Second New Rest Home Scheduled For Santa Anna, Construction Starts Soon

Mr. and Mrs. W. K. Bradley, of Santa Anna, announced Monday, October 5, the construction of a modern 64 bed nursing home in Santa Anna.

The new nursing home will be located on the old Simpson Estate, on land purchased by the Bradleys from Mr. and Mrs. R. A. Lucksinger in 1961. The location is between South Jefferson and South Houston streets, about two blocks south of the elementary school.

Work on the new nursing home is scheduled to begin within two weeks, with the Burk Construction Company, of San Angelo, as general contractors. The builders have announced that local labor will be used in construction of the home as much as possible.

The new building will have a 235-foot front, and will be built in the shape of a "T". Completion of the all-brick, fireproof structure is planned about February 1, 1965. The new rest home building will cost approximately \$97,000 not including furnishings.

Local Entries Win At AKC Dog Shows Over The Weekend

Four entries from Santa Anna's Rio Poco Kennels took most of the beagle honors at all-breed American Kennel Club licensed (championship) dog shows in Lubbock, Saturday, October 3, and Odessa, Sunday, October 4.

The four local entries, three seven-month-old pups and one eleven-month-old puppy, owned by Bob Parker, won 15 ribbons, one trophy and five championship points among them at the two shows.

In the Lubbock show, Rio Poco Morenito, a seven-month-old puppy known by the call name of "Brownie" took the name of "Brownie" took the Winners Dog ribbon after finishing first in the Puppy Dog class. Winners Dog signified that the dog has been picked as the best among the five male class winners. This win gave Brownie two of the fifteen points required for the title of champion.

Other local dogs taking awards in the Lubbock show included Rio Poco Pancha, first in Bred by Exhibitor Dog class; Rio Poco Tigre, first in Novice Dog class and Reserve Winners Dog (runnerup) in Winners class; and Rio Poco Panchita, first in Puppy Bitch class and Reserve Winners Bitch. There were 448 dogs entered in the Lubbock show.

In Odessa, another Santa Anna beagle, Rio Poco Tigre, was chosen by the judge as the outstanding male beagle entered, winning in the Winners Dog ribbon and trophy and three championship points.

Other wins by the local hounds included Rio Poco Morenito, second in Puppy Dog class; Rio Poco Pancho, first in Bred by Exhibitor Dog class; and Rio Poco Panchita, first in Puppy Bitch class and Reserve Winners Bitch.

The four Santa Anna show dogs are scheduled to be shown next during the weekend of October 17 and 18 in Austin and San Antonio.

Veteran Members Honored By Church

Members and friends of the First Christian Church enjoyed lunch at the church annex following the Sunday morning worship, October 4.

The lunch was in honor of four members of the church who were eighty years or older: Mrs. Eddie Featherston, 93; Mrs. J. R. Gipson, 88; Mrs. E. H. Wylie, 84; and Mrs. G. P. Richardson, 80.

Mrs. Richardson was recognized as the only surviving charter member of the church. Special floral arrangements for the church and dinner table were presented by Mrs. Lucille Wylie and Mrs. Vernon Herring.

EARLIER EVENING SERVICES

The Southside Church of Christ, of Santa Anna, will hold evening services, beginning at 5:00 p.m. during the fall and winter, according to an announcement by the Church. All members are asked to please notice the change in time.

NEW WEEKLY FEATURE

Beginning with next week's issue, The Santa Anna News will initiate a weekly feature called "Know Your Teachers." This feature will spotlight one of the members of the faculty and administration of the Santa Anna Independent School District each week. Watch for this feature each week in The Santa Anna News.

Vote Scheduled To Okay City Sale Of Park Acreage

The citizens of Santa Anna will go to the polls on Tuesday, October 13, to vote on the question of selling part of old Ranger Park as site for a new nursing home.

The election is necessary to empower the city government to sell the property.

Involved in the proposed sale

is 2.4 acres of the old park, for which the city will receive \$250, or slightly more than \$100 per acre.

Since the proposed new nursing home, to be built by the Santa Anna Hospital is the first step in a large medical center planned for the location, is a private enterprise, there will be no public money spent for the construction or operation of the nursing home. There will be no direct or indirect increases in taxes or other city charges as a result of the construction of the rest home, Mayor Barnes emphasized.

