WILL TEXAS BE DIVIDED.

A gentleman signing himself G. W. J witing in the Brownwood News thinks DISTRICT JUDGE W. W. BEALL he can see the time when Texas will be divided and he says that prohibition about. Going further he argues that the German and Bohemian settlements of south Texas will never submit to having their beer and wine taken from them, saying they are a great strong race of people. No one will attempt to argue that the gentlemen is not right about the Germans being a great race of people, but does that fact prove that beer and wine make them strong? We recall that Emperor William has recently given out a warning against the use of intoxicating beverages in Germany and has pointed out its dangers. Another point which G. W. J. mentioned is the great learning of the German people. In this we prefer our American ideas, German Universities can keep their doubts and infidel beliefs and we, will be content with our simple faith.

However, if it comes to dividing Texas we are willing, not to get prohibition, but because we think it is the

If he loses his hearing to the extent that he can only hear the tick of his watch two feet from the ear he may not suspect it at all. His hearing is good enough for ordinary purposes. He goes on without the slightest suspicion that he is losing his hearing. He may have ringing in the ear, or cracking and snapping sounds in the ear, or a feeling of pressure in the ear, but he is not aware that he is losing his hearing.

Testing the Hearing.

It is a good thing to test your hearing with a watch. First hold the watch against your ear, then move it gradually away from the ear and see how far away from the watch you can actually hear it tick. Try it on "Some time ago I wrote you about the other side and see if both ears my little boy, Clarence, five years of are alike. If you find that you are age. After suffering severely for three years or more with severe pains caused by weak kidneys I was finally induced to try Swamp-Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through. I am a retired planter, 70 years of age, and owing to Dr. Kilmer's Swamp-Root, I am in the best of health and feel like a boy. I am always glad to recommend Swamp-Root to those who are in need of it.

MARTINEZ IN PECOS JAIL AGAIN.

Sheriff Tom Harison arrived this evening from Waco, bringing with him Leon Martinez that noted murderer who murdered Miss Emma Brown near Saragosa August, 1911. Sheriff Cantrell of Ward county, accompanied Mr. Harrison from Barstow and Constable Roddy met the sheriff at the depot on the arrival of the train. The prisoner was rushed off and placed in Dr. Jim Camp's auto; which was there in waiting and was driven to the jail, where he now is awaiting the day of his execution, which will be announced as 300n as the court can convene an extra session. It was stated that the prisoner looked a little drawn, but as a matter of fact the writer failed to see that the prisoner showed any signs of regret on account of that brutal disposition that he possesses. It seemed that he felt honored from the expression on his countenance, because of the great throng that were there to see him-Pecos

"Pape's Diapepsin" Ends Indigestion, Gas, Dyspepsia and Stomach Misery in Five Minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these afty-cent cases of Pape's Diapopsin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for as. similation into the blood all the food you eat: besides, it makes you go to the table with a healthy appetite; but What will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver

pills for billiousness or constipation. The city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthuslastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, hearthurn, sourness, dyspepsia or any stomach
