lapping agency he has come up with would channel more people onto the federal payroll, to work in so-called community service establishments — such as hospitals, playgrounds, welfare agencies, and migrant farm labor camps. It is proposed to limit enrollees to 50,000 the first year.

THESE ARE BUT A FEW of a number of pending proposals to expand governmental activities, and further involve the federal government in welfare projects which have always been treated as local responsibilities.

This reminds us that the deficit for this fiscal year is estimated to be \$8.8 billion, and next year at \$11.9 billion — plus any loss in revenue by reduction in taxes that may be voted this year.

Local Guardsman Taking 6 Months Training at Fort Polk

Austin (Spl) — Holly R. Abernathy, Santa Anna, is participating in the Texas National Guard's popular "Take Six" program, Major General Everett S. Simpson, commanding general of the 36th (Texas) Infantry Division of Amarillo, announced here recently.

Private Abernathy is now taking eight weeks of intensive basic training at Fort Polk, La. After six months of active duty training, where he will be schooled in physical fitness, military courtesy, first aid and qualify with the M-1 rifle, he will drill with his Santa Anna Guard unit, Mortar Platoon, Combat Support Company, 2d Battle Group, 142d Infantry.

The "Take Six" program consists of two phases of sixes, General Simpson indicated. Under the program, a young man may volunteer for six months active duty with the US Army and then spend the remainder of his six-year military obligation as a member of the Texas National Guard.

Pvt. Abernathy reported at the Fort Polk, La., installation Feb. 11.

Failure To Return Questionnaire May Stop Benefits

Approximately 500 veterans or dependents of deceased veterans who are in receipt of non-service connected live and death benefits will not receive their February 1963 checks due to failure to return their income questionnaires which were received with the November checks distributed December 1, 1962, Glyndon Hague announced today.

If these questionnaires have been misplaced, VA should be informed, so new ones may be sent. If any questions have arisen concerning fillings out of these questionnaires, assistance can be secured in the Contact Division of the Veterans Administration, first floor, at 121 South 6th Street, Waco, Texas.

Mrs. J. Paul Board Commits Suicide At Waco Home

Funeral services for Mrs. John Paul Board Sr., a former resident of Santa Anna, were held at 4:00 p. m. Thursday in Waco and at 3:00 p. m. Friday in Dallas. Burial was in the Laurel Land Cemetery in Dallas.

Mrs. Blanche M. Board, 53, died of a self-inflicted gunshot wound at her home in Waco at 12:20 p. m. Wednesday. She was found by her maid, who called her husband, Dr. John Paul Board Sr., of the Veterans Administration regional office. Dr. Board told police Mrs. Board was still alive when he reached his home, but that she died soon after he arrived. The shooting apparently occurred shortly after noon.

A note was found. Mrs. Board had been in poor health since 1954.

Investigating officers said the woman was lying on a bed in the southwest bedroom when they arrived. The gun, a .22 caliber revolver, was in her hand, lying across her chest. She had a wound in the right side of her ear. The Justice of the Peace ruled death by a self-inflicted gunshot wound.

Dr. Board practiced medicine in Santa Anna for several years just prior to World War II. They have been living in Waco since leaving Santa Anna.

Term Insurance Should Be Converted To Permanent Ins.

World War II veterans holding term GI life insurance might do well to ponder the experience of thousands of World War I veterans who didn't convert their term policies to permanent GI insurance.

That's the advice of Glyndon Hague, Manager of the Veterans Administration office in Waco. Term GI insurance, he explained, must be renewed every five years at an increasingly higher premium rate.

Having carried their term GI policies through as many as eight renewals, these thousands of World War I veterans now face an almost insoluble problem, Mr. Hague said.

In their late 60's with their earnings generally declining, they are finding the renewal cost of their term policies so high that many of them are being forced to drop their GI insurance, Mr. Hague pointed out.

He said World War II veterans can avoid the dilemma of their older comrades by converting to permanent GI insurance. The initial cost of permanent insurance is higher than terms, but the premium rates do not increase, he said.

In addition, Mr. Hague explained, permanent GI insur-

ance has a cash surrender value, extended insurance, paid up insurance, and loan value. Term insurance has none of these.

Supplying Account Numbers To Payees

Do you own securities or have a savings account?

