### PARKER-RILEY.

The First Baptist church of Maysville was the scene of a very pretty wedding when, at 8 o'clock Wednesday evening, Matilda Lee Parker was led to the altar by James McIlvain Riley.

The rostrum of the church had been extended several feet and was beautifully decorated with candles, ferns and southern shrubs, and immediately over the bridal pair was suspended a large wedding veil.

Just previous to the arrival of the bride party, Miss Sallie Milton had delighted the audience with a solo in a rich, sweet voice filling the remotest corners of the auditorium, to the accompaniment of Mrs. C. E. Keen.

As the bridal party entered the entrance, the pipe organ played a grand march. The ushers, Misses Mabel and Edna, followed the bridesmaids and maid of honor. Following came the lovely bride on the arm of her father and in the opposite aisle came Mr. Riley and his best man, Mr. Owen Neal. The ushers and maids arranged themselves around the rostrum with the bridal couple facing the audience.

The bride, the eldest daughter of Mr. John T. Parker, is pretty, possesses a most charming personality and many accomplishments. Her sunny disposition has won her many warm friends and well wishers. Mr. Riley is to be congratulated upon winning so desirable a companion. She wore a beautiful creation of white tulle with trimmings in rose point lace with panels of gold brocade and veil of tulle and carried a shower bouquet of lilies of the valley.

Miss Nelle Richards, maid of honor, wore pink crepe meteor trimmed in silver.

Miss Mary Wilson Power wore white chiffon trimmed in Mockin lace and satin.

Miss Albie Ball wore pink crepe de chine with silver trimming.

Miss Ellen Shanklin wore white crepe meteor with gold trimming.

Miss Marguerite Fitzgerald wore pink crepe de chine with Persian trimming.

The maids carried shower bouquets of pink and white roses.

The ushers were Messrs John D. Keith, Houston Hall, Preston Parker, Harry Miles, Chancellor Parker and Isaac Chanslor. They wore dress suits and presented a handsome appearance. The ribbon bearers were Messrs Stoney and Edward Parker.

The ceremony was performed by Rev. H. Ross Arnold, pastor of the

First Baptist church, and was all the more impressive by the sweet strains of music which continued throughout the entire service.

This wedding is quite an event in the annals of Kentucky history, as it unites two of the states oldest and most prominent families, the groom being a native of this county and a son of the late J. D. Riley, who was for many years president of the First National Bank of this city.

Immediately following the ceremony the happy couple drove to the residence of the bride's parents, where they received the congratulations of the friends and relatives. The bride was accompanied by Mr. and Mrs. Thomas Lindsay of Sharpburg, and Mr. Owen Neal of Colorado, Texas. Maysville (Ky.) Democrat.

Among the out of town guests were Miss Nannie Melivan of Paris, Tex.; Mr. and Mrs. Will Lindsay and Mr. Thomas Lindsay of Sharpburg, and Mr. Owen Neal of Colorado, Texas. Maysville (Ky.) Democrat.

### The Choral Society.

The Colorado Choral Society under the direction of Mr. Thomas Dawes, has been rehearsing over three months the sacred cantata, 'Jesus' Daughter, and will render same on Friday night, January 28, 1910. This will be the first public entertainment the society has given, and they are very desirous of making it a success. The work has been hard, but those who have been faithful feel more than repaid in the great help it has been to them, and consider it a privilege to have had such a thorough and efficient musician as Mr. Dawes for instructor. We only wish the musical ones, and those interested in any way would come as visitors to the rehearsals, this is especially solicited. The society meets every Tuesday night at 8 o'clock sharp, in Mrs. P. A. Hazzard's rooms in the Opera house. Any one wishing to inform themselves regarding Mr. Dawes' proficiency both in instrumental and vocal culture, would be most welcome at any of the rehearsals. An opportunity to have an instructor for Colorado work, has never presented itself before. Our future depends on the interest of the Colorado people. We sincerely hope those who understand and appreciate high-class music, and the earnest effort of the singers, will give Mr. Dawes and the society their hearty co-operation and moral support by attending the first entertainment. Tickets will be 50c and no reserved seats.