The new rest home, planned to be of 40-bed capacity, will cost an estimated \$115,000 to build.

Votes in the special election will be cast in the fire station portion of city hall. Polls will open at 8:00 a.m. and will remain open until 7:00 p.m. All property owners who reside within the city limits of Santa Anna are eligible to vote. No poll

Inspection Time Is Here, Stickers Due

Col. Homer Garrison Jr., director of the Texas Department of Public Safety, announced today that the time has arrived for Texas motorists to have their vehicles inspected again.

Garrison said September 1 marked the beginning of the 1965 vehicle inspection period as prescribed by the Public Safety Commission. As in previous years, the period will end on April 15, 1965.

"This means that between now and April 15, 1965, more than 5,200,000 Texas registered vehicles will have to be inspected at the 5,200 official inspection stations in Texas," he said.

Garrison urged motorists to have their vehicles inspected in the routine visits to garages for ordinary maintenance and repairs and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker. He further pointed out that with the ever increasing number of vehicles registered in Texas, it is becoming even more difficult for the motorist to get an inspection sticker without some delay.

"With the hard summer driving coming to an end, fall is an excellent time to have vehicles safety checked for the winter months ahead," Garrison said.

In announcing the new inspection period, the Public Safety Director pointed out that vehicle inspection in Texas has apparently been a valuable tool in reducing traffic accidents due to vehicle defects. When compulsory vehicle inspection began in 1951, 19 percent of all vehicles involved in fatal accidents had a defect that contributed to the accident, while in 1963, that percentage had been reduced to four percent. In non-fatal accidents, vehicle defects as a contributing factor were reduced from 20 percent in 1951 to five percent in 1963.

Mrs. J. C. Baker of Las Cruces, New Mexico came Wednesday and visited until this Thursday when she returned to her home.

tax is required — the voter need only be a property-tax-paying resident of the city.

In stating the city's view, Mayor Barnes pointed out that the proposed sale of the 2.4 acres would benefit the city in three ways: In direct income from the sale; in solution of the expensive problem of properly policing Ranger Park; and in the increase in the economy created by the construction and operation of the new rest home.

Dog Vaccinations Available Friday; City Tags Needed

Santa Anna dog owners will have another opportunity to have their pets vaccinated for rabies here Friday, October 9, from 1:00 p.m. until 3:00 p.m.

Dr. J. Ray Martin, Coleman veterinarian, will give the shots at the city warehouse. Price will be \$2.75 per shot.

Mayor Ford Barnes announced that since the city now has a dog pound, all dogs not having the rabies vaccination tag and the city registration tag will be picked up. City tags may be obtained at city hall.

Mrs. J. R. Gipson Breaks Hip Tuesday

Mrs. J. R. Gipson, Santa Anna florist, broke her hip in a fall in the Gipson greenhouse, Tuesday, October 6.

Mrs. Gipson, 88, was taken to Medical Arts Hospital, in Brownwood, from Santa Anna Hospital, for corrective surgery.

Famed Cartoonist To Draw For Newspaper

The Santa Anna News has acquired the services of political cartoonist Herc Ficklen, nationally-known cartoonist for The Dallas Morning News, through a special syndication arrangement.

Ficklen, who with Bill McClanahan forms one of the top newspaper cartoon teams in the United States, has received many awards for his drawings in the Dallas daily newspaper.

In addition, Ficklen has had a series of humorous cartoon syndicated in leading dailies throughout the country for several years.

Ficklen's wry and thought-provoking comments on current events in Texas and the world will appear regularly on the editorial page of The Santa Anna News, another step in the continuing efforts to give the people of Santa Anna the best weekly newspaper possible.

Coleman Monument Names New Partner

Dan Fogarty, former pastor of the Coleman Church of Christ, has returned to Coleman and purchased an interest in the Coleman Monument Works. Fogarty joined the firm last week and will handle sales management for the company. He plans to move his family to Coleman in the near future. Fogarty is well known in this area, having held many revivals here in the past.

SECOND SUNDAY SINGING

The regular Second Sunday Singing will be held Sunday, October 11, at the Assembly of God Church in Santa Anna. The singing will begin at 2:00 p.m. and last until 4:00 p.m. Everyone is invited.