If so, you are going to be requested by the organizations paying you dividends or interest to furnish them your federal tax account number, Ellis Campbell, Director of Internal Revenue for Dallas, said today.

For an individual, this is his social security number, or a similar number assigned for tax purposes.

Some corporations and savings institutions already have asked their shareholders or depositors for their numbers, Mr. Campbell said. Others will make such requests in the next few months in order to comply with a new law requiring use of the account numbers of income recipients on information reports to Internal Revenue.

Mr. Campbell emphasizes that the law requires the payee to supply his number to the payer when asked for it.

Requests for account numbers should be honored promptly, Mr. Campbell said, in order to facilitate bookkeeping changes by the paying organizations.

Any shareholder of depositor who does not have a social security number should follow the instructions for obtaining an account number included with the request form, Director Campbell said.

The account number also must be shown on income tax returns filed for 1962 and subsequent years.

Eastern Star Plans School of Instruction Here March 12th

Mrs. Rosa Bass led the discussion on making plans for the Eastern Star School of Instruction, at the regular meeting of the Santa Anna Chapter Monday night. Plans are being made for the school to be held here Tuesday, March 12.

Tickets for the noon luncheon are on sale by Mrs. Billie Guthrie for \$1.25 each. Mrs. Bass is handling the ticket sales for the evening banquet, at \$1.50 each. All who plan to purchase the tickets are requested to please do so by Saturday, March 9th.

The meeting was opened in regular form by the Worthy Matron, Mrs. Billie Guthrie. Thirteen officers filled their stations. Montie Guthrie, Worthy Patron, led the chapter in repeating the Pledge of Allegiance. Minutes of the past two meetings were read and approved.

Dick Bass reported on a Washington's Birthday program held in Brady. The program was presented by the girls from the Masonic Home. Attending from Santa Anna were Mr. and Mrs. Bass, Mrs. Edith Golston and Mr. Cleburne Riley.

Mrs. Willie Bostick reported on a visit to the Clyde Chapter attended by Mrs. Bostick and Mr. and Mrs. Dick Bass.

After the chapter closed, Mrs. Guthrie gave the group some interesting thoughts concerning George Washington on Patriotism.

After the retiring march, the group assembled in the Fellowship Hall. Mrs. Lora Rollins and Mr. and Mrs. Jack Bostick served refreshments of heart shaped sandwiches, decorated cookies, potato chips, pickles and coffee. Their plate favors were marshmallows with red hearts. Their table was laid with white cotton cloth and they used an arrangement of pink roses.

Twenty members and one visitor were present.

TEL Sunday School Class Meeting

Members of the TEL Sunday School Class of the First Baptist Church met in the home of Mrs. Carrie Thomas Tuesday for their regular monthly all-day meeting. Seventeen of the members were present.

After enjoying the noon luncheon, the business session and program was held. The meeting opened with the group singing the class song, "Bless Be The Tie That Binds". Mrs. Kettle Haynes offered prayer.

The devotional was given by Mrs. Clara Gregg on "Anna The Prophetess". Mrs. T. N. Evans, president, presided. Mrs. Walter Ferguson, secretary and treasurer, gave her report.

After the business meeting, the ladies enjoyed a social period.

Present for the occasion were: Mmes. T. H. Upton, Maud Smith, Byrd Arnold, Dovie Chapman, John Brown, Carrie Thomas, Kettle Haynes, A. N. Loveless, Virgil Newman, Neely Evans, Carl Ashmore, Walter Ferguson, J. J. Horner, Hallie Williams, Clara Gregg, Emzy Brown and Miss Wanda Duggins.

ROCKWOOD QUILTING CLUB HAS REGULAR MEETING

The Rockwood Quilting Club met last Thursday at the Community Center to complete the two quilts put up at previous meetings. A completed quilt was a lovely patterned design on ice cream pink material belonging to Mrs. Graham Fitzpatrick of Whon.

Another completed was one for Mrs. John Whetstone of Santa Anna, who had a sunburst type quilt set together with orange-gold sateen.

Members quilting on these quilts at some time were: Mmes. Henry Smith, J. P. Hodges, Marcus Johnson, Evan Wise, Hilton Wise, Bill Bryan, Tom Bryan, Roy Blackwell, Jack Cooper, Bill Steward, A. L. King, Sherman Heilman, Ray Caldwell, Earl Cozart, Dick Deal, Sam Estes and Miss Bernice Johnson.