**Letter to J. B. Cranfill,**  
Colorado, Texas.  
Dear Sir: The wear of paint goes by gallons, the less-galton paint wears longest. The reason of course, is its strength. It takes less gallons, because it is strong; it wears a long time because it is strong. It is all paint and the strongest paint.

There is a best paint among all-paint. No two are alike, of course, no two ever alike or wear alike. One is thin, another is thick; one has too much lead, another too much zinc, another is right. The right is Devoe, so far as is yet known. Perhaps somebody else will find out a better paint than Devoe; then Devoe will become a more gallons paint, a costlier paint, a weaker paint, a less durable paint, a less economical paint, a timid paint.

Bigger changes than that have come over the world. Devoe has the lead; why shouldn't we lose it to somebody else?  
Yours truly,

### MARRIED AT LORAIN.

**Mr. W. F. Miles Leads to the Altar Miss Lillian Davis.**

On Wednesday evening, Dec. 29th, at 7:30, at the home of the bride's parents in Loraine, Mr. W. Frank Miles led to the marriage altar Miss Lillian Davis, Rev. J. G. Irwin officiating, using the ring ceremony.

It was one of the prettiest weddings that has yet occurred in Loraine. The parlor was tastefully decorated in white and green. In one corner an arch of smilax and roses, from the center of which the letters M. and D. in gold and silver were suspended. In a more charming manner Miss Marguerite Avant sang "O Promise Me," as the bride and groom entered, preceded by Mr. and Mrs. Henry Zellner. Then in impressive and befitting words Rev. Irwin performed the ceremony.

The bride looked sweet and graceful in a princess of white silk tissue with pearl trimmings, and a veil looped with orange blossoms, while the groom wore the conventional black and had a dignified bearing.

After congratulations the guests were ushered into the dining room which was also prettily decorated, where delicious nut salad and cake were served.

After the wedding gifts were viewed all repaired to the parlor where the remainder of the evening was spent in listening to sweet music, and social converse.

Those present were: Mesdames McRea, Wimberly, Bloom, Johnson, Edmundson, Avant, Zellner; Misses Reynolds, Hall, McRea, Gregg, Toler, Avant, Johnson, Dees, Blocker, Matthews; Messrs Avant, McRea, Edmundson, Johnson, Wallis, Hall, Henthorn, Gregg, Matthews. The out of town guests were Mr. and Mrs. F. B. Whipkey of Colorado, Misses Davis of Haskill.

The happy couple were to visit in Albany for a few weeks, where the groom has a brother, and perhaps at Palestine where his brother is Superintendent of the Palestine schools.

Mr. Miles has been in this section of the country for a number of years and is a worthy young man, having all the sterling qualities that go to make a success in life.

Miss Lillian is indeed queenly and charming and will make for her mate a wife in the truest sense. She was raised in Mitchell county, graduated from the Colorado high school, then completed a Normal course at San Marcos, and was a teacher in the public school at Loraine at the time of her marriage. Miss Lillian ably

represents the Record at Loraine and will continue to do so under the pen name of "Lillian Davis."

After their return to the fair little city of Loraine they will make for themselves a home, as Mr. Miles is interested in the Adams Mercantile Co., one of the strongest business concerns in that town.

A little commotion was created at the passenger depot recently by the negro train porter coming in collision with some of the boys of the town, when some white member of the train crew attempted to take the coon's part. The boys paid their respects to him with a heartiness and spontaneity that neither he or the coon will likely soon forget.

As the bridal party formed at the entrance, the pipe organ, at the command of Mrs. Geisel, pealed forth the joyous notes of Lohengrin's wedding march.

The ushers came slowly down each aisle of the church followed by the bride's maids and maid of honor. Following came the lovely bride on the arm of her father and in the opposite aisle came Mr. Riley and his best man, Mr. Owen Neal. The ushers and maids arranged themselves around the rostrum with the bridal couple facing the audience.

The bride, the eldest daughter of Senator John T. Parker, is presented him with most charming personality in token of their accomplishments on his patriotism.

tion has won and well reports from all over the country seem to indicate the hope of a safe and sane Christmas celebration is not altogether vain. The death and injured record was not up to the average.