RESOLUTION
 BE IT REMEMBERED, that on the 29th day of September, A. D. 1964, at a special meeting of the City Commission of the City of Santa Anna, a municipal corporation, of Coleman County, Texas, held for the purpose of general business at its office in the City Hall in the City of Santa Anna, Coleman County, Texas, all members being duly notified and all members being present and all members voting, the following resolution was introduced, seconded and unanimously carried to-wit:

"WHEREAS, the City of Santa Anna, a municipal Corporation, is owner, or a part owner, of that certain 20.9 acres of land out of the H. T. & B. RR. Co. Survey No. 58, Abstract No. 1615 in Coleman County, Texas, and said tract of land known as Ranger Park and being fully described in deed of record in Vol. 405, page 200 of the Deed Records of Coleman County, Texas, to which reference is here made for all purposes.

WHEREAS, the City Commission of the City of Santa Anna feels that it is in the best inter-

est of the City of Santa Anna to sell and convey this property.

NOW THEREFORE, BE IT RESOLVED that the Mayor, W. F. Barnes, be and he is hereby authorized on behalf of said municipal corporation to call an election of the qualified voters of the City of Santa Anna for the purpose of granting authority to said City Commission to sell such property as required by Articles 1017, 1019 and 1020 of Vernon's Civil Statutes of the State of Texas, and that said Mayor is hereby authorized and shall do any and all things necessary in the preparation and carrying out of said election

as is required by said laws, and said City Commission hereby ratifies and confirms any and all acts and things done pursuant thereto."

THE STATE OF TEXAS COUNTY OF COLEMAN
 I, Pauline Garrett, Secretary of the City of Santa Anna, a municipal corporation of the County of Coleman, State of Texas, do hereby certify that the above and foregoing resolution is a true and correct copy of the original resolution passed by the City Commission of the City of Santa Anna, Texas, at said stated meeting, all mem-

bers being present, all members voting, and same appears in the minutes of the City Commission's meeting of the City of Santa Anna, and that same has not been amended or rescinded.

Witness My Hand and Seal of Office at Santa Anna, Texas, this 28th day of September, A.D., 1964.

Let's Set The Record Straight

Many rumors have been circulated concerning the upcoming special city election Tuesday, October 13. Here are the facts:
NO BOND ISSUE: All costs of the new rest home will be paid by the Santa Anna Medical Center. There will be no cost to the city at all.
NO SEWER EXTENSION TO THE PARK: Large septic tanks will be constructed by the Santa Anna Medical Center. No city funds will be spent for sewer extension.
TAXES WILL NOT BE RAISED: Since the city will be put to no expense by the new rest home project, there will be no need to raise taxes.
WATER RATES WILL NOT BE RAISED: Again, no expense to the city means no additional costs passed on to citizens.
THE CITY WILL RECEIVE TAXES ON REAL ESTATE: Increases in tax valuation of related property will bring more funds into the city treasury without increasing taxes of individuals.
ONLY PART OF THE OLD PARK BEING SOLD: Only 2.4 acres of the old Ranger Park will be sold with the city retaining title to the remainder.
THE LAND IS NOT BEING GIVEN AWAY: The 2.4 acres being sold, for \$250, more than \$100 per acre, a very good price for this land.

Which Way For Santa Anna?

Next Tuesday the citizens of Santa Anna go to the polls to vote on a question of great importance to the future of the city. The importance of this election lies not only in the immediate question to be decided, as important as that is, but also in a question of the attitude of the citizens of Santa Anna.

Cities in the size range as ours all over the country are facing this same question: Whether to go ahead, make the changes and take the steps necessary to insure a progressing, growing community, or to cling to the ways of the past, and to inevitably die out.

Santa Anna is well located. It has many natural and manmade assets that could be important to its growth. But the determining factor will be the attitude of its people.

This is what you will be expressing with your vote next Tuesday.

The Santa Anna News very strongly urges passage of proposed sale of land from old Ranger Park, because we feel it is best for the community, for these reasons:

(1) Only a small portion of the park will be sold — 2.4 acres to be exact.

(2) This land will be sold, not donated or given away, and the price is a very good one — \$250.

(3) The new rest home to be constructed on the site by the Santa Anna Hospital will cost the city and its citizens absolutely nothing — no increase in taxes, no increase in water rates, no increasing in anything except the amount of money coming into Santa Anna.