A greeting card was signed to be mailed to Mrs. J. E. Porter.

Read Romans 5:1-5

May our Lord Jesus Christ himself and God our Father, who has shown us such love, and in his grace has given us such unflinching encouragement and such bright hopes, still encourage and fortify you in every good deed and word! (I Thessalonians 2:16-17. NEB.)

A gentlemen was sitting one summer evening to watch for the brightest star in the southern sky. He was puzzled because, though the sky grew dark and other stars came out, he could not see that one.

Suddenly a puff of air blew aside the branch of a tree which overhung his window. Then he saw the star. It had been there all the time, but it had been hidden by a leaf.

Because God loves us, we can trust Him when life appears to have more shadow than sunshine. We know that nothing can come into life to separate us from the love of God.

There are times when the difficulties, problems and distresses of life seem to shut out the love of God from our view. Yet, whether we can see the love of God in our daily lives or not, it is there just the same.

PRAYER:

Our Father, we thank Thee for Thy great love to us and for all it is doing for us today. Sustain us in our faith that Thy love never fails, and so grant us peace; through Christ our Lord. Amen.

THOUGHT FOR THE DAY

I know God's love is with me, for it is in my heart.

HEALTH AND SAFETY TIPS FROM THE AMERICAN MEDICAL ASSN.

Eye Safety

More than half a million Americans suffer eye accidents every year.

Most of these accidents, which sometimes result in blindness or impaired sight, are needless and preventable.

Eye accidents are a particular threat to youngsters. Careful, emphatic training in the dangers of pointed sticks, BB-guns, bows and arrows and fireworks are a must in every family. Parents can help by using common sense in selecting toys that are safe for the age of the child.

With the more widespread utilization of regular physical examinations, more small children are being found early with defective vision than ever before. Thus, more small children are now wearing glasses. In childhood play glasses are easily broken. If a youngster in your family wears glasses, inquire about the protective safety lenses that now are available.

Visual care of children should begin in the pre-school years, when many eye defects still can be corrected. If the eye defect is something that cannot be corrected except by glasses, it is important to have the child fitted with glasses early to avoid possible problems in school and at play.

Equally important for parents of children who wear glasses is to remember that the child's vision changes and that regular eye examinations are important to make certain that the glasses provide the proper correction.

Some of the warning signs of eye trouble in children are excessive blinking, frequent rubbing of eyes, squinting, excessive frowning, stumbling over small objects, undue sensitivity to light, red or swollen lids, sties and inflamed or watery eyes.

If your child shows any of these symptoms, see your physician. They may not be serious. They may be symptoms of a potentially dangerous condition that could be corrected if care is begun early.

Texans Urged To Use Safety First In Your Homes

The Texas Safety Association today urged Texans to put safety "first" in the home to stop an apparent increase in fatalities and injuries from accidents.

"Preliminary accident reports for the past month show that home accidents are taking a high toll and that the public will have to become more safety conscious to stop this needless loss of lives," J. O. Musick, General Manager of TSA, said.

Reports indicate that approximately 200 persons died and another estimated 1,800 were injured in home accidents in January. Fires, falls and poisonings from gases and vapors accounted for the majority of the fatalities.

Musick pointed out that the first three months of the year are the most dangerous time around the home. Last year, the fatality toll for this period was 444 persons.

"But, this year, with the January fatality toll at approximately 200 persons, accidental deaths during the first three months of 1963 could be considerably higher," he explained.

Musick noted that fires continue to cause most of the home fatalities during the first month of each year and that of the recently reported fire fatalities and injuries many were caused by improper maintenance and use of heating equipment and unsafe practices.

Slippery steps and walks, plus bathtub accidents, caused many of the injuries from falls; and poor ventilation of homes was the contributing factor involved in poisonings from gases and vapors.

Musick said the apparent rise in home accidents has been partially attributed to unusually bad weather conditions, but pointed out safety experts figure nine out of 10 accidents of this nature can be prevented by observing home safety rules.

Musick said all combustibles should be stored away from furnaces, heaters and cook stoves to prevent fire.

Portable heaters, often used during extremely cold weather, should be placed well away from curtains, towel racks and bed clothing. Wet clothing should not be placed near or over a stove to dry.