The Ohio river was frozen over at Cincinnati and Louisville last week, the old river men say the river is worse blocked with ice than at any time since the civil war.

It is not an unreasonable dream that in the future, practically all the farming will be done by irrigation, and rain will be needed more for sanitary purposes and washing off the face of nature, than for agriculture.

Under the ruling that saloons maintained in hotels do not count in the general apportionment, Dallas has been given 21 more, making 206 for that city. There are 21 hotels maintaining saloons, which under the recent ruling do not count in the number for each 500 inhabitants.

Senator McLaurin of Mississippi was another example of the "open road to the White House" for every boy, however poor and humble, if he has the stuff in him that wins. He was reared on a farm in one of the most backwoods counties of the state.

Zelaya will find, like Castro, that he can't work his mouth loud or long enough to keep in the papers. He has dropped out and the world is done with him. The newspapers will work one of the kind as long as there is any money in such copy, but when the streak stops paying, they drop it.

A man suicided at El Paso last week leaving a note to the coroner apologizing for troubling him with an inquest and stating that he was suffering with a complication of 21 separate and distinct diseases. Thirty empty booze bottles were found in the room where he killed himself.

Don't be backward gentlemen and play the "after you, my dear Alphonso" role. Step right up to the Captain's office, say which office you want, pay for the announcement and go in to win. Remember the story of the early bird and the fugitive worm. The first man on the ground has an advantage over the late comers. We are ready for the rush.

First Baptist church, and was all the more impressive by the sweet strains of music which continued throughout the entire service.

This wedding is quite an event in the annals of Kentucky history, as it unites two of the state's oldest and most prominent families, the groom being a native of this county and a son of the late J. D. Riley, who was for many years president of the First National Bank of this city.

Immediately following the ceremony the happy couple drove to the residence of the bride's parents, where they received the congratulations of the family. Wedding attire was changed for traveling suits and Mr. and Mrs. Riley left over the C. & O. at 10:46 for an extended trip in the east.

That the couple were popular in a large circle of friends is shown by the many elegant presents received, cars that his sister of silver, cut glass, brass, ever wasted linen.

Among the out of town friends and his Miss Nannie McIlvain of Maysville, dig Mr. and Mrs. Will Lin of the community Thomas Lindsay of Maysville that "he's a fine Mr. Owen Neal of Maysville not drinking," just so Maysville (the) abuse their friendship, outrage public sentiment, and continue his course. It were better to grease his downward way and help him reach the bottom quickly as possible. Then, when he realizes his helplessness, he will appreciate the efforts made to save him.

"A good fellow when not drinking," is the same compliment as "All good Indians are dead Indians." But the trouble is, he always does his devilment when he is drinking. He abuses his wife, whips his little children, shoots his friends or commits other crimes, when he is not sober and a good fellow. Having the ability to keep sober, clean, square and decent, yet persistently abusing it, puts him on a lower level than the confirmed, diseased alcoholic, in whom is burned out even the recollection of these many virtues.

Just about the time one becomes disgusted with the weather in west Texas, the clerk thereof, to compensate, gives a spell that would make Italy and Southern California look like a Cape Cod fog bank. Since Friday before Christmas until last Monday morning weather has been perfect. Just cold enough to be healthful, kill hogs with safety, sell firewood easily, bright as a star, and warm enough to work out of doors all day long. When west Texas lays itself out to give a sample of good weather, there is no other section in the running. She is in competition only with herself.

The Chicago Grand Army Post passed the most rabid resolutions at its last meeting protesting against placing a statue of Gen. Robert E. Lee in the Hall of Fame at Washington, claiming that it was "against public policy, against the fundamental principles of our republic, and against the honor and integrity of the veterans who nobly gave up life and home to preserve the country Robert E. Lee attempted to destroy."

The country is anxiously awaiting the result of Secretary Wilson's investigation as to the cause of the increased cost of living. In the meantime every fellow has the right to his own guess, and we opine that one of the chief causes is a fifty dollar fellow trying to go a seventy-five dollar gait. The artificial wants of the people outrun their earning ability. We are living too fast.

Among your New Year's resolutions of amendment, let there be one as to your civic duty. Take an interest in the affairs of your home town. Don't knock the administration, they are performing a public duty, doing a public service, for the good of the entire town. Help them and it will rebound to your good.