(4) The new rest home will bring into Santa Anna, in direct income, more than half a million dollars each year — in addition to amounts spent with local merchants by patients and visitors.

(5) The Santa Anna Hospital payroll totals about \$100,000 per year at the present time. With the completion of the new facilities, the annual payroll will double, to about \$200,000 per year.

(6) The proposed new rest home is to be the first part of a large medical center to be built on the site — a medical center that could put Santa Anna in the same category as Temple and Galveston in medical services.

(7) The construction of the new rest home will relieve the city of the expensive and difficult job of policing and maintaining the area.

(8) With all the good reasons why the sale should be okayed listed above, there has not come to light a good argument against the proposal.

Go to the polls Tuesday, and vote for a growing, progressing Santa Anna. Your vote is important. Cast it for a better Santa Anna.

Hesterday's News

FIVE YEARS AGO

A headline in the paper for October 9, 1959, sounds familiar: "Mountaineers Suffer Fifth Defeat Friday."

Eight inches of rain fell last week in Santa Anna.

Miss Jean Stewardson was honoree at a tea in the home of Mrs. Ford Barnes, with Mrs. Elgean Harris, Mrs. Carl Benton, Mrs. A. D. Donham, Jr., Mrs. James Mallow, and Mrs. Doyle Evans as hostesses. Miss Stewardson is to be married to AIC J. W. McClellan, in Toul, France.

TEN YEARS AGO

Homecoming is set for Friday and Saturday, according to The Santa Anna News for October 8, 1954.

Mrs. Luther Talley has received word that her husband, who left the States recently, had arrived in Korea on September 10.

A daughter was born to Mrs. Lewis Perrie at Santa Anna Hospital.

TWENTY YEARS AGO

Items in the Piggly Wiggly ad for the week of October 13 carried the notation "point free." Remember?

Mr. and Mrs. Will Pittard, Sr. received a letter from their son, Will, Jr., who is a prisoner of war in Germany. He states that he is in good health.

Participating in the meeting of the Mountain City Garden Club this week were Mrs. Sam Collier, who presented the program; Mrs. J. R. Gipson, who presided; and Mrs. R. C. Gay and Mrs. Clifton Lowe, who had exhibits.

TWENTY FIVE YEARS AGO

Coleman County ginned more cotton during the 1939 season than any other county in the 16-county Central West Texas District, according to the paper of October 13, 1939.

The News for this week carried a picture of John Nance Garner, with speculation that he might be candidate for the Democratic nomination for president in 1940.

The manager of the Brownwood Chamber of Commerce has a hobby with a point — or several points — he collects barbed wire.

Reddy Kilowatt appears in an ad for West Texas Utilities Company, and we note the little fellow was much thinner in 1939 than today. So were a lot of us.

Another ad, the regular report of condition of the Santa Anna National Bank, shows assets to be \$433,133.

THIRTY YEARS AGO

"Wallace, Price, and Cheaney were outstanding for Santa Anna," says an article in The News for October 12, 1934, telling of 13-6 loss to Ballinger. Other district teams with Santa Anna-Ballinger are Bangs, Brady, Coleman, Goldthwaite, San Saba, and Winters.

A 10 pound box of prunes is advertised for 99 cents.

A report notes that the Civil War in Spain is considered almost over, with the government winning, although "the rebels indicated they still had a trump card to be played." Must have been a good one, since the rebels finally won.

FORTY YEARS AGO

The Coleman Cooker, a kitchen stove, advertises that it has "no wicks to clean, no flues to burn out, burners last forever, no smoke, no smutt."

Buster Keaton is featured this week in a movie entitled "Sherlock, Jr."

Gasoline is 14 cents per gallon in The News for October 10, 1924.

The second Monday in each month was Dollar Day in Santa Anna in 1924.

4-H Club Members Go To The Dogs

The ears of almost 25,000 4-H club members across the country are sensitively attuned to the "rruff, rrruff" of their canine friends.

The 4-H Dog Care and Training awards program, now in its sixth year, is attracting a great many urban youngsters and those in rural areas as well, according to the National 4-H Service Committee. It is sponsored by the Ralston Purina Company.

Obedience training is taught, and the young dog handlers soon realize that the animal is an individual. As one 4-H'er put it:

"Each dog is different. Some are shy and need coaxing. Others are ready to go and need stricter discipline. Whatever the dog is like, success only comes from hard work and plenty of praise."