Bids Being Asked On 4 Dam Sites

Invitations for Bids to build Sites 9, 10, 14, and 15 Northwest Laterals are being circularized by the Soil Conservation Service, according to Thomas G. Rockenbaugh, Work Unit Conservationist at Coleman. The four floodwater retarding structures are being advertised under one contract and will constitute the following approximate amounts of contract items: Earthfill material in embankments - 228,400 cubic yards; steel reinforcing bar material-6,473 pounds in 167 cubic yards of concrete and 758 feet of 24" spun concrete pipe for principal spillways; topsoil placed on emergency spillways and dams for growing grass - 9,700 square yards; and net wire fence for protecting vegetative cover on dams and spillways - 15,255 feet.

Easements and land rights for construction of the flood prevention structures are furnished by the Central Colorado Soil Conservation District, and operation and maintenance will be

should be checked for frayed cords and other hazards, and wiring should not be overloaded by using too many appliances at the same time.

He advised senior citizens to use caution in walking and stepping and said handrails should be checked for security. Rubber mats in bath tubs and grip bars can prevent serious falls which often kill or permanently injure an older person.

In concluding, the safety director advised homeowners to check heaters for escaping gas and to make sure a window is open in the bedroom when sleeping - "whether you get your '40 winks' day or night."

Stop Door Scratching
If your hunting dog has the run of your house there probably are many ugly marks on the door where he scratches to get in.

These can be eliminated if you will tack a heavy sheet of sandpaper over the spot.

Not only will it protect the door, it also will file down the pooch's claws at the same time.

Cold Weather Shaving
A hunter camping on a lease in very cold weather would do well to shave, or at least keep his whiskers trimmed close.

If he doesn't, vapor is apt to form frost on the bristles and freeze his face (even in Texas). Shave at night to avoid face chapping.

Austin — According to a description given the House Appropriations Committee relative to the governor's mansion, it's in bad shape. Howard Rose, executive assistant to Gov. John Connally, says:

"On the north side, the mansion is settling so much, there is a gap of several inches between the floor and the bottom of the front door." He added, "There are cracks in the wall and ceiling; a good deal of furniture needs re-stuffing; and the stove won't work right four days in a row."

"Also," says Rose, "we have only one coffee table in the house. If you don't want to hold your coffee cup, you either put it on the floor or balance it on your knee. In the Green Room, there are no pictures. And we don't have eight complete sets of silver."

This prompted Appropriations Committee Chairman Bill Healy of Paducah to comment "I know we've spent between \$100,000 and \$125,000 on the mansion

in the last six years."

Governor Connally has not requested any money for major repairs. He is asking for \$32,872 for each of the next two years to operate the mansion, including \$5,000 for utilities; \$1,500 for telephone expenses; and \$2,200 for "other supplies."

DELEGATIONS ORGANIZE

Texas' two largest delegations in the 58th Legislature have organized for the purpose of working closely together "for better representation" of their regions.

An 80-member East Texas delegation elected Rep. John Allen of Longview as chairman.

About 30 West Texas legislators chose Rep. Richard C. Slack of Pecos as their leader.

COURT SHUFFLE PROPOSED

Rep. Henry Stollenwerck, young attorney from Dallas, appears to be the most active of the seven Republican members of the House.

He is an aggressive participant in the five committees he's assigned to, and has co-sponsored several bills by Democrats. Stollenwerck feels he's been able to take an active part without defecting from the republican political philosophy to which he adheres.

After Governor Connally chided republican legislators for "obstructionism," Stollenwerck said, "The boys joke with me about what the governor said, and I just joke back and say I would be awfully disappointed if I thought he was talking about me."

He is author of a bill to move 12 district courts from places where filings and caseloads are meager, to more-populated locations with heavy caseloads.

District courts in this state have not been reapportioned since 1907. Several bills have been introduced by big-city legislators who claim their towns need additional courts.

Stollenwerck said some East and Central Texas courts he proposes to move had only 150 filings in 1961, compared to 1,500 filings in many other district courts.

GAME AND FISH MERGER HOT TOPIC

Rep. James Cotten's bill to merge the Game and Fish Commission with the States Parks Board — originally proposed by Governor Connally and the Legislative Budget Board — hasn't come out of committee yet. It's a most controversial subject.