The Record greatly appreciates the promptness with which its subscribers have come in and renewed their subscriptions. The dollar, of course is duly appreciated, but more than any number of dollars, do we appreciate the attitude of its readers to the paper. Little words of praise of how the family enjoys reading it of evenings, how they miss it when it is delayed—all these little things are legal tender at this office. We shall strive harder during the current year to give you a better paper than we were able to do last year. In the mean time, send us the country news and help to this end.

To the Farmers. You will get more money at the Palace Market for your butter, eggs, chickens, turkeys, geese, ducks, hogs and fat stuff than anywhere else in Colorado. See them before you sell.

### VICTIMS OF NEGLECT.

If You Ignore the Warnings Sent up by Ailing Kidneys You are on the Straight Road to Bright's Disease.

When anything is wrong in the kidneys the symptoms are manifest from the top of your head to the sole of your feet.

The following are some of them: Headache, dizzy spells, sluggish brain, drowsiness, dark rings and floating specks before the eyes, sallow skin, bad breath, heartburn, palpitation of the heart, sour stomach, disorder in the urine, backache, weak pulse, constipated or irregular bowels, aching at the knees, feverishness in the feet.

Prickly Ash Bitters is the right medicine for such symptoms; pre-eminently a kidney tonic; system cleanser and regulator. It contains all the necessary properties of a successful kidney medicine in addition to its admirable influence in strengthening and regulating the stomach, liver and bowels.

Prickly Ash Bitters begins right by cleansing the bladder and bowels—thereby driving out the impurities which started all the trouble. After this has been accomplished the healing and restorative element in the medicine will continue the good work, building up anew the weakened kidneys, stimulating the liver to greater activity, purifying the blood, and extending its restorative influence to every part of the body. As a result the appetite and digestion improve, the eyes are brighter, the strength returns, the hollow cheeks fill out, the complexion loses that sallow muddy cast, giving place to a clear skin and the ruddy glow of health.

Much depends on the promptness with which the treatment is commenced. Prickly Ash Bitters has cured many advanced cases that would not yield to other remedies, but it must be remembered that there is a stage in kidney disease beyond which no power on earth can save the patient. Take Warning! If you suspect anything wrong with your kidneys, begin treatment at once. It is your best hope of a cure.

L. G. Zachery, Lodi, Tex., says: "I never tried anything like Prickly Ash Bitters before in my life. It does its work almost in a night. I am now telling all my friends about your great remedy and all who try it speak of the splendid results. It has done me so much good that I will never again be without it in my house."

This is to notify the public that we now have a supply of the "Little Crater" Crude Oil Burners and will sell them to all who want them. See or address Goodwin & Maxfield, agents, Colorado, Texas.

Travel over the Texas & Pacific road has been very heavy for a month past. It takes money to ride on the Texas railroads, (even editors, preachers and candidates have to dig up the wherewithal) and a steady heavy passenger traffic is no argument for hard times. Since the railroads have stopped advertising their special rates excursions, etc., in the country papers, travel on these occasions has very noticeably fallen away. The quasi anti pass law hurts the railroads as well as discommodes the country editor.

## In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga. "I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick headache, heart palpitation and many strange feelings. "I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded to try Cardui.

"Since taking Cardui, I am so much better and can do all my housework."

# Take CARDUI

The Woman's Tonic

Do not allow yourself to get into a bad fix. You might get in so bad you would find it hard to get out. Better take Cardui while there is time, while you are still in moderately good health, just to conserve your strength and keep you in tip top condition. In this way your troubles, whatever they are, will gradually grow smaller instead of larger—you will be on the up-grade instead of the down—and by and bye you will arrive at the north pole of perfect health. ### WEAK KIDNEYS MAKE WEAK BODIES.

### Kidney Diseases Cause Half the Common Aches and Pains of Colorado People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking down. Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood. Aches and pains and languor and urinary ills come, and there is an ever increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help. Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. No need to take the statement of someone living far away as evidence. Here's a case right in this locality. G. E. Ward, photographer, Opera House Building, Abilene, Texas, says: "Doan's Kidney Pills rid me of a pain in the small of my back which had caused considerable trouble. As I used no other remedy at the time, I give Doan's Kidney Pills the entire credit for bringing me this relief." For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

to the inclement weather no Christmas trees were had at any of the churches, and old and young Santa Claus an opportunity to climb down the chimney, and to hang stockings.