Members readily accept the responsibility of owning a dog as they learn proper care and feeding of the animal, club leaders observed. They like to show their pets and demonstrate best methods of grooming and training.

One girl trained dogs for the blind. "You can make training a game instead of work," she declared. "The key to successful training is first to win your dog's confidence."

"At times I felt like giving up," she said, "but when I thought about some blind youngster waiting for a dog, I had to keep on working."

Some 4-H members have helped to finance a college education by raising and selling pedigree puppies. Also, careers in veterinary medicine or other fields of work with animals have resulted.

COTTON REPORT

Wet fields delayed cotton harvesting until about mid-week, causing sample receipts at the USDA Cotton Classing Office in Abilene to decline sharply, according to B. B. Manly, Jr., Officer-in-Charge. Total samples classed through October 2, 1964 was 16,568 compared to 50,095 at the corresponding date last year.

District 2 (Coleman, Runnels, Taylor, Nolan, Mitchell, Scurry, Fisher, Jones, Stonewall, Kent and Dickens Counties) accounted for 1,640 of the 2,111 samples classed last week. Cotton quality dropped slightly; samples indicated some of the cotton was harvested when wet. Eighteen percent of the cotton was white, 59 percent light spotted, 22 percent spotted and one percent was gray or light gray. In the white category, two percent was strict middling, 12 percent middling and four percent was strict low middling or lower. In the light spotted category, six percent was strict middling light spotted, 34 percent was middling light spotted, 18 percent was strict low middling light spotted and one percent was low middling light spotted. Spotted grades were: seven percent middling spotted, 12 percent strict low middling spotted, and three percent low middling spotted. Middling gray and middling light gray made up one percent of the total cotton classed.

Staple lengths increased considerably. Seven percent of the cotton was 7/8 or shorter compared to 30 percent only two weeks ago. Other staple lengths were: 34 percent 29/32, 47 percent 15/16, 10 percent 31/32 and two percent 1-inch or longer.

More of the "mike" readings were in the 3.5 to 5.0 range as compared to previous weeks. Last week, 90 percent was in the 3.5 to 5.0 range, six percent "miked" 5.0 and higher and five percent "miked" below 3.5.

The cotton market was slow due to the small amount ginned. Generally, white grades were not selling. Light spotted cotton was selling freely at 15 points below the CCC loan to 75 points above loan value. The higher premiums were received on the lower grades. Producers were receiving \$44.00 to \$46.00 per ton for cottonseed.

State Capitol NEWS

A top finance authority on state government is hopeful that the tax bill written by the 1965 Legislature will be smaller than many advance predictions have indicated.

Jim McGrew, research director for Texas Research League, said \$35,000,000 a year in new revenue ought to cover the bulk of Governor John Connally's higher education program, teacher pay raises and about 40 percent of the budget increases sought by state agencies.

McGrew, who addressed Austin's chapter of Sigma Delta Chi, professional journalism fraternity, made these "guesstimates":

— About \$625,000,000 will be available for general revenue spending next biennium, including an \$83,000,000 surplus at the end of the present fiscal period. That's \$153,000,000 above the present level.

— With no new taxes at all, the Legislature could provide up to \$120,000,000 in additional general revenue spending for higher education and maybe \$45,000,000 more for state departments and agencies.

— An added \$60,000,000 plus in revenue (per biennium) would finance the state's \$74,000,000 share of a \$45-a-month pay raise for public school teachers as well.

Texas Commissioner on Higher Education recommended \$89,000,000 more for higher education from general revenue. Governor's Committee on Education Beyond the High School recommended an increase of \$165,000,000. But it suggested doubling tuitions which would reduce the general revenue hike to \$120,000,000. State Hospitals and Special Schools, the judiciary and other state agencies have put in for \$112,000,000 more than the current budget.

Asked where additional money likely would come from, both McGrew and his boss, League Director Alvin A. Burger, noted that restoration of the \$2.75 corporation franchise tax rate, removal of exemptions in the present sales tax or raising of the rate would be big revenue producers. They made no recommendation.

CONNALLY APPLAUDS REPORT

The Warren Commission's report on the assassination of President Kennedy has received Governor Connally's approval.