Legislators are beginning to feel pressure from all directions. The South Texas Chamber of Commerce sent them copies of a resolution opposing the merger. Then the Sportsmen's Clubs of Texas issued a statement in favor of the plan.

If the Weatherford representative's bill passes, some of the six members of the Parks Board and nine members of the Game and Fish Commission will lose their posts, since the composite commission would be limited to three members. So some legislators are torn between loyalty to local appointees and a desire to "streamline" state government.

BUDGET TRIMMED

Meanwhile, the current Game and Fish Commission ran into trouble with the Legislative

Budget Board. Commission's executive secretary, Howard Dodgen, requested that during 1963 it be allowed to spend the \$9,199,000 it will have available. But the budget board recommended a biennial appropriation of \$3,662,000 less than the agency requested.

POISON'S DANGERS CITED

Dr. Irwin L. Sawyer Jr. of San Antonio, director of the State Veterinary Medicine Association, appeared before the House Committee on Criminal Jurisprudence in favor of a bill by Rep. Howard Green, Fort Worth, to banish thallium pesticides from the market.

Dr. Sawyer described thallium as a heavy metal, which is colorless, odorless and tasteless in sulfate form.

"When mixed, thallium merely waits for a rat, a man, a child or a pet," he stated.

One reason it's so dangerous is that reaction to its poison may be delayed as long as 48 hours. Then it's too late for an antidote. "It's even hard to detect in post-mortem examination," said Sawyer.

FARMER LIABILITY LAW

Rep. W. T. Dungan of McKinney ran into some sharp questioning when he brought his bill before the House Judiciary Committee. Proposed bill would exempt farmers and ranchers from liability damage suits filed by injured sportsmen.

"The hunter pays the farmer to go on his land," Rep. W. H. Miller of Houston remarked. "That puts the farmer in business. Why not exempt the theater owner from damage suits filed by patrons who slip on popcorn sacks?"

After several other similar remarks, Dungan allowed that the wording of the bill might be improved. But he insisted that such a law would encourage more farmers and ranchers to open their lands to sportsmen.

DEFICIT DOWN

Deficit in the State General Revenue Fund was reduced in some two weeks from more than \$60,000,000 to \$35,401,125, according to a report by State Treasurer Jesse James.

Sharp drop was due to quarterly payments on the state's two per cent sales tax.

CRIME SPIRALS UPWARD

Texas' increase in major crimes during 1962 outstripped the population increase, according to Col. Homer Garrison Jr., director of the Department of Public Safety.

Colonel Garrison said an offense was committed on the average of one every two and one-half minutes last year. Crime jumped 6.6 percent over the 1961 total.

Largest increase by population groups was 14.7 percent in cities between 50,000 and 100,000. Largest decrease was 15.5 percent in counties with less than five people per square rural mile.

APPOINTMENTS

Will Bond of Hillsboro was re-appointed by Governor Connally to a six-year term on the board of the State Department of Public Welfare. Bond's term was thus extended to January 20, 1969.

Hunter McLean of Fort Worth, newly-appointed member of the State Board of Insurance, was sworn in by Associate Justice Frank P. Culver Jr. of the State Supreme Court in Senate chamber ceremonies. McLean succeeds Dr. Joseph F. Trospier of Dallas whose term ended on January 31.

PENSIONS PROPOSED

A bill to provide retirement pensions ranging from \$100 to \$300 a month for elected state officials has been introduced in the House.

Reps. George T. Hinson of Mineola and Joe Chapman of Sulphur Springs are the authors.

Hinson said their bill would pension the governor, lieutenant governor, state treasurer, state comptroller, land commissioner, agriculture commissioner, at-

torney general and members of the Railroad Commission.

REVENUE NOT ENOUGH

Senate finance committee is finding that the state does not have enough revenue in sight to "meet reasonable requests" of state institutions and agencies.

Sen. George Moffet of Chillicothe, chairman of the subcommittee hearing budget requests, told the Senate, "We can't add a lot more items without having a new tax bill."

WRATH OF LADIES

Sen. Martin Dies of Lufkin says he is misunderstood by the ladies.

He voted against the "equal legal rights" amendment passed by the Senate.