Mrs. Cornet Wimberly has been quite sick this week.

Mrs. Beulah Taylor and little son are visiting her parents, Mr. and Mrs. W. I. Emondson.

Miss Isophene Toler, the pleasant and accommodating saleslady at the Loraine Mercantile will leave soon on a visit to her parents who are spending the winter at Corpus Christi. We wish for her a most enjoyable visit.

Miss Minnie Joiner has returned to her home at Paris, Texas, after a pleasant visit to her sisters, Mrs. Jake Gregg, and Miss Maggie Joiner.

R. B. Pratt, formerly of the firm of Gregg & Pratt, but now of Sylvester, will return with his family to this place in the near future. He will be accompanied by Mr. Ab Pratt and wife. We are very glad to welcome them back to Loraine, and to know they have come to believe that Loraine is the best town in west Texas to live in.

Miss Roxie Coughran of Colorado was the guest of Miss Ruth McRae a few days last week.

Harvey and Claude Muns came in Sunday morning from a visit to their aunt in Childress. They report a most enjoyable time, having chased the mountain wild cat, as well as entering into the Christmas festivities.

Ross Cone paid a visit to Colorado Monday, leaving for his home in Dallas Tuesday morning.

Miss Georgia Mershaw, after spending the Christmas vacation with her parents in Huntsville, returned Sunday morning ready to resume her duties as teacher in the school, on Monday morning.

Rev. Vincent of Abilene, filled the pulpit at the Baptist church Sunday night. He is working for the establishment of a Girl's Industrial Home in connection with Simmons College at Abilene. From his reports he is succeeding admirably in the good work.

H. B. Wilson has returned from a visit to the "folks back home" in old Alabama.

The Commercial Club which was to have given the opera house Monday night, postponed its meeting indefinitely on account of the bad weather.

Misses Ruby and Kate Davis, who spent the holidays with their aunt, Mrs. T. J. Davis, have returned to their home at Haskell.

The writer is the recipient this week of the "Stockdale Times" edited by R. M. Stovall, formerly of Loraine, in which he pays the Loraine correspondent quite a compliment.

The we feel that it is undeserved, we appreciate the good wishes and kind words of all, and in return wish him all the success and prosperity that the new year can bring.

Mr. and Mrs. Henry Zellner entertained their cousins, Misses Ruby and Kate Davis and a few friends at dinner last Sunday.

W. L. Emondson made a business trip to Colorado Monday.

J. E. Stowe and Cornet Wimberly received a message last week requesting their presence at the bedside of their friend, Mr. Joe Furney at Robert Lee. They have now returned and report Mr. Turney's condition somewhat improved. Mr. Turney was formerly connected with the Stowe Dry Goods Co. We are very sorry to hear of his illness.

The young people here have had one continuous round of entertainment and frolic since the holidays began. The season's festivities began when Mr. Arlie Martin entertained a number of friends on College Heights, Wednesday before Christmas. Miss Myrtle Harman of the Rosebud crowd entertained a number of friends before Christmas. Games were played and a merry time was had.

Miss Grace Baker entertained at her home on Christmas eve night. Miss Lillian Davis entertained in honor of her cousins Misses Ruby and Kate Davis on Christmas night.

One of the most novel and enjoyable parties ever given in Loraine, was when the young people met at the home of Miss Bettie Erwin last Friday night. This was an old-fashioned party in which the guests were required to come in the guise of long ago. All were there; the sober Puritan maid, the dashing cavalier and the gay dandy of queen Elizabeth's court. Miss Maggie Joiner, as a Puritan maid, and Wirt Bloom as a poet of long ago, were awarded the prizes.

After a most enjoyable evening the guests bade their young hosts a reluctant good-night, but left to join others to ring out the old year and ring in the new. On the same night Mrs. Dell King gave a hen party at her home and much merriment ensued from the lively games played and the lack of restraint in the absence of the masculine element.