Connally, who was seriously wounded by the assassin, stated that reading the report brought back memories he had tried to put aside.

Carr's summation on the assassination followed the Warren report. Several volumes of exhibits, consisting of evidence and information collected by Texas officials, are a part of the state report and will be displayed in the state archives.

Connally told newsmen he supports tighter security measures by state and local police guarding major public officials.

ESTES PROBE
A State Department of Public Safety investigation of Billie Sol Estes will continue "until all ramifications" are cleared, Connally told a press conference.

Senator Ralph Yarborough has challenged authority of the DPS to look into allegations that he received \$50,000 from Estes, who now faces prison sentences for swindling.

Connally said of the DPS: "It has a clear duty and responsibility with respect to law enforcement. It is not a political organization. It has not been used as such, and will not be used as such if I have anything to do with it."

A Yarborough campaign aide, Fagan Dickson of Austin, issued a release in which he said he has information that Estes has made a statement bearing out an FBI investigation report that there was no \$50,000 gift to Yarborough.

WATER PROJECTS

Representatives of eight East Texas soil conservation districts have been conferring with Texas Water Commission staffers about a proposal for a Southeast Texas Resources Conservation and Development Project.

They are mapping a plan for coordination of all existing water projects in their jurisdictions, as well as others being projected, so that recreational, flood control, drainage, levee and soil conservation units will be utilized to the fullest.

Counties involved are Newton, Tyler, Hardin, Polk, Jasper, Jefferson, Orange, Chambers

and parts of Liberty and San Jacinto counties.

It is expected that the districts will go next to the State Soil Conservation Board. They hope to present a plan to the US Department of Agriculture, which — if approved — would designate an agency to do the actual designing. Designated agency probably would be the Soil Conservation Service.

Assistance plan, called the Resources, Conservation and Development Act, was passed in 1962. But it just now is getting underway.

Act provides that the US Department of Agriculture pays for the planning and participating in recreational and other facilities on a local sharing basis.

FOREST ROADS AUTHORIZED

Texas Highway Commission authorized \$388,000 in farm-to-market road development in Davy Crockett (Houston County) and Angelina National Forests. Two projects included are linked to development of Sam Rayburn Reservoir. A third would connect two scenic roads south of Kennard.

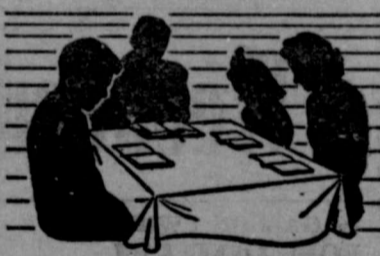

SHORT SNORTS

Governor Connally said reports that organized racial demonstrations may be staged in San Antonio during the Southern Governors' conference, October 10-13, are "mere rumors," but added, "What can you do about it if it happens?"

... A large snarl of red tape stands between colleges and junior colleges in Texas and an estimated \$11,600,000 in Federal grants for construction, but Dr. L. E. Harrell of the Texas Commission on Higher Education said they may know something in December...

State Highway Commission has authorized 432 highway construction projects, totaling \$20,000,000 for 180 Texas counties... Allstate Insurance Company is suing the State Board of Insurance, claiming the Board, which would require companies to charge buyers a minimum interest rate of six percent on premiums paid by installment, has no authority to regulate the installment interest rate the public must pay.

Read John 11:41-46.

He that was dead came forth, bound head and foot with graveclothes... Jesus saith unto them, Loose him, and let him go. (John 11:44)

In study of the Bible, one is amazed at the unlimited spiritual applications that pertain to our daily life. In the account of the raising of Lazarus, for example, Jesus said to those standing by to take away the stone from the tomb. Then when Lazarus was raised from the dead and came forth, Jesus said again to the men, "Loose him, and let him go." Jesus has the power to bring life but He does not do for us what we can do for ourselves!

Many Christians are weak in the faith and bound by doubt and past failings. Are we doing anything to help them get free from their bondage? We are our brother's keepers, and we can do our part to loose them from their bondage and to stand by them in their time of trouble by our sympathy, prayers, and deeds on their behalf.

PRAYER

Our Father, who desirest the freedom of all mankind to serve Thee, grant us the insight to see the needy souls around that are hardened and fettered. May our vision of the Savior be clear and our witness to others given in love. We ask in the name of our Master, who teaches all His followers to pray, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY

Someone near us needs our help, and we are responsible to God for him.