"I knew I was going to catch it from the women," Dies said. "I wish they could see that I'm not against women's rights."

Dies' quarrel is with the constitutional revision route taken by a Senate majority. He believes statutes operating against women in the management and control of property and other matters should be repealed selectively, without disturbing laws that give women needed protection.

TOURISM PUSHED

Texas business leaders are urging the Legislature to invest State money in tourism in order to get back millions in new revenue.

They estimate a return of \$7,500,000 in direct taxes for an initial outlay of \$250,000. That is the sum proposed for a new Texas Tourist Development Agency.

GOVERNOR HOSPITALIZED

Governor Connally entered St. David's Hospital Sunday for a hernia operation. He will be away from his office for at least three weeks. However, he plans to conduct official business by telephone from the Governor's Mansion within three or four days after the operation.

PLAUDITS FOR SPEAKER

House Speaker Byron Tunnell has drawn plaudits from Junior Chamber of Commerce officials. In a brief ceremony in the Capitol, he was awarded life membership in the state, national and local organizations.

Tunnell was active for 10 years in the Jaycees. He commended public service to all young people.

CARE FOR NEEDY

Rep. Will L. Smith of Beaumont has introduced a bill to provide medical care for the needy, totally and permanently disabled persons not covered by the current program. Smith says nearly 8,000 persons now benefit from the state needy disabled program.

A state bond issue of \$200,000,000 has been recommended by the Senate Constitutional Amendments Committee.

Purpose is to create a self-financing industrial development loan fund.

Sen. Martin Dies Jr. of Lufkin, sponsor of the amendment, says it is "a must to enable the state to induce new industries to come to Texas and existing ones to expand."

FOR PRESERVATION

Reps. Stanley Boysen of Yoakum and John E. Blaine of El Paso have introduced a series of bills authorizing the state, cities and counties to select and protect historic, archaeological and paleontological sites. One bill would permit local

taxes to be spent for the purpose.

Two other prescribe fines for destroying or defacing places marked for preservation.

On the state level, the Historical Survey Committee would advise the State Building Commission which structures and sites should be preserved.

ANNEXATION BILLS UNOPPOSED

Two "compromise" bills aimed at curbing abuses of annexation powers by cities drew no opposition at a House public hearing.

Both measures would establish "buffer" zones adjacent to cities. Size of the zone would be determined by the city's population.

Cities could exercise certain regulatory powers over such areas, but could not levy taxes on the property owners prior to annexation.

and are due by April 30, July 31, October 31, and January 31 every year.

Most household employers will make their reports on Form 942. This is a special simplified form printed on the inside of a return envelope. If you are a household employer who is already on the mailing list of the District Director of Internal Revenue, one of these forms will be mailed to you before the end of December. If social security taxes are due from a household employer who is not now on the mailing list, the employer should ask the District Director for the form and give him her name and address to be added to the mailing list before the next quarterly return is due.

The amount of the social security tax is 6 1/4% (7 1/4% beginning with 1963) of the total cash wages paid to a household worker in a calendar quarter. The employee is expected to share this tax with the employer. However, it is the obligation of the employer to report and send the total tax of 6 1/4% to the District Director of Internal Revenue. The \$50 cash wage test applies separately to each household worker in your employ, and no report or social security tax is due on any household worker to whom you pay less than \$50 cash during the calendar quarter.

It's Time For... EYE CARE

Dr. Newton K. Wesley HEALTH OF THE EYES

The health of the eyes is very important. The doctor can know your general health by looking into your eyes. In many instances, he can tell if there is active pathology present.

Statistics show that many of us neglect our vision—that we should have our eyes examined more often than we do. A great deal of the loss of vision and efficiency could be prevented if people had their eyes examined every six months. The preservation of sight is a worthy cause.

Wesley

Most people seem to think that because their eyes do not ache, nothing is wrong. Yet it is true that some eye diseases do not give any warning at all. Glaucoma, for example, could be present without pain in the early stages.

If you have your eyes examined and the doctor tells you that nothing is wrong—that your eyes are perfectly healthy—this should give you a wonderful feeling.

The doctor is happy to tell you such good news. If you were the doctor, and you had to tell a patient he was losing his sight, you would fervently wish the patient had come in much sooner for a check-up.

Let's prevent blindness through better eye care. It's time for your eye examination!