Likewise Miss Jessie Hall entertained the Rosebuds at her home with 42 and fun. At 11:30 the young people from all over town met at the churches and school building to ring the bells in welcome to the new year and farewell to the old.

The iron bells, the brazen bells, the silver bells were rung until their clamor rang far out on the midnight air. A few stayed to watch the breaking of the new day to give it a cordial welcome.

Miss Trixie Dees entertained a number of her friends at a calico party Saturday night. Refreshments were served and all spent an enjoyable evening.

Others who entertained were, Miss Cora Thompson, Miss Clara Wilson, Miss Opal Templeton, Miss Pearl Harman. In every case the young people, leaving, declared that they could not have had a merrier time.

Miss Claudia Langley of Hamilton will fill the vacancy caused by the resignation of Miss Lillian Davis.

**GRADE CARDS**—The Record has printed and in stock the regular grade cards for public schools. This form of the card was adopted by the State and also by the county. Every teacher in the county is required to use this card, and you can now get them here and save the trouble and expense of sending to Dallas, and the price is the same.

**ITEMS FROM UNION**

There is no news of importance in this section.

Christmas got here on the 25th of December, and passed off quietly; even without a Christmas tree. Yet your humble writer thinks a Christmas tree, on a high order, is a very fine thing in connection with a Sunday school.

Bro. Ledger, our pastor, came over Sunday and preached to a rather small audience; but in the writer's judgment preached the strongest missionary sermon it was ever his pleasure to listen to. He set his pegs in scriptural soil and drove them with a scriptural sledge hammer, until they needed no more. Then a collection followed, much to his satisfaction.

Now since the new year has come in people are very busy. Some winding up gathering as best they can between showers; some moving to their next year's quarters; some plowing and preparing for another crop, the ground being in fine fix, which is very encouraging.

The general health of this community is good, which is a standing characteristic of this section.

### A Prince of His Race.

The Dallas Times Herald has the following to say of "A Prince of His Race," which is the attraction booked at the Opera House the night of January 11th.

"A Prince of His Race" is a most excellent attraction. The light and airy nature of plot, combined with the original way in which it was made to develop, was admirable and the presentation it received at the hands of Mr. Graham and those about him decidedly promoted the contentment and good humor of an audience on pleasure bent. The play is a comedy drama just delicate enough to lean toward the picturesque on one hand and yet escape being criticized as frail or fatuous on the other. It is also of a nature of artistic work, for which Mr. Graham seems fitted and gave him repeated opportunities, all of which he improved. The role of Phil Stanley which Mr. Graham occupied, was one which depends greatly for its effectiveness on attention to details, and it was largely due to his appreciation that his work was approved by the large audience.

Col. Lacey was president of the Commercial National Bank of Abilene, and had announced his intention of entering the race for governor, but failing health caused him to withdraw his name. He will be greatly missed in Abilene. He was buried at his old home—Palestine.