Mistakes Make The Difference As Bronte Downs Santa Anna

By Morey Mast

A good overall performance could not overcome costly mistakes as the Bronte Longhorns dealt the Santa Anna Mountaineers their fourth loss this year by a score of 28 to 6, last Friday night in Bronte.

Plagued by constant mistakes, the young Mountaineers could not put together a sustained drive until the fourth quarter. The action went like this.

The Mountaineers had possession of the ball on their own 30 yard line with first and ten to go. They were trailing the Longhorns 12-0 at this time with about nine minutes left in the game. After gaining only three yards in three plays the Mountaineers were forced to punt from their own 33 yard stripe, charging down field on the heels of a booming 41 yard punt. The Mountaineer defenders recover-

ed the ball on their own 26 yard line. From there the Mountaineers stormed to the 10 yard stripe for first down and goal to go. Eddie Jones, Mountaineer quarterback, carried the ball to the Bronte four yard line for a second down and four to pay dirt. The next play gained two yards. Facing third and two, disaster almost struck the Mountaineers again. A miscue in the backfield caused a fumble, but Jones pounced on it, not before losing three yards, however. On the next play, quarterback Jones called the perfect play. Rolling out to his right on what looked like an expected end run, Jones fired a pass to Frank Valdez, playing right half, had faked a block and slipped into the end zone for a perfect pass from Jones and six points. Valdez's kick for extra point was low. So the score stood, Bronte 12, Santa Anna 6, with six minutes left on

the clock.

The Mountaineers were really riled up, but hard luck would not leave them. After an onside kick fell short, the Longhorns took over on Santa Anna's 45 yard line. An aroused bunch of Mountaineers gave up only one yard total on the next three plays, so the Longhorns were forced to punt.

The final score was 28 for Bronte and six for the Santa Anna Mountaineers, yet the game was much closer. For instance the first touchdown came in the third period of play.

The first half was all defensive. The Bronte Longhorns total offense came to 102 yards. Santa Anna could only muster 52.

Although most of the scoring occurred late in the game, the Mountaineers didn't weaken as the score might indicate. Bad breaks accounted for most touchdowns scored by Bronte. Santa Anna lost the ball a total of seven times on fumbles and pass interceptions. This would take the fight out of most teams, but the young Mountaineers kept fighting back.

Big gun as usual in the Santa Anna defense was senior Frank Valdez. Valdez saw action in the defensive line as well as the secondary.

Picks of the Week

Even though this column was inadvertently omitted from last week's paper, we will be honest — and not claim we got them all right. In fact, we picked three out of five, missing on the Comanche-Goldthwaite and the Del Valle-Burnet games, in

both of which we picked the 9A team.

Here are this week's choices:
Burnet at Mason: Mason is fresh from an open date and will prove too much for Burnet.
Early at Comanche: If Goldthwaite couldn't handle the Indians, we doubt if Early can. Comanche without strain.
Goldthwaite at Llano: We give up on the Eagles, and although Llano has won only one of five games, we have to pick them in a game of losers.

Johnson City at Marble Falls: Goldthwaite's only win this season came against Johnson City, so the Mustangs of Marble Falls should have no trouble.
Dublin at Santa Anna: Dublin is one of the state's top-ranked AA teams. Nuff said.

JUNIOR MOUNTAINEERS FINALLY WIN ONE

The Junior Mountaineers finally put Santa Anna in the football win column with a 14-6 victory over Bangs Tuesday night.

Bangs scored first, on a 64 yard run set up by a completed pass, with the extra point try failing. Santa Anna came back in the second quarter to tie the score on a 10 yard jaunt by Ray Valdez with no time remaining on the clock. The Junior Hillbillis scored again in the fourth quarter on a 15 yard scamper by

PATTERNS FOR PROGRESS

When Industry votes for your
community... you are the winner

The campaign WTU is conducting to bring new industry to this service area is based upon a platform of economic advantages. That's because profitable operation is the objective of all industry on the move. But when you come right down to it, local enterprise, local activity, local leadership are the deciding factors in winning the race for new industry. That is why when industry votes for your community, your platform is adopted and YOU are the winner.