### CHRISTMAS DOINGS.

All of the various churches had Christmas trees on Christmas eve. These were laden with gifts, fruit and candy for all the children, and delivered by real, sure-enough Santa Claus.  
The day was kept more as a holy day than ever before in the history of the town. No egg-nog parties disturbed the calm of the morning, nor did any dance music awake the echoes of the night. The day was spent by family and friends together around a table spread with the good things of life and prepared in the most appetizing manner possible. There were a number of small affairs, but no single large one as has been usual.  
Monday night the young people enjoyed a lovely dance at the club rooms. A large number of the young gentlemen and ladies were out, and the dancing continued until one o'clock. The same evening Mr. and Mrs. Merritt entertained a few friends at cards.  
Monday afternoon Mrs. J. H. Greene most pleasantly entertained the girls of her Sunday school class. On Thursday she again entertained in honor of the young ladies' 42 Club. There were eleven tables of 42 players. The house was darkened, and candles shed a soft light over the beautifully gowned company. Bon-bons were placed on all of the tables and at the close of the game a dainty salad course was prettily served.  
Tuesday Mrs. H. A. Bass most hospitably entertained the ladies of her 42 Club. No game was played but the time spent in conversation. Hot chocolate and cake were passed and on saying good by, dainty little hand-made souvenir postals in the Christmas colors, were presented the guests. These were the work of the hostess and will be treasured by the recipients.  
Tuesday evening Carey and Lois Prude entertained all the boys and girls of their crowd with a nice dance. The pretty home was filled with a gay crowd who danced until tired, and were then served tempting refreshments, and danced some more.  
Thursday evening Mr. Prude was host for the Old Mens' Euchre Club and another pleasant evening was enjoyed.  
Friday afternoon the Twenty-one Club held an open meeting in honor of Mrs. Bass, at the home of Mrs. C. T. Harness. The pretty home was beautifully decorated in Christmas colors and mistletoe, and each member brought an invited guest. The game was 42 as usual and was much enjoyed. At the close an elaborate salad course was daintily served.  
Friday night the members of the Central Circle W. H. M. S. held a watch meeting at the home of Mrs. Jim Smith, their husbands being the guests. The house was gay with holiday decorations. A programme had been prepared and at an appointed time refreshments were served.  
Mrs. Arbutnot's neighbors also gathered with her and watched the passing of the old year and the coming of the new.  
The younger crowd spent the last hours of 1909 dancing; a delightful ball being held in the club rooms.  
Fred Glisson gave a party New Year's night which was much enjoyed by the kid crowd.  
Sarah Shaw also entertained the "kids" with a party Christmas week.  
Mr. and Mrs. Fred Whipkey gave a quiet dining Christmas day with the family of their pastor, Mr. Nichols, and a few friends and relatives.  
On Wednesday night of last week Miss Lela Whipkey entertained a few of her friends with a chafing-dish party. They made candy and played games afterward. All had an enjoyable time.  
On Wednesday night of last week Robert Smith entertained in honor of Miss Mary Risinger, who was a guest in his mother's home. It was such a pleasant affair that all wished that Miss Mary would remain a guest instead of leaving for her new home in Sweetwater.  
Last Saturday night Jay McLure gave a party to a few special friends. 42 was the game indulged in. As the guests entered the dining room, each one was given a card on which was written a New Year's resolution. A great deal of fun was had by these, and many decided to carry them out.  
Robert Shepherd entertained in honor of Miss Mary Risinger on last Thursday night. The usual games were played and enjoyed by all. At the proper time hot chocolate and cake was served.  
On Wednesday evening of last week Misses Lillie Allen and Mary Boren entertained at the home of Mrs. Allen with a dancing party. There were eleven couples and at twelve o'clock refreshments were served, the fun continuing until one o'clock.  
Thursday Miss Mary Arbutnot gave a lovely 42 party in honor of Miss Mary Boren and Miss Marguerite

Loone. The lady's royal prize was won by Lillie Allen, the gentleman's by J. B. Blandford, the loss being by Charlie Thomas, while both the honorees were presented with beautiful gold pins. Dainty refreshments of cake and cream were served.  
Miss Emma Stoneham entertained a jolly crowd of schoolmates Friday evening; at the home of her sister, Mrs. Walter Stoneham.  
The school children had parties every night during the week, but the names of all the hosts and hostesses of these joyous affairs could not be obtained.  
On Tuesday of this week Mrs. Will Morrison most hospitably entertained the Card Club, and on Wednesday a number of friends were invited to play 42. Both affairs were most enjoyable and mark Mrs. Morrison as a lovely hostess. She was assisted by her mother, Mrs. Reichardt, who is visiting her, from Houston.  
**EXPERT TAILOR.**  
R. T. Manuel has secured the services of a fine tailor from Dallas which enables him to give his many customers better service than ever.

Robert M. Webb, secretary of the Colorado Commercial Club has gone to Fort Worth to attend a meeting of the Commercial Club Secretaries' Association.  
R. O. Pearson, the redoubtable "Dick," came in last week to join his family who have been visiting here for several weeks, and will remain for an indefinite time.  
Mr. James Dulaney, of Sweetwater, brother of Dr. B. F. Dulaney, has purchased the vacant lot just west of W. L. Doss' drug store and will at an early date erect a two-story concrete building, with store-rooms below and arrange for offices above. This is good news and will no doubt be the beginning of other improvements in the town.
